GOVERNMENT OFFICIALS SAID MARSHALL PLAN GRANTS WOULD MAKE IT EASIER FOR THE 2,400,000 INHABITANTS OF WEST BERLIN TO RESIST COMMUNIST PRESSURE.
IN MAKING THE ANNOUNCEMENT, MCCLOY EMPHASIZED THE UNITED STATES GOVERNMENT DOES NOT INTEND TO SHOULDER BERLIN'S FINANCIAL BURDEN ALONE--A CLEAR INDICATION HE EXPECTS BRITAIN AND FRANCE TO HELP OUT.
IMMEDIATELY AFTER HIS CONFERENCE, MCCLOY AND HIS ADVISERS LEFT BY PLANE FOR GERMANY TO BE ON HAND FOR THE ELECTIONS SCHEDULED FOR SUNDAY IN ALL THREE ZONES. THIS BALLOTING WILL PAVE THE WAY FOR SETTING UP A WEST GERMAN GOVERNMENT BY SEPT. 15.
MCCLOY ALSO SAID IN ANSWER TO REPORTERS' QUESTIONS THAT THERE WILL BE A SUBSTANTIAL REDUCTION IN THE AMERICAN OCCUPATION STAFF AFTER THE WEST GERMAN REPUBLIC IS FORMED.
HE SAID AN INCREASING NUMBER OF FORMER NAZI FOLLOWERS OF SECONDARY IMPORTANCE ARE ASSUMING KEY POSITIONS IN WEST GERMAN ECONOMIC AND POLITICAL LIFE. BUT AS LONG AS THEY WERE NOT NAZIS GUILTY OF SERIOUS CRIMES THIS WILL BE ALLOWED, HE SAID, SINCE IT WOULD BE BETTER THAN BARRING A BIG GROUP FROM COMMUNITY ACTIVITIES ENTIRELY. WHAT IS IMPORTANT NOW, HE ADDED, IS NOT WHAT THEY THOUGHT 10 OR 15 YEARS AGO BUT WHAT THEIR VIEWS ARE NOW.

SECOND NIGHT LEAD TOKYO ROSE
SAN FRANCISCO, AUG. 12-(AP)-THE GOVERNMENT LATE TODAY RESTED ITS CASE AGAINST LOS ANGELES-BORN IVA TOGURI (TOKYO ROSE) D'AQUINO, ON TRIAL FOR TREASON FOR HER WARTIME BROADCASTS FROM RADIO TOKYO TO AMERICAN TROOPS IN THE PACIFIC AREAS.
THE PROSECUTION RESTED AT THE END OF THE 26TH DAY OF THE TRIAL AFTER PRESENTING 46 OF THE 71 WITNESSES IT HAD CALLED. THE TRIAL STARTED JULY 5.
DEFENSE COUNSEL PROMPTLY MOVED FOR A JUDGMENT OF ACQUITTAL. FEDERAL JUDGE MICHAEL J. ROCHE SET TOMORROW MORNING FOR HEARING ARGUMENTS ON THE MOTION.
THE DEFENSE ALSO TRIED TO GET A LOOK AT SOME RECORDINGS OF THE DEFENDANT'S "ZERO HOUR" PROGRAM. THESE RECORDS WERE NOT INTRODUCED BY THE PROSECUTION BUT WITNESSES HAVE REFERRED TO THEM.
THE GOVERNMENT'S LAST WITNESS WAS RICHARD L. HENSCHEL OF (42 WEST 88TH ST) NEW YORK, A FREE LANCE NEWSPAPER WRITER. HE IDENTIFIED THE DEFENDANT'S VOICE AS THAT WHICH HE HEARD BROADCAST TWO REMARKS WHILE HE WAS A SIGNAL CORPS OFFICER IN THE SOUTH PACIFIC.
ABOUT SEPTEMBER 14, 1944, JUST BEFORE THE ALLIES' INVASION OF MOROTAI, HE SAID HE HEARD HER BROADCAST THAT THE JAPANESE IMPERIAL COMMAND KNEW A LARGE CONVOY OF SHIPS WAS STEAMING NORTHWEST FROM NEW GUINEA, KNEW WHERE THEY WERE GOING AND THAT THE JAPANESE HAD A BIG SURPRISE IN STORE.
ABOUT OCTOBER 24 OR 25, 1944, OF TACLOBAN, LEYTE, HENSCHEL SAID, SHE BROADCAST THE AMERICANS HAD LOST ALL THEIR SHIPS IN THE BATTLE OF LEYTE GULF, "THAT WE WERE STRANDED IN THE PHILIPPINES AND DIDN'T KNOW HOW WE WOULD GET HOME."
THE GOVERNMENT'S LAST WITNESSES TOLD AGAIN HOW TOKYO ROSE TRIED TO MAKE THE ALLIED TROOPS JITTERY AND HOMESICK. THE TRIAL ALSO PRODUCED A LITTLE SEXY CHATTER ABOUT REDHEADS.

(550) CHINA
(ADVANCE)..(WX) LARAMIE, WYOMING,AUG.12-(AP)-A STATE DEPARTMENT SPOKESMAN DECLARED HERE TONIGHT THAT "THE OPEN DOOR IS IN DANGER OF BEING CLOSED" IN CHINA--"BUT WE MUST SEE THAT IT DOES NOT REMAIN CLOSED."
FRANCIS H.RUSSELL, DIRECTOR OF THE STATE DEPARTMENT'S OFFICE OF PUBLIC AFFAIRS, SAID THAT CHINA'S COMMUNIST CONQUERORS "ARE FACED WITH MANY GRAVE PROBLEMS" WHICH MAKES IT UNCERTAIN HOW COMPLETELY AND HOW LONG THEY CAN DOMINATE THE COUNTRY.
UNITED STATES POLICY, HE DECLARED, MUST BE CONDUCTED IN SUCH A MANNER THAT THE "CLOSED DOOR" WILL BE REOPENED "BY THE CHINESE PEOPLE THEMSELVES IN A RENEWED ASSERTION OF THEIR INALIENABLE RIGHT TO CHOOSE FRIENDSHIP INSTEAD OF IMPERIALISM, ASSISTANCE INSTEAD OF EXPLOITATION, AND FREEDOM INSTEAD OF SUBJECTION TO A FOREIGN POWER."
RUSSELL [redacted] BEFORE THE INSTITUTE OF INTERNATIONAL AFFAIRS AT THE UNIVERSITY OF WYOMING.
RUSSELL REVIEWED THE HISTORY OF AMERICAN EFFORTS TO HELP SAVE CHINA FROM COMMUNISM AS THE STORY WAS TOLD IN THE WHITE PAPER WHICH THE STATE DEPARTMENT PUBLISHED IN WASHINGTON LAST WEEK.
"THERE IS NOTHING APPARENT," HE SAID, "BEYOND THE STEPS THAT WERE TAKEN WHICH THE UNITED STATES COULD HAVE DONE TO PREVENT THE DEBACLE SHORT OF UNLIMITED AID AND INTERVENTION WITH AMERICAN TROOPS IN COMBAT."
BUT NOW THAT "THE ENGULFMENT OF CHINA BY COMMUNIST FORCES" HAS TO BE DEALT WITH, RUSSELL SAID, THE COMMUNISTS THEMSELVES FACE GREAT DIFFICULTIES.
THEY HAVE PROMISED THE CHINESE PEOPLE LONG DESIRED CHANGES AND REFORMS AND THE PROBLEM IS WHETHER THEY CAN MAKE GOOD ON THEIR PROMISES, HE SAID, ADDING:
"IF THE COMMUNISTS, HAVING EXPLOITED THE POLITICS OF THE RICE BOWL, PROVE UNABLE TO FILL THE BOWL ANY HIGHER THAN THE KUOMINTANG DID IT WILL BE A QUESTION HOW LONG THEY CAN RETAIN POPULAR SUPPORT."
(THE KUOMINTANG IS CHIANG KAI SHEK'S POLITICAL PARTY WHICH RULES NATIONALIST CHINA.)
RUSSELL SUMMED UP OTHER COMMUNIST PROBLEMS IN THESE WORDS:
"THERE ARE INSUFFICIENT TRAINED ADMINISTRATORS AND WORKERS TO CARRY OUT THE TASK OF BUILDING A STRONG INDUSTRIAL NATION. THE COMMUNIST COMPULSION TO RAPID SOCIALIZATION RUNS COUNTER TO THE INHERENT CHINESE DISPOSITION TOWARD GRADUALISM. THE COMMUNIST INSISTENCE ON RIGID IDEOLOGICAL CONFORMITY IS LIKELY TO AROUSE THE RESENTMENT OF THE

CHINESE INTELLECTUALS."

RUSSELL SAID THE CHINESE PEOPLE HAVE WON A REPUTATION FOR "ABSORBING THEIR CONQUERORS."

"THIS RECORD, HOWEVER, MAY NOT BE A SURE GUIDE IN THIS INSTANCE," HE CONTINUED, "SINCE CHINESE COMMUNISM IS OSTENSIBLY AN INDIGENOUS MOVEMENT. MOREOVER, THE SAME SCIENCE THAT HAS MADE POSSIBLE PROGRESS IN MANY HUMAN ENDEAVORS HAS ALSO MADE POSSIBLE THE FORGING OF NEW CHAINS TO SERVE TOTALITARIAN REGIMES."

THE PRESENT SITUATION IN CHINA, HE SAID, "IS A SITUATION FRAUGHT WITH THE GRAVEST CONSEQUENCES FOR ALL MANKIND."

HE REMINDED HIS AUDIENCE THAT SECRETARY OF STATE ACHESON AND A STAFF OF HANDPICKED ADVISERS ARE NOW TRYING TO DETERMINE WHAT THE UNITED STATES SHOULD DO IN THE CIRCUMSTANCES. BUT AT THIS TIME "WE CANNOT BLUEPRINT THE FUTURE," HE ADDED.

ONE BASIC FACT WHICH RUSSELL SAID SHOULD BE BORNE IN MIND IS "THAT THE LONG STANDING FRIENDSHIP OF THE UNITED STATES FOR THE CHINESE PEOPLE WILL NOT BE QUIAKLY FORGOTTEN (BY THEM) OR OBSCURED BY HOSTILE PROPAGANDA."

"THE UNITED STATES," HE SAID, "HAS MUCH TO OFFER THE CHINESE PEOPLE, IN BOTH MATERIAL AND INTANGIBLE TERMS, AS THEY CONTINUE THEIR STRUGGLE FOR FREEDOM AND A BETTER LIFE. THE CHINESE WILL UNDOUBTEDLY PONDER THIS FACT INCREASINGLY AS GLIB COMMUNIST PROMISES PROVE FALSE AND BRIGHT SLOGANS BECOME THREADBARE." #.

NIGHT LEAD QUIRINO

NEW YORK, AUG. 12-(AP)-PHILIPPINE PRESIDENT ELIPIDO QUIRINO TODAY SAID HIS NATION IS LEADING THE BATTLE AGAINST COMMUNISM IN ASIA JUST AS AMERICA IS DOING AMONG NATIONS OF THE WEST.

HIS ISLAND REPUBLIC, QUIRINO SAID, HAS TAKEN THE INITIATIVE TO DEVELOP COMMON ACTION IN THE FAR EAST AGAINST "THIS TOTALITARIAN ADVANCE."

HE LIKENED THIS TO ACTION BY THE UNITED STATES IN AIDING WESTERN EUROPEAN NATIONS AGAINST COMMUNIST EXPANSION.

QUIRINO, IN AMERICA AT PRESIDENT TRUMAN'S INVITATION, IS CRUSADING FOR A PACIFIC UNION OF ANTI-COMMUNIST NATIONS SIMILAR TO THE ATLANTIC

FOR A PACIFIC UNION OF ANTI-COMMUNIST NATIONS SIMILAR TO THE ATLANTIC PACT.

HE SPOKE DURING CEREMONIES AT FORDHAM UNIVERSITY, WHERE HE WAS AWARDED AN HONORARY DEGREE OF DOCTOR OF LAWS.

QUIRINO REAFFIRMED "MY PEOPLE'S GRATITUDE TO THE PEOPLE OF AMERICA AND OUR WARM FRATERNAL REGARD FOR THOSE OF THIS COUNTRY WITH WHOM WE ARE BOUND BY THE TIES OF OUR COMMON RELIGION."

"THE BEST HOPE OF CONQUERING COMMUNISM LIES IN THE INTERNAL RENEWAL OF CHRISTIANITY AND DEMOCRACY," QUIRINO SAID, ADDING THAT ONLY BY ESTABLISHING THE SUPERIORITY OF THE DEMOCRATIC WAY OF LIFE CAN THE FALLACY OF COMMUNISM BE PROVEN CONCLUSIVELY.

"IN THIS GREAT TASK OF REFORM AND RENEWAL," HE SAID, "AMERICA AND THE PHILIPPINES HAVE A SPECIAL RESPONSIBILITY--AMERICA AS THE LEADER OF THE CHRISTIAN STATES OF THE WEST, THE PHILIPPINES BY VIRTUE OF ITS STATUS AS THE ONLY CHRISTIAN NATION IN THE FAR EAST."

EARLIER IN THE DAY QUIRINO EXPLAINED AT A NEWS CONFERENCE HIS CONCEPTION OF A PACIFIC UNION OF NATIONS.

THE PROJECT, HE SAID, WOULD NOT CONTEMPLATE MILITARY COMMITMENTS FOR THE MOMENT. THAT QUESTION, HE ADDED, WOULD HAVE TO BE TAKEN UP BY MEMBER NATIONS AFTER THEY HAD JOINED TOGETHER.

HE SAID HE WAS VERY HAPPY TO HEAR THAT AUSTRALIA "WILL JOIN THE UNION." EARLY REPORTS WERE THAT AUSTRALIA WAS COOL TO THE IDEA.

QUIRINO PLANS TO LEAVE TOMORROW BY AIR FOR LOS ANGELES AND THEN TO SAN FRANCISCO. HE HAS BEEN HERE SINCE YESTERDAY.

THE PRESIDENT SAID HE HAS TO RETURN TO THE PHILIPPINES BY AUG. 19, THE BIRTHDATE OF LATE PRESIDENT MANUEL QUEZON.

MORE THAN 500 PERSONS, INCLUDING 70 FILIPINO CADETS FROM THE U.S.MERCHANT MARINE ACADEMY AT KINGS POINT,N.Y., ATTENDED THE CEREMONIES. THE REV.LAURENCE J.MC GINLEY, S.J., PRESIDENT OF FORDHAM UNIVERSITY, CONFERRED THE HONORARY DEGREE.

AT THE END OF THE CEREMONIES, WHICH WERE OPENED BY THE SINGING OF THE AMERICAN NATIONAL ANTHEM AND THAT OF THE PHILIPPINE REPUBLIC, "LAND OF THE MORNING," FRANCIS CARDINAL SPELLMAN, ROMAN CATHOLIC ARCHBISHOP OF NEW YORK, OFFERED A PRAYER THAT GOD GUARD THE TWO COUNTRIES.

PRESIDENT QUIRINO SAID THE PHILIPPINE PEOPLE, LIKE THEIR SISTER DEMOCRACIES IN ASIA AND OTHER PARTS OF THE WORLD, FIND THEIR "HARD-WON FREEDOM INCREASINGLY MENACED" BY COMMUNISM. HE POINTED OUT THAT JUST AS THE UNITED STATES HAD AIDED THE WESTERN EUROPEAN COUNTRIES AND GIVEN THEM LEADERSHIP TO COUNTERACT THE DANGERS OF FURTHER WESTWARD EXPANSION OF COMMUNISM, THE PHILIPPINE REPUBLIC IN ASIA AND THE FAR EAST HAD TAKEN THE INITIATIVE TO DEVELOP COMMON ACTION AGAINST "THIS TOTALITARIAN ADVANCE."

HE DESCRIBED COMMUNISM AS "THE AGGRESSIVE AND VIOLENT EXPANSION OF A RUTHLESS, FANATICAL POLITICAL FAITH." HE SAID THE TASK OF COMBATING IT REQUIRED "THE HIGHEST VISION AND STATESMANSHIP AND THE GREATEST MEASURE OF COURAGE, ENTERPRISE AND SELF-SACRIFICE." HE CONTINUED:

"IT BEHOOVES US TO MEET THE URGENCY OF STRENGTHENING THE SPIRITUAL VALUES THAT LIE AT THE FOUNDATION OF A BETTER WORLD ORDER WHICH SHOULD BE INCREASINGLY RESPONSIVE TO OUR COMMON ASPIRATIONS. WE HAVE THEM ALL IN OUR RICH CHRISTIAN HERITAGE--HUMILITY AND PENITENCE, GOOD WILL AND CHARITY AND A COURAGEOUS FAITH."

HE SAID THE PEOPLE OF THE DEMOCRACIES MUST LOOK TO THEIR FAITH. HE ADDED THAT IT COULD LEVEL THE "MOUNTAINS OF HATE AND VIOLENCE THAT A TOTALITARIAN SYSTEM NOW ON THE RAMPAGE" HAD RAISED UP IN THE WORLD. HE DECLARED IT WAS THIS FAITH WHICH COULD BECOME THE FOUNDATION FOR HUMAN FREEDOM AND ENDURING PEACE.

FATHER MC GINLEY, IN HIS ADDRESS, SAID THAT QUIRINO BY PROPOSING THE PACIFIC PACT, HAD DARED COMMUNISM "WHEN COMMUNISM IS ON THE MARCH, WHEN BETWEEN YOUR COUNTRY AND THE SOVIET HORDE STANDS NOTHING BUT THE CHINA SEA."

B48

FATHER MC GINLEY CALLED THE POSITION TAKEN BY PRESIDENT QUIRINO AND THE PHILIPPINE REPUBLIC "THE ONLY CHOICE OPEN TO A CATHOLIC NATION" AND "THE ONLY POSITION YOUR FREE PEOPLE COULD ASSUME WITH HONOR." HE ADDED "WE FIRMLY BELIEVE THAT CHRISTIANITY AND COMMUNISM ARE IRRECONCILABLE WAYS OF LIFE."

THE FORDHAM PRESIDENT EXPRESSED THE HOPE THAT THE HEARTS OF THE

PHILIPPINE PEOPLE REMAIN "STRONG IN PEACE AS THEY DID IN WAR XXXX IT IS TO HONOR THEM, BY HONORING YOU, THAT WE HAVE GATHERED HERE TODAY."

THE CITATION ACCOMPANYING THE DEGREE SAID PRESIDENT QUIRINO STOOD AS A SYMBOL OF INTERNATIONAL FIDELITY AND THE FULFILMENT OF SOLEMN PROMISES BETWEEN SOVEREIGN STATES "IN A WORLD WHERE THE PLEDGED WORD WOULD SEEM TO HAVE LOST ITS SANCTITY AND ITS DIGNITY."

PRESIDENT QUIRINO LATER WAS GUEST OF HONOR AT A DINNER AT THE WALDORF-ASTORIA HOTEL TENDERED BY THE NATIONAL FOREIGN TRADE COUNCIL, INC., OF NEW YORK, AND THE PHILIPPINE AMERICAN CHAMBER OF COMMERCE.

WELCOMING THE PRESIDENT AT THIS FUNCTION, EUGENE P.THOMAS, PRESIDENT OF THE FOREIGN TRADE COUNCIL SAID "YOUR STATESMANSHIP IS HELD IN HIGH ESTEEM AND YOUR INFLUENCE IS EXTENDING IN WIDENING CIRCLES BEYOND THE ISLANDS OF THE PHILIPPINES."

AUG 13 1949

MR. THOMAS NOTED THAT EARLIER THIS YEAR THE COUNCIL AND THE PHILIPPINE AMERICAN CHAMBER OF COMMERCE HAD PROPOSED CO-OPERATION BY THE BUSINESS COMMUNITIES WITH THE GOVERNMENTS OF THE TWO COUNTRIES TO DEVELOP "A VIGOROUS PROGRAM FOR ACCLERATING PHILIPPINE ECONOMIC RECOVERY AND SUSTAINED DEVELOPMENT."

"ACTION BY THE TWO GOVERNMENTS WAS SUGGESTED," HE SAID, "TO REMOVE OBSTACLES TO PRIVATE INVESTMENT AND COMMERCE, BECAUSE WE BELIEVE THAT WELL-FOUNDED ECONOMIC PROGRESS CAN BEST BE ATTAINED THROUGH THE INITIATIVE AND WELL-TESTED METHODS OF PRIVATE ENTERPRISE.

"THIS MEETING TONIGHT, WE ARE CONFIDENT, WILL PROVE TO HAVE BEEN PROPITIOUS TO THE CONTINUED ADVANCEMENT OF THE PHILIPPINE ECONOMY AND TO RISING STANDARDS OF LIFE AMONG OUR FRIENDS AND ALLIES, THE COURAGEOUS PHILIPPINE PEOPLE."

FREDERIC M.STEVENS, PRESIDENT OF THE AMERICAN CHAMBER OF COMMERCE OF THE PHILIPPINES, PRESENTED PRESIDENT QUIRINO WITH A MEMORANDUM OUTLINE THE VIEWS OF THE ORGANIZATION ON THE FUTURE OF ECONOMIC DEVELOPMENT OF THE ISLANDS

IN IT, THE CHAMBER OF COMMERCE EXPRESSED ITS ENDORSATION OF THE PROGRAM OF CO-OPERATION ANNOUNCED BY THE FOREIGN TRADE COUNCIL.

IT REFERRED TO THE SUGGESTIONS THAT DOUBLE TAXATION BE ELIMINATED; FOR INCREASED APPROPRIATIONS UNDER THE PHILIPPINE REHABILITATION ACT FOR WAR DAMAGES TO PRIVATE AND PUBLIC PROPERTY; APPLICATION TO THE PHILIPPINES OF PRESIDENT TRUMAN'S "POINT FOUR" IN AIDING PHILIPPINE DEVELOPMENT OF ITS RESOURCES; EARLY CONCLUSION OF NEGOTIATIONS FOR A TREATY OF FRIENDSHIP, COMMERCE AND NAVIGATION BETWEEN THE TWO COUNTRIES TO ESTABLISH BASIC RECIPROCAL RIGHTS; AND REMOVAL OF OBSTACLES WITHIN THE PHILIPPINES TO FURTHER PRIVATE INVESTMENTS IN INDUSTRY AND TRADE.

THE MEMORANDUM SAID "WE CANNOT DISAGREE WITH IMPORT CONTROL AS A MEANS OF BALANCING FOREIGN EXCHANGE," BUT ADDS:

AUG 13 1949

"HOWEVER, ITS ALARMING INCREASE IN THE SCOPE OF THE ITEMS CONTROLLED AND THE EXTRAMEOUS USE MADE OF THE IMPORT CONTROL LAW CAUSE ALARM TO POTENTIAL INVESTORS AND SERVE AS A SYMBOL OF MANY MORE CONTROLS TO COME."

IT SAID "WE FEEL VERY DEFINITELY THAT IMPORT CONTROL SHOULD BE LIMITED STRICTLY TO ITS PURPOSE OF CONSERVING EXCHANGE XXX."

THE MEMORANDUM ALSO SAID THAT THE PRESENT COST OF HANDLING MERCHANDISE THROUGH THE MANILA PORT TERMINAL "IS VERY HIGH AND PREVENTS THE USE OF MANILA AS A DISTRIBUTION POINT IN FAR EASTERN TRADE," THAT "CONDITIONS WHICH OBTAIN WITH RESPECT TO THE SETTLING

OF LABOR DISPUTES ARE EMINENTLY UNSATISFACTORY"; AND FINALLY, THAT "WE OURSELVES PLEDGE OUT FULL CO-OPERATION WITH THE PRESIDENT IN THE EFFORT HE IS ENGAGED UPON TO IMPROVE THE PRESENT SITUATION AND TO STRENGTHEN THE MUTUALLY ADVANTAGEOUS BONDS WHICH STILL UNITE THE TWO NATIONS."

AUG 13 1949

END (BBI) STARTING "THE MEMORANDUM" AND ENDING "TWO NATIONS."

PRESIDENT QUIRINO TOLD THE DINNER GUESTS THE WAR IN THE PACIFIC WAS "A BLESSING IN DISGUISE," SINCE IT TORE DOWN AND DESTROYED AN UNBALANCED ECONOMY IN HIS COUNTRY.

BEFORE THE WAR, HE SAID, THE PHILIPPINES IMITATED AMERICAN BUSINESS METHODS WHICH CREATED "AN UNBLANCED, UNCOORDINATED DEVELOPMENT OF OUR NATIONAL ECONOMY."

THE NEW NATION, SINCE RECEIVING ITS INDEPENDENCE IN 1946, SEEKS TO CREATE AN ECONOMY BASED ON GOVERNMENT CAPITAL PROVIDING AID TO NEW INDUSTRIES AND FURTHER FARM PRODUCTION, HE SAID.

HE ADDED THAT ESSENTIAL INDUSTRIES NOW BEING FOSTERED BY THE GOVERNMENT EVENTUALLY WILL BE TURNED OVER TO PRIVATE ENTERPRISE.

ONE OF THE FIRST STEPS TOWARD STABILIZING THE ECONOMY, PRESIDENT QUIRINO SAID, WAS GOVERNMENT SUPERVISION OF THE RICE CROP.

"THE PRICE OF RICE IS THE YARDSTICK OF PRICES IN THE PHILIPPINES," HE SAID.

BEFORE THE WAR, HE ASSERTED, HIS NATION BOUGHT MUCH OF ITS RICE FROM OTHER COUNTRIES. INCREASED RICE PRODUCTION IN THE PHILIPPINES HAS LOWERED THE PRICE OF RICE BY ONE-THIRD, HE SAID, WITH FUTURE CUTS EXPECTED.

PRESIDENT QUIRINO ALSO POINTED TO THE UPSWING IN HIS NATION'S FINANCES. IN 1945, HE SAID, THE GOVERNMENT COLLECTED 30,000,000 (M) PESOS IN TAXES. HE ESTIMATED THIS YEAR'S INCOME FROM TAXES WOULD BE ABOUT 300,000,000 (M) PESOS.

AUG 13 1949

A PESO IS WORTH ABOUT 50 AMERICAN CENTS.

AT THE END OF THIS YEAR, HE ADDED, THE PHILIPPINE CENTRAL BANK EXPECTS TO INVEST 50,000,000 (M) PESOS OF SURPLUS FUNDS TO SPUR DEVELOPMENT OF NEW INDUSTRIES.

FURTHERMORE, HE SAID, HIS NATION POSSESSED MANY NATURAL RESOURCES WHICH WILL LEND THEMSELVES TO INDUSTRIALIZATION, INCLUDING ORES AND UNHARNESSED WATER POWER.

TOMORROW, (SATURDAY), PRESIDENT QUIRINO WILL ATTEND A LUNCHEON IN HIS HONOR GIVEN BY ROY W.HOWARD, PRESIDENT AND EDITOR OF THE NEW YORK WORLD-TELEGRAM. MANY OF THE PRESIDENT'S ENTOURAGE WILL BE AMONG THE GUESTS WHO WILL INCLUDE MAYOR WILLIAM O'DWYER OF NEW YORK AND CARDINAL SPELLMAN.

LATER IN THE AFTERNOON THE PRESIDENT WILL LEAVE BY PLANE FROM LA GUARDIA FIELD FOR SAN FRANCISCO.

MIGHT LEAD COMMUNISTS

NEW YORK, AUG.12-(AP)-THE NEW YORK STATE COMMUNIST PARTY CHAIRMAN TOLD A FEDERAL COURT JURY TODAY THAT RUSSIA DID NOT INVADE POLAND IN 1939.

INSTEAD, HE SAID, THE SOVIET FORCES LIBERATED MUCH OF THAT NATION AND "SAVED TENS OF MILLIONS OF POLISH AND JEWISH PEOPLE FROM DEATH UNDER THE NAZIS."

THE CHAIRMAN, ROBERT G.THOMPSON, ONE OF THE 11 TOP COMMUNISTS ON TRIAL ON CONSPIRACY CHARGES, ALSO DENIED THAT GERMANY AND RUSSIA DIVIDED POLAND.

THOMPSON MADE HIS STATEMENTS UNDER CROSS-EXAMINATION BY GOVERNMENT ATTORNEY FRANK H.GORDON, SHORTLY BEFORE LEAVING THE WITNESS STAND. HE WAS THE FOURTH DEFENDANT TO TESTIFY, AND THE 17TH WITNESS CALLED BY THE DEFENSE IN THE TRIAL WHICH COMPLETED ITS 30TH WEEK TODAY.

THE STATE CHAIRMAN TESTIFIED THAT BETWEEN SEPTEMBER, 1939, WHEN WORLD WAR 11 BEGAN, AND JUNE 22, 1941, WHEN THE NAZIS INVADED RUSSIA, HE SPOKE MANY TIMES AGAINST UNITED STATES PARTICIPATION IN THE WAR.

HE SAID IT WAS "VERY POSSIBLE" THAT HE ADVANCED THE SLOGAN "THE YANKS ARE NOT COMING," AS IT WAS "CONSISTENT WITH THE GENERAL POSITION OF THE COMMUNIST PARTY OF 'NO U.S.INVOLVEMENT IN THE WAR.'"

ASKED WHETHER HE MADE RADIO ADDRESSES IN WHICH HE CALLED FOR NO U.S.PARTICIPATION IN THE WAR, THOMPSON ANSWERED THAT HE MAY HAVE BUT THAT HE DID NOT RECALL.

"THAT'S A REGULAR FORMULA OF HIS," JUDGE HAROLD R.MEDINA REMARKED. "HE KNOWS VERY WELL WHETHER HE USED IT (THE SLOGAN) OR NOT. HE SAYS 'MAYBE' THIS AND "POSSIBLY' THAT."

THE QUESTIONING TURNED TO THE COMMUNIST POSITION REGARDING POLAND. THOMPSON, REPLYING TO A QUESTION, SAID:

"I CERTAINLY DO DENY THAT RUSSIA INVADED POLAND."

EARLIER, THOMPSON ADMITTED HE MADE A NUMBER OF INCORRECT STATEMENTS IN ORDER TO GET A PASSPORT FOR A TRIP TO MOSCOW IN 1935. THE TRIP WAS MADE TO ATTEND A CONGRESS OF THE YOUNG COMMUNIST INTERNATIONAL.

HE SAID HE GAVE HIS OCCUPATION AS A STUDENT, ALTHOUGH HE ACTUALLY WAS WORKING IN A SANTA FE RAILROAD SHOP IN CALIFORNIA.

THE DEFENSE CALLED ITS 18TH WITNESS JUST BEFORE THE TRIAL WAS ADJOURNED FOR THE WEEKEND. HE WAS HOWARD JOHNSON, NEGRO, WHO IDENTIFIED HIMSELF AS STATE EDUCATIONAL DIRECTOR OF THE COMMUNIST PARTY IN NEW YORK.

WASHINGTON,AUG.12-(AP)-THE ECONOMIC COOPERATION ADMINISTRATION TODAY FORMALLY ABSOLVED BRITAIN, HOLLAND AND BELGIUM OF "IMPROPRIETIES" IN SHIPMENTS LAST WINTER OF THEN-SCARCE ALUMINUM AND LEAD SCRAP TO THE UNITED STATES.

THE AGENCY, HOWEVER, STRONGLY RECOMMENDED THAT NATIONS RECEIVING FUTURE MARSHALL PLAN FINANCING FOR THE METALS "ECONOMIZE" ON THE IMPORTS BY USING MORE OF THEIR OWN SCRAP.

ECA RELEASED A SUMMARY OF FINDINGS MADE BY A SPECIAL INVESTIGATING TEAM. IT LOOKED INTO CHARGES THAT THE COUNTRIES HAD GREATLY INCREASED THEIR SHIPMENTS OF SCRAP TO THIS COUNTRY, FOR SALE AT THE HIGH PRICES THEN PREVAILING, WHILE INCREASING THEIR OWN IMPORTS OF THE VIRGIN METALS WITH ECA DOLLARS.

THE CHARGES WERE MADE ORIGINALLY BY HOWARD BRUCE, FORMER DEPUTY ECA ADMINISTRATOR. THE COUNTRIES ISSUED DENIALS, AND TWO AMERICAN

ALUMINUM EXPERTS WERE ASSIGNED TO INVESTIGATE IN EUROPE. THEY WERE DONALD L.COWELL, CHICAGO, AND ALBERT BUTLER, DENVER.

ECA SAID PART OF THEIR SURVEY WILL BE KEPT "CONFIDENTIAL," SINCE IT INCLUDES "INFORMATION MADE AVAILABLE TO THE SPECIAL MISSION ON THE UNDERSTANDING THAT IT WOULD NOT BE PUBLISHED."

THE AGENCY STATED THAT ITS MISSION "FOUND NO IMPROPRIETIES ON THE PART OF PARTICIPATING COUNTRIES," DESPITE COMMERCE DEPARTMENT FIGURES WHICH SHOWED A SHARP INCREASE IN THEIR SCRAP SHIPMENTS.

IT RECOMMENDED THAT THE MARSHALL PLAN COUNTRIES SET UP A UNIFORM REPORTING SYSTEM ON PRODUCTION AND USE OF ALL TYPES OF ALUMINUM. THE THREE COUNTRIES DIRECTLY INVOLVED CONTENDED THAT "MISUNDERSTANDINGS" ABOUT THEIR SHIPMENTS AROSE FROM THE ABSENCE OF SUCH A SYSTEM.

THE MISSION SUGGESTED FURTHER THAT ALL MARSHALL PLAN COUNTRIES INSTITUTE TIGHTER CONTROLS TO "LIMIT OR STOP EXPORTS OF PRIMARY METAL" AS LONG AS EUROPE IMPORTS THE SAME METALS WITH MARSHALL PLAN DOLLARS.

LAST WORD OF SMITH WAS ON JULY 27, GROSS SAID. AT THAT TIME THE AMERICAN CONSUL AT TSINGTAO REPORTED HE HAD PERSONAL ASSURANCES FROM A MEMBER OF THE LOCAL GOVERNMENT THAT SMITH WAS IN TSINGTAO AND WAS ALIVE AND WELL.

"IT SHOULD BE NOTED," GROSS WROTE, "THAT THE CHANNELS OF COMMUNICATION BETWEEN AMERICAN OFFICIAL REPRESENTATIVES AND THE LOCAL CHINESE COMMUNIST AUTHORITIES (IN CERTAIN CITIES) ARE EXTREMELY TENUOUS.

DENVER,AUG.12-(AP)-RUSSIA'S ECONOMIC RECOVERY SINCE THE END OF THE GERMAN INVASION IS MUCH FARTHER ADVANCED THAN MOST EXPERTS BELIEVE, A COLUMBIA UNIVERSITY PROFESSOR DECLARED LAST NIGHT.

DR.ABRAM BERGSON, SPEAKING AT THE UNIVERSITY OF DENVER INSTITUTE FOR THE STUDY OF THE SOVIET UNION, DECLARED THAT THE SOVIETS HAD REGAINED OR EXCEEDED 1940 PRODUCTION LEVELS.

BUT THE AVERAGE RUSSIAN, HE SAID, IS FAR FROM HAPPY OVER HIS GOVERNMENT'S EXTREME PREOCCUPATION WITH HEAVY INDUSTRY.

"THE FACT THAT THE SOVIET GOVERNMENT IS INVESTING SO MUCH IN BASIC INDUSTRY AT THE EXPENSE OF CONSUMER GOODS," HE ASSERTED, "IS ONE OF THE REASONS THE RUSSIANS HAVE SUCH A LARGE POLICE FORCE. THEY NEED IT TO KEEP THE PEOPLE QUIET."

DR.BERGSON SAID UNITED STATES NATIONAL INCOME AND PRODUCTION OF MOST BASIC MATERIALS EXCEEDS RUSSIA'S THREE OR FOUR TIMES. BUT HE ADDED THAT AN OVERALL COMPARISON OF THE STRENGTH OF THE TWO COUNTRIES DOES NOT ENTIRELY FAVOR THE U.S.

"RUSSIA OCCUPIES A SUPERIOR STRATEGIC POSITION IN EUROPE," HE POINTED OUT, "AND COULD OCCUPY THE WHOLE CONTINENT IN A SHORT TIME IN AN EMERGENCY.

"THE QUESTION AT PRESENT IS WHETHER WESTERN EUROPE CAN BE REARMED ENOUGH TO MAKE POSSIBLE A HOLDING OPERATION THERE IN CASE OF WAR."

AUG 13 1949

BRITISH FOREIGN MINISTER BEVIN AND SIR STAFFORD CRIPPS, CHANCELLOR OF THE EXCHEQUER, ARE SCHEDULED TO PRESENT BRITAIN'S PROPOSALS TO HIGH-RANKING AMERICAN AND CANADIAN OFFICIALS AT SECRET FINANCIAL TALKS BEGINNING SEPT. 7.

GOVERNMENT OFFICIALS SAID SECRETARY OF STATE ACHESON, AND SECRETARY OF THE TREASURY SNYDER WILL HEAD THE AMERICAN SIDE. PAUL HOFFMAN, ECA ADMINISTRATOR, ALSO MAY SIT IN.

SNYDER, WHO BEGAN TALKS ON THE SAME TOPIC IN LONDON LAST MONTH, WAS ASKED AT A NEWS CONFERENCE IF THE U.S. WOULD HAVE ANY PROPOSALS.

"NO PROPOSALS," HE REPLIED. "WE'RE GOING TO HAVE DISCUSSIONS AND SEE WHAT COMES OF IT."

HE WAS ASKED IF HE EXPECTS THE MEETINGS HERE TO BE "MORE SUCCESSFUL" THAN THOSE HE HAD IN LONDON.

AUG-13 1949

"I ALWAYS LOOK FORWARD TO ANY DISCUSSIONS WITH A GREAT DEAL OF HOPE THAT THEY WILL BE FRUITFUL," HE REPLIED.

CANADA'S FINANCE MINISTER, DOUGLAS ABBOTT, IS SCHEDULED TO ATTEND THE WASHINGTON TALKS. FOREIGN MINISTER L.P.PEARSON MAY ALSO BE HERE.

THE LINEUP REFLECTS THE IMPORTANCE ALL THREE COUNTRIES ATTACH TO THE DISCUSSIONS. THEIR NUMBER ONE PROBLEM IS TO DEVISE A MUTUALLY-ACCEPTABLE PLAN FOR INCREASING BRITAIN'S DOLLAR INCOME AND BOOSTING WORLD TRADE GENERALLY.

GOVERNMENT OFFICIALS IN A POSITION TO KNOW SAID SNYDER'S TALKS IN LONDON WERE "INCONCLUSIVE" AND THAT THE LABOR GOVERNMENT ADVANCED NO DEFINITE PROPOSALS FOR COPING WITH THE MONEY CRISIS.

PREPARATIONS FOR THE SEPTEMBER SESSIONS AROUSED NEW SPECULATION THAT BRITAIN MAY BE PREPARED TO DEVALUE THE POUND STERLING.

SOME TOP-RANKING AMERICAN OFFICIALS ARE KNOWN TO FAVOR THIS STEP AS PART OF A GENERAL CUT IN EUROPEAN CURRENCY VALUES. BUT CRIPPS IS VIGOROUSLY OPPOSED TO SUCH A MOVE.

Europe Council Refuses To Debate On Ireland

AUG 14 1949

Strasbourg, France, Aug. 13 (AP). By an overwhelming show of hands, the Council of Europe's Assembly today rejected Ireland's attempt to call up the Irish partition problem for debate.

Ireland had sought to have the newly created assembly take a hand in its long-standing demands for union of Northern Ireland with the 26-county Republic to the south.

Strong opposition to the controversial proposal came from most British delegates to the 101-member assembly. Since 1921 the six counties of Northern Ireland have been part of the United Kingdom, along with England, Scotland and Wales.

Point Of Procedure

Rejection of the Irish bid came on a point of procedure—whether proposals backed by less than ten deputies could be considered for the assembly's agenda. The assembly indorsed its special agenda committee's recommendation to throw out such minority proposals.

Ireland's four deputies had asked the assembly to discuss "best methods for eliminating causes of disputes between member states."

Previously Irish Foreign Minister Sean MacBride made it clear the proposal was aimed at getting assembly discussion of Ireland's dispute with Britain over partition.

Germany Omitted

The Assembly adopted an eight-point agenda and sent it to the council's Committee of Foreign Ministers, which must give its approval before debate can begin.

One notable omission from the agenda was thte question of Germany. Associates of Britain's Winston Churchill said he intends to bring this up in the assembly next week, after the German parliamentary elections Sunday.

Spaak "Desolate"

These sources said Churchill wants the assembly to invite Western Germany into council membership, presumably as an associate having seats in the assembly but not in the council's "upper house," the ministerial committee.

The assembly adjourned until Tuesday to allow time for naming and organizing various committees.

Ireland's former Prime Minister Eamon de Valera, now an assemblyman, tried to get the Irish partition question before the assembly again after it had approved the agenda offered by the ministers.

Assembly President Baul-Henri Spaak of Belgium once more ruled the move was out of order. Spaak said he was desolate over the decision, but he had to apply the rules. De Valera nodded his head and gave up.

Growing Revolt

The Irish move was part of a growing revolt of assembly members seeking greater freedom in its debates.

Under Council of Europe rules, the agenda for assembly debates is determined by the Committee of Ministers, representing the twelve member governments. Assembly delegates, led by Churchill, have been fighting for the right to debate any subject they please.

The Committee of Ministers earlier this week rejected Ireland's proposal to debate Irish partition.

Agenda Submitted

It submitted an agenda which would limit the first assembly's debates to three broad points:

1. The council's role in economic matters, taking into account the Marshall-plan organization already set up.

2. The council's role in social security.

3. Cultural co-operation among the member nations.

In addition to the three general items proposed by the ministerial committee, the assembly voted to add the following points to the chamber's order of business:

Consideration of necessary changes in Europe's political structure to achieve greater unity among council members; measures to maintain human rights and fundamental freedoms; proposals to establish a common European nationality and single passport; joint public works programs, and measures to pool materials and techniques in scientific research.

COUNCIL SETS UP PROGRAM

AUG 15 1949

9 Points In Work Agenda; Irish Partition Debate Ruled Out

Strasbourg, France, Aug. 13 (AP). The Council of Europe adopted tonight a nine-point work program for its drive to pull the war-battered countries of the Old World closer together. At the same time it ruled out any specific discussion of Irish partition.

The council's Committee of Ministers approved an agenda which was drawn up earlier by the Consulative Assembly's 101 delegates, and which will keep them busy for at least several weeks.

The nine-point agenda provides for debate on such items as political changes necessary in Europe to bring about greater unity of member nations, and human rights and fundamental freedoms.

Victory For Churchill

These were among six points added today by the Consultative Assembly to three points originally proposed by the ministers' committee.

The addition of the six points was a victory for Winston Churchill and the majority in the assembly. None of the points covers military subjects, since the committee and the assembly agreed this was not within the competence of the Council of Europe.

The touchy nationalistic issue over Ireland was ruled out as a problem for debate during today's talk on possible agenda items. Eamon de Valera, former Prime Minister of Ireland, made two determined efforts to put the dispute with Britain over Northern Ireland on the program. The assembly rejected de Valera's suggestion by an overwhelming show of hands.

Strong opposition to the Irishman's proposal came from most of the British delegates. The six counties of Northern Ireland have since 1921 been part of the United Kingdom along with England, Scotland and Wales.

Motion Ruled Out Of Order

The Irish proposal was for the assembly to discuss the best way to eliminate causes of disputes between member states. Previously, Sean MacBride, Ireland's Foreign Minister, had made it clear he considered the partition of Northern Ireland a cause of dispute between Britain and the Irish Republic.

Paul-Henri Spaak, of Belgium, assembly president, ruled the proposal out of order because it had not been offered the night before with the signatures of ten assembly delegates, which the rules of procedure require.

De Valera had another try at it later and said, in resubmitting the motion:

"The United Nations and other organizations have been ineffective because they have been unable to find effective means for settling disputes between nations. Any association will break up if it does not provide from the outset for settling disputes between nations. This is a matter of the utmost importance."

Spaak again ruled the motion out of order. He said he was desolate over making such a decision, but he had to abide by the rules. De Valera nodded and gave up.

Nine Agenda Topics

The agenda topics are:

1. The council's role in economic matters, taking into account the Marshall plan organization already set up.

2. The council's role in social security.

3. Cultural co-operation among the twelve member nations. (These first three points were proposed by the ministerial committee.)

4. Political changes necessary to greater unity among council members.

5. Measures to maintain human rights and fundamental freedoms.

6. Proposals to create a common European nationality and a European passport.

7. A common patent office.

8. A joint public works program (which might include a tunnel under the English Channel).

9. Measures to pool material resources and technical manpower in scientific research.

The assembly adjourned until Tuesday to allow time for appointing and organizing various committees.

A communiqué issued after the ministers' meeting announced that Italy, Britain and the Netherlands will name from their own governmental organizations a committee of budget experts for the Council of Europe.

American Jury Gives Verdict On Britain

AUG 14 1949

London, Aug. 13 (AP)—A group of young Americans who have been making what they called "an inquest on Britain" came up with a verdict today—the socialized medicine plan is wonderful, but the beer is "deathly warm."

They are 27 members of Americans for Democratic Action. Two of them, not identified, had first-hand contact with Britain's National Health Service. They received some of its medical treatment, which is paid for by British taxes and assessments.

Price Of Sweaters

The group also liked the provision of State-built homes for elderly persons, the low price of sweaters, and the British Broadcasting Corporation—its programs are "so educational and cultural compared to our (American) commercials."

Aside from the beer, they didn't care much for the price of tweed suits or cricket. Alice Loeb, of Chicago, sat through a cricket match "for educational purposes."

They also said they found it hard to make both ends meet in Britain.

Quick As Dollar

"Our experience is that once you break into a £1 note ($4) it vanishes about as quickly as a dollar," commented Mrs. Frances Adams, of Washington.

"Some of us came here prepared to be critical, but I think that most of us would qualify that," said Richard M. Hays, of Norwalk, Conn. "We all think Britain represents the biggest experiment today—whether democracy can plan for people to do things which make sense for the country as a whole and remain free.

"I don't think anybody is prepared to quarrel with the general desirability of the goal the Labor party (which controls the Government) has set. The only question is whether it is the right way of achieving it."

A Few "Bugs"

Fritz Mondale, of Washington, D.C., said many in the group considered the trade-union leadership might be open to criticism because the size of many of the unions had gone beyond the extent to which the rank and file could play their full part in the organization.

"There are a few 'bugs' to be ironed out, but it is doing a fairly good job," he said.

What is the Americans for Democratic Action organization?

"We are not Socialists," Mrs. Adams explained to British newsmen. "We just believe in progress. We're kind of Liberals really, but we don't call ourselves that in America because it makes people think of Henry Wallace and all that stuff."

Candy Goes Back On Weekly Ration In Britain Today

London, Aug. 13 (AP)—Candy goes back on ration tomorrow in Britain after nearly four months of unrestricted selling.

Thousands thronged sweetshops today in a feverish buying spree to beat the ration deadline. Stocks quickly vanished from many shop shelves, and keepers dusted off old "sorry—no sweets" signs.

But a spokesman for the Federation of Wholesale Confectioners said he does not think stores would have "any difficulty in meeting the ration next week."

"Most patrons have been building up their stocks and, generally speaking, they should be in a position to honor it," he said.

The weekly ration is four ounces per person.

Sweets were derationed April 24. It soon became evident there wasn't enough for everybody to get his fair share. Then, July 14, Sir Stafford Cripps, Chancellor of the Exchequer, announced he was lowering the sugar ration from ten to eight ounces weekly and putting candy back on rationing to save Britain some $14,000,000.

Briton Backed, Romania Told

London, Aug. 13 (AP)—The Foreign Office told Romania tonight it did not believe that the British charge d'affaires in Bucharest had aided black marketeers and smugglers.

Romania asked Britain August 2 to recall Roderick Sarell, 36-year-old British charge d'affaires, "for activity contrary to the laws of the Romanian Popular Republic and diplomatic custom."

At that time the Romanian news agency said the recall request followed the arrest of a gang of black marketeers and smugglers whom Sarell was helping escape from Romania.

The Foreign Office said it told Romania in a note that although the British Government would recall Sarell in accordance with international practice, "they categorically reject the grounds on which it has been advanced."

"They are satisfied," the note continued, "that there is no truth in the allegation that Mr. Sarell was implicated in the activities of a 'band of black marketeers and smugglers'. . ."

Britain To Import Sardines

London, Aug. 6 (AP)—Britain will import 8,000,000 tins of sardines from this year's Yugoslav pack.

3 Western Zones Of Germany Electing A Parliament Today

AUG 14 1949

Voters Today Will Choose Parliament To Set Up New Republic

Frankfurt, Germany, Aug. 13 (AP). A German election campaign spiced with violence and anti-Allied oratory ended tonight with a sober radio appeal from all parties for a vote for freedom.

Tomorrow the 45,000,000 inhabitants of Germany's three western zones will choose a 400-member parliament to set up their new West German republic. It will be the first federal election since Hitler seized power.

With numerous parties in the race and a total of more than 2,000 candidates, forecasts were that no party will win a majority and it will take a coalition of two or more parties to form the cabinet.

The campaign has been so bitterly anti-Allied that occupation authorities and many German newspapers and politicians have expressed alarm.

Criticism Avoided

Tonight, however, in a joint radio broadcast, rival party leaders largely avoided criticizing the Allies. Instead, they appealed to the voters on German domestic issues.

All of them stressed a desire for a free, democratic and united Germany. They differed widely, however, on how they proposed to achieve that goal.

Dr. Konrad Adenauer, leader of the powerful conservative party, the Christian Democratic Union, said: "Your votes can decide whether the rights of the individual will be respected by the state, or whether the people will be defenseless at the whim of an all-powerful state and its bureaucracy."

Kurt Schumacher, head of the Social Democrat party, said: "You cannot make a capatilistic preserve out of West Germany in the manner of 1850."

Communist's Appeal

Max Reimann, the Communist leader, appealed for a government for all of Germany instead of just the western zones. He also demanded the removal of occupation troops and controls as well as the signing of a German peace treaty.

These contrasting arguments summed up the real domestic issues of the campaign. The outcome of the election may show which way Germany will go—toward socialism or free private enterprise. Most observers feel that if the total vote is too split to be decisive the showdown on socialism might be delayed.

Union Of Three Zones

The new federal republic is a union of the three Western zones of occupation—American, British and French. It leaves outside the Russian zone, where German Communists run a People's Congress and a People's Council—but no central government. All higher authority there is retained by the Soviet Army.

The Communists charge the Western Allies are splitting Germany by sponsoring the trizonal republic. They call it an economic colony of Western imperialism.

The republic's 45,000,000 population and its industrial heart—the Ruhr—make West Germany one of Europe's most powerful states even without the Russian zone.

Because of that, and also because of its strategic position next to the iron curtain, tomorrow's vote will be closely watched.

But the Germans themselves don't seem excited. Most predictions are that less than 70 per cent of the 31,000,000 eligible voters will go to the polls. Previous state election turnouts ran 75 per cent or better.

Interest abroad has been whetted by the strident note of nationalism struck by some Right-wing speakers during the campaign.

Foreign nations will be on the watch for a German swing back toward Nazi-style militarism and nationalism—or a surge toward communism. But most Military Government observers predict there will be neither.

Both the Communists and the extreme nationalists are rated among the minor parties.

Closer To The Middle

Two parties closer to the middle are the chief contenders.

One is the Social Democratic party, which preaches a socialistic program of breaking up big industrial combines and bringing them partly under state control through semi-public management.

The other party, the Christian Democratic Union, defends private enterprise and has many church attachments.

Together, these two parties may win two thirds of the total vote.

But Germany again is facing the curse which helped wreck its Weimar Republic and brought Hitler to power—the multiplicity of minor parties.

15 Parties In Campaign

There are fifteen parties in the campaign. They probably will garner enough votes among them to keep any one party from carrying out its program without major compromises.

The Communists—despite their nearness to Red-ruled eastern Europe and their noisy campaign—are not reckoned as a real threat to win federal power. But their vote will be of interest to show whether communism is gaining or losing ground.

Allied Military Government observers predict the Communists will get less than the ten per cent of the total vote which they got in state elections in 1946. That, however, would place them fourth in party rankings.

Third place is expected to go to the Free Democrats, a recent merger of several conservative groups. Like the Christian Democrats, with whom they might form a postelection coalition, the Free Democrats support free enterprise. They also favor a strong central government.

Right-Wingers Watched

A focal point of Allied interest will be the showing made by a small cluster of extreme Right-wing parties—which former Nazis might be expected to support. Chief of these are the German (Deutsche) party and the Rightist (Rechts) party.

Another factor in the campaign is the fight for economic security by German refugees expelled from Poland, Czechoslovakia and other Eastern countries.

There are about 5,000,000 of these. Lacking any strong party of their own, the refugees have entered numerous independent candidats.

With so many parties, there are 2,297 candidates—including 97 independents—vying for the 400 seats. There will be 242 seats decided by direct district contests. The remainder will be allotted by proportional representation.

Sixty per cent of the voters are women, and so are 202 of the candidates.

Minor Parties Listed

Among the minor parties are:

Center Party—Economically Left-wing but otherwise conservative.

Bavarian Party—A Right-wing group demanding an independent Bavaria in a German commonwealth.

Economic Reconstruction Party—A Bavarian group urging a government by experts guided by plebiscites of the people instead of parliaments.

Radical Socialist Freedom Party—With a social-credit program.

South Schleswig Association—A pro-Danish group along Denmark's border.

People's Party—Seeking an independent Rhineland.

"Sammlung Zur Tar" (Rally for Action)—A French zone Right-wing group including many refugees.

Association of Refugees and Bombed-Out Homeless—Whose name explains its interests.

There are also a few small independent groups attacking all parties and urging voters to boycott the election.

W. German Vote Boycott Urged In Leaflets

AUG 14 1949

Frankfurt, Germany, Aug. 13 (AP). Leaflets continued to circulate in West Germany today urging the voters to boycott tomorrow's election for a federal parliament.

Most of the pamphlets were signed by small independent groups regarded by Allied observers as of little consequence. Some were unsigned.

Ignoring these attempts to discourage the voters, the major political parties made last-minute appeals to the 31,000,000 eligible West Germans to go to the polls and "do their duty."

First Since Hitler

It will be the first Federal election since Hitler seized power.

These calls were echoed by the last newspaper editions to appear before the elections.

The Augsburg *Tagespost* in the United States zone said: "Germany, venturing her first step toward forming a nation (is the) focal point of world events."

The paper said: "Germany will decide between barbed wire and freedom."

"They Must Vote"

The *Frankfurter Rundschau* said it is of "secondary importance" for whom the Germans vote. "The point is they must vote anyway."

The new federal republic is a union of the three Western zones of occupation—American, British and French. It leaves outside the Russian zone, where German Communists run a people's congress, and a people's council, but no central government. All higher authority is retained by the Russian Army.

Russians Release 3 German Journalists

Berlin, Aug. 13 (AP)—Soviet authorities last night released three West German journalists who were arrested Thursday as they were leaving the city.

Reinhold Apfel, editor of the *Stuttgarter Zeitung*, said Russian sentries took the trio off a bus at a border point after a Stuttgart woman photographer, Lottie Killian, had taken a picture of a Soviet soldier.

Apfel said a sentry demanded that the woman hand over the camera. When she requested a receipt for it, the Russian placed her under arrest. Apfel said he and Karl Steinhausen, of Dena, the West German news agency, volunteered to go with her and also were arrested.

Tear-Gas Bomb Silences Reimann

Frankfurt, Germany, Aug 13 (AP). A tear-gas bomb was hurled tonight at Max Reimann, western Germany's No. 1 Communist, during a political rally at Recklinghausen in the Ruhr.

Tears streamed from the eyes of the silver-haired Communist leader and he was compelled to end a campaign speech before 7,000 persons. Police at Recklinghausen said he escaped injury.

Fifty police had attended the meeting to maintain order. They directed the crowd to stand still while they searched for the bomb thrower. They did not find him. Communists attributed the bomb tossing to "political opponents."

Estimate On Russ Deserters Made

AUG 14 1949

Munich, Germany, Aug. 13 (AP)—About 5,000 Soviet officers and soldiers desert the Soviet Army of Occupation monthly and flee to the western zones of Germany, the Munich *Abend Zietung* declared today.

It quoted a Russian named Sabik Voguloy, who said he deserted the Russian Army several months ago after serving as a lieutenant colonel.

United States Intelligence officers said they were unable to confirm the report.

The newspaper quoted Vogulov as saying roughly 30,000 former Soviet Army members are living in western Germany and are partly organized in a resistance movement which will take up arms against communism when the opportunity arises.

He identified himself as one of the organizers of that movement.

According to Vogulov, several thousand soldiers were executed for treason in recent months and more than 10,000 are in a disciplinary camp near Bautzen, in East Germany.

Thousands to Honor 2 Slovakian Bishops

PRAGUE, Aug. 13 (AP).—Thousands of Slovak Catholics converged on the town of Trnava today to witness the consecration tomorrow of two bishops in a ceremony denounced by the Communist Government as "provocative."

A spokesman for the Slovak Commission of Education, which has jurisdiction over all church affairs, indicated the government would take no steps to stop the Sunday ceremony. But he called it a "provocative act by the Vatican" because the two appointments had not received prior government approval.

RITES CALLED 'ILLEGAL'

The spokesman said the Ministry of Education had received no formal notification from church officials of the consecration and that the ceremony would be "illegal."

Under a 1928 church-State agreement, it was explained, the church is prohibited from appointing bishops without the prior consent of the Government. Therefore, a spokesman said, tomorrow's consecration would be "illegal."

NAMED BY HOLY SEE

Many Slovak Catholics were said to be treating it as a dual occasion—an opportunity to show their loyalty to the church hierarchy and a chance to show their opposition to the Communist regime.

The bishops-to-be were appointed by the Holy See a few weeks ago. They are Msgr. Ambrose Lazik, now Apostolic Administrator of Trnava, and Msgr. Robert Pobozny, now Dean of Roznava.

GROUPS VISIT BISHOP

Meanwhile a church source revealed that groups of vicars had visited 82-year-old Bishop Moric Picha, of Hradec Kralove, over the protests of a Government "trustee" placed in his office.

The source said the vicars had been ordered to attend a government-sponsored meeting on July 31 and that they went to the bishop's home first. The trustee tried to prevent their seeing him but they brushed past, the source said.

POLICE MOVED TO SLOVAKIA

Catholics Plan Ceremony For Consecrating 2 Bishops

Prague, Czechoslovakia, Aug. 13 (AP)—The official Prague radio reported tonight a Polish court had sentenced Jesuit Priest Wladyslaw Gurgacz to death.

He went on trial before a Krakow district military court last Monday, charged with organizing and being a member of an illegal armed band.

The radio's version was that the priest admitted his guilt but claimed he "didn't feel guilty because his band was founded on Catholic principles."

Prague, Czechoslovakia, Aug. 13 (AP)—Czechoslovakia's Communist-led government moved extra police today into strongly Roman Catholic Slovakia, where a big church celebration is scheduled tomorrow.

Some Catholic sources here expressed fear the police might try to interfere in the consecration of two new titular bishops at Trnava, Slovakia, and thereby bring on a new clash in this country's months-long church-state struggle. There was no official comment, however, and no direct indication of such intentions by the government.

The new bishops are Msgr. Ambrosius Lazik, who has been serving as apostolic administrator of Trnava, and Msgr. Robert Pobozny, who has been capitular vicar of Roznava.

Catholic sources here said a "great gathering of the faithful" was expected and the government might hold the celebration violated its ban on holding big church meetings without prior state approval.

Named Titular Bishops

The Catholic hierachy also did not obtain government approval of the new bishops, as required under an unofficial church-state agreement dating back to before the last war. Church officials contend that was not necessary, however, because the new prelates were named by the Vatican only as titular bishops, not as bishops in residence.

Earlier today the Czechoslovak press blamed Marshal Tito of Yugoslavia for reverses being suffered by Greek Communist guerrillas.

At the same time the Czech Government announced it had expelled two officials of the Yugoslav Embassy here and a secretary on charges of distributing bundles of propaganda leaflets in the country.

The newspaper *Lidove Noviny*, organ of the Czech Writers Union, said Tito "opened his territory for the transit of Greek Monarchist troops, negotiated with the Athens Government and, what is most dangerous, is trying to disintegrate the ranks of the Greek (guerrilla) fighters."

"Tito holds the banner of the Czechoslovak reactionaries," said the paper, declaring he had become a rallying symbol for those opposed to the Czech Government.

The Yugoslavs expelled were Zdenko Stambuk, counselor of embassy; Ivo Barbalich, chief of the embassy's commercial section, and A. Popova, secretary to Barbalich.

The official press bureau said these officials "have been systematically conducting nondiplomatic activities constituting an unheard-of interference with internal affairs of this country."

While traveling through the country, the bureau said, they tossed out bundles of pamphlets containing "propaganda against the Soviet Union, Czechoslovakia and other people's democracies.

"These pamphlets were printed in Yugoslavia in the Czech language and imported into this country clandestinely in tremendous quantities. They have also been sent in illegally in masses to different private addresses. To do this, often envelopes bearing the imprint of certain Czechoslovak ministries were used."

3 Slavs Expelled

Prague, Czechoslovakia, Aug. 13 (AP)—The Czechoslovak Government disclosed today it has expelled two officials and a secretary of the Yugoslav Embassy here. They were accused by the Government of "gross interference in internal affairs" and misuse of diplomatic privileges to spread anti-Soviet and anti-Czech propaganda.

The Czechs said part of their action represented reprisals for expulsion of ten members of the Czech commercial staff from Yugoslavia.

The Government charged Premier Marshal Tito's Yugoslav secret police in Belgrade were molesting Czech diplomats and their families. The Czech Foreign Ministry said a protest had been ignored by the Tito Government.

The press also attacked Yugoslavia, blaming Marshal Tito for recent Greek guerrilla setbacks.

Pravda Asserts Tito Stands 'Unmasked'

Moscow, Aug. 13 (AP)—The Communist party newspaper *Pravda* today accused Yugoslav Premier Marshal Tito of conducting a "double-dealing, traitorous policy."

The newspaper comment followed yesterday's Soviet note to Yugoslavia calling the Tito regime an "enemy and foe of the Soviet Union."

"The mask has been torn away," *Pravda* declared.

The Soviet note, harshest blast in the year-long feud between Tito and the Cominform countries, accused Yugoslavia of siding with the western anti-Communist countries.

Five-Year Plan Rests On Trash

Prague, Czechoslovakia, Aug. 13 (AP)—Communist-run Czechoslovakia is collecting rags, bottles and bones to salvage raw materials for its five-year plan, beset by shortages of genuine raw materials. This is reported by the same controlled press which daily gibes at the economic difficulties of "brink-of-bankruptcy Britian" and other "Marshallized countries."

The official Communist Party organ *Rude Pravo* recently urged that the nation's industry could use "all kinds of rubbish" for salvage. It said, however, that the trash pickers shouldn't be "capitalists", in their business for profit, but people really interested in cooperation for the five-year plan.

U. S. Envoy Featured In Soviet Newsreels

MOSCOW, Aug. 13 (AP).—American Ambassador Alan G. Kirk is featured in a Soviet newsreel which is being shown at Moscow and throughout the Soviet Union. Closeup shots taken at the Kremlin show him presenting his credentials to President Nikolai Shvernik.

Ambassador Kirk arrived at Moscow June 28. The Russians hurried up the credentials proceedings so that he would be in time to be host at the American Embassy's Independence Day party on July 4.

Mr. Kirk repeatedly has expressed pleasure over his reception here.

Geneva Tariff Pact Nations Find No Solution to Textile Issue

ANNECY, France, Aug. 12. (AP)—The signatories to the 1947 Geneva tariff agreement reported failure today in an effort to mediate a dispute between Cuba and the United States over Cuban protective tariffs on textile imports.

Cuba was absent yesterday from a private meeting of the signatories to the agreement which decided that no solution could be reached in the textile dispute "unless substantial agreement were arrived at between the United States and Cuba."

The Cuban delegation walked out of the current session earlier this week after failing in an effort to use the Geneva agreement to prevent a reduction of its tariff preferences by the United States.

POLISH CHILDREN TO GO TO CANADA

AUG 1 1949

Warsaw, Aug. 13 (A. P.)—The Foreign Ministry said today that 150 polish children are in the United States sector of Bremen, Germany, waiting for a ship going to Canada. Without elaboration, a Ministry spokesman said intentions of the International Refugee Organization to use the children for "cheap labor" had been frustrated.

[An I. R. O. spokesman in Geneva said the Polish charges were not worthy of comment. All refugees resettled, he said, are advised of conditions under which they are being sent to a new country. The Bremen group is part of 4,000 Poles evacuated from Russia during the war.

[The I. R. O. also said that the opportunity to return to Poland is still open to the young refugees, but the choice of repatriation must be made by them.

["The have shown no desire for repatriation although the I. R. O. believes that would be a good solution," the spokesman said.]

British War Hero Sells Papers In Poland

Wroclaw, Poland, Aug. 13 (AP)—A young Pole who says he won Britain's Victoria Cross is finding things a bit tough in the new Poland.

He's Jan Botczakowski, 24, and he sells newspapers on the streets and in the cafés of this former German city of Breslau "to earn a living." Botczakowski said he served with British Commandos during the raid on Narvik and personally captured two German generals.

U.N. Group Finishes Arab-Refugee Survey

Lausanne, Switzerland, Aug. 13 (AP)—A three-member investigating committee of the United Nations Palestine Conciliation Commission reported privately today on a six-week tour surveying Arab refugee conditions.

The report of W. Kuhnde, United States; Jean Lucas, France, and E. Zoglu, Turkey, will be published next week. They went to Syria, Lebanon, Egypt, Hashemite Jordan (Trans-Jordan) and Israel to take a refugee census. Jews estimate the total of refugees around 500,000. Arabs say it's more than 1,000,000.

GREEKS CUT OFF REBEL SUPPLY

AUG 1 1949

Sever Main Route To Albania; Commandos Close Pincers

Kastoria, Greece, Aug. 13 (AP)—Greek troops cut off the main supply route from Albania for 8,000 guerrillas in the Vitsi mountain redoubt today.

At the same time Greek commandos drove from two directions in an effort to close off the northern half of the frontier while the air force plastered thousands of guerrillas attempting to escape into Albania.

[The Greek General Staff in Athens said national forces also had cut the Vitsi mountains in two, reaching the shore of Lake Prespa at the village of Mikrolimni. The thrust cut off retreat for guerrillas in the north into Albania, the General Staff said.]

Army troops entered Vatohorion, in the heart of the redoubt, cutting the main supply road to the Albanian border on the west side of the Communist mountain area. This left only a causeway across Lake Prespa on the north side of the redoubt as a major escape route.

Another unit driving up from the south to cut the road at Kroustalopiyi at the frontier on the west, fought off heavy counterattacks.

Planes Wipe Out Convoy

Early this morning reconnaissance planes sighted a long column of several thousand guerrillas slipping along a mule path in the forest south of Lake Prespa.

In that vicinity the air force reported destroying one 45-mule convoy in the open.

Commandos were pressing north from Vatohorion toward that area, while others drove in from the east. Both escape routes were being hit hard by the air force, using bombs, rockets and machine guns.

One reconnaissance plane reported heavy firing from the southwest corner of Yugoslavia. It was not established whether this was directed by the Yugoslavs to discourage the guerrillas from entering Yugoslavia or by guerrilla detachments firing on Greek forces from Yugoslav territory.

Rebels Keep Two Pockets

A Greek communiqué said the main guerrilla resistance in the southeast pocket of the redoubt was "annihilated" after day and night attacks.

Two guerrilla pockets remained in the central part of the Vitsi area. The guerrillas fired artillery into Phlorina from these positions last night.

The Albanian radio quoted an official announcement Saturday as saying two more Greek land and air attacks on Albanian territory had been repulsed. It was the second Albanian complaint in a week that her territory was invaded by the Greeks. The Greeks have denied any such invasion.

The Greek communiqué said guerrilla casualties yesterday were 118 killed and 330 captured, while the army lost 22 killed and 253 wounded.

Rebels Fleeing Into Albania, Greeks Say

London, Aug. 13 (AP)—Albania complained today for the second time this week of large-scale Greek invasions of her frontier. A Tirana broadcast monitored here said an Albanian Ministery of Armed Forces communique announced the repulse of two Greek land and air attacks on Albanian territory yesterday.

With the Greek Army at Kozane, Greece, Aug. 13 (AP)—Communist-led guerrillas were reported last night to be fleeing into Albania as Government troops pounded into the rebels' Vitzi mountain stronghold.

Official dispatches said a Greek Army column had pushed to within a mile of a guerrilla supply-route junction with the Phlorina-Kastoria highway. Government sources said the guerrillas have been bringing food and ammunition from Albania over the supply route.

Grammos Drive Continues

The Vitzi offensive, against an estimated 8,000 guerrillas, began Thursday in the mountainous area in Northwest Greece where the Albanian and Yugoslav borders meet.

Meanwhile, Government troops were continuing another offensive started last week against guerrilla fortifications in the Grammos mountains, about 70 miles southwest of the Vitzi triangle.

Sector "Annihilated"

A Government communiqué today said the main guerilla resistance in the southeastern area of the Vitzi mountains was "annihilated after quick and decisive attacks during the day and night."

The Greek regulars crossed the Andartikon-Gavros road, moving westward to Prespa, it said.

The Government said 118 Communist fighters were killed and 330 captured and Greek Army losses were 22 killed and 253 wounded. The army also reported capturing eight artillery pieces, six anti-tank guns and many mortars and rifles.

Fortified Heights Bombed

The air force hammered all the fortified heights with bombs and rockets and machinegun fire. The points under attack included Kroustalopiyi and Kotochori, along the guerrilla supply road from Albania.

[A Greek liaison officer of the United Nations Special Commission on the Balkans reported in Athens that 60 guerrillas who attempted to cross the Greek-Yugoslav border into Yugoslavia near the village of Korona were arrested, disarmed and imprisoned by the Yugoslavs. Korona is north of Salonika.]

Lie Assails Talk Of 3d World War

AUG 1 1949

COPENHAGEN, Denmark, Aug. 13 (AP).—Trygve Lie, Secretary-General of the United Nations, said tonight "there has been too much loose talk about a third world war and it is time that this talk stopped."

In a speech at an outdoor rally here, he said he did not believe in the possibility of a new war.

"I am not a fortune-teller," Lie said, "but it is my opinion—which is based upon sober considerations—that we have come through the worst postwar political crisis, and that we are facing brighter times."

'STORMY SHOWDOWNS'

This does not mean the world will not witness any stormy political showdowns in the future, he remarked. He added that he did not think "the threat of armed force in the big Powers' dealing with each other would show up as openly and directly as during the Berlin crisis."

Lie is returning to New York by air tomorrow from his European vacation.

HAS U. N. INFLUENCE

Lie said United Nations influence made possible the solution of the Berlin crisis and that "the highest circles among the great Powers saw how dangerous it could be to play with fire."

Lie asserted that in a third world war there would be neither winner nor loser and that every responsible statesman in every country would do his utmost to avert such a catastrophe.

The idea that regional pacts are more important than the work of the United Nations was called "just a short-sighted, confusing valuation." He admitted that "regional or local cooperation may be useful, but no regional agreements or bilateral setups can ever replace the U.N."

WARNING TO WORLD

The Secretary-General said the Palestine crisis could hardly have been solved without the U.N. and that the Indonesian conflict was a warning to the world, especially to western Europe, that the world is nearing the end of the old colonial system.

He said the Indonesian Republic would be welcome as an independent member state of the United Nations.

Lie also credited the U.N. with stopping warfare in the Kashmir area of India, saving 400,000,000 from a great war.

Italians Outdistance Natives On Dam Job

Edea, French Cameroons, Aug. 13 (AP)—A group of Italians working on the construction of a power dam in the French Cameroons may revolutionize the use of white labor in central Africa. The 180 men, working for a French firm at Edea, are the first white men to be employed in this part of Africa. Native labor had previously been used on the construction of the dam, but proved so slow that the firm decided to experiment with white labor.

In six months the Italians have built a 1,000-foot-long provisional dam which the management reckons would have taken eighteen months to construct with native labor. The speed of building has covered the higher cost of labor and more elaborate living quarters which included running water, a community refrigerator and a small hospital.

Beirut Papers Back American University

Beirut, Lebanon, Aug. 13 (AP)—A number of Beirut newspapers have sprung to the defense of American University of Beirut, attacked recently by one Phalangist publication as "a hotbed of intrigue against the Lebanon." As a result the attack has died out.

University officials, including Dr. Stephen B. L. Penrose, A.U.B. president, have remained on the sidelines during the battle of the editorials. The United States Legation at Beirut, likewise has declined to take part in the quarrel.

India and Pakistan Set Kashmir Talks

To Confer on Implementing Truce Agreement

NEW DELHI, Aug. 13 (AP).—The United Nations Kashmir Commission announced today at Srinagar, the capital of Kashmir, that India and Pakistan have agreed to confer on carrying out a Kashmir truce agreement, the government radio said here tonight.

A provisional program for the conference would include discussion of proposals for Pakistan to withdraw from Kashmir her army, tribesmen and other Pakistani nationals and for India to withdraw all her troops except those needed for policing.

India suggested the conference meet Aug. 22, instead of Aug. 17 as proposed by the commission.

The U. N. hopes to hold a plebiscite to determine whether the Kashmiris want to join Moslem Pakistan or Hindu India. The princely state, with a big Moslem majority, has been ruled by a Hindu Maharajah.

India, Pakistan Agree On Truce

New Delhi, India, Aug. 13—The United Nations Kashmir Commission announced today in Srinagar, the Kashmiri capital, that India and Pakistan have agreed to confer on carrying out a truce agreement, the government radio said tonight.

A provisional program for the conference would include discussion of proposals for Pakistan to pull out her army, tribesmen and other Pakistani nationals from Kashmir and for India to withdraw all her troops except those needed for policing.

India suggested the conference should meet August 22 instead of August 17 as proposed by the commission.

The United Nations hopes to hold a plebiscite to determine whether the Kashmiris want to join Moslem Pakistan or Hindu India. The princely state, with a big Moslem majority, has been ruled by a Hindu maharajah.

Israeli Blast Plan Is Threat To Church

London, Aug. 13 (AP)—The Foreign Office said today it is concerned over a possibility that the Church of the Holy Sepulchre in Jerusalem might be damaged when an Israeli ammunition dump is blown up nearby, Monday.

A spokesman read a statement at a news conference saying the dump holds 3½ tons of explosives to be destroyed on the spot because moving it would be too dangerous. The scene of the scheduled blast, he said, is 350 yards from the church in tunnels between Damascus gate and the new gate.

CNAC Gets Injunction Against Occupation of Repair Plant

HONG KONG, Aug. 13 (AP)—The China National Aviation Corporation obtained an injunction today against occupation of its maintenance plant at Kaitak Airport. The field is wanted for use by the Royal Air Force.

The Hong Kong Government notified the airline yesterday that its shops had been requisitioned for the RAF. CNAC was ordered to get its personnel out of the plant before 9 A. M. Monday.

The injunction was obtained by the airline's legal adviser, who instituted a suit over the Government order. The RAF has been asked not to take over the plant pending judgment of the Supreme Court here, and the outcome of negotiations on the matter in London.

Karen Rebels Seize 2 Stations

Rangoon, Burma, Aug. 13 (AP)—Rebel Karen tribesmen were reported here today to have regarded control of two stations on the Bassein-Henzada railway which had been held by other rebels, the White Band People's Volunteer Organization.

Reds Pressing 2 Strong Drives Toward Canton

AUG 14 1949

Nationalists Say Nearer One Is Held in Check 215 Miles to Northeast

CANTON, Aug. 13 (AP).—The Communists pushed two increasingly strong drives southward towards this refugee Nationalist capital today.

Official Nationalist reports said the nearer one was being held in check in the outskirts of Kanhsien (Kanchow), 215 miles northeast of Canton.

Private reports said the other drive had by-passed or captured the railway town of Hengshan, 290 miles northwest of here, and was aiming at the key railway junction of Hengyang, 265 miles northwest of Canton.

The government account estimated 50,000 to 60,000 Red troops were attacking Kanhsien but said they still were unable to overcome the city's defense, which is being directed by General Fang Tien, the Governor of Kiangsi Province.

The private reports said fighting was in progress at unspecified points south of Hengshan, indicating the Communists had skirted or taken that town.

Other reports indicated the Reds were moving to isolate the important port city of Foochow, 450 miles northeast of Canton. They were reported to have reached points thirty miles southwest and thirty miles northwest of Foochow, in sharp fighting.

On the other active war front in the distant northwest, the Nationalists asserted they had inflicted heavy casualties on the Reds in beating off an attack on Tungsin, at the Kansu-Ninghsia provincial border. Tungsin is a strategic point 150 miles northeast of Lanchow, the Kansu Province capital, and 100 miles south of Ninghsia, capital of the province of the same name.

High Nationalist officers meanwhile were gathering at Canton for an important conference.

General Pai Chung-hsi, commander of the Canton front, arrived today, as did General Hu Tsing-nan, deputy commander of the northwest front.

General Ma Pu-fang, Moslem northwest commander, and his deputy and cousin, General Ma Hung-kwei, already were here.

Informed sources said the officers would discuss with Premier Yen Hsi-shan means of wresting the initiative from the Communists, but the sources gave no clew as to how they proposed to do so.

A Foreign Ministry spokesman announced that if it became necessary to move the Nationalist capital from Canton foreign embassies would get "adequate notice." He said no such notice had yet been given.

Kanhsien Firm Against Attack, Chinese Say

AUG 14 1949

Canton, China, Aug. 13 (AP)—Kanhsien, gateway city to Canton, was reported standing firm today against furious assaults by from 50,000 to 60,000 Communist troops.

A Chinese Army spokesman said the Reds still were unable to crack the city's refenses. Pro-Government dispatches said fighting raged in the outskirts of that city 215 miles northeast of Canton.

The provincial officials have fled from that capital of Kiangsi province, but the Governor is said to be directing Kanhsien's defense. He is Gen. Fang Tien, who also is commander in chief of the armed forces in Kiangsi.

Foochow Is Menaced

On the Southeast China front, heavy fighting was reported developing in a Communist attempt to isolate the port of Foochow. Foochow lies opposite Formosa.

Press reports said the Communists were trying to capture Yungtai, 30 miles southwest of Foochow. It was here that the heaviest fighting was in progress.

However, sharp clashes also were reported around the Min River towns of Mintsing and Shuihow, 30 and 40 miles upstream from Foochow.

Desertions Denied

At the western extremity of the South China front, the Communists kept up the pressure along the railway leading to Canton.

Private reports indicated the Reds had taken or by-passed Hengshan, 290 miles north of Canton. These reports said fighting was in full swing south of Hengshan.

An army spokesman denied insistent rumors that 10,000 to 20,000 Nationalist troops had defected to the Reds in the Hengshan area. Unofficial dispatches said the Nationalists attempted to halt the Red advance along the railroad, blew up bridges, blasted tunnels and tore up tracks north of Hengshan.

Hengshan guards the northern approaches to Hengyang, headquarters for Gen. Pai Chung-hsi, commander in chief in South China.

Hong Kong Passage On Gordon Out

Shanghai, Aug. 13 (AP)—The Gen. W. H. Gordon, which may come to Shanghai September 15 to evacuate foreign nationals, will not take passengers to Hong Kong, the American President Lines said today.

Floyd Downs, the line's manager here, said 1,561 applications have already been received for passage to the United States and these may be more than the ship can accommodate.

He said at least 1,000 persons, mostly British, have applied for passage to Hong Kong but do not wish to go to the United States.

Needs Permits

The Gordon will come to Shanghai if the Chinese Nationalists grant her safe conduct and the Communists grant an entry permit to this port.

The 1,561 seeking passage to the United States, Downs said, include 309 Americans, 189 British, 41 Canadians, 33 French, 25 Portuguese, 38 Asiatics, 526 stateless persons and 400 miscellaneous. There was no explanation of the 400 miscellaneous.

Tax On School

Meanwhile, it was disclosed that the Shanghai American school will probably become a victim of the Communist land tax.

School directors disclosed that authorities have refused to reduce the tax, which amounts to more than $25,000 a year. The school recently was presented a bill of $76,000 for present and past taxes.

The school had been exempt from taxes in the past as a non-profit cultural institution.

CHINESE REDS PUSH 2 DRIVES

50,000 Communists Unable To Crack Kanhsien Defenses

Canton, China, Aug. 13 (AP)—The Communists pushed two increasingly furious drives south toward this Nationalist capital today.

Official Nationalist reports said the nearer one was being held in check on the outskirts of Kanhsien, 215 miles from Canton.

Private reports said the other had bypassed or captured the railway town of Hengshan, 290 miles north, and was aiming at the key railway junction of Hengyang, 265 miles north of Canton.

Desertion Rumors Denied

The Government account estimated 50,000 to 60,000 Chinese Red troops were hurling themselves at Kanhsien, but said they still were unable to crack the city's defenses, led by Gen. Fang Tien, Governor of Kiangsi province.

The private reports said fighting was in full sway at unspecified places south of Hengshan, indicating the Chinese Reds had skirted or taken that town.

A Nationalist army spokesman denied persistent rumors that 10,000 to 20,000 Government troops had deserted to the Communists in the Hengshan area.

Unofficial dispatches said the Nationalists were blowing up railway tunnels and bridges in an effort to halt the advance.

Military Conference

Other reports indicated the Chinese Reds were moving to isolate the important port city of Foochow, 450 miles northeast of Canton. They were reported to have reached points 30 miles southwest and 30 miles northwest of Foochow in sharp fighting.

On the other active war front in the distant northwest, the Nationalists asserted they had inflicted heavy casualties on the Chinese Reds in beating off an attack on Tungsin, on the Kansu-Ningsia provincial border. the province of the same name.

Meanwhile, the top Nationalist commanders were gathering in Canton for an important military conference.

Discussion With Premier

Gen. Pai Chung-hsi, commander on the front before Canton, arrived today, as did Gen. Hu Tsing-nan, deputy commander of the northwest front.

Gen. Ma Pu-fang, northwest commander, and his deputy and cousin, Gen. Ma Hung-kwei, already are here.

Informed sources said they would discuss with Premier Yen Hsi-shan means of wrestling the initiative from the Chinese Reds, but gave no clue how they proposed to do so.

U.S. White Paper Hit By Chinese Reds

Nanking, Aug. 13 (AP)—Washington's White Paper was labeled by the Chinese Communists today as a confession of failure by the American Government of a policy of "interference and aggression" in China.

In the first official reaction, the Communist Hsinhua news agency asserted the whole world benefited by the White Paper's publication because it exposed "an insatiable American desire for interference and aggression in the affairs of others."

The agency's editorial said the Chinese "must continue to resist and be prepared for continued interference and aggression by American imperialists against China."

Five Points

Secretary of State Acheson's statement of five basic principles that will guide American relations with China was described as providing for "continuation of further aggressive policy."

The editorial referred to Acheson's first point this way:

"The American Government wishes to take every possible step to encourage every movement which tends to make China an American colony so that in international conferences China will act as an American satellite."

"Foreign Yoke"

[This referred to Acheson's proposal to aid the Chinese people to throw off "the foreign yoke" of the Red regime. The White Paper termed the present Chinese Government a dismal failure in the war with communism.]

The editorial also charged that:

"The United States opposes the independence of China, opposes any regime that will not serve American monopolistic interests, and opposes any foreign country that desires to assist China. . . .

Other Imperialists

"The American Government will continue to consult with other imperialist countries having colonies in the Far East on ways to enable a continuation of their imperialistic privileges in the Far East.

"The American government will force the United Nations to adopt measures toward the above aims more particularly relating to measures on the preservation of imperialistic privileges.

Commenting upon the White Paper's affirmation of traditional Chinese-American friendship, the agency said:

"Such friendship undoubtedly exists and will continue to exist. But the friendship exists only between the Chinese and American people, because the American people have no reason and no need to embark upon aggression. At the same time, the American people in many ways assisted the Chinese people, and such assistance will never be forgotten."

In Controlled Press

The editorial was carried in Nanking's controlled press, which had previously made no reference to the White Paper. The press also carried a short digest of the White Paper. This was interspersed with official Communist explanatory notes.

[In Shanghai, the press also carried the agency account with only one paper, *Ta Kung Pao*, offering comment of its own.

[*Ta Kung Pao's* editorial called the White Paper "a threat to the Chinese people and a challenge of Soviet Russia." It warned the Chinese to "watch for a new trick by the American imperialists."]

Chinese Funds Here Put at Half Billion

U.S. Aims to Keep Reds From Getting Hidden Wealth

WASHINGTON, Aug. 13 (AP) — Chinese citizens have secreted well over half a billion dollars in this country, it was estimated today, and four federal agencies are at work to see the Communists don't get it.

Drastic government action appears increasingly unlikely, it was said. The Chinese wealth has been skillfully concealed in banks and investments. Neither the Chinese Nationalists nor Communists may ever lay hands on it.

The security of these and other Chinese assets has been the subject of an intensive study for many weeks, officals disclosed. The four agencies which have been deeply concerned to prevent a rich windfall from going to the Communists are the State Department, the Treasury Department, the Federal Reserve System and the New York State Bank Department. Informants here said they have been in almost daily touch.

The State Department for several years has complained that the Chinese Nationalist government even when appealing for American funds, would not take the drastic measures against the privately held assets of its own citizens which might have yielded funds with which to strengthen its armed forces. Officials privately concede there is a large question as to how much money the Chinese government would have been able to recover even by drastic action, but they contend the effort was never made in any thoroughgoing manner.

It is the skill with which the money was hidden and perhaps still is being hidden that the United States may finally rely upon to keep it from Communist hands without some radical American government action, such as the freezing of all Chinese government assets in this country.

Informants said today that the funds were hidden usually by getting them into this country under false names as a result of a series of transactions, sometimes involving banks or black markets in several different Chinese cities. They declared therefore that it was impossible to determine exactly the volume of funds put away for the benefit of individual Chinese.

Japan Plans Trade Bids

2 Ship to Go to U. S., South America and Missions to Asia

TOKYO, Aug. 13 (AP).—A strong bid for foreign trade is planned soon in Asia, the United States and South America, the Japanese International Trade and Industry Ministry said today.

Two Japanese ships of 11,000 tons eaoh loaded with textiles, machinery and other Japanese products will be sent to the United States and South America as floating exhibitions. On board will be representatives of various Japanese firms.

Trade missions will be sent to India, Pakistan, Burma and other countries of the Orient.

CHIANG AIDE IN TOKYO

Wu Holds a 2-Hour Conference With General MacArthur

TOKYO, Aug. 13 (AP)—Wu Teh-chen, close adviser to Generalissimo Chiang Kai-shek of China, held a two-hour conference with Gen. Douglas MacArthur today.

Neither Chinese nor occupation headquarters officials would discuss the subject of the conference. Mr. Wu on his arrival from Formosa last night insisted his visit was "unofficial." He said it had nothing to do with the proposed anti-Communist union in the Pacific.

It was considered likely that Mr. Wu would meet with Japan's Premier Shigeru Yoshida before returning to Formosa.

Names 2 He Asserts Made Presents to Him as Matter of Courtesy.

HE GAVE THEM TO OTHERS

Makes Statement in Connection With Five-percenter Inquiry —Tells Who Got Them.

Washington, Aug. 13 (A. P.).—Major-Gen. Harry H. Vaughan said today that home freezers sent to him and other Washington notables were simply gifts from two old friends and there was nothing improper about "this courtesy."

The story about shipments of deep-freeze units to Vaughan, Mrs. Harry S. Truman, Chief Justice Vinson and some others was brought out in connection with the Senate's investigation of 5 percenters.

Vaughan issued a statement at the White House saying "the simple explanation of the entire matter" is that two old friends of his, Harry Hoffman and David Bennett, "desired to extend this courtesy to me as a friend, and I in turn made gifts of these units to certain friends of mine."

Vaughan's Statement.

Vaughan, who is President Truman's military aid, said:

"Because some inference or implication is present that there was some impropriety in this connecton, I believe that I should make a statement at this time, so that it will be absolutely clear that there was nothing improper in any manner regarding the gifts of these units."

He said Hoffman—A Milwaukee, Wis., advertising man—told him in 1945 that he could get hold of some deep freeze units that had no commercial market value, as they were experimental models.

Vaughan continued:

"At that time I informed him that I would like to have him send one to me and one to the White House in Washington for the lunchroom used by members of the staff.

"Also, I asked him to send one to the little White House in Independence, Mo., and to send other units to Mr. Fred Vinson, Mr. John Snyder, Mr. James K. Vardaman and Mr. Matthew J. Connelly."

Snyder is Secretary of the Treasury, Vardaman is former naval aid to the President and now Federal Reserve Governor, Connelly is a presidential secretary, and Vinson is Chief Justice of the United States.

"I have previously told them that I was going to get some deep-freeze units and that I would like each of them to have one," Vaughan said.

Bennett is president of the Albert Verley, Chicago Perfume Company. Testimony brought out in the Senate inquiry was that the home freezer units were shipped by Albert J. Gross, Milwaukee business man. The testimony also was that they were paid for by the perfume concern.

Vaughan said it is his recollection that those receiving the home

freezers were not acquainted with either Hoffman or Bennett.

He said: "They may have asked me later from whom I obtained the units and some acknowledgement of the receipt of the units may have been made to these men, or to either of them."

Delayed His Explanation.

Vaughan began his statement this way:

"Since the beginning of the investigation conducted by the subcommittee under the chairmanship of Senator Hoey (D.-N. C.), I have refrained from making any statement because I have already informed the committee that I will appear as a witness at the proper time and make a full statement regarding all the matters with which my name has been connected.

"However, stories have appeared in the newspapers yesterday and today which bring into the investigation the names of prominent persons."

up, and I said that I would like to have one for my house and that I would also like to send one to the little White House in Independence.

Called Experiment Models

Mr. Hoffman said that he was associated with a concern that was beginning to manufacture deep-freeze units, and that he thought he could get hold of some factory rejects.

He asked me whether, if he found that he could obtain some of these units, I would want some for some of my associates.

Later Mr. Hoffman informed me that he could obtain some deep freeze units that did not have commercial market value, as they were experimental models. At that time I informed him that I would like to have him send one to me and one to the White House in Washington for the lunch room used by members of the staff.

Also, I asked him to send one to the Little White House in Independence, Mo., and to send other

Vaughan Statement On Gifts

Washington, Aug. 13 (AP)—Here is the text of the statement issued today by Maj. Gen. Harry H. Vaughan, presidential military aide, concerning shipments of freezers brought out in connection with the five-percenter inquiry.

Since the beginning of the investigation conducted by the (Senate investigations) subcommittee under the chairmanship of Senator Hoey (D., N.C.), I have refrained from making any statement because I have already informed the committee that I will appear as a witness at the proper time and make a full statement regarding all the matters with which my name has been connected.

However, stories have appeared in the newspapers yesterday and today which bring into the investigation the names of prominent persons. These stories refer to certain deep-freeze units that were delivered in Washington and elsewhere.

Tells Of Talk In 1945

Because some inference or implication is present that there was some impropriety in this connection, I believe that I should make a statement at this time so that it will be absolutely clear that there was nothing improper in any manner regarding the gifts of these units.

In 1945 I had a talk with two old friends of mine—Mr. Harry Hoffman and Mr. David Bennett. The subject of deep-freeze units came

units to Mr. Fred Vinson, Mr. John Snyder, Mr. James K. Vardaman and Mr. Matthew J. Connelly. I had previously told them that I was going to get some deep-freeze units and that I would like each of them to have one.

Explains Acknowledgements

It is my recollection that the persons to whom the units were sent were not acquainted with either Mr. Hoffman or Mr. Bennett.

They may have asked me later from whom I obtained the units and some acknowledgement of the receipt of the units may have been made to these men, or to either of them.

The simple explanation of the entire matter is that Mr. Hoffman and Mr. Bennett desired to extend this courtesy to me as a friend, and I in turn made gifts of these units to certain friends of mine.

Ad Man Called In 5 P.C. Quiz

Washington, Aug. 13 (AP)—Senators investigating five percenters today sought a motive for the reported shipment of unasked-for home freezers to Mrs. Harry S. Truman and other Washington notables.

Chief Counsel William P. Rogers said the Senate's Special Investigations subcommittee has a subpoena out for Harry Hoffman, Milwaukee advertising man whose name cropped up in testimony.

A committee member said privately that he has seen invoices showing that a freezer was sent to Mrs. Truman at Independence, Mo., and that two were shipped Maj. Gen. Harry H. Vaughan, President Truman's army aide.

Not Yet In Record

The senator said the invoices also list shipments to Chief Justice Fred M. Vinson, Federal Reserve Governor James K. Vardaman, and Presidential Secretary Matt Connelly.

The vouchers—not yet in the record—are dated 1945 and early 1946. At that time Vinson was first reconversion director and later Secretary of the Treasury. Vardaman was Mr. Truman's naval aide.

The invoices were brought to the inquiry by Albert J. Gross, a Milwaukee businessman who testified that he shipped a freezer to Vaughan and other prominent Washingtonians. He said all of the units were paid for by the Albert Verley Company, the Chicago perfume firm for which John Maragon worked in 1945.

Key Figure

Maragon, who once had entree to the White House, is a key figure in the committee's search for influence peddlers.

Gross's testimony was cut off after he named Vaughan as a recipient of a freezer. Senator Hoey (D., N.C.) chairman, said the committee wanted to get all the facts before putting out the rest of the names.

Another committee member said he was told Mrs. Truman sent a thank-you note to Gross, thinking he was the donor.

No "Information"

Presidential Secretary Charles G. Ross said he had "no information whatever" when he was questioned about the reports dealing with Mrs. Truman and the others. Vinson said he preferred to have the facts come out at the Senate investigation.

The Senator who saw the shipment invoices wasn't sure about whether one of the units was tagged for Secretary of the Treasury Snyder, who was named as a recipient.

Key Men Argue B-36 Probe's Progress

Washington, Aug. 13 (AP)—House members, pausing in their stormy investigation into the B-36 bomber, sharply conflicted today on the progress made thus far.

Representative Van Zandt (R., Pa.), who touched off the probe, declared that Chairman Vinson (D., Ga.), of the House Armed Services Committee, "is evidently engaged in a whitewash job" and is trying to discredit him.

Van Zandt and Vinson had tangled several times during yesterday's session.

Sees No "Real Evidence"

Another committee member said privately that he feels no "real evidence" has been produced to back up the reports about B-36 purchasing Van Zandt read into the House record a few weeks ago.

The hearings have recessed until August 22 to give a subcommittee time to go to California to question Gen. Henry A. Arnold, retired Air Force chief, as well as some plane manufacturers.

Vinson estimated the committee's probe will run another 30 days at least.

The recess came after four long days of hearings, climaxed by a bitter verbal clash between Van Zandt and Secretary of Air Symington over the statements the lawmaker had made before the House May 26.

A "Smear," Symington Says

At that time Van Zandt said he had heard "disturbing reports" concerning the relations of Symington, Secretary of Defense Johnson and Floyd Odlum, head of the firm manufacturing the B-36.

Symington called the congressman's speech a "smear."

"I think he should say those things over the radio so we can have proper recourse," the Secretary declared. "It's a rather disgraceful way of using congressional immunity."

Van Zandt retorted that he had followed "congressional procedure" in making his House speech after he had heard the rumors.

Hopes "Air Will Be Cleared"

"They were ugly rumors," he said. "And I hope that when this investigation is complete the air will be cleared."

He added that he had not discussed the investigation in the newspapers or on the radio because "I've never resorted to those tactics."

In any case, he said, he had asked for an explanation, "but I didn't get an answer."

"You didn't ask me," said Symington heatedly, "or you would have got an answer."

"Didn't Call Rumors True"

Van Zandt declared he had not presented his "disturbing reports" as being true, but only claimed they indicated there is evidence sufficient for an investigation to determine the truth.

Symington took personal responsibility for the entire B-36 program, and said he had followed the advice of military men in pushing B-36 purchasing. He denied that politics "or any consideration other than national security" dictated his decision.

The secretary said he never has discussed politics with Odlum, head of the Atlas Corporation, which controls the Consolidated Vultee Aircraft Corporation. He said he did not know until after the election last fall that Odlum is a Democrat and had contributed money to the party's campaign.

'Put Up Or Shut Up' On B-36 Urged

Washington, Aug. 13 (AP)—Representative Bates (R., Mass.) today urged a swift windup of the B-36 hearings with "the accusers, whoever they are, called on to bring out their evidence—if they have any."

The House Armed Services Committee is inquiring into suggestions that improper influences figured in the importance attached to the huge, six-engined strategic bomber.

Bates, a high-ranking Republican member of the committee, said:

"This cloud has been hanging over the heads of our top military leaders and defense officials too long already."

Critics, he said, should "put up or shut up."

He proposed that Louis A. Johnson, Secretary of Defense, have a chance to answer hints of political influence in the B-36 program, as have other defense officials, and then that the accusers present their side.

"The hearings should not run more than another week," he said.

Burma Official, Two Advisers Arrive In U.S.

Washington, Aug. 13 (AP)—U. E. Maung, Foreign Minister of Burma, arrived by plane today as an official guest of the United States Government.

Although no official program has been announced as yet, Maung plans to stay here a week, conferring with American officials on his country's financial status and on communism in the Far Pacific.

He was accompanied by two advisers.

Gen. Clark to Get Key Post in Army

WASHINGTON, Aug. 13 (AP).—Gen. Mark Clark is slated for a key new assignment in the present military reshuffle, it was learned tonight.

An informed official indicated that Clark is to be chief of Army Field Forces, succeeding Gen. Jacob Devers, who will retire in September. Devers will be 62 years old Sept. 8 and will have served 44 years on active duty.

Clark now is commander of the Sixth Army with headquarters in San Francisco. At the end of the last war he commanded the 15th Army Group composed of the U. S. Fifth Army and British Eighth. Until his return home in 1947 he was postwar U. S. military governor in Austria.

COLLINS IS CHOSEN AS CHIEF OF STAFF

Washington, Aug. 13 (A. P.).—Gen. Joseph Lawton Collins, whose fighting Seventh Corps outslugged the Nazis halfway across Europe, has been chosen to succeed Gen. Omar N. Bradley as Chief of Staff of the Army. He was named to the post yesterday by President Truman after Bradley's nomination to the newly created chairmanship of the Joint Chiefs of Staff. Both selections are subject to senatorial approval.

The Army also got a new top man for its European command, Gen. Thomas T. Handy, to take the post held by Gen. Lucius D. Clay. Handy, 57, will command all United States military forces in Europe except those in Austria and Trieste.

'Lightning Joe' Earned Name On Battlefields

New York, Aug. 13 (AP)—Gen. J. Lawton Collins, the new army chief of staff, earned his nickname—"Lightning Joe"—on many battlefields.

The graying 53-year-old soldier—one of the handsomest men in the Army—was one of the most colorful and energetic field commanders in World War II.

He was tough and cool and won his battles first hand. He ran his famous 7th Corps as efficiently as any top business executive. An all-around soldier, he could plan a battle, fight it through—and encourage his own frontline troops with his presence.

Battle Formula

This was his battle formula:

"Outguess the enemy, keep him off balance and never stop driving."

Some generals are boxers, and some are punchers. Lighting Joe is a puncher. It was his faculty of sustained drive that led Gen. Omar Nelson Bradley to give him the critical battle assignments that built his fame.

And few generals in American history can match his combat record. His victories stretch from Guadalcanal to the Elbe. Collins came to Europe after successfully completing the mopup of Japanese on Guadalcanal and New Guinea.

Record Of Corps

His 7th Corps seized Utah Beach in Normandy. It freed Cherbourg, the first French metropolis liberated from the Nazis. It broke the crust at St. Lo. It was first to crack the Siegfried Line and capture a major German city—Aachen. It took Cologne too, expanded the first bridgehead across the Rhine at Remagen, and at war's end linked up with the Russians along the Elbe.

But Lightning Joe, who never dodged a scrap, once got into a fight he wasn't looking for.

It happened in the "battle of the Bulge" in Belgium in December, 1944. The German breakthrough imperiled the American line of communications, and General Eisenhower temporarily put his 1st and 9th armies under the field leadership of Field Marshal Montgomery.

Named By Monty

Monty immediately named corps. This corps was to be used as a counterblow at the right time—when the German drive had been contained. But in the meantime it was under strict orders to refrain from attack.

One of the outfits in the reserve corps was the "Hell on Wheels" 2d Armored Division, led by Maj. Gen. Ernie (Old Gravel Voice) Harmon.

After a spectacular 100-mile night advance, Harmon's tankers reached their assembly area near Celles, Belgium. Then they started to run into German outposts. Moving more swiftly than expected, the Nazis were only a few miles from the Meuse River. If they reached it and took Dinant the American armies would be split in half.

"Go Ahead, Ernie"

Harmon immediately relayed this information to Collins, who asked:

"What do you want to do, Ernie?"

"I want to attack, but we're under orders not to," said Harmon. "And there isn't time to get the orders changed."

"Go ahead, Ernie," said Collins. "I'll take the responsibility."

In a great grinding battle, fought in snow and fog, Harmon's division annihilated the German armor—and halted the German thrust.

Field Marshal Montgomery, angered at first because he thought his orders had been disregarded, sent a rebuke through channels. But when he learned the full story he sent his compliments to Collins and Harmon.

Britain, Belgium, Holland Are Exonerated in Scrap Exports

WASHINGTON, Aug. 13. (AP)—The Economic Co-operation Administration has officially cleared three European countries of "improprieties" in exporting aluminum scrap while importing the ure metal under the Marshall plan.

A special investigating team reported that no improper activity was involved in the shipping or buying practices of Great Britain, Belgium and the Netherlands. But E. C. A. strongly suggested that in future European nations save on purchases of aluminum under the recovery program by using all possible scrap.

V. A. Hospital Bill Offered

WASHINGTON, Aug. 13 (AP).—Legislation to direct the Veterans Administration to go ahead with construction of twenty-four hospital projects has been introduced by Representative John E. Rankin, Democrat, of Mississippi. The measure would reinstate a 16,000-bed program canceled by President Truman when he sent his budget to Congress in January. The projects include a 1,000-bed rehabilitation hospital in New York City.

View Fluctuated On War, Red Tells Court

New York, Aug. 13 (AP)—Here is a United States Communist leader's description of how his views fluctuated in the early days of World War II:

During the Hitler-Stalin pact of 1939-1941, he opposed American participation in the war.

After the Nazis turned on Russia and attacked her in June, 1941, he favored American entry into the conflict.

Document Correct

Robert G. Thompson, New York State Communist chairman, gave a Federal court jury this picture of the changes in his position. He was under cross-examination by the Government the latter part of this week.

At first, he refused to say that after Hitler's invasion of Russia and before Pearl Harbor the Communist party here urged this country's entry into the war.

However, after a Government attorney confronted him with a party document showing the party had switched to support of the war prior to Pearl Harbor, Thompson acknowledged the document was correct.

Thompson, one of eleven top Red leaders on trial on charges that they conspired to advocate forcible overthrow of the United States Government, testified he spoke many times against United States entry into the war.

"Very Possible"

He said it was "very possible" that he advanced the slogan, "The Yanks are not coming."

This, he said, was in the period before Russia was attacked.

Thompson served in the United States Army in the Pacific and won the Distinguished Service Cross for heroism, the nation's second highest award.

Thompson said he was suffering from an attack of malaria when indicted July 20, 1948, and was cared for by friends until he surrendered to authorities nine days later.

Won't Name Friends

Asked to give the names of the friends, he said:

"I certainly am not going to give you the names of the people who took care of me."

The witness also declined to give the name of the Communist party educational director for Queens county, New York, during the period covered by the indictment. Asked whether the director was his wife, he said:

"That makes no difference at all, and I am not going to give you the names of persons for possible prosecution."

He also refused to name the State educational director for the party.

"State Director"

However, immediately after his testimony ended, a man took the stand who identified himself as Howard Johnson, of Manhattan, "State educational director."

Johnson, put on the stand shortly before court adjourned for the week end, resumes his testimony Monday when the trial goes into its thirty-first week.

Tokyo Rose Acquit Move Is Argued

San Francisco, Aug. 13 (AP)—The Government, its Tokyo Rose treason case completed, lined up arguments today against a defense motion for the acquittal of the Los Angeles-born defendant, 33-year-old Iva Toguri D'Aquino.

Federal Judge Michael J. Roche summoned opposing counsel today to a session of arguments on the acquittal motion.

The Government rested after presenting 46 of its 71 witnesses in 26 days of the trial.

ACQUITTAL APPEAL FAILS TOKYO ROSE

Two Hours of Argument by Her Lawyer Leaves the Judge Unmoved at Traitor Trial

SAN FRANCISCO, Aug. 13 (AP)—Federal Judge Michael J. Roche today denied a motion to acquit the woman known as Tokyo Rose of treason charges.

The court gave its ruling without comment after more than two hours of argument by counsel for the 33-year-old American-born defendant, Mrs. Iva Toguri D'Aquino. She is accused of making wartime propaganda broadcasts aimed at undermining the morale of Allied forces in the Pacific.

The defense lawyer, George Olshausen, skimmed over the entire case in his argument. He attacked testimony of various service men witnesses as to damaging statements they attributed to the dark-haired prisoner. She conducted a music-and-chatter program over Radio Tokyo, according to the charges.

The Government, he said, was under obligation to present the whole truth. Telling half truths was in itself perjury, he added.

The court's decision cleared the way for the defense to open its case Monday.

The Government rested yesterday after presenting forty-six of its seventy-one witnesses in twenty-six days of the trial.

The final prosecution witnesses piled still more testimony into the bulging record by which the Government, through tedious pounding away since July 5, has sought to prove the defendant made traitorous broadcasts for Radio Tokyo.

British Admiral Tells Advantage of Standard Equipment in War

SEATTLE, Aug. 13 (AP).—Standardization of American and British naval equipment was urged today by Vice-Admiral Sir Frederick H. G. Dalrymple-Hamilton, member of the British Joint Service Mission at Washington. He is here on an informal inspection of naval installations.

"In case of another war," the admiral said, "we could get off the mark quicker if the navies could exchange important items. If our planes could land on your carriers, if we used the same sort of torpedoes and standardized in many other ways, the advantages would be wonderful."

Canadian Attack Upon Communism

Lake Couchiching, Ont., Aug. 13 (AP)—Lester B. Pearson, External Affairs Minister, said tonight the government may have to accept a large measure of responsibility for economic direction "and even for control" if it is to prevent the conditions on which totalitarianism feeds.

He told the Canadian Institute of Public Affairs "we have had enough" of the calculated manipulations of communism in both national and international affairs and "it is time we put an end" to them.

"This middle ground is becoming more and more difficult to maintain," he warned.

"The best defense against any totalitarianism," he said, "is to prevent or remove the conditions upon which it feeds."

"As far as the economic life of the nation is concerned, this means that the government may have to accept a large measure of responsibility for direction and even for control.

"Indeed, that role is being forced on the State by insistent and increasing demands for services and assistance, many of which are made by those who subsequently complain at the interference by government in their affairs. . . . It is, in fact, becoming increasingly difficult to reconcile the satisfaction of such demands with the maintenance of that spirit of self-reliance and competitive achievement which is one of the foundations of our free society. . . . The people realize that progress will lie through the continued blending of public and private enterprise."

IT COMPLAINED HE WAS BEING GIVEN TOO MUCH IMPORTANCE AT THE STRASBOURGH MEETING OF THE COUNCIL OF EUROPE AND CONCLUDED:

EUROPEAN COUNCIL

BY JOSEPH E. DYNAN

STRASBOURG, FRANCE, AUG 13-(AP)-IRELAND PROPOSED TODAY THAT THE NEW COUNCIL OF EUROPE ASSEMBLY TRY TO SETTLE HER FEUD WITH GREAT BRITAIN OVER NORTHERN IRELAND.

STRONG OPPOSITION WAS EXPECTED FROM BRITISH DELEGATES TO THE 101-MEMBER CONSULTATIVE ASSEMBLY. IRELAND (COMPOSED OF THE 26 COUNTIES OF SOUTHERN IRELAND) HAS LONG SOUGHT UNION WITH THE SIX COUNTIES OF NORTHERN IRELAND WHICH IS NOW A PART OF THE UNITED KINGDOM.

THE IRISH MOVE WAS PART OF A GROWING REVOLT OF ASSEMBLY MEMBERS SEEKING GREATER FREEDOM IN ITS DEBATES.

UNDER COUNCIL OF EUROPE RULES, THE AGENDA FOR ASSEMBLY DEBATES IS DETERMINED BY THE COMMITTEE OF MINISTERS, REPRESENTING THE 12 MEMBER GOVERNMENTS. ASSEMBLY DELEGATES, LED BY BRITAIN'S WINSTON CHURCHILL, HAVE BEEN FIGHTING FOR THE RIGHT TO DEBATE ANY SUBJECT THEY PLEASE.

THE COMMITTEE OF MINISTERS EARLIER THIS WEEK REJECTED IRELAND'S PROPOSAL TO DEBATE IRISH PARTITION. IT SUBMITTED AN AGENDA WHICH WOULD LIMIT THE FIRST ASSEMBLY'S DEBATES TO THREE BROAD POINTS:

1. THE COUNCIL'S ROLE IN ECONOMIC MATTERS, TAKING INTO ACCOUNT THE MARSHALL PLAN ORGANIZATION ALREADY SET UP.
2. THE COUNCIL'S ROLE IN SOCIAL SECURITY.
3. CULTURAL COOPERATION AMONG THE 12 MEMBER NATIONS.

ASSEMBLY MEMBERS HAVE SUBMITTED 13 OTHER DEBATE PROPOSALS, INCLUDING IRISH PARTITION. THEY INCLUDE SUGGESTIONS FOR GREATER POLITICAL UNITY, MEASURES TO PROTECT HUMAN RIGHTS, ESTABLISHMENT OF EUROPEAN PASSPORTS SUPERSEDING NATIONAL PASSPORTS, A EUROPEAN PATENT OFFICE AND JOINT PUBLIC WORKS PROGRAMS.

UNDER A COMPROMISE REACHED YESTERDAY, THE COMMITTEE OF MINISTERS

IS BOUND TO CONSIDER ANY AGENDA PROPOSALS ENDORSED BY A TWO-THIRDS VOTE OF THE ASSEMBLY. BUT EVEN THEN THE MINISTERS HAVE THE POWER TO VETO DISCUSSION.

VETO OF ANY AGENDA PROPOSALS MADE BY THE ASSEMBLY IS SURE TO BRING A SHOWDOWN BETWEEN THE ASSEMBLY AND THE MINISTERIAL COMMITTEE. CHURCHILL HAS ARGUED THAT THE ASSEMBLY BE ALLOWED FREE DEBATE LIKE ANY NATIONAL PARLIAMENT. AT PRESENT THE COUNCIL OF EUROPE HAS ONLY AUTHORITY TO MAKE RECOMMENDATIONS TO MEMBER GOVERNMENTS WITH NO POWER FOR ENFORCEMENT.

IN A SPEECH LAST NIGHT TO STRASBOURGERS, CHURCHILL SAID HE HOPED THE CONSULTATIVE ASSEMBLY WILL ONE DAY BECOME THE PARLIAMENT OF EUROPE.

AUG 14 1949

A10 "OLD FEUDS MUST DIE," CHURCHILL DECLARED. "TERRITORIAL AMBITIONS MUST BE SET ASIDE, NATIONAL RIVALRIES MUST BE CONFINED TO PRAYING WHO CAN RENDER THE FIRMEST SERVICE TO THE COMMON CAUSE."

WITHOUT DIRECTLY MENTIONING RUSSIA OR COMMUNISM, CHURCHILL ADDED:

"ARE WE TO SINK AFTER ALL OUR VICTORIES AND SUFFERINGS INTO FINAL CHAOS THROUGH IDEOLOGICAL WARS THRUST UPON US BY BARBAROUS AND WICKED OLIGARCHIES?..

"WE SHALL PROTECT OURSELVES AGAINST BEING CRUSHED AND FLATTENED OUT BY ANY FORM OF TOTALITARIAN TYRANNY, WHETHER IT BE THE HATED NAZI DOMINATION WHICH WE HAVE CAST OUT, OR BY ANY OTHER FORM OF SIMILAR DESPOTISM."

AUG 14 1949

BY DONALD DOANE

(ADVANCE) FRANKFURT, GERMANY, AUG.13-(AP)-THE NEW WEST GERMAN REPUBLIC WILL CHOOSE ITS PARLIAMENT TOMORROW IN THE FIRST FEDERAL ELECTION SINCE HITLER SEIZED POWER.

THE VOTE MAY SHOW WHICH WAY REVIVING GERMANY WILL GO--TOWARD SOCIALISM OR FREE PRIVATE ENTERPRISE.

BUT MOST OBSERVERS PREDICT THE VOTE WILL BE TOO SPLIT TO BE DECISIVE.

AS THE BITTERLY ANTI-ALLIED CAMPAIGN CLOSED TONIGHT, FORECASTS WERE THAT NO PARTY WILL WIN A MAJORITY OF THE 400-MEMBER PARLIAMENT AND IT WILL TAKE A COALITION OF TWO OR MORE PARTIES TO FORM THE CABINET.

SUCH A RESULT MIGHT POSTPONE THE SHOWDOWN ON SOCIAISM.

THE NEW FEDERAL REPUBLIC IS A UNION OF THE THREE WESTERN ZONES OF OCCUPATION--AMERICAN, BRITISH AND FRENCH. IT LEAVES OUTSIDE THE RUSSIAN ZONE, WHERE GERMAN COMMUNISTS RUN A PEOPLE'S CONGRESS AND A PEOPLE'S COUNCIL--BUT NO CENTRAL GOVERNMENT. ALL HIGHER AUTHORITY THERE IS RETAINED BY THE SOVIET ARMY.

THE COMMUNISTS CHARGE THE WESTERN ALLIES ARE SPLITTING GERMANY BY SPONSORING THE TRI-ZONAL REPUBLIC. THEY CALL IT AN ECONOMIC COLONY OF WESTERN IMPERIALISM.

THE REPUBLIC'S 45,000,000 POPULATION AND ITS INDUSTRIAL HEART--THE RUHR--MAKE WEST GERMANY ONE OF EUROPE'S MOST POWERFUL STATES EVEN WITHOUT THE RUZZIAN ZONE.

AUG 14 1949

BECAUSE OF THAT, AND ALSO BECAUSE OF ITS STRATEGIC POSITION NEXT TO THE IRON CURTAIN, TOMORROW'S VOTE WILL BE CLOSELY WATCHED.

BUT THE GERMANS THEMSELVES DON'T SEEM EXCITED. MOST PREDICTIONS ARE THAT LESS THAN 70 PER CENT OF THE 31,000,000 ELIGIBLE VOTERS WILL GO TO THE POLLS. PREVIOUS STATE ELECTION TURNOUTS RAN 75 PER CENT OR BETTER.

INTEREST ABROAD HAS BEEN WHETTED BY THE BITTERNESS WITH WHICH ALL GERMAN PARTIES HAVE CRITICIZED THE ALLIED OCCUPYING POWERS, AND BY THE STRIDENT NOTE OF NATIONALISM STRUCK BY SOME RIGHT-WING SPEAKERS DURING THE CAMPAIGN.

FOREIGN NATIONS WILL BE ON THE WATCH FOR A GERMAN SWING BACK TOWARD NAZI-STYLE MILITARISM AND NATIONALISM--OR A SURGE TOWARD COMMUNISM. BUT MOST MILITARY GOVERNMENT OBSERVERS PREDICT THERE WILL BE NEITHER.

BOTH THE COMMUNISTS AND THE EXTREME NATIONALISTS ARE RATED AMONG THE MINOR PARTIES.

TWO PARTIES CLOSER TO THE MIDDLE ARE THE CHIEF CONTENDERS.

ONE IS THE SOCIAL DEMOCRATIC PARTY LED BY DR.KURT SCHUMACHER, WHICH PREACHES A SOCIALISTIC PROGRAM OF BREAKING UP BIG INDUSTRIAL COMBINES AND BRINGING THEM PARTLY UNDER STATE CONTROL THROUGH SEMI-PUBLIC MANAGEMENT.

THE OTHER PARTY, THE CHRISTIAN DEMOCRATIC UNION, DEFENDS PRIVATE ENTERPRISE AND HAS MANY CHURCH ATTACHMENTS. ITS LEADER IS DR.KONRAD ADENAUER.

TOGETHER, THESE TWO PARTIES MAY WIN TWO-THIRDS OF THE TOTAL VOTE.

A130

AUG 14 1949

BUT GERMANY AGAIN IS FACING THE CURSE WHICH HELPED WRECK ITS WEIMAR REPUBLIC AND BROUGHT HITLER TO POWER--THE MULTIPLICITY OF MINOR PARTIES.

THERE ARE 15 PARTIES IN THE CAMPAIGN. THEY PROBABLY WILL GARNER ENOUGH VOTES AMONG THEM TO KEEP ANY ONE PARTY FROM CARRYING OUT ITS PROGRAM WITHOUT MAJOR COMPROMISES.

THE COMMUNISTS--DESPITE THEIR NEARNESS TO RED-RULED EASTERN EUROPE AND THEIR NOISY CAMPAIGN--ARE NOT RECKONED AS A REAL THREAT TO WIN FEDERAL POWER. BUT THEIR VOTE WILL BE OF INTEREST TO SHOW WHETHER COMMUNISM IS GAINING OR LOSING GROUND.

ALLIED MILITARY GOVERNMENT OBSERVERS PREDICT THE COMMUNIST WILL GET LESS THAN THE 10 PER CENT OF THE TOTAL VOTE WHICH THEY GOT IN STATE ELECTIONS IN 1946. THAT, HOWEVER, WOULD PLACE THEM FOURTH IN PARTY RANKINGS.

THIRD PLACE IS EXPECTED TO GO TO THE FREE DEMOCRATS, A RECENT MERGER OF SEVERAL CONSERVATIVE GROUPS. LIKE THE CHRISTIAN DEMOCRATS WITH WHOM THEY MIGHT FORM A POST-ELECTION COALITION, THE FREE DEMOCRATS SUPPORT FREE ENTERPRISE. THEY ALSO FAVOR A STRONG CENTRAL GOVERNMENT.

A FOCAL POINT OF ALLIED INTEREST WILL BE THE SHOWING MADE BY A SMALL CLUSTER OF EXTREME RIGHT WING PARTIES--WHICH FORMER NAZIS MIGHT BE EXPECTED TO SUPPORT. CHIEF OF THESE ARE THE GERMAN (DEUTSCHE) PARTY AND THE RIGHTIST (RECHTS) PARTY.

ANOTHER FACTOR IN THE CAMPAIGN IS THE FIGHT FOR ECONOMIC SECURITY BY GERMAN REFUGEES EXPELLED FROM POLAND, CZECHOSLOVAKIA AND OTHER EASTERN COUNTRIES.

THERE ARE ABOUT 5,000,000 OF THESE. LACKING ANY STRONG PARTY OF THEIR OWN, THE REFUGEES HAVE ENTERED NUMEROUS INDEPENDENT CANDIDATES.

WITH SO MANY PARTIES, THERE ARE 2,297 CANDIDATES--INCLUDING 97 INDEPENDENTS--VYING FOR THE 400 SEATS. THERE WILL BE 242 SEATS DECIDED BY DIRECT DISTRICT CONTESTS. THE REMAINDER WILL BE ALLOTED BY PROPORTIONAL REPRESENTATION.

SIXTY PER CENT OF THE VOTERS ARE WOMEN, AND SO ARE 202 OF THE CANDIDATES.

AUG 14 1949

AMONG THE MINOR PARTIES ARE:

CENTER PARTY--ECONOMICALLY LEFT-WING BUT OTHERWISE CONSERVATIVE.

BAVARIAN PARTY--A RIGHT-WING GROUP DEMANDING AN INDEPENDENT BAVARIA IN A GERMAN COMMONWEALTH.

ECONOMIC RECONSTRUCTION PARTY--A BAVARIAN GROUP URGING A GOVERNMENT BY EXPERTS GUIDED BY PLEBISCITES OF THE PEOPLE INSTEAD OF PARLIAMENTS.

RADICAL SOCIALIST FREEDOM PARTY--WITH A SOCIAL CREDIT PROGRAM.

SOUTH SCHESWIG ASSOCIATION--A PRO-DANISH GROUP ALONG DENMARK'S BORDER.

PEOPLE'S PARTY--SEEKING AN INDEPENDENT RHINELAND.

"SAMMLUNG ZUR TAT" (RALLY FOR ACTION)--A FRENCH ZONE RIGHT WING GROUP INCLUDING MANY REFUGEES.

ASSOCIATION OF REFUGEES AND BOMBED-OUT HOMELESS--WHOSE NAME EXPLAINS ITS INTERESTS.

THERE ARE ALSO A FEW SMALL INDEPENDENT GROUPS ATTACKING ALL PARTIES AND URGING VOTERS TO BOYCOTT THE ELECTION.

SOUTHEAST ASIA INCLUDES BRITISH MALAYA, FRENCH INDOCHINA AND BURMA, ALL WITH INTERNAL WARS AGAINST COMMUNIST GUERRILLAS, AND THAILAND (SIAM)..

THE BRITISH COMMISSIONER STRESSED THAT HE WAS "NOT ADVOCATING ANY PARTICULAR PLAN" AT PRESENT. THIS APPEARED TO RULE OUT THE PACIFICANTI-COMMUNIST ALLIANCE PUT FORWARD RECENTLY BY CHINESE NATIONALIST LEADER CHIANG KAI-SHEK AND PHILIPPINES PRESIDENT ELPIDIO QUIRINO.

TOKYO, SUNDAY, AUG.14-(AP)-FOUR YEARS AGO TOMORROW, (AUG.13U.S. TIME) POLICEMEN DUTIFULLY MADE THEIR ROUNDS IN EVERY JAPANESE VILLAGE AND TOWN, PROCLAIMING:

"LISTEN TO THE RADIO AT NOON! AN IMPORTANT ANNOUNCEMENT FROM THE EMPEROR. LISTEN CAREFULLY AT NOON!"

IN WHISPERS--LEST THE EVER-PRESENT "THOUGHT POLICE" MIGHT HEAR--CITIZENS SPECULATED ON WHAT IT MIGHT MEAN. FEW GUESSED RIGHT.

JAPANESE LISTENED INCREDULOUSLY AS THE STRAINED VOICE OF THE EMPEROR CAME OVER THE LOUDSPEAKERS, ANNOUNCING HIS DECISION TO SURRENDER TO THE ALLIES AND ADMONISHING HIS SUBJECTS TO ACCEPT DEFEAT CALMLY.

ASOME WERE CONVINCED ONLY WHEN ARMY AND NAVY SUPPLY DEPOTS THRE OPEN THEIR GATES AND INVITED ALL COMERS TO CARRY OFF WHAT THEY LIKED.

IN THE CITIES MANY DID NOT BELIEVE UNTIL THEY SAW CLOUDS OF SMOKE FROM BURNING PAPERS POURING FOR DAYS FROM THE CHIMNEYS OF GOVERNMENT BUILDINGS.

EVEN TODAY, FOUR YEARS AFTERWARDS, MOST JAPANESE ARE RELUCTANT TO DISCUSS WHAT HAPPENED IN THAT FEVERED FORTNIGHT BETWEEN THE EMPEROR'S BROADCAST AND THE ARRIVAL OF THE FIRST AMERICAN OCCUPATION TROOPS.

TO THIS DAY, MILLIONS IN GOLD, SILVER AND JEWELS---SOME OF ITS LOOT FROM CONQUEST--REMAINS HIDDEN SOMEWHERE. OCCASIONALLY A SMALL CACHE OF CONCEALED WEAPONS IS TURNED UP; AND HINTS HAVE COME FROM WAR CRIMES TRIALS THAT SOME SECRET PAPERS AND PLANS STILL EXIST.

ON THE WHOLE, THE JAPANESE CONDUCT TOWARDS THE FIRST CONQUERORS EVER TO SET FOOT ON THEIR HOME ISLANDS FOLLOWED THE ORDERS OF THEIR EMPEROR. MOST MET THE STRANGERS WITH OUTWARD STOICISM.

YET THE ANNIVERSARY OF THE SURRENDER RESCRIPTS IS NOT PUBLICLY OBSERVED IN JAPAN.

EACH YEAR GENERAL MACARTHUR HAS CONFINED HIS RECOLLECTION OF THE SURRENDER TO A STERN BUT PATERNAL STATEMENT---NOT ON AUG.15,---BUT ON SEPT.2, THE DATE THE JAPANESE FORMALLY SIGNED THE SURRENDER ABOARD THE BATTLESHIP MISSOURI IN TOKYO BAY.

AUG 14 1949

WASHINGTON, AUG.13-(AP)-A NEW EPISODE IN THE HOME FREEZER MYSTERY OPENED TODAY WITH A SEARCH FOR A MOTIVE.

WHY, ASKED SENATORS INVESTIGATING FIVE PERCENTERS, WERE THOSE FREEZERS SHIPPED TO WHOMEVER THEY WERE SHIPPED?

A MEMBER OF THE SPECIAL INVESTIGATIONS SUBCOMMITTEE SAID PRIVATELY YESTERDAY THAT HE HAS SEEN INVOICES SHOWING THAT ONE WAS SHIPPED TO MRS. HARRY S.TRUMAN, TWO TO MAJ. GEN. HARRY H.VAUGHAN, PRESIDENT TRUMAN'S ARMY AIDE.

HE SAID FURTHER THAT INVOICES ALSO LIST SHIPMENTS TO CHIEF JUSTICE FRED M.VINSON, FEDERAL RESERVE GOVERNOR JAMES K.VARDAMAN, AND PRESIDENTIAL SECRETARY MATT CONNELLY.

CHIEF COUNSEL WILLIAM P.ROGERS SAID THE COMMITTEE HAS A SUBPOENA OUT FOR HARRY HOFFMAN, MILWAUKEE ADVERTISING MAN. LAWMAKERS HOPED HE MIGHT SHED SOME LIGHT ON THE SUBJECT.

HOFFMAN'S NAME HAS CROPPED UP SEVERAL TIMES DURING THE INQUIRY

INTO THE DOINGS OF THE FIVE PERCENTERS -- PERSONS WHO SELL HELP IN GETTING GOVERNMENT CONTRACTS.

ALBERT J.GROSS, THE MILWAUKEE BUSINESS MAN WHO TESTIFIED HE SHIPPED THE FREEZERS, SAID HOFFMAN PUT HIM IN TOUCH WITH A COMMISSION MAN WHEN HE NEEDED TO BUY HARD-TO-GET STEEL. GROSS SAID THE FREEZERS WERE PAID FOR BY THE ALBERT VERLEY CO., A CHICAGO PERFUME FIRM.

JOHN MARAGON, WHO ONCE WORKED FOR THE VERLEY COMPANY, HAS TESTIFIED BEFORE THE COMMITTEE AT A CLOSED-DOOR SESSION. THAT WAS BEFORE THE HOME FREEZER ISSUE AROSE. HE TOLD THE INVESTIGATORS THAT HOFFMAN ALSO WAS ASSOCIATED WITH THE PERFUME FIRM AND THAT HE AND HOFFMAN MADE A BUSINESS TRIP TO EUROPE FOR THE FIRM IN 1945.

THAT WAS THE YEAR SOME OF THE FREEZER SHIPPING INVOICES WERE DATED.

MARAGON ONCE HAD ENTREE TO THE WHITE HOUSE.

OTHER CAPITOL HILL DEVELOPMENTS:

REORGANIZATION -- SENATE LEADERS GOT BUSY WITH TWO REORGANIZATION PROPOSALS -- ONE TO SET UP A CABINET-RANK DEPARTMENT OF WELFARE, THE OTHER TO TRANSFER TWO EMPLOYMENT AGENCIES FROM THE FEDERAL SECURITY AGENCY TO THE LABOR DEPARTMENT.

SUBMITTED BY PRESIDENT TRUMAN, BOTH HAVE BEEN FROWNED UPON BY THE SENATE EXPENDITURES COMMITTEE.

AUG 14 1949

B28WX (SEG)

THE PRESIDENT YESTERDAY URGED THEIR APPROVAL AS A SIGN OF GOOD FAITH BY CONGRESS. IN A STRONGLY-WORDED LETTER TO VICE PRESIDENT BARKLEY, HE SAID:

"THE ACTION TAKEN ON THESE PLANS WILL DEMONSTRATE WHETHER THE MANY RECENT PROFESSIONS OF SUPPORT FOR INCREASED EFFICIENCY AND ECONOMY IN GOVERNMENT ARE TO BE TAKEN SERIOUSLY OR ARE TO BE WRITTEN OFF AS POLITICAL ORATORY."

UNDER THE REORGANIZATION ACT, THE PLANS GO INTO EFFECT AUTOMATICALLY WITHIN 60 DAYS AFTER BEING SUBMITTED BY THE PRESIDENT UNLESS EITHER HOUSE DISAPPROVES. AUGUST 17 IS THE DEADLINE FOR SENATE ACTION ON BOTH PLANS, SENATE MAJORITY LEADER LUCAS OF ILLINOIS SAID.

LUCAS SAID HE WILL SET ASIDE THE INTERIOR DEPARTMENT MONEY BILL TO TAKE UP THE WELFARE DEPARTMENT PROPOSAL ON TUESDAY, AND THAT A NIGHT SESSION WILL BE HELD IF NECESSARY TO CLEAR THE WAY FOR ACTION ON THE SECOND PLAN WEDNESDAY.

ARMS -- LAWMAKERS VOICED GENERAL APPROVAL OF A PROPOSAL TO SWAP MILITARY SUPPLIES WITH CANADA, ALTHOUGH SOME SAW FLAWS IN THE PLAN.

SECRETARY OF DEFENSE JOHNSON REPORTED TO THE PRESIDENT AND THE CABINET YESTERDAY THAT CANADA WANTS TO BARTER WARSHIPS, AIRCRAFT, SMALL ARMS AMMUNITION AND OTHER THINGS THEY MAKE FOR AMERICAN SUPPLIES. THIS WOULD CONSERVE HER DOLLAR RESERVE BUT STILL PROVIDE HER WITH EQUIPMENT SHE CAN GET ONLY IN THIS COUNTRY.

SENATOR MCMAHON (D-CONN) SAID THAT IN VIEW OF THE NORTH ATLANTIC TREATY, THIS COUNTRY OUGHT TO JOIN WITH CANADA IN WORKING OUT JOINT DEFENSE PLANS UNDER WHICH ARMS COULD BE EXCHANGED.

SENATOR BRIDGES (R-NH) SAID THAT IF THE PLAN INVOLVES ACQUIRING NAVAL VESSELS FROM CANADA, HE DOESN'T THINK IT WILL WORK OUT. "WE'VE GOT MORE SHIPS TIED UP NOW THAN WE KNOW WHAT TO DO WITH," HE SAID.

SENATOR GURNEY (R-SD) SAID HE FAVORS ANY 50-50 SWAP THAT WILL GIVE EACH COUNTRY WHAT IT NEEDS. "WE'RE ALL ON THE SAME TEAM," HE SAID.

THE CANADIAN ARMS QUESTION SEEMED LIKELY TO HAVE NO DIRECT BEARING ON THE $1,450,000,000 (B) FOREIGN MILITARY SUPPLIES PROGRAM, HEADED FOR TEST VOTES IN HOUSE AND SENATE COMMITTEES NEXT WEEK.

LOBBYISTS -- THE HOUSE PLANS A THOROUGH INVESTIGATION INTO THE ACTIVITIES OF THE PEOPLE WHO TRY TO INFLUENCE THE VOTING OF CONGRESSMEN. IT ORDERED THE PROBE YESTERDAY AFTER REP.SABATH (D-ILL) SAID HE HAD HEARD THAT LOBBYISTS "SPENT OR HAD SPENT ON THEM OVER $2,000,000" DURING THE FIRST THREE MONTHS OF THIS YEAR.

SENATOR MC CARTHY (R-WIS) LOOKED OVER A PUBLISHED LIST WHICH INCLUDED ALL OF THOSE REPORTEDLY MENTIONED IN THE INVOICES EXCEPT CONNELLY, AND DECLARED:

"MY ONLY COMMENT IS THAT GEORGE ALLEN SHOULD NOT BE ON THE LIST."

ALLEN, AN INTIMATE FRIEND OF MR.TRUMAN, FORMERLY WAS A DIRECTOR OF THE RECONSTRUCTION FINANCE CORP.

MC CARTHY TOLD REPORTERS GROSS IS "ENTIRELY IN THE CLEAR" WITH RESPECT TO THE MYSTERIOUS FREEZERS.

AS FOR THE COMMITTEE'S SEARCH FOR HOFFMAN, COUNSEL ROGERS SAID HIS STAFF TRIED UNSUCCESSFULLY TO REACH THE MILWAUKEEAN BY PHONE YESTERDAY "SO WE ISSUED A SUBPOENA FOR HIM."

IT WAS GROSS WHO FIRST BROUGHT UP HOFFMAN'S NAME AT THE INQUIRY INTO THE OPERATIONS OF FIVE PERCENTERS--PERSONS WHO CHARGE A FEE FOR HELP IN GETTING GOVERNMENT CONTRACTS FOR OTHERS.

GROSS TESTIFIED THAT HOFFMAN PUT HIM IN TOUCH WITH A COMMISSION MAN WHOSE AID, IN THIS CASE, HE SOUGHT ABOUT OBTAINING SCARCE STEEL.

HOFFMAN'S NAME ALSO HAS FIGURED IN SECRET TESTIMONY TO THE COMMITTEE BY MARAGON. IT IS KNOWN THAT MARAGON TOLD THE INVESTIGATORS THAT HOFFMAN ALSO WAS ASSOCIATED WITH THE ALBERT VERLEY CO., AND THAT HOFFMAN ACCOMPANIED HIM TO EUROPE ON BUSINESS FOR THE FIRM IN 1945.

WHAT THE COMMITTEE IS TRYING TO DO IS ESTABLISH A REASON FOR SHIPMENT OF THE FREEZERS TO VAUGHAN AND THE OTHERS. THEY WANT TO FIND OUT WHETHER IT WAS AN ATTEMPT TO CURRY FAVOR, AND--IF SO--WHY.

WASHINGTON--FIRST ADD FIVE PERCENTERS (A2-3WX) X X X IF SO--WHY.

WITH THE PUBLIC HEARINGS IN RECESS UNTIL MONDAY, THE COMMITTEE STAFF PLANS TO SPEND THE WEEK-END GATHERING INFORMATION ABOUT THE FREEZER EPISODE AND GETTING READY FOR THE APPEARANCE OF A KEY WITNESS.

ROGERS SAID THERE IS A POSSIBILITY MAJ. GEN. ALDEN H.WAITT, SUSPENDED CHIEF OF THE ARMY CHEMICAL CORPS, WILL BE CALLED TO STAND LATE MONDAY.

ON JULY 16 SECRETARY OF THE ARMY GRAY RELIEVED WAITT AND MAJ. GEN.HERMAN FELDMAN FROM DUTY PENDING FURTHER INVESTIGATION. FELDMAN IS THE QUARTERMASTER GENERAL. GRAY SAID BOTH MEN FAILED TO EXHIBIT JUDGMENT "EXPECTED OF PERSONS IN THEIR POSITIONS."

SPECIFICALLY, HE SAID WAITT WAS SUSPENDED FOR "IMPROPERLY FURNISHING PERSONNEL DATA TO AN INDIVIDUAL NOT IN THE MILITARY SERVICE AND WHO WAS NOT ENTITLED TO RECEIVE SUCH DATA."

THE COMMITTEE GOT TESTIMONY YESTERDAY THAT WAITT WENT TO THE OFFICE OF JAMES V.HUNT--A MANAGEMENT COUNSELOR WHO CHARGES FAT FEES FOR GETTING CONTRACTS FOR MANUFACTURERS--AND WROTE DEROGATORY REPORTS FOR VAUGHAN ON EIGHT FELLOW OFFICERS. HUNT'S SECRETARY SAID SHE DELIVERED THE REPORTS TO VAUGHAN AT THE WHITE HOUSE.

THE TESTIMONY PROMPTED SENATOR MUNDT (R-SD) TO ACCUSE WAITT, VAUGHAN AND HUNT OF MAPPING "A SORT OF INGENIOUS PLOT X X X TO CUT THE THROATS OF ALL THE OTHER OFFICERS TRYING TO GET" WAITT'S JOB.

AND IT CAME RIGHT AFTER A DEMAND BY MC CARTHY THAT VAUGHAN BE SUMMONED FOR QUESTIONING BY THE COMMITTEE. A LITTLE LATER HOEY ANNOUNCED THAT VAUGHAN IS WILLING TO TESTIFY. HOEY SAID VAUGHAN PRESUMABLY WILL BE CALLED, BUT PROBABLY NOT UNTIL NEAR THE END OF THE INQUIRY.

BESIDES THE WAITT-HUNT INCIDENT, THE COMMITTEE WANTS TO QUESTION VAUGHAN ABOUT TESTIMONY BY HOUSING EXPEDITER TIGHE WOODS THAT VAUGHAN INTERCEDED TO GET A CONSTRUCTION PERMIT FOR FRIENDS WHO OPERATED TANFORAN RACE TRACK IN CALIFORNIA.

THE COMMITTEE ALSO HAS BEEN TOLD THAT HUNT HELPED GET A CONSTRUCTION CLEARANCE FOR THE FOXBORO RACE TRACK NEAR BOSTON DURING THE POST-WAR SHORTAGE OF BUILDING MATERIALS.

PAUL BOWSER, HEAD OF THE FOXBORO TRACK, YESTERDAY WAS SERVED WITH A SUBPOENA TO APPEAR BEFORE THE COMMITTEE. BOWSER HAS SAID HE PAID HUNT IN ORDER TO GET A GOVERNMENT GO-AHEAD ON USE OF SCARCE MATERIALS.

MILWAUKEE, AUG.13-(AP)-THERE MAY HAVE BEEN SOME DEFECTIVE STEEL IN THE CABINETS OF THE DEEP FREEZE UNITS SENT SEVERAL TOP WASHINGTON OFFICIALS, AN OFFICER OF THE FIRM WHICH MADE THEM SAID TONIGHT.

"I KNOW WE HAD A CERTAIN AMOUNT OF TROUBLE WITH THE STEEL IN SOME OF THE CABINETS WE MADE IN 1945," SAID JAMES F. QUIRK, SECRETARY-TREASURER OF THE QUIRK CO., WHICH SUPPLIED CABINETS TO ALBERT J. GROSS, MILWAUKEE MANUFACTURER.

GROSS, PRESIDENT OF THE TRACTOR SPECIALTIES CO. HERE, HAS TESTIFIED HE SENT FREEZERS MADE BY HIS COMPANY TO MAJ. GEN. HARRY H. VAUGHAN, PRESIDENT TRUMAN'S MILITARY AIDE, AND OTHERS.

"I DON'T KNOW WHETHER ANY OF THE CABINETS WE SOLD GROSS WERE DEFECTIVE QUIRK ADDED. "ALL WE SOLD HIM WERE THE BOXES AND I DON'T RECALL ANY COMPLAINTS. OUR FIRST SHIPMENT TO HIM WAS ON SEPT. 29, 1945."

QUIRK'S BROTHER, ROBERT, VICE-PRESIDENT OF THE FIRM, SAID "THERE MAY HAVE BEEN SOME DEFECTIVE STEEL IN SOME OF THEM, BUT WE DIDN'T KNOW IT NOR DID WE SELL THEM TO HIM AS REJECTS." HE ADDED THAT HIS COMPANY SOLD "SEVERAL HUNDRED" CABINETS TO GROSS FOR $110 EACH.

ROBERT QUIRK SAID FRANCIS FLANAGAN, SENATE COMMITTEE INVESTIGATOR, HAD TELEPHONED HIM TODAY ASKING HIM TO APPEAR. HE SAID HE HAD AGREED AND WOULD BE IN WASHINGTON MONDAY TO TESTIFY BEFORE THE COMMITTEE.

PD810PCS NM

(ADVANCE)-WASHINGTON,AUG 13-(AP)-SENATOR WILEY (R-WIS) SAID TODAY HE HOPES CONGRESS WILL NOT GET SO INTERESTED IN INVESTIGATING DEEP FREEZER GIFTS AND OTHER THINGS THAT IT WILL FORGET "THE REAL JOB BEFORE IT."

INCLUDED IN THAT "REAL JOB," HE SAID IN A LETTER TO CHAIRMAN GEORGE (D-GA) OF THE SENATE FINANCE COMMITTEE, SHOULD BE A REDUCTION OF EXCISE TAXES IMPOSED IN THE WAR AND A CUT IN GOVERNMENT SPENDING.

HE PUT IT THIS WAY IN HIS LETTER:

"WHILE THE DEEP FREEZER RECIPIENTS ARE IN HOT WATER AND THE FIVE-PERCENTERS WOULD LIKE TO GET FROZEN OUT OF THE PICTURE, MY CONSTITUENTS ARE MORE CONCERNED--AND WE ALL SHOULD BE--THAT CONGRESS' ATTENTION BE FOCUSSED ON THE REAL JOB BEFORE IT AND BE NOT DIVERTED THEREFROM."

HE MENTIONED TWO BIG JOBS FOR CONGRESS TO DO BEFORE QUITTING:

"1. GETTING A SUBSTANTIAL REDUCTION IN GOVERNMENT SPENDING BY FOLLOWING THE HOOVER COMMISSION'S RECOMMENDATIONS, PARTICULARLY THOSE FOR EFFICIENT SPENDING OF NATIONAL DEFENSE FUNDS AND FOR OVERHAULING GOVERNMENT BUREAUS AND DEPARTMENTS."

"2. REVISING DOWNWARD OF NUISANCE TAX SCHEDULES WHICH ARE PLAGUING SO MANY CONSUMERS AND BUSINESSMEN, SUCH AS TAXES ON LEATHER GOODS, FURS, JEWELRY, COSMETICS, TRANSPORTATION, GASOLINE AND LUBRICATING OILS, TIRES, RADIOS, REFRIGERATORS, AND HUNDREDS OF OTHER ITEMS WHICH ARE A NECESSARY PART OF OUR AMERICAN WAY OF LIFE."

WILLEY TOLD A REPORTER SCORES OF CONSTITUENTS HAVE WRITTEN TO HIM URGING A REDUCTION IN FEDERAL SPENDING, AND HUNDREDS HAVE SENT HIM LETTERS AND TELEGRAMS DEMANDING A CUT OR ELIMINATION OF EXCISE TAXES.

HE CONTENDED BUSINESSES WHOSE PRODUCTS ARE SUBJECT TO THE EXCISE TAXES WOULD GET A LIFT BY CUTTING OR ABOLISHING THE LEVIES, AND THAT IN THE LONG RUN THE GOVERNMENT WOULD GET MORE REVENUES FROM LOWER TAXES.

ANYWAY, HE ADDED, THE TAXES WERE IMPOSED "WITH THE SOLEMN PROMISE THAT THEY WOULD BE REMOVED AS SOON AS PEACE ARRIVED."

WASHINGTON,AUG.13-(AP)-REP.MCSWEENEY (D-OHIO) OFFERS CONGRESS A WAY OF GETTING RID OF SO-CALLED "FIVE-PERCENTERS"--THOSE WHO COLLECT FEES TO HELP GET GOVERNMENT CONTRACTS.

MCSWEENEY TOLD THE HOUSE YESTERDAY THAT THE VASTNESS OF GOVERNMENT OPERATIONS AND THE LACK OF CENTRALIZED INFORMATION ON GOVERNMENT NEEDS AND CONTRACT OPERATIONS OFFERS A FERTILE FIELD FOR SELF-STYLED "MANAGEMENT COUNSELLORS."

HE SUGGESTED ESTABLISHMENT OF A SMALL AGENCY TO GATHER INFORMATION DAILY ON NEEDS OF VARIOUS GOVERNMENT DEPARTMENTS, WHAT MATERIALS ARE TO BE PURCHASED, WHAT CONTRACTS ARE TO BE LET AND WHAT CONTRACTS HAVE BEEN LET.

THE INFORMATION WOULD BE PRINTED DAILY IN BOOKLET FORM TO WHICH BUSINESS CONCERNS COULD SUBSCRIBE. AFTER AN INITIAL APPROPRIATION TO GET SUCH A SERVICE ESTABLISHED, MCSWEENEY SAID, IT WOULD BE SELF-SUPPORTING FROM SUBSCRIPTIONS.

HE SAID HE PLANS TO DRAFT LEGISLATION EMBODYING HIS IDEAS.

AUG 14 1949

BY JACK BELL

WASHINGTON,AUG.13-(AP)-THE FOREIGN ARMS PROGRAM BUMPED INTO A NEW CONTROVERSY TODAY WHEN SENATOR MAYBANK (D-SC) CHARGED THE ADMINISTRATION WITH TRYING TO SHORT CIRCUIT CONGRESSIONAL ACTION THROUGH A RECONSTRUCTION FINANCE CORP LOAN.

REACTING TO REPORTS THAT SECRETARY OF STATE ACHESON FAVORS SUCH A LOAN TO SPEED THE FURNISHING OF ARMS TO WESTERN EUROPEAN NATIONS, MAYBANK SUMMONED RFC OFFICIALS BEFORE THE BANKING COMMITTEE FOR A PUBLIC HEARING MONDAY.

AT THE SAME TIME, CHAIRMAN CONNALLY (D-TEX) OF THE FOREIGN RELATIONS COMMITTEE CONCEDED THERE HAS BEEN DISCUSSION OF A PLAN TO WRITE INTO THE PENDING $1,450,000,000 FOREIGN MILITARY BILL A PROVISION UNDER WHICH UP TO $800,000,000 COULD BE BORROWED FROM THE RFC TO START THE PROGRAM ROLLING ONCE CONGRESS APPROVES IT.

THE BILL AUTHORIZES THE PROGRAM; APPROPRIATIONS WOULD COME IN SEPARATE LEGISLATION.

MAYBANK TOLD REPORTERS HE LOOKS ON THE LOAN PLAN AS A "BUCK PASSING" SCHEME DESIGNED TO "SHORT CIRCUIT THE CONGRESSIONAL APPROPRIATIONS COMMITTEES."

UNDER THE PLAN BEING TALKED BY SOME ADVOCATES, THE PROGRAM COULD GET GOING AND THE SLOW-MOVING APPROPRIATIONS MACHINERY, WHERE EUROPEAN RECOVERY AND OTHER FUNDS HAVE BEEN SHEARED BELOW THE GOALS FIXED PREVIOUSLY BY CONGRESS IN AUTHORIZATION BILLS, WOULD NOT HAVE TO BE SET IN ACTION UNTIL CONGRESS MEETS IN JANUARY. INSERT

BUT SENATOR GEORGE (D-GA) TOLD REPORTERS HE DOESN'T THINK THE APPROPRIATIONS MEMBERS WILL STAND FOR ANY SUCH PROPOSAL.

INSTEAD, HE SAID HE THINKS THE COMBINED SENATE FOREIGN RELATIONS AND ARMED SERVICES COMMITTEES OUGHT TO CUT THE TOTAL AUTHORIZATION DOWN TO ABOUT $700,000,000(M).

GEORGE SAID IT IS HIS IMPRESSION FROM TESTIMONY GIVEN BEFORE THE COMMITTEES THAT ABOUT ALL THAT WILL BE SHIPPED TO THE WESTERN EUROPEAN COUNTRIES IN THE YEAR ENDING NEXT JUNE 30 WILL BE $450,000,000(M) IN SURPLUS EQUIPMENT.

AUG 14 1949

A188WX

AN ITEM OF $77,000,000(M) FOR REFURBISHING THIS EQUIPMENT IS CHARGED AGAINST THE PROGRAM. THE REMAINDER OF $700,000,000(M) COULD BE USED TO FINANCE THE GREECE-TURKEY PROGRAMS AND TO PLACE ORDERS FOR LATER WESTERN EUROPEAN DELIVERIES, THE GEORGIA SENATOR FIGURED.

AS IT STANDS, THE BILL CALLS FOR AN APPROPRIATION FOR ONE YEAR TO BUY EQUIPMENT TO BE SHIPPED OVER A TWO-YEAR PERIOD. IT IS INTENDED TO STRENGTHEN NONCOMMUNIST NATIONS AND DISCOURAGE ANY RUSSIAN IDEAS OF INVADING WESTERN EUROPE.

MAYBANK CALLED RFC CHAIRMAN HARLEY HISE AND OTHER DIRECTORS, AS WELL AS JAMES L.DOUGHERTY, GENERAL COUNSEL, FOR TESTIMONY BEFORE THE BANKING GROUP ON THE MILITARY AID PROPOSAL.

THE COMMITTEE CURRENTLY IS HOLDING HEARINGS ON A PROPOSAL TO DOUBLE THE RFC'S PRESENT $2,500,000,000(B) LENDING AUTHORITY. OF THE INCREASE, $1,500,000,000(B) WOULD BE IN MORTGAGE MONEY TO AID PRIVATE HOUSING.

MAYBANK CHARGED THAT ANY LARGE RFC MILITARY LOAN NOW WOULD DIVERT FUNDS NEEDED FOR HOUSING, SMALL BUSINESS AND OTHER FINANCING. HE SAID RFC LENDING AUTHORITY NOW IS DOWN TO $550,000,000(M).

"IT IS BAD POLICY TO USE RFC AS A DUMPING GROUND TO PROVIDE ARMS FOR EUROPE WHILE CONGRESS IS IN SESSION," HE DECLARED.

THERE WAS SOME DOUBT WHETHER THE RFC LOAN PROPOSAL WOULD BE INCORPORATED INTO THE ARMS BILL WHICH THE HOUSE FOREIGN AFFAIRS COMMITTEE IS EXPECTED TO REPORT FAVORABLY EARLY NEXT WEEK.

ADVOCATES OF CUTTING THE TOTAL FUND HAVE GIVEN UP EFFORTS TO WHITTLE THE AMOUNT WITHIN THE HOUSE COMMITTEE. BUT REP.VORYS (R-OHIO) SAID HE WILL PLACE BEFORE THE HOUSE ITSELF AN AMENDMENT WHICH WOULD TRIM THE TOTAL TO $793,000,000. OF THIS, $660,000,000 WOULD BE FOR WESTERN EUROPEAN AID.

THAT PROPOSAL IS EXPECTED TO BE MADE IN AN AMENDMENT BEING DRAFTED BY SENATORS VANDENBERG (R-MICH) AND DULLES (R-NY).

CONNALLY TOLD REPORTERS HE THINKS THAT THIS COUNTRY, AS THE ONLY FURNISHER OF SUPPLIES, MUST RETAIN THE DECIDING VOICE IN THEIR ASSIGN-

MENT.
THE PROPOSAL OF THE TWO REPUBLICANS WOULD BRING THE ARMS DISTRIBUTION UNDER CONTROL OF THE COUNCIL WHEN IT GOES TO WORK. THE COUNCIL TO BE SET UP BY THE 12 NATIONS WHO SIGNED THE ATLANTIC TREATY, WILL HAVE CHARGE OF PLANNING DEFENSE OF THE AREA.
DULLES AND VANDENBERG ARGUE THAT SINCE THE COUNCIL HAS THE DUTY OF RECOMMENDING A UNIFIED DEFENSE IT SHOULD HAVE AUTHORITY OVER THE DISTRIBUTION OF ARMS.
CONCERNING THE IDEA OF STARTING UP THE PROGRAM WITH AN RFC LOAN AND LETTING APPROPRIATIONS COMMITTEES DELAY THEIR WORK UNTIL JANUARY, SENATOR GEORGE (D-GA) TOLD REPORTERS HE DOESN'T THINK THE APPROPRIATIONS MEMBERS WILL STAND FOR ANY SUCH PROPOSAL.

ARMS

BY JACK BELL
WASHINGTON, AUG.13-(AP)-LAWMAKERS VOICED GENERAL APPROVAL TODAY OF A PROPOSAL TO SWAP MILITARY SUPPLIES WITH CANADA, ALTHOUGH SOME OF THEM PICKED FLAWS IN THE PLAN.
SECRETARY OF DEFENSE JOHNSON REPORTED TO PRESIDENT TRUMAN AND THE CABINET YESTERDAY THAT THE CANADIANS WANT TO BARTER WARSHIPS, AIRCRAFT, SMALL ARMS AMMUNITION AND OTHER THINGS THEY MAKE FOR AMERICAN SUPPLIES. THIS WOULD HELP KEEP CANADA'S DOLLAR RESERVES INTACT BUT STILL PROVIDE HER WITH EQUIPMENT SHE CAN GET ONLY IN THIS COUNTRY.
THE DEFENSE SECRETARY XAID HE IS VERY MUCH IN FAVOR OF THE IDEA. AND SO WERE MANY MEMBERS OF CONGRESS.
CHAIRMAN CONNALLY (D-TEX) OF THE SENATE FOREIGN RELATIONS COMMITTEE SAID THE PROPOSAL LOOKS AS IF IT MIGHT "BE HELPFUL TO BOTH COUNTRIES."
BUT SENATOR MAYBANK (D-SC) SAID HE DOESN'T LIKE THE IDEA OF EXCHANGING U.S. SUPPLIES FOR ANTI-SUBMARINE VESSELS, ONE OF THE CANADIAN ITEMS NAMED.
ALONG THAT LINE, SECRETARY OF THE NAVY MATTHEWS ASSURED SENATOR JOHNSTON (D-SC) YESTERDAY THAT HE KNOWS NOTHING OF REPORTS THAT THE CHARLESTON, S.C., NAVY YARD WILL BE CLOSED.
SENATOR MAGNUSON (D-WASH) CAUTIONED AGAINST GOING INTO ANY DEAL BY WHICH THE CANADIANS WOULD BE CALLED UPON TO PRODUCE HIGHLY TECHNICAL WAR EQUIPMENT AND THUS DO AWAY WITH THE NEED FOR TRAINED PERSONNEL AND KNOW-HOW IN THIS COUNTRY.
SENATOR BRIDGES (R-NH) SAID THAT IF THE PLAN INVOLVES ACQUIRING NAVAL VESSELS FROM CANADA, HE DOESN'T THINK IT WILL WORK OUT.
"WE'VE GOT MORE SHIPS TIED UP NOW THAN WE KNOW WHAT TO DO WITH," HE OBSERVED. "I WOULD BE VERY RELUCTANT TO SEE US GO INTO A PROPOSITION THAT WOULD MEAN MORE UNEMPLOYMENT FOR OUR PEOPLE, PARTICULARLY AROUND THE NAVY YARDS."
HOWEVER, SENATOR GURNEY (R-SD) SAID HE FAVORS ANY 50-50 SWAP THAT WILL GIVE EACH COUNTRY WHAT IT NEEDS.
"WE'RE ALL ON THE SAME TEAM," HE OBSERVED.
SENATOR MCMAHON (D-CONN) SAID THAT IN VIEW OF THE NORTH ATLANTIC PACT, THIS COUNTRY OUGHT TO JOIN WITH CANADA IN WORKING OUT JOINT DEFENSE PLANS UNDER WHICH ARMS COULD BE EXCHANGED.

A8WX
SENATOR EDWIN C.JOHNSON (D-COLO) SAID THIS COUNTRY CAN'T HAVE TOO MUCH MILITARY COOPERATION WITH CANADA.
THE CANADIAN ARMS QUESTION SEEMED LIKELY TO HAVE NO DIRECT BEARING ON THE FOREIGN MILITARY SUPPLIES PROGRAM, HEADING FOR TEST VOTES IN HOUSE AND SENATE COMMITTEES NEXT WEEK.
THE HOUSE FOREIGN AFFAIRS COMMITTEE PROBABLY WILL VOTE MONDAY, WITH INDICATIONS THAT THE FULL $1,450,000,000 (B) PROGRAM WILL GET ITS APPROVAL.
CRITICS WHO LOST AN EFFORT TO CUT THE AMOUNT ON A TIE VOTE SAID THEY WILL CARRY THEIR FIGHT TO THE HOUSE FLOOR.
THE SENATE FOREIGN RELATIONS AND ARMED SERVICES COMMITTEES, WORKING JOINTLY ON THE BILL, MAY REACH A VOTE TUESDAY.
BEFORE THAT TIME SENATOR VANDENBERG (R-MICH) IS EXPECTED TO OFFER AMENDMENTS ON WHICH HE AND SENATOR DULLES (R-NY) HAVE BEEN WORKING.
DULLES HAS SAID THAT THEY HOPE TO HAVE A FORMULA UNDER WHICH THE NORTH ATLANTIC ADVISORY COUNCIL WOULD TAKE OVER DISTRIBUTION OF THE ARMS NEXT YEAR. HE SAID THAT MIGHT MEAN THAT THE AMOUNT WOULD NOT HAVE TO BE CUT, AS PREVIOUSLY URGED BY VANDENBERG.

(350) MACARTHUR
BY DON WHITEHEAD

AUG 14 1949

WASHINGTON, AUG.13-(AP)-SOME SENATORS STILL PRESSED TODAY FOR GEN. DOUGLAS MACARTHUR'S RETURN FROM JAPAN DESPITE HIS PLEA THAT CRITICAL EVENTS IN THE FAR EAST WILL NOT PERMIT IT AT THIS TIME.

REPUBLICAN FLOOR LEADER WHERRY OF NEBRASKA SAID MACARTHUR SHOULD RETURN AND TELL CONGRESS WHAT POLICIES SHOULD BE FOLLOWED IN THE ORIENT.

SENATOR MORSE (R-ORE) ADDED:

"ONE OF THE GREATEST LESSONS IN THE DEMOCRATIC PROCESS THAT GEN. MACARTHUR COULD GIVE WOULD BE TO RETURN AND GIVE SENATORS INFORMATION THEY NEED IF THEY ARE TO REPRESENT THE PEOPLE OF THE COUNTRY INTELLIGENTLY IN CONNECTION WITH THE NUMBER ONE ISSUE TODAY--THE COMMON DEFENSE."

WHERRY AND MORSE GAVE THEIR VIEWS TO REPORTERS IN SEPARATE INTERVIEWS.

MACARTHUR FIRMLY REJECTED AN INVITATION YESTERDAY BY THE SENATE FOREIGN RELATIONS AND ARMED SERVICES COMMITTEES TO TESTIFY ON THE PRESIDENT'S $1,450,000,000 (B) ARMS PROGRAM.

HE REFUSED A SIMILAR INVITATION A YEAR AGO FROM THE SENATE APPROPRIATIONS COMMITTEE.

SEVERAL SENATORS PLAINLY WERE IRKED BY MACARTHUR'S POSITION THAT EVENTS ARE SO CRITICAL HE CAN NOT TAKE TIME OUT FROM HIS DUTIES AS THE SUPREME ALLIED COMMANDER IN THE PACIFIC.

MACARTHUR ALSO SAID HE COULD SHED LITTLE LIGHT ON THE CHINA SITUATION SINCE CHINA IS NOT IN THE AREA OF HIS COMMAND RESPONSIBILITY.

BUT WHERRY ARGUED THAT IF MACARTHUR HAD RETURNED A YEAR AGO FOR A REPORT TO CONGRESS, THE CHINA POLICY "WOULD NOT HAVE DISINTEGRATED INTO THE SITUATION IT HAS."

AND HE ADDED IF EVENTS ARE SO CRITICAL OUTSIDE CHINA, THEN CONGRESS SHOULD BE TOLD ABOUT THEM.

SENATOR CONNALLY (D-TEX), CHAIRMAN OF THE SENATE FOREIGN RELATIONS COMMITTEE, TOLD THE SENATE YESTERDAY IT WOULD BE "SHAMEFUL" FOR THE SENATE TO DEMAND MACARTHUR'S RETURN.

CONNALLY FOUGHT AGAINST A RESOLUTION SPONSORED BY SENATOR KNOWLAND (R-CALIF) ASKING MACARTHUR AND VICE ADMIRAL OSCAR C.BADGER, NAVAL COMMANDER IN THE FAR EAST, TO REPORT TO THE JOINT SENATE COMMITTEES. BUT THE TEXAS SENATOR WAS ON THE SHORT SIDE OF A 13-12 VOTE BY THE COMMITTEES.

NO ONE EXPECTS PRESIDENT TRUMAN TO ORDER MACARTHUR HOME. THE PRESIDENT HAS SAID HE WILL CALL HIM HOME IF MACARTHUR ASKS TO RETURN.

THIS WAS INTERPRETED TO MEAN THAT MR.TRUMAN WILL NOT USE ANY PRESSURE TO GET HIM BACK TO WASHINGTON. AND SECRETARY OF DEFENSE JOHNSON HAS SAID HE WILL NOT ORDER THE GENERAL HOME UNLESS THE PRESIDENT APPROVES.

VH257AED

"THE HEARINGS SHOULD NOT RUN MORE THAN ANOTHER WEEK," HE SAID.

THE HEARINGS ARE RECESSED UNTIL AUGUST 22. A SUBCOMMITTEE WILL GO TO CALIFORNIA NEXT WEEK TO QUESTION GENERAL H.H.ARNOLD, RETIRED AIR FORCE CHIEF, AND AIRPLANE MANUFACTURERS.

BATES SAID HE WILL ASK WHEN THE COMMITTEE MEETS AGAIN THAT THE AUTHOR, OR AUTHORS, OF AN ANONYMOUS DOCUMENT PUT INTO THE HEARING RECORD LAST TUESDAY BE BROUGHT BEFORE THE COMMITTEE.

ANOTHER COMMITTEE MEMBER DESCRIBED THE DOCUMENT AS "FULL OF RUMORS AND GOSSIP AND INNUENDOES" ABOUT DEFENSE OFFICIALS, AIRPLANE MANUFACTURERS AND POLITICAL FIGURES PICTURED AS CONNECTED WITH THE B-36 SINCE IT WAS FIRST PLANNED IN 1941. THE PAPER HAS NOT BEEN OFFICIALLY RELEASED BY THE COMMITTEE.

CHAIRMAN VINSON (D-GA) SAID THE COMMITTEE STAFF IS STRIVING TO LEARN THE AUTHORSHIP OF THE PAPER. HE LEFT THE CITY FRIDAY NIGHT TO SPEND A WEEK AT HIS HOME IN MILLEDGEVILLE,GA.

JOSEPH B. KEENAN AND JAMES M. GILLIN, ASSOCIATE COUNSEL FOR THE INVESTIGATION, SOUGHT INFORMATION FROM BANKERS AND AIRPLANE INDUSTRY WITNESSES IN BALTIMORE AND NEW YORK OVER THE WEEKEND, PREPARING TO LEAVE FOR CALIFORNIA WITH THE SUBCOMMITTEE SOME TIME MONDAY.

FOUR DAYS OF HEARINGS THIS WEEK WERE CLIMAXED LATE FRIDAY BY AN ANGRY, SHOUTING ENCOUNTER BETWEEN AIR SECRETARY SYMINGTON AND REP. VAN ZANDT (R-PA), A COMMITTEE MEMBER.

SYMINGTON ACCUSED THE PENNSYLVANIAN OF TRYING TO "SMEAR" HIM AND THE AIR FORCE THROUGH "RATHER A DISGRACEFUL WAY OF USING CONGRESSIONAL IMMUNITY." HE DARED VAN ZANDT TO REPEAT "OVER THE RADIO" THINGS HE HAS SAID IN CONGRESS ABOUT SYMINGTON AND THE B-36 PROGRAM "SO WE CAN HAVE PROPER RECOURSE."

VAN ZANDT LATER ISSUED A HOTLY WORDED STATEMENT SAYING VINSON "IS EVIDENTLY ENGAGED INA WHITEWASH JOB" ON THE B-36, AND "THE REAL PURPOSE" OF VINSON AND SYMINGTON "IS TO ENDEAVOR TO DISCREDIT ME."

A37WX

AUG 14 1949

A SPEECH BY VAN ZANDT IN THE HOUSE MAY 26 LED TO THE COMMITTEE PROBE. HE SPOKE OF "DISTURBING REPORTS" ABOUT THE BUSINESS AND POLITICAL RELATIONS OF SYMINGTON, JOHNSON AND FLOYD ODLUM, HEAD OF THE FIRM MAKING THE B-36.

AMONG OTHER THINGS, VAN ZANDT SAID HE HAD HEARD SYMINGTON PLANS TO RESIGN HIS GOVERNMENT JOB TO TAKE OVER AN AIRCRAFT MANUFACTURING COMBINE BEING ORGANIZED BY ODLUM. SYMINGTON HAS VIGOROUSLY DENIED IT. VAN ZANDT ADDED THAT ODLUM HELPED JOHNSON RAISE CAMPAIGN MONEY FOR THE DEMOCRATIC PARTY LAST FALL.

VAN ZANDT SAID THEN, AND REPEATED FRIDAY, THAT HE DID NOT CLAIM THE REPORTS WERE TRUE. HE ONLY BROUGHT THEM UP, HE EXPLAINED, BECAUSE HE FELT THERE SHOULD BE A CONGRESSIONAL INVESTIGATION "TO CLEAR THE AIR."

THE COMMITTEE WENT INTO THE HISTORY OF THE B-36 STEP BY STEP THIS WEEK, AND PICKED UP SOME INTERESTING INFORMATION ABOUT THE SIX-ENGINED GIANT.

"IT IS "A TRULY INTERCONTINENTAL BOMBER," AIR FORCE GENERALS TOLD THE COMMITTEE, AND COULD REACH TARGETS ANYWHERE IN THE WORLD FROM BASES ON THE NORTH AMERICAN CONTINENT.

HE HAS LIFTED A BOMB LOAD OF 86,000 POUNDS, THOUGH DESIGNED FOR 10,000 POUNDS, AND HAS RAMBLED "A GOOD DEAL FARTHER" THAN ITS ORIGINAL 10:000-MILE RANGE.

THE B-36 HAS NOT ALWAYS BEEN AS HIGHLY REGARDED AS IT IS NOW, THE

GENERALS CONCEDED. WHILE IT WAS HAVING THAT THEY CALLED "TEETHING TROUBLES" SOME OF THEM WANTED TO GIVE UP ON THE WHOLE PROJECT AND TRY TO DEVELOP ANOTHER HEAVY BOMBER.

BUT THE PROBLEMS WERE SOLVED, THEY ADDED, AND AIR FORCE LEADERS NOW ARE UNANIMOUS IN THEIR SUPPORT OF THE PLANE AND THEIR ENTHUSIASM FOR ITS ABILITY..

(ADVANCE)..WASHINGTON, AUG.13-(AP)-SENATOR MAGNUSON (D-WASH) EXPRESSED HOPE TODAY THAT 30 OR 40 SENATORS WILL JOIN HIM IN URGING A $25,000,000 (M) APPROPRIATION FOR THE REPAIR OF 134 RESERVE SHIPS.

THE VESSELS ARE MILITARY-TYPE AUXILIARIES. SIXTY-FOUR, HE SAID, ARE ON THE ATLANTIC COAST, 17 ON THE GULF COAST, AND 53 ON THE PACIFIC COAST.

HE SAID IT COST AN AVERAGE OF $3,000,000 EACH TO BUILD THEM AND IT WOULD COST $5,000,000 (M) EACH TO REPLACE THEM TODAY. THE $25,000,000 EXPENDITURE WOULD PROTECT A $400,000,000 INVESTMENT, HE ADDED. IT WOULD WORK OUT, HE SAID, TO AN AVERAGE REPAIR COST OF $180,000 PER VESSEL.

MAGNUSON IS CHAIRMAN OF THE SENATE MERCHANT MARINE SUBCOMMITTEE. HE SAID THE VESSELS ARE HOSPITAL, TOWING, TROOP CARRIERS AND TORPEDO BOAT TENDERS WHOSE REPAIR IS NECESSARY TO NATIONAL DEFENSE. THE PROJECT ALSO WOULD AVERT THE LOSS OF SKILLED LABOR AND TECHNICAL KNOW-HOW FROM THE NATION'S RECESSION-SUFFERING SHIPYARDS.

THE JOINT CHIEFS OF STAFF, MAGNUSON SAID IN A STATEMENT, HOPE THAT 439 SUCH VESSELS EVENTUALLY WILL BE PUT INTO GOOD OPERATING CONDITION FOR USE IN AN EMERGENCY. THEY HAVE RECOMMENDED THAT $25,000,000 BE SPENT THIS FISCAL YEAR TO REPAIR 134 VESSELS AND THAT A SIMILAR ANNUAL PROGRAM BE CARRIED OUT UNTIL THE TOTAL GOAL IS REACHED, HE SAID.

WHAT'S NEEDED, MAGNUSON SAID, IS THE MONEY SO THAT THE MARITIME COMMISSION CAN GO AHEAD WITH THE PROGRAM WHICH, HE EMPHASIZED, CONGRESS OUTLINED IN THE SHIP SALES ACT OF 1946.

MAGNUSON EXPLAINED HIS VIEWS IN LETTERS TO ABOUT 60 SENATORS, ASKING THEM TO GO ALONG WITH HIM IN SPONSORING AN AMENDMENT TO A SUPPLEMENTARY MONEY BILL WHICH WOULD PROVIDE THE FUNDS. HE HOPES 30 OR 40, AT LEAST, WILL JOIN HIM, HE TOLD A REPORTER.

THE SENATOR SAID THAT OF THE VESSELS WHICH WOULD BE REPAIRED THIS YEAR, THE 64 ON THE ATLANTIC COAST INCLUDE 62 IN THE JAMES RIVER, ONE IN THE HUDSON AND ONE AT WILMINGTON, DEL.

HIS STATEMENT, INCLUDING A SPEECH PREPARED FOR SENATE DELIVERY, SAID IN PART:

"MEN AND NATIONS SHOULD LEARN FROM EXPERIENCE. YET HERE WE ARE, FOUR YEARS AFTER THE GREATEST BLOOD BATH THE WORLD HAS EVER KNOWN, WITH THE GREATEST FLEET EVER BUILT BY A SINGLE NATION, REPEATING THE SAME ERRORS WHICH HAVE TWICE LED US TO THE BRINK OF DISASTER.

"A MAJOR PORTION OF THAT 'GREATEST FLEET' IS TODAY SLOWLY RUSTING TO DESTRUCTION. WHAT ENEMY ACTION FAILED TO ACCOMPLISH, OUR OWN CONTINUED NEGLECT WILL SURELY ACHIEVE."

HE SAID THAT FROM JANUARY, 1947, TO MAY, 1949, EMPLOYMENT IN PRIVATE SHIPYARDS IN THIS COUNTRY HAS DECLINED FROM 152,900 TO 80,000 OR 41 PERCENT.

IN NORTH ATLANTIC YARDS THE DECREASE AMOUNTED TO 25,400 WORKERS, OR 35.6 PERCENT; ON THE GULF IT WAS 17,500 OR 62.5 PERCENT, AND ON THE PACIFIC COAST 21,500 OR 69.6 PERCENT, HE SAID.

"I DO NOT ASSERT THAT THE SHIPPING INDUSTRY AND ECONOMY CAN OR SHOULD SUSTAIN EMPLOYMENT AT THE JANUARY, 1947, LEVEL," HE SAID.

"I DO CONTEND, HOWEVER, THAT THE DRASTIC LOSS IN TRAINED PERSONNEL WHICH HAS OCCURRED IN TWO AND ONE-HALF YEARS REPRESENTS A MATTER OF VITAL CONCERN TO THE SENATE AND THE COUNTRY."

NIGHT LEAD TOKYO ROSE

SAN FRANCISCO, AUG.13-(AP)-THE BLEAK LITTLE FACE OF IVA D'AQUINO NEVER CHANGED EXPRESSION TODAY AS A FEDERAL JUDGE REFUSED TO DIRECT HER ACQUITTAL ON TREASON CHARGES.

THE CHARGE STEMS FROM HER "TOKYO ROSE" WARTIME BROADCASTS TO THE SOUTH PACIFIC.

HER ATTORNEYS HAD TOLD HER THERE WAS LITTLE HOPE THE COURT WOULD GRANT THEIR MOTION ASKING A DIRECTED VERDICT OF ACQUITTAL ON THE GROUNDS THE GOVERNMENT HAD NOT SHOWN SUFFICIENT EVIDENCE.

THEY SAID THEY WOULD START PRESENTING DEFENSE EVIDENCE MONDAY. THE GOVERNMENT RESTED ITS CASE YESTERDAY.

ARGUING AGAINST THE DEFENSE MOTION FOR ACQUITTAL, CHIEF PROSECUTOR TOM DEWOLFE SAID THE JUDGE WOULD BE TAKING OVER THE FUNCTION OF THE JURY IF HE ORDERED ROSE FREED.

THAT THE JAPANESE-AMERICAN DUBBED "TOKYO ROSE" BY TROOPS WHO HEARD HER BROADCASTS IN THE PACIFIC INTENDED TO BETRAY HER COUNTRY IS A FACTUAL MATTER, HE SAID.

HE STRIPPED THE 500,000-WORD MASS OF TESTIMONY DOWN TO THE BARE BONES OF THE GOVERNMENT'S CHARGES. HE SAID TESTIMONY SHOWED:

1. SHE WENT TO WORK IN TOKYO, "IN THE HEART OF THE ENEMY COUNTRY" IN WARTIME FOR RADIO TOKYO, A GOVERNMENT-CONTROLLED AGENCY.
2. SHE TOOK PART IN A PROPAGANDA PROGRAM AND GOT PAID FOR IT, WITH WAGES AS GOOD OR BETTER AS THOSE OF "THE JAPANESE NATIONALS, HER COLLEAGUES, WHO WORKED SIDE BY SIDE WITH HER;" SHE ASKED FOR AND GOT A WAGE INCREASE.
3. THE "NEFARIOUS PURPOSE" WAS EXPLAINED TO HER WHEN SHE WENT TO WORK.
4. SHE BROADCAST MATTER THAT "WOULD TEND TO WEAKEN THE WILL OF THE U.S. TROOPS."

ATTORNEY GEORGE OLSHAUSEN, LEGAL EXPERT OF THE DEFENSE TRIO OF LAWYERS, CONTENDED:

1. THE GOVERNMENT FAILED IN ITS OBLIGATION TO PRESENT "THE WHOLE TRUTH" BY INTRODUCING FRAGMENTS OF BROADCASTS MADE BY MRS.D'AQUINO AS "ORPHAN ANN", APART FROM THEIR CONTEXTS, THROUGH THE LIPS OF SERVICE MEN WITNESSES.

(HE SAID A QUOTATION OUT OF CONTEXT IS "THE STANDBY OF PREVARICATION." WHEN MRS.D'AQUINO TALKED OF THE HEAT OF THE JUNGLE, THE MOSQUITOES, AND THE LONELINESS, SHE INVARIABLY FOLLOWED IT UP, HE SAID, AS THE COMPLETE SCRIPS IN EVIDENCE SHOWED, WITH SOMETHING LIKE "LET ME CHEER YOU UP WITH SOME MUSIC.")

2. THAT ONE OF THE GOVERNMENT'S OWN WITNESSES, A AJPANESE ARMY PROPAGANDA CHIEF, ADMITTED THE ZERO-HOUR PROGRAM ON WHICH "ORPHAN ANN" APPEARED, WAS DELIBERATELY MADE AS ENTERTAINING AS POSSIBLE, TO GAIN A LARGE AUDIENCE, TO WHICH PROPAGANDA WOULD BE POURED OUT LATER WHEN THE AMERICANS STARTED LOSING GROUND. (THEY NEVER DID.)

A79KX

3. THAT THE GOVERNMENT'S OWN WITNESSES ADMITTED PERSONS IN WARTIME JAPAN WHO WERE NOT CITIZENS OF THAT COUNTRY WERE UNDER CONSTANT POLICE SURVEILLANCE AND THREAT OF LOSING RATION CARDS UNLESS THEY DID AS THEY WERE TOLD IN ALL RESPECTS.
4. THAT MRS.D'AQUINO CALLED HER RADIO AUDIENCE "BONEHEADS" IN A JOSHING, AND NOT A SERIOUS MANNER, AS TEXAS GUINAN ADDRESSED HER NIGHT CLUB PATRONS IN THE '20S AS "SUCKERS".
5. THAT MOST OF THE THINGS CHARGED IN THE OVERT ACTS WERE ACTUALLY HARMLESS IN THEMSELVES AND SO COULD NOT CONSTITUTE TREASON.
6. THAT SHE COULD NOT HAVE HAD ANY TREASONABLE INTENT, BECAUSE SHE AIDED IN PUTTING OVER DOUBLE-TALK IN THE BROADCASTS ACTUALLY INTENDED TO FOOL THE JAPANESE AND SABOTAGE THE PROPAGANDA VALUE OF THE PROGRAM. AND BECAUSE SHE BROKE RULES TO SMUGGLE FOOD AND TOBACCO TO ALLIED PRISONERS OF WAR.

THE FINAL PROSECUTION WITNESSES PILED STILL MORE TESTIMONY INTO THE BULGING RECORD BY WHICH THE GOVERNMENT, THOUGH TEDIOUS POUNDING AWAY SINCE JULY 5, HAS SOUGHT TO PROVE THE DEFENDANT TRAITOROUSLY BROADCAST FOR RADIO TOKYO DURING THE WAR.

THE WITNESSES TESTIFIED HOW RADIO TOKYO'S "ORPAH ANN" ON THE ZERO HOR PROGRAM ALTERNATELY SOUGHT TO MAKE ALLIED TROPS JITTERY AND HOMESICK. THE GOVERNMENT CONTENDS THE UCLA-EDUCATED MRS. TOGURI WAS ORPHAN ANN, WHO CAME TO BE KNOWN AS TOKYO ROSE.

SGT. CHARLES F. HALL OF FORT GEORGE WRIGHT, WASH., TESTIFIED ORPHAN ANN TWICE BROADCAST IN ADVANCE SUPOOSEDLY SECRET INFORMATION THAT HIS 90TH BOMB GROUP WAS TO MOVE ON TO NEW BASES IN NEW GUINEA. ONCE SHE BROADCAST THAT THE UNIT WOULD FIND A RECEPTION COMMITTEE AWAITING WHEN IT MOVED FROM DOBODURA TO NADZAB, NEW GUINEA. " WE GOT THE HELL STRAFED OUT OF US," HE ADDED.

ON THE MORALE FRONT, SHE ONCE BROADCAST THERE WRE 21 DIFFERENT REASONS "WHY WE SOULDN'T SLEEP WITH A REDHEAD," HALL TESTIFIED. "SHE SAID NOBODY WENT TO BED TO SLEEP WITH A REDHEAD IN THE FIRST PLACE."

OTHER BROADCASTS AIMED AT DESTROYING ALLIED MORALE THROUGH TALES OF SHIP LOSSES OR BY MAKING THE TROOPS HOMESICK FOR WIVES AND SWEETHEARTS WERE RECOUNTED BY OTHER WITNESSES, ROBERT COWAN, LOS ANGELES; MARIANO VILLARIN, A FILIPINO ARMY VETERAN; AND RICHARD L. HENSCHEL, NEW YORK, THE LAST GOVERNMENT WITNESS.

HALL TESTIFIED THAT "ORPHAN ANN'S " VOICE WAS SLURRING AND SARCASTIC. VILLARIN DESCRIBED IT AS "SWEET."

ONE OF THE DEFENSE CLAIMS WILL BE THAT MRS. TOGURI'S WO RK ON RADIO TOKYO HAS BEEN CONFUSED WITH THAT OF SEVERAL OTHER WOMEN ANNOUNCERS FOR THAT, AND OTHER, JAPANESE STATIONS.

NEW YORK, AUG 13-(AP)-A DANGER OF THE REVIVAL OF MILITARISTIC NATIONALISM IN GERMANY IS SEEN BY DR. THOMAS MANN, JUST BACK FROM A THREE-MONTH TRIP TO EUROPE.

THE NOBEL PRIZE-WINNING NOVELIST SAID ON HIS ARRIVAL HERE BY SHIP YESTERDAY THAT MOST GERMANS ARE COMPLAINING THAT THEY WERE BETTER OFF UNDER THE NAZI REGIME.

HE SAID "ONE OF THE MOST ALARMING SYMPTOMS" IS THE WAY THE DE-NAZIFICATION PROGRAM HAS BEEN HANDLED BY THE WESTERN DEMOCRACIES, INCLUDING THE UNITED STATES.

"IT SEEMS TO ME," MANN SAID, "THAT THE HONESTLY DEMOCRATIC FORCES THAT OBVIOUSLY EXIST--BUT IN A DANGEROUS MINORITY--SHOULD BE BETTER SUPPORTED BY THE WESTERN DEMOCRACIES IN THEIR STRUGGLE AGAINST NATIONALISM AND MILITARISM IN EVERY WAY."

THE TRIP WAS THE 74-YEAR-OLD AUTHOR'S FIRST VISIT TO HIS GERMAN HOMELAND SINCE HE WAS EXILED BY HITLER IN 1933.

"I DID NOT SPEAK TO ONE DECENT AND HONEST GERMAN WHO WAS NOT DEEPLY CONCERNED ABOUT THE INCREASING NATIONALISM IN HIS COUNTRY," MANN SAID. "LET US ADMIT THAT A MILITARY OCCUPATION IN A DEFEATED COUNTRY WILL ALWAYS CREATE A CERTAIN AMOUNT OF NATIONALISM, BUT WHAT WE EXPERIENCE NOW IN GERMANY GOES BEYOND THIS NORMAL REACTION."

HE SAID THAT LARGELY RESPONSIBLE FOR THIS STATE OF MIND "IS THE STRANGE FACT THAT THE GERMANS DO NOT REALIZE AND DO NOT WANT TO REALIZE THE CAUSES OF THEIR ACTUAL CONDITIONS.

"THE GREAT MAJORITY OF THE PEOPLE COMPLAIN: 'UNDER HITLER WE WERE MUCH BETTER OFF'."

MANN SAID HE SAW NO SOLUTION OF THE SUFFERING FOR THE GERMAN PEOPLE "UNTIL THERE IS A FINAL UNDERSTANDING BETWEEN THE EAST AND THE WEST."

MANN SAID ACTION SHOULD BE TAKEN TO HELP GIVE GERMANS AN UNDERSTANDING OF THEIR PLIGHT, AND TO CHECK THE TREND TOWARD A NEW MILITARISM.

"I HAVE THE FEELING," HE SAID, "THAT IN EVERY SCHOOL AND POST OFFICE THERE SHOULD BE POSTED: 'WHY ARE YOUR CITIES DESTROYED? WHY IS YOUR COUNTRY DIVIDED AND OCCUPIED? BECAUSE YOU LOST THE MOST DESTRUCTIVE WAR IN HISTORY, AND ADOLF HITLER AND THE NATIONAL SOCIALIST REGIME LED YOU INTO IT."

SHORTLY BEFORE MANN LEFT FOR EUROPE LAST MAY 10, HE SAID HE BELIEVED RUSSIA SINCERELY WANTS PEACE AND UNDERSTANDING WITH AMERICA.

DURING HIS VISIT TO THE SOVIET ZONE OF GERMANY, HE SAID, HE SPOKE ON "THE INDESTRUCTIBLE VALUE OF FREEDOM AND THE DIGNITY OF HUMAN RELATIONS."

HE SAID THIS DREW APPLAUSE FROM A PART OF HIS AUDIENCE THAT WAS "ANTI-REGIME."

IN THE SOVIET ZONE, HE SAID, THE PEOPLE ARE DIVIDED, WITH YOUTH BACKING THE RUSSIAN REGIME, AND THEIR ELDERS OPPOSING IT.

HE SAID LIBERALS HAVE A HARD TIME BUCKING THE COMMUNIST TREND IN THE EASTERN ZONE.

MANN, WHO ON OCCASIONS HAS BEEN ACCUSED OF VOICING COMMUNIST PARTY VIEWS, SAID HE TOLD THE GERMANS HE WAS NOT A COMMUNIST.

MANN SAID HE AND HIS WIFE WILL LEAVE FOR THEIR HOME IN PACIFIC PALISADES, CAL., AFTER A FEW DAYS HERE.

NEW YORK, AUG. 13-(AP)-HERE IS A U.S. COMMUNIST LEADER'S DESCRIPTION OF HOW HIS VIEWS FLUCTUATED IN THE EARLY DAYS OF WORLD WAR II:

DURING THE HITLER-STALIN PACT OF 1939-1941, HE OPPOSED AMERICAN PARTICIPATION IN THE WAR.

AFTER THE NAZIS TURNED ON RUSSIA AND ATTACKED HER IN JUNE, 1941, HE FAVORED AMERICAN ENTRY INTO THE CONFLICT.

ROBERT G.THOMPSON, NEW YORK STATE COMMUNIST CHAIRMAN, YESTERDAY GAVE A FEDERAL COURT JURY THIS PICTURE OF THE CHANGES IN HIS POSITION. HE WAS UNDER CROSS-EXAMINATION BY THE GOVERNMENT.

AT FIRST, HE REFUSED TO SAY THAT AFTER HITLER'S INVASION OF RUSSIA AND BEFORE PEARL HARBOR THE COMMUNIST PARTY HERE URGED THIS COUNTRY'S ENTRY INTO THE WAR.

HOWEVER, AFTER A GOVERNMENT ATTORNEY CONFRONTED HIM WITH A PARTY DOCUMENT SHOWING THE PARTY HAD SWITCHED TO SUPPORT OF THE WAR PRIOR TO PEARL HARBOR, THOMPSON ACKNOWLEDGED THE DOCUMENT WAS CORRECT.

THOMPSON, ONE OF 11 TOP RED LEADERS ON TRIAL ON CHARGES THAT THEY CONSPIRED TO ADVOCATE FORCIBLE OVERTHROW OF THE U.S. GOVERNMENT, TESTIFIED HE SPOKE MANY TIMES AGAINST U.S. ENTRY INTO THE WAR.

HE SAIDIT WAS "VERY POSSIBLE" THAT HE ADVANCED THE SLOGAN, "THE XANKS ARE NOT COMING."

AUG 14 1949

THIS, HE SAID, WAS IN THE PERIOD BEFORE RUSSIA WAS ATTACKED.

THOMPSON SERVED IN THE U.S. ARMY IN THE PACIFIC, AND WON THE DISTINGUISHED SERVICE CROSS FOR HEROISM, THE NATION'S SECOND HIGHEST AWARD.

THOMPSON SAID HE WAS SUFFERING FROM AN ATTACK OF MALARIA WHEN INDICTED JULY 20, 1948, AND WAS CARED FOR BY FRIENDS UNTIL HE SURRENDERED TO AUTHORITIES NINE DAYS LATER.

ASKED TO GIVE THE NAMES OF THE FRIENDS, HE SAID:

"I CERTAINLY AM NOT GOING TO GIVE YOU THE NAME OF THE PEOPLE WHO TOOK CARE OF ME."

THE WITNESS ALSO DECLINED TO GIVE THE NAME OF THE COMMUNIST PARTY EDUCATIONAL DIRECTOR FOR QUEENS COUNTY, N.Y., DURING THE PERIOD COVERED BY THE INDICTMENT. ASKED WHETHER THE DIRECTOR WAS HIS WIFE, HE SAID:

."THAT MAKES NO DIFFERENCE AT ALL, AND I AM NOT GOING TO GIVE YOU THE NAMES OF PERSONS FOR POSSIBLE PROSECUTION."

HE ALSO REFUSED TO NAME THE STATE EDUCATIONAL DIRECTOR FOR THE PARTY.

HOWEVER, IMMEDIATELY AFTER HIS TESTIMONY ENDED, A MAN TOOK THE STAND WHO IDENTIFIED HIMSELF AS HOWARD JOHNSON, OF MANHATTAN, "STATE EDUCATIONAL DIRECTOR."

SYRIAN PRESIDENT, PREMIER EXECUTED IN MILITARY COUP

Government Control Seized by Army Officers in Dawn Raid

TO FORM NEW CABINET

People Are Promised 'Free Republic,' Opportunity to Elect Officials

DAMASCUS, Syria, Aug. 14. — (AP) Col. Sami Hennawi seized control of Syria today in a military coup climaxed by the death of the president and premier before a firing squad. President Husni Zayim, who seized power on March 30, and Premier Muhsen Bey Berazi were executed at dawn by a firing squad after a brief trial before senior army officers.

A series of communiques did not specify the changes but called the two traitors, tyrants and dictators.

To Form New Cabinet

Col. Hennawi, a former fellow army officer of Zayim, met with a group of politicians. They asked Hasem Bey Attassi, former president of the republic, to form a new cabinet. He accepted the request and immediately began consultations.

Hennawi, who fought alongside Zayim in the Palestine war, installed himself as chief of the armed forces formerly headed by Zayim with the title of field marshal.

(Dispatches from Damascus were subject to censorship.

(A Damascus broadcast heard in Hashemite Jordan said political leaders from all over Syria were summoned to the capital immediately to help form a new civilian government. It was reported that Akram Hourani, former deputy and member of the court martial that ordered the president and premier shot, is expected to become premier.)

Syrian broadcasts to the Middle East said Hennawi told the people he is not seizing power and quoted him as saying: "We want a free republic of Syria, not a government by the military. We are ready to turn over power to a government chosen by the people."

One broadcast gave this description of the coup:

Battle Sentries

Three carloads of Syrian army officers rode to Zayim's home early this morning and forced their way in after a brief fight with sentries. They awoke and arrested Zayim and then went on to Premier Berazi's home. He was arrested without resistance.

The military tribunal was formed immediately and sentenced both to death after trial. They were executed in the Mezzah Citadel military barracks.

None of the first six communiques made clear the immediate reasons for the executions, but they contained generalities tending to indicate the militarists felt Zayim had failed to keep promises to bring Syria out of the muddle arising mainly from the Palestine fighting.

Colonel Hennawi, who is in his fifties, was regarded here as a hero of the Mashmar Hayardents battle in the Palestine war. Zayim became president in the June referendum on his own coup.

One communique said Zayim, whose coup had army support last March, promised to give Syria an administration that would restore her dignity and self-respect.

Want Only Safety

It said the army and the nation upheld these ambitions, but charged that his new powers blinded him and that, on bad advice, he was heading Syria toward economic disaster.

The communique said the army wants nothing more than safety for Syria and thought that men unskilled in politics should go back to their barracks, leaving politics in expert hands.

Until the March coup, Zayim had been an obscure army officer. The bespectacled Premier Berazi who died with him was regarded as the brains of the Zayim regime.

Zayim's installation as president was marred by an explosion in an army arsenal outside Damascus. The stocky little strong man, dressed in civilian clothes, pledged his administration to a policy of internal reform and stiffening the frontiers against any aggression.

The reference to the frontiers was taken to mean that Syria would resist any encroachments from Israel and the "Greater Syria" ambitions of King Abdullah of Hashemite Jordan.

Arab League To Meet

Abdullah, whose long-range goal is to expand the Hashemite dynasty's rule over other parts of the middle east, said in Amman today the Syrian crisis should be taken up urgently by the seven-nation Arab League. A league meeting is scheduled for next Saturday in Alexandria, Egypt.

The communiques on the new coup charged Zayim was endangering Syria's foreign relations.

Another broadcast said Hennawi accused Zayim of rigging the presidential election he called last June 26, in which Zayim was unopposed, and trying to win partisans by land grants and advocating votes for women. All this was in vain and "his dictatorship was disliked," the broadcast said, adding that Zayim was distrusted by foreign powers.

(Press dispatches published in Cairo quoted Zayim as saying, "I lived bravely and I want to die bravely," when an officer tried to blindfold him for execution. They quoted Berazi as making a final request that his executioners care for his family.

(The Cairo version said the two were sentenced after two secret meetings in the Damascus army headquarters Saturday and the charges were high treason and exploiting their influence for personal gain. Zayim was reported stripped of his field marshal's uniform before being shot.)

May Bar Oil Pipeline

Speculation developed on the fate of the American Trans-Arabian oil pipeline outlet on the Mediterranean in Syria. Zayim, whose regime had the blessing of the United States and the former French mandate rulers of Syria, had approved the American oil-head in Syria against some domestic opposition. Britain maintained a stand-offish attitude.

The government of President Al Sayed Al Kuwatly, which Zayim overthrew in his March coup, had refused to sign a pipeline agreement.

Zayim in the June election got 726,116 votes out of 730,116 cast for president of this country of 3,400,000. He acquired great powers, including that of drafting of a new constitution, supreme rule over the army and interim legislative authority. Hannawi took over all these functions to rule by decree until formation of a constitutional government.

(Speculation arose in nearby countries on whether Zayim's soldiers, who were supposedly devoted to him, would rise against the new regime, dispatches from Amman said. Among those who conferred there with Abdullah were the U. S. Charges D'Affaires, Wells Stabler, British Charge D'Affaires Perry Gordon and the heads of the French, Saudi Arabian, Lebanese and Iraqui Diplomatic missions.)

RIGHTIST PARTIES TAKE CONTROL OF NEW PARLIAMENT

AUG 15 1949

Reds Trail with Returns Nearly Complete, Get Only Six Seats

VOTING HEAVY

Crowds at Polls Surpass Even Most Optimistic Predictions

FRANKFURT, Germany, (Monday), Aug. 15—(AP) Nearly complete returns in western Germany's first parliamentary election today gave right wing parties a decisive lead over socialists.

The Conservative Christian Democrats and the right wing Free Democrats together were assured control of parliament as the returns shot up toward the 25,000,000 mark.

Complete returns of 237 of the 242 election districts showed these totals:

Christian Democrats—7,305,028.

Social Democrats (socialists)—7,029,352.

Free Democrats—2,539,447.

Communists—1,379,514.

Reds Win Six Seats

The Christian Democrats had won 132 seats in the parliament, the Social Democrats 112, the Free Democrats 36 and the Communists only six.

The Christian Democrats also led in the heavily-populated state of North Rhine-Westphalia, home of the industrial Ruhr, but the division of parliamentary seats had not been decided, due to a system of proportional representation in which 40 per cent of the seats are allocated on the basis of the percentage of the vote received by each party.

A similar system is followed in Bavaria.

No single party seemed likely to achieve a majority of the 400 seats in Parliament. This would make a coalition government necessary, with the Christian Democrats and Free Democrats representing the most likely combination.

Voting Heavy

Voters flocked to the polls in numbers surpassing all pre-election forecasts. Western allied officials had predicted fewer than 65 per cent of the 31,000,000 eligible voters would ballot. But in Hamburg, in the British zone, 82.4 per cent voted in probably the heaviest turnout of any of the 11 west German states. In Wuerttemburg-Baden, in the American zone, 72.4 per cent voted. This suggested nationalist appeals to the voters to boycott the election were largely ignored.

Christian Democrats and Free Democrats together held a three-to-two lead over leftwing parties even in the industrial Ruhr valley. In this section both Socialists and Communists were expected to show great strength.

In Hesse, big industrial state in the American zone, the Social Democrats were ahead, closely followed by the Free Democrats. Elsewhere the Free Democrats were running stronger than expected.

In Flensburg, in the British zone, members of a rightwing bloc marched through the streets singing "Deutschland Ueber Alles," national anthem of imperial Germany, after their candidate was elected over a Danish minority candidate. Flensburg is in Schleswig-Holstein, adjoining Denmark.

Leaders Anti-Red

All three of the leading parties are bitterly anti-communist.

Their vote was seen as favoring the chances of the West German republic being accepted in the new European Council. This would be the Germans' first return to international recognition since the war. Leaders of the European Council said they were considering inviting Germany to join if the Germans elected a strong majority sympathetic to the west.

The economic policy of the Christian Democrats favoring free enterprise is popular with American officials. Their stand for a federal type government instead of a strongly centralized one pleases Germany's European neighbors who fear a revival of nationalism.

The Free Democrats have voted with the Christian Democrats on economic matters but have backed the Social Democrats in seeking a strong central government.

Reimann Beaten

Max Reimann, leader of the west German communists, was beaten in his home district of Dortmund by a Social Democrat. But Reimann still could win a seat in parliament under the proportional representation system.

Voting Orderly

There were a few street fights between rival political workers in several cities. Some die-hard ex-Nazis spread propaganda leaflets and shouted Hitlerite slogans. But for the most part the voting was orderly.

In bright, hot weather, the people strolled to the heavily-policed polls in sober family groups, all decked out in their Sunday best. Despite most speakers' campaign denunciations of the occupation authorities, allied military government officials joined German politicians in hailing the big vote as an encouraging sign for the new west German democracy.

When the machinery of the republic is set up, present military governors for the western powers will be replaced by high commissioners, and west Germany will have a large measure of self-government.

Sunday's election was for a 400-member parliament, the first step in setting up the new government sponsored by the British, Americans and French. It will include all of Germany except the Russian zone.

Several of the most influential leaders in the two strongest parties were among those assured early of parliamentary seats.

Schumacher Wins Easily

Dr. Kurt Schumacher, Social Democrat chairman, was elected in Hannover, receiving 55 per cent of the total vote of his district. Dr. Ludwig Erhard, prominent Christian Democrat, was elected in Ulm. As director of economics in the combined British-American zones, Erhard was the man most responsible for the recent elimination of many controls on west Germany's booming economy.

Dr. Konrad Adenauer, chairman of the Christian Democrats and likely candidate for chancellor (premier), was elected in Bonn. He was president of the convention which wrote the new republic's constitution.

Prof. Carlo Schmid, Social Democrat leader, was elected in the city of Mannheim, where the Communists are so strong they got 37.4 per cent of the total vote cast in a recent city election.

PRIEST WINS ELECTION TO GERMAN PARLIAMENT

ESSLINGEN, Germany, (Monday), Aug. 15—(AP) A Catholic priest has won a seat in the new west German parliament.

Unofficial returns gave 27,947 votes to the Rev. Franz Opp, Independent, over Socialist Albert Pflugler who received 26,081 in this Wuertemberg-Baden community.

KEY POSTS FILLED, MCCLOY REPORTS

Chief Returns To Germany After U.S. Conferences

Frankfurt, Germany, Aug. 14 (AP). John J. McCloy, United States military governor for Germany, returned tonight from the United States and said he had found the men to fill half a dozen key jobs when the military government is replaced.

The changeover will be made after the West German federal republic is set up. Ballots are being cast today for parliamentary members.

McCloy, the new high commissioner, said he would not announce the names of his deputy and economic chief—the two biggest jobs to be filled—until he completes "the whole slate."

Power Plant Gets Priority

He declared enough American funds had been allocated to make West Berlin independent of the Russians for electric power. He explained that details on dollar aid to West Berlin were being worked out but that the power plant had first priority. Some work on the plant has been done.

The Russians have controlled electric power for Berlin from the sources in their occupation zone surrounding the city. They plunged West Berlin into semi-darkness throughout the Soviet blockade of the city.

Asks About Election

McCloy arrived at the Rhein-Main airport after two weeks of consulations in the United States. He said he had promised to be back by election day. He asked officials meeting him at the airport how the voting was proceeding and remarked:

"There seems to be a lot of hubbub in America about nationalism in Germany."

Nationalistic talk highlighted the closing days of the election campaign, with all parties criticizing the occupying powers.

BRITAIN PLACES CANDY ON RATION LIST AGAIN

LONDON, Aug. 14 — (AP) Candy went back on ration today in Britain after nearly four months of unrestricted selling.

Thousands thronged sweetshops yesterday in a feverish buying spree to beat the ration deadline. Stocks quickly vanished from many shop shelves, and keepers dusted off old "Sorry—No Sweets" signs.

But a spokesman for the Federation of Wholesale Confectioners said he does not think stores would have "any difficulty in meeting the ration next week."

"Most patrons have been building up their stocks and, generally speaking, they should be in a position to honor it," he said.

The weekly ration is four ounces per person.

Sweets were derationed April 24. It soon became evident there wasn't enough for everybody to get his fair share. Then, July 14, Sir Stafford Cripps, chancellor of the exchequer, announced he was lowering the sugar ration from 10 to 8 ounces weekly and putting candy back on rationing to save Britain some $14,000,000.

U. S. and Britain to Seek To Avoid Oil Trade War

LONDON, Aug. 14 (AP).—The United States and Britain, hoping to head off a cut-throat battle for international oil markets, have decided to see whether they can come to terms, it was reported today.

Diplomatic officials said a high-level conference aimed at setting up a common oil policy for the two nations will be held next month in Washington.

It will be a part of the dollar crisis meeting between John W. Snyder, Secretary of the Treasury, Britain's Chancellor of the Exchequer, Sir Stafford Cripps, and Canadian economic officials.

It was the dollar crisis which brought the oil situation to a head. To save dollars, Britain has resorted to deals which threaten to drive American oil companies out of various markets. U. S. oil companies are in no mood to take a business whipping of this kind lying down. The upshot could be a price war, with both sides losing money.

HOFFMAN IN PARIS

PARIS, Aug. 14—(AP) Paul G. Hoffman, administrator of the economic Cooperation Administration, flew to Paris from Britain today on his European inspection tour.

"I have come here to join Mr. Harriman and travel around western Europe," Hoffman told newsmen. "We will be seeing all the chiefs of missions and getting their feel of the situation. We want to have not only their written reports, but personal impressions."

Averell Harriman, European ECA head, met him at the airport.

Blast Kills Woman, Injures 15

ROME, Aug. 14 (AP)—A 75-year-old woman trudged into the main piazza of Verbania yesterday, unstrapped a knapsack from her back and started to walk away. The knapsack exploded with a roar. The blast killed the woman and injured fifteen other persons.

Italian Bandits Get $15,500

ROME, Aug. 14 (AP)—Bandits ambushed a payroll motor procession on a mountain road in Sardinia yesterday. Three police guards were killed. The bandits fled with 9,000,000 lira (about $15,500). Six other policemen were wounded in the machine gun and hand grenade attack.

Arrives for Indonesian Parley

THE HAGUE, Aug. 14 (AP).—Thomas K. Critchley, Australian member of the United Nations Commission for Indonesia, arrived today from London to join the American and Belgian members for the Indonesian round table conference scheduled to open here on Aug. 22.

OFFICIALS STUDY YUGO PLEA FOR WORLD BANK LOAN

Alex Singleton

BELGRADE, Yugoslavia, Aug. 14—(AP) Yugoslavia's bid for a World Bank loan is to come under an on-the-spot scrutiny by a special bank commission this week.

The government expects the commission to arrive tomorrow.

The commission is investigating the Yugoslav application for a loan to bolster the nation's economic position in a period of increasing attacks from other communist nations of Russian-dominated eastern Europe.

Approval Expected

Upon the commission's decision may depend the degree of success Premier Marshal Tito will achieve in maintaining an independent position—half-way between east and west—and fulfilling his own five-year plan for developing Yugoslav resources.

Responsible diplomatic officials say they expect the commission will give the nod of approval to at least a substantial part of Yugoslavia's request, and then adopt a wait-and-see attitude on the balance.

Although figures are unavailable pending the commission's inquiry, it is generally expected it would recommend a loan of about $50,000,000 to meet Yugoslavia's immediate needs.

Seeks $280,000,000

All told, the country is requesting about $280,000,000.

The commission may also set up a priority list of things for which the loan can be spent, with the likelihood transportation, timber cutting and mining equipment and agricultural machinery will be among the first.

Some American and British officials here, while appreciating the efforts expended by countless thousands of "voluntary" brigade workers, may recommend a provision for western technical experts for more efficient results.

Silent On Russian Note

In the midst of the vast building program which Yugoslavia has undertaken, a growing conviction has developed among some Western observers that more manpower should be used on road building and mining; less on such projects as building a film city and new Belgrade on the Danube's banks.

Meanwhile, the official Belgrade press—and Government officials—remained silent on the latest Russian note blacklisting Yugoslavia, former ally and favored friend, as an enemy.

The object of the latest attack seemed puzzling, beyond an obvious attempt to stir up fear and revolt against the Tito government. Economic pressure previously has produced resentment here against other Communist nations.

Tito Seems Secure

There always remains a possibility Russia may be tempted to provoke direct outside intervention, but there has been no direct sign of this yet. Otherwise, with a good harvest in and with bright prospects of Western financial aid, Tito's position appeared secure.

The Government's confidence in itself was reflected today in new attacks on two Soviet satellites—Czechoslovakia and Hungary.

The newspaper *Borba*, voice of the Government, disclosed two notes were sent to Czechoslovakia in July charging she was violating obligations and demanding that she end her anti-Yugoslav campaign.

The newspaper *Politika* reported Hungary was threatened with a serious wood shortage from which she will suffer this winter, as a result of breaking her trade agreement with Yugoslavia.

The newspaper *Omlahina*, organ of the People's Youth, said Hungary thus far has prevented a Yugoslav delegation from obtaining visas to attend the world youth festival which opened in Budapest today.

SLOVAKIA GETS 2 NEW BISHOPS

Czech Travel Blockade Cuts Consecration Attendance

Trnava, Slovakia, Aug. 14 (AP)—The Roman Catholic Church consecrated two new titular bishops before an overflow crowd here today despite a transport blockade that halved the expected attendance.

The church hierarchy had defied an order by Czechoslovakia's Communist Government that all such church ceremonies and pilgrimages must obtain prior government approval.

Pilgrims found Bratislava, the Slovak capital, a bottleneck on their journey to this city of 30,000. Trnava is about 30 miles northeast of Bratislava.

Train, Bus, Cab Service Banned

Railway agents advised travelers no trains, express or local, were stopping in Trnava today because of "technical reasons." Sunday bus service to this city also was eliminated. Bratislava taxicab drivers refused to make the drive here.

But 3,000 persons jammed into St. Nicholas Church to witness the ceremonies and another 3,000 stood outside. Most of them were residents of Trnava. No uniformed police were visible.

All Czech and Slovak bishops were present except the nation's primate, Archbishop Josef Beran, who has led the months-long fight against government control of the church. He remained in seclusion at his police-guarded palace in Prague.

Both Loyal To Archbishop Beran

Archbishop Josef Matocha, of Olomouc, in Moravia, officiated.

The new bishops are the Right Rev. Msgr. Ambrostus Lazik, who has been serving as apostolic administrator of Trnava, and the Right Rev. Msgr. Robert Pobozny, capitular vicar of Roznava.

Both have expressed their loyalty to Archbishop Beran. They signed his last pastoral letter, issued June 26, which accused the Czechoslovak Government of persecuting the Church and attempting to crush religious liberty.

Under an official agreement made before the war, the Government claims the right to reject or approve any candidate for bishop proposed by the Vatican. However, Vatican diplomatic representatives said this issue was circumvented by the fact the two were made titular bishops, not bishops in residence.

Monsignor Lazik was named titular bishop of Appia and Monsignor Pobozny titular bishop of Neila. Both are places which existed in Asia Minor early in the Christian era.

Because of the Church-State fight, many Czech and Slovak Catholics had been apprehensive of State interference with the ceremonies. Church officials said they had expected at least double the attendance—or more than 12,000.

Austria Won't Pay Soviet For German Assets

Vienna, Aug. 14 (AP)—Austria will refuse to pay Russia the agreed sum of $150,000,000 for German assets in this country if the Soviet Union continues to ship those assets out of Austria, Interior Minister Oscar Helmer said today.

Helmer also declared that any Austrian who helps Russia in shipping the goods eastward will be regarded as a traitor.

The payment referred to by Helmer was the amount agreed upon by the Big Four Foreign Ministers in Paris.

The payments are to be made over a six-year period. Helmer spoke at Wiener Neustadt, in the Russian-occupied zone.

GREEKS TELL OF VICTORY IN VITSI BATTLE

Report Guerrilla Force Broken, Troops Push Toward Albania

Second Corps Headquarters, Kastoria, Greece, Aug. 14 (AP)—Greek Army leaders said today Communist guerrilla forces are beaten in the Vitsi area and Government troops are driving north and west to seal the Albanian border by tomorrow.

The commanders said the major phase of this operation might even be completed late tonight.

Lieut. Gen. James A. Van Fleet, head of the American Military Mission to Greece who has been in the combat areas since the offensive began Wednesday, said reports from Greek commanders and his own advisers indicate the Communists in Vitsi had been destroyed.

Congratulates Leader

He wired congratulations to Gen. Alexander Papagos, the Greek commander, who has been ill with pneumonia in Athens.

Observers reporting to Van Fleet estimated the guerrillas suffered upward of 60 per cent casualties. They said about one third of the forces and the senior Communist leaders might have escaped into Albania.

[The Greek Communist radio claimed Saturday night the rebels had repelled attacks in the Vitsi and Grammos mountains and driven the attackers back to their original positions. They claimed to have killed 512 Government troops and wounded 1,950 Friday. The broadcast was picked up by leftist news agencies in Bucharest, Romania, and Prague, Czechoslovakia, and relayed to London.]

Called Greatest Triumph

Reports from various sectors of the front said the Government forces had achieved their greatest triumph over the Communist rebels in more than three years of warfare.

For weeks the guerrilla radio and propaganda leaflets have claimed that the estimated 8,000 rebels were impregnable in their Vitsi positions. Then the army struck and jerked out the heart of the Vitsi defense lines, and the surprised guerrillas started fleeing for refuge across the Albanian border, front advices said.

With their escape route nearly closed by commandos supported by strafing and rocket-throwing Spitfires, some 5,000 rebels were reported caught in the rapidly closing trap.

Air observers said early today large numbers of guerrillas were seen attempting a disorderly crossing into Albania on a narrow causeway over Lake Prespa. Behind them in hot pursuit was a commando column.

Forward elements of the army were reported at several points along the eastern and southern shores of the lake. Farther south along the main supply and escape route into Albania through Vatohorion and Kroustalopiyi, light and medium tanks cruised toward border crossings.

The Vitsi offensive was based on orthodox American tactics. It was conceived and executed by Maj. Gen. Stylianos Maniadakis, 2d Corps commander. American experts had predicted this phase of the Vitsi battle would be concluded in three to seven days. It took four.

Can Center On Grammos

With Vitsi virtually out of the way, the bulk of the army now will likely be concentrated on the Grammos sector, where offensive operations have been under way for more than two weeks.

[The Albanian telegraph agency in London reported the Albanian Defense Ministry charged elements of two Greek Government brigades crossed the frontier Saturday but withdrew hastily, leaving 26 killed when counterattacked by Albanian troops.

[The Albanian communiqué said 300 "enemy" soldiers have been left dead or injured in Albania. The Athens Government denied similar reports of incursions last week.]

Stronghold Wiped Out

The Greek high command's communique said the Vitsi stronghold has been wiped out, but fighting continues to "complete the exploitation of results already gained."

It said the army reached Krystallopiyi village, on the main supply road into Albania, and was less than two miles from the border.

The communique said the day's guerrilla losses were 158 killed and 102 captured; army losses were 45 killed, 116 wounded and one missing.

In the Grammos fighting, it added, pressure continues on government forces.

When the offensive began in the 400-square mile Vitsi area in midweek, army authorities estimated there were 8,000 guerrillas to contend with.

Witnesses said a Greek column was fired on from Albania last night by mortars, machineguns and artillery.

Poland Launching Ships

Gdansk, Poland, Aug. 14 (AP)—Polish shipyards have just launched their fifth coal and ore carrier within seven months.

Chinese Communists Capture 3 Key Islands Off Shantung

Hong Kong, Aug. 14 (AP)—Independent Chinese reports tonight said the Communists had captured three of the strategic Miao Islands off Shantung in a heavy amphibious assault that is still under way.

Confirming the attack but differing about its success, the official Nationalist Central News Agency said Russian submarines and planes had reconnoitered the islands before the Chinese Red drive began.

The Miao group, consisting of eight main islands and many smaller ones, lies in the 65-mile-wide Strait of Pechili, between China's Shantung peninsula and the Russian-held Manchurian naval base of Port Arthur. The nearest is only 30 miles from Port Arthur.

Only 3 Miles From Mainland

From this tenuous foothold, the Nationalist Navy has tightly blockaded the Communist North China coast, notably the important commercial city of Tientsin. The port for Tientsin is in the Gulf of Chihli, 170 miles northwest of the islands, which form a loose stopper to the Gulf's bottleneck.

The independent reports, received from the Nationalist base of Formosa, said 20,000 Communist troops jumped off on the night of August 11. No insuperable seaborne operation would be required, since the nearest island is only 3 miles north of the Shantung mainland.

Confirming the assault, Central News said it came at a moment when defenses were weakened by absence of Nationalist ships on blockade duty. It said reinforcements were rushing back to the scene, however.

Nationalist Version Of Attack

Admiral Kwei Yung Ching, commander of Nationalist naval forces, was quoted at his Formosa headquarters as declaring a stiff resistance was being put up and the Communists have lost many men and junks.

An earlier official report from Canton, provisional Nationalist capital, asserted that the attack had failed when a sudden storm capsized hundreds of troop-laden junks and 80 motorized small craft. The later reports from Formosa indicated the Communists had already scored at least a partial success.

Central News said the Nationalist Navy previously had sighted Russian submarines in the act of surveying the islands and Russian planes making reconnaissance flights.

Plausibility of a Communist venture into amphibious warfare was enhanced by the fact that the Nationalist sea blockade has been definitely hurting the Red-held port cities. Only four days ago the Nationalist Navy announced it had seized or destroyed thirteen vessels outside Tientsin.

The operation of the once-great port of Shanghai has been brought to a standstill. Only Saturday, the Nationalists said official intelligence reports stated the Communists also were preparing a 60,000-man assault on the Chushan archipelago southeast of Shanghai.

One hundred and fifteen miles from Shanghai but only seven miles off the mainland, the Chushan group includes both naval and air bases, from which Shanghai has been raided almost daily.

Progress Of Land Warfare

In the land warfare, official Nationalist accounts from Canton said Kanhsien, 215 miles northeast of Canton, was still standing firm against heavy Communist attacks.

A Canton army spokesman also disclosed that 50,000 to 60,000 Nationalist troops from Yunnan province had been removed from the Yengyang front, 265 miles north of Canton, for fear they would go over to the Communists. On Saturday the Nationalists denied persistent rumors that 20,000 of them had changed sides.

All top Nationalist commanders were conferring in Canton on their next moves.

Mongols Set up Assembly

CANTON, Aug. 14 (AP).—Reports from far northwestern China said today that a Mongol assembly had established self-government for Inner Mongolia.

The reports said the Mongols adjourned last Monday after an assembly meeting at Tzehu (Tingyuanying), which is about fifty miles northwest of Ningsia, the capital of the Inner Mongolian province of the same name.

The Inner Mongolian chief would be Prince Teh, a war-time collaborator with the Japanese who visited Canton last month. He recently announced that the Nationalist government had agreed to grant autonomy to the people of Inner Mongolia.

[Much of Inner Mongolia is under Communist control. Ningsia province is the westernmost part.]

4 Years Ago Today Emperor Told Japanese of Surrender Decision

TOKYO, Monday, Aug. 13 — Four years ago policemen dutifully made their rounds in every Japanese village and town, proclaiming:

"Listen to the radio at noon! An important announcement from the emperor. Listen carefully at noon!"

In whispers—lest the ever-present "thought police" might hear—citizens speculated on what it might mean. Few guessed right.

Japanese listened incredulously as the strained voice of the emperor came over the loudspeakers, announcing his decision to surrender to the allies and admonishing his subjects to accept defeat calmly.

Some were convinced only when army and navy supply depots threw open their gates and invited all comers to carry off what they liked.

In the cities many did not believe until they saw clouds of smoke from burning papers pouring for days from the chimneys of government buildings.

Even today, four years afterwards, most Japanese are reluctant to discuss what happened in that fevered fortnight between the emperor's broadcast and the arrival of the first American occupation troops.

To this day, millions in gold, silver and jewels — some of it loot from conquest—remains hidden somewhere. Occasionally a small cache of concealed weapons is turned up; and hints have come from war crimes trials that some secret papers and plans still exist.

On the whole, the Japanese conduct towards the first conquerors ever to set foot on their home islands followed the orders of their emperor. Most met the strangers with outward stoicism.

Yet the anniversary of the surrender rescripts is not publicly observed in Japan.

Each year General MacArthur has confined his recollection of the surrender to a stern but paternal statement—not on Aug. 13,—but on Sept. 2, the date the Japanese formally signed the surrender aboard the battleship Missouri in Tokyo Bay.

Chinese Capture Japanese Boats

Tokyo, *Monday*, Aug. 15 (AP)—Armed Chinese—presumably Nationalists — seized two Japanese fishing boats August 7 about 200 miles east of Shanghai, owners of the craft told Allied headquarters today.

The owners said the ships and twelve crewmen of each were being held on the Chushan islands. The Chinese Nationalists are using the islands for naval and air operations against the Chinese Communists. The archipelago is a little more than 100 miles southeast of Shanghai.

The fishing craft were seized just inside the area General MacArthur has prescribed for Japanese fishing operations in the East China Sea, the owners reported.

COUP AROUSES MIDDLE EAST

Abdullah Urges Arab League Act; Calls In Diplomats

Amman, Hashemite Jordan, Aug. 14 (AP)—King Abdullah's Government today urged an emergency meeting of the Arab League to cope with the crisis over the execution of Syrian President Husni

Zayim and Premier Muhsen Bey Berazi by an army firing squad in Damascus.

The seven-nation league's political committee was scheduled to meet in Alexandria, Egypt, August 20 on other matters, particularly the peace talks between the Arab countries and Israel at Lausanne, Switzerland.

However, dispatches from Cairo said the league meeting had been postponed indefinitely because of the Syrian coup. The Egyptian Cabinet at a long special session this morning discussed the Syrian situation but no Government authorities in Cairo would comment on it.

Calls In Diplomats

Abdullah, who cherishes a hope of stretching the Hashemite dynasty's rule over a "greater Syria," moved quickly on the diplomatic front when news of the Damascus coup spread over the Middle East.

He called in the foreign diplomatic corps, including the American *chargé d'affaires*, Wells Staebler; the British *chargé*, Perry Gordon, and chiefs of missions from Egypt, Saudi Arabia, Lebanon and Iraq. The United States, France and Egypt are among the countries most vitally concerned over the upheaval in Syria.

After seizing power in a Syrian army coup last March 30 Zayim agreed to let the United States establish a pipeline head in Syria to carry Arabian oil to the Mediterranean, a right denied by the regime he overthrew. A00

Israeli Arms Dump Explosion Delayed

Jerusalem, Aug. 14 (AP) — An Israeli arms dump explosion, scheduled for tomorrow, was postponed without explanation tonight. The dump contained three and a half tons of T.N.T.

The Israeli radio was expected to broadcast a warning tonight to all residents within a radius of 500 yards to take cover. The broadcast failed to materialize and Israeli officials kept silent about the postponement.

Observers, however, believed the delay was due to ceremonies planned for Tuesday and Wednesday in connection with the burial of Theodor Herzl, father of Zionism, whose body is en route from Vienna.

The T.N.T. dump in the vicinity of the Damascus gate of the Old City has deteriorated in the weather. United Nations observers said it was too dangerous to be moved.

Slain Syrian Chiefs Extolled

JERUSALEM, Aug. 14 (AP)—Gen. William Riley, Chief of Staff for the United Nations here, said today the Arab world lost "two of its grandest individuals" in the deaths of President Husni Zayim and Premier Mohsen el Barazi in Syria. "These two outstanding leaders might have done much for achievement of peace in the Middle East," he said.

Senate Group Is Divided On Question Of Limits

Washington, Aug. 14 (AP)—A sharply divided Senate committee of 25 members today seemed ready to write new restrictions of some kind into the Administration's $1,450,000,000 foreign arms programs.

A barrage of amendments is being rushed. They deal with the amount, who gets it and who parcels it out.

One proposed curb may find Senator Vandenberg (R., Mich.) openly at odds with his Air Force staff chief nephew, Gen. Hoyt Vandenberg.

Working With Dulles

Senator Vandenberg has been working with Senator Dulles (R., N.Y.) on an amendment designed to tie the arms program to forthcoming North Atlantic community defense plans.

It may provide for distribution of American military supplies under direction of the defense committee when it is set up by the North Atlantic Council under the twelve-nation treaty. Neither Dulles nor Vandenberg wish to delay the start of the arms flow.

General Vandenberg was said by some senators already to have opposed in closed meetings of the combined Foreign Relations and Armed Services Committee any restriction on this country's decision as to where these arms shall go. The 25 members of the two committees are considering the legislation as a body.

The General also has opposed, senators reported, any move to make the program merely a stopgap affair until the defense committee can get into operation. Senator Vandenberg was the first to propose such a compromise.

Chairman Connally (D., Texas), of the Foreign Relations Committee, which will begin going over the bill in a closed session Tuesday, said he wants this country to have the final say on the distribution of military supplies.

Meanwhile, Administration leaders confidently predict that the House Foreign Affairs group—starting work tomorrow—will approve the arms bill without major changes. A House floor fight to cut the total will come when debate opens.

First Fight In Senate Group

First-round efforts to trim the outlay and to restrict the program are expected to center in the big Senate group.

Whatever the senators do in committee, the program appeared headed for a bitter fight on the Senate floor with attacks leveled at it from both major parties.

It has been advanced by the Administration as a minimum program, urgently needed, to "fill the vacuum" of European military weakness in the shadow of Russia's armed might. Besides the Atlantic treaty nations, aid would go to Greece, Turkey, Korea and the Philippines.

Some Democrats who are not on the combined Foreign Relations and Armed Services group spoke out against the proposal today.

Fears It Wil. Weaken U.S.

Senator Maybank (D., S.C.) said he is going to fight it because he thinks the sending of supplies to western European countries will weaken American defenses.

"We are being asked to disarm ourselves to arm others," he declared. "They are asking the American people to give a billion in arms to Europe when the drive is on to cut a billion off of our own military outlays. It doesn't make sense to me."

Maybank has called RFC officials before the Senate Banking Committee tomorrow to try to find out whether that organization is going to be asked to advance up to $800,000,000 to get the military program started immediately after Congress acts on it.

The South Carolina Senator contended this would be only a means of bypassing the slow-moving appropriations committees, which often take matters into their own hands and cut outlays below the totals previously authorized by Congress.

The pending measure is an authorization of the arms program; not a direct appropriation which would come later.

Senator Johnson (D., Col.), not a committeeman, said the program calls for "a ridiculous and silly outlay of money," adding:

"It will mean nothing to the defense of the United States."

Tydings Recalls Advice

But Senator Tydings (D., Md.), chairman of the Armed Services Committee, said he is willing to take the advice of the chiefs of staff that the rearming of Europe is essential to American defenses.

"It would be a major error if we disregarded the best advice available to this country on a matter that affects it so vitally," he declared.

Senator Byrd (D., Va.) said he and Senator Russell (D., Ga.) are working on an amendment which would restrict to $450,000,000—figured on original cost — the amount of surplus military equipment that can be turned over to other nations.

As it now is before the committee, the bill provides $77,000,000 to refurnish and ship an unspecified amount of surplus equipment.

Difficulties Indicated

Byrd and Russell also want to define surplus, but apparently were having difficulty in getting their ideas into language.

Vandenberg has suggested that the $1,450,000,000 over-all total of the bill be split up into half cash and half contract authority under which supplies would be paid for later. Louis A. Johnson, Secretary of Defense, has agreed to accept a split of 60 per cent in cash, 40 per cent in authority.

Byrd said he regarded any such move as "only window dressing."

"That would just make appropriations that much heavier next year," he declared.

Still Favors Cut

Senator George (D., Ga.) said he still thinks the total can be cut in half and still carry out the program.

Senator Gurney (R., S.D.) came up with a new idea. He said he cannot see any reason why other Western Hemisphere nations, particularly Canada, can't share in furnishing arms to western European nations.

Senator Knowland (R., Cal.) and others who have been pushing for some military aid to Nationalist China will throw an amendment of this nature into the pot when the committee begins voting on the bill.

SENATOR URGES TAX REDUCTION

WASHINGTON, Aug. 14 — (AP) Chairman George (D-Ga) of the Senate Finance committee today called for immediate tax reductions to "increase our national income."

He set forth six ways to make cuts at once.

The Georgian declared the tax burden on individuals and corporations now is "a major obstacle to continuing economic expansion." He contended that lower tax rates stimulate business—that reductions are the "answer to our tax problem."

Hits Waste Spending

George spoke out for elimination of waste in our home and foreign spending as "our chief need."

But Senator Martin (R-Pa) said in a statement that efforts to chop appropriations were being lost "by a small margin of votes."

Martin said that the late logjam of appropriations means that in the final rush to adjourn there won't be time for careful consideration of each item and "millions of dollars that might have been saved will be handed over to the bureaucrats."

George, appearing in a radio interview (WPIK) with commentator Charles Parmer, advised these "immediate reductions:

1. A tax credit to individual taxpayers on dividends received. He said Canada allows 10 per cent, and that such a figure here would cost the treasury about $560,000,000 a year. An exemption of all dividends would cut individual income tax liability $2,000,000,000, he said, describing it as "the goal" but which can't be attained at once.

Research Deductions

2. Preferential treatment for earned income. This, he said, would stimulate incentive of ambitious persons and expand the economy.

3. Special consideration for creative talent groups. This would include authors, professional men and women, and others. George said the span of working years for specialized talent groups is short but that our revenue system has hardly noted it.

4. Special deductions for long term research.

5. Better provision for business to amortize plant and equipment. He said the goal should be to provide modern, up-to-date machine tools and other equipment every decade, at least, to expand production and face national emergencies such as war.

6. Substantially reduce excise taxes, or preferably, eliminate all wartime excise taxes. He said they have raised prices and cut production and employment. The administration has rejected wartime excise tax repeal at this time.

Pay National Debt

George counseled that a "constantly expanding economy will make it possible to reduce our taxes and systematically apply payments upon the national debt."

George predicted that the deficit will be greater for the fiscal year ending June 30, 1950, than was predicted last January, but he added that additional taxes now or in 1950 "would be little short of disastrous."

He based this conclusion on the assumption that increased spending, including the 1950 payments of life insurance refunds to veterans, will do no more than check the business recession.

However, George added, "the economy is now showing some signs of stability and balance."

PROBERS TO CHECK VAUGHAN'S STORY

5 Per Cent Group Attempts to Fill 'Big Gaps' in Freezer Account

WASHINGTON, Aug. 14—(AP) Senate investigators strove today to fill in what they called "big gaps" in Maj. Gen. Harry H. Vaughan's account of the case of the home freezers.

Vaughan, who is President Truman's military aide, has explained that two old friends simply presented seven freezers to him in 1945, and that he in turn "made girts of these units to certain friends of mine," all Washington notables.

The Senate's special investigations subcommittee has received testimony that all of the freezers were paid for by the Albert Verley Co., a Chicago perfume house.

Eye Maragon's Activities

The committee in studying the freezer episode has subpoenaed records of the Verley company. It also is looking into the activities of John Maragon, who has said he worked for the Verley company in 1945, when the freezers were shipped.

30.24- 5047

Maragon once had a White House pass and has said he regards Vaughan as a good friend. He was questioned privately early in the inquiry before freezers were mentioned.

The committee launched its investigation to study whether improper influence has played a part in getting government business.

Vaughan, in a statement at the White House yesterday, said the freezers were given to him as a courtesy by "old friends" David Bennett and Harry Hoffman. Bennett heads the Verley firm. Hoffman is a Milwaukee advertising man reportedly once associated with that company.

The committee has a subpoena out for Hoffman. A staff investigator said that so far as he knew, U. S. marshals in Milwaukee still were trying to locate Hoffman. At Milwaukee it was reported he is going voluntarily to Washington.

"Big Gap" in Story

"Vaughan's account of what happened," said Senator Mundt (R-SD), a committee member, "leaves big gaps to be filled in. We still want to know what motivated Hoffman and Bennett to make gifts valued at about $3,000 to Vaughan. We still want to know whether they expected to get anything out of it, and whether they actually did."

Vaughan contended the freezers were experimental models without commercial worth.

The testimony about shipment of freezers to Vaughan and other prominent Washingtonians came last week from Albert J. Gross, a Milwaukee manufacturer. He said he dispatched the units paid for by the Verley company. Committeemen have said Gross "is in the clear" in the case. Gross, it was learned, has been summoned back to the capitol for more questioning. He is expected to be on hand tomorrow.

So is Robert Quirk, vice president of a Cudahy, Wis., firm which supplied cabinets to Gross' company for production of freezers.

The committee wants to question both Gross and Quirk about Vaughan's statement that he was told by Hoffman that there might be some factory-reject models available, and that the freezers shipped had no commercial market value.

Gross said nothing about that when he testified last week. And Quirk, after Vaughan issued his statement, commented:

Were Not Rejects

"There may have been some defective steel in some of them, but we didn't know it, nor did we sell them to him (Gross) as rejects."

It is likely that both Gross and Quirk will be questioned privately tomorrow, but they probably won't take the stand at the public hearings until later in the week.

The original plan was to put them on the stand tomorrow morning, but the committee staff decided to defer that pending a conference with Chairman Hoey (D-NC). Worn out by last week's arduous sessions, the 71-year-old Hoey was in seclusion over the weekend.

Vaughan said he kept one of the freezers for himself, reserved one for the White House staff's lunchroom, and had another sent to the Little White House at Independence, Mo. A committeeman said, Friday that invoices showed this one was sent to Mrs. Truman.

Vaughan said he asked Hoffman to ship the others to Chief Justice Fred M. Vinson, Secretary of the Treasury John W. Snyder, Federal Reserve Governor James K. Vardaman, and Presidential Secretary Matthew Connelly.

At the time of the shipments Vinson was reconversion director and later secretary of the treasury. Vardaman was Mr. Truman's naval aide.

Snyder, who succeeded Vinson as reconversion director and later as secretary of the treasury, told a reporter after Vaughan's statement came out that he never received one of the freezers.

Denies Impropriety

Vaughan's statement was prompted by the circumstances of Gross' testimony. The Milwaukeean named Vaughan as a recipient of a freezer, but the committee halted his story at that point pending further investigation of the facts regarding shipment of the others.

But the other names leaked out and Vaughan spoke up "because some inference or implication is present that there was some impropriety." He said he wanted to make it "absolutely clear there was nothing improper in any manner regarding the gifts of these units," and added:

"The simple explanation of this entire matter is that Mr. Hoffman and Mr. Bennett desired to extend this courtesy to me as a friend, and I in turn made gifts of these units to certain friends of mine."

Vaughan noted that he has agreed to appear as a witness at the Senate inquiry. He said that when he does he will make a full statement "regarding all the matters with which my name has been connected."

His name cropped up in testimony each of the five days the committee has conducted public hearings. And committee members predicted it will come up again tomorrow when the group digs deeper into evidence which resulted in the suspension of Maj. Gen. Alden H. Waitt, chief of the Army chemical corps.

MAGNUSON URGES REPAIR OF SHIPS HELD IN RESERVE

WASHINGTON, Aug. 14 — (AP) Senator Magnuson (D-Wash) expressed hope today that 30 or 40 senators will join him in urging a $25,000,000 appropriation for the repair of 134 reserve ships.

The vessels are military-type auxiliaries. Sixty-four, he said, are on the Atlantic coast (all but two of them in the James river in Virginia), 17 on the Gulf coast (14 of them at Mobile, Ala.), and 53 on the Pacific coast.

He said it cost an average of $3,000,000 each to build them and it would cost $5,000,000 each to replace them today. The $25,000,000 expenditure would protect a $400,000,000 investment, he added. It would work out, he said, to an average repair cost of $180,000 per vessel.

Would Keep Skilled Labor

Magnuson is chairman of the Senate Merchant Marine subcommittee. He said the vessels are necessary to national defense and would avert loss of skilled labor from the nation's recession-suffering shipyards.

The Joint Chiefs of Staff, Magnuson said in a statement, hope that 439 such vessels eventually will be put into good operating condition for use in an emergency. They have recommended that $25,000,000 be spent this fiscal year to repair 134 vessels and that a similar annual program be carried out until the total goal is reached, he said.

Magnuson explained his views in letters to other senators, asking them to go along with him in seeking the funds.

Magnuson wrote that "a major portion of that 'greatest fleet' is today slowly rusting to destruction; what enemy action failed to accomplish, our own continued neglect will surely achieve."

Employment Down 41 Per Cent

He said that from January, 1947, to May, 1949, employment in private shipyards in this country has declined from 152,900 to 80,000 or 41 per cent.

In North Atlantic yards the decrease amount to 25,400 workers, or 35.6 per cent; on the Gulf it was 17,500 or 62.5 per cent, and on the Pacific coast 21,500 or 69.6 per cent, he said.

"The drastic loss in trained personnel which has occurred in two and one-half years represents a matter of vital concern to the Senate and the country," said Magnuson.

'Peace Congress' Makes Washington See 'Red'

Apparently 'Moscow Directed,' State Department Official Says Of Mexico City Meeting

Washington, Aug. 14 (AP)—An unofficial Western Hemisphere "Congress for Peace" today was summoned to meet next month in Mexico City.

A State Department spokesman said the conference apparently will be "Moscow directed." To this a parley sponsor replied:

"These days you can't stand up for anything that's against the policy of the State Department without them trying to smear you."

Plans for the meeting were announced in New York by the "American Continental Congress for Peace," which said it is backed by some 300 educators, artists, writers and unionists in this country and the other Americas.

Would Avert "World War III"

Among those listed as members of the United States committee for the Congress were Dr. W. E. B. DuBois, anthropologist; Dr. Linus Pauling, scientist; Paul Robeson, the Negro singer; actor Charles Chaplin; and O. John Rogge, former United States assistant attorney general.

A statement issued by the New York office said the congress is meeting September 5-10 to discuss ways to prevent World War III. It declared the sponsors believe that "war preparations and accompanying anti-democratic measures" are hindering efforts of the American peoples to live together, in peace and freedom, in a free and peaceful world.

Roger W. Tubby, a news officer for the State Department commented:

"It appears that it will be another Moscow-directed conference. We fully expect that the activities will be devoted to providing an apologia for the Moscow point of view."

Recalls "Shapley" Conference

Tubby said also that "in our view it will merely be a conference similar to that held in New York city under the sponsorship of Harlow Shapley."

The New York meeting to which he referred was the "Cultural and Scientific Conference for World Peace" held last March. Dr. Harlow Shapley, Harvard astronomer, is chairman of the National Council of the Arts, Sciences and Professions, which sponsored the meeting. Henry A. Wallace, former Vice President, was one of the principal speakers there.

Shapley also is listed as a sponsor of the Mexico gathering.

The announcement from the "American Continental Congress for Peace" said that body will meet in Mexico City from September 5 to 10. It said that the poet, Enriqué Gonzales Martinez, will preside and that Luis Enriqué Delano will be secretary-general.

Call Cites "The War-Makers"

A formal call dated June, 1949, Mexico City, was made pubilc with the statement. It invited "all men and women of good will of the Americas" to attend the congress.

"The activities of those who would profit from another world war are being felt more intensely each day by the peoples of the Americas," said the call. "The warmakers have started an armament race which already affects many nations of this continent.

"They have burdened the peoples with unbearable war budgets, have ignored the sovereignty of nations and have organized aggressive military blocs."

Atlantic Union Group Director Is Appointed

Washington, Aug. 14 (AP)—Appointment of Robert J. Bishop as executive director of the Atlantic Union Committee was announced today by Owen J. Roberts, former Supreme Court Justice, who is the committee president.

Bishop is former vice president of the United States Junior Chamber of Commerce, and a native of Orlando, Fla.

The Atlantic Union Committee is supporting a resolution in Congress asking President Truman to call a "federal convention" of Canada, Britain, France, Beligum, the Netherlands and Luxembourg to discuss "free federal union" within the United Nations.

The proposed federal union would be open to democracies starting with the seven which signed the Atlantic treaty, who in turn could invite others.

Hoof-Mouth Disease Parley

WASHINGTON, Aug. 14 (AP).—Hoof-and-mouth disease will be the subject of an international meeting beginning tomorrow at London, the United Nations Food and Agriculture Organization announced today. The purpose will be to exchange information on controlling the disease.

NEW WEAPON DISCLOSED

Radio-Guided Anti-Aircraft Rocket for Navy Is Depicted

SAN DIEGO, Calif., Aug 14 (AP)—Pictures of a new naval weapon—a radio-guided anti-aircraft rocket—were released here today.

The Consolidated Vultee Aircraft Corporation, builder of the bullet-shaped missile, said it was designed for ship-board launching against enemy planes.

The company said the missile was rocket-powered and that, operated by remote control, it had made successful initial tests as early as December, 1947.

At an appropriation hearing in Washington in 1948, the Navy disclosed it was developing a guided missile to knock down enemy planes more than seven miles away.

The Navy said then the rocket-propelled, guided missile would be ready for fleet installations by 1950.

The weapon, which the building company calls the "Convair Lark," still carries a Navy experimental designation—XSAM-N-4.

Navy Has New Blimp To Battle Submarines

Philadelphia, Aug. 14 (AP)—The 4th Naval District disclosed tonight that a new blimp designed to combat submerged submarines is now under construction.

The blimp, being built at the Goodyear Aircraft Corporation plant at Akron, Ohio, is capable of long-range patrol over ocean areas. It will have an overall length of 324 feet.

EX-SLOVAKIAN DIGNITARY ON ELLIS ISLAND

Ferjencik Detained As Communist Suspect On Arrival As D.P.

New York, Aug. 14 (AP)—Gen. Mikulas Feriencik, former Slovakian Minister of Defense, was detained as a suspected Communist today on his arrival from Europe as a displaced person.

Inspector Edward Ferro, of the Immigration and Naturalization Service, said Ferjencik, 44, and his wife, Milada, 32, would be held on Ellis Island pending further investigation.

The two were among 822 displaced persons arriving from Bremerhaven on the United States Army transport, General Heintzelman.

Inspector Ferro declined to elaborate on the detention except to say that Ferjencik "is being held as a suspected Communist."

Paraders Denounce Him

Earlier a group of about twenty persons gathered outside the pier and paraded with placards which read:

"Americans, deport bloody General Ferjencik, chief of the NKVD" (Soviet secret police now called the MVD), and "Americans, do not admit General Rejencik who crashed down Slovak, anti-Red underground."

The group said they were members of the American Slovak League and the American Friends of Slovak Freedom.

Ferjencik arrived as an individual and was not sponsored by any organization.

Trained In Moscow, Charge

Lowell E. Jones, honorary president of the American Friends of Slovak Freedom, charged that Ferjencik, who also served as Slovak Secretary of the Interior, joined the Communist uprising in Slovakia, then a semi-autonomous state, and went to Moscow for Communist training.

As Slovak Minister of the Interior, Ferjencik held nonparty status, but supported Communist Premier Klement Gottwald (now President) in reshaping the Government of semi-autonomous Slovakia in November, 1947.

Ferjencik remained in Czechoslovakia after the final Communist coup until July, 1948, when he escaped over the border with another Czech general, Antonin Hasal.

They got in contact with United States Army authorities in the western zone of Germany. Hasal at the time said that in case of a war, elements of the Czech Army would "certainly try to operate with the West."

AMVETS, AVC Plan Merger

NEW YORK, Aug. 14—(AP) National commanders of the American Veterans committee (AVC) and the American veterans of the World War II (AMVETS) today announced a proposed merger of their organizations.

The move to combine the two veterans' groups was announced jointly by Harold Keats of Fort Lauderdale, Fla., national commander of AMVETS, and Gilbert Harrison of Los Angeles, Calif., head of the AVC.

They said at a news conference that the proposed merger will be presented for membership at conventions of each organization.

The AVC will hold its national convention in Chicago Thanksgiving weekend.

The Amvets' convention will take place in Des Moines, Sept. 3, 4 and 5.

The AMVETS claim a national membership of 117,000, with 1,300 posts in 43 states. The AVC gives its membership total as 30,000, with 900 to 1,000 chapters.

All members of both organizations are veterans of World War II.

If a single new group is formed it probably will be known as AMVETS, Harrison said, because that organization is larger and now holds a charter from Congress.

LONDON, AUG. 14-(AP)-THE ALBANIAN DEFENSE MINISTRY CHARGES GREEK GOVERNMENT FORCES AGAIN HAVE CROSSED THE ALBANIAN FRONTIER IN THE BILISHT SECTOR, THE ALBANIAN TELEGRAPH AGENCY REPORTED TODAY.

THE MINISTRY'S COMMUNIQUE SAID "EFFECTIVES OF TWO BRIGADES, SUPPORTED BY ARTILLERY" CROSSED INTO ALBANIA YESTERDAY, BUT THEY WITHDREW "IN HASTE, LEAVING IN OUR TERRITORY 26 KILLED" WHEN ALBANIAN FORCES COUNTERATTACKED.

THE COMMUNIQUE CLAIMED THAT SO FAR "THE ENEMY" HAS HAD 300 KILLED AND INJURED IN ALBANIA.

PREVIOUS CHARGES BY ALBANIA THAT GREEK FORCES HAD CROSSED THE FRONTIER WERE DENIED BY THE ATHENS GOVERNMENT LAST WEEK.

AS POLLING STATIONS CLOSED, SOCIALIST HEADQUARTERS AT HANNOVER DECALRED SOCIALISTS WERE LEADING IN MOST PARTS OF WESTERN GERMA

DECLARED SOCIALISTS WERE LEADING IN MOST PARTS OF WESTERN GERMANY, BUT CONCEDED THAT CHRISTIAN DEMOCRATS WERE AHEAD IN NORTH-RHINE WESTPHALIA AND WUERTTEMBERG-BADEN STATES AND THE SOUTHERN PART OF THE FRENCH ZONE.

AN AMAZINGLY HEAVY VOTE WAS REPORTED IN SOME LARGE CITIES. IN HAMBURG, MORE THAN 80 PER CENT OF THE VOTERS WERE REPORTED TO HAVE TURNED OUT.

MAX REIMANN, COMMUNIST LEADER, RAN FOR E ECTION IN HIS LOCAL DISTRICT AT DORTMUND. BUSLOADS OF PEOPLE APPEARED AT SPECIAL BOOTHS FOR TRAVELERS THERE. ANTI-COMMUNISTS SAID THEY SUSPECTED THE VOTERS CAME FROM NEARBY TOWNS WHERE COMMUNISTS HAD NO CHANCE OF ELECTING CANDIDATES.

CATHOLIC PRIESTS IN KOETZING WARNED THEIR CONGREGATIONS NOT TO VOTE FOR "PEOPLE WHO SET UP CONCENTRATION CAMPS IN THE RUSSIAN ZONE AND PERSECUTE CATHOLIC PRIESTS BEHIND THE IRON CURTAIN."

THE PRIESTS, PLAINLY AIMING AT THE SOCIAL DEMOCRATS ALSO, WARNED AGAINST "CANDIDATES WHO INTEND TO DEPRIVE US OF THE RIGHT TO DETERMINE THE EDUCATION WE SHOULD HAVE." THE SOCIAL DEMOCRATS OPPOSE STATE SUPPORT FOR PAROCHIAL SCHOOLS.

BY 1 P.M., FOUR HOURS BEFORE THE POLLS CLOSED, FROM 40 TO 50 PER CENT OF THE ELIGIBLE VOTERS WERE ESTIMATED TO HAVE CAST BALLOTS IN THE ELECTION OF 400 OR MORE MEMBERS OF THE BUNDESTAG. THE EXACT NUMBER DEPENDS UPON THE WORKINGS OF A PROPORTIONAL REPRESENTATION SYSTEM BY WHICH A PERCENTAGE OF CANDIDATES-AT-LARGE ARE CHOSEN.

THE VOTERS HAD TO CHOOSE AMONG 2,297 CANDIDATES FROM 18 PARTIES.

THE LOWER HOUSE, CALLED THE BUNDESTAG, WILL MEET SEPT.7 AND TWO DAYS LATER WILL CHOOSE A FIRST PRESIDENT FOR THE 47,000,000 GERMANS OF THE 11 STATES IN THE AMERICAN, BRITISH AND FRENCH ZONES.

MARKING THE BITTERNESS OF THE CAMPAIGN, TWO SQUADS OF PLACARD-BEARERS FOUGHT IN THE STREETS OF HAMBURG. TWO WERE INJURED AND SEVEN ARRESTED.

IN THE RUHR, A LOUDSPEAKER VAN WAS STONED AND FIGHTING BROKE OUT BRIEFLY.

AT FLENSBURG, NEAR THE DANISH BORDER, OTHER FIGHTING FLARED WHEN A GROUP BEGAN DEFACING ELECTION POSTERS.

A GROUP OF YOUTHS MARCHING AND SHOUTING THE OLD NAZI CRY "SIEG HEIL" WAS DISPERSED IN KELHEIM BY POLICE LAST NIGHT.

THE SOVIET FLAG WAS TAKEN DOWN BY POLICE FROM IN FRONT OF ONE VOTING PLACE IN DARMSTADT, IN THE AMERICAN ZONE.

NAZI SWASTIKAS WERE PASTED OVER ELECTION POSTERS AT OLDESLOE, NEAR HANNOVER.

EXTREME RIGHTWING GROUPS, SOME NOT OPNELY LINKED WITH OFFICIALLY LICENSED PARTIES, PLACARDED STREETS IN NORTHERN GERMANY WITH CALLS FOR A "VOTERS' STRIKE."

ONE LEAFLET DEMANDED A UNITED GERMANY STRETCHING FROM EAST PRUSSIA IN THE RUSSIAN ZONE TO THE FRENCH-OCCUPIED SAAR.

A TEAR GAS BOMB WAS HURLED AT THE COMMUNIST LEADER MAX REIMANN AT A POLITICAL MEETING IN THE RUHR SATURDAY NIGHT. STONES AND FENCE PICKETS THROWN AT DR. HANS EHARD, MINISTER-PRESIDENT (GOVERNOR) OF BAVARIA, AT A CHRISTIAN DEMOCRAT RALLY AT BAMBERG.

POLICE WERE REINFORCED THROUGHOUT WEST GERMANY AND WERE STATIONED AT ALL VOTING BOOTHS. EXTRA POLICE GUARDED ALL CROSSING POINTS ON THE BRITISH-SOVIET BORDER.

THESE INCIDENTS WERE BELIEVED TO BE ONLY THE FROTH OF THE CAMPAIGN, HOWEVER. THE TURNOUT OF VOTERS, APPARENTLY HEAVIER THAN EXPECTED, WAS BELIEVED TO ENSURE DEFEAT OF THE GROWING NUMBER OF RADICAL PARTIES, BOTH OF THE LEFT AND RIGHT.

INDICATIONS FROM ALL PARTS OF GERMANY--FROM THE TOP OF THE HIGHEST MOUNTAIN, THE ZUGSPITZE, TO THE BALTIC--WERE THAT THE VOTERS WERE TAKING THEIR RESPONSIBILITIES SERIOUSLY.

ON THE ZUGSPITZE VACATIONERS FOUND A POLLING BOOTH AND TOOK TIME FROM THEIR SPORTS TO MARK BALLOTS.

SPECIAL VOTING BOOTHS WERE SET UP AT RAILROAD STATIONS WHERE TRAVELERS COULD VOTE FROM MIDNIGHT ON. MANY SHOWED UP AT THESE PLACES WEARING SHORTS AND CARRYING RUCKSACKS. THEY VOTED AND WERE WELL ON THEIR WAY TO A HOLIDAY IN THE COUNTRYSIDE BY THE TIME REGULAR BOOTHS OPENED AT 8 A.M. OTHERS WEARING BATHING SUITS APPEARED AT SPECIAL BOOTHS AT THE BEACHES.

FOR THE FIRST TIME IN GERMANY, PRISONERS AWAITING TRIAL IN JAILS WERE ALLOWED TO VOTE. THOSE ALREADY CONVICTED COULD NOT VOTE. THE 58 PRISONERS AT WIESBADEN JAIL VOTED ALONG BAVARIA'S TRADITIONAL CONSERVATIVE PATTERN--29 FOR CONSERVATIVE PARTIES, 18 FOR SOCIAL DEMOCRATS AND SEVEN FOR COMMUNISTS.

FORTY-THREE STUDENTS AT A SCHOOL FOR THE BLIND AT WIESBADEN VOTED BY ANNOUNCING THEIR CHOICES TO A RELATIVE, DOCTOR OR NURSE. THEY CAST 28 CONSERVATIVE VOTES, 14 SOCIALIST AND ONE COMMUNIST.

SCHOOLS SERVED AS VOTING PLACES IN MOST INSTANCES. BUT BEER HALLS ALSO WERE PRESSED INTO SERVICE. THE CITIZEN COULD CAST HIS VOTE THERE, THEN EXCHANGE POLITICAL OPINIONS WITH A FRIEND OVER GLASSES OF BEER.

A16

THE RESULTS WERE AWAITED WITH KEEN INTEREST ABROAD. WESTERN GERMANY IS IN THE FRONT LINE OF THE EAST-WEST POLITICAL BATTLE. WITH THE INDUSTRIAL RUHR, WEST GERMANY STILL IS ONE OF THE MOST POWERFUL FACTORS IN EUROPE.

INTEREST WAS HEIGHTENED BY THE TENDENCY OF THE PARTIES TO APPEAL TO THE NATIONALISTIC INSTINCTS OF THE GERMAN VOTER IN THE HEAT OF THE CAMPAIGN. MANY OBSERVERS WONDERED WHETHER THE GROWING ASSERTIVENESS OF THE WEST GERMAN AND HIS READINESS TO CRITICISE THE WESTERN OCCUPATION POWERS PRESAGED A REVIVAL OF THE MILITARY SPIRIT.

NATIONALIST PARTIES TRIED THEIR BEST TO ATTRACT THE VOTES OF 3,500,000 NAZIS RESTORED TO VOTING RIGHTS SINCE THE 11 STATES ELECTED THEIR OWN LEGISLATURES IN 1946 AND 1947. THE 5,000,000 GERMAN REFUGEES FROM THE EAST ALSO WERE A QUESTION MARK.

WESTERN ALLIED OBSERVERS FELT, HOWEVER, THAT THE MAJORITY OF GERMANS WOULD VOTE FOR THE BIG PARTIES PLEDGED TO POLITICAL FREEDOM.

THE BIG ISSUE BETWEEN THE TWO LARGEST PARTIES, THE CHRISTIAN DEMOCRATS AND THE SOCIAL DEMOCRATS, WAS FREE ENTERPRISE VERSUS SOCIALISM ON THE BRITISH MODEL.

WITH 16 OTHER PARTIES READY TO CLAIM A SHARE OF THE VOTE, HOWEVER, IT APPEARED UNLIKELY THAT EITHER BIG PARTY WOULD GET AN ABSOLUTE MAJORITY IN THE BUNDESTAG.

THE ELECTION WAS WATCHED FOR AN INDICATION OF WHETHER COMMUNISTS ARE GAINING OR LOSING. THEY GOT ABOUT 10 PER CENT OF THE VOTE IN STATE ELECTIONS IN 1946.

IN BERLIN, THE SOVIET-LICENSED TAEGLICHE RUNDSCHAU ATTACKED THE WESTERN ELECTIONS AS A "BITTER JOKE."

"THE ELECTIONS ARE NOT A GERMAN AFFAIR, BUT AN AMERICAN AFFAIR." IT SAID. "GERMANY IS TO BE SPLIT FOREVER."

IN MOSCOW THE COMMUNIST PARTY NEWSPAPER IZVESTIA DECLARED THE AMERICANS HAD "RIGGED THE ELECTIONS" AND THAT EXTREME RIGHTIST PARTIES WERE BEING FINANCED BY FOREIGN CAPITALISTS WHILE MEMBERS OF THE COMMUNIST PARTY WERE HUNTED DOWN.

BESIDES CHRISTIAN DEMOCRATS, SOCIAL DEMOCRATS, COMMUNISTS AND FREE DEMOCRATS OTHER PARTIES INCLUDED:

CENTER PARTY; BAVARIAN PARTY, RIGHT WINGERS DEMANDING AN INDEPENDENT BAVARIA; ECONOMIC RECONSTRUCTION PARTY, A BAVARIAN GROUP URGING GOVERNMENT BY EXPERTS; RADICAL SOCIALIST FREEDOM PARTY, WITH A SOCIAL CREDIT PLATFORM; SOUTH SCHESWIG ASSOCIATION, A PRO-DANISH PARTY NEAR DENMARK'S FRONTIER; PEOPLE'S PARTY, SEEKING AN INDEPENDENT RHINELAND; AND THE SAMMLUNG ZUR TAR, A RIGHT WING GROUP IN THE FRENCH ZONE.

THERE WERE 31,000,000 GERMANS ELIGIBLE TO VOTE AND REPORTS SAID BETWEEN 70 AND 85 PERCENT TURNED OUT AT THE POLLS. THIS WAS HIGHER THAN EXPECTED AFTER THE APPARENT APATHY OF VOTERS DURING THE BITTERLY ANTI-ALLIED CAMPAIGN.

ALL THREE OF THE LEADING PARTIES ARE BITTERLY ANTI-COMMUNIST.

THEIR VOTE WAS SEEN AS FAVORING THE CHANCES OF THE WEST GERMAN REPUBLIC BEING ACCEPTED IN THE NEW EUROPEAN COUNCIL. THIS WOULD BE THE GERMANS' FIRST RETURN TO INTERNATIONAL RECOGNITION SINCE THE WAR. LEADERS OF THE EUROPEAN COUNCIL SAID THEY WERE CONSIDERING INVITING GERMANY TO JOIN IF THE GERMANS ELECTED A STRONG MAJORITY SYMPATHETIC TO THE WEST.

THE ECONOMIC POLICY OF THE CHRISTIAN DEMOCRATS FAVORING FREE ENTERPRISE IS POPULAR WITH AMERICAN OFFICIALS. THEIR STAND FOR A FEDERAL TYPE GOVERNMENT INSTEAD OF A STRONGLY CENTRALIZED ONE PLEASES GERMANY'S EUROPEAN NEIGHBORS WHO FEAR A REVIVAL OF NATIONALISM.

THE FREE DEMOCRATS HAVE VOTED WITH THE CHRISTIAN DEMOCRATS ON ECONOMIC MATTERS BUT HAVE BACKED THE SOCIAL DEMOCRATS IN SEEKING A STRONG CENTRAL GOVERNMENT.

WITH NO PARTY LIKELY TO WIN A MAJORITY IN THE PARLIAMENT, A FREE DEMOCRAT-CHRISTIAN DEMOCRAT COALITION TO NAME A CHANCELLOR (PRIME MINISTER) AND CONTROL PARLIAMENT SEEMED A STRONG POSSIBILITY.

RIVAL POLITICAL WORKERS CLASHED IN STREET FIGHTS IN SEVERAL CITIES.

IN HAMBURG, TWO SQUADS OF POLITICAL PLACARD-BEARERS FOUGHT IN THE STREETS. TWO WERE INJURED AND SEVEN ARRESTED. IN THE RUHR COAL BASIN, POLICE REPORTED THAT A LOUDSPEAKER VAN WAS STONED AND FIGHTIN BROKE OUT. IN FLENSBURG, NEAR THE DANISH BORDER, FIGHTING BROKE OUT WHEN ONE GROUP BEGAN DEFACING ELECTION POSTERS, POLICE SAID.

THE TURNOUT OF VOTERS WAS BELIEVED TO BE HIGHER THAN PREVIOUSLY EXPECTED. CONSERVATIVE ESTIMATES WERE THAT MAYBE 75 PER CENT OF THE ELIGIBLE VOTERS WOULD CAST THEIR BALLOTS.

SUCH A TURNOUT WOULD LIKELY ENSURE A DEFEAT FOR THE GROWING NUMBER OF RADICAL PARTIES, BOTH OF THE LEFT AND OF THE RIGHT. THREE YEARS AGO, WEST GERMANY HAD ONLY FOUR PARTIES. TODAY IT HAS 18.

THE AVERAGE CITIZEN WAS EXPECTED TO VOTE FOR ONE OF THE TWO MAJOR PARTIES--THE CONSERVATIVE CHRISTIAN DEMOCRATS (CDU) OR THE LEFT OF CENTER SOCIAL DEMOCRATS (SPD).

AUG 15 1949

THE EXTREME PARTIES OF THE LEFT AND THE RIGHT CONTINUED THROUGHOUT THE ELECTION DAY TO USE ANTI-ALLIED PROPAGANDA IN A LAST MINUTE EFFORT TO PERSUADE VOTERS TO REJECT THE MAJOR PARTIES.

THE COMMUNISTS WENT ALL OUT IN MANY INDUSTRIAL CITIES WITH LOUD SPEAKER VANS AND TACTICS SUCH AS BLACKING OUT THE CAMPAIGN POSTERS OF OTHER PARTIES.

THE SOVIET FLAG WAS TAKEN DOWN BY POLICE FROM IN FRONT OF ONE VOTING PLACE IN DARMSTADT, IN THE U.S. ZONE.

EXTREME RIGHIST GROUPS, SOME OF THEM NOT OPENLY LINKED TO OFFICIALLY-LICENSED PARTIES, PLACARDED THE STREETS IN NORTHERN GERMANY WITH CALLS FOR A "VOTERS" STRIKE.

ONE LEAFLET URGED "PASSIVE RESISTANCE" AGAINST THE ELECTIONS. ANOTHER PUT OUT BY THE EXTREME RIGHT GERMAN CONSERVATIVE PARTY (DKP) DEMANDED A UNITED GERMANY STRETCHING FROM EAST PRUSSIA TO THE SAAR--INCLUDING RUSSIAN-CONTROLLED EASTERN GERMANY.

SWASTIKAS APPEARED PASTED OVER ELECTION POSTERS AT OLDESLOE, NEAR HANNOVER.

THESE PARTIES WERE MAKING A BIG EFFORT TO ATTRACT THE 3,500,000 NAZIS RESTORED TO VOTING RIGHTS SINCE THE STATES OF THE WESTERN GERMANY ELECTED THEIR LEGISLATURES IN 1946 AND EARLY 1947.

THE BIG ISSUE BETWEEN THE TWO LARGEST PARTIES IS FREE ENTERPRISE VERSUS SOCIALISM ON THE BRITISH MODEL.

NEITHER THE CDU NOR THE SPID IS LIKELY TO WIN A MAJORITY IN THE ELECTIONS, AND THE FUTURE ECONOMIC STRUCTURE OF WEST GERMANY MAY BECOME THE DOMINANT ISSUE WITHIN THE FUTURE GOVERNMENT.

THE PARLIAMENT ELECTED TODAY WILL MEET FOR THE FIRST TIME SEPT. 7. TWO DAYS LATER, THE GERMAN DEPUTIES WILL ELECT THE FIRST PRESIDENT OF WESTERN GERMANY.

ELECTION SEPARATE (300)

FRANKFURT, GERMANY, AUG.14-(AP)-THE INFANT WEST GERMAN REPUBLIC WILL BEGIN LIFE WITH A TOTAL OF 18 POLITICAL PARTIES, MORE THAN MOST OLD, ESTABLISHED NATIONS.

THERE ARE ALSO NEARLY 40 ASSOCIATIONS OR GROUPS BACKING INDEPENDENT CANDIDATES, AND SEVERAL OF THEM PROBABLY WILL TURN INTO POLITICAL PARTIES AS SOON AS THEY NO LONGER NEED A LICENSE FROM THE ALLIED MILITARY GOVERNMENT.

THE GROWTH OF MINOR PARTIES IS ENCOURAGED IN GERMANY BY USE OF THE PROPORTIONAL REPRESENTATION SYSTEM OF ALLOTING PARLIAMENTARY SEATS ACCORDING TO THE PERCENTAGE OF THE TOTAL VOTE WON BY EACH PARTY. THIS GIVES EVEN SMALL GROUPS A CHANCE TO WIN A FEW SEATS.

THE 18 PARTIES AND THEIR POLITICAL COMPLEXIONS ARE:

CHRISTIAN DEMOCRATIC UNION (CDU)--RIGHT OF CENTER, DEFENDER OF FREE ENTERPRISE, CLOSELY LINKED WITH THE ROMAN CATHOLIC CHURCH.

SOCIAL DEMOCRATIC PARTY (SPD)--LEFT OF CENTER, WITH A SOCIALISTIC PROGRAM AKIN TO BRITAIN'S LABOR PARTY.

FREE DEMOCRATS (FDP)--A RIGHTIST PARTY FAVORING A STRONG CENTRAL GOVERNMENT.

COMMUNIST (KPD)--AS USUAL, ON THE EXTREME LEFT.

WORKERS' PARTY--LEFT WING.

BAVARIAN PARTY--EXTREME RIGHT, A SEPARATIST GROUP URGING INDPENDENCE FOR THE STATE OF BAVARIA.

BREMEN DEMOCRATIC PEOPLE'S PARTY--A LOCAL, RIGHTIST GROUP.

GERMAN PARTY--EXTREME RIGHT WING, REGARDED AS A LIKELY MAGNET FOR FORMER NAZI VOTERS.

GERMAN CONSERVATIVE PARTY--EXTREME RIGHT WING.

GERMAN RIGHTIST PARTY--ALSO EXTREME RIGHT WING.

EUROPEAN PEOPLE'S MOVEMENT--A LOCAL CENTRIST PARTY.

REPUBLICAN PARTY--RIGHTIST, LOCAL.

RADICAL SOCIAL FREEDOM PARTY--LEFT OF CENTER, WITH A SOCIAL CREDIT PROGRAM.

RHENISH-WESTPHALIAN PEOPLE'S PARTY--RIGHTIST, SEPARATIST.

SOUTH SCHLESWIG VOTERS' ASSOCIATION--A PRO-DANISH GROUP NEAR THE BORDER OF DENMARK.

VATERSTADT LEAGUE HAMBURG--RIGHTIST, LOCAL.

ECONOMIC RECONSTRUCTION PARTY--RIGHT WING, ACTIVE ONLY IN BAVARIA.

CENTER PARTY--CENTRIST.

HAMBURG, GERMANY, AUG. 14-(AP)-THE BRITISH-CONTROLLED GERMAN NEWSPAPER WELT AM SONNTAG REPORTED TODAY THAT 20 SOVIET ARMY OFFICERS WERE KILLED IN THE EXPLOSION OF A BOMB AT A SOVIET OFFICERS' CLUB IN POTSDAM ON JULY 25.

THERE WAS NO CONFIRMATION OF THE STORY FROM ANY OFFICIAL SOURCES.
THE NEWSPAPER SAID THE BOMB WAS EXPLODED IN A PLOT TO KILL SOVIET MARSHAL KONSTANTIN ROKOSSOVSKY, WHO COMMANDS A LINE OF COMMUNICATION TROOPS IN THE SOVIET ZONE OF GERMANY. DURING THE WAR HE COMMANDED THE SOVIET ARMIES WHICH DROVE GERMAN TROOPS FROM PRESENT POLISH WESTERN TERRITORIES.
THE NEWSPAPER QUOTED "RELIABLE SOURCES OF THE GERMAN PROVINCIAL GOVERNMENT IN BRANDENBURG" AS GIVING THIS ACCOUNT:
ROKOSSOVSKY WAS EXPECTED IN POTSDAM ON A VISIT AND THE RUSSIANS ARRANGED A RECEPTION AT THE MARBLE PALACE THERE.
A WAITER PLANTED A BOMB IN THE DRAWER OF A BUFFET. THE EXPLOSION RIPPED OUT THE FRONT OF THE BUILDING.
THE WAITER WHO PLANTED THE BOMB ESCAPED. ANOTHER 45 WAITERS WHO WERE EMPLOYED AT THE RECEPTION HAVE NOT RETURNED TO THEIR FAMILIES SINCE THE INCIDENT.
THE NEWSPAPER DID NOT SAY WHETHER ROKOSSOVSKY WAS IN THE BUILDING AT THE TIME.

TRNAVA, SLOVAKIA, AUG 14-(AP)-A SUDDENLY-IMPOSED TRANSPORT BLOCK-$3 FAILED TO STOP THE ROMAN CATHOLIC CHURCH FROM CONSECRATING TWO NEW TITULAR BISHOPS HERE TODAY.
LOCAL TRAINS FAILED TO HALT HERE FOR "TECHNICAL REASONS." BUS AND TAXI SERVICE ALSO STOPPED. VIRTUALLY ALL METHODS OF PUBLIC TRANSPORT INTO THIS CITY WERE CUT OFF.
BUT SOME 6,000 CATHOLICS JAMMED IN AND AROUND ST.NICHOLAS CHURCH, TRNAVA'S BIGGEST, FOR THE CEREMONIES. THREE THOUSAND CROWDED INTO THE BUILDING AND THE REST STOOD OUTSIDE. NO UNIFORMED POLICE WERE VISIBLE.
THE CHURCH HIERARCHY HAD DEFIED A GOVERNMENT ORDER THAT ALL CHURCH MEETINGS AND PILGRIMAGES MUST OBTAIN PRIOR APPROVAL FROM THE GOVERNMENT. THE CHURCH ALSO HAD NOT SUBMITTED THE CANDIDACIES OF THE NEW BISHOPS FOR GOVERNMENT APPROVAL.
BECAUSE OF THESE CIRCUMSTANCES, MANY CZECH AND SLOVAK CATHOLICS HAD BEEN APPREHENSIVE OF INTERFERENCE BY THE COMMUNIST-RULED GOVERNMENT.
ARCHBISHOP JOSEF MATOCHA WAS THE CONSECRATING BISHOP.
THE NEW BISHOPS ARE MSGR. AMBROSIUS LAZIK, WHO HAS BEEN SERVING AS APOSTOLIC ADMINISTRATOR OF TRNAVA, AND MSGR. ROBERT POBOZNY, WHO HAS BEEN CAPITULAR VICAR OF ROZNAVA.
THE VATICAN CONTENDED THAT IN BY APPOINTING THEM TITULAR BISHOPS INSTEAD OF BISHOPS IN RESIDENCE IT WAS NOT REQUIRED TO SEEK PRIOR GOVERNMENT APPROVAL FOR THE APPOINTMENTS.

BUDAPEST, HUNGARY, AUG.14-(AP)-THE RED BANNER OF COMMUNISM DOMINATED A FIELD OF FLAGS IN SUBURBAN BUDAPEST, WHERE THE WORLD FESTIVAL OF YOUTH AND STUDENTS OPENED TODAY.
THOUSANDS OF BOYS AND GIRLS, IN NATIONAL COSTUMES, SPORTS JACKETS AND MILITARY UNIFORMS MARCHED BEFORE OTHER THOUSANDS OF CHEERING SPECTATORS.
THE DELEGATIONS FROM THE "PEOPLE'S DEMOCRACIES," INCLUDING THE RUSSIAN ZONE OF GERMANY, CARRIED FLAGS AND HUGE POSTERS WITH PICTURES OF PRIME MINISTER STALIN AND OTHER COMMUNIST LEADERS.
DELEGATIONS FROM THE UNITED STATES AND BRITAIN HELD ALOFT THE STARS AND STRIPES AND THE UNION JACK. A POSTER CARRIED BY THE U.S. DELEGATION SAID "AMERICAN YOUTH DEMANDS PEACE, JOBS AND DEMOCRACY."
THE CHINESE GROUP, GRINNING WHILE THE CROWD CHEERED ITS COMMUNIST LEADER, WAS LAVISHLY SUPPLIED WITH LARGE FLAGS.
FOLLOWING SPEECHES BY THE YOUTH LEADERS, WHITE DOVES WERE RELEASED AS THOUSANDS SHOUTED "PEACE, PEACE," IN THEIR NATIVE TONGUES.
HUNGARIAN AIRPLANES CRUISED ABOVE THE CROWDS, DROPPING FLOWERS.

NANKING, AUG.14-(AP)-REPORTS IN THIS COMMUNIST CITY SAY A WIDE VARIETY OF RUSSIAN MANUFACTURED GOODS NOW IS ON SALE IN MANCHURIA.
AMONG RUSSIAN PRODUCTS MENTIONED ARE TEXTILES, GLASS, BICYCLES, JEEPS, TRUCKS, TIRES, RADIOS, PHOTOGRAPHIC EQUIPMENT, SHOES AND TOBACCO.
RUSSIAN GASOLINE IS SAID TO BE SELLING FOR THE EQUIVALENT OF $1.25 A GALLON BUT A NUMBER OF VEHICLES ARE BEING CONVERTED TO CHARCOAL GAS.
A CONSIDERABLE TRADE ALSO IS REPORTED BETWEEN MANCHURIA AND COMMUNIST NORTH KOREA.
A ONE-YEAR TRADE PACT BETWEEN RUSSIA AND MANCHURIA RECENTLY WAS ANNOUNCED (AND WAS PROTESTED BY THE NATIONALIST CHINESE GOVERNMENT WITHOUT RESULT).
IN EXCHANGE FOR MANUFACTURES, THE RUSSIANS ARE SAID TO BE RECEIVING SOYA BEANS, CORN, VEGETABLE OIL AND RICE FROM MANCHURIA.
THESE REPORTS AROUSED INTEREST IN FOREIGN DIPLOMATIC CIRCLES BECAUSE CHINA IS NORMALLY A FOOD-DEFICIT AREA AND IS NOW SUFFERING FROM A CRITICAL FOOD SHORTAGE DUE TO FLOODS, DROOUGHT AND MILITARY OPERATIONS.
IN THE OPINION OF NUMEROUS WESTERN DIPLOMATS, THE TRADE AGREEMENT SERVES TO INCREASE RUSSIAN INFLUENCE OVER MANCHURIA. RUSSIA ALREADY HAS MANY SPECIAL RIGHTS IN MANCHURIA, INCLUDING JOINT OPERATION OF MAJOR RAILWAYS, BY ITS 1945 TREATY WITH NATIONALIST CHINA, WHICH THE SOVIETS STILL RECOGNIZE DIPLOMATICALLY.
(THESE ANONYMOUS REPORTS FROM COMMUNIST TERRITORY, INDICATING A HUGE AND IMMEDIATE SUCCESS FOR TRADE WITH RUSSIA SHOULD BE REGARDED WITH RESERVE.
(THE CHINESE REDS HAVE BEEN MAKING A GREAT BID FOR SOVIET INDUSTRIAL PRODUCTS, BUT THE CONSENSUS OF ALL PREVIOUS ACCOUNTS, MANY OF THEM FROM COMMUNIST AREAS, HAS BEEN THAT THE RUSSIANS DID NOT HAVE ENOUGH TO MEET THE DEMAND ON ANY APPRECIABLE SCALE.)

TOKYO, AUG.14-(AP)-THE JAPANESE MINISTRY OF TRADE AND INDUSTRY REPORTED TODAY THAT ONLY 9.2 PER CENT OF JAPAN'S INDUSTRIAL PRODUCTION WAS EXPORTED IN 1948, COMPARED WITH 38 PER CENT BEFORE THE WAR.
THIS, IT SAID IN A SPECIAL REPORT, WAS THE PRINCIPAL REASON FOR JAPAN'S PRESENT ECONOMIC TROUBLES.
THE REPORT NOTED THAT HALF OF JAPAN'S 80,000,000 POPULATION WERE FARMERS AND HALF ENGAGED IN INDUSTRY AND TRADE, BUT THAT THE COUNTRY WAS NOT ABLE TO FEED ITSELF.
SINCE IT STILL IS IMPOSSIBLE TO BUY SUFFICIENT RAW MATERIALS AND EXPORT ENOUGH FINISHED PRODUCTS, THE MINISTRY CONCLUDED, JAPAN IS UNABLE TO SUPPORT ANY POPULATION INCREASE IN THE FUTURE.
FOOD, IT STATED, NOW MAKES UP HALF THE COUNTRY'S IMPORTS.
THE MINISTRY SUGGESTED THAT JAPAN TURN MORE TO HEAVY INDUSTRY AND CHEMICALS FOR EXPORT SINCE WARTIME DEVELOPMENT OF LIGHT INDUSTRIES IN MANY PARTS OF THE WORLD HAD DECREASED EXPORT OPPORTUNITIES IN THAT FIELD.

DAMASCUS--FIRST ADD SYRIAN (A5-6) X X X MISSIONS.

THE HIGH COMMAND CALLED ON ALL CIVIL SERVANTS TO CARRY ON QUIETLY AND ORDERED POLICE FORCES TO PUT DOWN ANY DISTURBANCES IN COOPERATION WITH THE ARMY.

IN HIS LAST INTERVIEW WITH THE ASSOCIATED PRESS THREE DAYS AGO, ZAYIM TOLD OF HIS HOPES FOR SOMETHING LIKE THE ATLANTIC PACT FOR THE MIDDLE EAST COUNTRIES AND SAID HE WOULD SPONSOR IT. HE WAS AGAINST INCLUDING ISRAEL, HOWEVER, CONTENDING THE ZIONIST PALESTINE WOULD PROVIDE AN ENTRY FOR COMMUNISM.

ALTHOUGH ZAYIM WAS ARDENTLY ANTI-ISRAEL HE HAD MOVED RECENTLY TO PROTECT JEWS OF SYRIA AND TOOK SHARP MEASURES TO ROUND UP TERRORISTS WHO BOMBED A SYNAGOGUE A WEEK ATQHDO FRIDAY AND

PROTECT JEWS OF SYRIA AND TOOK SHARP MEASURES TO ROUND UP TERRORISTS WHO BOMBED A SYNAGOGUE A WEEK AGO LAST FRIDAY AND KILLED SEVERAL WORSHIPPERS.

A COMMUNIQUE SAID THE NEW COUP BECAME NECESSARY BECAUSE ZAYIM'S REGIME HAD PROVED TO BE MORE CORRUPT AND GENERALLY WORSE THAN THE ONE IT REPLACED.

(REPORTS FROM AMMAN SAID ZAYIM HAD QUARRELED ONE BY ONE WITH ASSOCIATES WHO SUPPORTED HIS MARCH COUP AND THAT HE HAD EXILED SEVERAL.

(A SYRIAN SOURCE IN A NEIGHBORING COUNTRY SAID ZAYIM WAS MARKED FOR DISPOSAL BY THE DISSIDENT GROUP JULY 7 AFTER THE ARREST OF ANTON SAADEH, LEADER OF THE SYRIAN NATIONAL PARTY, WHO WAS TURNED OVER TO LEBANON AND EXECUTED A FEW HOURS AFTER BEING TAKEN ACROSS THE BORDER.

(CENSORS IN LEBANON AND SYRIA NEVER PERMITTED PUBLICATION OF THE FACT THAT SAADEH, SUPPOSEDLY A CONFIDANT OF ZAYIM, WAS ARRESTED IN SYRIA; OFFICIAL ANNOUNCEMENTS ALWAYS SAID HE WAS ARRESTED IN LEBANON, THIS SOURCE SAID. HE ADDED THAT ZAYIM'S POLICIES INFURIATED SOME OF THE OLDEST AND MOST INFLUENTIAL DAMASCUS FAMILIES.)

THE SECOND IN THE SERIES OF COMMUNIQUES AFTER THE DOUBLE EXECUTION NAMED A SUPREME WAR COUNCIL APPOINTED BY HENNAWI AND INCLUDING: LT. COL. BAHIJ KALLAS, LT. COL. ALAMEDDIN KAWWAS, MAJ. AMIN ABOUASSAF, AND CAPTAINS MOHAMMAD MAROUF, ISSAM MURAYWED, KHALED JADA, MAHMOUD REFAI, MOHAMMED DIAB AND HASSAN HAMIN.

THE COUNCIL'S FIRST MISSION, THE COMMUNIQUE SAID, WAS TO TRY THE "TYRANT HUSNI ZAYIM, THE REPUBLIC'S FALSE PRESIDENT, AND THE TRAITOR MUHSEN BERAZI." IT SAID THE TWO HAD BEEN SENTENCED TO DEATH AND SHOT IN THE EARLY MORNING.

TWO NEWSPAPERS IN DAMASCUS, ONE AT HOMS AND ANOTHER AT ALEPPO WHICH ZAYIM HAD SUPPRESSED WERE ALLOWED TO RESUME PUBLICATION.

SYRIAN BROADCASTS, REFERRING TO ZAYIM ONLY AS "THE TRAITOR," ACCUSED HIM OF BEING UNDER THE INFLUENCE OF THE FRENCH, WHO RULED SYRIA UNDER A LEAGEU OF NATIONS MANDATE UNTIL THE SYRIANS WON THEIR INDEPENDENCE IN 1945.

AUTHORITATIVE NEUTRAL SOURCES HAVE CONTENDED--WITHOUT ANY CONFIRMATION FROM FRANCE OR SYRIA--THAT FRANCE SUPPLIED ZAYIM WITH SEVERAL SHIPMENTS OF SMALL ARMS AND OTHER MUNITIONS AFTER HE SEIZED THE SYRIAN GOVERNMENT.

DIPLOMATS HERE FELT ZAYIM'S DEATH COMPLICATED MATTERS PARTICULARLY FOR THE UNITED STATES AND FRANCE. NOTHING MUCH IS KNOWN OF COL. SAMI HENNAWI, WHO TOOK OVER IN DAMASCUS.

BRITAIN HAS MAINTAINED AN ALOOF ATTITUDE TOWARD THE SYRIAN REGIME, BEING MORE CONCERNED WITH THE BRITISH POSITION IN OTHER ARAB COUNTRIES SUCH AS JORDAN AND EGYPT.

ZAYIM TOLD THIS CORRESPONDENT OF HIS AMBITIONS THREE DAYS AGO IN AN INTERVIEW AT DAMASCUS. THEY WERE MAINLY TO BUILD UP THE ARMY, HIS PET PROJECT. HE WAS ONCE A SECOND LIEUTENANT IN THE OLD TURKISH EMPIRE ARMY AND JUMPED HIMSELF FROM COLONEL TO FIELD MARSHAL WHEN HE WAS ELECTED PRESIDENT, UNOPPOSED, IN JUNE.

HE LOVED TO WEAR HIS MARSHAL'S UNIFORM WITH GOLD BRAID AND ROW ON ROW OF DECORATIONS.

IN THE INTERVIEW LAST WEEK HE SAID HE EXPECTED THE SYRIAN ARMY TO BE "200 PER CENT IMPROVED" BY THE END OF THIS YEAR. HE PLANNED TO FORTIFY ALL THE FRONTIERS--AGAINST ANY INTRUSIONS BY ISRAEL AND AGAINST ANY EFFORT BY ABDULLAH TO REALIZE HIS DREAMED-OF "GREATER SYRIA."

INTIMATES SAID ZAYIM HOPED TO MAKE SYRIA THE LEADING LEVANTINE POWER, PERHAPS INCLUDING LEBANON AND PARTS OF ARAB PALESTINE. ZAYIM'S PICTURE WAS PLASTERED ON MANY WALLS IN SYRIA.

ZAYIM SAID RECENTLY THAT HE WAS WILLING TO SPONSOR A SET-UP LIKE THE ATLANTIC PACT ALLIANCE FOR THE MIDDLE EAST IF THE UNITED STATES WOULD PROVIDE ECONOMIC AND MILITARY AID. HE SAID ISRAEL WOULD HAVE TO BE EXCLUDED, THOUGH. HE CONTENDED THAT STATE WOULD PROVIDE ENTRY FOR A COMMUNIST FIFTH COLUMN.

GOVERNMENT OFFICIALS IN WASHINGTON SHOWED NO INTEREST IN ZAYIM'S SUGGESTION FOR A MIDDLE EAST PACT.

ZAYIM SAID HE HAD ASKED THE UNITED STATES, FRANCE AND TURKEY TO GIVE SYRIA MILITARY ADVISERS AND THAT SYRIAN OFFICERS WERE ALSO BEING TRAINED IN BRITAIN.

THERE WAS IMMEDIATE SPECULATION HERE AS TO THE EFFECT OF THE REVOLUTION ON THE AMERICAN-OWNED TRANSARABIAN OIL PIPELINE.

ZAYIM HAD AGREED TO LET THE PIPELINE PASS THROUGH SYRIA TO THE MEDITERRANEAN AFTER PREVIOUS SYRIAN GOVERNMENTS HAD REFUSED TO SIGN SUCH AN

A HIGH HASHEMITE JORDAN GOVERNMENT OFFICIAL SAID THE SYRIAN ERUPTION MAKES AN IMMEDIATE MEETING OF THE ARAB LEAGUE POLITICAL COMMITTEE ESSENTIAL.

THE COMMITTEE, ON WHICH HASHEMITE JORDAN, SYRIA, EGYPT, SAUDI ARABIA, LEBANON, AND IRAQ ARE REPRESENTED, IS PRESENTLY SCHEDULED TO MEET IN ALEXANDRIA, EGYPT, AUGUST 20.

ZAYIM MADE NO SECRET OF THE FACT THAT HE AIMED TO DESTROY KING ABDULLAH'S DREAM OF ABSORBING SYRIA AND OTHER NEIGHBORING LANDS INTO A "GREATER SYRIA" RULED OVER BY HIS HASHEMITE DYNASTY BASED AT AMMAN.

HE HAD ALSO TOUGHENED HIS COUNTRY'S ATTITUDE TOWARD ISRAEL.

BRITISH CRISIS

WASHINGTON,AUG.14-(AP)-THOMAS C.BLAISDELL, ASSISTANT SECRETARY OF COMMERCE, SAID TODAY A RETURN TO FREE EXCHANGE OF CURRENCIES WOULD HELP OVERCOME THE BRITISH ECONOMIC CRISIS, AND THE SOONER IT HAPPENED THE BETTER.

BLAISDELL SAID INCREASED INVESTMENT ABROAD BY AMERICANS IS ONE THING NEEDED TO HELP RESTORE THIS FREE EXCHANGE--WHICH WOULD MEAN UNRESTRICTE EXCHANGE OF BRITISH POUNDS STERLING FOR AMERICAN DOLLARS. INCREASED FOREIGN SALES IN THE U.S. ALSO WOULD HELP, HE SAID.

THE COMMERCE DEPARTMENT OFFICIAL DID NOT SAY ANYTHING ON THE MUCH-DISCUSSED POSSIBILITY OF A DEVALUATION OF THE BRITISH POUND IN BRIEF, RECORDED REMARKS BROADCAST ON A RADIO (NBC UNIVERSITY OF CHICAGO ROUNDTABLE) DISCUSSION PROGRAM ON THE BRITISH SITUATION.

ANOTHER PROGRAM PARTICIPANT, REVDERS O'PIE, AN OFFICIAL OF AN AMERICAN CONCERN, SAID EVIDENCE IS INSUFFICIENT THAT DEVALUATION OF THE POUND ACTUALLY WOULD BE HELPFUL TO THE BRITISH POSITION. HE SAID IT HAS BEEN HURT MORE BY A DECLINE FROM PREWAR "INVISIBLE" ITEMS--RECEIPTS FROM SHIPPING, BANKING AND BRITISH OVERSEAS INVESTMENTS--THAN FROM SALE OF BRITISH GOODS.

CALVIN B.HOOVER, DUKE UNIVERSITY ECONOMIST WHO IS FREQUENTLY CONSULTED BY U.S. OFFICIAL AGENCIES, DESCRIBED THE BRITISH PLIGHT AS A "CONTINUING CRISIS THAT WE MIGHT AS WELL GET USED TO." HE SAID THE U.S. "COULD--AND SHOULD" GIVE BRITAIN A LARGER SHARE OF MARSHALL PLAN AID.

HOOVER SAID THAT THE BRITISH PEOPLE "ARE GOING TO HAVE TO ACCEPT A LOWER STANDARD OF LIVING THAN THEY WISH."

O'PIE, ONCE AN ECONOMIST FOR THE BRITISH EMBASSY HERE, EXPRESSED BELIEF THAT THE ONLY WAY BRITAIN COULD ACHIEVE THE 75 PERCENT INCREASE OVER PREWAR IN HER EXPORTS THAT SHE REQUIRES FOR RECOVERY GOALS WOULD BE FOR AN INCREASE OF WORLD TRADE IN GENERAL TO THAT EXTENT.

TO ACHIEVE THIS INCREASE IN WORLD TRADE, HE SAID, IT WILL BE NECESSARY TO RESTORE FREE TRADE, GETTING RID OF RESTRICTIONS ON CURRENCY EXCHANGE AND MOVEMENT OF GOODS, AND GETTING AWAY FROM THE TWO-COUNTRY BARTER DEALS THAT HAVE BEEN ON THE INCREASE RECENTLY.

BY JOHN RODERICK

NEW YORK, AUG.14-(AP)-THE OVERTHROW OF THE SYRIAN GOVERNMENT AT DAMASCUS IS LIKELY TO CAUSE MORE THAN ONE TURBANED HEAD IN THE ARAB MIDDLE EAST TO REST UNEASILY.

ONE OF THE MOST RESTLESS PROBABLY WILL BE KING ABDULLAH OF HASHEMITE JORDAN. IT HAS BEEN HIS AMBITION FOR YEARS TO BRING SYRIA, THE NEIGHBORING REPUBLIC OF LEBANON AND ARAB PALESTINE UNDER HIS SWAY.

WHEN COL. HUSNI ZAYIM LEAPED FROM OBSCURITY TO POWER IN SYRIA FOUR AND A HALF MONTHS AGO, THE BEARDED MONARCH RUBBED HIS HANDS WITH SATISFACTION. ZAYIM HAD BEEN FAVORABLE TO ABDULLAH'S GREATER SYRIA PLANS. BUT, SUDDENLY AND WITHOUT WARNING, ZAYIM DECIDED HE WANTED NO PART OF ANY PROGRAM INVOLVING ABDULLAH.

THE HASHEMITE KING, OUTRAGED, DISPATCHED TROOPS TO THE SYRIAN BORDER. BUT ZAYIM CALLED HIS BLUFF AND MOVED HIS OWN SOLDIERS TO THE OPPOSITE SIDE. IN A FURTHER GESTURE OF DEFIANCE, THE SYRIAN CLOSED THE BORDER FOR A FEW DAYS. ABDULLAH BACKED DOWN.

ABDULLAH SAYS HE IS THE HISTORIC LEADER OF THE ARABS, HAVING INHERITED THAT MANTLE FROM HIS FATHER, SHERIF HUSSEIN OF MECCA, WHO SPEARHEADED THE WORLD WAR I ARAB REVOLT AGAINST THE TURKS.

THE DIMINUTIVE RULER'S AMBITION TO BE NO.1 MAN AMONG THE ARABS IS DISPUTED BY HIS ROYAL COLLEAGUE, STOCKY, YOUNG KING FAROUK OF EGYPT.

FAROUK, WHO IS NOT AMUSED BY ABDULLAH'S GREATER SYRIAN ACTIVITIES, HAS USED SYRIA TO COUNTERACT THEM.

HE IS JOINED BY GOUTY, OLD KING IBN SAUD OF SAUDI ARABIA, WHO ALSO HAS NO LOVE FOR ABDULLAH. THE REASON FOR THIS LIES IN AN OLD ENMITY OVER POSSESSION OF THE HEJAZ AREA OF SAUDI ARABIA. ABDULLAH SAYS IT BELONGS TO HIS FAMILY. IT IS AN IMPORTANT REGION BECAUSE IT INCLUDES THE CITIES OF MEDINA AND MECCA, HOLY TO ALL MOSLEMS.

IRAQ, RULED BY ANOTHER HASHEMITE KING, YOUNG FEISAL, ALIGNS HERSELF WITH JORDAN, BUT NOT WITH WHAT COULD BE DESCRIBED AS ENTHUSIASM. FEISAL'S BRANCH OF THE FAMILY FEELS RATHER STRONGLY THAT IN ANY NEW UNIFICATION OF THE ARABS IT AND NOT ABDULLAH'S CLAN SHOULD BE THE RULERS.

MANY STUDENTS OF THE MIDDLE EAST SAY IT WAS THIS SORT OF QUARRELING THAT CREATED ARAB DISUNITY IN THE WAR AGAINST ISRAEL.

NOW, SYRIAN COL. SAMI HENNAWI, THE HEAD OF THE MILITARY JUNTA WHICH ERASED ZAYIM AND HIS PREMIER, HOLDS THE KEY TO THE COMPLICATED SITUATION.

UNDATED SYRIA (140)

BY THE ASSOCIATED PRESS

SYRIA, TROUBLE SPOT OF THE ARAB WORLD THIS SPRING AND SUMMER, IS ANCIENT IN HISTORY AND NEW AS AN INDEPENDENT REPUBLIC.

IN BIBLICAL AND PRE-CHRISTIAN TIMES IT WAS CONQUERED SUCCESSIVELY BY THE ASSYRIANS, BABYLONIANS, PERSIANS, MACEDONIANS AND ROMANS. THE EARLY MOHAMMEDAN ARABS CONQUERED IT IN 636 A.D., PASSING IT ALONG TO OTHER MOSLEMS, THE EGYPTIANS AND TURKS. TURKEY,

DEFEATED BY THE ALLIES IN WORLD WAR I, TURNED OVER BOTH SYRIA AND LEBANON TO A MANDATORY POWER, FRANCE, IN 1920.

AN INDEPENDENT SYRIAN STATE WAS SET UP UNDER FRENCH MILITARY SUPERVISION SEPT. 8, 1936. FREE FRENCH AND BRITISH FORCES TOOK OVER IN JUNE, 1941, DURING WORLD WAR II. THE FREE FRENCH PROCLAIMED IT A REPUBLIC SEPT. 16, 1941. NEARLY ALL POWERS WERE TRANSFERRED TO RESPECTIVE SYRIAN AND LEBANESE GOVERNMENTS IN DECEMBER, 1943, AND ALL FOREIGN TROOPS WERE WITHDRAWN IN APRIL, 1946.

SYRIA'S ESTIMATED POPULATION IN 1946 WAS 3,006,000. IT HAS AN AREA OF APPROXIMATELY 54,300 SQUARE MILES. DAMASCUS IS THE CAPITAL. THE CHIEF INDUSTRIES ARE AGRICULTURE AND CATTLE BREEDING.

(300) WASHINGTON, AUG.12-(AP)-UNITED STATES IMPORTS FROM COUNTRIES IN THE MARSHALL PLAN AID PROGRAM DECLINED TO $65,500,000 (M) IN JUNE FROM $72,400,000 (M) IN MAY AND A MONTHLY AVERAGE OF $95,100,000 (M) FOR THE FIRST QUARTER OF 1949.

THIS DEVELOPMENT, REPORTED BY THE CENSUS BUREAU TODAY, WILL BE A MAJOR WORRY FOR OFFICIALS OF ALL COUNTRIES CONCERNED--A REDUCTION IN FOREIGN EARNINGS OF DOLLARS NEEDED TO PAY FOR FOREIGN PURCHASES IN THIS COUNTRY.

AUG 15 1949

MAKING THE "GAP" IN FOREIGN TRADE WORSE, WHILE U.S.IMPORTS WENT DOWN, U.S.EXPORTS TO MARSHALL PLAN COUNTRIES INCREASED. THEY WENT FROM $387,600,000 (M) IN MAY TO $406,700,000 (M) IN JUNE, WELL ABOVE THE MONTHLY AVERAGE OF $386,400,000 (M) FOR THE FIRST QUARTER OF 1949.

THE GAP BETWEEN FOREIGN PURCHASES IN THIS COUNTRY AND FOREIGN SALES TO THE U.S.HAS TO BE TAKEN CARE OF BY U.S.FINANCIAL HELP FOR THE MOST PART, SINCE THE GOLD AND DOLLAR CURRENCY RESERVES OF MOST OF THESE COUNTRIES HAS FALLEN TO LOW LEVELS--BELOW, IN THE CASE OF BRITAIN, WHAT OFFICIALS CONSIDER THE "DANGER POINT."

BRITISH SHIPMENTS TO THIS COUNTRY FELL TO $14,700,000 (M) IN JUNE FROM $15,200,000 (M) IN MAY, A MONTHLY AVERAGE OF $22,700,000 (M) IN FIRST QUARTER 1949 AND $24,100,000 (M) IN 1948.

BRITAIN STILL LED ALL OTHER MARSHALL PLAN COUNTRIES IN SHIPMENTS TO THE U.S.

GREATEST DECREASES IN SHIPMENTS TO THIS COUNTRY FROM MAY TO JUNE WERE LISTED AS: FROM GERMANY, OFF FROM $4,400,000 (M) TO $2,900,000

(M); NORWAY, $3,700,000 (M) TO $700,000; TURKEY, $8,700,000 (M) TO $3,600,000 (M).

ON THE OTHER HAND, IMPORTS FROM THE NETHERLANDS ROSE FROM $4,600,-000 (M) IN MAY TO $8,000,000 (M) IN JUNE, AND ITALY FROM $3,800,000 (M) TO $6,100,000 (M).

ON THE EXPORT SIDE, SHIPMENTS TO FRANCE ROSE FROM $41,000,000 (M) IN MAY TO $62,100,000 (M) IN JUNE. EXPORTS TO GERMANY FELL FROM $81,700,000 (M) TO $59,200,000 (M). "EXPORTS TO OTHER WESTERN EUROPEAN COUNTRIES "DID NOT VARY GREATLY FROM THEIR MAY LEVELS," THE BUREAU SAID.

(320) WASHINGTON,AUG.12-(AP)-RUSSIA SHIPPED MANGANESE ORE--A VITAL STEEL-HARDENING METAL WHICH THE U.S.STOCKPILES AGAINST A WAR EMERGENCY-TO THIS COUNTRY IN JUNE FOR THE FIRST TIME IN THREE MONTHS, THE CENSUS BUREAU REPORTED TODAY.

JUNE RECEIPTS OF THE ORE WERE ONLY $100,000 IN VALUE COMPARED WITH $600,000 IN MARCH AND AN $800,000 MONTHLY AVERAGE LAST YEAR.

NEVERTHELESS, IT WAS A CHANGE FROM THE APPARENT EMBARGO ON MANGANESE SHIPMENTS IMPOSED BY THE RUSSIANS. OFFICIALS HERE HAD CONSIDERED THE HALT ON SHIPMENTS A SOVIET RETALIATION AGAINST THE U.S.BAN ON MOVEMENT OF "WAR POTENTIAL" GOODS TO RUSSIA.

THE RUSSIAN HOLD-BACK ON MANGANESE HAS NOT BROUGHT ANY EASING OF THE U.S.RESTRICTIONS ON SUCH SHIPMENTS TO THE SOVIET. THE U.S.HAS, HOWEVER, STEPPED UP EFFORTS TO DEVELOP ALTERNATIVE SOURCES OF MANGANESE IN AFRICA, INDIA, AND BRAZIL.

U.S.EXPORTS TO ALL EASTERN EUROPEAN COUNTRIES, INCLUDING THE SATELLITE COUNTRIES ALONG WITH RUSSIA, FINLAND AND YUGOSLAVIA, DROPPED FROM $12,700,000 (M) IN MAY TO $7,300,000 (M) IN JUNE.

THE JUNE FIGURE IS FAR BELOW THE 1948 MONTHLY AVERAGE OF $13,800,-000 (M) AND UNDER THE $9,800,000 (M) MONTHLY AVERAGE FOR THE FIRST QUARTER OF 1949.

AUG 15

EXPORTS TO POLAND AND DANZIG FELL FROM $4,300,000 (M) IN MAY TO $2,300,000 (M) IN JUNE. THOSE TO RUMANIA FELL FROM $1,200,000 (M) TO $100,000, AND TO RUSSIA ITSELF, FROM $400,000 TO $100,000.

IMPORTS FROM THESE COUNTRIES INCREASED FROM $8,600,000 (M) TO $10,-700,000 (M), REFLECTING MINOR INCREASES IN RECEIPTS FROM NEARLY ALL THE COUNTRIES. JUNE IMPORTS WERE 18 PERCENT UNDER THE MONTHLY AVERAGE VALUE FOR 1948 BUT 23 PERCENT ABOVE THE MONTHLY AVERAGE IN THE FIRST QUARTER OF THIS YEAR.

RUSSIAN SHIPMENTS TO THE U.S., INCLUDING THE MANGANESE, ROSE IN TOTAL FROM $4,200,000 (M) TO $4,600,000 (M). HOWEVER, IMPORTS OF FURS DECLINED FROM $4,200,000 (M) IN MAY--ALMOST THAT ENTIRE MONTH'S SHIP-MENTS TO THE U.S.FROM RUSSIA--TO $3,500,000 (M) IN JUNE.

West German Voters Reject Communism

European council may split over admission of West Germany. [Wirephoto on Page 3.]

Frankfurt, Germany, Aug. 15 (AP). Western Germany has handed its right-wing parties a mandate to direct the new federal republic for the crucial next four years.

More than 24,000,000 Germans swarmed to the polls yesterday, in their first free election since Hitler took over in 1933. They handed communism its fourth major defeat in western Europe since the war. France, Italy and West Berlin said "no" to the Reds in earlier elections.

Western Germany's rebuff marks the retreat of communism to the River Elbe where the Red Army stands guard.

Communists got about six per cent of the vote.

Voting Is Orderly

West German voters also rejected socialism and extreme right pro-Nazi groups, giving control of the 402-member Parliament to the free-enterprise parties whose policies have the confidence of American officials.

In bright, hot weather, the people strolled to the heavily policed polls in sober family groups. There were a few street fights in some cities but for the most part voting was orderly.

Topping the popular vote with 7,356,025 were the conservative Christian Democrats.

Conservative Cabinet Seen

Close behind with 6,932,303 were the Social Democrats who want to nationalize big industries. They closely resemble Britain's ruling Labor party.

The Free Democrats, who favor the free enterprise system with no reservations, surged into third place with 2,827,948 votes.

By joining with the Christian Democrats they can assure a controlling bloc in Parliament and will be able to form a conservative cabinet.

Trailing the field of the major parties were the Communists who slumped from ten per cent of the popular vote in 1946 state elections to about six per cent—1,360,469 votes.

Red Chief Rejected

Even Max Reimann, chief of the Communist party in West Germany, was spurned by his home district.

Reimann, nevertheless, will probably be named to the Parliament as a member for North Rhine-Westphalia under the proportional representation system.

Minor parties and the votes they polled were:

Center party, 727,554; German party (Right wing), 940,088; German Right party (extreme Right wing), 440,698; Emergency Association, 292,963; Radical Socialist Freedom party (left of center), 192,044; Economic Reconstruction Association (Right), 681,981; Bavaria party (extreme right), 986,606; Rally for Action (Rightist), 26,159; Rhenish-Westphalian Peoples' party (Rightist), 21,305; South Schleswig Voters Association (pro-Danish), 75,387; Workers' party (Left), 5,791; Independents, 839,393.

Seats In Parliament

Parliamentary seats allotted to the parties on the basis of completed election returns:

Christian Democrats, 139; Social Democrats, 131; Free Democrats, 52; Germany party, 17; Bavarian party, 17; Communists, 15; Economic Reconstructionists, 12; Center party, 10; German Right party, 5; Emergency Association, 1; Radical Socialist Freedom party, 1; independents, 2.

The Christian Democrats carried seven of the eleven West German states—Bavaria, North Rhine-Westphalia, Schleswigholstein, South Baden, Wuerttemberg-Baden, Rhineland-Palatinate and Wuerttemberg-Hohenzollern.

The Social Democrats led in Hesse, Hamburg, Bremen and Lower Saxony.

Oppose Socialization

The Christian Democrats, Free Democrats and the right wing German party are uncompromisingly opposed to the Social Democrats' program of socializing basic industries.

Whether Western Germany can have a strong government able to resist the political ambushes of the splinter parties apparently depends on the statesmanship of the Christian Democratic and Free Democratic leaders.

They will be under a strong propaganda attack from Russia which has already tried to portray them as stooges of American "imperialists."

Attacks On Allies

During the campaign the conservative parties joined the Communists in attacking policies of the occupying powers—Britain, France and the United States.

Singled out for bitter blasts were the dismantling of German industries, the placing of the Ruhr under international authority and the military security board designed to checkmate possible future German aggression.

Except for Reimann, all major party leaders were elected from their home districts.

Social Democrat Kurt Schumacher won Hanover with 55 per cent of the total vote in his district.

Adnauer Elected

Dr. Konrad Adnauer, Christian Democrat chairman, got a majority over all other candidates in his home district, Bonn, future West German capital.

Vote percentages were:

Christian Democrats, 31; Social Democrats, 29.4; Free Democrats, 11.95, and Communists, 5.74.

The two extreme Right-Wing groups got 5.83 per cent, or just about the same as the Communists.

Vote Is Heavy

The election brought out a whopping big vote with 78.56 per cent of the 31,179,422 eligible voters going to the polls.

Seeming apathy during the campaign had caused pre-election forecasts that only 65 or 70 per cent would vote.

The showing squelched Communist and Nazi hopes that a large number of Germans would boycott the elections as a protest against the formation of anything except an all-Germany government.

GERMANS LOOK TO COALITION

Adenauer And Heuss Likely To Head New Republic

Frankfurt, Germany, Aug. 15 (AP). A scholarly politician and an author were in the line today to head the West German Republic as a result of the Sunday election victory of anti-Socialist parties.

Konrad Adenauer, 73-year-old chairman of the conservative Christian Democrats, appeared to be the natural choice for chancellor, a position equivalent to Prime Minister.

Theodor Heuss, 65, author of more than twenty books, whose father took part in the abortive German revolution of 1848, was widely mentioned for president, a job with a bigger title but less power. He is head of the right-wing Free Democrats.

Coalition Move Starts

Christian Democrats and Free Democrats moved quickly toward a coalition to govern 47,000,000 Germans following a complete count of the Sunday vote in which 402 deputies were chosen for West Germany's first parliament.

The election proved a decisive setback for the Communists, who gathered but 5.74 per cent of the vote, and two extreme nationalist parties—the German party and the German Right party, who together got only 5.83 per cent.

Although the Social Democrats, who favored a program similar to the British Labor party, ran second with 29.4 per cent, they had no socialistic allies to whom they could turn to organize a coalition.

Together, the Christian Democrats and Free Democrats lacked only eleven seats of having a majority. It appeared they could easily pick these up by linking with one of the small right-wing parties also opposed to socialism.

Germany's first freely elected Government since Adolf Hitler appeared likely to set a course against socialism, favor a free economy, align with the Western powers in international politics, and seek entry into the family of European nations at Strasbourg.

Complete Results

The complete official returns showed these results:

	Pop'l'r Vote	Seats
Christian Democrats	7,357,579	139
Social Democrats	6,932,272	131
Free Democrats	2,788,563	52
Communists	1,360,443	15
Bavarian party	986,606	17
German party	940,088	17
Economic Reconstructionists	681,981	12
Center party	727,343	10
German Right party	428,959	5
Radical Socialist Freedom party	217,627	0
South Schleswig Association	75,387	1
Refugees Emergency Association	292,263	1
European Peoples party	26,155	0
Bremen Peoples party	39,229	0
Rhenish-Westphalian Peoples party	21,910	0
Independent Candidates	847,994	2
Totals	23,724,479	402

These results showed the Communists lost 300,000 votes from their total in the 1946 and 1947 state elections. In the state elections of those years they received 9.4 per cent of the vote.

All the other better known parties polled more votes than in those years, due partly to the increased population. But the Christian Democrats and Social Democrats lost ground percentage-wise. In 1946-47 the Christian Democrats got 37.7 per cent compared with 31 per cent this year. The Social Democrats slumped from 35 per cent to 29.2 per cent. The Free Democrats, however, boosted their percentage to 11.7 from 9.1 in 1946-47.

Both Heuss of the Free Democrats and a spokesman in Christian Democrat headquarters emphasized the similarity of the two party programs.

"A coalition between the Christian Democrats, Free Democrats and other right-wing parties could work well," said Heuss.

Chief Disagreement

The chief disagreement between the two parties is over centralization of the government. the Christian Democrats have stood firmly for federal government with strong states rights. The Free Democrats, like the Social Democrats, favor a strong central Government.

Adenauer declared tonight the election "stressed that the German people do not want to have anything to do with socialization," and added:

"It has been furthermore proved that some nationalistic tendencies in Germany have no significance at all. This might quiet down the outside world."

The losing Social Democrats said in a statement that "the political result probably will lead to the formation of a bourgeoise bloc—the defense of property at the cost of large masses of the people."

"Reaction," Says Reimann

Max Reimann, West German Communist leader, defeated in his own district but elected as a member at large under proportional representation, called the election "a revival of the forces of reaction."

In Berlin, John J. McCloy, United States high commissioner, congratulated the German people "on the evidence of good citizenship" in the election in which nearly 80 per cent of the 31,000,000 eligible voters cast ballots.

Adenauer, a lawyer who was jailed three times by Hitler's Gestapo, is a devout Catholic. As chairman of the Parliamentary Council, he piloted the new West German constitution through the deliberations at Bonn. As Chancellor, he would wield the real executive power of the government.

Nazis Burned His Book

Heuss was a member of the Reichstag until ousted by the Nazis in 1933. One of his widely known books, "Study of Hitler," was translated into four languages—and burned in Germany by the Nazis. As president he would be largely a figurehead.

The new *Bundesrat* which was elected Sunday will meet in Bonn on September 7 along with 400 delegates chosen by the eleven state legislatures. It will elect the president. The president then names the chancellor who chooses a cabinet.

Political circles speculated that the key post of Economics Minister would go to Dr. Ludwig Erhard, who now runs the economy of the combined British-American zones.

West Germany's Admission May Split Council

Strasbourg, France, Aug. 15 (AP). The Right-wing victory in yesterday's West German elections has boosted that country's chances of joining the Council of Europe, observers here believe.

Intimates of Winston Churchill said Britain's wartime Prime Minister would now throw the full weight of his personal prestige behind the battle for German membership.

They said he will probably introduce the subject Tuesday or Wednesday. Churchill had said he would take this step if the elections produced a "really free, Western-type government."

Clash Expected

Such a move is virtually certain to bring about heated debate on the floor of this assembly which hopes in time to be the parliament of a united Europe.

British Laborites are expected to make a last-ditch stand against it. Foreign Secretary Ernest Bevin is reported so opposed that he may use his veto in the upper house of the assembly (the Committee of Foreign Ministers) to block any discussion of Germany at this session.

France May Hold Key

He is reported to feel that the Council should wait to see what the policies of the new German Government will be.

The attitude of France, always fearful of a German revival, will have important bearing on chances for German membership.

Meanwhile, members of the twelve-nation assembly are taking a breather before starting work on a nine-point agenda.

COUNCIL FACES GERMAN ISSUE

Debate Expected On Bid To Joint European Group

Strasbourg, France, Aug. 15 (AP). Representatives in the European Consultative Assembly squared off tonight for what may be their biggest battle—the issue of Germany's admission to the European Council.

Two other conflicts were ing up—a new resolution on European federation and the old Irish partition question. Any one of the three may crop up when the assemblymen reconvene tomorrow after a week-end holiday.

Churchill Preparing Speech

Britain's Winston Churchill, his aides reported, is preparing a major address to the assembly urging the council to invite the West German Republic to become at least an associate member at once.

Herbert Morrison, Britain's Deputy Prime Minister, who acts as a sort of Labor party whip on the Assembly floor, declined comment. He said he would hold a news conference tomorrow or Wednesday, and would give the Labor party's viewpoint on Germany then.

Meanwhile, a group of assemblymen planned to introduce a resolution for the creation of a European agency with limited functions but real power before the end of 1950. This, they said, would be the first step toward a definite federal regime for Europe.

Under the project, the assembly would designate a commission to work out detailed proposals for submission to the various national parliaments and report back here next year.

Ireland's Eamon de Valera was reported working on a statement which would bring the Irish partition problem before the Assembly.

Irish representatives feel there is one change in Europe's political structure which would make Anglo-Irish co-operation more effective. This would be, they feel, to make Northern Ireland a part of the Irish Republic.

Russ Chief Escapes But 20 Die: Report

Hamburg, Germany, Aug. 15 (AP). The British-licensed German newspaper *Welt am Sonntag* says twenty Soviet Army officers were killed July 25 in a plot aimed at Soviet Marshal Konstantin Rokossovsky.

There was no confirmation from other sources. Nor has there been any indication of such an incident in reports of Rokossovsky since that date. He was made an honorary citizen of Wroclaw, Poland, last week.

"Reliable Sources"

The newspaper yesterday quoted "reliable sources in the German provincial government of Brandenburg." It said a time bomb was placed in the Potsdam marble palace, timed to coincide with a reception for Rokossovsky chief of the Soviet Western Armies. It did not say whether Rokossovsky was in the building at the time.

The waiter who planted the bomb was said to have escaped. Forty-five other waiters who were employed at the palace in a Soviet officers' club have not returned to their families since the incident, the newspaper said.

Seriously Doubted

A high American intelligence officer in Berlin said the first his office knew of the report was from the newspaper.

"We know nothing of such an explosion or plot," he said. "And we seriously doubt that such a thing could have occurred practically in our own back yard without our learning of it."

Potsdam is about 15 miles from Berlin in the Soviet zone.

"There is no security involved," the officer said. "We are investigating the report as a matter of procedure, but itis my frank opinion that it is not founded on fact."

HUNT U.S. YOUTHS IN RUSSIAN ZONE

Frankfurt, Aug. 15 (A. P.).—United States Army officers said today that a search is under way for two American youths who may have been arrested in the Russian zone of Germany. Missing are Walter Oelsner, 20, of Benton Harbor, Mich., and Peter H. Sellers, 18, of Philadelphia. They disappeared five days ago during a bicycle tour of Germany.

They last were seen at Goettingen in the British zone, where they inquired about the possibility of riding their bikes to Berlin through the Russian zone. British officials referred them to the American Military Government in Frankfurt.

United States Army headquarters announced that it has been asked to investigate.

Sellers is the son of socially prominent Mr. and Mrs. Lester H. Sellers, whose home is at Radnor on Philadelphia's main line. His mother said that Oelsner's father, owner of a New York shipping line, instituted the search. She said the youths had been scheduled to board one of the line's freighters to return home August 2.

Oelsner is a junior at the University of Pennsylvania.

TWO MISSING IN GERMANY

U.S. Youths May Have Been Detained By Germans

Frankfurt, Germany, Aug. 15 (AP). Army highway patrols searched tonight for two American youths who disappeared during a bicycle tour of Germany.

The missing youths, who may have been detained in the Russian zone, are Warren Oelsner, 20, of Oyster Bay, N. Y., and Peter H. Sellers, 18, of Philadelphia.

[Edward G. Oelsner, Jr., brother of Warren, said in Oyster Bay tonight the State Department had told his father the boys last were seen July 30 at Buechen, where customs men turned them back.

Eight-Day Inquiry

[After an eight-day inquiry in the British and American zones, the State Department seemed satisfied the two had gone into the Russian zone. American authorities in Berlin were instructed to make representations to the Russians for their return, Oelsner said.

[Finally, Edward G. Oelsner, Sr., of the U. S. Navigation Company, instituted a search. He said the Hamburg agents of the company sent an emissary into the Russian zone to try to find the youths.]

Army headquarters in Frankfurt said High Commissioner John J. McCloy had sent a cable last week from the United States, asking the Army to lend aid in the hunt.

The boys arrived in Germany last month, after visiting London and Paris. They were to have sailed from Hamburg August 2 for home. Arriving there July 28, they decided on a week end bicycle tour.

Young Oelsner is a junior at the University of Pennsylvania. Sellers is the son of socially prominent Lester H. Sellers and Mrs. Sellers, of Philadelphia. AP

U.S. Zone Reported Nearly Free Of Nazis

Frankfurt, Germany, Aug. 15 (AP)—The de-Nazification program in the United States occupation zone of Germany has been 99.8 per cent completed, the American Military Government said today.

Of 13,199,778 persons registered under the law, 26.1 per cent were found to be chargeable cases under the de-Nazification laws. By June 30, 1949, the announcement said, 3,436,690 or 99.8 per cent of these had been completed.

Soviet Envoy To Tito Named To New Post

London, *Tuesday*, Aug. 16 (AP)—Tass said today Anatole I. Lavrentiev, the Soviet Ambassador to Yugoslavia, had been appointed a deputy minister of foreign affairs.

The official Soviet news agency made no mention of a successor to Lavrentiev in Belgrade. The appointment was made by the Council of Ministers of the Soviet Union.

The switch in posts for Lavrentiev came only a few days after the Kremlin had addressed a sharp note to Yugoslav Premier Marshal Tito's Government, denouncing it as an "enemy" of Russia. There was no indication whether the two actions were connected.

Lavrentiev has served as Soviet Minister to Romania and Bulgaria.

U. S. Warships Visit France.

Cherbourg, Aug. 15 (A. P.).—The battleship Missouri led United States Task Force 61 into the harbor here today and dropped anchor for a visit to France. Aboard the battleship, nine destroyers and naval transports were 5,200 midshipmen, officers and men under command of Rear Admiral Allen Smith.

U.N. Unit Draws Plan For Backward Nations

Geneva, Switzerland, Aug. 15 (AP)—A complete blueprint for helping underdeveloped countries to achieve economic and social stability was drawn up tonight by the United Nations Economic and Social Council.

The plan, which will be sent to the General Assembly for final approval, was undertaken largely on the initiative of the United States. It closely parallels President Truman's proposal for aid to backward countries.

The plan was adopted by a 15-to-0 vote, with the three Soviet-bloc states—the Soviet Union, White Russia and Poland—abstaining.

The program involves the expenditure of a maximum of $36,000,000 next year through the United Nations and special agencies, and an estimated $50,000,000 the following year. AP

Body Of First Zionist On Way To Tel Aviv

Vienna, Aug. 15 (AP)—The body of Dr. Theodore Herzl, the founder of Zionism, was taken by plane tonight for burial in Tel Aviv, capital of Israel—the Jewish national state that came into being 44 years after his death.

The bodies of his parents and sisters also were aboard the plane. They will be given a state burial in Tel Aviv.

Church Defies Czech Reds

Consecrates Two Bishops Despite Prohibition—6000 Attend Rites.

Trnava, Czechoslovakia, Aug. 15 (A. P.).—The Roman Catholic Church defied an order by Czechoslovak's Communist Government and consecrated two new bishops yesterday. The Government order prohibits such ceremonies unless prior approval is obtained. It also prohibits pilgrimages to the ceremonies. A large crowd attended, however, despite a Government transport blockade.

The Government claims, under an unofficial agreement made before the war, the right to reject or approve a candidate for bishop proposed by the Vatican. Diplomatic representatives of the Vatican explained this was circumvented by making the two churchmen titular bishops of dioceses outside Czechoslovakia, rather than bishops in residence. The new bishops are Mgr. Ambrosius Lazik, apostolic administrator of Trnava, who was named titular bishop of Appia, and Mgr. Robert Pobozny, capitular vicar of Roznava, made

titular bishop of Neila. Archbishop Josef Matocha, of Olomouc, Moravia, officiated.

The transport blockade cut the attendance to half of the expected numbers. Pilgrims found Bratislava a bottleneck. Railway agents advised travelers there would be no trains stopping in Trnava yesterday because of "technical reasons." Sunday bus service was eliminated. Bratislava taxi drivers refused to take passengers to Trnava.

Despite these restrictions, 3,000 persons witnessed the ceremony and 3,000 more stood outside. All Czech and Slovak bishops were present except Archbishop Josef Beran in seclusion in Prague.

Vitsi Gain Claimed By Greeks

Athens, Aug. 15 (AP)—Tension grew along the Greek-Albanian border tonight as the Greek Army claimed it had wiped out organized Communist guerrilla resistance in the Vitsi Mountain redoubt.

The Greek general staff announced that the bodies of twenty Albanian soldiers had been picked up two miles inside Greek territory near Kroustalopiyi on the west side of the demolished redoubt. Along with the bodies, the staff said, were recovered the records of an Albanian Army company which gave "precious information on Albanian aid to the guerrillas."

Later a special communiqué announced that guerrillas had made four new assaults from Albania on positions around Kamenic Mountain on the border north of Konitsa and southwest of the Vitsi area.

Control Supply Routes

The mountain positions are important in controlling guerrilla supply routes into the Grammos area. Front line dispatches said it was expected the bulk of the national forces would be moved from the Vitsi scene to attack the Grammos area, last important guerrilla stronghold. About 4,500 guerrillas are reported in the Grammos area. Nearly twice that many were routed from the Vitsi redoubt.

A second special communiqué issued tonight by the general staff said Albanian soldiers were taken prisoners among more than 1,200 casualties inflicted on the guerrillas in Vitsi.

Arms And Ammunition Taken

The guerrilla dead were counted at 952. The captured numbered 349, while 74 surrendered. Hundreds of others in destroyed pillboxes and fortified positions were uncounted, the communiqué said.

In addition, large quantities of arms, ammunition and supplies were taken. The booty included 32 artillery pieces, 207 German machine guns and hundreds of other weapons, 1,500 mines and a storehouse full of ammunition.

A spokesman for the United States military mission denied a guerrilla radio report that an American officer was killed in the Vitsi battle Saturday.

[A Greek rebel broadcast said 480 Government soldiers had been killed in the sector Sunday and 611 on Saturday, while 3,400 were wounded in the two days.]

Tested To The Limit

News dispatches from Kastoria, near the border, said the people of that town, encouraged by the Government victory at Vitsi, would welcome an invasion by Albania. Newspapers there have been advocating an attack on Albania.

Greek officers reported they had been tested to the limit several times to restrain their men from going into Albania to silence batteries firing upon them during the Vitsi operation.

The situation in the Vitsi area was reported in front dispatches to be largely a problem of wiping up isolated bands who were bypassed when the American-trained troops sliced into the redoubt and cut the main lines of communications.

Many of these guerrilla units are now hiding in the mountains, waiting for a chance to escape.

The United States Navy escort carrier Sicily, carrying 49 Helldiver planes, arrived at Phaleron Bay. The Helldivers were turned over to the Greek air force to be used in the war against the guerrillas and "help this country maintain its independence," Lieut. Gen. James A. Van Fleet, head of the American military mission, said.

Greece Reports Vitsi Area Cleared

Kastoria, Greece, Aug. 15 (AP)—The Greek Army reports that Communist-led guerrilla forces in the Vitsi area near the Albanian border have been conquered.

The Army said Government troops were driving north and west to seal off the Albanian border.

Lieut. Gen. James A. Van Fleet, head of the American Military Mission to Greece, says reports from Greek commanders and his own advisers indicate the Communists in Vitsi had been destroyed.

Two Miles From Border

The Greek high command's communique says that although the Vitsi stronghold has been taken, fighting continues to "complete the exploitation of results already gained."

It adds that the army has reached Krystallopiyi village on the main supply road into Albania and is less than two miles from the border.

In the Grammos mountain sector, the communique says, pressure continues on Government forces. With Vitsi out of the way, the bulk of the army is expected to be concentrated on the Grammos sector, where offensive operations have been under way for more than two weeks.

Finn Challenges Communists, Reveals 'Crushing Defeat' Plan

Helsinki, Finland, Aug. 15 (AP)—A member of the governing Social Democratic party has disclosed the Government is set on inflicting a "crushing defeat" on Communists "bent on paralyzing the nation."

Unto Varjonen said in a speech yesterday that the Government had taken all necessary steps to safeguard the normal functioning of the community while strike movements continue.

"If the Communists wish to pit force against force, let them try," he said. "We shall see which is stronger: the Finnish community or the fanatic Communist crowd. There is no doubt the Communists will lose the fight, and we shall make their defeat as crushing as possible."

Lost Fourth Of Seats

[Finland, bound by her peace treaty with Russia, has been steering a cautious course between the East and West. In elections in July, 1948, the Swedish Communists lost a fourth of their seats in Parliament to Social Democrats and Conservatives. Subsequently that month the Cabinet was reshuffled to include only Social Democrats, the one Communist member being dropped. Moscow has been extremely critical of the Social Democrat regime.]

Varjonen said recent strikes had been planned by the Communist Politburo, "desperately attempting to bring chaos to the country" in order to set up a "people's democracy" in Finland. He continued:

"Every citizen who values freedom and democracy should rise to fight those forces who thought it opportunely, in the present dangerous position, to thrust a dagger into the back of society."

Floods Threaten In North

Varjonen referred to a strike of woodworkers at Kemi, in northern Finland. There the Kemi River is threatening to break dams and flood the city because millions of cubic feet of logs lie unsorted in the water as loggers refuse to work.

Other Communist-dominated unions have threatened to strike later this week.

The Government tonight gave the Kemi loggers until Wednesday to resume work. Otherwise, the Government will apply the economic power act under which it can order any able-bodied man to work. These powers are intended for use in labor conflicts when the vital interests of the country are threatened.

U. S. ENVOY, STALIN HOLD CONFERENCE

American, Soviet Relations Reported Reviewed in Kremlin Talk

MOSCOW, Aug. 15 (AP)—Ambassador Alan G. Kirk met for about 45 minutes in the Kremlin tonight with Prime Minister Stalin. An informed source said Kirk had reviewed United States and Soviet relations in general terms.

The ambassador told newsmen after the conference "I don't think I will have anything to say about my visit tonight, but I may have something to say tomorrow."

Called 'Courtesy Visit'

The U. S. Embassy described the call as a "courtesy visit." It was learned that Kirk had requested the meeting—the first time any high American official has seen Stalin in almost a year.

(The Moscow Radio said Soviet Foreign Minister Andrei Vishinsky was also present at the meeting).

Kirk, a retired admiral in the navy who succeeded Lt. Gen. Walter Bedell Smith as ambassador to Moscow, arrived in the Soviet capital late last June.

He was accompanied to the Kremlin by Walworth Barbour, counselor of the American Embassy, and George Morgan, first secretary. They drove to the Kremlin from Kirk's residence shortly before 10 p.m., (3 p.m. Eastern Standard Time). They returned to the U. S. Embassy, across Kremlin Square, about 45 minutes later. Kirk messaged Washington and then went back to Spasso house, his residence.

The new British ambassador, Sir David Kelly, who came to Moscow shortly before Kirk, called on Stalin June 18. This also was described as a "courtesy visit."

First Meeting with Stalin

Tonight was the first time the 61-year-old American ambassador had ever met Stalin. It was also the first time an ambassador or any high American official had seen the Soviet leader in almost a year. The last time such a meeting was held was Aug. 23, 1948, when Stalin received U. S. Ambassador Walter Bedell Smith along with the British and French envoys during four-power talks on Germany.

In Washington the State Department said tonight Ambassador Kirk's call on Premier Stalin was a routine courtesy visit and that "nothing of special significance was discussed."

Press Officer Roger Tubby who made this comment noted that all new American ambassadors call on the Russian leader after taking over in Moscow.

Tubby said the State Department would have nothing to say about the subjects discussed at the meeting.

Chinese Reds Extend Attack

Canton, Aug. 15 (AP)—Chinese Communist forces have bypassed besieged Kanhsien and attacked Nankang, 195 miles northeast of Canton, the Nationalist refugee capital.

The Nationalist military admitted this serious development today in the Kiangsi province fighting, but said Kanhsien itself still was in Government hands.

Official dispatches said the Reds swung to the west of Kanhsien, 215 miles northeast of Canton, and began an assault on Nankang, 20 miles southwest of the Kiangsi capital which the provincial government abandoned last week.

20 Miles From Border

Nankang, on the traditional invasion route to Kwangtung province, is only 20 miles from the border of that province. Canton is in Kwangtung. Unofficial reports said the Nationalists are reinforcing southern Kiangsi in an effort to keep the Reds from Kwangtung.

Kanhsien is reported under attack by the Reds from several directions. Nationalist planes are supporting the defenders, dispatches said, and casualties on both sides were described as heavy.

On the northern approaches to Canton, the Nationalists said their Hunan province forces have stalled a southward Communist offensive along the Hankow-Canton railway. Heavy Red losses are claimed.

May Bypass Hengshan

Press reports said the Communists would try to bypass Hengshan, 290 miles north of Canton, for

a direct attack on the rail junction bastion of Hengyang, 265 miles north. Private reports earlier had indicated that Hengshan had been bypassed or captured as fighting was then going on south of the town.

In coastal Fukien province, northeast of Kwangtung and east of Kiangsi, other Red forces are hammering closed to Foochow, the provincial capital.

Dispatches said Keling, 18 miles southwest of Foochow, is under Red attack. The Reds have been reported 30 miles southwest and 38 miles northwest of Foochow.

Pai Returns To Front

Gen. Pai Chung-hsi, Nationalist commander in central China, has returned to the Hunan front after conferences here with Acting President Li Tsung-jen, Premier Yen Hsi-shan and other Government leaders.

An Army spokesman has disclosed that 50,000 to 60,000 Nationalist troops had been removed from the Hengyang front for fear they would desert to the Reds.

Independent Chinese reports in Hong Kong said the Communists were carrying out an amphibious assault on the Miao Islands off the Shantung peninsula in northeastern China, with three of the islands already captured. ADD

Government personnel assigned to Chungking or Formosa.

The Foreign Office still had not advised foreign diplomats of any move.

General Ma Pu-fang and Hu Tsung-nan, commander and deputy commander from the distant northwest front, flew to the island base of Formosa to press Generalissimo Chiang Kai-shek for additional arms.

[There was no fresh word from the Nationalist side concerning the northwest, but the Communist radio reported capture of towns 80 miles southeast and 100 miles northeast of Lanchow, Kansu province capital.

[Nor was there further news on the Communist amphibious attack on the Miao islands off Shantung, from which the Nationalist navy has been blockading the coast of North China. Dispatches via Hong Kong previously credited the Communist with capture of three of the eight islands.]

Reds Warn Amoy CustomsMen

HONG KONG, Aug. 15 (AP).—M. Wout, a former Amsterdam resident retiring from the Chinese custom service after twenty-four years, said today customs officials in Amoy have been warned by underground Communists there not to destroy their records or leave Amoy. Amoy is in the South China coastal area still controlled by the Nationalists. The warnings were slipped under the doors of the customs office three weeks ago, he said.

Communism Raging In Far East, Rhee Says

Seoul, Korea, Aug. 15 (AP)—"The great victory won by American arms in the Pacific is in peril," President Syngman Rhee declared today in observing the first anniversary of the United States sponsored Republic of Korea.

"The fires of communism, which may have been allayed in Europe, rage unhindered in the Far East," Rhee said at the birthday program in front of the capitol.

His little republic rules only the southern half of Korea. It is opposed by a Soviet-sponsored regime in the north. Each claims sovereignty over the entire country.

Rhee warned that "slavery, actual and effective, is the price of communism."

The fight against it, he said, must be waged on a global, not a regional, basis.

A sharp burst from a firing squad yesterday at the great Mazza military barracks ended the rule of the stocky little Zayim who had seized power four and a half months ago.

Brains Of Regime

Zayim's bespectacled Premier, Muhsen Bey Berazi, generally considered the brains of the regime, died with him.

Colonel Hennawi issued communiqués telling of the shootings. They called the dead rulers "traitors" and "tyrants," and ordered the Army and police to join forces to maintain calm.

[Dispatches from Syria are subject to censorship].

Col. Hennawi summoned a meeting of about 50 prominent Syrian politicians last night. He told them Zayim was guilty of "conceit and despotism." He said the revolution was forced by the President's reckless spending of Government funds and his failure to follow through on promises of reform.

Old And Respected

The assembled politicians, including Faris el Khouri, Syria's delegate to the United Nations, called on former President Hasem Bey Attassi to form a new Government. He accepted.

Hashem Attassi, in his eighties, is Syria's oldest and most respected politician. He served as President of the Republic from 1936 to 1940.

He named eleven men to serve in his Cabinet, including former Syrian Minister to Washington Nazem Kudi, as Minister of Foreign Affairs. Gen. Abdullah Attfeh, top officer in the Syrian Army, was named Minister of Defense. Attfeh held the same position under Zayim.

Pipeline Question

The new Cabinet, or Council of Ministers, will assume all executive as well as legislative powers until the return of parliamentary rule to the country.

Speculation immediately arose as to the fate of the cross-Syria pipeline of the American-owned Trans-Arabian Oil Company. ADD

CABINET TAKES OVER IN SYRIA

Group Formed After Coup To Rule Temporarily

Damascus, Syria, Aug. 15 (AP)—A coalition cabinet headed by the aged Premier Hasem Bey Atassi assumed control of Syria today.

The Government announced it was only temporary. The cabinet was formed after yesterday's military coup during which President Husni Zayim and Premier Muhsen Bey Berazi were seized, tried and executed by a firing squad.

Col. Sami Hennawi, who led the coup, officially turned authority over to Premier Atassi, who is in his 80's. Hennawi said the army's task was over and that the Government was in civilian hands.

Promises Constitutional Rule

This was confirmed by the cabinet in a communiqué which said a constitutional government would be set up as soon as possible. The cabinet promised to rule "without personal ambitions or interests," work for friendship with the neighboring Arab governments, uphold the Arab League and attempt to retain friendly relations with foreign powers.

An official statement said the coup was motivated by the failure of Zayim and his followers to keep pledges made when he overthrew the previous administration last March.

The broken pledges were said to have stemmed from Zayim's dictatorial ambitions, resulting in failure to bring about promised freedoms and causing personal quarrels with Hashemite Jordan, Iraq and Lebanon.

Holds All Authority

The cabinet statement said the new coup was free of any personal ambitions. It added the cabinet will hold temporarily the powers of the presidency and all other executive and legislative authority.

The announcement said a constitutional assembly will be called to frame a new constitution "free from the mistakes of the past." No indication was given as to when the assembly will meet.

Colonel Hennawi refused any political office in the new government, saying he is a soldier, not a politician. ADD

Abdullah Expected Syrian Military Coup

Amman, Hashemite Jordan, Aug. 15 (AP)—King Abdullah of Hashemite Jordan (Trans-Jordan) said today he had been expecting the coup in which President Husni Zaim of Syria lost his life.

"I was expecting it because Syria was building on the wrong foundation," the Monarch of Syria's Arab neighbor said.

"If the man who made the first coup (Zaim) had left the administration of the country to the proper people and did not change the Constitution but left that to the Constitutional Assembly, he would have been praised and left a good reputation."

"Made People Angry"

"He did not do that. He made his people angry and received the result."

Abdullah will fly to London by way of Alexandria, Egypt, Wednesday. He said the visit to Britain is "only for a holiday because I need a rest."

Abdullah said he would accept the invitation of Generalissimo Francisco Franco's Government to visit Spain.

"The Soviets show the same enmity toward Franco and me," he said. "Both of us are good for our countries, for our people want us. I am going to Spain because I wish to see the person (Franco) who, with me, is so hated by the Soviets."

No U.S. Invitation

Abdullah said he would not visit the United States because he had not received an invitation. In Britain, he said, he has "no intention of doing anything unless to tighten relationships between our two countries and get something for refugees—agricultural tools, irrigation material and so forth."

[This apparently referred to refugees from the Palestine war between Israel and the Arab nations, in which Abdullah's army played the leading role on the Arab side. The Arab Legion of Hashemite Jordan was built up under British officers and a British subsidy.] ADD

Nankang Lost, Canton Hears

Canton, China, Aug. 15 (AP)—The Nationalists have "very reliable information" that Mao Tze-tung, China's No. 1 Communist, died of tuberculosis July 17 in Peiping, an army spokesman said today.

Canton, China, Aug. 15 (AP)—Reliable private reports tonight said the Communists had captured Nankang, 195 miles northeast of Canton and were striking rapidly southward.

Chinese Nationalist military spokesmen acknowledged the Communists had bypassed Kanhsien, stubborn Nationalist resistance point 215 miles from Canton, and had attacked Nankang. The loss of Nankang was not yet admitted officially, however.

Private reports said the Communists already were very near the border of Kwangtung province, which is only 20 miles south of Nankang. Canton is the capital of Kwangtung province as well as of the Nationalist Government.

Nationalist reports also said there was heavy fighting near Kengshan on the railway that leads almost due south 290 miles to Canton.

The war news caused a hastening of departures of foreigners and of

MAO IS REPORTED DEAD

Nationalists Hold Red Leader Succumbed to Tuberculosis

CANTON, China, Aug. 15 (AP)—A Nationalist Army spokesman told a news conference today that Mao Tze-tung, top Chinese Communist leader, had died in Peiping July 17 of tuberculosis. The spokesman attributed the report to "very reliable information." However, there was no elaboration.

It was the second time in two days the Chinese Nationalists had mentioned Mr. Mao's death. They asserted Saturday that he was either dead "or critically ill," quoting intelligence reports. That account was regarded as dubious.

According to a dispatch on Sunday by the New China News Agency, an official Chinese Communist bureau, Mr. Mao spoke at a meeting in China on Saturday.

Syrian Military Coup Rocks Middle East

Damascus, Syria, Aug. 15 (AP)—The shooting of Syria's President and Premier in a lightning military coup brought repercussions today which thundered through the explosive Middle East.

Col. Sami Hennawi, 51, Syrian hero of the Palestine war, led the group of senior army officers who overthrew the Government of Marshal Husni Zayim.

Arab Neighbors Favor New Regime In Syria

Amman, Hashemite Jordan, Aug. 15 (AP)—The whole Arab world except Egypt expressed satisfaction today with the new Syrian Government which replaced the regime of Husni Zayim.

Syria's neighbors hung back more than a day wondering whether one military dictator would be merely replaced by another.

30:24- 5063

Broadcasts and dispatches from the Arab capitals tonight indicated the swift turnover to a civilian Cabinet headed by former President Hashem Atassi reassured the Arab states. A promise to erase the police state trappings of the Zayim regime also reportedly pleased Syria's neighbors.

Abdullah Expected Coup

King Abdullah, in an exclusive interview with the Associated Press, said he was very sorry Zayim was killed but he had been expecting such a coup.

He added: "If the new Syrian Government is good and represents the will of the people, Hashemite Jordan will be the first power to recognize it."

Egypt, biggest and most powerful Middle Eastern power, is observing three days of mourning over the death of Zayim on reported orders of King Farouk. The Zayim regime had been playing ball with Egypt, and Arab politicians are wondering whether the mourning might be construed as an affront to the new government at Damascus and consequently sour Egyptian-Syrian relations.

Iraq approves the removal of Zayim, who charged last spring that Iraqi troops were massing on the Syrian border, a contention disputed by neutral observers.

Parties In Name Only

Syria is traditionally governed by personalities rather than parties, which exist in name only, and the new government follows that pattern. It is considered unlikely to produce any startling reforms in land distribution or social progress.

Dispatches from Damascus reported general agreement among neutral observers in Syria that the coup brought a change for the better.

In forming this opinion they looked at the new Cabinet roster and the fact that Sami Hennawi promised to take himself and the military out of the political picture when the new government takes over.

Observers in Damascus said no change in foreign policy is expected and that there was no doubt the new regime is anti-Communist.

Karens Take Burma Town

Government Mounts Counterattack on Capital of Southern States

RANGOON, Burma, Aug. 15 (AP).—Government sources acknowledged today that rebel Karen tribesmen have captured Taunggyi, capital of the southern Shan states, about 100 miles southeast of Mandalay.

Details were lacking, but the Karen attack apparently came from Loikaw, the Karenni state capital, which lies about eighty miles south of Taunggyi.

The government suspended all flights to Taunggyi and said the army is mounting an offensive to retake the town. A government statement said a large rebel force attacked Taunggyi Saturday and overwhelmed its small garrison.

The Karens are fighting for a nation of their own.

Aramco to Hire Refugees

BEIRUT, Lebanon, Aug. 8 (By mail) (AP).—The Arabian-American Oil Company (Aramco) is slicing its roll of American employees from 2,700 to around 1,350 in Saudi Arabia.

A thousand Arab refugees from Palestine will be hired, partly to replace Americans and partly in line with Aramco's policy to give employment preference first to Saudi Arabians and thereafter to other Middle Easterners.

This will be the first major effort by private industry to fit back into the area's economy some of the 1,000,000 (by United Nations estimates) Arab refugees who fled their homes in Israel during the Arab-Jewish war.

BULK OF MONEY EARMARKED FOR TREATY NATIONS

Committee Votes So-Called 'Anti-Five Percenter' Amendment

SPLIT IS ORDERED

Appropriations Divided Between Cash, Contract Authority

WASHINGTON, Aug. 15.—(AP) The House Foreign Affairs Committee approved tonight, without any fundamental change, the administration's $1,450,000,000 arms aid program to bolster foreign nations against any Russian aggression.

Chairman Kee (D-WVa) did not announce the vote but said there was "a sufficient majority." Other members said the bill was approved by a margin of three to one.

May Reach House Tomorrow

It will go to the house floor perhaps Wednesday.

The bill includes the $1,160,990,000 requested for arming North Atlantic Pact nations.

At the last minute, the committee threw in a so-called "anti-five percenter" amendment. It would penalize anyone who leaves federal employment and within two years takes a gift or payment in connection with purchases for the arms program. It also would penalize any one who offers such a payment.

The amendment was inspired by the current senate investigation into whether the award of government contracts has been improperly influenced.

The committee also wrote in an amendment letting congress end the arms program any time. It adopted in all 29 amendments, most of them minor.

In granting the full sum asked by the administration, the committee split it up in a way designed to make sure that the Western European recipients set up mutual defense plans under the North Atlantic Pact satisfactory to the United States.

The committee voted to make half the $1,160,990,000 available in cash, and give the president authority to enter into contracts covering the rest.

But the members, by a reported 10 to 9 vote, directed that use of both cash and contract authority shall end on next March 31 unless the president certifies to congress that the United States has approved by mutual defense plans worked out by the defense command of the Atlantic Pact nations.

During hearings, legislators had raised questions whether the United States could be assured that European nations would see eye to eye on defense plans and would cooperate fully. Administration spokesmen expressed firm belief they would so cooperate.

The committee, whipping the bill into shape for possible house consideration this week, turned down an attempt by Rep. Lodge (R-Conn) to make $200,000,000 available for non-communist China.

However, it expressed hope unanimously that non-communist nations of the Far East will work out a pact, with U. S. cooperation, for mutual development and defense.

In the senate, Senators Vandenberg (R-Mich) and Dulles (R-NY) formally proposed broad restrictions on the arms program, saying such curbs wouldn't delay the program at all.

They sought to slash $160,990,000 off funds for the pact nations, leaving $1,000,000,000 which they would split into half cash and half contract authority. Also they would fit this part of the arms aid into any defense plan accepted by this country under the North Atlantic treaty.

How Funds Were Spiit

The House committee split the funds for Atlantic Pact nations this way:

Cash: $498,130,000 for use up to next March 31, and $157,710,000 between then and June 30.

Contract authorization: $428,100,000 up to March 31 and $77,050,000 from March 31 to June 30.

Rep. Kee (D-WVa), chairman of the committee, said the decision to split up the fund was in his opinion "very satisfactory."

The committee then moved on to consider funds for other countries in the bill—Greece, Turkey, Iran, Korea and the Philippines. All told the administration has asked $1,450,000,000 for the whole undertaking.

The changes Vandenberg and Dulles proposed in the Senate would not affect funds for Greece, Turkey, Iran, Korea and the Philippines.

Vandenberg said the amendments had not received administration backing.

The two influential GOP foreign policy leaders announced their sweeping revision proposals on the eve of Senate committee action on the bill. The administration is urging speedy approval so arms can begin pouring into the areas which are under the shadow of Russian military might.

The 25 members of the Senate committees on foreign relations and armed services, acting jointly, will begin tomorrow putting together a bill for Senate consideration.

GOP Leaders Ask Changes

Vandenberg and Dulles proposed:

1. Trim the fund for Atlantic Pact nations back to $1,000,000,000 principally by cutting off a $155,000,000 item for encouragement of munitions manufacture in Europe. They said the decision on expanding this industry on the continent should be left to the treaty nations.

2. Make the program a stop-gap action by working it into any plan worked out by the Atlantic Treaty council when it goes into action. They observed that this country must agree to any such plan before it can go into effect.

This proposal has encountered stiff opposition from those who argue this country is furnishing the arms and therefore should control their distribution throughout.

3. Permit Congress or the President to recall any equipment it found is not being used in full accordance with the program. Either could end aid to any nation at any time.

4. Make half of the aid for pact nations available in cash, and half in contract authority to be paid for the second year.

Vandenberg said he would favor giving the Reconstruction Finance Corporation authority to advance part of the $500,000,000 for Western Europe.

This would permit the program to start without the delay of formal appropriations for the entire amount.

As it stands, the bill carries a $125,000,000 RFC loan authority.

SENATORS SPEED FREEZERS PROBE

WASHINGTON, Aug. 15.—(AP) The man whose company assembled and shipped home freezers to Mrs. Harry S. Truman and other Washington notables said today they were "the best obtainable at the time."

And Senator McCarthy (R-Wis) said that a would-be smuggler once worked for the perfume company which is reported to have paid the bill.

McCarthy said he wanted it clear that he doesn't think any blame should be attached to Mrs. Truman. "She is the type of lady who is incapable of doing anything improper," he said.

Quality of Freezers Checked

The question of the quality of the freezers came up Saturday.

Maj. Gen. Harry Vaughan, President Truman's military aide, said in a statement that the seven freezers had been given to him in 1945, and that he had kept one and sent the others to friends.

One went to the "Little White House" in Independence, Mo.

Vaughan said the bill was paid by friends of his—officials of the Albert Verley Co., a Chicago perfume house.

It was his understanding, Vaughan said, that the freezers were experimental models of no commerical value.

But Albert J. Gross of Milwaukee, who assembled and shipped the units, and Robert Quirk, vice president of a Cudahy, Wis., company which makes freezer cabinets, denied this today.

The first were heard, in a closed session, by the Senate investigations sub-committee, which started all this by deciding to look into the activities of "five percenters"—men who try to help land government contracts in return for a percentage fee.

Later Quirk and Gross answered reporters' questions.

Had Commercial Value

Yes, said Quirk, the cabinets had commercial value. They were good cabinets, he said.

Yes, said Gross, the freezers were in demand at the time.

"They were of wartime, substitute materials, but everybody wanted them, whether they were made of mud, or brick, or what," Gross said.

"We did have trouble with them because they were of war materials, but they were the best obtainable at the time."

McCarthy made his comment on Mrs. Truman in a statement at today's hearing.

"There is nothing in the record," he said, "suggesting that there was anything even remotely improper on the part of Mrs. Truman."

And McCarthy added:

"I don't think she knew anything about the perfume company's connection with John Maragon.

Smuggling Angle Probed

"I am sure, for example, she knew nothing about the attempted smuggling activities on the part of an employe of this company."

Who tried to smuggle? What was he smuggling? When and where did it all happen?

These questions remained unanswered, for the present, by the subcommittee.

But two weeks ago it began to investigate a report that Maragon, a onetime Kansas City shoeshiner, had been charged $1,600 duty on some valuable perfume essence he was said to be bringing home from France.

The report was published in the New York Herald Tribune. The paper said the customs charge was made after an alert customs guard had discovered the essence.

The Herald Tribune said Maragon had tried to bring in $8,000 worth of perfume, disguised as champagne.

The oft-mentioned Maragon, who has been questioned behind closed doors by the committee but still hasn't appeared publicly, said in an interview that he is friendly with many Washington officials. Among these is General Vaughan.

McCarthy's statement, that Mrs. Truman isn't to blame for having a deep freezer show up at her old home, brought forth this comment from Senator Hoey (D-NC), the subcommittee chairman:

"I think that statement is very proper."

Senator O'Conor (D-Md) said he was sure that McCarthy, in defending Mrs. Truman, "did not mean to imply that there was anything improper in the actions of the others" who got freezers.

The inquiry is continuing, O'Conor said. "It is necessary to keep an open mind."

McCarthy said he wasn't trying to imply that the others were wrong just beause he had said he thought Mrs. Truman blameless.

As for Vaughan, McCarthy said: "I wasn't attempting to indicate that the President's aide was acting either properly or improperly."

GREENWICH FIRM LINKED IN PROBE

5 Pct. Group Told of White House 'Pressure' During Contract Talks

WASHINGTON, Aug. 15 — (AP) An Army colonel testified today that he was informed last spring that White House "pressure" was being exerted to determine the "status" of negotiations with a Connecticut firm for a research contract.

Col. John A. MacLaughlin, commanding officer of the chemical corps technical command at the Army chemical center in Maryland, told the Senate investigations subcommittee about the matter.

The committee is trying to find out whether improper influence with government officials figures in the activities of "five percenters"—people who help land government contracts and charge a fee for doing it.

Sought $20,000 Contract

MacLaughlin was put on the stand to tell the committee about the negotiations of the Chemical Corps with the Deering-Milliken Research Trust, Greenwich, Conn., for a $20,000 contract to do research on the flow of air through cloth.

He said that probably in March or April of this year, a Major Gay, liaison officer in the office of General Alden H. Waitt, recently suspended chief of the Chemical corps, talked to him about the Deering-Milliken negotiations.

Major Gay said that the White House was putting pressure on General Waitt to find out the status of negotiations which might or might not lead to a "contract," MacLaughlin testified. The contract was never awarded because funds for it were later used elsewhere.

MacLaughlin said nothing was said about who at the White House was interested, and he didn't try to "evaluate" it.

Previously a committee investigator testified that James V. Hunt, Washington management counsellor who is a central figure in the inquiry, once agreed to represent the Deering-Milliken trust in its efforts to obtain contracts here.

Hunt has been described to the committee as a friend of Maj. General Harry H. Vaughan, the President's military aide, and of General Waitt.

"Did you think it was very unusual that the White House would express such an interest in one bidder—the Deering-Milliken Co., inquired Senator McCarthy (R-Wis).

"I thought it was unusal," MacLaughlin replied, "in view of the fact that the contract was only for $20,000. It didn't look to me like anybody would worry about it."

Asked Information Only

MacLaughlin emphasized that the request was for information only and said "there never was at any time pressure put on me to try and obtain a contract for Deering-Milliken."

He told the committee that such White House interest had never been expressed before or since in a contract negotiation, to his knowledge.

Gay was a liaison officer between Waitt and the chief of the research and engineering division, Col. William M. Creesy.

"I think he mentioned at the time that Deering-Milliken has some influence at the White House that would prove valuable to him in the future," Gay said.

Red Atomic Spy Ring Again Cited By House Un-American Unit

Washington, Aug. 15 (AP)—The House Un-American Activities Committee said today a Communist cell once active in Berkeley, Cal., was responsible for two attempts to get information on atomic energy development "and one positive case of Soviet espionage."

The statement was made as the committee released hearings on reported Communist efforts to infiltrate the University of California Radiation Laboratory and atomic bomb project at Berkeley during the war. Much of the matter released has been publicized several times.

The one "positive case" of espionage was identified by the committee as that of "Scientist X."

Witnesses Listed

The committee said it knows who Scientist X is, but "he is not to be confused with" the witnesses whose testimony was published.

The witnesses, most of them heard publicly by the committee, were Robert R. Davis and his wife, Charlotte N. Davis; Giovanni Rossi Lomanitz, Steve Nelson, Joseph Weinberg, David Joseph Bohm, and Dr. Frank F. Oppenheimer and his wife, Jacquenette Oppenheimer.

The report said "there is no evidence in the possession of the committee which would indicate" that Lomanitz, Bohm, the Oppenheimers or the Davises "were engaged in espionage."

Ex-Party Members

The Davises testified they are former Communists. He said he worked at the Radiation Laboratory at Berkeley, and she once taught at a nursery school in Los Alamos, N.M. They now live in New York.

Lomanitz, until recently a physics professor at Fisk University, Nashville, Tenn., also worked at teh Radiation Laboratory, as did Bohm, now a professor at Princeton University. Both refused, on grounds of possible self-incrimination, to answer committee questions regarding Community party membership.

Weinberg, a former scientist at the laboratory, is now on the faculty of the University of Minnesota. Nelson is a Communist party organizer once stationed in California.

"Something Transferred"

Dr. Oppenheimer was a top scientist at the Berkeley laboratory. He and Mrs. Oppenheimer admitted having belonged to the Communist party once, but declined to answer questions about the political associations or sympathies of acquaintances.

The committee said the Scientist X case involves Nelson and an unidentified University of California scientist.

Nelson got "a complicated formula" for the scientist in 1943, the committee continued, and later "transferred something" to Peter Ivanov, Soviet vice consul in San Francisco, at a meeting in a San Francisco park.

The committee said the scientist, questioned in closed sessions, has denied knowing Nelson.

Third Communist Resigns And Takes Taft-Hartley Oath

Washington, Aug. 15 (AP)—For the third time within two months, a left-wing labor leader has said that he used to be Communist but no longer belongs to the party.

Maurice Travis, secretary-treasurer of the CIO Mine, Mill and Smelter Workers, issued a statement in Chicago today. He said he had signed a Taft-Hartley non-Communist affidavit, and that he had reluctantly resigned his Communist party membership.

Previously Donald Henderson, national administrative director of the CIO Food and Tobacco Workers, and Max Perlow, secretary-treasurer of the CIO Furniture Workers, had made similar announcements.

This development marks another chapter in the bitter struggle within the CIO between the anti-Communist majority and a minority of left-wing-led unions.

Action Antecedent To Oath

All three men made their announcements in connection with their signing of non-Communist oaths under the Taft-Hartley Act. In these statements, they did not renounce communism as a faith.

The affidavits allowed their unions to share in benefits of the National Labor Relations Board.

Travis said his resignation was "not an easy step." To him his party membership meant he could be "a better trade unionist," Travis said.

Henderson, in announcing last week that he had signed an affidavit, made this statement:

"While it is true that I had been a member of the Communist party, I have resigned my membership therein." He didn't give the date of his resignation.

Perlow announced two months ago that he was resigning from the Communist party in order to sign an affidavit but that he still held the same beliefs he had held as a Communist.

The general counsel of the National Labor Relations Board, Robert N. Denham, today said, "This seems to be a sort of uniform strategy that's all of a sudden made its appearance."

Denham had already called the Justice Department's attention to the Perlow case and the Department has been investigating Perlow's affidavit. Today Denham said the Travis and Henderson cases appeared to be similar to the Perlow case. He said he would call the department's attention to Travis's Chicago statement, too.

What Oath Avers

Union officers who file the affidavits must swear that they aren't Communist party members, that they aren't "affiliated" with the party, and that they don't believe in the violent overthrow of the Government.

The apparent reason the officers of left-wing unions have been recently filing the affidavits is that after two years of the Taft-Hartley Act, noncomplying unions—or at least the smaller, weaker ones—have been squeezed to the point of desperation.

Without complying, a union cannot ask for a plant election and cannot even get on the ballot in such an election when some other union or an employer asks for it. Thus, in many cases, noncomplying unions have been tossed out of their positions as bargaining representatives of the workers, and other unions have been chosen in their stead.

62 Lose U.S. Positions After Loyalty Check

Washington, Aug. 15 (AP)—Out of 9,937 cases handled by Government loyalty boards, 62 Federal employés have been dismissed on grounds of doubtful loyalty.

Jobs have been denied to 29 persons seeking them.

This was reported today by the Loyalty Review Board of the Civil Service Commission. The report covered work on the Government loyalty boards since they were established in March, 1947.

Most of the loyalty investigations were conducted by the FBI. However 101 were carried out by the Office of Naval Intelligence and by the commission itself.

There were 914 department of army cases on which no reports were made to the Loyalty Review Board.

Text of Vandenberg-Dulles Statement on Arms Aid

WASHINGTON, Aug. 15 (AP)—Following is the text of a statement by Senators Vandenberg and Dulles explaining their proposed amendments to the Administration's $1,450,000,000 foreign arms bill:

The Administration has proposed to initiate now a major military assistance program which would run over a two-year period. We believe in beginning now; but also we believe in making certain that what is started now will integrate surely and quickly into the agreed plan for area defense that will emerge from the North Atlantic treaty. That plan must control the situation. We do not want two separate programs running at the same time.

Therefore, we propose (see Amendment 1) to rewrite the basic policy section of the bill (Sec. 101) to provide that the agreements pursuant to which present assistance is rendered will obligate the recipients to use the assistance to promote an integrated defense of the North Atlantic area in accordance with defense plans to be made under Article 9 of the North Atlantic treaty.

Also, we would stipulate that after such defense plans have been agreed to, no military assistance shall be given under the present law except in accordance with the over-all defense plans and that such treaty plans shall prevail as against the non-treaty plans now made. This assures that the present program is in fact an interim program to be geared into the North Atlantic treaty procedure just as rapidly as possible.

AMENDMENT No. 7 (to Sec. 408 of present bill, Sec. 409 in proposed amendments) is a key amendment designed to provide the mechanics for cutting off from this interim program any elements which will not gear into the North Atlantic treaty plan for area defense.

It provides that if any of the equipment or materials procured from an appropriation under the act will not, in the light of developments, serve to promote the self-help, mutual aid and collective capacity to resist armed attack of the parties to the North Atlantic treaty, then the President or the Congress may require such equipment and material to be retained as part of the United States Military Establishment rather than make delivery to any foreign nation.

AMENDMENTS 2 (to Sec. 102) and 3 (adds new Sec. 103) deal with the amount of assistance authorized to be given to North Atlantic treaty countries. The Administration has proposed that $1,160,990,000 be now appropriated. We propose to authorize an appropriation of $500,000,000 for the fiscal year ending June 30, 1950 and to authorize the making of contracts, calling for expenditures thereafter of $500,000,000. That would charge the costs into the budget of the year when, in fact, they will be incurred.

Detail Urged on "Value"

We believe that subsection (c) of Sec. 403, dealing with the "value" of military equipment and materials ought to be further elaborated, particularly in relation to so-called "surplus" or "excess" equipment. But this calls for further technical study.

Our amendments involve a net reduction of $160,990,000. Detailed analysis has shown that there are economies that can be effected in the present program without altering its substance. Also, the proposed reduction could be effected in large part by eliminating funds intended to stimulate increased military production on the Continent.

We believe that the decision of whether and where to develop a permanently expanded munitions industry on the Continent involves very important policy considerations, not merely military, and that it could better be left to a collective judgment under the North Atlantic treaty procedure.

If the council and defense committee and the Governments concerned agree that this is sound policy, then it can be gotten under way within six months.

AMENDMENT NO. 4 (to Sec. 405) eliminates an ambiguity in the present bill which suggests that the President of the United States would have discretion to determine whether or not to comply with a decision of the United Nations Security Council by which, under the charter, the United States would be bound.

AMENDMENT NO. 5 (adds new Sec. 406) provides for termination of assistance to any nation, not only by the President, but also by concurrent resolution by the two Houses of Congress. Comparable provisions were contained in the lend-lease legislation of 1941 and in the act for assistance to Greece and Turkey of 1947.

AMENDMENT NO. 6 (to Sec. 408 of the present bill, Sec. 409 in proposed amendments) is designed to meet the possibility that foreign currencies may be received in payment or part payment for military assistance rendered. The present bill authorizes their use for administrative expenses in the countries concerned, but as to balance, makes no provision.

This means that such foreign currencies might in effect become a revolving fund further expanding the scope of military assistance. Our amendment would provide that such foreign currencies, except as needed for administrative expense abroad, could not be used for any purpose except by the specific authorization of Congress.

Interim Plan Assured

The net effect of the major amendments to be proposed is to make clear the supremacy of the North Atlantic treaty. Its procedures for collective area defense must prevail as against any bilateral or national system to be inaugurated now. Our proposed amendments will not delay by a day, or substantially reduce in scope, the present program.

They do assure that the present program will in reality be only an interim program, to be geared into the integrating processes of the North Atlantic treaty at the earliest practical date.

The amended bill would keep full faith with our partners of the North Atlantic community, assuring them on the one hand a prompt beginning of substantial military assistance, and on the other hand, the transformation of such assistance from national auspices to the collective integrating auspices of the treaty as soon as this is possible.

We believe that, with the amendments outlined, the bill should receive and will receive the support of the Congress and of the country.

SAYS G. I.'S MAKE CHRISTIANS OF JAPS

Philadelphia, Aug. 15 (A. P.).—American service men in Japan are doing more to spread Christianity there than any other force, the Salvation Army commissioner for that country said today.

Masauza Uyemura, back from a world conference of Salvation Army commissioners in London, said that more Japanese are becoming Christians today than before world war II.

He said Japanese watch American's behavior toward others in public. "And when they see an American soldier helping an old Japanese woman across the street they think that is what Christians do," Uyemura explained.

Uyemura, a Christian since he was 17, was trained by the Salvation Army in Tokyo and London.

C. I. O. Ex-Official Gets Year for Illegal Entry

BUFFALO, N. Y., Aug. 15 (AP).—Charles A. Doyle, former international vice-president of the C. I. O. United Chemical Workers, was sentenced today to one year in jail, fined $500 and ordered deported for illegal entry. Doyle was convicted two weeks ago in United States District Court in Jamestown.

The United States Marshal's office said Doyle was returned to jail here in lieu of $5,000 bail pending appeal. Commitment papers have yet to be signed for the prison sentence, which Judge John Knight said would be served in Danbury, Conn.

The Federal government has sought to deport Doyle as an alien with alleged Communist connections. A deportation hearing in New York City was adjourned a year ago subject to recall.

Doyle, forty-four, is a native of Scotland.

Judge Invalidates Maryland's Law on Subversive Activities

BALTIMORE, Aug. 15 (AP)—A Maryland circuit judge today threw out the state's law against people who join or with with subversive organizations.

Judge Joseph Sherbow of Baltimore held that the state cannot punish a person for what he thinks.

It was the first court test of a new law which required loyalty oaths by public employes and candidates for office. It set up heavy fines and prison sentences merely for belonging to a subversive organization.

Attorney General Hall Hammond said he will move promptly for a review by Maryland's court of appeals at Annapolis. He saw the possibility the case will go ultimately to the Supreme Court of the United States.

"The Supreme Court," Judge Sherbow said in his opinion, "has made it clear that laws may punish acts and conduct which clearly, seriously, and imminently threaten substantive evils.

"They may not intrude into the realm of ideas, religious and political beliefs, and opinions.

"The law deals with overt acts, not thoughts. It may punsh for acting, but not for thinking."

A special commission headed by Frank B. Ober, Baltimore attorney, framed the legislation and it took effect April 22.

Anyone actively engaged in subversive activities became liable to 20 years in prison and a $20,000 fine. Five years and a $5,000 fine were provided for just being a member of an organization found to be subversive.

The law did not specifically ban the Communist Party. Its preamble said communism is a treacherous, world-wide conspiracy that fits the definition of subversive activity. Anything which aims at the overthrow of our governments by force was deemed subversive.

Judge Sherbow said the Ober law is too general.

It violates the first, fifth and fourteenth amendments of the federal constitution, he declared, as well as the state constitution and Maryland's Declaration of Rights.

JAP BRUTALITY BARED AT TRIAL OF TOKYO ROSE

SAN FRANCISCO, Aug. 15 (AP) —Stories of Japanese brutality to allied war prisoners were told at the Tokyo Rose treason trial today to bulwark a defense claim that she broadcast through fear.

The first defense witness, Charles H. Cousens, major in the wartime Australian army, choked with sobs as he recounted tales of horror.

Captured in Singapore, Cousens eventually became one of the best-known broadcasters on Radio Tokyo. It was over this station that Mrs. Iva Toguri D'Aquino, 33, and Los Angeles-born, broadcast the prisoner-of-war "Zero Hour" program. The government says that in so doing she committed treason.

The defense contends she was l al to this country; that she prisoners of war conspired to wit the Japanese in the bro

"I saw the Japanese murder two men," Cousens told the jury, adding that some 3,000 other prisoners of war witnessed the same thing.

One man had tried to snatch a can of food. "They threw him on the ground," the witness said. "They put his head under a water tap. As he drew in air when he screamed, he sucked water into his lungs. They beat him with swords or bayonets. He evidently tried to clench his teeth. They broke his face on the tap. Then they threw his body away."

The defense attorney asked "and the second one?"

His voice breaking, Cousens resumed: "He was an Australian. They beat him to death."

It was Cousens, the jury has heard, who coached Iva Toguri and recommended her for the job in which she became known to American military forces in the Pacific as Tokyo Rose. Cousens wrote her script until he became ill and left the radio, which he served as a prisoner of war.

COMMUNISTS' TRIAL TO COST NEAR MILLION

Clark, In Magazine Article, Reveals Expense Of Trying 11 Leaders

New York, Aug. 15 (AP)—Tom Clark, Attorney General, who has been nominated to the Supreme Court, said today the trial of the Communist leaders in New York will cost "roughly $1,000,000."

"It is the price we pay to defend ourselves," he wrote in *Look* magazine.

He referred to the eleven Communist leaders who have been on trial for 30 weeks on charges of conspiracy to advocate forcible overthrow of the Government.

"On Way Out"

Summarizing the work of the Justice Department against Communists—the many trials, the Government loyalty program, the deportation proceedings—Clark said:

"Communism is on its way out in this country with a one-way ticket."

Clark also raised the question: "What can we do about Communist lawyers?" Such lawyers, he said, try to "degrade our system of justice." He said he recently had asked an assistant to make a survey to determine:

"1. If a Communist can rightfully practice law as an officer of our courts.

"2. If the bar associations should do more than they have been doing in such matters.

"3. If the situation requires direct action or legislation."

Delicate Question

Clark said the principle of a fair trial "makes the question of the Communist lawyer a delicate one" but he added:

"Every lawyer is obliged to support the Constitution, and so may not advocate overthrow of the Government by force."

Clark said he also believes that "lawyers who are not provably card-carrying Communists, but who act like Communists and carry out Communist missions in offensives against the dignity and order of our courts, should be scrutinized by grievance committees of the bar and the courts."

Slovak General, A D.P., Held As Red In N.Y.

New York, Aug. 15 (AP)—A former high-ranking Slovakian official, seized as he arrived in this country as a displaced person, was detained at Ellis Island today as a suspected Communist.

The ex-official, Gen. Mikulas Ferjencik, 44, was taken into custody along with his wife, Milada, 32.

Inspector Edward Ferro of the United States Immigration and Naturalization Service said the couple would be held at Ellis Island pending further investigation.

Arrived From Germany

The General and his wife were among 822 passengers listed as displaced persons who arrived from Bremerhaven, Germany, on the United States Army transport General Heintzelman.

Among positions which Ferjencik has held were Slovak Minister of the Interior and Minister of Defense.

He remained in Czechoslovakia after the Communists completed their seizure of power. But in July, 1948, he escaped over the border with another Czech general, Antonin Hasal, and both men contacted United States Army authorities in the western zone of Germany.

Promised Army Aid

At that time, Hasal said that if war broke out elements of the Czech army would "certainly try to operate with the west."

When the Ferjenciks were escorted by armed guards from the ship to Ellis Island, the immigration inspector said "the General is being held as a suspected Communist," and declined further comment.

Newsmen were not permitted to talk with the general, but he was heard to say "some good will come of all this."

The general and his wife came to this country as individuals, and were not sponsored by any organization as displaced persons.

Pier Picketed

Before the seizure of the general and his wife, twenty pickets had gathered outside the pier and paraded with placards, which read: Americans, deport bloody General Ferjenick, chief of the N.K.V.D." (Soviet secret police now called the MVD) and "Americans, do not admit General Ferjencik who crashed down Slovak, anti-Red underground."

The pickets said they were members of the American Slovak League and the American Friends of Slovak Freedom.

Lowell E. Jones, honorary president of the American Friends of Slovak Freedom, said in a statement that General Ferjencik joined the Communist uprising in Slovakia—then a partially independent state—and went to Moscow for Communist training.

Night Lead Hoffman

Paris, Aug. 15--(AP)---Paul G. Hoffman, Marshall plan administrator, told a news conference today that cuts in imports from the u.s. was "precisely the wrong way" for europe to cure her dollar shortage.

He also declared automobiles are not "the kind of export that can be increased to the united states.

AUG 16 1949

Hoffman, who was president of the studebaker corporation before he became administrator of the european recovery program, avoided answering questions which invited direct comment on economic policies of the British government. However, the British government recently has announced plans to reduce buying in America. It also has pushed automobile exports to the united states.

AUG 16 1949

"I know of no other constructive way to close a dollar deficit than to earn a dollar income," he said. "certainly to close that gap by drastic curtailment of imports is precisely the wrong way to do it. It could only mean a lower standard of living for europe."

Instead of import cuts Hoffman urged europeans to double or triple their exports to the united states.

Pointing out that europe sold only about $1,000,000,000 worth of goods to the united states last year, he said "if the right type of goods is offered and merchandised that can be doubled or tripled in the next five years."

AUG 16 1949

He also declared that europeans working "on the type of goods where the labor content is high" for export to the U.S. counting money from american tourists, he added, europe could earn $4,000,000,000 from america every year.

"The high level of wages in the u.s. does not allow us to make all the

handicraft goods we could use," he advised.

THE JOURNAL OF THE MOSCOW-LED COMMUNIST INTERNATIONAL INFORMATION BUREAU SAID BRADLEY AND CANNON WANT TO SEND THE UNEMPLOYED YOUTH OF EUROPE TO FIGHT FOR THE ATLANTIC PACT AGAINST THE SOVIET UNION.

THE COMINFORM CONTINUED ITS ATTACKS ON PREMIER MARSHAL TITO OF YUGOSLAVIA, ACCUSED OF BEING A HERETIC FROM MARXISM-LENINISM. AN ARTICLE BY ANTONIO CERDAN, FORMER REPRESENTATIVE OF THE SPANISH REPUBLIC IN BELGRADE, SAYS TITO IS EVERYTHING THAT A COMMUNIST SHOULD NOT BE.

ANOTHER ARTICLE IS BY GHEORGHE GHEORGHE-DEJ, SECRETARY-GENERAL OF THE ROMANIAN WORKERS (COMMUNIST) PARTY. ISTANBUL, TURKEY, AUG.15-(AP)-RELIABLE SOURCES SAID TODAY THE TURKISH MINISTERS' COUNCIL HAS GRANTED PERMISSION FOR FOUR AMERICANS TO SEARCH FOR REMAINS OF NOAH'S ARK ON MOUNT ARARAT.

THE FOUR ARRIVED SIX WEEKS AGO EXPECTING LITTLE TROUBLE IN OBTAINING PERMISSION TO MAKE THE CLIMB. IT HAS TAKEN THEM ALL THIS TIME TO PERSUADE THE TURKISH AUTHORITIES TO AGREE. MOUNT ARARAT IS IN THE TURKISH HIGHLANDS.

THE AREA LEADING DIRECTLY TO ARARAT ON THE RUSSO-TURKISH FRONTIER IS A STRICTLY GUARDED MILITARY ZONE. MANY OBSERVERS BELIEVED THE AMERICANS WOULD NEVER BE PERMITTED TO CROSS IT.

THE MOSCOW RADIO AND PRESS OFTEN HAVE ASSERTED THAT THOSE WANTING TO MAKE THE CLIMB ARE NOT SEEKING THE ARK BUT ARE INTELLIGENCE AGENTS OPERATING AGAINST RUSSIA. THE AMERICANS RECENTLY DENIED THE RUSSIAN ASSERTIONS, BRANDING THEM AS PROPAGANDA.

"WE WILL OPERATE NO CLOSER THAN 20 MILES TO THE FRONTIER," THEY SAID. "IT IS THEREFORE NOT EXACTLY CLEAR TO US WHAT THE RUSSIANS CAN FEEL AFRAID OF."

AMMAN, HASHEMITE JORDAN, AUG. 15-(AP)-KING ABDULLAH, WHO HAS MADE NO SECRET OF HIS DESIRE TO INCORPORATE SYRIA INTO HIS HASHEMITE KINGDOM, URGED AN IMMEDIATE MEETING OF THE ARAB LEAGUE TO DISCUSS THE SYRIAN CRISIS.

HOWEVER, DISPATCHES FROM EGYPT, WHERE THE SEVEN-NATION LEAGUE WAS SCHEDULED TO MEET SATURDAY, SAID THAT MEETING HAD BEEN POSTPONED AND NO NEW DATE SET. THEY SAID THE EGYPTIAN CABINET HAD BEEN CALLED INTO EMERGENCY SESSION TO DISCUSS THE SITUATION, BUT THERE WAS NO GOVERNMENT COMMENT.

ABDULLAH MOVED SWIFTLY ON THE DIPLOMATIC FRONT AS NEWS OF THE SYRIAN COUP FLASHED THROUGH THE EAST.

HE CALLED IN THE FOREIGN DIPLOMATIC CORPS INCLUDING AMERICAN CHARGE D'AFFAIRES WELLS STAEBLER.

ZAYIM HAD TOLD THE ASSOCIATED PRESS LAST WEEK HE HAD INTENDED TO FORTIFY ALL SYRIAN FRONTIERS, NOT ONLY AGAINST A POSSIBLE ISRAELI INVASION, BUT AGAINST ANY EFFORT BY ABDULLAH TO INCORPORATE SYRIA INTO HIS KINGDOM.

IN TEHERAN, IRAN, AN ASSOCIATED PRESS CORRESPONDENT SAID HE HAD DISCUSSED THE POSSIBILITY OF ZAYIM'S ASSASSINATION WITH FOREIGN OBSERVERS IN DAMASCUS SEVERAL MONTHS AGO.

THEY TOLD HIM THE WEALTHY LANDOWNER CLASS, MOSELEM RELIGIOUS LEADERS AND CERTAIN GOVERNMENT OFFICIALS WERE OPPOSED TO ZAYIM.

A SYRIAN EXILE IN AMMAN SAID ZAYIM WAS MARKED FOR DEATH JULY 7 WHEN HE TURNED ANTON SAADEH, A LEADER OF THE SYRIAN NATIONALIST PARTY, OVER TO THE NEIGHBTRING REPUBLIC OF LEBANON.

LEBANON EXECUTED SAADEH AS A THREAT TO THE STATE AND A FEW DAYS LATER MADE VARIOUS ECONOMIC CONCESSIONS TO SYRIA, PRESUMABLY AS A "PAY-OFF."

IN AN INTERVIEW WITH THE ASSOCIATED PRESS LAST FRIDAY ZAYIM TOLD OF HIS HOPES FOR AN "ATLANTIC PACT" COVERING THE MIDDLE EAST. HE SAID HE WOULD SPONSOR IT. THE MARSHAL WAS OPPOSED TO LETTING ISRAEL JOIN THE PROPOSED PACT, HOWEVER, ON THE GROUNDS THAT TO DO SO WOULD GIVE COMMUNISTS ENTRY.

ALTHOUGH ZAYIM WAS ARDENTLY ANTI-ISRAEL HE RECENTLY TOOK STEPS TO PROTECT SYRIAN JEWS AND MOVED SWIFTLY AGAINST A BAND OF TERRORISTS WHO BOMBED A SYNAGOGUE A WEEK AGO FRIDAY.

A SYRIAN BROADCAST DESCRIBED THE COUP THUS:

SUNDAY MORNING THREE CARLOADS OF SYRIAN ARMY OFFICERS RODE TO ZAYIM'S HOME, FORCED THEIR WAY IN AFTER A BRIEF FIGHT WITH SENTRIES, AND SEIZED HIM. THEY THEN DROVE TO PREMIER BERAZI'S HOUSE AND ARRESTED HIM.

A MILITARY TRIBUNAL WAS IMMEDIATELY FORMED, THE MEN WERE CONVICTED OF TREASON,TAKEN TO MAZZA BARRACKS AND SHOT.

THE BROADCAST SAID HENNAWI WAS NOT SEIZING POWER FOR HIMSELF AND QUOTED HIM AS SAYING:

"WE WANT A FREE REPUBLIC OF SYRIA, NOT A GOVERNMENT BY THE MILITARY. WE ARE READY TO TURN OVER POWER TO A GOVERNMENT CHOSEN BY THE PEOPLE."

NAZIR FANSA, ZAYIM'S PRIVATE SECRETARY, AND MAJ. IBRAHIM HUSSAYNI, CHIEF OF THE MILITARY POLICE, ARE UNDER ARREST.

JT344AED

CITY LIFE HERE IS PROCEEDING AS [illegible]AL, WITH LITTLE OUTWARD EXCITEMENT. INFORMED OPINION IS T[illegible] THE COUP WAS ENGINEERED ENTIRELY BY THE ARMY BECAUSE IT BELIEVED ZAYIM HAD BETRAYED ITS TRUST AFTER THE PREVIOUS ARMY COUP HAD PUT HIM IN POWER.

THE LATEST COUP STARTED EARLY SUNDAY WHEN HENNAWI AND OTHER ARMY OFFICERS ARRESTED ZAYIM AT HIS PRESIDENTIAL RESIDENCE AND REPORTEDLY TOOK HIM TO HIS OFFICE CLAD ONLY IN HIS NIGHTCLOTHING.

ZAYIM IS SAID TO HAVE BEEN PERMITTED TO CHANGE INTO HIS UNIFORM BEFORE A SHORT MILITARY TRIAL. THE SWIFT JOINT EXECUTION OF THE PRESIDENT AND PREMIER AT A MILITARY CEMETERY FOLLOWED.

FARIS BEY EL KHOURI, SYRIAN DELEGATE TO THE UNITED NATIONS AND VETERAN POLITICIAN, IS GENERALLY ACKNOWLEDGED TO HAVE TAKEN THE LEADING ROLE IN SETTING UP THE NEW CABINET.

A CURFEW IMPOSED LAST NIGHT WAS LIFTED TONIGHT. THERE WAS NO INDICATION WHEN THE CENSORSHIP IMPOSED DURING ZAYIM'S COUP WILL BE LIFTED.

MEMPHIS,AUG.15-(AP)-A NOTED SOUTHERN EDITOR CALLED TONIGHT FOR A PERMANENT UNION OF DEMOCRACIES WHICH WOULD BE "SO STRONG THAT NO AGGRESSOR WOULD DARE ATTACK."

EDWARD J.MEEMAN, EDITOR OF THE MEMPHIS PRESS-SCIMITAR, URGED THE FEDERATION OF FREE NATIONS IN A SPEECH BEFORE THE MEMPHIS CHAPTER OF THE ATLANTIC UNION COMMITTEE.

THE GOVERNORS OF TWO STATES--SID MCMATH OF ARKANSAS AND GORDON BROWNING OF TENNESSEE--WERE GUESTS OF HONOR AT THE SPECIAL DINNER MEETING. BOTH MADE SHORT, INFORMAL TALKS.

MEEMAN SAID WE HAVE LEARNED ENOUGH FROM OUR PAST MISTAKES IN TWO WARS TO HAVE TAKEN TWO REALISTIC STEPS: WE HAVE REARMED. WE HAVE SIGNED THE ATLANTIC PACT WHICH PROVIDES THAT IF ANY FREE PEOPLE IS ATTACKED THE OTHERS WILL CONSIDER IT AN ATTACK UPON ALL.

"BUT A MILITARY ALLIANCE IS NOT ENOUGH," HE ADDED. "WE NEED A PERMANENT FEDERATION OF THE FREE. FOR NO ALLIANCE HAS EVER ENDURED; NO FEDERATION HAS EVER BEEN BROKEN."

MEEMAN SAID WORLD GOVERNMENT--WHICH HE TERMED REMOTE AND IDEAL--IS NOT RATIONAL OR POSSIBLE AT THIS TIME.

"AS REALISTS," HE CONTINUED, "WE MUST RECOGNIZE THAT THERE IS NOT ONLY A DIVISION BETWEEN THE FREE WORLD AND THE COMMUNIST WORLD, BUT THAT THE FREE WORLD ITSELF IS DIVIDED BY CONFLICTING BELIEFS--IN SOCIALISM, IN THE WELFARE STATE OF VARYING DEGREES, AND IN INDIVIDUALISM AND PRIVATE INITIATIVE."

"ON THE OTHER HAND," HE ADDED, "ATLANTIC UNION IS NOT REMOTE--IT IS THE IMMEDIATE STEP WHICH CAN BE TAKEN. IT IS NOT IDEAL; IT FACES THE FACT THAT WE DO NOT ACTUALLY HAVE ONE WORLD, BUT AT LEAST TWO WORLDS AND POSSIBLY MORE."

"BUT IT IS A RATIONAL, POSSIBLE END. IT IS THE NEXT STEP TOWARD THE IDEAL. IT IS CONFINED TO WHAT IS REASONABLE, PRACTICABLE AND JUST."

HE ADDED THAT THE OBJECTIVES OF THE ATLANTIC PACT CAN BE ACCOMPLISHED ONLY IN THE "PARLIAMENT OF MAN, THE PARLIAMENT OF FREE WESTERN MAN--A FEDERAL CONVENTION WHICH WILL EXPLORE HOW FAR THESE FREE PEOPLES CAN APPLY AMONG THEM THE PRINCIPLES OF FREE FEDERAL UNION."

MEEMAN REFERRED TO THE 19TH CENTURY WHEN, HE SAID, THE MIGHT OF THE BRITISH NAVY "WAS THE POWERFUL GUARDIAN OF THE FREE WORLD, INCLUDING OUR OWN COUNTRY."

THE EDITOR SAID THE UNITED STATES ALONE CANNOT ASSUME THAT PREPONDERANT POWER.

30.24- 5073

"THAT PREPONDERANT POWER CAN BE CREATED ONLY BY A PERMANENT UNION OF ALL THE DEMOCRACIES. BUT, ONCE SUCH A UNION WAS FORMED, IT WOULD HAVE OVERWHELMING POWER. IT WOULD BE SO STRONG THAT NO AGGRESSOR WOULD DARE ATTACK," HE DECLARED.

MEEMAN SAID THE THREE OBSTACLES IN THE ROAD TO ATLANTIC UNION ARE ISOLATIONISM, THE DREAM OF WORLD GOVERNMENT, AND THE CONFLICT BETWEEN COMMUNISM, SOCIALISM AND STATISM, AND INDIVIDUALISM AND FREE ENTERPRISE.

HE SAID FREE PEOPLES CANNOT PERMANENTLY UNITE ARMED FORCES WITH THOSE OF UNFREE PEOPLES. HE ADDED THAT THERE WOULD ALWAYS BE THE DANGER THAT FREE PEOPLES WOULD BE OUTVOTED IN SUCH A GOVERNMENT, AND THE VERY INTERNATIONAL FORCE THEY HAD CREATED WOULD BE USED AGAINST THEM BY A WORLD DICTATOR.

NEW YORK, AUG. 15-(AP)-A COMMUNIST WITNESS SAID TODAY IT IS FOOLISH TO THINK OF A REVOLUTION IN THE UNITED STATES AS "SOMETHING BLOODY."

HOWARD JOHNSON, THE COMMUNIST PARTY'S EDUCATIONAL DIRECTOR IN NEW YORK STATE, SAID REVOLUTION DOESN'T MEAN "A SMALL GROUP OF CONSPIRATORS MARCHING UPON WASHINGTON WITH BOMBS AND CLUBS TO TEAR DOWN THE PILLARS OF THE WHITE HOUSE AND CAPITOL."

INSTEAD, HE SAID, IT MEANS THE "MAJORITY OF THE WORKING PEOPLE NO LONGER WANT TO TOLERATE THINGS AS THEY ARE, AND WOULD TAKE STEPS TO CHANGE THE RULE FROM ONE CLASS TO ANOTHER CLASS."

JOHNSON WAS THE 18TH DEFENSE WITNESS IN THE 31-WEEK TRIAL OF 11 MEMBERS OF THE COMMUNIST PARTY NATIONAL BOARD.

THEY ARE CHARGED WITH CONSPIRING TO ORGANIZE THE PARTY IN 1945 TO ADVOCATE AND TEACH THE VIOLENT OVERTHROW OF THE GOVERNMENT.

JOHNSON TOLD FEDERAL JUDGE HAROLD R.MEDINA AND THE DISTRICT COURT JURY OF HIS INSTRUCTIONS TO A GROUP OF COMMUNIST TEACHERS IN THE EARLY SPRING OF 1948.

"I TOLD THEM THERE WAS A CONCENTRATED CAMPAIGN IN PRESS AND RADIO TELLING PEOPLE THAT THE COMMUNISTS ARE THE OPPOSITE TO WHAT THEY REALLY ARE," HE SAID.

"I TOLD THEM THE MAJORITY OF THE AMERICAN PEOPLE DID NOT COME IN CONTACT WITH COMMUNISTS AND DID NOT SEE THEM AS PERSONS WITH FAMILIES AND CHILDREN, BECAUSE THERE WERE NOT ENOUGH TO GO AROUND. BUT I SAID I WOULD LIKE TO SEE IT SOME DAY," JOHNSON ADDED.

AUG 16 1949

JOHNSON TOOK THE STAND TO DENY THE GOVERNMENT'S CLAIM THAT COMMUNIST TEACHINGS OF MARX AND LENIN ARE BLUEPRINTS FOR VIOLENT REVOLUTION IN THIS COUNTRY.

GOVERNMENT WITNESSES HAVE TESTIFIED THEY WERE TAUGHT THAT THE PARTY'S AIM IS TO CREATE SOCIALISM THROUGH A DICTATORSHIP OF THE PROLETARIAT THAT WOULD OCCUR DURING A VIOLENT REVOLUTION.

JOHNSON TESTIFIED THAT CERTAIN WORDS AND PHRASES IN COMMUNIST TEACHINGS HAVE DIFFERENT MEANINGS AS APPLIED TO THE UNITED STATES. HE SAID THIS MUST BE EXPLAINED TO MEMBERS "BECAUSE SOME PEOPLE ARE TRYING TO DISTORT THEM."

JOHNSON SAID HE TOLD THE COMMUNIST TEACHERS THAT THE WORKING CLASS CANNOT WIN WITHOUT ALLIES.

THESE WOULD BE THE SMALL FARMERS, THE NEGRO PEOPLE, AND THE CITY MIDDLE CLASS--INCLUDING SMALL SHOPKEEPERS, SMALL INCOME PROFESSIONALS, AND INTELLECTUALS, HE SAID.

ANOTHER OF THE MANY CLASHES BETWEEN JUDGE MEDINA AND THE DEFENSE CAME AT THE OUTSET OF JOHNSON'S TESTIMONY.

ADENAUER BARS LINKS TO RUSSIANS

West German Leader Says Collaboration Is Impossible

Bonn, Germany, Aug. 16 (AP)—Dr. Konrad Adenauer, probable Chancellor of the new West German republic, said today he will not collaborate in any way with the Russians.

The 73-year-old chairman of the victorious Christian Democratic party, declared in his first interview since the count of votes in Sunday's election:

"Eastern Germany (the Russian zone) constitutes for us the foremost and most difficult question. We must move very cautiously. We ought not to give the impression, either in Germany or in the United States, that we shall collaborate in any way with the Russians."

Sees Eventual Union

"It is impossible," he continued, for the West German state "to collaborate with any area dominated by the Russians." This, he added, includes the sphere of life—political and economic—in the Soviet zone of Germany.

The veteran political leader was not pessimistic over the chances of eastern and western Germany becoming "a unified state" eventually, but he indicated such unity is not around the corner.

"We cannot allow the people of eastern Germany to feel that we have given them up," he added.

Economic co-operation between eastern and western Germany would be possible, he said, but only after Russian communism and American private enterprise find some way to live together.

Terms Homes First Task

"The first real duty" of the republic, Adenauer said, will be "to make every family a home-owner"—to solve the housing problem.

He added that the new government "will have to re-examine" the touchy problem raised by Allied dismantling of German industrial plants.

"We must try to solve this question without too much narrow-mindedness and too much stubbornness," he said.

The dismantling subject was one of the hottest domestic issues of the recent election campaign.

The new Bonn Parliament will be asked to inquire into the need for dismantling some 150 plants now listed for razing. The United States Senate has recommended that occupation authorities re-examine this list to determine whether European recovery would be hindered without them.

Coalition Parley Called

The new West German Government, dominated by conservatives, will be created in Bonn next week-end. Leaders of the Christian Democratic party were called today to a series of conferences, the goal of which are:

1. To form a coalition of right-wing groups and establish an unchallenged majority over the Socialists, who still are a major party.

2. To choose the first chancellor in Germany since Hitler and recommend a candidate for the presidency.

Adenauer's party won 139 seats in Sunday's balloting. The Free Democrats, likely to join in a coalition with the Christian Democrats, got 52 seats. The Socialists, led by Kurt Schumacher, got 131 seats and represent a powerful minority. The Communists, with only 15 seats, are a negligible factor. More than 100 seats went to candidates representing various minor parties.

ful single individual in West German's politics.

The 75-year-old Adenauer lives near Bonn, worked to get Bonn chosen as the capital, and today is already Chancellor in the minds of the most people in this Rhine River area.

Exhausted from the strain of a bitter campaign, Adenauer went into temporary seclusion after the results of the voting established his party on top.

"Not A Dictator"

His closest associates said Adenauer probably would be meeting with the leaders of his own party toward the end of the week and that the coalition talks would start after that.

"He is not a dictator, nor can he be under our party system," said one official. "There will be no decisions announced until our people are in agreement."

The coalition talks may develop Sunday. The Free Democratic party (FDP), which won 52 seats, has offered its support to the CDU with its 139 seats. Other right-wing parties which can be calculated to follow the CDU policy guarantee Adenauer's forces the necessary majority of the 400-man parliament.

Anti-Nazi Records

Most observers figure the FDP forces will back Adenauer for Chancellor and that the CDU may in exchange support the FDP leader, Theodor Heuss, for president.

Both Adenauer and Heuss had long records of anti-Nazism. The Parliament meets September 7.

The Socialists with 131 seats will represent a powerful minority. With only fifteen places, the badly beaten Communists are a negligible factor.

"Victory For America"

Jubliant CDU men, already starting to arrive here for the forthcoming talks, discounted foreign reaction that triumph for the right wing meant a turn to nationalism in Germany.

"It was a victory as much for the Americans as for us," said one leader. "It was a victory against socialization of industry and a victory for free enterprise."

W. German Regime Being Established

Bonn, Germany, Aug. 16 (AP)—The new West German Government, dominated by conservatives, will be forged here this week end.

Leaders of the Christian Democratic Union party, which topped Sunday's voting, were summoned today to a series of conferences with these goals:

1. Forming a coalition of right-wing parties, which think largely like the Christian Democrats (CDU), to establish an unchallenged majority over the Socialists who still are a major party.

2. Selecting the first Chancellor (Prime Minister) in Germany since Hitler and recommending a president.

Powerful Figure

The calls went out from Dr. Konrad Adenauer, chairman of the CDU, who emerged from the voting for a parliament as the most power-

W. German Vote Causes Softer Press Tone

New West German regime being forged this week end. **[Page 3.]**

Berlin, Aug. 16 (AP)—A surprising tone of conciliation was noted in the Eastern press today as German Communists still reeled from an election trouncing.

Despite a vigorous campaign, featuring tirades against the Allied dismantling program, the Communists won only fifteen of 400 seats in Sunday's election of a West German Parliament.

The conservative Christian Democrats led with 139 seats, and the Left-wing Social Democrats won 131.

Veer To Free Enterprise

Otto Nuschke, president of the Communist-controlled People's Council, frankly admitted that West Germans voted for their convictions.

"It would be foolish to deny that the West German voters have decided in favor of the economic policy of Professor Erhard," said Nuschke, who also is chairman of the East zone Christian Democrat splinter party.

Prof. Ludwig Erhard is bizonal economics director and a strong exponent of free enterprise.

There also was indication that the Communist party may undergo a shakeup as a result of the showing.

Rally Against Reds

Nuschke, who was quoted in the Christian Democrat paper *Neue Zeit*, called attention to what he called a rally of other political parties against the Communists. Then he said:

"The Communist party, which most determinedly stressed the all-German standpoint and fought most consistently for a peace policy had a unique chance.

"That it failed is likely to lead to certain considerations and decisions in its ranks," he said.

Beginning Of Struggle

The newspaper *Neues Deutschland*, organ of the Socialist Unity (Communist) party, came out against the West German state but refrained from vituperation.

It predicted that Germany was only at the beginning of the national struggle for the solution of the basic German questions.

"The occupation powers undoubtedly will take the election as a means of justifying its anti-German, anti-democratic policy. It is the great mass of the workers who will have to pay the bill again."

continued. "Enough harm has already been done like that."

Vice President Francois de Menthon, a Frenchman, presided at the session in the temporary absence of the assembly's president, Paul-Henri Spaak, of Belgium.

French Socialist Says Marshall Aid Is Dividing Europe's Economy

Strasbourg, France, Aug. 16 (AP)—French Socialist Andre Philip said today the Marshall plan's organization for European Economic Co-operation (OEEC) is "dividing rather than unifying" national economies in Europe.

Philip told the Council of Europe's Consultative Assembly that this trend had occurred despite the fact that Marshall plan aid was "generous and intelligent."

He declared the assembly must take rapid, forceful steps to unify Europe's economy to "avoid an absolute catastrophe toward which we are all moving."

Initial Meeting

The Council of Europe is holding its initial meetings here. The twelve-nation body has some of the aspects of a European parliament.

Unification of economies is so urgently needed, Philip declared, that the assembly should override the authority of the Committee of Ministers and change its statutes if necessary to deal with the problem. The Committee of Ministers is the upper house of the council.

Philip opened the assembly's debate on changes in the political structure of Europe necessary to produce greater unity among members. He said:

"One is terrified upon reading the long-term programs turned in to the OEEC by participating nations. These plans are more nationalistic than ever. The results of efforts toward co-ordination have been laughable. The OEEC has thus far led nowhere."

Need For Body

Europe desperately needs an overall economic organization, able to decide problems by a majority vote and to enforce its decisions, he continued. Philip said it was up to the assembly to create this body even if the Committee of Ministers should oppose it.

"The Committee of Ministers must not be just a group of diplomats with the power of veto," he

European Government Proposals Before Council

Strasbourg, France, Aug. 16 (AP). A chain of speakers at the Consultative Assembly today called for a European governing authority with real punch.

The 101 delegates from twelve European nations have power to discuss common problems except defense but have no authority to act for their Governments. They can only recommend action.

Robert Boothby, close Conservative friend of Winston Churchill, declared there must be an "executive, international political authority" to guide a united Europe.

Laborite Offers Proposal

His position appeared close to that of another British delegate, R. W. G. McKay, a Laborite, who submitted a resolution calling for a "European authority with limited functions but real powers."

He said later his resolution aimed at quick formation of a United States of Europe.

Jonkheer M. Van Der Goes Van Naters, Dutch Socialist, also proposed "a European political authority with definite limited powers."

Earlier the French Socialist, Andre Philip, declared Europe desperately needs an overall economic organization able to decide issues by a majority vote and enforce its decisions.

Over Ministers' Opposition

He said it was up to the Assembly to create such an organization to break down national economic barriers even over the opposition of the Committee of Ministers. The Committee of Ministers, composed of a minister from each of the twelve countries, is the upper house of the Council of

Europe. The Assembly is in the lower house.

Philip said the Marshall plan's organization for European economic co-operation is "dividing rather than unifying" the continent.

Would Revise Statute

Although Marshall plan aid is both "generous and intelligent," he said, the participating nations are turning in plans for economic co-operation which are "more nationalistic than ever. The results of these efforts toward co-ordination have been laughable."

Thorkil Kristensen, of Denmark, also proposed that the assembly appoint a commission to study revisions of the European Council's basic statute for action at the next assembly in 1950. The statute limits the council to consultative and advisory functions.

The Dane was supported by Britain's Lord Layton who said Europe needs a federation which will guarantee liberty, peace and security to its millions of people.

"People will accept sweeping changes in desperate times," he said. "This federation must be on an entirely new pattern."

Kristensen said the Assembly eventually must become a European parliament which would produce a real European government with decisive powers. But he urged caution.

"We can discuss later how far and how fast we should proceed," he added.

The resolution of MacKay, a native of Australia, aimed at setting up the nucleus of a United States of Europe within two years. It urged:

Immediate appointment of a commission to draft a constitution for such a federation, early submission of the draft to member governments and parliaments, and debate on the draft in the 1950 session of the Assembly.

On the other side of the question, however, Italy's Giuseppe Cappi said "I do not think the peoples are ready yet to sacrifice sovereignty for unity."

Injects German Proposal

Van Der Goes also injected the question of admitting western Germany to the council for the first time with a concrete proposal.

He proposed the admission of Germany at the Assembly's next session, in 1950.

Ireland's William Norton finally succeeded in raising the question of Northern Ireland on the floor when he appealed to British leaders to end what he called the "military occupation" of the six northern counties. Britain, he declared, is holding "one sixth of our national territory."

U.S. YOUTHS STILL MISSING

Police in Germany Hunt for Two Last Seen Near East Zone

FRANKFORT, Germany, Aug. 16 (AP)—With few clues, police officials pressed a search today for two young Americans who disappeared six days ago while cycling near the Soviet zone border of Germany.

Brig. Gen. Norman H. Schwarzkopf, United States Army Deputy Provost Marshal in Germany, said all policemen in Western Germany had been alerted.

He said that so far as he knew Russian authorities had not been notified because there was no definite evidence the young tourists had gone into the Soviet zone.

The cyclists, Warren Oesiner, 20 years old, of Oyster Bay, N. Y., and Peter H. Sellers, 18, of Philadelphia, last were definitely seen in the British zone near the Soviet zone frontier.

Germans Seize Smuggled Cigarettes And Money

Frankfurt, Aug. 16 (AP)—The seizure of 8,000,000 smuggled cigarettes and $25,000 in United States currency was disclosed today by German customs officials.

The seizure was described as the "largest in the history of the post-war German customs service."

The cigarettes were found in three trucks of the International Refugee Organization in Kalsruhe August 13. The truck drivers were arrested.

Britain Makes Slav Gesture

London, Aug. 16 (AP)—Britain made a friendly gesture toward Yugoslavia today by accepting a Soviet plan to write a Slav bill of rights into a treaty of independence for Austria.

The move, made at a conference of deputy foreign ministers of the Big Four powers, came as a surprise. Diplomatic informants said it had two obvious advantages from the British standpoint:

1. It is a way of pleasing Marshal Tito. Britain is working up a big five-year trade deal with the Yugoslav Government.

2. It may remove one of the obstacles which for two years has kept the Big Four from reaching final agreement on a treaty for Austria.

Separate School Plan

Although Tito is on the outs with Russia, both he and the U.S.S.R. have been demanding guarantees for the Croat and Slovene minorities in southern Austria.

Up to now the Western deputies have favored protecting the rights of these minorities in the treaty but only in general language.

The Russians have put forth a five-point plan specifically guaranteeing the minorities the right to their separate schools, language, customs, press and cultural organizations.

W. I. Mallet, the British deputy, today submitted his own five-point "Slav charter," which agreed with the Russian version in principle, differing only in wording.

Ambassador Withdrawn

The American, French and Russian deputies agreed to study the British plan.

The move came on the heels of the Moscow announcement last night that the Soviet Ambassador to Yugoslavia, Anatole Lavrentiev, has been withdrawn to resume his old job as a deputy foreign minister. No mention of a successor at Belgrade was made.

It coincided, too, with a new attack in the Soviet trade-union paper *Trud*, calling Tito and his chief aides "card sharps" and a "treasonous clique."

The Soviet army newspaper *Red Star* said Tito was trying to buy jet planes from Britain.

A Moscow note to Belgrade last week end said Tito was now regarded as an enemy of the Soviet Union Russia previously had withdrawn its support of Yugoslav demands that part of southern Austria be ceded to Yugoslavia.

Yugoslavia Punishes 1,467 For Sabotage

London, Aug. 16 (AP)—Yugoslavia disclosed tonight that 1,467 persons had been punished for sabotage against Marshal Tito's regime.

The official news agency Tanjug said in a broadcast heard here that this number was dealt with since Yugoslavia's falling out with Russia last year.

Tanjug said 1,416 had signed a resolution repenting their acts. The broadcast gave no details of the sabotage or punishments.

Britons Unload Federal Bonds

London, Aug. 16 (AP)—British investors are shedding Government bonds with frantic haste.

Some kinds can be bought in the London bond market for less than 70 per cent of what the government promises to pay when they come due.

The faith of the British people in their once-proud pound sterling is sorely shaken.

During the first seventeen week's of the Government's fiscal year beginning April 1, they withdrew the equivalent of $89,000,000 more from their national savings accounts than they put in.

Put Into Real Estate

Some sections of the British press are close to shouting "panic." Newspaper financial commentators are waving red warning flags all over Fleet street. They say if this keeps up the Government will have no more credit at home or abroad.

While the Treasury stays mum, vast sums are being taken out of Government bonds and put into things like real-estate and gold-mine stock.

During one three-week period in July and August, the total value of British Government bonds shrank $2,000,000,000 on the London exchange.

Dollar Crisis Obvious Reason

What started this? Here are obvious reasons.

1. What the British call the dollar crisis. The Labor Government has been unable so far to give assurances that British can go on much longer earning, borrowing or obtaining American gifts of dollars it must have to buy food and raw materials.

If the Government fails, Britain faces privation, unemployment and a crippling drop in national income. All this would make it harder to pay off Government bonds when due.

2. Constant talk that the official rate of around $4.03 for the pound must and will be cut—despite Government denials. To the people, bonds represent pounds. If pounds are worth less then bonds are worth less, they reason.

"Bear Raiders" Blamed

Two other theories are less widely cited. One is that the Government has issued too many bonds in payment to former owners of nationalized industry. The other is that "bear selling", upset the market.

The Labor party newspaper, the *Daily Herald*, blames "bear raiders" who sell Government bonds for deferred delivery with the hope of buying them at a lower price when actual delivery is due. Such sales, the paper explained, depress the market.

The Liberal *Evening Star* holds to the "glut" theory. When there is too much of anything, the *Star* explains, the price goes down, and there are too many Government bonds.

Buying Effort Off, Europeans Told

Paris, Aug. 16 (AP)—Marshall Aid Chief Paul G. Hoffman told European trade leaders today their countries are doing less than they should to earn their United States dollars.

He spoke at a meeting of the heads of delegations to the Organization for European Economic Co-Operation at its headquarters here. This is the nineteen-area group charged with dividing up Marshall plan funds.

Fact Not Squarely Faced

Among those present were W. Averell Harriman, special Marshall plan Ambassador to Europe; Sir Edmund Hall-Patch, Britain's top delegate to OEEC, and Herve Alphand, head of the economics section of the French Foreign Ministry.

Hoffman said he saw no way to meet Europe's chronic dollar shortage, except by earning dollars through exports. He had found, he added, little evidence that this fact is being squarely faced except by one or two countries.

Singled Two For Praise

He did not specify which countries he meant.

At a news conference yesterday, Hoffman praised the new British Dollar Export Board for trying to find additional United States markets. He also said then that Belgium was doing work on this line.

He told the OEEC delegates that there is a great need for their governments to give their manufacturers incentives "to win and hold a place in the American market." First, he said, there must be a willingness to earn more dollars; then the United States would see about how it could give this effort technical help.

Van Zeeland Named Council Head

PARIS, Aug. 16 (AP)—Paul van Zeeland, Belgian Minister of Foreign Affairs, was elected president of the Council of the Organization for European Economic Co-operation today. Van Zeeland succeeds former Premier and Foreign Minister Paul-Henri Spaak of Belgium.

Slavs Reportedly Fire On Greek Guerrillas

Rome, Aug. 16 (AP)—The Italian news agency Astra today quoted a Greek rebel broadcast as saying that Yugoslav troops fired on Greek guerrillas reorganizing their lines near the frontier.

Astra said it appeared from the broadcast that the Greek rebels were attempting to flee across the border when they met the Yugoslav fire.

Yugoslavia had been an important base for the Communist-led guerrillas before Premier Marshal Tito's dispute with the Communist International Information Bureau (Cominform) grew intense. Tito said recently that he was gradually closing Yugoslavia's frontier with Greece.

Greeks Report Gains

Athens, Aug. 16 (AP)—The Greek Army said today its units in the Vitsi area had stamped out the last guerrilla resistance west of Mikra.

Greek troops searching the entire Vitsi area near the Albanian border discovered guerrilla installations and "enormous quantities of war material," a communiqué said.

Priests May Perform Reds' Marriages, Vatican Rules

Vatican City, Aug. 16 (AP)—A decree published by the Holy Office today allows Roman Catholic priests to perform marriage ceremonies for Communists, if the Communists promise to raise any children of such unions in the Catholic faith.

The Vatican newspaper, *L'Osservatore Romano*, said the decree would allow the marriage of a militant Communist to a professing Catholic, and also would permit marriage of two Communists who were not active in party affairs. It did not say how it would affect two

30.24- 5077

active Communists who might want to be married by a Catholic priest.

Special Status

The recent decree of excommunication published by the Holy Office July 13 placed militant Communists in a special status of excommunication pronounced by the Pope. It had said further that those who exposed themselves to the doctrines of communism knowingly would risk punishment by the Church. Excommunication from the Church involves the denial of the sacraments, of which matrimony is one.

Same Guarantees

L'Osservatore said the marriage of a militant Communist with a professing Catholic will require the same guarantees as the marriage of a Catholic to a non-Catholic.

In such cases the Church asks a formal promise that children of such a marriage will be baptized and reared in the faith and that the non-Catholic spouse will not interfere with the religious life of the other. The marriage is not celebrated in the church but in the chapel or the parish house, without an accompanying ceremony of the mass.

Vatican Decree On Weddings

Vatican City, Aug. 16 (AP)—A militant Communist may participate in the sacrament of matrimony under the terms of a new decree published today by the Holy Office.

Militant Communists — active party members—still are denied all other sacraments of the Catholic Church, however, under the Vatican's July 13 excommunication order.

L'Osservatore Romano, the Vatican newspaper, interpreted the new decree this way: It permits marriage between a militant Communist and a professing Catholic or between two Communists who are not militant party members. But nothing was said by the newspaper concerning two militant Communists who might wish a priest to marry them.

"Inaccurate Interpretations"

The Vatican paper described today's decree as opportune because "inaccurate interpretations, especially with regard to matrimony, have arisen" following issuance of the excommunication order.

"Matrimony is, certainly, a sacrament," the paper said. "Let us add, however, that it is distinct from other sacraments in some of its noted details, among which the following one must be remembered:

"The ministers of the sacrament are the spouses themselves, which means that the sacramental action is really performed not by the assisting priest but by the contracting parties."

The Vatican paper said a marriage between a militant Communist and a professing Catholic will require the same guarantees as the marriage of a Catholic to a non-Catholic — namely, that both spouses promise to raise their children in the Catholic faith.

In Chapel Or Parish House

Another guarantee is that the non-Catholic spouse will not interfere with the religious life of the other.

Such marriages are celebrated in a chapel or parish house and not inside the church proper, where the ceremony of the mass involves the sacrament of the holy eucharist. Militant Communists excommunicated under the July 13 decree are denied the sacrament of the eucharist (communion) in connection with the nuptial mass.

Such marriages can be performed in the same manner as other marriages involving non-Catholics, *L'Osservatore Romano* said, provided there is a "moral certainty" the children will be baptized and educated as Catholics.

Distinction Explained

"But it often will be difficult to obtain this certainty in such cases," the paper added.

Explaining the distinction between the sacrament of matrimony wherein the contracting parties and not the priests are the real ministers, *L'Osservatore Romano* said:

"The priest is the official witness, ordinarily required for the validity of the sacramental contract; he also is the true minister of the rites and the sacred ceremonies, with which the church solemnizes the celebration of matrimony and invokes on the spouses the benediction of God."

The Vatican's July decree put militant Communists in a special status of excommunication pronounced by Pope Pius XII. Excommunication denies persons the sacraments and the society of other Catholics.

Some Forced To Join Party

Two weeks after issuance of that decree, *L'Osservatore Romano*, explained that Catholics who support communism with votes or money, but who reject its "materialistic anti-Christian" doctrine do not fall under excommunication.

The Vatican paper said then the church is aware there are "some faithful, who, against their will . . . and perhaps even with physical violence, are forced to join the Communist party." In such cases, the priest must be the judge of the circumstances, the paper added.

Early this month, *L'Osservatore Romano* lashed out at the imprisonment of a Catholic priest in Czechoslovakia who was accused of refusing to administer the sacrament of extreme unction (last rites) to a gravely ill woman because she was a Communist. The Communist-led Czech Government had announced that the Rev Alois Fajstl, a village priest, was sentenced to eight years on treason charges. The Vatican paper called the sentence an outrageous miscarriage of justice.

Dutch Charge Cease-Fire Violations In Indonesia

The Hague, Aug. 16 (AP)—Republican violations of the cease-fire in Indonesia have been called to the attention of the United Nations, Dr. J. H. Maarseveen, Minister of Overeseas Territories, told Parliament today.

Maarseveen said Dutch authorities in Batavia have discussed the violations charged by this country with the United Nations Commission for Indonesia.

In his announcement, which confirmed earlier unofficial reports, the Minister did not say the Dutch had lodged any protest with the commission. He said the United Nations Commission's observers also had been informed of reported Republican plans to infiltrate Soerabaya and other Dutch-occupied cities.

The cease-fire between the Dutch and Republican guerrillas, negotiated with the aid of the United Nations, went into effect last week. The Dutch have announced they will call a proposed roundtable conference on formation of an autonomous United States of Indonesia only when they are satisfied the order is being fully respected.

Yugoslav Answer

Belgrade, Yugoslavia, Aug. 16 (AP)—Yugoslavia denied tonight charges that its armed forces are aiding the Greek Government against the Communist-led guerrillas in northern Greece.

The statement was made over the officially controlled Belgrade radio a few hours after the Prague radio reported that Yugoslav troops had engaged in conflict with the guerrillas.

The radio did not mention the Prague report directly, but devoted a considerable part of its broadcast to an explanation why such a charge was false.

Tells Of Army Meeting

It told in detail of a five-hour mass meeting of officers and men of the Yugoslav Army stationed at Bitolj, near the Greek-Yugoslav frontier. The men discussed the Greek fighting and the relations between Greece and Yugoslavia.

This resolution was passed at the meeting:

"Because of the slanders which are being spread lately against Yugoslavia and our army we want to inform the people about the truth.

"Yugoslavia always gave great help to the Greek (guerrilla) movement more than any other country and gave more publicity to its fight than any other country. We soldiers and officers know that nobody from our army ever had any contact with the monarcho-fascists."

"No Markos, No Bread"

The statement added that many Greek rebel soldiers had crossed into Yugoslavia. The Yugoslavs asked why and the rebels replied:

"There is no Markos, there is no freedom, there is no bread."

This was a reference to Gen. Markos Vafiades, the deposed former leader of the guerrillas. Reputedly he was a sympathizer with Marshal Tito's campaign for "equal rights" for countries under Communist rule.

The Yugoslav press has charged that Vafiades was removed at the order of the anti-Tito Cominform.

Romanian Minister Heads Here.

Bucharest, Aug. 16 (A. P.).—Ion Mihail Magheru, 39, new Romanian minister to Washington, headed for the United States today. He is flying to Paris and will sail for New York over the week end. Magheru was the former Romanian minister to Switzerland.

2 Yugoslav Ex-Regents Draw Stiff Prison Terms

BELGRADE, Aug. 16 (AP).—A People's District Court today handed out stiff prison sentences to two former Regents of Yugoslavia on charges of hastening this country's collapse before the invading Germans.

Ivo Perovic, a former Governor of Croatia, was sentenced to eleven years. Radenko Stankovic, the other Regent, was given a prison term of twelve years. Both have been in jail since 1945.

With Prince Paul—former King Peter's uncle—they formed the triumvirate which governed Yugoslavia from 1934, when King Alexander was slain in Marseille, until the country fell in 1941.

On trial with them were Milan Antic, former King's Chamberlain, and Danilo Gregoric, an attorney and former newspaperman. Antic got fifteen years, Gregoric eighteen.

Visit With Stalin Pleasant: Kirk

Moscow, Aug. 16 (AP)—United States Ambassador Alan G. Kirk said today his meeting with Prime Minister Stalin in the Kremlin last night was a "courteous, pleasant visit."

The conversation lasted about 45 minutes. It was the first time any high American official had seen Stalin in nearly a year.

It was reported that Stalin and Kirk talked in an informal and relaxed manner. Kirk said the conversation dealt with "general subjects."

First Meeting

Kirk said he had requested the interview with Stalin and described his visit as a "courtesy call" according to protocol. It was the first time the 61-year-old American envoy had met the Soviet leader. Kirk, a retired admiral who succeeded Lieut. Gen. Walter Bedell Smith as Ambassador to Moscow, arrived in the Soviet capital in June.

All Moscow morning newspapers carried front-page stories on the meeting. Soviet-American relations always are a subject of interest here.

Complete Version

A complete version of the meeting is being sent to Washington today. After the visit to the Kremlin was concluded Kirk, Minister Councelor Walworth Barbour and First Secretary George Morgan went directly to the American Embassy where they sent off a first account of the talk.

Barbour and Morgan accompanied Kirk to the Kremlin. On the Soviet side at the meeting, besides Stalin, were Foreign Minister Andrei Y. Vishinsky and Foreign Office Translator Jan Troyanovsky, son of the Soviet Union's first Ambassador to the United States.

It could not be learned whether economic questions were brought up. However, following a similar "courtesy visit" beween Stalin and the New British Ambassador, Sir David Kelly, last June, Russian receptiveness to proposals for increased trade with the West was noticeably emphasized.

Slav Agent Declares Hungary Expelled Him

Belgrade, Aug. 16 (AP)—Devad Midjich, advance agent for Yugoslavia's delegation to the World Youth Festival in Budapest, claimed today he was "kidnapped and expelled" from Hungary.

Midjich said he was given a runaround at the Hungarian Foreign Office and taken forcibly to the Ministry of the Interior. Here, he said, he was placed under arrest for fourteen hours, then put on a train and given his passport only when he reached the Yugoslav-Hungarian border.

Athens, Aug. 16 (AP)—A Greek guerrilla chieftain known as Perdikas was killed by police near Tripolis tonight, the Ministry of Public Order announced. He had been charged with terrorizing the Peloponesus for two years, committing hundreds of slayings and atrocities.

Catholics Hopeful About Polish Talks

Warsaw, Aug. 16 (A. P.).—Quarters close to the Roman Catholic heirarchy expressed optimism tonight concerning talks they said now are taking place between the church and the Communist-led Polish Government.

The talks concern defining relationships between church and state, the informants said.

COMMUNISTS DRIVE CLOSER TO CANTON; FOREIGNERS FLEE

U. S. Plans to Shut Embassy, Consulate — Reds Reported in Kwangtung Province

KANHSIEN BELIEVED LOST

Nationalists, in First Official White Paper Reaction, Find 'Source of Satisfaction'

By The Associated Press.

CANTON, China, Aug. 16—Foreigners fled this refugee capital of China today amid reports that Communist armies were little more than 155 miles away.

Private reports said the Nationalists were withdrawing from Nanhsing (Mamyung), inside Kwangtung Province of which Canton is the capital. Nanhsing is 155 miles northeast of Canton. This suggested the Communists had crossed the border.

An army spokesman admitted Communist troops from the East also had advanced on Hengyang, 265 miles north of Canton.

All radio contact was broken with Kanhsien, which guards the Kan River valley gateway to Canton. That may mean that the city, 215 miles northeast of Canton, is lost.

The United States Embassy and Consulate here plan to close before the Communists arrive.

[State Department Press Officer Lincoln White said in Washington the reason was that the Chinese Communists had failed to protect United States diplomats. He said relations would be maintained with the Nationalists wherever they go.]

Russia Denounced

Even in its extremity the Nationalist Government found time to denounce Russia, to brand the Communist foe as "the tools of Moscow" and to disagree with the United States State Department White Paper on China.

All three were contained in a statement delivered to United States Charge d'Affaires Lewis Clark, giving the first official reaction to the White Paper. The White Paper had termed the Nationalist Government a failure and had opposed further aid.

The British steamer Wusheh sailed for Hong Kong loaded with foreigners. United States Navy planes stood by to take off Americans who might be unable to get out.

There are seventy-three Americans here, including fifteen with the Embassy and nineteen with the Consulate General. Most of the others are business men, a few airmen and members of the Joint Commission on Rural Reconstruction.

There are other Americans in South China. United States authorities hope they will get out of the path of the Communist armies. Some show no disposition to do so.

Oil Concern's Staff to Leave

Shameen Island, where most foreign concerns are located, was a busy place, with foreigners packing. American Standard-Vacuum Oil Company announced its whole staff would pull out. British Shell Oil Company was removing women employes and families of the staff.

Runs Shanghai Blockade

SHANGHAI, Aug. 16 (AP).—Agents for the 800-ton coastal freighter Edith Moller announced today the vessel had run the Nationalist blockade of Shanghai. Word of the arrival of the craft in Hong Kong was received by Mollers, Ltd., after rumors had spread that the ship was seized off the mouth of the Yangtze by Nationalist gunboats. The ship brought in 500 tons of cotton, chemicals and medicine two weeks ago. She took out a cargo of 500 tons of tung oil, piece goods, bristles and mail.

Moves Indicate Policy Change In China

Other news about China on Page 3.

Canton, Aug. 16 (AP)—The British steamer Wuseh sailed for Hong Kong tonight loaded with foreigners, as private reports placed Communist troops within 170 miles of Canton.

At the same time authorities here said American naval planes would evacuate Americans from this Nationalist provisional capital if other facilities proved inadequate to get them out ahead of the Reds.

There are about 73 Americans here. They include fifteen in the embassy, nineteen in the consulate general and most of the others in the Joint Commission on Rural Reconstruction.

Packing For Exodus

The 44-acre Shameen Island, which shelters most foreign firms, was a scene of great activity during the day. Everywhere people were packing their belongings.

Private reports said the Reds were threatening Tayu, near the Kwangtung border, 170 miles northeast of Canton.

If these reports prove correct, they would cast some doubt on a Nationalist Army spokesman's claim of a successful Nationalist counterattack further to the northeast. Ahead of the Reds in their advance on Canton are the rugged Tayuling Mountains on the Kwangtung-Kiangsi border.

Rail Personnel Withdrawn

The Canton-Hankow Railway administration has withdrawn all personnel north of the Hangyeng rail junction 265 miles from Canton. The main operational base of retired American Major General Claire Chennault's airline has been transferred from Canton to Kungming. Management personnel of the airline remain in Canton.

Radio contact was lost today with the defenders of Kanshien, about 200 miles northeast of Canton.

An army spokesman virtually admitted loss of the important rail center to advancing Communist troops.

The United States consulate generaleral here has been ordered to close down before Chinese Communists takes the Nationalist capital.

Authorities confirmed the order today but refused further comment.

Change In U.S. Policy

Already big American and British oil companies and other foreign firms were pulling out of the South China coastal city.

The closing date for the consulate would depend on the progress of the Reds' southward march. The decision marks a change in American policy.

The obvious conclusion is the State Department by now is fully convinced the Reds will not allow any consulate to perform its normal functions unless diplomatic recognition first has been extended to the Reds.

Likely Factors Cited

Factors which might have influenced the new policy are believed to include:

A recommendation by United States Ambassador J. Leighton Stuart; hitches connected with the departure of the American consul general at Mukden, the Olive incident in which the American vice consul in Shanghai was arrested; and a fear Americans might be held hostages if any development causes a further strain in relations between the United States and the Chinese Communists.

Foreign Staffs Leaving

The American Standard-Vacuum Oil Company announced it was withdrawing its entire foreign staff. Only Chinese employés will remain to look after the interests of the largest American firm in South China.

The British Shell Oil Company was taking out families of its foreign staff and foreign women employés.

Shanghai Admits U. S. Ship

Communists Grant Permission to Repatriation Vessel

SHANGHAI, Aug. 16 (AP).—Chinese Communist authorities today granted the American President Lines passenger ship General Gordon permission to enter Shanghai as a repatriation ship.

Floyd Downs, manager of the line's office here, said the company and the American State Department had asked Chinese Nationalists for safe conduct through their blockade of the coast. No answer has been received from Canton, he said.

The liner will probably bring some cargo into Shanghai, but her main purpose will be to evacuate some 1,500 foreigners, most of them American and British. News of the Communist action speeded applications by foreigners to get out of Shanghai.

Chungking Reported In Line To Be Capital Of China

Tokyo, Aug. 16 (AP)—Gen. Wu Teh, adviser to Generalissimo Chiang Kai-shek, told foreign correspondents today that Chinese Nationalists will move their capital to Chungking if the Communists take Canton.

Wu, here for conferences with Gen. Douglas MacArthur and other occupational leaders, said Canton would be held as long as possible.

On the subject of Formosa, where Chiang now has his headquarters and the bulk of his active air and naval forces, Wu said:

"The Formosans are purely Chinese. We will not favor trusteeship for Formosa under the United Nations. The Nationalists can defend Formosa as long as the Communists do not get a navy and airplanes from the outside."

Charges By Formosans

Formosans in many quarters have recently charged that their island was turned over to the Chinese Nationalists by the United States and Britain without their permission. Some Formosans have said they fared better under the Japanese for almost 50 years than under the Chinese since 1945.

Wu said he believed the most significant thing about the United States State Department White Paper was that the United States denounced Russian as well as Chinese Communists for the first time.

"The White Paper did not affect the morale of our troops. It disheartened the masses of the Chinese people," he said.

Wu is a Minister Without Portfolio in the Nationalist Chinese Cabinet.

S. Koreans Fight Reds; Dead At 72

Seoul, Aug. 16 (AP)—The Korean Army reported today that sporadic fighting 70 miles northwest of here in the past ten days had cost 72 known dead.

The fighting has been confined to a mile-long stretch of mountainous terrain separating the Communist North from Republican South Korea. Neither side has advanced more than 300 yards beyond the border at any point.

South Korea has lost 25 soldiers and 2 civilians killed and 115 wounded. The army says at least 95 North Koreans have been killed and that 45 bodies have been found.

BURMESE REBELS TRAP 18 AMERICANS

All Believed Safe In Karen-Held Taunggyi

Rangoon, Burma, Aug. 16 (AP)—Eighteen Americans were believed to be safe in rebel-held Taunggyi today though fighting raged outside that capital of the Southern Shan states.

A spokesman for the United States Embassy in Rangoon said the Americans—twelve adults and six children—appeared to be in no immediate danger following the

30.24- 5079

capture of the town by Karen forces during the week end.

A Burmese Army communiqué said Government troops and Karen rebels were locked in battle at the foot of Taunggyi Hill. Rebel forces reportedly advanced to that point following their seizure of Taunggyi, 100 miles southeast of Mandalay.

Under Educational Program

The communiqué said an attempted rebel advance on Heho airfield, some 20 miles away, was "definitely halted." It added that Burmese troops had reoccupied Kathetaw, a town in the Meiktila district of central Burma.

There were reports that several Burmese governmental officials fled from Taunggyi before rebel troops entered the town. The United States Embassy spokesman, however, was unable to say whether any of the Americans had also made timely getaways.

Three of the United States citizens came to Burma recently under the Fullbright educational program and were in Taunggyi with their wives when the rebels overthrew the local administration.

Others Are Missionaries

They were: Mr. and Mrs. Otto K. Hunerwadel, of Gainesville, Fla.; Mr. and Mrs. Samuel Dashiell, of Dallas, Ore., and Mr. and Mrs. Charles Brant, of Portland, Ore.

Hunderwadel, visiting teacher of agriculture at the Taunggyi Agricultural Training School, also is agricultural advisor to the Southern Shan states government.

Other Americans in Taunggyi are missionaries attached to the American Baptist mission. They include:

Mr. and Mrs. W. W. Zimmer, of Mason, Mich.; Miss Laura E. Johnson, of Mead, Neb.; Mrs. E. Heptonstall, who was born in Toungoo, Burma, and Mr. W. D. Hackett, who was born in Rangoon.

Herzl's Body Flown To Tel Aviv

Tel Aviv, Aug. 16 (A. P.).—The body of Theodor Herzl, Austrian-born founder of modern political Zionism, was brought today to the Jewish homeland that he dreamed of more than half a century ago. Herzl died in Vienna in 1904.

The remains were flown from Austria to Israel's Lydda airport. A truck escorted by a guard of honor brought the coffin here to be placed before the Israeli parliament building. Thousands of citizens of the new state began filing past to pay tribute.

U.S. OIL LINE LEFT IN DOUBT

Syrian Premier Puts Decision Up To Future Parliament

Damascus, Syria, Aug. 16 (AP)—Hasem Bey Atassi, premier of the new temporary government here, said today Syria's future parliament will have the final say on the United States oil pipeline concession.

The late Syrian President, Marshal Husni Zayim, who was executed in Sunday's military coup, recently approved the concession for a trans-Arabian pipeline outlet in Syria.

Atassi, 87-year-old interim premier, said in an interview: His government is functioning as a temporary Cabinet; it will neither confirm nor deny actions taken by the Zayim regime, such as pipeline agreements; such responsibility will be in the hands of the future House of Representatives.

Promises Friendly Relations

Atassi emphasized that the chief aim of his Cabinet is to restore constitutional government.

The aged former President said his country will retain close and friendly relations with the "greater democracies," such as the United States. Syria also will maintain close relations with the United Nations and the other Arab states, "because the Arabs are one nation whatever their political division might be," he declared.

[A dispatch from Cairo quoted the Damascus radio as saying the Syrian-Turkish frontier has been closed.]

Col. Sami Hennawi, who led Sunday's military overthrow of the Zayim regime, said in an interview he hoped the coup had brought the desired stability to Syria.

Refuses Political Comment

Hennawi refused to comment on political questions, saying he is strictly an army officer and "there is now a responsible government handling the political side."

"I am here to organize and command the army," he added.

The new civilian Cabinet, representing most shades of Syrian political opinion, issued a statement saying it would retain power only until a constitutional government can be set up. The cabinet communiqué set no time limit for establishing such a regime.

A curfew imposed after Sunday's military revolt was lifted last night, but there was no indication when censorship regulations would be abolished. They originally were imposed by the Zayim government.

MEMOS PREPARED FOR GEN. VAUGHAN, HE TELLS PROBERS

Declares 'Waitt's Report on Waitt' Is Embarrassing But True

QUIZZED BY SENATORS

Data Never Reached the White House, '5-Percenter' Witness Says

WASHINGTON, Aug. 16. — (AP) Maj. Gen. Alden H. Waitt, four rows of ribbons and two medals gleaming on his chest, acknowledged today that he wrote, in the third person, a highly flattering report on himself.

The report was prepared for Maj. Gen. Harry Vaughan, President Truman's military aide. In it Waitt described himself as one of the world's leading experts on toxicological (or poisonous) warfare.

When Senator McCarthy (R-Wis) questioned Waitt about this at a senate investigations subcommittee hearing, the slightly built, 56-year-old general squirmed, laughed nervously and said:

"Embarrassing But True"

"That is most embarrassing. But it happens to be true."

Still obviously uneasy, the general who has been under suspension since July 16 added:

"Pravda (a Russian newspaper) has called me the savage General Waitt. Moscow Radio has called me a cannibal."

Another laugh, and then:

"I imagine the press tomorrow will certainly put me on the griddle about this."

The general said that the Waitt report on Waitt never reached the White House.

"I didn't use that memo," he said. "My brass broke down at that point. I wasn't asked for it. It's just been a source of embarrassment to me."

At the same time he wrote his self-appraisal, Waitt said, he prepared reports on eight brother officers who might be picked to succeed him as head of the chemical corps.

These reports, introduced into the committee records last week, carried such evaluations as these:

"No technical training.

"Might be accused of being lazy."

"Very slow."

"Has no competence."

Waitt said he didn't think this report, on the other officers ever reached Mr. Truman. But he wasn't sure, he said, because Vaughan didn't say what he was going to do.

The Senate Investigations subcommittee has been studying the activities of the so-called five percenters—men who offer to help land a government contract in return for a fee, often five per cent of the money involved. The committee would like to find out whether they ever exert any undue influence on government officials.

Close Friend of Hunt

Waitt made these additional points to the committee:

1. In a prepared statement, he said that he has been a close friend of James V. Hunt, a self-styled management counselor here whose name has figured prominently in the hearing.

2. The committee heard last week that Waitt went to Hunt's office to dictate his reports to Vaughan on the candidates who might succeed him.

He was asked today why he did that.

"I preferred to do it where it was private," he replied. "I wanted to be completely away from my office."

He said that he thinks Hunt knew he was dictating reports to Vaughan, but that they didn't discuss the contents of the reports.

3. Waitt insisted that only once had Hunt come to him on a matter of business. That was while Hunt represented the Deering Milliken Company of Greenwich, Conn. But, said Waitt of Hunt:

Denies Pleas for Favors

"From the time I first knew him until the present, he has never asked me to do any official favors for him, and there was no agreement, express or tacit, that I assist the organization which he represented in any way."

4. Waitt said that it was Vaughan who had suggested that he should supply him with "my estimate—my personal opinion" of the men likely to succeed him.

The suggestion, Waitt said, was made at some social get-together, "perhaps a cocktail party."

Vaughan told him, Waitt said, that "I was the best qualified for the job and should succeed myself." He said Vaughan noted that Waitt, at 56, "had a lot of good service left in me."

Waitt said he first got the post as chemical chief in November, 1945.

Did he solicit any help to get the job? Senator O'Conor wanted to know.

"That's a difficult question," Waitt replied. "Whether I solicited or not, I'm not sure. I welcomed it."

A moment later he commented:

"I was normally ambitious."

Waitt was asked if he asked Hunt to help him get the post as head of the chemical corps.

Waitt said he couldn't remember, but—

Hunt 'Close Friend'

"Hunt was a close friend and it was a natural assumption that without solicitation he would help me."

Waitt had been acting head of the chemical corps. He said he figured that if Hunt was to aid him, it would be by helping to get his appointment confirmed by the Senate.

"Such assistance as came to me from the outside," he said, "came to me from leading scientists who felt I was best qualified for the job."

He got the job.

As his term as head man neared a close, Waitt realized that seldom, if ever, is the chief of the chemical corps chosen to succeed himself.

Yet, he said, "I must confess that I thought my leadership should continue."

Furthermore, he said, leading American scientists and industrialists also wanted him to stay on as head man.

"If anyone feels deeply about a matter," said Waitt, "he has to go out and get it."

So Waitt went out to get it.

He checked with the army's judge advocate, he said, and learned there was no legal bar to keep him from succeeding himself.

Waitt said it was difficult to talk with army men; they were "interested in the appointment."

So he talked with Hunt—"perhaps my closest friend in Washington."

Hunt, he said, knew "I had been in touch with General Vaughan and that General Vaughan had encouraged me."

Added Waitt:

"I put myself in the position of being very conceited, but in justification, I can say that I was only encouraged by American scientists."

Defends Reports on Rivals

Waitt defended the reports he turned in on his fellow officers. "An honest evaluation," he said.

He explained it this way:

The official reports, in which Waitt rated some of the men highly, dealt with the work they were doing.

The reports he prepared for General Vaughan, on the other hand, were to evaluate their abilities for the top job.

Said McCarthy:

"This obviously was a document to be presented by Mr. Vaughan as Mr. Vaughan's evaluation. Was there any doubt about that?"

Replied Waitt:

"Yes, sir, I think there is some doubt about it. All I can tell you is that General Vaughan did not tell me how to couch the document."

As Waitt left the stand, Chairman Hoey (D-NC) remarked:

"The committee hasn't charged you with anything."

"I haven't been charged with anything by anybody," Waitt replied.

HOUSE EXPECTED TO SPEED VOTE ON ARMS AID BILL

WASHINGTON, Aug. 16—(AP) President Truman's full $1,450,000,000 program of arms aid to "friendly nations" moved swiftly today toward an early House vote.

The House Rules committee sent

the historic measure to the House floor for a day's general debate tomorrow. Consideration of amendments will begin on Thursday, and administration leaders hope the House will pass the bill not later than Friday.

No Major Changes

Speaker Rayburn predicted the program will pass in substantially the form recommended yesterday by the House Foreign Affairs committee. That group approved the full $1,450,000,000 asked by Mr. Truman. However, it decided to authorize in cash only about 55 per cent of the $1,160,000,000 requested for western European members of the Atlantic alliance. The remainder would be covered by authority to enter into contracts, which Congress would be obligated to pay.

Under procedure approved by the rules committee, House members will be free to offer any other amendments they may wish from the House floor. Unless the House limits debate at the end of tomorrow's session, members will be free also to speak five minutes each on any amendment.

The arms aid program moved at a slower pace on the Senate side of the capitol. There a committee upheld the right of Henry Wallace and others to argue before Congress against the President's program.

The combined committee on foreign relations and armed services voted in a closed session to reopen public hearings on the history-making measure.

New Delay in Senate

Previously, without having heard opponents, the committee had ended hearings and prepared to whip the administration's bill into shape for senate consideration.

But Senator George (D.-Ga.), who has ben urging Congress to slash the fund in half, objected that it was not good practice to close hearings without listening to the opposition.

Other senators told reporters it was argued also that Wallace and others who have asked to be heard might accuse the committee of bias if their requests were refused.

Norman Thomas, who has been the Socialist nominee for president six times, is scheduled to be the first witness at the reopened hearings tomorrow. Committee aides said he has asked to appear to criticize certain sections of the bill.

The committee aides said those who have asked to testify in opposition to the program include former Vice President Wallace, the Progressive Party's candidate for president last year; Arthur Schutzer of the American Labor Party, and Elizabeth Moos of the American Continental Congress. A pamphlet issued recently by the New York office of the American Continental Congress for Peace, which is scheduled to meet Sept. 5-10 in Mexico City, listed Elizabeth Moos as one of its sponsors. The pamphlet said the purpose of the Mexico City meeting is to stop a "drive towards war" and to express "the powerful demand for peace by the people from Alaska to Patagonia." A State department official has commented that this meeting apparently will be "Moscow-directed."

Bradley Takes New Post As Staff Chief

Washington, Aug. 16 (AP)—Gen. Omar N. Bradley today took over the nation's highest military post.

The former Army Chief of Staff was sworn in by Secretary of Defense Johnson as chairman of the Joint Chiefs of Staff. He is the first to hold the office, recently created by Congress.

The Joint Chiefs of Staff are the operating heads of the three armed services—the Army, Navy and Air Force. They serve as the chief military advisers to the President and the Secretary of Defense.

No Command Authority

It will be Bradley's job to smooth out any squabbles among them, although he will have no vote or command authority. Gen. Dwight D. Eisenhower, Supreme Allied Commander in Europe during the last war, has been serving temporarily as chairman of the group.

As he took the oath at the Pentagon, Bradley was surrounded by the three secretaries of the armed forces, his fellow chiefs of staff and Deputy Secretary of Defense Stephen T. Early.

Standing proudly beside him was his wife.

Hand Trembled

Bradley's hand, resting on the Bible, trembled as he repeated the oath.

After the ceremony in Johnson's office the gathering of high ranking officers, congressmen and personal friends went down a hall to the office Bradley had occupied as army chief of staff.

There, Bradley swore in the new army chief, Gen. J. Lawton Collins, who has been vice chief of staff for the Army.

During World War II Collins served under Bradley in the drive across Europe which ultimately saw Bradley take command of 1,300,000 combat troops, the largest body of United States soldiers ever to serve under a single commander.

Lieut. Col. Chester N. Hansen, of Elizabeth, N.J., who, for over seven years, has served as aide to Bradley, will still be at his side.

Hansen will serve as a special assistant to Bradley in the joint chiefs organization.

GEN. MACARTHUR REJECTS BID TO TESTIFY ON CHINA

WASHINGTON, Aug. 16—(AP) Gen. Douglas MacArthur said today "national interests" require his presence in Tokyo. For that reason he regretfully rejected a congressional invitation to report personally on the Far Eastern situation.

The allied commander of occupation forces in Japan cabled that reply to Secretary of Defense Johnson who had relayed the request for MacArthur's return on behalf of the Senate Foreign Relations and Armed Services committee. The lawmakers voted 13 to 12 last Friday to ask the general to testify on the foreign arms program—particularly in the light of communist advances in China.

Reject Bid

MacArthur said he could "not help but feel deeply appreciative of the honor" but he added:

"I believe, however, that during this moment of critical events in the Far East the interests of the American people are better served by my remaining at my post here."

The State department, meanwhile, announced it has ordered the U. S. Embassy in nationalist China's capital at Canton to be closed if the city is threatened with occupation by communist forces.

This marked the second time within the past two years that MacArthur has turned down special bids from the lawmakers to advise them personally on developments in the Orient. He has not been back in this country since shortly before the outbreak of the last war.

No Comment

Members of the Senate committees had no comment on the latest turn down. The initiative for extending the inviations largely has come from Republicans who are extremely critical of the way the administration has conducted diplomatic and military relations with China.

In his reply, MacArthur said the Chinese area "has never been within the area of my command responsibility or authority." He said it is under "the direct jurisdiction of the joint chiefs of staff acting through a naval commander."

The general went on to say that last year he had given the House Foreign Affairs committee "my general views on this subject." He added that "my specific views with respect to strategic potentialities of the area embracing my far east command are fully on file with the Department of the Army."

The senators meanwhile waited to hear from Vice Admiral Oscar C. Badger who also had been invited to testify. Badger has been serving as commander of U. S. naval forces in the Far East with most of his duty in Chinese waters.

Badger is turning over his command shortly to Vice Admiral Russell Berkey and is expected to return to Washington about Sept. 1.

British Gold Shipments $60,892,786 for Week

By The Associated Press.

WASHINGTON, Aug. 16—Britain shipped $60,892,786 in gold to this country during the week ended July 27, the Bureau of the Census reported today. In the same period, $2,223,778 in silver was shipped from this country to Hong Kong.

There was no official explanation of either shipment. Reasons behind the transactions are seldom, if ever, disclosed. However, the British have a heavy deficit in trade with this country. The silver shipment to Hong Kong, it was thought, may have been connected with efforts begun recently by the Chinese Nationalist Government to provide a silver-backed currency.

Foreign countries altogether had $3,670,544,121 in gold under earmark in Federal Reserve banks in this country on July 27. During that week they increased their gold holdings by $26,363,438.

Immigration Plan Approved

Washington, Aug. 16 (AP)—Legislation to allow 3,200 alien scientists and specialists to enter the United States annually was approved today by the House Judiciary Committee. Applicants would have to be sponsored by a government or private agency needing their services.

U-E Heads to Take Non-Red Oath In 'Couple of Months,' Chief Says

Will Sign Affidavits 'But We Won't Like It,' Fitzgerald Announces

ELMIRA, N. Y., Aug. 16 (AP)—Albert Fitzgerald, national president of the CIO United Electrical Workers, said tonight the national officers of the union would sign non-communist affidavits in "a couple of months."

Fitzgerald is one of the last holdouts among CIO union officials against the oath required by the Taft-Hartley law.

He declared that the UE officers would sign "but we won't like it."

Fitzgerald addressed a meeting of Local 310.

"The members of the union who think that all problems will be solved by taking this oath will be badly fooled," he asserted.

Fitzgerald predicted that the union would have a big fight with the General Electric company in January. He said the UE national officers expected GE "to try to scrap the UE contract."

So far, he said, GE representatives have treated UE officers "with contempt" during contract negotiations this year.

General Electric has rejected the union's demand for a $500 annual "package" pay increase. The "package" is a combination of wage increases, reduction of hours without loss of take-home pay and other benefits.

The union claims to represent 100,000 GE employes. Some locals have recommended that a strike vote be taken.

The company-union contract signed April 1, 1948, remains in effect until April 1, 1950, and from year to year thereafter unless either party gives a 90-day notice of termination. Fitzgerald apparently referred to January in connection with the 90-day requirement.

Arnold Asserts He Chose B-36, Calls It Best

Retired Chief of Air Force Declares Politics Did Not Figure in His Selection

SAN FRANCISCO, Aug. 16 (AP).—General Henry H. Arnold declared today "political favoritism and business relationship had nothing to do with the selection of the B-36 as a long range military bomber."

"I should know as I am the one who selected it," he added.

General Arnold, retired chief of the United States Air Force, made the statement at his 4th Air Force headquarters at Hamilton Field after being informed a Congressional subcommittee is on its way here to question him about the B-36 deals.

News of the Congressional committee reached General Arnold as he was presented with models of the first two military airplanes. He accepted them for the Army from the Curtis-Wright Corporation.

He said he had presumed he would be questioned about the B-36 bombers because he headed the Air Force at the time in question. He said he did not know when the interview would take place.

The war-time air commander described the B-36 as the "best of its kind and time" and declared it has "demonstrated by its performance that it was well chosen as a long-range bomber."

GUEST OF THE MARSHALLS

Mme. Chiang Kai-shek Is With General and Wife Up-State

RAQUETTE LAKE, N. Y., Aug. 16 (AP)—Madame Chiang Kai-shek is a guest of Gen. and Mrs. George C. Marshall at the old J. P. Morgan estate near this Adirondack Mountain village. The wife of China's Generalissimo arrived on Sunday night by train for a ten-day "purely social" visit, it was learned tonight.

General Marshall, former Secretary of State and wartime Army Chief of Staff, came here by automobile last week for a "quiet vacation."

The Morgan estate is on Utawanea Lake, an isolated spot east of this community.

U.N. SCIENTISTS MEETING TODAY

3-Day Conference Aimed At Raising Living Standards

Lake Success, N.Y., Aug. 16 (AP)—Scientists of 50 nations start a quest tomorrow for ways to create a higher standard of living everywhere by using more of the earth's resources.

But it has to be done without dooming nations to running out of fuel, water, land, food or minerals.

Some 700 scientists will tackle this double-edged problem in the first conference of scientists called by the United Nations. It is the United Nations Scientific Conference on Conservation and Utilization of Resources.

To Confer Three Weeks

The scientists will meet for three weeks, exchanging ideas. One problem is how to use new methods in getting war-ravaged factories and lands back to full productivity.

Another is how to overcome critical shortages of metals, fuels or food, and how to prevent some reserves of natural resources from being used up too fast. Still another is how to tap the resources of undeveloped countries.

"No country has a monopoly of the best methods or ideas," conference leaders said.

Discussions will range from new plant and animal hybrids for food to getting energy from the wind and tides.

Other Topics Listed

Other topics will include gasifying coal to make fuel without taking coal from the ground; method of halting soil erosion; flood control and hydro-electric power developments; conservation of fish and wildlife for a greater and surer supply of food; mining metals and other elements from the sea; new ways to find coal and metals; turning sawdust and other wood wastes into animal feed or plastics; methods of reclaiming metals, production of synthetic fuels, and attempts to control the weather to get rain where it's needed.

Atomic energy is not on the programs.

Don't Represent Nations

It will be the first United Nations meeting in which delegates do not represent their national governments. Instead, the scientists will be representing the various branches of science throughout the world. They will pool their information, but will not make recommendations or policies.

"Man's scientific and practical knowledge is itself one of the world's great resources," the formal program says. "It is a resource that grows with use and is enlarged by sharing."

Russia was invited to send scientists, but declined.

Trygve Lie Back In U.S. After Europe Vacation

Lake Success, Aug. 16 (AP)—Trygve Lie, United Nations Secretary-General returned from his European vacation today with a feeling that world conditions are improving.

"I feel much better about world conditions this summer than I did last summer," Lie said in a statement.

"I believe more than ever that the United Nations is doing an increasingly important job for peace. And I also believe we have the increasing support of the people in that task."

Lie was away six weeks. He spent most of this time in Scandinavian countries.

LONDON, AUG 16-(AP)-THE SECRECY AROUND BRITAIN'S FIRST JET BOMBER, THE CANBERRA, WILL BE LIFTED SOON.

THE AIRCRAFT WILL BE SHOWN TO THE PUBLIC FOR THE FIRST TIME AT THE SOCIETY OF BRITISH AIRCRAFT CONSTRUCTORS AVIATION EXHIBITION AT FARNBOROUGH IN SEPTEMBER.

AVIATION EXPERTS SAID THEY EXPECTED SOME OF THE DETAILS OF ITS CONSTRUCTION AND POSSIBLY ITS PERFORMANCE TO BE MADE KNOWN BEFORE THEN, INDICATING BRITAIN HAS ADVANCED BEYOND THE CANBERRA IN ITS JET RESEARCH.

LARGER BOMBERS WITH FOUR JET ENGINES ARE KNOWN TO BE UNDER DEVELOPMENT.

THE ROYAL AIR FORCE IS BELIEVED TO HAVE BEEN USING THE LESSONS LEARNED FROM THE CANBERRA IN DEVELOPING A NEW STRATEGY FOR MODERN AIR ATTACK AND DEFENSE AT SPEEDS FASTER THAN SOUND AND AT VERY HIGH ALTITUDES.

THE CANBERRA WAS FIRST FLOWN LAST MAY. PHOTOGRAPHS RELEASED THEN SHOWED IT HAD A SLIM, CIGAR-SHAPED FUSELAGE WITH A SMALL COCKPIT SITTING FORWARD ON THE WINGS TO GIVE THE PILOT A WIDE VISION RANGE.

AVIATION EXPERTS GUESSED ITS SPEED AT CLOSE TO 600 MILES AN HOUR. THE MINISTRY OF SUPPLY ANNOUNCED IN 1947 THAT IT HAD PLACED ORDERS IN 1945 FOR A MEDIUM-RANGE BOMBER, PRESUMABLY THE CANBERRA, POWERED BY TWO JET ENGINES CAPABLE OF A SPEED TWICE THAT OF THE RAF'S PISTON ENGINED BOMBER, THE AVRO LINCOLN.

GOVERNMENT SOURCES SAID THE TOP ARGUMENT WILL BE THIS: THAT UNLESS A QUICK, LONG TERM SETTLEMENT OF THE STERLING AREA'S DOLLAR CRISIS IS FOUND, COMMUNISM CANNOT BE HELD BACK IN THE MIDDLE EAST AND THE ORIENT.

THEY ADDED THE AGENDA WILL ALLOW THE DOLLAR CRISIS TO BE EXAMINED TOGETHER WITH THE BIG WESTERN POWERS' POLITICAL AND STRATEGIC NEED TO CONTAIN COMMUNISM ON ALL FRONTS.

THE MUCH DISCUSSED QUESTION OF WHETHER THE BRITISH SHOULD DEVALUE THE POUND STERLING FROM ITS PRESENT RATE OF $4.04 APPARENTLY IS NOT ON THE AGENDA.

FOREIGN SECRETARY ERNEST BEVIN LEAVES FOR WASHINGTONHAUG. 27 ON THE QUEEN ELIZABETH. SIR STAFFORD CRIPPS, CHANCELLOR OF THE EXCHEQUER, WILL LEAVE A DAY OR TWO LATER.

TRAVELING WITH BEVIN WILL BE U.S. AMBASSADOR LEWIS DOUGLAS WHO WILL TAKE PART IN THE WASHINGTON TALKS.

THE GOVERNMENT INFORMANTS SAID CRIPPS AND BEVIN WILL STRESS THAT BRITAIN WILL BE BETTER ABLE TO RESIST COMMUNISM IN REGIONS UNDER HER INFLUENCE--LIKE THE MIDDLE AND FAR EAST--IF SHE IS ASSURED OF A REGULAR DOLLAR FLOW.

THEY POINTED OUT THAT ONE WAY IN WHICH THAT FLOW COULD BE MAINTAINED WAS FOR THE UNITED STATES TO AGREE:

1--TO UNDERTAKE A BIG SCALE PROGRAM OF CAPITAL INVESTMENT IN THE BRITISH COMMONWEALTH AND IN THE COLONIAL (NON-SELF-GOVERNING) EMPIRE.

2--TO JOIN THE COMMONWEALTH IN FIXING PRICES AND MARKETS FOR SUCH BASIC COMMODITIES AS COCOA, RUBBER, JUTE, WOOL, TIN COPPER AND VARIOUS FERROUS AND NON-FERROUS METALS FOR SOME YEARS AHEAD.

BRITISH TREASURY AND TRADE EXPERTS ARE NOW DEVELOPING PROPOSALS FOR DISCUSSION IN WASHINGTON ALONG THOSE LINES.

THE INFORMANTS REMARKED THAT SUCH ARRANGEMENTS FOR PRODUCTS DERIVED PRIMARILY FROM IMPERIAL SOURCES WOULD BOLSTER THE ECONOMIES OF MALAYA, SOUTH AFRICA, NIGERIA AUSTRALIA AND NEW ZEALAND, SO ENABLING THEM TO PLAY A BIGGER PART IN CONTAINING COMMUNISM.

BRITAIN ALSO WOULD LIKE THE GOLD PRICE RAISED TO A LEVEL WHICH WOULD TAKE INTO ACCOUNT THE INCREASE IN PRODUCTION COSTS SINCE THE WAR BEGAN.

MORE MONEY FOR GOLD WOULD PROVIDE MORE DOLLAR-MONEY FOR BRITAIN BECAUSE SHE HAS ACCESS TO PART OF THE PRODUCTION OF SOUTH AFRICA--WHICH MINES ABOUT HALF THE WORLD'S TOTAL OUTPUT.

ANOTHER ARGUMENT BEVIN AND CRIPPS ARE LIKELY TO USE, THE INFORMANTS SAID, IS THAT THE UNITED STATES AND BRITAIN OUGHT TO WORK MORE CLOSELY TOGETHER IN DEVELOPING THE "UNDER DEVELOPED AREAS" OF THE WORLD.

PRESIDENT TRUMAN HAS ALREADY PROPOSED SUCH A PROGRAM.

BEVIN HAS ALREADY OFFERED BRITAIN'S COOPERATION. THE INFORMANTS SAID HE WILL TAKE OVER WITH HIM, FOR EXAMPLE, SEVERAL PROJECTS FOR DEVELOPING THE ARAB COUNTRIES OF THE MIDDLE EAST.

PARIS, AUG. 16-(AP)-PAUL G.HOFFMAN, ADMINISTRATOR OF THE EUROPEAN RECOVERY PROGRAM, WARNED EUROPE YESTERDAY AGAINST CUTTING AMERICAN IMPORTS AND URGED AN INCREASE IN EXPORTS TO THE U. S. TO SOLVE EUROPE'S DOLLAR SHORTAGE.

"I KNOW OF NO OTHER CONSTRUCTIVE WAY TO CLOSE A DOLLAR DEFICIT THAN TO EARN A DOLLAR INCOME," HE TOLD A NEWS CONFERENCE. "CERTAINLY TO CLOSE THAT GAP BY DRASTIC CURTAILMENT OF IMPORTS IS PRECISELY THE WRONG WAY TO DO IT. IT COULD ONLY MEAN A LOWER STANDARD OF LIVING FOR EUROPE."

HOFFMAN AVOIDED REQUESTED COMMENT ON BRITAIN'S ECONOMIC POLICIES WHICH HAVE LED TO RECENTLY ANNOUNCED PLANS TO REDUCE BUYING IN THE U. S., BUT HOFFMAN, FORMER PRESIDENT OF THE STUDEBAKER CORPORATION, DECLARED AUTOMOBILES WERE NOT THE TYPE OF EXPORT THAT COULD BE INCREASED TO THE U. S.

THE MARSHALL PLAN ADMINISTRATOR NOTED THAT EUROPE SENT ONLY $1,000,000,000 (B) EXPORTS TO THE U. S. LAST YEAR AND COMMENTED "IF THE RIGHT TYPE OF GOODS IS OFFERED AND MERCHANDIZED, THAT CAN BE DOUBLED OR TRIPLED IN THE NEXT FIVE YEARS."

HE OBSERVED THAT IF MONEY FROM AMERICAN TOURISTS WERE ADDED EUROPE COULD EARN $4,000,000,000 (B) FROM THE U. S. EVERY YEAR.

JT313AED

ALPHAND ASKED FOR DETAILS ON HOW SUCH AID WOULD BE GIVEN. HOFFMAN REPLIED THAT WHEN A SPECIFIC EUROPEAN INDUSTRY SHOWED AN INTEREST IN SELLING MORE OF ITS PRODUCTS IN THE UNITED STATES, AN AMERICAN MARKET EXPERT WOULD BE FOUND IN THAT PARTICULAR LINE TO SHOW THE EUROPEANS HOW TO INCREASE SALES.

A110

HOFFMAN ALSO CRITICIZED OEEC'S INFORMAL SET-UP. HE SAID IT WAS A MATTER OF "BREATHTAKING URGENCY" TO TELL THE UNITED STATES WHAT KIND OF JOB THE OEEC IS DOING. THERE IS A GROWING NOTION IN AMERICA, HE REPORTED, THAT THE MARSHALL PLAN IS A POLITICAL BUT NOT AN O ECONOMIC SUCCESS.

HOFFMAN'S STATEMENTS WERE REPORTED BY M.D. MALLETT, OEEC'S PRESS RELATIONS CHIEF.

IT IS HARD TO CONVINCE CONGRESS, HOFFMAN TOLD THE DELEGATES, THAT THE OEEC CAN CLAIM SOLID ACCOMPLISHMENTS. IT IS UP TO THE EUROPEAN COUNTRIES, HE ADDED, "TO MAKE A LIVING FACT OUT OF EUROPEAN COOPERATION."

HOFFMAN PRAISED THE OEEC REQUEST TO MEMBERS FOR LISTS OR GOODS ON WHICH THEY ARE WILLING TO END IMPORT QUOTAS. OCT 1 HAS BEEN SET AS THE DEADLINE FOR THESE LISTS. HE REMINDED THEM, HOWEVER, THAT THE MEASURE WILL BE SIGNIFICANT ONLY IF THE LISTS ARE SIGNIFICANT --THAT IS, IF THEY INCLUDE IMPORTANT PRODUCTS THAT WILL ACCOUNT FOR A CONSIDERABLE PERCENTAGE OF EUROPEAN TRADE. MOST EUROPEAN COMMERCE IS NOW STRICTLY LIMITED BY AGREEMENTS BETWEEN PAIRS OF COUNTRIES.

YESTERDAY HOFFMAN WARNED AGAINST CUTS IN AMERICAN IMPORTS.

THE MARRIAGE OF A NON-MILITANT COMMUNIST WITH A PROFESSING CATHOLIC CAN BE PERFORMED IN THE SAME WAY AS OTHER CATHOLIC MARRIAGES, L'OSSERVATORE SAID, PROVIDED THERE IS A "MORAL CERTAINTY" THAT THE CHILDREN WILL BE BAPTIZED AND EDUCATED AS CATHOLICS.

MANY WHO VOTE COMMUNIST IN ITALY FALL IN THE CATEGORY WHICH HAS COME TO BE KNOWN AS THAT OF "ECONOMIC COMMUNISTS." THEY FOLLOW THE COMMUNISTS POLITICALLY, WHILE CLINGING TO THEIR FAITH IN DEVOUT ITALY. THE CELEBRATION OF A CATHOLIC MARRIAGE IS ACCOMPANIED BY A NUPTIAL MASS IN WHICH HOLY COMMUNION IS ADMINISTERED, AND BOTH THE MASS AND THE COMMUNION ARE SACRAMENTS WHICH WOULD BE DENIED TO ANY PERSON WHO HAD BEEN EXCOMMUNICATED.

IF BOTH PARTIES TO A MARRIAGE ARE SUCH NON-MILITANT COMMUNISTS, L'OSSERVATORE SAID, THE MARRIAGE WILL BE PERMITTED IF BAPTISM AND CATHOLIC EDUCATION FOR THE CHILDREN ARE MORALLY CERTAIN.

"BUT IT OFTEN WILL BE DIFFICULT TO OBTAIN THIS CERTAINTY IN SUCH CASES," THE PAPER ADDED.

L'OSSERVATORE SAID THE NEW DECREE IS OPPORTUNE BECAUSE "INACCURATE INTERPRETATIONS, ESPECIALLY WITH REGARD TO MATRIMONY, HAVE ARISEN" AS A RESULT OF THE JULY 13 EXCOMMUNICATION DECREE.

"MATRIMONY IS, CERTAINLY, A SACRAMENT," THE PAPER SAID. "LET US ADD, HOWEVER, THAT IT IS DISTINCT FROM OTHER SACRAMENTS IN SOME OF ITS NOTED DETAILS, AMONG WHICH THE FOLLOWING ONE MUST BE REMEMBERED:

"THE MINISTERS OF THE SACRAMENT ARE THE SPOUSES THEMSELVES, WHICH MEANS THAT THE SACRAMENTAL ACTION IS REALLY PERFORMED NOT BY THE ASSISTING PRIEST BUT BY THE CONTRACTING PARTIES."

THE NEWSPAPER CONTINUED:

"THE PRIEST IS THE OFFICIAL WITNESS, ORDINARILY REQUIRED FOR THE VALIDITY OF THE SACRAMENTAL CONTRACT; HE ALSO IS THE TRUE MINISTER OF THE RITES AND THE SACRED CEREMONIES, WITH WHICH THE CHURCH SOLEMNIZES THE CELEBRATION OF MATRIMONY AND INVOKES ON THE SPOUSES THE BENEDICTION OF GOD."

BERLIN,AUG.16-(AP)-THE THREE WESTERN MILITARY COMMANDANTS HAVE APPROVED PROVISIONALLY A WEST BERLIN CITY BUDGET OF 1,719,789,440 DEUTSCHE MARKS (APPROXIMATELY $516,000,000), FOR THE FISCAL YEAR 1949-50.

THE COMMANDANTS TOLD THE CITY GOVERNMENT THEY HAD NOTED WITH SATISFACTION THAT INCREASES IN REVENUE AND REDUCTIONS IN CITY EXPENDITURES HAD REDUCED THE WEST BERLIN DEFICIT FROM APPROXIMATELY 600,000,000 MARKS ($180,000,000) TO 252,000,000 ($75,600,000).

"IN THESE CIRCUMSTANCES IT WILL BE UNDERSTOOD THAT THE ALLIED KAMMANDATURA IS UNABLE TO GIVE FINAL APPROVAL OF THE BUDGET."

PROVISIONAL APPROVAL WAS GIVEN ON THREE CONDITIONS:

NIGHT LEAD KIRK

MOSCOW, AUG 16-(AP)-U.S. AMBASSADOR ALAN G.KIRK SAID TODAY HIS TALK WITH PREMIER JOSEF STALIN WAS "COURTEOUS AND PLEASANT."

THE TWO MEN SAT AT A LONG TABLE AND TALKED FOR 45 MINUTES MONDAY NIGHT IN AN INFORMAL AND RELAXED MANNER ON "GENERAL SUBJECTS," HE RELATED.

THE AMBASSADOR, A RETIRED ADMIRAL AND FORMER ENVOY TO BELGIUM, HELD THE FIRST MEETING WITH STALIN THAT ANY AMERICAN OFFICIAL HAS HAD IN NEARLY A YEAR. THE LAST SUCH MEETING WAS AUGM23, 1948 WHEN AMBASSADOR WALTER B.SMITH, ALONG WITH THE BRITISH AND FRENCH ENVOYS, DISCUSSED THE BERLIN BLOCKADE WITH THE GENERALISSIMO.

KIRK, WHO TOOK OVER THE AMBASSADOR'S POST LATE IN JUNE, DESCRIBED HIS VISIT AS A "COURTESY CALL." SIMILARLY THE NEW BRITISH AMBASSADOR, SIR DAVID KELLY, WAS RECEIVED BY STALIN JUNE 18.

THE EMBASSY SENT A SECOND AND MORE DETAILED REPORT OF THE TALK TO THE STATE DEPARTMENT TODAY.

THE AMBASADOR WAS ACCOMPANIED TO THE KREMLIN BY WALWORTH BARBOUR, MINISTER COUNSELOR, AND GEORGE MORGAN, FIRST SECRETARY. IT WAS THE FIRST TIME ANY OF THE THREE HAD SEEN STALIN. BARBOUR, A FORMER STATE DEPARTMENT OFFICIAL, ARRIVED HERE ONLY A FEW WEEKS AGO. MORGAN IS A FORMER HAMILTON COLLEGE PROFESSOR WHO JOINED THE U.S. DIPLOMATIC SERVICE AFTER THE WAR.

PRESENT AT THE CONFERENCE WERE ANDREI VISHINSKY, SOVIET FOREIGN MINISTER, AND JAN TROYANOVSKY, SON OF THE FORMER SOVIET AMBASSADOR TO WASHINGTON. YOUNG TROYANOVSKY ACTED AS INTERPRETER.

ALL MOSCOW PAPERS GAVE FIRST PAGE ACCOUNTS OF THE MEETING, WHICH AROUSED THE IMMEDIATE INTEREST OF THE RUSSIAN PEOPLE.

KIRK TOLD NEWSMEN HE MIGHT "HAVE SOMETHING TO SAY" TODAY ABOUT THE VISIT. AN INFORMED SOURCE SAID KIRK HAD REVIEWED AMERICAN-SOVIET RELATIONS IN GENERAL TERMS.

THE AMERICAN EMBASSY DESCRIBED THE CALL AS A "COURTESY VISIT." IT WAS LEARNED THAT KIRK HAD REQUESTED THE MEETING.

WASHINGTON, AUG 16-(AP)-THE UNITED STATES HAS ORDERED ITS EMBASSY IN CANTON CLOSED IF THE CITY IS THREATENED WITH OCCUPATION BY CHINESE COMMUNIST FORCES.

THIS COUNTRY MAINTAINS AN EMBASSY AS WELL AS A CONSULATE IN THE CHINESE NATIONALIST CAPITAL.

STATE DEPARTMENT PRESS OFFICER LINCOLN WHITE TOLD A NEWS CONFERENCE IT HAD BEEN DECIDED TO CLOSE THE EMBASSY, IF COMMUNISTS APPROACH, BECAUSE HE SAID CHINESE COMMUNIST AUTHORITIES HAVE FAILED TO PROTECT AMERICAN DIPLOMATS.

HE SAID AMERICAN CONSULAR OFFICERS IN COMMUNIST-OCCUPIED AREAS GENERALLY HAVE BEEN UNABLE TO PERFORM "THEIR NORMAL FUNCTIONS, PARTICULARLY PROTECTION OF AMERICAN NATIONALS AND THEIR INTERESTS."

THIS GOVERNMENT HAS 76 DIPLOMATS IN CANTON HEADED BY CONSUL GENERAL KARL RANKIN.

WHITE INDICATED AT LEAST PART OF THE AMERICAN DIPLOMATIC MISSION THERE WOULD FOLLOW THE CHINESE NATIONALIST GOVERNMENT TO ANY NEW CAPITAL THEY MIGHT ESTABLISH.

"WE CERTAINLY ARE GOING TO CONTINUE TO MAINTAIN DIPLOMATIC RELATIONS WITH THE CHINESE NATIONALIST GOVERNMENT," HE SAID.

HE ALSO SAID THAT AMERICAN CITIZENS IN THE CHINESE PROVINCES OF KWANGTUNG, KWANGSI, FUKIEN, KIANGSI, AND HUNAN ARE BEING ADVISED OF THE DECISION IN ORDER THAT THEY MAY PREPARE TO LEAVE IF THEY WISH.

AT THE SAME TIME WHITE MADE IT CLEAR THAT THE AMERICAN EMBASSY IN NANKING AND THE CONSULATE IN SHANGHAI ARE NOT AFFECTED BY THE ORDER AND WOULD REMAIN OPEN.

(450) NIGHT LEAD VOICE

WASHINGTON,AUG.16-(AP)-AN EXTRA $11,500,000 TO ENABLE THE "VOICE OF AMERICA" TO PENETRATE THE IRON CURTAIN DESPITE STEPPED-UP RUSSIAN JAMMING WAS RECOMMENDED BY THE HOUSE APPROPRIATIONS COMMITTEE TODAY.

THE MONEY WOULD SUPPLEMENT FUNDS VOTED PREVIOUSLY TO FINANCE THE STATE DEPARTMENT'S FOREIGN BROADCAST ACTIVITY DURING THE CURRENT FISCAL YEAR. MOST OF IT WOULD GO FOR CONSTRUCTION AND IMPROVEMENT OF BROADCASTING FACILITIES.

THE HOUSE COMMITTEE ACTED AFTER LT.GEN.ALBERT C.WEDEMEYER, THE ARMY'S DIRECTOR OF PSYCHOLOGICAL WARFARE, TOLD IT THAT NUMEROUS REPORTS FROM GOOD SOURCES INDICATE U.S.BROADCASTS ARE HURTING THE SOVIETS "AND HURTING THEM BADLY."

TESTIMONY OF WEDEMEYER AND OTHER WITNESSES WAS MADE PUBLIC BY THE COMMITTEE.

CHARLES W.THAYER, CHIEF OF THE STATE DEPARTMENT'S INTERNATIONAL BROADCAST DIVISION, TESTIFIED THAT THE RUSSIANS STEPPED UP THEIR JAMMING SUDDENLY ON APRIL 25 THIS YEAR. EXPERTS ESTIMATED THE RUSSIANS WERE USING UP TO 1,000 TRANSMITTERS IN THE JAMMING, IT WAS SAID, AND THE DEPARTMENT HAS IDENTIFIED AND LOCATED 250 OF THEM.

THE COMMITTEE HEARD FROM GEORGE V.ALLEN, ASSISTANT SECRETARY OF STATE, THAT RUSSIA IS WORKING ON JAMMING U.S. BROADCASTS TO ITS SATELLITE COUNTRIES. HE SAID IT IS REASONABLE TO ASSUME THE JAMMING REPRESENTS A LONG-RANGE PLAN.

GENERAL WEDEMEYER RECOMMENDED CONCENTRATING "VOICE OF AMERICA" EFFORT ON AREAS AROUND RUSSIA AS A MEANS OF REACHING THE RUSSIAN PEOPLE.

"THEN WE COULD HOPE TO PENETRATE FARTHER INTO RUSSIA AND REACH THEM ALSO WITH PAMPHLETS AND WITH AGENTS; HOWEVER, THE LIFE OF AN AGENT IN RUSSIA TODAY WOULD NOT BE WORTH VERY MUCH," HE SAID.

"WE DO HAVE A FEW. THAT IS SOMETHING THAT HAS TO BE GENERATED VERY SLOWLY--AN INTELLIGENCE ORGANIZATION WITHIN RUSSIA. WE DO NOT GET FROM RUSSIA VERY GOOD INTELLIGENCE REPORTS. OUR SOURCES ARE VERY LIMITED, BUT THEY ARE IMPROVING."

WEDEMEYER CALLED THE INFORMATION PROGRAM THE NATION'S FIRST LINE OF DEFENSE, RATHER THAN THE MILITARY FORCES.

A75WX

"I THINK THAT THE POLITICAL, THE ECONOMIC, AND THE PSYCHOLOGICAL RESOURCES OF THIS COUNTRY USED IN A TIMELY AND INTELLIGENT MANNER WOULD PROVIDE THE BEST OPPORTUNITY TO AVOID THE USE OF PHYSICAL FORCE," HE SAID.

ALLEN TESTIFIED THAT RUSSIA BEAMS AT THE UNITED STATES AN ENGLISH-LANGUAGE BROADCAST THAT IS LONGER THAN THE RUSSIAN-LANGUAGE PROGRAM THE U.S. AIMS AT MOSCOW. BUT, HE ADDED, "PRACTICALLY NOBODY PAYS ANY ATTENTION" TO THE RUSSIAN PROGRAM IN THIS COUNTRY BECAUSE THERE IS NO BAN ON LISTENING TO IT.

THE ADDITIONAL FUNDS FOR THE "VOICE OF AMERICA" ARE INCLUDED IN A $75,790,521 SUPPLEMENTAL APPROPRIATION SENT TO THE HOUSE FLOOR FOR DEBATE THIS WEEK.

THE COMMITTEE-RECOMMENDED BILL CARRIES $5,000,000 TO START WORK ON A LONG-RANGE GUIDED MISSILE PROVING GROUND FOR THE AIR FORCE AT BANANA RIVER,FLA. IT ALSO PROVIDES AUTHORITY FOR THE MILITARY ESTABLISHMENT TO TRANSFER TO THE MISSILE PROJECT $7,500,000 OF OTHER FUNDS PREVIOUSLY GIVEN TO THE AIR FORCE. CONGRESS HAS AUTHORIZED A TOTAL EVENTUAL EXPENDITURE OF $75,000,000 ON THE AIR FORCE MISSILE PROGRAM.

THE BILL ALSO CONTAINS FUNDS FOR LOANS FOR FARM HOUSING CONSTRUCTION

UNDER THE 1949 HOUSING ACT. THESE INCLUDE $25,000,000 IN BORROWING AUTHORITY FOR THE AGRICULTURE DEPARTMENT AND $2,000,000 IN CASH FOR GRANTS AND LOANS TO SPEED UP FARM HOME CONSTRUCTION. THE COMMITTEE CUT $1,000,000 FROM A $4,000,000 REQUEST FOR ADMINISTRATIVE EXPENSES.
FUNDS FOR VARIOUS OTHER GOVERNMENT ACTIVITIES ARE INCLUDED.

CHURCHILL URGES EUROPE ASSEMBLY HOLD GERMAN BID

JOE EVVAN

STRASBOURG, France, Aug. 17—(AP) Winston Churchill urged the European Consultative Assembly today to delay consideration of the admission of the west German republic until a German delegation is ready to take its seats.

The former British prime minister's action was a surprise. He had been expected to move for prompt admission of the German republic.

Churchill, however, asked that the Ministerial committee, upper house of the Council of Europe, call an extraordinary session of the assembly in December or January to take up the admission of Germany. He added:

"It is my hope that we should find ourselves already joined by a German delegation, similar to those of other member states. But if this cannot be done, then will be the time for us to debate the issue in full freedom."

Need More Time

Harold MacMillan, a leader of the British conservative party, explained that Churchill had been persuaded that it is physically impossible for a west German government to organize itself and name delegates to the assembly during the current session.

Churchill called the question of the admission of Germany "the greatest and most important of all questions that are before us."

(In Washington Secretary of State Dean Acheson said the U. S. favors German membership in the European Council, but said this is a question for Europeans to settle.)

In his speech to the 101 delegates representing 12 nations Churchill advanced to other ideas:

1. Creation of a European court before which cases of violation of human rights in the 12 nations "may be brought to the judgment of the civilized world." Such a court should not be able to enforce its decisions by sanctions, however, he said.

Would Revise U.N.

2. A major revision of the United Nations in which continents rather than nations would be represented.

"He said he hoped the Council of Europe" shall become one of several continental units who will form the pillars of the world instrument for maintaining security.

"I hope that in due course these continental units will be represented in the world organization collectively, rather than by individual states."

On the other big question before the assembly, creation of a United States of Europe, Churchill differed little from the view taken earlier by Britain's No. 2 labor party chief, Herbert Morrison, who urged a go-slow policy.

"We may just as well see what a girl looks like before we marry her," Churchill said.

Mentioning various proposals for a study of European federation before the assembly Churchill said "we must thoroughly explore all the various possibilities and a committee working coolly and without haste should in a few months be able to show the practical steps which would be most useful to us."

Urges Full Study

Earlier, Morrison had urged a "full and objective" study of such proposals, cautioning that "we shall get nowhere if we expect of national electorates excessive and quite unreasonable sacrifices (of national sovereignty)."

He challenged the conservatives of his country to present their case to the electorate if they believe the labor government is "too cautious" about joining such a union.

He declared, however, there was no question that "we all need greater unity in Europe, because we share the same major economic and political problems and because we can only solve them together."

In the debate Eamon De Valera of Ireland declared himself for the "more gradual approach" to European union. Talk of a United Europe only stirs cynicism in Ireland, he said, as long as Ireland is divided.

Churchill also suggested that other countries now behind the Iron Curtain eventually should become members of the council.

"Ten ancient capitals of Europe are behind the Iron Curtain," he said. "A large part of this continent is held in bondage. They have escaped from Nazism only to fall in communism. We should certainly make provision for some association with representatives of those countries who are deprived of ordinary democratic freedom but who will surely regain it in the march of time."

Churchill Asks Special Session Of Council

FRANK O'BRIEN

Strasbourg, France, Aug. 17 (AP). Winston Churchill suggested today an extraordinary session of the European Consultative Assembly be called in December or January for the admission of Germany to the Council of Europe.

Churchill, Britain's wartime Prime Minister and her present Conservative party leader, said the admission of Germany would be the "greatest and most important of all the questions that are before us."

"We cannot part here at the end of this month on the basis that we do nothing more to bring Germany into our circle until a year has passed," he said.

Morrison Statement

Earlier, British Deputy Prime Minister Herbert Morrison told the Assembly he favored immediate steps toward unification of Europe, but he added that caution must be observed.

Another speaker, former Prime Minister Eamon de Valera of Ireland, supported the British Labor Government in pleading for a gradual approach to European unity.

"I am sure you will understand with what a cynical smile the citizen of Ireland would greet you if you speak to him of uniting into a single unit the several states of Europe, so long as he contemplates his own country kept divided," de Valera said. "It is because of these difficulties that I am for the more gradual approach."

Reference To Partition

Ireland contends that the continuation of Northern Ireland in the United Kingdom represents partion.

Churchill's position on European union did not differ much, either, from the go-slow attitude proposed by Morrison.

"We may just as well see what a girl looks like before we marry her," Churchill commented.

Morrison challenged the Conservatives, led here by Churchill, to take their case to the British elecorate if they think the Government is moving too hesitantly.

"In whatever we do," Morrison said, "we must pay due regard to the interests of the individual member countries and, as far as Britain is concerned, to the ties which link us with the Commonwealth of Nations, and to the responsibilities we share with Belgium, France and the Netherlands for the welfare of peoples of other continents, notably the great continent of Africa."

Not Frightened By Ideas

"I do not say that some collective European authority may not in due course develop, with specific powers to decide certain matters directly," Morrison declared, adding, "New ideas do not frighten me—I just want to know with some precision what they are."

Morrison spoke on the second day of the assembly's most significant agenda item—changes needed in the political structure of Europe to bring about greater unity among the Council of Europe members.

Churchill Forces Strong

In earlier debate, forces led by Churchill, favoring a strong assembly, have appeared to dominate the assembly.

Among those who plumped yesterday for a governing authority which packs a solid punch was Robert Boothby, of Britain, who declared there must be an "executive, international political authority" to guide a united Europe.

Another Briton, R. W. G. MacKay, Laborite, submitted a resolution calling for a "European authority with limited functons but real powers."

U. S. Secretary of State Dean Acheson and Canadian officials will take part in the conference.

The vanguard of the British delegation is to leave by boat Aug. 23. It will include officials from the Treasury, Board of Trade and Food ministry. Cripps and Bevin will sail Aug. 27.

A high government source was asked by a reporter today whether Bevin was likely to revive, in any form, his old idea that the United States should distribute some of its Fort Knox gold stocks to dollar-needy countries.

This informant replied: "Bevin's idea probably would do the trick and settle many of the world's problems. But I don't think Cripps would go along with it. It's not likely."

Two years ago Bevin startled the United States by proposing unofficially that it should dole out its gold holdings. His idea was not accepted.

BRITISH DRAFT PROGRAM ON DOLLAR CRISIS

4-Point Document Likely To Be Basis Of Talks In Washington

Arthur GARRISON

London, Aug. 17 (AP)—British officials completed today a top secret four-part document setting out proposals for meeting the world dollar crisis.

The brief was hammered out by a committee of Treasury, Foreign Office and Board of Trade experts. It is to go before the Cabinet late next week. If approved, it will form basic British policy at next month's dollar-pound Washington conference.

Sir Stafford Cripps, Chancellor of the Exchequer, and Ernest Bevin, Foreign Secretary, will meet John W. Snyder, Secretary of the Treasury, in Washington September 7.

To Discuss Trade Upset

They will talk over the unbalanced trade between the United States dollar and British sterling areas. This has left Britain desperately short of badly needed dollars.

Cripps and Bevin will study and discuss the brief before the Cabinet meeting. Official sources said the four-part British brief comprised:

1. A study of the background to, and causes of, the critical unbalance between the dollar and sterling areas.

2. A review of what each of the three governments has done to meet and redress that unbalance.

3. A close look at the situation as it exists now, underlining all the implications of a failure to agree on a solution.

4. A series of proposals aiming broadly at achieving some kind of world trade pattern which would allow a free flow of currencies between the dollar and nondollar systems.

Object To Word "Plan"

British officials are reluctant to call the sum total of their recommendations a "plan." The conception of a rounded plan is too rigid for them, they say.

Yet what their broad proposals amount to is a grand design for a long-term settlement of the dollar and sterling areas' woes. The proposals take into account both the political and strategic implications of the plight in which the western non-Communist world finds itself.

The informants said they emphasize that grave sequels would accompany a failure to reconcile American and British economic differences.

They said the British brief goes out of its way to prove that the dollar crisis is not a British crisis, nor an American one, but a global crisis.

ALLIES TO LIFT INVESTMENT BAN IN WEST GERMANY

AUG 1949

LONDON, Aug. 17—(AP) The big western powers will lift the ban on foreign investments in west Germany within a month, United States diplomatic officials reported today.

At the same time the U. S., Britain and France probably will release war-blocked foreign capital holdings in that part of Germany for reinvestment there, they added.

The moves are described as designed to spur west Germany's economic recovery.

Britain Benefits Most

Of the big western powers, Britain would benefit most because of her extensive pre-war interests in German industries. An estimate of the value of those interests was not immediately available. The United States did not have as much money invested in Germany before the war as Britain. France, Belgium and Holland also would benefit.

The three western governments have been negotiating on these issues ever since American and British military governors in Germany last March jointly urged removal of the foreign investment ban. It was imposed when the occupation started.

Agreement Held Up

At the time they estimated an

average annual investment of between $1,000,000,000 and $1,500,000,000 was needed to make the western zones self-sufficient. Most of this was expected to come from German sources. Some was to be European Recovery Program (ERP) funds. The rest was hoped for from private foreign investors.

Agreement had been reported held up by Britain's insistence that her war-frozen German assets be released for reinvestment at the same time as the ban on new capital was listed.

The United States first opposed the idea but now has accepted it, the informants said.

Britain is said to have argued that her own investment holders would be competing disadvantageously against new investors unless her prewar capital was released. As it is now, nothing can be done with that capital—it neither can be removed nor reinvested.

BRITAIN, CZECHS REACH ACCORD ON ECONOMIC PACT

LONDON, Aug. 17. — (AP) Britain and Czechoslovakia are to sign a payments pact tomorrow which will allow the Prague government to spend its accumulated sterling-area earnings in this country.

British sources, disclosing this tonight said Czechoslovakia has piled up a sizeable sterling balance —they did not give the figure— by trading with countries like India and Pakistan.

Under the pact she will be able to use that sterling to buy goods from Britain—instead of spending it only in the country in which she earns it.

First of Series

The agreement, the sources said, is the first of a series aimed at normalizing the two countries' economic, trading and credit relations.

Anglo-Czechoslovak negotiators have begun drafting a trade treaty for a two-way annual volume of business worth about $90,000,000. This one-year pact is expected to be followed by a five-year agreement.

Study Prewar Debts

Also under negotiation is a general settlement of Czechoslovakia's prewar debts to Britain. These are thought to be around $100,000,000.

Britain is also trying to square up the question of compensation for British interests which the communist-led government of Prague has taken over. The negotiators, according to the informants, are fairly near agreement on this, too. Britain hopes to get about $40,000,000 for all the firms which have been nationalized.

14 Wounded Britons Home From China

Southampton, England, Aug. 17 (AP)—Fourteen British seamen wounded by Chinese Communist artillery in the Yantgze last April came home today aboard the troopship Dilwara from Hong Kong.

They were from the sloop Amethyst, which was trapped by shore batteries for some three months, and from the cruiser London and sloops Consort and Black Swan, which attempetd in vain to steam to the Amethyst's assistance.

They went shore here afoot or on stretchers, to the cheers of 2,000 other servicemen aboard and of relatives on the pier.

HOFFMAN SEES HOPE OF WORLDWIDE PEACE

VENICE, Italy, Aug. 17 — (AP) Paul G. Hoffman, administrator of the European Recovery Program, said today there was a good chance that nations inclined to disturb the peace of the world could be induced to "live and let live."

He told a news conference that western Europe's fear of collapse had faded in favor of a realistic faith in the future.

"We think," he said, "there is a good chance that some countries which today might be inclined to disturb peace could be induced by the general trend of events to stop and think, and perhaps adhere themselves to our theory of live and let live."

Hoffman earlier held a private 90-minute conference with Premier Alcide De Gasperi, Italian economic officials and chiefs of ERP's mission in Italy.

The administrator said the U. S. did not intend to build up exports to Europe on a one-way basis.

"It is the good intention of the U.S.," he said, "to accept increased European exportations."

Italy Gets 48 Ships Of Aid

New Belgian Regime Wins Confidence Vote

Brussels, Aug. 17 (AP)—Belgium's week-old Social Christian-Liberal coalition Government won a routine vote of confidence from the House of Representatives today.

The vote was 125 to 64. Socialists and Communists were the dissenters.

After the vote the House of Representatives recessed until fall.

The Senate will hold a similar session tomorrow to be followed by a vote of confidence before it adjourns for the summer.

Spain Studies Ties to U. S.

Private sources said Spain already had started to buy wheat from the United States to supplement shipments from Argentina. Spanish crops have failed because of a drought.

British Paratrooper Deserts To Soviets

Berlin, Aug. 17 (AP)—The Soviet-licensed news agency ADN said tonight a British parachute trooper had deserted and fled to the Soviet zone of Germany. The agency identified him as "Jack Stuart, member of the 2d Battalion of the 16th Paracute Brigade."

The British Rhine Army confirmed that "a soldier is missing from the 16th Parachute Brigade," but declined to give his name.

ADN reported the British soldier said "I voluntarily entered the Soviet zone as I am a fighter for peace and democracy. This made it impossible for me to stay any longer in the British Army."

PRISONER OF REDS, ARCHBISHOP SAYS

Josef Beran, Head of Czech Catholics, Isolated in Prague, He Charges

PRAGUE, Czechoslovakia, Aug. 17—(AP) Archbishop Josef Beran broke a two months' silence today and accused the Communist government of holding him captive in violation of his constitutional rights.

The stocky little 60-year-old Roman Catholic primate has not appeared in public since June 19 when a sermon he tried to preach was shouted down by Communist hecklers. He claims now that he has been interned and isolated in his Prague palace.

Archbishop Beran accused the government of illegally seizing his consistory (administrative office) and confiscating the funds of his Prague diocese.

Letter Released

He made the charges in a letter to the state procurator (prosecutor) which was given to the foreign press through church and diplomatic channels. In his letter, the country's leading Catholic official asked bluntly:

"Is the Roman Catholic church in Czechoslovakia still recognized by the state? If so, by what law was the Roman Catholic church deprived of its legal independence in internal matters?"

Archbishop Beran's questions and charges indicated the church hierarchy might be trying to force a break in the deadlocked church-state fight. This was emphasized by the decision to give the Catholic leader's letter publicity through the western press and through western broadcasts which are beamed back into Czechoslovakia.

The Communist-controlled Prague press repeatedly has claimed the archbishop was free to leave his palace but that he wanted to remain in seclusion and "pose as a martyr."

Inquiring newsmen never have got past the ground floor reception desk of the palace where plainclothes police have been on duty. It is known, however, that the Vatican diplomatic representative in Prague has been getting in to see the archbishop.

Archbishop Beran declared that during his weeks in seclusion he received no answers to complaints to government ministries and virtually no mail. He said he had complained to the Ministry of Interior, the Ministry of Education and other state agencies about what he considered were violations of his own and the church's rights.

"I am forced to turn to the state procurator," he wrote, "(since) it is impossible for me to confer with a legal representative—no one is permitted to visit me—and then, too, all (lawyers) are afraid that they would lose their practice if they wished to protect my interests."

The Catholic leader charged that Mr. Miroslav Houska, an official of the Ministry of Education, has been installed in his palace consistory and is "acting in the name of the archbishop and the diocese."

In his letter, Archbishop Beran charged:

Took Official Seal

Along with the consistory, the state took over the official seal;

The state liquidated real estate of the archbishop and the diocese without his knowledge or due legal process;

The archbishop is "deprived of all personal freedom and all rights as the archbishop—and this without any judicial decision;"

The heckling which drove him from his throne in St. Vitus Cathedral on June 19 was a pre-arranged affair—factory workers were instructed in advance to go to the cathedral and create a disturbance;

The government never attempted to arrest anyone for that disorder although many police officers were present.

"Is the law dealing with the prohibition of interrupting religious services still in effect?" the archbishop asked. "I have requested the Ministry of Interior to investigate the incident. To date I have received no reply."

The letter was dated Aug. 4, from Hradcany, the castle district where his palace is situated. The last previous word from him was in a pastoral letter written June 15 and read from Catholic pulpits June 26. It accused the government of prosecuting the church.

The release of the letter was the second time this week the church had taken the initiative in the church-state controversy.

Two Bishops Consecrated

Last Sunday the Roman Catholics consecrated two new bishops at Trnava, Slovakia, without submitting their names to the government for prior approval. This was in defiance of a state decree that all big church meetings must have advance approval from the government.

The conflict between the state and the church began as soon as the Communists seized control of the country in the coup of February, 1948.

Russ Get Blame For Greek Plight

Belgrade, Aug. 17 (AP)—Yugoslavia today blamed the Russian-dominated Communist International Information Bureau (Cominform) for the plight of the crumbling Greek guerrilla forces.

Premier-Marshal Tito's official press quoted one Yugoslav soldier as voicing this opinion of Russian charges Yugoslavia had abandoned the Greek rebels' cause: "Comrade Stalin should be ashamed under his mustache because of all these lies."

The newspapers gave front-page prominence to statements by Yugoslavs denying Coninform accusations that Yugoslavia now is actively supporting Greek Government troops.

Dismal Picture

Taken collectively, the accounts added up to perhaps the most dismal picture yet drawn of the situation of the Communist-led Greek guerrillas. There were several reports of wounded rebels crossing the border to seek sanctuary in Yugoslavia.

One Yugoslav officer was quoted as saying his soldiers liked the Greek rebel troops and "our hearts hurt us because treacherous leadership is leading them to fall."

Another said wounded guerrillas had informed him that rebel troops have not engaged in a single offensive since Markos Vafiades, suspected of favoring Tito, was removed as guerrilla chieftain early this year.

Heard At Meeting

As reported by the Yugoslav Communist organ *Borba* and other Belgrade newspapers, the statements of Yugoslav officers and men were made at an army mass meeting at Bitelj, close to the scene of some of the fighting in the Greek civil war.

Sprinkled through the accounts were reports of aid extended to the rebels by Yugoslavia. No dates were given. Tito early in July ordered the Yugoslav-Greek border closed, but presumably this does not exclude aid to wounded.

Greeks Patrol Border

Athens, Aug. 17 (AP)—Greek Government soldiers today patrolled a 40-mile stretch of their country's border with Yugoslavia and Albania for the first time in three years. The patrolling was done from north of Phlorina to an area northwest of Nestorion.

Greek border stations there were isolated and destroyed early in the civil war as the guerrillas built up that corner of Greece as a major supply route from Yugoslavia and

Albania.

Mopup Continues

Greek Government units returned to the area after their triumph in the Vitsi area.

A communiqué said mopping up was continuing on the Vitsi front. Guerrilla losses were given as 1,115 killed and 549 taken prisoner. Greek Army losses were 206 killed and 926 wounded, the bulletin said.

Press reports said a motor boat carrying Communist officials was sunk in Lake Prespa when the army overran Vitsi.

Russia Assails MacArthur

'Pravda' says He is Reinstituting 'Thought Police' in Japan

MOSCOW, Aug. 17 (AP).—"Pravda" said today that General Douglas MacArthur's occupation administration has reinstituted the "thought police" in Japan. The Communist party newspaper contended that Japanese Socialists have made an agreement with Premier Shigeru Yoshida and General MacArthur to assist in this "wave of terror against workers."

"Pravda" further reported that mass arrests of workers are being undertaken by the conservative Yoshida government, and that Japanese journalists are being persecuted and arrested for criticizing occupation authorities and the government.

Hungarian Intellectuals Get 'Reassurance' On Role

Budapest, Hungary, Aug. 17 (AP).—Worried Hungarian intellectuals were assured today that they have nothing to fear under a Communist Government if they accept working-class leadership like that given brainworkers in Russia.

Deputy Premier Matyas Rakosi replied in Parliament to scientists and others who had indicated concern over a proposed new Soviet-type constitution.

This defines Hungary as a "state of workers and toiling peasants," but Rakosi said it does not thereby rule out an intelligentsia.

Stalin Quoted

Soviet Prime Minister Stalin himself has stated that intellectuals have equal rights so long as they accept workers' leadership and do not try to set up as a class by themselves, Rakosi said.

[Russia's intellectuals—scientists and musicians, especially—are called down officially in the Soviet press when they stray from the Communist line.]

The new Hungarian constitution is expected to be approved tomorrow.

Rakosi, reviewing its terms, defended a provision for separation of church and state.

School-Aid System

Strongly Roman Catholic Hungary long has contributed to support of priests and Catholic schools, even since the sentencing of Josef Cardinal Mindszenty to a life term in prison on a charge of treason.

Rakosi said church-state separation was long overdue. He added the Hungarian Government still "would gladly conclude a pact with the Roman Catholic Church, based on mutual concessions, but reactionaries within the Church hinder such an agreement."

Call on Official Since '46

ATHENS, Aug. 17 (AP). — The conservative newspaper "Vradyni" said today the Yugoslav government is preparing to send a minister to Greece to start negotiations on all disputes pending between the two countries.

The paper, which often expresses the opinions of Foreign Minister Constantin Tsaldaris, said its information came from high sources in New York.

Its dispatch coincided with a call today by Yugoslav Charge d'Affaires Jeselyn Martinovic on Panayotis Pipinelis, Under Secretary of Foreign Affairs. It was the first time in three years that a representative of the Yugoslav Legation had called on the ministry.

Yugoslavia recalled her Minister when the two countries were in dispute over alleged Yugoslav aid to Greek Communist guerrillas.

Meanwhile, Greek soldiers patrolled a forty-mile stretch of the frontier with Albania and Yugoslavia for the first time in three years after cleaning out major resistance in the Vitsi area. A communique said a hunt for isolated bands and stores of war material in the area was continuing. Losses of the guerrillas so far totaled 1,115 dead and 549 captured, the communique said, while government casualties were 206 killed and 926 wounded.

[The Albanian government, in a broadcast heard in London, said it had admitted 778 Greek guerrilla refugees from the battle zone. It said 276 of them were soldiers, and were disarmed and sent to a refugee camp.]

Naval Vessels Sent To Aid Foochow

Canton, Aug. 17 (AP)—A Nationalist spokesman said tonight that strong naval forces had been sent up the Min River to the relief of Communist-besieged Foochow.

The spokesman said the coastal city still was in Nationalist hands. Commercial radio contact with Foochow has been out here for many hours.

This might indicate Communist troops have occupied the city. But there has been nothing here to confirm this.

Battle Reported

A battle for Foochow has been reported under way. The city is about 450 miles northeast of Canton.

Meanwhile, a Nationalist Army spokesman denied that Red troops had driven into Kwangtung province, Canton, the Nationalist capital, is also the Kwangtung provincial capital.

[There was no denial, however, of private reports that the Nationalists were withdrawing from Nanhsiung (Namyung), 155 miles northeast of Canton and just inside Kwangtung.]

Acheson Will Help

In Washington, Secretary Acheson said today the State Department will aid the departure of all who want to leave, but making the arrangements will be a long and difficult task.

Asked whether American Government assistance in getting Americans out of Communist-held Shanghai would require a policy decision, Acheson said that it would not. It is just a matter of regular State Department operations, he said.

The department estimated that about 1,200 persons want to leave, he added.

In Shanghai were hundreds of persons want to leave, Acheson said, the Communists have assigned the work of handling permits to three clerks who handle somewhat less than 30 a day.

Liner's Passage Requested

The Nationalist Foreign Office received a request from the United States Embassy for the safe conduct of the liner General Gordon to remove Americans wishing to leave China. The Nationalists have Communist ports, including Shanghai, under blockade.

A Foreign Office spokesman said the safe-conduct request was under consideration. Previously, it had been indicated that the request would be granted.

[The Communists in Shanghai have given the ship permission to call there.]

The American Consulate General in Canton is winding up its business and expects to be closed by Friday. The visa and citizenship sections have already shut down.

Official reckoning on August 6 showed there were 311 Americans, including 90 women and 42 children, in Canton. But some of these have left since then. Government officials on that date included 49 men, 15 women and seven dependents.

Missionaries Await Word

American missionaries are awaiting word from their home headquarters whether to evacuate the Communist threatened capital. Many who intended to stay now are undecided since the closing of the consulate has been ordered.

Various consulates have notified their governments of the American action and are waiting word whether to follow suit. Unless there is a last-minute change, the British consulates will remain here and at Swatow. There are fourteen Britons in the consulate here and one at Swatow, on the coast toward Foochow from here.

The Nationalist Foreign Office has given no clue as to when it might advise the embassies and legations here to withdraw.

Chungking Plans Unchanged

Responsible Chinese sources said there has been no change in plans to make Chungking, the World War II capital, the new seat of the Nationalist Government. Fully 10,000 persons, including Government employés and their families, have gone to Chungking from here.

CHINA ADMITS FOOCHOW LOSS

U.S. Consulate General Plans To Close Tomorrow

Canton, China, *Thursday*, Aug. 18 (AP)—The Nationalists today admitted the loss of Foochow, southeastern China port city and capital of Fukien province.

Capture of Foochow, 430 air miles northeast of Canton, by onrushing Communist armies came after the United States consulate general announced it expects to close tomorrow and pull out of Canton. It will go to Chungking which will be the new Nationalist refugee capital.

The official Nationalist Central News Agency said the loss of Foochow was announced last night by a spokesman for southeast China headquarters at Taipeh, Formosa.

Transferred To Amoy

Foochow is on the mainland opposite the Nationalist Formosa basion. Earlier reports had told of strong reinforcements being thrown into the Foochow battle from Chiang Kai-shek's island redoubt. The Nationalists also had reported strong air-force support for Foochow's defenders. Naval forces also had been sent up the Min River in an attempt to beat back the Communists, the Nationalists said.

The Central News announcement said Fukien's capital has been transferred to Amoy, another port 140 miles farther southwest.

10,000 Reported Gone

Responsible Chinese sources said 10,000 Government employés and dependents already have moved from this refugee capital to Chungking. Chungking, 600 miles northwest, was the wartime capital of China.

Latest private reports had put the Communists little more than 155 miles from Canton on the northeast. An army spokesman denied, however, that they had yet crossed the Kwantung province border. The border is 160 miles away on the route the Communist armies are taking.

[The Communist radio in Peiping announced that Kanhsien was captured Sunday. Kanhsien, 215 miles northeast of Canton, controlled the Kan River route to Canton.]

The United States consulate general already has shut down the visa and citizenship sections. American missionaries were awaiting word from home before deciding whether to flee. Many Americans have left.

Reds Open New Drive Against China Rebels

Nanking, Aug. 17 (AP)—The Communist East China military district today ordered a new drive against peasant dissidents.

The order was to "completely annihilate those staging open armed revolts."

The military headquarters said the people and political measures must support military operations undertaken against guerrillas harrassing the countryside.

Plans were announced at the same time to improve relations between Red troops and the peasants in areas where troops are billeted.

Called "Special Bandits"

The Nanking garrison commander, Yung Chung-sien, charged the guerrillas are "Kuomintang special bandits."

He said they were receiving material and moral assistance from "foreign imperialists and remnants of Kuomintang reactionaries."

"We must realize suppression of the bandits is an important political task which is the prerequisite of our economic development," Yung said.

JEWS REBURY MOVE FOUNDER

Theodor Herzl's Body Lowered Into Bombproof Tomb

Jerusalem, Aug. 17 (AP)—The body of Theodor Herzl, Austrian-born founder of modern political Zionism, was lowered into a bombproof tomb today on the highest of Jerusalem's seven hills.

Herzl, who died in Vienna in 1904, predicted a half century ago that a Jewish state would arise within 50 years. His body was flown from Austria to Israel's Lydda Airport yesterday and taken to Tel Aviv where it lay in state throughout the night.

The funeral procession to Jerusalem began before dawn after an estimated 200,000 persons had filed past the coffin outside the Israeli Parliament building.

Decked With Israeli Flags

Jerusalem was jammed with people for the burial ceremony. The modern quarters of the Holy City were bedecked with hundreds of blue-and-white Israeli flags.

As the procession moved from Tel Aviv through the Judean hills toward Jerusalem, Israeli Prime Minister David Ben-Gurion described it as a "victory march," not a funeral procession—"a victory over a vision that became a reality."

Almost the entire Jewish population of Jerusalem filed past the Herzl coffin in the courtyard of the Jewish Agency building during the day.

Hill Named In His Honor

Then, late in the afternoon, it was taken to the concrete tomb in a western suburb of Jerusalem. The hill on which the tomb is located has been named Mount Herzl in honor of the Zionist leader.

As the coffin was lowered, a trumpet sounded the *Tekiya* (term for the blast blown in synagogues on the ram's horn on Jewish holy days). Representatives of more than 300 towns and villages throughout Israel each brought a small bag of earth for the burial ceremony. As prayers were recited, a guard of honor of the Israeli armed forces presented arms.

BURMA BATTLE REPORTED

Government Forces and Karens Clash in Shan Capital

RANGOON, Burma, Aug. 17 (AP)—Official sources said today that hand-to-hand street fighting was in progress in Taunggyi, capital of the southern Shan states that Karen rebels captured last weekend.

Pilots were ferrying supplies to near-by Heho airfield following the entry of Government troops into the town 100 miles southeast of Mandalay.

A Government communiqué said that a Karen attempt to capture the town of Loiyein, near Loikaw, rebel-occupied capital of Karenni state, had been beaten. The Government also announced recapture of the rail junction of Letpadan, seventy-seven miles north of Rangoon.

Burmese Fight Way Into Rebel Stronghold

Rangoon, Burma, Aug. 17 (AP)—Burmese Government troops have entered Taunggyi, Karen rebel stronghold 100 miles southeast of Mandalay, and hand-to-hand street fighting is in progress, it was officially announced today.

Government sources said reports that Taunggyi had been retaken were premature.

ACHESON CAUTIONS WEST GERMANS ON BLASTS AT ALLIES

WASHINGTON, Aug. 17.—(AP) Secretary of State Acheson cautioned the western Germans today against too much criticism of the western occupation powers.

Acheson told a news conference that "constructive criticism" is to be expected in the new German state and that the Germans should not be denied this privilege.

But, he emphasized, "abuse of such freedoms" may alienate the sympathy of the western powers and fail to serve the interests of the German people.

"The Germans may well be reminded," he said, "that they are exercising these freedoms only because they are privileged to live under the jurisdiction of freedom loving nations."

Formal Statement

Acheson spoke out in a formal statement three days after the end of the hectic political campaign in west Germany which saw some extreme politicians denouncing the occupation policies of Britain, France and the United States.

This election resulted in the naming of legislators that will sit in the western German parliament of the new German republic. The new state is expected to be proclaimed about Sept. 15.

During the pre-election speeches, criticism of the western allies reached such intensity that an American military government official broadcast a warning to the Germans that such tactics would not be tolerated.

Acheson told reporters that "some of the nationalistic and critical utterances" of the campaign can be viewed as normal, democratic speechmaking and "a release of long pent-up emotions after 16 years of dictatorship and military rule."

Communists Beaten

He noted with satisfaction that the communists and the extreme right parties that had denounced the western allies most caustically polled less than 15 per cent of the total vote and would control less than 10 per cent of the seats in the new German assembly.

On the whole, he said the results of the balloting which saw the Christian Democrats and Socialists getting the most votes represent "a victory for moderation and common sense."

Along with his criticism, Acheson held out hope to the western Germans that the new German republic soon would be given permission to join the 12-nation Council for Europe now in session in Strasbourg, France.

The United States government, he said in answer to questions, favors German membership in this political grouping of western nations as a step toward integrating a free, peace-loving Germany in the western European community.

Qualifies Endorsement

Acheson qualified this endorsement, however, by saying that of course the present member governments of the council would have to invite Germany and the future German government would have to accept. The United States will not presume to ask for such an invitation, he said.

The secretary made it clear that the United States, through its high commissioner in Germany, will exert a "minimum of outside interference" in supervising the new German nation once it is established.

"The United States has consistently refrained from intervention in German decisions concerning domestic institutions and policies except to the extent necessitated by our international commitments," he said.

The international commitments Acheson had in mind are the occupation statute agreed to by France, Britain and the United States and the International Ruhr Authority whose job it is to make sure Germany's industrial facilities are used for strictly civilian purposes.

TEXT OF STATEMENT

WASHINGTON, Aug. 17 (AP)—The text of Secretary of State Acheson's statement on the German election follows:

The outcome of the West German elections is viewed by this Government as a victory for moderation and common sense. Some of the nationalistic and critical utterances of the candidates during the campaign can be viewed as normal manifestations of the democratic process and a release of long-pent-up emotions after sixteen years of dictatorship and military rule. Freedom to indulge in constructive criticism of the occupying powers is part and parcel of the democratic process and the Germans cannot be denied this privilege if they are to establish a truly democratic system.

The Germans may well be reminded, however, that they are exercising these freedoms only because they are privileged to live under the jurisdiction of freedom-loving nations, and that abuse of such freedoms may alienate Western sympathies while failing to serve the best interests of the German people.

The results of the balloting, however, represent a triumph for the moderate parties which are fully committed to a democratic political system. The extremist parties of the right and left together polled less than 15 per cent of the total vote and will control less than 10 per cent of the seats in the new Assembly. The unexpectedly large participation of nearly 80 per cent of the eligible voters is gratifying evidence that the Germans have taken seriously their new civic responsibilities.

Welcomes Result of Voting

This Government is committed to the policy, which I believe is the only sound and democratic one, of permitting the Germans to work out their own internal problems with a minimum of outside interference. The United States has consistently refrained from intervention in German decisions concerning domestic institutions and policies except to the extent necessitated by our international commitments.

We naturally welcome the results of this election in so far as they indicate a decision by the Germans to seek a solution of their economic difficulties through a system of free enterprise. But I wish to make it clear that the Germans remain entirely free, so far as we are concerned, to deal with this matter in their own fashion, providing always there is no contravention of democratic principles or of international obligations.

It is now expected that the newly elected Assembly (Bundestag) will meet on Sept. 7, and that a President of the Republic will be elected shortly thereafter. This will be followed by the appointment of a Chancellor (corresponding to Prime Minister). We anticipate that by the middle or latter part of September, the new German Government will be established and that the High Commission for Germany will replace the existing Military Government organization.

The occupation statute, as agreed upon by the Foreign Ministers on April 8, will then become operative, on a definite date yet to be established. The Federal Republic of Germany will then be free to exercise the usual prerogatives of an established Government, subject only to the limited controls which are specified in the Occupation Statute, and to such additional restraints as may be imposed in the general interest by such bodies as the International Authority for the Ruhr.

U. S. ENVOY PUT AIR JAMMING UP TO STALIN

Acheson Reveals Kirk Asked Premier to Speed Action on Our Protests.

ALSO ON LEND-LEASE WINDUP

Secretary of State Says Radio Interference Violates All Communications Treaties.

Washington, Aug. 17 (A. P.).—United States Ambassador Alan Kirk asked Premier Stalin to speed action on American protests against jamming of the Voice of America radio broadcasts, Secretary of State Acheson disclosed today.

Kirk called on the Soviet leader Monday night. Acheson told a news conference that it actually was a courtesy visit and was limited almost entirely to an exchange of courtesies between the new American Ambassador and the Russian Premier. However, he added, Kirk did mention to Stalin two points currently at issue in Soviet-American relations. These, Acheson said, are the Russian jamming of American radio broadcasts and the long-drawn-out negotiations of a final settlement for wartime lend-lease.

Referred to Foreign Office.

On both points, Acheson said, Kirk simply expressed hope to Stalin that the Foreign Office would consider the two matters so that the two governments can get on with the business of solving the problems involved. Asked what Stalin's reaction was, Acheson said that the matters were referred to the Soviet Foreign Office.

His disclosure of Kirk's approaches to Stalin on the two issues came in response to reporters' inquiries and after he had read a statement accusing the

Russians of having planned the "complex, costly jamming operation" for many months.

This interference with broadcasts from the West to the Russian people, Acheson declared, "must be looked upon as a long-range plan of the U. S. S. R. for isolating the Russian people even more completely from access to truth and fact about the outside world."

Increase in Voice Fund Voted.

The House Appropriations Committee yesterday recommended increasing the Voice of America funds by $11,500,000. This would be used for the construction and improvement of broadcasting stations to fight the jamming, Acheson said.

"If the Congress approves the appropriation recommended by the House committee, the new facilities and the improvement of existing facilities provided for will go a long way toward combatting and overcoming the current jamming," he asserted. "This jamming is a direct violation of international telecommunications conventions to which the U. S. S. R. is a party, including the so-called Madrid and Cairo conventions."

forcements into its effort to reach the Russian people if Congress will grant the necessary funds.

Acheson recalled that the jamming operation against the Voice of America (and the British Broadcasting corporation's Russian programs) began four months ago. More than 250 different jamming transmitters have been identified by detectors of the western powers and others are believed to be in operation, he said.

Long Range Plan

"It is now obvious," Acheson said, "that setting up this complex, costly jamming operation took many months of careful planning and that it must be looked upon as a long range plan of the USSR for isolating the Russian people even more completely from access to truth and fact about the outside world."

Acheson said that if Congress votes an appropriation of $11,320,000 for the Voice of America in addition to sums already granted then the money will be spent on new American broadcasting equipment which will go far toward overcoming the jamming. The appropriation was recommended yesterday by the House Appropriations committee.

Red People Isolated

Because they believe that isolation of the Russian people from any news other than that which the

U. S. Envoy, Stalin Talked On Lend Lease Settlement

WASHINGTON, Aug. 17—(AP) U. S. Ambassador Alan G. Kirk threw out feelers for improvements in Russian-American relations on two touchy issues when he held his first talk with Premier Stalin in Moscow Monday night.

Secretary of State Acheson told a news conference today that Kirk had mentioned personally to Stalin:

1. American objections to Soviet jamming of the Voice of America radio programs to Russia and

2 American hopes for a windup of the Russian lend-lease settlements that have dragged on now since the end of the last war.

Stalin Non-committal

Stalin, who treated Kirk in a courteous and friendly manner, made no particular commitment on either point. Acheson simply reported that both matters were referred by the Russian premier to the Soviet foreign office.

In the same news conference in which he disclosed Kirk's approach to Stalin on these two relatively secondary issues, Acheson issued a statement denouncing the Russian jamming. He declared the State Department's intention to throw reingovernment approves is fundamental Soviet policy, State department officials minimized the importance of Kirk's mentioning the radio jamming to Stalin.

Also they apparently held little confidence either that the slow dragging lend lease negotiations would actually be speeded up.

Nevertheless it was obvious that in his first call on Stalin, Kirk would not mention any matter casually or accidentally. What he did do was toss on the table a pair of ideas for Stalin and his associates to consider as a possible starting point for removing at least some of the irritants in Russian-American affairs.

HOUSE WRANGLES ON ARMS AID BILL

Socialist Norman Thomas Urges Delay; Stop-Gap Action Proposed

WASHINGTON, Aug. 17 — (AP) President Truman's $1,450,000,000 foreign arms program touched off hot debate in the House today, while Socialist Norman Thomas urged Congress to delay the measure and try first to bring about universal disarmament.

The House rang with arguments for and against the historic plan to help arm "friendly nations" abroad.

Military aid from the U. S. is urgently needed because western Europe lives in the shadow of the huge Russian army, said Chairman Kee (D.-W. Va.) of the Foreign Affairs committee, leading the fight for approval of the full program. Russia is not maintaining 200 armed divisions "for the mere purpose of parade," he declared.

Marcantonio Raps Bill

"This is an insane program, a program of war," declared Rep. Marcantonio of New York, only American laborite in the House. What has happened in the countries of Europe, he said, was purely domestic—"their revolutions were purely domestic."

Rep. Smith (R.-Wis.) issued a statement saying the bill violates the spirit of the United Nations charter and is militarily indefensible in the age of the atomic bomb.

"I believe it is necessary for Congress to go halfway now," said Rep. Vorys (R-Ohio), urging the House to hold back half the $1,160,990,000 requested for European members of the Atlantic Pact until they agree on a common plan of defense. Vorys announced he will support an amendment to that effect by Rep. Richards (D-SC), who was applauded loudly when he explained his idea.

Strong Support Seen

By a vote of 275 to 47 approving procedure under which the debate began, the House indicated that the bill has strong support. This vote was not a true test of sentiment on the measure, however, since members often vote to allow a bill to come up and then oppose it when their amendments are rejected.

The arms aid program received a formal blessing from a majority of the House Foreign Affairs committee in a report made public before the debate began.

The committee called the president's plan an investment in American security and a protector of world peace.

"The program here envisaged makes a moderate approach to the goal of balanced force," the committee report declared. "It does not envisage huge expansion of military organizations. It does not contemplate an armament race."

But Norman Thomas, the perennial presidential candidate of the Socialist party, told a Senate committee that Congress should take the lead in an effort to achieve world disarmament before any further expenditures are made in "the ghastly arms race."

Congress Gets New Plea For Disarmament

Washington, Aug. 17 (AP)—Socialist Norman Thomas urged Congress today to take the lead in one more attempt at world disarmament before voting to send military supplies to Europe.

Thomas testified before the combined Senate Foreign Relations and Armed Services committees as the House prepared to open debate on the Administration's $1,450,000,000 foreign arms bill.

House leaders said they are confident the measure will be approved, possibly by Friday, without substantial change in its terms.

Thomas, many times a candidate for President, told the Senators he thinks any arms shipments under the bill should be delayed until a co-ordinated defense of the North Atlantic community is worked out.

Cites Practical Backing

"Such concerted agreement for defense," he said, "would have a practical and moral backing now lacking, if, preceding any further expenditures in the ghastly arms race, an effort were made by the United States or by the nations in the Atlantic pact through the United Nations to bring about universal disarmament under effective international controls and with international provision for security."

Today's entire session in the House was set aside for debate, with voting to start tomorrow.

The bill is the Truman Administration's method of helping western European nations, plus Greece, Turkey, Iran, Korea and the Philippines, arm against possible Soviet aggression.

The men responsible for steering the measure through the House aren't disturbed about amendments designed to kill the program.

Rayburn Sees Little Change

They are concerned about proposals to cut the amount of the program, to limit its length and to hem it in with restrictions.

Speaker Sam Rayburn (D., Texas) predicted there would be no substantial change.

Democratic Leader McCormack of Massachusetts, said it would be "most unfortunate" if the bill were riddled with major amendments.

"It will be a real fight," Representative Richards (D., S.C.) asserted.

Richards is spearheading an effort for some restrictions. He wants some of the money held back until there is assurance that the recipient nations are going to pull together as a team.

Committee Course Cited

Chairman Kee (D., W.Va.) of the Foreign Affairs Committee, which sent the bill to the House by a 14 to 5 vote, said he was confident that the House would follow the committee's recommendations.

Substantially, the bill approved by the committee follows what the President wants.

It authorizes the full program—$1,160,990,000 for Atlantic pact nations, $211,370,000 for Greece and Turkey, in addition to $50,000,000 previously authorized, and $27,640,000 for Iran, Korea and the Philippines.

Instead of giving it all in cash as the President suggested, it breaks the amount into two sums—$655,840,000 in cash and $505,150,000 in contract authority.

March 31 Limit Set

It stipulates that none of the cash or contract authority can be used after next March 31 unless the President certifies that Atlantic pact nations have worked out an acceptable mutual defense plan.

MARAGON ACCUSED OF PERJURY IN PREVIOUS HEARING

Witness Links Truman Aide in Deal to Get Sugar for N. J. Company

TELLS OF PAYOFF

Former U. S. Worker Claims General Threatened to 'Get' His Job

WASHINGTON, Aug. 17. — (AP) Senator Mundt (R-SD) today called Maj. Gen. Harry Vaughan a "finagling bargainer" full of "intimidation, bluff and bluster," and Senator McCarthy (R-Wis) demanded that John Maragon be indicted for perjury.

Vaughan is President Truman's army aide.

Maragon, a onetime Kansas City shine boy, has become the friend of many a Washington official, including Vaughan.

Mundt's outburst came at a Senate investigations subcommittee hearing after a former Agriculture department employe said that Vaughan had put the heat on him to give more sugar to a New Jersey molasses company.

The employe, Herbert C. Hathorn, said Vaughan made the attempt back in the days of sugar rationing.

Firms Violated Controls

Hathorn said the firm Vaughan wanted to get the sugar for, the Allied Molasses Co. of Perth Amboy, N. J., had been a "flagrant and willful violator" of a department order suspending it from receiving any more molasses.

Hathorn said Vaughan made it plain that he could get Hathorn's job.

Here Mundt broke in to say that previously he had thought of Vaughan as a "fumbling bungler."

"In this case," said Mundt, "he was a finagling bargainer."

"Perhaps," Mundt continued, "I have been unduly charitable, and I just want to say, I don't like it all."

McCarthy made his demand for a perjury indictment of Maragon after Milton R. Polland testified that he paid Maragon $1,000—$500 by check and $500 in cash, to help get Allied Molasses more sugar.

Polland is a Milwaukee insurance man whose nephew, Harold W. Ross, is president of Allied.

Last month Maragon appeared before the subcommittee at a closed session.

Maragon Denied Payoff

Testifying under oath, Maragon said then that he never had been paid any money by anyone for ne-

gotiating business with the government.

This was read into the record today. And a $500 cancelled check of Polland's, dated Nov. 20, 1946, and endorsed by Maragon, was made part of the subcommittee's exhibit.

Said McCarthy heatedly:

"We should ask the Justice department to take this matter over and ask that an indictment for perjury be returned against Maragon."

One of the committee's lawyers, Francis D. Flanagan, reminded the senators that Maragon had not listed any payment from Polland or Allied Molasses on his income tax returns.

Today's hearing was sometimes stormy, sometimes humorous, and, as usual, always tangled.

The subcommittee is studying the activities of the "five percenters." These men offer to help business men get government contracts, in return for a fee, and the committee wants to find out how much influence they actually have.

Hathorn told the committee this story:

He had been in charge of deciding what companies should get the scarce molasses and syrups.

Both Maragon and Vaughan, he said, tried to get him to give Allied Molasses firm the sugar it wanted.

Leg Man for Vaughan

Maragon tried to imply, Hathorn said, that he was an emissary, or "leg man," of General Vaughan's.

Then he said that the general himself called.

Hathorn said Vaughan began by observing, "we Democrats have to stick together."

Then, said Hathorn, when Vaughan "felt that I was not cooperative," the general reminded him that "he was very close to the President and a man in the White House could mean an awful lot to a man in one of the agencies."

In spite of the pressure, Hathorn said, Allied Molasses never did get its sugar.

The alleged violation of the rationing order was turned over to the Justice department, Joseph T. Elvove of agriculture's sugar branch told the senators.

But he said the company was not prosecuted because the Justice department decided that the order was "partially defective."

Mundt's criticism of Vaughan brought a reprimand from Chairman Hoey (D-NC).

Hoey said that if remarks like this were to be made in a court, the case would be thrown out.

But Mundt said:

Remark Stays in Record

"I want my remarks to stay in the record."

Mundt referred to the Vaughan episode as "this discouraging stench," and declared:

"It is distressing for me to realize that the government has sunk to such a revolting and repugnant low where the president's aide will call up a young man (Hathorn) in the government and by pressure, intimidation, bluff and bluster endeavor to get him to do something in violation of the law."

Mundt said he thinks the taxpayers agree with him.

"They don't like this kind of shenanigans going on," he said.

Polland told the committee that he met Maragon at a Milwaukee party given in honor of Vaughan.

"Who entertained General Vaughan?" asked Senator Margaret Chase Smith (R-Me).

"I think it was one of the local breweries," Polland replied.

It later was brought out that the Schlitz Brewing company gave the party.

Polland explained that out in Milwaukee, it's customary to have "social gatherings" for important visitors.

It was in the fall of 1946, Polland said, that he learned from his nephew that Allied Molasses would have no additional sugar or go out of business.

Asked why he turned to Maragon for help, he said:

"I was, I guess, impressed with his importance. I may have been taken in by his importance."

Asked Maragon's Aid

At any rate, he said, "I asked Maragon if he could be of some assistance to us and he said yes."

At one point, asked about his first meeting with Maragon, Polland said:

"If you gentlemen of the committee know John Maragon, you know it is not a question of meeting him but of getting rid of him after you have met him."

Ross, the president of Allied Molasses, didn't give a very high appraisal of Maragon, either.

"He double-talks you," Ross said. "He says 'don't worry, don't worry.' That's all I could ever get out of him."

Ross previously had said that he was "hanging on very thin air", and so he hired a Washington attorney, William Maloney.

"Did you do anything else?" he was asked.

"I just sat around biting my fingernails waiting for something to happen," Ross replied.

So he turned to Maragon.

In addition to the money paid by his uncle, Ross said he personally gave Maragon $100 after Maragon had said that he "needed $100 fast'.

Elvove, the official of the Agriculture department's sugar branch, said he got a phone call from Vaughan about the molasses company, and that he had three interviews with Maragon.

In one interview, Elvove said, "Mr. Maragon left the distinct impression that he was representing Gen. Vaughan in the matter and that he, too, held some sort of official governmental connection."

Elvove said he finally asked the secretary of agriculture's office about Maragon, and was told that he "had no White House status and his unwarranted interventions should be ignored."

U.S. PERMITS [illegible] STEEL PURCHASES

Decision Seen as Move to Back Tito in Fight with Moscow

WASHINGTON, Aug. 17 — (AP) The United States has granted Yugoslavia permission to buy the materials for a steel mill from an American company, government officials disclosed tonight.

The decision marks the biggest step yet by the American government to strengthen Marshal Tito in his fight with Moscow.

It is the first time since the cold war began that the administration has agreed to ship "war potential" goods to a Communist-ruled nation.

The shipment was approved after months of argument between the state and national defense departments and other top agencies of the government.

Delivery In 12 Months

The mill, valued at approximately $3,000,000, will be built by the Continental Foundry and Machinery Co. of Pittsburgh and is to be delivered in 12 months.

These government officials said it is a blooming and slabbing mill designed to process and refine steel ingots and would not increase Yugoslavia's steel capacity but only its ability to refine it.

Secretary of State Acheson, it was learned, led the fight for approval within the administration, arguing it was a "calculated risk" necessary to bolster Yugoslavia's recovery.

The Yugoslav government, in appealing for the right to place an order for the mill, said it was vitaliy needed to turn out rails and other structural steel essential to the Yugoslav recovery program.

Secretary of Defense Louis Johnson first opposed the deal on security grounds, officials said. But later, he dropped his objections on the understanding the decision can be reviewed prior to shipment in the light of conditions existing then.

Acheson Agrees

Acheson has agreed to this provision and the Commerce department has now notified the Yugoslav embassy that the necessary export license for the mill will be granted.

Yugoslavia's ambassador, Sava Kosanovic, called on Secretary Acheson yesterday to discuss the matter and thank him on behalf of his government, it was reported.

State department officials expect that news of the decision will bolster Tito's government economically and in addition will be a big morale factor.

Russia and the other eastern European governments, on the contrary, can be expected to blast the move as a sign that Tito is now allying himself with the capitalist nations.

Poland and Czechoslovakia have appealed repeatedly for machinery and equipment from the United States but their requests have been turned down. Czechoslovakia has several million dollars worth of equipment already manufactured and paid for in the United States for which it can get no export licenses.

Terms Not Disclosed

Officials declined to disclose the terms of the Yugoslav contract with the Continental Foundry and Machinery Co., but indicated the Yugoslav government would either pay cash or make a substantial down payment.

The Pittsburgh concern is reported ready to start work immediately on the plant as soon as it is formally notified in writing of the decision and any conditions attached.

William B. Todd, executive vice president of Continental Foundry & Machine Co., said at Pittsburgh work on the mill had already started. He said the formal notification was received last week.

Todd declined to make any statement on terms of the contract but said Yugoslavia would make a down payment and that there would be "the regular terms for work of that kind." He declined to specify the amounts.

The decision to grant an export license was considered by eight government agencies—state, commerce, national defense, agriculture, interior, the Economic Cooperation Administration, the national security resources board and the atomic energy commission.

The government officials who told of the decision said that in event Marshal Tito becomes reconciled with Moscow the United States would undoubtedly stop the shipment. All Commerce department export licenses specify that the government has the right to amend, suspend or revoke them.

POLISH CONSUL RESIGNS POST

Official At Montreal Quits Because Of Communism

Washington, Aug. 17 (AP)—The Polish Consul General in Montreal has resigned in protest against his country's Communist Government and "the onslaughts of the Communist governments upon the Catholic Church," a statement released here by an American acquaintance said today.

Arthur Bliss Lane, former Ambassador to Poland, said the resigning diplomat is Tadeuz J. Rakowski, 47, whom he knew in Warsaw several years ago.

The former ambassador said that Rakowski, who is seeking political asylum in this country, came to Washington on leave in order to establish his status in this country while still holding diplomatic rank.

On Way To New York

Lane said the Consul was on his way to New York by automobile this afternoon, so was not available. However, he made public a statement which he said Rakowski prepared.

'It declared the Communist Government of Poland does not act for the good of the country but in the interests of Russia and according to directives from Russia.

"Because of my profound conviction," the statement added, "I am not and never have been a Communist—but a sincere champion of democracy in the Western sense of the word. I therefore do not wish, however indirectly, to aid forces striving to bring about the communistic domination of the world—a domination which destroys the liberty and value of individual man.

Going To California

"Like the overwhelming majority of my people, I am a Catholic and I cannot accept the onslaughts of the Communist governments upon the Catholic Church."

Rakowski was accompanied here by his 21-year-old daughter, who interprets for him. His wife is in New York. Lane said Rakowski hopes to go to Los Angeles and live with a friend—whose name Lane did not know—while writing an account of his experiences.

ECA Halts West Europe Spending

Washington, Aug. 17 (AP)—Before the resolution extending the stopgap spending authority passed Congress today, the Economic Co-operation Administration announced it was halting the granting of additional spending authority to western European nations until additional funds are appropriated.

With the signing of the resolution, however, ECA authorizations can be resumed. The only restriction is that the spending be at a rate no greater than the lower of the appropriation figures in dispute between the two houses.

FLEMING ATTACKS SHIP INQUIRY AIDE

Maritime Commissioner Tells House Group Its Counsel 'Browbeats' Officials

WASHINGTON, Aug. 17 (AP)—In a bitter statement, Maj. Gen. Philip B. Fleming, chairman of the Maritime Commission, tonight accused counsel for a House Expenditures subcommittee of "browbeating" commission officials in an investigation of ship subsidies.

At the end of a ten-day hearing, General Fleming stood up in the committee room, clipping his words as he told the chairman, Representative Porter Hardy Jr., Democrat, of Virginia:

"Your prosecutor (he referred to Gordon Peyton, committee counsel) has been most unfair to the Maritime Commission. I think he had a preconceived idea of what he wanted to prove. I believe he has impugned the motives of witnesses.

"I have been in the Federal Government for forty-two years and I've never seen anything as the conduct carried on in this committee. I have never seen witnesses so browbeaten and words forced down their throats."

General Fleming became head of the Maritime Commission on June 6, after holding many other government assignments. He was not a member of the commission when it approved the $80,000,000 in ship subsidies being investigated. But he attended the hearing.

During the ten days' proceedings various officials of the commission and ship specialists complained of not being permitted to give their complete answers to questions put by Mr. Peyton or committee members.

When General Fleming finished his statement, Mr. Peyton offered to apologize if he had offended witnesses. But Chairman Hardy cut him short with a suggestion that if any apologies were in order they should come from General Fleming.

"I have no apology to offer," General Fleming shot back.

"Strike that from the record," Representative Hardy ordered the committee stenographer. The chairman told General Fleming he would not have permitted him to talk if he had known he would be so critical of the committee.

Earlier the committee was told that President Truman himself initiated the $150,000,000 merchant ship construction program on which Controller Lindsay C. Warren has charged that the Maritime Commission granted "excessive" subsidies.

The testimony was given by Frank C. Nash, former assistant to the late Secretary of Defense James Forrestal.

At the same time Rear Admiral C. D. Wheelock of the Navy's Bureau of Ships warned that the subsidies should not be disturbed lest the private ship lines stop building the ships.

"That," Admiral Wheelock told a House Expenditures subcommittee, "would be a crime against the national defense."

American Awaits King's Chess Move

Seattle, Wash., Aug. 17 (AP)—Pat Bliss, deputy sheriff, is fixing to devote full time to his chess game with King Abdullah of Hashemite Jordan.

Pat has been battling King Abdullah for three years, but has had to give most of the time to earn a living as deputy sheriff. He plans to retire on September 1.

"I'm going to devote part of my extra time to beating the hell out of this King," Bliss said.

Bliss is worried about the King, however. He hasn't heard from him for six months. He can't figure out whether he has the King stumped over his next move or whether the mails, by which the King discloses his moves, are just unusually slow.

He's beginning to think that six months is a bit slow—even for a chess move.

Georgia Princess Asks Castle Pay

New York, Aug. 17 (AP)—A Georgia-born Princess said today she wants $1,300,000 from the Italian Government because squatters have displaced her from her 85-room Italian castle.

The Princess Eugenia Ruspoli, daughter of a Confederate Army colonel, said on her arrival on the Italian liner Vulcania that her castle at Nemi, near Rome, was occupied after the war by 70 Italian families.

The Princess, an American citizen who married an Italian nobleman, said she was claiming 741,000,000 lira, or approximately $1,300,000, for the damage done by the squatters.

Pays $150,000 Tax

She was accompanied by her daughter and son-in-law, Prince and Prineess Alexis Droutzkoy and their two children.

The Prince said $150,000 in annual taxes was paid the Italian Government for the castle and property but "they won't do anything about giving it back to us."

The Princess added the squatters "have just got the idea of destruction and they won't stop." She said her American home was in Oak Hill, Ga.

If she succeeds in getting the Ninth Century Castello di Nemi back, the Princess said: "I'm going to give it to the Pope. I am a Catholic and I adore Italy. I want my castle to be in Italian hands."

Red Foe Arrives

New York, Aug. 17 (AP)—The Rev. Ricardo Lombardi, S.J., widely known in his native Italy for his opposition to communism, arrived at LaGuardia Airport today. He plans to leave in a few days for San Francisco for a series of lectures to be sponsored by the Italian Catholic Federation.

Witness Says No One Issues Orders in Communist Party

NEW YORK, Aug. 17 (AP)—Nobody gives orders in the Communist party, a defense witness told the conspiracy trial of 11 top Red leaders today.

Wilbur S. Broms, a Brooklyn communist, said any party activity is mapped out in discussion groups after there is something like a meeting of minds.

He drew the immediate interest of Federal Judge Harold R. Medina, presiding over the trial that entered its eighth month today.

Judge Medina wanted to know if one communist never ordered another to do something.

"That's right," replied Broms.

No Such Thing As Order

"So there can't be any such thing as an order in the Communist party?" the court asked.

"That's right," repeated Broms.

"And that's because it's democratic and people don't like to give orders?" Medina persisted.

"That's right," Broms said again.

Broms' testimony was offered to counter a government claim that communists were ordered to press for recruits among power and communications centers if the occasion arose.

Broms admitted that the Thomas Jefferson section of the Communist party in upper Manhattan concentrated its activities on the transportation industry from 1946 to 1948. The New York Central railroad yards were a prime target, he added.

But he said no one told the Jefferson section to launch such a program. The decision was reached after a discussion meeting of the section, he added.

For 90 minutes, the court heard defense attorney Richard Gladstein read a draft resolution prepared for the 1948 national communist convention. Its source was not made clear.

It dealt with the attitude of communists toward Wall street, militarists, defense spending and the danger of fascism in America.

"I may say you are starting your eighth month very auspiciously," Judge Medina told Gladstein as the attorney began reading.

Won't Name Associates

Then the court invited Broms to step down from the witness stand and make himself comfortable during the lengthy reading.

"This is fine," Broms said as he held his seat.

Later, Broms refused on several occasions to name associates within the Communist party.

"I do not like to be placed in the position of being an informer," the witness said.

Broms said he joined the Young Communist League while he was a freshman at the University of Minnesota in 1934. A year later, he testified, he joined the Communist party and became city organizer in St. Paul and state chairman in Minnesota.

When Broms said he helped organize the YCL unit at the University of Minnesota, Judge Medina asked if university authorities were aware of his activity.

Says YCL Above Board

The witness said he did not know but that YCL activity was "very aboveboard" and his association with the league was public knowledge.

Broms said he came to New York city in 1946 and headed various communist clubs, the latest in Brooklyn.

The 11 communist leaders on trial are charged with conspiring to advocate the violent overthrow of the U. S. government.

The trial began Jan. 17.

Some observers speculated that it is the longest criminal trial in U. S. history.

However, U.S. Attorney John F. X. McGohey, conducting the government's case, said he would not like to claim such a record without research into other long trials. It's his longest, though.

SCIENCE URGED TO POOL SKILLS

U.N. Conservation Meeting Hears Talk By Osborn

Lake Success, N.Y., Aug. 17 (AP). The world's scientists were urged today to pool their skills to put all nations "on the road to plenty and the road to peace."

The "Aladdin's lamp of science" can solve many problems of getting enough food, fuel and other things for a world with more and more people, said Fairfield Osborn, president of the Conservation Foundation, of New York. He spoke before the United Nations Scientific Conference on the conservation and utilization of resources.

The conference, first of its kind, openend today. It brings together 700 experts from 50 nations for three weeks. Russia declined to send any of her scientists.

Will Share Soil Ideas

Experts will share ideas on how to save soil, develop better plants and meat animals, how to find new sources of oil, coal and other materials, how to draw more food and mineral wealth from the sea, and even how to use more of the sun's energy and how to harness the winds and tides.

Osborn warned that mankind has badly misused natural resources, and some nations face critical shortages of vital supplies. Half the world's people are "face to face with want," he said. The earth's population has doubled within the last century, and may reach 3,000,000,000 by the year 2000, he added.

"The time has come for a new era in conservation," declared J. A. Krug, Secretary of the Interior.

Asks Raised Standards

Certainly the greatest problem facing the world today is that of raising the standard of living of the people, not just maintaining it," he continued.

"This necessary objective cannot be accomplished by 'locking up' our natural wealth. It can be accomplished, and steady future progress can be assured, by the intensive concentration of the world's scientific and engineering know-how on the basic problem of making the most of what we have."

He said he did not agree with those alarmed by the squeeze of growing population and depletion of some natural resources.

"If free governments are to survive," he added, "individual citizens cannot have the right as private owners of essential resources to imperil the future of the nation by shortsighted practices in developing these resources."

Trygve Lie, United Nations secretary general, said one key to peace is raising the "living standards," "for behind most wars stand the specters of hunger and want—effective war-mongers of the past."

First Lead British bonds

London, Aug. 17--(ap)--British government bonds were subjected to heavy selling on the London Stock Exchange today. Some issues closed as much as 15 shillings ($3) lower.

The decline interrupted a slow rally which got under way last week after government shares had [redacted] fallen past their low point of World War II.

AUG 17 1949

Brokers cited these two main reasons for the selling wave:

1. A statement by the British Federation of Industries that a lower standard of living is Britain's only real hope of overcoming her dollar shortage.

2. A paris-dated story in the London Daily Express that Paul Hoffman, chief of the American-financed European Recovery Program (ERP), is dissatisfied with Britain's recovery effort.

The Express said Hoffman made his statement at a meeting of European representatives in the Organization for European Economic Cooperation (OEEC) in Paris yesterday.

Under a top bannerline the Express quoted Hoffman as saying: "I would not undertake to say what incentives would get a Britisher into action, but the incentives are very much needed."

Subsequently a press officer in Paris said it seemed unlikely Hoffman had made any direct criticism of British dollar earning efforts. The press officer said Hoffman had praised these efforts at least twice while in Paris.

[redacted] Hoffman himself had left Paris for Italy and was not available immediately for comment on the conflicting accounts of what he had said in the French capital.

Biggest loser on the British government bond list today was the treasury 2½ per cent issue. It closed 15 shillings down at 71 3/4. Earlier in the day this issue was sold as much as 25 shillings ($5) below yesterday's closing price. Other losses at the end of trading today ranged from five shillings ($1) to seven shillings six pence ($1.50).

AUG 17 1949

The market rebounded some from the midday [redacted] low point.

30.24- 5099

Early in the afternoon, however, bargain hunters came into the market and part of the morning's s evere losses were recovered.

treasury two and a half per cents, which had dropped 25 shillings ($5) regained 10 shillings ($2) of that. other losses then ranged from two shillings s ixpence (50 cents) to 12 shillings sixpence ($2.50).

hoffman's criticism of britain was part of a general statement to [redacted] delegation heads of the organization for european economic cooperation [redacted] (oeec).

AUG 17 1949

he said he saw NO way to meet europe's chronic dollar shortage except by earning dollars through exports. he told the delegates there was great need for their governments to give their manufacturers inventives "to win and hold a place in that (american) market."

[redacted]

if the marshall plan countries demonstrated willingness to work to earn more dollars, he said, the united states would try its best to give technical help.

the federation of british industries issued a statement last night demanding lower taxa tion, cuts in spending on social welfare and fewer government controls if the country is to pull out of its economic nosedive.

the federation, similar to the national association of manufacturers in the u.s., attacked the government's plans for nationalizing more basic industries, such as iron and steel.

it said these plans were "distracting" the nation's producers at a time when business [redacted] problems demand their closest attention.

"MY 18 MONTHS' VISIT WAS A GREAT SUCCESS," HE SAID. "I OBTAINED QUITE A NUMBER OF CONVERTS. I WAS EVEN OFFERED A POST AT HAMLINE UNIVERSITY, ST.PAUL, MINN.

"THERE ARE NOW NUCLEI OF BUDDHISM ALL OVER THE UNITED STATES, ESPECIALLY IN NEW YORK, ST. PAUL, MINNEAPOLIS, CHICAGO AND LOS ANGELES.

"SCHOLARS SCIENTISTS, PHILOSOPHERS AND THE INTELLIGENSIA GENERALLY ARE BEING CONVERTED. ONCE INTELLECTUAL PEOPLE ACCEPT BUDDHISM THE MASSES WILL FOLLOW."

LOKANATHA, ITALIAN-BORN CONVERT TO BUDDHISM, WILL PRESENT HIS REPORT ON THE UNITED STATES TO HEADQUARTERS OF THE BUDDHIST FOREIGN MISSION AT MANDALAY, BURMA.

HE HOPES TO RETURN TO AMERICA SOON WITH FOUR MISSIONARIES TO START A BUDDHIST MISSIONARY COLLEGE.

LOKANATHA SHOCKED SHIP'S STEWARDS BY LEAVING HIS CABIN EACH NIGHT TO SLEEP AND MEDITATE IN EITHER THE LINER'S MOVIE THEATER OR ONE OF ITS LOUNGES.

HT "I HAVE NOT SLEPT IN A BED FOR 16 YEARS NOW; AND I DIF INTEND TO START AGAIN ON A LINER," HE DECLARED.

PARIS, AUG. 17-(AP)-WESTERN EUROPEAN NATIONS TODAY ANNOUNCED A PLAN FOR INJECTING SOME COMPETITIVE VIM INTO ITS QUOTA-BOUND TRADING SYSTEM.

THE IDEA IS TO GET RID OF THE LAWS ALL OVER EUROPE THAT STRICTLY LIMIT, ITEM BY ITEM AND COUNTRY BY COUNTRY, THE GOODS THAT CAN BE BOUGHT ABROAD. ECONOMISTS AGREE THAT THIS SHOULD BE DONE GRADUALLY, NOT ALL AT ONCE.

THE PLAN WAS GIVEN TO REPORTERS BY HERVE ALPHAND, ECONOMIC CHIEF IN THE FRENCH FOREIGN MINISTRY. HE EXPLAINED, HOWEVER, THAT HE WAS SPEAKING NOT FOR FRANCE BUT "AS AN INTERNATIONAL CITIZEN," AND CHAIRMAN OF THE 19-AREA COMMITTEE THAT DREW IT UP. THE COMMITTEE IS PART OF THE ORGANIZATION FOR EUROPEAN ECONOMIC COOPERATION (OEEC)

ALPHAND SAID THE ORGANIZATION "MUST GIVE EVIDENCE THAT IT IS NOT MERELY A MACHINE FOR DIVIDING U.S. AID, BUT ALSO A FORCE FOR THE UNIFICATION OF EUROPE."

THE PLAN, UNANIMOUSLY APPROVED BY THE OEEC COUNCIL AT A SECRET MEETING SATURDAY, CALLS FOR THE MARSHALL AID COUNTRIES TO SUBMIT A SERIES OF LISTS BY OCT. 1.

THE LISTS WOULD SHOW:

1. WHAT PRODUCTS THEY ARE WILLING TO TAKE WITHOUT LIMITATION FROM OTHER EUROPEAN COUNTRIES.

2. WHAT PRODUCTS THEY WOULD LIKE TO TAKE WITHOUT LIMITATION, IN RETURN FOR A SIMILAR CONCESSIONS FROM THE OTHER COUNTRIES.

3. ON WHAT PRODUCTS THEY ARE WILLING TO ESTABLISH "GLOBAL QUOTAS."

A "GLOBAL QUOTA" IS A GENERAL LIMITATION ON THE AMOUNT TO BE IMPORTED OF A PARTICULAR PRODUCT. IT DOES NOT SPECIFY THE COUNTRIES FROM WHICH IMPORTS ARE TO COME, NOR THE AMOUNT TO COME FROM ANY ONE COUNTRY. THE PRESENT TWO-SIDED QUOTAS MAKE THESE SPECIFICATIONS.

ALPHAND SAID HE KNEW OF NO ITEMS IN EUROPEAN TRADE THAT ARE FREE OF QUOTAS TODAY. EVEN THE GLOBAL QUOTA SYSTEM, HE ADDED, HAS BEEN TRIED ONLY ON A SMALL SCALE, IN THE SCANDINAVIAN COUNTRIES.

ALPHAND SAID HE AGREED WITH MARSHALL AID CHIEF PAUL G. HOFFMAN THAT THE LISTS TO BE SUBMITTED WOULD MEAN LITTLE UNLESS THEY ARE "EXTREMELY VAST." HE WOULD NOT, HOWEVER, ESTIMATE WHAT PROPORTION OF EUROPEAN TRADE WOULD HAVE TO BE COVERED TO MAKE THEM MEANINGFUL.

ALPHAND ECHOED HOFFMAN'S STATEMENT THAT EUROPE'S DOLLAR SHORTAGE COULD NOT BE SOLVED UNLESS IT SOLD MORE TO THE U.S. HE ADDED THAT IN ORDER TO SELL MORE EUROPE MUST PRODUCE MORE, AND THAT IT COULD

WOT PRODUCE MORE UNLESS IT ESTABLISHED A FREER MARKET.
THE FREEING OF PRODUCTS FROM QUOTA RESTRICTIONS, WHICH HE CALLED "ONE OF THE BEST PERFECTED METHODS FOR LIMITING TRADE," WOULD BE A STEP IN THAT DIRECTION, HE ADDED.

MORRISON TOLD THE ASSEMBLY:
"I HAVE PUT MY NAME TO THE MOTION HANDED IN BY THE LABOR PARTY REPRESENTATIVES FOR THE UNITED KINGDOM, INVITING THE ASSEMBLY TO AGREE THAT THERE SHOULD BE A FULL AND OBJECTIVE STUDY OF PROPOSALS FOR A CLOSER POLITICAL UNION IN EUROPE AND THAT THE PROBLEM SHOULD BE REFERRED TO A COMMISSION FOR A REPORT AS SOON AS POSSIBLE."
THIS MAY INDICATE THAT THE BRITISH LABOR PARTY WANTS TO PIGEON-HOLE THE SUBJECT OF EUROPEAN UNITY, LEAVING IT TO A COMMISSION TO STUDY FOR THE NEXT YEAR AND THUS PRECLUDING ACTION THIS YEAR.
"WE ALL NEED GREATER UNITY IN EUROPE," MORRISON SAID, "BECAUSE WE SHARE THE SAME MAJOR ECONOMIC AND POLITICAL PROBLEMS AND BECAUSE WE CAN ONLY SOLVE THEM TOGETHER. THE MAIN ECONOMIC PROBLEM ARISES FROM THE NEED TO ADJUST OURSELVES TO A PATTERN OF WORLD TRADE WHICH HAS PERMANENTLY CHANGED TO THE DISADVANTAGE OF EUROPE. THE MAIN POLITICAL PROBLEM IS TO ACHIEVE SECURITY AGAINST TOTALITARIAN ENCROACHMENTS."
MORRISON WAS FOLLOWED BY BRITAIN'S HAROLD MACMILLAN, A CONSERVATIVE LEADER, WHO SAID ANY COMMISSION SET UP TO STUDY THE PROBLEM OF EUROPEAN UNITY MUST NOT BE "WHAT WE CALL IN OUR BRITISH PROCEDURE A ROYAL COMMISSION X X X WHICH HAS BECOME, IN OUR COUNTRY, SOMETHING OF A JOKE. BONN, GERMANY, AUG. 17-(AP)-THE PROBABLE FIRST CHANCELLOR OF THE NEW WEST GERMAN STATE SAYS THE FUTURE OF GERMANY LIES IN THE "HOPE THAT THE SHARP CONTRASTS BETWEEN THE UNITED STATES AND SOVIET RUSSIA WILL BE SMOOTHED OUT."

DR.KONRAD ADENAUER, 73-YEAR-OLD CHAIRMAN OF THE CHRISTIAN DEMOCRATIC PARTY, VICTORS IN LAST SUNDAY'S PARLIAMENTARY ELECTIONS, MADE THE STATEMENT YESTERDAY IN HIS FIRST INTERVIEW SINCE THE BALLOTING.

ADENAUER SAID ECONOMIC COOPERATION BETWEEN EASTERN AND WESTERN GERMANY WOULD DEPEND ON RUSSIAN COMMUNISM AND AMERICAN PRIVATE ENTERPRISE FINDING A WAY TO LIVE TOGETHER.

"BUT NOT AT OUR EXPENSE," HE ADDED.

IN THE MEANTIME, HE DECLARED, "IT IS IMPOSSIBLE" FOR THE WEST GERMAN REPUBLIC "TO COLLABORATE WITH ANY AREA DOMINATED BY THE RUSSIANS."

"EASTERN GERMANY CONSTITUTES FOR US THE FOREMOST AND MOST DIFFICULT QUESTION," HE ADDED. "WE MUST MOVE VERY CAUTIOUSLY. WE OUGHT NOT TO GIVE THE IMPRESSION, EITHER IN GERMANY OR IN THE UNITED STATES, THAT WE SHALL COLLABORATE IN ANY WAY WITH THE RUSSIANS."

"WE CANNOT ALLOW THE PEOPLE OF EASTERN GERMANY TO FEEL THAT WE HAVE GIVEN THEM UP," ADENAUER SAID. "HOWEVER, I HAVE THE FIRM HOPE THAT WE SHALL BE JOINED TOGETHER (EASTERN AND WESTERN GERMANY) SOME DAY."

THE CONSERVATIVE POLITICAL LEADER SAID THE NEW GOVERNMENT "WILL HAVE TO REEXAMINE" THE PROBLEM OF ALLIED DISMANTLING OF GERMAN INDUSTRIAL PLANTS, A HOT SUBJECT IN THE ELECTION CAMPAIGN.

"WE MUST TRY TO SOLVE THIS QUESTION WITHOUT TOO MUCH NARROW-MINDEDNESS AND TOO MUCH STUBBORNESS," HE DECLARED.

ADENAUER SAID THE GERMAN PARLIAMENT WILL BE ASKED TO INQUIRE INTO THE NEED FOR DISMANTLING SOME 150 PLANTS STILL SCHEDULED TO BE DESTROYED BECAUSE THEY REPRESENT POTENTIAL WAR PLANTS.

ON THE DOMESTIC FRONT, ADENAUER SAID THE SOLUTION OF THE HOUSING PROBLEM "IS THE FIRST REAL DUTY" OF THE REPUBLIC. HE ASSERTED THE AIM SHOULD BE TO "MAKE EVERY FAMILY A HOME OWNER."

ADENAUER, WHOSE PARTY CAPTURED 139 OF THE 400 SEATS IN THE NEW PARLIAMENT, IS EXPECTED TO BE NAMED CHANCELLOR, WITH THE SUPPORT OF OTHER RIGHT WING PARTIES.

THAT WAS SEVERAL DAYS AFTER THEY HAD TALKED OF RIDING THEIR BICYCLES THROUGH THE RUSSIAN ZONE TO BERLIN.

THE YOUTHS TOLD THE AIRFORCE OFFICER THEY WERE PLANNING TO GO TO BERCHTESGADEN, THE ALPINE RESORT IN SOUTH GERMANY WHERE HITLER USED TO SPEND HOLIDAYS.

PRAGUE, AUG.17-(AP)-BREAKING A TWO MONTH SILENCE, ROMAN CATHOLIC ARCHBISHOP JOSEF BERAN OF PRAGUE TODAY ACCUSED THE CZECHOSLOVAK GOVERNMENT OF INTERNING AND ISOLATING HIM IN HIS PALACE HERE IN VIOLATION OF CONSTITUTIONAL RIGHTS.

THE CATHOLIC PRIMATE CHARGED FURTHER THAT THE GOVERNMENT HAD ILLEGALLY SEIZED HIS CONSISTORY (ADMINISTRATIVE OFFICE) AND CONFISCATED THE FUNDS OF HIS PRAGUE DIOCESE.

HE MADE THESE CHARGES IN A LETTER TO THE STATE PROCURATOR (PROSECUTOR). IT WAS GIVEN TO THE FOREIGN PRESS HERE THROUGH CHURCH AND DIPLOMATIC CHANNELS. IN THIS LETTER BERAN ASKED THESE QUESTIONS:

"IS THE ROMAN CATHOLIC CHURCH IN CZECHOSLOVAKIA STILL RECOGNIZED BY THE STATE? IF SO, BY WHAT LAW WAS THE ROMAN CATHOLIC CHURCH DEPRIVED OF ITS LEGAL INDEPENDENCE IN INTERNAL MATTERS."

BERAN HAD BEEN SECLUDED IN HIS POLICE-GUARDED PALACE SINCE JUNE 19, WHEN COMMUNIST HECKLERS BROKE UP HIS SERVICE IN ST. VITUS CATEDRAL.

THE LAST WORD FROM HIM WAS IN A PASTROAL LETTER, ALSO SIGNED BY ALL THE BISHOPS OF HIS HIERARCHY, WHICH WAS READ IN CATHOLIC PULPITS ON JUNE 26. HOWEVER, THIS LETTER, WHICH ACCUSED THE COMMUNIST-LED GOVERNMENT OF PERSECUTING THE CHURCH, WAS COMPOSED AND SIGNED ON JUNE 15.

BERAN ASSERTED THAT IN THESE WEEKS OF SECLUSION HE HAD COMPLAINED IN VAIN TO THE GOVERNMENT MINISTRY OF EDUCATION, THE MINISTRY OF INTERIOR AND OTHER GOVERNMENT OFFICES ABOUT WHAT HE TERMED VIOLATIONS OF HIS OWN AND THE CHURCH'S RIGHTS. HE SAID HE HAD RECEIVED NO ANSWER -- VIRTUALLY NO MAIL, WHATSOEVER.

"I AM FORCED TO TURN TO THE STATE PROCURATOR," HE WROTE. "IT IS IMPOSSIBLE FOR ME TO CONFER WITH A LEGAL REPRESENTATIVE -- NO ONE IS PERMITTED TO VISIT ME -- AND THEN, TOO, ALL ARE AFRAID THAT THEY WOULD LOSE THEIR PRACTICE IF THEY WISHED TO PROTECT MY INTERESTS."

IN HIS LETTER, ARCHBISHOP BERAN MADE THE FOLLOWING CHARGES:

1- A REPRESENTATIVE OF THE GOVERNMENT MINISTRY OF EDUCATION, WITH THE AID OF POLICE, HAD SEIZED THE CONSISTORY IN THE ARCHBISHOP'S PALACE. THE ARCHBISHOP'S PROTESTS WERE IGNORED.

2- WITH THE CONSISTORY, THE STATE TOOK OVER THE OFFICIAL SEAL AND DISPOSITION OF THE FUNDS OF THE DIOCESE.

3- THE STATE LIQUIDATED REAL ESTATE OF THE ARCHBISHOP AND THE DIOCESE WITHOUT HIS KNOWLEDGE OR DUE LEGAL PROCESS.

4- THE ARCHBISHOP IS INTERNED, REFUSED VISITORS AND HIS MAIL AND "DEPRIVED OF ALL PERSONAL FREEDOM AND ALL RIGHTS AS THE ARCHBISHOP -- AND THIS WITHOUT ANY JUDICIAL DECISION."

BERAN CHARGED THAT THE OFFICIAL INSTALLED IN HIS CONSISTORY BY THE MINISTRY OF EDUCATION, DR. MIROSLAV HOUSKA, WAS "ACTING IN THE NAME OF THE ARCHBISHOP AND THE DIOCESE."

HE ALSO CHARGED THAT THE HECKLING WHICH DROVE HIM OUT OF HIS THRONE IN THE ST. VITUS CATHEDRAL ON JUNE 19 WAS A PRE-ARRANGED AFFAIR, AND THAT FACTORY WORKERS HAD BEEN INSTRUCTED IN ADVANCE TO COME TO THE CHURCH AND CREATE A DISTURBANCE.

HE ASSERTED THAT THE GOVERNMENT HAD NEVER ATTEMPTED TO ARREST ANYONE FOR THIS DISORDER, ALTHOUGH MANY POLICE WERE PRESENT.

"WHY WAS ALL THIS DONE?" DEMANDED THE ARCHBISHOP.

"OF THOSE CREATING THE DISTURBANCE NO ONE WAS APPREHENDED EVEN THOUGH THERE WERE MANY MEMBERS OF THE SECURITY POLICE PRESENT.

"IS THE LAW DEALING WITH THE PROHIBITION OF INTERRUPTING RELIGIOUS SERVICES STILL IN EFFECT? X X X

"I HAVE REQUESTED THE MINISTRY OF INTERIOR TO INVESTIGATE THE INCIDENT. TO DATE I HAVE RECEIVED NO REPLY."

THE ARCHBISHOP'S LETTER WAS DATED AUG. 5, FROM HRADCANY, THE CASTLE DISTRICT WHERE HIS PALACE IS SITUATED.

ARCHBISHOP BERAN'S CHARGES AND QUESTIONS TO THE STATE PROSECUTOR INDICATED THAT THE CHURCH HIERARCHY MIGHT BE SEEKING TO FORCE A BREAK IN THE DEADLOCKED STATE-CHURCH ISSUE.

THE DECISION TO GIVE BERAN'S LETTER PUBLICITY THROUGH THE WESTERN PRESS -- AND THE WESTERN BROADCASTS WHICH ARE PUMPED INTO CZECHOSLOVAKIA -- EMPHASIZED THIS.

IN RECENT WEEKS THE STATE HAS BEEN MOVING SOMEWHAT SLOWER AGAINST THE CHURCH, EXCEPT FOR OPPOSING THE VATICAN DECREE OF JULY 13 EXCOMMUNICATING ALL MILITANT COMMUNISTS.

IN THIS CAMPAIGN THE STATE ACCUSED A VILLAGE PRIEST OF TREASON FOR ALLEGEDLY REFUSING TO ADMINISTER THE LAST SACRAMENT TO A SICK WOMAN BECAUSE SHE WAS A COMMUNIST. THE PRIEST WAS SENTENCED TO EIGHT YEARS IN JAIL.

THE GOVERNMENT MAY STEP UP ITS CAMPAIGN FOR CONTROL OF THE CHURCH IN THE FALL, AFTER THE HARVEST IS GATHERED.

A BILL GIVING THE STATE CONTROL OF ALL CHURCH APPOINTMENTS, ADMINISTRATION AND FINANCES WILL BE ONE OF THE FIRST MEASURES TO COME BEFORE PARLIAMENT THIS AUTUMN.

THE ARCHBISHOP'S LETTER SAID THE LAW OF 1874 HAD BEEN INVOKED BY THE GOVERNMENT IN ITS ACTION SENDING HOUSKA TO TAKE OVER THE CONSISTORY. THIS LAW DATES BACK TO THE AUSTRO-HUNGARIAN EMPIRE, OF WHICH CZECHOSLOVAKIA WAS THEN A PART. THE GOVERNMENT ONCE BEFORE INVOKED THE LAW IN CLAIMING IT HAD THE RIGHT TO APPROVE PASTORAL LETTERS BEFORE THEY WENT OUT.

THE FUNCTIONS OF THE STATE PROSECUTOR TO WHOM THE ARCHBISHOP APPEALED GENERALLY WOULD BE TO HANDLE THE CASE SHOULD THE ARCHBISHOP WISH TO FILE A COMPLAINT ON VIOLATION OF HIS LEGAL RIGHTS, OR IF HE HIMSELF WERE MADE THE OBJECT OF LEGAL ACTION.

BELGRADE, YUGOSLAVIA, AUG. 17-(AP)-YUGOSLAVIA'S MORE THAN 1,000,000 MOSLEMS WERE TOLD BY THEIR HIGHEST RELIGIOUS AUTHORITY TODAY TO SUPPORT MARSHAL TITO'S COMMUNIST GOVERNMENT.

VAKUF, COUNCIL OF THE MOSLEM RELIGIOUS COMMUNITY IN YUGOSLAVIA'S CENTRALLY LOCATED REPUBLICS OF BOSNIA AND HERECEGOVINA, MADE PUBLIC A RESOLUTION IN WHICH IT DECLARED THE MOSLEM COMMUNITY "HAS ONLY ONE ROAD, AND THIS IS THE ROAD OF BROTHERHOOD AND UNITY, THE ROAD OF DEFENDING OUR COUNTRY, THE ROAD OF STRENGTHENING THE PEOPLE'S AUTHORITIES."

THE COUNCIL OBVIOUSLY WANTED TO AVOID ANY CHURCH-STATE CONFLICT GROWING OUT OF THE RECENT TRIAL AT SARAJEVO OF 14 ALLEGED FASCISTIC TERRORISTS WHO CALLED THEMSELVES "YOUNG MOSLEMS." THEY WERE CHARGED WITH PLOTTING AGAINST THE GOVERNMENT. FOUR OF THE DEFENDANTS WERE SENTENCED TO DEATH BEFORE A FIRING SQUAD AND 10 DREW LONG PRISON SENTENCES.

THE COUNCIL CONDEMNED THE ACTIVITIES OF THE YOUNG MOSLEM GROUP AS SEEKING SHELTER "BEHIND THE CLOAK OF RELIGION," AND SAID:

CANTON, AUG. 17-(AP)-A NATIONALIST ARMY SPOKESMAN ANGRILY DECLARED TODAY THERE WAS NOT A SHRED OF TRUTH TO REPORTS THAT COMMUNIST FORCES HAD DRIVEN INSIDE KWANGTUNG PROVINCE, IN WHICH THIS REFUGEE CAPITAL IS LOCATED.

(SIGNIFICANTLY, PERHAPS, THERE WAS NO DENIAL OF PRIVATE REPORTS YESTERDAY THAT THE NATIONALISTS WERE WITHDRAWING FROM NANHSIUNG (NAMYUNG). THIS TOWN IS 155 MILES NORTHEAST OF CANTON, JUST INSIDE KWANGTUNG.)

THE SPOKESMAN ASSERTED HEAVY FIGHTING WAS GOING ON NEAR NANKANG IN NEIGHBORING KIANGSI PROVINCE 195 MILES NORTHEAST OF CANTON.

(THERE WAS NOTHING TO INDICATE THE FATE OF KANHSIEN, GUARDIAN OF THE KAN RIVER VALLEY APPROACH TO CANTON. THIS CITY, 20 MILES NORTHEAST OF NANKANG, WAS CUT OFF FROM RADIO CONTACT YESTERDAY. POSSIBLY THE REDS ALREADY HAVE TAKEN IT).

CANTON WAS GETTING READY FOR THE ARRIVAL OF THE COMMUNISTS. FOREIGNERS WERE PACKING. AMERICAN, BRITISH AND OTHER FOREIGN FIRMS WERE EVACUATING THEIR ENTIRE FOREIGN STAFFS OF WOMEN EMPLOYES AND FAMILIES. THE U.S.EMBASSY AND CONSULATE PLANNED TO CLOSE.

ALL TRANSPORTATION TO THE BRITISH COLONY OF HONG KONG WAS BOOKED SOLID. U.S.NAVY PLANES WERE READY TO SUPPLY EMERGENCY EVACUATION FOR THE 73 AMERICANS HERE.

THE NATIONALISTS CLAIMED COMMUNIST ATTEMPTS TO SEAL OFF FOOCHOW FROM THE SEA HAD FAILED. OFFICIAL REPORTS SAID THE REDS' ATTEMPTS TO SEIZE POINTS BETWEEN THE FUKIEN PROVINCIAL CAPITAL AND THE MOUTH OF THE MIN RIVER HAD BEEN FOILED BY COUNTERATTACKS.

CANTON,THURSDAY,AUG.18-(AP)-NATIONALIST CHINA HAS PROTESTED TO GREAT BRITAIN AGAINST ALLEGED VIOLATION OF CHINESE TERRITORIAL WATERS, IT WAS DISCLOSED TODAY.

BRITISH WARSHIPS ALSO WERE ACCUSED OF DISPLAYING A "BELLICOSE ATTITUDE" TOWARD NATIONALIST NAVAL CRAFT.

THE PROTEST WAS MADE IN A NOTE BY THE CHINESE FOREIGN OFFICE AND HANDED YESTERDAY TO JOHN COGHILL, BRITISH EMBASSY REPRESENTATIVE IN CANTON.

IN PROTESTING AGAINST ALLEGED VIOLATION OF CHINESE WATERS, THE NOTE WARNED BRITAIN AGAINST A REPETATION.

THE NOTE SAID THE BRITISH DESTROYER CONCORD WAS SIGHTED JULY 31 SAILING OFF THE MOUTH OF THE YANGTZE RIVER WITHIN CHINESE TERRITORIAL WATERS.

IN ANSWER TO SIGNALS, THE NOTE SAID, THE CONCORD INFORMED A NATIONALIST WARSHIP IT WAS ANCHORING AND PROCEEDED TO DO SO.

BUT AFTER DARK, THE NOTE CONTINUED, THE CONCORD MOVED INTO THE MOUTH OF THE RIVER.

(AT THE TIME THE CONCORD HAD A RENDEZVOUS WITH THE BRITISH SLOOP AMETHYST WHICH WAS DASHING DOWN THE YANGTZE WHERE IT HAD BEEN HELD CAPTIVE BY THE CHINESE COMMUNISTS SINCE LATE IN APRIL.

(THE AMETHYST REACHED THE OPEN SEA AUG. 1. SHE HAD BEEN DAMAGED IN A GUN BATTLE WITH COMMUNIST SHORE BATTERIES BETWEEN SHANGHAI AND NANKING.

(AFTER MONTHS OF NEGOTIATIONS WTIH THE COMMUNISTS FOR THE AMETHYST'S RELEASE, THE SHIP'S COMMANDING OFFICER FINALLY MADE A BREAK FOR FREEDOM. SHE WAS ONE OF FOUR BRITISH SHIPS FIRED ON BY THE REDS AS THE COMMUNISTS WERE PREPARING TO CROSS THE YANGTZE FOR THEIR INVASION OF SOUTH CHINA. THE OTHER THREE SHIPS BECAME ENGAGED WITH THE RED SHORE BATTERIES WHILE TRYING TO AID THE CRIPPLED AMETHYST).

THE NOTE SAID THE CONCORD'S ACTION VIOLATED CHINA'S SOVEREIGNTY.

IT DECLARED ANY BRITISH WARSHIP ENTERING CHINESE TERRITORIAL WATERS MUST GET PREVIOUS APPROVAL FROM THE NATIONALIST GOVERNMENT.

LATE PREMIER MARSHAL HUSNI ZAYIM, INCLUDING THREE ACCUSED OF THE AUG. 5 BOMBING OF THE DAMASCUS SYNAGOGUE, WERE RELEASED TODAY.

TWELVE JEWS WERE KILLED AND MORE THAN A SCORE WOUNDED IN THE BOMBING. SHORTLY BEFORE HE WAS DEPOSED AND EXECUTED IN THE MILITARY COUP OF LAST SUNDAY ZAYIM HAD ANNOUNCED THAT THE THREE HAD CONFESSED THE BOMBING AND WOULD BE SENTENCED TO DEATH.

THE NEW GOVERNMENT OF HASEM BEY ATASSI ANNOUNCED THAT 230 OF THE 260 PERSONS IMPRISONED BY ZAYIM FOR POLITICAL REASONS HAD BEEN FREED.

THE NEW FOREIGN MINISTER, DR. NAZIM KUDSI, SAID SYRIA WAS WILLING TO ATTEND A MEETING OF THE ARAB LEAGUE POLITICAL COMMITTEE "ANYWHERE AT ANY TIME." A MEETING HAD BEEN SET FOR AUG. 20, AT ALEXANDRIA, EGYPT. BUT AFTER THE SYRIAN COUP SOME DOUBT HAS BEEN EXPRESSED ABROAD THAT IT WOULD BE HELD.

DAMASCUS, SYRIA,AUG. 17-(AP)-INTERIM PREMIER HASEM BEY ATASSI SAYS THE FINAL DECISION ON THE AMERICAN OIL PIPELINE CONCESSION WILL BE UP TO SYRIA'S FUTURE PARLIAMENT.

ATASSI TOLD NEWSMEN YESTERDAY HIS GOVERNMENT, FUNCTIONING AS A TEMPORARY CABINET, WILL NEITHER CONFIRM NOR DENY ACTIONS TAKEN BY THE REGIME OF THE LATE PRESIDENT MARSHAL HUSNI ZAYIM, WHO WAS EXECUTED IN SUNDAY'S MILITARY COUP.

ZAYIM RECENTLY APPROVED THE CONCESSION FOR A TRANS-ARABIAN PIPELINE IN SYRIA, DESPITE SOME DOMESTIC OPPOSITION.

ATASSI DECLARED THE CHIEF AIM OF HIS CABINET IS TO RESTORE CONSTITUTIONAL GOVERNMENT. THE AGED FORMER PRESIDENT SAID HIS COUNTRY WILL RETAIN CLOSE AND FRIENDLY RELATIONS WITH THE "GREATER DEMOCRACIES" SUCH AS AMERICA.

HE SAID SYRIA ALSO WILL MAINTAIN CLOSE RELATIONS WITH THE UNITED NATIONS AND THE OTHER ARAB STATES "BECAUSE THE ARABS ARE ONE NATION WHATEVER THEIR POLITICAL DIVISION MIGHT BE."

THE NEW CIVILIAN CABINET, REPRESENTING MOST SHADES OF SYRIAN POLITICAL OPINION, ISSUED A STATEMENT SAYING IT WOULD RETAIN POWER ONLY UNTIL A CONSTITUTIONAL GOVERNMENT CAN BE ESTABLISHED.

THE CABINET WAS FORMED FOLLOWING A LIGHTNING COUP IN WHICH ZAYIM, WHO HAD RULED SINCE HE SEIZED POWER MARCH 30, AND PREMIER MUHSEN BEY BERAZI WERE GIVEN SPEEDY TRIALS AND EXECUTED BY A FIRING SQUAD.

COL.SAMI HENNAWI WHO LED SUNDAY'S COUP SAID IN AN INTERVIEW HE HOPED IT HAD BROUGHT THE DESIRED STABILITY TO SYRIA.

AN OFFICIAL SAID 230 OF THE 260 POLITICAL PRISONERS JAILED BY ZAYIM HAVE BEEN RELEASED BY THE NEW SYRIAN GOVERNMENT.

IT WAS REPORTED THAT AMONG THOSE FREED WERE THREE MEN CHARGED WITH THE BOMBING OF A DAMASCUS SYNAGOGUE AUG. 5 IN WHICH 12 JEWS WERE KILLED AND MORE THAN A SCORE WOUNDED. ZAYIM HAD ANNOUNCED ON AUG. 9 THAT THE THREE MEN HAD CONFESSED THE ATTACK AND WOULD BE SENTENCED TO DEATH.

FORMER PRESIDENT AL SAYED SHUKRI AL KUWATLY, WHO WAS OVERTHROWN BY ZAYIM LESS THAN FIVE MONTHS AGO, HAS CABLED CONGRATULATIONS TO ATASSI AND THE ARMY ON THE SUCCESS OF LAST SUNDAY'S COUP, IT WAS ANNOUNCED.

KUWATLY WAS IMPRISONED FOR A SHORT TIME AFTER HIS REGIME WAS OUSTED. HE LEFT FOR SWITZERLAND LATE IN JUNE.

JERUSALEM,AUG.17-(AP)-THE JEWISH POPULATION OF JERUSALEM PAID ITS LAST RESPECTS TODAY TO THEODOR HERZL, FOUNDER OF MODERN POLITICAL ZIONISM.

LONG LINES FILED PAST HIS BODY LYING IN STATE IN THE COURTYARD OF THE JEWISH AGENCY BUILDING. INTERMENT WAS SCHEDULED FOR LATER IN THE DAY IN A NEWLY BUILT CONCRETE BOMBPROOF TOMB ON THE HIGHEST HILL IN JERUSALEM'S WESTERN SUBURBS.

HERZL DIED IN VIENNA IN 1904. A PLANE YESTERDAY BROUGHT HIS REMAINS FROM AUSTRIA TO TEL AVIV WHERE ABOUT 200,000 PERSONS FILED PAST THE COFFIN OUTSIDE THE ISRAELI PARLIAMENT BUILDING IN BRIGHT MOONLIGHT LAST NIGHT. THE FUNERAL PROCESSION MOVED OFF TO JERUSALEM BEFORE DAWN WHILE FLOODLIGHTS PLAYED ON THE BIER AND A FULL DRESS MILITARY GUARD OF HONOR SALUTED.

ISRAELI PREMIER DAVID BEN GURION SAID IT WAS "NOT A FUNERAL PROCESSION BUT A VICTORY MARCH--VICTORY OVER A VISION THAT BECAME A REALITY." THE PROCESSION FOLLOWED THE SAME ROUTE TO JERUSALEM THAT HERZL USED ON HIS PILGRIMAGE A HALF-CENTURY AGO. VILLAGES ALONG THE WAY WERE DECORATED WITH FLORAL ARCHES.

ALL ISRAELI GOVERNMENT MINISTERS, HIGH OFFICIALS AND MEMBERS OF PARLIAMENT ASSEMBLED IN JERUSALEM FOR THE ENTOMBMENT CEREMONY. THE CABINET WAS UNDERSTOOD TO BE MEETING AND IT WAS RUMORED THAT AN IMPORTANT DECISION ABOUT THE STATUS OF THE HOLY CITY MIGHT BE TAKEN.

ISRAELI AUTHORITIES HAVE SUGGESTED THE INCORPORATION OF JERUSALEM IN THE NEW JEWISH STATE. UNDER A UNITED NATIONS PROPOSAL JERUSALEM WOULD BE INTERNATIONALIZED.

RADIO-RUSSIA

BY JOHN M.HIGHTOWER

WASHINGTON,AUG.17-(AP)-THE STATE DEPARTMENT IS PLANNING TO THROW HEAVY NEW REINFORCEMENTS INTO THE RADIO WAR WITH RUSSIA IF CONGRESS WILL PROVIDE THE MONEY.

THE HOUSE APPROPRIATIONS COMMITTEE TOOK THE FIRST STEP YESTERDAY BY RECOMMENDING AN APPROPRIATION OF $11,500,000(M). THIS IS STILL SUBJECT TO ACTION BY THE HOUSE ITSELF AND THE SENATE.

THE HOUSE COMMITTEE APPROVED THE ADDITIONAL SUM FOR THE VOICE OF AMERICA (WHICH NOW IS DOWN FOR $7,500,000) AFTER RECEIVING TESTIMONY FROM LT. GEN. ALBERT C.WEDEMEYER, DIRECTOR OF PSYCHOLOGICAL WARFARE FOR THE ARMY.

WEDEMEYER TESTIFIED THAT AMERICAN EFFORTS--COUPLED WITH THOSE OF THE BRITISH BROADCASTING CORPORATION--TO GET PROGRAMS INTO RUSSIA APPEAR TO BE CAUSING THE SOVIETS CONSIDERABLE INJURY IN THEIR TOTAL RADIO OPERATION.

"WE HAVE RECEIVED NUMEROUS REPORTS FROM GOOD SOURCES," WEDEMEYER SAID, "THAT WOULD INDICATE THAT WE ARE HURTING THEM AND HURTING THEM BADLY."

THE PRESENT PHASE OF THE RADIO CONFLICT BETWEEN RUSSIA AND THE WESTERN POWERS OPENED APRIL 24 WHEN THE SOVIETS BEGAN JAMMING BRITISH AND AMERICAN BROADCASTS TO THE RUSSIAN PEOPLE.

THAT WAS ON THE EVE OF THE FIRST ANNOUNCEMENTS CONCERNING THE

SUCCESSFUL NEGOTIATIONS FOR ENDING THE BERLIN BLOCKADE. STATE DEPARTMENT OFFICIALS SPECULATED AT THAT TIME THAT THE RUSSIANS WERE PRIMARILY INTERESTED IN COVERING UP TO THEIR OWN PEOPLE THEIR "RETREAT" FROM BERLIN.

IT WAS THEN ASSUMED THAT AS SOON AS THE BERLIN CRISIS WAS OVER THE RADIO SITUATION WOULD RETURN TO NORMAL; THAT IS, THE UNITED STATES AND BRITAIN WOULD BE ABLE TO BROADCAST INTO RUSSIA THEIR UNCENSORED VERSIONS OF WORLD NEWS JUST AS THE RUSSIANS ARE ABLE TO BROADCAST TO OTHER COUNTRIES.

HOWEVER, IT HAS NOT TURNED OUT THAT WAY. INSTEAD OF EASING OFF THE STRUGGLE HAS BECOME INTENSIFIED. ON MAY 7 THE UNITED STATES AND BRITAIN COORDINATED ALL THE BROADCASTING EQUIPMENT THEY COULD SPARE FOR THE PURPOSE TO TRY TO BREAK THROUGH THE SCREEN OF DISRUPTIVE RADIO WAVES WHICH THE RUSSIANS WERE THROWING UP WITH AN ENORMOUS NUMBER OF JAMMING STATIONS.

A35WX

A MONTH LATER, A SURVEY OF OFFICIAL REPORTS HERE SHOWED THAT THE BRITISH AND AMERICAN PROGRAMS WERE BREAKING THROUGH THE WALL OF NOISE ONLY IN SPOTS. AS FAR AS GETTING INFORMATION TO THE RUSSIAN LISTENER IS CONCERNED, THEREFORE, THE WESTERN POWERS HAVE NOT HAD TOO MUCH SUCCESS.

THEY HAVE PUT THEIR BROADCASTS ON AN AROUND THE CLOCK BASIS, FORCING THE RUSSIANS TO JAM 24 HOURS A DAY AND THEY HAVE OPENED SOME NEW SPECIAL PROGRAMS AND CHANGED FREQUENCIES OF BROADCASTING FROM TIME TO TIME.

ONE TRICK THEY HAVE USED IS TO BROADCAST SOME PROGRAMS ON FREQUENCIES SO CLOSE TO THOSE OF THE REGULAR RUSSIAN DOMESTIC RADIO STATIONS THAT WHEN THE SOVIETS TRY TO JAM THE WESTERN SIGNALS THEY JAM THEIR OWN AS WELL.

THIS PRESUMABLY IS ONE OF THE RESULTS THAT WEDEMEYER HAD IN MIND IN REPORTING THAT THE RUSSIANS ARE BEING HURT BY THE STRUGGLE. ANOTHER IS THE DIVERSION OF THEIR STATIONS FROM REGULAR BROADCASTING TO JAMMING. IN THEIR HUGE COUNTRY THE SOVIETS DEPEND LARGELY ON RADIO BROADCASTING TO DISSEMINATE NEWS AND INFORMATION OF ALL SORTS.

WASHINGTON,AUG.17-(AP)-PRESIDENT TRUMAN TODAY GAVE THE ATTORNEY GENERAL POWER TO KEEP OUT OF THE UNITED STATES ANY ALIEN WHOSE ENTRY HE BELIEVES WOULD BE PREJUDICIAL TO THIS COUNTRY.

THE PRESIDENT AUTHORIZED THE ATTORNEY GENERAL TO EXCLUDE SUCH ALIENS EVEN THOUGH THEY ARRIVE WITH VALID VISAS ISSUED BY THE STATE DEPARTMENT'S CONSULS ABROAD.

MR.TRUMAN CONFERRED THE POWER BY PROCLAMATION.

JUSTICE DEPARTMENT OFFICIALS SAID THE PROCLAMATION IS SIMPLY CLARIFYING IN EFFECT. SINCE THE STATE DEPARTMENT CONSULS ISSUE THE VISAS UNDER WHICH ALIENS TRAVEL TO THE U.S. PORTS OF ENTRY, THEY SAID, THE QUESTION HAS ARISEN FROM TIME TO TIME AS TO WHETHER AN EXCLUSION AT THE PORT REQUIRED A JOINT ACTION BY THE STATE AND JUSTICE DEPARTMENTS.

THE JUSTICE OFFICIALS SAID THERE HAS BEEN NO DISPUTE BETWEEN THE DEPARTMENTS OVER THIS MATTER, BUT THAT THE PROCLAMATION WAS THOUGHT DESIRABLE TO CLARIFY THE SITUATION.

ACHESON SAID THAT MAKING ARRANGEMENTS WITH THE COMMUNISTS IN A SLOW AND EXASPERATING BUSINESS. ALL FOREIGNERS WHO LEAVE A PLACE ADMINISTERED BY THE CHINESE COMMUNISTS, HE SAID, REQUIRE EXIT PERMITS. SENATOR GEORGE (D-GA) SUBSCRIBED TO THOMAS' SUGGESTION FOR A CONGRESSIONAL DISARMAMENT APPEAL.

THE GEORGIAN SAID HE THINKS THE UNITED STATES SHOULD BE MOVING IN A DIRECTION DIFFERENT FROM THE ONE IT IS TAKING.

"WE SHOULD HAVE AN AFFIRMATIVE AMERICAN POLICY FOR PEACE," HE DECLARED, ADDING THAT SUCH A POLICY CANNOT BE FOUNDED ON FEAR OF ANOTHER NATION OR HOSTILITY TOWARD IT.

SENATOR VANDENBERG (R-MICH) AGREED THAT AN EFFORT SHOULD BE MADE TO BRING ABOUT DISARMAMENT, BUT HE SAID HE COULD NOT AGREE TO THOMAS' SUGGESTION THAT THE ARMS AID BILL BE DELAYED WHILE THE ATTEMPT IS UNDERTAKEN. HE RECALLED HIS OWN SUGGESTION RECENTLY THAT THE PRESIDENT ISSUE AN APPEAL FOR WORLD DISARAMENT AT THE TIME THE U.S. ENTERED THE NORTH ATLANTIC ALLIANCE.

VANDENBERG WON THOMAS'S SUPPORT FOR HIS AMENDMENT WHICH WOULD MAKE CONTINUATION OF THE ARMS AID PROGRAM DEPENDENT ON COOPERATION OF EUROPEAN MEMBERS OF THE ALLIANCE WITH A COMMON DEFENSE PLAN.

THOMAS GAVE QUALIFIED APPROVAL TO ANOTHER AMENDMENT BY SENATOR SMITH (R-NJ) TO TIE CONTINUED EFFORTS FOR DISARMAMENT TO THE ARMS PROGRAM. THE SOCIALIST SAID ITS PURPOSE IS FINE BUT THAT IT PROBABLY WILL BE REGARDED AS "MORE WORDS THAT WON'T CREATE HARDLY A RIPPLE IN THE U.S. OR ABROAD."

QUESTIONS BY SENATOR KNOWLAND (R-CALIF) BROUGHT OUT THAT THOMAS IS MORE ALARMED ABOUT ASIA THAN EUROPE.

THOMAS SAID THAT NEHRU, INDIA'S PRIME MINISTER, WILL GET ALONG ALL RIGHT "IF THE INDIANS, THROUGH STARVATION, DON'T TURN TO COMMUNISM."

KNOWLAND, WHO HAS URGED THAT $175,000,000 OF THE PROPOSED ARMS OUTLAY BE EARMARKED FOR CHINA, OFFERED ANOTHER AMENDMENT DURING THE DAY. IT IS DESIGNED TO ASSURE THAT NATIONALIST CHINA WOULD BE CHARGED NO MORE FOR MILITARY SUPPLIES THAN ANY OTHER COUNTRY.

EARLY IN THE HOUSE DEBATE REP.COX (D-GA), WHO HAS VOTED WITH A COALITION OF REPUBLICANS AND SOUTHERN DEMOCRATS AGAINST MANY ADMINISTRATION BILLS IN THE PAST, URGED APPROVAL OF ARMS AIDM HIS ACTION DEALT A BLOW TO HOPES OF SOME REPUBLICAN OPPONENTS OF THE MEASURE.

COX CRITICIZED THE STATE DEPARTMENT AND CALLED FOR A SHAKEUP IN ITS PERSONNEL, BUT HE SAID THE FOREIGN ARMS PROGRAM IS NECESSARY TO IMPLEMENT THE ATLANTIC PACT.

"OUR RELIANCE UPON THE GOOD FAITH OF RUSSIA HAS PROVED TO BE A LOSING GAMBLE," THE GEORGIAN DECLARED. "WE NOW KNOW THAT RUSSIA MEANS TO RULE THE WHOLE WORLD, AND THAT UNLESS SHE IS CHECKED SHE WILL SUCCEED, AND IN THE TASK OF CHECKING HER, GREATEST RESPONSIBILITY RESTS UPON US."

REP.MORRIS (D-OKLA) CRITICIZED THE PROGRAM AS DANGEROUS, STUPID AND UNNECESSARY.

IT IS INCONSISTENT, HE SAID, FOR THE UNITED STATES TO SAY THAT COMMUNISM IS SUCH A FALSE DOCTRINE THAT IT CANNOT SUCCEED, "AND YET WE TURN AROUND AND SAY WE MUST SPEND BILLIONS TO STOP IT."

"DO WE THINK A FALSE, ERRONEOUS AND STUPID PHILOSOPHY IS GOING TO SWEEP THE WORLD?" THE OKLAHOMAN DEMANDED.

"COMMUNISM WAS ON THE RUN LONG BEFORE THE MARSHALL PLAN," HE DECLARED. "COMMUNISM STOPPED ITSELF."

MORRIS SAID HE FOUND IT HARD TO BELIEVE THAT AN UNSOUND PHILOSOPHY LIKE COMMUNISM COULD SWEEP THE ENTIRE WORLD WHEN CHRISTIANITY HAS BEEN UNABLE TO DO SO IN 2,000 YEARS.

DENVER, AUG.17-(AP)-DR.JOSEF KORBEL, FORMER CZECHOSLOVAKIA AMBASSADOR TO YUGOSLAVIA, SAYS THE ANSWER IS YES TO ALL THREE OF THESE QUESTIONS:

1. ARE THE RUSSIANS TRYING TO PROTECT THEMSELVES AGAINST WHAT THEY BELIEVE IS THE DANGER OF ATTACK FROM THE WEST?

2. ARE THEY FOLLOWING THE CENTURIES-OLD RUSSIAN POLICY OF IMPERIAL EXPANSION?

3. ARE THE RUSSIAN LEADERS TRYING TO SATISFY A LUST FOR POWER?

KORBEL POSED THE QUESTIONS AND GAVE WHAT HE REGARDS AS THE RIGHT ANSWER IN AN ADDRESS LAST NIGHT AT THE UNIVERSITY OF DENVER'S INSTITUTE ON SOVIET RELATIONS. KORBEL BECAME A POLITICAL EXILE AFTER HIS COUNTRY WENT OVER TO THE COMMUNISTS.

"EVEN DURING THE WAR THE RUSSIANS WERE PREOCCUPIED WITH DEVELOPING POSTWAR SECURITY AGAINST INVASION," HE SAID.

"AT FIRST, RUSSIA'S GREATEST FEAR WAS OF ANOTHER ATTACK FROM GERMANY, IF AND WHEN THAT NATION BECAME STRONG AGAIN. BUT NOW THE RUSSIANS HAVE COME TO DISTRUST ANY NON-COMMUNIST GOVERNMENT.

"FOR THAT REASON, THEY ARE ALMOST FATALLY BOUND TO DESTROY ANY NATION ON THEIR BORDERS UNLESS IT IS COMMUNIST-CONTROLLED. AND THERE IS NO TELLING WHERE THIS DESTRUCTION MAY END."

SECOND NIGHT LEAD

LOS ANGELES,AUG.17-(AP)-THREE AIRPLANE MANUFACTURERS TESTIFIED BEFORE A HOUSE SUBCOMMITTEE TODAY THAT THERE WAS NO POLITICAL PRESSURE INVOLVED IN THE AWARDING OF A GOVERNMENT WARTIME CONTRACT FOR THE B-36 SUPER-BOMBER.

THEY WERE JOHN K. NORTHROP, PRESIDENT OF NORTHROP AIRCRAFT, INC., OLIVER P. ECHOLS, CHAIRMAN OF THE BOARD AT NORTHROP, AND WILLIAM ALLEN, SEATTLE, PRESIDENT OF BOEING AIRCRAFT CO.

THE HOUSE ARMED FORCES SUBCOMMITTEE, HEADED BY REP. MELVIN PRICE (D-ILL.), IS INVESTIGATING REPORTS THAT POLITICAL FAVORITISM MAY HAVE FIGURED IN THE SELECTION OF CONSOLIDATED-VULTEE'S B-36 AS A MAJOR AIR FORCE WEAPON.

THE AIR FORCE ORIGINALLY AWARDED A CONTRACT TO NORTHROP FOR 30 B-49 BOMBERS, THE JET ENGINED "FLYING WING," BUT LATER CANCELLED THE CONTRACT AND GAVE ANOTHER ONE TO CONSOLIDATED-VULTEE.

TODAY, HOWEVER, NORTHROP TOLD THE COMMITTEE:

"I CAN'T CONCEIVE OF THERE BEING ANY POLITICAL IMPLICATIONS" IN THE AIR FORCE'S CANCELLATION OF NORTHROP'S CONTRACT.

NORTHROP SAID HE RECEIVED NOTICE FROM AIR SECRETARY W. STUART SYMINGTO IN THE SUMMER OF 1948 THAT THE CONTRACT WAS BEING CANCELLED. SYMINGTON GAVE NO REASON FOR CANCELLING THE CONTRACT, NORTHROP ADDED, AND HE DIDN'T ASK.

HE SAID HE DEDUCED BY READING NEWSPAPER ACCOUNTS, HOWEVER, THAT THE AIR FORCE WANTED A BOMBER WITH A WIDER RANGE THAN THE FLYING WING.

BOTH NORTHROP AND ALLEN TESTIFIED THEY HAD NEVER HEARD OF RUMORS TO THE EFFECT THAT VARIOUS AIRCRAFT FIRMS WERE PLANNING TO MERGE WITH CONSOLIDATED.

EARLIER, ECHOLS TOLD THE INVESTIGATORS THAT FLOYD ODLUM, HEAD OF CONSOLIDATED, ONCE SUGGESTED TO HIM THAT THE TWO FIRMS BE MERGED, WITH ECHOLS TAKING OVER AS HEAD OF BOTH. NORTHROP REJECTED THE IDEA, ECHOLS SAID, BECAUSE IT DIDN'T WANT TO LOSE ITS SEPARATE IDENTITY.

ECHOLS, ONETIME CHIEF OF THE AIR FORCE MATERIEL COMMAND, SAID THE MERGER WAS SUGGESTED SEVERAL YEARS AFTER HIS RETIREMENT AS A MAJOR GENERAL.

"I WAS PROBABLY MORE RESPONSIBLE THAN ANYONE ELSE FOR HAVING THE B-36 ORDERED," SAID ECHOLS. "I DON'T SEE HOW POLITICAL INFLUENCE COULD HAVE BEEN BROUGHT TO BEAR IN AWARDING THE CONTRACT. THE PRODUCTION WAS BROUGHT ABOUT THROUGH NORMAL PROCEDURE OF THE AIR FORCE."

ECHOLS WAS THE FIRST WITNESS. THE INQUIRY WAS ORDERED AFTER REP. VAN ZANDT (R-PA) SAID IN THE HOUSE LAST MAY 26 THAT HE HAD HEARD "DISTURBING REPORTS ABOUT SECRETARY OF DEFENSE JOHNSON, SECRETARY OF AIR SYMINGTON AND FLOYD ODLUM, AIRCRAFT MANUFACTURER AND FINANCIER.

VAN ZANDT SAID HE "HEARD" THAT SYMINGTON PLANNED TO RESIGN AND HEAD AN AIRCRAFT COMBINE TO BE ORGANIZED BY ODLUM, HEAD OF CONSOLIDATED VULTEE OF SAN DIEGO, MAKERS OF THE B-36. SYMINGTON EMPHATICALLY DENIED THIS AT A HEARING OF THE SUBCOMMITTEE LAST FRIDAY.

ECHOLS DESCRIBED HOW THE CONTRACT WAS AWARDED TO CONSOLIDATED-VULTEE IN 1941. HE SAID THE NEED FOR PRODUCTION OF AN INTERCONTINENTAL BOMBER WAS FIRST RAISED BY GEN. HENRY H. (HAP) ARNOLD, THEN CHIEF OF THE AIR FORCE.

A72KX

"ARNOLD TOLD ME THE WORLD SITUATION FROM THE VIEWPOINT OF THE U. S. ARMED FORCES WAS UNSATISFACTORY," ECHOLS TESTIFIED. "HE WANTED MY VIEW---WHETHER TO BUILD A BOMBER WITH A 10,000-MILE RANGE WHICH COULD CARRY A 10,000-POUND BOMB LOAD."

ECHOLS SAID WRIGHT FIELD, OHIO, ENGINEERS WERE ASKED TO STUDY THE QUESTION AND MAKE RECOMMENDATIONS. HE SAID THE WRIGHT FIELD ENGINEERS LATER PRESENTED A DESIGN TO A CONFERENCE OF TOP AIR FORCE OFFICERS.

THE WITNESS SAID HE RECALLED THAT BOEING, DOUGLAS, MARTIN, NORTHROP AND CONSOLIDATED-VULTEE WERE CONTACTED ON THE IDEA OF BIDDING FOR THE CONTRACT FOR THE NEW BOMBER.

ECHOLS SAID THE CONTRACT WAS AWARDED TO CONSOLIDATED-VULTEE AS A RESULT OF THE RECOMMENDATION OF AN ENGINEERING COMMITTEE AT WRIGHT FIELD WHICH CONSIDERED THE CONSOLIDATED DESIGN THE BEST. HE SAID THE AWARD WAS APPROVED BY AN AIRFORCE BOARD OF 15 TOP OFFICERS.

HE SAID APPROVAL BY THE 15 OFFICERS "WAS NOT USUAL PROCEDURE FOR AWARDING A CONTRACT."

"THIS WAS DIFFERENT BECAUSE THE TOP STAFF OFFICERS WERE SO INTERESTED IN THE PROJECT," HE EXPLAINED.

"WE GOT WHAT WE WANTED," SAID ECHOLS. "WE GOT A 10,000-MILE BOMBER THAT COULD CARRY A 10,000-POUND BOMB LOAD."

ECHOLS SAID THAT IN 1945 HE WAS TRANSFERRED FROM THE AIR FORCE TO THE MILITARY GOVERNMENT STAFF IN BERLIN AND AFTER THAT HAD NO FURTHER CONNECTION WITH THE AIR FORCE.

NEW YORK--DR. D.SOEMITRO, MEMBER OF THE INDONESIAN REPUBLIC'S DELEGATION TO THE HAUGE ROUNDTABLE CONFERENCE, WAS SCHEDULED TO DEPART BY AIR AT 2100 EDT FOR THE NETHERLANDS CAPITAL.
BEFORE EMPLANING HE ISSUED THIS STATEMENT:
THE REPUBLIC OF INDONESIA IS FULLY AWARE OF ITS RESPONSIBILITIES IN THE COMING ROUNDTABLE CONFERENCE AT THE HAUGE AND OF THE DIFFICULTIES THAT MAY ARISE IN ECONOMIC AND FINANCIAL MATTERS. ALL THE MORE SO SINCE A SOLUTION IN THESE FIELDS WILL GREATLY AFFECT THE UNITED STATES AND WESTERN EUROPE.
WE HOPE THAT THE DUTCH ALSO ARE AWARE OF THIS AND THAT THEY REALIZE A SETTLEMENT IS NOT ONLY A MATTER OF IMPORTANCE TO THE NETHERLANDS AND TO INDONESIA BUT TO THE WHOLE WORLD.
INDONESIA IS ONE OF THE RICHEST COUNTRIES IN SOUTHEAST ASIA AND THE SCOPE FOR TRADE CAN ASSUME VAST PROPORTIONS. THE DUTCH WILL HAVE THEIR PROPER SHARE IN THIS TRADE BUT WILL NOT DOMINATE IT. WE WOULD LIKE TO SEE OUR COUNTRY BECOME INCREASINGLY IMPORTANT IN INTERNATIONAL TRADE, WITH CLOSER TRADE RELATIONS WITH THE UNITED STATES THAN ENJOYED BEFORE THE WAR.
IT IS INDEED REGRETTABLE THAT PRODUCTION HAS BEEN DAMAGED SO EXTENSIVELY AND THAT SOCIAL AND HEALTH CONDITIONS HAVE DETERIORATED AS A RESULT OF THE UNHAPPY POLITICAL AND MILITARY SITUATION, BUT I FEEL CONFIDENT THAT EVERYONE WILL PUT FORTH A FORMULA FOR REACHING A FAIR SETTLEMENT. THEN AT LEAST THE PSYCHOLOGICAL CONDITIONS WILL PREVAIL PERMITTING RECONSTRUCTION AND REHABILITATION WHEREBY INDONESIA WILL BECOME A SOURCE OF WORLD SUPPLY AND AN INDUSTRIAL MARKET FOR GOODS OF THE INDUSTRIALIZED COUNTRIES.
IT IS IN THE INTEREST OF THE COUNTRIES OF WESTERN DEMOCRACY TO RENDER THE YOUNG STATE ALL POSSIBLE MATERIAL HELP THAT IT MAY NEED IN THE WAY OF RECONSTRUCTION. IT HAS BEEN PROVED THAT THE RECONSTRUCTION OF WESTERN EUROPE CANNOT ACHIEVE COMPLTE SUCCESS IF THE INTERESTS OF THE SOUTHEAST ASIAN COUNTRIES ARE NEGLECTED.
(END TEXT)

L.N. PALAR, CHIEF DELEGATE OF INDONESIAN DELEGATION TO UNITED NATIONS SECURITY COUNCIL, ALSO ISSUED A STATEMENT:
WE MARK THE FOURTH ANNIVERSARY OF THE FOUNDING OF THE REPUBLIC OF INDONESIA NOT AS A DAY FOR GREAT CELEBRATIONS BUT AS A MOMENT FOR REDEDICATION.
FOUR YEARS AGO TODAY, OUR PEOPLE ESTABLISHED THEIR OWN GOVERNMENT TO EXPRESS THEIR SOLEMN WILL FOR SELF-DETERMINATION. IN THE TIME

THAT HAS PASSED SINCE THEN, WE HAVE HAD TO PROVE OUR ABILITY TO MAINTAIN THAT SELF-DETERMINATION IN THE FACE OF THE DIFFICULTIES THAT BESET ANY NEW NATION AS WELL AS AGAINST THE MILITARY ATTACKS OF THE NETHERLANDS. ALL THESE WE HAVE OVERCOME AND WE HAVE NOW ARRIVED AT THE HOUR WHEN A PEACEFUL SOLUTION IS AT HAND.

THE STAGE IS SET. THE NETHERLANDS HAS ALREADY GUARANTEED BEFORE THE UNITED NATIONS, BEFORE THE UNITED NATIONS COMMISSION FOR INDONESIA AND BEFORE THE INDONESIAN DELEGATION IN JAVA, TO TRANSFER COMPLETE AND UNCONDITIONAL SOVEREIGNTY TO THE REPUBLIC OF THE UNITED STATES OF INDONESIA, WHICH THE REPUBLIC OF INDONESIA IS ALSO PREPARED TO DO.

THE COMPLETE TRANSFER OF SOVEREIGNTY MEANS THAT THE NEW REPUBLIC OF THE UNITED STATES OF INDONESIA SHALL HAVE FULL CONTROL OVER ITS INTERNAL AND EXTERNAL LIFE, OVER ITS ECONOMIC AND FINANCIAL FUTURE. THIS IS THE MEANING OF COMPLETE SOVEREIGNTY--NOTHING LESS. FURTHERMORE, WE HAVE AGREED TO ENTER INTO A UNION WITH HOLLAND, A UNION WHICH WILL BE AN ORGAN OF TWO FULLY SOVEREIGN STATES.

DURING MY RECENT VISIT TO MY COUNTRY, I FOUND THAT ALL INDONESIANS --REPUBLICANS AND FEDERALISTS ALIKE--BELIEVE THAT UNDER THE PRESENT CIRCUMSTANCES, THIS IS THE ONLY WAY IN WHICH STABILITY WILL BE ACHIEVED AND OUR COMMON NATIONAL ASPIRATIONS SATISIFIED.

LAKE SUCCESS, N.Y., AUG. 17-(AP)-THE WORLD'S FAST-GROWING POPULATION DOESN'T DOOM IT TO A LOWER STANDARD OF LIVING, INTERIOR SECRETARY J.A. KRUG DECLARED TODAY.

SCIENCE, HE SAID, CAN "FIND AND DEVELOP FOOD, FUELS AND MATERIALS" TO BOOST LIVING STANDARDS EVERYWHERE.

KRUG SPOKE AT THE OPENING OF THE UNITED NATIONS SCIENTIFIC CONFERENCE ON THE CONSERVATION AND UTILIZATION OF RESOURCES. IT BRINGS TOGETHER 700 SCIENTISTS FROM 50 NATIONS.

"I DO NOT SIDE WITH THOSE WHO 'VIEW WITH ALARM' THE INCREASING WORLD POPULATION AND THE DECREASING RESERVES OF SOME THINGS WHICH NOW APPEAR TO BE ESSENTIAL TO OUR WAY OF LIVING," KRUG SAID.

REAL CONSERVATION CAN FIND NEW OR BETTER WAYS OF USING THE RICHES OF THE LAND AND SEA TO MEET THE WORLD'S NEEDS, HE SAID.

"REAL CONSERVATION CAN REMOVE ECONOMIC PRESSURES AND FEARS OF SCARCITY WHICH HAVE ALWAYS PLAYED A LARGE PART IN BRINGING ON WARS," KRUG DECLARED.

"THE PEOPLES OF THE WORLD WANT HELP IN TURNING THEIR BEST DREAMS INTO REALITY. THERE IS DEMAND EVERYWHERE FOR A FAIR CHANCE TO SHARE IN THE OPPORTUNITIES WHICH THE WORLD'S SCIENTISTS HAVE OPENED UP. PEOPLE IN THE REMOTEST HILLS AND DESERTS HAVE GLIMPSED THE POSSIBILITY OF SHIFTING SOME OF THEIR CENTURY-OLD BACK-BREAKING LABOR OVER TO THE MACHINES. THEY ARE FORMULATING THE GOALS OF A MUCH HIGHER STANDARD OF LIVING, OF BETTER EDUCATION FOR THEIR CHILDREN, OF A LIFE THAT CONTAINS SOME LEISURE, PLEASURE AND PROMISE.

"NONE OF US SHOULD UNDER-RATE THE FORCE OF THIS GREAT POPULAR LONGING. IT IS ONE OF THE MAJOR FACTS OF THIS CENTURY."

KRUG DECLARED THERE ARE DOZENS OF OPPORTUNITIES TO RAISE LIVING STANDARDS.

PEACETIME USE OF ATOMIC ENERGY IS ONE, AND BETTER USE OF THE SUN'S ENERGY IS ANOTHER, HE SAID. OTHERS ARE SYNTHETIC FUELS, NEW MATERIALS TO SUBSTITUTE FOR SCARCE ONES, BETTER METHODS OF AGRICULTURE TO SAVE SOIL, BETTER PLANTS, BETTER USE OF THE SEA TO SUPPLY FOOD, CHEMICALS AND MINERALS, TURNING SEA WATER TO FRESH FOR IRRIGATION, AND GREATER USE OF HYDRO-ELECTRIC POWER.

HE CAUTIONED THAT "SCIENCE MUST BE INDEPENDENT IF IT IS TO BE EFFECTIVE" HE WARNED, TOO THAT "WITHOUT A FAVORABLE ECONOMIC AND POLITICAL CLIMATE THERE CAN BE LITTLE SUCCESS IN BASIC RESOURCE DEVELOPMENT. IT WILL BE A DIFFICULT TASK TO HELP UNDEVELOPED NATIONS CREATE THAT CLIMATE."

THE THREE-WEEK MEETING IS THE FIRST WORLDWIDE CONFERENCE OF SCIENTISTS CALLED BY THE UNITED NATIONS.

WITH THIS MEETING, THE U.N. "IS EMBARKING ON A NEW PHASE OF ITS PROGRAM TO BUILD THE FOUNDATIONS FOR PERMANENT PEACE" SAID SECRETARY-GENERAL TRYGVE LIE.

"IT IS CALLING ON SCIENCE TO MOBILIZE TECHNICAL KNOWLEDGE IN SUPPORT OF ONE OF THE HIGH PURPOSES OF THE CHARTER -- TO RAISE THE STANDARDS OF LIVING. THIS IS ONE OF THE KEYS TO PEACE," LIE CONTINUED.

NIGHT LEAD HOFFMAN (280)

PARIS, AUG. 15-(AP)-PAUL G. HOFFMAN, MARSHALL PLAN ADMINISTRATOR, TOLD A NEWS CONFERENCE TODAY THAT DRASTIC CUTTING OF IMPORTS FROM THE U.S. WAS "PRECISELY THE WRONG WAY" FOR EUROPE TO CURE HER DOLLAR SHORTAGE.

HE ALSO DECLARED AUTOMOBILES ARE NOT THE KIND OF EXPORT

THAT CAN BE INCREASED TO THE UNITED STATES.

HOFFMAN, PRESIDENT OF THE STUDEBAKER CORPORATION BEFORE HE BECAME ADMINISTRATOR OF THE EUROPEAN RECOVERY PROGRAM, AVOIDED ANSWERING QUESTIONS WHICH INVITED DIRECT COMMENT ON ECONOMIC POLICIES OF THE BRITISH GOVERNMENT. HOWEVER, THE BRITISH GOVERNMENT HAS ANNOUNCED PLANS TO REDUCE BUYING IN AMERICA. IT ALSO HAS PUSHED AUTOMOBILE EXPORTS TO THE UNITED STATES. HOFFMAN IS ON A TOUR OF INSPECTION OF MARSHALL PLAN COUNTRIES.

AUG 17 1949

INSTEAD OF IMPORT CUTS HOFFMAN URGED EUROPEANS TO DOUBLE OR TRIPLE THEIR EXPORTS TO THE UNITED STATES.

"I KNOW OF NO OTHER CONSTRUCTIVE WAY TO CLOSE A DOLLAR DEFICIT THAN TO EARN A DOLLAR INCOME," HE SAID. "CERTAINLY TO CLOSE THAT GAP BY DRASTIC CURTAILMENT OF IMPORTS IS PRECISELY THE WRONG WAY TO DO IT. IT COULD ONLY MEAN A LOWER STANDARD OF LIVING FOR EUROPE."

POINTING OUT THAT EUROPE SOLD ONLY ABOUT $1,000,000,000 WORTH OF GOODS TO THE UNITED STATES LAST YEAR, HE SAID "IF THE RIGHT TYPE OF GOODS IS OFFERED AND MERCHANDISED THAT CAN BE DOUBLED OR TRIPLED IN THE NEXT FIVE YEARS."

COUNTING MONEY FROM AMERICAN TOURISTS, HE ADDED, EUROPE COULD EARN $4,000,000,000 FROM AMERICA EVERY YEAR.

HE SUGGESTED THAT EUROPEANS WORK "ON THE TYPE OF GOODS WHERE THE LABOR CONTENT IS HIGH" FOR EXPORT TO THE U.S.

"THE HIGH LEVEL OF WAGES IN THE U.S. DOES NOT ALLOW US TO MAKE ALL THE HANDICRAFT GOODS WE COULD USE," HE ADVISED.

THE ADMINISTRATOR SAID U.S. ARIFFS WERE ABOUT WHERE THEY WERE IN 1914 AND DENIED THEY WERE A MAJOR BARRIER TO EUROPEAN EXPORTS TO AMERICA.

FINLAND RUSHES TROOPS TO QUELL STRIKE VIOLENCE

Police, Workers Clash as Communists Launch 'New Offensive'

1 KILLED, 9 HURT

Government Charges Reds Attempting to Take Over Nation

HELSINKI, Finland, Aug. 18—(AP) Troops were called out today following the first outbreak of violence in a new communist strike offensive. A government official said the offensive is designed to make Finland into a communist state.

The first skirmish was in the lumbering town of Kemi, in northern Finland, on the gulf of Bothnia. Police and striking lumberjacks exchanged fire after up to 1,500 strikers smashed through police lines in an effort to attack workers who were reporting for duty at a timber-sorting dam.

Strikers Return Fire

Police, struggling to disperse the surging lumberjacks with blackjacks and teargas bombs, fired warnings, they said, into the air. The strikers retaliated with pistol fire.

Maj. Gen. Arne Blick, commanding officer of the First Finnish Infantry Regiment stationed at Oulu 60 miles south of Kemi, said one striker was killed and nine other persons, including three policemen, were injured. The general, who took 200 soldiers in trucks to Kemi, said the situation there is "well in hand" and no more incidents are expected.

Blick said that in addition to being wounded by rubber truncheons and sabers, some of the strikers were injured by stones thrown by their own comrades.

The government yesterday declared the Kemi strike illegal.

Observers expect the scene of the next phase in the tense strike situation to be Helsinki.

The outbreak at Kemi was the first violence in what the government describes as a nationwide strike offensive, the aim of which is "to create chaos in order to usurp power and establish a people's democracy (communist government) in Finland."

Unto Varjonen, minister without portfolio who termed this the aim of the strike action, said the government intends to "inflict a crushing defeat on the communists." Varjonen heads a cabinet board chosen to deal with strike threats.

Majority Anti-Red

A majority of Finland's trade union members are non-communists and some 200,000 of the 300,000 unionists may defy the strike call. A walkout of 100,000 members, however, could seriously upset the nation's economic life. Virtually all unions have announced strike actions within the next eight days, and some of them struck today.

Last night, the Social Democratic party, whose members comprise the present cabinet, issued a statement saying the whole country "stands guard against the communist attempt to create chaos."

The government newspaper Soumen Sosialidemokraati said it believed the communists were seeking to lead Finland down the same road as that taken by Czechoslovakia, where the communists seized power in a coup in February, 1948. The paper added it did not think the communists would succeed here.

Bakery workers, dockers and building construction workers went on strike this morning. Tobacco workers already were out, and lumber and forestry workers were scheduled to start a walkout tonight. The dock strike was complete in most ports.

These strikes were decided upon by communist-led unions after the devaluation of the Finnish mark early in June. Union leaders asked the trade union federation to take strong action toward increasing wages, but the federation replied such actions were forbidden by law. It also said the cost of living had decreased. The federation has threatened to expel from its membership those unions which abide by the communist strike calls.

Other Strikes Scheduled

Here is the schedule for other strikes: Aug. 20, woodworkers, including carpenters, plywood makers and match factory hands; Aug. 22, transport workers and plumbers at Turku, 90 miles west of Helsinki; Aug. 23, leather, shoe and rubber workers, and meat and fish processing workers; Aug. 24, textile workers; Aug. 26, sea divers; Aug. 27, bricklayers.

The strikes at Kemi began recently when lumberjacks left their jobs at the timber-sorting river dams and demanded higher wages. When the government ordered them back to work yesterday under a special law designed to cope with such situations, about 10 per cent of the men returned. The others stayed on strike.

The Finnish cabinet met several times today but kept silent on its plans. Premier Karl A. Fagerholm has been meeting with his colleagues since yesterday after cutting short a vacation abroad.

Finland's government has been under Russian fire for some time. Under Soviet pressures, such as constant attacks in the Moscow press, the communists have been pushing the government, apparently seeking weak spots.

Russia has a treaty of friendship and mutual defense with Finland. The Russians also maintain a base on Finninsh soil near Helsinki.

Suomen Sosialidemokraati said the absence of Finland's leading communist, Hertta Kuusinen-Leino, should be viewed in connection with the failure of a communist strike offensive in Finland last spring. The paper claims she is being brushed aside by the party leaders. Mrs. Kuusinen-Leino has been in Hungary since July and the communists say she is there for a "rest cure".

Reports from various parts of Finland showed there were about 45,000 workers on strike in the ports and building construction industries.

Because of the Bakers' strike, there was no fresh bread in Helsinski today. Residents of the capital city had to eat hardtack, a sort of dried, thin rye bread, or cracker.

Lumberjack Walkout First in Many Now Ordered by Communists.

BELIEVED AIMED AT NATION

Cabinet Officer Says Purpose Is New Soviet Regime—Defeat Promised by Government.

Helsinki, Aug. 18 (A. P.).—Policemen and striking lumberjacks exchanged fire today in the first skirmish of a new Communist strike offensive, which a Government official says is aimed at seizing power in Finland.

The exchange took place at Kemi, a lumbering town. Up to 1,500 strikers broke through police lines in an attempt to attack others reporting for work at a timber sorting dam.

The police fired in the air. Strikers answered with pistol shots. The strikers were dispersed. One striker was reported shot.

Troops, which had been standing by for an emergency at a town some sixty miles away, were called to the Kemi area. The Government yesterday declared the strike there illegal.

First Area of Offensive.

Kemi was the first arena of what the government describes as a countrywide strike offensive, aimed at creating chaos "in order to usurp power and establish a People's Democracy (Communist Government) in Finland."

Unto Varjonen, Minister without Portfolio, who heads a Cabinet board named to cope with strike threats, said the Government intended to "inflict a crushing defeat on the Communists."

Virtually all trade unions have announced strike actions for some time during the next eight days, and some struck today. However, a majority of trade union members are non-Communists and some 200,000 of the 300,000 unionists may defy the strike orders.

A strike of 100,000 trade union members, however, could seriously upset Finland's economic life.

The strikes began recently at Kemi, when lumberjacks left the timber sorting river dams in a demand for higher wages. The Government ordered them back yesterday, under a special law designed to deal with such situations. About 10 per cent of the men returned.

The dominant Social Democratic party, whose leaders make up the Cabinet, issued a statement last night saying the whole nation "stands guard against the Communist attempt to create chaos."

Bakery workers, building construction workers and dockers went on strike this morning, with the latter walkout complete in most ports. Tobacco workers already were out.

The strikes were decided upon by Communist-dominated unions after the Finnish mark was devalued early in July. Finland's Government has been under Russian fire for some time. The Russians have a Treaty of Friendship and Mutual Defense with Finland and also maintain a base on Finnish soil near Helsinki.

The Federation of Trade Unions threatened to expel from its membership those unions which followed the Communist directions in calling strikes.

Cites Czech Coup.

The Government newspaper Suomen Sosialidemokraati said it believed the Communists were trying to lead Finland down the same road as that taken by Czechoslovakia, where the Communist party seized power in a coup.

The newspaper said the absence of Hertta Kuusinen-Leino, Finland's leading Communist, who has been in Hungary since July, should be viewed in connection with the failure of a Communist strike offensive in Finland last spring. The paper said she is being brushed aside by the party leadership. The Communists say she is in Hungary for a "rest cure."

The Cabinet held several sessions today. Premier Karl A. Fagerholm had cut short a vacation abroad and has been meeting with his colleagues since yesterday.

REDS ATTEMPTING TO REGAIN VETO POWER IN BERLIN

BERLIN, Aug. 18 (AP) — Brig. Gen. Frank L. Howley, retiring U. S. commandant for Berlin, said tonight the Russians are trying to regain their veto power in the running of Berlin.

A four-hour session of the city's four military chiefs was held today, their third meeting since a Paris directive by the big four foreign ministers last June called for four-power meetings here. The directive was issued in an attempt to get things back to normal in Berlin.

Revive Kommandtura

Howley told a press conference later that the Russians are attempting to rivive the old allied Kommandatura (made up of the military commanders) which was set up soon after the war to govern Berlin. Many east-west clashes developed in the Kommandatura, frequently resulting in stalemates over important issues. As a result Kommandatura sessions became less frequent, and Russia formally withdrew from four-power rule July 1, 1948.

Since then the four occupation powers have been administering their respective sectors, with close cooperation among the three western areas.

Referring to four-power meetings since the Paris directive, Howley said:

Seek Veto Power

"The Russians are doing everything they can to set up machinery at these meetings which would turn us back into a Kommandatura. x x x The Russians want the Kommandatura so they can have the veto power that goes with it."

Howley, who presided at today's session, said he had turned down a Russian proposal calling for written documents when agreements are reached. He added:

"The minute we start signing documents on a four-power level, we are on our way back to 1945 and

all that went with it."

He said the Paris directive had called only for the views of the four military chiefs to be expressed and did not require even that minutes be kept until such views were unanimous.

Confuse People

Howley expressed belief the Russians want to convert the four-power meetings into a Kommandatura for another reason—to "confuse the people again, to give the appearance that the western allies are sharing responsibility for what the Russians are doing in the east zone and sector."

"They have a phoney currency and a stooge government," he added. "I am certainly not anxious to share the responsibility for what they are doing over there."

The western allies have turned down Russian proposals made at past meetings of the four commandants calling for unified control of such things as potato bugs and sewage disposal.

"There is no reason for us to step in," he said. "These 'ticky' little proposals are not going to normalize Berlin. And we have a west Berlin city government capable of dealing with such matters."

A. M. G. IN GERMANY TO END ON NOV. 15

Berlin, Aug. 18 (A. P.).—The United States Military Government will go out of existence in Germany on November 15, John J. McCloy announced today. Occupation questions thereafter will be decided by the State Department and McCloy, as high commissioner.

McCloy said the switch from military government to civilian supervision is being accomplished gradually. He confirmed reports that reduction in the number of occupation personnel "is required." McCloy assured military government employees, however, that he would hire as many of them as possible in the new setup.

State Department officials are setting up job classifications this week. Employees who qualify will shift to the high commissioner's pay roll effective October 1.

QUITS U. S. REICH POST

Berlin, Aug. 18 (A. P.).—Jo Fisher Freeman, finance director of the American Military Government, announced his resignation today. Freeman, in charge of the finance division for three and a half years, declined to say why he resigned.

A former resident of Tucson, Ariz., Freeman was for eight years adviser to the Central Bank of China in Shanghai. At the start of world war II, he was interned in the Philippines by the Japanese.

He and Mrs. Freeman will leave Berlin about September 20 and will take up residence at Balboa, Cal.

Europe-Wide Hunt Is Underway For Missing Rothschild Gems

FRANKFURT, Germany, Aug. 18—(AP) A Europe-wide hunt for the Rothschild jewels which disappeared during the Nazi occupation of France was reported underway today.

The hunt was organized by Guy and Edouard De Rothschild of the French branch of the famous banking family, said Dr. Robert Kempner of Lansdowne, Pa.

Rewards Offered

Kempner, former U. S. prosecutor in Nuernberg, said high rewards were promised to anybody returning any of the jewels. The Rothschilds have set up a three-man board including Kempner, French attorney Henri Monneray and a German lawyer, to assure just distribution of the rewards.

Herman Goering, Kempner said, allegedly arranged for the removal to Germany of 56 cases with hundreds of Rothschild pearls, emeralds, diamonds and other precious stones valued at more than $1,000,000.

Claim Reds Got Gems

The Rothschild gems later vanished in Germany. American authorities traced them to the Nazi office for supervision of foreign currencies in Berlin. Kempner said witnesses recently interrogated in Frankfurt claimed the Russians stole them when the Red army took the reich capital.

A document found after the interrogation proved this to be untrue, Kempner said. It showed that early in 1944 only 189 of the Rothschild jewels still were left in Berlin. Kempner said U. S. investigators suspect the jewels were partly embezzled by Nazi officials and partly officially disposed of by selling them to pawnshops.

A hunt through pawnshops in German, France and other countries now is in progress.

Many Austrian Women Declared In Russ Mines

Vienna, Aug. 18 (AP)—Thousands of Austrian women and girls, kept as prisoners of war by the Soviet Union, are still working in Russian mines, Oscar Helmer, interior minister, said today.

He said there are still 10,000 Austrians in Russian hands.

It is "most regrettable," Helmer said, "that the Soviet Union, who calls herself a Socialist state, has not followed the example of the capitalistic western countries, which released all Austrian prisoners soon after the end of the war."

British, Czechs Sign Fiscal Pact

LONDON, Aug. 18 (AP)—The Treasury announced that Britain and Czechoslovakia signed a three-year payments agreement in London today. The agreement, effective tomorrow, provides for settlement in pounds sterling of all trade payments between Czechoslovakia and the sterling area. This, British sources noted, will enable Czechoslovakia to spend in Britain her accumulated sterling earnings.

Europe's Rock-Bottom Needs

Paris, Aug. 18 (AP)—Europe's Marshall plan needs have been tentatively scaled down to a rock-bottom $3,621,600,000 for the year 1949-50, it was learned today.

Of this sum, Britain has been allotted $842,700,000—a reduction of $675,300,000 from its latest estimated dollar shortage.

The United States Senate and House of Representatives have appointed a committee to split the difference in the total amount of Marshal plan money they want to make available. The Senate has voted $3,778,000,000. The House is willing to make it $3,568,000,000.

Set By "Technical Screening"

Both European and American experts insist the new figure reached here is not the result of an adjustment in the bills in Congress. It was calculated, the experts say, by "squeezing the water" out of earlier bids, and by drastic "technical screening."

"Of course," one economist said, "we had the congressional figures in mind—but only subconsciously. We never took a total from Capitol Hill and then cut to that."

Other leading claimants to Marshall plan funds put up by the United States:

France, $692,000,000; Germany (three zones), $400,000,000 (approximate); Italy, $382,700,000; Netherlands, $257,000,000; Belgium, $200,000,000.

Report To European Unit

The figures were contained in a thick report submitted today to the council of the Organization for European Economic Co-operation. The council, OEEC's ruling body, will take it up tomorrow in what is expected to be a session devoted to speeches of protest from discontented delegates who think they should get more.

This includes just about all the nineteen areas except Switzerland, which gets no dollar aid, and the Anglo-American occupation zone of Trieste. In what one expert called "a bombshell in reverse," the Trieste representative — Henri Bardolin—today told the OEEC program committee that he was pleased with the $14,000,000 allotted.

French Franc Continues Its Downward Spiral

Paris, Aug. 18 (AP)—The French franc continued a two-week downward spiral today in trading in gold on the official market and foreign currencies on the black market.

The French Napoleon gold piece was quoted at 4,510 francs against 4,360 at yesterday's close. The Swiss Louis was at 4,380 against 4,270 yesterday.

On the black market the English pound moved above 1,000 francs for the first time in several weeks, being quoted at 1,010 today against 980 yesterday. The dollar varied between 386 and 394 today, compared to 380-387 yesterday.

Trading sources said they could ascribe no reasons for the changes in values except that some buyers apparently feel that the forthcoming monetary conferences in Washington may take some action to raise the price of gold.

The Greek Army's final losses in the Vitsi campaign were 206 killed, 296 wounded, and three missing, it was announced here. The guerrilla forces were reported to have lost 1,115 killed and 816 taken prisoner.

China Reds Regroup For Canton Drive

Communists May Proclaim New Government on October 10

SPENCER MOOSA

CANTON, China, Aug. 18—(AP) Political prophets in this Red-threatened nationalist capital predicted tonight that the communists would formally proclaim a government of China Oct. 10 and would get Russian recognition the same day.

(Unknown to Canton, supporting evidence for this forecast came independently from communist China.)

The war news was comparatively slack, but a Nationalist army spokesman said the Reds were stalled near Tayu, 170 miles northeast of Canton. Other official reports, however, said the communists were regrouping for a big drive due south down the railway, where they are about 290 miles from Canton.

Miao Islands Lost

The nationalists acknowledged loss of the Miao islands, whence they had blockaded the northern Red port of Tientsin. They claimed repulse of a Red amphibious attack on the Chusan island, a similar blockade base 100 miles south of Shanghai.

If the Reds can get ready in time, Oct. 10 is the logical date to proclaim a government. Known to every Chinese coolie as "Double Tenth"—the tenth day of the tenth month—it is China's independence day, anniversary of the 1911 revolution that overthrew the Manchus.

Some quarters believe that when the Reds proclaim a regime they will order withdrawal of all diplomatic personnel of countries which do not recognize it.

This might have been one of the factors that influenced American officials to decide to close shop in Canton before the Reds arrive.

The Russian embassy, like all other diplomatic missions, appears to be awaiting official Nationalist word on government transfer to a new seat—probably Chungking.

The question is whether the Russian embassy will accompany the government or sit in Canton and await arrival of the Reds. This may give a clue to Soviet intentions.

Reds Remain Aloof

The Russians in Canton remain rigorously aloof. Relations with the Nationalists are not good. The Nationalists see the Soviet Union as one of the prime architects of their disaster and lately have formally accused the Kremlin of violating the Sino-Soviet friendship treaty of 1945. Russia has not replied to this protest, which was based on the recent signing of a Russian-Manchurian trade pact.

The official Nationalist reaction to the American white paper on China called the Chinese Communists "thorough Marxists and tools of Moscow."

(From the communist side there came these indications that the Reds are getting ready to proclaim a government and that they have hopes of early Soviet recognition.

(Shanghai and Nanking papers quoted Mao Tze-Tung, communist chairman, as declaring Peiping would become the formal capital and would revert to its old name of Peking. The Nationalists renamed it Peiping—meaning northern peace—in 1928. Peking means northern capital.

Behind Timetable

[A Nanking dispatch said a conference to create a new government would begin in Peiping after the fall of Canton. It said the Communist armies had been ordered to take Canton by August 15, and—while well behind their timetable—were pressing hard.

[The Communist radio reported from Mukden that Kao Kang, chairman of the new Sino-Soviet Friendship Association and secretary of the Manchurian party central committee, declared:

["Victory in the war of liberation has cleared away the obstacles to the friendship between the Chinese and Soviet peoples, and at present there is no longer any power which can obstruct open, hand-in-hand co-operation between them.

["At a time when China is about to enter the period of systematic new democratic construction, the Chinese people stand in greater need of the help of world revolutionary forces—first and foremost the many-sided help of the Soviet Union."]

Canton, Friday, Aug. 19 (AP)—The United States Embassy announced today it was moving its staff to Hong Kong, the British crown colony.

The Embassy officers will commute daily to Canton, the refugee capital of Nationalist China, as long as the situation permits.

The American consulate general is closing this afternoon.

Jap Fishing Boat Reported Fired On

Tokyo, Aug. 18 (A. P.).—The newspaper Asahi said today that four Japanese fishermen from Hokkaido were left on the Russian-held island of Yuri after their craft was fired upon from the shore.

The four had gone ashore to ask directions after their vessel became lost in a fog. The fishing craft was fired upon before the four could return and the vessel put to sea hurriedly, the newspaper said.

Jap Loyalty Oath Imposed on Workers

Tokyo, Aug. 18 (A. P.).—Effective tomorrow, Japan's National Personnel Authority ruled today, all new Government employees must swear to support and protect the country's democratic constitution.

NEW ZEALAND ASKS FOR DOLLAR LOANS

Wellington, New Zealand, Aug. 18 (A. P.).—Finance Minister Walter Nash, presenting a budget tonight, said that the Government had inquired about dollar loans from Canada and the United States. He said loans were sought on reasonable terms to finance essential imports, particularly for capital purposes.

"Special measures will be taken to increase exports to the United States and Canada and to insure we obtain the benefit of dollars from such exports," he added.

He announced an increase of 5 shillings weekly from June 1 this year in war pensions. The shilling is valued at 16 cents.

Social Security benefits, including payments to widows, invalids and the aged, will now be 50 shillings weekly. This would lift New Zealand's Social Security expenditure to more than £46,000,000 (about $147,200,000) a year.

FILIPINOS CHEER QUIRINO

President Declares Mission to U. S. Was Successful

MANILA, Aug. 18 (AP)—President Elpidio Quirino was greeted by 100,000 cheering Filipinos today upon his arrival by plane from the United States. Mr. Quirino spent twelve days in the United States where he conferred with President Truman.

"I am happy that I have been able to place our cards on the table face up in discussions with Washington," he said at the airport. "President Truman's deep interest in the welfare, happiness and security of our people should be deeply imbedded in every Filipino heart and soul.

"You cannot put a dollar sign to the wealth of friendship that one nation has for another. My mission must have been successful. I honestly believe it has been."

PANAMA, Panama, Aug. 18 (AP)—The U. S. Caribbean Air Command headquarters said today sixty-nine of eighty-four jet pilots of the Twenty-third Fighter Group, based in the Canal Zone, had been ordered to the United States.

A headquarters spokesman said no explanation for the transfer had been received. He said the pilots ordered home would be assigned to other jet organizations and added that the Canal area will be left with only "normal support aircraft."

Southern Rhodesia To Cut Imports

Johannesburg, Aug. 18 (A. P.).—Southern Rhodesia has decided to impose a further 25 per cent cut in dollar purchases and limit expenditures to $10,000,000 for year ending next June.

AMENDMENT SETS TIME LIMIT ON ENTIRE PROJECT

June 30 Deadline to Allow 'Second Look' Before Increasing Funds

GOES TO SENATE

Proposals to Supply China, Southern Asia Are Turned Down

WASHINGTON, Aug. 18—(AP) The House tonight approved an $869,505,000 program of arming foreign nations after dealing the administration a blow by halving the fund sought for European countries.

The vote on final passage was 283-182.

The members slashed $580,495,000 from the program designed to strengthen non-communist nations against Russian aggression.

The entire cut was made in the funds sought for western European members of the North Atlantic Security Treaty.

The bill now goes to the Senate.

Sets Time Limit

The cut, contained in an amendment by Rep. Richards (D-SC), also limited the whole rearmament undertaken to next June 30, whereas Mr. Truman planned it for two years.

The amendment was adopted by a topheavy 209 to 151 rollcall vote.

Administration leaders appealed in vain for the full $1,450,000,000 plan as presented by the President. It had been urged as the smallest amount needed to build up the nations in the shadow of Russia's military machine in a hurry and forestall any Soviet ideas of overrunning Europe.

But backers of the Richards amendment accepted it as a way of taking a "second look" next spring to make sure the European nations were cooperating for mutual defense before setting up any more money.

In the Senate, hearings on the program continued today before the combined Senate Foreign Relations and Armed Services committees.

The Richards amendment made no changes in the $211,370,000 military aid requested for Greece and Turkey, and $27,640,000 for Iran, Korea and the Philippines.

Must Use U. S. Ships

The only other major change in the bill requires that half the supplies sent abroad must be shipped in United States vessels and at prevailing shipping rates. It was adopted by voice vote.

The amendment was offered by Rep. Bonner (D-NC), who said its purpose was to guarantee that not all the shipping went to foreign merchant vessels because of lower shipping and labor rates.

The House defeated amendments to furnish arms to Nationalist China and Southern Asia, to prohibit the use of U. S. troops for non-combatant duty abroad, to require the President to give preference in furnishing supplies to business firms in areas having severe unemployment, and to prohibit the assignment of U. S. troops to other nations for any purpose.

Many northern Democrats on whom the administration had counted for support voted for the Richards amendment to cut the western European fund southerners split, while most Republicans backed the cut.

Before final passage, the House shouted down a motion by Rep. Jackson (R-Calif) to send the bill back to the Foreign Affairs committee.

The vote on the fund slashing Richards amendment went this way: for, 71 Democrats, 137 Republicans, one American-Laborite.

Against, 143 Democrats, 8 Republicans.

Rollcall Confirms Vote

The Richards amendment first was adopted by a teller vote 173 to 137 in which members are counted anonymously. It was confirmed later by the rollcall vote.

After the vote to chop the program, the possibility remained that the House might still approve almost as much as President Truman asked by adding $505,150,000 in contract authority. But this forlorn hope proved fruitless.

The House refused to add the contract authority by standing vote of 123 to 73. It was proposed in an amendment of the foreign affairs committee which had voted to split the amount Mr. Truman asked for Atlantic Pact nations between cash and contract authority.

(Contract authority means that administrators of the program could sign contracts for the delivery of the arms and congress would be obligated to put up the cash later.)

In their so-far successful move to trim the arms program in half, Richards and his supporters contended that the European treaty partners must show their willingness to work together in a mutual defense program, forgetting "ancient jealousies and rivalries." If they do, then Congress can put up the rest of the funds next year, Richards said.

Acheson Hits Delay

Before the vote, Secretary of State Acheson sent a letter to the House contending that the Europeans already have shown their determination to work together on defense planning by signing the Atlantic Treaty. To delay strengthening these treaty partners, he said, might make them and the Russians doubt our sincerity.

Speaker Sam Rayburn of Texas made one of his infrequent pleas to the House in the administration's strenuous fight to stem the drift to the Richards amendment.

"I am not speaking for Europe, or for England," he said. "I speak for the United States of America because I want a battlefield somewhere else in the world instead of within the borders of America."

He said it is a funny thing that those who "speak the loudest" against communism "are found wanting when we want to do something about it."

But when Rayburn finished, the teller vote found a substantial number of southern and northern Democrats marching along with the majority of Republicans for the Richards amendment. Some Republicans joined the Democrats against it.

Military Backed Bill

The amendment was the climax to a wave of concern which had welled up in the House as soon as the program was made public. In Foreign Affairs committee hearings, members repeatedly quizzed witnesses on the degree of cooperation to be expected between European nations if they got arms from the United States.

Acheson and military leaders contended that evidence of intention to cooperate was ample, and that the funds were the minimum needed to strengthen the European partners against possible aggression.

But Richards argued that the U. S. ought to say to the Europeans: "We are ready now to go half way with you. If you will go half way with us, then we can go the rest of the way together."

After final action in the House, scheduled for tomorrow, the bill goes to the Senate where strong efforts are under way to put restrictions on the program or cut it.

PROBERS RELEASE SECRET TESTIMONY OF GEN. VAUGHAN

Hoey Denies Withholding Data Favorable to Truman's Aide

EUROPE TRIP CITED

Maragon Tried to 'Smuggle' Perfume Into U. S., Report Shows

WASHINGTON, Aug. 18—(AP) The perfume company which paid for Maj. Gen. Harry H. Vaughan's deep freezers got permission to fly John Maragon to Europe in 1945, a time when travel was difficult for a business man.

And on his return trip, said William P. Rogers, counsel for the Senate Investigating subcommittee, Maragon tried to bring in perfume essence disguised as "four bottles of champagne."

"It looks to me on the surface," said Rogers, "as though they caught Maragon red-handed smuggling the stuff in, and there was no prosecution."

These allegations were made public late today, when Senators, smarting under a comment by President Truman that they had been unfair to Vaughan, released testimony they had heard Monday.

Mr. Truman had called on the public to suspend judgment on Vaughan, his military aide and a friend of 31 years standing, until the general had a chance to tell his side of the story.

Denies Truman Charge

The President also had said that the committee had withheld testimony favorable to Vaughan. This brought a denial from Chairman Hoey (D-NC) and a decision by his group to release the testimony.

The testimony showed that Maragon—a former Kansas City bootblack and a longtime friend of Vaughan's—and two associates made the trip on a military transport plane.

Harry Hoffman, a Milwaukee advertising man who went along, said that Maragon made the arrangements for the trip.

Hoffman said his agency handles the advertising account of the Albert J. Verley Perfume company, Chicago. Its president is David Bennett.

Vaughan, in a statement last Saturday, said that the seven freezers had been given him by "two old friends of mine—Mr. Harry Hoffman and Mr. David Bennett."

This was in 1945, he said.

Hoffman had told him, Vaughan said, that the freezers were experimental models, and had no commercial value. Vaughan kept one of the freezers, and had the others sent to friends, including high officials. One wound up in the "Little White House" in Independence, Mo.

Other highlights of the secret testimony:

Hoffman Visits Vaughan

1. Hoffman said that last Sunday, the day before he testified before the committee, he visited Vaughan at the White House.

In reply to a question from Senator McCarthy (R-Wis), Hoffman said:

"I dropped in at the White House yesterday afternoon. Was with Vaughan for about an hour. Yes, sir."

"Was he at all interested in what you were going to testify today?"

"Obviously," said Hoffman.

2. Vaughan had said that Hoffman had told him that the freezers were factory rejects, but Albert J. Gross, Milwaukee manufacturer who assembled them, told the subcommittee:

"We had no such animal."

Rogers asked Hoffman:

"There was never any discussion between yourself and General Vaughan that these were rejected models or experimental models or anything like that, was there?"

Hoffman: No, although—

Senator Mundt (R-SD)—You are not trying to convey the idea that Mr. Bennett (David Bennett, president of the perfume Co.) was just giving some second-hand junk to the summer White House, were you?

Senator Mundt (R-SD) tried to connect thet freezer gifts with the arrangements which Maragon made for the trip.

Business men at that time were being denied the right to go abroad, Mundt said, and added:

"Somebody had to sort of grease the skids if you were going to be among the selected few who went, and General Vaughan had demonstrated himself to be a pretty good skid-greaser—."

Didn't Suggest Gifts

Hoffman said he didn't suggest the gift of the freezers; that it had been Bennett's idea.

He said that Bennett always has been a free spender.

Said Hoffman:

"I think you should know something about Mr. Bennett, perhaps. You see, I have worked for him since 1933. He has always been a very healthy man, a very prosperous man. He has always had big cars and chauffeurs, and big apartments.

"He has had yachts, and he has always had an extremely profitable business, and he is one of these people, one of these fellows to whom gifts like that just do not mean anything. Money was spent very freely.

"He sent these freezers without the knowledge of the people who received them, and I am sure that in most cases they probably were completely surprised to get them, but he just wanted to do it."

Senator O'Conor (D-Md) asked Hoffman if any "consideration" was received by him or Bennett "in exchange for having those freezers shipped."

Never Asked Favors

"No sir," Hoffman replied, "Mr. Bennett never to my knowledge asked any favors or had me ask any favors from anybody at the White House."

A report of the custom officer who examined Maragon's baggage was read into the record.

"When the passenger submitted his baggage," the report said, "the inspector noticed that one package was addressed to a Miss Truman and one addressed to Mr. George Drescher, White House, Washington, D. C."

(Drescher was a secret service man detailed to the White House at that time.)

The examiner, the report continued, "interrogated the passenger concerning the ownership content (SIC) of these packages, and was informed by the passenger that they were gifts by the embassy."

Commented Rogers:

"We have not been able to get what happened from this point on, but there was no prosecution of the case, and there was no confiscation of property.

"The law says the property is supposed to be confiscated."

Senator McCarthy (R-Wis), who since has demanded that Vaughan be fired as veterans' coordinator, then said that at the time Maragon was subject to "very severe penalties" the perfume company arranged to send "very valuable gifts" to Vaughan.

"I cannot speak for Mr. Bennett," Hoffman said, "except to say this: that he would never have countenanced John Maragon's doing anything like that. To my knowledge he never asked John to do anything shady, underhanded or unscrupulous."

Hoffman said Bennett didn't know about the champagne-perfume incident until about a year later.

Hoffman said this was Bennett's reaction when he learned of the episode:

"The damned fool! The stuff could have come in duty free anyway."

INDIA GETS LOAN FROM WORLD BANK

Washington, Aug. 18 (A. P.).—The World Bank today granted a $34,000,000 credit to India, marking its first loan to any country in Asia.

Eugene R. Black, president of the World Bank, said the fund will be used to finance part of the purchase price of railway locomotives, boilers and parts—expected to be obtained largely in this country and Canada—for reconstruction and development of railways owned and operated by the Indian Government.

The $34,000,000 loan, however, is but the "first phase" of dealings with India which likely will bring another $41,000,000 in loans to that country in the "immediate future," Black said.

The Indian loan is for a fifteen-year term and carries 3 per cent a year interest plus a 1 per cent commission for the bank's special reserve fund against losses, as is usual in World Bank loans.

FISHING PACTS RATIFIED

Senate Approves 3 Agreements on Atlantic and Pacific

WASHINGTON, Aug. 18 (AP) — The United States has ratified three international agreements covering fishing. The Senate unanimously approved the three conventions yesterday.

The main agreement deals with northwest Atlantic fisheries. The United States and eleven other countries signed it here last Feb. 8. The other countries were: Canada, Denmark, France, Iceland, Italy, Newfoundland, Norway, Portugal, Spain, Great Britain and Northern Ireland.

It is aimed primarily at cooperative action to provide information about fisheries in the northwest Atlantic, and maintain a maximum, sustained yield of fish. Its work will be carried out by an international commission.

Also approved were conventions signed by the United States May 31 with Mexico and Costa Rica. An inter-American tropical tuna commission, under the agreement, will make scientific investigation of tuna fisheries of the eastern Pacific. The aim will be to determine conservation measures.

SCIENTISTS RAP LOYALTY CHECKS FOR AEC WORKERS

WASHINGTON, Aug. 18—(AP) The world's largest general organization of scientists today assailed President Truman's "loyalty order" affecting federal employes as "basically objectionable."

The same organization, the American Association for the Advancement of Science (AAAS) also strongly criticized the "security clearance" programs of the National Military Establishment (NME) and the Atomic Energy Commission (AEC) as they affect scientists.

In a report published in the association's weekly journal "Science", the AAAS noted that Mr. Truman's loyalty order provides that no person shall be employed in a federal post "if he is believed to be disloyal" to the U. S. government.

"No one doubts the importance of faithful discharge of duty by public officials," the report said. "No one questions the propriety of the government's demanding that its employes be loyal to their jobs and to the democratic institutions they serve.

"The loyalty order is, however, basically objectionable because it seeks to determine the employe's loyalty by inquiring into his supposed thoughts and attitudes, which are established in large part by imputing to him the beliefs of his associates."

"If the loyalty order is to be retained," the statement said, "a drastic revision is essential. Instead of focusing on an employe's associations, it should focus on his behavior in overt acts. Legislation already on the statute books amply protects the federal service against retention of employes who advocate overthrow of the government."

The association said the NME's program allowed appeal only to military "tribunal" when a civilian scientist's clearance is disapproved by the NME, and it added:

Contrary to U. S. Tradition

"Such subjection of the destinies of civilians to military tribunals is contrary to national tradition."

Of the AEC's program, the AAAS declared that "work in that (atomic energy) field will be shunned by men of ability and pride if they are constantly treated as objects of suspicion and possible calumny."

The statements were contained in a report drafted by the AAAS's "Special Committee on Civil Liberties of Scientists." Secretary Howard Meyerhoff of the association told a reporter the report has been ratified by the governing council of the organization, representing 24,000 members in 211 affiliated scientific organizations.

The report said the Atomic Commission "has recently manifested a tendency to require security clearance not only for those scientists who themselves have access to restricted data, but also for their fellow scientists with whom they may have personal contact."

"This apparently reflects a yielding to uninformed or sensationalist legislators and others who tend to exaggerate the problem of 'keeping our atomic secrets,'" the report said.

Says Secrecy Damaging

"So far as disclosures of evidence reveal, the problem of faithless scientific personnel in this country appears to be markedly less grave than the public has been led to suppose x x x."

In another phase of its report, the committee asserted "secrecy is damaging to both science and democracy" and added that it endorsed the 1947 report of President Truman's Scientific Research Board which said in part:

"xxx Security regulations xxx should be applied only when strictly necessary and then limited to specific instruments, machines or processes. They should not attempt to cover basis principles of fundamental knowledge."

House Gets Bill to Keep Mrs. Kasenkina in U. S.

WASHINGTON, Aug. 18 (AP).—Legislation was introduced in the House today to make sure that Mrs Oksana Kasenkina, who escaped Russian clutches by jumping out a window, can stay in this country.

Representative Frederick R. Coudert jr., Republican, of New York, sponsored a bill that would say Mrs. Kasenkina was admitted to this country lawfully for permanent residence. Actually she came here from Russia in 1946 on a temporary permit to teach in a school for children of Soviet diplomats.

The fifty-three-year-old woman turned against the Russians, but was seized and held prisoner in the Soviet Consulate in New York. She leaped from a consulate window and spent months in a hospital. Mr. Coudert said in a statement that the government has granted her political asylum but a future change in State Department policy could bring about deportation. So he introduced his bill to guarantee that couldn't happen. Mr. Coudert said Mrs. Kasenkina hopes to become an American citizen.

HE HAS A COUNTRY NOW

Pole Is Allowed to Stay in U. S. Under Bill Truman Signs

WASHINGTON, Aug. 18 (AP)—President Truman today signed the Celler bill permitting Samuel Fadden, a man without a country, to make the United States his home.

Mr. Fadden, a New York importer, fled the Nazi invasion of Poland, came to the United States from Palestine, found himself unable to get a permit to re-enter Palestine and said he is a known anti-Communist who would not dare to return to Poland.

The President also signed a bill halting deportation proceedings against Louis Esposito of New York, who was convicted in 1939 of participation in a narcotics-smuggling conspiracy.

He signed another permitting John J. Boyle, a Canadian who served a term for stealing a letter from the mails in Regina, Sask., to enter the United States. Boyle wants to live in Ithaca, N. Y.

ANTI-RED DIPLOMAT SEEKS U. S. REFUGE

Washington, Aug. 18 (A. P.).—The United States is expected to grant political refuge to the former Polish Consul-General in Montreal, who was reported yesterday to have resigned with a blast of criticism at his country's Communist Government.

The diplomat is Tadeusz J. Rakowski, one-time high official in the Foreign Office at Warsaw and a personal friend of Arthur Bliss Lane, the former Ambassador to Poland.

W. C. T. U. Sees Yalta Drinking Costly to U. S.

Says Americans Got Vodka, Russians Surreptitiously Drank Water at Parleys

PHILADELPHIA, Aug. 18 (AP).—The head of the national Woman's Christian Temperance Union charged today "drinking by United States officials at the Yalta and Potsdam conferences was greatly responsible for concessions made to the Soviets during the talks."

Mrs. D. Leigh Colvin declared in her annual address at the opening of the group's seventy-fifth convention:

"American representatives wondered at the conferences how the Russians could consume such large quantities of vodka and keep sober, when it had such an intoxicating effect upon the Americans."

"But," she continued, "we have learned since that Stalin and the Soviets outwit the representatives of other nations by plying them with vodka while the Russians drink water from vodka bottles."

Mrs. Colvin called for a unification of the nation's dry forces to overthrow liquor traffic and "wrest the nation from the grip of the organized, politically entrenched, financially powerful and ruthless liquor industry."

She declared more than a third of the adults in the United States would vote for prohibition if given the chance.

"This convention is called," Mrs. Colvin said, "to rally the Christian men and women of today to a new crusade to rescue our children and the children of tomorrow from the greatest evil that any nation ever legalized and permitted to destroy its citizens."

The W. C. T. U. delegates approved a three-day pilgrimage to Cleveland, where the group was founded seventy-five years ago. The pilgrimage is set for Nov. 18, 19 and 20.

PLANE EXPERT DENIES REPORT

Says He Didn't Renegotiate Pact For Symington Firm

Los Angeles, Aug. 18 (AP)—A retired Air Force colonel denied today that he acquired an $85,000 house after favorably renegotiating a wartime contract for the private electrical concern of W. Stuart Symington, Secretary of the Air Force.

The subject was injected into a hearing of the House armed forces subcommittee investigating the B-36 bomber development program. The committee, headed by Representative Melvin Price (D., Ill.) concluded hearings here and is flying to San Francisco to question General H. H. Arnold, retired Air Force chief, tomorrow.

Joseph B. Keenan, committee counsel, called as a witness Franklin C. Wolfe, Beverly Hills, Cal. He is an Air Force armament expert who retired November 1, 1944, after 20 years service.

Cites Anonymous Document

Keenan said an anonymous document in the committee's hands alleged that a turret contract with Symington's Emerson Electric Company, St. Louis, was renegotiated by Colonel Wolfe whereby rework on defective turrets was paid for by the Government instead of the company. Keenan said the documents also stated that Colonel Wolfe now lives in an $85,000 house.

Colonel Wolfe replied he had nothing to do with renegotiation of the Emerson Electric contract which was done before Symington became air secretary. Wolfe said, however, that after he retired he was employed as an armament consultant by Emerson Electric, earning $15,000 to $20,000 thereby between November 1944 and September 1945.

Denies Owning House Now

He said he also was consultant for other concerns but received nothing from any of them before he left the service.

The house in Beverly Hills, he said, actually is a four-unit apartment building worth about $35,000. He said he owned it for a short time by trading a San Diego county ranch but then traded back and does not own it now although he rents a $50-a-month apartment in it.

U. N. PURGE IS PROPOSED

K. of C. Asks Ouster of Nations That Attack Religious Heads

PORTLAND, Ore., Aug. 18 (AP)—The Knights of Columbus proposed today at its national convention that Iron Curtain countries that have attacked religious leaders be purged from the United Nations.

The Roman Catholic lay organization mentioned no country by name, but condemned the "brutal totalitarian regime responsible for the detention of Archbishop Beran, and the torture and imprisonment of Cardinal Mindszenty and Archbishop Stepinac."

The resolutions called upon the United States representatives in the United Nations to "take all steps available to them to bring about the condemnation of these crimes against human rights, and to purge the United Nations of their perpetrators."

In another resolution, the organization demanded the internationalization of Jerusalem, to assure "free access to the sacred shrines."

JUDGE THREATENS TO JAIL EDITOR OF DAILY WORKER

NEW YORK, Aug. 18—(AP) An angry defense demand for mistrial and a threat by the judge to jail a witness for not answering questions punctuated the communist conspiracy trial today.

The mistrial motion, like many previous ones, was denied. The jailing threat was lifted by a change in the line of questioning.

The defense demanded a mistrial as Federal Judge Harold R. Medina sustained a long series of government objections to defense questioning of the witness, Alan Max. Max is managing editor of the

Daily Worker, communist paper.

A. J. Isserman, one of the lawyers for 11 accused communist leaders, asked the judge if objections by U. S. Attorney John F. McGohey resulted from "the form of the questions."

Judge Cracks Down

"I have nothing further to say," replied the judge, who has often said he will not permit questions which do not pertain to trial issues. Medina added:

"It takes you lawyers about two months to realize I'm going to do exactly what I say I'm going to do."

"Now you better go on to something else. That's what other lawyers have to do and that is what communists' lawyers have to do too," the judge added.

Two other defense attorneys joined Isserman in a protest.

To them, as to some spectators in the coutrroom, it sounded as if Judge Medina said 'communist lawyers."

Harry Sacher, defense counsel, protested "Your Honor's remark is so profoundly prejudiced that there cannot be a fair trial."

The judge asked if Sacher was making a motion.

Sacher said he was stating "grounds for a motion for mistrial."

Denies Motion

"Motion denied," Judge Medina replied swiftly.

Max, in one of his few replies entered into the record, testified that during Daily Worker staff meetings nobody talked of violent overthrow of the government.

The 11 communist leaders are charged with conspiring to advocate violent overthrow of the U. S. government.

Earlier, Judge Medina threatened to jail Max if he did not answer questions about the identity of persons who attended the staff meetings.

Max had named some persons in attendance, but refused to identify others for the prosecution.

The judge called a recess after threatening to jail the witness.

When court resumed he granted a defense request to change the line of questioning.

Not National Organ

Max also testified he had never heard any of the defendants teach or advocate overthrowing the government. He added he never heard anything by them which advocated it, either.

Under cross-examination, Max denied the Daily Worker is the official organ of the communist party.

McGohey read him a report by John B. Williamson, one of the defendants, which said the newspaper was "our central organ."

"Do you disagree with that?" McGohey asked.

"I do," Max replied.

Max was asked if the National Board of the Communist party delegated any authority through the editor to the editorial board of the paper.

"The paper makes its own decisions, carries on its own work and has no authority delegated to it," Max replied.

McGohey then read from the Williamson article:

"Delegation of authority of the National Board is through the editor and executive committee of the paper to the editorial board."

ROME, AUG. 18-(AP)-THE PRO-COMMUNIST NEWSPAPER IL PAESE SAID TODAY ITALIAN COMMUNISTS WHO CONSIDER THEMSELVES CUT OFF FROM THE ROMAN CATHOLIC CHURCH BY THE EXCOMMUNICATION DECREE OF THE VATICAN MAY TAKE THE LEAD IN FORMING A NEW CHURCH.

THE NEWSPAPER CARRIED A FRONT PAGE EDITORIAL WHICH SAID THE HOLY YEAR --1950 -- COULD BE THE SETTING FOR "AN UNFORESEEN DEVELOPMENT OF RELIGIOUS SPIRIT."

"IF PONTIFICAL HOSTILITY SHOULD CONTINUE X X X MILLIONS AND MILLIONS OF BELIEVERS MAY LEAVE THE RANKS OF THE FAITHFUL AND TURN THEMSELVES TOWARD NEW ALTARS," THE EDITORIAL SAID.

"AND, AS WE ITALIANS ALWAYS HAVE BEEN PIONEERS -- UNFORTUNATE BUT PIONEERS -- IT WOULD NOT BE OUTSIDE LOGIC TO BELIEVE THAT FROM ITALY, THE CRADLE OF SO MANY SPIRITUAL IDEAS, A DECISIVE IMPULSE COULD ARISE TO ASSEMBLE AND UNITE TRENDS ALREADY EXISTING IN VARIOUS COUNTRIES."

THE MARXIST-LENINIST COMMUNISM OF MODERN EUROPE IS, IN ITSELF, ANTI-RELIGIOUS. HOWEVER, COMMUNISTS HAVE ATTEMPTED AT VARIOUS TIMES IN THE COUNTRIES THEY DOMINATE TO FORM A CHURCH SUBSERVIENT TO THE STATE RATHER THAN TO ANY SPIRITUAL AUTHORITY. THIS IS THE COMMUNIST APPROACH TO THE PROBLEM OF SATISFYING THE NEED OF EUROPE'S INSTINCTIVELY DEVOUT MASSES FOR RELIGION. THE ROMAN CATHOLIC CHURCH IS ANATHEMA TO COMMUNISTS BECAUSE IT INVOLVES UNSWERVING ALLEGIANCE TO A POWER WHICH CONSIDERS ITSELF ABOVE GOVERNMENTS.

IN ITALY THE COMMUNISTS ARE STRONG, ALTHOUGH AT THE PRESENT THEY ARE NOT REPRESENTED IN THE GOVERNMENT. FORMATION OF A CHURCH IN OPPOSITION TO THE VATICAN WOULD BE ONE MEANS OF DRIVING A WEDGE INTO THE STRENGTH OF THE CHURCH IN CATHOLIC ITALY.

IL PAESE'S EDITORIAL CONCLUDED: "AS MEN ARE NATURALLY DRIVEN TO PRAY TOGETHER, IT IS POSSIBLE THAT THE RELIGIOUS SPIRIT OF THE MASSES MAY TAKE SHELTER UNDER THE NAVES OF OTHER CHURCHES WHERE CHRIST, THE FIRST APOSTLE OF THE PEOPLE, IS VENERATED WITH MORE AUSTERITY."

BERLIN, AUG. 18-(AP)-THE RUSSIANS -- CHARGED BY THE ALLIES WITH MISTREATMENT OF GERMAN PRISONERS OF WAR -- CAME UP TODAY WITH WHAT THEY CALLED AN EYE-WITNESS ACCOUNT OF STARVATION AND DEATH IN AMERICAN PRISONER CAMPS.

THE SOVIET ARMY NEWSPAPER IN BERLIN, TAEGLISCHE RUNDSCHAU, DESCRIBED ITS WITNESS AS ONE HANS OHL, FORMERLY OF THE GERMAN ARMY. IT QUOTED HIM AS SAYING "ABOUT 120,000 GERMAN SOLDIERS DIED IN THE LARGE PRISONER-OF-WAR CAMPS OF THE AMERICANS IN THE RHINELAND AFTER THE WAR."

A U.S. ARMY SPOKESMAN IN FRANKFURT DESCRIBED THE STORY AS FANTASTIC, ADDING: "CONSIDERING THE SOURCE, THERE IS NO NEED FOR FURTHER COMMENT." GERMANS WHO HAVE BEEN IN AMERICAN PRISONER OF WAR CAMPS USUALLY LAUD THE TREATMENT AND FOOD.

THE STORY WAS STRIKINGLY SIMILAR TO SEVERAL RECENT ONES IN THE WESTERN GERMAN PRESS WHICH HAD QUOTED PRISONERS FREED FROM SOVIET-OPERATED CAMPS.

OHL WAS QUOTED AS SAYING HE WAS IN THE AMERICAN-OPERATED KREUZNACH CAMP IN THE RHINELAND AFTER THE WAR. THE STORY SAID THE PRISONERS "FOR MONTHS WERE EXPOSED TO ALL THE ROUGHNESS OF THE WEATHER WITHOUT A ROOF OVER THEIR HEADS AND HAD TO LIE HALF STARVED AND SICK IN THE OPEN." IT SAID THE GERMANS WERE SUBJECTED TO TINY RATIONS AND NUMEROUS CRUELTIES.

THE NEWSPAPER CONCLUDED THE STORY THUS: "ALWAYS REMEMBER THIS IF SOMEBODY TRIES TO TELL US THE AMERICANS WANTED ONLY THE BEST FOR THE GERMANS AND WERE THEIR FRIENDS IN DISTRESS."

PRAGUE, AUG 18-(AP)-CZECHOSLOVAKIA'S COMMUNISTS TODAY WERE WAGING A BIG-SCALE PROPAGANDA CAMPAIGN URGING THE YUGOSLAV PEOPLE TO REVOLT AND "DESTROY TITO'S CRIMINAL REGIME."

THE CAMPAIGN ALSO HAD THE APPARENT KINDRED AIM OF STIRRING UP THE CZECH PEOPLE AGAINST THE FORMER COMINFORM ALLY.

THE DRIVE WAS FEATURED BY THE PASSING OF RESOLUTIONS AMONG WORKERS IN CZECHOSLOVAK FACTORIES AND BY PROCLAMATIONS ISSUED BY YUGOSLAV EMIGREE GROUPS RESIDENT IN THIS COUNTRY.

IT WAS SUPPORTED BY THE ENTIRE PRAGUE PRESS, WHICH MADE TITO ITS NO. 1. PROPAGANDA TARGET.

THE RESOLUTION OF WORKERS IN THE SVOBODA PRINTING HOUSE, WHICH PRINTS RUDE PRAVO, ORGAN OF THE CZECH COMMUNIST PARTY, SAID:

"YUGOSLAV BROTHERS AND COMRADES, BRAVELY AHEAD TO DESTROY TITO'S AND (MINISTER OF INTERIOR ALEXANDER) RANKOVIC'S CRIMINAL REGIME. BRAVELY AHEAD FOR THE VICTORY OF SOCIALISM IN YUGOSLAVIA."

THE RESOLTUION OF YUGOSLAV EMIGREES HERE THANKED THE CZECH COMMUNIST PARTY AND TRADE UNIONS FOR THEIR SUPPORT AND ADDED: "WE PLEDGE OUR UTMOST EFFORTS TO LIBERATE OUR NATION AS SOON AS POSSIBLE FROM THE HANGMEN TITO AND RANKOVIC."

WITH WASHINGTON YUGOSLAV (A22)

BELGRADE, YUGOSLAVIA, AUG 18-(AP)-A SPECIAL COMMISSION OF THE WORLD BANK ARRIVED BY TRAIN LAST NIGHT FOR AN ON-THE-SPOT INQUIRY INTO YUGOSLAVIA'S REQUEST FOR A BIG LOAN TO HELP COMBAT THE COMINFORM ECONOMIC BLOCKADE.

THE COMMISSION IS HEADED BY A.S.G. HOAR, ASSISTANT DIRECTOR OF THE BANK'S DEPARTMENT FOR LOANS. THE GROUP PROBABLY WILL REMAIN HERE SEVERAL WEEKS STUDYING A PRIORITY LIST OF YUGOSLAVIA'S NEEDS BEFORE RETURNING TO WASHINGTON WITH RECOMMENDATIONS.

ONE WAY OR ANOTHER, THE OUTCOME OF THIS STUDY WILL HAVE A PROFOUND EFFECT UPON YUGOSLAVIA, HEMMED IN BY COMMUNIST NEIGHBORS WHO ARE INTENT UPON STRANGLING HER ECONOMICALLY BECAUSE OF HER DEFIANCE OF MOSCOW.

PREMIER-MARSHAL TITO IS WAGING AN INDEPENDENT BATTLE AGAINST THE COMINFORM (COMMUNIST INTERNATIONAL INFORMATION BUREAU). IN A SPEECH AT POLA LAST MONTH, HE SAID YUGOSLAVIA WOULD USE A WORLD BANK LOAN NOT FOR TANKS AND GUNS BUT FOR MACHINERY TO RECONSTRUCT THE NATION'S ECONOMY.

NO OFFICIAL FIGURES HAVE BEEN MADE PUBLIC ON HOW MUCH YUGOSLAVIA IS SEEKING. UNOFFICIALLY THE LONG-RANGE FIGURE HAS BEEN PLACED IN THE NEIGHBORHOOD OF $280,000,000, WITH THE MORE IMMEDIATE NEEDS ADDING UP TO ABOUT $53,000,000.

THE COMMISSION WAS MET AT THE RAILWAY STATION BY A DELEGATION OF THE YUGOSLAV FINANCE MINISTRY.

THE PROPAGANDA WAR BETWEEN YUGOSLAVIA AND HER NEIGHBORS CONTINUED.

THE OFFICIAL YUGOSLAV COMMUNIST NEWSPAPER BORBA REPORTED THE ACTING CHIEF CZECHOSLOVAK COUNCILLOR AT ZAGREB, YUGOSLAVIA'S SECOND CITY, WOULD BE EXPELLED ON CHARGES OF MISUSING HIS DIPLOMATIC MISSION.

NIGHT LEAD LOAN (350)

BY ALEX SINGLETON

BELGRADE, YUGOSLAVIA, AUG. 18-(AP)-A SPECIAL WORLD BANK INVESTIGATING COMMISSION SERVED NOTICE TODAY THAT ITS RECOMMENDATIONS ON YUGOSLAVIA'S REQUEST FOR A MULTI-MILLION-DOLLAR LOAN WILL BE BASED ON THE BALKAN COUNTRY'S FULL "PRACTICAL AND PRODUCTIVE POSSIBILITIES."

THE STATEMENT CAME FROM A.S.G. HOAR, CHIEF OF THE DELEGATION AND ASSISTANT LOAN DIRECTOR OF THE INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT. HE SPOKE AT A NEWS CONFERENCE LESS THAN A DAY AFTER THE COMMISSION'S ARRIVAL IN BELGRADE.

ALTHOUGH NO OFFICIAL FIGURES HAVE BEEN RELEASED, PREMIER MARSHAL TITO'S GOVERNMENT HAS BEEN REPORTED SEEKING ABOUT $280,000,000 (M) OVER A LONG-RANGE PERIOD, AND ABOUT $50,000,000 MORE IMMEDIATELY TO REBUILD THE COUNTRY'S ECONOMY AND COMBAT THE COMINFORM'S ECONOMIC SQUEEZE.

HOAR MADE IT PLAIN YUGOSLAVIA'S REQUEST WILL GET A THOROUGH STUDY BOTH HERE IN BELGRADE GOVERNMENT OFFICES AND DURING AN ON-THE-SPOT SURVEY OF SUCH PROJECTS AS MINES AND LUMBER MILLS, BEFORE THE COMMISSION LEAVES IN ABOUT SIX WEEKS.

IT APPEARED EVIDENT AT THE OUTSET OF THE COMMISSION'S INQUIRIES THAT THE LOAN ITSELF, IN TERMS OF DELIVERED GOODS, WILL NOT MATERIALIZE FOR ABOUT SIX MONTHS. THIS IS ORDINARY PRACTICE WHEN THE WORLD BANK DEALS WITH LOAN APPLICATIONS.

THE PROSPECTS OF A LOAN SHOULD STRENGTHEN TITO'S HAND IN DOMESTIC AFFAIRS AND IN DEALING WITH HIS EASTERN EUROPEAN NEIGHBORS WHO HAVE TRIED UNSUCCESSFULLY TO OUST HIM FOR THE PAST 14 MONTHS.

ONE FACTOR WHICH STANDS OUT IN YUGOSLAVIA'S FAVOR IS THAT IT WAS ONE OF THE COUNTRIES WHICH JOINED THE BANK AT ITS INCEPTION.

HOAR SAID THE BANK "DOES NOT REGARD ITS RELATIONS WITH ITS MEMBERS AS LIMITED TO THE CONCLUSION OF A SINGLE LOAN."

THIS STRENGTHENS THE CONVICTION IN SOME QUARTERS HERE THAT THE BANK WILL START OFF A LOAN PROGRAM WITH A COMPARATIVELY SMALL GRANT TO FINANCE PROJECTS REQUIRING IMMEDIATE AID.

SAID THE COMMISSION HOPED TO SEE DURING ITS STAY HERE "THE TANGIBLE RESULTS OF THE GREAT EFFORT YOUR PEOPLE HAVE MADE TO REBUILD THEIR WAR-TORN ECONOMY AND TO DEVELOP THE RICH MATERIAL AND HUMAN RESOURCES OF "YUGOSLAVIA."

YUGOSLAV

BY JOHN SCALI

WASHINGTON, AUG.18-(AP)-MARSHAL TITO OF YUGOSLAVIA PICKED UP NEW REINFORCEMENTS TO CARRY ON HIS FIGHT WITH MOSCOW TODAY WITH ASSURANCE FROM THE UNITED STATES THAT HE CAN BUY AN AMERICAN STEEL MILL.

AFTER MONTHS OF CONSIDERATION, THE ADMINISTRATION GRANTED THE YUGOSLAV GOVERNMENT AN EXPORT LICENSE WHICH IT NEEDED BEFORE PLACING THE ORDER FOR THE PLANT.

THE AMERICAN DECISION REPRESENTS THE STRONGEST AND RISKIEST MOVE TAKEN BY THE AMERICAN GOVERNMENT TO HELP THE YUGOSLAV DICTATOR SINCE HE SPLIT WITH MOSCOW NEARLY 14 MONTHS AGO.

IT ALSO SETTLED A LONG-STANDING ARGUMENT BETWEEN THE NATIONAL DEFENSE AND STATE DEPARTMENTS ON WHETHER SHIPMENT OF A STEEL MILL TO YUGOSLAVIA WOULD ENDANGER AMERICAN SECURITY. DEFENSE OFFICIALS HAD FROWNED ON THE IDEA.

THE DECISION TO GO AHEAD FORESHADOWED POSSIBLE APPROVAL OF A LOAN TO YUGOSLAVIA FROM THE WORLD BANK, WHERE THE UNITED STATES HAS A DOMINANT VOICE.

GOVERNMENT OFFICIALS WHO DISCLOSED THE APPROVAL OF THE YUGOSLAV PLANT REQUEST TO A REPORTER SAID IT WAS INTENDED TO HELP COMBAT THE TIGHTENING RUSSIAN-DIRECTED ECONOMIC BLOCKADE OF YUGOSLAVIA.

SHIPMENT OF THE STEEL MILL, VALUED AT $3,000,000 (M), WOULD MARK THE FIRST TIME SINCE THE WAR THAT THE UNITED STATES HAS DELIBERATELY SENT "WAR POTENTIAL" MATERIAL TO A COMMUNIST-RUN NATION.

POLAND AND CZECHOSLOVAKIA HAVE BEEN CLAMORING FOR AMERICAN MACHINERY AND EQUIPMENT FOR THE PAST YEAR. THE UNITED STATES HAS FLATLY REFUSED TO HEED THEIR APPEALS FOR FEAR SUCH STRATEGIC MATERIALS MIGHT BE USED FOR WAR PURPOSES.

OFFICIALS FAMILIAR WITH THE FACTS GAVE THIS ACCOUNT OF THE BEHIND-THE-SCENE ARGUMENT WITHIN THE ADMINISTRATION HIGH COMMAND THAT LED AT LAST TO THE FAVORABLE DECISION FOR YUGOSLAVIA.

SECRETARY OF STATE ACHESON STRONGLY SUPPORTED THE YUGOSLAV PLEA ON THE GROUND THAT THE PLANT IS VITALLY NEEDED TO PREVENT YUGOSLAVIA'S RECOVERY PROGRAM FROM COLLAPSING AND POSSIBLY CAUSING MARSHAL TITO'S DOWNFALL.

ACHESON ARGUED THAT THE PLANT, A BLOOMING AND SLABBING MILL, WOULD NOT INCREASE YUGOSLAVIA'S STEEL MAKING CAPACITY TO ANY GREAT EXTENT BUT WOULD AID IT IN REFINING AND PROCESSING STEEL INGOTS TURNED OUT BY THE BLAST FURNACES YUGOSLAVIA ALREADY HAS.

A23WX

ACHESON ACKNOWLEDGED THAT THERE WAS ALWAYS A CHANCE TITO MIGHT RECONCILE WITH MOSCOW AND THUS MAKE THE PLANT AVAILABLE TO RUSSIA. HE INSISTED THIS WAS A CALCULATED RISK THE ADMINISTRATION HAD TO TAKE AS PART OF ITS WORLD WIDE CAMPAIGN TO STOP SOVIET EXPANSION.

SECRETARY OF DEFENSE JOHNSON, ON THE BASIS OF FIGURES FURNISHED BY HIS DEPARTMENT, MAINTAINED THE STEEL MILL WOULD GREATLY INCREASE YUGOSLAVIA'S WAR STRENGTH AND THUS WAS A BAD RISK TO AMERICAN SECURITY.

JOHNSON ARGUED THAT IF YUGOSLAVIA WANTED FINISHED STEEL IT COULD BUY IT FROM AMERICAN COMPANIES WHICH SOON WOULD HAVE A SURPLUS. A BLOOMING MILL, HE CONTINUED, COULD EVENTUALLY BE USED TO MAKE BETTER STEEL FOR YUGOSLAV GUNS AND TANKS AS WELL AS RAILS AND STRUCTURAL STEEL--THE PURPOSES FOR WHICH THE YUGOSLAV GOVERNMENT REQUESTED IT.

JOHNSON AND ACHESON AGREED TO REVIEW THEIR FIGURES AND THEIR ARGUMENT ALONG WITH OTHER KEY GOVERNMENT AGENCIES INCLUDING THE NATIONAL

AUG 19 1949

SECURITIES RESOURCES BOARD AND THE ATOMIC ENERGY COMMISSION.

AFTER SEVERAL WEEKS OF ADDITIONAL TALKS, JOHNSON DROPPED HIS OBJECTIONS WITH THE PROVISO THAT THE DECISION BE REVIEWED ONE YEAR LATER JUST BEFORE SHIPMENT IN THE LIGHT OF CONDITIONS EXISTING IN THE WORLD AT THAT TIME.

ACHESON AGREED. EXPORT LICENSES ISSUED BY THE COMMERCE DEPARTMENT ARE SUBJECT TO AMENDMENT OR SUSPENSION ANY TIME PRIOR TO SHIPMENT, ANYHOW.

THE PLANT IS TO BE BUILT BY THE CONTINENTAL FOUNDRY AND MACHINERY CO., IN PITTSBURGH. THE DELIVERY IS SCHEDULED ONE YEAR AFTER THE COMPANY BEGINS WORK ON THE ORDER. IN PITTSBURGH, WILLIAM B. TODD, AN OFFICIAL OF THE COMPANY, SAID WORK ON THE MILL ALREADY HAS STARTED.

GOVERNMENT OFFICIALS DECLINED TO DISCLOSE THE PAYMENT PROVISION BUT INDICATED THE YUGOSLAV GOVERNMENT IS PAYING CASH IN DOLLARS OR MAKING A SUBSTANTIAL DOWNPAYMENT.

THESE OFFICIALS SAID RUSSIA AND HER SATELLITE COUNTRIES CAN BE EXPECTED TO UNLEASH NEW DENUNCIATIONS OF MARSHAL TITO AND HIS GOVERNMENT ONCE THEY LEARN OF THE EVENT. THE ARGUMENT WILL BE THAT THIS PROVES YUGOSLAVIA IS NOW TIED TO THE WESTERN NATIONS PERMANENTLY.

VH357AED

WASHINGTON,AUG 18-(AP)-THE ECONOMIC COOPERATION ADMINISTRATION TONIGHT ANNOUNCED FORMATION OF A PROGRAM TO INCREASE EUROPEAN INDUSTRIAL PRODUCTION THROUGH AN EXCHANGE OF KNOW-HOW BETWEEN OVERSEAS COUNTRIES PARTICIPATING IN THE MARSHALL PLAN.

THE RECOVERY AGENCY SAID THE PROJECT PARALLELS ITS CURRENT TECHNICAL ASSISTANCE PROGRAM UNDER WHICH EUROPEAN TECHNICIANS ARE STUDYING AMERICAN PRODUCTION OPERATIONS IN THIS COUNTRY. AN OFFICIAL STATEMENT SAID THAT THE INTRA-EUROPEAN SWAPPING OF PRODUCTIVE TECHNIQUES IS EXPECTED TO BOLSTER RECOVERY EFFORTS.

IT WAS ANNOUNCED MEANWHILE THAT 39 REPRESENTATIVES OF GREAT BRITAIN'S COTTON TEXTILE INDUSTRY WILL VISIT THE UNITED STATES EARLY IN OCTOBER.

WASHINGTON, AUG.18-(AP)-THE UNITED STATES IS EXPECTED TO GRANT POLITICAL REFUGE TO THE FORMER POLISH CONSUL GENERAL IN MONTREAL, WHO WAS REPORTED YESTERDAY TO HAVE RESIGNED WITH A BLAST OF CRITICISM AT HIS COUNTRY'S COMMUNIST GOVERNMENT.

THE DIPLOMAT IS TADEUSZ J.RAKOWSKI, ONE-TIME HIGH OFFICIAL IN THE FOREIGN OFFICE AT WARSAW AND A PERSONAL FRIEND OF ARTHUR BLISS LANE, THE FORMER AMBASSADOR TO POLAND.

LANE, SAYING HE ACTED AT RAKOWSKI'S REQUEST, RELEASED A STATEMENT IN WHICH RAKOWSKI ANNOUNCED HE HAD SUBMITTED HIS RESIGNATION AND SAID THAT HE WAS ASKING FOR "THE PRIVILEGE OF POLITICAL ASYLUM" IN THE UNITED STATES.

SUCH REQUESTS ARE CUSTOMARILY GRANTED. RAKOWSKI APPEARED PERSONALLY BEFORE JUSTICE DEPARTMENT OFFICIALS YESTERDAY TO FILE HIS PLEA AND LANE ASKED THE COOPERATION OF THE STATE DEPARTMENT.

RAKOWSKI PLANS TO WRITE HIS EXPERIENCES, DEALING MAINLY WITH IS OBSERVATION OF THE CLOSE TIES WHICH HE SAID EXIST BETWEEN WARSAW AND MOSCOW. HE INTENDS TO LIVE IN LOS ANGELES.

A CATHOLIC WHO DISAPPROVES OF THE ATTACKS OF EASTERN EUROPE'S COMMUNIST GOVERNMENTS ON THE CATHOLIC CHURCH, RAKOWSKI ALSO DESCRIBES HIMSELF AS A POLE WHO COULD NOT ACCEPT THE "ACTIVITIES OF THE PRESENT COMMUNISTIC GOVERNMENT OF POLAND."

THAT GOVERNMENT, HE DECLARED, "DOES NOT ACT FOR THE GOOD OF THE COUNTRY BUT IN THE INTERESTS OF AND ACCORDING TO DIRECTIVES RECEIVED FROM A FOREIGN POWER--RUSSIA."

HE SAID HE DOES NOT INTEND TO RETURN HOME UNTIL IT IS POSSIBLE "TO CREAT A TRULY DEMOCRATIC GOVERNMENT IN POLAND."

RAKOWSKI'S WIFE AND DAUGHTER ARE WITH HIM IN THIS COUNTRY.

BEFORE TAKING THE MONTREAL ASSIGNMENT IN OCTOBER, 1947, RAKOWSKI WAS PRIVATE SECRETARY TO THE POLISH FOREIGN MINISTER. IT WAS AT THAT TIME THAT HE BECAME ACQUAINTED WITH LANE.

WASHINGTON, AUG.18-(AP)-TWO INVESTIGATORS OF THE UN-AMERICAN ACTIVITIES COMMITTEE HAVE SLIPPED OUT OF WASHINGTON TO TRY TO BUILD A PERJURY CASE AGAINST THE "SCIENTIST X" ACCUSED OF WARTIME ATOMIC SPYING.

REP.VELDE (R-ILL), A COMMITTEE MEMBER, FORECAST THE SCIENTIST EVENTUALLY WILL BE BROUGHT TO TRIAL ON STRONG PERJURY CHARGES.

THE SCIENTIST WORKED DURING THE WAR AT THE RADIATION LABORATORY AT THE UNIVERSITY OF CALIFORNIA AT BERKELEY, WHICH DID SOME OF THE SUPER-SECRET WORK ON THE ATOMIC BOMB.

THE COMMITTEE NEVER HAS NAMED HIM, ALTHOUGH HE HAS FIGURED REPEATEDLY IN ITS SPY HEARINGS. AND LAST MONDAY IT REPEATED IN A PUBLISHED DOCUMENT THAT LATE ONE NIGHT IN MARCH, 1943, SCIENTIST X GAVE A COMPLICATED FORMULA TO COMMUNIST LEADER STEVE NELSON.

THE COMMITTEE SAID THE SCIENTIST X CASE WAS A "POSITIVE CASE OF SOVIET ESPIONAGE," THAT IT WAS ONE OF THREE ATTEMPTS OF A COMMUNIST CELL IN THE RADIATION LABORATORY TO GET INFORMATION ON ATOMIC DEVELOPMENT FOR THE SOVIET GOVERNMENT.

THE COMMITTEE HAS CALLED NELSON AN OUTRIGHT RED ESPIONAGE AGENT. NELSON NOW IS A COMMUNIST PARTY ORGANIZER FOR WESTERN PENNSYLVANIA.

SCIENTIST X, THE COMMITTEE SAID, HAS DENIED IN SECRET SESSION THAT HE EVER HAD KNOWN NELSON OR MRS.NELSON OR THAT HE EVER HAD GIVEN ANY UNAUTHORIZED PERSON A FORMULA OR OTHER SECRET INFORMATION.

"THIS," THE COMMITTEE SAID, "IS IN DIRECT CONFLICT WITH INFORMATION IN THE POSSESSION OF THE COMMITTEE."

NOW, VELDE SAID, INVESTIGATORS ARE TRACKING DOWN EVIDENCE TO SUPPORT THAT STATEMENT. HE SAID THEY ARE TRYING TO FIND OTHER ATOMIC EXPERTS WHO WERE STATIONED AT THE BERKELEY LABORATORY WHO WILL BE ABLE TO TESTIFY THAT SCIENTIST X DID KNOW THE NELSONS.

"THE JUSTICE DEPARTMENT," HE SAID, "HAS THE NAMES OF SEVERAL PERSONS WHO SAW NELSON AND SCIENTIST X TOGETHER."

VELDE ONCE WORKED ON THE SCIENTIST X CASE AS AN FBI AGENT. NOW, HE SAID, CHAIRMAN WOODS (D-GA) OF THE UN-AMERICAN ACTIVITIES COMMITTEE HAS NAMED HIM A ONE-MAN SUBCOMMITTEE TO WORK ON IT AGAIN.

(400) NIGHT LEAD TRUMAN ROUNDUP

BY D.HAROLD OLIVER

WASHINGTON,AUG 18-(AP)-PRESIDENT TRUMAN TODAY TARTLY CRITICIZED SENATE FIVE PERCENTER INVESTIGATORS FOR ALLOWING LEAKS FROM THEIR CLOSED SESSIONS.

AT THE SAME TIME HE ASKED THE PRESS "IN COMMON FAIRNESS" TO SUSPEND JUDGMENT ON MAJ.GEN.HARRY H.VAUGHAN, HIS MILITARY AIDE, UNTIL HE HAS STATED HIS CASE BEFORE THE SENATE GROUP.

VAUGHAN'S NAME HAS BOBBED UP FREQUENTLY IN THE INVESTIGATION. WITNESSES HAVE TESTIFIED THAT HE USED PRESSURE TO HELP HIS FRIENDS REPRESENTING PRIVATE CLIENTS DOING BUSINESS WITH THE GOVERNMENT.

THE PRESIDENT SAID AT HIS NEWS CONFERENCE THAT MOST SESSIONS OF THE SENATE COMMITTEE HAVE BEEN BEHIND CLOSED DOORS, PARTICULARLY WHEN TESTIMONY HAS BEEN FRIENDLY TO VAUGHAN. HE ADDED THAT REPORTERS CAN BE SURE THAT VAUGHAN WILL MAKE A FULL STATEMENT IN OPEN SESSION. HE PREDICTED THAT WILL BE A FIELD DAY FOR THEM.

WHEN THE INTERVIEW FINALLY TURNED TO OTHER MATTERS, THE PRESIDENT SAID HE WOULD NOT OBJECT TO A TAX CUT NEXT YEAR IF CONGRESS FOUND A SOURCE OF REVENUE TO KEEP THE GOVERNMENT RUNNING. HE SAID 80 PER CENT OF THE BUDGET IS FOR FIXED CHARGES AND THE GOVERNMENT MUST HAVE FUNDS TO MEET THESE. THIS CAME IN RESPONSE TO AN INQUIRY WHETHER HE WOULD GIVE HIS BLESSING TO A REDUCTION OF INCOME TAXES AND REMOVAL OF EXCISES AS A REPORTER SAID SENATOR GEORGE (D-GA) HAS SUGGESTED.

ON THE SUBJECT OF POLITICS, THE PRESIDENT SAID THE DEMOCRATIC NATIONAL COMMITTEE HAS CONTROL OVER ITS OWN MEMBERS AND IT IS MADE UP OF DEMOCRATS. A REPORTER HAD ASKED HIM TO COMMENT ON AN ANNOUNCEMENT BY THE COMMITTEE THAT CERTAIN STATES' RIGHTS SOUTHERN MEMBERS WOULD BE BARRED FROM NEXT WEEK'S MEETING CALLED TO NAME A NEW NATIONAL CHAIRMAN.

OTHER REMARKS BY THE PRESIDENT:

1. SECRETARY OF AGRICULTURE BRANNAN IS TOURING THE COUNTRY IN BEHALF OF HIS FARM PLAN AT HIS (THE PRESIDENT'S) SUGGESTION, BUT WILL BE AVAILABLE HERE WHEN NEEDED. A NEWSMAN HAD ASKED WHY BRANNAN SHOULD BE STUMPING THE COUNTRY AND NOT KEPT ON THE JOB HERE.

2. BECAUSE CONGRESS DID NOT APPROPRIATE SUFFICIENT ENFORCEMENT MONEY, THE GOVERNMENT IS LIFTING RENT CONTROLS IN ONE-THIRD OF THE AREAS STILL UNDER CEILINGS. TIGHE WOODS, HOUSING EXPEDITER, SAID IN CLEVELAND LAST NIGHT THIS WOULD BE DONE BY OCT. 1.

A208WX

3. HE HAS NO INTENTION OF REPLACING REAR ADMIRAL R.H.HILLENKOETTER AS CHAIRMAN OF THE CENTRAL INTELLIGENCE AGENCY.

4. THE GOVERNMENT'S DECISION TO PERMIT YUGOSLAVIA TO BUY MATERIALS HERE FOR A STEEL MILL HAD HIS APPROVAL. HE SAID THE STEP WAS RECOMMENDED BY THE NATIONAL SECURITY COUNCIL.

5. THERE WAS NO BAD NEWS IN A REPORT HE RECEIVED FROM AMERICAN AMBASSADOR KIRK ON THE LATTER'S CALL ON MARSHAL STALIN IN MOSCOW. THE PRESIDENT SAID THIS WAS THE USUAL CALL ON A HEAD OF STATE BY A NEW AMBASSADOR AND WOULD NOT COMMENT FURTHER. HE MADE THE NO BAD NEWS REMARK WHEN ASKED IF KIRK REPORTED ANY GOOD NEWS.

(350) NIGHT LEAD YUGOSLAV-STEEL

WASHINGTON,AUG 18-(AP)-PRESIDENT TRUMAN DISCLOSED TODAY THAT HE PERSONALLY GAVE THE ORDERS THAT MATERIALS FOR A STEEL MILL BE MADE AVAILABLE TO YUGOSLAVIA.

THE MOVE, PART OF THE COLD WAR, IS DESIGNED TO STRENGTHEN THE HAND OF MARSHAL TITO, COMMUNIST LEADER OF YUGOSLAVIA, WHO HAS BEEN THE TARGET OF INCREASING RUSSIAN PRESSURE SINCE HE BROKE WITH MOSCOW.

THE PRESIDENT TOLD A NEWS CONFERENCE HE GAVE THE FINAL OK FOR THE STEEL MILL DEAL AFTER THE NATIONAL SECURITY COUNCIL HAD REVIEWED IT.

THE NATIONAL SECURITY COUNCIL IS MADE UP OF THE SECRETARIES OF STATE, NATIONAL DEFENSE, ARMY, NAVY, AND AIR FORCE, AND THE HEAD OF THE NATIONAL SECURITY RESOURCES BOARD.

THE MILL, A $3,000,000 BLOOMING AND SLABBING PLANT, WAS REQUESTED ABOUT SIX MONTHS AGO BY THE YUGOSLAVS TO HELP MANUFACTURE CRITICALLY-NEEDED RAILS AND STRUCTURAL STEEL.

IN REVEALING HIS ROLE IN THE YUGOSLAV DECISION, THE PRESIDENT MADE NO MENTION OF A LONG ARGUMENT BETWEEN SECRETARY OF STATE ACHESON AND SECRETARY OF DEFENSE JOHNSON THAT PRECEDED THE DECISION TO GRANT AN EXPORT LICENSE.

TOP GOVERNMENT OFFICIALS FAMILIAR WITH THE BACKGROUND TOLD A REPORTER, HOWEVER, THAT JOHNSON AT FIRST STRONGLY OPPOSED THE SALE ON THE GROUND THAT A STEEL MILL WOULD ADD TO YUGOSLAVIA'S WAR MAKING POWER AND THUS IMPERIL UNITED STATES SECURITY.

ACHESON COUNTERED THIS BY ARGUING THAT IT WAS A "CALCULATED RISK" THE ADMINISTRATION HAD TO TAKE TO KEEP THE REBELLIOUS TITO IN POWER AND ENCOURAGE OTHER EASTERN EUROPEANS TO FOLLOW HIS EXAMPLE.

JOHNSON FINALLY YIELDED BUT ONLY AFTER GETTING AN UNDERSTANDING THAT THE DECISION WOULD BE REVIEWED JUST BEFORE SHIPMENT IN THE LIGHT OF THE SITUATION IN YUGOSLAVIA THEN.

THE CONTINENTAL FOUNDRY AND MACHINERY CO., OF PITTSBURGH ALREADY HAS STARTED WORK TO MANUFACTURE THE PLANT AND EXPECTS TO HAVE IT READY FOR EXPORT WITHIN 12 MONTHS.

IN THE HOUSE TODAY, REP.LAWRENCE H.SMITH (R-WIS) PROTESTED THE ADMINISTRATION'S DECISION, CALLING IT THE PRELUDE TO "THE RECOGNITION OF COMMUNISM IN RED CHINA."

"THIS IS THE SAME TITO," HE SAID, "WHO A FEW YEARS AGO WAS TAKING POT SHOTS AT OUR PLANES. AND WHO'S BEEN CAUSING THE TROUBLE IN GREECE UNTIL QUITE RECENTLY? IT'S MR.TITO.

"THIS IS MERELY A PRELUDE, A TRIAL BALLOON ON THE PART OF THE STATE DEPARTMENT, TO RECOGNITION OF COMMUNISM IN RED CHINA."

HE RAISED THE QUESTION WHETHER TITO IS PLAYING A "COME-ON GAME."

"HE (TITO) CAN CHANGE HIS MIND TOMORROW JUST AS WELL AS HE DID YESTERDAY," SMITH SAID.

WASHINGTON,AUG 18-(AP)-THE STATE DEPARTMENT SAID TODAY THAT GEN. DOUGLAS MACARTHUR IS GOING AHEAD WITH PLANS TO ALLOW THE JAPANESE LIMITED CONTACT WITH OTHER COUNTRIES.

PRESS OFFICER LINCOLN WHITE SAID THE UNITED STATES HAD PROPOSED SUCH A MOVE THREE MONTHS AGO TO THE FAR EASTERN COMMISSION, 11-NATION GROUP WHICH MAKES ALLIED POLICY FOR JAPAN. NOTHING HAS BEEN DONE BY THE COMMISSION.

MACARTHUR, AS SUPREME COMMANDER IS PUTTING THE POLICY INTO EFFECT ANYHOW, WHITE SAID, SINCE THERE IS NOTHING TO BAR HIM FROM DOING IT UNDER PREVIOUS FEC DECISIONS.

WHITE SAID MACARTHUR HAS THE AUTHORITY TO AUTHORIZE THE ESTABLISHMENT OF JAPANESE CONSULAR FACILITIES AND TO PERMIT THE JAPANESE TO ATTEND INTERNATIONAL CONFERENCES AND TO CONCLUDE BI-LATERAL AGREEMENTS.

"ALMOST FOUR YEARS AFTER THE WAR IT IS OBVIOUS THAT INCREASED PARTICIPATION BY JAPAN IN INTERNATIONAL RELATIONSHIPS WOULD BE A MEASURABLE STEP TOWARD FOSTERING THE GROWTH OF A DEMOCRATIC AND PEACEFUL JAPAN," WHITE SAID.

HE EMPHASIZED, HOWEVER, THAT EACH GOVERNMENT HAS THE RIGHT TO DETERMINE WHETHER TO ACCEPT JAPANESE RELATIONS OR TO PERMIT JAPANESE TO ENTER ITS COUNTRY.

AN OFFICIAL OF THE FAR EASTERN COMMISSION SAID THE U.S. PROPOSALS WERE RECEIVED IN JUNE BUT THAT NO ACTION HAD BEEN TAKEN ON THEM.

THIS OFFICIAL SAID THE PROPOSALS "VIRTUALLY AMOUNT TO AUTHORIZATION OF RELATIONS WITH JAPAN WHICH NORMALLY EXIST ONLY WHEN A TREATY OF PEACE AND FRIENDSHIP EXISTS BETWEEN NATIONS."

"THE FACT THAT THE COMMISSION HAS NOT YET DISCUSSED THE PROPOSALS MAY BE INDICATIVE OF THE COMMISSION'S ATTITUDE TOWARD THEM," HE ADDED.

WASHINGTON,AUG 18-(AP)-SENATOR KNOWLAND (R-CALIF) PROPOSED IN THE SENATE TODAY THAT GEN.DOUGLAS MACATHUR OR SOME OTHER MEMBER OF THE MILITARY HIGH COMMAND BE SENT TO CHINA TO REPORT TO CONGRESS ON CONDITIONS THERE.

HE NOTED THAT SECRETARY OF STATE ACHESON HAD TAKEN THE POSITION THAT THERE IS NO POINT IN ATTEMPTING TO EXTEND FURTHER AID TO NATIONALIST CHINA AT THIS TIME.

KNOWLAND URGED THAT GENERAL MACARTHUR, GEN.OMAR BRADLEY, CHAIRMAN OF THE JOINT CHIEFS OF STAFF, GEN.LAWTON COLLINS, ARMY CHIEF OF STAFF, OR LT.GEN.ALBERT C.WEDEMEYER BE DISPATCHED FOR A SURVEY.

DISPLACED PERSONS (300)

WASHINGTON,AUG 18-(AP)-SENATOR MCCARRAN (D-NEV) DENIED ANEW TODAY THAT THE EXISTING LAW FOR ADMISSION OF 205,000 DISPLACED PERSONS FROM EUROPE DISCRIMINATES AGAINST JEWS OR ROMAN CATHOLICS.

MCCARRAN, CHAIRMAN OF THE SENATE JUDICIARY COMMITTEE, DISPUTED FOR A SECOND CONSECUTIVE DAY CONTENTIONS BY REP.CELLER (D-NY), CHAIRMAN OF THE HOUSE JUDICIARY COMMITTEE, THAT MAJOR REVISIONS ARE NEEDED IN THE ACT FOR ADMISSION OF THE EUROPEAN WAR REFUGEES.

BUT THE DISPUTE TODAY WAS GOOD-NATURED IN CONTRAST TO A BRISTLING EXCHANGE YESTERDAY BETWEEN THE TWO VETERAN LAWMAKERS.

CELLER, WITH THE BACKING OF PRESIDENT TRUMAN, HAS WON HOUSE PASSAGE OF A BILL THAT WOULD INCREASE THE QUOTA OF DISPLACED PERSONS TO 339,000 AND REMOVE A NUMBER OF RESTRICTIONS THAT CELLER AND OTHERS CONTEND KEEP OUT MANY ELIGIBLE JEWS AND CATHOLICS.

CELLER SAID PRESIDENT TRUMAN HAD TOLD HIM THE UNITED STATES HAD AGREED TO TAKE 400,000 DISPLACED PERSONS. HE SAID THE 205,000 NOW ELIGIBLE WERE "A PIDDLING AMOUNT."

THE HOUSE CHAIRMAN QUOTED DATA ON THE NUMBERS OF CATHOLIC, JEWS AND OTHER CERTIFIED FOR ADMISSION AND SAID LARGE NUMBERS OF JEWS AND CATHOLICS ARE BEING EXCLUDED.

"I CAN'T SEE HOW YOU CAN SAY WE ARE DISCRIMINATING," MCCARRAN, WHO IS A ROMAN CATHOLIC, SAID. "WOULD YOU HAVE THE JEWS AND CATHOLICS RUN 100 PERCENT?"

CELLER DID NOT REPLY TO THIS DIRECTLY BUT CRITICIZED THE PRESENT DEADLINE, WHICH SAYS REFUGEES MUST HAVE BEEN IN DISPLACED PERSONS CAMPS BEFORE DEC. 22,1945 IN ORDER TO QUALIFY TO COME TO THIS COUNTRY.

HE SAID THOUSANDS OF JEWS AND CATHOLICS WERE UNABLE TO GET INTO THE CAMPS BY THAT DATE AND URGED INSTEAD A CUT-OFF DATE OF JANUARY 1,1949 AS PROPOSED BY PRESIDENT TRUMAN.

"NOW, I WENT DOWN TO THE WHITE HOUSE THE OTHER DAY AND HE (THE PRESIDENT) DID NOT TELL ME ANYTHING LIKE THAT," MCCARRAN TOLD CELLER.

HOFFMAN TOLD THE COMMITTEE THAT HE, MARAGON AND EMMETT KING, NEW YORK ATTORNEY, MADE THE TRIP ABOUT JULY 17 OR 18, 1945.

ROGERS: WHO MADE THE ARRANGEMENTS WITH THE ATC?

HOFFMAN: MR. MARAGON.

ROGERS: DID YOU NOT HAVE ANY DIFFICULTY GETTING ON ATC AT THAT TIME?

HOFFMAN: I WAS NOT AWARE OF ANY."

HOFFMAN, IN ANSWER TO OTHER QUESTIONS, SAID THAT THE MEN PAID THEIR FARES ON ATC IN CASH.

HOFFMAN WAS ASKED IF HE REMEMBERED IF MARAGON HAD HAD "SOME TROUBLE WITH THE CUSTOMS PEOPLE" WHEN THE THREE LANDED AT LA GUARDIA FIELD, NEW YORK, ON THE RETURN TRIP.

HE REPLIED HE DID NOT KNOW "THAT JOHN HAD TROUBLE WITH THE CUSTOMS PEOPLE UNTIL AFTER WE LEFT THE CUSTOMS DEPARTMENT."

HOFFMAN TOLD THE INVESTIGATORS HE SPENT ABOUT AN HOUR WITH GENERAL VAUGHAN AT THE WHITE HOUSE LAST SUNDAY, THE DAY BEFORE HE TESTIFIED IN SECRET BEFORE THE COMMITTEE.

SENATOR MCCARTHY (R-WIS) HAD ASKED HOFFMAN IF HE VISITED VAUGHAN THEN AND THE WITNESS REPLIED:

DOUGLAS, WHO RECENTLY MADE A SIX-WEEK TOUR OF THE MIDDLE EAST, ASSERTED AMERICAN INFLUENCE COULD TURN THE TIDE AGAINST COMMUNISM THERE.

IN THE FIRST SPEECH SINCE HIS RETURN THE JURIST WARNED THE BIENNIAL CONFERENCE OF THE AMERICAN UNITARIAN ASSOCIATION THAT THE MIDDLE EAST WOULD BE A BREEDING SPOT FOR WAR UNLESS FREEDOM AND DEMOCRACY ARE INSTALLED.

Communist Leaders Placed Under Arrest In Finn Strike

Helsinki, Finland, Aug. 19 (AP)—Communist leaders were arrested today in a speedy Government crack-down on a nation-wide strike offensive which flared into violence yesterday. Usko Kauppala

A Government spokesman has declared the wave of strikes is a planned Communist maneuver to seize power and establish a Red government in Helsinki.

The Government, its army alerted, took fast action after the first blood was spilled yesterday in Kemi, where one man was killed and nine were injured.

The country's Central Trade Union Federation also swung into action issuing an ultimatum to the Communist-led unions ordering them to cancel their strike call. It threatened to split the federation wide open.

NIGHT

Directed Against 4 Unions

By a vote of eight to five, the federation's executive committee decided to order four striking unions to call off their walkouts before August 23 or suffer expulsion from the federation.

This move was directed against the following unions: Dockers, Food Workers, Building Construction Workers and the Forestry Workers and Loggers Union. The federation made it plain that the textile, leather, shoe and rubber workers' unions, who have scheduled strikes, also would be expelled if current strikes are not called off.

Finnish troops were rushed to Kemi, in northern Finland, yesterday after police and an estimated 1,500 lumberjacks fought a brief pitched battle at a lumber-sorting dam. An exchange of pistol shots echod through the seaport town. When strikers continued hurling stones the police used tear-gas bombs and blackjacks to disperse them. The fight broke out when lumberjacks smashed through police lines trying to attack workers who were reporting for duty.

Council Member Arrested

The Government, which has promised to "inflict a crushing defeat on the Communists," took quick measures to break up a situation in which an estimated 45,000 workers are on strike. A Government spokesman believed only 35,000 were on strike.

Lahja Heikkilae, chairman of the Kemi City Council, was among the Communist leaders placed under arrest. A second council member also was reported arrested. Reliable reports said Communists from southern Finland were arrested in Kemi, indicating that Communist agitators from Helsinki were operating in the town.

Most of Finland's trade-union members are non-Communists and some 200,000 to 300,000 may defy the strike call. A walkout of 100,000 unionists, however — estimated membership of the Communist unions—could seriously disrupt the nation's economic life.

Can Declare Strike Illegal

The strike offensive was decided upon by Communist-dominated unions following the devaluation early in June of the Finnish mark. Union spokesmen urged the federation to take strong action for higher wages, but the federation said such actions were forbidden by law.

Finland's Government has the right, under an emergency law of May, 1941, to declare any strike illegal. It is known officially as the law of regulation of economy during emergencies, and was revised in December, 1948. One clause gives the Government the power to forbid any scheduled strike. It also states that a strike that has started shall cease. The law does not stipulate what action the Government can take in case an order banning a strike is disobeyed.

Despite the emergency law and the Government's threat to crush the Communists, Communist union leaders said the strikes will continue.

Varjonen Accused

Of the clash at Kemi, the Communist press carried stories of police terror under headlines which read: "Workers' Blood Flows At Kemi."

The Finnish Communist party asked President Juho Paasikivi to denounce yesterday's police action against Communists there. A letter to the President claimed the clash was the first in the history of the Finnish labor movement in which police on Government orders had used firearms against unarmed strikers.

The party accused Unto Varjonen, minister without portfolio, and Aarre Simonen, Interior Minister, of provoking incidents in the strike area and later using the incidents as a pretext for attacking the workers. The Communists claimed the arrests of strike leaders constituted a violation of the constitution and of the peace treaty with Russia.

The Popular Democrats, who differ from Communists only in name, also sent a letter to the President.

heavy fines for any violations.

A strike meeting also was called in Helsinki today.

Communist leaders have warned that the strike actions will continue.

"Blood Flows"

In *Tyoekansan Sanomat*, leading Helsinki Communist newspaper, Aimo Aaltonen, Communist member of Parliament said:

"The working class should more firmly than before continue their fight for better wages."

The Communist press headlined their report of the Kemi clashes: "Workers' Blood Flows at Kemi." The stories spoke about police terror.

It has been estimated that 45,000 are on strike. In some locals strike

Strike-Battle City's Council Chairman Under Arrest

DAY

Helsinki, Aug. 19 (AP)—The Finnish Government moved swiftly today to smash a growing Communist offensive as police nabbed Red leaders in Kemi, scene of yesterday's strike violence which left one dead and nine injured.

Among those arrested was the chairman of the Kemi City Council, Lahja Heikkilae, who was described as one of the leaders of yesterday's strike call. Another City Council member also was reported arrested.

Reliable reports said Communists from southern Finland also were arrested at Kemi. This would indicate that Red agitators from Helsinki had been operating in the town, where 1,500 striking lumberjacks exchanged fire yesterday with police.

Ban Is Defied

A Government spokesman has declared the strike offensive is designed to make Finland into a Communist state.

Meanwhile, the strikers announced a new strike meeting tonight, in defiance of a ban by the governor of the northern province on all public gatherings, with

adherence is 100 per cent, but at most places anti-Communist workers are refusing to walk out.

Visits Paasikivi

Prime Minister Karl August Fagerholm visited President Juho Paasikivi today at the latter's summer residence at Kultaranta.

Unto Varjonen, Minister Without Portfolio, and head of a Cabinet board chosen to deal with strike threats, declared the Government intends to "inflict a crushing defeat on the Communists."

The plumbers union, meanwhile, began their strike today. Employers said the walkout was 100 per cent effective.

The strike announced by the forestry workers and loggers union also began today. It was not expected to be complete, as workers in several locals voted against the walkout.

Violent Agitation

Interior Minister Aarre Simonen said the clashes at Kemi were caused by a planned attempt to drive volunteer workers away from their jobs. He claimed violent Communist agitation had been going on for weeks in Kemi.

He declared the Communists throughout Finland had started a fight against the Central Trade Union Federation, and the Government and now had resorted to violent measures.

Simonen asserted the Government feels sure the majority of the people stand behind it and the Administration intends to preserve order.

Back From Moscow

Aaltonen is considered the leader of the strike offensive. He returned recently from Moscow, where he was reportedly rebuked for the failure of last spring's strike action.

In Kemi, on the Gulf of Bothnia, police and striking lumberjacks exchanged fire after 1,500 strikers smashed through police lines in an effort to attack workers who were reporting for duty at a timber-sorting dam.

Police used blackjacks and tear-gas bombs in an attempt to disperse the milling lumberjacks. Finally, they said, they fired warnings into the air. The strikers replied with pistol fire.

Maj. Gen. Arne Blick, commanding officer of the 1st Finnish Infantry Regiment Station at Oulu, 60 miles south of Kemi, said one striker was killed and nine other persons, including three policemen, were injured.

To "Create Chaos"

The Government declared that the Kemi outbreak was designed to "create chaos in order to usurp power and establish a people's democracy (Communist government) in Finland."

Most of Finland's trade-union members are non-Communists, and some 200,000 of the 300,000 unionists may defy the strike call. However, a walkout of 100,000 members could throw the nation's economic life seriously out of gear.

The strikes were decided upon by Red-led unions after the devaluation of the Finnish mark early in June.

Declared Illegal

Union leaders called on the Trade Union Federation to act toward boosting wages. The federation declared such action was illegal. The federation has threatened to expel from its membership those unions which abided by the Communist strike calls.

Finland's Social Democratic Government has been under Soviet fire for some time, although Russia has a friendship and mutual defense treaty with Finland. The Soviets also keep a base in Finnish territory.

Pravda Hails Finn Strike

Moscow, Aug. 19 (AP)—The Communist party newspaper *Pravda* gave prominent play today to Finland's growing strike wave.

Under a headline "Strikes Grip All Finland," the Soviet paper ran Tass dispatches claiming that the workers were getting 100 per cent support "despite all attempts of the Right Social Democrats to break up the united front of strikers."

Unity Group Seeks High Europe Court

NIGHT

Strasbourg, France, Aug. 19 (AP). European unity promoters formally began a campaign today to set up a high court that would look after the freedoms of the people in the twelve nations on the Council of Europe. J. Dynan

Britain's Sir David Maxwell-Fyfe, chief British prosecutor at the Nuernberg trials, and France's Pierre-Henri Teitgen, a former justice minister, joined in urging the council's assembly to propose a convention on human rights backed by a European tribunal.

Maxwell-Fyfe made his appeal in an assembly session marked by another flare-up between Irish and British over the partition of Ireland. In this clash, Paul-Henri Spaak, assembly president, had to rap three deputies to order.

"We must not have issues between Ireland and Britain injected into every debate," Spaak said.

Outside the assembly hall, France's Georges Bidault, former foreign minister, demanded precedence for Austria over Germany in becoming a member of the European council. He told a news conference called by French representatives that the Saar must also be admitted before or simultaneously with the west German state.

The assembly will be in recess tomorrow.

'My Country' Cry Assailed in Europe Council

French Prisoner of Nazis Tells Assembly Slogan Was Used at Buchenwald

STRASBOURG, France, Aug. 18 (AP).—Delegates to the European Consultative Assembly applauded today a proposal that the slogan, "My country, right or wrong," be outlawed.

The proposal was made by Pierre-Henri Teitgen, former French Minister of Justice, who was a Nazi prisoner during the war.

With Britain's Nuernberg prosecutor, Sir David Maxwell-Fyfe, Mr. Teitgen helped write a bill of rights which Winston Churchill's European Movement has presented to this twelve-nation Assembly.

Mr. Teitgen said the slogan "Just or unjust, my country right or wrong," was emblazoned over the portals of the Nazis' Buchenwald concentration camp. Such slogans should be outlawed, he declared. He said his father was imprisoned at Buchenwald and his brother-in-law died there. He and his brothers had been imprisoned by the Nazis elsewhere.

Mr. Teitgen said that in the anti-Communist nations of Europe, the methods of dealing with Communists were encroaching on fundamental human rights. He said injustice must not be used to fight injustice.

Mr. Teitgen asked the Assembly to define human rights and freedoms. He presented a resolution, saying the matter was so urgent that the member nations should be asked to sign an agreement guaranteeing to all the fundamental freedoms outlined in the nations' respective constitutions. He also asked the Assembly to set up a commission on human rights and a European human rights court.

Council To Debate Needs Under ECA

Paris, Aug. 19 (AP)—The Council of the Organization for European Economic Co-operation will take up consideration today of a rock-bottom estimate of $3,621,600,000 for Europe's Marshall plan needs for 1949-50.

The meeting of the Council, O.E.E.C.'s ruling body, is expected to be a session devoted to speeches of protest from discontented delegates who had hoped for a greater amount of aid.

Both American and European financial experts say the scaled-down figure is not an adjustment in view of congressional bills.

Split The Difference

The United States Senate and House have appointed a committee to split the difference in the total amount of Marshall-aid money voted. The Senate has approved $3,778,000,000 and the House $3,568,000,000.

The experts here say their figure was reached not as the result of any congressional action, but was arrived at by "squeezing the water" out of earlier bids and by drastic "technical screening."

Britain has been allotted $842,700,000, a reduction of $675,300,000 from its latest estimated dollar shortage. Other leading claimants to the funds are: France, $692,000,000; Germany (three western zones), $400,000,000; Italy, $382,700,000; Netherlands, $257,000,000, and Belgium, $200,000,000.

Hoffman Congratulates Greeks On Recovery

Athens, Aug. 19 (AP)—Paul G. Hoffman, European Recovery Program administrator, congratulated the people of Greece today on weathering ten hard years of strife, and said peace appears to be within their grasp.

The chief flew here from Rome yesterday on his European tour. He told reporters that, in view of the problems in Greece brought by the Nazi occupation and later by the civil war, the progress here has been "truly remarkable."

Hoffman said Greece has stopped inflation, boosted her production to 115 per cent of prewar, made progress toward a stable democratic government, preserved free insitutions and built up public confidence.

YUGOSLAV SHIP DAMAGED

Fire Ravages Top Merchant Craft In Spalato Harbor

BELGRADE, Yugoslavia, Aug 19 (AP)—The steamship Partizanka, pride of Yugoslavia's merchant marine, was considerably damaged by fire a week ago while undergoing repairs in Spalato harbor, the newspaper Rad said today.

The Partizanka, a 6,267-ton vessel, is the nation's largest ocean-going passenger liner. She was formerly named the City of Lisbon.

Rad did not detail the extent of the damage. It said that an inquiry was under way. (Premier Marshal Tito, feuding with the Communist Information Bureau nations, and denounced by Russia as an enemy of the Soviet Union, had urged Yugoslavs recently to be on the alert against sabotage.)

Papal Rule Called An Error

L. Kirschen

Bucharest, Romania, Aug. 19 (AP). The newspaper *Universul* quoted the Romanian Orthodox Church patriarch today as saying the mass excommunication of Communists was "the greatest mistake of all centuries ever made by a (Roman Catholic) Pope."

The newspaper, controlled like others in Romania by the Communist-led Government, carried an account of a speech by Patriarch Justinian at the opening of the Orthodox missionary school of Romania. *Universul* said the speech represented "the position taken by the Romanian Orthodox Church to the papal excommunication decree."

Property Confiscated

About 70 per cent of Romania's population is Romanian orthodox, which is the national religion. The Vatican estimates there are 2,800,000 Roman Catholics among the population of 16,400,000.

[Romania has moved openly against the Roman Catholic Church and its affiliate Uniate (Romanian rite) church, confiscating its properties, jailing its priests and closing its institutions.]

Universul gave this account of the Patriarch's speech:

He said: "Among all the mad mistakes ever committed by the Popes, by issuing similar mass curses, the one decreed by Pope Pius XII is the greatest.

"Nowhere In Scripture"

"Whatever made Pope Pius XII apply this measure of constraint in order to persuade individuals and peoples to bow to his will? This measure is nowhere contained in the Scriptures, but is also totally contrary to the Christian spirit."

He then said:

"In all popular (Communist) democracies, as in Romania, freedom of worship is assured."

He added:

"By this deed (the excommunication) the Pope has admitted that among Communists there also are believers and their parties do not exclude them because of their belief.

"What an aberration! How far apart is the 'master' of the Vatican from Jesus, who sacrificed himself for the multitude of the downtrodden, calling to them, 'come unto Me all ye that labor and are heavy laden and I will give you rest.'"

Embassy Aides Of Slavs Held In Bucharest

Bucharest, Aug. 19 (AP)—Two employés of the Yugoslav Embassy were arrested Wednesday after a sharp fight with police, the newspaper *Scanteia* reported today.

Scanteia, the official Workers party (Communist) paper, said the two had been throwing anti-Romanian leaflets into people's gardens.

The newspaper identified the two as Bosco Latich and Nicola Medich, employés of the press office of the Yugoslav Embassy in Bucharest.

"Dirty Propaganda"

Scanteia said they were caught throwing "leaflets containing dirty Fascist propaganda instigating against the regime of popular democracy in the Romanian popular republic."

When the two were caught, the newspaper continued, Latich whipped out a pistol and started shooting.

Belgrade Clique

Scanteia charged the Yugoslav mission at Bucharest with violating diplomatic customs by using its diplomatic pouch for carrying anti-Soviet and anti-Romanian propaganda into Romania for distribution here.

Scanteia said the investigation "concerning the subversive and anti-democratic activities of these two agents of the Belgrade clique which is in the service of the Anglo-American imperialists" is continuing.

Navy To Avoid China Combat, Badger Says

Hong Kong, Aug. 19 (AP)—Vice Admiral Oscar C. Badger, commander of United States Naval Forces in the western Pacific, said today the Navy would not send planes to evacuate Americans from Canton once the city becomes a battleground.

"We have no intention of risking an international incident and getting invloved in the (Chinese) civil war," he said.

Meanwhile, the Navy will establish an air shuttle to move those of the 707 Americans in the Canton area who want to leave.

Most Are Missionaries

United States Consul General George D. Hopper said more than half are missionaries who have indicated little interest in leaving China, but 60 to 70 American business men probably would take advantage of the Navy service.

Six seaplanes will fly the evacuees on from Hong Kong to Manila, where they will be housed in naval barracks at Sangley Point until they arrange transportation to the United States.

Hopper said more than 70 United States Embassy and consulate officers and employés being moved from Canton will be accommodated on the destroyer-tender Dixie in Hong Kong harbor.

China Admits Red Capture Of Tayu, 170 Miles Northeast

Spencer Moosa

Canton, China, Aug. 19 (AP)—The United States consulate-general closed this afternoon and the embassy planned to go on a commuter basis from the near-by British colony of Hong Kong tomorrow due to the Communist advance on this Chinese Nationalist capital.

Acknowledging Communist capture of Tayu 170 miles northeast of Canton, the Nationalist Defense Ministry said the situation on that front was "unchanged" today. However, Tayu's fall virtually leaves open an easy valley road to Kukong, 70 miles west.

Would Cut Off Pai's Army

Kukong is on the railway only 120 miles north of Canton, and military observers said the struggle for Canton itself could be considered begun when the Communists reached that point. Its loss would isolate from Canton the 200,000-man army of Gen. Pai Chung-hsi, now opposing the Communists near Hengyang, 265 miles north of the capital.

The Defense Ministry said Pai had thrown a Communist army back about 50 miles northwest of Hengyang, but acknowledged the Communists were mustering fresh forces to try to turn his western flank.

Insert

In Canton, George Yeh, Acting Foreign Minister, disclosed that foreign diplomats were pressing

him for information on when the Government intended to move. He told the Executive Yuan (Cabinet) the diplomats were entitled to ample notice, but a Cabinet session closed without giving him any instructions. It appeared that movement of packing crates out of the Foreign Office was accelerated, however.

Consul To Fly Back

Meanwhile, the Americans were leaving. Ten flights to Hong Kong by United States Navy planes reduced the official American family to a handful. All those remaining were busy winding up their affairs.

Lewis Clark, Embassy *chargé d'affaires*, planned to leave Saturday but to make daily flights back from Hong Kong to keep up the American diplomatic relations with the Nationalist regime.

The consulate closed officially at 5 P.M. Karl Rankin, consul general, planned to leave Monday with the last American officials, but he also plans to fly back frequently.

The United States Information Service, which only last week moved into the renovated Yokohama specie bank building, was boarded up. The upstairs flats, where junior officials had set up housekeeping only a week ago, were empty today.

American and British business communities also were reduced almost to those who intend to remain for the expected Communist occupation.

The America nConsulate General was the only one to close. All four of the others — British, French, Dutch and Portuguese — intend to stay for the occupation, while foreign embassies plan to follow the Nationalist government, probably to Chungking.

All the more important archies of the Foreign Ministry seem to be going to Formosa, Generalissimo Chiang Kai-shek's island retreat 100 miles off the Chinese coast.

CONSULATE CLOSED BY U. S. AT CANTON

Canton, Aug. 19 (A. P.).—The American Consulate General was closed officially here late today. Ten plane flights to Hongkong removed all but a few of the personnel, who remained to wind up the Consulate General's business.

U. S. Charge d'Affaires Lewis Clark will fly to Hongkong tomorrow. He will commute daily to Canton until the Nationalist Government moves. Consul General Karl Rankin will go to Hongkong on Monday with the last of the American officials. He, too, will pay almost daily visits to Canton.

All day long packing cases, borne in many instances by wiry, sweat-drenched women coolies, were carried to trucks waiting outside the consulate.

Despite repeated official warnings to leave, it appeared, however, that well over half the non-official Americans in the Canton consular district would stay. As an example, all members of the faculty of Lingnan University are staying. Only seventeen, most of them dependents, are preparing to leave. The American consulate in Canton is the only one to close.

Reds Take Key City 170 Miles From Canton

Canton, Aug. 19 (AP)—The battle for Canton neared today with the Communist capture of the key city of Tayu, 170 miles to the northeast.

Tayu is in the Kan River Valley which leads to Canton. Its fall was announced by the Defense Ministry.

With Tayu gone, the road is more or less clear to Kukong, 70 miles to the west. When the Reds reach Kukong, the battle for Canton itself will be on, military observers believe.

Kukong is 120 miles to the north on the railway from Canton to the Yangtze Valley and central China.

Would Isolate Army

The loss of Kukong would isolate Canton from the 200,000-man army of Gen. Pai Chung-hsi, commander on the front to the north.

Press reports said civilians in increasing numbers were fleeing from Kukong.

The Defense Ministry asserted that Pai's forces had wiped out a Communist division and an artillery battalion in a battle 50 miles northwest of Hengyang.

Hengyang is Pai's base 265 miles almost due north of Canton. The Ministry said most of the Red forces were killed and the rest captured. (This might mean 10,000 men.)

Moving To Hong Kong

Underscoring the gravity of Canton's situation, the United States Embassy announced it was moving to Hong Kong, the British crown colony to the south.

Embassy officials will commute daily with Canton as long as conditions permit. The consulate staff was flying out by United States Navy plane.

An embassy statement said the decision to move was taken in view of "the present Communist threat in this region."

There also was bad news for the Nationalists from the far northwest of China.

Close To Lanchow

A foreigner who flew out of Lanchow, stronghold of the Nationalists in that area, said the Communist troops were last reported only 20 miles away on the southeast.

[The Nationalists had previously conceded that the Reds were 60 miles away from Lanchow on the front to the southeast.]

Meanwhile, a spokesman for the Foreign Office said oral approval had been given to a United States request for safe conduct for the American liner General Gordon to proceed to Shanghai.

One Of Blockaded Ports

Shanghai is one of the ports which the Nationalists say they have closed by an air and sea blockade.

Communist authorities previously gave clearance for the liner to enter Shanghai. The ship will be used to bring out Americans and other foreigners wishing to leave Shanghai.

Chinese Reds Permit Firings In Shanghai

Shanghai, Aug. 19 (AP)—Communist authorities today published regulations permitting private enterprises to discharge workers "according to the needs of production" and forbidding workers to use force to try to gain re-employment.

Those discharged must be given a minimum of one month and a maximum of three months severance pay. Business must have official permission to shut down, however.

[Since the Communists captured Shanghai, many employers have been besieged and locked in by former workers who have made exorbitant demands for severance pay or reinstatement. In one of the most notable cases the United States Consulate was taken over for several days last month by former employés of the United States Navy. Communist authorities took their time about moving in, and the affair still is not settled.

[However, at that time Fred Hampson, Associated Press correspondent, was able to predict through the Communist censorship that they soon would take a tougher attitude toward labor because Government enterprises also were having labor troubles.]

Jap Patent Rights Being Restored

Tokyo, Aug. 19 (AP) — Investors and other holders of patents which were canceled in Japan during the war may have them restored, the Japanese Government reported today.

The Cabinet issued an order in response to a directive in behalf of Allied nationals issued by General MacArthur. The order also provides that patents which expired in Japan during the war may be extended for a period equivalent to the time the patentholders were deprived of their rights because of hostilities.

Australia Sets Up Committee on Industrial Power Generators

CANBERRA, Australia, Aug. 19 (AP).—Prime Minister J. B. Chifley said today the Cabinet has approved establishment of a committee to advise on the development of industrial power generators using atomic energy. The chairman is Professor Marcus Oliphant.

"The government is convinced of the need for Australia to do what it can to develop this important alternative source of industrial power," Mr. Chifley said in a statement, "because hydro-electric resources are limited to certain regions and coal resources, although considerable, are not inexhaustible."

TRUMAN'S AIDES REPORTED GIVING DATA ON VAUGHAN

Feeding Information to Probers, Committee Member Says

'NOT SOLICITED'

Hoey Declares Freezer Story 'Magnified Out of All Proportions'

Arthur Edson

WASHINGTON, Aug. 19 — (AP) "Sources close to the President," Senator McCarthy (R-Wis) said today, are feeding information on Maj. Gen. Harry Vaughan to Senate investigators.

McCarthy wouldn't say who is doing the alleged tattling on President Truman's military aide.

His statement, made to reporters:

"We are getting leads and information on Vaughan's activities from sources very close to the President and to Vaughan in the White House."

Data "Unsolicited"

He said the information was unsolicited and was adverse to Vaughan.

The Senate Investigations subcommittee, of which McCarthy is a member, has been prying into the activities of "five percenters"—people who try to land government contracts for businessmen in return for a percentage fee.

In another development, subcommittee Chairman Hoey (D-NC) said today that the story of the home freezers, which went to Vaughan and other Washington notables, "has been magnified out of all proportion."

He expressed his view in a telegram to a Kansas City appliance dealer, John A. Passler. Passler had told the committee that he wants to give Mr. Truman a television set.

In light of the stir over home freezers, he asked Hoey whether this was okay.

Hoey said public officials frequently receive gifts "without the desire or expectation of receiving any favors or rewards in return."

His advice to the appliance dealer: Go ahead and make the gift.

Senator Mundt (R-SD), a member of the subcommittee, told a reporter he agreed with Hoey that there would be nothing improper in Passler's announcing that he was giving Mr. Truman a television set.

"However," said Mundt, "such a public gift falls into an entirely different category from that of a perfume company giving away home freezers in deep secrecy.

"Since the evidence is still coming in with regard to the possible motives for these unusual gifts (the freezers), and concerning preceding and subsequent favors received by the donors, I do not want to comment on Senator Hoey's statement as to what he believes is the significance of the incident."

Hearing to Resume Tuesday

The subcommittee has recessed until Tuesday, but its investigators are seeking information from two government departments.

William P. Rogers, the subcommittee's chief counsel, said he wants to get additional facts:

From the Army—

Rogers said he wants to know why John Maragon and two associates were allowed to fly to Paris in 1945 in a military transport plane. Maragon, an old friend of Vaughan's, was working for the Albert Verley Perfume Company of Chicago at the time.

It was the president of the Verley Company, David Bennett, who gave the now celebrated deep freezers to Vaughan. The date of the gifts: 1945.

Vaughan has pointed out that Bennett, too, is an old friend of his. There was nothing improper in his taking the freezers, Vaughan said.

Seeks More Data

From the Justice Department—

Rogers said he would like to learn more about an alleged attempt by Maragon to bring perfume essence into this country described as champagne. He said so far he has been unable to get from

the department the data he wants.

Rogers did not elaborate, but committee members said they want to know why Maragon was never prosecuted.

Neither Maragon nor Vaughan has made a public appearance before the subcommittee. And though Chairman Hoey (DD-NC) has said both will be asked to testify, no date has been set.

Mr. Truman said yesterday that the public should suspend judgment on Vaughan until he has had a chance to tell his side of the story.

It had no direct connection with the five percenter hearing, but a check with the District of Columbia traffic bureau today showed that Maragon has been charged with 56 traffic violations over the past 15 years.

Inspector Arthur E. Miller, head of the police traffic division, said 50 of them were for illegal parking, one was issued when Maragon got in the wrong lane, and four were given out after he had been in minor accidents.

The other one was for jaywalking.

SENATE LAUNCHES ARMS AID FIGHT

Administration Leaders Seek to Restore Cuts Voted by House

WASHINGTON, Aug. 19 (AP)—Senator Connally (D-Tex), today launched the administration's struggle to restore the $1,450,000,000 foreign arms aid bill which the house voted to chop down more than one-third.

Connally, chairman of the Senate Foreign Relations Committee, issued a statement calling for the full authorization shortly after hearings ended and senators prepared to shape up their own versions of the measure. **Insert**

House Cut Called Mistake

Chairman Tydings, (D-MD), of the Senate Armed Services Committee which is considering the bill jointly with Connally's group, termed the house cut a mistake. However, Tydings indicated he might support a slight cut in the $1,160,990,000 fund sought for arming European members of the North Atlantic Pact.

Tydings said any such fund ought to be "in the neighborhood of a billion." He noted that General Omar Bradley, chairman of the joint chiefs of staff, had testified that the original request represented the minimum necessary for rearming countries opposing communism.

Connally's statement said "to make any substantial cut in the funds requested would seriously impair the program."

He called it carefully planned "to provide the necessary equipment to make effective the existing forces in Western Europe."

The joint chiefs of staff, he said, testified right after touring Europe that the full amount asked is the minimum figure.

Connally said the two committees "do not favor emasculating the bill. We believe in the North Atlantic Pact. We want peace."

Administration backers hoped the senate version would be more to their liking than the battered house bill. But they had new fights on their hands as senatorial critics of the Truman measure got set to offer restrictive amendments.

Will Go To Conference

The bill as it emerges from the senate probably will be considerably different from the house measure, and the final version will be drafted by a Senate-House committee.

The main change made by the house in approving the bill was in whacking out $580,495,000 and cutting the life of the program in half to make it end next June 30 unless renewed. The house also called for sending half the goods in American ships.

Influential senators seek to hand Western European arms distribution over to the defense committee under the North Atlantic Treaty when it is operative. Strenuous efforts also will be made in the senate to reduce the amout asked by Mr. Truman for re-arming European members of the North Atlantic alliance. The bill, which is designed to stave off Russian power moves, also provides for military aid to Greece, Turkey, Iran, Korea, and the Philippines.

The administration took a terrific beating in the house where the $1,160,990,000 asked for Western Europe was cut in half. Supporters of the slash argued that it meant this: Congress can take a second look at the situation next spring. If it finds the European countries cooperating for mutual defense against Russian attack, then more funds can be voted.

Diplomatic and military leaders have urged emphatically the dispatch of arms as quickly as possible contending the amout asked by Mr. Truman is the minimum needed. They sought to allay house fears that European nations would not cooperate in use of the arms.

Wallace Attacks Program

The senate hearings, held before the combined foreign relations and armed services committees, ended with a round of attacks on the program. Henry A. Wallace, Progressive Party candidate for president in 1948, said we are following Mr. Truman on a path "leading us to ruin and war."

"The arms program proposes to repeat in Europe our tragic mistake in China," Wallace said. He contended it would undermine the economy and military security of both this country and Europe.

Wallace again proposed converting the European recovery program into a world program under a United Nations agency as a step toward peace. Again he advanced the belief that Russia does not want war.

Instead of the arms program, Dr. Robert Yarnall, Philadelphia manufacturer and member of the American Friends Services Committee, proposed "a really determined attack on the program of adequate world organization and of limiting and reducing armaments." He contended the arms would not be practical in preventing war.

The Rev. Amos C. Barstow Murphy, chairman of the Lawrence, Mass., Progressive Party, said that workers in his city are against the arms proposal and want the money used for jobs for the unemployed.

Most of those arguing for a cut say their amendments won't prevent starting the arms flow by one minute. These include Senators Vandenberg (R-Mich), and Dulles (R-NY), who have teamed up to try to reduce the Western European fund to $1,000,000,000. Half in cash and half in authority to make contracts which would be paid later.

Wallace Hits Arms Aid Bill

Tells Senators It Will Undermine Economy of Both U. S. and West Europe.

Washington, Aug. 19 (A. P.).—Henry A. Wallace told the Senate Foreign Relations and Armed Services Committees today that passage of an arms-aid program would "undermine the economy and military security of both the United States and Europe."

What's more, he said, the statements in support of the program by President Truman, Secretary of State Acheson and the nation's military leaders "are the statements of men who are either intent on provoking war or are so afraid their case is weak they must incite passion to support it."

He reiterated, in his prepared statement, his belief that Russia does not want war, and declared that the administration program to arm this country's allies is part of a policy which has failed wherever it has been tried—in Greece, in Turkey and in China.

"The policy of the arms program was given a full run in China," he said. "At long last the administration has admitted the complete failure of that policy in China. It was forced to by events.

Sees 'Tragic Mistake' Repeated.

"The arms program proposes to repeat in Europe our tragic mistake in China. It is aimed at the same kind of 'internal' and 'external aggression.' It places the same emphasis on arms to the exclusion of the needs of the people for economic recovery and social reform.

"It supports any government, no matter how reactionary or corrupt as in Greece, or how undemocratic as in Portugal or Turkey, that will join the new holy war."

As a substitute for the rearmament of western Europe, Wallace revived his proposal for the creation of a United Nations agency which would mean "converting the ECA program into a world program."

In response to questions by Senator Smith (R.-N. J.), Wallace said he didn't think aid to Greece and Turkey has changed the situation much in those countries. He conceded, however, that the Communists might now control Greece if no aid had been given.

If Russia Moved on Turkey.

Urging internationalization of the Dardanelles, Wallace said this country "would be justified in taking military action" if Russia moved on Turkey. He added, however, he didn't think the Soviets would make any such move.

He is against the Economic Recovery Program in Europe because it is not channeled through the United Nations, Wallace said. He agreed with Senator Dulles (R.-N. Y.), that Russia is increasing its armed strength and that the Russians have no moral scruples against war.

Wallace had quoted Dulles as saying the New York Senator did not believe the Russians have any military aggression in mind. Dulles said that holds true only as long as the Russians continue to win "great victories" through the Communist technic of subversive warfare "in which they are superior to us."

SNYDER HEADS U.S. DELEGATES

British Dollar Crisis To Feature Conference September 6

Washington, Aug. 19 (AP)—President Truman today named John W. Snyder, Treasury Secretary, to head the United States delegation at the American-British-Canadian financial conference here September 6.

Snyder's appointment coincided with reports the United States has decided to press for devaluation of the pound sterling as the first step toward solving the British dollar crisis.

Top Administration leaders are reported convinced that the pound, at its present rate of $4.03 to the dollar, is overvalued and that this is one of the main reasons the sale of British goods abroad has fallen off so sharply in recent months.

Bevin And Cripps To Attend

Snyder is known to have held this view for several months. However, he has encountered resistance on this point from the State Department and the Economic Cooperation Administration.

The importance of the forthcoming discussions was underlined by the high rank of the delegates selected by each government.

Foreign Minister Bevin, of Britain, will attend along with Sir Stafford Cripps, Chancellor of the Exchequer. Lester B. Pearson, Canada's Foreign Minister, will sit in along with Douglas Abbott, the Canadian Minister of Finance.

The United States will have some 80 financial, trade and foreign-policy experts on hand; Britain about 40 and Canada 15.

British Crisis Complicated

These experts will lay the groundwork for the September session by getting together here August 27 for technical and fact-finding discussions. James E. Webb, Under Secretary of State, will lead the American delegation at the preliminary conference.

As preparations for the talks got into full swing, some top American officials made it plain they are not optimistic about the chances of solving Britain's long-range economic problems at this meeting.

The British crisis is complicated by the business recession in the United States, the return of competitive markets and the high cost of producing British goods.

Whatever measures are agreed upon by the three governments are expected to deal primarily with short-range aspects of the situation.

Ready To Listen

While Snyder is reported to have quite definite ideas on how to meet the British crisis, he is represented to be ready to listen sympathetically to any proposal that Cripps may make. Snyder talked over the British trade and pound-dollar difficulties last month in London during a tour of twelve European nations for an on-the-spot survey of economic conditions in western

Europe.

Officials drawing an agenda said the British probably would like to discuss these steps: An increase in the dollar price for gold; lowering of American tariffs on wool, whisky and other British products; guarantees that the United States will purchase substantial quantities of such British Commonwealth raw materials as rubber, tin and cocoa; simplification of United States custom regulations; elimination of American subsidies on United States shipping, and assistance in developing a British campaign to advertise and distribute British goods better in the United States.

ARNOLD SUPPORTS SELECTION OF B-36

Politics Or Favoritism In Choice Impossible, He Says

P.D. Eldred

San Francisco, Aug. 19 (AP)—Assurance that no one man, by political design, can influence the selection of a combat plane such as the intercontinental B-36 bomber came today from Gen. H. H. Arnold.

The retired Air Force commander probably had more to do than any other individual in developing the planes the United States used in World War II. He declared "there is no chance at all for politics or favoritism to enter into it."

Arnold testified before a House subcommittee investigating rumors there might have been conniving in choice of the mighty, six-engine B-36. He placed great emphasis on the Air Force.

A Friendly Atmosphere

"They all were my lieutenants and I personally selected them for their outstanding ability and integrity," Arnold said. "They have measured up under fire. I have unqualified confidence in them."

The inquiry was conducted in a friendly atmosphere, with Joseph Keenan, the subcommittee counsel, doing most of the questioning.

In addition to reiterating his approval of Gen. Hoyt Vandenberg and other high-ranking officers, Arnold placed great stress on what goes into the development of a combat plane.

He said that in the B-36, the United States has the best intercontinental bomber of any nation.

Arnold then diverged a bit into world strategic considerations, saying that today the atom bomb and the ability to deliver it are all that insures peace.

Selfish Men Criticized

"The first necessity is to insure the defense of the country and this raises the question whether the American people want security or whether they want dollars," Arnold observed.

"I believe that if it costs a billion

Vulnerable Site Sends Airplane Work Inland

Ruth Cowen

Washington, Aug. 19 (AP)—An informed Air Force official said today that "strategic vulnerability" of areas in the United States to air attack by Russia is considered in placing contracts for high priority combat planes.

His remark was in connection with the proposed trip of Secretary of the Air Force Symington, Air Force officers and Senator Magnuson (D., Wash.) to Seattle.

The group plans to fly to Seattle in September to discuss the proposed move to the Boeing-operated plant in Wichita, Kan., of the subassembly work on the B-47 bomber now being done at the Boeing-owned plant in Seattle.

More Frank Attitude

Since Gen. Hoyt S. Vandenberg, Air Force chief of staff, this week told the B-36 Senate Investigating Committee that Russia is the "one major military threat to the United States"—a remark he said had been cleared with the State Department—the Air Force has been more frank in discussing production matters.

"We have no desire to fold up existing plants but we do not propose to expand activities in areas which in time of war would be considered vulnerable," the Air Force representative said. This especially holds true in regard to high priority combat planes.

The Air Force regards the B-47 bomber as second to the giant B-36 bomber.

Calls Seattle Vulnerable

Asked whether the Seattle area was considered "vulnerable" in event of war, the answer was a blunt: "Yes."

"Take a map and look for yourself at the location of Seattle on the great circle air route from Eastern Russian bases," he said. "We know that Russia has B-29 type long-range bombers."

The Air Force representative said that Lieut. Gen. H. A. Craig, deputy Air Force chief of staff for material, on August 10 advised representatives of the Seattle Chamber of Commerce who came to see him that the Air Force never intended that the B-47 was to be produced in Seattle.

Knew It At Time Of Contract

The Boeing officials knew this when the contract was signed in August, 1948, the Air Force spokesman said. He confirmed this by a phone call to Craig.

He said Craig had also advised the Chamber of Commerce representatives that airport facilities at the Boeing plant in Seattle were inadequate for high speed large planes and that it would require several million dollars for expansion and improvement.

Concentrating B-47 At Wichita

The Air Force spokesman emphasized that it is not proposed to move the Seattle Boeing plant to Wichita, but rather to concentrate in the latter city all work on the B-47.

In addition to the subassembly work on the B-47, the Seattle plant has Air Force contracts for C-97 stratofreighter and B-50 medium bombers. Also it produces civilian aircraft.

"It has long been understood that the high peak of employment at the Seattle Boeing plant could not be sustained," the Air Force representative said. "It is high in comparison with other air craft factories."

Los Angeles Not As Vulnerable

Asked about the Los Angeles aera in which are located several aircraft plants, the Air Force representative replied that "map-wise in relation to the great circle route, the Los Angeles area is not vulnerable as it Seattle."

Last September the National Security Resources Board put out a booklet "to alert industrial leaders to the strategic significance of industrial-plant location in the event of another war."

Booklet Guide On Defense

Although close-mouthed on the subject, the plant-relocation committee of the Munitions Board suggested this booklet as a guide to strategic defense thinking.

This booklet, looking ahead, assumes an enemy has and can deliver atomic bombs. These are too expensive to be used on cities of less than 50,000 people.

2 Aircraft Found in Barn May End 'Saucers' Mystery

Good Chance That Wreckage of Two Strange Machines 'Are Prototypes' of Flying Discs, Air Force Says; Maryland Inventor Disappeared in 1941

WASHINGTON, Aug. 19 —(AP) The Air Force said tonight that "there is a good chance" that the wreckage of two battered aircraft found in a Maryland barn "are prototypes" of the flying saucers.

Maryland state police located the two old machines in a barn near Glen Burnie, Md., about 11 miles south of Baltimore.

Jonathan E. Caldwell, inventor of the craft, disappeared about 1941.

The Air Force said Bolling field here was advised that "some flying discs had been located in Maryland," and that Army special agents made an investigation.

The first plane, the Air Force said, looked like a helicopter and had a device on top which resembled two saucers, 16 feet in diameter, covered with airplane cloth.

The fuselage, less than 16 feet in length, had no wings and was powered by a nine-cylinder radial engine.

The other craft, the Air Force said, resembled a large wooden tub 15 feet in diameter, made of plywood, and had an engine and cock pit inside.

It had four blades extending around the top and also four blades around the bottom, with the blades rotating in opposite directions.

The Baltimore Sun meanwhile quoted an unidentified Air Force officer as expressing belief that greatly improved models of the two planes are flying now and are the source of the flying saucer reports.

The officer explained that the air forces uses the term "prototype," to denote the first model from which an airplane develops. The Sun then went on to quote him as saying.

"I, personally, think the inventor went to some other part of the country and that he—or someone else—developed new planes along these lines and is sending them up."

An aircraft mechanic who worked with Caldwell on the strange craft back in 1936 and 1937 declared Caldwell was 10 years ahead of his times in developing the planes.

One of the planes had a small fuselage something like a conventional plane, with a rotating disc and propeller blades above it.

The other looked like a big, round cheesebox. It had propellers above and below the seated four.

Caldwell made a splurge with them back in 1939 and 1940. The one with the disc made a demonstration hop in Washington, but crash landed.

Caldwell got into legal difficulties in Maryland, New Jersey and New York about the same time for selling stock in two corporations he set up to develop his inventions.

Two officers from the air force inspector general's special investigating staff brought about discovery of the old planes, now falling apart.

They had a tip Caldwell worked on the gadgets in the Glen Burnie area.

State police couldn't find Caldwell. They had a rough description of the farm and by process of elimination finally located the abandoned tobacco barn.

Caldwell was enjoined from selling stock in his two companies, "Gray Goose Airways, Inc." and "Rotor Planes, Inc.," after a hearing before Maryland Assistant Attorney General Robert E. Clapp in 1940.

HELP TO MID-EAST URGED

Supreme Court Justice Douglas Advocates U. S. Backing

PORTLAND, Ore., Aug. 19 (AP)—The United States cannot afford to let the Middle East go the way China went, according to Justice William O. Douglas of the United States Supreme Court, home from a six-weeks tour of Asia Minor.

The whole area can be saved, however, if this country will "throw its weight behind the honest and liberal forces" there, Mr. Douglas said. "It is America's great mission to help such nations. No other bulwark against Soviet political expansion can be built," he told the biennial conference of the American Unitarian Association here last night.

Mr. Douglas said he found Americans carried surprising influence in the Mid-East—and not dollar influence alone. "America stands for something strong and good and idealistic not only in the capitals but in the villages," he added.

Clayton Resigns World Bank Post

Truman Praises Alternate U. S. Governor's Work

WASHINGTON, Aug. 19 (AP).—William L. Clayton, former Under Secretary of State, resigned today as alternate United States governor of the World Bank and the International Monetary Fund.

President Truman accepted the resignation "with reluctance and regret" and said he hoped the government again would have the benefit of Mr. Clayton's ability and varied experience.

Mr. Clayton, Texas cotton man, wrote simply:

"My Dear Mr. President:

"Please accept my resignation as alternate governor for the United States of the International Bank for Reconstruction and Development of the International Monetary Fund.

"With renewed thanks for your many evidences of your confidence in me, and with kindest regards and every good wish, I remain

"Sincerely yours, Will Clayton."

The President said in reply that Mr. Clayton's letter left him no recourse but to accept the resignation, effective Aug. 27. He said he realized this action was consistent "because of the termination of your duties some time since as Under Secretary of State for Economic Affairs."

"Although this letter ends for the time being your activities as part of the Administration, I shall cherish the hope that your government will again, and at not too

distant a time, have the benefit of your ability and your varied experience."

He expressed his "heartiest appreciation" of the "superb contribution" which he said Mr. Clayton had made in every public post to which he had been called.

Maritime Commission Chief Going To Europe

Washington, Aug. 19 (AP)—Maj. Gen. Philip B. Fleming, chairman of the Maritime Commission, will spend five weeks in Europe this summer.

His office announced today that General Fleming will leave this country August 27. He will attend the first postwar meeting of the Permanent International Association of Navigation Congresses. The sessions are set for Lisbon from September 10 to 19.

In addition to Portugal, he will visit several other European countries.

The international navigation group is concerned with maritime and shipping problems of all types—from inland waterways to trans-ocean operations.

General Fleming will be accompanied by a group of army officials and maritime experts.

AIRLIFT VETERANS ACCLAIMED IN N.Y.

NEW YORK, Aug. 19—(AP) Two Navy air squadrons claiming Berlin airlift records got a roaring service welcome as they arrived by ship today.

Twelve Navy fighters buzzed the Army transports Maurice Rose as it steamed up the harbor, and two brass bands—Army and Navy—were waiting at the dock.

The air force, friendly competitors in the airlift, was not represented by welcoming officials.

One of the squadrons, VR-8, led all air force and Navy groups in last February's air lift operations—setting an eficiency record of 120 per cent. All its pilots are enlisted men.

The other squadron, VR-6, with officer pilots, was right behind with a mark of 117 per cent. The figures are comparisons to the work load expected.

There were 18 oficers and 350 enlisted men in the two squadrons. Both outfits flew half-way around the world from the Pacific to Germany when Gen. Lucius D. Clay made his emergency call for more four-engine planes in the fall of 1948. The squadrons flew Navy versions of the DC-4.

Killing Off Bad Storms Seen By Scientist

AUG 21 1949

Alton L. Blakeslee

Lake Success, Aug. 19 (AP)—Man may some day kill off thunder storms before they lash out with atomic-bomb punch in damaging winds, rain, hail and lightning, Dr. Vincent J. Schaefer said today.

Even a small thunder storm releases energy equal to several atomic bombs, the General Electric research scientist said.

Man may also be able to create sky reservoirs of snow, and get rain or snow at times where he wants it. Flying ice patrols may keep air lanes free of icing conditions. Or planes may shoot holes into dangerous clouds ahead.

New Weather Control Studies

All these are possible benefits from new studies of weather control, he told the United Nations conference on conservation and utilization of resources.

Dr. Schaefer nearly three years ago found ways of producing snow or rain from certain clouds, by seeding them with dry ice, silver iodide or water.

Snow or rain can't be brought down from any kind of cloud, anytime. And there's no apparent way to break a drought when there are cloudless skies, or clouds with only little water in them, he said.

Holds Great Promise

But really scientific study of how nature produces weather, and how man might alter natural processes hold great promise, he said.

Towering cumulus clouds loom "as the cloud structure of great importance," he said. They can produce beneficial rain. But they can also develop into thunder storms, with torrential rains, lightning, furious winds, even hail and tornadoes wrecking crops and lands.

Storms from such clouds might be prevented by overseeding them with pellets of dry ice or silver iodide, Dr. Schaefer explained. A little seeding of supercooled clouds can start rain or snow. Heavy seeding might dry up entire regions of the clouds, turning their moisture into snow crystals unable to grow big enough to fall.

On Stunting A Cloud

The cloud then would either be dissipated or stunted and kept from growing into a thunder storm, he said.

Certain clouds near mountains might be made to drop more snow, and stabilize the streams that flow from mountain snow. Such clouds, formed from moist air and forced to rise because of the mountain barrier, seldom drop their moisture of their own accord. Efficient seeding might cause them to release snow over wide areas.

Reservoirs Of Snow

Reservoirs of snow crystals in the sky might be produced by overseeding huge areas of flat, supercooled stratus clouds, he continued. They would produce snow crystals in huge numbers, but none big enough to fall.

These reservoirs might then be carried naturally into any lower clouds, and the snow crystals from the reservoir would seed the lower clouds, making them snow. This happens accidentally sometimes in nature, Dr. Schaefer said.

UNDATED FINNISH (500) By William L. Ryan

BY THE ASSOCIATED PRESS

FINLAND, ON RUSSIA'S DOORSTEP, IS A CONSTANT SOURCE OF ANNOYANCE TO THE SOVIET UNION.

THIS NATURALLY RAISES THE QUESTION WHETHER THE CURRENT COMMUNIST-INSPIRED WAVE OF STRIKES IN FINLAND IS AIMED AT SOFTENING THE PLUCKY LITTLE COUNTRY FOR A SUNDAY PUNCH WHICH COULD SEND HER REELING INTO THE CAMP OF "PEOPLE'S DEMOCRACIES."

FINLAND'S SOCIAL DEMOCRATIC GOVERNMENT CHARGES THAT THIS IS THE CASE -- THAT A COUP D'ETAT IS BEING PLANNED. IT HAS CAUSE FOR SUCH REASONING:

WITH UNVARYING MONOTONY, THE SOVIET PRESS HAS BEEN SNIPING AT THE FINNISH GOVERNMENT. IT HAS ACCUSED FINLAND OF FOSTERING "DARK FORCES OF REACTION." IT HAS ASSAILED THE FINNS AS TOOLS OF "ANGLO-AMERICAN WARMONGERS." IT HAS CHARGED THAT "PRO-FASCIST AND MILITARIZED ORGANIZATIONS" ARE PLOTTING INSIDE FINLAND FOR A WAR ON THE SOVIET UNION. FINLAND, IT SAYS, IS OVERRUN WITH AMERICAN SPIES.

IT EVEN WENT TO FAR AS TO SAY THAT A FINNISH WOLF-HUNT ACTUALLY WAS A HUNT FOR A SUITABLE MILITARY BASE IN LAPLAND, AND THAT MORMON CHURCH MISSIONARIES IN FINLAND REALLY WERE AMERICAN AGENTS.

MOSCOW, WITH A SHOW OF EXTENDING A HELPING HAND TO HER NEIGHBORS IN THE MUSCOVITE VERSION OF A MARSHALL PLAN, SIGNIFICANTLY LEFT NEIGHBOR FINLAND OUT WHEN SHE SET UP ECMA -- HER ECONOMIC COUNCIL OF MUTUAL AID. FINLAND HAS NOT THE SORT OF GOVERNMENT RUSSIA WANTS TO HELP, ECONOMICALLY OR OTHERWISE.

FINLAND HAD LOOKED FORWARD WITH A SHOW OF HOPE TO RECONSTRUCTING HER BASIC INDUSTRIES WITH THE AID OF A WORLD BANK LOAN. ONLY THREE WEEKS AGO THE INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT GRANTED A $12,500,000 LOAN TO THE FINNS TO BUILD UP THEIR WOOD PRODUCTS INDUSTRY, DEVELOP THEIR ELECTRIC POWER AND EXPAND THEIR PRODUCTION OF LIME FOR AGRICULTURE.

NOTING THIS, IT COULD BE THAT MOSCOW CONSIDERS THE TIME RIPE TO STRIKE, BEFORE FINLAND BECOMES STRONG ENOUGH TO RESIST.

THE "DEMOCRATIC UNION OF THE FINNISH PEOPLE" HELD ITS SECOND CONGRESS LATE IN JUNE. THE "DEMOCRATIC UNION" IS JUST ANOTHER NAME FOR THE COMMUNIST PARTY. AT THE CONGRESS, THE PARTY SET THE PATTERN FOR THE ATTACK WHICH NOW APPEARS TO BE TAKING FORM IN THE COMMUNIST STRIKE OFFENSIVE.

FINLAND'S SOCIAL DEMOCRATIC GOVERNMENT WAS HEAVILY ASSAULTED IN THE CONGRESS. IT HEARD THIS PROPHETIC CHARGE (AS REPORTED IN MOSCOW'S PRAVDA):

"BOURGEOIS CIRCLES (IN FINLAND) ARE INCREASINGLY INSISTENT IN THEIR DEMANDS THAT THE LIVING STANDARDS OF THE WORKERS BE LOWERED. THE BOURGEOISIE (RULING CLASS) IS WELL AWARE THAT SUCH MEASURES ARE IMPOSSIBLE UNDER DEMOCRATIC GOVERNMENT AND REQUIRE A MORE TRACTABLE GOVERNMENT."

FOR THE RUSSIANS, THIS CHARGE IS TANTAMOUNT TO SAYING FINLAND IS HEADED FOR A FASCIST GOVERNMENT. A CLAIM FINLAND WAS IN CONTROL OF FASCISTS WOULD AFFORD THE COMMUNISTS AN EXCUSE FOR ATTACKING.

THE CONGRESS' SPEAKERS CALLED THE SOCIAL DEMOCRATIC GOVERNMENT OF PREMIER KARL A.FAGERHOLM "TRAITOROUS." THIS, TOO, IS A FAMILIAR DESIGN IN THE OVERALL PATTER..

FINLAND, EARLY IN 1948, SIGNED A TREATY OF FRIENDSHIP WITH THE SOVIET UNION IN WHICH THE RUSSIANS MADE A PROMISE TO ALLOW THE FINNS TO LEAD THEIR OWN LIVES IN AN INDEPENDENT STATE.

BUT MOSCOW OBVIOUSLY HAS BEEN WORRIED ABOUT FINLAND'S LEANINGS TOWARD THE WEST. TO USE THE RUSSIAN PHRASEOLOGY, "IT WAS NOT BY ACCIDENT" THAT THE RUSSIANS HAVE MAINTAINED SINCE THE WAR THEIR MILITARY BASE AT PORKKALA, ON FINNISH SOIL.

FINLAND WOULD MAKE A NEAT FINISHING TOUCH TO THE CHAIN OF COMMUNIST STATES IN EASTERN EUROPE. SHE STANDS OUT, IN MOSCOW'S EYES, LIKE A SORE THUMB.

FOREIGN CURRENCIES HAVE BEEN ROLLING INTO THE FRENCH TREASURY AT A NEAR RECORD RATE BECAUSE OF THE INFLUX OF TOURISTS. THESE FUNDS GIVE THE GOVERNMENT THE NECESSARY EXCHANGE FOR IMPORTS.

PARIS, AUG. 19-(AP)-BRITAIN AND ITALY TOLD THEIR ASSOCIATES IN THE EUROPEAN RECOVERY PROGRAM (ERP) TODAY THEY ARE DISSATISFIED WITH THE SUMS ALLOTTED THEM FOR THE YEAR 1949-50.

THE STATEMENTS WERE MADE AT A SO-CALLED SECRET MEETING OF THE COUNCIL OF THE ORGANIZATION FOR EUROPEAN ECONOMIC COOPERATION (OEEC). THE 19 AREAS REPRESENTED IN THE OEEC ALL HAVE SEATS ON THE RULING COUNCIL. ITS JOB IS TO APPORTION MARSHALL AID.

IN THE LATEST ESTIMATES, WHICH ARE NOT FINAL, BRITAIN WAS ALLOTTED $842,700,000 AND ITALY $382,700,000 OUT OF $3,621,600,000. BRITAIN HAD ASKED FOR $1,518,000,000 AND ITALY FOR $559,200,000.

ITALY HAS BEEN ONE OF THE COUNTRIES THAT HAS WORKED HARDEST TO REDUCE THE BRITISH ALLOTMENT.

THE BRITISH POSITION WAS OUTLINED BY SIR EDMUND HALL PATCH. LATER ALAN DUDLEY, PRESS OFFICER OF THE BRITISH OEEC DELEGATION, GAVE REPORTERS AN ACCOUNT OF WHAT SIR EDMUND HAD SAID.

THIS, ACCORDING TO DUDLEY, IS THE BRITISH POSITION:

ALTHOUGH BRITAIN DOES NOT EXPECT TO GET THE WHOLE OF ITS $1,518,000,000 DOLLAR DEFICIT COVERED BY MARSHALL MONEY, IT CONSIDERS ITS FIGURE A FAIR ONE. "VERY GREAT SLASHES," SOME OF THEM "WITHOUT ANY REASON GIVEN" HAVE BEEN MADE TO BRING IT DOWN TO $842,700,000. DUDLEY REFUSED, INCIDENTALLY, TO MENTION THIS LAST FIGURE, ALTHOUGH IT IS COMMON KNOWLEDGE HERE.

THE SLASHES WERE MADE BY AN OEEC WORKING PARTY OF SIX COUNTRIES. ALTHOUGH BRITAIN WAS A MEMBER, THE BRITISH DELEGATE TOOK NO PART IN THE DISCUSSION OF THE BRITISH PROGRAM.

TOMORROW THE MEETING WILL CONTINUE UNTIL EACH MEMBER COUNTRY HAS ITS SAY ON THE LATEST FIGURES. THEN THE COUNCIL IS EXPECTED TO ADJOURN FOR SOME DAYS IN AN ATTEMPT TO GET AGREEMENT.

NIGHT LEAD GIFT SHIPMENTS (500) NIGHT
BY BRACK CURRY
FRANKFURT, GERMANY, AUG. 19-(AP)-NEW REGULATIONS GOVERNING THE SHIPMENT OF GIFT PARCELS TO GERMANY PROBABLY WILL BE ANNOUNCED NEXT WEEK IN AN EFFORT TO HALT THE FLOW OF BLACK MARKET GOODS, AMERICAN MILITARY GOVERNMENT OFFICIALS SAID TODAY.

THEY SAID THE NEW REGULATIONS WILL BE PART OF A DRIVE TO KILL AN ILLEGAL RACKET IN GIFT SHIPMENTS FROM THE UNITED STATES TO GERMANY, INVOLVING:

1. INVESTIGATIONS BY CUSTOMS OFFICIALS OF WHAT THEY CALL DIVERSION OF GIFT PARCELS TO THE BLACK MARKET.
2. PROVISIONS FOR CLOSING LEGISLATIVE LOOPHOLES WHICH HAVE PERMITTED SOME OF THE GROUPS PARTICIPATING IN THE ILLEGAL TRAFFIC TO OPERATE.

MILITARY GOVERNMENT OFFICIALS SAID THE DRIVE WILL BE DIRECTED AGAINST HUNDREDS OF PHONY CHARITABLE GROUPS WHICH HAVE SPRUNG UP IN GERMANY SINCE THE WAR.

THE OFFICIALS EMPHASIZED SUCH WELL-KNOWN AGENCIES AS THE AMERICAN RED CROSS, THE BRITISH RED CROSS, AND THE COUNCIL OF RELIEF AGENCIES ARE LICENSED TO OPERATE IN GERMANY AND ARE NOT INVOLVED IN ILLEGAL RACKETS.

FIVE GERMANS HAVE BEEN ARRESTED IN THE CLEANUP DRIVE, THE OFFICIALS SAID. THEY WILL BE CHARGED SOON WITH VIOLATING GERMAN CUSTOMS LAWS BY SELLING DUTY-FREE GOODS IMPORTED AS GIFT PARCELS ON THE BLACK MARKET.

ON AUG. 12 THE ANGLO-AMERICAN EXPORT-IMPORT AGENCY (JEIA) ANNOUNCED IT HAD CANCELLED "ALL OUTSTANDING LICENSES AND CONTRACTS IN THE NAME OF THE OVERSEAS MAIL ORDER SERVICE (OMOS)."

THE ANNOUNCEMENT SAID:

"ACTING ON INFORMATION RECEIVED FROM A UNITED STATES CUSTOMS GROUP

CONCERNING VIOLATIONS OF REGULATIONS GOVERNING DUTY-FREE GIFT SHIPMENTS UNDER JEIA INSTRUCTION NO. 15, THE JEIA MAIN OFFICE IN FRANKFURT HAS NOW ORDERED THE IMMEDIATE CANCELLATION OF ALL OUTSTANDING LICENSES AND CONTRACTS IN THE NAME OF OVERSEAS MAIL ORDER SERVICE (OMOS).

"AT THE SAME TIME, ALL JEIA BRANCH OFFICES HAVE BEEN REQUESTED TO ISSUE NO FURTHER LICENSE OR CONTRACT TO OMOS OR ITS SUCCESSOR CORPORATIONS WITHOUT REFERENCE TO THE JEIA HEAD OFFICE."

TONIGHT PAUL HIRSCH, EXECUTIVE VICE-PRESIDENT OF OVERSEAS MAIL ORDER SERVICE, INC., OF (2019 BROADWAY), NEW YORK, SAID IN A STATEMENT:

"NO SPECIFIC ALLEGATIONS OR CHARGES OF VIOLATIONS HAVE BEEN PRESENTED TO OMOS OFFICIALS HERE OR ATTRIBUTED TO THEM. IMMEDIATELY UPON HEARING OF THE CANCELLATION OF THE ONLY JEIA LICENSE IN FORCE FOR OMOS, WE IMMEDIATELY WENT TO THE JEIA OFFICE IN STUTTGART, WHERE THE LICENSE WAS ISSUED, TO ASCERTAIN THE REASON THEREFOR, AND THE ISSUING OFFICE COULD GIVE NO REASONS BECAUSE THEIR ORDERS TO CANCEL THE LICENSE WERE ACCOMPANIED BY NO REASONS, SO THEY SAID.

"AFTER THAT WE CAME TO THE CUSTOMS GROUP IN FRANKFURT AND HAVE DISCUSSED THIS MATTER AND ALL PHASES OF OUR OPERATIONS AND LIQUIDATION ACTIVITIES WITH OFFICIALS OF THE CUSTOMS GROUP. UP TO THIS MINUTE NO DIRECT ALLEGATIONS OR CHARGES HAVE BEEN MADE AGAINST OMOS AND NO REASONS FOR THE CANCELLATION OF THE LICENSE INVOLVING VIOLATIONS BY OMOS HAVE BEEN RELATED TO US.

"ANY CHARGES OR INSINUATIONS THAT OVERSEAS MAIL ORDER SERVICE HAS BEEN SHIPPING CONTRABAND MERCHANDISE SUCH AS DRUGS, MONEY, FABRICS, NYLON STOCKINGS ETC. IN GIFT PACKAGES TO GERMANY ARE UNTRUE.

"THE TRUTH OF THE MATTER IS THAT OVERSEAS MAIL ORDER SERVICE HAS NOT SHIPPED GIFT PACKAGES TO GERMANY FOR ABOUT TWO YEARS. THIS COMPANY HAS HAD A STOCK OF MERCHANDISE IN GERMANY SINCE THE MIDDLE OF 1947 FROM WHICH GIFT PARCELS HAVE BEEN PACKED, ACCORDING TO THE SELECTION OF BENEFICIARIES.

"THIS STOCK OF MERCHANDISE HAS COME INTO GERMANY LEGALLY, IN BULK SHIPMENTS, AND HAS AT ALL TIMES BEEN UNDER THE CONTROL AND SUPERVISION OF THE PROPER AUTHORITIES."

HIRSCH SAID OMOS DOES NOT SELL ANY GOODS INSIDE GERMANY. THE GOODS ARE DISTRIBUTED IN GIFT PARCELS, HE SAID, SENT TO GERMANS FROM STOCKS IN GERMANY THROUGH ITS DISTRIBUTION REPRESENTATIVE, A LARGE CHARITABLE ORGANIZATION IN THIS COUNTRY.

FRANKFURT, GERMANY, AUG. 19-(AP)-AMERICAN MILITARY GOVERNMENT OFFICIALS DISCLOSED TODAY THAT A DRIVE TO STAMP OUT AN ILLEGAL RACKET IN GIFT SHIPMENTS FROM THE UNITED STATES TO GERMANY ALREADY HAS LANDED FIVE GERMANS IN JAIL. FURTHER ARRESTS ARE EXPECTED.

THE FIVE GERMANS HAVE BEEN CHARGED WITH VIOLATING CUSTOMS LAWS BY PEDDLING ON THE BLACK MARKET DUTY-FREE GOODS IMPORTED AS GIFT PARCELS, THESE OFFICIALS SAID.

"WE ARE CLOSING IN ON THE ILLEGAL GIFT SHIPMENT RACKET," AN AMERICAN OFFICIAL SAID. "LITERALLY HUNDREDS OF GROUPS CALLING THEMSELVES WELFARE ORGANIZATIONS HAVE SPRUNG UP IN GERMANY TO IMPORT GIFT PARCELS AND RESELL THEM ON THE BLACK MARKET. IT'S A BIG RACKET.

"WE ARE MAKING WIDESPREAD INVESTIGATION OF THESE PHONY GROUPS. IN ADDITION, THE MILITARY GOVERNMENT PROBABLY WILL ANNOUNCE NEXT WEEK NEW REGULATIONS TO KILL THIS RACKET. THESE REGULATIONS WILL CLOSE THE LEGISLATIVE LOOPHOLES WHICH HAVE MADE IT POSSIBLE FOR SOME OF THESE GROUPS TO OPERATE."

U.S. CUSTOMS OFFICIALS SAID HERE RECENTLY THAT CUSTOMS EVASIONS FOR THE U.S. OCCUPATION ZONE ALONE MAY TOTAL UP TO $600,000,000 DOLLARS A YEAR. AND A BIG PART OF THIS, THEY SAID, INVOLVES GOODS BROUGHT IN AS GIFT SHIPMENTS AND THEN RESOLD.

AMG OFFICIALS SAID THE GERMAN AFFILIATES OF THE OVERSEAS MAIL ORDER SERVICE (OMOS) OF NEW YORK HAVE BEEN FORBIDDEN TO HANDLE GIFT PACKAGE SHIPMENTS.

LAST WEEK MILITARY GOVERNMENT CANCELLED THE LISCENSES OF OMOS TO SHIP GIFT PARCELS TO GERMANY ON GROUNDS OF "VIOLATIONS OF REGULATIONS GOVERNING DUTY-FREE GIFT SHIPMENTS."

THESE OFFICIALS SAID CURRENCY, CIGARETTES, COFFEE, DRUGS, CLOTH AND NYLONS HAVE BEEN SHIPPED TO GERMANY AS GIFT PARCELS -- AND THEN RESOLD AT FABULOUS PRICES.

OFFICIALS REFUSED TO NAME THE GROUPS UNDER INVESTIGATION.

LICENSED AGENCIES WHICH ARE NOT INVOLVED INCLUDE THE RED CROSS, COOPERATIVE FOR AMERICAN REMITTANCES TO EUROPE, INC. (CARE), COUNCIL OF RELIEF AGENCIES LICENSED FOR OPERATION IN GERMANY (CRALOG), JEWISH RESTITUTION SUCCESSOR ORGANIZATION AND VATICAN GROUPS FOR SPIRITUAL ASSISTANCE.

HONG KONG, AUG.19-(AP)-ON THE WORD OF A CHINESE SHIP CAPTAIN, IT WAS COMMUNIST SHORE GUNS--NOT THE BRITISH SLOOP AMETHYST--THAT FATALLY SHOT UP HIS SHIP DURING THE AMETHYST'S ESCAPE DOWN THE YANGTZE RIVER JULY 30 AND 31.

WHEN THE AMETHYST ESCAPED AFTER BEING TRAPPED MORE THAN THREE MONTHS IN THE RIVER, THE COMMUNISTS CHARGED THAT SHE HAD SUNK THE STEAMER KIANGLING LIBERATION, CAUSING SEVERAL HUNDRED DEATHS.

THE CREW OF THE AMETHYST SAID THE COMMUNIST ARTILLERY HAD SET A CHINESE SHIP AFIRE IN VAINLY TRYING TO STOP THE AMETHYST'S 140-MILE DASH. THE BRITISH ADMIRALTY CATEGORICALLY DENIED THE COMMUNIST ACCUSATION.

NOW INFORMATION SEEPING FROM BEHIND THE RED CURTAIN VIA RELIABLE TRAVELERS QUOTES THE CHINESE CAPTAIN AS AGREEING WITH THE BRITISH VERSION.

HERE IS THE STORY AS RELAYED FROM CAPT. CHEN LO-SEN, VETERAN YANGTZE SHIPMASTER:

THE KIANGLING LIBERATION, 600-TON VESSEL OWNED BY THE CHINA MERCHANTS' STEAM NAVIGATION COMPANY, DOCKED AT CHINKIANG, 30 MILES DOWNSTREAM FROM NANKING, ON THE AFTERNOON OF JULY 29. MOST OF THE PASSENGERS GOT OFF AND CONTINUED THEIR JOURNEY BY LAND BECAUSE THEY HAD BEEN FRIGHTENED BY A NATIONALIST AIR ATTACK EARLIER IN THE DAY. FOUR BOMBS HAD MISSED KIANGLING LIBERATION. ONLY 70 PERSONS REMAINED ABOARD, INCLUDING THE CREW.

AUG 20 1949

ON THE NIGHT OF JULY 30, THE SHIP PROCEEDED ON DOWNRIVER TOWARDS SHANGHAI WITH ALL LIGHTS LIT. SHORTLY AFTER MIDNIGHT, THE MORNING OF JULY 31, IT SUDDENLY CAME UNDER FIRE FROM THREE DIRECTIONS FROM SHORE. THE FIRING WAS INTENSE, BOTH ARTILLERY AND MACHINE GUNS BEING USED.

HIT SEVERAL TIMES, THE CHINESE SHIP QUICKLY CAUGHT FIRE AND WENT OUT OF CONTROL.

AT THIS MOMENT, CHEN CAUGHT A GLIMPSE OF WHAT HE DESCRIBED AS A BIG SHIP, RUNNING WITHOUT LIGHTS ASTERN OF THE KIANGLING LIBERATION. HE DID NOT KNOW AT THE TIME BUT LATER PRESUMED THIS WAS THE AMETHYST, ALTHOUGH THE SLOOP ACTUALLY IS A SMALL VESSEL.

BY THIS TIME, PANIC RULED ABOARD THE KIANGLING LIBERATION. EVERYONE WHO WAS ABLE, INCLUDING THE CAPTAIN, JUMPED OVERBOARD.

AS HE SWAM FOR SHORE, THE CAPTAIN SAW THE DARK MYSTERY SHIP SPEED SILENTLY PAST DOWNRIVER. IT HAD DONE NO FIRING. (HOWEVER, THE AMTHYST DID FIRE BACK AT RED SHORE BATTERING A COUPLE OF TIMES DURING ITS ESCAPE.)

AFTER THE KIANGLING LIBERATION WAS ABANDONED, A COMMUNIST NAVAL CRAFT OF SOME SORT PUT A BOARDING PARTY ON DECK AND MANAGED TO ANCHOR HER. SHE BURNED THERE FOR AT LEAST TWO DAYS.

THIRTY PASSENGERS AND 10 CREW MEMBERS WERE MISSING AND PRESUMED DEAD. TEN PERSONS WERE INJURED, ONLY ONE OF THEM SERIOUSLY.

NIGHT LEAD TOKYO ROSE (390)

SAN FRANCISCO,AUG.19-(AP)-A DEFENSE WITNESS IN THE TOKYO ROSE TREASON TRIAL TODAY SAID "I WOULD PUT MY LIFE IN HER HANDS."

HE WAS FORMER PHILIPPINE ARMY LT.NORMAN REYES, CAPTURED AT CORREGIDOR. REYES SAID HE WAS ON THE "ZERO HOUR" PROGRAM OVER RADIO TOKYO FROM ITS START IN NOV., 1943, UNTIL THE END OF THE WAR.

THE ACCUSED TOKYO ROSE - MRS. IVA TOGURI D'AQUINO - HAS BEEN CHARGED WITH BROADCASTING TREASONABLE STATEMENTS ON "ZERO HOUR."

YESTERDAY, MAJOR WALLACE INCE - AMERICAN ARMY OFFICER ALSO CAPTURED ON CORREGIDOR AND ALSO A MEMBER OF THE "ZERO HOUR" PROGRAM - SAID HE NEVER FULLY TRUSTED MRS.D'AQUINO.

REYES WAS ASKED BY DEFENSE ATTONRYE WAYNE COLLINS ABOUT INCE'S STATEMENT. HE FIRST ANSWERED HE ALSO DIDN'T TRUST HER ALL THE TIME.

"WHEN DID YOU COME TO TRUST HER?" COLLINS ASKED.

"AFTER COUSENS AND INCE HAD BEEN TAKEN AWAY AND FOUR OR FIVE MONTHS HAD PASSED AND SHE HAD NOT TURNED ANY OF US IN TO THE KEMPEI TAI (JAPANESE MILITARY POLICE), I FELT I COULD TRUST THE DEFENDANT," REYES SAID.

COLLINS ASKED, "AFTER THAT YOU HAD ABSOLUTE CONFIDENCE IN HER?"

REYES REPLIED, "I WOULD PUT MY LIFE IN HER HANDS."

(MAJOR CHARLES COUSENS, FORMER AUSTRALIAN ARMY OFFICER AND A DEFENSE WITNESS AND INCE HAVE BOTH SAID THEY ATTEMPTED TO SABOTAGE "ZERO HOUR" BY INSERTING LUDICROUS MATERIAL IN THE SCRIPT.)

REYES GENERALLY SUPPORTED COUSENS' AND INCE'S PREVIOUS TESTIMONY THAT TOKYO ROSE HAD NOT BROADCAST THE INFLAMMATORY STATEMENTS ATTRIBUTED TO HER.

HE ADDED, HOWEVER, THERE WERE CERTAIN EXCEPTIONS. THESE OCCURRED, HE SAID, WHEN ARMY ORDERS CAME DOWN FROM ABOVE. WHEN THAT HAPPENED, TOKYO ROSE CAME TO HIM (REYES) BECAUSE SHE DIDN'T KNOW "HOW TO PUT IT IN HER SCRIPT." (THAT POINT WAS NOT DEVELOPED FURTHER.)

ASKED ABOUT THE FIRST TIME HE HAD HEARD OF TOKYO ROSE, REYES SAID IT WAS IN THE EARLY SUMMER OF 1944. HE SAID RADIO TOKYO RECEIVED A NEWS ITEM VIA SHORT WAVE SAYING AN AMERICAN MAGAZINE HAD WRITTEN AN ARTICLE SAYING "A TOKYO ROSE WAS DISPENSING SWEET AND HOMESICK PROPAGANDA TO THE ALLIED TROOPS IN THE SOUTH PACIFIC."

REYES SAID THIS MYSTIFIED MOST OF THE ALLIED PERSONNEL ON RADIO TOKYO. HE SAID GEORGE MITSUSHIO, WHO WAS IN CHARGE OF THE "ZERO HOUR," DID NOT BELIEVE IT REFERRED TO MRS. D'AQUINO. HE ALSO SAID HE, INCE AND COUSENS FELT THE SAME.

REYES ADDED THAT MAJOR SHIGETSUGU TSUNEISHI PROPAGANDA CHIEF OF RADIO TOKYO, THOUGHT IT WAS MRS. D'AQUINO.

REYES SAID THEY HEARD MORE MENTION OF TOKYO ROSE VIA SHORTWAVE AND "WE WONDERED WHERE THIS WAS COMING FROM AS THE PROPAGANDA ATTRIBUTED TO TOKYO ROSE BECAME MORE GLARINGLY DIFFERENT FROM THE TYPE OF THING

BROADCAST BY OUR 'ORPHAN ANN' ON THE 'ZERO HOUR.'
"AS A MATTER OF FACT," REYES CONTINUED, "WE TOOK THE TROUBLE ON THE PROGRAM ONE NIGHT TO INSERT "THIS IS ORPHAN ANN, YOUR ORPHAN. DON'T CONFUSE ME WITH ANYONE ELSE. THIS ONE IS THE REAL MCCOY."

NIGHT LEAD COMMUNISTS (400)
NEW YORK, AUG.19-(AP)-PICKETS REAPPEARED OUTSIDE THE FEDERAL COURTHOUSE TODAY AS THE DEFENSE CONTINUED IN THE TRIAL OF 11 TOP AMERICAN COMMUNIST LEADERS, CHARGED WITH CONSPIRING TO ADVOCATE THE OVERTHROW OF THE GOVERNMENT.
TODAY'S CHIEF WITNESS WAS JOSEPH STAROBIN, THE UNITED NATIONS CORRESPONDENT FOR THE COMMUNIST PARTY NEWSPAPER DAILY WORKER.
STAROBIN ATTACKED GOVERNMENT TESTIMONY OF THE PAPER'S FORMER EDITOR LOUIS F.BUDENZ, WHO LINKED THE PARTY TO MOSCOW AND THE COMMUNIST INTERNATIONAL. BUDENZ RENOUNCED COMMUNISM IN 1945.
WHILE STAROBIN TESTIFIED BEFORE JUDGE HAROLD R.MEDINA AND A FEDERAL DISTRICT COURT JURY, NEARLY 50 PICKETS PARADED OUTSIDE DEMANDING FREEDOM FOR THREE DEFENDANTS JAILED FOR CONTEMPT OF COURT.
"FREE WINSTON, GREEN AND HALL; JUDGE MEDINA, GET ON THE BALL," READ ONE OF THE PICKETS' SIGNS.
HENRY WINSTON, GILBERT GREEN AND GUS HALL ARE THE TRIO HELD IN JAIL BETWEEN COURT SESSIONS.
JUDGE MEDINA HAS REFUSED TO RELEASE THE THREE AND HAS BEEN UPHELD BY THE APPEALS COURT.
STAROBIN CONTRADICTED A KEY POINT IN THE GOVERNMENT'S EFFORT TO PROVE THE COMMUNISTS REVIVED THE PARTY IN 1945 TO TEACH AND ADVOCATE THE VIOLENT OVERTHROW OF THE UNITED STATES.
BUDENZ SAID STAROBIN, THEN COVERING THE UNITED NATIONS CONFERENCE IN SAN FRANCISCO, HAD WRITTEN A LETTER THAT SAID IN SUBSTANCE:
"COMRADE MANUILSKY WAS INDIGNANT AT THE AMERICAN COMMUNIST PARTY FOR NOT HAVING CRITICIZED THE AMERICAN GOVERNMENT MORE SEVERELY, PARTICULARLY THE SECRETARY OF STATE, AND THAT FRENCH COMRADES HAD BEEN GIVEN THE COMMISSION HOW TO INSTRUCT THE AMERICAN COMRADES IN SUCH MATTERS."
MANUILSKY WAS THE CHIEF RUSSIAN-UKRANIAN DELEGATE TO THE UN AND FORMER-SECRETARY-GENERAL OF THE COMMUNIST INTERNATIONAL.
STAROBIN DENIED HE HAD EVER SENT SUCH A LETTER. HE ALSO DENIED HE SENT ANY LETTER TO THE EDITORIAL BOARD OF THE DAILY WORKER, MARKED TO THE ATTENTION OF BUDENZ, CONTAINING SUCH INFORMATION.

A51
BUDENZ HAD TESTIFIED EARLIER THAT WHILE HE WAS READING THE LETTER, IT WAS SNATCHED FROM HIM BY ONE OF THE DEFENDANTS, JACOB STACHEL, WHO SAID HE HAD TO TAKE IT TO THE "NINTH FLOOR"--THE PARTY'S NATIONAL HEADQUARTERS.
STAROBIN SAID HE MET MANUILSKY ONLY TWICE--ONCE AT A NEWS CONFERENCE AND AGAIN IN A FORMAL RECEIVING LINE DURING A RECEPTION.
HE ALSO DENIED ANOTHER STATEMENT OF BUDENZ THAT IN A DEBATE JAMES S. ALLEN, THE DAILY WORKER'S FOREIGN EDITOR, SAID THE UNITED STATES "IS A HOPELESSLY CAPITALIST COUNTRY AND THAT THE SOVIET POWER" COULD BE ESTABLISHED HERE "ONLY WITH THE AID OF THE RED ARMY."
THE TRIAL RESUMES MONDAY.

WASHINGTON, AUG 19-(AP)-SENATOR FERGUSON (R-MICH) TRIED--AND FAILED --TODAY TO GET A DISPLACED PERSONS BILL AWAY FROM A SUBCOMMITTEE HEADED BY SNATOR MCCARRAN (D-NEV).
IN A SURPRISE MOVE, FERGUSON ASKED THAT THE BILL BE TRANSFERRED FROM THE SUBCOMMITTEE, WHERE IT HAS BEEN FOR SEVERAL MONTHS, TO THE FULL COMMITTEE. THIS, TOO, IS HEADED BY MCCARRAN.
THE MOVE FAILED, 5 TO 2.
THE BILL WOULD INCREASE THE NUMBER OF EUROPEAN REFUGEES WHO COULD COME TO THE UNITED STATES. PRESENT LAW SAYS 205,000 SHALL BE ADMITTED. THE PENDING BILL WOULD RAISE THAT TO 339,000 AND MAKE OTHER CHANGES IN THE LAW, WHICH CRITICS SAY IS TOO RESTRICTIVE.
THOSE FAVORING THE PROPOSED NEW BILL HAVE CONTENDED THAT MC CARRAN IS TRYING TO KILL IT BY BURYING IT IN HIS SUBCOMMITTEE. MC CARRAN, ON THE OTHER HAND, HAS MAINTAINED THAT FULL HEARINGS ARE NECESSARY.
MCCARRAN TOLD REPORTERS THAT SENATOR KILGORE (D-WVA) JOINED FERGUSON IN VOTING TO DISCHARGE THE SUBCOMMITTEE, AN ACTION WHICH WOULD HAVE BROUGHT THE BILL BEFORE THE FULL COMMITTEE.
VOTING AGAINST THE MOVE, MCCARRAN SAID, WERE SENATORS JENNER (R-IND), DONNELL (R-MO), LANGER (R-ND), EASTLAND (D-MISS) AND HIMSELF.
THE BILL HAS PASSED THE HOUSE, AND PRESIDENT TRUMAN HAS ENDORSED IT.
SENATOR LUCAS OF ILLINOIS, THE DEMOCRATIC LEADER, HAS OFFERED TO HEAD A LIST OF SIX DEMOCRATS TO SIGN A PETITION TO THE SENATE TO TAKE THE BILL AWAY FROM THE COMMITTEE ENTIRELY.
HE LAID DOWN ONE CONDITION: THAT SENATOR TAFT (R-OHIO) HEAD A SIMILAR LIST OF SIX REPUBLICANS.
TAFT HAS INDICATED HE WOULD JOIN IN THE MOVE IF ASSURED THAT LUCAS WOULD CALL THE BILL UP IN THE SENATE BEFORE CONGRESS QUITS.
TODAY THE SUBCOMMITTEE HEARD TESTIMONY FROM GREEK ORGANIZATIONS WHICH WANT TO BRING IN 50,000 DISPLACED PERSONS FROM GREECE.
MCCARRAN POINTED OUT THAT, UNDER THE BILL, GREEK REFUGEES ARE NOT RECOGNIZED AS DISPLACED PERSONS, BUT SAID THEY COULD BE SO CLASSIFIED BY AMENDING THE LEGISLATION.
GEORGE XANTHAKY OF LONG BEACH, N.Y., VICE-PRESIDENT OF THE GREEK WAR RELIEF ASSOCIATION, SAID THAT WORLD WAR II AND THE CIVIL WAR THAT FOLLOWED HAVE FORCED MORE THAN 700,000 GREEKS FROM THEIR HOMES.
HE SAID HOMES COULD BE FOUND FOR THE 50,000 REFUGEES, AND PROPOSED THAT THEIR TRANSPORTATION BE PAID FOR EITHER BY THIS GOVERNMENT OR BY CHARITABLE GROUPS.

WASHINGTON,AUG.19-(AP)-THE STATE DEPARTMENT'S WHITE PAPER ON CHINA WAS DENOUNCED BY REP.JUDD (R-MINN) TODAY AS "A ONE-SIDED AND CENSORED VERSION OF THE FACTS."
JUDD ALSO CONTENDED IN A HOUSE SPEECH THAT ALTHOUGH SECRETARY OF STATE ACHESON "LABELS THE WHITE PAPER THE 'RECORD'" IT IS IN FACT "JUST PART OF THE RECORD--THAT PART WHICH SEEKS TO JUSTIFY THE ERRORS OF THE ADMINISTRATION."
HE DEMANDED PUBLICATION OF 16 REPORTS, DOCUMENTS, TELEGRAMS, MESSAGES AND LETTERS WHICH HE SAID ARE IMPORTANT "MISSING PIECES OF EVIDENCE" IN THE STORY OF CHINA AND ITS DEFEATS BY THE COMMUNISTS.
JUDD, A MEMBER OF THE HOUSE FOREIGN AFFAIRS COMMITTEE, SAID HE

WOULD MAKE SOME OF THEM PUBLIC IF THE STATE DEPARTMENT DOESN'T.
ONE OF THESE HE LISTED AS A 1944-45 REPORT ON CHINESE COMMUNIST ACTIVITIES BY THE U.S. ARMY'S INTELLIGENCE SECTION WHICH, HE SAID, WAS "SUPPRESSED BY GENERAL MARSHALL"--GEORGE C.MARSHALL, FORMER SECRETARY OF STATE AND FORMER ARMY CHIEF OF STAFF.
JUDD SAID THAT DURING THE LAST WAR THE ADMINISTRATION "MADE TWO FRIGHTFUL MISTAKES."
ONE, HE SAID, WAS THE ASSUMPTION "THAT THE SOVIET UNION WAS A PEACE LOVING DEMOCRACY EAGER TO COOPERATE WITH THE UNITED STATES IN PEACE AS IT HAD DURING THE WAR."
THE OTHER, HE SAID, IS THE ASSUMPTION "THAT COMMUNISTS WERE JUST ANOTHER POLITICAL PARTY WITH WHOM HONEST MEN COULD SAFELY COOPERATE.
HE CONTINUED:
"THEREFORE, AT YALTA, PRESIDENT ROOSEVELT BOUGHT RUSSIA'S ENTRANCE INTO THE PACIFIC WAR AT THE EXPENSE OF CHINA, EVEN THOUGH STALIN HAD VOLUNTARILY ASSURED SECRETARY HULL RUSSIA WOULD ENTER THE WAR WITHOUT A 'PRICE.'
"PRESIDENT TRUMAN LATER INAUGURATED A POSTWAR POLICY TOWARD CHINA BASED ON FORCING THE CHINESE GOVERNMENT TO FORM A COALITION WITH THE CHINESE COMMUNISTS--OR ELSE LOSE AMERICAN SUPPORT."
THESE TWO "MISTAKES" HE SAID BROUGHT ABOUT CHINA'S DOWNFALL AT THE HANDS OF THE COMMUNISTS, AND ADDED:
"IF THEY GET ALL OF CHINA, I BELIEVE THEY WILL GET ASIA.
"WORLD WAR III, WHOSE FOUNDATION ALREADY HAS BEEN LAID, WILL THEN BE INEVITABLE--UNLESS WE ARE WILLING TO ACCEPT COMMUNIST CONTROL.

"I ACCUSE SECRETARY OF STATE ACHESON AND HIS ASSOCIATES OF DOING JUST THIS IN THEIR WHITE PAPER X X X"
JUDD SAID THE SITUATION IN CHINA IS "ESSENTIALLY SIMILAR" TO THAT WHICH FACES THE UNITED STATES IN GREECE" AND ASSERTED THAT "UNTIL WE MAKE IN CHINA THE SAME SORT OF EFFORT THAT IS SUCCEEDING IN GREECE NO ONE CAN KNOW WHETHER IT IS POSSIBLE TO STOP COMMUNISM IN ASIA."
AMONG OTHER DOCUMENTS JUDD DEMANDED BE MADE PUBLIC WERE:
THE HENRY WALLACE REPORT TO PRESIDENT ROOSEVELT ON CHINA IN 1944.
"AFTER FDR'S DEATH, THE TELEGRAM FROM WASHINGTON TO AMBASSADOR HURLEY IN CHINA INSTRUCTING HIM TO DISREGARD THE ROOSEVELT POLICY OF SUPPORT FOR THE CHINESE GOVERNMENT AND TO ACT TOWARD THE CHINESE COMMUNISTS AS HENRY WALLACE HAD."

WASHINGTON, AUG 19-(AP)-THE AGRICULTURE DEPARTMENT ANNOUNCED TODAY THAT IT WILL PAY AN EXPORT SUBSIDY ON RAISINS SENT TO MARSHALL PLAN COUNTRIES, AS AN AID TO CALIFORNIA GRAPE AND RAISIN PRODUCERS DURING THE CURRENT MARKETING YEAR.

DETAILS AND THE [redacted] SUBSIDY RATE WILL BE ANNOUNCED SHORTLY.

THE DEPARTMENT ALSO SAID A "DIVERSION PAYMENT" OF UP TO $80 PER TON WILL BE MADE ON RAISINS WHICH ARE SHIFTED FROM NORMAL COMMERCIAL OUTLETS INTO A SURPLUS POOL.

THE AMOUNT OF THE DIVERSION PAYMENTS AND PROCEEDS OF SALES FROM THE SURPLUS POOL, LESS THE COST OF HANDLING AND SELLING THE RAISINS, WILL BE DISTRIBUTED TO THE PRODUCERS WHO DELIVER FRUIT TO THE POOL.

THE DEPARTMENT SAID THE EXPORT SUBSIDY WILL BE AT LEAST AS FAVORABLE AS THAT IN EFFECT FOR A SIMILAJ PROGRAM LAST YEAR. THE DEPARTMENT ADDED THAT LAST YEAR'S RATE WAS 20 TO 25 PER CENT OF THE AMERICAN PRICE WHICH AVERAGED ABOUT $134 PER TON.

REP.WHITE (D-CALIF) SAID IN A STATEMENT THAT THE EXPORT RATE WILL BE "UP TO 50 PER CENT OF THE SALE PRICE AT SHIPSIDE IN AMERICAN PORTS."

IT IS ESTIMATED THAT THERE MAY BE AS MUCH AS A 100,000 TONS SURPLUS THIS YEAR, CAUSING THE PROGRAM TO RUN AS HIGH AS $8,000,000 (M).

THE DEPARTMENT SAID INDUSTRIAL REPRESENTATIVES HAD SUGGESTED THAT THE DEPARTMENT ARRANGE TO ADVANCE A SUBSTANTIAL PART OF THE DIVERSION PAYMENTS, BEFORE THE ACTUAL DIVERSION IS MADE, AND ALSO EXTEND FINANCIAL AID IN CONNECTION WITH THE NANDLING AND DISTRIBUTION OF THE RESERVE POOL.

THE DEPARTMENT SAID THESE SUGGESTIONS ARE UNDER CONSIDERATION BUT IT HAS NOT YET BEEN DETERMINED THAT THEY ARE FEASIBLE.

THE DEPARTMENT ADDED THAT THE PROGRAM IS BEING PUT INTO EFFECT ON THE UNDERSTANDING THAT THE CALIFORNIA RAISIN AND GRAPE INDUSTRY WILL CARRY OUT COMPLEMENTARY PLANS WHICH IT HAS INITIATED. THESE INCLUDE THE CALIFORNIA STATE GRAPE STABILIZATION PROGRAM AND THE RAISIN MARKETING AGREEMENT AND ORDER PROGRAM.

RECOMMENDED BY REPRESENTATIVES OF RAISIN PRODUCERS AND HANDLERS, AND APPROVED BY A LARGE MAJORITY IN A REFERENDUM, THE AGREEMENT AND ORDER PROVIDE FOR ORDERLY MARKING AND FOR CONTROL OF SURPLUS RAISIN SUPPLIES, A DEPARTMENT ANNOUNCEMENT SAID.

UNDER THIS PROGRAM, RAISINS ACQUIRED BY HANDLERS CAN BE DIVIDED INTO FREE TONNAGE, RESERVE TONNAGE, AND SURPLUS TONNAGE.

RESERVE TONNAGE CAN BE RELEASED TO AUGMENT THE FREE TONNAGE IF NEEDED, THE DEPARTMENT SAID. SURPLUS TONNAGE, AND ANY REMAINDER OF THE RESERVE TONNAGE, IS TO BE DIVERTED--DISPOSED OF IN WAYS WHICH WILL NOT INTERFERE WITH DISPOSITION IN COMMERCIAL TRADE CHANNELS.

HE SPOKE AT AN AFTERNOON SESSION PRESIDED OVER BY CHARLES F. BRANNAN, UNITED STATES SECRETARY OF AGRICULTURE.

IN HIS OWN FIELD, BENNETT SAID, BEST RECENT ESTIMATES SHOW THE WORLD HAS LEFT ONLY ABOUT FOUR BILLION ACRES OF ARABLE LAND TO FEED AND CLOTHE ITS TWO AND ONE QUARTER BILLION PEOPLE. MUCH OF THE LAND IS MEDIOCRE AND GROWING WORSE, WHILE POPULATION IS INCREASING BY 20,000,000 A YEAR, "FASTER THAN EVER," HE CONTINUED.

FINNISH STRIKERS GOING BACK ON JOB

Labor Federation Is Split; Troops, Police On Alert

Helsinki, Finland, Aug. 20 (AP)—The nation-wide Communist strike offensive showed signs of weakening today.

Workers in many areas returned to their jobs. A major split developed in the powerful Central Trade Union Federation.

The Social Democratic Government of Premier Karl August Fagerholm, however, remained on guard. It kept its army and police forces on an alert. The government called the wave of strikes a Communist maneuver to seize power.

Soon after trouble began Thursday the government struck back by arresting Communist leaders in several regions.

In neighboring Sweden, informed sources described the strike action as the most carefully planned Communist bid for power in Finland since the war.

Called "Bloody Suppression"

The Soviet-controlled press in Moscow continued to call the Helsinki Government's action against the strikers a "bloody suppression of Finnish workers." Finland, under fire from Moscow for some time, is the only nation on Russia's western doorstep with a non-Communist government.

In the third day of the labor crisis, the Ministry of Finance, in newspaper advertisements, warned workers not to heed strike calls. Posters attacking the Communists were tacked up in the streets.

Apparently determined to fight on, the Communists rushed a letter to President Juho Paasikivi charging the strikers' constitutional rights were violated when police dispersed a crowd of workers in Kemi two days ago. They also claimed the incident violated Finland's treaty with Russia. The Finnish Government has a ten-year friendship and mutual assistance treaty with the Soviet Union.

Some Stay On Jobs

When police started to disperse 1,500 strikers in Kemi, a northern lumbering town on the Gulf of Bothnia, some of the striking lumberjacks exchanged pistol shots with police Thursday. One man was killed and nine were wounded.

A typical sign of a break in the strike front came from Tampere, 95 miles north of Helsinki, where only construction workers walked out. Other workers stayed at their jobs.

The longshoremen's strike, however, still was effective, and employers admitted the construction workers' walkout was widely effective. The transport workers' walkout is scheduled for Monday.

Dockers still were out. Volunteer stevedores were arriving in Hango, which the Government has said will be kept open to foreign shipping, but no work had started.

At the height of the strike wave, 35,000 to 45,000 workers were estimated to have walked out.

The split in the Central Trade Union Federation developed when the council voted 8 to 5 to order the Communist-led unions to end their strikes before August 23 or be expelled from the federation.

Federated Union Orders Finns To Work

Helsinki, Finland, Aug. 20 (AP)—Finland's Central Trade Union Federation has acted against the Communist-led unions' growing offensive. It ordered them to cancel their strike call or face expulsion.

The move, which threatened to split the federation wide open, came on the heels of a Government crackdown on the nation-wide strike offensive, which has already caused bloodshed.

By a vote of eight to five, the federation's executive committee decided to order four striking unions to call off their walkouts before August 23 or get out of the federation.

Targets Of Order

The move was directed against the dockers, food workers, building-construction workers and the forestry workers' and loggers' union.

The federation made it clear that the textile, leather, shoe and rubber workers' union, who also have scheduled strikes, would be kicked out if the strike calls are not canceled.

Meanwhile, the Finnish Communist party called on President Juho Paasikivi to denounce Thursday's police action against striking lumberjacks at the northern village of Kemi.

Firearm Use

A letter to Paasikivi claimed the clash was the first in the history of the Finnish labor movement in which police on Government orders had used firearms against unarmed strikers.

The party accused Unto Varjonen, minister without portfolio, and Interior Minister Aare Simonen of provoking incidents in the strike area and later using the incidents as a pretext for attacking the workers.

The Communists claimed the arrests of strike leaders constituted a violation of the constitution and of the peace treaty with Russia.

Another Protest

The Popular Democrats, who differ from the Communists in name only, also sent a letter to the President.

The Government, which has promised to "inflict a crushing defeat on the Communists," already has arrested a number of Red leaders, including two members of the Kemi City Council.

Technically, Finland has the right under an emergency law of May, 1941, to declare any strike illegal. The law empowers the Government to forbid a scheduled strike and states that any strike that has started shall cease.

Action Not Stipulated

The law does not stipulate what action the Government can take in case a strike ban order is disobeyed.

The current strike offensive was decided upon by the Communist-led unions after the devaluation of the Finnish mark last June. Union spokesmen urged the federation to take strong action for higher wages, but the federation said such actions were illegal.

SOVIET SAYS CITIZENS ARE MISTREATED

'Effective Measures' To Defend Rights Of Emigres Threatened

Moscow, Aug. 20 (AP)—Russia warned Premier Marshal Tito today it is prepared to take "effective measures" to protect the rights of Russian citizens now living in Yugoslavia.

In a stern note to the Belgrade Government, Russia also threatened to "bring to account" any persons found to be persecuting Soviet citizens in the big Balkan country. Just what these measures would be was not specified.

The Soviet note, broadcast over the Moscow radio, charged Tito's Government has tried to evade previous charges of "gross arbitrary rule and brutal repressions against Soviet citizens." Last week Russia called Yugoslavia an enemy of the U.S.S.R.

Series Of Bitter Exchanges

Referring to White Russians now living in Yugoslavia, the Soviet note said many of these people had "atoned for their sins with new pro-Soviet deeds" during World War II. They were forgiven by both Yugoslavia and Russia, the note said, and more than half the 12,000 still in Yugoslavia have applied for Soviet citizenship.

["White Russian" is a term applied to Russians who fled their country at the time of the Bolshevik revolution.]

"Why then, four years afterward, has Yugoslavia suddenly remembered the past sins of these people and begun to persecute them?" the Russian note asked. "And why are only those emigres prosecuted for their past sins who subsequently became Soviet citizens?"

The new charges were sent to Belgrade on August 18. It was another in a series of recent bitter diplomatic exchanges between Russia and her former Yugoslav ally. Russia originally protested arrests of the citizens in a note on July 25.

At Odds Since 1948

The Soviet Union and Yugoslavia have been at odds, politically, since June, 1948, when Russia and her Cominform bloc of satellite states in eastern Europe accused Tito and his top Communist deputies of nationalistic deviations from the Marxist-Leninist line as laid down by the Kremlin.

The new Russian complaint to Belgrade said:

"The Yugoslav Government maintains utter silence about the facts of the unlawful arrests of Soviet citizens, the facts of the unbearable and inhuman prison regime as a result of which many prisoners have been brought by tortures, beatings and deprivation of food to an extremely ill state, endangering their lives.

Compared With Greece, Spain

"Instead of replying to these accusations, the Yugoslav Government seeks to substitute for this question another one—namely, the question of motives for the arrests of Soviet citizens—seeking to justify in this way the brutal treatment and other crimes of Yugoslav organs against Soviet citizens."

The latest Soviet note compared Tito's Government with those of Greece and Spain. It said that Spain, Yugoslavia and Greece were the only countries in the world where distribution of the Cominform resolution attacking Tito is a criminal offense.

The note said that the Tito Government's assertions to the effect that Socialist construction is progressing in Yugoslavia were similar to statements by Hitler and Mussolini in their day.

Moscow Assails Tito's Arrests Of Russians

London, Aug. 20 (AP)—Soviet Russia has warned Yugoslavia it is prepared to take "effective measures" to defend the rights of its citizens there, the Moscow radio said tonight.

It added that Russia also has threatened to "bring to account" those responsible for alleged mistreatment of Soviet citizens in Yugoslavia.

The broadcast was heard here by the Soviet monitor.

Premier Marshal Tito's Government has sought to evade charges of "gross arbitary rule and brutal repressions against Soviet citizens," the radio said.

Bitter Exchanges

It said the Russian charges were contained in a note sent Yugoslavia August 18. This was another in a series of bitter exchanges between Soviet Russia and her former Yugoslav ally.

Russia originally protested the arrests in a note July 25.

"The Yugoslav Government maintains utter silence about the facts of the unlawful arrests of Soviet citizens," the new note said. "The facts of the unbearabl and inhuman prison regime as a result of which many prisoners have been brought by tortures, beatings and deprivation of food to an extremely ill state, endangering their lives.

Brutality Alleged

Instead of replying to these accusations, the Yugoslav Government seeks to substitute for this question another one—namely, the question of motives for the arrests of Soviet citizens—seeking to justify in this way the brutal treatment and other crimes of Yugoslav organs against Soviet citizens."

The broadcast said Yugoslavia replied to the original charges July 30.

"In its note, the Yugoslav Government refers to the fact that many of the arrested persons had come out against the Soviet Union, the Soviet Army, and leaders of the Soviet Union," the broadcast quoted the new Kremlin protest as saying.

"Atoned For Sins"

The exchange between the two countries began a year ago, after Yugoslavia was kicked out of the Cominform for Tito's "nationalistic tendencies."

The Kremlin's latest statement said many of the White Russians who remained in Yugoslavia "atoned for their sins with new proSoviet deeds" in World War II.

Forgiven By Both

They were forgiven by both Yugoslavia and Russia, the note said, and more than half the 12,000 still in Yugoslavia applied for Soviet citizenship.

"Why then, four years afterward, has Yugoslav suddenly remembered the past sins of these people and begun to prosecute them?" the note asked. "And why are only those emigres prosecuted for their past sins who subsequently became Soviet citizens?"

Text of the Soviet Note to Yugoslavia

LONDON, Aug. 20 (AP)—The text of a Soviet note to the Yugoslav Government, as distributed by the Soviet monitor in London:

In connection with the note of the Yugoslav Government of July 30, which has to be recognized as internally false and politically groundless, the Soviet Government deems it necessary to make the following remarks:

In its note of July 30 the Yugoslav Government seeks to evade charges of gross arbitrary rule and brutal repressions against Soviet citizens residing in Yugoslavia.

The Yugoslav Government maintains utter silence about the facts of the unlawful arrest of Soviet citizens, facts of an unbearable and inhuman prison regime for Soviet citizens, as a result of which many prisoners have been brought by tortures, beatings, and deprivation of food to an extremely ill state endangering their life.

Instead of replying to these accusations presented by the Soviet Government in the note of July 25, the Yugoslav Government seeks to substitute for this question another one: namely, the question of motives for the unlawful arrests of Soviet citizens, seeking to justify in this way the brutal treatment and other crimes of the Yugoslav organs against Soviet citizens.

The Yugoslav Government puts forth as the main motive for the unlawful arrests of Soviet citizens and the brutal treatment of them by Yugoslav organs the fact that in the past arrested Soviet citizens were White Guard émigrès and that in the past they were hostile to the Soviet Union and the Soviet Government.

Refers to Soviet Reply

In its note the Yugoslav Government refers to the fact that in the past many of the arrested persons had come out against the Soviet Union, Soviet Army and leaders of the Soviet Government. But all this was known long ago and does not represent anything new.

It is known that all 12,000 Russian émigrès now residing in Yugoslavia—those who after the second World War accepted Soviet citizenship, and those who did not—were driven by the Soviet Government beyond the bounds of the U.S.S.R. twenty-eight years ago after the victory over White Guard Generals Dénikin, Wrangel, and Krasnov were driven out as enemies of the people.

Naturally these White Guard elements waged a struggle against the Soviet system, vilified the Soviet Government and Soviet leaders, and harmed the Soviet Union in any way they could.

It is also known these White Guards driven out of the U.S.S.R. found their main asylum and refuge in Yugoslavia and Yugoslavia was a European country whence these White Guards conducted their subversive activity against the Soviet Union for more than two decades.

This was the situation in the past.

It is known, however, that subsequently during the second World War when defeat of Fascist Germany became definite, sentiments of the White Guards began to change and Russian White Guard émigrès in Yugoslavia began to disintegrate into groups of which the most incorrigible enemies of the Soviet Union left Yugoslavia together with German troops which were driven from Yugoslavia by the Soviet Army, while the other part of the émigrès changed their orientation and began to turn toward the Soviet Union. Many of them began to help Yugoslav guerrillas in the struggle against the German-Italian occupation and began to atone for their sins with pro-Soviet deeds, with more than 6,000 peoples out of 12,000 former White Guards remaining in Yugoslavia presenting applications stating their wish to assume Soviet citizenship.

Says They Atoned for Sins

It is also known that in connection with these circumstances both the Governments of the Soviet Union and Yugoslavia arrived at the conclusion that in so far as the emigres remaining in Yugoslavia had broken with fascism, and atoned for their past sins by their work at the front against fascism, it would be unjust to take revenge on them for their past White Guard sins and that they should be permitted to adopt Soviet or Yugoslav citizenship at their discretion.

This was in 1945 and since then the Russian emigres remained in Yugoslavia, having rights of equal citizens and there was no instance of the Yugoslav Government's initiating any case against them connected with their past White Guard sins.

The question is then asked why then now in 1949—four years after the Russian emigres in Yugoslavia were amnestied—why then now has the Yugoslav Government suddenly remembered about the past sins of these people and begun to persecute them for these sins?

Why has the question of persecuting emigres for their past not arisen earlier before the Yugoslav Government and why has it only now remembered about their emigre past, despite the fact they atoned for the sins of the past by their subsequent honest work, despite the fact they were forgiven for these sins four years ago?

Further, if the past White Guard sins are sufficient grounds for the persecution of emigres amnestied as far back as four years ago why then are prosecutions initiated against not all or most of the emigres in Yugoslavia who were White Guards in the past and harmed in any way they could both the Soviet Union and Yugoslav revolutionaries but only those emigres are persecuted for past sins who subsequently became Soviet citizens?

Why are such innocent people from among the Soviet citizens in Yugoslavia as Dodonov Demidenko Strelach and Kisselevskaya being persecuted by Yugoslav organs for their former emigre sins while such dyed in the wool enemies of everything progressive and revolutionary as Kotylarov, who completed espionage and sabotage courses of German intelligence and who served in the White Guard Security Corps, Zhukov, active member of the white emigre press organs in Yugoslavia during the German occupation, and Dyunkovsky, a Fascist agent and enemy of the U.S.S.R., far from being prosecuted for their past White Guard sins, on the contrary continue serving in Yugoslav institutions?

Where here is the logic, justice and elementary decency?

It is obvious that the Yugoslav Government's attempt to advance past emigre sins of Soviet citizens in Yugoslavia as a motive for their persecution is utterly false and completely unjustified.

There can be no doubt that clinging to this false motive the Yugoslav Government pursued the aim of distracting the people's attention from the real reason for the persecution of Soviet citizens, covering themselves by false speeches about their emigre past to conceal this reason from the people.

Where, then, lies the real reason for the persecution of Soviet citizens by the Yugoslav Government?

The real reason for the persecution of Soviet citizens lies not in the fact Soviet citizens were emigres in the past but in the fact they are supporters of friendly relations between the U.S.S.R. and Yugoslavia, that they do not approve of the present-day hostile policy of the Yugoslav Government toward the Soviet Union.

The real reason for the persecution of Soviet citizens lies in the fact they alongside of all patriots of Yugoslavia, do not approve of the well known and impermissible behavior of the Yugoslav Government, which deserted the camp of democracy and socialism for the camp of international capital and is now striving to do as much harm as possible to the Soviet Union in order to curry favor with the representatives of international capital and build a career for itself on this.

Precisely for this reason and not for their emigre past Soviet citizens are being persecuted by the Yugoslav Government.

Precisely for this and not for anything else thousands of Yugoslav patriots are being persecuted and imprisoned.

The Yugoslav Government itself is forced to admit this in its note.

Realizing the worthlessness of accusations built on the emigre past, the Yugoslav Government in its note lets out the fact there is still another accusation; namely, certain arrested Soviet citizens have a negative attitude toward the existing regime in Yugoslavia, sympathize with the well known resolution of the Information Bureau of the Communist parties (Cominform) and contribute to its dissemination.

But what sort of an accusation is this?

Such an accusation is not so much an accusation against arrested Soviet citizens as against the existing political regime in Yugoslavia.

Likened to Fascist Regimes

The fact the Yugoslav Government puts forward such accusations shows what sort of political regime reigns in Yugoslavia at present.

In no country except countries having a Fascist regime is free expression of democratic views considered a crime.

In present day Yugoslavia, however, it turns out this serves as a justification for unlawful arrests and cruel treatment of people who dare to criticize Fascist dispensations in Yugoslavia.

The Yugoslav Government, realizing such an argument is false and unconvincing, and in order to lend this argument a semblance of being convincing, falsely ascribes to some arrested persons "propaganda of the forcible overthrow of the state system in Yugoslavia," linking this with the Cominform resolution.

These inventions, however, are an obvious provocation and slander.

The Cominform resolution does not contain a single word about the "propaganda of the overthrow of the state system in Yugoslavia," or "forcible" measures for changing this system.

The resolution of the Cominform, issued before the (Communist) party congress in Yugoslavia, and as if directed to the congress, says:

"The Information Bureau does not doubt that in the ranks of the Communist party of Yugoslavia there are plenty of healthy elements loyal to Marxism and Leninism, loyal to the internationalist traditions of the Yugoslav Communist party and loyal to the united Socialist front.

"The task of these healthy forces of the Communist party of Yugoslavia is to compel their present leaders to admit their mistakes openly and honestly and to correct them, to make a break with nationalism, to return to internationalism and to strengthen to the utmost the united Socialist front against imperialism, or if the present leaders of the Communist party of Yugoslavia are found to be incapable of doing this to remove them and put forward new internationalist leadership of the Communist party of Yugoslavia. The Information Bureau does not doubt that the Communist party of Yugoslavia will be able to carry out this honorable task."

As can be seen, the resolution does not contain a single word about an overthrow, still less a forcible overthrow, of the state system in Yugoslavia.

The resolution only says that the Communists of Yugoslavia should compel the existing leadership of the Yugoslav Communist party to revise its policy or, if that proves impossible, should renovate the leadership of the Yugoslav Communist party and elect a new leadership.

Is this path constitutional for the party, and is it an entirely lawful method? Without question, it is.

Soviet Citizeness Strelkach, who was thrown into a Belgrade prison in March of this year, was summoned every night for questioning for twenty-two successive days.

Strelkach was charged with espionage for the Soviet Union, and an attempt was made to discover her attitude toward the resolution of the Information Bureau.

Says Woman Was Beaten

During the interrogations, Strelkach was beaten repeatedly.

Six times she was thrown into a cell with only enough room to stand in.

Just before the second World War at the Congress of the Communist party of the United States the old party leadership under (Earl) Browder was voted out of office and replaced by a new leadership under (William Z.) Foster.

Yet there was not a person in the world to qualify the fact as a forcible overthrow of the existing party structure.

In 1907 at the congress of the Russian Social Democratic party in London, the old leadership of the party in which Mensheviks were in a majority was voted out of office and replaced by a new leadership with the Bolsheviks in a majority. Yet there was not a person in the world who declared this act to be a forcible overthrow of the existing party structure.

In 1921 at the 10th congress of the Communist party of the Soviet Union when Lenin had no solid majority in the party's central committee, the congress elected a new central committee with an ensured majority of Leninists.

Yet there was not a person in the world who declared this act to be a forcible overthrow of the state system of the Soviet Union.

And that is understandable.

In Marxist parties congresses are held not to extol the leaders but to discuss the activity of the existing leadership with a critical eye and, if necessary, to renew that leadership or replace it with a new one.

In all Marxist parties, where there is internal party democracy, such a method of changing leadership is natural and entirely normal.

The question arises, why is it that what is normal and lawful for Marxist parties, the Yugoslav Government considers abnormal, unlawful and criminal for the Yugoslav Communist party?

Is it not because the Yugoslav leaders hav ebroken with the principles of Marxism-Leninism?

There are only two Governments in Europe which regard the resolution of the Cominform as a "criminal leaflet." They are the Greek and Spanish, the Tsaldaris and the Franco Government.

Both of these Governments are Fascist.

Apparently the Yugoslav Government is the third such Government which also regards the resolution of the Cominform as a "criminal leaflet," holding that its circulation or even any acquaintance with it is sufficient ground for throwing people into prison by the thousands.

Suggests Deliberate Action

Is it not clear that this coincidence is not accidental?

After all this, of what worth is the so-called "charge" brought

30.24- 5155

against the Soviet citizens of "circulating" the Cominform resolution and of "propagating the forcible overthrow of the state system in Yugoslavia?"

The Yugoslav Government states that the note of the Soviet Government is an insult to Yugoslavia and constitutes slander against the supposedly Socialist system in Yugoslavia.

Moreover, the Yugoslav Government asserts the Soviet Government is trying to distort the "truly democratic Socialist character of the people's power" in Yugoslavia.

But the Soviet Government is obliged to tell the truth about the present regime in Yugoslavia, even if that truth insults someone and stings.

One need only look closer into what is going on in Yugoslavia today to dispel all doubts that there can be no talk at all at the present time about any people's power or any democratic and Socialist character of the state system in Yugoslavia.

And indeed, what sort of Socialist system in Yugoslavia can you speak of when the country has been put under the control of foreign capital and the leadership of the Yugoslav Communist party is at war with the Communist parties of the whole world?

Of what democratic power can there be talk when Gestapo methods of rule prevail throughout Yugoslavia, when all free expression of thought is stifled, all human rights are trampled upon, when Yugoslav prisons are crowded with the supporters of the Socialist camp, when the Communist party of Yugoslavia has become a branch of the political police subordinated to Chief of Police Rankovic (Interior Minister Alexander Rankovic)?

Linked to Hitler's Charges

Plainly enough, the declarations of the Yugoslav Government about some alleged Socialist construction and progress in Yugoslavia are worth no more than similar declarations once made by Hitler and Mussolini.

For a characterization of the present political regime in Yugoslavia, attention should be drawn to the following facts which have accidentally become known to the Foreign Ministry of the U.S.S.R.

In May of this year, Soviet Citizen N. G. Dodonov, who was employed under contract as a technical supervisor at the Duga factory in Belgrade, was suddenly dismissed from the factory for "political reasons," as was stated in his labor book.

When Dodonov filed a grievance against such arbitrary action with the general director of the chemical industry of Serbia, Budisavlevic, and demanded an explanation as to what the "political reasons" were, Budisavlevic told him frankly that the "supporters of the Information Bureau's resolution are deprived of legal protection."

That very day Dodonov was arrested and taken to the state security department of the Second District of the City of Belgrade, where for several days he was systematically beaten by the chief of that department, Capt. Shotra, who tried to obtain a confession from Dodonov that he had supported the resolution of the Information Bureau and pasted up illegal leaflets in the Duga factory.

During the police interrogation Dodonov was kept on his feet without moving for twenty days and deprived of sleep, food and water for two days.

When Dodonov's father applied to the Assistant Public Prosecutor of Serbia, Vukadinovic, with a complaint against the maltreatment to which his son had been subjected in the State Security Headquarters, Vukadinovic not only refused to accept the grievance but tried to justify the criminal actions of the Yugoslav police officials with the cynical statement that "that is our auxiliary investigating machinery, and they know what they are doing."

Soviet Citizeness Demidenko, arrested in May of this year, received no food for six days.

During her interrogation she was beaten on the feet with clubs in an attempt to wring an admission from her that she had gathered some sort of information for the U.S.S.R.

Can a regime that practices such outrages and gives people such inhuman treatment be called a democratic people's regime?

Would it not be more true to say that a regime that permits such abuse of people is a Fascist Gestapo regime?

The Yugoslav Government makes so bold as to express indignation in its note that the Soviet Government should have charged Yugoslav authorities with using intolerable and inhuman methods in dealing with the arrest of Soviet citizens.

The Yugoslav Government declares that such methods of conducting an investigation as beating and torturing the arrested are entirely alien and unfamiliar to Yugoslav authorities, but the facts produced, as others like them, speak for themselves.

The Yugoslav Government will not be able to brush aside these facts.

The Soviet Government maintains that responsibility for the aforementioned brutal treatment of Soviet citizens rests with the Yugoslav Government.

The Yugoslav Government tries to claim some sort of interference on the part of the Soviet Government in the domestic affairs of Yugoslavia. It represents the matter as though the Soviet Government did not recognize the rights of the Yugoslav Government to arraign Soviet citizens guilty of crimes.

But this claim of the Yugoslav Government lacks all foundation, since it is not a matter of persecution of Soviet citizens for actions which constitute a violation of the law but a question of the Yugoslav Government persecuting Soviet citizens who had not committed any crime and are persecuted only because they express democratic views and champion friendly relations between the Soviet people and the people of Yugoslavia.

The Yugoslav Government apparently intends in the future to continue the practice of inhuman treatment of Soviet citizens, the practice of unlawful arrests and beatings, the practice of mockery toward Soviet citizens. Apparently, the Yugoslav Government does not intend to bring to account those who are to blame for these practices.

If that is so, the Soviet Government deems it necessary to declare that it will not reconcile itself to such a situation and will be forced to resort to other more effective measures necessary to defend the rights and interests of Soviet citizens in Yugoslavia and to call to order the violators.

Tito Warns Greece On Slav 'Persecutions'

London, Aug. 20 (AP)—Yugoslavia warned she will act to protect her citizens, if alleged persecution of Yugoslavs in Greece is not stopped, the Yugoslav News Agency Tanjug declared today.

A Tanjug report distributed here said the Yugoslav legation in Athens in a note to the Greek Government protested against "intensified terror over Yugoslav citizens who maintain any connections" with Premier Marshal Tito's representatives in Greece.

The note, Tanjug said, declared some Yugoslavs in Greece "whose only crime was that they had requested repatriation to Yugoslavia" had been tried and sentenced to death or imprisonment.

U.S. Barbs Sting British, Chided On Dollar Crisis

Nation 'Tired Of Yankee Insults,' Paper Asserts; Shinwell Warns Against Twisting Lion's Tail

London, Aug. 20 (AP)—The steady lashing from some sections of American public opinion raised welts on the British hide today. The result: Supporters of the Labor Government struck back, independent organs showed a flash of injured national pride, the Conservative press protested.

The stream of suggestions that Britain would need less dollar help from the United States. If she would do more to help herself, gave rise to this headline in the *Sunday Pictorial*, a pro-Labor tabloid which claims 5,000,000 circulation:

"We British are tired of Yankee insults."

Time to Quit "Sneering"

Emanuel Shinwell, Minister of War, in a speech at Aspatria declared it was time that the American and other critics quit "sneering" at Britain and remember that "the game of twisting the lion's tail is a risky one and it may recoil on those who indulge in this pastime."

"The suggestion that Britain is played out is sheer nonsense," he continued, adding that it was time "due recognition was given to the part played by this country in world affairs."

"Now, when we have almost exhausted ourselves in six years of war and find ourselves in a grave economic position, our magnificent efforts in the past are overlooked," he complained.

Portrayed As Bowery Bum

From the British point of view the criticism abroad could not come at a worse time. United States, British and Canadian officials will go into a huddle in Washington September 6 to see whether they can find a lasting cure for Britain's dollar shortage. The British have been hoping for decisions reached in an atmosphere of sympathetic understanding. The sharp criticism makes them wince.

The *Sunday Pictorial* printed a cartoon in which a slovenly, Bowery bum of a John Bull stands in front of a barroom labeled "Socialist Saloon" holding out a tin cup to Uncle Sam.

"This insulting cartoon—typical of hundreds of others on the same theme—has just appeared in the American press," said the pictorial's caption.

The *Pictorial* said the cartoon was from the Memphis (Tenn.) *Commercial Appeal*. It did not give the date.

In an article, the tabloid commented that "it is fair to say that the British are riled. In fact, we're damned annoyed.

"During the last few weeks it has been impossible to pick up a newspaper without reading onslaughts against this country, its political leaders and its people. Our traducers have not stopped short of downright lies.

"Britain is accustomed to a generous dose of abuse from the Continent. Now, it seems, we must be kicked downstairs by the Yanks.

"Borrowed Time . . . British Lives"

The *Pictorial* said some Americans seem to think Britain is "living on borrowed time and American money," and demanded to know:

"Well—it is also conceded that twice in this century the Americans have lived on borrowed time and British lives? And do you realize that one day you may need to do so again?"

"Let's get this clear—we're going to run our own country in our own British way," declared the *Pictorial*.

The paper took special offense at six other recent examples of American press criticism.

It cited the gibe of the New York *Daily News* that "the old British backbone is turning to putty."

It cited an editorial in the *News* saying "let's write Britain off."

It quoted "a Chicago journal" as telling its readers, "here's that beggar again."

Quotes N.Y. Mirror

It passed along the New York *Mirror's* statement it "fervently trusts" the British won't have "an easy time of it" in the Washington dollar talks.

It said E. T. Leech, who signed a series for the Scripps-Howard newspapers, wrote with a "poison pen."

It reported that the *Wall Street Journal* had described Sir Stafford Cripps, Chancellor of the Exchequer, as one of "Hitler's heirs."

The Conservative *Daily Telegraph* protested that American critics over-simplify things. It is "too easy to say that the only method of closing a dollar deficit is to earn a dollar income," said the *Telegraph*. "What about the United States tariffs which help keep out British dollar exports?"

The *Economist*, an influential anti-Labor journal, denied that Britain's troubles are "due to anything that can properly be called socialism."

"Emotional Fault-Finding"

The independent *Observer* complained of "loud, emotional fault-finding" from overseas.

In general, American criticism reproduced here has taken these main lines:

Here it is four years after the war and Britain still has its hand out for dollars. How much longer is this going on?

The British workman produces only half as much on the average as his counterpart in an American factory. He should work harder.

Britain cannot afford a five-day working week at a time like this.

The Labor Government is pampering the worker with welfare and health services which demand outrageously high taxes. Private enterprise is robbed of its incentive and does not risk capital for possible new profits.

What Laborites Reply

To these criticisms the Laborites reply:

British industry took a beating during the war, yet produced in the first quarter of this year at 131 per cent of the 1938 rate. This is a better showing than any other industrial nation of western Europe which took part in the war.

British exports are running 156 per cent of pre-war. The trouble is in selling them to dollar areas.

The recent falling off of United States buying has hurt. Sales of wool, jute, rubber, tin and cocoa to America in the first quarter of 1949 were at a rate of $600,000,000 a year. Sales in 1948 totaled $730,000,000.

The British workman produces less than the American because he

has fewer machines to help him. British industry is modernizing as fast as it can, especially in the branches that are now state-owned.

The British workman produced only half as much as the American even before the war—when Britain had a Conservative Government.

Working Hours Compared

As for the five-day week, average hours worked in the United Kingdom, including overtime, are 46½ a week for men, compared with 47½ in 1938, and 42 and 41 for women and juveniles, compared with 44 and 43 in 1938.

Spending for British welfare services is in pounds, not dollars. Sickness and death rates are the lowest ever. The new generation will be Britain's healthiest in history.

Taxes must stay high to curb inflation and thus give every Briton his fair share of national production and food.

A record one fifth of the national income is now going into new capital investment. Company profits, even after taxation, are as high as ever.

Unhappily, the British fear that all these arguments are likely to go in one ear and out the other when an American sees something like a picture published this week by the *Evening Standard*, a Lord Beaverbrook paper. Lord Beaverbrook believes the cure for what ails Britain is to build up the Empire.

Three Men Look On

The photograph showed one roll of linoleum being removed from a truck. There were seven men in the picture and the caption described it.

"Three men look on as four others carry a roll of linoleum into No. 10 Downing Street, where redecorating was in progress."

No. 10 is Prime Minister Attlee's official residence.

The advance guard of British experts who will take part in the dollar talks left on the Queen Mary today. Leader of the delegation was Sir Henry Wilson Smith, second secretary to the British Treasury. With him were S. L. Holmes, of the Board of Trade; R. L. Hall, of the economic section of the Cabinet office, and D. B. Pitbaldo, a Treasury undersecretary. Sir Stafford and Ernest Bevin, Foreign Secretary, will sail next Saturday on the Queen Elizabeth.

Doesn't Want Britain Called Poor

London War Minister Says Talk That England Is Played Out Is Sheer Nonsense.

Aspatria, England, Aug. 20 (A. P.).—War Minister Emanuel Shinwell urged today that American and other critics drop "the sneering references" to financially pinched Britain.

"The suggestion that Britain is played out is sheer nonsense," he said, adding it is time that "due recognition was given to the part played by this country in world affairs."

"The game of twisting the lion's tail is a risky one and it may recoil on those who indulge in this pastime," he said.

"Now, when we have almost exhausted ourselves in six years of war and find ourselves in a grave economic position, our magnificent efforts in the past are overlooked.

"It is bad enough when overseas critics attack us, but it is nothing short of treachery when critics at home, from political motives, seek to disparage this country."

British Experts Depart for U. S. Dollar Parleys

Cripps to Delay His Sailing Until Aug. 31; London Press Discusses the Crisis

LONDON, Aug. 20 (AP).—Sir Stafford Cripps, Chancellor of the Exchequer, will delay his departure for the Washington economic talks until Aug. 31. The conference is scheduled to open on Sept. 7.

Informants said tonight the delay had been decided upon in order to permit Sir Stafford additional rest here, following treatment at a Swiss nursing home for a digestive complaint. It will also give him time to dispose of accumulated business at the Treasury.

He had been booked to sail on the Queen Elizabeth with Foreign Secretary Ernest Bevin on Aug. 27. He now hopes to sail on the Mauretania on Aug. 31. Mr. Bevin may delay his own departure in order to make the crossing with Sir Stafford, if accommodations are available.

[The advance guard of the British delegation to the Washington talks departed on board the Queen Mary Saturday. It was led by Sir Henry Wilson Smith, second secretary to the British Treasury and head of its overseas finance section.]

Action Resented

Unfavorable comment by some sections of American public opinion on Britain's economic crisis evoked a spirited defense today, not only by supporters of the Labor government, but by the Conservative and Independent press as well.

The stream of suggestions that Britain would need less dollar help from the United tSates if she would do more to help herself gave rise to this headline in "The Sunday Pictorial," a pro-Labor tabloid which claims 5,000,000 circulation: "We British are tired of Yankee insults."

Emanuel Shinwell, Minister of War, in a speech at Aspatria, declared it was time American and other critics quit "sneering" at Britain and remembered that "the game of twisting the lion's tail is a risky one and it may recoil on those who indulge in this pastime."

"The suggestion that Britain is played out is sheer nonsense," he continued, adding that it was time "due recognition was given to the part played by this country in world affairs."

"Now, when we have almost exhausted ourselves in six years of war and find ourselves in a grave economic position, our magnificent efforts in the past are overlooked," he complained.

"Pictorial's" Comment

The "Pictorial," in an article, said: "during the past few weeks it has been impossible to pick up a newspaper without reading onslaughts against this country, its political leaders, and its people. Our traducers have not stopped short of downright lies."

The Conservative "Daily Telegraph" protested that American critics over-simplify things. It is "too easy to say that the only method of closing a dollar deficit is to earn a dollar income," said the "Telegraph." "What about the United States Tariffs which help keep out British dollar exports?"

The "Economist," an influential anti-labor journal, denied that Britain's troubles are "due to anything that can properly be called socialism." The independent "Observer" complained of "loud, emotional fault-finding" from overseas.

RUSSIAN COLD WAR CUT DOWN

Allied Officials Say They Think It's Merely A Lull

Berlin, Aug. 20 (AP)—Russia has throttled down her side of the cold war in Germany—but Allied officials say they think it's merely a lull.

Relations between the Western powers and Russia eased after the Soviet blockade of Berlin was lifted last May. High Allied officers think the Russians called off the siege for three reasons:

The Allied counter blockade, which stopped shipments of machine parts and other vital equipment to the Soviet zone, hurt the Russians more than the blockade hurt the Allies.

The airlift, a stupendous undertaking which Russians doubted could actually supply a city of more than 2,000,000, was a great success.

Russian propaganda attempts to lure west Berliners into the Communist fold fell flat.

Opposite Views

Lifting of the blockade was a shot in the arm to Berlin's industry and business, but German leaders said they had not noticed any new improvement traceable to the continued lessening of East-West tension.

Dr. Walter Schreiber, chairman of the Berlin branch of the Christian Democrat Union (CDU), which won a majority in last Sunday's West German elections, said "it is mere irony to speak of a lessening of tension in Berlin. We have not noticed any signs of it. It is high time something was done to unite Berlin under a single city government."

Carl-Hubert Schwennicke, chairman of the strongly anti-Socialist Free Democratic party (FDP), took the opposite view. He said "Russia certainly is interested in reducing the East-West rivalry in Berlin because a political crisis here would damage its already weak position in all of eastern Germany."

Incidents Disappear

With the lifting of the blockade the western Allies noted a change in the Russian attitude. The Soviet-licensed press slowly toned down its attacks. Personal tirades against Allied officers slacked off. Russian officers began showing up again at some semi-social functions of the west.

Allied officials say the Russians have almost restored the pre-blockade status quo. Americans report that the attitude of the Russians at Potsdam, where an American military mission is located, is not unfriendly, but it is still somewhat aloof.

Sector border incidents have disappeared. Last fall, when feeling was at its highest, western sector policemen were kidnapped by Soviet-backed German police almost daily. A high American official was arrested at a sector border point because he carried a camera. Today the Russians permit visitors to their sector to take pictures of everything but military installations.

American Officials Skeptical

The airlift, now being de-activated, is no longer heckled by Soviet aerial activity in the air corridors to Berlin. It was a common practice during the hard days of the blockade, but both Air Force officers and American Military Government officers assert the Russian planes never hampered the airlift.

"They annoyed some of the boys," said one officer, "but they never so much as put a tiny crimp into the lift."

Potsdamer platz in downtown Berlin, once the hot corner in the cold war, is quiet today. The American, British and Russian sectors meet there, but no longer do squads of east German police or Russian tommygunners patrol the Soviet perimeter.

But American officials are grimly skeptical.

One top American officer, who asked that he not be named, declared:

"This Russian change is a phoney. It can be compared to the sit-down phase of World War II."

Political Situation

An American intelligence officer commented:

"The Russians called for a pause. Their fundamental concepts have not changed. Their objectives have not changed. They are gathering their resources for another round."

No Allied official would predict what new move the Russians might make, but all were of the opinion the blockade would not be reimposed.

"It was a failure, they know it was a failure and they aren't going to try it again," was the attitude.

Why did the Russian attitude revert to preblockade status?

Allied officials think Russia is anxious to replenish stocks in the east zone without dipping into its own economy or that of satellite nations.

The political situation in the East zone needs a strengthening hypodermic and Russia's Communists want to give it full attention.

HOWLEY WANTED WAR, GERMAN REDS CHARGE

Berlin, Aug. 20 (AP)—The Communists said today United States Brig. Gen. Frank L. Howley is angry because the diplomats did not let him start a war. They made the charge in a bitter farewell to the retiring American commandant of Berlin.

Howley told a news conference after a four-power meeting on Thursday the Russians are trying to revive the four-power Kommandatura and regain their veto power in the rule of all Berlin.

Denied By Russians

Commenting on this, *Neues Deutschland*, organ of the Social Unity (Communist) party, said:

"In this angry belch flares the whole fury of the cavalry general from Philadelphia because the diplomats did not let him make Berlin worth a war."

"No Berliner will cry for General Howley," *Neues Deutschland* said. "The whole of the Berlin population will breathe more freely when

the cavalry general saddles his horse for his ride home."

Before leaving Berlin, the paper added, Howley had to "by all means unmask himself once more as the decisive mischief-maker."

The Russians said they are not trying to revive the Kommandatura. *Taegliche Rundschau*, official organ of the Soviet Army in Berlin, said in a front-page article it wished to "comfort General Howley, even though he is leaving soon."

British Report Praised

"The Russians are not striving to set up the four-power Kommandatura," the paper said, "since the Soviet proposals to that effect were not accepted at Paris."

Taegliche Rundschau praised a British report on Thursday's meeting which said the talks were carried out in a friendly atmosphere. Howley had said there were several "very heated" exchanges.

"This proves," the paper said, "that General Bourne (British commandant, Maj. Gen. G. K. Bourne) judges the situation far more soberly and reasonably than the resigning General Howley."

John J. McCloy, United States high commissioner for Germany, said today the State Department will take over from the Army on or about September 15 in conducting the American occupation program.

Commissioner Saluted

Frankfurt, Germany, Aug. 20 (AP). A nineteen-gun salute was given Andre Francois-Poncet by an American honor guard today on his first visit to Frankfurt since his appointment as French High Commissioner for Germany. He conferred with the United States High Commissioner, John J. McCloy.

Iron, Steel Record Made In Germany

Frankfurt, Aug. 20 [*Reuter*]—Iron and steel production in the Anglo-American zones of Germany set a new postwar record during July, Allied control authorities announced here.

The monthly totals were 624,216 tons of pig iron, 776,795 tons of steel ingots and 529,580 tons of hot-rolled products.

Increases ranging from 55 to 70 per cent were recorded in the past twelve months in output of pig iron, steel ingots and hot-rolled products.

Niemoeller Off to Australia

FRANKFORT, Germany, Aug. 20 (AP)—Pastor Martin Niemoeller left Frankfort today by air for Sydney, Australia, via New York. The former U-boat commander, who was jailed by the Nazis in World War II, intends to lecture in Australia, New Zealand and Tasmania.

TWO TO SLICE U.S.-AID FUNDS

French And Belgian Experts To Tackle European Quarrel

Paris, Aug. 20 (AP)—Two men—a Belgian and a Frenchman—today were named to the job of figuring out who gets how much Marshall aid for 1949-50. They are experts whose names are seldom in the news.

Robert Marjolin, 38-year-old economist, is the general secretary of the Organization for European Economic Co-Operation (OEEC). This is the body that represents all European areas in the Marshall plan. He formerly was an official in the French Finance Ministry.

Baron Charles Jean Snoy et d'Oppuers is secretary general—the top permanent official—of the Belgian Economic Affairs Ministry. Baron Snoy (pronounced Snwah) heads his country's delegation to the OEEC.

Britain Scorns Sum

Their job is complicated by the fact that Congress has not yet agreed on how much aid to appropriate. The Senate has voted $3,778,000,000. The House of Representatives has a bill providing only $3,568,000,000 but says the sum can be spent in 10½ months.

An OEEC committee has worked on a scheme for dividing $3,621,600,000. The trouble with this division is that not even the committee itself agreed on it. Only one area—Trieste, next-to-the-smallest—is satisfied with its share.

Sir Edmund Hall-Patch, head of the British delegation, told the OEEC Council indignantly yesterday that Britain would not accept the $842,700,000 allotted to her. Britain has said she needs $1,518,000,000. Italy also said she was discontented with her $382,700,000.

Today the council heard from the Netherlands and France. It was known that they were unhappy, too, although the OEEC insisted on keeping secret what they said.

Swiss Also Gives Views

Dr. H. M. Hirschfeld spoke for the Dutch, and Herve Alphand for France.

There was also a statement from Gerard Bauer, of Switzerland. His country is a member of the organization, but receives no dollar aid. Talks between the United States and Switzerland on providing some broke down when Switzerland said she could not sign an agreement that would permit American officials to set up a mission on Swiss soil.

After hearing these speeches, the French delegate proposed that Marjolin and Baron Snoy be asked to make suggestions on dividing aid. He was supported by Britain.

The council, OEEC's ruling body, told them to take two contradictory sets of documents as a basis for their work: The committee report, and the delegates statements that they can not accept it.

No date was set for the two economists to come back with a solution.

Reynaud Calls Marshall Plan A Failure

Strasbourg, Aug. 20 (AP)—Former Premier Paul Reynaud, French representative in the European Consultative Assembly, said today the European end of the Marshall Plan is a failure.

He said the American aid program had not developed free trade in Europe.

Urging the European Council to establish a large trading area in Europe, Reynaud declared the Assembly must solve economic problems first if it hopes to settle some of Europe's pressing political issues.

Sees U.S. Interest

"The OEEC (Organization for European Economic Cooperation which helps administer the Marshall plan) has failed," said Reynaud: "The United States has a great interest, it seems to me, in supporting the Council of Europe."

Reynaud said he will address the assembly Tuesday morning, when the legislature takes up the role of the European Council in the economic domain.

U.S. ENVOY DENOUNCES STUDENT DELEGATION

PRAGUE, Czechoslovakia, Aug. 20 (AP)—A United States diplomat denounced today the conduct of some United States citizens attending a world festival of youth and students in Budapest and said the background of their leaders was being investigated.

The diplomat, who would not be identified for publication, was visiting here on a trip from Budapest. He did not say who was making the investigation.

He said Communist attempts to convert the festival into another peace congress, such as they had staged in New York and Paris, had faded but some leaders of the United States delegation were "making asses of themselves with silly antics."

The antics, he said, included denunciation of United States leaders as warmongers and stopping recreational parades and festivities with demands for singing of the Communist anthem, "The Internationale."

"The Hungarians, the Russians and others wonder what sets them off," he added.

"While they attack their own country, delegates from the Eastern 'people's republics' can save their breath."

The diplomat said there were about 200 Americans in Budapest, but "the majority don't seem to know what it's all about and they'll probably be most surprised at the festival's end to hear that they have subscribed to a lot of Communist-inspired resolutions."

The festival began with ceremonies hailing Prime Minister Stalin as the "guardian of world peace" and then broke up during the week into small, scattered meetings, the diplomat said.

The Society of American Relief for Italy is the sponsor.

Rain Hits Austria Crops

VIENNA, Aug. 20 (AP).—Heavy rainfall in Austria in the last 10 days has caused damage estimated at 80,000,000 schillings ($3,000,000), official sources said today. Some lowland crops were flooded. Snow fell heavily in the Alpine districts.

Jordan Accuses Israel of Peril To Jerusalem

Asks U. N. to Have Sappers Dismantle Explosives Cached Near Holy Places

AMMAN, Jordan, Aug. 20 (AP)—King Abdullah's Government asked the United Nations today to blame Israel for planting explosives near Jerusalem's holiest places and to have expert sappers dismantle the cache if possible. The Israelis intended to blow up the dump last Monday, but did not carry out their plans.

The Jordan Government charged that the cache near the Damascus Gate of the Old City was a "Jewish-planted" mine. It cabled a statement to the United Nations and delivered it to foreign diplomats here.

The Government said that if the explosives cannot be dismantled, the United Nations should see that precautions are taken to minimize the damage that might result from the detonation. Israeli authorities have said that removal of the explosives would be more dangerous than destruction on the spot.

The four-point Jordan statement said: (1). "The mine was planted in no-man's land (between Arab and Israeli military positions) at present under U.N. supervision;" (2). "From statements of U.N. truce observers, it appears the mine was planted after the final cease-fire order of the U.N. Security Council;" (3). "It is proved that the mine was planted in a disused sewer passing near St. Paul's Church X X X and near the Mosque of Omar;" (4). "Military experts believe the explosives discovered hitherto may be the first lot of similar mines placed in the sewage system."

U.S. Fostering 'Fifth Column,' Reds Charge

Nanking, Aug. 20 (AP)—The Communist-controlled press today fired its heaviest propaganda broadside against the United States.

The daily, bitter press attacks reached a new height of intensity in today's editorials, which practically choked news off front pages.

The anti-American propaganda campaign has been sharply accelerated by publication of the United States White Paper on China. [The White Paper laid down a policy of aiding the Chinese to cast off the "foreign yoke" of a Red regime which served Russian imperialism.]

"Fostering Fifth Column"

The official Communist Hsinhua (New China) Agency charged the United States with fostering a fifth column behind Red lines and with encouraging and assisting sabotage by "Nationalist special bandits."

[The Nationalists, when they were riding high, referred to the Communists as "bandits."]

With the opening of large-scale campaigns to suppress peasant unrest in North, Central and East China, the Communists repeatedly have said the United States is backing Nationalist agents who are supposed to be leading the insur-

rections.

[In Shanghai, pro-Communist newspapers said another Nationalist underground organization had been uncovered and partly wiped out.

[The papers said the organization called itself the "penetrating force of the Ministry of National Defense in the Kiangshu-Chekiang-Anhwei border area."

[Its leader was identified as Col. Wang Sing-pan, close friend of the late Gen. Tai Li, who headed Generalissimo Chiang Kai-shek's secret police for years. Wang and four other officers were arrested.

25,000 Reported Slain

[Communist Army sources said more than 25,000 Nationalist undergrounders had been wiped out in East China from May through July. Communist newspapers also said more than 50 battles had been fought with Nationalist guerrillas in Central China during July and 16,000 undergrounders had been wiped out.]

The agency's editorial said Secretary of State Acheson's statement of basic principles meant a policy of supporting China's warlords and continuing the economic blockade of Communist ports.

In explaining away the Nationalist blockade, the Communists consistently place the blame on the United States.

Criticism also was heaped upon United States Ambassador J. Leighton Stuart, now in Washington. This criticism significantly is aimed at educated Chinese opinion.

It urges this section of Chinese life to drop "illusions about America." Stuart, a lifelong resident of China who is a noted missionary and educator, has a large following among Chinese intellectuals. The diatribes seem aimed at eliminating this following.

VICTORY GAINED BY NATIONALISTS

Strong Reinforcement Against Chinese Reds Reported

Canton, China, Aug. 20 (AP)—The Chinese Nationalists were credibly reported today to be throwing strong reinforcements into the path of the Communist advance about 170 miles northeast of Canton.

At the same time it appeared that the Nationalists had scored a genuine victory on the front 310 miles northwest of Canton.

Chinese press dispatches said the Nationalist reinforcements had gone into the Tayu and Siaomei mountain region along the north border of Kwangtung province, of which Canton is the seat. This area faces the town of Tayu, which the Chinese Reds took two days ago.

[However, military experts have predicted the Chinese Red drive would head southeast down a valley 70 miles to the Canton railway, rather than south into the hills.]

Truth In Reports Indicated

Numbers of troops passing through Canton in the past few days indicated the reinforcement reports probably were true.

There was no fresh news of action on the Tayu front today, however.

Reliable independent sources meanwhile confirmed Government reports of the past couple of days that Gen. Pai Chung-hsi's defense forces had defeated the Communist 51st Army northwest of Hengyang.

(Column 3)

Official reports said one Chinese Red division was wiped out, with 8,000 casualties and 1,000 prisoners, and two other divisions were routed.

These reports said the Nationalists then recaptured Yungfeng, 45 miles northwest of Hengyang and 310 miles northwest of Canton. The Government was flying 100,000 silver dollars to the victors as a reward.

A Nationalist army spokesman admitted, however, that the Chinese Reds had taken Anjen, 60 miles southeast of Hengyang. This would indicate they were bypassing the Hengyang strong point.

Resistance Stiffening

[It also would indicate that General Pai was making a stronger defense of this rail escape route leading southwest into his native Kwangsi province than of the direct southward route to Canton.]

Chinese quarters expressed belief that the United States' no-more-aid policy was stiffening the Nationalist resistance to the Chinese Reds. The theory is that resentful Nationalists are out to prove there is still some fight left in them.

The United States Embassy, meanwhile, quietly completed its closure. The staff went to near-by British Hong Kong to join the consulate staff quartered aboard the United States destroyer tender Dixie.

Red Push Closes U.S. Embassy

AUG 21 1948

Canton, Aug. 20 (AP)—The United States Embassy, closing in the face of the Communist advance on Canton, ended its existence today without fuss or ceremony.

At 2.22 P.M. Third Secretary Bruce Lancaster, of State College, Miss., locked the door of the deserted embassy building on Shameen Island and strolled to a waiting car.

With him were Third Secretary Gerald Stryker, of Norwalk, Conn., and Clerk John Finnegan, of New York city.

Two hours later they took off from White Cloud Airdrome for Hong Kong in a United States C-47 transport which carried American Charge d'Affaires Lewis Clark. Also aboard was Major William Henry Saunders, of Lexington, Ky., who headed the military attache's office here.

Beginning Monday, Clark will commute regularly to Canton by air so long as the situation allows.

Reinforcements Join Defense Of Canton

AUG 21 1948

Canton, Aug. 20 (AP)—Press reports said today the Nationalists had sped strong reinforcements into the mountains less than 170 miles northeast of Canton in an attempt to check the Reds' southward rush.

These reports probably are true, because large numbers of troops have been passing through Canton for the north.

The loss of Tayu, 170 miles northeast, put the Communists only 5 miles from the border of Kwangtung province, of which Canton is the capital as well as the temporary haven of the Government.

Loss Of Anjen Admitted

The Nationalists also admitted the loss of Anjen, 250 miles north of Canton and a key point on the eastern flank of the Canton-Hankow railroad.

The fall of Anjen means the Reds are bypassing the Hunan province defense bastion of Hengyang on the east and suggests they are trying to cut the rail line at Leiyang. Leiyang is 230 miles north of Canton and 70 north of the Kwangtung border.

Bad News In Northwest

[Philippine consular officials arriving at Manila from Amoy said that big port on the southeast coast appeared about to fall to the Communists. The eighteen members of the staff reported they passed within range of the fighting close to Amoy, the best port left to the Nationalists.]

Bad news also came from the far northwest. An official dispatch said the Communists had pressed to a point only twelve miles southeast of Lanchow before being thrown back. Lanchow is the capital of Kansu province and a Nationalist stronghold.

Travelers from that remote region said most Nationalist troops had pulled out of the Lanchow area, leaving rearguards to fight a delaying action. The Nationalists were retreating westward into mountainous Tsinghai province.

Nationalists Claim Victory

There was a feeling prevalent in Canton that the loss of Lanchow might be only a matter of days.

The Nationalists asserted that they had scored a victory on the front due north of Canton. Official dispatches said the Communists suffered 8,000 casualties and 1,000 Red soldiers were captured in fighting around Shaoyang, which guards the western approach to Hengyang, 265 miles to the north.

[While the casualties may be exaggerated, it appeared that the Nationalists were standing firm west of Hengyang. Shaoyang guards the route of retreat into southwest China of Gen. Pai Chung-hsi, commander in south-central China.]

Meanwhile, the Foreign Office speeded the packing of crates for the expected flight to a new capital at Chungking in the west. More Americans were leaving and the United States consulate-general was closed.

Mongols Reported Invading Suiyuan

Canton, Aug. 20 (AP)—A Chinese Nationalist Army spokesman charged today that troops from Russia's outer Mongolian vassal state had invaded the Inner Mongolian province of Suiyuan.

Maj. Gen. Chang Yi-ting, deputy army spokesman, did not say when the alleged invasion occurred or how many troops from the Mongolian Peoples Republic were involved.

Thus it was impossible to tell whether the alleged action represented an actual invasion or was just another border incident.

Others Move On Polingmiao

Chang made the charge in a written review of the war situation in China.

The only detail he gave was to assert that outer Mongols were heading for Polingmiao, important religious and trading center well inside Inner Mongolia. Polingmiao is 350 miles west-northwest of Peiping.

British May Close Shanghai Cotton Mill

Shanghai, Aug. 20 (AP)—The British-owned China Printing Textile Mill, Ltd., asked the Communist Labor Board today for permission to close because it cannot obtain raw cotton.

The mill operates 30,000 spindles and employs 2,000 workers. It has been operating lately at half on curtailed schedules, reported and domestic cotton and says both are in short supply. It has enough on hand for one week's operation.

Several other mills, all operating on curtained schedules, reported that they were almost out of raw cotton and might soon have to apply for permission to close. Cotton textiles is Shanghai's major industry.

1,000 to Test Tientsin Blockade

HONG KONG, Aug. 20 (AP)—The British merchantman Yunnan sailed for Communist Tientsin yesterday with about 1,000 Chinese passengers — a record since the Chinese Nationalists began their blockade more than two months ago. Passengers from the British ship Yochow arriving from Tientsin said they saw British warships patrolling the Taku bar gateway to Tientsin.

Karen Invaders To Face Shan Citizen Army

AUG 21 1949

Rangoon, Burma, Aug. 20 (AP)—An official source said today a large citizens' army has been mobilized in the Shan states of northeastern Burma to fight rebel Karen tribesmen invading Shan territory.

This new phase in Burma's many-sided civil war developed after Shan Minister Sao Hkun Hkio called on his people to leave their peacetime pursuits and join in "war unto death" in the wooded ravines and hills adjoining Thailand (Siam).

A Shan Ministry spokesman said the citizen army has linked up with Shan regulars in the Burmese Army and they have ringed Taunggyi, the southern Shan state's capital, vowing not to let any Karens leave it alive.

Guerrilla Warfare

The citizens, with an assortment of weapons, were reported engaged in guerrilla warfare around Taunggyi.

The Shan spokesman said Karens who occupied Taunggyi August 13 looted systematically and sent booty to headquarters at the Karenni state capital, Loikaw.

He said the Karen invasion of the Shanlands was apparently intended to wreck the Burma Union, the independent republic formed after the British freed Burma from the Empire. The Burma Union would disintergrate if the Shans were out of it, he added.

Massacre Reported

The Karens, who are fighting for a nation of their own, expected to win the Shan chieftains over against the Rangoon Government, but instead roused their animosity by violating Shan territory, the spokesman said.

The Rangoon press published a report that Karens massacred 34 Burmese men, women and children at a village near here. It said there were only four survivors among 38 herded into a small room which was set afire. Those trying to escape were mowed down by Sten gunfire, the report said.

BURMA REBELS RINGED

Citizens' Army in Shan States Surrounds Karen Force

RANGOON, Burma, Aug. 20 (AP)—A citizens' army has mobilized in the Southern Shan States and, with regular Burmese and Shan troops, has ringed 600 invading Karen rebels in the capital of Taunggyi, an official source said today.

The informant said that the Karen rebels had invaded and occupied Taunggyi on Aug. 13 for the purpose of winning Shan chieftains to their side. The Burma Union would disintegrate, he said, if the Shan States withdrew from it.

The invasion, however, had the effect of arousing the "animosity and resentment of all Shans," the source said, and a citizens' army was organized to fight the Karens.

Pacific Defense Pact Talks

Experts of Britain, New Zealand to Meet Australians in Sydney

SYDNEY, Australia, Aug. 20 (AP).—Australia will be host to military experts from Great Britain and New Zealand next week for talks on defense of the Pacific and Indian Ocean areas, official sources said today.

The conferences are regarded as marking a new Australian effort to promote a Pacific defense pact along the lines of the North Atlantic treaty. They will take place at Melbourne.

Observers at Canberra, the capital, said they probably will be followed by invitations to experts from India, Pakistan, Ceylon, Malaya and Hong Kong for further meetings.

Pakistan-U. S. Pact Drafted

KARACHI, Pakistan, Aug. 20 (AP).—The draft of a proposed treaty of friendship, covering commerce and navigation between the United States and Pakistan, has been completed and is under study by the Foreign Ministry here, it was learned today. It was dafted jointly by American Embassy officials and Shujaat Ali Hasnie, of the Pakistan Ministry of Commerce.

48 Frantic Koreans Die Fleeing Train In Tunnel

Seoul, Aug. 20 (AP)—A passenger train stalled in a tunnel. Forty-eight Koreans were reported killed trying to get out.

This report was made today by C. L. Burpee, American adviser to the Korean Railway communications division. He said the passengers fought to escape from three cars which became uncoupled from the rest of the train about midway through a two-mile tunnel 120 miles south of Seoul Thursday night.

Vaughan Linked To New Case On Rationing

Washington, Aug. 20 (AP)—Senatorial sources said today that Maj. Gen. Harry H. Vaughan once gave an Agriculture Department official "particular hell" about a grain-rationing order after alcoholic-beverage makers reportedly complained about the edict.

Senate five-percenter investigators already have been told that Vaughan, who is President Truman's army aide, intervened at the department in another case in 1946.

The testimony was that Vaughan at that time tried unsuccessfully to aid a New Jersey molasses company accused of violating sugar rationing.

Two Separate Sources

The account of intervention by Vaughan in the grain-rationing case came separately from two officials. Their stories are substantially the same.

Apart from those sources, Senator Mundt (R., S.D.) said he plans to ask for an investigation by the Special Senate Subcommittee conducting the five-percenter inquiry Mundt is a member of the group which is checking on whether improper influence has figured in the handling of Government business.

On a related matter, Mundt said he has no idea who Senator McCarthy (R., Wis.) was talking about when he said that the committee is getting unsolicited adverse information about Vaughan's activities from sources "very close to the President and to Vaughan in the White House."

Asked About Change

In the grain-rationing episode, Vaughan in 1946 or 1947 reportedly asked Clinton P. Anderson, then Secretary of Agriculture, whether any change was contemplated in the Federal order which restricted the amount of grain which could be used for making alcoholic beverages.

Anderson, now a United States senator from New Mexico, is understood to have said no change was indicated.

Subsequently, however, the rationing order was made more stringent. An official familiar with the incident gave this account:

"I understand that Vaughan got a call from Milwaukee, from someone representing the brewery interests there. The call is supposed to have come from Harry Hoffman."

Named As Freezer Donor

[Vaughan named Harry Hoffman, Milwaukee advertising man, as one of the donors of the seven home freezers presented to him in 1945.]

"Vaughan's caller protested about the change in the rationing order. Vaughan then tried to phone Anderson, but he was out of town. So Vaughan talked to Nate Koenig."

[Koenig then was executive assistant to Anderson. He now is an assistant to Secretary of Agriculture Brannan.]

"Particular Hell"

"Vaughan gave Koenig particular hell about the rationing order."

There was no comment on the grain episode from Senator Anderson. Koenig is on his way home from a trip to Puerto Rico.

In Milwaukee, Hoffman said "it was not I who made the call; I know nothing of the incident."

One Senate official said "there is no question about it that Nate got a call" from Vaughan. He said Koenig's version was that Vaughan minced no words and protested that Anderson should have informed the White House before revising the order.

Guarded Against Speculation

The official said that the Agriculture Department was taking great care to keep its plans with respect to the rationing of grain a secret in advance of official announcement, because of the possible effect on the grain market.

Anderson and Koenig are understood to have conferred after the Vaughan call and to have decided to stand pat.

Senator Hoey (D., N.C.), chairman of the Investigations subcommittee, said he has no personal knowledge of the grain-rationing incident, but that his staff might have.

Hearings Resume Tuesday

William P. Rogers, subcommittee counsel, indicated that the staff has information about the episode. But he refused to say whether it will be brought up at the public hearings to be resumed Tuesday.

Hoey, meanwhile, said the story of the home freezers which were presented to Vaughan and other Washington notables four years ago "has been magnified out of all proportion to its importance."

Vaughan, who is expected to testify next week, has acknowledged that the freezers were gifts to him from Hoffman and David Bennett, head of the Albert Verley Company, a Chicago perfume house. The committee has received testimony that the freezers were paid for by the Verley Company.

DISTILLERS' GRAIN TIED TO VAUGHAN

Report He Fought Ration Is Under Probe By Senate Unit

Washington, Aug. 20 (AP)—Senator Mundt (R., S.D.) said today that a full inquiry is under way into reports that Maj. Gen. Harry H. Vaughan once intervened at the Agriculture Department, in behalf of alcoholic beverage makers.

Mundt, member of the investigating committee, made the announcement after two senatorial sources said Vaughan gave a Government official "particular hell" about the grain rationing order which affected breweries and distillers.

The name of Vaughan, President Truman's army aide, has woven in and out of testimony at the Senate inquiry into whether improper influence has played a part in the handling of Government business.

Today there were some kind words for Vaughan. They came from Brig. Gen. E. A. Evans, executive director of the Reserve Officers Association.

Favorable Opinion Is Sought

Evans said he has written "six or eight" members of the association, asking for expression of opinion about Vaughan. Evans said the material probably will be used to get favorable publicity for the presidential aide, but he did not know just how he would go about that.

"Harry Vaughan has been of tremendous help to the reserve officers in trying to get the Defense Department to give us a service program," Evans said. "I think he has been the subject of unnecessary malignment."

Evans said he informed Vaughan of what he was doing, and that Vaughan seemed to appreciate it.

Mundt conferred about the grain rationing incident with Francis D. Flanagan, assistant counsel to the Senate's special Investigations subcommittee.

Due In Capital Monday

Afterward Mundt told reporters that committee investigators have been trying to get in touch with Nate Koenig, who reportedly took a tongue-lashing from Vaughan in connection with the grain episode. Koenig, now an assistant to Charles F. Brannon, Secretary of Agriculture, is on the way home from Puerto Rico. He is expected in Washington Monday.

Senate sources said the incident was dated either 1946 or 1947. They said the general at that time asked Clinton P. Anderson, then Secretary of Agriculture, whether there was likely to be any change in a Federal order which restricted the use of grain in alcoholic beverages.

Anderson, who now is a United States Senator from New Mexico, reportedly said no change was contemplated. Later developments, however, did bring a tightening of the grain rationing order.

Hoffman Named

The Senate officials who gave the account to newsmen said that thereupon Vaughan got a call from somebody in Milwaukee representing brewery interests. They named the caller as Harry Hoffman, Milwaukee advertising man listed as one of those having a part in the 1945 donation of seven home freezers which Vaughan in turn gave to Washington notables.

In Milwaukee, however, Hoffman said today: "It was not I who made the call. I know nothing of the incident."

Continuing the account, the Senate officials said:

"Vaughan's caller protested about the change in the ration order. Vaughan then tried to phone Anderson, but he was out of town. So Vaughan talked to Nate Koenig.

"Vaughan gave Koenig particular hell about the rationing order."

Take No Action

Vaughan reportedly protested that Anderson should have informed the White House before the order was revised. Koenig and Anderson took no action on the protest and the new order stayed on the books, it was related.

Anderson had no comment on the matter today.

Mundt said he had been told that notes on a Vaughan-Koenig conversation are available at the Agriculture Department. He said the committee wants to obtain them.

Meanwhile, Chairman Hoey (D., N.C.) said at his home in Shelby, N.C., that the committee hopes to wind up the peddlers-of-influence public hearings next week.

Feldman Called

When the session resumes Tuesday the probers plan to call Maj. Gen. Herman Feldamn to the witness stand. Feldman, the Army quartermaster general, was suspended July 16 pending further investigation.

In relieving Feldman and Maj. Gen. Alden H. Waitt from duty, Secretary of the Army Gray said both men had failed to exhibit judgment expected of persons in their positions. Waitt, chief of the Army Chemical Corps, already has testified.

Connally Making Uphill Fight On Arms-Aid Cut

Washington, Aug. 20 (AP)—Captained by Senator Connally (D., Texas), the Administration began an uphill fight in the Senate today to salvage its $1,450,000,000 foreign arms program.

Connally, adopting a no-compromise attitude, came out for restoration of the full amount of $1,160,990,000 for military supplies for North Atlantic treaty signers. The House cut that total exactly in half.

But Connally seemed unlikely to be able to muster a majority of the Senate Foreign Relations and Armed Services Committees, over which he is presiding, for reinstatement of the full fund.

Vandenberg Stands Pat

Senators Vandenberg (R., Mich.) and Dulles (R., N.Y.) stood firmly on their demand for a reduction to a round $1,000,000,000. And even Chairman Tydings (D., Md.), of the Armed Services group, talked in terms of the same amount.

Critics of the program applauded the House action.

Senator Byrd (D., Va.) called the slash "a step in the right direction."

Senator Russell (D., Ga.) approved the cut, adding that in his opinion it would be enough for this country to ship $450,000,000 worth of surplus military equipment to the Europeans this year without spending any additional cash.

George Firm For Cut

Senator George (D., Ga.) said he thinks the House action reflects the views "of people who are pretty close to the grass roots." He has been advocating cutting the Administration's request in half.

On the other side, Senator Gurney (R., S.D.) said he wants an adequate amount made available. But he said he wasn't wedded to any particular figure.

Senator H. Alexander Smith (R., N.J.) announced he will support the Vandenberg-Dulles proposal to shave $160,990,000 off the Administration request, and to mesh the program into a mutual defense plan to be drafted by the proposed North Atlantic council.

TALKS TO FAIL, OFFICIALS FEAR

U.S., British Pessimistic Over Economic Conference

Washington, Aug. 20 (AP)—An air of defeat already overshadows next month's American-British conference on Britain's economic crisis.

Truman Administration officials and British economic and political experts predict that a good many sensational proposals will be put forward. But they say there is little chance that both sides will agree at this meeting on a broad plan of action that will set John Bull back on well-shod financial feet.

There is a chance, too, of an irritating dispute over who is responsible for Britain's present fix.

Britain's economic chief, Sir Stafford Cripps, and Ernest Bevin, Foreign Secretary, are expected to argue that the crisis was forced by the economic recession in the United States, which caused drastic cuts in American spending for British colonial products such as tin and rubber. The British are spending dollars faster than they get them.

British Blamed

The American viewpoint will be presented by John W. Snyder, Secretary of the Treasury, and Dean Acheson, Secretary of State.

Snyder—If he is governed by American views now dominant—will argue that the British are responsible for their own difficulties. It is contended that they have failed to develop the flexible economy to permit them to cut prices in the world market to compete with American goods, and to take other measures by which they could sell enough of the things they make to buy all the things they need.

Canada is to be in on the talks, too, as a vastly interested third party. The conference had been set to open September 6, but may be delayed until the following day because of Cripps's decision to postpone his departure from England until August 31. The meeting is expected to last about a week.

Some Agreement Expected

Well informed officials here currently believe that the best that can be expected is possible agreement on some short-range measures and perhaps a decision to meet again in six months or so.

The major American proposal for action by the British, according to all advance speculation, will be an insistent request that Cripps and Bevin agree to devalue the pound from its present rate of $4.03 to some substantially lower figure.

For their own part, American officials are ready to suggest relatively minor moves such as improving American tariff procedures to encourage imports from Britain and the empire countries, and providing technical assistance to British industries and to colonial areas, in an effort to step up the marketing of British products in the United States.

Warning On Russia In '45 Made Public

Washington, Aug. 20 (AP)—Representative Judd (R., Minn.) today made public a United States military intelligence warning of mid-1945 that "there is reason to believe" Russia plans to dominate Manchuria, Korea and North China.

Intelligence called Chinese communism part of the Moscow-guided international movement.

It spoke out against giving the Red Army any exclusive operation zone in Asia. This was before Russia entered the war against Japan.

"Top Secret" Report

The warning was contained in what Judd termed a "top secret" report. He said he released the information because the State Department has issued "all the secret documents it could find to bolster its own feeble case." He referred to the department's White Paper on policy toward China.

Judd gave out the military intelligence summary of its report on Chinese communism and Russian intentions from 1944 to July, 1945. It also concluded that:

Chinese Communist "democracy" is Soviet-styled democracy.

China's strength and stability depends on the natural resources of Manchuria, and North China.

Division Of China Opposed

To prevent China's separation from its northern areas and Manchuria, "it is essential that China not be divided (like Europe) into separate American-British and Russian military zones.

The intelligence report specifically warned against modifying the Cairo declaration of December 1, 1943, for Korean independence and Chinese sovereignty over Manchuria.

Judd said that when the army intelligence experts made their recommendations, "they did not know that Yalta had given Manchuria and other areas to Russia."

Judd said he had had the papers a number of years, but did not explain how he came into possession of them.

AEC Issues Nonrevelatory Pictures Of Eniwetok Tests

Washington, Aug. 20 (AP)—The Atomic Energy Commission came out today with the first pictures of its hush-hush bomb tests at Eniwetok. It's notable what the pictures did not show.

They are views of test operations held in the Spring of 1948 involving three bombs of "improved" design—that is, improved over the original model used in New Mexico, Japan and at Bikini.

Since the tests at the closely guarded Eniwetok proving grounds in the Marshall Islands, the AEC has announced that the bombs demonstrated "a substantial gain in (explosive) energy release" over previous models.

Resemblance To Earlier

The AEC has been mum as to whether the bombs were bigger than their predecessor, or whether the scientists had learned how to cause more of the potentially explosive material of the bombs to contribute to the blast. Probably the latter is closer to the truth.

But, from a pictorial standpoint, the explosions of the new bomb bear a very close resemblance to those of the earlier model.

The pictures show actual detonation of a bomb (and the AEC didn't make it clear whether just one or all three explosions were depicted). The familiar fireball and big mushrooming cloud are present. Billows of smoke curl sideways from the center of the blast.

Noninformative Captions

But the photographs give no clue about what the bomb looks like or how they work.

The official captions for the pictures are masterpieces of brevity and the commission declines to add a syllable.

One caption says:

"Cloud formations give an impression of sunset rather than a bomb-blast."

Another:

"Fireball rises majestically . . . casting its reflection on the water."

One of the pictures shows a group of uniformed men viewing "the devastation" caused by an atom-bomb blast.

All you see is a sandy area with a lot of apparently broken wood and some box-like affairs in the foreground. There's no "before-the-blast" shot for comparison.

Detonated From Tower

One picture did bring out the fact that at least one of the bombs was detonated from a tower—as was the bomb originally tested in New Mexico in 1945. But whether this bomb caused a huge crater—as in New Mexico—you'll have to guess.

Most of the blast shots indicate that tests were made at night and were photographed over water from ships and planes.

One shot shows three shirtless men piling cans of something—or maybe they're empty—behind a "cement pillbox."

But the commission isn't saying what, if anything, happened to the cans when the bomb went off.

The pictures released today are a selection from a souvenir booklet to be put out by the *Infantry Journal* for the 9,800-member military and civilian team that participated in the Eniwetok show called "Operation Sandstone."

WANTS SPEED ON D.P. BILL

Graham Would Vote To Take Measure From Committee

Washington, Aug. 20 (AP)—Senator Graham (D., N.C.) said today he will vote to take a House-approved displaced persons bill from the Senate Judiciary Committee, if that is necessary, to get action.

This bill would allow 339,000 people to come into the country in three years in place of the approximately 205,000 in two years under present law.

It also would remove some restrictions which President Truman has said slow up action and discriminate against Jews and Catholics.

Graham Wanted To Study It

Yesterday the Senate Judiciary Committee, of which Graham is a member, voted down, 5 to 2, a surprise move to take the bill away from a subcommittee headed by Senator McCarran (D., Nev.). Graham and Senator Wiley (R., Wis.) did not vote. Graham stated at the time that he wished to study the legislation further before voting.

McCarran said after the meeting that Senator Ferguson (R., Mich.) made the motion, contending that a move is under way in the Senate to discharge the full committee from consideration of the bill. President Truman has urged passage of the legislation.

Only Sentaor Kilgore (D., W.Va.) voted with Ferguson to discharge the subcommittee, an action which would have brought the bill before the full committee for its consideration.

Senator Lucas, of Illinois, Democratic leader, has offered to head a list of six Democrats to sign a petition to the Senate to take the bill away from the committee if Senator Taft (R., Ohio) will head a similar list of six Republicans.

Taft has said he will do this if Lucas will assure him that the bill will be called up in the Senate before Congress quits.

Graham's Statement

Graham issued a statement today in which he said:

"I am now comparing the provisions of the House bill and the McGrath-Neeley bill. I will support the bill and procedures which will most nearly carry out the commitments of the President and the national political platform for the admission into the United States of our decently responsible share of the unfortunate persons displaced by the ravages of the war, regardless of creed, race, or nationality, who meet the qualifications set forth in the act.

"In addition to this, I am disposed to favor a continuation of the overall study of the problems of displaced persons in the world now being comprehensively carried on by the subcommittee."

His statement that he would vote in the Senate to take the bill from the committee for action on the floor was in answer to a question from reporters.

Veterans' Bill Introduced

WASHINGTON, Aug. 20 (AP).—A bill to classify war veterans' disabilities as to their source has been introduced by Representative Clyde Doyle, Democrat, of California. It would authorize the Veterans Administration to have its records show whether disabilities are "combat connected," "service connected," or "non-service connected." It would also call for compensation checks to show such notations as "combat compensation," "service compensation," or "compensation."

DROPS AMVETS MERGER

Keats Discards Plan as Many Express Opposition

WASHINGTON, Aug. 20 (AP)—Harold A. Keats, national commander of the American Veterans of World War II (Amvets) said today that he had decided to abandon his personal efforts to unite his organization with the American Veterans Committee.

In a statement issued by national headquarters of Amvets Mr. Keats said he would not put forward a program for union at the Amvets national convention in Des Moines over the Labor Day weekend.

"I have been led to this decision by literally scores of telegrams, letters and telephone calls from individual members, posts and state departments throughout the country indicating their opposition to the move," the statement said. "As the elected leader of Amvets, I must bow to the popular will."

If the question arises at the convention, he added, it will have to come from the delegates.

PURPLE HEART CHIEF ELECTED

Wisconsin Man Is Named As Cumberland Meeting Ends

Cumberland, Aug. 20 (AP)—Frank J. Schneller, of Madison, Wis., was elected national commander of the Military Order of the Purple Heart today as some 350 delegates wound up a four-day convention here.

The 71-year-old veteran of the Spanish-American War and World War I, is the oldest man ever named to head the Purple Heart order, whose ranks are composed of former soldiers wounded in battle.

As national commander, Schneller succeeds Clifford A. Parmenter of Long Beach, Cal. Schneller was unopposed.

GI Phone Wedding Fails To Connect

Fort Worth, Texas, Aug. 20 (AP)—A soldier spent a sleepless night and $40 today in a futile attempt to marry his girl in Germany by trans-Atlantic telephone.

Pfc. Elmer Lee Wright, 21, met Leopoldine Ana Grubmuller when he was stationed there. Wright's transfer to a post at Tooele, Utah, prevented their marriage overseas. Arrangements were made for the long-distance wedding.

Now on furlough, Wright, with his parents and the Rev. A. B. Lightfoot, appeared at the preacher's Baptist church before dawn. Two telephones, one for Wright, the other for the preacher, were ready.

After two tense hours the call was completed. Wright spoke excitedly to his fiancée. The preacher smiled at the other telephone. Then the soldier sighed. Through a mixup, the girl explained, no minister was available at the Red Cross base in Germany from where she talked.

The wedding was temporarily off. But Wright said he'd try again Monday.

Dying Vet Hunts for Work

Cancer Victim With Six Months to Live Says He Has to Eat in the Meantime.

Detroit, Aug. 20 (A. P.).—Ernest Gillum, 34, is hunting for a special kind of job,

It can't require much physical exertion, because the former roofing contractor's doctor has forbidden that. It can't demand special training, since he has no time to get it.

And Gillum, a Navy aerial photographer during the war, will only be able to work four or six months. After that, physicians have told him, he will die of cancer.

"I know I'm going to die soon," the tall veteran explained. "But the trouble is, I have to eat until I do."

Gillum began his job hunt eight months ago after he underwent an operation at a veterans' hospital. At that time the doctor told his brunet wife, Lee, that her husband had cancer. But it was only a few days ago that the couple learned Gillum's case was hopeless. Their savings have been exhausted by months of unemployment.

Gillum isn't interested in a final fling before he dies. He just wants his last few months to be free from financial worry.

100 Gift Dolls Are Impounded For Duty

Pittsburgh, Aug. 20 (AP)—More than 100 dolls destined for needy children in Europe have been impounded here by United States customs inspectors. The Government wants duty paid on the toys.

The dolls were contributed by children of St. Catharines, Ont., to a Dolls-for-Europe campaign conducted by townsfolk of Somerset, Pennsylvania.

United States Customs Inspector Nicholas A. Forster said the dolls are held in the Pittsburgh customs warehouse and will be placed in storage unless they are claimed by tomorrow.

"After they are claimed and the Somerset people estimate an evaluation we'll fix the amount of duty," Forster said. "If they go into storage, an additional charge of 50 cents per package will have to be paid."

In Somerset, H. B. Reiley, publisher of the Somerset *American* said the Government had reneged on a promise to let the dolls enter the country duty free.

Can't Afford Duty

"We can't afford to pay the duty on them," Reiley declared. "This isn't a commercial proposition. I don't understand why they suddenly decide they require duty."

Reiley's daughter, Peggy, 29-year-old newspaper woman, fostered the idea of collecting the dolls. She took some toys with her on a trip to Europe last year.

Deeply impressed by the lack of playthings owned by children in war-torn countries, she urged her friends to collect dolls. The idea snowballed.

Newspaper accounts brought thousands of contributions from all parts of the nation and Canada. The present campaign at Somerset ends today after a three-day festival of dolls.

Packed And Tagged

Now the dolls are all being packed, together with tags bearing donors' names and addresses and postal cards for European kids to acknowledge the gifts with.

"We've got to work fast," Reiley said. "We should have those dolls from St. Catherines now so we can fix them up for shipment." He said other Canadian dolls were brought across the border last week duty free.

But customs officials were adamant about the present shipment. "They must officially claim the dolls and submit what proof they have that they do not fall under our duty laws," Forester said. "But it appears to me at the moment that they can't escape a duty."

U.S. Arrests Santa! Seizes Dolls Given Foreign Children

Pittsburgh, Aug. 20 (AP)—Uncle Sam's red tape has snarled a shipment of 200 dolls destined for needy children overseas.

The toys—donated by children in St. Catharines, Ontario—lie in the United States Customs warehouse in Pittsburgh. The seven big packages in which they were shipped from Canada were placed there awaiting a claimant.

But the citizens of Somerset, Pa., who plan to transship the dolls to England, France, Austria and Germany, say they can't afford to pay import duties on them.

Unless they can prove by some statute that the shipment is duty-free they'll have to pay, says the Government.

Charges Mount

Customs officers said an additional charge for storage will begin after 5 P.M. tomorrow.

H. B. Reiley, editor and publisher of the Somerset *American*, said the unofficial committee which is collecting the dolls understood they would not be subject to tariff because they were gifts.

"A contributor brought a few across the border in an automobile at Niagara Falls, N.Y., a week or so ago," said Reiley, "and they didn't collect duty."

He said an aide in the Pittsburgh customs office promised him last week the bigger shipment would be duty-free.

Nicholas A. Forster, United States Customs inspector, said all the Somerset citizens have to do is claim the dolls. Then, after they estimate their value, they may file their reasons for an exemption. He said the procedure is routine.

Time Running Out

But, retorts Reiley, that would cost valuable time. Some 1,500 other dolls are already being prepared in Somerset for a shipment to Europe next month. The project is the result of a trip abroad last year by Reiley's editor-daughter, Peggy, 29.

The drive was climaxed by a three-way festival, which ended today. Contributions flooded the little western Pennsylvania town from all parts of the United States and Canada.

Peggy—who's going to accompany the toys to Europe—said she hoped to get them there in time for them to be given as Christmas gifts.

"The customs people said we can get around the duty by just letting them be shipped right from Pittsburgh overseas," she said. "But I have little tags with the names of the Canadian kiddies who gave them to tie onto each doll. We can't just ignore those children.

"A gift without the giver is bare," she quoted.

U. N. SCIENTISTS STUDY SOIL PRACTICES HERE

AMENIA, N. Y., Aug. 20 (AP)—Seventy scientists today made a field trip into Dutchess County to study soil conservation practices.

The group was made up of delegates to the United Nations Scientific Conference on the Conservation and Utilization of Resources, which met this week at Lake Success.

As guests of the National Association of Soil Conservation Districts, Millbrook, N. Y., the scientists inspected farm practices concerning such matters as contour plowing and water supply.

Kent Leavitt, association president, told them:

"In our past conception you owned the land and did with it as you pleased. In the future we must think of land ownership as a trusteeship with the owner getting a fair income from the land but passing it on to the next generation in as good or better condition than he found it."

Sir William Ogg, director of the Rothamsted Agricultural Station in England, said the "most priceless heritage any nation has is its land. If we waste it we starve. We are looking to America to develop practices for land preservation."

The group also planned to visit the Franklin D. Roosevelt home in Hyde Park.

U. N. Anniversary Planned

WASHINGTON, Aug. 20 (AP).—Ten radio executives and State Department officials will meet Tuesday to discuss plans for celebrating the fourth anniversary of the United Nations organization, Oct. 24. The group will consider means of publicizing the occasion overseas and in America.

FINLAND IS IN THE UNIQUE POSITION OF HAVING THE ONLY ANTI-COMMUNIST GOVERNMENT ON RUSSIA'S WESTERN DOORSTEP.

SWEDISH SOURCES WHO KEEP WELL POSTED ON FINLAND VIEWED THE STRIKES IN VITAL INDUSTRIES AS PART OF A BROAD COMINFORM SCHEME TO PUT FINLAND UNDER COMMUNIST RULE.

HYPODERMIC AND RUSSIA'S COMMUNISTS WANT TO GIVE IT FULL ATTENTION.

WEST BERLIN'S MARKETS ARE FLOODED FROM TIME TO TIME WITH SOVIET ZONE CONSUMER GOODS WHICH ARE ON RATION IN THE ALLIED SECTORS. THESE ARE PRINCIPALLY CIGARETTES, TOBACCO, NYLONS AND SIMILAR ARTICLES. THE RUSXIANS APPARENTLY ARE TRYING TO DRAIN OFF WEST MARKS, WHICH ARE FIVE TIMES MORE VALUABLE THAN EAST MARKS.

DR. KARL HAMANN, CHAIRMAN OF THE EAST ZONE LIBERAL DEMOCRAT PARTY, A SPLINTER GROUP, SAYS THE EAST ZONE WANTS TO WAIT AND SEE POLITICAL DEVELOPMENTS IN THE WEST AFTER THE WEST GERMAN REPUBLIC IS FULLY ESTABLISHED.

DR. HERMANN KASTNER, A PRESIDENT OF THE COMMUNIST-CONTROLLED PEOPLES' COUNCIL IN THE SOVIET ZONE, REVIEWED THE WEST GERMAN ELECTIONS BRIEFLY AND SAID THE SOVIET ZONE WOULD TAKE "PRECAUTIONARY MEASURES" BUT THAT IT IS TOO EARLY TO DISCUSS DETAILS.

THE RUSSIANS MAY SPONSOR THE ASSIMILATION OF ALL EAST ZONE POLITICAL GROUPS INTO A SO-CALLED PEOPLES' FRONT, TO ACHIEVE A UNITY AND TO OFFSET THE DEFEAT OF THE COMMUNISTS IN THE WEST GERMAN ELECTIONS.

FRANKFURT, GERMANY, AUG. 20-(AP)-A SECRET CONFERENCE THAT MAY GO A LONG WAY TOWARD DETERMINING THE CABINET LINEUP IN WEST GERMANY'S NEW FEDERAL GOVERNMENT WAS HELD HERE TODAY.

THE CONFEREES WERE DR. KONRAD ADENAUER, CHAIRMAN OF THE CONSERVATIVE CHRISTIAN DEMOCRATIC UNION (CDU), AND DR. HANS EHARD, BAVARIAN MINISTER-PRESIDENT (GOVERNOR). EHARD LEADS THE CDU'S SOUTHERN WING, THE CHRISTIAN SOCIALIST UNION (CSU).

THE COMBINED CDU-CSU TRIUMPHED OVER THE LEFTIST SOCIAL DEMOCRATIC PARTY (SPD) IN LAST SUNDAY'S FEDERAL ELECTIONS.

ADENAUER, THE STRONGEST CONSERVATIVE IN NORTH GERMANY, DROVE FROM BONN TO MEET THE STRONGEST SOUTHERN CONSERVATIVE IN FRANKFURT--A MID-WAY POINT.

THE TALK WAS EXPECTED TO PLACE THE FINISHING TOUCHES ON A COALITION GOVERNMENT PROGRAM ADENAUER MAY PRESENT TO A MEETING OF CDU-CSU REGIONAL CHIEFTANS TOMORROW.

THE MEETING WILL BE HELD AT ADENAUER'S HOME AT RHOENDORF, ON THE RHINE A SHORT DISTANCE FROM BONN.

GERMAN POLITICAL CIRCLES EXPECT THE RHOENDORF MEETING TO STRIVE FOR PARTY HARMONY ON THE QUESTION OF WHAT OTHER PARTIES WILL BE INVITED INTO A COALITION GOVERNMENT.

MOST OBSERVERS BELIEVE THE CDU-CSU WILL INVITE THE FREE DEMOCRATIC PARTY (FDP) TO JOIN IN FORMING A GOVERNMENT. THESE PARTIES ARE GENERALLY REGARDED AS RATHER SIMILAR IN THEIR POLICIES AND OBJECTIVES.

A QUESTION FACING THE CONFERENCE IS WHAT TO DO ABOUT THE EXTREME RIGHTIST PARTIES. THEIR VOTES COULD GIVE THE CONSERVATIVES A HEAVY MAJORITY IN THE NEW PARLIAMENT, BUT MIGHT LEAVE IT OPEN TO CHARGES OF BEING NAZI TAINTED.

THE SOCIALISTS SO FAR HAVE BEEN MUM ON WHETHER THEY WOULD BE INTERESTED IN JOINING A COALITION, EVEN IF THE WAY WERE LEFT OPEN. THEY ARE PLANNING A MEETING OF PARTY LEADERS AUG. 29 AT BAD DUERKHEIM, IN THE FRENCH ZONE.

SECOND NIGHT LEAD RUSSIAN-YUGOSLAV (400-UP)
MOSCOW, AUG. 20-(AP)-IN A NEW BLAST AGAINST MARSHAL TITO'S LEADERSHIP, RUSSIA WARNED YUGOSLAVIA TODAY SHE IS PREPARED TO TAKE "EFFECTIVE MEASURES" TO PROTECT THE RIGHT OF SOVIET CITIZENS IN THAT BALKAN COUNTRY.
MOSCOW DELIVERED A STERN NOTE TO BELGRADE PROTESTING THE "UNLAWFUL ARREST AND BEATINGS" OF SOME 6,000 SOVIET CITIZENS IN YUGOSLAVIA.
SAID THE NOTE:
"APPARENTLY THE YUGOSLAV GOVERNMENT DOES NOT INTEND TO BRING TO ACCOUNT THOSE WHO ARE TO BLAME FOR THESE PRACTICES.
"IF THAT IS SO, THE SOVIET GOVERNMENT DEEMS IT NECESSARY TO DECLARE THAT IT WILL NOT RECONCILE ITSELF TO SUCH A SITUATION, AND WILL BE FORCED TO RESORT TO OTHER MORE EFFECTIVE MEASURES NECESSARY TO DEFEND THE RIGHTS AND INTERESTS OF SOVIET CITIZENS IN YUGOSLAVIA AND TO CALL TO ORDER THE VIOLATORS."
THE NOTE DID NOT SPECIFY WHAT THESE MEASURES WOULD BE. IT WAS THE LATEST IN AN ACRID EXCHANGE BETWEEN THE TWO COUNTRIES. LAST WEEK RUSSIA CALLED YUGOSLAVIA AN ENEMY OF THE U.S.S.R.
RUSSIA REJECTED YUGOSLAVIA'S CONTENTION THAT THE COMINFORM IS ADVOCATING THE FORCIBLE OVERTHROW OF THE TITO GOVERNMENT.

A112
IN A PREVIOUS NOTE TO MOSCOW YUGOSLAVIA HAD SAID SOME OF THOSE UNDER ARREST WERE GUILTY OF ADVOCATING THE OVERTHROW OF THE GOVERNMENT IN LINE WITH THE 1948 COMINFORM RESOLUTION WHICH EXPELLED YUGOSLAVIA FROM THE ASSOCIATION OF COMMUNIST NATIONS IN EASTERN EUROPE.
"THESE INVENTIONS, HOWEVER," THE NOTE SAID, "ARE AN OBVIOUS PROVOCATION AND SLANDER.
"THE COMINFORM RESOLUTION DOES NOT CONTAIN A SINGLE WORD ABOUT THE 'PROPAGANDA OF OVERTHROW OF THE STATE SYSTEM IN YUGOSLAVIA' OR 'FORCIBLE' MEASURES FOR CHANGING THIS SYSTEM."
THEN THE SOVIET NOTE QUOTED DIRECTLY FROM THE COMINFORM RESOLUTION, STRESSING THAT THE RESOLUTION DOES NOT ASK THE FORCIBLE OVERTHROW OF TITO BUT REQUESTS THE YUGOSLAV COMMUNISTS THEMSELVES TO "COMPEL THEIR PRESENT LEADERS TO ADMIT THEIR MISTAKES OPENLY AND HONESTLY AND TO CORRECT THEM, TO MAKE A BREAK WITH NATIONALISM, TO RETURN TO INTERNATIONALISM AND TO STRENGTHEN TO THE UTMOST THE UNITED SOCIALIST FRONT AGAINST IMPERIALISM, OR IF THE PRESENT LEADERS OF THE COMMUNIST PARTY OF YUGOSLAVIA ARE FOUND TO BE INCAPABLE OF DOING THIS, TO REMOVE THEM AND PUT FORWARD NEW INTERNATIONALIST LEADERSHIP OF THE COMMUNIST PARTY OF YUGOSLAVIA. THE INFORMATION BUREAU (COMINFORM) DOES NOT DOUBT THAT THE COMMUNIST PARTY OF YUGOSLAVIA WILL BE ABLE TO CARRY OUT THIS HONORABLE TASK."
"AS CAN BE SEEN," THE NOTE ADDED, "THE RESOLUTION DOES NOT CONTAIN A SINGLE WORD ABOUT OVERTHROW, STILL LESS A FORCIBLE OVERTHROW OF THE STATE SYSTEM IN YUGOSLAVIA.
"THE RESOLUTION ONLY SAYS THAT THE COMMUNISTS OF YUGOSLAVIA SHOULD COMPEL THE EXISTING LEADERSHIP OF THE YUGOSLAV COMMUNIST PARTY TO REVISE ITS POLICY, OR IF THAT SHOULD PROVE IMPOSSIBLE, SHOULD RENOVATE THE LEADERSHIP OF THE YUGOSLAV COMMUNIST PARTY AND ELECT A NEW LEADERSHIP."

AUG 21 1949

THEN IN ITS SHARP SLAP AT TITO THE NOTE SAID THAT THE "SOVIET GOVERNMENT IS OBLIGED TO TELL THE TRUTH ABOUT THE PRESENT REGIME IN YUGOSLAVIA, EVEN IF THAT TRUTH INSULTS SOMEONE AND STINGS."
"ONE NEED ONLY LOOK CLOSER INTO WHAT IS GOING ON IN YUGOSLAVIA TODAY TO DISPEL ALL DOUBTS THAT THERE CAN BE NO TALK AT ALL AT THE PRESENT TIME ABOUT ANY PEOPLES' POWER OR ANY DEMOCRATIC AND SOCIALIST CHARACTER OF THE STATE SYSTEM IN YUGOSLAVIA.
"AND, INDEED, WHAT SORT OF SOCIALIST SYSTEM IN YUGOSLAVIA CAN YOU SPEAK OF WHEN THE COUNTRY HAS BEEN PUT UNDER THE CONTROL OF FOREIGN CAPITAL AND THE LEADERSHIP OF THE YUGOSLAV COMMUNIST PARTY IS AT WAR WITH THE COMMUNIST PARTIES OF THE WHOLE WORLD?"
THE RUSSIAN NOTE SAID THAT THE SOVIET CITIZENS ARRESTED BY THE YUGOSLAVS WERE "WHITE RUSSIANS" WHO HAD "ATONED FOR THEIR SINS WITH NEW PRO-SOVIET DEEDS" DURING WORLD WAR II. THEY WERE FORGIVEN BY BOTH YUGOSLAVIA AND RUSSIA, THE NOTE SAID, AND MORE THAN HALF THE 12,000 STILL IN YUGOSLAVIA HAVE APPLIED FOR SOVIET CITIZENSHIP.

NEW DELHI, INDIA, AUG. 20-(AP)-INDIA AND PAKISTAN, DRAWN TOGETHER LAST YEAR BY THE ASSASSINATION OF MOHANDAS K. GANDHI, HAVE BEGUN DRIFTING APART ALONG ROUTES THAT OBSERVERS HERE FEAR MAY LEAD TO NEW, SERIOUS TROUBLES.

RENEWAL OF THE TWO COUNTRIES' UNDECLARED WAR IN KASHMIR IS THE GRAVEST IMMEDIATE THREAT.

SOME IMPARTIAL OBSERVERS FEAR A REVIVAL EVENTUALLY OF COMMUNAL RIOTING -- MOB ACTIONS AGAINST HINDU MINORITIES IN PAKISTAN AND MOSLEMS IN INDIA LIKE THOSE THAT TOOK THOUSANDS OF LIVES AFTER THE PARTITIONING OF INDIA AUG.15, 1947.

THE KASHMIR ISSUE HAS BEEN PRACTICALLY AT A STANDSTILL SINCE THE UNITED NATIONS COMMISSION FOR KASHMIR SUCCEEDED IN EFFECTING A CEASE-FIRE IN THE DISPUTED HIMALAYAN MOUNTAIN STATE LAST JAN.1.

THE U.N. COMMISSION FAILED THIS WEEK IN EFFORTS TO TAKE THE NEXT STEP TOWARD RESOLVING THE QUESTION OF WHETHER INDIA OR PAKISTAN SHALL HAVE SOVEREIGNTY OVER KASHMIR.

BOTH COUNTRIES REFUSED TO AGREE EVEN ON THE AGENDA FOR A PROPOSED JOINT CONFERENCE. UNLESS ONE OR THE OTHER YIELDS, AND THERE IS NO SIGN OF THAT, THE ONLY COURSE FOR THE COMMISSION APPEARS TO BE TO REFER THE DEADLOCK OR BACK TO THE U.N. SECURITY COUNCIL FOR NEW DIRECTIVES.

NEXT TO KASHMIR, THE BIGGEST INDO-PAKISTAN DISPUTE IS OVER PAYMENT FOR PROPERTY LEFT BEHIND BY MOSLEMS MOVING TO PAKISTAN AFTER PARTITION AND HINDUS AND SIKHS MOVING TO INDIA. IT REMAINS UNSETTLED AFTER TWO YEARS OF NEGOTIATIONS.

AN INDIAN GOVERNMENT SPOKESMAN THIS WEEK ACCUSED PAKISTAN OF "PURPOSELY AVOIDING THE ISSUE THROUGH SIDETRACKING TRIVIALITIES" FOR FEAR OF LOSING MONEY. HE ESTIMATED PAKISTAN, UNDER A FINAL SETTLEMENT, WOULD OWE INDIANS SOME 15,000,000,000 (B) RUPEES (NEARLY $5,000,000,000).

PAKISTAN'S MOVE WAS TO EMPOWER ITSELF TO ANNEX ALL NON-MOSLEM PROPERTIES IN WESTERN PAKISTAN, EVEN OF PAKISTANI CITIZENS, ON GROUNDS

THE SPOKESMAN HERE SAID THE INDIAN GOVERNMENT IS STUDYING POSSIBLE COUNTER MEASURES.

A THIRD BIG BONE OF CONTENTION IS SHARING OF THE WATERS OF THREE INDUS RIVER TRIBUTARIES THAT FLOW THROUGH BOTH INDIAN AND PAKISTANI PARTS OF PARTITIONED PUNJAB PROVINCE.

PAKISTAN HAS THREATENED TO GO TO THE INTERNATIONAL COURT AT THE HAGUE TO STOP INDIA'S CONSTRUCTION OF A DAM AT BHAKRA TO DIVERT SOME OF THE WATERS.

LIAQUAT ALI KHAN, PAKISTAN'S PRIME MINISTER, SAID RECENTLY A STRONG AND UNITED PAKISTAN WAS THE ONLY SAFEGUARD FOR SOME 35,000,000 MOSLEMS LIVING IN INDIA AND "SUFFERING GREAT TRIALS AND TRIBULATIONS" THERE.

INDIAN PRIME MINISTER JAWAHARLAL NEHRU PROTESTED HE WAS "GENUINELY CONCERNED OVER THE SETBACKS WHICH EFFORTS TO IMPROVE RELATIONS WITH PAKISTAN MUST SUFFER FROM SUCH UTTERANCES."

MERCHANTS IN PAKISTAN, WHICH PRODUCES SOME OF THE SUBCONTINENT'S BEST COTTON, HAVE THREATENED TO BOYCOTT CLOTH FROM INDIA, SITE OF MOST OF THE TEXTILE MILLS.

TIMELY ARRIVAL OF PAKISTANI POLICE AVERTED A POSSIBLE BLOODY CLASH EARLY THIS WEEK IN KARACHI, THE PAKISTAN CAPITAL. THE POLICE BROKE UP A CROWD THREATENING TO STORM THE INDIAN HIGH COMMISSIONER'S OFFICE BECAUSE IT WAS FLYING THE INDIAN UNION FLAG IN CELEBRATION OF INDEPENDENCE DAY.

CANTON, SUNDAY, AUG. 21-(AP)-CHINESE COMMUNIST TROOPS TODAY WERE ATTACKING A CITY WHOSE FALL WOULD CUT OFF CANTON FROM THE STRONGHOLD OF HENGYANG, 265 MILES TO THE NORTH.

THE CITY IS LEIYANG, 35 MILES SOUTH OF HENGYANG ON THE RAILROAD WHICH LEADS TO CANTON. OFFICIAL REPORTS ADMITTED THAT RED TROOPS MOVING DOWN FROM THE EAST HAD ATTACKED LEIYANG'S OUTSKIRTS.

CIVILIANS WERE FLEEING FROM LEIYANG IN LARGE NUMBERS. THE LEI RIVER STANDS BETWEEN THE COMMUNISTS AND THE CITY PROPER. THE OFFICIAL REPORTS SAID THE REDS PUT A REGIMENT ACROSS THE RIVER BUT IT WAS WIPED OUT.

THE FALL OF LEIYANG WOULD CUT OFF ANY RETREAT TOWARD THIS REFUGEE CAPITAL OF THE MAIN FORCES OF GEN. PAI CHUNG-HSI, COMMANDER ON THE FRONT NORTH OF CANTON.

PAI'S ESCAPE SOUTHWESTWARD INTO HIS OLD PROVINCE OF KWANGSI STILL IS INTACT, BUT THE COMMUNISTS WERE REPORTED REGROUPING ON THAT PART OF THE FRONT AFTER A SETBACK.

ON THE SOUTHEASTERN SEABOARD, RED TROOPS BY OFFICIAL ACCOUNTS WERE MOVING SOUTH TOWARD AMOY. (FILIPINO CONSULAR OFFICIALS WHO FLED THIS MAJOR PORT SAID IN MANILA YESTERDAY THAT THE REDS WERE FIGHTING NEAR AMOY AND ITS FALL APPEARED NEAR.)

THE MINISTRY OF NATIONAL DEFENSE ISSUED A STATEMENT SAYING THE NATIONALISTS WERE DETERMINED TO DEFEND LANCHOW, CAPITAL OF KANSU PROVINCE ON THE FRONT IN FAR NORTHWEST CHINA.

THE STATEMENT SAID SMALL COMMUNIST FORCES WERE PROBING THE CITY'S DEFENSES FROM MANY DIRECTIONS. SOME WERE WITHIN 12 MILES OF THE CITY BUT THE MAIN FORCES WERE FROM 20 TO 30 MILES AWAY.

THE GOVERNMENT WAS REPORTED THROWING STRONG REINFORCEMENTS INTO THE COMMUNIST ADVANCE 170 MILES NORTHEAST OF CANTON.

(DISPATCHES FROM SHANGHAI ARE CENSORED BY THE COMMUNIST MILITARY)

SHANGHAI, AUG 20-(AP)-WHILE RED ARMIES ROLL SOUTH AND THE WESTERN NATIONS SEEK NEW CHINA POLICIES, THE COMMUNISTS INSIDE CONQUERED AREAS ARE UP TO THEIR NECKS IN TROUBLES.

CHINA ALWAYS HAS BEEN MORE EASILY CONQUERED THAN DIGESTED, AS THE REDS NOW ARE LEARNING.

TWO MONTHS AGO THE CIVIL WAR SEEMED NEAR AN END. NOW THE REDS THEMSELVES ARE TALKING IN TERMS OF ANOTHER YEAR OF FIGHTING DESPITE THEIR CURRENT SUCCESSES.

EXPERTS DISAGREE ON THE SERIOUSNESS OF THE COMMUNISTS' INTERNAL PROBLEMS.

GEN. CHEN YI, MILITARY MAYOR OF SHANGHAI, SAYS THEY ARE MERELY THE EARLY DIFFICULTIES OF VICTORY. OTHERS THINK A CRISIS IS RISING WHICH MIGHT IMPERIL THE REVOLUTION AND UNDERMINE COMMUNISM IN ALL ASIA.

THIS EXTREME VIEW IS NOT YET JUSTIFIED--BUT IT MAY BE JUSTIFIED IF THE REDS DO NOT MAKE FASTER PROGRESS IN SOLVING ECONOMIC AND SOCIAL UNREST.

AUG 21 1949

CROWDED, HUNGRY CHINA CANNOT WAIT FOR SLOW ADJUSTMENT AND EXPERIMENTATION. A CONQUEROR HAS LITTLE MARGIN TO WORK ON.

SOME OF THE PROBLEMS INCLUDE:

PEASANT UPRISINGS, WHICH THE NATIONALISTS USED TO BLAME ON "COMMUNIST BANDITS" AND WHICH THE REDS NOW BLAME ON "NATIONALIST BANDITS";

URBAN DISCONTENT, UNEMPLOYMENT AND LABOR TROUBLES;

THE NATIONALIST BLOCKADE;

RECENT DAMAGING FLOODS; AND

THE DRAIN OF A RED ARMY THAT NOW NUMBERS AT LEAST 4,000,000 MEN--BIGGER THAN THE COUNTRY CAN LONG SUPPORT.

AS A RESULT, THE TOO-AMBITIOUS RED INDUSTRIAL PROGRAM FOR SHIFTING THE REVOLUTIONARY BASIS FROM PEASANTS TO CITY WORKERS HAS SUFFERED AN EARLY SETBACK. TOO MANY WORKERS HAVE BECOME JOBLESS. THE BLOCKADE HAS PARALYZED INDUSTRIAL CITIES.

WHAT ARE THE REDS DOING ABOUT IT?

THEY ARE SENDING OUT POLITICAL CADRES TO TRY TO GET THE COUNTRYSIDE BEHIND THE REVOLUTION. WHEN THESE FAIL, TROOPS ENTER. THE PRO-RED PRESS SAYS THAT DURING MAY, JUNE AND JULY, MORE THAN 40,000 KUOMINTANG (NATIONALIST) "AGENTS AND ARMED BANDITS" HAVE BEEN WIPED OUT IN CENTRAL AND EAST CHINA AND 28,000 SMALL ARMS CAPTURED, PLUS 600 MACHINE GUNS AND EVEN SOME ARTILLERY. THIS GIVES AN IDEA OF THE

EXTENT OF RURAL TROUBLES.
TO SOLVE CITY PROBLEMS, THE REDS ARE TRYING TO MOVE PEOPLE TO THE FARMS AND INDUSTRIES TO THE INTERIOR. THOUSANDS OF REFUGEES HAVE LEFT THE CITIES, BUT IN POPULOUS CHINA EVEN THE COUNTRY IS TOO CROWDED TO ABSORB MANY MORE.
THE COMMUNISTS ARE TRYING SOME RECLAMATION WORK IN NORTH KIANGSU AND ANHWEI TO PROVIDE LAND FOR FORMER CITY DWELLERS, BUT THIS APPEARS TO BE MOSTLY ON PAPER.
DURING THE PAST CENTURY UNDER THE TREATY-PORT SYSTEM, CHINA BUILT UP ENOUGH FOREIGN TRADE TO MAKE A LIVING FOR MILLIONS. THESE PEOPLE HAVE NO DESIRE TO BECOME FARMERS. THE AVOWED AIM OF MAKING THE CITIES INDEPENDENT OF "IMPERIALIST TRADE" IS APT TO MEET GREAT RESISTANCE HERE.

A161KX
AUG 21 1949
IF THE REDS SACRIFICE FOREIGN TRADE FOR POLITICAL REASONS AT A TIME WHEN FLOODS ARE REDUCING CROPS, THEY WILL BE EMBARKING ON A PERILOUS VENTURE INDEED. THEY PROBABLY WILL NOT DO IT IF THEY DON'T HAVE TO--BUT THEY HAVE NO WAY OF KNOWING HOW LONG THE BLOCKADE WILL LAST OR WHETHER WESTERN NATIONS WILL TRADE WITH THEM.
THEY ARE TRYING TO BREAK THE BLOCKADE BY TAKING OUTLYING ISLAND BASES AND BY ACCELERATING THE WAR. THE MAIN BLOCKADE BASE, HOWEVER, IS FORMOSA, AND THEY CANNOT GET AT IT ACROSS 100 MILES OF SEA.
TRADE WITH RUSSIA HAS BEEN GIVEN A TERRIFIC PROPAGANDA TREATMENT, BUT IT DOES NOT IMPRESS OBSERVERS.
THIS GATHERING RED CRISIS IS APT TO COMPOUND THE EFFECTS OF ACTION BY WESTERN POWERS CONCERNING CHINA.
DEMANDS OF SOME AMERICAN CONGRESSMEN FOR NEW AID TO THE NATIONALISTS CAUSE UNEASINESS AMONG BOTH COMMUNISTS AND NEUTRAL ELEMENTS; AMONG THE COMMUNISTS BECAUSE THEY WANT TO FINISH THE WAR; AMONG NEUTRALS BECAUSE THEY DON'T BELIEVE AID WOULD SOLVE ANYTHING.
THE COMMUNISTS' PROBLEMS, HOWEVER, ARE NO COMFORT TO WESTERN BUSINESS MEN REMAINING IN RED CHINA.

KX FOR FRISCO (APWS)
NEW YORK, AUG. 20-(AP)-AN AMERICAN TRADER WHO HAS SPENT MOST OF THE PAST TWO YEARS IN JAPAN IS CONVINCED THAT COUNTRY IS ON THE ROAD TO SUCCESS AS A DEMOCRACY AND A FAR EASTERN COMMERCIAL CENTER.
E.J. GRIFFITH OF PORTLAND, ORE., SAID CHANCES FOR PROSPEROUS TRADE RELATIONS WITH JAPAN ARE FAR GREATER THAN WITH GERMANY WHENCE HE HAS JUST RETURNED. THE MAIN REASON FOR THIS, HE SAID, IS THE DIFFERENCE FOUND IN THE ATTITUDES OF THE PEOPLE.
"THE JAPANESE," SAID GRIFFITH, PRESIDENT OF E.J. GRIFFITH & CO., "KNOW THEY HAVE FOUND A SUCCESSFUL WAY OF LIFE IN DEMOCRACY. THEY ARE PUTTING EVERYTHING THEY HAVE INTO IT. THE GERMAN, INFLUENCED BY CONFLICTING GOVERNMENT PRACTICES, IS CONFUSED. more

30.24- 5169

CONFUSION ADDS NOTHING TO INITIATIVE."

IN AN INTERVIEW, GRIFFITH SAID THAT IN HIS VISITS TO BOTH COUNTRIES HE ACTED AS A POTENTIAL SALESMAN FOR A NUMBER OF AMERICAN INDUSTRIAL CONCERNS. THESE FIRMS, HE SAID, WANTED TO KNOW HOW MUCH BUSINESS THEY COULD EXPECT TO DO IN EACH OF THE TWO COUNTRIES.

"I'VE TOLD THEM," HE SAID, "THE BUSINESS OUTLOOK IN JAPAN IS EXCELLENT, IN GERMANY NOT TOO GOOD YET. JAPANESE ALREADY ARE MAKING MONEY. FURTHER, LESS THAN 500,000 OF JAPAN'S TOTAL POPULATION OF 84,000,000 ARE UNEMPLOYED. JAPAN IS MORE THAN SIX YEARS AHEAD OF GERMANY IN RECOVERY. AMONG WESTERN GERMANY'S 44,000,000 PEOPLE, 1,300,000 HAVE NO JOBS."

"ANOTHER WHOLESOME ECONOMIC FACTOR IN JAPAN," GRIFFITH SAID, "IS THE JAPANESE CONFIDENCE IN THE VALUE OF THEIR CURRENCY. SUCCESSFUL IMPLEMENTATION OF THE NINE POINT ECONOMIC STABILIZATION DIRECTIVE OF 1948, HE SAID, HAS RESULTED IN A MEASURE OF REAL ECONOMIC STABILIZATION THERE.

"WE HAVE SEEN THE UPWARD PRICE TREND AND INCREASE IN NOTE ISSUE HALTED. PRICES NOW GIVE EVERY INDICATION OF GENUINE STABILITY. SYSTEMATIC BANK REORGANIZATION HAS MADE THE BANKS SOLVENT AND SOUND."

GRIFFITH SAID OBSERVATION HAS LED HIM TO BELIEVE THE FINANCING OF LARGE SCALE OPERATIONS OR HEAVY ENGINEERING PROJECTS WILL CONTINUE TO BE LIMITED BY JAPAN'S OVERALL FISCAL POSITION. HOWEVER, HE EMPHASIZED HIS BELIEF THAT THE COUNTRY'S TRUE ECONOMY IS BUILDING ON A SOUND FOUNDATION, WITH CREDIT RAPIDLY IMPROVING.

ON THE OTHER HAND, HE SAID, FRANCE AND ENGLAND "APPEAR DETERMINED TO KEEP GERMAN PRODUCTION DOWN TO A POINT THAT WILL NOT BE COMPETITIVE WITH THEIR OWN HEAVY INDUSTRIES. THIS POLICY, IF FOLLOWED, WILL PREVENT GERMANY FROM EARNING A LIVING. HOW LONG THE UNITED STATES WILL CONTINUE TO FEED GERMANY WHILE ENGLAND AND FRANCE KEEP HER ON A NON-PRODUCTIVE BASIS IS SOMETHING OUR GOVERNMENT VARY SHORTLY WILL HAVE TO DECIDE. GERMANY'S LOW MORALE CAN BE LARGELY ATTRIBUTED TO THIS SITUATION."

D16

IN JAPAN, GRIFFITH SAID, GEN. DOUGLAS MACARTHUR "HAS CREATED A RESERVOIR OF GOOD WILL WHICH DEFINITELY HAS ESTABLISHED A FAVORABLE CLIMATE TO AMERICAN INVESTMENT." TOO, HE SAID, THE JAPANESE WHO HAVE COME TO DEFINE SUCCESS AS DEMOCRACY WANT THAT INVESTMENT, IN A VARIETY OF FIELDS, AND ARE EAGER TO ENLIST THE AID OF AMERICAN EXPERTS IN THEIR RECONSTRUCTION PROGRAM.

IN RETURN FOR SUCH AID, THE TRADE EXPERT SAID, THE JAPANESE APPEAR WILLING TO REVISE CORPORATE TAX STRUCTURE AND PROVIDE FOR REASONABLE RETENTION OF FOREIGN EXCHANGE BY INVESTORS.

THE STABILITY TOWARD WHICH THE JAPANESE ARE MOVING, GRIFFITH SAID, IS TO BE FOUND IN SOCIAL, POLITICAL AND RELIGIOUS REGENERATION, AS WELL AS THE ECONOMIC FIELD. "WOMEN HAVE FOUND AND LOVE THEIR NEW ROLE IN POLITICS AND COMMUNITY LIFE," HE SAID. "EVERYONE IS BUSY BUILDING A NEW AND BETTER JAPAN, ONE OF MUTUAL COOPERATION AMONG NEIGHBORS, ONE OF CHURCHES FOR 20,000,000 CHRISTIANS, ONE OF ATHLETIC FIELDS AND PERSONAL PRIDE AND INITIATIVE."

"THIS SUCCESS, SAID GRIFFITH, "IS SHARED BETWEEN THE PEOPLE AND MACARTHUR'S ADMINISTRATION. BY GIVING DEMOCRACY A CHANCE TO FUNCTION, THE GENERAL REVIVED JAPANESE ECONOMY AND GAVE SPIRITUAL HOPE TO THE PEOPLE. HE ALSO PUT THEM TO WORK."

GRIFFITH SAID HE SOON WILL BUILD A HOME TIN TOKYO WHERE HE WILL LIVE WITH HIS FAMILY, "COMMUTING TO THE UNITED STATES ON BUSINESS."

CHEMICAL CORPS, ALREADY HAS TESTIFIED AT THE HEARING.

ALSO DUE TO TAKE THE STAND SOMETIME NEXT WEEK ARE VAUGHAN AND JOHN MARAGON, A FORMER KANSAS CITY SHOESHINER WHO ONCE HAD FREE ACCESS TO THE WHITE HOUSE. SENATOR MCCARTHY (R-WIS) HAS DEMANDED THAT MARAGON BE INDICTED FOR PERJURY ON THE BASIS OF TESTIMONY HE GAVE TO THE COMMITTEE BEHIND CLOSED DOORS ON JULY 28.

HOEY SAID THE COMMITTEE ALSO PLANS TO CALL JAMES V.HUNT, WASHINGTON MANAGEMENT COUNSELOR, NEXT WEEK IF HIS HEALTH PERMITS. HUNT, STILL IN THE HOSPITAL AFTER A LEG OPERATION, IS A KEY FIGURE IN THE INQUIRY.

HE IS IN THE BUSINESS OF HELPING OTHERS GET GOVERNMENT CONTRACTS FOR A FEE. WITNESSES HAVE TESTIFIED HE BOASTED OF AN INSIDE TRACK TO THE WHITE HOUSE THROUGH VAUGHAN.

MCCARTHY HAS SAID THE COMMITTEE IS GETTING UNSOLICITED ADVERSE INFORMATION ABOUT VAUGHAN FROM SOURCES VERY CLOSE TO MR.TRUMAN. THE SENATOR SAID TODAY THE COMMITTEE ALSO HAS OBTAINED "EVIDENCE OF LETTERS WHICH VAUGHAN WROTE" TO GOVERNMENT AGENCIES ASKING "SPECIAL CONSIDERATION FOR FRIENDS."

THE COMMITTEE ALREADY HAS RECEIVED TESTIMONY THAT VAUGHAN AND MARAGON TRIED UNSUCCESSFULLY TO INTERVENE AT THE AGRICULTURE DEPARTMENT IN 1946 IN BEHALF OF A NEW JERSEY MOLASSES COMPANY ACCUSED OF VIOLATING SUGAR RATIONING.

HOEY SET FORTH HIS VIEWS IN A TELEGRAM LATE YESTERDAY TO JOHN A. PASSLER, A KANSAS CITY APPLIANCE DEALER WHO ASKED HOEY WHETHER IT WOULD BE ALL RIGHT FOR HIM TO GO AHEAD WITH PLANS TO PRESENT A TELEVISION SET TO MR.TRUMAN.

"WHETHER IT IS ACCEPTED OR NOT," PASSLER WIRED HOEY, "I WANT TO GO ON RECORD AS MAKING THIS OFFER PUBLICLY SO IT WILL NOT BE FOOTBALLED AROUND AS THE FREEZER DEAL WAS."

HOEY TOLD PASSLER TO GO RIGHT AHEAD, AND ADDED:

"IN MY OPINION THE DEEP FREEZER MATTER HAS BEEN MAGNIFIED OUT OF ALL PROPORTION TO ITS IMPORTANCE. IT IS NOT AN UNCOMMON THING FOR GIFTS TO BE MADE TO PUBLIC OFFICIALS, AS WELL AS OFFICIALS OF PRIVATE CORPORATIONS AND OTHERS IN THE PUBLIC MIND, WITHOUT THE DESIRE OR EXPECTATION OF RECEIVING ANY FAVORS OR REWARDS IN RETURN."

(190) VAUGHAN-RESERVE OFFICERS

WASHINGTON,AUG.20-(AP)-BRIG.GEN.E.A.EVANS, EXECUTIVE DIRECTOR OF THE RESERVE OFFICERS' ASSOCIATION, SAID TODAY THAT HE THINKS MAJ. GEN.HARRY H.VAUGHAN "HAS BEEN THE SUBJECT OF UNNECESSARY MALIGNMENT AND PICKING-ON."

EVANS REFERRED TO THE REPEATED MENTION OF THE NAME OF VAUGHAN, PRESIDENT TRUMAN'S MILITARY AIDE, IN THE SENATE INVESTIGATION OF ACTIVITIES OF FIVE PERCENTERS.

AUG 21 1949

EVANS, NOW RETIRED, SAID VAUGHAN "HAS BEEN OF TREMENDOUS HELP TO THE RESERVE OFFICERS IN TRYING TO GET THE DEFENSE DEPARTMENT TO GIVE US A SERVICE PROGRAM." HE SAID HIS REORGANIZATION HAS 80,000 MEMBERS.

HE TOLD A REPORTER THAT HE HAS WRITTEN TO "SIX OR EIGHT" MEMBERS OF THE ASSOCIATION ON THE ORGANIZATION'S STATIONERY, ASKING FOR EXPRESSIONS OF OPINION ON VAUGHAN.

EVANS SAID THE STATEMENTS PROBABLY WILL BE USED TO GET FAVORABLE PUBLICITY FOR THE PRESIDENT'S AIDE. BUT, EVANS ADDED THAT HE DOES NOT KNOW JUST HOW THAT WILL BE DONE.

HE SAID HE TOLD VAUGHAN WHAT HE WAS DOING. HE SAID VAUGHAN "HAD NO PARTICULAR COMMENT BUT DID SEEM TO APPRECIATE IT." HE ADDED:

"I THINK HE (VAUGHAN) HAS BEEN THE SUBJECT OF UNNECESSARY MALIGNMENT AND PICKING-ON. I AM HAPPY TO DO ANYTHING I CAN TO HELP HIM."

CONGRESS ROUNDUP (520)

BY JOSEPH C.GOODWIN

WASHINGTON, AUG.20-(AP)-MAJ.GEN. HARRY H.VAUGHAN WAS THE TARGET FOR A NEW BARB LOOSED TODAY ON CAPITOL HILL.

TWO SENATORIAL SOURCES SAID HE ONCE GAVE AN AGRICULTURE DEPARTMENT OFFICIAL "PARTICULAR HELL" ABOUT A GRAIN RATIONING ORDER AFTER ALCOHOLIC BEVERAGE MANUFACTURERS COMPLAINED ABOUT THE EDICT.

SENATE FIVE PERCENTER INVESTIGATORS ALREADY HAVE LINKED HIS NAME WITH GIFT HOME FREEZERS, AND HAVE HEARD TESTIMONY THAT HE TRIED UNSUCCESSFULLY TO AID A MOLASSES FIRM ACCUSED OF VIOLATING SUGAR RATIONING.

AUG 21 1949

THE ACCOUNT OF INTERVENTION BY VAUGHAN IN THE GRAIN RATIONING CASE CAME FROM TWO OFFICIALS WHO DID NOT WANT TO BE IDENTIFIED. HOWEVER, SENATOR MUNDT (R-SD), A MEMBER OF THE INQUIRY SUBCOMMITTEE, STUDYING CHARGES THAT INFLUENCE IS ON SALE IN WASHINGTON, SAID HE HAD HEARD OF THE MATTER AND PLANS TO ASK THAT IT BE INVESTIGATED.

THE ADMINISTRATION BEGAN AN UPHILL FIGHT IN THE SENATE TODAY TO SALVAGE ITS $1,450,000,000 (B) FOREIGN ARMS PROGRAM.

SENATOR CONNALLY (D-TEX), SPARKING THE FIGHT, CAME OUT FOR RESTORATION OF THE FULL AMOUNT OF $1,160,990,000 (B) FOR MILITARY SUPPLIES FOR NORTH ATLANTIC TREATY SIGNERS. THE HOUSE CUT THAT ITEM EXACTLY IN HALF.

CONNALLY SEEMED UNLIKELY TO BE ABLE TO MUSTER A MAJORITY OF THE SENATE FOREIGN RELATIONS AND ARMED SERVICES COMMITTEES, OVER WHICH HE IS PRESIDING, FOR REINSTATEMENT OF THE FULL FUND.

SEVERAL SENATORS HAVE DEMANDED REDUCTIONS IN THE PROGRAM AND HAVE APPLAUDED THE HOUSE ACTION.

SENATORS VANDENBERG (R-MICH) AND DULLES (R-NY) WANT THE EUROPEAN FUND TRIMMED BACK TO A FLAT $1,000,000,000 (B).

SENATOR FERGUSON (R-MICH) PREDICTED THE SENATE WILL BE ASKED NEXT WEEK TO FORCE A VOTE ON THE DISPLACED PERSONS BILL NOW HELD UP IN COMMITTEE.

THE BILL WOULD INCREASE TO ABOUT 335,000 THE NUMBER OF DISPLACED EUROPEANS WHO COULD BE ADMITTED TO THIS COUNTRY. THE PRESENT LAW, WHICH PRESIDENT TRUMAN HAS CALLED "ANTI-CATHOLIC AND ANTI-SEMITIC," ALLOWS ADMISSION OF 205,000 IN TWO YEARS.

SENATORS LUCAS (D-ILL) AND TAFT (R-OHIO) HAVE AGREED TO HEAD A LIST OF A DOZEN OR MORE OF THEIR COLLEAGUES SUPPORTING A MOVE TO FORCE A VOTE.

AUG 21 1949

B21WX (SEG)

FERGUSON SAID THIS PROBABLY WOULD RESULT IN THE FILING OF A MOTION TO DISCHARGE THE JUDICIARY SUBCOMMITTEE WHICH IS STILL HOLDING HEARINGS ON THE MEASURE.

CHAIRMAN ELMER THOMAS (D-OKLA), OF THE SENATE AGRICULTURE COMMITTEE, AND SENATOR ANDERSON (D-NM), AUTHOR OF A NEW FARM BILL DESIGNED TO PLEASE EVERYBODY, JUST CAN'T SEE EYE-TO-EYE ON A POSSIBLE FUTURE FOR THE MEASURE.

"THERE IS ABSOLUTELY NO CHANCE FOR CONGRESS APPROVING THE COMPROMISE BILL," THOMAS TOLD A REPORTER.

ANDERSON, ON THE OTHER HAND, PREDICTED THAT THOMAS' COMMITTEE WILL GIVE IT A FAVORABLE VOTE MONDAY.

FROM ANOTHER CORNER, SECRETARY OF AGRICULTURE BRANNAN PUT IN SOME HARSH LICKS AT THE COMPROMISE FLEXIBLE PRICE SUPPORT PLAN WORKED OUT BY ANDERSON WITH THE HELP OF BOTH DEMOCRATS AND REPUBLICANS.

HIS CRITICISM CAME IN A FIVE-PAGE LETTER MADE PUBLIC BY THOMAS LATE YESTERDAY, A WEEK AFTER IT WAS WRITTEN.

BRANNAN SAID, AMONG OTHER THINGS, THAT HE BELIEVES THE ANDERSON BILL "STILL FAILS TO PROVIDE ADEQUATE AND COMPREHENSIVE PRICE SUPPORT AUTHORITIES WHICH WOULD EQUIP THE DEPARTMENT OF AGRICULTURE TO DEAL WITH THE PRODUCTION AND DISTRIBUTION PROBLEMS WITH WHICH THIS NATION IS BEING CONFRONTED WITH EVER INCREASING INTENSITY."

HE ADDED THAT THE TOP PRICE SUPPORTS UNDER THE BILL "ARE, IN MY OPINION, STILL TOO LOW."

THE ANDERSON BILL WOULD AIM AT A LONG RANGE PROGRAM OF FLEXIBLE SUPPORTS, UNDER WHICH GOVERNMENT PRICE PROPS THROUGH LOANS AND PURCHASES WOULD DECLINE IF SUPPLIES BECOME TOO LARGE.

UNLESS THE SENATE AND HOUSE REACH SOME AGREEMENT ON FARM LEGISLATION AT THIS SESSION, A MUCH-CRITICIZED DELAYED-ACTION FLEXIBLE PRICE SUPPORT PLAN GOES INTO OPERATION JANUARY 1.

IT CARRIES LOWER SUPPORT PROPS THAN EITHER THE ANDERSON BILL OR A BILL ALREADY PASSED BY THE HOUSE. THE HOUSE MEASURE WOULD EXTEND FOR ANOTHER YEAR HIGH-LEVEL WARTIME GOVERNMENT PRICE SUPPORTS AT 90 PER CENT OF PARITY.

THOMAS SERVED NOTICE THAT HE WILL ASK HIS COMMITTEE TO GO ALONG WITH THE HOUSE PLAN.

WASHINGTONAUG 20-(AP)-SPOKESMEN FOR THE AIR FORCE AND THE ATOMIC ENERGY COMMISSION REFUSED TO COMMENT TONIGHT ON WHETHER THE ATOMIC PLANT AT HANFORD, WASH., IS ANY MORE VULNERABLE TO RUSSIAN AIR ATTACK THAN SEATTLE, 150 MILES AWAY.

THE AIR FORCE HAS HAD UNDER DISCUSSION A PROPOSAL TO MOVE SUB-ASSEMBLY WORK FOR THE B-47 BOMBER FROM THE BOEING PLANT IN SEATTLE TO A BOEING PLANT AT WICHITA, KANS.

IN THIS CONNECTION, AN AIR FORCE OFFICIAL TOLD A REPORTER THAT THE SEATTLE AREA IS CONSIDERED VULNERABLE IN CASE OF WAR.

AUG 21 1949

ASKED ABOUT THE VULNERABILITY OF THE HANFORD PLANT--THE PLUTONIUM-PRODUCING CENTER OF THE ATOMIC ENERGY PROGRAM--AN AIR FORCE SPOKESMAN TOLD A REPORTER:

"IT IS NOT LOCATED IN SEATTLE. IT IS WITHIN THE COMPETENCE OF THE ATOMIC ENERGY COMMISSION. THE AIR FORCE DOES NOT PROPOSE TO EVALUATE PUBLICLY THE RELATIVE VULNERABILITY OF TARGETS IN THE U.S."

AN AEC SPOKESMAN, IN TURN, SAID THAT THE QUESTION IS A MILITARY ONE. HE SAID THE PLANT'S LOCATION WAS DETERMINED WHILE THE ATOMIC ENERGY PROGRAM WAS STILL UNDER MILITARY DIRECTION. MANY FACTORS WERE TAKEN INTO CONSIDERATION IN DECIDING ON THE LOCATION, HE ADDED, AMONG THEM THE ISOLATION OF THE AREA, THE AVAILABILITY OF POWER AND WATER, AND THE MANPOWER SITUATION IN THE PACIFIC NORTHWEST.

THE COMMISSIONSPOKESMAN SAID THE HANFORD WORKS ARE DISPERSED OVER AN AREA OF 400 SQUARE MILES. HANFORD IS MORE THAN 150 MILES SOUTH AND EAST OF SEATTLE ON THE COLUMBIA RIVER.

AS PART OF THE AIR FORCE'S STUDY OF THE PROPOSED TRANSFER OF B-47 WORK FROM SEATTLE TO WICHITA, SECRETARY OF THE AIR FORCE SYMINGTON WILL FLY TO SEATTLE NEXT MONTH. HE WILL BE ACCOMPANIED BY SENATOR MAGNUSON (D-WASH).

ARMS AID (550)

BY OLIVER W.DEWOLF

WASHINGTON,AUG 20-(AP)-REP.VORYS (R-OHIO) SAID TODAY THE HOUSE VOTED A "LACK OF CONFIDENCE" IN THE ADMINISTRATION'S FOREIGN POLICY WHEN IT CHOPPED IN TWO THE ADMINISTRATION'S $1,160,990,000 ARMS AID PROGRAM FOR WESTERN EUROPE.

HE SAID THE ADMINISTRATION, IN TURN, HAD DEMONSTRATED ITS LACK OF CONFIDENCE IN THE HOUSE.

THE OHIO LAWMAKER, A HIGH-RANKING REPUBLICAN MEMBER OF THE HOUSE FOREIGN AFFAIRS COMMITTEE, OFFERED HIS ANALYSIS OF THE ADMINISTRATION'S STAGGERING SETBACK AS TRUMAN SUPPORTERS IN THE SENATE SURVEYED THE WRECKAGE AND LAID PLANS FOR A FRESH START.

VORYS CALLED ATTENTION TO THE ADMINISTRATION'S DETERMINED STIFF-ARMING OF MOVES TO PROVIDE WEAPONS FOR NON-COMMUNIST CHINA, AND DECLARED:

"THE ADMINISTRATION PRESENTED NO FOREIGN POLICY FOR HALF THE WORLD; THE HOUSE SHOWED ONLY HALF CONFIDENCE IN THEIR POLICY FOR THE OTHER HALF."

"MEMBERS OF THE HOUSE WERE NOT CONSULTED IN THE FORMULATION OF THE PLAN OR THE DRAFTING OF THE LEGISLATION THAT WAS INTRODUCED," HE SAID IN A STATEMENT. "ALL ATTEMPTS AT A WORKABLE COMPROMISE BEFORE GOING TO THE FLOOR WERE REJECTED."

BESIDES CUTTING THE AMOUNT, THE HOUSE TRIMMED THE TIME OF THE PROGRAM FROM TWO YEARS TO 10 MONTHS ON THE THEORY CONGRESS COULD VOTE THE REST OF THE MONEY NEXT YEAR IF THE PLAN IS WORKING ALL RIGHT.

THE SENATE FOREIGN RELATIONS AND ARMED SERVICES COMMITTEES, WHICH HELD JOINT HEARINGS ON THE ARMS LEGISLATION, GO BEHIND CLOSED DOORS TUESDAY TO GET DOWN TO DETAILS ON THE BILL WHICH IS AIMED AT STAVING OFF RUSSIAN AGGRESSION.

AUG 21 1949

SENATOR CONNALLY (D-TEX), CHAIRMAN OF THE FOREIGN RELUTIONS GROUP, BUGLED A CALL FOR APPROVAL OF THE FULL $1,450,000,000 SOUGHT BY THE ADMINISTRATION. BESIDES $1,160,990,000 FOR MEMBERS OF THE ATLANTIC PACT, THE BILL WOULD PROVIDE EQUIPMENT FOR GREECE, TURKEY, IRAN, KOREA AND THE PHILIPPINES.

"THIS IS NO TIME FOR PIECEMEAL TREATMENT," CONNALLY SAID. "TO CUT THE AMOUNT AS WAS DONE BY THE HOUSE WILL BE EXPLOITED BY COMMUNIST STATES AS A LACK OF SINCERITY ON OUR PART, AND WILL DISCOURAGE AND DEPRESS THE MEMBERS OF THE NORTH ATLANTIC PACT."

THE ADMINISTRATION KNOWS, HOWEVER, IT FACES A BIG JOB IN TRYING TO GET SENATE APPROVAL OF THE FULL AMOUNT.

SENATORS VANDENBERG (R-MICH) AND DULLES (R-NY), GOP FOREIGN POLICY LEADERS, ARE COMMITTED TO A $160,990,000 CUT FOR ATLANTIC PACT NATIONS, AND SUCH KEY DEMOCRATS AS SENATORS GEORGE AND RUSSELL OF GEORGIA AND BYRD OF VIRGINIA HAVE APPLAUDED THE HOUSE ACTION.

EVEN IF CONNALLY CAN PERSUADE HIS ECONOMY-MINDED COLLEAGUES TO VOTE THE FULL $1,450,000,000, THE HOUSE ACT VIRTUALLY ASSURES THAT SOME LESSER AMOUNT WILL BE AUTHORIZED.

THE TWO HOUSES FREQUENTLY SPLIT THE DIFFERENCE IN THE AMOUNTS WHEN MONEY BILLS ON AUTHORIZATIONS ARE SENT TO CONFERENCE.

CONNALLY, IN STANDING PAT ON THE FULL AMOUNT, RECALLED TO A REPORTER THAT SECRETARY OF STATE ACHESON, GENERAL OMAR BRADLEY, CHAIRMAN OF THE JOINT CHIEFS OF STAFF, AND OTHER LEADERS HAD TESTIFIED THAT THE $1,450,000,000 WAS THE "MINIMUM TO MAKE OUR OBJECTIVE EFFECTIVE."

THE TEXAS LAWMAKER SAID HE THOUGHT THE TWO SENATE COMMITTEES COULD WORK OUT A BILL BY THE END OF NEXT WEEK AND SEND IT TO THE FLOOR. THERE BOTH THE TIME OF ITS DEBATE AND ITS FATE APPEAR UNCERTAIN.

THE COMMITTEES HAVE ABOUT A DOZEN AMENDMENTS, INCLUDING SEVEN BY VANDENBERG AND DULLES, TO CONSIDER.

IN ADDITION TO TRIMMING THE AMOUNT FOR PACT COUNTRIES TO AN EVEN $1,000,000,000, THE TWO REPUBLICANS WANT TO MAKE CERTAIN THAT THE ARMS PROGRAM IS MESHED IN WITH MUTUAL DEFENSE PLAN TO BE FORMULATED BY THE PROPOSED NORTH ATLANTIC COUNCIL.

THE HOUSE LEFT UNCHANGED THE ADMINISTRATION REQUESTS FOR $211,370,000 FOR ADDITIONAL MILITARY AID FOR GREECE AND TURKEY, AND THE $27,640,000 REQUESTED FOR IRAN, KOREA AND THE PHILIPPINES.

WASHINGTON, AUG.20-(AP)-SENATOR FERGUSON (R-MICH) PREDICTED TODAY THAT THE SENATE WILL BE ASKED NEXT WEEK TO FORCE A VOTE ON THE DISPLACED PERSONS BILL NOW SNAGGED IN COMMITTEE.

BEATEN IN AN EFFORT YESTERDAY TO GET THE JUDICIARY COMMITTEE TO VOTE ON THE HOUSE-APPROVED MEASURE, FERGUSON SAID A BIPARTISAN GROUP OF SENATORS WILL CARRY THE FIGHT TO THE SENATE ITSELF.

SENATORS LUCAS OF ILLINOIS, THE DEMOCRATIC LEADER, AND TAFT OF OHIO, THE GOP POLICY CHAIRMAN, HAVE AGREED TO HEAD A LIST OF A DOZEN OR MORE SENATORS OF BOTH PARTIES SUPPORTING SUCH A MOVE.

FERGUSON SAID THIS PROBABLY WILL RESULT IN THE FILING NEXT WEEK OF A MOTION TO DISCHARGE THE COMMITTEE. HOWEVER, A SHOWDOWN VOTE ON THE QUESTION MAY BE DELAYED FOR SOME TIME.

FERGUSON LOST, 5 TO 2, AN EFFORT WITHIN THE JUDICIARY COMMITTEE TO TAKE THE BILL OUT OF THE HANDS OF A SUBCOMMITTEE HEADED BY SENATOR MC CARRAN (D-NEV).

MC CARRAN, CHAIRMAN OF THE FULL COMMITTEE, HAS BLOCKED EFFORTS TO GET SENATE ACTION ON THE BILL WHICH PRESIDENT TRUMAN HAS CLASSIFIED AS "MUST" LEGISLATION TO REPLACE WHAT HE SAID WAS THE "ANTI-CATHOLIC, ANTI-SEMITIC LAW PASSED BY THE REPUBLICAN 80TH CONGRESS.

SENATOR KILGORE (D-WVA) SUPPORTED FERGUSON IN THE ATTEMPT TO SPEED UP COMMITTEE PROCEDURE BY TAKING THE BILL AWAY FROM THE SUBGROUP. BUT SENATORS MC CARRAN, EASTLAND (D-MISS), JENNER (R-IND), DONNELL (R-MO) AND LANGER (R-ND) VOTED IT DOWN.

"IN THE FACE OF A MOVE IN THE SENATE TO DISCHARGE THE COMMITTEE, I WAS ONLY TRYING TO GET A VOTE BY THE FULL COMMITTEE ON THE BILL," FERGUSON TOLD A REPORTER.

MCCARRAN SAID HE OBJECTED TO DISCHARGING THE SUBCOMMITTEE BECAUSE IT STILL IS HOLDING HEARINGS ON THE MEASURE.

THE BILL WOULD INCREASE TO ABOUT 335,000 THE NUMBER OF DISPLACED EUROPEANS WHO COULD BE ADMITTED TO THIS COUNTRY. THE PRESENT LAW ALLOWS ADMISSION OF 205,000 PERSONS IN TWO YEARS.

TO BE DRAFTED BY THE PROPOSED NORTH ATLANTIC COUNCIL.

CONNALLY, WHOSE COMMITTEES WILL START WRITING UP A BILL NEXT WEEK, SAID HE KNOWS THE SENATORS HE IS WORKING WITH DON'T WANT TO SCUTTLE THE ARMS PROGRAM.

"TESTIMONY BEFORE OUR COMMITTEE REVEALS IT IS A CAREFULLY PLANNED PROGRAM," HE SAID IN A STATEMENT.

"SECRETARY (OF STATE) ACHESON AND SECRETARY (OF DEFENSE) JOHNSON TESTIFIED THAT THE FULL AMOUNT IS NEEDED AND NEEDED NOW. THE JOINT CHIEFS OF STAFF, FRESH FROM THEIR CONSULTATIONS WITH THE POLITICAL AND MILITARY LEADERS OF WESTERN EUROPE, ASSURED US THAT THE $1.4 BILLION IS THE MINIMUM FIGURE.

"I SINCERELY HOPE THAT THE SENATE WILL APPROVE THE SENATE BILL WITH THE FULL AUTHORIZATIONS RECOMMENDED BY THE SECRETARIES OF STATE AND DEFENSE AND OUR MILITARY LEADERS."

TYDINGS HIT ABOUT THE SAME NOTE. HE SAID THE HOUSE ACTION WAS A MISTAKE, ADDING THAT GEN.OMAR BRADLEY, CHAIRMAN OF THE JOINT CHIEFS OF STAFF, HAD TESTIFIED THAT $1,160,990,000 (B) IS THE MINIMUM NEEDED FOR WESTERN EUROPE.

"TO CUT SUBSTANTIALLY BELOW THE MINIMUM IS TO DEFEAT THE WHOLE PURPOSE OF THE PROGRAM," HE SAID.

HE ADDED THAT HE THINKS THE FUND "OUGHT TO BE IN THE NEIGHBORHOOD OF A BILLION" FOR THE TREATY SIGNING COUNTRIES.

THE HOUSE LEFT INTACT THE ADMINISTRATION'S REQUEST FOR $211,370,-000 (M) FOR GREECE AND TURKEY AND $27,640,000 (M) FOR IRAN, KOREA AND THE PHILIPPINES.

SOME OFFICIALS IN THE STATE DEPARTMENT AND ELSEWHERE IN THE UNITED STATES GOVERNMENT BELIEVE THAT BRITAIN CANNOT SURVIVE AS A WORLD POWER WITHOUT COMPLETELY UNHINDERED ACCESS TO AMERICAN MARKETS. THEY THINK THAT SOME TIME IN THE FUTURE THE ONLY WAY THE UNITED STATES CAN KEEP BRITAIN ALIVE WILL BE TO JOIN A CUSTOMS UNION, SHARING A COMMON CURRENCY AND A COMPLETELY INTEGRATED ECONOMY. BUT THAT IS NOT SLATED FOR DISCUSSION AT NEXT MONTH'S TALKS.

BRITISH SPOKESMEN SAY THEY ARE DISCOURAGED BY A FEELING THAT AMERICAN OFFICIALS WILL BE COMPLETELY UNWILLING TO EMBARK ON ANY BOLD NEW ENTERPRISES.

THIS, OF COURSE, WAS NOT THE CASE WHEN THE UNITED STATES GRANTED THE FIRST BRITISH POST-WAR LOAN IN 1946 AND THEN GAVE BRITAIN A NEW LEASE ON LIFE WITH THE MARSHALL PLAN COMMITMENTS OF 1947-48.

THE DIFFERENCE IS THAT ON THE TWO PREVIOUS OCCASIONS AMERICAN OFFICIALS BELIEVED THAT IF THEY USED U.S. DOLLARS TO BUY TIME AND RECONSTRUCTION BRITAIN WOULD DO THE REST.

THEY BELIEVE NOW THAT AMERICAN DOLLARS WILL NO LONGER SOLVE THE PROBLEM, THAT ONLY RADICAL ACTIONS BY THE BRITISH, REVISING THEIR CURRENCY VALUATION AND THEIR WHOLE INDUSTRIAL STRUCTURE AND FOREIGN COMMITMENTS, WILL OFFER ANY HOPE OF A PERMANENTLY HEALTHY BRITISH ECONOMY.

BRITAIN'S PROPOSALS IN THE TALKS COMING UP HERE ARE EXPECTED TO SHY AWAY FROM DEVALUATION UNLESS IT IS ACCOMPANIED BY SOME PROMISES FOR ACTION BY THE UNITED STATES AND POSSIBLY OTHER NATIONS.

HERE ARE SOME OF THE THINGS THE BRITISH ARE THINKING ABOUT:

1. THE POSSIBILITY OF AN UPWARD REVISION IN THE PRICE PAID BY THE UNITED STATES FOR GOLD--NOW $35 AN OUNCE. THE U.S. OWNS MORE THAN $24,000,000,000 WORTH OF GOLD--ABOUT TWO-THIRDS OF THE WORLD'S MONETARY SUPPLY. COMMODITY PRICES HAVE RISEN SHARPLY SINCE THIS PRICE WAS SET YEARS AGO, AND THE BRITISH FIGURE THAT IF THE U.S. WOULD JACK THE PRICE UP TO SAY $45 THEY COULD BUY MORE WITH THEIR GOLD AND THUS IMPROVE THE FINANCIAL SITUATION OF THEIR EMPIRE.

2. ESTABLISHMENT OF

GOLD AND THUS IMPROVE THE FINANCIAL SITUATION OF THEIR EMPIRE.

2. ESTABLISHMENT OF A STABILIZATION FUND OF PERHAPS $3,000,000,000 TO MAINTAIN THE VALUE OF THE POUND STERLING IF IT SHOULD BE DEVALUED.

3. AN ATTEMPT TO REACH SOME BASIC POLITICAL DECISIONS WHICH WOULD HAVE A GREAT BEARING ON SOME OF THE ECONOMIC MOVES THE BRITISH HAVE IN MIND. FOR EXAMPLE, SHOULD THE WESTERN POWERS REDUCE THEIR ACTIVITIES IN THE FAR EAST, OR SHOULD THE UNITED STATES ASSUME A GREATER PROPORTION OF THE BURDEN THERE, THUS LIGHTENING BRITAIN'S LOAD?

4. THE POSSIBILITY OF A GENERAL MOVE TO REDUCE AND REFUND WORLD WAR II DEBTS, PARTICULARLY THE HUGE SUMS THAT BRITAIN OWES INDIA AND EGYPT. BRITAIN IS HAVING TO SHIP GOODS AGAINST THOSE CREDITS NOW, WITHOUT GETTING ANY CURRENT RETURN.

SAN FRANCISCO, AUG. 20-(AP)-A FORMER FILIPINO ARMY OFFICER WHO TESTIFIED "I WOULD HAVE TRUSTED IVA TOGURI D'AQUINO WITH MY LIFE," WAS VIGOROUSLY CROSS-EXAMINED BY A GOVERNMENT PROSECUTOR LATE YESTERDAY.

LT. NORMAN REYES, THIRD DEFENSE WITNESS IN MRS. D'AQUINO'S TREASON TRIAL, TOLD THE COURT HE WAS CAPTURED ON CORREGIDOR AND FORCED TO BROADCAST FOR THE JAPANESE UNTIL THE END OF THE WAR.

HE SAID HE WORKED WITH MRS. D'AQUINO, CHARGED WITH BEING THE "TOKYO ROSE" WHO BROADCAST PROGRAMS THE JAPANESE HOPED WOULD DAMAGE THE MORALE OF ALLIED TROOPS.

BUT REYES DENIED EVER HEARING SOME 40 DIFFERENT PROPAGANDA STATEMENTS, WHICH DEFENSE ATTORNEY WAYNE COLLINS READ TO HIM AND WHICH HAD BEEN ATTRIBUTED TO TOKYO ROSE BY EX-GI WITNESSES FOR THE GOVERNMENT.

THE FORMER POW TOLD OF SEEING FILIPINO PRISONERS BEATEN -- ONE TO DEATH AND ANOTHER TO INSANITY -- BY THEIR JAPANESE CAPTORS.

HE ALSO TESTIFIED HE SAW MAJOR WALLACE INCE, A PREVIOUS DEFENSE WITNESS, BADLY BEATEN. "ONE GUARD SMASHED HIS HEAD AGAINST A WALL," HE SAID.

THEN PROSECUTOR TOM DE WOLFE TOOK OVER.

"ARE YOU TELLING THE TRUTH, NORMAN?" HE DEMANDED.

"TO THE BEST OF MY ABILITY," REYES REPLIED.

THEN DE WOLFE ASKED IF REYES HAD ALSO TOLD THE TRUTH WHEN QUESTIONED BY FBI AGENTS. THE WITNESS ANSWERED THAT AS NEARLY AS HE COULD REMEMBER HE HAD.

THE PROSECUTOR LATER HINTED AT SURPRISING INFORMATION. HE FIRST ESTABLISHED THAT REYES HAD MARRIED A NISEI -- SAN DIEGO-BORN KATHERINE MURUAKO--IN TOKYO DURING THE WAR.

"YOU WERE MARRIED ON NOVEMBER 29, 1944, IN THE PHILIPPINES PUPPET CONSULATE IN TOKYO, RIGHT?" HE ASKED.

"THAT IS CORRECT," REYES SAID.

"WAS INCE MARRIED THERE AT THE SAME TIME?"

"NO," THE WITNESS SAID.

"DIDN'T HE MARRY A FILIPINO?" DE WOLFE PERSISTED.

OVER DEFENSE OBJECTIONS, THE JUDGE ALLOWED THE QUESTION.

"I DON'T KNOW," SAID REYES.

SAN FRANCISCO, AUG. 20-(AP)-THERE IS NO CHANCE FOR POLITICS OR FAVORITISM TO ENTER INTO THE SELECTION OF COMBAT AIRCRAFT, GENERAL H.H.(HAP) ARNOLD DECLARED YESTERDAY.

THE RETIRED AIR FORCE COMMANDER WAS TESTIFYING BEFORE A HOUSE SUBCOMMITTEE INVESTIGATING RUMORS THAT THE CHOICE OF THE HUGE, SIX-ENGINED B-36 MIGHT HAVE BEEN INFLUENCED BY POLITICS.

THE DEVELOPMENT OF AN AIR GIANT SUCH AS THE B-36 REQUIRES THE COMBINED EFFORTS OF COUNTLESS SCIENTISTS, ENGINEERS AND OFFICERS, HE SAID.

HE REAFFIRMED HIS FAITH IN GENERAL HOYT VANDENBERG AND THE MEN WHO PRESENTLY GUIDE THE AIR FORCE.

"I PERSONALLY SELECTED THEM FOR THEIR OUTSTANDING ABILITY AND INTEGRITY," ARNOLD SAID. "THEY HAVE MEASURED UP UNDER FIRE. I HAVE UNQUALIFIED CONFIDENCE IN THEM."

ARNOLD SAID DEVELOPMENT OF A COMBAT PLANE TAKES FROM THREE TO SIX YEARS FROM THE DRAWING BOARD TO OPERATIONAL FLIGHT. DURING THIS TIME IT REQUIRES ENDLESS REFINEMENTS--GETTING THE "BUGS" OUT--SO IT CAN BE USED. HE SAID THE VITAL DECISIONS AFFECTING THE DEVELOPMENT OF A PLANE CANNOT BE MADE BY ANY ONE MAN BUT MUST BE MADE BY ALL CONCERNED IN THAT DEVELOPMENT.

AUG 21 1949

DIGRESSING A BIT TO WORLD AFFAIRS, ARNOLD SAID FEAR OF WHAT MAY HAPPEN TO THEM IS ALL THAT DETERS SOME PEOPLE FROM AGGRESSION.

"THE THING PEOPLE FEAR MOST IS SOMETHING THEY DO NOT UNDERSTAND. AND THE THING THE RUSSIANS UNDERSTAND LEAST IS STRATEGIC BOMBING.

"THEREFORE, I CONGRATULATED THE SECRETARY FOR AIR WHEN HE ORDERED MORE B-36S."

HE SAID THAT IN THE B-36, THE U.S. HAS THE BEST INTER-CONTINENTAL BOMBER OF ANY NATION. SO FAR AS HE KNOWS, NOBODY ELSE HAS ANYTHING TO MATCH IT.

NEW YORK, AUG. 20-(AP)-WHAT GOES ON IN THE OFFICES OF THE DAILY WORKER, COMMUNIST NEWSPAPER, HAS BECOME A PRIME TOPIC AT THE COMMUNIST CONSPIRACY TRIAL.

IT'S A TICKLISH COURTROOM SUBJECT THOUGH--ONE THAT HAS REPEATEDLY CAUSED FEDERAL JUDGE HAROLD R.MEDINA TO REBUKE DEFENSE WITNESSES WHEN THEY DECLINED TO ANSWER SOME OF HIS QUESTIONS.

THE TOPIC BOBBED UP AGAIN YESTERDAY, AND AS DEFENSE LAWYERS BEGAN TO DRAW FROM A WITNESS TESTIMONY ABOUT AN EDITORIAL MEETING, THE JUDGE INTERRUPTED TO SAY:

"YOU MUST GET THE WITNESS TO TELL US WHEN THE DISCUSSIONS OCCURRED, WHERE THEY WERE HELD AND WHO WAS THERE."

PREVIOUSLY, THE JUDGE HAD THREATENED ALAN MAX, THE PAPER'S MANAGING EDITOR, WITH A JAIL SENTENCE WHEN HE REFUSED TO STATE WHO WAS PRESENT AT ONE OF THE PAPER'S SESSIONS.

DEFENSE LAWYER A.J.ISSERMAN ASKED MEDINA IF HIS NEW INSTRUCTION WAS "AN ORDER."

"IT IS," SAID MEDINA. "I'M NOT GOING TO PLAY AROUND WITH THIS."

"I WISH TO APPROACH IT IN ANOTHER WAY," SAID ISSERMAN.

"YOU MEAN SNEAK UP ON IT?" ASKED THE JUDGE.

"NO," REPLIED ISSERMAN, "AND I OBJECT TO THE COURT'S CHARACTERIZATION."

THE WITNESS ON THE STAND, JOSEPH STAROBIN, UNITED NATIONS CORRESPONDENT FOR THE WORKER, THEN GAVE THIS REPLY TO A QUESTION ABOUT WHO ATTENDED THE MEETING:

"MEMBERS OF THE NEWSPAPER'S EDITORIAL STAFF, CIRCULATION AND ADVERTISING DEPARTMENTS--BUT I CAN'T RECALL WHO WAS NOT PRESENT."

MEDINA LET IT GO AT THAT.

STAROBIN DISPUTED GOVERNMENT TESTIMONY THAT JAMES S.ALLEN, EX-FOREIGN EDITOR OF THE PAPER, HAD SAID AT THE MEETING THAT THE U.S. COULD BE RID OF CAPITALISM ONLY WITH HELP FROM THE RED ARMY.

"HE SAID NOTHING OF THE KIND," SNAPPED STAROBIN.

LOUIS F.BUDENZ, FORMER MANAGING EDITOR OF THE PAPER WHO RENOUNCED COMMUNISM AND IS NOW A FORDHAM UNIVERSITY ECONOMICS PROFESSOR, HAD TESTIFIED ALLEN HAD SAID THE U.S. IS "A HOPELESSLY CAPITALISTIC STATE" AND THAT "CAPITALISM COULD ONLY BE OVERTHROWN WITH THE HELP OF THE RED ARMY."

THE TRIAL, IN WHICH 11 TOP RED LEADERS ARE ACCUSED OF CONSPIRING TO ADVOCATE FORCIBLE OVERTHROW OF THE GOVERNMENT, IS IN RECESS UNTIL MONDAY.

PICKETS PARADED OUTSIDE THE FEDERAL COURTHOUSE AGAIN YESTERDAY, CARRYING SIGNS DEMANDING THAT MEDINA RELEASE THREE OF THE DEFENDANTS WHO ARE KEPT IN JAIL BETWEEN COURT SESSIONS ON CONTEMPT SENTENCES.

Tito Accuses Russians Of Pulling Doublecross Over Austrian Claims

MOSCOW BLASTED IN FORMAL NOTE AS SPLIT WIDENS

Kremlin Is Accused of Using Soviet Citizens in Yugoslavia as Spies

• 'INSULTS' PROTESTED

Only Russians Arrested Were Saboteurs, Belgrade Declares

LONDON, Aug. 21 — (AP) Yugoslavia accused Russia today of being a doublecrosser. In a formal note Marshal Tito's government charged the Russians abandoned on the sly support of Tito's claims for Austrian territory.

Tonight Tito's Communist Party newspaper Borba fololwed up this formal charge with an editorial accusing Russia of using Soviet citizens in Yugoslavia as spies.

The editorial lashed out at Russia's newest note of Thursday, disclosed only yesterday in Moscow, threatening "effective measures" to protect Russian citizens in Yugoslavia.

Calls Russia Doublecrosser

The Yugoslavia government blasted Russia as a doublecrosser on the Austrian question in a note handed to Russia last night and reported today by Tanjug, the official Yugoslav news agency. This was in reply to a Soviet note of Aug. 11 declaring Yugoslavia an enemy of the Soviet Union.

The Borba editorial also was reported by Tanjug. Both were heard here on broadcasts from Belgrade.

The Russian statement broadcast by the Moscow Radio yesterday, accused Yugoslavia of "unlawful arrests and beatings" of Soviet citizens on Yugoslav territory because they were friendly to Russia.

The weekend blasts were the latest in the feud between the U.S.S.R. and Yugoslavia dating back to June, 1948. At that time the Russian-led cominform kicked Tito's party out, charging it with anti-Soviet nationalism.

Says Russians Act as Spies

Borba said some Russians in Yugoslavia, when granted Soviet citizenship, "were inveigled for Soviet intelligence service against socialist Yugoslavia."

Consequently, Borba said, it is not hard to understand why Russia is not transfering these citizens to their home country. It added:

"They do not need them in the Soviet Union, but they are handy as a pillar in other socialist countries."

The Soviet note had charged that some Russian citizens had been arrested because they had spread the cominform resolution which called upon the Communist Party in Yugoslavia to overthrow Marshal Tito.

Borba denied this and said they had been arrested because of sabotage against Yugoslavia incited by the cominform resolution.

Borba said that only a small number of people have been arrested in Yugoslavia, while those who honor Yugoslav laws are living undisturbed.

Russian "Insults" Protested

The paper said the Russian note on Soviet citizens in Yugoslavia was full of "vile language, insults and threats," and was delivered in an insulting fashion—handed to a Yugoslav foreign ministry doorman at 5 a.m.

The latest Yugoslav note charged that the Kremlin had sold out Yugoslav interests in Slovene Carinthia (southern Austria) to assure "agreement on its own claims to German assets in Austria" by other members of the big four.

It bristled with such terms as "lies and slanders," "distortions of the truth" and "unworthy insinuations" in replying to Moscow's charges.

"Behind the back" of the Yugoslav government, the note declared, Russia promised Austrian Chancellor Karl Renner to work for preservation of Austria's present boundaries while at the same time encouraging Yugoslavia to press her claims with the United States, Britain and France.

Russia had accused the Yugoslav government itself of quietly abandoning its claims while attempting to make its people think Russia was responsible for the failure to win a slice of territory.

The four-power foreign ministers council at Paris last spring agreed to retain present frontiers in the Austrian treaty of independence, not yet completed.

Kremlin's Charge Denied

In her note of Aug. 11 Russia charged that Tito was conspiring to join the western power bloc. Yugoslavia said this assertion was intended to "conceal precisely the contrary"—that Russia was working against the interests of Yugoslavia in the matter of the Austrian treaty.

Today's note was the sixth in an increasingly bitter exchange which seemed to foreshadow some showdown, diplomatic or otherwise.

Beginning with the denunciation of Tito by the cominform over a year ago as a nationalistic wanderer from the true communist line, the feud has now advanced to where Russia and the Moscow-trained premier of Yugoslavia are calling each other enemies.

Saturday night, the Mocow radio broadcast the text of a note which was even stronger. It compared Tito's government to that of Generalissimo Franco of Spain and the "Monarcho-Fascists" of Greece in its alleged torture of Soviet citizens in Yugoslavia.

The Moscow note defended the cominform resolution of June, 1948, which urged the Yugoslav Communist Party to "renovate" its leadership, as entirely constitutional and legal. But Moscow denied the cominform urged an overthrow of the Yugoslav government by force.

Nevertheless Marshal Tito has been reported shifting his troops in Macedonia—between two cominform allies, Bulgaria and Albania—and he has publicly warned that his army was prepared to fight any invader.

Tito Charges Double-Cross By Kremlin

Cites Abandoning Of Yugoslav Claims

His Latest Note in Verbal Warfare Ignores Soviet Threats of Retaliation

By The Associated Press

LONDON, Aug. 21—Yugoslavia renewed today a battle of words with the Soviet Union, despite a threat from Moscow.

Premier Marshal Tito's government made public a note replying to a Soviet note of Aug. 11 which declared Yugoslavia's regime is now considered an enemy of the Soviet Union. The new Yugoslav note said Russia is a doublecrosser because she abandoned on the sly support of Yugoslav territorial demands on Austria.

Tito has not yet replied to the note, still more bitter in tone, which was broadcast from Moscow last night. It called the Tito regime Fascist and threatened "more effective measures" for protection of Soviet citizens from alleged mistreatment in Yugoslavia.

The latest note from Belgrade, as broadcast by the Yugoslav official news agency Tanjug, charged that the Soviet Union sold out Yugoslav interests in Slovene Carinthia (southern Austria) in order to assure "agreement on its own claims to German assets in Austria" by other members of the Big Four powers.

Charges Moscow Lies

The note used such terms as "lies and slanders," "distortions of the truth" and "unworthy insinuations" in replying to Moscow's charges.

[The Yugoslav note said, according to The United Press: "The enemy attitude of the Soviet government is known from a series of Soviet government acts toward Yugoslavia." It added: "That attitude is merely a consequence of the policy which the Soviet government at present follows and which not only is against the interests of Socialist Yugoslavia but is damaging to the entire anti-imperialistic world democratic front."]

"Behind the back" of the Yugoslav government, the note declared, Russia promised Austrian Chancellor Karl Renner to work for preservation of Austria's present boundaries and at the same time encouraged Yugoslavia to press her claims with the United States, Great Britain and France.

Russia, in the Aug. 11 note, accused the Yugoslav government of quietly abandoning its demands while attempting to make its people think Russia was responsible for the failure to obtain some territory from Austria.

The four-power Foreign Ministers' Council at Paris last spring agreed to retain present frontiers in the Austrian treaty of independence, not yet completed.

Soviet Accusation Denied

In the Aug. 11 note, Russia charged that Tito was conspiring to join the Western power bloc. The Yugoslav note of today said this assertion was intended to "conceal precisely the contrary"—that Russia was working against the interests of Yugoslavia in the matter of the Austrian treaty.

Today's note was the sixth in an increasingly bitter exchange which seems to foreshadow some

showdown, diplomatic or otherwise.

Beginning with the denunciation of Tito by the Cominform more than a year ago as a nationalistic wanderer from the true Communist line, the feud has now advanced to the point where Russia and the Moscow-trained Premier of Yugoslavia are calling each other enemies.

The note broadcast from Moscow last night compared Tito's government to that of Generalissimo Francisco Franco of Spain and that of the "monarcho-Fascists" of Greece, by reason of its alleged torturing of Soviet citizens in Yugoslavia.

The Moscow note defended the Cominform resolution of June, 1948—which urged the Yugoslav Communist party to "renovate" its leadership—as entirely constitutional and legal, but the note denied the Cominform had urged overthrowing of the Tito government by force.

Excerpts From Belgrade Reply to Soviet

LONDON, Aug. 21 (AP)—Following are excerpts from the Yugoslav reply to a Soviet note dated Aug. 11, as transcribed today from a Belgrade broadcast:

The Government of the Federal People's Republic of Yugoslavia, having acquainted itself with the text of the note sent by the Soviet Government on the eleventh of August, considers that the insulting tone of this note does not bind the Yugoslav Government to reply but for the sake of historical truth.

On the question of leaving Slovene Carinthia under German domination and in order that the democratic public may not remain deluded on this matter, the Yugoslav Government deals with central facts which have been entirely distorted in the said note of the Soviet Government.

It [Yugoslavia] is supposed, as far back as in 1947 in the spring, to have renounced claims on Slavene Carinthia [in southern Au-

strial. The Soviet Government is trying in this way to remove responsibility from itself as a responsible Government participating in bringing about the Paris decision whereby, contrary to the principle of self-determination of peoples, the just claims of Yugoslavia to Slovene Carinthia were entirely rejected.

In April, 1947, the Yugoslav delegation arrived at Moscow to set forth at this session of the Foreign Ministers' Council its claim on Austria, but it met with the completely negative stand of the representatives of the United States, Great Britain and France, as well as the extremely vague attitude of the Soviet Government with regard to its readiness to defend Yugoslav claims.

Stand by Russians

The Soviet Government well knows that at that time during several talks between the Yugoslav head of delegation, E. Kardelj, and the Ambassador of Yugoslavia in Moscow, V. Popovitch, and representatives of the Soviet Union, V. Molotov and A. Vishinsky, these latter two assured Yugoslav representatives that there were absolutely no prospects for the Yugoslav territorial claims in the Council of Foreign Ministers to be accepted and that it was most likely they would be rejected in entirety.

Foreign Minister Molotov declared to M. Kardelj that, despite such hopeless prospects, the Soviet delegation would continue to keep the question of Slovene Carinthia on the agenda only to facilitate a positive solution regarding German property in Austria in behalf of the Soviet Union.

The Yugoslav delegation was therefore clearly informed that the Soviet delegation would not be able to uphold its support of Yugoslav territorial claims on Austria if the Foreign Ministers' Council reached an agreement on German assets in Austria.

Moreover, such a stand of the Soviet Government was also expressed at the Moscow session of the Foreign Ministers' Council itself.

Finally such a stand is borne out also by the outcome itself, which shows that the Soviet Government indeed renounced support of the Yugoslav claims when it once achieved agreement on the question of German assets in Austria.

Stalin's Letter to Renner

The Yugoslav Government could not but link up such a Soviet stand with a letter which Premier Stalin sent in May, 1945, to the Chancellor of Austria, Herr Renner, and which contains a promise of the immutability of Austrian frontiers.

The Soviet Government did not deem it necessary to inform the Yugoslav Government about the contents of said letter, despite the fact the Yugoslav Government, as the Government of an Allied country, could have expected this.

Such a letter contained precisely those things which the Soviet Government terms lies and slanders—namely, the promise of every assistance for the integrity of the Austro-Yugoslav frontier. [This] can readily be grasped by anyone if he also bears in mind the circumstance that the Western powers also held the same view.

Accordingly, for the Yugoslav Government, the statements representatives of the U.S.S.R. Molotov and Vishinsky made to the Yugoslav delegation in Moscow could mean nothing less than the readiness of the Soviet Government to keep its word given to the Austrian Chancellor Renner in the above cited letter; that is, the readiness of the Soviet Government to concur with the attitude of the Western powers, with the attitude that the frontier between Yugoslavia and Austria should not be rectified and that Slovene Carinthia should be left inside Austria.

Minimum Claims Defined

In such situations the Yugoslav delegation in Moscow tried in talks with representatives of the Soviet Union Molotov and Vishinsky to enlist the aid of the Soviet delegation in an endeavor at least to achieve a compromise solution.

The Soviet representatives asked the Yugoslav delegation to prepare also a written proposal continuing several variants of the minimum claims, which the Yugoslav delegation actually did in the letter of E. Kardelj to A. Vishinsky of April 20, 1947.

At the same time Mr. Molotov advised M. Kardelj that the Yugoslav delegation should intervene with representatives of the other big powers in the direction of a compromise solution.

In the light of such a state of affairs, the attempt of the Soviet Government note to depict M. Kardelj's letter to Mr. Vishinsky of April, 1947, as a renunciation by the Yugoslav Government of the incorporation of Slovene Carinthia into Yugoslavia is a distortion.

The public knows that the Yugoslav Government never renounced nor ceased to fight for the incorporation of Slovene Carinthia to Yugoslavia, that it was prepared to concede only because that was requested by the Soviet Government and because the Yugoslav Government had no other way out.

Assertion Held Absurd

The absurdity of the assertion that the Kardelj letter meant renouncing Carinthia is proved also by the fact that Soviet representatives, for two whole years after this letter, supported Yugoslavia's request for incorporation of Slovene Carinthia up to the moment when they abandoned this request, having reached a favorable solution of the question of German assets in Austria in favor of the Soviet Union.

The Soviet Government's note also asserts that it was "subsequently" proven that the Yugoslav Government "behind the back" of the Soviet Government conducted negotiations with Great Britain's representatives on renouncement of Slovene Carinthia.

The fact remains that it was precisely the Soviet representatives, asserting that there were no prospects for the liberation of the Carinthian Slovene, who asked the Yugoslav delegation to intervene directly with the Western powers so that the latter might abandon the principle of the immutability of the Austrian frontiers and agree to a compromise solution.

The Soviet Government note asserts that the Government of Yugoslavia did not want publicly to take upon itself responsibility for ceding on the question of Slovene Carinthia because it wished to deceive the Yugoslav people into thinking it was allegedly defending their interest and to shift responsibility for this to the Soviet Government.

U.S.S.R. Labeled Hostile

How [illegible] this assertion is can be seen from the fact that the Soviet Government was the first "to cede" and what is more to cede to end the question of Carinthia without the knowledge of the Yugoslav Government.

These are facts which best show who was and who was not consistent in the struggle for the national democratic rights of the Carinthian Slovenes and who "behind backs" concluded pacts with the Western powers on this question.

In this light, the deliberate assertion of the Soviet Government that Yugoslavia is aligning in the front of the imperialistic countries acquires special significance.

This assertion should conceal precisely the contrary fact—namely, that the Soviet Government, on the question of Slovene Carinthia and, for that matter, also on the other questions of the Austrian treaty relating to the interests of Yugoslavia, was opposing the interests of the Yugoslav peoples, that it is the Soviet Government which is hostile toward Yugoslavia and not the Yugoslav Government toward the Soviet Government.

MT. ARARAT RELICS FOUND

Russians Report Man Lived There Before Noah

London, Aug. 21 (AP).—The Russians, who get nervous when foreigners head for Biblical Mount Ararat just across the border in Turkey, made known tonight one of their scientists has been digging close to it.

Tass, the official Soviet news agency, in a dispatch from Erevan in Soviet Armenia, said the scientist has unearthed evidence stone age men lived near Ararat. This presumably was long before Noah's Ark is supposed to have landed on the mountain after the flood.

A party of Americans recently received permission of the Turkish Government to search Mount Ararat for possible traces of the Ark. The Soviet press and radio have charged the Americans are representatives of United States military intelligence trying to spy on the neighboring Soviets.

Digs For Six Years

Tass said the Russian scientist, identified as one Sardaryan, has just finished six years of excavations on the southwestern slopes of Mount Ararat and in a near-by valley. The dispatch said he had found stone tools "representing all epochs of the paleolithic" or old stone age. This age, during which man used more or less crude stone implements, ended about 10,000 B.C. and is estimated to have lasted anywhere from 500,000 to 1,500,000 years.

Views Berlin Friendliness As Mask For Conquest Aims

Berlin, Aug. 21 (AP)—A special report by the United States Military Government for Berlin said today the Russians' current air of friendliness here was a pose to mask the real goal of the Kremlin-Communist domination of all Germany.

The report was submitted to Maj. Gen. Maxwell D. Taylor, who will succeed Brig. Gen. Frank Howley as commandant of the American sector of Berlin next month, and to John J. McCloy, United States military governor.

It has been made available also to State Department units that deal with American policies in Germany. The document was drawn up by the military government's Headquarters Division.

Part of the report deals with the staff needs facing General Taylor, who will serve as troop commander as well as commandant. He also will have frequent dealings with the Russians on four-power matters.

Major Problem Listed

The section outlining tasks ahead indicates the authors consider the Russians have put aside the "cold war" as an instrument of policy in Berlin only for the moment.

The Headquarters Division listed as its major problem: "Constant political and economic conflict with the Soviet military administration, whose objective is communistic control of Berlin and eventual political and economic control of Germany."

This conclusion was dated August 11—long after the Russian blockade was lifted and long after Russia, the United States, Britain and France were supposed to be establishing a "live and let live" philosophy here.

The four commanders have failed in frequent meetings to reach a single major agreement on normalizing life in the split city. The West has made proposals which hang in the air and the Russians answered them only by submitting some of their own.

The official military government newspaper *Die Neue Zeitung* said editorially Washington circles already considered the four-power talks in Berlin as bogged down in failure.

"The old Soviet delaying tricks are cropping up in any discussions designed to straighten out Berlin's economic and political mixup," it said. "There are Communist and anti-Communist city governments, two currencies and two political philosophies clashing daily.

"For the Russians, Berlin . . . disturbs them as a show window into their own methods."

McCloy Names Cabinet Aides

Frankfurt, Germany, Aug. 21 (AP). John J. McCloy today appointed six members of the eight-member Cabinet that will replace the American Military Government organization when the West German federal republic is formed next month.

McCloy, who is now United States military governor, will become civilian high commissioner in American zone with the changeover.

The Cabinet members named today were:

CHESTER A. MCCLAIN, of Washington, general counsel.

HARVEY W. BROWN, of University Park, Md., director of the Office of Labor Affairs and labor adviser to the Economic Cooperation Administration (ECA) mission in Germany.

JAMES W. RIDDLEBERGER, of Washington, director of the Office of Political Affairs.

30.24- 5179

RALPH NICHOLSON, of New Orleans, director of the Office of Public Affairs.

Executive Secretary Named

McCloy named James E. King, Jr., of Leesburg, Fla., executive secretary. This is a non-Cabinet post. King joined the military government in January, 1947, serving as secretary-general and later as deputy chief of staff at Nuernberg and Bad Nauheim.

McClain is now general counsel of the World Bank.

Brown was president of the International Association of Machinists from 1940 to last July. From 1940 to 1943 he was also vice president and a member of the executive council of the American Federation of Labor.

Riddleberger came to Germany as director of the political affairs office in October, 1947. Last March he was appointed acting political adviser to the United States military governor. A career diplomat, he served in the American Embassy in Berlin from 1936 to 1941.

Chief Of Korean Mission

Wolfe joined the State Department early in 1947 and served his first year in Rio de Janeiro. He organized the joint administrative services for the American mission for aid to Greece. Then he was named chief of the state-army-ECA mission to Seoul, Korea.

Nicholson is vice president and co-owner of the Tampa (Fla.) *Times*. He recently sold the New Orleans *Item*.

ECA Chief Arrives From Athens as Harriman Joins Him

FRANKFORT, Germany, Aug. 21 (AP)—Paul G. Hoffman, Economic Cooperation Administrator, and W. Averell Harriman, roving Marshall Plan ambassador, arrived today to confer with Western officials on economic developments in Western Germany. Mr. Hoffman came by plane from Greece. Mr. Harriman flew in from Paris.

German Coalition's Stand On Free Enterprise Basis

Rhoendorf, Germany, Aug. 21 (AP) — Leaders of the Christian Democratic party, which won top place in last Sunday's parliamentary elections, said today the new West German Republic will have a right-wing coalition government committed to free enterprise and western ideals.

With this lineup, the Social Democrats (Socialists) will constitute the main opposition party. They were second in the parliamentary vote.

Regional Leaders In Caucus

A caucus of regional Christian Democratic chieftains promised to preserve free enterprise as opposed to a Socialist economy advocated by the social democrats. Dr. Konrad Adenauer, Christian Democratic chairman, presided.

The Christian Democrats had a closed session at the home here of Dr. Adenauer, who is expected to be the first chancellor (premier) of the new republic. After the meeting they issued a communiqué declaring the August 14 elections "were an impressive indorsement of Christian Democratic conceptions of state and society and a clear indorsement of the free market economy as opposed to the Socialist planed economy."

The party leaders said they are "obligated to abide by this attitude when forming the federal government."

This means that they will turn to the rightwing Free Democratic party, an advocate of free enterprise, in forming a coalition government.

Two Hold 191 Seats

In the voting the Christian Democrats received 31 per cent of the popular vote and 139 out of the 402 seats in the parliament. The Free Democrats were third in the election, receiving 11.95 per cent of the vote and 52 parliamentary seats.

The Christian and Free Democrats will lack only eleven seats of having a clear majority in parliament. They can easily pick these up by inviting one or more of the small right-wing parties to join the coalition.

After today's Christian Democratic meeting, Dr. Ludwig Erhard, economics director for the combined British and American occupation zones, said "there will be no contact with the Social Democrats."

Franz Strauss, a regional leader of the party in Bavaria, said the Social Democrats now have a great chance as a constructive opposition.

The Christian Democratic leaders declined to comment on the possible composition of the cabinet. However, it was considered certain they had discussed possible appointees.

Communist Charges In Finland

TEDDY ROSENTHAL

Helsinki, Finland, Aug. 21 (AP)—The Communists' official newspaper charged today that Finnish police action against Communist-led strikers is aimed at preparing for war against the Soviet Union.

The charge was made by the party organ, *Tykansan Sanomat*. This followed up the party's call yesterday for anti-Government rallies to protest against the "terror, violence and murders" which Communists said attended efforts of the Government to end the strikes.

Only Major Clash

The strike front was obviously weakening. The only major clash announced was the brush Thursday between strikers and police at the lumbering town of Kemi, where one man was killed and nine injured.

The walkouts, which Premier Karl August Fagerholm's Social Democratic government charged were aimed at laying the groundwork for a Communist coup, lost potency under back-to-work orders by Finland's Central Trade Union Federation.

Anti-Communist newspapers reported unanimously that the strike lines were showing great gaps and more workers were returning to their jobs.

Fresh bread was available in satisfying quantities. Practically all bakeries were expected to be back in operation Monday morning.

Brewery Work Resumed

From 90 to 95 per cent of the brewery strikers resumed work.

Lumbermen and log floaters in all except one district were back on the job and dockers resumed work at several ports.

The Communists had hoped to pull out at least 100,000 fo Finland's 300,000 unionized workers in a day-by-day strike movement, but the peak figure was estimated in mid-week at 45,000.

The Government, which has promised to "inflict a crushing defeat on the Communists," came under heavier attack from the Communist press.

[Pravada and other Moscow newspapers said the Finnish strike "is widening and embracing new enterprises" and what it will continue to expand despite all efforts of the Government to break it.]

Charges Treaty Violation

Communist newspapers followed up the theme of the party executive committee, which notified President Juho K. Paasikivi yesterday that the anti-strike measures of the government "openly violate provisions of the peace treaty" which Finland signed with Russia and Britain in 1944.

[This treaty provides that disputes over interpretations shall be settled by Britain and Russia with the aid of some other nation if the two are unable to agree.]

Tykansan Sanomat said "the police terror" aimed at crushing peace-loving elements in order to prepare the way for war against Russia. The paper said it is generally stated in Stockholm, capital of neighboring Sweden, that the "terrorist policy" is part of Anglo-American imperialistic activity and is used in an attempt to strengthen the North Atlantic alliance. It called the alliance a war union.

Quote Moscow Press

Both *Tykansan Sanomat* and *Vapaa Sana*, organ of the Communist-allied popular democrats, carried articles telling how the Moscow press reported the actions against Finish workers.

The papers said the Moscow press also reported that the Finnish Communist party had asked for punishment of those responsible. It should be noted in Sweden, the two papers said, how the Moscow papers reacted.

Both stories were distributed by the Democratic News Service, described by social democrats as a Communist propaganda center in Helsinki.

Ana Pauker Credits Reds Alone For Saving Nation From Nazis

BUCHAREST, Aug. 21 (AP).—Foreign Minister Ana Pauker gave to Communists and the Soviet Army today all the credit for liberating Romania from Nazism. Writing in the Communist newspaper "Scanteia," she said also that the Reds "saved Romania from Anglo-American imperialism."

Her article set the keynote for a fifth anniversary observance of the coup which took this country out of the Axis line-up and into the Allied ranks on Aug. 23, 1944.

The same theme was stressed in a thirty-page booklet issued by the Communist party for an anniversary celebration next Tuesday.

Chinese Report Recapture Of Town In Canton Defenses

Canton, *Monday*, Aug. 22 (AP) — The Nationalists reported today an important comeback against a Communist drive on Leiyang, a key point in the defense of Canton.

The Communist attempt to sever the Canton-Hankow railway at Leiyang not only has been beaten back, the Nationalists asserted, but Anjen has been retaken. Anjen, 30 miles northeast of Leiyang, safeguards the eastern flank of Government defense operations in Hunan province.

Recapture of Anjen, the Nationalists said, was accomplished by a counterattack that pushed back one division of the Communist 45th army and wiped out two of its regiments.

Leiyang is on the railway 230 miles north of Canton. Its fall would have cut off from the capital the large forces based on Hengyang, 35 miles farther north.

Heavy Casualties

The reds were asserted to have suffered 1,000 casualties and lost 200 machine guns and 400 rifles.

Fifty miles northwest of Hengyang the nationalists laid claim to another victory involving much larger numbers but possibly of less immediate tactical importance.

Gen. Pai Chung-hsi's nationalist defense army was credited with total destruction of the red 51st Army of Gen. Lin Piao.

One division of this red army has been reported wiped out three days earlier, and this was confirmed by reliable private sources. Today the nationalists said the remaining two divisions have been smashed. (This would represent a total loss to the reds of possibly 30,000 men if the divisions were at full strength.)

Such a victory should relieve at least temporarily the pressure on Pai's western flank and leave open his possible retreat route southwest into his native Kwangsi province.

Fierce Fighting Reported

On the eastern flank, the nationalists reported fierce fighting around Sinfeng, 180 miles northeast of Canton. They denied private reports that the reds had captured Sinfeng. The town is 55 miles east of communist-held Tayu, which is 170 miles from Canton and the nearest approach yet made by the red regulars to this capital.

On the far northwestern front in Kansu Province, news was less favorable to the nationalists. Foreign travelers said the reds were firing into the airfield three miles outside the walls of Lanchow, provincial capital.

They said Gen. Ma Pu-fang, nationalist commander of the whole northwest region, had ordered abandonment of Lanchow. He had to take a truck instead of a plane to get to Tsining, capital of Tsinghai province, 110 miles west of Lanchow.

Knowland to Visit Japan

TOKYO, Aug. 21 (AP).—General of the Army Douglas MacArthur's headquarters reported today that approval had been given to an application from Senator William F. Knowland, Republican, of California, to visit Japan. Mr. Knowland is one of a group of Senators who have been trying to get MacArthur to return to Washington and testify on the foreign arms aid program. General MacArthur's office quoted him as saying that "Senator Knowland is welcome here at any time."

INDONESIA TALKS TO OPEN

Dutch Parliament Viewed As Sovereignty Obstacle

Batavia, Java, Aug. 21 (AP)—Indonesia's leaders have gone to The Hague round table with improved hopes of getting unconditional sovereignty this year for their people from the Dutch, who have ruled them three and a half centuries.

They want undisputed control over lands richer than any other in Asia or the great and small neighbor islands.

The bargaining in Holland over the future status of the old Dutch East Indies starts Tuesday.

Sovereignty Promised

The Dutch have promised to yield sovereignty to the 60,000,000 to 70,000,000 islanders, but want to keep them in a union with Holland and other possessions under the crown.

The United States of Indonesia, under that plan, would be an equal partner with the rest of the Dutch empire.

Among the more optimistic, the only question remaining is how strong or loose the tie may be. Among the pessimists there is a feeling that any deal made at the round table will have a high hurdle to jump when it reached the Dutch Parliament for approval—a parliament showing signs of stuborn resistance to the idea of giving away large pieces of Queen Juliana's empire.

Leaders of the Indonesian Republic—the prime mover for independence—and head men from fifteen other states outside Republican territory of the Indies, met to settle differences among themselves before going to Holland. They quickly closed ranks to present a solid front for sovereignty in the talks with the Dutch.

Settlements On Paper

Past settlements of the Dutch-Indonesian conflict have been made on paper and then failed in operation. But the current talks seem to have an infinitely better chance of success.

The present phase began with a United Nations Security Council directive last March to its Indonesian commission. The American-Australian-Belgian commission prodded both sides and plodded ahead. It watched over the restoration of the Republican regime in its capital at Jogjakarta, put a cease-fire into effect and promoted the round-table talks.

The commission said it is confident an overall settlement now will be made quickly. Chances are better, at least, than at any time since the Dutch tried to wipe out the Republic with "police action" last December.

Premier Mohamed Hatta made it clear the Indonesians want economic as well as political independence from Holland. He stated this position at an inter-Indonesian conference recently.

Refers To Communism

Referring to communism without naming it, Hatta said that being economically independent was the only way for this part of Asia to keep free from an "ideological trend that tends to control the world from one center."

H. J. Van Royen, former chairman of the Dutch delegation to the United Nations Security Council and lately to the United Nations commission here, said the Dutch are prepared to yield complete and unconditional sovereignty to Indonesia, and should be able to do it by the end of this year.

It is believed here such views may conflict sharply with influential political and business standpoints in Holland. Some parliamentary opposition has arisen already against the government going as far as it has.

Indonesian nationalists don't hide their belief that the highest remaining hurdle probably will be the Dutch Parliament.

FOUR SENATORS DEMAND ARMS AID FOR CHINA

AUG 22 1949

Bridges, Wherry, Knowland, McCarran Assail White Paper Stand

Chinese claim recapture of town north of Canton.....*Page 4*

Washington, Aug. 21 (AP)—Four ranking senators bitterly denounced today the State Department's white paper on China as a "whitewash of a wishful, do-nothing policy."

They demanded "immediate and adequate military aid" for the Chinese Government.

The four, Senators Bridges (R., N.H.), McCarran (D., Nev.), Wherry (R., Neb.) and Knowland (R., Cal.), said in a joint statement that "instead of facing facts in China and admitting its error, the State Department still buries its head in the sand and issues a white paper." They directed strong personal criticism at the Secretary of State, Dean Acheson.

White Paper Centered Blame

The white paper, issued August 5, blamed China's long series of reverses at the hands of Chinese Communists on asserted political, economic and military ineptitude of Generalissimo Chiang Kai-shek's Natonalist Government. The State Department, in addition, turned thumbs down on any further aid to the Government pending the developing of a new long-range policy.

The four senators rejected flatly this position. They contended that "our own welfare no less than China's" demands a halt to what they called a "master plan of Soviet conquest" in Asia. It is high time, they said, to bolster free areas of China and unify neighboring countries for defense.

"China still has not succumbed," the four senators declared, adding:

"The Chinese Government still holds a greater area of the country than it did after the first year of war with Japan.

Sources Of Communist Arms

"What the Chinese Army lacks more than anything else are the weapons which the State Department dangerously advises be withheld from its armies.

"Against the Government troops, deprived of arms and equipment by this shortsighted State Department policy, the Communists fight with a wealth of weapons.

"Most of these—as the White Paper points out—were surrendered by the Japanese to the Russians. What the White Paper has neglected to state, however, is that reports indicate that some of the Communists' United States-manufactured weapons have been diverted to them out of the United States' wartime $11,000,000,000 lend-lease to Soviet Russia.

"For propaganda purposes, Communists have claimed to have captured it all from the Nationalist Government."

White-Paper Contention

The protesting senators also said "The White Paper says China lost huge quantities of munitions sent from the United States.

"What it does not say," they commented, "is that China has suffered from an embargo on United States military aid."

AUG 22 1949

The White Paper says "much of the equipment furnished by the United States to China prior to and after V-J day has fallen into the hands of the Communists."

The State Department document also said that until the military collapse of the Nationalist Government in the Fall of 1948, the Chinese held fifteen major arsenals and five subarsenals producing small arms and ammunition "adequate to sustain normal operations of the Chinese Army."

General Asian Significance

"The (Nationalist) Government also had access to arms markets in foreign countries other than the United States and in the years following V-J day purchased considerable quantities of military matériel through such sources," the White Paper added.

The Communist crisis in China is not just her domestic problem as "apparently the White Paper assumes," the senators said, continuing:

"If China should fall completely into the hands of the Communists, it would mean the eventual end of progress toward democracy in all Asia. . . .

"We are spending millions to fight a cold war against communism throughout the rest of the world and approximately one per cent in the important Pacific area. In China there is a hot war. The Chinese Government must have immediate and adequate military aid."

Four In Important Posts

Two of the senators—Knowland and Bridges—are members of the Senate Armed Services Committee, which will meet Tuesday with the Senate Foreign Relations Committee to begin drafting a foreign-arms bill. Wherry is GOP floor leader and McCarran the chairman of the joint Senate-House foreign spending "watch-dog" committee.

Knowland already has submitted an amendment to the arms bill which would earmark $173,000,000 of the authorization for China. But he faces an uphill battle to get the $173,000,000, or any smaller amount, approved.

Both Senator Connally (D., Texas), chairman of the Foreign Relations committee, and Senator Tydings, chairman of the Armed Services committee, are opposed to China's inclusion in the proposed $1,450,000,000 program.

Their stand was buttressed by the House Friday when it rejected an amendment to tag $100,000,000 in the bill for China and southeast Asia.

But the China fight, heated as it undoubtedly will be, will play a secondary role to the struggle of the Administration to get the Senate to offset another House action.

Connally For Full Sum

The House in approving an arms bill Friday, cut in half the $1,160,990,000 which the Administration sought for military aid for Atlantic pact nations. The House left intact the Administration figures of $211,370,000 for Greece and Turkey, and $27,640,000 for Iran, Korea and the Philippines.

Connally has announced he will fight to have the Senate committees approve the full amount requested by Acheson and military leaders. Tydings today said the Senate "should restore some of the cut, at least."

The Senate's two principal GOP foreign-policy spokesmen, Senators Vandenberg (R., Mich.) and Dulles (R., N.Y.) have proposed trimming the North Atlantic figure to $1,000,000,000. Dulles is not a member of either committee.

But three Southern Democrats who are members of eight Foreign Relations or Armed Services, all have expressed pleasure over the House action. They are Senators George (Ga.), Russell (Ga.) and Byrd (Va.).

Both Tasks Seen Hard

In view of this, Connally seems to face just as tough a job to get the full $1,450,000,000 approved as Knowland and Bridges do to get any help for China.

The latter in their joint statement with Wherry and McCarran criticized Acheson for "vacillating when the situation cries aloud for decisive forthright action to retrieve losses already sustained." The statement added:

"There is no publicly revealed evidence that Secretary Acheson is making any forthright efforts for unifying China's neighbors against the oncoming Red armies.

"Scapegoat" For Washington

"His efforts to make Chiang Kai-shek a scapegoat for the blunders of present and past administrations in Washington is shallow. It has been rejected by every competent observer of the tragic record of betrayal of China running back years."

The senators said that if it is the United States policy to "contain Communism the world over," then there can be no justification for the State Department's ignoring China's plight and "discontinuing the relative importance of the entire Far East."

They said the United States "wisely adopts" a military-assistance program for Europe and joins a North Atlantic pact, but added:

"That does not justify neglecting China and the Far East nor brushing off the crisis there with a long apologia for State Department errors."

SENATE GROUP STUDIES NEW FREEZER DATA

Information Is Obtained From Bennett At Chicago Home

AUG 22 1949

Washington, Aug. 21 (AP)—Boring into the motive for the gift of home freezers to Washington higher-ups, Senate investigators today studied new information obtained from the head of the perfume firm which footed the bill.

The special Senate subcommittee conducting the inquiry sent a man to Chicago, it was learned, to question ailing David Bennett, wealthy president of the Albert Verley Company.

The questioning of Bennett, a committee source said, took place last week, a few days after the Senate probers quizzed Harry Hoffman, Milwaukee advertising man, behind closed doors in Washington. The investigators declined to discuss what Bennett had to say.

May End Probe This Week

Bennett and Hoffman have been named as the donors of the freezers by Maj. Gen. Harry H. Vaughan, President Truman's army aide. Vaughan said they gave the units to him in 1945 out of friendship, and that he in turn had them sent to prominent Washingtonians. One went to the summer White House in Independence, Mo. Hoffman, whose firm handles the Verley advertising, said he obtained the freezers for Bennett's company.

The committee expects to conclude this week its public inquiry into whether improper influence has figured in handling of Government business. Hearings will be resumed Tuesday.

Besides Vaughan, who is expected to testify Wednesday or Thursday, the committee plans to call:

Maj. Gen. Herman Feldman, suspended Quartermaster General of the Army.

John Maragon, fast-talking former shoeshiner who once had a pass to the White House.

Hunt Also May Appear

And, health permitting, James V. Hunt, Washington management counselor who collects big fees for

30.24- 5181

help in getting Government contracts for others. If Hunt is unable to take the stand, he probably will submit an affidavit, comittee members said.

Other witnesses have testified that Hunt boasted an inside track to the White House through friendship with Vaughan.

The committee also plans to return to the home-freezer episode. Hoffman's secret testimony dealing with the freezers and other matters was made public last Thursday. The committee put it out after Mr. Truman implied that the Senate group was withholding information favorable to Vaughan and that at the same time "leaking" derogatory data about his aide to the press.

Contradicts Vaughan

Vaughan said a week ago that Hoffman told him the freezers were experimental models which had no commercial market value. Hoffman's testimony behind closed doors was that he never made such a statement to Vaughan.

The committee has been inquiring whether there was any link between the gift of the freezers and Government clearance for a 1945 business trip to Paris in an army plane by Hoffman, Maragon and a third agent of the Verley Company.

Hoffman testified there was no connection between the two incidents. He told the committee that the Verley firm paid for all the freezers; that the first one was sent to the summer White House after Hoffman overheard Vaughan saying that one was needed there; and that Bennett later decided he wanted to send similar units to other Capital notables. He described Bennett as a free spender who "just wanted to do it."

Bennett Too Ill To Attend

At the time Hoffman was questioned, a letter from Bennett saying he had left all the arrangements to Hoffman was read into the record. That did not satisfy the investigators so they arranged to question Bennett in Chicago.

Bennett's doctor has certified, a committee member said, that Bennett is ill and unable to appear at the public hearing.

WCTU Speaker Says Drink Brought Disasters in War

Charges Drunkenness at Pearl Harbor, Invasion Date Bared at Party

PHILADELPHIA, Aug. 21—(AP) The Woman's Christian Temperance Union was told tonight that drinking brought on a host of "disasters and near-disasters to the allied armies" in World War Two.

In an address at WCTU's 75th national convention, H. Cecil Heath of London, general secretary of the United Kingdom (Temperance) Alliance, asserted:

"Authorities are trying to obscure the part played by alcohol during World War Two in all sections of the armed forces of every belligerent state."

"The unpleasant truth," Heath said, "can be discovered from court martial records and other official archives."

And said Heath:

Cites Pearl Harbor

"It is unnecessary to remind an American audience of the part drink played in the Pearl Harbor episode, nor to enlarge on the fact that an American major general was reduced to the rank of lieutenant colonel and sent home from Europe for disclosing the date of the invasion at a cocktail party.

"He had been one of the commanders of the American Air Force in Britain."

Heath did not elaborate on either incident in his address, but told a reporter that the incident of the dismissal of the major general is available on official records, as is his identity.

He said announcement of the incident was made by supreme headquarters, allied expeditionary forces, on June 7, 1944. General Dwight D. Eisenhower ordered the general's dismissal and reduction in rank, Heath related.

As to Pearl Harbor, the British temperance leader said "it is common knowledge that there was widespread drunkenness there the night of Dec. 6, 1941."

He quoted Christopher J. Benny as telling a House committee investigating the Japanese sneak attack that "liquor was everywhere" and that "the streets were jammed by soldiers and sailors staggering from one bar to another."

Heath said some sources reported that about 55 per cent of the 841 places licensed to sell liquor were operated by persons of Japanese ancestry. One, Heath said, was less than 100 yards from the U. S. military installation at Schofield barracks.

Heath asserted that the Germans "used alcohol as a means to undermine French resistance" in overrunning France. He quoted a 1941 Vichy dispatch as saying that "alcohol was the chief cause of the moral collapse of the French army."

Leaders of the French underground have informed him, Heath said, that they had to entrust important missions to abstainers.

Heath concluded that:

"Early demolition of the drink traffic and the drink habit is necessary if the tasks of peace are to be successful accomplished.

"Unfortunately, alcohol is a drug of addiction and habits, which contracted in wartime, cannot be easily abandoned.

"The situation is made more difficult, because in certain countries there has been official and deliberate encouragement of the drink habit."

Heath said Great Britain has used the liquor industry as a "buffer to ward off inflation" by maintaining production at prewar levels despite a general cutback in other industries.

"Britain's drink bill," he said, "has thus risen from $1,400,000,000 in 1938 to $3,200,000,000 in 1949."

"Disease" Claim Assailed

In another address, Bishop Wilbur E. Hammaker, executive vice president of the board of temperance of the Methodist Church, said calling alcoholism a disease "is a red herring" to divert the public's attention "from the real cause of drunkenness."

He said the medical campagin is directed against those who "can't handle their liquor" with an admission that some can drink without ill effect.

And, said Bishop Hammaker:

"Youg people are beset by subtler sins. They may not prove allergic to alcohol. They may continue after that first glass to drink with what they deem to be good taste and good sense. They only want to 'feel good,' as they say.

"What happens? Inhibitions of modesty are suspended. That is a sinful step to take—a dangerous one."

Mrs. D. Leigh Colvin, WCTU president, urged a thorough investigation of the report that Maj. Harry H. Vaughan interceded for distillers to have grain rationing regulations relaxed.

Mrs. Colvin called attention of the convention to the statement by Senator Mundt (R.-S. D.) that an inquiry is underway into reports General Vaughan, the President's military aide, acted to get grain for distillers and brewers during the shortage of 1946.

"With millions of people starving in the world," Mrs. Colvin said, "the Department of Agriculture (which Vaughan was said to have contacted) has consistently 'coddled' the booze makers since the war, by seeing to it that they got grain when the starving world did not get enough."

General Vaughan's name has appeared repeatedly in the current investigation of "five percenters."

VFW CONVENTION OPENS IN MIAMI

MIAMI, Fla., Aug. 21 — (AP) Veterans of Foreign Wars opened their golden jubilee convention tonight with memorial services in Miami's Bayfront Park.

Rear Adm. W. N. Thomas, chief of chaplains, U. S. Navy, gave the memorial address before several thousand of the 25,000 delegates and their wives here for the annual conclave.

"This is the hour when we call the roll of our honored dead," he said. "It is one of the most sacred acts known to civilized men—the act of paying grateful tribute to comrades who gave their lives for our beloved country.

"Though our heroic dead were white and black, Catholics, Protestants and Jews, they died as Americans, united in a common cause.

"It is high time that we Americans stopped some of the quarreling among ourselves about things that matter little when our sons and brothers lie buried in the faraway places of the globe and in the bottom of the sea—men who died that we might have the freedom to quibble."

The convention swings into full stride tomorrow when President Truman arrives for an address scheduled for 11:30 a.m. (EST).

The annual parade will begin at 6:30 p.m. Tuesday.

Formal joint opening of the VFW conclave and the 36th national convention, ladies auxiliary, is scheduled for 10 a.m. tomorrow in the Dinner Key Auditorium.

The convention continues through Friday.

ZIONISTS GET ASSURANCES

Head Says United States Denies Pressure On 2 Issues

New York, Aug. 21 (AP)—The head of the Zionist Organization of America said today he has been assured the United States will not bring pressure on Israel to admit a specified number of Arab refugees.

He also said he got assurances from a high State Department officer that the United States will not bring pressure on Israel to give up any part of the Negeb area.

Daniel Frisch, president of the organization, identified the State Department official as George McGhee, head of the Near East and Africa division of the department.

Reports Cause Parley

Frisch said he talked to McGhee last Friday in Washington because of reports that "Washington was demanding the admission of 250,000 Arab refugees into Israel plus the surrender of the southern Negeb in exchange for the Gaza strip now held by the Egyptians."

Frisch said the Israeli Government has committed itself to admit 100,000 Arabs.

Frisch's report of his conversation with McGhee was made in a formal statement issued at a joint meeting of the national administrative council and national executive committee.

He quoted McGhee as denying the State Department attempted to establish any figure for admission of Arab refugees.

McGhee, he said, told him the State Department thought it was up to Israel to "offer a figure."

800 IN 45 STATES OPPOSE ARMS AID

Emily Green Balch, 8 Others, Initiate Letter To Senators

New York, Aug. 21 (AP)—A letter from more than 800 persons in 45 states, 572 of them religious leaders, urges all senators to defeat President Truman's arms-for-Europe program.

Initiated by Emily Green Balch, Nobel Peace Prize winner, and eight religious leaders and educators, the letter is to be delivered today to all senators.

The letter predicted the arms program would "lead to an armaments race which will soon take us into war."

It charged that "the American people cannot afford more arms when their own incomes are declining."

"Nothing could be more tragic for world peace at this time than sending these arms," the letter said. "Nothing will more surely divide the world into two warring camps."

Paris Conference Cited

The letter added:

"We believe that peace is possible; that war between the United States and the Soviet Union is not inevitable; that through conferences and discussions, as at the recent four-power Paris conference, differences between our country and the Soviet Union can find a just and honorable solution."

Citing the recent report by the American Friends (Quakers) Service Committee, urging reliance on the United Nations to settle East-West differences, the letter said there was evidence from many sides that negotiations "will prove more and more fruitful."

"But the arms program and the alarmist war atmosphere now being developed to justify this program will nullify any efforts to break down the barriers between East and West through continued peaceful negotiations," the letter stated.

Chief Of Protocol Heeds Pope, Quits Post In Warsaw

New York, Aug. 21 (AP)—Adam Gubrinowicz, chief of protocol for the Polish Government, has resigned because as a Catholic he cannot continue to serve his Communist-dominated country.

Arthur Bliss Lane, one-time ambassador to Poland, said today Gubrinowicz told him of the resignation in a cablegram.

Lane said Gubrinowicz cabled:

"As a Catholic and in view of the Vatican's excommunication decree, it is impossible for me now to continue my work as director of protocol."

The cablegram originated in Switzerland, but Lane did not know whether the protocol chief had fled Poland. Lane said the resignation was significant since it was the second such action by a Polish Government official in the last few days. Dr. J. T. Rakowski recently resigned as Poland's consul general in Montreal.

Pastor Niemoeller Sure Communists Will Fail

New York, Aug. 21 (AP)—The Rev. Martin Niemoeller, German cleric imprisoned by the Nazis during the last war, said today he does not believe the Communist drive against religion will succeed.

The churches in Germany and eastern Europe are standing "very solidly" against the Reds' anti-religious tactics, he said at La Guardia field.

He and his wife, Else, boarded a plane for San Francisco, en route to Sydney, Australia. They arrived here yesterday from Frankfurt, Germany.

U.N. NEEDS GO UP $605,295

Trygve Lie Puts Operations Budget At $44,314,398

Lake Success, N.Y., Aug. 21 (AP). Trygve Lie estimated tonight it will cost $44,314,398 to operate the United Nations next year. This is $605,295 more than the United Nations appropriated for 1949.

Deducting $5,106,525 expected in miscellaneous income, the organization's Secretary-General set the net cost at $39,297,873. He said a carryover from last year would acount for something over $1,000,000 more.

About $38,000,000 finally will be required in assessments from the 59 member nations of the world organization, his aides said, to finance the Lake Success headquarters, the European office at Geneva, Switzerland, and the General Assembly for the year.

U.S. Biggest Contributor

The United States is the biggest contributor under the system of assessments, based on ability to pay. Its share of the 1949 appropriations total was about $17,000,000, aside from contributions to specialized agencies not covered in the general budget.

Lie's estimates, a 250-page book, and an accompanying critical survey by the United Nations' advisory committee on administrative and budgetary questions, will be submitted to the fourth annual session of the General Assembly opening in New York September 20.

Grand Total Of $75,000,000

The advisory committee, a paid group of experts from various countries, recommended reductions totaling $1,786,750, largely in expenditures on staff, services and equipment at Lake Success headquarters.

The advisory committee noted that the general budget, together with those of big specialized agencies such as the United Nations Educational, Scientific and Cultural Organization and the World Health Organization, would make a grand total of about $75,000,000 to be assessed against members.

This would be about $5,000,000 more than for the current year, the experts noted.

Lie emphasized in a foreword that every effort had been made to stabilize costs, and that new items accounted for most of the increase.

Chief of these is provision of $533,768 for liquidation of credits due certain member states as a result of transfer of the assets of the old League of Nations to the United Nations.

NEVERTHELESS MARSHAL TITO HAS BEEN REPORTED SHIFTING HIS TROOPS IN MACEDONIA--BETWEEN TWO COMINFORM ALLIES, BULGARIA AND ALBANIA--AND HE HAS PUBLICLY WARNED THAT HIS ARMY WAS PREPARED TO FIGHT ANY INVADER.

RUSSIA'S BLAST AGAINST TREATMENT ACCORDED HER CITIZENS FOLLOWED THE ANNOUNCEMENT AUG.12 BY THE YUGOSLAV TRANSPORT MINISTER THAT HE WAS LIQUIDATING THE JOINT RUSSIAN-YUGOSLAV YUSPAD CORPORATION FOR CONTROL AND DEVELOPMENT OF DANUBE SHIPPING IN YUGOSLAVIA.

THE ANNOUNCEMENT SAID THE COMPANY WAS ACTING LIKE ANY OTHER "CAPITALISTIC" FOREIGN ENTERPRISE IN THE OLD YUGOSLAVIA AND THAT YUGOSLAVIA WAS TAKING IT OVER.

IT WAS THE EXISTENCE OF SUCH JOINT COMPANIES WHICH KEPT THE WESTERN POWERS FROM AGREEING TO THE DANUBE SHIPPING CONVENTION DRAFTED IN BELGRADE A YEAR AGO. THE WESTERN POWERS HAD INSISTED ON A CONVENTION GIVING GUARANTEES FOR FREE COMMERCE ON THE DANUBE.

MOSCOW DISPATCHES TODAY SAID RUSSIA'S LATEST COMMUNICATION TO THE BELGRADE GOVERNMENT WAS BROADCAST IN FULL SEVERAL TIMES BY THE MOSCOW RADIO AND PRINTED IN FULL IN ALL SOVIET PAPERS.

IN ADDITION, NUMEROUS ARTICLES APPEARED IN THE SOVIET PRESS ACUSING TITO OF BEING A FASCIST IN COMMUNIST DISGUISE. THEY COMPARED HIM WITH FRANCO, HITLER, MUSSOLINI AND GREEK FOREIGN MINISTER CONSTANTIN TSALDARIS, AND CHARGED HIM WITH "SYCOPHANCY BEFORE THE ANGLO-AMERICAN IMPERIALISTS."

"SARDARYAN HAS FINALLY DISPELLED THE MYTH THAT ARMENIA WAS POPULATED LATE AND HAS PROVED THIS COUNTRY WAS INHABITED BY MAN, WHO HAD BEEN CREATING HIS CULTURE SINCE THE VERY DAWN OF THE HISTORY OF MANKIND."

AUG 22 1949

PARIS, AUG. 21-(AP)-OFFICIALS OF THE ECONOMIC COOPERATION ADMINISTRATION (MARSHALL PLAN) HERE HAVE ISSUED A BOOKLET COMPARING THE PURCHASING POWER OF THE AMERICAN WORKINGMAN WITH HIS COUNTERPART IN THE SOVIET UNION.

THE U.S. WORKINGMAN COMES OFF MUCH BETTER IN TERMS OF WORKING TIME REQUIRED TO BUY NEEDED COMMODITIES ON THE BASIS OF THE BOOKLET'S FIGURES.

ECA OFFICIALS SAID THE BOOKLET IS BASED ON THE FINDINGS OF TWO DELEGATIONS FROM THE NORWEGIAN GENERAL FEDERATION OF TRADE UNIONS WHICH VISITED BOTH THE UNITED STATES AND RUSSIA.

THE BOOKLET GAVE THE AVERAGE U.S. HOURLY WAGE IN INDUSTRY AS $1.36.

IT SAID THAT IN SOME SOVIET FACTORIES IN THE IRON INDUSTRY THE AVERAGE WAGE PER MONTH WAS 800 TO 850 RUBLES. IN A FOOD FACTORY IT WAS 600 RUBLES. SIMILAR FIGURES WERE GIVEN IN CASES OF OTHER FACTORIES. SAID THE BOOKLET:

"A COMPARISON OF COSTS AND WAGES SHOWS THAT A SOVIET WORKER IN THE STEEL AND FOOD FACTORIES MENTIONED WOULD HAVE TO WORK A HALF DAY

OR MORE TO PAY FOR A KILOGRAM OF RYE BREAD (SLIGHTLY MORE THAN TWO LOAVES), TWO DAYS FOR A KILOGRAM (2.2 POUNDS) OF BEEF, TWO MONTHS WAGES WOULD BE REQUIRED TO BUY A MAN'S HALF WOOL SUIT OR A DAY AND A HALF TO PAY FOR A PACK OF CIGARETTES."

THE AMERICAN WORKER WHO BUYS A LOAF OF BREAD WITH FIVE MINUTES, A POUND OF MEAT WITH A HALF HOUR, A POUND OF BUTTER WITH 40 MINUTES, A WOOLEN DRESS WITH 13 HOURS AND A MAN'S WOOLEN SUIT WITH 25 HOURS OF WORK.

"THE BEST GAUGE OF THE PURCHASING POWER OF WAGES," THE BOOKLET SAID, "IS THE AMOUNT OF WORKING TIME WHICH IS REQUIRED TO BUY A CERTAIN AMOUNT OF A COMMODITY."

THE BOOKLET SAID THE NORWEGIAN LABOR FEDERATION VISITED THE SOVIET UNION IN AUGUST AND SEPTEMBER OF LAST YEAR. ANOTHER DELEGATION HEADED BY

30.24- 5183

EDWARD STOCKLEY, PRESIDENT OF THE NORWEGIAN PAPER INDUSTRIAL WORKERS UNION, SPENT THREE WEEKS IN THE UNITED STATES LAST JANUARY. THE FEDERATION IS AVOWEDLY MARXIST THOUGH NOT COMMUNIST.

THE BOOKLET QUOTED THE NORWEGIANS AS REPORTING ON THE RUSSIAN STANDARD OF LIVING:

"IT IS CLEAR THAT THE AVERAGE WAGE IS ONLY SUFFICIENT FOR PURCHASING THE ABSOLUTE NECESSITIES FOR THE MAINTENANCE OF LIFE. IN ADDITION TO THIS, PART OF THE CONSUMER GOODS REQUIRED ARE NOT AVAILABLE IN SUFFICIENT QUANTITIES.

"THE ORDINARY FAMILY CAN HARDLY LIVE ON WAGE EARNINGS OF THE HUSBAND ALONE, AND THE WOMEN ARE DRIVEN INTO OCCUPATIONAL LIFE TO AN EXTENT THAT IS ENTIRELY UNACCUSTOMED TO US. THEY CAN BE SEEN IN LARGE GROUPS ENGAGED IN STREET AND CONSTRUCTION WORK, AS HEAVY WORKERS ON BUILDING SITES, AS DOCK HANDS AND IN FACTORIES."

A142

"THE POPULATION MUST ENDURE HARD WORK AND BAD LIVING WHILE RECONSTRUCTION IS IN PROGRESS. IT HAS NO OPPORTUNITY TO MAKE DEMANDS FOR A HIGHER STANDARD OF LIVING UNTIL RECONSTRUCTION IS COMPLETED," THE REPORT ADDED.

"THERE IS HARDLY ANY COUNTRY WHERE THE GOVERNMENT SO CONSCIOUSLY KEEPS THE STANDARD OF LIVING DOWN IN ORDER TO ENSURE A SPEEDY RECONSTRUCTION AS IN THE SOVIET UNION."

THE NORWEGIANS SAID, HOWEVER, THEY WERE IMPRESSED WITH RUSSIAN RECONSTRUCTION WORK, THE INTEREST IN VARIOUS BRANCHES OF ART, AND VACATION FACILITIES FOR EXPERT WORKERS.

THE NORWEGIANS WHO VISITED THE UNITED STATES SAID THEIR VISIT GAVE THEM "GREATER CONFIDENCE IN THE ABILITY OF DEMOCRACY TO SOLVE ITS PROBLEMS."

"THE COUNTRY IS STILL WRESTLING WITH MANY AND GREAT PROBLEMS," THEY SAID. "ITS ECONOMIC LIFE IS UNSTABLE. ITS SOCIAL LIFE IS COMPLICATED BY RACIAL PREJUDICES AND FRICTIONS BETWEEN CITIZENS OF MANY NATIONALITIES. THE COUNTRY IS STILL IN THE MELTING POT. BUT IT IS MOVING FORWARD CULTURALLY, SOCIALLY AND ECONOMICALLY."

THEY FOUND AMERICAN SOCIAL SECURITY INADEQUATE, ESPECIALLY IN THE MATTER OF HEALTH INSURANCE, AND SAID CERTAIN AREAS WERE LACKING IN SOCIAL AND ECONOMIC DEVELOPMENT.

BERLIN, AUG.21-(AP)-A SPECIAL REPORT BY THE U.S. MILITARY GOVERNMENT FOR BERLIN SAID TODAY THE RUSSIANS' CURRENT AIR OF FRIENDLINESS HERE IS A POSE TO MASK THE REAL GOAL OF THE KREMLIN--COMMUNIST DOMINATION OF ALL GERMANY.

THE REPORT WAS SUBMITTED TO MAJ.GEN.MAXWELL D.TAYLOR, WHO WILL SUCCEED BRIG.GEN.FRANK ROWLEY AS COMMANDANT OF THE AMERICAN SECTOR OF BERLIN NEXT MONTH, AND TO U.S. MILITARY GOVERNOR JOHN J.MCCLOY.

IT HAS BEEN MADE AVAILABLE ALSO TO STATE DEPARTMENT UNITS THAT DEAL WITH AMERICAN POLICIES IN GERMANY. THE DOCUMENT WAS DRAWN UP BY THE MILITARY GOVERNMENT'S HEADQUARTERS DIVISION.

WHO WILL SERVE AS TROOP COMMANDER AS WELL AS COMMANDANT. HE WILL ALSO HAVE FREQUENT DEALINGS WITH THE RUSSIANS ON FOUR-POWER MATTERS.

THE SECTION OUTLINING TASKS AHEAD INDICATES THE AUTHORS CONSIDER THE RUSSIANS HAVE PUT ASIDE THE "COLD WAR" AS AN INSTRUMENT OF POLICY IN BERLIN ONLY FOR THE MOMENT.

THE HEADQUARTERS DIVISION LISTED AS ITS MAJOR PROBLEM: "CONSTANT POLITICAL AND ECONOMIC CONFLICT WITH THE SOVIET MILITARY ADMINISTRATION, WHOSE OBJECTIVE IS COMMUNISTIC CONTROL OF BERLIN AND EVENTUAL POLITICAL AND ECONOMIC CONTROL OF GERMANY."

THIS CONCLUSION WAS DATED AUG.11--LONG AFTER THE RUSSIAN BLOCKADE WAS LIFTED AND LONG AFTER RUSSIA, THE UNITED STATES, BRITAIN AND FRANCE WERE SUPPOSED TO BE ESTABLISHING A "LIVE AND LET LIVE" PHILOSOPHY HERE.

THE FOUR COMMANDERS HAVE FAILED IN FREQUENT MEETINGS TO REACH A SINGLE MAJOR AGREEMENT ON NORMALIZING LIFE IN THE SPLIT CITY. THE WEST HAS MADE PROPOSALS WHICH HANG IN THE AIR AND THE RUSSIANS ANSWERED THEM ONLY BY SUBMITTING SOME OF THEIR OWN.

THE OFFICIAL MILITARY GOVERNMENT NEWSPAPER, DIE NEUE ZEITUNG, SAID EDITORIALLY WASHINGTON CIRCLES ALREADY CONSIDER THE FOUR-POWER TALKS IN BERLIN AS BOGGED DOWN IN FAILURE.

"THE OLD SOVIET DELAYING TRICKS ARE CROPPING UP IN ANY DISCUSSIONS DESIGNED TO STRAIGHTEN OUT BERLIN'S ECONOMIC AND POLITICAL MIXUP," IT SAID. "THERE ARE COMMUNIST AND ANTI-COMMUNIST CITY GOVERNMENTS, TWO CURRENCIES AND TWO POLITICAL PHILOSOPHIES CLASHING DAILY. "FOR THE RUSSIANS, BERLIN XXX DISTURBS THEM AS A SHOW WINDOW INTO THEIR OWN METHODS."

CHINA-TRADE(550)
BY JOHN M.HIGHTOWER
WASHINGTON,AUG.21-(AP)-AMERICANS ARE FINDING OUT THEY CAN'T DO BUSINESS WITH THE CHINESE COMMUNISTS.
SLOWLY BUT SURELY, AMERICAN OFFICIALS AND BUSINESS MEN ARE PULLING OUT OF THE GREAT CENTERS.
WITH THEM IS GOING THE PROSPECT FOR ANY IMPORTANT TRADE BETWEEN THE UNITED STATES AND COMMUNIST CHINA.
YET IT IS APPARENT THAT THE REDS MUST TURN TO THIS COUNTRY IF THEY ARE TO OBTAIN MANY OF THE THINGS THEY NEED TO FILL THE HOLES IN CHINA'S SUFFERING ECONOMY.
IN A SHORT TIME, OFFICIAL AND PRIVATE AMERICAN REPRESENTATION THROUGHOUT CHINA MAY BE REDUCED TO THE LOWEST POINT IN A CENTURY.

SECRETARY OF STATE ACHESON AND OTHER AMERICAN OFFICIALS ARE BURNED UP ABOUT THE WAY AMERICAN OFFICIALS AND PRIVATE CITIZENS HAVE BEEN TREATED IN COMMUNIST-RULED CITIES, ESPECIALLY SHANGHAI.
THEY OBVIOUSLY HAVE COME TO THE CONCLUSION THAT NOTHING CAN BE ACCOMPLISHED BY MAINTAINING LARGE CONSULATE STAFFS IN THOSE CITIES. MANY PRIVATE FIRMS AND INDIVIDUALS ARE REPORTED TO HAVE REACHED THE SAME CONCLUSION, AFTER WEEKS OF TRYING TO COME TO TERMS WITH THE COMMUNISTS.
THIS MARKS A BIG CHANGE IN THE SITUATION FROM WHAT IT WAS A FEW MONTHS AGO. IN THE SPRING, STATE DEPARTMENT OFFICIALS APPEARED FAIRLY SURE OF TWO DEVELOPMENTS BY THE END OF THIS YEAR.
FIRST, IT WAS EXPECTED THAT THE AMERICAN GOVERNMENT WOULD SHOW WILLINGNESS EVENTUALLY TO OPEN DIPLOMATIC RELATIONS WITH A CHINESE RED REGIME.
SECOND, IT WAS BELIEVED THAT THE COMMUNISTS WOULD WANT TO BUY SUBSTANTIAL QUANTITIES OF GOODS FROM THE UNITED STATS AND THAT THIS COUNTRY SHOULD SELL THEM--BARRING WAR MATERIALS--ON A CASH BASIS.
THE IDEA OF DOING BUSINESS WITH THE COMMUNISTS, HOWEVER, PRESUPPOSED THAT THE COMMUNISTS WANTED TO DO BUSINESS--THAT THEY WOULD HAVE TO LOOK TO THE WEST RATHER THAN RUSSIA FOR IMPORTS TO MEET CHINA'S CRITICAL ECONOMIC NEEDS.
OFFICIALS AND BUSINESS MEN WHO THOUGHT IT WOULD WORK OUT THAT WAY EXPECTED THAT AS THE COMMUNISTS POURED INTO SHANGHAI AND OTHER COASTAL POINTS THEY WOULD TAKE A LIVE-AND-LET-LIVE ATTITUDE TOWARD THE AMERICANS.

AUG 22 1949

A28WX
THE RECORD IS THAT THEY HAVE NOT DONE SO. AMERICAN EMPLOYERS HAVE BEEN SUBJECT TO WAGE DEMANDS BY CHINESE WORKERS WHICH OFFICIALS HERE CONSIDERED EXORBITANT; DIPLOMATS HAVE BEEN RESTRAINED IN THEIR DUTIES; ACHESON HAS WARNED AMERICANS TO GET OUT OR RISK BEING TREATED BY THE COMMUNISTS AS HOSTAGES.
THERE ARE NOW ABOUT 4,000 AMERICANS IN CHINA (NOT INCLUDING BRITISH HONGKONG) AND REPORTS TO THE STATE DEPARTMENT SHOW THAT MANY HUNDREDS WANT TO LEAVE AS SOON AS POSSIBLE.
CONSULATE STAFFS REMAIN IN PEIPING, TIENTSIN AND SHANGHAI, ALTHOUGH THE ONE IN MUKDEN WAS ORDERED CLOSED AFTER MONTHS OF ISOLATION. THE PROSPECT IS THAT THOSE WHICH REMAIN WILL BE CUT DOWN AS THE NUMBER OF AMERICANS THEY MUST TRY TO LOOK AFTER IS REDUCED.
YESTERDAY, AS COMMUNIST ARMIES DROVE TOWARD THE APPROACHES TO CANTON, THE AMERICAN EMBASSY OFFICE IN THAT NATIONALIST CAPITAL WAS CLOSED. PERSONNEL WITHDREW TO HONGKONG. THE CONSULATE OFFICE HAD BEEN CLOSED FRIDAY.
THE BRITISH, FRENCH, DUTCH AND PORTUGUESE PLANNED TO STAY ON FOR THE EXPECTED COMMUNIST OCCUPATION OF THE CITY. THE AMERICAN GOVERNMENT EVIDENTLY SAW NOTHING TO BE GAINED FROM THAT.
THE STATE DEPARTMENT'S CONCERN NOW IS TO GET OUT OF CHINA ALL THE AMERICANS WHO ARE WILLING TO LEAVE. THIS ATTITUDE RESULTS FROM COMMUNIST TREATMENT OF AMERICANS, OFFICIALS SAY, BUT IT ALMOST CERTAINLY WILL ALSO BE THE START OF A TOUGH POLICY TOWARD TRADE WITH THE COMMUNISTS.
IF AND WHEN MOST AMERICAN BUSINESS MEN HAVE CLEARED OUT AND AMERICAN CONSULATES ARE CLOSED, THE COMMUNISTS WILL FIND IT EXTREMELY HARD TO

BUY WHAT THEY WANT FROM AMERICAN SELLERS. MOREOVER, THE UNITED STATES WANTS TO COORDINATE ITS TRADE POLICIES WITH THOSE OF BRITAIN AND OTHER WESTERN NATIONS.

THE BRITISH WITH BIGGER STAKES IN CHINA, ESPECIALLY AT HONGKONG, HAVE BEEN MORE RELUCTANT THAN THE UNITED STATES TO GIVE UP HOPES OF DOING BUSINESS WITH THE COMMUNISTS. REPORTS RECENTLY REACHING HERE, HOWEVER, SAY THAT BRITISH BUSINESS MEN HAVE BEEN SUBJECT TO THE SAME SQUEEZES AS AMERICANS AND HAVE BECOME EQUALLY DISILLUSIONED ABOUT FUTURE PROSPECTS.

THE PROBLEM IS ONE THAT ACHESON AND FOREIGN MINISTER BEVIN ARE EXPECTED TO TAKE UP WHEN THEY MEET IN WASHINGTON SEPTEMBER 6 IN CONNECTION WITH BRITAIN'S ECONOMIC CRISIS.

BRITISH CRISIS (350)

(ADVANCE)-WASHINGTON,AUG 21-(AP)-SENATOR WHERRY OF NEBRASKA, SENATE MINORITY FLOOR LEADER, TOLD THE ADMINISTRATION TODAY NOT TO TRY ANY "NEW ATTEMPTS" TO BY-PASS CONGRESS IN THE COMING BRITISH-CANADIAN-AMERICAN FINANCIAL TALKS.

HE SAID IN A STATEMENT THAT CONGRESS WILL HAVE THE FINAL SAY ON ANY AGREEMENTS REACHED. A PROPOSAL THAT WOULD WEAKEN THE AMERICAN ECONOMY AND LOWER OUR STANDARD OF LIVING "WILL CERTAINLY BE REJECTED" BY THE LAWMAKERS, HE PREDICTED.

HE CITED THE ACTION OF CONGRESS IN REDUCING MARSHALL PLAN FUNDS AND OF THE HOUSE IN SLASHING IN HALF THE ADMINISTRATION ARMS AID PROGRAM FOR W

Y MROPEPMV

AND OF THE HOUSE IN SLASHING IN HALF THE ADMINISTRATION ARMS AID PROGRAM FOR WESTERN EUROPE AS A "WARNING" TO ALL PARTIES TO THE IMPENDING DISCUSSIONS.

THE TALKS ARE SET TO START SEPT. 6 OR 7 TO STUDY THE BRITISH ECONOMIC CRISIS. SECRETARY OF THE TREASURY SNYDER WILL HEAD THE AMERICAN DELEGATION. THE BRITISH ARE SENDING FOREIGN MINISTER ERNEST BEVIN AND SIR STAFFORD CRIPPS, CHANCELLOR OF THE EXCHEQUER. CANADA'S FOREIGN MINISTER, LESER B.PEARSON, WILL ATTEND ALONG WITH THE FINANCE MINISTER, DOUGLAS ABBOTT.

WHERRY ACCUSED THE ADMINISTRATION OF STRETCHING THE CONSTITUTIONAL LIMITATIONS ON THE PRESIDENT'S POWER IN FOREIGN AFFAIRS IN THE PAST. HE SAID IT HAD BY-PASSED CONGRESS BY COMMITTING THIS COUNTRY TO THE FIXING OF POST-WAR NATIONAL BOUNDARIES; THAT IT HAD "OBVIOUSLY" PROMISED TO SUPPLY ARMS TO WESTERN EUROPE AS A PART OF THE NORTH ATLANTIC PACT.

"USUALLY THESE PROPOSITIONS ARE ACCOMPANIED BY THE HULLABALOO OF ANOTHER CRISIS," HE SAID, ADDING:

"AND NOW GREAT BRITAIN IS CONFRONTED BY ANOTHER CRISIS. THE DOLLAR SHORTAGE IS A SYMPTOM AND NOT THE CAUSE OF BRITAIN'S AILMENT. THE PRIMARY CAUSE IN THE OPINION OF COMPETENT OBSERVERS IS BRITAIN'S FAILURE TO PRICE HER GOODS LOW ENOUGH TO CAPTURE WORLD MARKETS.

"GREAT BRITAIN, LIKE THE UNITED STATES, IS AFFLICTED BY EXTRAVAGANT EXPENDITURES. THAT IS THE CUSTOMARY BY-PRODUCT OF SOCIALISM WHEREVER IT HAS BEEN TRIED AND THE EFFORTS OF THE TRUMAN ADMINISTRATION TO LEAD THIS COUNTRY INTO SOCIALISM IS HAVING THE SAME RESULT.

"WHEN BRITAIN WINS WORLD MARKETS THROUGH EFFICIENCY, QUALITY AND COMPETITIVE PRICES HER DOLLAR SHORTAGE WILL DISAPPEAR. UNTIL HER PROBLEM IS ATTACKED ALONG THAT LINE THERE IS NO SENSE IN POURING THE AMERICAN TAXPAYERS' MONEY INTO A BOTTOMLESS PIT."

WHERRY SAID THAT FRIENDSHIP FOR THE BRITISH PEOPLE AND A REGARD FOR SELF-INTEREST ENCOURAGE THE HOPE THAT WAYS WILL BE FOUND TO GET BRITAIN ON HER FEET SO THAT SHE CAN GO IT ALONE.

"BUT PRUDENCE DICTATES," HE ADDED, "THAT THE UNITED STATES REMAIN STRONG OF IT IS TO BE AN ANCHOR FOR WORLD PEACE."

HE DECLARED SOMETHING BETTER THAN THE "GIVE-AWAY SHOWS OF THE PAST IS NEEDED NOW IN THE INTEREST OF BRITISH RECOVERY AND MAINTENANCE OF THE PROSPERITY AND SECURITY OF THE UNITED STATES."

NEW YORK, AUG. 21-(AP)-THE HEAD OF THE ZIONIST ORGANIZATION OF AMERICA SAID TODAY HE HAS BEEN ASSURED THE UNITED STATES WILL NOT BRING PRESSURE ON ISRAEL TO ADMIT A SPECIFIED NUMBER OF ARAB REFUGEES.

HE ALSO SAID HE GOT ASSURANCES FROM A HIGH STATE DEPARTMENT OFFICER THAT THE U.S. WILL NOT PRESSURE ISRAEL TO GIVE UP ANY PART OF THE NEGEV AREA.

DANIEL FRISCH, ZOA PRESIDENT, IDENTIFIED THE STATE DEPARTMENT OFFICIAL AS GEORGE MCGHEE, HEAD OF THE NEAR EAST AND AFRICA DIVISION OF THE DEPARTMENT.

FRISCH SAID HE TALKED TO MCGHEE LAST FRIDAY IN WASHINGTON BECAUSE OF REPORTS THAT "WASHINGTON WAS DEMANDING THE ADMISSION OF 250,000 ARAB REFUGEES INTO ISRAEL PLUS THE SURRENDER OF THE SOUTHERN NEGEV IN EXCHANGE FOR THE GAZA STRIP NOW HELD BY THE EGYPTIANS."

FRISCH SAID THE ISRAELI GOVERNMENT HAS COMMITTED ITSELF TO ADMIT 100,000 ARABS.

DUP

FRISCH'S REPORT OF HIS CONVERSATION WITH MCGHEE WAS MADE IN A FORMAL STATEMENT ISSUED AT A JOINT MEETING OF THE ZOA NATIONAL ADMINISTRATIVE COUNCIL AND NATIONAL EXECUTIVE COMMITTEE.

HE QUOTED MCGHEE AS DENYING THE STATE DEPARTMENT ATTEMPTED TO ESTABLISH ANY FIGURE FOR ADMISSION OF ARAB REFUGEES.

MCGHEE, HE SAID, TOLD HIM THE STATE DEPARTMENT THOUGHT IT WAS UP TO ISRAEL TO "OFFER A FIGURE."

MCGHEE'S STATEMENT, HE SAID, WAS "REASSURING" AND WAS "PERFECTLY SATISFACTORY" TO THE ZOA.

AT A PRESS CONFERENCE AFTER THE MEETING FRISCH SAID "I HOPE SO" WHEN ASKED IF HE CONSIDERED MCGHEE'S STATEMENT A CLARIFICATION OF AMERICAN POLICY. HE ADDED:

"WE WANT THE STATE DEPARTMENT TO FEEL THAT WE TAKE THEIR ASSURANCES AT FACE VALUE BECAUSE IT IS INCONCEIVABLE TO ME THAT PRESIDENT TRUMAN OR THE STATE DEPARTMENT WOULD MAKE DEMANDS, WHICH, IF ENFORCED, WOULD SPELL THE VERY OPPOSITE OF WHAT THE ISRAELIS WERE TRYING TO CREATE. TAKING IN 250,000 ARABS OR TAKING AWAY PART OF THE NEGEV WOULD MAKE ISRAEL A STATE IN NAME ONLY."

FRISCH RECENTLY RETURNED FROM A FOUR-WEEK MISSION TO ISRAEL WHERE HE TALKED WITH TOP GOVERNMENT OFFICIALS.

FRISCH SAID MCGHEE TOOK THE POSITION THAT THE STATE DEPARTMENT'S ROLE WAS THAT OF "HONEST BROKER" AND ITS SOLE INTEREST WAS TO BRING ISRAEL AND THE ARAB STATES TOGETHER "IN A SPIRIT OF CONCILIATION."

MCGHEE, HE SAID, DENIED THAT "SPECIAL INTEREST IS BEING BROUGHT TO BEAR ON ISRAEL X X X ASSERTING THAT AN ALTOGETHER DIFFERENT PICTURE WOULD BE CREATED IF IT WERE POSSIBLE TO TELL OF ALL THE EFFORTS THE AMERICAN GOVERNMENT WAS MAKING TO INDUCE ITARAB STAT

'Rebel' Communist Group in Germany Pledges Support to Yugoslavia

BELGRADE, Yugoslavia, Aug. 22 —(AP) The hardboiled struggle between Yugoslavia and Russia appeared today to be reaching beyond the name calling stage to a threat of war.

Coming to the fore is the dynamite-laden question: What would the United States do if Josef Stalin sent the Soviet army to overthrow Yugoslavia's independent Communist, Marshal Tito.

No one knows for sure—outside the Kremlin—what is coming next. But the effort which began 14 months ago to unseat Tito when the cominform read him out of the party developed long ago into frequent shootings along the satellite borders.

Diplomats Worried

The situation has the diplomatic corps here wondering and worrying.

As an example of the jitters one embassy thought it had a sound inside tip of an "invasion" date recently and hustled its staff off to northern Yugoslavia.

Other diplomatic missions are studying a flood of rumors—most of them from unresponsible sources —about troop movements beyond the Yugoslav borders.

Such rumors are not unusual in the Balkans. But they are not set at rest by the threat voiced in a note from Moscow Saturday night to take "more effective measures" against Tito for protection of Soviet citizens who allegedly are being mistreated here.

(British newspapers Monday said the Russian note sounded like the worst threat of war since 1939.

(British officials in London said they believed the Russian threat was only part of a war of nerves, however, and ruled out the likelihood of a shooting war. Their views apparently were based on a discussion of the note which British Ambassador Sir Charles Peake had with Yugoslav Deputy Foreign Minister Ales Bebler at Belgrade Sunday. The American ambassador, Cavendish Cannon, took part in the discussion.

Hitler Pattern Recalled

(The conservative Daily Telegraph said the threat was "the very language of Hitler's exhausted patience." The conservative Daily Mail also recalled Hitler's word, "my patience is exhausted, I must march to restore order" and commented that the Russian threats "fall upon our ears like a sinister echo across a decade." The conservative Yorkshire Post said it had "the ring of Nazi propaganda just before Hitler marched into Poland."

(In Bucharest, Mrs. Anna Pauker, Romanian foreign minister, wrote in a newspaper article that "the time is not far off when this gang (the Tito government) will have to give an account for its crimes to the people of Yugoslavia."

(Prague dispatches said Czech Communists have been openly urging the Yugoslav people to revolt and promised at least moral support to a revolution.)

The government newspaper Borba, commented on one statement in the Moscow note which said "there can be no talk of any people's authority or any democratic socialist character of the state order in Yugoslavia."

Raps Russian Spies

Borba said this conclusion was aimed at "legalizing and justifying" any further undemocratic steps planned against the Yugoslav government. Borba said the Russian citizens, of whose treatment Moscow complained, had been spying.

There are several factors involved in the reasoning of some diplomatic observers that if Russia decides on a policy of active intervention in Yugoslavia she must move soon or not at all.

First of all is the possibility of a big loan from the World Bank which would bolster Tito's position at home and credit aboard and counteract the almost complete economic boycott set up by the cominform countries. A special commission of the bank arrived last week to investigate the possibility of a loan of about $280,000,000 which Yugoslavia is asking. Already the United States has granted permission for Yugoslavia to import American materials for a new $3,000,000 steel mill.

The actual dollars—and the stuff they would buy—would not become available for almost six months.

This estimate sets a tentative date before which Russia might be expected to start trouble—internal or external—in the opinion of some diplomatic observers.

Speculate on Showdown

Here are other signs contributing to the belief a showdown may be close:

1. Russia has blacklisted the Yugoslav government as an "enemy," not only of the Soviet Union but of all communist parties throughout the world. In the note Saturday night she called the Tito government fascist.

2. There is a possibility that Russia may be determined to make an example of Tito to prevent Chinese communists from adopting similar independent policies.

3. The action of a splinter group in Germany forming a free communist party and associating themselves with Tito against "imperialist Bolshevism" may activate Russia into steps to put out the fire of revolt before it spreads further in the communist camp.

4. The economic pressure and campaign of villification against the Tito regime appears to have had scant success.

5. The harvest season is over. Frequently this is the time that wars and invasions start in Europe.

Most observers think that the Yugoslav army singlehanded could lick any one of the neighbor satellites and perhaps all of them together. But taking on the Soviet army would be something else.

Romanian Vice Premier Says Yugoslav Works With Tsaldaris

Bucharest, Romania, Aug. 22 (AP). A Soviet marshal and a Romanian Vice Premier joined today in publicly charging Premier Marshal Tito with being a "traitor" and "plotting to set ablaze the Balkan powder keg."

Marshal Klementi Voroshilov, one of the Soviet Union's top military men and a member of the Politburo, assailed Tito as a "traitor who has become the most bitter enemy of the Soviet Union and the people's democracies."

Gheorghe Gheorghiu-Dej, Vice Premier and a leader in the Romanian Communist party, accused Tito and Constantin Tsaldaris, Vice Premier of Greece, with plotting to start war in the Balkans. The Communists spoke at an open rally attended by some 8,000 "select" Romanian Communists.

Would "Restore Fascism"

The Communists had gathered in "Liberty Arena" on the eve of the fifth anniversary of Romania's liberation. Voroshilov came here as head of the Soviet delegation to the anniversary celebration.

Voroshilov charged Tito was trying to liquidate socialism in Yugoslavia and attempting to "restore fascism." He also accused Tito of secretly negotiating with the western powers "behind the backs of the Soviet Union and the peoples' democracies."

He added "but the Yugoslav people, who know their true friends, will know how to prevent this."

The Soviet marshal did not threaten any direct armed intervention against Tito.

Sad Fate Of Turncoats

Most of Voroshilov's speech dwelt on Romanian achievements in postwar years. It was when he touched on international affairs that he assailed Tito.

He deplored the "sad fate of those turncoats" who, like Tito, have "betrayed the Socialist camp and have become tools of imperialism."

Gheorghiu-Dej undertook a long review of the Romanian national and international position. He accused Tito and Tsaldaris of plotting to "set ablaze again the Balkan powder keg."

"But," he continued, "the Balkan peoples have no differences in interests. Their common experiences have shown them they have one common enemy, and that is imperialism. The peace front knows no defeat.

North American Plot Charged

"The fighting front of the huge Socialist forces stretches right into imperialist countries, ready to move in order to wreck right at the start the warlike scheming of North American imperialism."

Gheorghiu-Dej also warned that Romania's internal enemies of communism would be crushed "ruthlessly." He announced the country will continue pushing its Communist economic plans, including farm collectivization.

He said a ruthless campaign will be waged against Romanian *kulaks* (rich farmers). He charged that they, "together with other enemies of the working class, all agents of American-British imperialism, had demonstrated an unwillingness to co-operate which sometimes went as far as murder."

TITO CHARGES REDS SEND SPIES TO YUGOSLAVIA

Soviet Threat to Protect Citizens Brings Hot Reply From Belgrade.

LAYS DOUBLE-CROSS TO STALIN

Tito Answer to Russian Note Goes Into Yugoslav Claims for Austrian Territory.

London, Aug. 22 (A. P.).—The white-hot war of words between Yugoslavia and Russia grew more intense today as Marshal Tito's supporters hurled defiant countercharges at the Soviets.

In answer to a Russian threat to take "effective measures" to protect Russian citizens in Yugoslavia, the Yugoslav Communist organ Borba accused the Soviet of using these citizens as spies.

Borba, mouthpiece of Tito's government, said the Russian note was full of "vile language, insults and threats" and was delivered in an insulting fashion. The Russian protest was delivered to a doorman at the Yugoslav Foreign Ministry.

Yugoslavia also replied yesterday to a Soviet note of August 11 which said Yugoslavia was an enemy of the Soviet Union.

The Yugoslav reply to her erstwhile Cominform mentor accused Russia of a double-cross in dropping her support of Yugoslav claims for Austrian territory.

The feud between the Russians and Tito dates back to June, 1948, when the Yugoslav Reds were thrown out of the Cominform (Communist International Information Bureau) for deviation from Moscow-type Marxism. The Yugoslavs were charged with anti-Soviet nationalism.

Seeks Help From West

The split has widened perceptibly since Tito, subjected to an economic boycott by the Cominform, has made overtures to the West for help.

Russia, meanwhile, has used Tito's bids to the West as the basis for charges that Yugoslavia was aligning herself with Western "imperialists." The most recent Russian note compared Tito's regime with that of Generalissimo Franco in Spain.

Tito has refused to knuckle under to the Kremlin and has warned that his army is prepared to fight.

The latest Yugoslav retort to Moscow and the *Borba* editorial were made public here by Tanjug, the official Yugoslav news agency.

Reds Sold Out, Tito Says

The note said the Kremlin had sold out Yugoslav claims to Carinthia, a part of southern Austria which has a large Slovene population, in order to get the Western powers to agree to Russian claims to German assets in Austria.

Saturday's Russian note on alleged mistreatment of Soviet citizens in Yugoslavia said the Soviet citizens had been subjected to "unlawful arrests and beatings" because they were friendly to the U.S.S.R.

Spying Charged

Some Russians in Yugoslavia, however, *Borba* said, "were inveigled for Soviet intelligence service against Socialist Yugoslavia."

The Soviet note had charged Russian citizens were arrested for spreading the Cominform resolution denouncing Yugoslav Communist leaders and urging that they be overthrown.

Borba said these Russians had been arrested for sabotage against Yugoslavia, incited by the Cominform resolution.

Slavs See Distortion

Tito's semi-official Belgrade newspaper *Politika* said today the Soviet Union would have to "renounce its incorrect foreign policy" if it wanted Yugoslavia for a friend. The paper's editorial was distributed in London by Tanjug, official Yugoslav news agency.

Politika described Russian notes to Yugoslavia as "unsuccessful attempts to distort the truth." The notes, the newspaper said, "confirm the hostility of the Soviet Government toward the Socialist construction of our country."

Red M. P. Bitter Toward America

Says Britain Prefers Communism to Being Kicked Around by Money Magnates.

London, Aug. 22 (A. P.)—A Labor Member of Parliament said tonight that Britain would prefer Communism to "being kicked around by the unlettered, pot-bellied money magnates of the United States." He accused American big business of "conspiring to overthrow the Labor government."

Tom O'Brien, union leader and member of the House of Commons, made the statement in a political speech in London's Finchley district.

"What the Americans do not realize," he said, "is that the British Labor government and not their dollars is the only effective bulwark against the Communist domination of Europe. The freedom-loving people of Britain, if the ghastly choice were before them, might be tempted to prefer the tyranny and poverty of the East rather than abject subservience to the opulent vulgarity and offensiveness of the West."

British newspapers and Labor party officials have grown increasingly sensitive to United States criticism in the last two weeks.

O'Brien is a member of the General Council of the Trades Union Congress which provides the Labor party with much of its strength at the polls. T. U. C. member unions speak for 8,000,000 British workers.

"The almighty dollar mentality of the American industrialists," O'Brien said, "will not seduce the Europeans to jettison their traditions of culture and civilization in the face of the Communist menace."

Malta's Navy Base Versus Aid

London, Aug. 22 (AP)—Malta has threatened to throw the British out of Valletta and offer that strategic Mediterranean port to the United States as a naval base unless it gets a slice of Britain's European recovery funds.

This was disclosed today by high Maltese and British officials as talks on the island colony's tough economic situation reached a critical phase. They gave this account:

Maltese negotiators, led by Premier Dr. Paul Boffa, made the threat weeks back but backed down a week ago. The British Government had refused to continue the talks unless the threat was withdrawn. At this, Boffa's deputy, Don Mintoff, and the Maltese commissioner general in London, Edward Ellul, resigned in protest.

Proposes Referendum

The informants said the Maltese government had threatened that unless given economic aid it would organize a public referendum on whether it should let Valetta to the United States as a naval base.

A self-governing colony, Malta runs its own internal affairs. Constitutionally it is not allowed to negotiate directly with any foreign power.

Malta had asked Britain for the right to apply directly for ERP help. Failing that, it wanted a slice of Britain's own Marshall aid allocation. Maltese leaders have said unemployment and hunger will stalk their island unless they get help soon.

Negotiations still are going on.

Threat To Fire Workers

The row was touched off by an Admiralty decision to fire 1,200 Maltese dock workers at the British navy's establishments on the island.

Boffa said today he had asked that this decision be rescinded. He said he had also made certain other suggestions. He did not say what they were.

"Unless they are accepted I quit as premier," he added.

The next move is up to the British Government, Boffa said.

The island's 370,000 people depend for their livelihood mainly on the work they do for Britain's army, navy and air force establishments.

Bevin Postpones Sailing For U.S.

London, Aug. 22 (AP)—Ernest Bevin, Foreign Secretary, today postponed his departure for the Washington dollar talks.

Both Bevin and Sir Stafford Cripps, Chancellor of the Exchequer, had planned to sail on the Queen Elizabteh next Saturday.

Cripps postponed his sailing to permit four days additional rest. He recently returned from Switzerland where he was treated for a digestive complaint.

The two government leaders will now sail on the Mauretania August 31. The talks, in which Britain, the United States and Canada will take part, are scheduled to open on September 7.

Siberian Miners Get Pay Raise, Russia Says

London, Aug. 22 (AP)—The Moscow radio said tonight wages are going up in the Siberian coal mines—but didn't specify how much.

The radio said that for "highly productive labor" many miners now make an average of from 5,000 to 7,000 rubles (from $1,000 to $1,400) a month. The radio did not say what the average wage is in the mines, but added that the amount cited did not take into account social insurance, free schooling and training and free medical service, "which still further raises the real wages of Soviet workers."

British Press Sees War Threat In Russ Note

London, Aug. 22 (AP)—British newspapers said today the new Russian note to Marshal Tito sounds like the worst threat of war since 1939.

To the conservative *Daily Telegraph* the Soviet assertion that it may take "more effective measures" to protect its citizens in Yugoslavia was "the very language of Hitler's exhausted patience."

The conservative *Daily Mail* wrote:

"'My patience is exhausted. I must march to restore order.' Russia's words fall upon our ears like a sinister echo across a decade."

Ring Of Nazism

The Laborite *Daily Herald's* diplomatic correspondent said the note "is nearer a threat of war than anything since Hitler."

The Conservative Yorkshire *Post* said it "has the ring of Nazi propaganda just before Hitler marched into Poland."

The *Daily Mail* said the "acute hostility between the regimes of these two countries has reached such a pitch that an outbreak of war would not be astonishing."

It added: "The American House of Representatives has certainly chosen a bad moment to cut military aid to Europe."

The *Daily Telegraph* thought the words of the note "are capable of bearing any meaning up to the extreme of war."

U.S. Workers Better Off Than Russ, Norway Told

Paris, Aug. 22 (AP)—The American working man is much better off than his Russian counterpart, according to a neutral Norwegian survey.

The Economic Cooperation Administration (Marshall plan) issued a booklet yesterday giving the results of fact-finding trips to the United States and Russia by separate delegations of the Norwegian General Federation of Trade Unions.

It showed:

An average American worker earns a loaf of bread with five minutes' work; it takes a Russian two hours.

An American buys a pound of meat with half an hour of labor; a Russian needs a day.

An American can buy a woolen suit after 25 hours of work; a Russian needs two months to earn the requisite rubles.

The Norwegians said their visit to the United States gave them "greater confidence in the ability of democracy to solve its problems."

U.S. Moves Ahead

They said:

"The country is still wrestling with many and great problems. Its economic life is unstable. Its social life is complicated by racial prejudices and frictions between citizens of many nationalities. The country is still in the melting pot. But it is moving forward culturally, socially and economically."

One Norwegian delegation visited Russia in August and September, 1948. The other toured the United States for three weeks last January.

World Bank Considers 'More Modest' Slav Loan

Paris, Aug. 22 (AP)—Eugene Black, Jr., president of the World Bank, said today the bank is considering a "much more modest" loan to Yugoslavia than the $250,000,000 she has asked.

[Belgrade dispatches have reported the figure to be $280,000,000].

Black explained that $250,000,000 is "the sum of a number of projects" that the Yugoslavs would like to have the bank finance. He did not specify what the projects are.

Black is on a week's trip to France and England, he said, to go over matters to be discussed when the bank's governors meet in Washington September 13. Maurice Petsche, French Finance Minister, will be in the chair. Black had a talk wth Petsche here today.

HUMAN RIGHTS BID MADE

Strasbourg Parley to Vote Soon on Committee Proposal

STRASBOURG, France, Aug. 22 (AP)—A committee of the European Consultative Assembly proposed today that the twelve member nations join in a collective guarantee of human rights.

The action was announced by the chairman of the Human Rights Committee, Sir David Maxwell-Fyfe, British prosecutor at the Nuremberg war crimes trial.

The Assembly will vote on the resolution within two weeks.

Sir David said the committee had not discussed the recommendation of Winston Churchill that the member states set up a human rights court to guarantee protection of fundamental privileges in member countries. The committee will meet again Thursday.

10 More War Criminals Are Released by Italy

ROME, Aug. 22 (AP).—Italy has released ten more Italian war criminals condemned by British courts, and has slashed the life sentences of six others. The Foreign Office announced tonight the action was taken after talks with the British.

The lifers' sentences were reduced to terms of five, ten or fifteen years' imprisonment. The Foreign Ministry said these terms may subsequently be reduced by a third. Of the ten released, five received complete freedom. The others were freed because of illness and will be subject to police controls, the ministry said.

The Italian press has been waging a campaign on behalf of the war criminals held on the Island of Procida near Naples.

U. S. SHIPS TO VISIT SPAIN

Call by Navy Units Will Be First Since Franco Took Power

MADRID, Aug. 22 (AP)—United States warships will visit Spain next month for the first time since Generalissimo Francisco Franco took power a decade ago.

The Spanish leader is expected to receive Admiral Richard L. Conolly, Commander in Chief of United States naval forces in the Eastern Atlantic and Mediterranean, while the American naval vessels are at Spain's El Ferrol naval base Sept. 3 to Sept. 8.

Admiral Conolly will be aboard the heaxy cruiser Columbus. That vessel will be accompanied by the anti-aircraft cruiser Juneau and the destroyers Bordelon and Stribling.

After the Spanish visit, the Columbus will return to Plymouth, England. The other ships will join the United States forces in the Mediterranean.

It was the first report of a German Communist revolt against Soviet domination similar to the breakaway last year of Marshal Tito in Yugoslavia.

Scholz said the Free Communist party (FKP), like Tito's Communists, will continue to support Marxian communism, but resist any dictation from the Kremlin.

Yugoslavia's Experience

Yugoslavia was expelled from the Cominform (Communist International Information Bureau) last summer for "nationalistic" deviations from the line laid [illegible] by Russia.

Scholz, jailed by the Nazis in 1933 as a suspect in the historic Reichstag fire case, said Soviet sector authorities have put a price of 10,000 East marks (about $700) on his head. He lives in a French sector apartment, with steel reinforced doors and barred windows.

The rebellious Communist said FKP leaders were hiding guns and ammunition in the Soviet zone of Germany for armed resistance to the Russians.

with the party initials. A semi-weekly newspaper *Die Rote Fahne* (The Red Flag) will be published.

This was the name of the Communist organ during the days of the Weimar Republic.

Spokesmen indicated to the Western press that the new party would be in about the same position as Marshal Tito's regime in Yugoslavia—following the tenets of communism but not the dictates of Moscow.

Another Crack Appears

Two veteran German Communists were elevated to leadership of the group — former Communist Chairman Karl Heinz Scholz and Paul Szymanski, a top man in the Socialist Unity (SED) party which was formed out of the Soviet-inspired merger of Communists and Socialists in 1946.

In the meantime, a crack also appeared in the united front the Western parties presented against the East during Berlin's cold war.

The Free Democrats hinted strongly that the time may be here for them to stop co-operating with the Socialists in the West Berlin city government.

Are Free Enterprisers

Chairman Carl Hubert Schwennicke, writing in the party newspaper, indicated that the developments in the West zonal elections dictate a new course.

The Free Democrats rose to third position in the voting and probably will join with the Christian Democrats in organizing the new Bonn Republic. Both plump for free enterprise as opposed to the Socialists program of state control.

the Russians and smuggling weapons for the party.

Scholz, a wartime anti-Nazi underground fighter who had been imprisoned four years as a Reichstag fire suspect in the 1930's, lives in the French sector behind steel doors and barred windows which make a fortress of his third-floor flat.

Soviet sector authorities have outlawed him and put a price of equal to about $700 on his head. By profession he is an engineer.

The other leaders elected at the party's organization meeting is Paul Szymanski, a head man in the Socialist Unity party formed in 1946 by a Soviet-dictated merger of Communists and Socialists.

Semi-Weekly Paper

They said the Free Communist Party is laid out on the pattern of the original German Communist party of the early 1920's. It began publishing today a semi-weekly newspaper *Die Rote Rahne* (the red flag), using the name of the Communist organ circulated in the days of the Weimar Republic.

The first issue was a mimeographed sheet with a red flag drawn by crayon.

The Free Communists joined Tito's bitter anti-Cominform feud with the Kremlin by sending a telegram to Belgrade carrying assurances of sympathy and support.

The Kremlin considers both ideological heretics; both proclaim devotion to communism and independence from Moscow dictatorship.

"Always Will Be Communists"

"We are Communists, always have been Communists and always will be Communists," Scholz said in proclaiming the new party.

"We have formed to fight imperialist bolshevism. The so-called internationalism of Soviet Russia is a fraud. We reject any plans for dictatorship of the people because it inevitably becomes a dictatorship over the people," Scholz said. He is noted for his oratory.

"We are expanding all the time," he declared. "Soon the party will have branches in all the western zones."

Western zone authorities, however, have refused to license the Free Communists as a political party. The Socialist Unity party calls it an outlaw organization.

Arrested By Gestapo

Being outlawed politically is not new to Scholz. He was arrested by the Nazi Gestapo in 1933 when Hitler's regime was trying to pin the blame for the Reichstag fire on Communists led by the late Georgi Dimitrov, who became Comintern director and post-war Premier of Bulgaria. Anti-Nazis contended Hitler's people themselves burned the Reichstag so as to have a pretext for cracking down on Communists.

Arrested along with the highest of Comintern society, the then 25-year-old Scholz was held in jail four years as a suspected conspirator in the fire and freed without being tried. He was jailed again a few months later for spreading Communist propaganda in Hitler's Reich. When he got out he went underground in Berlin to fight the Nazi war effort.

5-Point Platform

The Free Communist charter meeting was attended by 50 former members of the old Communist and Socialist Unity parties in a traditionally strong Communist quarter of the French sector. It was the first such open break in Communist ranks since the Russians clamped their brand of communism on eastern Germany.

The Free Communist party hopes to woo great numbers of German Marxists who hate Russia and will go for Tito-type Communist nationalism. Its slogan is "union of all German Communists rejecting Soviet imperialism."

The platform adopted by the new party contains five points:

1. A peace treaty for all Germany.
2. Return to Germany of the Saar and parts of Germany given to Poland and abolition of international control over the Ruhr.
3. Put all German industries into the hands of workers' co-operatives without state ownership.
4. Abolish all Russian zone concentration camps and release all German prisoners of war.
5. Establish a democratic republic for all Germany based on the federal system (as the newly formed west German government is organized.)

Prepared For Revolution

"We have sure and definite knowledge from our underground sources," Scholz said, "that Russia is planning to proclaim an east German government during the September meeting of the Big Four foreign ministers" (scheduled to be held in New York).

Moscow Predicts Tito-Vatican Tie

Trieste, Aug. 22 (AP)—A Moscow broadcast recorded by the Italian news agency Astra declared today negotiations are under way for an eventual accord between Premier Marshal Tito and the Vatican.

Such an agreement, the radio said, is the purpose of the Rome visit of the Most Rev. Joseph Patrick Hurley, apostolic nuncio in Belgrade.

Hurley, who is also bishop of St. Augustine, Fla., arrived in Rome about a week ago. He has visited the Vatican secretariat of state, but all details of his talks have been secret.

Swiss Heads Health Group

GENEVA, Aug. 22 (AP)—Dr. André Repond of Switzerland, director of the European Committee on Mental Health for the past ten years, was elected president of the World Federation for Mental Health today.

Red 'Splinter' Unit Formed In Russ German Zone

THOS. A. REEDY

Berlin, Aug. 22 (AP)—German Communists who hate Russia formed a new splinter party today and promptly sent Yugoslav Premier Marshal Tito a message of support.

A spokesman for the group claimed 4,000 active members in the Russian zone of Germany and another 600 in the Western sectors of Berlin.

Fifty former members of the Communist party and Socialist Unity party (SED) announced they had broken away at a meeting in the French sector of Berlin and were forming a "Free Communist party."

Fraudulent Internationalism

Karl-Heinz Scholz, 41-year-old engineer and veteran German Communist underground campaigner, said in an iterview:

"We have formed to fight imperialist Bolshevism. The so-called internationalism of Soviet Russia is a fraud. We reject any plans for a dictatorship over the people."

Hears Of Russ German State

He declared he had "sure and definite information from our underground sources" that Russia is planning to proclaim a Soviet-dominated East German state in September.

"When that happens," he added, "only a revolution can then bring about unification of Germany. We will be prepared for that necessity."

Would Be Major Party

The group said it hoped to branch out and become a major party by appealing to Germans who favor communism but reject Russian domination.

The adopted slogan is "a union of all German Communists rejecting Soviet imperialism."

The West Berlin city government will be asked to grant a license.

From 1920 Model

The "FKP" would be modeled after the original Communist party of the early 1920's in Germany. The delegates adopted a red flag

German Communist Faction Forms A New Pro-Tito Party

Carter F. Lawrence

Berlin, Aug. 22 (AP)—A German Communist faction formed a new party today and quickly leagued itself with Yugoslavia's Marshal Tito "to fight the imperialist bolshevism" of Russia.

Its leaders said they already were collecting guns to resist arrest by Russian forces in eastern Germany if necessary.

The chief-spokesman and co-leader, 41-year-old Karl-Heinz Scholz, claimed his Free Communist party has a growing membership now counted at 4,000 in the Soviet sector of Berlin and 600 in the western sectors.

Spying On Russians

Scholz said a well-organized underground operation is spying on

when that happens." Scholz went on, "only a revolution can bring about unification of Germany. We will be prepared for that necessity.

"The might of the Red Army is strong. We are working underground and we will resist arrest by our own weapons."

Reich Coalition Lineup Reported

Bonn, Germany, Aug. 22 (AP)—Plans for a coalition of three conservative and right-wing parties to form West Germany's first federal government were announced here today.

Negotiations between the three parties will begin soon, according to a news conference announcement by Dr. Fritz Oellers, chairman of the Free Democratic party in Schleswig-Holstein.

Dr. Oellers said the negotiating parties will be the Christian Democrats, a conservative party which led all others in the August 14 parliamentary election; the rightist Free Democrats, who ranked third, and the extreme right-wing German party, which ranked fourth.

All are anti-Socialist.

Could Muster 6-Vote Margin

Together they could muster a six-vote majority in the Parliament, with 208 out of 402 seats.

That would make an opposition minority of the Social Democrats, who ranked second in the election with their socialistic program.

The Christian Democrats yesterday rejected the idea of inviting the Social Democrats into coalition partnership.

Already, a Cabinet was beginning to take shape in political speculation here.

Possible Lineup

Here is the lineup most commonly mentioned:

President—Prof. Theodor Heuss, Free Democratic chairman.

Chancellor (Premier)—Dr. Konrad Adenauer, chairman of the Christian Democrats.

Minister of Interior—Dr. Robert Lehr, Christian Democrat.

Minister of Economics—Dr. Ludwig Erhard, Christian Democrat.

Minister of Finance—Dr. Franz Bluecher, Free Democrat.

German Cities Issue Stamps

BERLIN, Aug. 22 (AP).—The Russian zone broke out in a rash of new postage stamps today. Eight cities issued special stamps in observance of the "Peace Day" to be celebrated Sept. 1. The stamps were printed by Dresden, Goerlitz, Eisenach, Erfurt, Chemnitz, Leipzig, Potsdam and Schwerin. Leipsig also issued a new stamp for its fall fair.

Says Reds Hold U. S. Youths

Army Hears Two Americans Missing on Bike Tour in Germany Were Arrested in Soviet Zone.

Frankfurt, Aug. 22 (A. P.).—The United States Army said today that two American youths who had disappeared recently on a bicycle tour in Germany were reported arrested by Soviet zone police. A German was quoted as the informant.

The two are Warren Oelsner, 20, of Oyster Bay, L. I., and Peter Sellers, 18, of Philadelphia.

The Army's provost marshal division has been conducting an intensive search for the youths at the request of John J. McCloy, United States military governor.

The Army announcement said the German informant had stated that Oelsner and Sellers were arrested in the Soviet zone town of Doitzenburg for taking pictures. Doitzenburg is near the British-Soviet zone border. The German said they were arrested on August 4 or 5.

"Provost marshal officials said that the latest report is creditable, although earlier reports placed the youths in the British and American zones of Germany as late as August 12 and 13," the announcement said.

The Army said the German informant told a British public safety officer he had been informed of the arrest of the youths by a Soviet zone policeman.

Provost Marshal officials said the information did not check with previous reports placing the pair outside the Russian zone at Goettingen, 130 miles south of Boitzenburg, as late as Aug. 12 or 13, but said the newest report was "creditable."

The missing youths are Warren Oelsner, twenty, of Oyster Bay, Long Island, N. Y., and Peter Sellers, eighteen, of Philadelphia.

The American Provost Marshal Division has been trying to trace them on orders of John J. McCloy, American Military Governor. The American Express Company has been asked to look for travelers' checks they may have cashed along the way.

The Army announcement pointed out that none of the reports positively identified the youths as Oelsner and Sellers, and that all reports were merely of young men fitting the descriptions of the two Americans. It said the informant came to Western Germany from the Russian zone and told a British public safety officer he had got the report on the two youths from a Soviet zone police officer.

2 U. S. Cyclists Reported Held In Soviet Zone

German Says Missing Youths Were Seized by Reds for Taking Pictures on Tour

FRANKFURT, Aug. 22 (AP).—A German informant said today that two young American bicycle tourists were arrested by Russian zone police on Aug. 4 or 5 for taking pictures at Boitzenburg, near the British-Soviet zone border, thirty miles East of Hamburg.

Devaluation Not Only Need, Hoffman Says

Frankfurt, Germany, Aug. 22 (AP). ECA Administrator Paul G. Hoffman declared today currency devaluation alone will not solve Europe's basic problems.

Hoffman's statement came at a news conference in which he also asserted the issue of dismantling German factories "should be buried."

"The great inclination is to look on devaluation as a cure-all for everything," Hoffman said. "The important thing is to get the underlying conditions sound, such as bringing up production.

Urges Sound Steps

"Until these sound conditions exist, devaluation won't solve Europe's basic problems."

Hoffman's statement came amid talk that Britian might reduce the value of the pound sterling, now held at $4.03, in an effort to boost exports.

Hoffman is touring western Europe to study economic conditions in relation to the European Recovery Program.

At Joint Conference

He appeared at a joint news conference with United States Military Governor John J. McCloy and ECA Ambassador-at-large W. Averell Harriman.

Hoffman was asked if he planned a further review of West German plants scheduled for removal under the Allied dismantling program.

"The important thing, in my opinion," he replied, "is not to revive that as an issue. You've got to look at the overall picture. The Humphrey Committee (which made a survey last year of German plants scheduled for dismantling) recommended that 167 plants should be removed from the dismantling list.

159 Retained

"The State Department got Britain and France to agree to retain 159 plants. The fact that 159 of 167 were retained should be remembered. I wish someone would mention this fact."

He ended his comments on dismantling with:

"Let's bury it."

On other subjects, Hoffman said:

1. "We feel the governments of Europe must create conditions that will encourage manufacturers and traders to do business with the Western Hemisphere."

2. Except for military items, "we are encouraging the largest possible expansion of trade between East and West—and all points on the compass."

3. McCloy "has taken a strong position that Berlin must be included in the ECA program for Germany. The precise method by which this can be done has not been decided—but we'll have to find the method."

Jail 6 German Counterfeiters

FRANKFURT, Aug. 22 (AP).—A United States Military Government court today convicted six Germans arrested in a drive to smash an international counterfeiting ring. The Germans were found guilty of possessing fake German 100-mark notes and $5 United States Army scrip bills printed in Paris. Their sentences ranged from two months to three and a half years.

4,000 D. P.s Sailing for U. S.

FRANKFURT, Aug. 22 (AP).—More than 4,000 displaced persons will sail from Germany this week as emigrants to the United States. The Army transport General Haan sailed from Bremerhaven today for New York with 884 D. P.s. The General Howze will sail tomorrow for New Orleans with 1,357. The General Stewart will leave for New York Wednesday with 816.

British Guard Manstein Against Suicide Attempt

HAMBURG, Aug. 22 (AP).—Anti-suicide measures were tightened tonight over former German Field Marshal Erich von Manstein, whose trial before a British war-crimes court opens tomorrow.

A British officer now accompanies the sixty-one-year-old officer everywhere he goes in the special block of the military hospital which has been his prison for eleven months. His routine is strictly watched.

During his long wait he was allowed comfortable quarters and daily walks in the hospital grounds on which guards followed at ten yards. His wife was allowed to come and go as she pleased.

The seventeen charges in the indictment concern alleged atrocities against Polish civilians and prisoners of war by troops of the army group of which Manstein was chief of staff under Field Marshal Gerd von Rundstedt. He is charged with mass extermination of Jews, forcibly employing Russian prisoners of war on work connected with military operations and forcibly recruiting them to fight their fellow countrymen.

Part of Manstein's defense expense is being paid from a fund raised in England to which Winston Churchill contributed.

Romania to Redeem Derelicts

BUCHAREST, Romania, Aug. 22 (AP).—A government decree today provides that tramps, beggars and prostitutes are to go to special re-education centers for a year's compulsory vocational training. They will be sent to the centers at their own request or at the request of the militia, the prosecutor's office or social organizations.

RED STRIKE FRONT WEAKENING FAST IN FINNISH CRISIS

TEDDY ROSENTHAL

HELSINKI, Finland, Aug. 22—(AP) The communist strike front showed new cracks today.

A walkout of transport workers, called for today, made little impression on the country.

The shoe, leather and rubber workers union notified the trade union federation and employes that their strike, scheduled to begin Tuesday, had been postponed.

Strike Front Cracks

These were the sixth and seventh walkouts called in a strike offensive which the government has charged was intended to set the stage for a communist coup in Finland.

To Await Vote Outcome.

The executive council of the Textile Workers Union announced late tonight that a strike set for Wednesday had been postponed. Council leaders said they had decided to await the outcome of a vote on the strike question.

Executives of the workers' co-operative stores and the wood-working industry announced they would be considered open shops, since the Trade Union Federation had declared the strikes illegal.

This was the day that strikers were to have numbered 100,000, according to communist calculation. But employers estimated the idle had dwindled to 27,000 from a peak of 45,000.

No official figures were available, however, either on total strikers or those engaged in the transport walkout. A private source said perhaps 2,000 truck drivers, gas station, garage and warehouse workers in the entire country stayed off the job. Labor sources said there were about 6,000 organized workers in these groups.

Interurban and rural bus traffic was running without interruption and most gas stations were open.

Employers admitted, however, that some business houses were hampered by lack of truck drivers. Union officials said 90 per cent of the delivery truck drivers were out.

The action of the shoe, leather and rubber workers in postponing their strike was seen as a result of

30.24- 5193

the order of the trade union federation for unions to cancel strike calls or face expulsion.

Port Situation Complex

The port situation was complex, with Helsinki and Turku completely tied up by a dockers' strike, and work still going on at Hamina.

At Hango, where the government declared the strike illegal in order to keep imports and exports moving, 250 volunteer dockers were on the job. They had unloaded only one small Swedish ship, however, and authorities said they needed 500 or 600 men.

A 52-year-old woman died last night as the result of the clash at Kemi last Thursday between striking lumbermen and troops. This brought the casualties to two dead.

The communist charged "police terror" in this incident was a violation of Finland's peace treaty with Russia, and that suppression of strikers was aimed at preparing for war with the Soviet Union.

Reports from saw mills, plywood factories and automobile body factories said the first day of the wood workers' strike also fell short of success for the communists.

The employers' central union said only one sawmill in the whole country was idle. But 25 per cent of the plywood factories were shut down.

Strikes Wane In Finland

Helsinki, Finland, Aug. 22 (AP)—The Communist strike offensive against the Finnish Government lost momentum again today as workers apparently remained deaf to Red pleas for further walkouts.

Although the Transport Workers Union called a strike for this morning, traffic was normal on Helsinki's streets.

The Communist plan had called for more than 100,000 of Finland's 300,000 unionized workers to be on strike today in what the Government charged was an attempt to prepare for a communist coup.

27,000 Estimated Idle

The Government has not yet been able to compile an official report on the number who actually have left work, but employer estimates gave the total at 27,000.

Woodworkers also scheduled a walkout for today, but the effectiveness of that strike was not known immediately.

The strike threat generally appeared to have been overcome by the combined efforts of the Social Democratic (Socialist) Government of Premier Karl A. Fagerholm and the loyal Central Trade Union Federation.

Strikers in many industries were reported streaming back to work, including bakers, brewery workers, dock workers, lumberman and log floaters.

Pravda Plays Up Reactions To Slav Note

Moscow, Aug. 22 (AP)—The Soviet press and radio devoted much space and time today to foreign reactions to the latest Soviet note to Yugoslavia.

Half of *Pravda*'s foreign news page was taken up with dispatches from abroad on the subject. Sample headlines in the official Communist party newspaper were:

"Tito's clique conducting secret negotiations with Vatican."

"Traitorious deal of the Tito clique with Greek Monarchist-Fascists."

A "Colonel Chekich of the Yugoslav General Staff" was quoted as saying "The Tito clique increases terror in Yugoslavia."

Chinese Report New Victories Near Canton

Canton, Aug. 22 (AP)—The Nationalists claimed more success today on the Central China front north of this Communist-threatened refugee capital.

The Government said a Red thrust to cut the Canton-Hankow railway and isolate the Hunan province defense bastion of Hengyang had been thrown back.

The Nationalists said they beat back Red General Lin Piao's attempt to take Leiyang, 230 miles north of Canton, after his forces had bypassed Pai's Central China defense headquarters at Hengyang, 35 miles farther north.

Anjen Recaptured

The counterattack carried 30 miles northeast of Leiyang to recapture Anjen, which guards Pai's eastern flank, it was reported.

This operation put one division of Lin's 45th Red Army into retreat and two regiments were wiped out, the Nationalists said.

The Government also claimed a victory 50 miles northwest of Hengyang where it said Lin's entire 51st Army was wiped out.

[This would be a total of about 30,000 men if the army's three divisions were at full strength.]

Weapons Reported Russ Made

The Ministry of National Defense said most machine guns and rifles taken from the Red 51st were Russian made.

Destruction of the 51st should relieve the pressure on Pai's western flank and retain his possible escape hatch to his native Kwangsi province to the southwest.

In Kiangsi province, the Nationalists reported heavy fighting around Sinfeng, 180 miles northwest of Canton. This town is 55 miles east of Tayu, where the Communists have made their closest penetration to Canton—170 miles away.

Lanchow Battle Heavy

Far to the northwest in Kansu province, the battle for Lanchow, the capital, was reported in full swing. The National Defense Ministry said two divisions of Red Gen. Peng Teh-huai's 3d Army had been wiped out in the southern outskirts of the city.

Peng's 50th Army, attacking Lanchow from the east, also was reported thrown back. The Red assault was said here to include six Red armies, which would mean 120,000 to 150,000 men.

Reds Reported Beaten on Rail Line to Canton

Nationalists Say Sinhwa Is Retaken; Advance Along East Flank Also Claimed

CANTON, Aug. 22 (AP).—Nationalists reported fresh gains on both flanks of the rail route to Canton today, prolonging this city's life as the provisional capital of China.

General Chang Yi-ting, Nationalist Army spokesman, announced recapture from the Communists of Sinhwa, 340 miles northwest of Canton and ninety-five miles northwest of the important rail junction of Hengyang.

On the east side of the railway that leads south from Hengyang to Canton, he announced, the Nationalists were striking toward Yuhsien, 270 miles north of Canton and twenty-five miles north of newly regained Anjen.

The Central China commander, General Pai Chung-hsi, was visibly elated as he flew to Canton today to confer with Premier Yen Hsi-shan. As a gift to the Canton zoo, he brought along a tiger his troops had caught north of Hengyang.

The Army spokesman said there was no change on the front 170 miles northeast of Canton, where the Reds have made their nearest approach to this city.

On the distant northwestern front in Kansu Province, he reported heavy clashes on the outskirts of Lanchow, the provincial capital. The Defense Ministry said the defenders had destroyed two Communist divisions on the southern outskirts of Lanchow and Red attackers had been thrown back on the east. It estimated, however, that 120,000 to 150,000 Reds were participating in the drive.

Nationalists Give Liner Safe Conduct

Shanghai, Aug. 22 (AP)—The Shanghai office of the American President Lines said today the liner General Gordon had been granted safe conduct into Shanghai by the blockading Nationalist Government.

The vessel is scheduled to call at Shanghai September 15 to pick up about 1,000 foreigners for evacuation. Most of them are Americans and Britons.

Plans call for the General Gordon to sail to Manila, Hong Kong, Shanghai, Kobe and Yokohama.

So far, only a few hundred foreigners have been given exit permits by the Communists in Shanghai.

Mock Bombs Clean Up; Now 'Victims' Have To

Tokyo, Aug. 22 (AP)—During Air Force training exercises over the Tokyo area today, a B-59 bomber swooped over the Misawa airbase and dropped leaflets all over the place. It was quite a litter.

Ground crews who rushed out found that one side of each leaflet read: "Anti-personnel bomb; you are dead," while the other read: "This is cleanup week."

Australia Defense Talks On

SYDNEY, Australia, Aug. 22 (AP).—Secret talks on defense of the Southwest Pacific began in Melbourne today among representatives of Britain, Australia and New Zealand. The talks will continue until the end of the week. A "Sydney Sun" dispatch from Melbourne said: "The talks hinge on a decision to develop Australia as the main base for the area. Standardization of organization and joint use of war potential to facilitate defense is being considered."

Rivera Visa in Doubt

Painter Seeks Entry Into U. S. to Attend Los Angeles Dinner

MEXICO CITY, Aug. 22 (AP).—Diego Rivera, Left-wing Mexican painter, encountered difficulties today in seeking a visa for the United States. He told the United States Embassy he wanted to go to Los Angeles for a dinner planned for him by admirers of his work. He made no written application, but in answer to questions he was informed that his admission could be authorized only by the United States Attorney General.

Mr. Rivera has said he formerly belonged to the Communist party and sought reinstatement after his membership was canceled. There was no discussion of his ideas at the Embassy, as both he and the Embassy took for granted that his views are publicly known.

U.S. Atom Aides Confer With Canadian Experts

Ottawa, Aug. 22 (AP)—The External Affairs Department today disclosed that five United States atomic energy officials spent Saturday and Sunday in conferences with Canadian experts at the Chalk River atomic project.

While no reference was made to the forthcoming trination atomic talks in Washington early next month, the visit by the Americans appeared to be linked with those talks.

The announcement said the Americans paid a "courtesy call" on Chalk River, where an atomic pile has been set up. They were Senator W. F. Knowland, (R., Cal.), and Representative Henry M. Jackson (D., Wash.), members of the United States congressional joint committee on atomic energy; H. Bergman, deputy director for the joint committee; E. L. Heller, of the committee staff, and Jesse Johnson, deputy director of the United States Atomic Energy Commission's raw-materials division.

TRUMAN PLEADS FOR ARMS AID AS 'PRICE OF PEACE'

Protection Against Aggression Can't Be Bought Cheaply, He Says

SPEAKS TO VFW

Charges Communism 'Lures Men to Slavery by False Promises'

MIAMI, Fla., Aug. 22—(AP) President Truman took to the people today his plea for $1,450,000,000 to arm this country's allies against Russian aggression as "part of the price of peace."

He declared that peace with freedom and justice "cannot be bought cheaply" as he spearheaded the administration Senate drive to restore a $580,405,000 cut voted by the House.

AUG 21 1949

The President, flew 930 miles from Washington to lay his case before the Golden Jubilee convention of the Veterans of Foreign Wars in gaily-decorated Dinner Key Auditorium.

Voices Arms Aid Plea

He called for approval of the program of military assistance to North Atlantic Pact signers and other friendly nations "without delay."

"The cost of such a program is considerable," he conceded, "but it represents an investment in security that will be worth many times its cost. It is part of the price of peace.

"Peace with freedom and justice can not be bought cheaply. No single program can bring it about, nor can any single nation. It can only be assured by the combined efforts of the multitudes of people throughout the world who want a secure peace."

He said most of the assistance would go to Atlantic Pact countries. "Security is important to world peace."

Truman's Address to V. F. W. Convention

MIAMI, Aug. 22 (AP)—The complete text of President Truman's address at the convention of the Veterans of Foreign Wars today follows:

Mr. Commander in Chief, distinguished guests, fellow-members of the Veterans of Foreign Wars:

I am happy to be in Miami today to help celebrate the Golden Jubilee anniversary of our organization.

I am proud to be a member of the oldest active veterans' organization in the nation. For fifty years the V. F. W. has been serving not only the interests of the men who have fought for our country in foreign lands, but also the interests of our whole nation.

I have watched the splendid humanitarian work which our organization carries on. I have also been gratified by the record of the V F. W. in other fields, and particularly in the field of international policy. I recall the United Nations rally in 1942, at our forty-third national encampment in Cincinnati, to which fourteen Allied nations sent representatives. I remember the victory conference in 1945 at our Chicago encampment, where representatives from twenty-one Allied nations met to discuss the value of cooperation in war and the importance of continuing international co-operation in time of peace. The V. F. W. has continued this fine record by its strong support of the North Atlantic treaty.

I am particularly pleased that you have asked me to be here on the day the V. F. W. is honoring distinguished representatives from other countries which have joined in the North Atlantic treaty. The presence of veterans from most of the treaty countries, meeting with our own veterans, is deeply symbolic of the spirit that binds together the free nations of the world.

Cost of Wars Learned

All the countries that signed the treaty have learned the tragic cost of war. All of us have learned how weakness invited aggression—how democratic countries, unless they stand together, can be taken over one by one. And now, all of us are determined that, by joint efforts and a common defense, we shall become strong enough to prevent another terrible conflict.

Four years ago, when the war ended, the world entered a new phase of human history. There were many who believed that the world would quickly return to its old ways. Many believed that the countries of the world would work their way, peacefully and in co-operation, back to conditions of stability and prosperity.

But the effects of this last war were too far-reaching to permit such an easy adjustment. The destruction had been too great to allow a quick recovery. The accumulated wealth of generations had been poured out and lost in the conflict. Conditions of world trade had been fundamentally altered. As a result of the upheaval, many peoples demanded new rights and new responsibilities. Men who had lived for centuries in economic servitude asked for independence and a fair share of the good things of life.

The war against tyranny was sustained by belief in the Four Freedoms. Men refused to yield to dictatorship because they desired and believed they could secure conditions of material and spiritual freedom. When the war ended, they demanded to be treated as free men. They demanded a world in which they could attain security and liberty.

Demand Offers Challenge

This demand cannot be suppressed. It must not be frustrated. It presents a challenge to us and to the values of our civilization which will require all our energies and wisdom to satisfy.

One pretended answer to this demand of mankind is offered by organized Communism. But that answer is a false one. Communism claims to satisfy the universal desire for a better life. But, in fact, it lures men by false promises back to tyranny and slavery—and more and more people all over the world, are learning that fact.

The free nations of the world offer a different answer to the demand of mankind for security and liberty. Our answer is based upon voluntary association among free nations, mutual adjustment of our common problems and combined economic effort. We are convinced that through these means the world can achieve economic progress and at the same time maintain and expand democratic freedoms. We are convinced that our answer will prevail.

The people of the United States have been meeting this challenge. In four short years they have done more in the cause of world peace and world recovery than any nation has ever before been called upon to do.

Joint Efforts Are Essential

We are not alone in this effort. Many nations which share our democratic values and our traditions are working with us. Without these allies in the cause of peace, our task would be hopeless. We can win a permanent peace only through the joint efforts of free nations striving toward the same objectives.

To achieve a better world we must prevent international violence. Unless protection against war can be secured, all efforts for the advancement of mankind will fail. One of the most important aspects of our foreign policy, therefore, is our effort to establish international order.

To this end, we have joined with other nations in creating a world organization which would outlaw aggression and establish a means of settling international order.

The principles of the United Nations are still our goal. We have undertaken to defend and preserve them. We will keep that pledge. Shortly after the end of the war, however, it became apparent that the United Nations could not live up to all our hopes for it until all nations were united in the desire for peace. It became necessary, therefore, for the free countries to take action to defend the principles of that organization and to preserve it.

Cites Greece-Turkey Aid

By an overwhelming bi-partisan vote, Congress approved my recommendation early in 1947 that the United States help Greece and Turkey resist Communist pressures. Our prompt action preserved the integrity of both countries.

By an equally overwhelming vote in 1948, the Congress approved our joint enterprise with sixteen European nations to achieve economic recovery. The European recovery program has prevented general collapse in Europe and has given hope to all countries who want to see the world resume the course of economic progress.

While we are working with our friends in Europe, we are also working with our friends and neighbors in this hemisphere. The pact of Rio de Janeiro, signed in September, 1947, binds the nations of North and South America together in a defensive alliance.

The United States and eleven other nations have now joined in the North Atlantic treaty. Like the Rio pact, this is a pledge of mutual assistance by nations which are determined to protect their independence. It is based on the principle that an armed attack on one member nation is an attack on all.

The next task is to back up this principle with military assistance to European nations, and to certain other nations, which are unable to build up their defenses without outside help.

Three Kinds of Assistance

I have recommended to the Congress that the United States supply three kinds of military assistance to friendly democratic nations in need of our help. First, we should help them increase their own military production. Second, we should transfer to them some essential items of military equipment. Third, we should send some of our experts abroad to help train and equip their military forces.

Some people who do not understand the state of the world very well have tried to make the military assistance program seem a difficult and confused issue. On the contrary, it is very simple.

The purpose of the military assistance program is to prevent aggression. Our European partners in the North Atlantic treaty are not strong enough today to defend themselves effectively. Since the end of the war they have been concentrating on rebuilding their war-torn economics. We can strengthen them, and ourselves, by transferring some military means to them, and by joining with them in a common defense plan. The military assistance program is based on the same principle of self-help and mutual aid that is the cornerstone of the European Recovery Program and the North Atlantic treaty.

We are not arming ourselves and our friends to start a fight with anybody. We are building defenses so that we won't have to fight.

No Threat to Others

Our aid will be limited to the material necessary to equip mobile defense forces. These forces will constitute no threat to the independence of other nations. The democratic nations have no desire for aggression; they only want to be able to defend their homes.

Most of our assistance under this program will go to Atlantic treaty countries, but will also help certain other nations whose security is important to world peace. We must continue our aid to Greece and Turkey. We should help Iran maintain its firm stand against Soviet pressure. And, in the Far East, two young republics—the Philippines and Korea—need military assistance if they are to maintain their national security."

Returns to Washington

The applause of the thousands of delegates to the convention—Mr. Truman is a member himself—had hardly died away before he was en route back to Washington on the White House plane, the "Independence."

Veterans of most of the Atlantic Pact countries were in the audience as Mr. Truman cautioned that unless democracies weld a strong defense structure to prevent another war they can be taken over "one by one."

The president condemned what he described as communism's "false" answer to mans' demand for "a better life."

Instead, he said, "it lures men by false promises back to tyranny and slavery—and more and more people, all over the world, are learning that fact."

Emphasizing that the arms program is aimed at aggression, Mr. Truman asserted:

"We are not arming ourselves and our friends to start a fight with anybody. We are building our defenses so that we won't have to fight."

His almost unprecedented flight here for a 15-minute address emphasized the importance he attaches to the legislation to implement the Atlantic Treaty by providing friendly nations with (1) military production aids (2) essential military equipment and (3) experts to help train and equipt their forces.

He may follow up the pressure for the program, if necessary, before the American Legion national convention at Philadelphia next Monday and the AMVETS convention at Des Moines, Iowa, on Labor Day. He has scheduled speeches before both groups.

Assails Russian Tactics

The President blamed Russian tactics for the cost of the cold war.

The Soviet Union, he declared, "has blocked every effort to establish an effective international police force and to free the world from the fear of aggression."

"For that reason," he went on, "we have had to join other friendly nations in forming regional defense pacts."

He forecast increased investments and new industries for war-torn countries once their defense is secured.

But, he said, "economic recovery will lag if the haunting fear of military aggression is widespread." He said the free countries must remove "the obstacles" to recovery created by this "fear of military aggression."

The President received two awards from the VFW during his brief Miami visit.

Just before he spoke Frank J. Tallman of Kansas City, Mo., gave him the bronze statue of a long-eared Missouri mule in fighting pose as a memento of the Golden Jubilee Convention.

Mr. Truman waved the mule aloft and beamed "I'm particularly happy to have this Missouri mule."

After the speech he received the Veterans of Foreign Wars certificate of merit in recognition of his efforts "as President of the United States for the preservation of world peace."

Mr. Truman expressed his "very sincere appreciation for the honor which I have received. I hope that I deserve it and will work sincerely to achieve all that it represents."

Philippines and Korea—need military assistance if they are to maintain their national security.

If it were possible, we would prefer that these bulwarks against aggression be established by the United States. We hope the peace of the world will some day be enforced by security forces under the control and direction of the United Nations.

We have been working for that. But the Soviet Union has blocked every effort to establish an effective international police force and to free the world from the fear of aggression. For that reason, we have had to join other friendly nations in forming regional defense pacts.

The United Nations Charter was wisely drawn to permit these regional defense pacts and other collective security arrangements which are consistent with the great principles of the charter. The military assistance program will help the United Nations to co-operate more effectively by increasing the collective as well as the individual ability of free countries to resist aggression.

Two Programs Closely Linked

The military assistance program and the European Recovery Program are part and parcel of the same policy. There is the closest relationship between economic recovery and military defense. On the one hand, economic recovery will lag if the haunting fear of military aggression is widespread. Such fear will prevent new investments from being made and new industries from being established. On the other hand, if protection against aggression is assured, economic recovery will move forward more rapidly. Sound economic recovery and adequate military defense must be carried forward together in balance. That is exactly what we propose to do.

Great progress has been made in economic recovery in Europe. The production of the Western nations of Europe has been rising steadily. To continue the momentum of this economic advance it is necessary now to remove the obstacles created by the fear of military aggression.

We should therefore undertake a program of military assistance without delay. The cost of such a program is considerable, but it represents an investment in security that will be worth many times its cost. It is part of the price of peace.

Peace with freedom and justice cannot be bought cheaply. No single program can bring it about, nor can any single nation. It can only be assured by the combined efforts of the multitudes of people throughout the world who want a secure peace. They are our friends and they are friends worth having. We must keep them our friends if the world is to be a decent place for our children and their children to live in.

Calls Isolationism Futile

We must face the fact that we have forever put behind us the false security of isolationism. We have done so because we have learned—learned the hard way—that in the world of today, isolationism is a futile and vulnerable shield. We have learned that the defense of the United States and the defense of other freedom-loving nations are indivisible. We have learned that we can serve our country best by joining in the common defense of the rights of all mankind.

The Congress of the United States in noble words has set out certain purposes of the Veterans of Foreign Wars. Our organization is pledged:

"To maintain true allegiance to the government of the United States of America, and fidelity to its Constitution and laws; to foster true patriotism; to maintain and extend the institutions of American freedom; to preserve and defend the United States from all her enemies."

In the fulfillment of those high purposes, I enlist your support to the end that we may persevere in the ways of peace with the same vigor and determination with which we fought our country's wars.

'On Way to Victory' In Cold War, Clay Says

MIAMI, Fla., Aug. 22—(AP) Gen. Lucius D. Clay said today "we are on the way to victory" in the cold war against communistic Russia.

The former United States military governor of Germany told the afternoon session of the Veterans of Foreign Wars that "many of you here today thought you had accomplished that victory, but it is still to be won."

"Now that the end is in sight we must not, we cannot lessen the effort," he warned.

The general spoke at the end of a North Atlantic Pact conference which heard addresses by representatives of eight signatory nations.

The golden jubilee convention formally opened this morning amid 80-plus temperatures and a rash of speech-making from officials ranging from the mayors of Miami and Miami Beach to President Truman.

Ten thousand delegates and spectators jammed the dinner key auditorium shortly after 10 a. m. to launch the week-long sessions of fun and serious business.

Because the President was a little behind schedule on his whirlwind visit to Miami, several addresses schedulued before the President's were postponed until after the chief executive left.

Sen. Claude Pepper (D-Fla) echoed President Truman's plea for a billion-dollar arms aid measure for allies of this country.

"We are not brandishing the big stick before the world," he said. "By our actions, we are protecting our security through mutual assistance and military aid plans."

Meanwhile, greater Miami was jammed wtih veterans from three wars. Some roamed the streets in garish "military Order of Cootie" costumes and all wore overseas caps. The 48 states, Hawaii, Alaska, Puerto Rico and the Canal Zone are represented.

Mundt Withholds Contents Of Note From Soldier

Washington, Aug. 22 (AP)—A secret letter beginning "Dear Pop" is shedding new light on the perfume oil and home freezer aspects of the five-percenter inquiry, Senator Mundt (R., S.D.) said today.

The letter was written by a former member of the armed services to his father, who turned it over to Mundt. The South Dakota lawmaker is a member of the special Senate subcommittee checking on whether improper influence has figured in the handling of Government business.

Mundt declined to discuss the contents of the letter in detail, but did describe it as a significant eyewitness account "of something which took place which appears to have an important bearing on matters we have been investigating."

Claims A Tie-In

He added:

"The letter ties in with the whole chain of events dealing with the presentation of home freezers to prominent people in Washington and the subsequent activities of representatives of the perfume company which paid for the freezers."

Mundt said the youth who wrote the letter either will be called to testify at the Senate public hearings, to be resumed tomorrow, or will be questioned privately.

Names Withheld

Mundt declined to name the boy or his father.

The committee has been told that seven home freezers presented to Maj. Gen. Harry H. Vaughan and other Washington notables in 1945 were paid for by the Albert Verley Company, a Chicago perfume-oil firm.

Vaughan, who is President Truman's military aide, will testify later this week. He has said the freezers were given to him by David Bennett, head of the Verley company, and Harry Hoffman, whose Milwaukee advertising firm handles the Verley account.

Vaughan said he kept one of the units and turned over the others to friends. One went to Mrs. Truman at the summer White House in Independence, Mo.

Paris Trip Involved

The committee also has received testimony that, likewise in 1945, Hoffman, John Maragon and a third Verley company agent got Government clearance for a business trip to Paris in an army plane. They arrived on the heels of liberating troops.

Maragon has had various Washington connections and lists Vaughan as a good friend. The official records of the Senate committee include testimony that Maragon, on his return from Paris, tried to bring through customs a quantity of valuable perfume essence disguised as four bottles of champaigne.

Wonder About Connection

The probers want to know whether there was any connection between the gift of the home freezers by the Verley company and clearance for the Paris trip.

The committee plans to question Maragon about the whole situation this week.

Mundt indicated that the "Dear Pop" letter ties into the freezer episode less directly than it does into the perfume-oil incident and the Paris trip.

5 PERCENTER CURB SOUGHT

Chief Senate Prober To Push Bill Controlling Fee Brokers

Washington, Aug. 22 (AP)—Senator Hoey (D., N.C.), chairman of a Senate investigations subcommittee, said today he wanted a law to regulate "five per centers."

Hoey made the announcement in Shelby, N.C., while his subcommittee set up its schedule of witnesses.

Maj. Gen. Herman Feldman, suspended quartermaster general who once had charge of buying food for all the armed services, will be questioned tomorrow. At the time of Feldman's suspension, Gordon Gray, Secretary of the Army, said Feldman had "furnished to a contractor's representative information under circumstances which appear irregular."

The committee said it planned to read into the record a letter which Feldman reportedly wrote James V. Hunt, Washington management counselor, giving details on the Quartermaster Corps' buying plans.

Another Deal Involved

Also up for consideration, the committee said, is a reported deal in which the Quartermaster Corps bought back a supply of D.D.T. bombs that one of Hunt's clients didn't want.

Wednesday, or later, Maj. Gen. Harry Vaughan, the President's army aide, will be heard. Vaughan's name has popped up at every hearing.

Said Senator McCarthy (R., Wis.) of Vaughan:

"He will be given every consideration, but will be asked an awful lot of questions."

One committee member said Vaughan would be on the stand Wednesday, but later it was reported it might be Thursday or Friday before he would be called.

Public Notice Sought

The committee was in recess today, but Hoey, during his Shelby visit, announced the details of a bill he plans to introduce as soon as the hearings are completed.

The Senator's plan provides that "five percenters"—men who try to land Government contracts for business men in return for a fee—would be required to give public notice that they are paid by business clients.

Every company seeking a contract with the Government would be required to register the names of persons it has hired to assist it, Hoey said. Furthermore, he said, any five per center would have to register with the Government department with which he wants to do business.

Hoey's idea is to bring the whole business out into the open. He said it would be somewhat similar to regulations already used for lobbyists. Instead of dealing with contracts, the lobbyist tries to help—or hinder—the passage of laws important to his client.

Mundt Tells Of Letter

Today Senator Mundt (R., S.D.) said he had received a letter that shed new light on the perfume-oil and home-freezer aspects of the case.

Mundt would not say much about the letter. He just said it started "Dear Pop" and was written by a member of the armed services to his father. As for its contents, Mundt said:

"The letter ties in with the whole chain of events dealing with the presentation of home freezers to prominent people in Washington and the subsequent activities of representatives of the perfume company which paid for the freezers."

Mundt said the boy who wrote the letter will be interviewed by the committee, but that the hearing may be held behind closed doors.

Mrs. Truman Got Freezer

The deep freezers, the committee has been told, were sent to Vaughan in 1945 by the Verley Perfume Company, of Chicago.

Vaughan has said he kept one of the freezers, and turned the others over to friends. One went to Mrs. Truman and the "Little White House" in Independence, Missouri.

John Maragon, man-about-Washington and a friend of Vaughan's, went abroad on an army plane in 1945 on a business mission for the perfume company. This was at a time when it was hard to get a travel permit.

Mundt has insisted that there must be some connection between the gift of the freezers and the trip, but witnesses have denied it.

Meanwhile, John Bracken, president of the Reserve Officers Association of the United States, denied that his group was spearheading a drive to get favorable publicity for Vaughan. On Saturday, Brig. Gen. E. A. Evans, the reserve officers' executive director, said of Vaughan:

"I think he has been the subject of unnecessary malignment and picking-on. I am happy to do anything I can to help him."

AIR CHIEFS DENY ANY 'INFLUENCE' IN B-36 PROGRAM

WASHINGTON, Aug. 22 — (AP) Gen. Carl Spaatz testified today that except for the existence of the American B-36 bomber and the atomic bomb, Russia's armies could overrun practically all of Europe and Asia "in a relatively short time."

American possession of these two key weapons, he said, are "the greatest forces for peace in the world" because they maintain "a balance of power."

The retired chief of the U. S. Air Force, whose bombers helped blast Germany into defeat in World War II, told the House Armed Services committee:

Denies Political Influence

1. He decided late in 1946 or early 1947 to build up a fleet of B-36s because he foresaw the potentialities of the huge six-engined bombers in the event of intercontinental warfare.

2. No outside influence, political or otherwise, swayed his decision.

Spaatz led off a parade of air force generals, past and present, in denying that any outside pressure led to favoritism toward the B-36 program, as charged by Rep. Van Zandt (R-Pa) in a House speech last May 26.

Van Zandt was absent today as the generals testified.

Besides Spaatz, the witnesses included Gen. Muir S. Fairchild, Air Force vice chief of staff; Gen. J. T. McNarney, chairman of the national defense management committee, and Lt. Gen. Harold A. Craig. The last three are members of the senior officer board which ruled on all steps taken in the B-36 expansion program.

All testified in the same vein.

Spaatz told the committee that members of the senior officer board are "invincible" against any attempts to have them play favorites among the various plane manufacturers.

Asked whether political influence might affect the board's recommendations, he replied firmly:

"That would not enter into it at all."

No Five Percenters

Chairman Vinson (D-Ga), referring to the current congressional investigation into "five percenters," asked Gen. Craig with a smile:

"Were there any five percenters hanging around?"

"I didn't see them, if they were," Craig grinned.

As the hearing recessed until tomorrow, Counsel Keenan told newsmen he "hopes" that Secretary of Defense Johnson and industrialist Floyd Odlum will be on hand to testify.

"They have been invited to appear tomorrow," Keenan said.

Odlum's name figured in a House speech by Rep. Van Zandt in which the Pennsylvania Republican said he had heard "disturbing reports" about the B-36 program.

Van Zandt said he had heard that Secretary of Air Symington planned to quit his federal post soon to head a big aircraft manufacturing combine to be organized by Odlum. Symnigton denied any such plans.

Odlum is head of the Atlas Corporation which controls Consolidated Vultee Aircraft Corp., makers of the B-36. Van Zandt said Odlum helped Johnson, then a Vultee director, raise funds for the Truman presidential campaign last year.

Two members of the House committee, Reps. Brooks (D-La) and Bates (R-Mass) said Johnson, Symington and other chiefs of the nation's air power should be cleared at once of any suspicion of irregularities in connection with the B-36 program.

U.S., England Set Preliminary Economic Sessions This Week

Washington, Aug. 22 (AP)—Preliminary American-British talks on Britain's economic crisis will open here this week.

American officials said it would require some notable feats of statesmanship to prevent the conference from hurting instead of improving British-American relations.

Among other things, the British say they take a dim view of the appointment of Secretary of the Treasury Snyder to head the American delegation for the main, second stage of the negotiations which will open September 6 or 7. They say they would have preferred Secretary of State Acheson.

View Of State Officials

State Department officials say Acheson and British Foreign Minister Bevin will probably hold the most important of the conversations—covering the whole range of United States-British relations—entirely outside the economic negotiations.

The latter will be conducted by Snyder and Britain's chancellor of the exchequer, Sir Stafford Cripps.

British officials here say no preparations have been made for Acheson-Bevin discussions paralleling the Cripps-Snyder negotiations. The British say they doubt that the meetings between the secretaries will produce definite results.

Canada Included

Canada will be a third party at the talks.

Meanwhile, lower level American and British negotiators will open the preliminary round next Saturday. Under Secretary of State James E. Webb has been named to head the American group.

The preliminary talks will disclose what proposals the British have in mind to deal with their dollar and gold shortages and what measures the United States is considering.

British Proposal On Gold

According to advance reports, the British have in mind a number of proposals, chief of which is that the American Government should raise the price of gold from about $35 to $45 an ounce (which would make Britain's gold supply worth more) and that this country should establish a stabilization fund to maintain the value of the pound if the pound is devalued.

Devaluation will be urged at some point by the Americans. United States officials say, although the British dispute it, that a pound worth less than $4.03 would instantly reduce the price of British goods in the American market and thereby increase the sales.

The British position is that the first effect would be raise the price of goods that Britain must buy.

Variety Of Schemes Urged

In addition to devaluation, Washington negotiators will again urge the British to try a variety of schemes to increase the salability of their products in the American market and to lower the cost (by means other than the devaluation move).

A warning to the American negotiators not to try to bypass Congress has been issued by Senator Wherry (R., Neb.), the Senate Republican floor leader.

Wherry said that the lawmakers want Britain to be strong but will not approve steps taken at undue expense to United States taxpayers. He argued that "when Britain wins world markets through efficiency, quality and competitive prices her dollar shortages will disappear."

refugees into its territory or that it surrender that southern Negev as part of a settlement of the territorial question.

White termed Frisch's statement "correct" but, he emphasized, this does not mean that the State Department does not want further concession both with respect to refugees and territory."

Government officials, in elaborating on White's remarks, made it plain that the State Department still believes that Israel's offer to readmit but 100,000 is "unrealistic" and that this offer should be increased.

Austria Gets $22,500,000 Aid

WASHINGTON, Aug. 22 (AP).—The Economic Co-operation Administration today approved expenditure of $22,500,000 in Marshall plan funds for industrial and agricultural development in Austria. The recovery agency said the money will come from so-called counter-part funds deposited by Austria to match American foreign aid grants.

Palestine Concessions Urged

State Department Asks Jews and Arabs to Make Fresh Compromises at Lausanne.

Washington, Aug. 22 (A. P.).—The State Department today called on Jews and Arabs to make further concessions in order to reach a general settlement of the Palestine problem.

Press Officer Lincoln White told a news conference both sides should be motivated "by a spirit of constructive compromise" if the deadlocked peace talks at Lausanne, Switzerland, are to succeed.

White made the statement in commenting on the remarks of Daniel Frisch, president of the Zionist Organization of America. Frisch said in a week end statement he had been told the State Department does not demand that Israel admit 250,000 Arab

W.C.T.U. TOLD DRINK REVOLT IS SPREADING

Leader Declares World Movement Is Stronger Than Ever

Philadelphia, Aug. 22 (AP)—A Woman's Christian Temperance Union leader declared tonight that the W.C.T.U. is stronger now than ever before.

"The revolt against drink," said Mrs. Margaret C. Munn, of Seatle, "is spreading over the world."

Mrs. Munn spoke at the temperance union's seventy-fifth national convention. She reported that 52 nations now have national organizations auxiliary to the World W.C.T.U.

This represents a gain of two countries over last year, she said.

Mrs. H. Cecil Heath, of London, honorary corresponding secretary of the world W.C.T.U., said it is "amazing" that the W.C.T.U. has made such a "healthy recovery from the severance caused by the war."

Praises German Leader

"The world's union," she added, "is being knit together in the way a damaged but healthy body may knit after a tragic accident."

Mrs. Heath singled out Frau Anna Klara Fischer, head of the German affiliate, for praise in reorganizing the W.C.T.U. on the European Continent.

"Is it any wonder," she said, "when hundreds of towns and villages have been battered to the ground by carpet bombing that our unions in Europe have in some cases been weakened almost to a point of extinction?

"Think of Italy, given as a tool into the hands of Germany by Mussolini; of France and Belgium, invaded more or less by one army after another; think of Germany, victim first of a power-craving madman and his satellites, and then of a relentless enemy, determined on extracting unconditional surrender."

Officers Re-Elected

The organization re-elected Mrs. D. Leigh Colvin, of Evanston, Ill., as its president. She has held that office since 1944.

Also re-elected were the following:

Mary B. Ervin, Columbus, vice president at large; Elizabeth A. Smart, Washington, corresponding secretary; Violet Black, Evanston, treasurer, and Mrs. Glen G. Hayes, Ransom, Kan., recording secretary.

WINS RELEASE OF GIFT DOLLS

Woman Editor Snips Red Tape Of Customs Department

Pittsburgh, Aug. 22 (AP)—Peggy Reiley came to town today and did battle with the Federal Government on a matter of principle—200 dolls in particular. And she gained at least a partial victory.

Peggy won't pay the $14.60 duty demanded by the Government for shipment of the dolls in her dolls-for-Europe campaign.

But the dutyless dolls can't be moved to Somerset, Pa., where the 29-year-old woman editor of the Somerset *American* has collected 1,500 other dolls.

Peggy will have to unpack, tag, readdress and repack the toys in the Pittsburgh customs warehouse.

A Big Job

"It's going to be a big job," she sighed.

"But I can't pay the duty.

"It's not a matter of money. It's the precedent it would set. We are expecting other shipments from Canada and I'm hoping someone in Washington will do something about this silly red tape before then."

The dolls in question were shipped from Canada by Margaret Wooding, of St. Catherine's, Ontario. Miss Wooding said today the Canadian Government had assured her the gift could be sent to the United States duty-free.

The dolls were contributed by children of St. Catherines, Ont., Canada. They have been held up by United States customs officials in Pittsburgh for duty.

Mr. Martin said he was told by customs officials here and in Pittsburgh that the action was routine. They assured him, he said, that as soon as the necessary papers were filled out the dolls would be released for reshipment.

Nearly 1,500 dolls have been collected as a result of the campaign started by Peggy Reiley, woman's editor of The Somerset American.

DOLLS TO GO TO EUROPE

Senator Says Pittsburgh Customs Will Yield Canadians' 200

WASHINGTON, Aug. 22 (AP)—Senator Edward Martin, Republican, of Pennsylvania, said he was assured by customs authorities today that some 200 Canadian dolls could pass through this country duty free on their way to Europe's toyless children.

Mr. Martin said he was informed all that must be done was for The Somerset (Pa.) American, newspaper sponsoring the shipment, to fill out some papers guaranteeing that the dolls would not be sold in this country.

G. I. in Texas Weds Girl In Germany on 2d Try

FORT WORTH, Tex., Aug. 22 (AP).—Private First Class Elmer Le Wright finally married by phone today Anna Grubmuller, twenty-two, an Austrian girl living in Germany.

They tried to get married last week, but arrangements got snarled up, and all Private Wright got was a big telephone bill. The Rev. A. B. Lightfoot officiated today in the trans-Atlantic ceremony.

Their planned marriage in Germany, where he recently was stationed, was thwarted when the soldier was transferred home. Immigration officers say proxy marriages are not recognized in quota restrictions. Private, Wright said he would seek an Army transfer back to Germany to marry his bride in the usual ceremony. Then he will try to bring her here under immigration exemptions granted spouses of American citizens.

Private Wright's bride was at Landshut Army Base in Germany for the ceremony. She was moved from Vienna after Soviet occupation there.

Witness for Tokyo Rose Admits False Statement

SAN FRANCISCO, Aug. 22 (AP).—Norman Reyes, a chief defense witness in the Tokyo Rose treason trial, under hammering cross-examination by the government today, said he had given false statements to the Federal Bureau of Investigation.

The statements were damaging to the case of Mrs. Iva Toguri D'Aquino, thirty-three, Los Angeles-born Japanese, charged with making treasonable war-time broadcasts from Radio Tokyo.

Mr. Reyes, a lieutenant during the war in the Philippine Army, was asked about statements he had given the F. B. I. last year. Mr. Reyes said he had signed them.

Prosecutor Tom De Wolfe read from one page. It quoted Mr. Reyes as saying the Japanes Army and Imperial Staff had personally complimented Mrs. D'Aquino for the way she handled her "Zero Hour" program and asked her to continue the good work. Mr. Reyes said the statement was false.

Mr. De Wolfe asked Mr. Reyes if he gave the statements voluntarily. He said, "No, sir." He said. "There was no physical coercion," but added: "I was willing to sign anything to get out from under. Everything I told them (the F.B.I.) has not appeared in the statement. Very much was left out."

BRITISH NEWSPAPER HAD SAID EARLIER A NEW RUSSIAN NOTE TO PREMIER MARSHAL TITO SOUNDED LIKE THE WORST THREAT OF WAR SINCE 1939. VIENNA, AUG. 22-(AP)-AN AUSTRIAN CIVILIAN WAS TAKEN FROM A SOVIET JEEP TODAY BY BRITISH MILITARY POLICE AFTER THE JEEP HAD BEEN BLOCKED BY A TRUCK AND SURROUNDED BY A CROWD OF 2,000 ANGRY AUSTRIANS.

THE AUSTRIAN SAID HE HAD BEEN ACCUSED BY THE RUSSIANS OF SPYING FOR THE UNITED STATES AND BRITAIN. HE DENIED THE CHARGE. HE SAID HE HAD BEEN HELD BY THE RUSSIANS SINCE LAST TUESDAY.

POLICE SAID THE RUSSIANS HALTED THEIR JEEP IN THE BRITISH SECTOR OF VIENNA TO ASK DIRECTIONS. EYEWITNESSES SAID THE AUSTRIAN CAPTIVE SMASHED THE WINDOW OF THE JEEP, JUMPED OUT, BUT WAS RECAPTURED BY THE RUSSIANS. THEN HE CRIED OUT: "HELP, HELP, I AM DR.KARL SONDERMAN OF VIENNA, FOURTH DISTRICT."

TEL AVIV,ISRAEL,AUG.22-(AP)-ISRAELI SOLDIERS TOMORROW WILL BLOW UP A BIG MINE LAID IN THE NO-MANS-LAND AREA BETWEEN THE JEWISH AND ARAB SECTIONS OF JERUSALEM, IT WAS OFFICIALLY ANNOUNCED TODAY.

THE BIG CACHE OF EXPLOSIVES, PLANTED NEAR THE DAMASCUS GATE DURING THE PALESTINE FIGHTING, HAS BECOME A CENTER OF DIPLOMATIC CONTROVERSY BECAUSE THE DETONATION MAY DAMAGE THE NEARBY CHURCH OF THE HOLY SEPULCHER AND OTHER RELIGIOUS SHRINES.

(THE HASHEMITE JORDAN GOVERNMENT, WHICH HOLDS THE ARAB SECTION OF JERUSALEM, ASKED THE UNITED NATIONS SATURDAY TO HOLD ISRAEL RESPONSIBLE FOR PLANTING THE MINE. IT CALLED ON ISRAEL TO DISMANTLE THE MINE, IF POSSIBLE.

(A BRITISH FOREIGN OFFICE SPOKESMAN RECENTLY EXPRESSED CONCERN OVER DAMAGE THAT MIGHT BE CAUSED TO RELIGIOUS SHRINES IF THE CACHE IS BLOWN UP).

ISRAELI OFFICIALS SAID REMOVAL OF THE MINE WOULD BE MORE DANGEROUS THAN DETONATION ON THE SPOT. THE BLAST, TO BE SUPERVISED BY UNITED NATIONS OBSERVERS, WAS SET FOR TUESDAY AFTERNOON. RESIDENTS IN THE AREA WERE WARNED TO LEAVE THEIR HOMES BEFORE THE EXPLOSIVES ARE TOUCHED OFF.

Tel Aviv, Aug. 22--(ap)--An official spokesman said today the Israeli foreign office has no information which would substantiate reports that Jews registered in Russia for emigration to Israel are being sent to Siberia instead.

There have been unconfirmed reports, printed in local newspapers, that persons seeking to migrate from Romania to Israel have been deported to Siberia.

AUG 23 1949

However, immigration from Romania to Israel still is continuing. Only yesterday 307 immigrants and five tourists a rrived in Haifa from Romania aboard the steamship Transylvania.

A private source told a reporter: "We do not know completely whether there are any renewed deportations inside Soviet Russia and letters arriving from there usually are inconclusive."

The same informant said there may be individual deportations from Romania and other eastern bloc countries but expressed the belief there were no mass deportations.

JERUSALEM, AUG.22-(AP)-ISRAELI ARMY SAPPERS MADE NEW PREPARATIONS TODAY TO BLOW UP AN UNDERGROUND MUNITIONS DUMP OF THE JEWISH-ARAB WAR NEAR ANCIENT SHRINES OF THE HOLY CITY.

THE BLASTING, SCHEDULED FOR 4 P.M. TOMORROW (8 A.M., EASTERN STANDARD TIME) WILL BE WITNESSED BY U.N. ARMISTICE OBSERVERS.

THE DEMOLITION ORIGINALLY SET FOR LAST MONDAY WAS CALLED OFF WITHOUT EXPLANATION AFTER THE BRITISH FOREIGN OFFICE EXPRESSED FEARS THAT THE NEARBY CHURCH OF THE HOLY SEPULCHRE MIGHT BE DAMAGED.

A COMPLAINT WAS MADE LAST SATURDAY BY HASHEMITE JORDAN (TRANS-JORDAN) IN A MESSAGE TO THE UNITED NATIONS EXPRESSING SIMILAR CONCERN OVER THE MOSLEM MOSQUE OF OMAR.

BOTH BRITAIN AND JORDAN SAID ISRAEL WOULD HAVE TO TAKE RESPONSIBILITY FOR ANY RUIN OR DEFACEMENT OF SACRED PLACES.

AUG 23 1949

SAPPERS HAVE WARNED THAT EFFORTS TO REMOVE THE EXPLOSIVES MIGHT SET THEM OFF AND THAT THERE WAS SOME DANGER OF DETONATION EVEN IF THEY WERE LEFT ALONE IN TUNNELS NEAR THE OLD CITY'S DAMASCUS GATE.

MINE EXPERTS FROM THE UNITED STATES, FRANCE AND BELGIUM SPENT THREE WEEKS EXPLORING AND ADVISING ISRAEL ON THE SAFEST WAY TO DISPOSE OF THE DUMP.

THE ISRAELI ARMY ANNOUNCED SPECIAL PRECAUTIONS ARE BEING TAKEN.

Ottawa, Aug. 22--(AP)--External affairs minister L. B. Pearson said today the international trade problem won't be solved "by pulling a rabbit from a hat" in washington--or anywhere else.

AUG 23 1949

Pearson referred to the forthcoming [redacted] british-american trade conference in Washington which he will attend. He spoke at the opening of the 65th central canada exhibition.

Pearson said it was dangerous to [redacted] try to divide the trading areas of the world into dollar and sterling blocs and said it would bring pleasure only to "those patient, calculating gentlemen behind the kremlin walls and their agents throughout the world."

Pearson said that multilateral trade must be re-established throughout the world.

"Somehow or other the flow of goods multilaterally must be restored and this can only be done by a concerted effort based on the friendly understanding and working together in the part of the new world and the old.

"this will involve a re-examination of economic policy by all the countries concerned in the light of the present situation. it will also mean that any new measures taken over here which will assist European recovery must be met by measures on the side which will give the

necessary assurance tha any assistance given will be effective.

"all this may mean that immediate concessions will have to be made--all around--for the ultimate advantages of all. dollar countries will be to encourage imports by enlightened government action while countr like the united kin som will have to take the steps necessary to get into a competitive export position."

WASHINGTON, AUG 22-(AP)-SENATOR FULLES (R-NY) SAID TODAY THE STATE DEPARTMENT "MAY ACQUIESCE" IN A SENATE MOVE TO CUT CHINA IN ON THE PROPOSED $1,450,000,000 FOREIGN ARMS BILL.

DULLES EXPRESSED THIS BELIEF AS PRESIDENT TRUMAN PLEADED IN A FLORIDA SPEECH FOR SPEEDY APPROVAL OF THE ENTIRE PROGRAM AS "PART OF THE PRICE OF PEACE."

IN A SHARP REPLY TO THE HOUSE'S ACTION LAST WEEK CUTTING THE AMOUNT EARMARKED IN THE BILL FOR NORTH ATLANTIC PACT NATIONS FROM $1,160,990,000 TO $580,000,000, MR. TRUMAN TOLD THE VETERANS OF FOREIGN WARS AT MIAMI THAT PEACE AND FREEDOM "CAN NOT BE BOUGHT CHEAPLY."

NEW YORK, AUG.22-(AP)-THE DEFENSE IN THE COMMUNIST CONSPIRACY TRIAL TODAY WITHDREW A WITNESS AND CHARGED COURT RULINGS MADE IT "UTTERLY IMPOSSIBLE TO LAY BEFORE THE JURY THE TEACHINGS OF THE COMMUNIST PARTY."

THE WITNESS, HERBERT APTHEKER, WAS WITHDRAWN AFTER THE COURT RULED HE COULD NOT ANSWER QUESTIONS ABOUT HIS BOOKS ON NEGRO PROBLEMS, OR ABOUT WHAT THE PREAMBLE TO THE PARTY CONSTITUTION MEANS.

HOWEVER, TRIAL JUDGE HAROLD R.MEDINA HIMSELF LATER ASKED ANOTHER WITNESS WHAT COMMUNISTS MEAN BY DEMOCRACY. HE GOT THIS ANSWER:

POLITICAL DEMOCRACY MEANS THAT ANYONE CAN RUN FOR OFFICE AND VOTE.

ECONOMIC DEMOCRACY IS IMPOSSIBLE WITH "ONE MAN IN CONTROL OF THE LIVELIHOOD OF THOUSANDS" AND MUST INVOLVE THE THOUSANDS HAVING THE SAY ABOUT THEIR MEANS OF LIVELIHOOD.

POLITICAL DEMOCRACY IS IMPOSSIBLE WITHOUT ECONOMIC DEMOCRACY.

SOCIAL DEMOCRACY MEANS THE RIGHT OF ASSOCIATION WITH EVERYONE, THE RIGHT TO LIVE WHERE ONE WANTS AND TO MARRY WHOM ONE PLEASES.

"DOES HARLEM REFER TO THE NEGRO GHETTO OF NEW YORK CITY?"

LAKE SUCCESS, AUG. 22-(AP)-THE UNITED STATES AND OTHER FREE ENTERPRISE COUNTRIES NEED NOT FEAR RUNNING OUT OF OIL IN THE FORESEEABLE FUTURE, THE U.N. SCIENTIFIC CONFERENCE ON CONSERVATION AND UTILIZATION OF RESOURCES WAS TOLD TODAY.

RUSSIA DECLINED AN INVITATION TO THE CONFERENCE.

DEAN LEVORSEN SAID BEST RECENT ESTIMATES INDICATE UNDISCOVERED PETROLEUM RESERVES OF 1,500,000,000 (ONE BILLION) BARRELS UNDER THE WORLD'S LAND SURFACE AND OCEANS.

THAT SEEMS SUFFICIENT FOR THE NEEDS OF ALL NATIONS FOR A LONG TIME TO COME, HE SAID, AND "THE CRUX OF THE PROBLEM IS DISCOVERY" OF NEW FIELDS TO BE TAPPED.

BELGRADE OFFERS TO END ROW IF RUSSIA KEEPS OUT OF ITS INTERNAL AFFAIRS

Yugoslavia Replies To Russian Protest With Stiff Note

Belgrade, Yugoslavia, Aug. 23 (AP)—Marshal Tito's Government said tonight it is ready to end its feud with Russia—provided the Soviet Union keeps its hands off Yugoslavia's affairs.

In a stiff note to Moscow, the Belgrade regime declared its preparedness to reach a settlement with Russia on "all disputed questions."

Replying to two Soviet protests that Tito's regime had imprisoned and tortured 31 Russian citizens, the note offered to let those Russians go home. The offer holds good for all other Soviet nationals who want to leave Yugoslavia.

Espionage Charged

The Russians were jailed, the note added, because they "seriously violated the laws of Yugoslavia by their espionage and hostile activities."

The Yugoslav reply went far beyond the immediate issue of Soviet prisoners, however. It reiterated that Tito is ready to negotiate with Moscow on a settlement of all points of difference that have cropped up during the fourteen-month-old scrap that began when the Cominform declared him an outcast because of his alleged anti-Soviet and nationalistic attitude.

In its new note, Yugoslavia said disputed questions would have to be settled "in accordance with, and in the spirit of, the international obligations undertaken by both governments."

Emphasizes Independence

Furthermore, the Yugoslav people "are under no conditions willing to allow anyone whomsoever to interfere in their internal affairs."

Emphasizing a determination to pursue an independent policy on foreign questions, the note said Yugoslavia "is an independent and sovereign state."

"The Yugoslav Government underlines that no pressure from the outside has so far had any effect on her internal policy or will it have in the future," the note said.

It called Russia's previous charges of imprisoning Soviet citizens "unfounded" and expressed Yugoslavia's "surprise that the arrest of a few White Guards who are Soviet citizens . . . could provoke such an insulting, harsh and unfounded note from the Government of the U.S.S.R."

"People With Dark Past"

The note described the White Guards as "people with a dark past" and accused Russia of ignoring the acts involved in the arrests in order to justify the Kremlin's current attitude of hostility toward the Belgrade Government.

At the same time, Yugoslavia berated Russia for "passing over in silence" its repeated requests concerning the repatriation of Yugoslav citizens, including children, now in the Soviet Union.

Yugoslavia said she did "not intend to enter into an argument with the U.S.S.R." about the character of the regime in Yugoslavia, about the real purpose of the Cominform resolution (ousting Yugoslavia from the Cominform) and about whether or not Yugoslav economy has become an appendage to the economies of the capitalistic countries.

Treated Like Stepchildren

[All these points were emphasized in the strong Moscow note of last Saturday.]

Miletije Popovic, Minister of Foreign Trade, in a series of articles published here, is accusing Russia of treating her Communist satellites in Europe like stepchildren and implying this is the reason for the long break with the Soviet Union.

Charging Russia with milking Yugoslavia of raw materials and exploiting her through joint Russian-Yugoslav corporations set up after the war, he said the cause of communism in China and elsewhere would suffer unless the Soviet Union mends its ways.

Economic Union Proposal

He proposes creation of an economic union of Communist states on a basis of equality, with standard wage and price structures and a sort of Marshall plan aid for the weaker industrial states as the only way for Communist states to live together.

[Yugoslavia's peace gesture was made after a mountain of propaganda had been piled up against Marshal Tito by Russia and her Cominform associates on the heels of Moscow's threat to take "more effective measures" to protect her citizens in the southern Slav country.

[Moscow charged Saturday that the Tito regime was a Fascist enemy of the Soviet union and communism throughout the world. Following up this theme the official Red Army newspaper in Berlin today declared Tito had founded a terror regime on the Gestapo model and would suffer the same fate "as Hitler and Mussolini, but this time much quicker."

[The Communist press in Czechoslovakia, in a similarly threatening tone, declared the Tito Government "a Fascist threat to peace-loving nations" and warned that it was the policy of the Soviet Union to "exterminate fascism wherever it may appear—now as during the war."

olive branch. Tito has been at odds with the Kremlin for fourteen months.

Deviation Alleged

The Moscow-directed Cominform (Communist International Information Bureau) expelled Tito and his Yugoslav Communists for nationalistic deviations from what Russian leaders regard as orthodox communism. The Russians have called on the Yugoslavs to overthrow Tito if he did not change his policy. Tito has maintained his position, however.

There was no attitude of knee-bending in today's Yugoslav note, however. It stated:

"The Yugoslav Government underlines that no pressure from the outside has so far had any effect on her internal policy nor will it have in the future."

Held As "Unfounded"

The note grew out of Russia's protest against Yugoslavia's arrest and detention of 31 reputed Soviet citizens. Tito's Government described the "unfounded" Moscow's charges of mistreatment of Russians here.

Yugoslavia has characterized those persons arrested as "traitorous White Guardists." The note said the prisoners had "seriously violated the laws of Yugoslavia by espionage and hostile activity."

The Yugoslav note contained two other conciliatory gestures. Tito's Government offered to extradite the arrested persons to the Soviet Union "in the shortest possible time" if that is the way Moscow wants it. The note said this offer also applied to the departure of all other Russian citizens who are anxious to leave Yugoslavia.

Threats By Russ

Russia had threatened to take "effective measures" to protect Soviet citizens in Yugoslavia. [The ominous wording of the Russian threat was noted in world capitals, but was dismissed as a bluff by British diplomatic officials.]

The Yugoslav Communist organ *Borba* has accused Russia of using Soviet citizens in this Balkan country as spies. It also described the Russian protest as full of "vile language, insults and threats."

The text of the Yugoslav not was released by the Ministry of Information. The note emphasized that Yugoslavia "is an independent and sovereign state and that its people and its government are under no conditions willing to allow anyone whomsoever to interfere in their internal affairs."

Yugo Note To Russ Offers To End Row

Belgrade, Aug. 23 (AP)—Yugoslavia expressed willingness tonight to reach a settlement with Russia on "all disputed questions" between the two feuding countries.

In a new note to the Soviet Government, Yugoslavia told Moscow Premier Marshal Tito was willing to end the bitter fight with the Kremlin.

At the same time, Yugoslavia served a stern warning to Russia's rulers to keep their hands off the internal affairs of this Balkan Communist country.

Seventh In Exchange

The note was the first cooling word in a war of words that had become white hot in the past two weeks. It was the seventh note in an exchange between Belgrade and Moscow.

Yugoslavia formally expressed her "readiness to approach the solution of all disputed questions with the Union of Soviet Socialist Republics in accordance with and in the spirit of the international obligations undertaken by both governments."

There was no immediate indication of what Moscow's reaction would be to this extension of the

Text of Tito Note to Russia

BELGRADE, Aug. 23 (AP).—The complete text of Yugoslavia's new note to Russia, as released by the Ministry of Information here:

The Yugoslav government does not intend to enter into an argument with the U. S. S. R. about the character of the regime in Yugoslavia, about the real purpose of the Cominform resolution and about whether or not Yugoslav economy has become an appendage to the economies of the capitalistic countries.

The facts of Yugoslavia's foreign trade and the principles upon which it rests are public and well known, which is also the case with the internal situation in our country, so that it is not necessary to offer a separate explanation of this on this occasion. This is all the more so as the government of the U. S. S. R., responsible Soviet leaders and Soviet propaganda organs have ignored all these facts and have represented them in a false light in order to justify their attitude toward Yugoslavia before public opinion in any way whatsoever.

However, the government of the Federated Peoples' Republic of Yugoslavia considers that it is its duty to emphasize that it is an independent and sovereign state and that its peoples and its government are under no condition willing to allow any one whomsoever to interfere in their internal affairs. Further, the Yugoslav government also underlines that no pressure from outside has so far had any effect on her internal policy nor will it have in the future.

Firm on Foreign Policy

As regards Yugoslavia's foreign policy, the Yugoslav government considers it also necessary to emphasize that it is pursuing its foreign policy in accordance with the independence and the sovereignty of the country, in accordance with progressive principles of peace and co-operation among peoples and states, on the basis of equality and mutual respect of sovereignties according to international agreements and obligations which have been and remain public acts of the Yugoslav government.

The peoples and the government of Yugoslavia are not willing to renounce these principles because of pressure from outside under any circumstances.

The Yugoshav government expresses its surprise that the arrest of a few White Guards who are Soviet citizens, people with a dark past who violated the laws and the hospitality of the Federated People's Republic of Yugoslavia, could provoke such an insulting, harsh and unfounded note from the government of the U. S. S. R. The Yugoslav government's surprise is all the greater in so far as the Soviet government passes in silence, at the same time, over the repatriation of Yugoslav children from the U. S. S. R. for which their parents and guardians and the Yugoslav government have asked repeatedly, and also ignores the repatriation of citizens of Yugoslav nationality living in the U. S. S. R. to whom the government of the U. S. S. R. has still not issued exit visas although they have in no way violated the laws of the U. S. S. R. and are at liberty.

Insults Are Charged

The Yugoslav government observes that the assertions regarding the behavior of Yugoslav organs toward certain Soviet citizens, most of whom are former White Guard emigrees, are fabricated, untrue and insulting. The persons mentioned as has already been stated in a whole series of notes from the Yugoslav government, were placed in custody owing to the fact that they seriously violated the laws of Yugoslavia by their espionage and hostile activities against the Federated People's Republic of Yugoslavia, which as a sovereign state has the right to protect itself against such activities.

However, despite the fact that there is undeniable proof of the guilt of these persons, the Yugoslav government, expressing its good will to solve the disputes between the two governments, is ready to extradite the arrested persons to the Soviet government in the shortest possible time. At the same time, the Yugoslav government states its readiness to make it possible for all those Soviet citizens residing permanently in Yugoslavia, who express a desire in that direction, to leave Yugoslav territory, and to place all facilities at their disposal in this respect.

The Yugoslav government and its most responsible representatives have always declared their preparedness to solve all disputed questions between the two states by agreement. On this occasion, the Yugoslav government repeats its resolution, and declares its readiness to approach the solution of all disputed questions with the U. S. S. R. in accordance with and in the spirit of the international obligations undertaken by both governments.

Yugo Arrest Of Newsman Is Disclosed

Belgrade, Aug. 23 (AP)—Yugoslavia disclosed tonight it has arrested a former employé of the American Reading Room in Belgrade.

The acknowledgement came in an official statement accompanying the text of a note which has been sent to Russia concerning the Soviet Union's protest against imprisonment of 31 Soviet citizens.

The Soviet note mentioned in its list of those arrested one Zukovs.

Yugoslavia Reply

In its statement, Yugoslavia replied:

"There are several Zukovs in Belgrade. If this is a case of a correspondent of the White Guard Press, then, according to our information, this can only refer to Evgenije Zukovs, a newspaper man who was an employé in the American Reading Room in Belgrade from the liberation up to the time of his arrest. He was arrested for his anti-Popular activities during the occupation and after liberation."

Russ Foresee Tito Ending Like Hitler

Berlin, Aug. 23 (AP)—The Russians declared in Berlin today that Marshal Tito would wind up like Hitler and Mussolini.

The official Red Army newspaper, *Taegliche Rundschau*, loosed a savage attack on the Yugoslav leader in a lead editorial signed by S. Timofeyev, a Russian writer.

All other news in the newspaper was subordinated to the lashing handed Yugoslavia for its independent stand against the Cominform.

Same Fascist Methods

The writer forecast that Tito's days are numbered. The article was worded in even stronger language than the Moscow declaration against Tito which started a mounting propaganda wave against the Yugoslavs this week.

"It has become clear," *Rundschau* said, "that the Tito clique applies the same Fascist methods as Hitler and Mussolini did in Germany and Italy.

"These criminals liquidated the Peoples' democratic order in Yugoslavia and established a cruel police and terror regime after Fascist Gestapo models.

"This gang can only fill the role of little scolds in the service of the great imperialistic robbers. There is no doubt that these malicious scolds will not be active in Yugoslavia much longer. History will take just retaliation against them just as Hitler and Mussolini, but this time much quicker."

BRITAIN PLANS TO CUT PRICES

Clothing Order To Be Issued In Spite Of Protests

London, Aug. 23 (AP)—Britain's Labor Government, waving aside protests from dealers, said tonight it will order clothing price cuts in a few days.

The statement came in the face of angry opposition from spokesmen for 250,000 shopkeepers and 10,000 dry goods men.

Proposes To Issue Orders

It was made by the Government Board of Trade after its president, Harold Wilson, talked over the situation with representatives of manufacturers and distributors.

The statement said Wilson would take the protests into consideration but that he proposed to make the necessary orders in the next few days.

Frank Gratwick, general secretary of the National Chamber of Trade, replied, "We are still hostile to the whole business of the price cuts." The chamber speaks for 250,000 retailers.

Speakers Threaten Strike

The cuts would reduce the retail price of utility garments and textiles a flat 5 per cent. Utility goods are a low-priced line on which the Government pays a subsidy to hold down the cost of living.

Delegates of the Drapers Chamber of Trade—representing 10,000 dry goods dealers—threatened at a mass meeting to start a "non-co-operation" movement if the price cuts were made. Speakers renewed threats of an out-and-out strike and accused Government leaders of playing politics in ordering the price slashes.

When they simmered down the delegates passed a resolution calling on Wilson to postpone the reductions until Parliament resumes its session in October.

One delegate told the meeting, "There will be many thousands of retailers going into the red as a result of these cuts."

Britain's Forces Reduced 16,100

London, Aug. 23 (AP)—The Ministry of Defense announced today that Britain's armed forces had dropped 16,100 in strength between April and July. The loss was not explained.

Total strength July 1 was 769,900 men and women compared with 785,000 on April 1. The July strength included 144,000 for the navy, 406,000 for the army and 219,000 for the Royal Air Force.

Dr. Johnson is known as the Red Dean because he has supported communism for years.

SCULTHORPE, England, Aug. 23 (AP).—The United States Air Force's Bomber Command in Great Britain celebrated its first birthday today with the announcement that twenty-eight B-50 Stratobombers have arrived in England from their Tucson, Ariz., base.

In a year, the 3d Air Division has grown from a skeleton staff of specialists to embrace a supply depot, a major overhaul depot, three B-29 bases and a complete headquarters in London. It was created to administer United States bomber groups sent to Britain on temporary training missions and to provide maintenance for Berlin air-lift planes.

Mrs. Perle Mesta Arrives In Europe

Le Havre, France, Aug. 23 (AP)—Mrs. Perle Mesta, United States Minister to Luxembourg, arrived today on the liner America.

She left for Paris by automobile. Her chauffeur was to follow in another car with her seventeen pieces of luggage.

Mrs. Mesta planned to stop at the Ritz Hotel, and go to Luxembourg tomorrow.

Mrs. Mesta Sees Parties As Salve

Paris, Aug. 23 — A few dinner parties, of the kind for which she is famous, might help ease the East-West cold war, Mrs. Perle Mesta, new United States Minister to Luxembourg, said today.

She arrived in Le Havre aboard the liner America and motored to Paris. She will motor to Luxembourg tomorrow.

Mrs. Mesta said her numerous parties in Washington were "for getting people together. If they are having trouble in the Senate or House, for example, to get things worked out."

She was asked if she thought the technique could be applied to East-West relations and said: "I think so."

Refuses to March Under Red Flag

Rome, Aug. 23 (A. P.).—A Roman Catholic priest in Bari refused to march in a funeral procession with youths carrying a Communist hammer and sickle flag, Rome newspapers reported today.

The priest, Father Michele Millela, left the procession followed by a number of mourners when the youths carrying the banner refused his request that they drop out.

Direct Election To European Group Asked

Strasbourg, France, Aug. 23 (AP). Paul Reynaud, former French Premier, called today for a real European legislature directly elected by the peoples of the twelve nations in the Council of Europe.

Only such elections, the French Conservative said, would give the present Consultative Assembly the authority to merge European economies into a single continental market, which Europe's financial plight demands.

"Time is not on our side," warned Reynaud. "If American aid is curtailed and vast unemployment results, Stalin will be the winner."

Start Of Economic Talks

Reynaud spoke to the Assembly in its opening discussion of European economic problems.

Pointing out that "a new federation has been made in the East," Reynaud declared that the democracies can solve their problems "if the governments have the courage to face unpopularity. . . ." he added:

"We must go to people and talk with them. Our task is to get the people to realize that it is in their personal interest to build a union of Europe."

Reynaud said British officials "have told us frankly that the British trade unions would oppose us if any measures (for union) led to unemployment in Britain."

Reynaud asserted that European leaders should convince their populations that each country should manufacture what it is best able to make.

"The road we are following now is a deadend street," warned Reynaud "it comes to an end in 1952." The Marshall Plan is scheduled to end in 1952.

Sacrificing Sovereignty

The former French Premier insisted that Europe must establish a single large trading area with a single currency if it is to survive between the "two giants" of America and Russia.

Such a step, he conceded, would eventually mean a sacrifice of national sovereignty, but this is what must be done.

"Between these two giants there is a place for a unified Europe but not for a mosaic of independent states," Reynaud asserted. He recalled that a year ago proposals for direct election of European deputies were criticized as being premature.

"No, we are not ahead of the times; rather the times are ahead of us," he added.

U.S. Has Given Warning

"Our American competitor says he will stop helping us if we don't take steps for our own salvation. He insists we are capable of competing with him and wants to help us do so.

"Mr. (Paul) Hoffman (chief administrator for the American Economic Co-Operation Administration) gives us brutal but true words —Congress demands proof of our co-operation."

Reynaud asserted the Marshall plan's European Economic Co-operation Administration was a complete failure chiefly because of its structure. The O.E.F.C. is composed of representatives of the European Marshall-plan countries.

"The truth is that inside the O.E.F.C. each representative is an advocate of his own government obsessed with two fears, either that he will lose American dollars or he may do something to cause his government to fall," Reynaud said.

"A European organization must consider frankly European states as a whole, and we must adopt political means to economic needs."

and deliberately expanded between democracies, some of whom believe in free enterprise while others believe in a kind of socialism which is restrictive, nationalistic and even totalitarian in tendency."

Would Tie Europe To Sterling

Instead of European-wide economic planning, Eccles declared "salvation lies in combining Europe and the sterling area," the bloc of British colonies, commonwealth nations and other countries whose economies are tied to the British pound.

He urged extension of the sterling bloc and empire preference trading system to all western Europe as a means of building up the strength of European currencies to the point where they could be freely converted into dollars.

Points To Benelux Union

Three Labor representatives then introduced a resolution calling for the prompt establishment of a single currency for all western Europe.

Dalton said difficulties within the Benelux customs union (Belgium, with a planned economy; the Netherlands, with a relatively free enterprise system, and Luxembourg) proved the necessity for a single economic plan.

Paul Reynaud, former Premier of France, declared the Marshall plan's European Economic Co-operation Administration was a "complete failure" in submerging nationalistic interests.

He called for a merger of European economies into a single continent-wide market, such as the United States. He said a real European legislature must be elected by direct suffrage with authority to carry out such a merger.

"Time is not on our side," he added. "If American aid is curtailed and vast unemployment results, Stalin will be the winner."

Planned Economy Debated Before European Assembly

Strasbourg, France, Aug. 23 (AP). British Conservatives and Socialists argued from different standpoints at the European Consultative Assembly today that Europe cannot live half planned and half free.

Hugh Dalton, a member of the British Labor Government, declared "it is surely impossible" to unite Europe without an economic plan for the continent as a whole.

David Eccles, Conservative, declared "trade cannot be consciously

Voice Of Hitler Heard Again On Reich Radio

Berlin, Aug. 23 (AP)—The voice of Adolf Hitler spoke again tonight to the German people—but this time as a bitter reminder of dictatorship.

The American radio dramatized for some 20,000,000 German listeners the signing of the German-Russian nonaggression pact ten years ago today.

The radio used recordings of Hitler's voice to recall the uneasy peace which settled on the two countries and which ended with each at the other's throat.

In a half hour the Germans were told that despite their frequently expressed hatred of each other's ideology "Hitler and Stalin felt personally attracted in sympathy and fear."

Von Manstein Loses First Trial Plea

Hamburg, Germany, Aug. 23 (AP). After a four-year wait, the former German Field Marshal Erich von Manstein faced a British military court today on seventeen war-crimes charges. He immediately lost a preliminary legal move.

The court rejected his plea that he receive the "soldier's right" of trial by court-martial instead of by a war-crimes tribunal.

The charges against the 61-year-old German arise from his alleged activities in various high commands in Poland and Russia during World War II.

Defense Argument

A defense argument, submitted before the indictment was read, claimed that von Manstein still had prisoner-of-war status and therefore could not be tried by a war-crimes court.

Defense Counsel R. T. Paget asked the British officers composing the court: "Is it in conformity with military honor to deny to your enemy that form of justice which you would demand for yourselves?"

Sir Arthur S. Comyns-Carr, the chief prosecutor, said he heard with regret the defense suggestion "that this might not be a fair trial" and declared the prosecution was as anxious as the defense that the trial should be fair.

When the court adjourned for the day only seven of the seventeen charges in the indictment had been read. Von Manstein pleaded innocent to all seven. The trial will resume tomorrow.

Seventeen Charges

Von Manstein, who has been a captive since he surrendered to the British at Schleswig-Holstein in 1945, faced a tribunal composed of two generals, two brigadiers and three colonels of the British Army.

The former German commander has spent the past eleven months in a Hamburg military hospital.

President of the seven-member court is Lieutenant General Sir Frank E. W. Simpson, wartime vice chief of the imperial general staff. Sitting on the bench is Judge Advocate L. A. Collingwood.

The seventeen charges in the indictment concern alleged atrocities against Polish civilians and war prisoners by troops of the army group of which von Manstein was chief of staff under von Rundstedt. He is charged with mass extermination of Jews, forcibly employing Russian war prisoners on work connected with military operations and forcibly recruiting them to fight their countrymen.

Von Rundstedt has offered to testify for him, but the defense would not say whether the offer had been accepted. Von Rundstedt was declared in too poor health by a medical board last May to face trial. He is now in a Hanover hospital.

MANNSTEIN DENIES WARTIME CRIMES

Loses Bid for Soldier's Trial as British Open Hearings in Military Tribunal

HAMBURG, Germany, Aug. 23 (AP)—Former German Field Marshal Gen. Fritz Erich von Mannstein pleaded not guilty to seven war crimes charges today when his trial opened before a British military tribunal.

The court adjourned for the day without having read ten other charges contained in the indictment.

The charges against the 61-year-old former Germany Army officer stem from his alleged activities in various German high commands in Poland and Russia during World War II. They include mass extermination of Jews; alleged atrocities against Polish civilians and war prisoners; forcibly employing Russian war prisoners on work connected with military operations and forcibly recruiting them to fight against the Soviet Army.

Von Mannstein lost a plea as the trial opened when the tribunal rejected his claim that he should receive the "soldier's right" of a trial by Court Martial instead of by a war crimes tribunal.

Von Mannstein, a hawk-nosed veteran staff chief who served under Field Marshal Gen. Karl von Rundstedt, has been a captive since he surrendered to the British in Schleswig-Holstein in 1945. After having spent the last eleven months in a Hamburg military hospital, he stepped jauntily into the courtroom to face a tribunal composed of two generals, two brigadiers and three colonels of the British Army.

Lieut. Gen. Sir Frank E. W. Simpson, wartime vice chief of the Imperial General Staff, is president of the tribunal. Sitting on the bench is Judge Advocate L. A. Collingwood.

HUEBNER PICKS CHIEF AIDE

Maj. Gen. Milburn to Be Deputy U. S. Commander in Europe

FRANKFORT, Germany, Aug. 23 (AP)—Maj. Gen. Frank W. Milburn was appointed today as deputy commanding general of the United States Army in Europe.

Brig. Gen. Ralph J. Canine succeeded General Milburn as commanding general of the First Infantry Division—backbone of the United States occupation forces in Germany.

The appointments were announced by Lieut. Gen. Clarence B. Huebner, commanding general of the United States Army in Europe and acting commander in chief of the European command.

General Milburn, from Jasper, Ind., had been commander of the First Division since May, 1946. He commanded the Twenty-first Corps during the late stages of the war against Germany.

General Canine, of Flora, Ind., has been artillery commander of the First Division since October, 1947. In the war he was chief of staff of the Twenty-second Corps in its drive from Normandy to Austria.

Army headquarters also announced that Brig. Gen. Charles T. Lanham would arrive tomorrow for an assignment in the European command.

PX Manager in Germany Fined in Cigarette Deals

FRANKFURT, Aug. 23 (AP).—Russell G. Bird, of Mishawaka, Ind., was sentenced today to pay a $5,000 fine or serve five years in prison for illegal cigarette deals in Germany. He was convicted of misappropriating 4,200 cartons from the Army Post Exchange he managed.

George T. Davis, of San Francisco, Bird's attorney, announced that Bird will not pay the fine until a Washington Federal court rules on his application for a writ of habeas corpus. He said the court is expected to act on the petition Sept. 17.

Bird charges that the Army returned him to Germany from the United States without an arrest warrant or extradition proceedings, and denied him a chance to appeal to civil authorities. He had gone to the United States while under restriction here awaiting trial by an Army court martial

FRANKFURT, Aug. 23 (AP).—A former United States Army captain who disappeared from Walter Reed Hospital in Washington has been arrested near Cologne, Germany, Army headquarters announced today. The Army identified him as Louis F. Herzog, thirty-nine, whose wife and two children live in Lebanon, Pa. He was arrested at the home of a German whose daughter he knew while serving in Vienna, the announcement said.

Adenauer Says He Will Be Premier

Bonn, Germany, Aug. 23 (AP)—Dr. Konrad Adenauer, chairman of the Christian Democratic party, said tonight he will become chancellor (premier) of the new West German Republic.

He told a news conference his party will form a coalition government determined to maintain a free economy—without socialism.

He said the exact makeup of the coalition cabinet had not been decided. Indications were, however, that Adenauer's strong Conservative party would join with the Free Democrats and the extreme right wing German party. That would leave the Social Democrats (Socialists) outside the cabinet as the main opposition.

Reich Bishops Meet Behind Closed Doors

Fulda, Germany, Aug. 23 (A. P.).—German Catholic bishops from all four occupation zones have gathered in this United States Zone city for their annual conference. Church authorities declined to disclose what topics the bishops are taking up during their three-day meeting behind closed doors.

Reliable informants believed that one topic might be the recent papal excommunication decree and its possible application to members of the German Communist-controlled Socialist Unity party in the Soviet Occupation Zone.

The papal representative, Bishop Aloysius J. Muench of Milwaukee, is attending the conference as an observer.

Czechs Warn Tito Of Russ

Prague, Aug. 23 (AP)—A Czech Communist newspaper today branded Premier Marshal Tito's Government "Fascist" and warned it was the policy of the Soviet Union to "exterminate fascism wherever it may appear—now as during the war."

The sharp denunciation appeared in *Rude Pravo*, organ of the Czech Communist party.

The newspaper indorsed as a "historic document" Moscow's latest note to Tito which accused him of mistreating Soviet citizens in Yugoslavia.

It called his Government a "Fascist threat to peace-loving nations."

Czechs Name U. N. Delegate

PRAGUE, Czechoslovakia, Aug. 23 (AP)—The Czechoslovak Cabinet named Foreign Minister Vladimir Clementis today to head the nation's delegation to the General Assembly of the United Nations scheduled to open in New York, Sept. 20.

Greeks Order 51 Die For Plot

Athens, Aug. 23 (AP)—Greek press dispatches said today a Greek court-martial has ordered the execution of 51 persons for plotting to establish a Communist Macedonian state.

The mass trial took place at Phlorina. The defendants, mostly from the village of Amynteon, were charged with being members of a large underground organization that mined roads, aided the Communist guerrillas and conspired to create a Macedonian state, the reports said.

In addition to the death sentences, eleven persons were given life sentences and another eight were sentence to eight years in prison.

5 FINN UNIONS DEFY ORDERS

TEDDY ROSENTHAL

Communist Move Makes Federation Ouster Likely

Helsinki, Finland, Aug. 23 (AP)—A serious split in Finland's powerful Central Trade Union Federation appeared imminent tonight when five Communist unions refused to obey a federation ultimatum to end their wildcat strikes.

While the intra-union struggle raged, observers said they feared the Communists would try to extend their strike offensive to the metal industry. This would endanger Finland's war reparations to Russia.

When the wave of Communist-inspired walkouts hit, the federation ordered striking unions to end their walkouts by today or suffer expulsion from the federation. As the deadline passed, the unions kept silent and Communist leaders said the strikes would continue.

Probably Will Be Ousted

That means the five offending unions probably will be ousted from federation membership when action is taken by the big labor organization, possibly tomorrow. Social Democratic workers were expected to form new unions.

There still was no reliable report on the number of men still on strike throughout the country. One federation source said, however, the estimate was about 30,000. Other estimates were as low as 13,000. At the peak of the six-

day-old strike the figure was estimated at 45,000.

The Communists had strike patrols in Helsinki streets today. Propaganda groups were active in other communities, and pickets marched in the port cities.

Most Of Harbors Tied Up

Most of Finland's harbors were tied up by a longshoremen's walkout.

If a metal industry strike is called it will effect shipbuilding yards in Turku and Helsinki which are delivering new ships to the Soviet Union.

When the labor offensive began last Thursday a Government spokesman described it as a maneuver to seize power and turn Finland into a Communist state.

Last night Helsinki's Social Democratic Government made an apparent bid for labor peace. It overruled its own price and wage board and promised to restore original wages to striking pulp workers in Kemi, a northern lumber town. It ruled that a board decision to cut wages there would not be carried out if the men return to work tomorrow.

designed to turn Finland into a Communist state.

Employers declared the Kemi decision was unnecessary, since the strike front was weakening anyway.

It was estimated that only 13,000 workers were out today, although two more unions joined the strike yesterday.

Threat To Federation

The Government action was seen as an attempt to save the Trade Union Federation from a cleavage. Observers reason this way:

Workers would point to the Government action as a step in their favor and the Red union leaders would lose support.

Under the impact of general opinion among members, the leaders would recall their strike orders in obedience to the Trade Union Federation, which has threatened to expel the striking unions.

Finland Promises To Restore Pulp Workers' Original Pay

Helsinki, Finland, Aug. 23 (AP)—The Finnish Government has promised to restore original wages to pulp workers in the struck lumber town of Kemi if they go back to work tomorrow.

The action was seen as a move to open the way for peace on the labor front as the Communist strike offensive continued to dwindle.

The Government decision overruled its own Price and Wage Board, which had said certain wages at Kemi must be cut.

Assailed As Retreat

The pulp workers—a very small group—were the first to go out on strike.

Employers assailed the Government's decision as a retreat.

Communist leaders said they were satisfied. There was only one flaw in the action, they said. The Government should have decreed that wages be paid for the time the workers were on strike.

Kemi was the scene of first violence in the strike wave last week when police battled some 1,500 lumberjacks. One striker was killed and a number of persons were injured.

Red Press Calls Yugo Chief A Fascist

Moscow, Aug. 23 (AP)—The Soviet press continued to lambaste Marshal Tito of Yugoslavia today.

Besides lengthy front-page editorials denouncing him, both *Pravda* and *Izvestia* put their cartoonists to work portraying Tito as a Fascist and tool of Wall Street.

Efimov, wartime pen-pommeler of Hitler, drew for *Pravda* a cartoon showing Tito groveling before portraits of Mussolini, Hitler and Himmler. One of the Marshal's hands is raised in the Nazi salute and the other holds an ax branded "Fascist terror." His body forms a swastika.

Izvestia shows Tito in the form of a cobra dancing to the tune of a Wall Street flute.

"Imperialist Agents"

The editorials denounced Yugoslavia's rulers as "direct agents of the imperialists."

A dispatch from Sofia quoted a Bulgarian paper as saying the Soviet would be able to defend its citizens in Yugoslavia by "effective means."

Just what these means would be is still, of course, the big question in diplomatic circles here. Many foreign envoys have been asked by their governments to find the answer to that question.

The Soviets have made no suggestion beyond the original note and *Pravda's* lengthy discussion of the question suggests no specific course of action.

CHIANG FLIES INTO CANTON

City Fears Red Revolt As He Arrives For War Talks

Canton, China, Aug. 23 (AP)—Chiang Kai-shek arrived today for important civil war talks in an atmosphere of official nervousness over a possible Communist-inspired uprising in Canton.

Sources close to Chiang said the Generalissimo had called a meeting for tomorrow of his twelve-man Kuomintang (Nationalist party) emergency council. This is a supreme war cabinet he created last month.

There was a rumor that the Generalissimo flew here from the island fortress of Formosa to put down any local peace deal with the Communists, who are only 170 miles away on the northeast.

80 Reported Arrested

Reliable reports are that some officials, who believe peace is the best way out, were behind the purported peace movement.

The Government, while mum on the subject, is trying to squelch the peace movement. Nationalist successes on the front north of Canton is strengthening its hand.

However, Nationalist authorities appear more worried over a possible uprising led by Communists than by the peace move or a Communist drive on the city.

Reports circulated that about 80 Communist sympathizers were arrested last week. Authorities wouldn't talk about the report. A later account suggested some of those involved were officers of the Kwangtung province military headquarters.

Might Test Government

Everyone in authority, however, admits the possibility of thousands of Communists in plain clothes being in Canton. They could arrive easily in the guise of refugees. Arms undoubtedly have been smuggled in also. Once the signal is given, an uprising could occur which might test the strength of the Government itself.

Moreover, authorities are concerned over the possibility of Communist irregulars in Kwangtung province staging a concerted drive on key points behind Nationalist lines which defend Canton.

The story is that Chiang received reports on the peace move and decided to come here from Formosa. He is represented as determined to crush any agitation for a local peace for Canton. He has pledged to defend this South China city with his life, if necessary.

Short-Notice Trip

In any case, Chiang flew here on such short notice that Acting President Li Tsung-jen and Premier Yen Hsi-shan had to motor at full speed to the airfield to get there in time to greet him.

Another arrival was Wu Te-chen, close adviser to Chiang. Wu has just returned from Japan where he met with Gen. Douglas MacArthur.

An army spokesman, meanwhile, said the situation was stabilized on the front east and west of Hengyang, Nationalist stronghold 265 miles north of Canton.

Reinforcements Reported

Communist General Lin Piao was reported moving down reinforcements from the north for renewed assaults. The spokesman said the front also was quiet on the northeast, where the Communists have made their closest approach to this refugee capital.

[The Communists in a broadcast heard in Hong Kong asserted the Nationalists suffered 99,000 casualties in fighting during July on the South China front and in Kansu province in the far northwest. The Communist attack on Lanchow, capital of Kansu, has been slowed, Nationalist reports say.]

Formosa Reports Arms Ship Blast

Wharf Area Is Destroyed; 500 Killed or Injured

CANTON, Aug. 23 (AP).—An ammunition ship blew up today in the Formosan port of Takao, killing or injuring 500 persons and spreading ruin along the waterfront, the official Central News Agency said. A succession of blasts shattered nearly every window in the city, which is on the island's southwest coast.

[No recent population figures are available on Takao. It is one of the most important ports for the Chinese Nationalists on Formosa. It was a big Japanese naval base during the war.]

The agency said a crew was unloading the 3,300-ton Chungli. Three-fourths of its cargo of ammunition had been removed when the first explosion came. It was followed quickly by a series of others.

The wharf area was a smoldering scene of destruction.

500 Dead Or Hurt In Ship Explosion

Canton, Aug. 23 (AP)—Approximately 500 persons were killed or injured in the explosion of an ammunition ship in the harbor of Takao, southeastern Formosa, the official Chinese Central News Agency said today.

The agency said ammunition was being unloaded from the Chinese steamer Chungli. There was a huge explosion, which was followed quickly by others.

The whole port city was shaken by the blast, which broke nearly every window in Takao and caused much other damage, the agency reported. Terror spread through the city.

Darkened By Smoke

Shortly after the first blast ripped through the ship the city was darkened by the smoke arising from the waterfront.

The wharf area was a scene of destruction, the agency said.

The official account said about three fourths of the 3,300-ton Chungli's explosive cargo had been unloaded when the blasts came.

Takao, a big Japanese naval base during the war, is one of the most important ports for the Chinese Nationalist Government in Formosa. It has been converted into a fortress.

British Ship Barred at Shanghai

TAIPEI, Formosa, Aug. 23 (AP)—Nationalist Chinese naval headquarters today said a British merchantman had been turned back from an attempt to enter blockaded Shanghai. The name of the British ship was not given. Chinese warships ,the naval headquarters said, ordered the British ship back to Hong Kong, British colony on the South China coast.

Reds Report China Mine Sabotaged

Shanghai, Aug. 23 (AP)—The Communist news agency today disclosed large-scale sabotage of iron mine equipment in Chahar province involving "Communist party members and government officials."

The mine is the Pan Chia Pao near Suanhwa, in South Chahar.

Half of the equipment was removed and sold, mostly in the black market at Peiping. The sabotage, the news agency said, started last August. It was discovered and stopped in June by Communist government officials and the provincial government.

Treated Lightly By City

The news agency said "several hundred sets of generators, more than 90,000 power meters and wire" were among the stolen equipment.

The Suanhwa city government, the news agency said, "treated the case lightly, saying the people took steel and iron to barter for foodstuff."

The saboteurs were detained a few days by the city officials and then released. The news agency did not say whether any new arrests had been made by the Communists.

The mine's capacity was 6,000 tons daily. It employed more than 25,000 workers and was operated by the North China Steel and Iron Company.

Transmitters Seized

Meanwhile, new arrests of underground workers and saboteurs was announced by the Communists in Shanghai.

Three radio transmitters were seized by security police in raids which resulted in the arrest of two men described as Nationalist leaders of underground organizations. One was said to have been posing as a cotton merchant. He was a "leader in rumor-spreading and black marketing," the Communists said.

A mechanic at the China Textile Mill was arrested and accused of "sabotage and rumor-spreading."

Explosives in Jerusalem Blown Up Without Harm

JERUSALEM, Aug. 23 (AP).—Israeli Army engineers blew up three and one-half tons of left-over explosives in the heart of the Holy City today. An Israeli official statement said not even a window in the Church of the Holy Sepul-

chre was broken and no damage whatever was done in the old walled city.

The British Foreign Office had expressed fear that the explosion would damage the church, where Christ is supposed to have been entombed. Hashemite Jordan (Trans-Jordan) had expressed similar concern for the Mosque of Omar, Moslem shrine.

A spokesman for the United Nations commission which supervised the operation said the explosives were a giant land mine buried by the Jews more than eight months ago in a tunnel less than 200 yards from the Damascus Gate and 900 yards from the Church of the Holy Sepulchre. The spokesman said it was impossible to remove the mine because of dangerous hidden detonators.

Soviet-India Trade Pact Near

New Delhi, India, Aug. 23 (AP)—A Government spokesman today said a trade treaty between India and Russia was expected to be signed here this week. He added the treaty already has been drafted, but the Soviet Embassy here is awaiting confirmation of terms from Moscow.

NO SECRET PLANS REVEALED TO HUNT, HE TELLS PROBERS

Says Information Had Been Published in at Least One Newspaper

DENIES WRONGDOING

Committee Hears Details of Hunt's Alleged Capital Contacts

WASHINGTON Aug. 23—(AP)—Maj. Gen. Herman Feldman, who began as a private and wound up as head of the Army's $1,000,000,000 a year buying program, acknowledged today that he gave a "five percenter" information on the Quartermaster Corps' purchasing plans.

But he denied there was anything wrong in his actions. He said the plans were not secret, and had been published in at least one newspaper.

AUG 24 1949

"I am prepared," Feldman told the Senate Investigations subcommittee, "to justify every action I have taken and every decision I have made."

Denies He "Misused Office"

The short, balding, 57-year-old Feldman, who has been suspended as Quartermaster General since July 16, said he may have made mistakes in his 38 years in the Army. But, he insisted, "At no time have I abused my position or misused the influence of my office."

At the time of his suspension, Secretary of the Army Gray said Feldman had "furnished to a contractor's representative procurement information under circumstances which appear irregular."

This was Feldman's first chance to tell his story of his relations with this representative, James V. Hunt.

As Feldman testified, denying that he ever sought gain or advantage for himself, his voice shook occasionally. Once he sounded as if he were near tears.

The subcommittee is studying the activities of "five percenters"—men who try to get contracts for business men in return for a fee.

As soon as Feldman had finished with his 2,000 word prepared statement, it had to adjourn because several senators had previous commitments.

Faces Quiz Today

But committee members made it plain that there are plenty of questions they want to ask Feldman when he takes the stand again tomorrow. Especially, they said, will they want to learn more about his relationship with Hunt, self-styled management counsellor.

Hunt, who has said he is on friendly terms with many a Washington bigwig, today was called the "main star" of the inquiry by Senator Margaret Smith (R-Me). Among those Hunt has claimed as his friends is Maj. Gen. Harry Vaughan, President Truman's Army aide.

Before Feldman read his statement, the committee had heard:

1. A letter starting "Dear Jim" that Feldman wrote to Hunt, giving details of the quartermaster corps' buying program. Feldman said this program had been published in a congressional report on a military appropriations bill.

Furthermore, he said, it had been published in "at least one newspaper," in June, 1947.

Feldman said he didn't write his letter until July 23, 1947, after the plan had become "public information."

A committee lawyer, on the other hand, contended that Feldman's figures had far more details than were known previously.

2. A telegram which Hunt is reported to have written for Feldman, and which Feldman sent on to Japan and signed "QMG," or Quartermaster General.

3. A postscript written by Feldman to Hunt. It was written to "Jim" and signed "Herman."

4. A letter written by Feldman to the purchasing agent of Los Angeles County in which Feldman said:

"Hunt has ready entree to the White House."

In addition to the Hunt-Feldman relationship, the committee heard some details on Hunt alone.

Hunt Tells of "Contacts"

Before the election, Hunt wrote a prospective client that "my Hill and 'White Cottage' contacts are still swell." (Congress is often called "the Hill" in Washington, because the capitol is set on one).

But, Hunt wrote, "if Dewey is elected (and the betting is 15 to 1) then I am in even a better position than before. I'm sure you will recall that many of my good friends on the Hill were Republicans."

After the election, and Mr. Truman had won, Hunt wrote another prospect:

"The White House group has been most kind to me. We can abolish red tape quickly . . .

"We enjoy this life. We like Washington and enjoy the variety of problems that come to use. It has also been very remunerative. Though we are nonpartisan in politics, we have been very close to and loyal to Mr. Truman personally, so our relationship is even closer than heretofore."

In a transformation of a telephone conversation, read into the record by a committee investigator, Hunt had this to say to a prospect who had inquired how close he was to Mr. Truman:

"I had a nice assurance after the election. I won't tell you over the telephone. I was in the van, down the line. We went through with him all the way. It's going to be a great thing. You do not do things with him. The official family are my friends."

Committee investigators said the letters and the transcript were found in Hunt's files.

William P. Rogers, committee counsel, said that Hunt is ill, and that his lawyer has said it would endanger his health to appear before the committee.

SENATE GROUPS BACK ARMS AID FOR 4 NATIONS

Program for Greece, Turkey, Korea and Philippines Wins Approval

FURTHER CUTS SEEN

No Action Taken on Funds to Help Signers of Atlantic Pact

AUG 24 1949

WASHINGTON, Aug. 23. — (AP) A $239,010,000 arms aid program for Greece, Turkey, Iran, Korea and the Philippines was approved today by the combined senate committees on foreign relations and armed services.

No action was taken, however, on the $1,160,990,000 that President Truman has asked to start rearming European signers of the North Atlantic Pact, designed to erect a bulwark against any Russian aggression.

The house cut that proposed $1,160,990,000 fund squarely in half, and knives are being whetted for it in the senate too. Senator Wherry of Nebraska, the Republican floor leader, announced he will oppose any foreign arms program at this time.

Amendments Approved

The authorizations approved today were the same as those okayed by the house—$211,370,000 for Greece and Turkey, and $27,640,000 for Iran, Korea and the Philippines.

The combined committees approved these amendments to the bill today:

1. By Senator Smith (R-NJ), pledging a maximum effort by this country to provide the United Nations with armed forces, and to obtain an agreement for universal regulation and reduction of armament.

2. By Senators Vandenberg (R-Mich) and Dulles (R-NY), to give congress power to end foreign arms aid any time it found such aid inconsistent with terms of the United Nations charter. The bill as submitted to congress reserves that right for the president.

3. By Senator Tydings (D-MD), stipulating that at least one-half of the arms shipments under the bill be moved in American vessels.

Senator Connally (D-Tex), who has been presiding at the joint committee sessions, said the question of aid to the European pact countries was not considered today. Neither were proposals to earmark part of the money for nationalist China.

Sees Good Progress Made

Connally said the committees are making unexpectedly good progress on the bill, and that he believes the measure can be cleared to the senate toward the end of this week.

The bill will not be out of the woods, however, when it reaches the senate floor. Wherry's declaration of opposition was only one of the adverse omens. Another senator, who asked not to be quoted by name, said that a determined effort will be made to kill the bill.

In addition to such all-out opposition, there is a strong movement to trim the size of the Western European program. Vandenberg and Dulles, for example, want to hold it to an even $1,000,000,000, divided equally between cash and contract authority. Others wants to slice deeper.

Wherry said he thinks that it would be "just throwing money away" to authorize the arms aid now. He said congress ought to wait until January and review the situation then.

The Nebraskan has been a consistent opponent of most Truman administration policies.

ATLANTIC TREATY LEADERS LAUNCH ORGANIZING PLANS

WASHINGTON, Aug. 23. — (AP) On the eve of the legal beginning of the North Atlantic Alliance, representatives of 10 of the 12 member nations met today to begin planning for the organization of the western world provided in the North Atlantic Treaty.

The pact will come into force tomorrow when France's ratification is deposited with the United States in a White House ceremony there. President Truman will sign (at 11:30 a. m. EST) a proclamation declaring the treaty in force.

Organization Work Starts

The state department disclosed that a "working group" of Atlantic power diplomats had met at the department today to begin work on forming the council of 12 nations which in turn will establish the important defense committee under the treaty.

Assistant Secretary of State George W. Perkins represented the United States in today's session which was also attended by representatives of Britain, Canada, France, Belgium, the Netherlands, Portugal, Italy, Norway and Denmark. Of the 12 nations which signed the treaty here last spring only Iceland and Luxembourg were unrepresented.

AUG 24 1949

France is the last of the seven nations which originally drafted the treaty to deposit its ratification. The treaty provides that it becomes effective when all those seven have formally notified the United States of ratification.

Pact Comes Into Force Today

Others which still have to give this notice, and which are expected to do so at tomorrow's ceremony, are Portugal, Italy, and Denmark. Those three, together with Iceland and Norway, which have already deposited their ratifications, compose the five nations who joined the treaty by invitation after it was substantially completed by the original seven.

The state department made this announcement of today's meeting:

"A working group composed of representatives of the North Atlantic treaty nations met at the department of state today and began a study designed to produce recommendations to be submitted to the respective governments on the organization to be established under the treaty.

"This working group in addition to discussing the organization will also recommend a date and location for the first meeting of the council established by article 9 of the treaty.

"The working group sessions will be closed and no information as to the substance of these discussions can be made public until the governments have considered the recommendations of the working

group and the council has taken formal action to establish the organization under the North Atlantic Treaty.

"It is hoped the working group will be able to complete its task in a few weeks.' '

Congressmen To Get Details On Defense Cuts In Districts

Washington, Aug. 23 (AP)—Congressmen get a preview tomorrow of how a contemplated $1,500,000,000 economy cut in next year's military spending is likely to affect their districts.

Louis A. Johnson, Defense Secretary, invited them to come to his Pentagon headquarters and hear the news directly from the top defense planners.

The reductions, described by one congressmen as likely to be "pretty tough," are expected to hit all three services, but the Navy in all probability will have to absorb the heaviest blows.

Civilian Staffs To Be Cut

Reliable sources in the defense establishment said that between 100,000 and 200,000 civilian employés of the Army, Navy and Air Force may be discharged.

Two or more naval shipyards may be locked up, they said; the Navy's flattop fleet and air arm may undergo a drastic cut.

One Capitol Hill source said he understood the plans called for closing of navy yards at Charleston, S.C., and Long Beach, Cal., with reductions in personnel at other navy yards.

The same informant, who asked not to be identified, said it has been decided not to close the yards at Philadelphia and Hunters Point, near San Francisco. It had been rumored that these might be shut down.

To Be Ready With Answers

One purpose of the meeting was reported to be to familiarize members of Congress with the proposed reductions so they will be in a position to answer local complaints.

Johnson is expected to tell them that the military budget for the next fiscal year (beginning July 1, 1950) will total about $13,400,000,000, or $1,500,000,000 less than the budgeted outlay for the current fiscal year. The appropriation for this year, incidentally, is still pending in Congress.

After the new military unification bill became law, Johnson appointed a national defense management committee, headed by Lieut. Gen. Joseph T. McNarney. That committee has been working out ways to eliminate waste, duplication and unnecessary jobs. McNarney's announced goal is $1,000,000,000-a-year saving.

May Face Two Cuts

Thus the military may be rocked by two cuts—one in savings promulgated by the McNarney committee, the other in next year's budget.

High naval sources expect that under next year's budget the Navy's force of eight big flat tops will be cut in two—half of them going into "mothballs" or the reserve fleet.

In the current budget the Navy is allowed eight of the big aircraft carriers—five of the 27,700-ton Essex class and three 45,000-ton Midway class.

A cut is expected in the number of smaller carriers—possibly from ten to eight. The reduction in carriers automatically would reduce the Navy's air arm. Other Navy cuts likely would be in cruisers, destroyers and submarines. Marine activities likewise would be curtailed.

A forerunner of the economy move was the recent cancellation of an advertising contract for recruiting.

B-36 PROGRAM IS COSTING U.S. OVER BILLION

Air Force Comptroller Gives Estimate to House Group.

DENIES INFLUENCE CHARGES

Rawlings Outlines Expenses and Says Jets Would Add Another $1,556,294.

Washington, Aug. 23 (A. P.).—The Air Force gave Congress an estimate of $1,022,000,000 today on the cost of the B-36 bomber program.

The figure came out in testimony by Lieut.-Gen. Edwin W. Rawlings in the House Armed Services Committee investigation of the giant atomic bomb carrier. He followed other high-ranking Air Force witnesses who denied that political influence or corruption had anything to do with orders for more B-36s. The subject of cost has come up repeatedly in the investigation, set off by complaints of connections between high Armed Force officials and the Consolidated-Vultee Company, makers of the B-36.

Rawlings is comptroller, or finance man, for the Air Force. He said the design competition, held in 1941, cost $435,623 and the first two experimental models $39,475,234.

2 Ways of Figuring Cost.

He explained that the Air Force uses two standards for computing the cost of aircraft. One, he said, is the "flyaway cost," which includes virtually everything in the plane's manufacture but spare parts and ground handling equipment. The other is the "total program cost." which covers everything.

Under these definitions, he continued, he estimated flyaway cost of the first ninety-five B-36's, before they were modified, as $3,275,133 each.

The total program cost was given as $4,692,392 each.

Rawlings referred to the Air Force decision early this year to boost the total B-36 program to 170 planes. On this basis, he went on, the total program cost is $948,595,717. To this is added the cost of design and the building of the experimental models.

"The total dollars allotted to the B-36 program to date, therefore, are $988,506,574."

Rawlings added that it was estimated the "total program cost may be approximately $27,000,000 low and that Government-furnished property, valued at $6,000,000 and presently in Air Force stock, may be allotted to the B-36 program."

"If and when these new estimates are certified, the total dollar cost of the program will be approximately $1,022,000,000."

The decision to add jet engines to the super bomber, he said, led to an additional unit cost—on a total program cost basis—of $1,556,294.

Ahead of Rawlings, Lieut.-Gen. Lauris Norstad added his voice to the assertions that defense needs alone had dictated the B-36 choice. He told the committee he had participated in the conference that led to boosting the number of super bombers to 170.

Norstad is deputy chief of the Air Force Staff for Operations and said he is the man who would be responsible for directing the air defense of the nation in case of war.

Lieut.-Gen. N. F. Twining, commanding general of the Alaskan theater, also testified as to his support of the giant plane.

An early end to the inquiry was indicated with signs pointing toward a clean bill of health for the Air Force.

JOHNSON BLASTS 'INFLUENCE' TALK AT B-36 HEARING

WASHINGTON, Aug. 23 — (AP) Secretary of Defense Johnson today called "malicious" and "entirely false" any charge that his former connection with the company building B-36 bombers had anything to do with the Air Force selection of that plane to be its superbomber.

At the same time, Johnson blasted an existing "tendency to malign and defame—to assassinate the reputations of public officials."

Such a tendency, he told the House Armed Services committee, "is, to me, much the same as a new, growing and dangerous cancer."

The committee is seeking at public hearings to determine whether any outside influence, political or otherwise, dictated the Air Force decision to make the B-36 its intercontinental bomber and atom bomb carrier.

Deny Outside Influence

Another parade of top defense and Air Force officials told the committee today that defense needs alone brought about the decision.

Besides Johnson the committee also heard:

1. Lt. Gen. Edwin W. Rawlings estimate the cost of the huge B-36 program at $1,022,000,000. Rawlings is the comptroller or finance boss of the Air Force.

2. Lt. Gen. Lauris Norstad likened to Benedict Arnold any officer who would let pressure beyond his own judgment influence any decision. Norstad is deputy chief of the Air Force staff for operations. He said he would be responsible for directing the air defense of the nation in event of war.

The committee's inquiry into the B-36 program stemmed from a speech in the House last May by Rep. Van Zandt (R.-Pa.). Van Zandt said he had received "disturbing reports" concerning Johnson, Air Secretary Symington and Floyd Odlum. Odlum is head of the Atlas company, which controls Consolidated-Vultee, the firm which builds B-36 bombers.

Johnson formerly was a director of the plane-building company. He told the committee he took that post in August, 1942, at request of the late President Franklin D. Roosevelt.

He said Roosevelt asked him to be his "eyes and ears" in the corporation and keep the White House informed regarding the production of aircraft.

dispensaries in Hawaii were operated by persons of Japanese ancestry.

Denies Heath's Inference

"Thus, while not specifically charging persons of Japanese ancestry with any crime, you attempt by Machiavellian process of indirect inference to give some validity to the lie that Hawaiian Japanese apparently were cooperating with the imperial Japanese Government to sabotage this nation," the letter said.

The letter added that the story of Pearl Harbor drunkenness long ago was exploded by impartial observers. It said the Japanese in Hawaii "have been lauded repeatedly by the island compatriots and Americans generally, for their unswerving loyalty to this nation."

The league pointed out that persons of Japanese ancestry make up a third of Hawaii's population. "Thus, one normally could expect one-third of the licensed liquor dispensaries in the islands to be operated by these persons," the letter said.

It was signed by Mike Masaoka, legislative director of the league's anti - discrimination committee.

Nisei Lash Out at British Dry

Japanese-Americans Say Heath Spreads Old Lies About Pearl Harbor Drunkenness.

Washington, Aug. 23 (A. P.).—The Japanese-American Citizens League today accused a British temperance leader of spreading "old lies" about drunkenness at Pearl Harbor on the eve of the Japanese attack.

In an open letter to H. Cecil Heath, general secretary of the United Kingdom (Temperance) Alliance, the league took exception to remarks Heath made on Sunday at the convention of the Women's Christian Temperance Union in Philadelphia.

The letter said Heath repeated "the threadbare charge" that drunkenness was rampant among American military forces on the eve of the Pearl Harbor attack. The league objected particularly to Heath's comment that 55 per cent of the 841 licensed liquor

The league describes itself as a service organization to promote the interests of American citizens of Japanese descent. Its latest roster shows a membership of 8,418 Nisei, or second generation Japanese-Americans, with eighty-odd chapters over the country.

GENERAL CUT TO COLONEL IN MARAGON SPOT

Sent Home From Italy After Pushing Friend Of White House

March Airbase, Cal., Aug. 23 (AP). Col. William L. Lee, new commanding officer of this base, said today he was reduced in rank and sent home from Italy shortly after he had an altercation with John Maragon, prominent figure in the "peddlers of influence" inquiry in Washington.

The colonel said he had an argument in Rome in February, 1946, and that he pushed Maragon in the face. Lee said he didn't know who the man was at the time but later learned it was Maragon and that he was a special presidential representative to observe the Greek elections.

At that time, Lee was a brigadier general and headed the 15th Air Force in Italy. Shortly afterward he was reduced to colonel and sent home.

Coincidence Possible

"I wasn't sure I was reduced because of this incident," said Lee in an interview. "It happened about that time. It could have been coincidental. A number of general officers were being reduced about this time because the war was over."

Colonel Lee said the incident with Maragon occurred in front of the Hassler Hotel.

"This individual was standing near me," said Lee, "It was dark. I said to him 'what are you doing here?' I thought it was one of those nosey Italians. He said:

"'I guess a man can walk around where he wants and when he wants.' I said: 'As long as he doesn't put his nose in other peoples' business.' Then he said he could put his nose in my business if he wanted. I pushed him in the face. I didn't hit him."

Irritated By Bus Driver

Lee said he had become irritated just before this because of a discussion with a bus driver who didn't want the officer to park his car in front of the hotel.

Colonel Lee said that later that evening Maj. Gen. Robert Webster, who was with him, asked him: "Say, do you know who that guy was you pushed in the face? That was a presidential special representative to the Greek elections."

"'What's he doing here?' I asked General Webster and he told me he was on his way to Greece," related Colonel Lee. "I suggested that I would apologize to him but General Webster said Maj. Gen. Arthur Wilson had talked with him and calmed him down and it was all right."

The colonel said that as a result of the incident "I was only reprimanded. That seemed to take care of the offense."

MEYERS FILES NEW APPEAL

Counsel For Ex-General Cites Supreme Court Ruling

Alexandria, Va., Aug. 23 (AP)—Counsel for former Maj. Gen. Bennett E. Meyers today filed a new petition for a writ of habeas corpus seeking to release Meyers from Lorton Federal Reformatory.

Meyers, wartime procurement chief for the Army Air Corps, is serving a sentence of twenty months to five years at Lorton for persuading a witness to lie under oath during a Senate investigation into Meyers's business affairs.

In the petition Meyers contends that his conviction rests on a basis which the United States Supreme Court has held "unthinkable." He charges further that he has been subjected to "unjust, illegal and discriminatory treatment in the courts."

Cites Court Ruling

The petition says the United States District Court in Washington failed to comply with the law as laid down in the Christoffel case. This was a reference to a recent Supreme Court ruling which reversed the conviction of Harold R. Christoffel on a perjury court.

In that case, the high tribunal held the Government had failed to show that a committee quorum was present when Christoffel, a former Wisconsin labor leader, denied Communist connections during a congressional hearing. The Supreme Court held, in effect, that congressional hearings must have a quorum (majority) of their members present at all times in hearings that may lead to criminal prosecution.

Earlier Plea Rejected

Last July 22, Federal Judge Alexander Holtzoff refused to grant Meyers his freedom from Lorton on a similar plea, based on the Christoffel ruling by the Supreme Court.

Judge Holtzoff said the evidence in the Meyers case showed that a quorum of the committee was present.

Meyers was convicted of inducing Bleriot H. Lamarre, of the wartime Aviation Electrical Corporation, of Dayton, Ohio, to lie about Meyers's connections with the firm which handled various Government contracts.

Gen. Hershey Tells V.F.W. U.S. Must Keep Draft Setup

Miami, Fla., Aug. 23 (AP)—Maj. Gen. Lewis B. Hershey, director of selective service, declared today this country must retain the selective service system as a first line of national defense.

Speaking before the afternoon session of the Veterans of Foreign Wars golden jubilee convention, General Hershey said the present selective service setup is "alive but starving to death."

He urged the 5,000 veterans attending the session to stand behind continuation of the service.

"Time would be the most important commodity if this country went to war," he asserted. "A selective service system already in operation would save four months in time."

Philippine Official Speaks

Earlier, Emilio Abello, Philippine minister plenipotentiary to the United States, told the convention the Philippine Islands stand as America's Pacific outpost against Communist aggression.

He declared the insurgent forces still in the islands are not a serious threat to the Government and that the "bandits" are being hunted down by his people.

Abello said the American Government had failed to provide benefits to Filipino war veterans who fought side by side with the American Army.

"Much remains to be done to dissipate the feeling among them that the American people do not fully reward those who fought under their flag—your flag—to uphold and defend, and to die, for your ideals."

Predicts Control End

Tighe E. Woods, Federal housing expediter, said during a three-member forum on housing that when enough houses are found for veterans with average incomes, rent controls will end.

Frank W. Cortright, National Association of Home Builders executive vice president, contended that the country's housing problem could be solved by builders on the competitive market.

"Veterans who fought overseas didn't intend to come back to live in socialized housing compounds at the expense of their neighbors," Cortright declared. "The home builders of America are convinced that the sharp edge of the need has already been taken off by the 3,000,000 new homes built since the end of the war—most of which have gone to veterans.

No Sharp Price Drop Seen

"As for taking care of the balance of the demand—we maintain that it can be handled best by our vast building industry of the country operating in a free economy in accordance with our capitalistic, free enterprise system."

Raymond M. Foley, administrator of Federal housing, reported that there will be no sharp drop in the price of housing, but a gradual decrease.

The three-member forum agreed that the cost of materials had dropped from 5 to 10 pe. cent. But Cortright interjected that the building industry now is in the process of the fourth round of wage increases, which "will keep building costs up a bit."

GRIM DATA MARKS TOKYO ROSE TRIAL

SAN FRANCISCO, Aug. 23—(AP) The government tried to show today that the wartime Tokyo Rose broadcasts weren't all innocent fun and entertainment; that there was grisly talk of amputations, loss of eyes, and shattered nerves.

Mrs. Toguri D'Aquino, 33, Los Angeles-born, is on trial for treason, accused of participating in the Japanese "Zero Hour" shows.

A key defense witness, Norman Reyes, former lieutenant in the Philippine army, was under cross-examination. He, too, had been on the wartime Radio Tokyo program, as a prisoner of war.

Tom De Wolfe, chief prosecutor, told the jury that Reyes had testified for the defense that the Japanese told the prisoner of war staff to put on "homesick" programs, but that they put on entertainment, instead.

He asked Reyes if he heard this reference to Okinawa fighting, on the Zero Hour in July, 1944: "Originally most of the wounds were simple fractures, but the number of amputations is increasing, and so is the number of eyes lost." Reyes answered "I heard many things about Okinawa, including casualties."

"Did you hear this?" De Wolfe asked "Any GI going home is a damned lucky guy if he can walk off the gangplank at San Francisco on his own two feet and see the way down with his own two eyes." Reyes said he never heard that.

Then De Wolfe said "Did you hear the defendant broadcast on July 11, 1945: "Did you like that one, my fighting GIs," (referring to a song). "I rather liked it myself. I hope it didn't overtax your shattered nerves. If it did, never mind.'"

Reyes said he didn't remember it, but that he had "written that phrase into her script on occasions."

"Were you still entertaining soldiers when you wrote about shattered nerves?"

"Yes," said Reyes.

"Oh, you were?" De Wolfe said with sarcasm. "That's all."

WASHINGTON,AUG.23-(AP)-A SENATE ARMED SERVICES SUBCOMMITTEE IN- VESTIGATING THE TRIALS OF NAZI STORM TROOPERS ACCUSED IN THE MALMEDY MASSACRE WILL PRESS THEIR INQUIRY IN GERMANY NEXT MONTH.

CHAIRMAN BALDWIN SAID TODAY THAT HE AND OTHER MEMBERS OF THE GROUP--SENATORS HUNT (D-WYO) AND KEFAUVER (D-TENN)--DECIDED ON THE TRIP BECAUSE MANY IMPORTANT WITNESSES ARE THERE.

BALDWIN AND HUNT WILL SAIL FROM NEW YORK FRIDAY. THEY WILL ARRIVE IN BREMERHAVEN SEPT. 4 AND GO ON TO MUNICH TO START HEARINGS SEPT. 5. KEFAUVER WILL FLY DIRECTLY TO MUNICH.

THEY WILL INTERRUPT THE HEARINGS TO GO TO STOCKHOLM, SWEDEN, SEPT.

8, 9 AND 10. VICE PRESIDENT BARKLEY HAS DESIGNATED THEM AS DELEGATES TO THE INTERPARLIAMENTARY UNION CONFERENCE THERE.

THE MALMEDY HEARINGS WILL BE RESUMED IN GERMANY SEPT. 12. BALDWIN SAID THE COMMITTEE MEMBERS WILL LEAVE BREMERHAVEN SEPT. 21. THEY HOPE TO MAKE A REPORT TO THE SENATE IN OCTOBER.

SINCE APRIL A SERIES OF HEARINGS HAVE BEEN HELD HERE ON CHARGES THAT CONFESSIONS WERE WRUNG BY PHYSICAL BRUTALITY AND MOCK TRIALS FROM GERMANS ACCUSED IN THE MALMEDY MASSACRE.

THE PRISONERS, MEMBERS OF THE FIRST SS PANZER REGIMENT, WERE ACCUSED OF SHOOTING DOWN SOME 500 SURRENDERED AMERICAN SOLDIERS AND BELGIAN CIVILIANS IN THE VICINITY OF MALMEDY, BELGIUM, DURING THE BATTLE OF THE BULGE IN DECEMBER, 1944.

ALTOGETHER, 72 GERMAN SOLDIERS WERE CONVICTED AND 43 WERE SENTENCED TO DEATH. ALL BUT SIX OF THE DEATH SENTENCES HAVE BEEN COMMUTED AFTER ARMY REVIEWS OF THE TRIALS.

FORMER DEFENSE ATTORNEYS AND SEVERAL MEMBERS OF THE ARMY TEAM THAT INVESTIGATED THE MASSACRE WILL BE CALLED TO TESTIFY, HE SAID. A NUMBER OF GERMAN CIVILIANS, INCLUDING CHURCH OFFICIALS, ALSO WILL BE HEARD.

THE SENATORS PLAN TO VISIT THE PRISONS WHERE THE STORM TROOPERS WERE QUESTIONED AND THE PRISON WHERE THEY NOW ARE HELD, AS WELL AS THE SCENE OF THE MASSACRE.

THREE DOCTORS FROM THE PUBLIC HEALTH SERVICE WILL ACCOMPANY THE COMMITTEE AND EXAMINE THE PRISONERS TO DETERMINE WHETHER THEY HAVE SUFFERED ANY PERMANENT PHYSICAL HARM AS SOME OF THEM CLAIM, BALDWIN SAID.

HE LISTED THE DOCTORS AS JOHN B.LANE,JR., LUTHER TERRY AND RALPH LLOYD.

SAID CHAIRMAN HOEY (D-NC):

"HE SHOULD BE PRESENT IF IT CAN BE DONE WITHOUT SERIOUSLY IMPAIRING HIS HEALTH. WE WILL GO INTO IT FULLY BEFORE WE DETERMINE IF WE SHOULD INSIST ON HIS APPEARANCE."

ANOTHER PERSON WHOSE NAME HAS BEEN MENTIONED FREQUENTLY IN THE HEARINGS ALSO IS ILL. SENATOR MCCARTHY (R-WIS) SAID THAT DAVID BENNETT, WHO PAID FOR THE HOME FREEZERS SENT TO VAUGHAN AND OTHER WASHINGTON NOTABLES, MAY NOT BE ABLE TO APPEAR BEFORE THE COMMITTEE.

FELDMAN UNDOUBTEDLY WILL HAVE TO ANSWER A NUMBER OF QUESTIONS ABOUT HIS LETTER TO HUNT ON ARMY PURCHASING PLANS WHEN HE RETURNS TO THE STAND TOMORROW.

IN HIS STATEMENT HE SAID HE WASN'T AWARE THAT HUNT WAS A SO-CALLED FIVE PERCENTER. HE KNEW HIM AS A MANAGEMENT COUNSELLOR, HE SAID.

FELDMAN REMINDED THE COMMITTEE THAT IN 1947 MANY MANUFACTURERS WERE MORE ANXIOUS TO DO BUSINESS WITH THE PUBLIC THAN THEY WERE WITH THE ARMY. AND SO, HE SAID, HE APPRECIATED THE NAMES OF ANY LIKELY BIDDERS THAT HUNT COULD SUGGEST.

FELDMAN SAID THE PLANS HE SUPPLIED HUNT WERE SUBJECT TO REVISION, THAT THEY WERE ONLY TENTATIVE, AND THAT THE ONLY WAY ANYONE COULD BENEFIT WAS TO BECOME A LOW BIDDER.

HE SAID HE HAD NO OBJECTION TO "FURNISHING THIS INFORMATION TO ANY INDIVIDUAL OR FIRM WHO IN MY JUDGMENT HAD A LEGITIMATE USE FOR IT."

FRANCIS D. FLANGAN, ONE OF THE COMMITTEE'S LAWYERS, TESTIFIED THAT THE INFORMATION FELDMAN GAVE HUNT DIFFERED FROM THAT PUBLISHED IN THE CONGRESSIONAL RECORD.

HE SAID THE PUBLISHED INFORMATION CONTAINED 86 ITEMS OF CLOTHING AND EQUIPMENT; THE LIST FELDMAN GAVE HUNT, HE SAID, WAS ON 217 ITEMS AND WAS IN GREAT DEAIL.

BRIG. GEN. ERNEST M. BRANNON, THE ASSISTANT JUDGE ADVOCATE, WAS CALLED TO THE STAND AND READ A CIRCULAR PUT OUT BY THE ARMY ON MAY 6, 1948.

THIS ADVISED ALL PROCUREMENT PERSONNEL TO RELEASE DATA ON ARMY BUYING TO ALL INTERESTED CONTRACTORS "AS NEARLY SIMULTANEOUSLY AS POSSIBLE" SO THAT NONE WOULD HAVE "UNFAIR ADVANTAGE."

BRANNON SAID THAT THOUGH THE CIRCULAR WAS WRITTEN AFTER FELDMAN'S LETTER TO HUNT, IT SET FORTH THE REGULAR ARMY POLICY.

BRANNON SAID HE DIDN'T KNOW ALL THE FACTS IN THE CASE. BUT, IN ANSWER TO A QUESTION, HE SAID THAT IF FELDMAN HAD GIVEN THE INFORMATION TO ONLY ONE COMPANY, IT WOULD SEEM TO BE ACSE OF FAVORITISM AND A VIOLATION OF ARMY POLICY.

THE CABLEGRAM FELDMAN SENT TO JAPAN WAS READ BY FLANAGAN (CQ).

FLANAGAN SAID THAT HUNT REPRESENTED THE HENNINGSEN COMPANY OF SHANGHAI, CHINA, AND SAN MATEO, CALIF.

THE COMPANY WAS INTERESTED IN BUILDING AND OPERATING SEVEN PLANTS FOR THE ARMY IN THE PACIFIC. THESE PLANTS WERE TO CHANGE POWDERED MILK INTO FLUID MILK.

AUG 24 1949

A39WX

FLANAGAN SAID HUNT WAS PAID $1,000 A MONTH FOR SIX MONTHS. HE ALSO WAS TO GET $10,000 FOR EACH PLANT THE HENNINGSEN COMPANY CONTRACTED FOR, WITH A MAXIMUM OF $50,000.

FLANAGAN SAID HUNT WROTE THE CABLEGRAM, TOOK IT TO FELDMAN AND THAT FELDMAN SENT IT ON TO THE QUARTERMASTER HEADQUARTERS IN THE FAR EASTERN COMMAND. IT SAID:

"REFERENCE PROPOSAL ESTABLISHMENT MILK RECONSTITUTION PLANS YOUR THEATER HENNINGSEN PRODUCE COMPANY POST OFFICE BOX 1280 LOCATED 51 CANTON ROAD SHANGHAI CHINA DESIRE CONFERENCE YOUR HEADQUARTERS FOR FULL DISCUSSION TERMS OF PROPOSED CONTRACTS STOP SUGGEST YOU EXTEND INVITATION IF IN AGREEMENT YOUR POLICY STOP THIS OFFICE BELIEVES HENNINGSEN CAPABLE AND INTERESTED OUR OPINION BASED ON PRELIMINARY CONFERENCES IN WASHINGTON."

FLANAGAN SAID, AS IT TURNED OUT, THE CONTRACT NEVER WAS LET.

BUT HE SAID FELDMAN WAS IN CONTACT WITH HUNT "ON NUMEROUS OCCASIONS" DURING THE NEGOTIATIONS.

IT WAS ON A LETTER DEALING WITH THESE PROPOSED TRANSACTIONS THAT FELDMAN WROTE HIS POSTSCRIPT TO "JIM" AND SIGNED IT "HERMAN."

HUNT FORWARDED A COPY OF THE MEMO TO THE HENNINGSEN COMPANY AND ASKED THE FIRM TO "PLEASE NOTE THE POSTSCRIPT FROM GENERAL FLEDMAN SIGNED HERMAN."

ROGERS INTERRUPTED FLANAGAN TO SAY THAT HUNT "OBVIOUSLY" WAS USING THE POSTSCRIPT TO "IMPRESS A CLIANT."

PIERRE R. WELCH, A WASHINGTON, D.C., BUSINESS MAN, TESTIFIED THAT IN 1947 HUNT SUCCEEDED IN KEEPING HIS COMPANY FROM PAYING OUT $390,000 FOR INSECTICIDE BOMBS THAT IT DIDN'T WANT.

HE SAID HIS COMPANY HAD CONTRACTED FOR 1,118,000 BOMBS FROM THE WAR ASSETS ADMINISTRATION. WITH 850,000 BOMBS STILL TO COME, WELCH DECIDED HE DIDN'T WANT ANY MORE, AND HUNT GOT THE CONTRACT STOPPED.

WELCH SAID THE SMALL BUSINESS MAN GETS THE "RUN-AROUND" FROM GOVERNMENT AGENCIES AND NEEDS SOMEONE LIKE HUNT, WHO HAS "PULL" AND "CONNECTIONS."

ASKED MCCARTHY:

"SO YOU ARE CONVINCED THAT IN ORDER TO DEAL SATISFACTORILY WITH GOVERNMENT AGENCIES IT IS NECESSARY TO KNOW SOMEBODY?"

REPLIED WELCH:

"ABSOLUTELY, SENATOR, AND I'M GLAD TO MEET YOU."

ONE POINT OF THAT AGREEMENT, THE DEPARTMENT CONTINUED, WAS "THE ELIMINATION OF AMERICAN INFLUENCE TO AS GREAT AN EXTENT AS POSSIBLE IN CHINA."

OTHER POINTS, THE WHITE PAPER SAID, WERE "STRICT CHINESE NEUTRALITY IN ANY FUTURE INTERNATIONAL CONFLICT" AND "ESTABLISHMENT OF A BASIS OF REAL COOPERATION BETWEEN RUSSIA AND CHINA."

(ADVANCE)-WASHINGTON,AUG.23-(AP)-ARMY SECRETARY GRAY SAID TONIGHT THAT EVEN WITH THE INTERCONTINENTAL BOMBER, IT WILL STILL BE NECESSARY TO HIT THE ENEMY WITH MASSED BOMBERS OPERATING FROM BASES OVERSEAS IN THE EVENT OF WAR.

SUCH BASES WOULD HAVE TO BE BUILT AND DEFENDED BY U.S. ARMY TROOPS AS IN THE LAST WAR, GRAY SAID IN A RADIO (CBS) BROADCAST.

"IT IS GRANTED THAT OUR MODERN AIRCRAFT WOULD CONDUCT SORTIES ACROSS THE OCEAN FROM NORTH AMERICAN BASES, BUT IF STRATEGIC BOMBING IS TO HAVE APPRECIABLE EFFECT IT MUST BE SUSTAINED AND CONTINUOUS," GRAY SAID.

"IT FOLLOWS THAT REALLY EFFECTIVE BOMBING WOULD COME FROM BASES MUCH CLOSER TO ANY POTENTIAL ENEMY THAN THOSE WE NOW MAINTAIN," HE SAID.

IN CASE OF WAR, HE SAID, THE UNITED STATES WOULD HAVE TO SET UP OVERSEAS BASES WITH THE CONSENT OF THE COUNTRIES INVOLVED.

GRAY SAID THE ARMY WAS NEVER MORE INDISPENSABLE THAN IT IS NOW.

"I THINK MANY AMERICANS HAVE ALLOWED THEMSELVES TO ACCEPT THE CANDY-SWEET DOCTRINE THAT THE ATOMIC BOMB, GUIDED MISSILES, PLANES, ROCKETS AND SUPER-SONIC SPEEDS HAVE RELEGATED THE ARMY'S GI JOE TO AN UNGLAMOROUS BIT PART IN HELPING TO MAINTAIN THE NATION'S DEFENSE."

HE WARNED AGAINST THIS TYPE OF "MAGINOT" LINE THINKING AND SAID IT WOULD BE UTTER FOLLY TO SET UP OVERSEAS BASES WITHOUT TENS OF THOUSANDS OF COMBAT TROOPS TO DEFEND THEM.

NEW YORK, AUG. 23-(AP)-JUDGE HAROLD R.MEDINA TOLD JURORS IN THE COMMUNIST HEARING TODAY THAT "WE ARE APPROACHING THE LAST STAGES OF THE TRIAL."

THE TRIAL BEGAN JAN. 17. THE 11 TOP COMMUNIST DEFENDANTS ARE CHARGED WITH CONSPIRING TO ADVOCATE VIOLENT OVERTHROW OF THE GOVERNMENT.

LATER IN TODAY'S SESSION ONE OF THE DEFENDANTS WAS QUOTED AS SAYING WALTER REUTHER "JUMPED THE GUN" IN THE 1945 GENERAL MOTORS STRIKE AND WAS A "HYPOCRITE" IN HIS ATTITUDE TOWARD NEGROES.

A DEFENSE WITNESS, ABNER BERRY, SAID THE STATEMENTS WERE MADE BY CARL WINTER, ONE OF THE 11 ON TRIAL, AT A DETROIT MEETING EARLY IN 1946.

BERRY, A NEGRO WHO NOW LIVES IN NEW ROCHELLE, N.Y., AND IS HARLEM EDITOR OF THE COMMUNIST NEWSPAPER, THE DAILY WORKER, SAID HE WENT TO DETROIT IN SEPTEMBER, 1945, TO BECOME STATE EDUCATIONAL DIRECTOR FOR THE PARTY.

REFERRING TO PREVIOUS TESTIMONY BY GOVERNMENT WITNESSES THAT WINTER CRITICIZED REUTHER FOR THE STRATEGY OF THE STRIKE AGAINST GENERAL MOTORS, BERRY SAID WINTER CLAIMED REUTHER HAD "SPLIT THE WORKERS."

LAKE SUCCESS, AUG. 23-(AP)-CONTROVERSY DEVELOPED TODAY OVER A STANFORD UNIVERSITY SCIENTIST'S STATEMENT THAT FREE COMPETITION IS THE MOST EFFECTIVE WAY TO SEARCH FOR NEW PETROLEUM RESOURCES.

SEVERAL DELEGATES TO THE U.N. SCIENTIFIC CONFERENCE ON THE CONSERVATION AND UTILIZATION OF RESOURCES ALSO CHALLENGED THE SCIENTIST'S ESTIMATE THAT THE TOTAL WORLD OIL RESECVE AMOUNTS TO 1,500 BILLION BARRELS.

DR.A.I.LEVORSEN, DEAN OF STANFORD UNIVERSITY'S SCHOOL OF MINERAL SCIENCES, MADE HIS STATEMENTS IN A PAPER READ TO THE CONFERENCE YESTERDAY.

HE WAS CHALLENGED ON HIS OIL RESERVE ESTIMATE BY M.KING HUBBERT OF THE SHELL OIL COMPANY AND ANDREW B.CRICHTON, PRESIDENT OF THE JOHNSTOWN (PA) COAL AND COKE COMPANY.

HUBBERT SAID LEVORSEN'S ESTIMATES APPEARED TO BE AN EXERCISE IN METAPHYSICS INSTEAD OF A SCIENTIFIC CONCLUSION BASED ON KNOWN PHYSICAL FACTS. CRICHTON SAID LEVORSEN'S ESTIMATES WERE SO OPTIMISTIC AS TO BE "PATHETIC." HE SAID ESTIMATES OF COAL RESOURCES MADE EARLIER IN THE CONFERENCE ALSO WERE TOO OPTIMISTIC.

THE CONTROVERSY WAS CONTINUED TODAY BY MANUEL RODRIGUEZ AGUILAR, CHIEF OF MEXICO'S CENTRAL DEPARTMENT OF PETROLEUM EXPLORATION. HE PUT OUT A STATEMENT CALLING FOR SETTING UP A SPECIAL U.N. COMMITTEE TO EVALUATE THE WORLD'S OIL RESERVES.

AGUILAR TOOK ISSUE WITH LEVORSEN'S STATEMENT THAT FREE COMPETITION RESULTS IN A MORE EFFECTIVE SEARCH FOR NEW OIL DEPOSITS. HE SAID FREE COMPETITION DID NOT EXIST EVEN IN THE UNITED STATES.

THE BEST WAY TO SPUR THE SEARCH FOR OIL, HE SAID, IS TO REMOVE "THE HANDICAPS WHICH SOME SECTORS OF THE PETROLEUM INDUSTRY PLACE ON THE EXPLORATION OF RESERVES BY THOSE WHO DO NOT BELONG TO THE GREAT TRUSTS."

"THE NORTH AMERICAN PETROLEUM INDUSTRY ITSELF IS GOVERNED ONLY IN THEORY BY FREE COMPETITION," AGUILAR SAID. "AS A MATTER OF FACT, IT IS THE GREAT TRUSTS WHICH DECIDE THE FORMS OF PROGRESS."

LAKE SUCCESS, AUG.23-(AP)-AUSTRALIA TODAY DEMANDED A FULL U.N. AIRING OF HUMAN RIGHTS VIOLATIONS IN COMMUNIST-DOMINATED ROMANIA.

THE AUSTRALIAN DEMAND WAS CONTAINED IN A FORMAL PROPOSAL THAT THE QUESTION OF THE OBSERVANCE OF FUNDAMENTAL FREEDOMS AND HUMAN RIGHTS IN ROMANIA BE PLACED ON THE AGENDA OF THE GENERAL ASSEMBLY THIS FALL.

THE ASSEMBLY ALREADY HAS BEFORE IT SIMILAR QUESTIONS WITH REGARD TO HUNGARY AND BULGARIA. THESE WERE CARRIED OVER FROM THE SPRING SESSION AFTER THE DELEGATES HAD CONSIDERED THE COMMUNIST ACTION AGAINST JOSEF CARDINAL MINDSZENTY IN HUNGARY AND 15 PROTESTANT LEADERS IN BULGARIA.

RUSSIA AND THE SOVIET UKRAINE CAST THE ONLY NEGATIVE VOTES. THIS INDICATED THAT A SOVIET VETO MIGHT BE FORTHCOMING WHEN THE APPLICATION IS ACTED UPON BY THE SECURITY COUNCIL ITSELF.

SOVIET DELEGATE ALEXANDER A.SOLDATOV SAID IT WOULD BE "UNFAIR" TO ADMIT NEPAL WHILE OTHER COUNTRIES EQUALLY QUALIFIED FORMMEMBEGSHIP--ALBANIA, BULGARIA, HUNGARY, ROMANIA AND OUTER MONGOLIA--WERE "SYSTEMATICALLY REJECTED" WHENEVER THEY APPLIED.

U.S. DELEGATE EDWARD MAFFITT SAID IT APPEARED NEPAL WAS TO BE "AN INNOCENT VICTIM OF CIRCUMSTANCES OUTSIDE ITS SPHERE" AND POSSIBLY "OUTSIDE THE CHARTER" OF THE U.N.

THE SOVIET SATELLITES REFERRED TO BY SOLDATOV ARE AMONG 13 COUNTRIES WHICH PREVIOUSLY HAD FAILED TO WIN SECURITY COUNCIL APPROVAL. THESE FIVE FAILED TO GET THE REQUIRED SEVEN VOTES. THE OTHERS WERE BLOCKED BY SOVIET VETOES. THEY ARE IRELAND, HASHEMITE JORDAN, PORTUGAL, ITALY, AUSTRIA, FINLAND, CEYLON AND KOREA.

LONDON, AUG.23-(AP)-CHARGES OF PLOTTING A BALKAN WAR WERE HURLED AT PREMIER MARSHAL TITO OF YUGOSLAVIA LAST NIGHT AS THE RUSSIAN-LED CAMPAIGN AGAINST HIM TOOK A NEW TURN.

WHILE DIPLOMATIC AND OTHER SOURCES STILL SOUGHT TO FATHOM THE IMPLICATIONS OF RUSSIA'S THREAT TO TAKE "EFFECTIVE MEASURES" AGAINST THE TITO REGIME, A ROMANIAN COMMUNIST LEADER MADE THE NEW ACCUSATION.

THE ROMANIAN WAS VICE PREMIER GHEORGHE GHEORGHIU-DEJ, WHO SAID TITO WAS "PLOTTING TO SET ABLAZE THE BALKAN POWDER KEG." HE SPOKE AT A RALLY ATTENDED BY SOME 8,000 "SELECT" ROMANIAN REDS in Bucharest.

MARSHAL KLEMENTI VOROSHILOV, A MEMBER OF RUSSIA'S POLITBURO, SPOKE AT THE SAME RALLY AND ASSAILED TITO AS A "TRAITOR WHO HAS BECOME THE MOST BITTER ENEMY OF THE SOVIET UNION AND THE PEOPLE'S DEMOCRACIES."

FOLLOWING THE LEAD OF RECENT SOVIET NOTES ASSAILING THE YUGOSLAV GOVERNMENT, VOROSHILOV SOUGHT TO LINK TITO WITH FASCISM. SIMILARLY, HE ACCUSED HIM OF NEGOTIATING WITH THE WEST "BEHIND THE BACKS OF THE SOVIET UNION AND THE PEOPLE'S DEMOCRACIES."

BOTH SPEAKERS FELL INTO THE FAMILIAR PATTERN OF ATTACKS ON "AMERICAN-BRITISH IMPERIALISM."

THE NEW COMINFORM ASSAULT FOLLOWED A DAY IN WHICH WESTERN AND NEUTRA DIPLOMATS IN YUGOSLAVIA WERE REPORTED JITTERY, ALTHOUGH DISCOUNTING A FLOOD OF RUMORS ABOUT TROOPS MOVEMENTS NEAR THE YUGOSLAV BORDERS.

BRITISH NEWSPAPERS, COMMENTING ON THE SOVIET THREATS AGAINST YUGOSLAVIA, LIEKENED THEM TO THE LANGUAGE USED BY HITLER AS HE PREPARED TO MARCH AGAINST GERMANY'S SMALLER NEIGHBORS.

MOST DIPLOMATIC SOURCES, HOWEVER, FELT THE NEW MOVES BY RUSSIA AND COMINFORM (COMMUNIST INTERNATIONAL INFORMATION BUREAU) SPOKESMEN WERE ONLY PART OF A WAR OF NERVES.

THERE WAS NO SIGN OF WEAKENING AMONG THE TITO FORCES. THE YUGOSLAV LEADER, THROWN OUT OF THE COMINFORM BECAUSE HE OBJECTED TO THE COMPLETE SUBSERVIENCE OF HIS COUNTRY TO MOSCOW, GAVE NO HINT THAT HE WAS READY TO CAPITULATE.

BORBA, MOUTHPIECE OF THE YUGOSLAV COMMUNIST PARTY AND OF THE GOVERNMENT, RETORTED DEFIANTLY TO RUSSIAN CHARGES.

AMONG THE DEVELOPMENTS CALCULATED TO BOLSTER THE MORALE OF TITO'S FOLLOWERS WERE:

1--THE POSSIBILITY OF A LOAN FROM THE WORLD BANK TO PROP UP YUGOSLAV ECONOMY, HARD HIT BY AN ECONOMIC BOYCOTT BY THE COMINFORM NATIONS. A SPECIAL COMMISSION OF THE BANK IS IN YUGOSLAVIA TO INVESTIGATE CONDITIONS THERE.

2--A GROUP OF DISSIDENT GERMAN COMMUNISTS ANNOUNCED YESTERDAY THEY HAD FORMED A NEW GROUP IN OPPOSITION TO THE ORTHODOX GERMAN REDS AND SENT A MESSAGE OF SUPPORT TO THE YUGOSLAV LEADER.

INDONESIAN (290)

THE HAGUE, AUG.23-(AP)-DUTCH PREMIER WILLEM DREES OPENED THE INDONESIAN INDEPENDENCE TALKS TODAY WITH A CALL FOR SPEEDY ACTION TO ESTABLISH A SOVEREIGN INDONESIA AND A WARNING THAT FAILURE WOULD HAVE GRAVE CONSEQUENCES.

HE ASKED THE 150 DUTCH AND INDONESIAN DELEGATES TO THE ROUND TABLE CONFERENCE TO CONDUCT THEIR DELIBERATIONS IN DEEP EARNESTNESS AND WITH SELF DISCIPLINE AND WARNED AGAINST HOSTILITIES WITH EITHER WEAPONS OR PROPAGANDA.

THE CONFERENCE WILL CONSIDER THE TRANSFER OF SOVEREIGNTY TO THE 70,000,000 PEOPLE OF THE EAST INDIES ISLANDS RULED BY THE DUTCH FOR 300 YEARS. THE CONFEREES ALSO WILL BE ASKED TO PRODUCE A CHARTER THAT WILL KEEP THE NETHERLANDS AND THE RICH SOUTH PACIFIC ISLANDS BOUND TOGETHER AS PARTNERS FOR THEIR MUTUAL BENEFIT.

PROPOSALS BEFORE THE DELEGATES CALL FOR THE SPEEDY ESTABLISHMENT OF A UNITED STATES OF INDONESIA AS A SOVEREIGN DEMOCRATIC STATE ON A FEDERAL BASIS. THE UNITED STATES OF INDONESIA WOULD BE LINKED WITH THE NETHERLANDS BY THE DUTCH CROWN AND WOULD HAVE A STATUS SIMILAR TO THAT OF BRITISH DOMINIONS IN THE BRITISH COMMONWEALTH.

DREES SAID THE DUTCH DECISION ON THE QUESTION OF TRANSFER OF SOVEREIGNTY RESULTED FROM A GRADUAL RIPENING OF THE REALIZATION THAT A BENEFICIAL COOPERATION BETWEEN THE NETHERLANDS AND INDONESIA CAN BEST BE PROMOTED ALONG THOSE LINES.

IF THE CONFERENCE SHOULD FAIL, THE PREMIER SAID, THE CONSEQUENCES OF FAILURE CANNOT BUT FILL EACH RIGHT MINDED PERSON WITH DEEP CONCERN.

THE TALKS HERE CLIMAX FOUR YEARS OF BITTER FIGHTING--BY THE INDONESIANS FOR INDEPENDENCE AND BY THE DUTCH TO KEEP A LINK WITH THEIR EASTERN EMPIRE.

IN ADDITION TO DREES, OTHER LEADERS ATTENDING THE CONFERENCE INCLUDE J.H.VAN MAARSEVEEN, DUTCH MINISTER OF OVERSEAS TERRITORIES; PREMIER MOHAMED HATTA OF THE INDONESIAN REPUBLIC; SULTAN HAMID, REPRESENTING INDONESIAN FEDERALISTS OUTSIDE THE REPUBLIC, AND THOMAS J.CRITCHLEY OF THE UNITED NATIONS COMMISSION FOR INDONESIA (UNCI). THE UNCI WILL OBSERVE CN INDONESIA THE CARRYING OUT OF AGREEMENTS REACHED HERE.

REPUBLICAN PREMIER HATTA WARNED THAT THE TRANSFER OF SOVEREIGNTY TO THE INDONESIAN PEOPLE MUST TAKE PLACE WITHIN THIS YEAR.

"BEFORE THE YEAR 1950 WILL SET IN, INDONESIA MUST BE INDEPENDENT AND THE REPUBLIC OF UNITED INDONESIA ESTABLISHED VESTED WITH COMPLETE AND REAL SOVEREIGNTY," HATTA SAID.

DUTCH MINISTER OF OVERSEAS TERRITORIES, J.H.VAN MAARSEVEEN EMPHASIZED THE NECESSITY OF ADHERENCE TO THE CEASE FIRE AGREEMENT TO PREVENT A NEW CALAMITY. INDONESIA SHOULD SHOW THE WORLD IT COULD GOVERN ITSELF IN ORDER.

SPEAKING FOR THE UNCI, CRITCHLEY SAID HE HOPED UNCI'S PARTICIPATION IN NETHERLANDS-INDONESIAN NEGOTIATIONS WOULD CONCLUDE WITH AN EARLY REPORT TO THE SECURITY COUNCIL ON THE FINAL SUCCESS OF THE CONFERENCE.

HE ADDED PROBLEMS COULD NOW BE VIEWED IN A CALM AND HOPEFUL PERSPECTIVE.

THE HAGUE, THE NETHERLANDS, AUG.23-(AP)-DUTCH AND INDONESIAN DELEGATES SAILED SMOOTHLY TODAY THROUGH THE START OF THEIR ROUNDTABLE CONFERENCE CALLED TO WRITE A CHARTER OF FREEDOM FOR 70,000,000 PEOPLE.

THE ISSUES FACING THE CONFERENCE WERE KEYNOTED BY DUTCH PREMIER WILLEM DREES, CONFERENCE CHAIRMAN, AND THE DELEGATION CHIEFS IN A FORMAL SESSION BEFORE 500 DIPLOMATS, OFFICIALS AND DUTCH PARLIAMENTARIANS.

THE FIRST MEETING OF THE STEERING COMMITTEE, WHICH INCLUDES THE THREE TOP LEADERS IN THE NEGOTIATIONS, WILL BE TOMORROW AFTERNOON. THEREAFTER THE 150 DELEGATES ARE EXPECTED TO GET DOWN TO THE REAL BUSINESS. THE CONFERENCE IS BEING HELD IN THE MEDIEVAL HALL OF KNIGHTS.

DR.MOHAMED HATTA, PREMIER OF THE INDONESIAN REPUBLIC, IN A SPEECH MADE IT CLEAR THE TALKS WILL CONCERN THE PRACTICAL AS WELL AS THEORETICAL EXERCISE OF SOVEREIGNTY BY A PROJECTED UNITED STATES OF INDONESIA. HE DECLARED THE INDONESIAN REPUBLIC ALREADY CONSIDERED ITSELF SOVEREIGN, WITH A GOVERNMENT SUBORDINATE TO NO ALIEN GOVERNMENT; ITS OWN ARMY AND POLICE, ITS OWN CURRENCY AND ITS OWN FOREIGN POLICY.

PREMIER DREES IN HIS KEYNOTE SAID THE DUTCH HAD REACHED THE DECISION TO TRANSFER SOVEREIGNTY TO THE INDONESIANS NOT BECAUSE OF UNWILLING ACQUIESCENCE TO CIRCUMSTANCES, BUT BECAUSE OF THE GRADUAL REALIZATION THAT THE INTERESTS OF BOTH THE INDONESIANS AND THE DUTCH WOULD BEST BE PROMOTED THAT WAY.

HE CALLED FOR MUTUAL TRUST AND RESTRAINT.

SULTAN HAMID, WHO SPOKE FOR FEDERALISTS OUTSIDE THE REPUBLIC, APPEALED FOR FOREIGN CREDIT TO HALT A SPIRAL OF INFLATION IN INDONESIA AND TOUCHED ON THE STATUS OF NEW GUINEA. HE SAID INDONESIA WOULD HAVE TO BE A UNITY, AND THAT NO PART COULD BE DISPENSED WITH WITHOUT DAMAGING THE WHOLE. THE DUTCH ARE EXPECTED TO MAKE AN ATTEMPT TO CUT THIS TERRITORY LOOSE FROM CLOSE TIES WITH THE REST OF INDONESIA.

ANOTHER SORE POINT EXPECTED TO BE RAISED IS A DUTCH REQUEST THAT INDONESIA PAY FOR DUTCH MILITARY ACTIONS AGAINST THE REPUBLIC.

PRECEDE LONDON TITO
BY ALEX SINGLETON
BELGRADE,AUG.23-(AP)-YUGOSLAVIA ACCUSED RUSSIA TODAY OF MILKING OTHER COMMUNIST-GOVERNED COUNTRIES OF EASTERN EUROPE AND CONTENDED THE CAUSE OF WORLD COMMUNISM WOULD SUFFER UNLESS THE KREMLIN MENDS ITS WAYS.
IN A SERIES OF NEWSPAPER ARTICLES YUGOSLAVIA'S FOREIGN TRADE MINISTER, MELENTIJE POPOVICH, CALLED FOR THE ESTABLISHMENT OF POLITICAL AND ECONOMIC EQUALITY AMONG COMMUNIST COUNTRIES. HE DID D NOT APPEAR TO BE CONFIDENT THAT RUSSIA WOULD BE WILLING TO ACCEPT THE YUGOSLAV SUGGESTIONS AT THIS TIME.
(RUSSIAN-YUGOSLAV RELATIONS HAVE DETERIORATED FURTHER WITHIN THE PAST WEEK. THE SOVIET-LED CAMPAIGN AGAINST PREMIER MARSHAL TITO TOOK A NEW TURN LAST NIGHT WHEN CHARGES OF PLOTTING A BALKAN WAR WERE

HURLED AT THE YUGOSLAV LEADER. ROMANIAN VICE PREMIER GHEORGHE GHEORGHIU-DEJ MADE THE ACCUSATIONS).
POPOVICH GAVE AN ANALYSIS OF THE ECONOMIC RELATIONS THAT EXISTED BETWEEN YUGOSLAVIA AND THE SOVIET UNION BEFORE TITO'S BREAK WITH THE MOSCOW-DOMINATED COMMUNIST INTERNATIONAL INFORMATION BUREAU (COMINFORM) 14 MONTHS AGO.
HE OUTLINED THE STRUCTURE OF JOINT COMPANIES SET UP BY RUSSIA AFTER THE WAR WITH HER COMMUNIST NEIGHBORS. THE RUSSIANS USED THESE COMPANIES FOR THEIR OWN BENEFIT WITHOUT REGARD TO THEIR PARTNER'S INVESTMENT OF NATURAL RESOURCES, POPOVICH ASSERTED.
HE CHARGED RUSSIA WITH ADOPTING A "STEPMOTHER" ATTITUDE TOWARD SOME OF THE COMMUNIST GOVERNMENT TO WHICH IT GAVE BIRTH. THE FACT THAT RUSSIA LIBERATED SEVERAL EASTERN EUROPEAN COUNTRIES FROM THE GERMANS "DOES NOT MEAN THAT IT RECEIVED THE RIGHT TO EXPLOIT THEM," POPOVICH SAID.
YUGOSLAVIA'S OWN TRANSITION TOWARD INDUSTRIAL SOCIALISM WAS HAMPERED, HE SAID, BECAUSE RUSSIA MILKED THIS BALKAN NATION OF VALUABLE RAW MATERIALS WHICH THE YUGOSLAVS COULD HAVE SOLD ON THE DOLLAR MARKET.
HIS SUGGESTIONS FOR CHANGES IN THE RELATIONSHIP AMONG COMMUNIST COUNTRIES BOILED DOWN TO THESE:
1. FORMATION OF A GROUP OF COMMUNIST STATES WHICH WOULD DEAL WITH ONE ANOTHER ON A BASIS OF STRICT EQUALITY.
2. CREATION OF WHAT WOULD AMOUNT TO AN ECONOMIC UNION AMONG THESE STATES.
3. GENERAL ESTABLISHMENT WITHIN THE GROUP OF BOTH STANDARD PRICES AND STANDARD WAGES. PRESUMABLY THIS WOULD BE DESIGNED TO OPERATE FOR THE MUTUAL BENEFIT OF ALL MEMBERS OF THE GROUP BY FIXING TRADE PRICES AMONG THEMSELVES RATHER THAN THOSE CHARGED ON THE INTERNATIONAL MARKET AT WORLD PRICES.
4. ADOPTION OF A PRINCIPLE THAT WOULD DEVELOP THE COUNTRIES INDUSTRIALLY.
"TO BUILD UP A REALLY SOCIALIST ECONOMIC RELATIONSHIP AMONG STATES ACTUALLY MEANS DEVELOPMENT OF A SYSTEM X X X TIED BY AN ECONOMIC UNION," POPOVICH SAID. "THIS IS IMPOSSIBLE TO ACHIEVE UNLESS THERE IS ABOLITION OF EXPLOITATIONS AND VARIOUS OTHER MONOPOLY PRIVILEGES INHERITED FROM CAPITALISM."
EMHEFDENOUNCED WHAT HE TERMED THE CAPITALISTUCMSY

HE DENOUNCED WHAT HE TERMEF THE CAPITALISTIC SYSTEM OF PLUNDERING UNDEVELOPED COUNTRIES BUT ADDED THAT THE SAME SYSTEM NOW WAS BEING USED AT TRADE TALKS AMONG COMMUNIST COUNTRIES.

Helsinki Strike Tomorrow
IT WAS ESTIMATED THAT ONLY 13,000 WORKERS WERE ON STRIKE TODAY IN THE SIX-DAY-OLD OFFENSIVE WHICH GOVERNMENT LEADERS SAY IS A MANEUVER TO SEIZE POWER AND TURN FINLAND INTO A COMMUNIST STATE. SOME 25,000 WERE REPORTED ON STRIKE YESTERDAY. AT THE PEAK OF THE STRIKE WAVE THE FIGURE WAS ESTIMATED AT 45,000.
SOME OBSERVERS SAW THE GOVERNMENT'S ACTION IN THE KEMI WAGE CRISIS AS AN ATTEMPT TO WARD OFF A MAJOR SPLIT IN THE CENTRAL TRADE UNION FEDERATION. A SERIOUS CLEAVAGE BETWEEN RIGHT AND LEFT-WING LABOR FACTIONS HAD APPEARED IMMINENT LAST WEEK WHEN THE FEDERATION'S EXECUTIVE COMMITTEE THREATENED TO EXPEL ALL UNIONS WHICH FAILED TO END THEIR STRIKES BY TODAY.
THESE OBSERVERS REASONED THAT COMMUNIST STRIKE LEADERS WOULD SUFFER A LOSS OF SUPPORT FROM THE GOVERNMENT MOVE. THEY BELIEVED THAT UNDER THE WEIGHT OF GENERAL WORKER OPINION, STRIKE LEADERS WOULD HAVE TO END THEIR WALKOUTS BY OBEYING THE FEDERATION'S ULTIMATUM, THUS AVOIDING A SPLIT IN THE FINNISH LABOR MOVEMENT.
ANOTHER SIGN OF A LESSENING OF THE LABOR CRISIS CAME LAST NIGHT

WHEN THE TEXTILE WORKERS' UNION AGREED TO CALL OFF A WALKOUT SCHEDULED FOR TOMORROW.

KEMI WAS THE SCENE OF THE ONLY VIOLENCE WHEN THE STRIKES BEGAN LAST THURSDAY. TWO PERSONS WERE KILLED AND NINE HURT WHEN POLICE AND STRIKING LUMBERJACKS CLASHED.

PRIME MINISTER KARL A. FAGERHOLM CONTINUED TO SEE A GRAVE DANGER IN THE STRIKES. IN AN INTERVIEW PUBLISHED IN A STOCKHOLM NEWSPAPER YESTERDAY, HE SAID: "THE COMMUNIST STRIKE OFFENSIVE NOW IN PROCESS IS THE GREATEST PLANNED ASSAULT SO FAR MADE AGAINST THE SOCIETY OF FINLAND, AND ALSO THE BEST PREPARED. THE ATTACK MUST FAIL X X X BECAUSE IF IT DOES NOT THEN EVERYTHING THAT HAS BEEN BUILT UP X X X WILL BE CRUSHED TO PIECES IN A MOMENT."

REPORTS FROM SCATTERED AGREAS GAVE THIS PICTURE:

A CAPTAIN OF A COAL TRANSPORT YESTERDAY BEGAN UNLOADING HIS SHIP IN HELSINKI BY MANEUVERING A CRANE HIMSELF. HE WAS EXPECTING WILLING HANDS TO AID HIM TODAY.

THERE WAS FRESH BREAD IN HELSINKI TODAY, DELIVERED BY NON-STRIKING DRIVERS. BUT THE STRIKE WAS ALMOST TOTAL AT THE BAKERIES OF THE COOPERATIVE ELANTO AND HELSINKI DAIRY. THEIR DRIVERS REFUSED TO DELIVER BREAD.

THE TRANSPORT STRIKE LOST MOST OF ITS STING BECAUSE MANY PRIVATE TRUCK OWNERS WERE WILLING TO TAKE OVER. TRANSPORT OF BRICKS FOR BUILDING CONSTRUCTION WAS DECLARED AN OPEN SHOP JOB BY THE GOVERNMENT FROM SEPTEMBER FIRST.

THE WOOD INDUSTRY WAS MOSTLY WORKING THROUGHOUT THE COUNTRY. SOME WORKERS STAYED OFF THEIR JOBS IN PLYWOOD FACTORIES.

WORKERS RETURNED TO FLOUR MILLS, BREWERIES AND BAKERIES AT KOTKA.

GRADUALLY MORE WORKERS SEEMED TO GET TIRED OF GOING IDLE. THE GOVERNMENT WAS EXPECTING THE STRIKMATED 13,000 WORKERS WERE STILL STRIKING. YESTERDAY THEY SAID THE NUMBER WAS 25,000, AND THE TRADE UNION FEDERATION UPHELD THIS ESTIMATE BUT SAID IT HAD NO CERTAIN REPORTS.

ONDON, AUG. 18--(AP)--BRITAIN MADE IT PLAIN TODAY SHE WANTS EGYPT AND IRAQ TO FREE THE FLOW OF OIL TO HAIFA WHERE GREAT REFINERIES ARE STANDING IDLE.

A FOREIGN OFFICE SPOKESMAN SAID THE ARAB GOVERNMENTS CONCERNED ARE WELL AWARE OF THIS BRITISH DESIRE. HE TOLD A NEWS CONFERENCE BRITAIN HOPES THE OIL FLOW WILL BEGIN AGAIN NOW THAT ARAB-JEWISH ARMISTICES HAVE BEEN SIGNED AND THE UNITED NATIONS ARMS EMBARGO HAS BEEN LIFTED.

THE BRITISH-OWNED HAIFA REFINERIES SHUT DOWN WHEN THIS COUNTRY GAVE UP ITS PALESTINE MANDATE IN MAY, 1948. THEY HAVE BEEN IDLE EVER SINCE EXCEPT FOR A SHORT WHILE IN JULY, 1948.

ISRAEL HERSELF HAS NO PRODUCING OILFIELDS. THE HAIFA REFINERIES NORMALLY GOT THEIR RAW OR CRUDE OIL FROM IRAQ, SAUDI ARABIA, SYRIA.

MOST OF THE ARAB COUNTRIES CONCERNED ARE BELIEVED READY TO BEGIN SENDING OIL TO HAIFA AGAIN. IRAQ, SYRIA AND SAUDI STAND TO GAIN BY DOING SO THROUGH INCREASED OIL ROYALTIES AND EMPLOYMENT.

BUT A GOOD DEAL OF ANTI-ISRAEL FEELING STILL REMAINS AMONG THE ARAB POLITICIANS.

REOPENING OF THE HAIFA REFINERIES WOULD SAVE ISRAEL DOLLARS AND BOOST EMPLOYMENT.

SHE HAD TO BUY FUEL FROM DOLLAR COUNTRIES AT PRICES MUCH HIGHER THAN SHE WOULD HAVE NORMALLY TO PAY.

Yugoslav Military Promises To Give Tito Loyal Defense

Vital Groups Tell Him They Will Resist All Attacks—Moscow Press Makes New Blasts at Belgrade Premier.

Belgrade, Aug. 24 (A. P.).—Premier Marshal Tito received assurances today from important segments of his military forces that they were ready to defend Yugoslavia against all attacks.

The pledges came after Tito put the possibility of easing tension in the Communist family feud squarely up to Moscow by offering to negotiate "all disputed questions" between Yugoslavia and Russia.

Yugoslavia's Air Force and the military-political school of the Corps for National Defense of Yugoslavia sent Tito the assurances of support. Leaders of crack military units are trained at the school.

A telegram from the school said: "We are proud to be members of the Yugoslav Communist party and we shall be ready to defend our fatherland, no matter from whom, under your leadership."

A similar promise was contained in a letter sent Tito by the Air Force.

Foreign observers in Belgrade thought there was little likelihood that Russia will accept the Yugoslav bid for an across-the-table settlement.

slavia and Russia has put the possibility of easing tension in the explosive Balkans squarely up to the Soviet Union.

But, among foreign observers here, there seemed little likelihood Russia will accept the Yugoslav bid for an across-the-table settlement of the Communist family row.

Bitterness of the feud apparently has gone too far. It has been marked by border shootings between Yugoslavia and Soviet-controlled Cominform neighbors, charges and counter charges of espionage and sabotage.

Tito Doesn't Budge Easily

Perhaps more important, the depth of the rift has been reflected on both sides by demands that the other must change its basic political philosophy of what constitutes a Communist state.

Since expulsion from the Cominform (Communist International Information Bureau) fourteen months ago, Tito has shown no sign of budging from his position that all Communist parties can exist only as equal partners with equal rights.

And Neither Does Moscow

And over the same period, Moscow has shown no intention of relinquishing its bandmaster's role of calling the tune—on both domestic and foreign policy—for other eastern European countries.

Yugoslavia made it plain that it will not dance to this tune in a statement yesterday through the Ministry of Information replying to Russian charges that a number of Soviet citizens have been imprisoned here without justification.

Firm On Domestic Affairs

The reply emphasized Yugoslavia "under no conditions" will allow anyone to interfere in its domestic affairs and would resist in the future, as it had in the past, "pressure from outside."

Simultaneously, it served notice that Yugoslavia intends to pursue an independent foreign policy free from outside pressure.

This may prove particularly interesting in the future.

In the past, despite the Cominform dispute, Yugoslav diplomats have sided with Communist colleagues in decisions taken at international conferences such as the United Nations.

Another Shift Of Importance

This singleness of foreign policy may be affected in the future, however, by Russia's action in shifting her previous position and joining the Western powers to reject Yugoslavia's claim for part of Austria's southern Carinthia.

Should this develop, it would prove important not only in lessening Russia's strength at international councils but in demonstrating that a Communist country can rebel at Moscow decisions—and get away with it.

How Far Will Soviets Go

This could prove of highest importance in the long-range future as a lesson for a Communist China—a fact Russia undoubtedly is well aware of.

So it poses this question: How far is Russia willing to go in an effort to bring Tito into line beyond present steps of economic pressure and denunciation of Yugoslavia as an "enemy" country?

Coffee houses here are full of rumors, without foundation. That's not uncommon in the Balkans. But there's no solid evidence here, at least, of differences going beyond the present stage.

Russia Unlikely To Accept Tito Parley Offer

Belgrade, Aug. 24 (AP)—Marshal Tito's offer to negotiate "all disputed questions" between Yugo-

YUGOSLAV FORCES PROMISE TO FIGHT

Air And Future Army Leaders Pledge Tito Support

ALEX H. SINGLETON

Soviet *New Times* charges treachery to Tito ..... Page 9

Belgrade, Yugoslavia, Aug. 24 (AP)—The air force and the future leaders of Yugoslavia's best army units pledged to fight today against any aggression.

There seemed little likelihood that this tough little country's offer to settle her row with Russia over Communist politics would ease the tension soon.

Foreign observers believed the feud had gone too far and too deep, particularly since Yugosalvia has clearly stated she is not going to climb down from her position of independence from Moscow in domestic and foreign affairs.

Conscious Of Situation

A letter to Premier Marshal Tito from the air force declared: "Conscious of the situation we are in, we are prepared to defend our Socialist homeland against anyone —no matter from which side it comes."

Another message to the Moscow-trained guerrilla chieftain who became the defiant leader of the nation was from the School of Knoj (corps for national defense), where leaders of crack army units are given military and political training.

"In the world has appeared a new fortress of socialism and peace, Yugoslavia, which is now being attacked. We are proud to be members of the Yugoslav Communist party and we shall be ready to defend our homeland, no matter from whom, under your leadership," said this message.

Moscow Attacks Continue

[The Moscow press continued to attack Marshal Tito furiously today. So far it had not printed or commented on the Yugoslav note of Tuesday offering to negotiate "all disputed questions."

[The Soviet army newspaper published a cartoon depicting the Yugoslav Premier as a bloodthirsty dog, paws dripping with blood and reaching for a sack of Wall Street gold. *Pravda* and *Izvestia* used many columns to report reaction in Hungary, Czechoslovakia, the Chinese Communist press and elsewhere to Moscow's charge that Tito is a terroristic Fascist enemy of the Soviet Union and all Communist parties. Hungarian papers were quoted as saying the "Tito clique became the paid agents and fifth column of imperialism in eastern Europe."]

Philosophy Alteration

The Yugoslavia note offering to return to Russia 31 Soviet citizens held here as confessed spies as well as all other Russian nationals who wish to go, put the possibility of smoothing over the Communist family dispute squarely up to Moscow.

The Yugoslav condition—that Russia must understand Yugoslavia is going to stay independent in foreign and domestic policy regardless of all pressure—showed plainly the depth of the differences, however.

One side or the other would have to make a profound alternation of its basic philosophy to patch up the quarrel. Since his expulsion from the Cominform nearly fifteen months ago, Tito has declared again and again that his fight is for the equality of all Communist parties. He shows no signs of budging.

Repercussions In U.N.

Moscow, on the other hand, is pressing with increasing vigor for what Soviet Communists regard as their right to leadership of Communists everywhere in the world.

Yugoslavia's declaration that she intends to pursue an independent foreign policy could have far-reaching repercussions in the future on the strength of the Communist bloc at international councils such as in the United Nations.

In the past, Russia could rely on Yugoslav support in these meetings despite the feud over party affairs. The parting of the ways seems to have been marked, however, when the Soviet Union abandoned Yugoslav territorial claims against Austria at the Paris meeting of the Foreign Ministers Council last spring.

Trade Talks Advance

Belgrade is still full of rumors concerning what steps Moscow may attempt to demonstrate—perhaps for the benefit of Chinese Communists—that Tito cannot get away with his rebellion.

There are no solid signs, however, of any steps beyond the present campaign of economic pressure and name-calling against Tito.

Two other developments today highlighted the Yugoslav declaration that she will not submit to the role of Russian satellite. Responsible sources said the long British-Yugoslav talks on a big trade treaty may be concluded in three weeks. A report by Peter Stambolic, Prime Minister of Serbia, disclosed the determined measures taken to suppress pro-Cominform elements in the Yugoslav Communist party.

Stambolic's report, dated May 30, said an unspecified number of party members in the district of Zajechar near the Bulgarian border had been expelled. Previously it had been disclosed that more than 1,700 had been expelled from the party in Croatia.

Tito Again Under Fire From Red Newspapers

Moscow, Aug. 24 (AP)—The Moscow press blasted Premier Marshal Tito again today, carrying columns of comment against the Yugoslav leader and his regime.

The Soviet army newspaper *Red Star* pictured Tito as a blood thirsty dog of "Fascist Gestapo breed."

The paper ran a cartoon depicting the Premier as a dog, its paws dripping blood, begging for a sack of American dollars from a pot-bellied individual labeled "Wall Street."

Foreign Comment In Pravda

The Communist party newspaper *Pravda* and the Government organ *Izvestia* carried four columns of foreign comment on the recent Soviet note to Yugoslavia, including opinion from China.

Tass, the Soviet news agency, quoted several foreign papers including the Budapest paper, *Vilagossag*, which said: "Tito's terror is not an internal affair in Yugoslavia." *Tass* said the paper devoted special attention to a phrase from the Soviet note to the effect that Russians would be forced to resort to other more effective measures to defend Soviet citizens in Yugo-

slavia.

Budapest Paper Criticizes

The Budapest paper *Nepszava* was quoted as asking how Tito's "pirates" can escape without punishment for mistreating Soviet citizens.

The Prague newspaper *Rude Pravo* was quoted as saying the Belgrade clique cannot resume its terrorist regime and cannot escape without punishment if it threatens the freedom of U.S.S.R. citizens and others in Yugoslavia.

The Moscow press also ran the text of Soviet Marshal Klement Voroshilov's speech in Bucharest on Monday denouncing Tito.

'TREACHERY' LAID TO TITO

Soviet New Times Charges Perfidy To Slav Premier

Moscow, Aug. 24 (AP)—The Soviet publication *New Times* declared tonight that Premier Marshal Tito of Yugoslavia has reached "herculean pillars of treachery and perfidy."

The Soviet foreign affairs weekly devoted its lead editorial to comment on the note sent by the Soviet Union to the Yugoslav Government protesting the arrests of Soviet citizens.

[Apparently *New Times* made no mention of Tito's reply to the Soviet note.]

New Times said there were few diplomatic documents in recent times which had such "immense international significance" as the notes sent by the Russians to Marshal Tito on August 11 and August 18.

In Marsh Of Fascism

The August 11 note described Yugoslavia as an enemy of the Soviet Union. The one a week later declared Russia's intention to take "more effective measures" to safeguard Soviet citizens in Yugoslavia.

New Times said that Tito had sold out to the "imperialists" and had descended into "the marsh of fascism."

It challenged Tito with taking part in "secret plots with foreign imperialist circles," capitulating to imperialist demands, and teaming up with "the most evil enemies of democracy and socialism against the U.S.S.R. and the countries of the people's democracy (Communist nations)."

New Times said "having completed the path of treason, the Tito clique has led the country exactly to such a situation as puts it under foreign control."

Fulfills American Instructions

The publication charged the Yugoslav Government "blindly fulfills the instructions of American business men," who, *New Times* said, dominate the World Bank.

New Times said a bank commission is already in Belgrade to adapt Yugoslavia to the role of supplier of food and raw material for the "imperialist bloc," and that "Tito diplomats have taken their place in the American waiting rooms fawning before the State Department and begging sops."

[A special commission of the World Bank is in Yugoslavia considering Tito's request for a loan estimated unofficially in the neighborhood of $280,000,000.]

MARSHALL AID WASTE IS CHARGED

FRANK O'BRIEN

European Assembly Told Plan Benefits Are Frittered Away

AUG 24 1949

Strasbourg, France, Aug. 24 (AP). The European Consultative Assembly wound up its economic debate today with the generally expressed conviction that the Marshall plan is being frittered away and disaster impends.

No one disputed warnings from Socialists, Conservatives and middle-of-the-roaders that if Europe cannot remedy its economic disunity before the end of the European Recovery Program in 1952 she is in for an economic collapse, social upheavals and perhaps war.

Totally Changed

There was general agreement that two world wars fought in Europe the rise of the United States and the industrialization of agricultural countries overseas had totally changed the Continent's economic position in the world.

Statements that little long-range constructive work is being done under the Marshall plan also went unchallenged.

United States aid has been praised as generous and wise. But criticism has been turned upon representatives of the Marshall plan countries themselves. It has been charged that these representatives in the Organization for European Economic Co-operation (OEEC) have not been able to submerge national interests in behalf of Europe's welfare.

Paul Reynaud, former French Premier, yesterday urged that a real European parliament be elected by direct suffrage with power to knock together the conflicting economies.

Resolution Presented

One resolution introduced today by Winston Churchill's European Movement declared that "unless immediate steps are taken to promote a European economic union, there must inevitably be a European economic collapse involving a catastrophic decline in the standard of living of the European peoples and social disturbances endangering their democratic way of life."

Another resolution proposed by Andre Philip, French Socialist, said the economic unification of Europe is the only way of avoiding "a social crisis of extreme gravity."

British laborites, however, cautioned against the "union or collapse" spectre raised by these resolutions. They said an economic union stripping tariff protection from some industries would throw great numbers of people out of work and the medicine would be worse than the disease.

Real Battle In Committee

Britain's laborites generally advise a go-slow, take-a-good-look policy toward proposals to unite planned and free economies.

The real battle will come over the Churchill-backed resolution in the committee on economic affairs and when that committee makes a report, probably in about ten days. As introduced it bore 46 signatures from among the 101 delegates from twelve countries.

Lord Layton, a British Liberal, predicted the British pound would be devalued soon, and urged that other European currencies be devalued in concert.

"I do not believe that present exchange ratios can be long maintained," he said. "If this is so, the sooner they are changed the better."

Other Aid Asked On Devaluation

DYNAN

Strasbourg, France, Aug. 24 (AP). Lord Layton, British Liberal party representative, today predicted that the British pound will soon be devalued, and urged that other European currencies be revalued simultaneously.

Speaking to the European Consultative Assembly on monetary "decisions shortly to be taken," Layton said:

"For my part I do not believe that present exchange ratios can be long maintained. If this is so, the sooner they are changed the better."

Years Of Strain Otherwise

Otherwise, he asserted, the attempts to adjust national economies to exchange rates which are out of scale may mean "years of strain, widespread distress and unemployment."

Layton continued: "It is most undesirable for any one nation to act alone. That would be starting on a dangerous road. Combined action is needed to insure that the era of the 1920 does not occur again."

Would Shelve Bretton Woods

He urged that the Bretton Woods monetary agreement be shelved temporarily for a completely free-currency market.

"It would be better in present circumstances to let certain currencies go free for a time in order that they should find their natural level.

"I doubt whether the Bretton Woods plan of moving from one fixed point to another will now meet the case," said Layton, the only Liberal party member of the British delegation here.

Layton said that if currencies were given free play, it would be essential for the various finance ministers to be in "formal and continuous association with one another" to reassure world money markets that the operation would not get out of hand.

Following the currency operation, said Layton, the European governments must renew their efforts to draft a joint production program under the Marshall plan, for America's charity "cannot last indefinitely."

BRITISH ALARMED AS GOLD RESERVES SHOW BIG DROP

Sag to $1,200,000,000 Is Expected in London by Sept. 30.

AUG 24 1949

London, Aug. 24 (A. P.).—Britain's gold reserves are continuing to sink at a "very grim" rate, despite stringent import cuts, a reliable informant reported here today. Reserves which support Britain's pound sterling are expected to sag to $1,200,000,000 by September 30—a cut of a fourth in three months.

The disclosure came as Paul G. Hoffman, head of the European Co-operation Administration, began talks with British officials preliminary to next month's Anglo-American financial conference at Washington. Britain was down to her last $1,624,000,000 in reserves at the end of June.

Heavy spending in Belgium and Switzerland—where payment in gold has become necessary under certain European Recovery Progam arangements—contributed largely to the drop in the country's gold and dollar holdings.

Bevin Host at Lunch.

Earlier in the day, the economic crisis was discussed at a luncheon given by Foreign Secretary Ernest Bevin for Hoffman and W. Averell Harriman, America's chief European ECA representative.

Two main issues came up at Bevin's private lunch, it was said. One was Britain's rejection of the $850,000,000 proposed as her second year's share of European recovery aid. Britain had asked $1,500,000,000.

The other issue was how this country could earn more dollars in the United States. ECA spokesmen stressed that Hoffman and Harriman are not negotiating, their talks with British leaders mainly affecting only this country's part in the recovery program.

Dollars

AUG 24 1949

London, Aug. 24 (AP)—A reliable informant said today Britain's Labor Government may have to consider doing away with its free medical service if next month's dollar-pound talks in Washington fail.

This informant, a man close to the Government, said Laborite leaders are waiting until the talks are over before deciding whether to call a quick election this year or carry on until near the end of their five-year term next July.

The Government expects its gold and dollar reserves to sag more than one fourth by September 30—down to $1,200,000,000—the informant said.

Grim Despite Import Cuts

At the end of June Britain was down to her last $1,624,000,000. The treasury's goal had been to keep the reserves at a "safe" margin of $2,000,000,000.

The informant, who refused to be identified but who is close to the Government, said Britain's balance-of-payments position for the current quarter looks "very grim" despite rigid import cuts.

If the Washington talks do not solve Britain's growing dollar crisis, he added, "drastic new cuts" in British dollar spending on food, tobacco, and other items are bound to follow.

He made his disclosures as Paul G. Hoffman, American head of the European C-Operation Administration, began talks with British officials before the United States-British financial conference in Washington September 7.

Spending On Continent

The London informant expressed the view that heavy sterling area spending in Belgium and Switzerland is contributing largely to the dive in Britain's dollar and gold holdings. In those two countries, payment in god has become necessary under certain European recovery program arrangements.

Britain is banker for the sterling area countries. As such it supplies gold and dollars to most of them. The latter pay for the gold and dollars in trade or in sterling. The countries are India, Pakistan, Ceylon, Australia, New Zealand, Iceland, Iraq and the colonies of the empire.

There was some speculation among diplomatic observers that disclosure of Britain's expected big gold and dollar losses was aimed at arousing American sympathy for this country's economic plight.

Decisions Suspended

30.24- 5229

At the Washington meetings the idea is to find ways of removing the unbalance between the British pound and the American dollar systems.

A series of measures—like the United States loan to Britain and the aid program—which the big Western countries have taken since the war to redress that unbalance, have not stopped Britain's dollar drain.

The British Government has suspended decisions on several major issues affecting the life of the nation until after the talks. ADD

British Bonds Advance In Cautious Market

London, Aug. 24 (AP)—Government bonds continued their slow climb back toward prices of earlier in the year today with small gains on the London stock exchange.

Buying was generally in small amounts and largely by professional dealers. Most dealings were restricted to speculative operations because of uncertainty about the outcome of the forthcoming Washington dollar talks.

The rise in Government issues was led by the War Loan 3½, which gained ¾ of a point to 95½. Treasury 2½ jumped to 72¼, from 71½. Transport advanced to 91.

The gilt-edged, however, still have a long way to go before reaching their quotations of May 2, when Government bonds began their slide.

For Short, They Call Him 'The Dear One'

London, Aug. 24 (AP)—The Indian delegate to the Commonwealth Relations Committee arrived by air from Delhi tonight.

He laughingly told perspiring newsmen trying to get his name spelled right:

"They tell me I have the longest name in the world. In Canada, where I am going, they call me 'the dear one.'"

His name?

Sir Tirvyalyangiudi Vijayaraghavacharya.

Eden Would End Bickering Between U.S., Britain

Plas Newydd, Wales, Aug. 24 (AP). Anthony Eden pleaded today for an end to "bickering and hard words" between the United States and Britain.

The deputy Conservative leader and wartime Foreign Secretary told a political meeting:

"Relations between the British Commonwealth and the United States are much bigger than any political party in either country. They are the future of the world."

If trans-Atlantic name calling takes the place of "sympathetic understanding and stern effort," he said, "then no one will gain except Moscow."

Criticisms Resented

Members and supporters of the ruling Labor party have become sharply resentful of criticism by some United States politicians and sections of the American press. They especially object to any charges that Britain has failed to make an all-out postwar recovery effort.

Tom O'Brien, Labor member of Parliament and one of the top union leaders in Britain, accused "American big business" in a speech Monday night of "conspiring to overthrow the Labor Government."

Said Eden:

"The Government should disabuse their minds and the minds of their supporters of the idea that any responsible American wishes to try to dictate to the British Government and the British people how we should run our own country. . . .

"The truth is that our American friends have given to us and to Europe as a whole in these postwar years the most generous help without making the least attempt to interfere in any way in our own political controversies."

4 FRENCH COPS HURT IN BATTLE WITH REDS

MARSEILLE, France, Aug. 24—(AP) Four policemen were injured today in a fiercely-fought battle with 500 demonstrators at a communist-led protest meeting.

Three policemen were hit by flying rocks, bolts and other missiles. Another had his fingers bitten by a woman. About 40 demonstrators were arrested.

The demonstration, called by the communist-led General Federation of Labor (CGT), was in protest against a "lockout" in the shipyards at Port-De-Bouc, about 25 miles from Marseilles. The yards have been idle for 59 days, since the workers struck for wage concessions and shorter working hours.

German Reds Plan 'Peace Day'

BERLIN, Aug. 24 (AP).—The Communist-dominated German People's Council today asked churches in the Soviet zone to join in observing Sept. 1, the tenth anniversary of the outbreak of World War II, as "Peace Day." The Soviet-licensed news agency ADN said the request was made in a letter to the Bishops of the Evangelical and Roman Catholic Churches. It said: "This profession for peace is not the cause of a party or ideology but the common cause of all who are of good will."

FRENCH ZONE NABS NEW PARTY CHIEF

Anti-Moscow Communist To Face Political Charge

Berlin, Aug. 24 (AP)—Karl Heinz Scholz, leader of the new Free Communist party, was arrested by French military police today for "illegal political activity" in the French zone of Germany.

The 41-year-old veteran German Communist and anti-Hitler underground campaigner, founded his new party only two days ago. Scholz's slogan is "to fight imperialist bolshevism."

He will appear before a French military court on Friday, charged with unlicensed political activity. The French said his application for a license had not reached the Allied or the West Berlin city government.

NEWSPAPER DEFIES COURT

Frankfort Journal Sees 'Free Press' Test in Disputed Order

FRANKFORT, Germany, Aug. 24 (AP)—The German newspaper Frankfurter Rundschau today defied a court order to print a retraction of a headline. The paper said it would test "whether we in Germany have a free press."

The paper carried a front page announcement of the court's order that unless the retraction was printed the paper would be heavily fined and its editors jailed.

The paper asserted the headline was a factual summary of the story quoting United States Military Government officials and announced it would not print a retraction. Its editors will appear in court tomorrow to contest the order. ADD

GERMANY GAINS IN FOREIGN TRADE

Frankfurt, Aug. 24 (A. P.).—Bizonal Germany's imports and exports climbed to a new postwar high in July.

The Joint Export-Import Agency (JEIA) officials said today that imports totaled $240,000,000, an increase of more than 45 per cent over June.

Exports amounted to $113,000,000, an increase of $9,000,000 over the previous record set in June.

Imports purchased with the proceeds of exports totaled $162,500,000 or 67.5 per cent of the July total. This also represented a new record. The remainder of imports were financed with foreign aid.

Exports consisted of 38,000 individual shipments, the highest number recorded in any month since the war, and 9,500 more than the previous month.

William John Logan, JEIA director general, said that coal exports in July were at approximately the same level as previous months, so the export gain resulted from an increase in general exports.

MRS. MESTA IS IN MIX-UP

Goes to Wrong Border Point to Enter Luxembourg

LUXEMBOURG, Aug. 24 (AP)—Mrs. Perle Mesta, new United States Minister to Luxembourg, arrived in Luxembourg City this afternoon after a slight mix-up with customs guards.

The mix-up came because Mrs. Mesta's car went to the wrong border point to enter the country. All arrangements had been made for her to cross at Rodange. Instead she went first to St. Martin, about two miles away, where no one was expecting her and no arrangements had been made.

She was finally directed to Rodange where the crossing was without incident.

She quickly made the twenty-mile trip to Luxembourg City and was met at the official residence by George L. West Jr., Chargé d'Affaires.

Adenauer Denies Intent To Join Atlantic Group

Bonn, Germany, Aug. 24 (AP)—Dr. Konrad Adenauer said tonight he does not think Germany is eligible now to join the Atlantic treaty. He suggested Germany should first become a member of the Council of Europe.

Adenauer, who will be West Germany's first chancellor (premier) denied he told a news conference yesterday his Government would seek Atlantic pact membership.

"Germany does desire to join the Council of Europe," he said in an interview.

"As things stand at present, Germany in my opinion would not now be eligible to join the Atlantic pact. First we must be a member of the Council of Europe. Then we must quietly await further developments."

In Line With British View

This statement was in line with the view expressed today by a spokesman of the British Foreign Office. The spokesman suggested Germany's co-operation with the west should be through the Council of Europe rather than the Atlantic treaty.

At his news conference yesterday Adenauer predicted the Allies will soon begin to consult the new German Government on questions which the Allies used to decide without consulting Germans. ADD

FINNISH LABOR 'ANARCHY' SEEN

Premier Makes Prediction As Four Unions Are Ousted

Helsinki, Finland, Aug. 24 (AP)—Prime Minister Karl A. Fagerholm predicted tonight a period of "anarchy" in Finnish labor as a result of expulsion of four insurgent unions from the Trade Union Federation.

The defiant, Communist-led unions were expelled because they refused to heed a federation ultimatum ordering them to end their wildcat strikes.

When the Communist-inspired strike offensive hit Finland last Thursday, the federation warned striking unions to end their walkouts by August 23. The deadline passed last night with Communist leaders declaring the strikes would continue.

Subject To Confirmation

The federation's executive committee then voted eight to six to toss out the four dissident unions. A conference of federation delegates is scheduled to confirm the ouster September 4.

The unions expelled were the transport workers, the food industry workers, the building construction workers and the union of log-

ges and forestry workers.

Their combined membership was estimated at about 80,000, including 30,000 Communists. The federation had about 330,000 members. Non-Communists in the expelled unions may, however, form new unions loyal to the federation, Fagerholm said.

Fifth Given Deadline

A fifth striking union, the wood-industry workers, did not receive the federation's ultimatum in time and was not included in the expulsion order. It has been told either to end its strike by August 27 or consider itself expelled. The federation also refused to sanction a bricklayers' union strike scheduled to start August 27.

Fagerholm said the formation of non-Communist unions to take the place of the expelled unions would mean "there will be two organizations in the same field of work, competing with each other. And this, in turn, will lead to anarchy and trouble on the labor market."

Assails Reactionaries

Meanwhile, the nation's ports were virtually shut down by strikes. The walkout in the building industry was about 100 per cent effective. Many workers in the trucking and food industries continued on strike.

Mrs. Hertta Kuusinen-Leino, Finland's No. 1 Communist, described the strike offensive as a "fight against the reactionaries."

In an interview published in some Finnish newspapers she said: "It is a question of the daily bread, but also something far greater—to nullify the plan created by the reaction at home and abroad against the security and freedom of our people."

Government spokesmen have described the strike offensive as a planned maneuver to create chaos, seize power and turn Finland into a Communist state. They have vowed to smash the offensive and send the Communists into a crushing defeat.

Finnish Federation Votes To Oust Four Unions

Helsinki, Finland, Aug. 24 (AP)—Finland's Central Trade Union Federation voted today to kick out four Communist-led unions which refused to stop their wildcat strikes.

The federation's executive committee voted 8 to 6 in favor of the action. The committee decided, however, to let the delegate conference of the TUF make a final decision September 4.

Observers predicted that the action might split the Finnish trade-union movement wide open.

Total About 80,000

The unions expelled were the Transport Workers, the Union of Forestry Workers and Log Floaters, the Food Industry Workers and the Building Construction Workers.

Their combined membership was estimated by a Government source at about 80,000.

A fifth striking union, the Wood Industry Workers, was not included in the expulsion edict. A TUF spokesman said they had not received the TUF ultimatum to stop their walkout by Tuesday, but were given an August 27 deadline to go back to work.

The executive committee also refused to sanction a strike scheduled by the Bricklayers Union for August 27.

As a result of the expulsions, Social Democratic workers are expected to form new unions. This cleavage may cost the federation some 40,000 members.

Prime Minister Karl August Fagerholm said today he regretted what had occurred but said the TUF had shown patience as long as possible with the Communist-dominated unions.

Fear Metal Strike

Meanwhile, observers said they feared the Communists would try to extend their strike offensive to the metal industry. This would endanger Finland's war reparations to Russia. It would affect shipbuilding yards in Turki and Helsinki which are delivering new ships to the U.S.S.R.

No one seemed certain how many workers still are out on strike. Estimates ranged from 13,000 to more than 30,000. At the peak of the six-day-old offensive, an estimated 45,000 were out.

The Helsinki workers' strike committee held an open-air mass meeting in the capital yesterday. One food industry worker claimed 10,000 were on strike in his industry.

Communists Patrol Streets

A dockworker said "tens of thousands" of stevedores were out. Most of Finland's harbors are tied up by the longshoremen's strike.

Communist strike patrols roamed Helsinki streets yesterday. Propaganda groups were active in other communities and pickets marched in the port cities.

At the outset of the labor offensive a Government spokesman described it as a maneuver to seize power and turn Finland into a Communist state.

Reds Of Slovakia Renew Fight Against Bishops

Prague, Czechoslovakia, Aug. 24 (AP)—Slovak Communist spokesmen today launched a new series of attacks upon the nation's Roman Catholic Bishops. Church authorities here believed the attacks might herald a fall offensive by the Government to win the state-church fight.

The attacks, reported by the Slovak Communist organ, *Pravda*, came after several weeks of relative quiet in the controversy. Generally they fell into two classes—accusing the Catholic leaders of having collaborated with the Nazis during the occupation and of now promoting "subversive activities" against Czechoslovakia's Communist-led government.

Considered Significant

Church sources considered the timing of the new assaults significant.

They pointed out that a bountiful harvest has now been virtually completed. While it was being gathered, the government went out of its way to keep things quiet in strongly Catholic Slovakia in order to gain the utmost co-operation from the peasants.

Now the need for wooing such co-operation is passing and the government may feel free to push ahead with its plans, not only for enacting further church controls but also with its schemes for collectivizing the farms.

Church Control Law

A broad church control law comes up for action when Parliament concludes its summer recess.

A further significant factor was that the new blasts at the church came in advance of a big week-end celebration in Slovakia sponsored by the Government to commemorate the fifth anniversary of the Slovak uprising against the Nazis.

This uprising was crushed by the occupiers, but the remnants of Slovak resistance fighters then retreated to the mountains or otherwise went underground to sabotage German communication lines.

Gottwald To Speak

The celebration will be held Saturday, Sunday and Monday and top Government figures from Prague, led by Communist President Klement Gottwald, will speak.

The theme of the celebrations is announced as "forward with the Soviet Union, then (in 1944) toward revolt and freedom, and now toward socialism."

Czechoslovak Army Outlaws Pin-Up Girls For Barracks

Prague, Czechoslovakia, Aug. 24 (AP)—The Czechoslovak army today outlawed the pin-up girl.

The army decreed that, in place of pictures of shapely cuties wearing not much of anything, the soldiers should put in their barracks "slogans, pictures of shock workers and examples of our fighting tradition."

The army newspaper *Obran Lidu* in announcing the decree said "the bathing beauty can be a model for American and British soldiers but not for the Czech soldiers of the peoples' democratic army."

The newspaper said one "model company" had been demoted already because the men posted pictures of scantily-clad women in the barracks.

Fairy Tale Princes Out

The school children of Czechoslovakia won't read about fairy tale princes any more. Instead, they'll read about Klement Gottwald, Communist leader, and president of the country.

The purging of the princes and the elevation of Gottwald to the role of a school-book hero was announced today by Bohumir Kujal, chairman of the Government's editorial committee. The committee's job is to prepare new text books to speed Czechoslovakia's educational system along the road to communism.

"Our youth is to form a permanent outlook on life according to the Marxist-Leninist teaching," Kujal said, addressing a school conference.

"We shall show our youth the great example of the president of the republic, the first worker of the state, who is leading us all to a better future.

"Our children shall no longer find their examples in the princes of fairy stories, but in the shock workers and heroes of work. The first duty of the teachers is to deepen and intensify the education of your youth toward socialism." ("Shock worker" is Czechoslovakia's equivalent of Russia's *Stakhanovite*, or above-quota producer.)

New Attacks On Bishops

Slovak Communist spokesmen, meanwhile, launched a new series of wordy attacks on Czechoslovakia's Roman Catholic bishops.

Church authorities in Prague believed they might be the forerunner of an autumn offensive by the government to win the current church-state fight.

The new attacks fell generally into two classes—accusing Catholic leaders of having collaborated with the Nazi during the German occupation, and of promoting "subversive activities" against the present regime.

Chiang Delays Meeting, Flies To Chungking

Canton, Aug. 24 (AP)—Chiang Kai-shek today flew to Chungking in an apparent attempt to foil any secret agreements between war lords of Szechwan and the Communists.

He postponed a meeting of the Kuomintang party's Emergency Council to make the trip.

Szechwan's war lords have been at odds with Chang Chun, commander of the Nationalists in Southwest China. His jurisdiction embraces the provinces of Szechwan, Kweichow, Yunnan and Sikang.

There are rumors here that Chang wishes to resign. Chiang, these rumors say, wishes to prevent this.

New Army Chief Named

In Central China, the Nationalists presented Chiang with reports of successes. Chiang named a new army chief during the day.

Gen. Pai Chung-hsi, commander in Central China, announced his counteroffensive had registered two new victories over the Communists on both eastern and western flanks of Hengyang, the Hunan province defense bastion 265 miles north of Canton on the Canton-Hankow railway.

Yuhsien, 50 miles east-northeast of Hengyang, was recaptured from the Reds, he said, by forces which had struck back from Leiyang, rail town 230 miles north of Canton. On the way they also retook Anjen, almost midway between Leiyang and Yuhsien.

On Pai's western flank, the Reds were reported thrown out of Lantien, 70 miles northwest of Hengyang.

The victories put the Nationalists in a better position in Hunan than at any time since they lost the provincial capital of Changsha early this month.

Before leaving for Chungking, Chiang named Gen. Kwan Ling-tsun commander in chief of the army, succeeding Gen. Chang Fa-kwei. Kwan, who has been superintendent of the military training center at Chengtu, was in the first graduating class of the Whampoa Military Academy. There he was a favorite student of Chiang, the academy's founder.

Lull On Northeast Front

The lull continued on the Kiangsi-Kwangtung front northeast of Canton where the Communists have come as close as 170 miles to Canton.

This city's future depends largely upon the course of battle in that area where both sides are massing forces. The Reds are preparing an invasion of Kwangtung. Canton's province. The Nationalists are setting up a counteroffensive.

In the far Northwest, the Kansu provincial capital of Lanchow was reported still in Government hands. The Ministry of National Defense said Communist attacks were continuing but their losses were heavy.

CHIANG LAYS WOES OF CHINA TO REDS

Says Chungking Will Become 'Center of Fight' Against Communist Foes

CANTON, China, Thursday, Aug. 25 (AP)—Chiang Kai-shek today blamed the "Communist International" for Nationalist China's woes and said Chungking "will again become the center for the fight against aggression."

The Nationalist Generalissimo, in a statement issued after he arrived in Chungking yesterday from this Government refugee capital, said:

"In the past four years the Communist International first robbed us of the land, people and resources of Manchuria, then extended its dark, gloomy iron curtain to North and Central China.

"Today Chungking will again become the center for the fight against aggression."

Recalling that he spent eight years in Chungking when it was the provisional capital during the war against the Japanese, Generalissimo Chiang said:

"Today I come back here as if to my birthplace and I feel a deep stirring within me."

The Generalissimo's hurried flight to Chungking reportedly was made to keep the warlords of western China from making a deal with the Communists.

By The Associated Press.

SAIGON, Indo-China, Aug. 24—French military officials said today that French parachute troops had won important victories in Indo-China, pushing Viet-Namese Nationalist units back forty-eight miles from the city of Hanoi.

The troops, dropped from fifty-one planes last week, captured the towns of Phucyen and Vinhyen, thirty and thirty-nine miles northwest of Hanoi respectively, the informants said.

They said that the operation had occurred in a "rice bowl" area a few weeks before harvest time and that the Viet-Namese Nationalists now were cut off from an important food source. Two months ago Moscow-trained Ho Chi Minh's Nationalists forces were on the outskirts of Hanoi.

Nehru Urges Soviet Accord

NEW DELHI, Aug. 24 (AP)—Prime Minister Jawaharlal Nehru said tonight it is vital for India to maintain a sound relationship with her powerful neighbor, the Soviet Union. Mr. Nehru made the statement in a farewell reception for India's eminent educator, Professor S. Radhakrishnan, newly appointed Ambassador to Moscow, who leaves next week to assume his duties.

Malaya Police At Full Strength

Kuala Lumpur, Aug. 24 (AP)—The Federation of Malay's police force is now at full strength—14,522 men—for the first time since the liberation in August, 1945.

At the time of the liberation the police force strength was 7,663, which was considered 289 below the approved prewar establishment. With the declaration of an emergency in Malaya as a result of the outbreak of a Communist campaign last year it was decided to bring the total to its present peak.

Union Officials Freed After Apology

Sydney, Australia, Aug. 24 (AP)—An Australian arbitration court today ordered the release of eight trade-union officials serving jail sentences for contempt of court.

The officials were jailed for contempt during the recent coal strike. They refused to obey orders of the court impounding union bank accounts soon after the strike began. The union leaders apologized to the court yesterday.

Appendectomy Performed At Sea

Singapore, Aug. 24 (AP)—A Royal Air Force surgeon was reported today to have performed a successful appendectomy on Douglas Semple, third engineer of the American tanker Pecos, while the vessel was sailing the South China Sea, 250 miles from Singapore.

The Pecos, which is operated out of San Francisco by Pacific Tankers, Inc., is bound for Singapore. Semple will be removed to an RAF hospital here.

An RAF flying boat took the surgeon and a nurse to the tanker yesterday.

British Represent U.S. In Canton

Canton, Aug. 24 (AP)—The British Consulate General in Canton today began representing American interests in this provisional capital area.

The action followed official closure of the American Consulate General here—the oldest American consular office in China.

The last batch of American consular officers motored to the airport and boarded a naval plane late in the day. They flew to the British crown colony of Hong Kong.

ACHESON HITS RED 'SABER RATTLING' AGAINST YUGOS

WASHINGTON, Aug. 24—(AP)—Secretary of State Acheson said today that Russia's "saber rattling" in the Balkans exposes Moscow's so called peace offensive as a giant hoax.

Acheson told a news conference communists everywhere will have great difficulty reconciling the increasingly violent attacks against Marshal Tito of Yugoslavia with Moscow's often repeated desires for peace.

That is, he said, if communists anywhere possess any intellectual honesty, which they do not.

Of course, Acheson said wryly, communists will try to pass off this saber rattling as the cooing of a dove.

But, he added with a smile, it seems that the dove has a somewhat sore throat. Acheson's remark touched off a burst of laughter among newsmen attending his conference.

Tito Warned By Reds

The secretary spoke out on the Yugoslav situation a few days after Radio Moscow and satellite spokesmen bluntly warned Marshal Tito he will have to pay with his head for splitting the communist ranks in the Balkans.

During the past few days, Moscow's denunciations of Tito have reached such a fever pitch that dispatches from Belgrade speculated on the possibility of an invasion of Yugoslavia by Russian and satellite armies.

Acheson declined to give his interpretation of the significance of the barrage of accusations that Moscow has been aiming at Tito recently. He asserted, however, that the State department is carefully following all developments.

Ambassador Confers

Yugoslavia's Ambassador, Sava Kosanovic, has conferred twice during the past week with Acheson and other high State department officials. But each time he told reporters he talked about general economic problems and not politics.

State department experts connected with Yugoslav affairs said they do not believe the Soviet diplomatic attacks against Tito are a preliminary to imminent armed action against Yugoslavia by Russia.

Rather they said they believed the bitter criticisms are a maneuver to worry Tito and at the same time stir up a revolt to replace him with a communist willing to take Moscow's orders.

Russia, they reason, will not risk outright war against Yugoslavia at present for fear of the repercussions it would create in the United Nations and in non-communist nations everywhere. They have not ruled out the possibility, however, that an unforseen incident might mushroom into a war.

ACHESON DENIES FACTS WITHHELD IN CHINA REPORT

WASHINGTON, Aug. 24—(AP) Secretary of State Acheson sharply rejected today charges by Rep. Judd (R-Minn) that the State department tried to make itself look good by suppressing important documents on American relations with China.

He also released some of the documents Judd had referred to.

Acheson declared at a news conference that the "White Paper" published Aug. 5 is a "fair and honest" record.

Although Judd argued otherwise, Acheson said the white paper shows that the State department fully understood the "true nature" of the communist movement in China.

1,000 Word Statement

Acheson's lengthy reply to Judd consisted of a 1,000-word statement and an 1,800-word rejection of Judd's 16 points of criticism of the white paper.

Last week Judd reviewed the white paper in a House speech. He contended that various pieces of vital information had been withheld.

On Saturday Judd released conclusions which he said came from a military estimate of the Chinese situation in 1945.

The military estimate, he said, did not appear in the white paper. Judd maintained that it had stressed the Moscow connections of the Chinese communists and indicated a different development of American policy toward China than that which actually occurred.

Judd has long been an advocate of aid to the Chinese nationalist government.

Acheson said in his statement that "it is insinuated that documents were deliberately omitted in order to falsify the record."

Not Supported by Evidence

"These insinuations are not supported by any evidence," he said. "They could not be supported because there is not an iota of truth in them."

Acheson said that it was impossible to publish all the papers bearing on the subject but that those in the record published Aug. 5 were a "fair and objective sampling."

Acheson said that the military report to which Judd had referred presumably was a paper by the military intelligence division of the War department. It was dated July 1945 and entitled "The Chinese Communist Movement."

Said Acheson:

"I have just obtained a copy of a so-called summary of this report "which was never previously submitted to the Department of State.

"It is my understanding that this summary represented the views of the officer who wrote it and not of the War department and was therefore not circulated."

SAYS SOVIET DOVE HAS SORE THROAT

Washington, Aug. 24 (A. P.)—Secretary of State Acheson declared today that Communists the world over would have difficulty reconciling Russia's violent diplomatic attacks on Marshal Tito of Yugoslavia with the Soviet peace offensive.

He told a news conference that of course the Communists would try to pass off the sword rattling of the Soviet as the cooing of a dove. But the dove seemed to have a somewhat sore throat, he said.

Acheson did not spell out what he meant in using the term Soviet peace offensive. For many months, however, Moscow-led Communist parties have held rallies and built their propaganda lines on the argument that Western "imperialists" and "warmongers" want to start a third world war while the Soviets, heading the forces of peace, are blocking them.

Truman Signs Atlantic Treaty In Simple White House Ceremony

WASHINGTON, Aug. 24 (AP)—In a simple White House ceremony, the United States today committed itself through the Atlantic pact to resist any attack on western Europe.

Russia was thus confronted with one of history's greatest peacetime combinations of potential military power.

The final steps necessary to bring the 12-nation alliance legally into existence were taken in President Truman's oval office in the presence of Secretary of State Acheson, Defense Secretary Johnson and diplomats representing most of the other member nations.

France Ratifies Pact

Ambassador Henri Bonnet of France first presented to Acheson notice that France had ratified the treaty requirements for its coming into force and the president signed a proclamation declaring the pact in existence.

In a statement, the chief executive declared that "no treaty nation need fear the results of our cooperation" under the treaty which he described as a purely defensive arrangement within the framework of the United Nations charter.

"By this treaty," he declared, "we are not only seeking to establish freedom from aggression and from the use of force in the North Atlantic community, but we are also actively striving to promote and preserve peace throughout the world."

He also asserted that "this is a momentous occasion not only for all the signatories of the treaty but for all peoples who share our profound desire for stability and peaceful development."

His signature on the proclamation at 11:42 A.M., Eastern Standard Time, brought into force a pledge by all 12 pact nations to take whatever action each considers necessary to resist an attack on any one of them.

Council to Meet

The first moves to establish an organization charged with coordinating the defenses of the whole western world, from Alaska to Norway and from the American west coast to Italy, were already underway in the State Department. Diplomats representing the 12 nations were preparing plans for a meeting of the "council" of the North Atlantic Treaty which is expected to be held here by mid-September. The council will establish a defense committee, to be responsible for developing a grand strategic plan of defense.

While the terms of the pact are general and will apply to any attack against any of the member nations for at least 20 years, the alliance actually is the western answer to any threat of Russian aggression against western Europe. It was entered into by the United States for the specific purpose, according to official statements, of giving western Europeans a greater sense of security so that they might go forward more confidently with the European recovery program.

Navy Official Suspended For Starting B-36 Probe

Cedric Worth, Aide to Under-Secretary, Admits Filing Anonymous Report

WASHINGTON, Aug. 24. — (AP) A U. S. Navy official was suspended today after admitting he wrote an anonymous memo darkly implying that the Air Force's B-36 superbomber program was a billion-dollar lemon foisted on the taxpayers by "unscrupulous" men.

The official is Cedric R. Worth, former movie script writer and newspaperman who became special assistant to Undersecretary of the Navy Dan Kimball.

Less than four hours after he testified before the House Armed Services committee, Secretary of the Navy Matthews announced his suspension "pending further investigation."

Victory For Air Force

His testimony had caused somewhat the same sensation as if a Navy torpedo had boomeranged. It was considered a major round for the Air Force in its never-ending struggle with the Navy for strategic bombing assignments. This was so because:

1. The memo had formed the basis for charges that the B-36 program, which is costing more than a billion dollars, resulted from political connivance between such men as Louis A. Johnson, now secretary of defense; Floyd Odlum, financier whose Atlas corporation controls the company making the B-36, and Air Secretary Symington.

2. An investigation launched by the House committee has turned up testimony mostly favorable to the B-36. Generals have testified that while some officers once had doubts about it, it is now considered an extremely potent weapon, relied upon to carry the atom bomb to the enemy in case of war.

3. Secretary Johnson, Symington and others have roundly denounced the charges and said their only thought was the country's welfare. Many legislators came to the conclusion that the charges had turned out to be a dud.

For days, rumors had circulated on Capitol Hill that Worth was the author of the mysterious memo. Today Joseph Keenan, counsel to the House committee, threatened to resign unless the author were named and called to the stand. He said everybody seemed to know who wrote the paper except the committee staff.

Admits Writing Memo

Chairman Vinson (D-Ga) then called Worth, who said simply:

"I wrote it."

He said he did so at the request of Democratic Representative Charles B. Deane (NC). He said Deane told him last spring of disturbing reports about the B-36 and "asked me to compile everything I had heard."

Worth said that Rep. Deane wanted the information for the benefit of Jonathan Daniels, Raleigh, N. C., newspaper publisher who was considering taking the position of Secretary of the Navy.

Chairman Vinson asked Worth what his motive was in preparing the document, part of which was placed in the records of the hearing Aug. 9.

Worth replied: "I was greatly concerned and concluded that the defenses of the country were going into the wrong direction and were being weakened by propaganda that is not true."

He said he gave copies of the paper to Deane, Rep. Van Zandt (R-Pa), Senator Bridges (R-NH), and to airplane manufacturer Glenn Martin of Baltimore, who turned it over to Senator Tydings (D-Md), chairman of the Senate Armed Services committee.

It was Rep. Van Zandt, a Navy veteran of both world wars, who sparked the drive for the investigation.

Talked With Martin

Vinson asked Worth if he contacted any aircraft firm to get information.

"I talked with Glenn Martin," Worth replied.

Martin's company at Baltimore does not make the B-36. The B-36 is manufactured by the Consolidated Vultee Corp., at Fort Worth, Tex.

As the committee ferreted out the source of this document, Gen. Omar Bradley, chairman of the joint chiefs of staff, put his stamp of approval on the merits of the big B-36.

Bradley said the B-36 is "the best bomber available when you consider its range, altitude and takeoff abilities."

Questioning of Bradley also brought out that he feels strategic bombing "would be more effective if we operated from bases closer to our targets"—such as bases overseas.

But in answer to whether the nation has such bases abroad, Bradley said he preferred not to answer the question specifically—obviously on grounds of security. He was not pressed for an answer.

Bradley said, too, that he thinks the Air Force now is in "proper balance" with respect to the numbers of various types of aircraft.

Although Bradley put his okay on the B-36, he cautioned against too much reliance on air power.

"A defense based on air power alone would be a very dangerous defense," he said.

House Committee members peppered Worth with questions about his memorandum.

Quizzed on Motives

Chairman Vinson asked if Worth considered everything in the document as true. Worth said "the facts are."

Vinson asked: "is it true that Odlum contributed $1,500,000 to the Democratic campaign last fall?"

"That was not stated as a fact," Worth said.

"What was your motive in putting that in?" Vinson pressed.

Worth said he couldn't remember.

Vinson asked where Worth got the information about the contributions.

"I don't know. I don't remember," Worth replied.

Secretary Johnson, who was fund raiser for the Truman campaign last fall, has testified that Odlum contributed only $3,000.

Worth said that his boss, navy undersecretary Kimball, didn't know he was working on the memo. He said he didn't talk to Kimball about it until three or four days ago and that Kimball then "expressed surprise."

STUDY ORDERED OF SPARE ARMS TO AID EUROPE

Senate Groups Want Data Before Vote on Limiting Surplus Grants.

Washington, Aug. 24 (A. P.).—A quick study to see what surplus arms this country can spare for Western Europe was ordered today.

The order, from the Senate Foreign Relations and Armed Services committees, was prompted by a proposal from Senator Russell (D.-Ga.) to limit to $450,000,000 the amount of surplus arms to be sent to European members of the Atlantic alliance.

Russell's amendment to President Truman's arms aid program came up at a closed session of the combined committees. They are preparing the military assistance bill for Senate consideration.

Sub-Committee Named.

Senator Tydings (D.-Md.), chairman of the Armed Services Committee told reporters after the session that a sub-committee was appointed to discuss arms values with officials of the Department of Defense. He said the combined committees want definitions of surplus, reserve and other terms used in this field.

The sub-committee is composed of Senators Tydings, Russell, Saltonstall (R.-Mass.) and Knowland (R.-Cal.). Tydings said it hoped to confer with defense officials today to be ready to report to the full committee tomorrow morning.

The President's program, in addition to authorizing the spending of $1,160,990,000 cash on arms for European members of the Atlantic alliance, provides that surplus arms which originally cost $450,000,000 may be sent to the same countries. Approximately $77,000,000 of the proposed cash outlay is earmarked to repair and ship these surplus arms.

Tydings said the committees ran into several questions among them "what is surplus?" and decided to seek answers before proceeding.

Senator Connally (D.-Texas), chairman of the Foreign Relations Committee observed: "In handling this we want to preserve our own national defense at home and not deplete it."

Tydings said the committees wanted to find out, among other things, whether "we have enough to meet our needs."

He told reporters the combined committees did not reach the controversial question of arms aid for non-Communist China at today's session.

Knowland was pushing hopefully to put Chinese aid into the program.

JOHNSON TO URGE FURTHER CUTS IN MILITARY BUDGET

Firing of 135,000 Civilians Only a Starter, Defense Head Asserts

LAWMAKERS PROTEST

$1,500,000,000 Reduction in Military Spending Will Be Sought

By FRANCIS J. KELLY

WASHINGTON, Aug. 24 (AP)—Secretary of Dfense Johnson slammed a massive brake on military spending today amid pained cries from lawmakers.

Johnson ordered:

The firing of 135,000 civilian employes of the Army, Navy and Air Force.

The locking up of 50 installations, ranging from Navy yards to recruit training camps, and heavy reductions in many others.

Whacking 12,000 reserve officers off the active duty list.

It was the most drastic military economy move since the reductions at the end of World War II. It is expected, Johnson's office said, to save $200,000,000 between now and next June 30, and $500,000,000 a year thereafter.

Just A Starter

Moreover, the reduction was reported to be just a starter.

Johnson is aiming at an additional cut of $1,500,000,000 in the military budget for the next fiscal year which begins July 1, 1950. Even with that pruning and paring, military spending would account for $13,400,000,000 of the national budget. But further deep cuts would be needed to effectuate the $1,500,000,000 saving.

The defense secretary broke the news to Congress members at a gloom ridden conference at his Pentagon building headquarters. Special invitations went out to congressmen whose districts would be mostly directly affected.

Their groans were anguished, keen, and quick. Cut somewhere else, they urged; make the reductions in overseas forces, "fire the flunkies and baby-sitters."

But Johnson told them he wasn't going to tolerate "a defense WPA". He said he aimed to give the country a dollar's worth of defense for every dollar Congress provided for that purpose.

Some Laud Move

Here and there, a few lawmakers applauded the move, on the theory that saving a million here and a million there soon counts up.

One of these was Senator Byrd, (D-Va), who has been thumping his economy drum for 15 years.

Although Navy cuts alone wipe out 2,803 jobs in his home state, Byrd said Johnson's move was great stuff.

"It is the first honest-to-goodness effort that has been made toward reduction in government personnel during the 10 years I have been chairman of the joint committee on reduction of nonessential federal expenditures," Byrd said.

He added he is convinced that Johnson has worked out "a fair and equitable adjustment in consideration of the requirements of national defense."

On the other hand—Rep. Rankin (D-Miss), called the reduction of Air Force programs "absolutely unjustified."

Senator Pepper (D-Fla), warned that the corner grocer, other merchants and the landlords are going to be affected, too, when 135,000 breadwinners lose their jobs.

Rep. Sikes (D-Fla), Senator Knowland (R-Calif), and others protested scheduled cutbacks at individual installations.

Rep. August H. Andresen (R-Minn), commented tartly that the defense establishment spent an estimated $1,000 on telegrams and other notices to members of Congress advising them of the Pentagon meeting. He said that didn't seem to indicate a desire to save money.

Navy Hit Hardest

As had been widely predicted in advance, the Navy took the hardest blow. The civilian personnel cuts broke down this way:

Navy, 76,000.

Army, 41,000.

Air Force, 18,000.

The Navy shipyard at Long Beach, Calif., now employing 5,800 persons, was ordered cut to 400, which puts it practically on a custodial basis. One reason the big cut was ordered, the Navy explained, is that man-made Terminal Island, on which the yard is located, is slowly sinking into the Pacific Ocean.

California appeared to be hit harder than any other state by the Navy's decisions. Fifteen hundred employes are to go at the Oakland naval supply center: 864 at Moffett field; 499 at the San Pedro supply depot; 1,165 at the Marine Corps air station at Santa Ana.

California was not alone, however. Brooklyn Navy yard is to sustain a cut of 3,385, nearly a third of its present employes. The Naval base at Philadelphia loses 2,114. The payroll of the Naval shipyard at Portsmouth, N. H., drops from 5,340 to 4,100.

New Hampshire's Senator Tobey, a Republican, said he stood up to Johnson and told him "this is a poor time to throw 135,000 persons out of work. It will place them in a desperate economic situation."

9 Air Bases Cut

Nine Air Force bases were cut down to a caretaker basis, with 12 men on duty at each. This includes bases at Colorado Springs, Colo.; Orlando, Fla.; Salina, Kas.; and Bangor, Maine.

The Army's Camp Chaffee, in Arkansas, is to be closed by next April 15. Camp Jackson, S. C., goes out next year; so do Camp Kilmer, N. J., Camp Ellis, Ill., and miscellaneous other installations scattered over the United States.

Deep as the cuts are, they still leave 770,000 civilians on the payrolls of the three services. After the reductions, the Army will have 336,000, the Navy 283,000 and the Air Force 151,000.

Johnson told the Congressmen that the economy program resulted from studies made by the three individual services. They themselves told what cuts could be made in their operations.

Of the reserve officers who are to be returned to inactive status, 5,787 are in the Army, 3,157 in the Navy and 3,129 in the Air Force.

In announcing the cuts, Johnson bluntly told the lawmakers that they know as well as he does that there have been persons employed in defense jobs who didn't render a nickel's worth of service. The waste has been terrific, he said, adding:

"So help me God, I pledge to stop it."

Senator Ferguson (R - Mich) spoke out in favor of the economy move. He said he thinks private industry can absorb those laid off.

"More of us ought to be for this program instead of looking at our particular district," he chided. "Geography counts, but America counts more."

Senator Hunt (D-Wyo) also congratulated Johnson on his decision. Hunt said that many of the installations were built for wartime needs, and "we all realize that the prospect of war now is not what it was a year or so ago."

Total Arms U.S. Can Spare To Be Studied

Washington, Aug. 24 (AP)—A quick study to see what surplus arms this country can spare for western Europe was ordered today.

The order, from the Senate Foreign Relations and Armed Services committees, was prompted by a proposal from Senator Russell (D., Ga.) to limit to $450,000,000 the amount of surplus arms to be sent to European members of the Atlantic alliance.

Russell's amendment to President Truman's arms aid program came up at a closed session of the combined committees. They are preparing the military assistance bill for Senate consideration.

Seek Definitions

Chairman Tydings (D., Md.) of the Armed Services Committee, said after the session that a subcommittee was appointed to discuss arms values with officials of the Defense Department. He said the combined committees want definitions of surplus, reserves and other terms used in this field.

The subcommittee is composed of Senators Tydings, Russell, Saltonstall (R., Mass.) and Knowland (R., Cal.). Tydings said it hopes to confer with defense officials today and to be ready to report to the full committee tomorrow morning.

The President's program, in addition to authorizing the spending of $1,160,990,000 cash on arms for European members of the Atlantic pact, provides that surplus arms which originally cost $450,000,000 may be sent to the same countries.

For Repair And Shipment

About $77,000,000 of the proposed cash outlay is earmarked to repair and ship these surplus arms.

Tydings said the committees ran into several questions, among them "what is surplus?" and decided to seek answers before proceeding.

Chairman Connally (D., Texas), of the Foreign Relations Committee, observed:

"In handling this we want to preserve our own national defense at home and not deplete it."

Tydings said the committees want to find out, among other things, whether "we have enough to meet our needs."

Aid To China Not Discussed

He said the combined committees did not reach the controversial question of arms aid for non-Communist China at today's session.

Senator Knowland was pushing hopefully to put Chinese aid into the program.

He has been plugging for this goal for weeks. Observers say that now it is at least in sight.

Atlantic Alliance in Effect

Frenchman Hands Ratification to Truman in White House Ceremony for Twelve Nations.

Washington, Aug. 24 (A. P.).—The twelve-nation Atlantic pact, binding North America and Western Europe in a common defense alliance, went into force here today.

The historic moment came at 12:42 P. M., when President Truman signed a proclamation declaring the treaty to be in effect. High officials of this country and most of the eleven other pact nations witnessed the signing at a White House ceremony.

Threat of Aggression.

Though the alliance was frankly formed under the threat of Russian aggression, Mr. Truman said in a statement that no nation need fear the results of the cooperation of the western Powers.

"This is a momentous occasion, not only for all the signatories of the treaty," Mr. Truman said, "but for all peoples who share our profound desire for stability and peaceful development. By this treaty we are not only seeking to establish freedom from aggression, and from [illegible] of force in the North [illegible]antic community, but we are also actively striving to promote and preserve peace throughout the world."

Standing immediately behind Mr. Truman, at the big desk in his oval office, was Henri Bonnet, French Ambassador, who had just deposited his country's ratification, by which the French Government formally notified the American Government that it adhered to the pact. The treaty, signed last April 4, pledges the twelve Allies to strike back in the case of an attack against any one of them.

Senators Demand D.P. Bill Action

Washington, Aug. 24 (AP)—An effort to force a House-passed bill liberalizing the displaced persons act out of the Senate Judiciary Committee was initiated today by top Senate leaders of both parties.

Democratic Leader Lucas, of Illinois, Senator Taft, of Ohio, chairman of the Senate Republican Policy Committee, and others introduced a resolution to discharge the committee from further consideration of the measure.

The resolution, if approved by a majority of the Senate, would have the effect of taking the legislation away from the committee and putting it before the Senate.

House Bill Provisions

Lucas said the bill passed by the House would permit the entry of "many more persons with Catholic and Jewish backgrounds. It also would increase the number of displaced persons who could be admitted to this country from 205,000 in two years to 339,000 in three years.

Besides Lucas and Taft, senators who joined in introducing the resolution were Ferguson (R., Mich.), Alexander Smith (R., N.J.), Magnuson (D., Wash.), McMahon (D., Conn.), Myers (D., Pa.), Morse (R., Ore.), Saltonstall (R., Mass.), Ives (R., N.Y.), Douglas (D., Ill.), Neely (D., Wa.Va.), Graham (D., N.C.), Dulles (R., N.Y.).

Truman Drops U.S. Bars To Orphan, Bride-To-Be

Washington, Aug. 24 (AP)—President Truman agreed with Congress today that the gates of this country should open for the 25-year-old Japanese bride-to-be of a former Army corporal and a 7-year-old Greek war orphan.

He signed two special congressional acts that removed usual immigration restrictions barring their entry.

Eiko Nakamura, formerly employed by United States Army headquarters in Tokyo, is the bride-to-be. She is to marry James L. West, of Carabelle, Fla., 31, who met her while on army duty in Japan.

Vasilios Kotsakis is the 7-year-old Greek war orphan who will find a new home here with his uncle and aunt, Mr. and Mrs. Nick Canelis, of Billings, Mont.

HOUSE LETS 2 WARORPHANSIN

Boy, As Baby, Thrown By Mother From Nazi Death Train

Washington, Aug. 24 (AP)—A small boy whose mother saved him from extermination by pitching him from a train headed for a Nazi death camp was given permission of the House today to become a United States citizen.

The child, now 7 years old, is living in Canada awaiting action by Congress to let him enter the United States for adoption by Mr. and Mrs. Morris L. Shafer, of Detroit.

The Shafers obtained the child, known as Itzchak Shafer, from a French orphanage. He reached the orphanage by way of Poland. The House Judiciary Committee, which approved the bill, said the child was thrown by his mother from a prison train headed for Germany when he was 2 years old.

No one sems to know where he was born or what happened to his mother.

Before the child can be admitted to this country there must be a legal determination of his birthplace so immigration and quota regulations can be met.

The bill the House passed and sent to the Senate says that for the record, at least, Itzchak is a Frenchman.

The House passed and sent to the Senate another bill to permit a Spanish war orphan to come to the United States to live with her foster parents, a University of Kansas professor and his wife.

The child is Hermina Ricart, 15, who now is living in England. She was adopted thirteen years ago in Spain by Mr. and Mrs. Domingo Ricart, who since have come to the United States, where Ricart is a language teacher at the University of Kansas.

The Ricarts found her in an orphanage where she was taken after her home and family were bombed.

Without a special act of Congress, the child can't come to the United States until there is a Spanish quota vacancy.

Jessup Calls On Russia to Drop 'Dream' of Rule

Says in Address to V. F. W. That U. S. Co-operation Awaits a Peaceful Move

MIAMI, Aug. 24 (AP)—Phillip C. Jessup, American ambassador at large, called on Russia's leaders today to give up their "dream of world domination." History records that this ambition has led "such blind dreamers" to destruction, he said.

The United States is prepared to offer Moscow a full share in international co-operation if the Russians will work together in peace with other nations, Mr. Jessup declared. But he added: "We are not going to exchange arms for empty promises."

"Domination and Dictation"

Mr. Jessup, one of Secretary of State Dean Acheson's highest ranking assistants, addressed the national convention of the Veterans of Foreign Wars. He said Russia's leaders believe in the tactics of "domination and dictation" in dealing with other nations—"as did Hitler."

In contrast, he said, the United States is fighting with like-minded nations for "freedom and a good life" for all peoples of the world.

"Unlike the Soviet Union, we do not want more territory or subject peoples," he said. "We want all peoples to be free and prosperous because we believe that progress means a united move upward rather than climbing on the backs of others who are pushed down."

Mr. Jessup, who often represents Mr. Acheson at international conferences, said Russia thus far has not only been "obstructive, but aggressively so" in opposing the efforts of the Western nations to insure peace and international security by international co-operation through such organs as the United Nations.

Denies Rivalry For World

"One of the plain facts in the present situation is that the Soviet Union is contemptuous of weakness but respects strength," he noted. "We are not trying to conquer Russia. We are not rivals for the domination of the world because we do not want to dominate the world.

"If their government will abandon the dream of world domination, which throughout history has destroyed such blind dreamers, a full share in international co-operation will be theirs."

Mr. Jessup extended his criticisms to Communists all over the world who, he said, are trying to "capture the mind and spirit of men so that they can then enslave them by the ruthless totalitarian methods which kill the spirit, darken the mind and torture the body."

Chattanooga, Tenn., Aug. 24 (AP). A 16-year-old native of Nigeria wrote the Chattanooga *News Free Press:* "I have a very keen desire to have pen pals in your country of both sexes.

"I collect American dollars as my hobby.

"Please tell the writer to enclose dollars when writing to me . . ."

For pen pals who can afford it, the newspaper today published the address: Bob Anderson, 27 Evans street, Lagos, Nigeria, British West Africa.

Caldwell Saucer Link Is Denied

Las Vegas, Nev., Aug. 24 (AP)—An attorney for Jonathan Caldwell, mysterious inventor of unorthodox aircraft, declared today her client had nothing to do with flying saucers.

The attorney, Emilie Wanderer, said right now Caldwell is experimenting with a machine he calls the roto-wing, a helicopter sort of arrangement.

When two of Caldwell's earlier disk-type projects were found in an abandoned tool shed near Glen Burnie, Md., last week, Air Force officials started wondering.

For the past nine years, Mrs. Wanderer said, Caldwell has lived in Las Vegas, Reno, Nev., and Manhattan Beach, Cal. His wife, Olive Elizabeth Caldwell, lives in Las Vegas now.

The inventor left Maryland, his attorney said, because he couldn't get backing for his saucer-style flying machines. Caldwell has been studying the flight of birds for the past twenty years, she explained, and his latest creation, the roto-wing is a product of that study.

General Clark Favors Strong Alaska Defense

San Francisco, Aug. 24 (AP)—Gen. Mark W. Clark, new chief of Army field forces, said todal "from my point of view the more troops we have in Alaska, the better."

At a press conference after the Washington announcement of his elevation from commanding general of the Sixth Army, Clark in answer to questions said:

"I think it (Alaska) is a very important strategic area. We should be prepared to take care of its defense. I hope to have the opportunity of going up there very promptly to see what the situation is."

Canada Consulted

The general said the Army is in contact with the Navy, the Air Force and the Canadian Government on Alaska problems.

"All our plans for defense of the northwest are being integrated," he added.

Commenting on the order of Louis Johnson, Secretary of Defense, today to reduce civilian personnel at military establishments, Clark said he had anticipated the move and already had taken steps to reduce army civilians pay rolls in the 6th Army area.

Clark also said that after a recent survey of all land the Army owns in the western states, he has recommended that "considerable" portions of military property be declared surplus.

Backs Guard And Reserves

Clark in his new post will be responsible for training programs of the military forces. He expressed his interest in the National Guard and the Reserves.

"Enlisted men in reserve training should be considered as officer candidates when they go to camp," he said. "They should be given an opportunity to train in their specialties."

Clark also said he believed enlisted men and officers in reserve training should be treated equally.

COMMUNISTS ASK MISTRIAL

Defense Charges Juror With Prejudgment On Case

New York, Aug. 24 (AP)—The defense today asked a mistrial in the 31-week-old Communist conspiracy trial on grounds that one juror long ago decided the eleven top Communist leaders were guilty.

The Government immediately promised an all-out legal fight to save the trial, which has cost it well over $1,000,000.

Federal Judge Harold R. Medina adjourned the hearing overnight to give undivided attention to the defense charges.

The defense accused Russell Janney, a juror, author of the best-selling novel "Miracle of the Bells," of showing bias against the Communist leaders even though he had sworn in advance of the trial to keep an open mind.

3 Alternates Available

The defense sought to prove also that he prejudged the defendants guilty and "may well have attempted to communicate his prejudice to the other jurors."

Three alternates still are available if Judge Medina should decide to dismiss Janney and continue the trial. The defense said the elimination of Janney would not satisfy it.

"The Government will oppose the (mistrial) motion in all respects," said John F. X. McGohey, United States Attorney, who has been pressing the case since last January 17.

Defense displeasure with Janney's service became apparent yesterday at a private conference in Judge Medina's chambers.

Today George W. Crockett, Jr., defense attorney, moved for a mistrial. The jury was out of the courtroom.

Say He Discussed Case

"Russell Janney has flagrantly and repeatedly violated the instructions of the court," Crockett argued, "by discussing the case with various persons and by reading newspapers and periodical literature dealing therewith."

The defense mistrial motion was based in large part on an affidavit from Carol Nathanson, who identified herself as an actress and singer. She repeated conversations purportedly occurring when she

30.24- 5235

visited Janney's New York office. He is a theatrical producer.

Miss Nathanson in her affidavit said Janney once called her a Communist. She neither confirmed nor denied the accusation in the affidavit.

Quoted On Jury Pay

Janney was quoted by Miss Nathanson, in the affidavit, as saying: "The jury likes the trial—they make $10 a day sitting there—they were mad at the layoff—they don't get paid for days off, of course."

Miss Nathanson said she jokingly suggested Janney organize the jurors into a union that could draw time and a half overtime pay.

"I am," she said he replied.

"I don't know what he meant," she added.

On last July 2, Miss Nathanson's affidavit alleged that Janney said:

"How can you believe anything they (the defendants) say on the witness stand—you don't know when they're lying and when they are telling the truth."

AT HIS NEWS CONFERENCE YESTEGDAY ADENAUER PREDICTEDMTHE ALLIES WILL SOON BEGIN TO CONSULT THE NEW GERMAN GOVERNMENT ON QUESTIONS WHICH THE ALLIES USED TO DECIDE WITHOUT CONSULTING GERMANS.

HE SAID "THE ALLIES ARE NOW NEGOTIATING THE QUESTION WHETHER GERMANY SHOULD BE DEFENDED ON THE ELBE RIVER (WEST BORDER OF THE RUSSIAN ZONE) OR ON THE RHINE (NEAR GERMANY'S WESTERN BORDER."

"THIS DECISION INVOLVES THE FATE OF 45,000,000 GERMANS," HE SAID. "THEREFORE A WEST GERMAN GOVERNMENT WILL HAVE TO TRY TO COME IN CONTACT WITH THE ALLIED GOVERNMENTS. I CAN NOT IMAGINE THAT THE ALLIES WOULD SIMPLY BYPASS THE GERMAN GOVERNMENT ON SUCH A DECISIVE MATTER."

FIRST LEAD MANSTEIN

HAMBURG, GERMANY, AUG. 24-(AP)-COUNSEL FOR ERICH VON MANSTEIN SAID TODAY RUSSIA'S FORCED LABOR PRACTICES WILL BE CITED IN DEFENSE OF THE FORMER GERMAN FIELD MARSHAL WHO IS ON TRIAL FOR WAR CRIMES BEFORE A BRITISH MILITARY TRIBUNAL.

THE 17 WAR CRIMES CHARGES AGAINST VON MANSTEIN INCLUDE ACCUSATIONS THAT HE ILLEGALLY COMPELLED RUSSIANS TO DO FORCED LABOR.

"OUR LINE WILL BE THAT NO NATION CAN COMPLAIN OF PRACTICES WHICH SHE HERSELF CARRIES OUT," DEFENSE ATTORNEY R.T.PAGET SAID. HE CONTENDED SUCH A JUDGMENT WAS GIVEN AT THE NUERNBERG INTERNATIONAL TRIBUNAL REGARDING SUBMARINE WARFARE.

EARLY THIS MONTH A BRITISH DELEGATE TO THE UNITED NATIONS ECONOMIC AND SOCIAL COUNCIL AT GENEVA, SWITZERLAND, CHARGED THAT ABOUT 10,000,000 PERSONS HAVE BEEN SENT TO FORCED LABOR CAMPS IN RUSSIA FOR POLITICAL DIFFERENCES WITH THEIR GOVERNMENT. THE DELEGATE, CORLEY SMITH, CHARGED THAT RUSSIA HAS ORGANIZED SLAVE LABOR ON A MASS PRODUCTION BASIS.

VON MANSTEIN PLEADED INNOCENT TO THE CHARGES AGAINST HIM. THE READING OF THE 39-PAGE INDICTMENT BEGAN AT THE OPENING OF HIS TRIAL YESTERDAY BUT WAS NOT COMPLETED UNTIL TODAY BECAUSE OF INTERRUPTIONS CAUSED BY LEGAL ARGUMENT.

THE PROSECUTOR, SIR ARTHUR COMYNS-CARR, SAID IN HIS OPENING ADDRESS THAT THE PROSECUTION WOULD PRODUCE CAPTURED GERMAN DOCUMENTS WHICH WOULD GIVE A "TERRIBLY VIVID PICTURE OF WHAT WENT ON" IN VON MANSTEIN'S VARIOUS COMMANDS IN POLAND AND RUSSIA.

THE 61-YEAR-OLD FORMER WEHRMACHT OFFICER IS CHARGED WITH WAR CRIMES ALLEGEDLY COMMITTED WHILE HE SERVED IN VARIOUS HIGH COMMANDS IN POLAND AND RUSSIA DURING WORLD WAR II.

THE CHARGES INCLUDE MASS EXTERMINATION OF JEWS; ATROCITIES AGAINST POLISH CIVILIANS AND WAR PRISONERS; FORCIBLY EMPLOYING RUSSIAN WAR PRISONERS ON WORK CONNECTED WITH MILITARY OPERATIONS AND FORCIBLY RECRUITING THEM TO FIGHT AGAINST THE SOVIET ARMY.

BY GEORGE BOULTWOOD

HAMBURG, GERMANY, AUG.24-(AP)-FORMER GERMAN FIELD MARSHAL ERICH VON MANSTEIN TODAY WAS DESCRIBED AS A WILLING TOOL OF HITLER IN THE MASS EXTERMINATION OF NAZI VICTIMS DURING WORLD WAR II.

PROSECUTOR SIR ARTHUR COMYNS-CARR TOLD A SEVEN-MAN BRITISH WAR CRIMES TRIBUNAL VON MANSTEIN WAS "CRIMINALLY RESPONSIBLE" FOR CARRYING OUT THE HUMAN EXTERMINATION POLICY IN POLAND AND RUSSIA.

"THE ACCUSED GAVE HIMSELF UNSPARINGLY FOR ALMOST FIVE YEARS OF HITLER'S CAMPAIGNS TO THE SERVICE OF THIS BARBAROUS (EXTERMINATION) POLICY AND WAS ONE OF ITS PRINCIPAL EXECUTANTS," SAID THE PROSECUTOR.

IF VON MANSTEIN HAD OBJECTED TO THE "ILLEGAL AND BRUTAL ORDERS" HE RECEIVED, HE MIGHT HAVE GOT HIS OWN WAY, SIR ARTHUR SAID.

VON MANSTEIN PLEADED INNOCENT TO A 17-COUNT INDICTMENT COVERING 243 INCIDENTS IN WHICH AN ESTIMATED 500,000 POLES AND RUSSIANS, BOTH SOLDIERS AND CIVILIANS, WERE SLAUGHTERED BY TROOPS UNDER VON MANSTEIN'S COMMAND. MANY OF THE VICTIMS DIED DURING THE PERIOD WHEN THE VICTORIOUS VON MANSTEIN WAS PROMOTED TO FIELD MARSHAL FOR HIS CONQUEST OF THE CRIMEA.

SIR ARTHUR SAID THE DEFENDANT NOT ONLY FAILED TO PREVENT HIDEOUS ATROCITIES DURING THE NAZI INVASION OF POLAND, BUT ADDED SUPPLEMENTARY ORDERS OF HIS OWN THAT MADE MATTERS WORSE FOR THE VICTIMS.

VON MANSTEIN'S COUNSEL, R.T. PAGET, INDICATED HE WOULD CITE RUSSIA'S FORCED LABOR PRACTICES AND ARGUE THAT NO NATION CAN COMPLAIN ABOUT PRACTICES IT CARRIES OUT ITSELF.

BELGRADE, AUG. 24-(AP)-YUGOSLAVIA DENIED OFFICIALLY TONIGHT ANY PART IN A PURPORTED PLOT TO CARVE UP LITTLE NEIGHBORING ALBANIA UNDER AN AGREEMENT BY WHICH IT WOULD ACQUIRE PART OF THE TERRITORY WITH THE BALANCE GOING TO GREECE.

IN A STATEMENT ISSUED THROUGH THE MINISTRY OF INFORMATION, MARSHAL TITO'S GOVERNMENT SAID IT WANTED NO PART OF ALBANIA'S TERRITORY AND THAT ON THE CONTRARY, IT HAS PROTECTED ALBANIA'S INTERESTS IN THE PAST IN INTERNATIONAL AFFAIRS.

THE STATEMENT WAS ISSUED IN RESPONSE TO A NOTE OF PROTEST DELIVERED ABOUT "SUPPOSED PROVOCATIONS" BY YUGOSLAV BORDER PATROLS ON ALBANIA'S NORTHERN BOUNDARY.

THE YUGOSLAV STATEMENT FLATLY DENIED THESE CHARGES. IT SAID THE BORDER INCIDENTS HAVE BEEN THE RESULT OF ALBANIA'S ATTEMPT TO STIR UP TROUBLE AT THE DIRECTION OF THE RUSSIAN-DOMINATED COMINFORM.

YUGOSLAVIA CONDEMNED THE "MONARCHO-FASCIST PROVOCATIONS AND ALL ATTEMPTS TO INTRODUCE UNCERTAINTY AND UNREST IN THIS PART OF EUROPE, AS WELL AS ALL ATTEMPTS AT INTERFERENCE IN ALBANIA'S INTERNAL AFFAIRS."

"IN THIS WAY," THE STATEMENT ADDED, "YUGOSLAVIA IS SHOWING THAT IN HER RELATIONS WITH NEIGHBORING COUNTRIES SHE IS GOVERNED BY PRINCIPLES WHICH WERE TRAMPLED UPON BY THE INITIATORS OF THE SLANDEROUS HUE AND CRY AGAINST YUGOSLAVIA."

THIS WAS A DIRECT REFERENCE TO THE COMINFORM'S ANTI-TITO CAMPAIGN AND PERHAPS A BID FOR SUPPORT AMONG YUGOSLAVIA'S NEIGHBORS IN ITS OWN COUNTER-CAMPAIGN FOR EQUAL RIGHTS AMONG ALL COMMUNIST COUNTRIES.

THE STATEMENT ADDED: "WHILE TRYING TO PUT THE BLAME FOR THE SITUATION IN ALBANIA UPON YUGOSLAVIA AND LYING ABOUT YUGOSLAVIA'S "SPLANS' FOR A DIVISION OF ALBANIA, IT ONLY GOES TO SHOW THAT THE COMINFORM LEADERS ARE THEMSELVES NURTURING SIMILAR CHAUVINISTIC DESIGNS FOR VARIOUS KINDS OF DIVISIONS AND SPHERES OF INTERESTS -- ESPECIALLY IN RELATION TO YUGOSLAVIA."

THE MAGAZINE FURNISHED FOR THE FIRST TIME A REPORT ON THE SITUATION MADE BY PETER STAMBOLICH, PREMIER OF SERBIA, TO THE SERBIAN COMMUNIST CENTRAL COMMITTEE ON MAY 30.

HE SAID AN UNSPECIFIED NUMBER OF COMMUNIST PARTY MEMBERS--PARTICULARLY IN THE AGRICULTURAL DISTRICT OF ZAJECHAR NEAR THE BULGARIAN BORDER-- HAD BEEN EXPELLED FROM THE PARTY FOR SUPPORTING AN ANTI-TITO COMINFORM RESOLUTION.

STAMBOLICH SAID SOME OF THE DISSIDENTS HAD SHIFTED TO ANOTHER DISTRICT TO CARRY ON THEIR WORK AND SUBSEQUENTLY HAD FLED TO BULGARIA AFTER DETECTION.

IT WAS THE SECOND OFFICIAL REPORT ON ACTION WITHIN YUGOSLAV COMMUNIST PARTY RANKS TO REMOVE PRO-SOVIET FACTIONS. PREVIOUSLY THE CROATIAN COMMUNIST PARTY DISCLOSED THE EXPULSION OF MORE THAN 1,700 MEMBERS. SERBIA AND CROATIA ARE PARTS OF YUGOSLAVIA.

SHANGHAI,AUG.24-(AP)-A NUMBER OF FOREIGN FIRMS ARE TRYING TO REDUCE THEIR STAFFS AND GET THEM OUT OF SHANGHAI, IT WAS LEARNED TODAY.

AUG 24 1949

THEY FEAR FOREIGN EMPLOYES MAY BE FORCIBLY DETAINED AS A METHOD OF FORCING HEAD OFFICES ABROAD TO SEND MORE MONEY INTO CHINA TO MEET PAYROLLS OR DEMANDS FOR SEVERANCE PAY.

SOME CONCERNS WERE REPORTED TRYING TO GET OUT ALL THEIR FOREIGN NATIONALS. OTHERS WERE REPORTED TRYING TO CLOSE DOWN ENTIRELY.

NONE WOULD ADMIT SUCH PLANS, PROBABLY BECAUSE THEY FEARED PUBLICITY WOULD HASTEN THE LABOR CRISIS. UNEMPLOYMENT IS GROWING IN SHANGHAI.

THERE HAS BEEN A STEADY FLOW OF RUMORS THE NATIONALIST BLOCKADE WOULD BREAK SOON, OR THAT ENOUGH TRADE WOULD BE RESUMED TO EASE THE SITUATION.

SO FAR, HOWEVER, NO SHIPPING OF ANY IMPORTANCE HAS APPEARED. THE ONLY SHIP SCHEDULED INTO SHANGHAI IN THE FORESEEABLE FUTURE IS THE AMERICAN PRESIDENT LINES GENERAL GORDON. IT IS COMING NEXT MONTH UNDER A SPECIAL PERMIT TO TAKE OUT FOREIGNERS.

THE CASE OF THE AMERICAN-OWNED SHANGHAI POST AND MERCURY REMAINED IN A IMPASSE DESPITE A HEARING YESTERDAY BEFORE THE COMMUNIST LABOR BOARD.

THE NEWSPAPER WAS CLOSED JUNE 15 BY LABOR TROUBLE AND BECAUSE EDITOR RANDALL GOULD FELT A FREE, AMERICAN-TYPE NEWSPAPER COULD NO LONGER OPERATE IN SHANGHAI.

CANTON--FIRST ADD SECOND NIGHT LEAD CHINESE (A116KX) X X X COMMUNISTS.

IF THERE HAD BEEN NO COMMUNIST REBELLION AT THE END OF WORLD WAR II, CHIANG SAID, CHINA'S POSITION AMONG THE NATIONS OF THE WORLD WOULD NOW BE HIGH.

"AT THIS HOUR OF LIFE AND DEATH OF OUR NATIONALIST EXISTENCE X X X I APPEAL TO THE PEOPLE OF OUR AREAS TO FIGHT TO THE BITTER END."

SINCE THE REDS CROSSED THE YANGTZE RIVER IN APRIL, HE CONTINUED, THEY HAVE BEEN CONFRONTED WITH EVER INCREASING DIFFICULTIES.

HE SAID THEIR MORALE WAS DECLINING AND THEIR POLITICAL POSITION WAS FADING. HE ATTRIBUTED THIS TO THE COMMUNISTS' TROUBLES IN OPERATING SUCH BIG CITIES AS SHANGHAI AND NANKING.

"THE COMMUNISTS HAVE UNMASKED THEMSELVES AS INTERNATIONAL AGENTS," THE NATIONALIST LEADER SAID.

"THEY ARE BREAKING UP CHINA'S FAMILY SYSTEM X X X. THEY ARE ABANDONING OUR HISTORY AND CULTURE, AND WRECKING OUR COMMERCE AND INDUSTRY.

"THAT'S WHY TENS OF THOUSANDS OF PEOPLE IN THE COMMUNIST-HELD AREAS ARE RISING UP EVERYWHERE TO FIGHT AGAINST THEM."

AUG 24 1949

(IN TWO DAYS OF FEVERISH ACTIVITY IN CANTON, CHIANG APPEARS TO HAVE THROWN OFF ALL PRETENSE OF RETIREMENT AND AGAIN SEEMS TO BE ACTIVELY DIRECTING THE CIVIL WAR. HE RETIRED LAST YEAR IN FAVOR OF LI TSUNG-JEN, WHO STILL IS ACTING PRESIDENT OF CHINA.)

CHIANG'S DECISION TO FLY TO CHUNGKING WAS SUDDEN. HE CANCELLED A DEFENSE COUNCIL MEETING WHICH HAD BEEN SCHEDULED FOR TODAY.

THE WARLORDS OF SZECHWAN PROVINCE, IN WHICH CHUNGKING IS LOCATED, ARE KNOWN TO BE EAGER TO KEEP THEIR DOMAINS INTACT, EVEN AT THE COST OF AN UNDERSTANDING WITH THE REDS TO REMAIN NEUTRAL IN THE CIVIL WAR.

THEY HAVE QUARRELED WITH GEN. CHANG CHUN, COMMANDER IN THE SOUTHWEST, AND THERE ARE RUMORS CHANG WANTS TO RESIGN. CHIANG WANTS HIM TO STAY ON THE JOB.

POLITICAL QUARTERS HERE BELIEVE FEELERS TO THE SZECHWANESE WARLORDS ALREADY HAVE BEEN PUT OUT BY TENG PAO-SHAN. HE IS THE FORMER NATIONALIST GENERAL WHO HELPED TO ARRANGE THE SURRENDER IN NORTH CHINA.

THE QUESTION OF THE NORTHWEST GENERALS' SQUABBLE IS ALSO LINKED WITH THE WESTERN WARLORDS.

MOSLEM GENERALS MA PU-FANG AND MA HUNG -KWEI, ARE SUPPOSED TO BE ANGRY WITH GEN. HU TSUNG-NAN, WHO ONLY TODAY WAS NAMED COMMANDER OF NATIONALIST FORCES BORDERING ON THE MAS' NORTHWEST FRONT.

THE TWO MOSLEMS ARE REPRESENTED AS AGGRIEVED BECAUSE HU FAILED TO ATTACK THE COMMUNISTS ON THE FLANKS WHEN THE REDS INVADED THE NORTHWEST PROVINCE OF KANSU.

ON THE OTHER HAND, THE SZECHWANESE WARLORDS DON'T WANT HU TO ATTACK. THEY ARE AFRAID THE REDS WILL DRIVE HIM INTO SZECHWAN AND UPSET THEIR BALANCE OF POWER.

THE ONLY NEWS OF FIGHTING CAME FROM THE NORTHWEST FRONT. GEN. MA PU-FANG, WHO IS THE NORTHWEST COMMANDER, MESSAGED THAT HIS CAPITAL OF LANCHOW STILL WAS STANDING FIRM. HE SAID THE ATTACKING REDS WERE WEARY AND SHORT OF FOOD.

A SPOKESMAN FOR MA IN CANTON ASSERTED ONE ATTACKING RED ARMY HAD BEEN ALMOST WIPED OUT AND ANOTHER WAS BADLY CRIPPLED. AN APPEAL WAS SENT TO CANTON TO FLY AMMUNITION TO LANCHOW.

THE FRONT NORTHEAST OF CANTON, WHERE RED FORCES LAST WERE ABOUT 170 MILES FROM THE CITY, REMAINED QUIET, THE MINISTRY OF NATIONAL DEFENSE REPORTED.

A SPOKESMAN SAID THE COMMUNISTS STILL WERE WITHDRAWING ON THE FRONT NORTH OF CANTON, BUT CONCEDED IT WASN'T UNDER NATIONALIST PRESSURE. THAT FRONT ALSO HAS BEN QUIET SINCE THE NATIONALISTS PUSHED BACK RED ATTACKS EAST AND WEST OF HENGYANG, 265 MILES NORTH OF CANTON.

BATAVIA, JAVA, AUG 24-(AP)-THE DUTCH GUILDER DROPPED IN VALUE ON THE BLACK MARKET HERE TODAY AS INDONESIAN LEADERS DISCUSSED THE FUTURE OF THEIR ISLANDS AT A ROUNDTABLE CONFERENCE IN THE HAGUE.

FOR THE FIRST TIME THE RED AND WHITE FLAG OF THE INDONESIAN REPUBLIC WENT UP IN MANY PLACES AROUND BATAVIA. THE LEGALIZING OF THE REVOLUTIONARY COLORS WAS A CONCESSION MADE BY THE DUTCH AT THE OPENING OF THE HAGUE TALKS.

OFFICIALS WERE UNABLE TO EXPLAIN THE DEVALUATION OF THE GUILDER. MOST OF THEM SAID IT HAD NOTHING TO DO WITH THE ROUNDTABLE CONFERENCE WHICH IS EXPECTED TO GIVE THE INDONESIANS SOVEREIGNTY OVER THE EAST INDIES ISLANDS THE DUTCH HAVE RULED FOR 300 YEARS.

SOME OFFICIALS SAID THE DECLINE OF THE GUILDER WAS CONNECTED WITH MARKET CHANGES IN OTHER PARTS OF THE ORIENT. OTHERS CONTENDED IT WAS MERELY DUE TO AN UNUSUALLY LARGE NUMBER OF PERSONS DUMPING GUILDERS LOCALLY.

ON THE BLACK MARKET THE DOLLAR BROUGHT 24 GUILDERS. THIS CONTRASTED WITH THE OFFICIAL RATE OF 2.65 GUILDERS TO THE DOLLAR. UNTIL TWO WEEKS AGO THE AVERAGE OPEN RATE FOR THE PAST FOUR YEARS HAS BEEN 15 GUILDERS TO THE DOLLAR.

IN A WRITTEN STATEMENT TO THE PRESS THE VETERAN IRAQI MILITARY AND POLITICAL LEADER EXPRESSED IRAQ'S DESIRE TO FOSTER INTRA-ARAB COLLABORATION.

NURI PASHA GAVE THIS ASSURANCE AFTER A CAIRO NEWSPAPER HAD QUOTED KING ABDULLAH, RULER OF THE OTHER HASHEMITE KINGDOM, JORDAN, AS SAYING IN LONDON THAT "A GREATER SYRIA WILL BE FORMED." THE "GREATER SYRIA" PLAN, WHICH FIRST CAME INTO LIFE IN 1918-19 AFTER THE COLLAPSE OF THE TURKISH EMPIRE, ENVISAGES A FEDERATION OF SYRIA, ARAB PALESTINE, IRAQ, JORDAN AND PARTS OF LEBANON UNDER HASHEMITE RULE. IT IS OPPOSED BY EGYPT, SYRIA, LEBANON AND SAUDI ARABIA.

WASHINGTON, AUG. 24-(AP)-SENATORS HEARD TESTIMONY TODAY THAT AGAIN LINKED THE NAMES OF MAJ.GEN.HARRY VAUGHAN, THE PRESIDENT'S MILITARY AIDE, AND JOHN MARAGON.

THE TESTIMONY CAME FROM AN OLD WARTIME BUDDY OF VAUGHAN'S, JOE F. MAJOR, WHO SAID VAUGHAN GOT HIM HIS JOB WITH THE WAR ASSETS ADMINISTRATION.

MAJOR SAID MARAGON ASKED HIM TO WRITE A PERSUASIVE LETTER TO A NEW YORK FIRM, ASKING IT TO DO BUSINESS WITH GEORGE O.RAGNER OF PITTSBURGH.

MARAGON WAS REPRESENTING RAGNER AT THE TIME.

MAJOR SAID THAT MARAGON TOLD HIM THAT VAUGHAN WOULD SIGN THE LETTER.

MAJOR, WHO IS FROM KANSAS CITY, SAID HE SERVED BRIEFLY IN PRESIDENT TRUMAN'S OLD OUTFIT, BATTERY "D", AND THAT HE NOW WORKS FOR THE WAR ASSETS ADMINISTRATOR.

EVER SINCE 1918, HE SAID, HE HAS BEEN A CLOSE FRIEND OF GENERAL VAUGHAN, THE PRESIDENT'S MILITARY AIDE. MARAGON, A ONETIME KANSAS CITY SHOE SHINE BOY WHO HAS BECOME A MAN-ABOUT-WASHINGTON, ALSO LISTS VAUGHAN AS HIS FRIEND.

MAJOR TOLD THE SENATE INVESTIGATIONS SUBCOMMITTEE THAT HE GOT TWO BUSINESSMEN APPOINTMENTS WITH JAMES V.HUNT, THE WASHINGTON MANAGEMENT COUNSELLOR WHO HAS BEEN CALLED THE "MAIN STAR" OF THE FIVE PERCENTER INQUIRY.

BUT MAJOR INSISTED THAT IT WAS THE BUSINESSMEN'S IDEA, NOT HIS, THAT HUNT SHOULD BE CONSULTED.

IN ADDITION TO MAJOR, THE COMMITTEE ALSO HEARD FROM:

MAJ.GEN.HERMAN FELDMAN, SUSPENDED QUARTERMASTER GENERAL OF THE ARMY. FELDMAN ACKNOWLEDGED HE HAD HAD VARIOUS CONTACTS WITH HUNT, BUT INSISTED--AS HE DID IN A PREPARED STATEMENT YESTERDAY--THAT THERE WAS NOTHING WRONG IN WHAT HE DID.

LT.GEN.EDMUND B.GREGORY (RETIRED), FORMER HEAD OF THE WAR ASSETS ADMINISTRATION (WAA). GREGORY SAID IT WAS "IMPROPER" AND "UNETHICAL" FOR HUNT TO REPRESENT CLIENTS WHO WANTED TO BUY SURPLUS PROPERTY AND AT THE SAME TIME DRAW $50 A DAY FROM THE AGENCY IN CHARGE OF SELLING THIS SURPLUS PROPERTY.

THE SUBCOMMITTEE HEARING LOOKING INTO THE ACTIVITIES OF FIVE PERCENTERS--MEN WHO OFFER TO HELP LAND GOVERNMENT CONTRACTS IN RETURN FOR A PERCENTAGE FEE--IS SLOWLY REACHING A CLIMAX.

A26WX

CHAIRMAN HOEY (D-NC) SAID HE HOPES TO WIND IT UP THIS WEEK, AND GAVE REPORTERS THIS PROGRAM:

TOMORROW--EITHER MARAGON OR HUNT WILL BE ASKED TO TESTIFY. HUNT MAY NOT APPEAR, HOWEVER. HIS LAWYER HAS SAID HUNT IS ILL, AND THAT AN APPEARANCE BEFORE THE COMMITTEE WOULD IMPAIR HIS HEALTH.

FRIDAY--VAUGHAN.

MAJOR SAID THAT MARAGON CAME TO HIM A NUMBER OF TIMES ON BEHALF OF CLIENTS WHO WANTED TO BUY SURPLUS PROPERTY FROM THE GOVERNMENT.

AND, HE SAID, ON ONE OCCASION MARAGON ASKED HIM TO DRAFT A LETTER TO JOHNSON, DRAKE & PIPER, INC., NEW YORK.

THIS LETTER DESCRIBED RAGNER AS PRESIDENT OF THE CONSTRUCTION EQUIPMENT COMPANY OF PITTSBURGH.

THE LETTER SAID RAGNER WOULD CALL ON THE NEW YORK FIRM WITH REFERENCE TO MACHINE TOOLS TO BE USED IN THE GREEK REHABILITATION PROGRAM. RAGNER, IT SAID, HAD AN "EXCELLENT BACKGROUND"--AND WAS A MAN WHO COULD "BE OF GREAT SERVICE TO YOU."

WHO SIGNED THE LETTER?

"I CERTAINLY DIDN'T SIGN IT," SAID MAJOR.

"AS A MATTER OF FACT WASN'T THE LETTER PREPARED FOR HARRY VAUGHAN'S SIGNATURE?"

"I WOULD ASSUME SO," MAJOR REPLIED. "THAT'S WHAT I WAS TOLD BY JOHN MARAGON."

"WHO GOT YOU THE JOB IN WASHINGTON?" SENATOR MCCARTHY (R-WIS) ASKED.

"HARRY VAUGHAN," SAID MAJOR.

WILLIAM P.ROGERS, COMMITTEE COUNSEL, COMMENTED THAT DURING A CLOSED HEARING MARAGON HAD SAID HE NEVER HAD TALKED WITH MAJOR ABOUT ARRANGING PURCHASES FROM THE GOVERNMENT.

REPLIED MAJOR:

"I JUST GOT THROUGH TELLING YOU HE DID, MR.ROGERS."

ROGERS SAID THAT, IN ALL FAIRNESS, IT SHOULD BE POINTED OUT THAT "THERE IS NO INDICATION THAT MARAGON WAS GIVEN SPECIAL CONSIDERATION" BY THE WAA. IN SPITE OF ALL OF MARAGON'S TALKS WITH THE WAA, ROGERS SAID, ONLY ONE OF HIS CLIENTS EVER SIGNED A CONTRACT.

FELDMAN'S TESTIMONY WAS MAINLY A REITERATION OF WHAT HE SAID YESTERDAY.

HE MAINTAINED THAT HE DIDN'T REALIZE HUNT WAS A FIVE PERCENTER. AND WHEN MCCARTHY INSISTED THAT FELDMAN MUST HAVE KNOWN IT, FELDMAN REPLIED:

"I CERTAINLY DID NOT. I DEFINITELY DID NOT."

MCCARTHY WANTED TO KNOW WHAT FELDMAN THOUGHT HUNT ACTUALLY DID.

FELDMAN SAID HE REGARDED HUNT AS ONE WHO WORKED ON A CONTINGENT FEE BASIS. HE SAID SUCH A PERSON WAS PAID ONLY IF HE GOT A CONTRACT FOR HIS CLIENT.

ON THE OTHER HAND, HE SAID, IT WAS HIS UNDERSTANDING THAT A FIVE PERCENTER GETS PAID EVEN IF HE DOESN'T GET THE CONTRACT.

AUG 24 1949

A27WX

FELDMAN DIDN'T BUDGE, DESPITE REPEATED QUESTIONS, FROM HIS STAND THAT THERE WAS NOTHING IMPROPER IN SUPPLYING HUNT WITH HIS PURCHASING PLANS.

HE SAID HE DIDN'T REMEMBER GIVING ANYONE ELSE THESE PLANS, BUT HE SAID HE DIDN'T THINK ANYONE ELSE HAD ASKED FOR THEM.

PASSAGES FROM HUNT'S DIARY--IN WHICH HUNT SAID FELDMAN HAD ASKED HIM TO GET IN TOUCH WITH HIS CONGRESSIONAL "CONTACTS"--WERE READ. THESE SAID THAT FELDMAN WAS INTERESTED IN A BILL HAVING TO DO WITH OFFICERS' RETIREMENT.

FELDMAN ADMITTED THAT HE HAD TALKED WITH HUNT ABOUT THE MATTER, BUT DENIED HE EVER ASKED HIM TO CONTACT ANYONE ON CAPITOL HILL.

THERE'S A LAW AGAINST LOBBYING BY ARMY OFFICERS.

FELDMAN ALSO DENIED THAT HE HAD EVER ASKED ANYONE TO TRY TO GET HUNT TO SEE WHAT HE COULD DO ABOUT GETTING FELDMAN'S APPOINTMENT AS QUARTERMASTER GENERAL CONFIRMED BY THE SENATE.

WHILE GREGORY WAS ON THE STAND, ROGERS PUT IN THE RECORD THAT, AS A WAA CONSULTANT, HUNT WORKED 115 DAYS AT $50 A DAY, FOR A TOTAL OF $5,750.

GREGORY WAS ASKED IF HE KNEW THAT HUNT WAS SERVING CLIENTS INTERESTED IN SURPLUS PROPERTY AT THE TIME HE WAS WORKING FOR WAA.

NO, SAID GREGORY.

more

"DO YOU CONDONE IT?"
"NO, INDEED," SAID GREGORY.
GREGORY SAID HUNT'S CHIEF JOB WAS AS A GO-BETWEEN FOR THE WAA AND CONGRESS. HE SAID CONGRESSMEN WERE ALWAYS WANTING INFORMATION. SAID GREGORY TO HOEY:
"I REMEMBER YOUR OFFICE CALLED UP ONE DAY."
"YES, THAT GOES ON EVERY DAY," SAID HOEY.

ATLANTIC PACT
BY JOHN M.HIGHTOWER
WASHINGTON,AUG 24-(AP)-THE HISTORIC ATLANTIC TREATY, ALLYING THE UNITED STATES WITH 11 OTHER NATIONS IN DEFENSE OF THE WEST, GOES INTO EFFECT TODAY AT A WHITE HOUSE CEREMONY.
THE CEREMONY IS SCHEDULED FOR 11:30 A.M. EST.
FROM THIS HOUR ONWARD THE 12 NATIONS, HAVING FORMED THEIR ALLIANCE UNDER THE THREAT OF RUSSIAN AGGRESSION, WILL BE FORMALLY PLEDGED TO STRIKE BACK IN CASE OF AN ATTACK AGAINST ANY ONE OF THEM.
FORMAL NOTICE BY THE FRENCH GOVERNMENT THAT IT HAD RATIFIED THE TREATY PROVIDED THE OCCASION FOR THE WHITE HOUSE GATHERING. INVITED TO ATTEND WERE TOP RANKING AMERICAN OFFICIALS AND REPRESENTATIVES OF THE 11 OTHER NATIONS WHICH SIGNED THE TREATY HERE LAST APRIL 4.
ALREADY REPRESENTATIVES OF THESE 12 NATIONS ARE AT WORK AT THE STATE DEPARTMENT PLANNING FOR THE FIRST MEETING OF THE COUNCIL OF THE ATLANTIC ALLIANCE. THAT MEETING PROBABLY WILL BE CONVENED IN WASHINGTON ABOUT THE MIDDLE OF NEXT MONTH.
AMBASSADOR HENRI BONNET OF FRANCE WAS CALLED ON TO DEPOSIT THE FRENCH NOTICE OF RATIFICATION WITH THE WHITE HOUSE AS THE FIRST STEP IN TODAY'S CEREMONY. THAT ACTION, AS PROVIDED IN THE TREATY ITSELF, AUTOMATICALLY BRINGS THE PACT INTO FORCE.
THE SECOND STEP, WHITE HOUSE OFFICIALS SAID, WOULD BE THE ISSUANCE OF A PROCLAMATION BY MR.TRUMAN DECLARING THAT THE TREATY WAS EFFECTIVE. SUCH A PROCLAMATION WOULD FORMALLY BRING TO AN END A CENTURY AND A HALF OF AMERICAN POLICY OF STEERING CLEAR OF ANY PEACETIME ALLIANCE WITH EUROPEAN NATIONS.
DIPLOMATIC OFFICIALS ALSO ARRANGED TO RECEIVE THE RATIFICATIONS OF ITALY, PORTUGAL AND DENMARK. THOSE DEPOSITS, HOWEVER, WERE NOT NECESSARY TO MAKE THE TREATY LEGALLY BINDING.
THE EFFECTIVE DATE FOR THE ALLIANCE WAS WORKED OUT IN THIS WAY: THE UNITED STATES, CANADA, BRITAIN, FRANCE, THE NETHERLANDS, BELGIUM, AND LUXEMBOURG MADE UP THE GROUP OF SEVEN COUNTRIES WHICH BEGAN NEGOTIATING THE PACT JULY 6,1948 AND SUBSTANTIALLY COMPLETED IT EARLY THIS YEAR. THE TREATY ITSELF PROVIDED THAT IT SHOULD COME INTO FORCE WHEN ALL SEVEN HAD RATIFIED IT AND FRANCE IS THE LAST OF THE SEVEN TO TAKE THAT ACTION.

AUG 24 1949

A15WX
THE TOTAL MEMBERSHIP OF THE ALLIANCE WAS RAISED TO 12 IN MARCH OF THIS YEAR WHEN FIVE OTHER NATIONS IN THE WESTERN EUROPEAN ATLANTIC AREA ACCEPTED INVITATIONS TO JOIN. THOSE FIVE WERE NORWAY, ITALY, PORTUGAL, ICELAND AND DENMARK.
THE TREATY'S ACTION CLAUSE--IN WHICH THE WESTERN POWERS STATE THE DEFENSIVE NATURE OF THE COMPACT, PROVIDES FIRST THAT AN ATTACK ON ANY ONE OF THE MEMBERS "SHALL BE CONSIDERED AN ATTACK AGAINST THEM ALL," AND THEN ADDS:
"X X X CONSEQUENTLY THEY AGREE THAT, IF SUCH AN ARMED ATTACK OCCURS, EACH OF THEM X X X WILL ASSIST THE PARTY OR PARTIES SO ATTACKED BY TAKING FORTHWITH, INDIVIDUALLY AND IN CONCERT WITH THE OTHER PARTIES, SUCH ACTION AS IT DEEMS NECESSARY, INCLUDING THE USE OF ARMED FORCE, TO RESTORE AND MAINTAIN THE SECURITY OF THE NORTH ATLANTIC AREA."
THE TWO OTHER MAJOR SPECIFICATIONS OF THE TREATY CALL FOR "SELF-HELP AND MUTUAL AID" AND FOR THE ESTABLISHMENT OF A COUNCIL COMPOSED OF REPRESENTATIVES OF ALL 12 NATIONS WHICH SHALL IN TURN SET UP A "DEFENSE COMMITTEE."
UPON THIS DEFENSE COMMITTEE AND THE MILITARY LEADERS WORKING UNDER ITS GENERAL DIRECTION WILL REST RESPONSIBILITY FOR DEVELOPING A GRAND STRATEGIC PLAN FOR THE DEFENSE OF THE WESTERN NATIONS AGAINST RUSSIA.
THE DEFENSIVE AREA WHICH THE PLAN MUST COVER RANGES FROM THE WESTERN TIP OF ALASKA AND THE WESTERN COAST OF NORTH AMERICA TO THE EASTERN BORDERS OF NORWAY IN THE NORTH AND TO ITALY IN THE SOUTH OF EUROPE.
THE PACT, WHICH WAS DESIGNED AS THE KEYSTONE FOR A NEW ERA OF GREATER SECURITY IN WESTERN EUROPE, COMES INTO FORCE AT A TIME WHEN BOTH RUSSIA AND THE WESTERN POWERS ARE CAUGHT UP IN DIFFICULTIES WHICH MAY VITALLY AFFECT THE WHOLE SECURITY PROBLEM AS THE TREATY BEARS UP ON IT.
IN THE EAST, THE INCREASINGLY NOISY ROW BETWEEN THE SOVIET UNION AND YUGOSLAVIA IS CREATING INTERNATIONAL TENSIONS. THESE CONCEIVABLY COULD LEAD TO MORE VIOLENT ACTION THAN ANY YET TAKEN BETWEEN MARSHAL TITO'S GOVERNMENT AND THE RUSSIAN DOMINATED COMBINE OF COMMUNIST STATES ARRAYED AGAINST IT.
TO THE EXTENT THAT THIS WEAKENS RUSSIA'S CONDITION IN EASTERN EUROPE, IT IS REGARDED BY WESTERN LEADERS AS A GAIN IN STRENGTH FOR THE WEST. TO THE EXTENT THAT IT RAISES FEARS OF A BALKAN WAR IT IS CONSIDERED TO CREATE NEW UNCERTAINTIES IN THE MINDS OF EUROPEANS GENERALLY.
ON THE WESTERN SIDE, AMERICAN AND BRITISH OFFICIALS AT THE MOMENT ARE DEEPLY CONCERNED ABOUT BRITAIN'S ECONOMIC DIFFICULTIES.

"IF, HOWEVER, THE RUSSIANS IGNORE CROP AND LIVESTOCK PRODUCTION WHILE CONTINUING TO BUILD THEIR INDUSTRIAL POTENTIAL WE WILL CONTINUE TO HAVE GOOD CAUSE TO DISTRUST ANY PEACE-LIKE MOVES THEY MAKE."

BRITAIN TAKES 2 CRISIS STEPS

Cut In Budget Ordered As Export Parleys Begin

AUG 25 1949 N

London, Aug. 25 (AP)—Britain launched a double-barreled attack on its economic crisis today.

First, the Treasury told all department heads to trim their sails for a $600,000,000 cut in next year's national budget.

That means they will have an average of five per cent less to spend than they have under the $12,000,000,000 budget for the fiscal year which began April 1.

Defense Chief Target

Of the current budget, Britain's defense spending will account for approximately one quarter. So the armed forces are expected to be a big target in the economy move. Another target may be the expensive national health scheme whose free medical and dental treatment is costing more than was anticipated.

The second attack on the economic problem went into high gear with talks on how to sell more goods for dollars. The man in the center of things was Paul G. Hoffman, head of the European Co-Operation Administration.

Hoffman spoke first at a private luncheon of an Anglo-American committee on productivity. He arranged to meet Government leaders later at the United States Embassy.

Everything Is Political

He will persue his inquiry into expansion of British exports tomorrow at another luncheon, this time with the dollar export board. Sources close to the ECA chieftain said his meetings with British leaders have been "frank and honest, with no punches pulled."

Lewis W. Douglas, United States Ambassador, invited a group of top British leaders to dinner tonight to meet with Hoffman. They include Prime Minister Attlee, Ernest Bevin, Foreign Secretary, and Harold Wilson, Board of Trade president.

The Government economy order came from Sir Stafford Cripps, Chancellor of the Exchequer. It was made public by a Government source just two weeks before the opening of the British dollar-shortage talks in Washington September 7.

Cripps's advice to department heads was "urgent and emphatic," the informant said.

Not Due To U.S. Pressure

The British Government informant said London's economy drive did not result from any American pressure. Other sources said the word was passed on to Washington in advance.

In Manchester, leaders of the Lancashire cotton industry and members of the dollar export board discussed plans for increasing textile exports.

Despite angry threats of a shopkeepers' strike, the Board of Trade ordered a five per cent cut in the retail price of utility goods as of September 26. These goods include clothing, footwear and household textiles whose production cost is subsidized by the Government to keep prices within reach of the poor.

To soften the blow, Wilson announced at the same time the end of price controls on a long list of other clothing and household articles.

British Treasury Requests Cuts In Spending

Arthur Gavshon

London, Aug. 25 (AP)—Sir Stafford Cripps told department heads of Britain's Labor Government today to get ready for at least a 5 per cent slash in next year's national budget. Such a cut would bring savings of £150,000,000 ($600,000,000).

The Chancellor of the Exchequer passed the word around barely two weeks before the scheduled start of Britain's dollar-crisis huddle with United States officials in Washington beginning September 7.

A Government informant, who told newsmen of the move, stressed that it was not brought on by American pressure, but other informed sources said Washington has been informed in advance of the decision to reduce spending at least an overall five per cent, compared with the budget for the 1949-50 fiscal year which began April 1. The current budget totals £3,000,000,000 ($12,000,000,000).

Under Fire From U.S. Sources

The Labor Government has been under severe fire from some American political leaders and newspapers, who have accused it of inefficient administration and spending too much on social services.

Another Government informant said yesterday that Britain might have to revise drastically its costly cradle-to-grave national health service if the Washington dollar talks fail.

No actual dollars are spent on Britain"s social services, but their cost helps keep taxes high. High taxes increase production costs and production costs affect the price of export goods which Britain must sell in American to earn dollars for raw materials and food imports.

Should Help Talks

Cripps's move to pare Governments costs, and hence taxes, obviously would be a point in Britain's favor a the dollar talks. The informant who told of the economy action said the word from Cripps was "urgent and emphatic."

The Chancellor of the Exchequer did ont specify that he expected each department to reduce spending five per cent, but that is the ovarall goal. Some are expected to save more than others.

One big economy target is likely to be the armed forces. Defense spending totals one fourth of the current budget.

Personnel Cuts Likely

The move is almost certain to force a reduction in the ranks of Britain's 706,000 Government clerks and administrators. It is also expected to affect Britain's social services, including the national health plan. The informant said the Government might have to levy a special charge to keep the public from abusing the free-for-all medical scheme.

Britain's social services, together with food subsidies, account for a quarter of the country's budget.

Britons now can call on doctors without paying fees under the thirteen-month-old national health service, although each pay up to 6 shillings 8 pence weekly ($1.33) to help support it.

May Have To Pay For Visits

If the Washington parley fails, the informant said, British leaders may have to consider each person pay a shilling (20 cents) for each visit.

He explained that the calls on the service have far exceeded advance estimates and, if Britain must tighten her belt, sne cannot go on spending so much on the service out of general taxation.

The source said Laborite leaders are waiting until the Washington talks are over before deciding whether to call a quick election this year, or carry on until near the end of their five-year term next July.

Hoffman Begins Talks

He disclosed this as Paul G. Hoffman, American head of the European Co-operation Administration, began talks with British officials before the Washington parley September 7.

BRITISH PAPERS BLAME U. S. FOR DOLLAR SHORTAGE

AUG 25 1949 N

LONDON, Aug. 25 (AP)—Three weekly journals of opinion—the Spectator, the Tribune and the New Statesman and Nation—said today Britain's dollar crisis was not all the fault of the British.

The Spectator reflects the views of conservatives. The other two are pro-labor. The tenor of the comment of all three was: "It's not all our fault, cousins."

A British businessman's organization also jumped into the fray with the charge that terms under which America loaned Britain $3,750,000,000 in 1946 had insured that American exports "shall remain the dominant feature of world trade for an indefinite period."

Socialists Not to Blame

The assertion was made in the monthly bulletin of the Empire Industries association, an organization of British businessmen.

The Tribune, which speaks for the left-wing of the ruling labor party, denied the socialists were entirely responsible for Bitain's dollar crisis.

"If the U.S.A. were to step up its purchases from the sterling area by less than one per cent of its national income our dollar problems would be over," it said, adding:

"The U. S. A. has cornered the (gold) market and can dictate the price."

The Spectator deplored recent bitter words between Americans and British on the financial situation. It said:

Increase U. S. Buying

"For better or worse the present government in this country was elected on a nationalization program. That was perfectly well known when the Marshall Aid program was initiated. x x x

The New Statesman and Nation said the most British delegates can expect in the coming Washington dollar talks is "firm American commitments to purchase a minimum of primary products from the sterling area, permission to use Marshall dollars for Canadian wheat, and tariff concessions."

War Secretary Emanuel Shinwell told newsmen at the Royal Air Force station at Cliffe Pypard: "the lion's tail is flying high and we don't care who knows it."

"There is nothing wrong with the youth of this country," he added. "So there is nothing wrong with this country."

Soviet Rewards Security Force

LONDON, Aug. 25 (AP)—The Moscow radio announced today that mass honors had been given to the Soviet Union's security troops "for successful fulfillment of special tasks for the Government." The announcement did not describe the "special tasks."

SINGLE CURRENCY FOR EUROPE URGED

N

STRASBOURG, France, Aug. 25 (AP) — British laborite Ronald Mackay today asked the Council of Europe to wipe out all national European monies and replace them with a single currency.

He suggested in a resolution submitted to the Council's Economic committee that such a single currency originate from a Bank of Europe operating under the council's wing.

Earlier today, the president of the 12-nation Consultative Assembly predicted west Germany soon will be admitted to the council.

Paul-Henri Spaak, Belgian leader of the assembly, told a news conference he believes the new Bonn republic will be invited to join the council "in a more or less short time." He emphasized this was his personal opinion.

The assembly was not in session today. It will reconvene tomorrow to deal with various proposals unifying western Europe's social security systems.

RUSSIANS REVIVE PLEA FOR GERMAN ECONOMIC UNITY

N

Thos. A. Reedy

BERLIN, Aug. 25—(AP) The Soviet-controlled press of the city's eastern sector broke out today with a rash of editorials suggesting economic unity for all Germany.

The principle is not new in the Soviet propaganda machinery but is considered significant when revived in the press. The new campaign dwelt on economic matters but did not rule out political unity as a possibility for the whole country.

AUG 25 1949

Two Factors Cited

German anti-Kremlin communists contend they have information that Russia will spring a proposal for German unity at the fall session of the Big Four foreign ministers tentatively scheduled for New York.

Two factors stood out in the new Russian approach:

1. Officials of the Soviet sector of Berlin said an "understanding" is possible in the ruling of the city;

2. The communist - dominated People's Council of the Soviet zone disclosed that east and west German economics authorities are dealing again for a trade treaty. A communist leader said good results might come out of the trade talks.

Reds Ease Attacks

The Russians also seemed to be easing off their attacks on the west German Republic founded at Bonn.

After a special meeting of the Soviet sector magistrat, it put forward a Christian Democrat, Deputy Mayor Arnold Gohr, to announce: "The magistrat will do everything in its power to relieve the untenable conditions caused by the splitting (of Berlin). The magistrat believes that it will be possible to find a solution x x x."

Mayor Ernst Reuter of west Berlin commented that only one thing would reunite the city—a city-wide free election.

East Proposing New German Unity Move

Reedy

AUG 25 1949

Berlin, Aug. 25 (AP)—The Russians appeared today to be backing a fresh campaign for East and West Germany to get together in some form.

This was evidenced by an outburst of editorials in the eastern press, which is controlled by the

Soviet Military Government.

The emphasis was on economics, rather than politics. But a political agreement was not ruled out.

The appeal for German unity is not new. It has been a standing slogan of the eastern Communists.

Polite Language

However, in this apparently remodeled drive, two factors stand out:

1. Eastern Berlin officials said an "understanding" is possible in the divided city. This was the politest language yet used by the Communists in their references to the anti-Communist West Berlin government.

2. The Soviet zone People's Council, dominated by Communists, disclosed that negotiations have been resumed between East and West German economic officials seeking a trade treaty. And Walter Ulbricht, Socialist Unity (Communist) political leader, declared good results might be achieved.

Vote Held Key

The overtures were accompanied by a statement that only good will is needed to restore the city to normal and that good will exists on the eastern side.

To this, Socialist Mayor Ernst Reuter of West Berlin commented that one thing would reunite the city, and one thing only: "A city-wide free election."

This the Communists are reluctant to chance.

2 U. S. Zonal Aides Resigning

FRANKFORT, Germany, Aug. 25 (AP)—Two officials of the United States Military Government said today that they were resigning and returning to the United States. Leo R. Werts, director of the Military Government's manpower division since 1946, has accepted a post with the United States Department of Labor's Office of International Labor Affairs. The other retiring official is Theodore D. Palmer, chief of the export branch of the Joint Export-Import Agency which directs Western Germany's foreign trade. He will return to business in West Orange, N. J.

BIZONAL TRADE RISES IN JULY IN GERMANY

FRANKFORT, Aug. 25 (AP)—Bizonal Germany's imports and exports climbed to a new post-war high in July, Joint Export-Import Agency (JEIA) officials said today that imports totaled $240,000,000, an increase of more than 45 per cent over June. Exports amounted to $113,000,000, an increase of $9,000,000 over the previous record set in June.

Imports purchased with the proceeds of exports totaled $162,500,000 or 67.5 per cent of the July total. This also represented a new record. The remaineder of imports were financed with foreign aid.

Exports consisted of 38,000 individual shipments, the highest number recorded in any month since the war, and 9,500 more than the previous month.

William John Logan, JEIA director general, said:

"The significance of this trend toward a larger number of transactions is that it shows the constant spread of foreign trade to a greater number of business men and the steady approach to a more normal trade pattern. By contrast, in the early days after the war, coal constituted 70 per cent of Bizonia's exports."

Coal exports in July were at approximately the same level as previous months, Mr. Logan said, so the export gain resulted from an increase in general exports.

U.S. Jets Hit Storm; 1 Crashes; Pilot Killed

Frankfurt, Germany, Aug. 25 (AP). An American pilot was killed in South Germany last night when four United States jet fighter planes ran into a thunderstorm.

The pilot, whose name was withheld by Air Force authorities, crashed with his plane near Landsberg a short time after the four jets hit the storm near Augsburg.

A second pilot, Second Lieut. Harold Wallace, of Roanoke, Ala., bailed safely out of his plane which crashed near Augsburg. Wallace said he was blinded by lightning and lost control.

The third pilot landed without incident at an air base at Furstenfeldbruck.

The leader of the four jets, Capt. James Gleason, of Montrose, Col., flew to Champino airbase near Rome, Italy.

Czechs Lay Sabotage In '44 To U.S.

Richard Kasischke

Prague, Czechoslovakia, Aug 25 (AP)—Czechoslovak Communists accused the United States and Britain today of trying to keep the Russian Army out of western Europe by sabotaging the 1944 Slovak uprising against the Germans.

The Slovak Communist party newspaper, *Pravda*, said the uprising, led by Communist partisans in conjunction with the Red Army, was hampered by the Americans, the British and the wartime Czech Government in exile in London.

The paper claimed the Russians parachuted "all kinds of weapons and ammunition" to the partisans. It said "the Anglo-American air forces made no bombing raids . . . during the uprising although they had been supplied with detailed maps and requests for raids on specified targets."

Partisan Gas Tanks Bombed

"There was one exception," the paper added. "This was a successful attack by American flyers on Dubova in which they wrecked all the gasoline tanks which had been prepared to supply the partisans. This was done in spite of the fact that the London exile government was asked long in advance to advise Western forces not to bombard this place."

Charges against the West also were made by Vaclav Nosek, Czechoslovakia's Communist Minister of the Interior. In an order of the day to the nation's security police he said:

"A weakening of the German front in the East was not desired by the Western powers. They did not send us help because they wanted to bleed and weaken the Soviet Union and keep the Communists from gaining power in Czechoslovakia."

Nazi Victory Masses

Nosek also accused the Catholic Church of having sided with the Germans during the uprising and alleged that Slovak bishops had celebrated masses in honor of the Nazi victory.

A Catholic official who said he had visited Archbishop Josef Beran at his Prague palace today reported the Czech primate is in good health and determined to oppose all Government attempts to gain control of the church.

This churchman said the Archbishop had received no reply to his August 5 letter to the state prosecutor complaining that he was being illegally interned in his palace.

Vatican Envoy Visits Him

In that letter, Archbishop Beran said his mail was being withheld, that he had been deprived of all personal freedom and refused visitors. It is known, however, that the Vatican's diplomatic representative has been permitted to visit the Archbishop.

Archbishop Beran has not appeared in public since June 19, when Communists hecklers shouted him down in St. Vitus Cathedral.

The Communist charges against the United States and Britain were published in advance of a big three-day celebration starting Saturday to mark the fifth anniversary of the Slovak uprising. The tone of the articles indicated that the celebration would feaure attacks on the West.

West Sabotaged War Partisans, Czechs Claim

Richard Kasischke

Prague, Czechoslovakia, Aug. 25 (AP) — Czechoslovak Communists charged today that the Americans and British sabotaged the Slovak uprising against the Germans in 1944 in order to keep the Russian Army from advancing into western Europe.

These allegations were made in the press in advance of a big three-day celebration beginning Saturday to mark the fifth anniversary of this uprising

Attacks On West

The tone of the articles indicated the celebration, in which Communist President Klement Gottwald will be the chief speaker, will feature attacks on the West. The announced slogan for the celebration is "Forward with the Soviet Union."

Pravda, organ of the Slovak Communist party, claimed the uprising was led by the Communists, by arrangement with the advancing Soviet Army. It asserted that the Soviets supported the revolt by parachuting to the Partisans "all kinds of weapons and ammunition."

Pravda contended the Americans and British and the wartime Czech Government in exile in London hindered rather than helped the Partisans.

"No Bombing Raids"

"The Anglo-American air forces made no bombing raids on military objectives or the German lines during the uprising, although they had been supplied with detailed maps and requests for raids on specified targets.

"There was one exception. This was a successful attack by American flyers on Dubova, in which they wrecked all the gasoline tanks which had been prepared to supply the Partisans. This was done in spite of the fact that the London exile government was asked long in advance to advise Western forces not to bombard this place."

The newspaper *Lidove Noviny* claimed that another reason for the alleged Anglo-American non-co-operation was "the fact that the Slovak uprising was led by the Communist party."

CZECH PRELATE'S STAND UNSHAKEN

AUG 25 1948

Prague, Aug. 25 (A. P.).—A Roman Catholic official said today that Archbishop Josef Beran is in good health and unshaken in his determination to oppose all government attempts to gain control of the church.

The churchman reported he visited the Czechoslovak primate in his police-guarded palace. Archbishop Beran has not left the palace since June 19, when he was heckled from the throne in St. Vitus Cathedral by Communist demonstrators.

The Archbishop, the visitor said, has received no reply to his letter of August 5 to the State prosecutor complaining that he was being illegally interned.

PREMIER ASSERTS REDS BEATEN IN FINLAND STRIKES

AUG 25 1948

HELSINKI, Finland, Aug. 25—(AP)—Premier K. A. Fagerholm told a news conference today he is confident the communist-led wave of strikes in this little country has been checked.

"We are confident now," he said, "that the communists will not succeed."

But he expressed the opinion the communist will start other strikes in an attempt to tie up Finland's economy.

Fagerholm said strikes probably will be sought among workers in the war reparations industries, adding:

10 Per Cent Still Out

"The aim of strikes in those industries would be to make it difficult for the government in the foreign policy field. Such action would deter the deliveries of war reparations goods to Russia.

Fagerholm said the government had no definite reports today on the number of strikers. The Central Union of Finland's employers reported that "between five and 10 per cent of the TUF (Trade Union Federation) members" still are on strike.

The TUF has about 330,000 members.

At the peak of the walkouts, VAPAA SAF, popular Democrat newspaper, said 60,000 men were on strike. Other reports said 40,000.

New Unions Formed

Finland's employers said the strikers are returning to their jobs despite communist exhortations. However, dockers and building trades workers are still out. It was estimated about 7,000 dockers and 25,000 building construction workers are still out.

The strikers began setting up their own trade union organizations. A new dockers' local union, independent of TUF, was formed at Kotka.

The TUF expelled four communist-led unions because they refused to recall their strike orders.

A government spokesman said work has begun to establish communist organizations among food industry workers.

Finn Metal Unions Set For Strike

AUG 25 1948

Helsinki, Finland, Aug. 25 (AP)—A metal industry walkout appeared today to be the next in the wave of Communist-led strikes which have swept Finland for more than a week.

The strikes have led to a split in the powerful Central Trade Union Federation which yesterday ordered the expulsion of four Red-dominated affiliates involved in unauthorized walkouts.

Wage Demands

It was reported this morning that demands for higher wages have been made by some groups of metal workers and that a strike was threatened if they were not granted.

Many metal workers are producing war-reparations goods for Russia. Two groups of metal workers—plumbers in Helsinki and Turku—already are out on wildcat strikes. The Metal Trades Union has some 50,000 members.

King Paul Watches Greek Air Attack

Athens, Aug. 25 (AP)—With King Paul watching, the Greek Army threw American Helldiver planes and secret-list guns into combat today against Communist guerrillas in the Grammos Mountains.

The air attacks were co-ordinated with infantry thrusts and artillery fire from new American guns—75 and 105 mm. field pieces that absorb recoil.

Reports from the front said a 75-mm. knocked out two strongly fortified pillboxes with five rounds from 600 yards and then moved on.

The King watched the fighting for several hours from a forward observation post on Ammouda Ridge, north of Nestorion, on the Albanian frontier. This is where a Communist die-hard force stopped the Greek Army a year ago and slaughtered many soldiers.

Four to five thousand guerrillas are believed to be in the area of some 250 square miles. ADD

TITO DENOUNCED AT RUSSIAN RALLY

'Peace' Meeting Speaker Calls Slav Regime Fascist

Moscow, Aug. 25 (AP)—Speakers at Russia's all-union conference of "peace" proponents tonight denounced Marshal Tito, Yugoslav Premier.

Guests of the conference, which opened today in Moscow's Hall of Columns, include an American Negro educator and writer, Prof. W. E. B. Du Bois, of Baltimore, and two Britons, Dr. Hewlett Johnson, Dean of Canterbury and Prof. G. Crowther. Pietro Nenni, head of the (pro-Communist) Italian Socialist party, also is present.

Nikolai Rossissky, a leading worker under the *Stakhanovite* system (for increased industrial production), named Tito along with Constantin Tsaldaris, Greek vice premier; Winston Churchill and Spanish Generalissimo Francisco Franco, as enemies of peace.

Calls Tito Regime Fascist

Academician Parcon, president of the Romanian Academy of Sciences, called Tito's regime Fascist.

The Canterbury Dean concluded a half-hour speech tonight with the words:

"Long live the Soviet Union. Long live peace!"

Dr. Johnson said Stalin was completely correct when he said in an interview with the Dean five years ago that the capitalist press might become the greatest menace to peace.

The Dean, wearing his clerical robes and cross, spoke to an audience composed largely of Soviet citizens and including Patriarch Alexei, heading a delegation from the Russian Orthodox Church.

Cites Christian Purpose

Dr. Johnson said Christianity stands for peace, brotherhood and the equality of man, but that many ordinary churchgoers understand this better than their religious leaders.

"In a key address, Nikalai Tikhonov, Soviet writer, attacked American "warmongers and imperialists." He said the Soviet people have the strength again "to defend their country from the threat of destruction." He added that the U.S.S.R. also "has the strength to defend world civilization" and asserted that "we do not want war, but we do not fear our enemies, the enemies of peaceful humanity."

The conference elected as an honorary presidium the members of the Politburo of the Russian Communist party, headed by Prime Minister Stalin. It also elected an active presidium, including: Dmitri Shostakovich, composer; Konstantine Simonov, Alexander Fadeyev and Alexander Korneichuk, all writers; Sergei Vavilov, president of the Academy of Sciences; V. V. Kuznetsov, chairman of the Soviet Trade Unions Council; Ilya Ehrenburg, writer and journalist, and Trofim Lysenko, biologist.

Chiang Asks Last-Ditch Stand Against Red Tide

Canton, Aug. 25 (AP)—Chiang Kai-shek appealed to Nationalist China today for a fight to the finish against the "aggression" of the "Communist International." The Reds answered with a new push on uneasy Canton.

The Chinese Reds have "unmasked themselves as international agents," the Nationalist Generalissimo declared. He saw their power waning as a "strong arrow reaching the end of its flight."

But he also seemed to see the end of Canton as his Government's refugee capital. For he said: "Today Chungking will again become the center for the fight against aggression."

One-Eyed General

The new Communist drive was unleashed by famed one-eyed Gen. Liu Po-cheng in the southwest corner of Kiangsi province. It threatened three towns near the Kwangtung province border—all within an arc 140 miles northeast of Canton.

It was believed the Reds were trying to take Chiennan, Lungnan and Tingnan as springboards for an enveloping movement aimed at cutting the Canton-Hankow railway at Kukong, 125 miles north of Canton.

If the maneuver succeeded, large Nationalist forces would be forced to retreat or risk encirclement. Canton would be seriously threatened.

Some 2,000 Communist irregulars from Kwangtung were moving toward a meeting with Liu's forces. Nationalist troops were sent to try to prevent this juncture.

Issued At Chungking

Chiang's statement was issued at Chungking. He flew from Canton to China's World War II provisional capital yesterday—reportedly to keep western China warlords from dealing with the Reds.

The Nationalist leader said:

"In the past four years the Communist International first robbed us of the land, people and resources of Manchuria, then extended its dark, gloomy iron curtain to North and Central China. Today Chungking will again become the center for the fight against aggression."

He asserted Communist morale was declining and their political position was weakening. Since the Reds crossed the Yangtze in April, he said, their difficulties have increased, especially after they occupied large cities. [The Communists have admitted trouble in handling such complex cities as Shanghai.]

Revolts Cited

"Tens of thousands of people in Communist-held areas are rising up everywhere to fight against them," Chiang declared. [The Reds also have admitted widespread peasant uprisings and Nationalist underground activity in their areas.]

Chiang exhorted the Chinese of the northwest and southwest to rise up and fight to victory. He added: "I myself am confident of victory."

On the Southeast China front, a state of emergency was proclaimed at the big port of Amoy in Fukien Province opposite Formosa. The city is Nationalist mainland headquarters for southeastern China. A rigid curfew was clamped down and civilians were fleeing.

Big Battle Seen

Red forces moving down from Communist-held Foochow of the coastal highway were nearing Chuanchow, 45 miles northeast of Amoy. Reports indicated a big battle would be fought at Chuanchow. ADD

CHINA REDS PUSH DRIVE ON CANTON

CANTON, China, Aug. 25—(AP) The communists were reported threatening points within 140 miles northeast of Canton tonight, but a Chinese nationalist spokesman said they wouldn't dare to go far because of government gains on the western flank.

Unofficial reports said the Reds led by one-eyed Gen. Liu Po-Cheng were thrusting at Kiennan (Chiennan), Lungnan and Tingnan, all within 140 miles of Canton on a 35-mile arc.

No details were given, but there was speculation that the communists were aiming at Kukong, on the Canton railways 125 miles north of Canton and 60 miles west of the reported Red positions. This would force nationalist armies farther north to retreat or risk encirclement.

Precarious Position

Gen. Teng Wen-Yi, nationalist army spokesman, declared, however, that the communists could not risk further advances as long as the situation in Hunan province, some 250 miles to the northwest, remained in favor of the government. In that sector, nationalists officially announced reoccupation of Siangsiang, 35 miles southwest of Changsha, and the Anhua, 90 miles west of Changsha.

Recovery of these towns west of the railway strengthens the left flank of Gen. Pai Chung-Hsi, nationalist commander.

In this uneasy nationalist capital, however, there was a theory that the government gains might be due to a shift of Red troops to the front nearest Canton for an attempted break-through.

Defense Ring Formed

The nationalist spokesman said a strong defense ring was being established around Amoy, seaport 330 miles northeast of Canton. The Reds were reported approaching at undisclosed distances, amid predictions of a big battle 45 miles to the northeast on the coastal highway.

The spokesman also reported fighting was continuing on Tahsieh island, 100 miles south of Shanghai and seven miles off the coast. It is on the fringe of the Chushan group from which nationalist naval and air forces enforce their blockade of Shanghai. The communists landed there recently, but the spokesman said they had not yet been able to invade the main islands.

Official dispatches from the distant northwestern front said the Reds had been repulsed in an all-out attempt to take Lanchow, capital of Kansu province, in bitter all-day and night fighting, the Reds were declared to have lost 3,000 killed and 700 captured.

The Nationalist Emergency Council planned a military-political conference Friday in Canton. Acting President Li Tsung-Jen was to preside in the absence of Generalissimo Chiang Kai-shek. Chiang is in the hinterland trying to whip up new spirit against the Reds.

Canton Removal Job Complete

Manila, Aug. 25 (AP)—Vice Admiral Oscar C. Badger said today the evacuation of American citizens from Canton by the Navy "is now concluded."

The commander of the United States 7th Task Fleet said Navy ships and some air facilities are still being maintained at Hong Kong to provide for emergency "not now foreseen."

Leaving For D.C.

Admiral Badger returned here aboard his flagship St. Paul, a heavy cruiser. On Sunday he will turn over his command to Vice Admiral Russell S. Berkey and emplane for Washington where he is due next Thursday.

In the past year the old Western Pacific Fleet under Badger has helped out in the evacuation of Americans and other nationals from Hopei province in North China to Kwantug province in South China. More than 1,500 families were removed.

Soviet, Iranian Troops Engage In 5-Hour Clash

Tehran, Iran, Aug. 25 (AP)—A military informant said today Russian and Iranian troops exchanged fire for about five hours last Sunday when Soviet soldiers attacked an Iranian army post.

The clash occurred when a considerable number of Russian troops made a foray into Khorasan province in northeaestern Iran, the informant said.

According to another usually reliable source, the Russians reportedly wiped out an Iranian army post at Sari Aslan, near Neftlijeh, in the Gorgan area before returning to Soviet territory.

3 American Flyers Freed by Java Dutch

Batavia, Java, Aug. 25 (A. P.).—The Dutch High Commissioner today pardoned three American flyers convicted last January by a Netherlands court on charges of running guns into Indonesia, a United States consulate spokesman said.

Freed were Albert W. Onstott of Yuba City, Cal.; Connie W. Seigrist of Vian, Okla., and William Hallam of Portland, Ore. They had been sentenced to prison terms ranging from eighteen months to four years. The three men were picked up in Indonesian waters last September with a Catalina flying boat loaded with small arms and ammunition. They contended they thought the equipment they were delivering was for Malayan planters fighting Communists and not for Indonesian Republicans fighting the Dutch. ADD

TRUMAN EXPECTS GOOD RESULTS IN FINANCIAL TALKS

WASHINGTON, Aug. 25 — (AP) President Truman said today he expects good results from the British-American-Canadian financial conference which begins here Saturday.

The President made this statement at a news conference in an apparent effort to dispel the gloom and predictions of failure that surround the forthcoming talks.

The three-power meeting has been called to determine ways of checking the growing British financial crisis and to map a program for expanding trade generally among the western nations.

Expects Little Bickering

Mr. Truman at first declined to express his attitude about the talks. But later he said if he didn't think some good would result from the

discussions, there just wouldn't be any conference.

The President also made it clear he expects Britain and the United States to go into the important meeting without thought of bickering and name calling over who is responsible for Britain's plight.

Answering a question, he said he believes the recriminations that have been tossed back and forth across the Atlantic have been confined entirely to the newspapers. There have been no recriminations between the British and American governments, he said.

He commented that there was a good cartoon in the Washington Evening Star the other day to illustrate his point. The cartoon, by Clifford Berryman, showed an amiable Uncle Sam and an amiable John Bull looking across the ocean at each other, while two other men labelled "U. S. press" and "British press" were throwing bricks at each other. Uncle Sam was saying:

"It's a pretty good way for both of us to let off excess steam, John."

British Group Arrives

The President expressed his views a few hours after a 20-man British financial, and economic delegation arrived from London to participate in the first discussions.

The head of this group of technicians, Sir Henry Wilson, matched President Truman's optimism by telling reporters "we are all optimistic." Sir Henry said he did not expect any decisions to result from the first week of talks. "We are here to set up everything for those who will follow," he said.

British Foreign Minister Bevin, and Sir Stafford Cripps, British chancellor of the exechequer, are scheduled to arrive later for the high-policy talks starting Sept. 6. Lester B. Pearson, the Canadian foreign minister, and Douglas Abbott, Canadian finance minister, will represent Canada at these discussions.

Talks Of British, U.S. On Asia Policy Due

AUG 25 1949

Washington, Aug. 25 (AP)—Secretary of State Acheson and British Foreign Minister Bevin are expected to discuss possible development of an anti-Communist bloc of nations in the Southeast Asia area when they meet here next month.

Formation of such a bloc, to develop that area along Western democratic lines, has been suggested by various leaders, including President Quirino of the Philippines.

It evidently is one of the things on which the American Government will have to make a decision in arriving at a new policy toward the Far East as a result of the Communist successes in China.

Quirino Visit

To date the United States officially has refrained from giving any open encouragement to the plans of Quirino and others for such an organization. On the other hand, during Quirino's official visit here, officials displayed a more friendly attitude toward his idea than they had shown previously.

Responsible informants said there is no doubt that Acheson and Bevin will review the whole Far Eastern situation and seek to lay the groundwork for further British-American co-operation in that area of the world. A similar review is expected between American officials and Prime Minister Nehru of India when Nehru comes here later in the fall.

Acheson's Aim

Acheson is seeking the maximum co-ordination of American policies with other friendly nations in the Far Eastern situation. He also hopes to develop those policies domestically in a "completely bipartisan" manner.

He made that point clear at a news conference yesterday in rejecting charges by Representative Judd (R., Minn.) that the State Department's recent White Paper on China was a "dishonest document." Judd had so labeled it because, he said, it did not contain some documents bearing on past relations with China which he believed would have shown up American policy there in a different light.

His Reply

In his statement, Acheson took the position either that the State Department had been unable to discover the documents Judd listed or that their publication would not have added any substantially new information to that which actually was given in the White Paper.

5 Per Cent Probers Told of Visit to Paris by Perfume Co. Head

WASHINGTON, Aug. 25—(AP) Maj. Gen. Harry Vaughan used President Truman's name to ease the way for a perfumery trip to Europe planned by John Maragon, senators were told today.

The president's military aide informed the State department in 1945 that Mr. Truman was "personally interested" in seeing that a passport was given for Maragon, the fabulous ex-shineboy who once sported a White House pass.

Although Mr. Truman's name was brought into the Senate investigations subcommittee hearing, the president still refused to make any comment.

Truman Silent

He told his news conference what he'd said previously: No comment until Vaughan has had a chance to have his say.

Vaughan wasn't the only one to use Mr. Truman's name.

Ed Pauley, then Mr. Truman's reparations commissioner, once started a letter:

"This will introduce Johnny Maragon, who is not only a good friend of mine, but also the president's."

The committee also heard:

1. That Vaughan, the president's army aide, once wrote a letter of introduction for David Bennett, Chicago perfumer, who managed to get to Paris only three days after V-E day.

Less than three weeks after Bennett's return deep freezers were sent to Vaughan and to Mrs. Truman at the "Little White House" in Independence, Mo. Vaughan has acknowledged that Bennett paid for the freezers.

2. That Maragon once claimed an $8,000 fee for work which he said he did for Trans-American Traders, Inc., which dealt in surplus war goods.

Maragon Denied Payments

Maragon, in a closed hearing, has sworn that he never took any money from firms trying to do business with the government.

3. That Maragon paid a $1,145 penalty on perfume he tried to bring into this country labeled as champagne, bound for the White House.

Francis Flanagan, committee lawyer, read into the record a letter Vaughan wrote the State department in August, 1945. In this, Vaughan said Maragon wanted to go to Italy as a representative of the Albert Verley Perfume company—the firm that Bennett heads.

The committee had heard earlier that Maragon had gone to Paris for the same firm in July, 1945.

The memorandum in which Vaughan asked for a passport for Maragon had this pencilled note at the bottom:

"Col. Vaughan informed Mrs. Shipley (Mrs. Ruth B. Shipley, chief of the passport division) that the president is personally interested in Maragon's trip to Italy. Col. S. agrees that he is ID."

Flanagan then read an Army report to show that "ID", in the travel code used then, meant that the president himself wanted the travel order granted. "Col. S." was never identified except as an expert on travel orders.

Pauley, who later became one of Mr. Truman's ambassadors, made his comment on his friendship—and the president's—with Maragon in a letter to Henry F. Grady, chief of an American mission to Greece.

Got Greece Job

Pauley said Maragon, who speaks Greek, "is exceedingly anxious to accompany you to Greece on your new assignment."

Maragon got the job.

Mostly the hearing revolved around Maragon. Running second to him was the name of Bennett, the Chicago perfume man who was his parttime employer.

Committee lawyers read reports to show that Bennett got into Paris on May 11, 1945—only three days after V-E day. With him he carried a letter of introduction from General Vaughan.

Bennett and another member of his firm, flew to Paris in an Army transport plane. They returend the same way—"bumping hospital cases to get transportation," Senator McCarthy (R-Wis), said.

Date of Bennett's return: June 6.

Previous testimony has shown that it was on June 27 that Bennett-paid-for freezers were shipped to Vaughan and Mrs. Truman at the "Little White House" in Independence, Mo.

Maragon Not on Stand

Letters read into the record showed that last year Vaughan attempted to get Bennett into the British zone of Germany. (Bennett wanted to see a sick friend, Vaughan said).

Whether or not Vaughan succeeded in this attempt was not brought out. The committee ran out of time smack in the middle of this discussion, and had to adjourn.

This lack of time prevented Maragon from taking the stand, too. He showed up at the hearing, but found it so crowded there was no place for him to sit.

Most of the time Maragon stood, hat in hand, directly in the path of reporters who were hustling in and out of the room, often with copies of letters Vaughan had written in Maragon's behalf.

Chairman Hoey (D-NC), said Maragon's turn will come tomorrow.

Vaughan must accompany Mr. Truman on his trip to Philadelphia Monday, Hoey said, so he has been put down on a Tuesday date with the committee.

UNANIMOUS VOTE OF HOUSE GROUP REFUTES CHARGES

Evidence Does Not Support Fraud Allegations, Committee Says

SEEK 'HIGHER UPS'

AUG 25 1949

Inquiry Board Will Study Report Which Started Long Investigation

WASHINGTON, Aug. 25 — (AP) The B-36 bomber investigation blew up with a dramatic bang today as a Navy critic of the billion dollar deal confessed he was all wrong, and a House committee exonerated defense officials of any fraud, collusion or dishonesty.

Weeks of rumors and charges of political chicanery were sponged off the books with startling suddenness when:

1. A suspended Navy official, Cedric Worth, who started the whole thing with a sensational anonymous memorandum, admitted he had made a "great error."

Unanimous Vote

2. The House Armed Services committee voted unanimously that its weeks of hearings had found no evidence to "support the insinuation that fraud, influence, collusion, corruption, dishonesty, or favoritism had any part in the B-36 procurement program." These were the words of Chairman Vinson (D-Ga) which the members quickly endorsed.

Voting with Vinson was Rep. Van Zandt (R-Pa) who had touched off the inquiry with a speech in the House calling for an investigation of "disturbing reports" concerning Defense Secretary Johnson, Air Secretary Symington and Floyd Odlum, financier whose Atlas corporation controls the company making the B-36.

The highflying superbombers, counted upon to deliver the atom bomb to the enemy in case of war, are costing over a billion dollars. The charges included: (1) That the plane was obsolete; (2) that Odlum made great campaign gifts to the Truman cause when Johnson was fund-raiser last year; (3) That Symington might quit to take a big job under Odlum.

Late in the day Navy Secretary Francis P. Matthews announced that a court of inquiry under Admiral Thomas C. Kincaid, will convene here Aug. 29 to investigate the circumstances surrounding the preparation of the anonymous memorandum which touched off the Congressional investigation.

Everyone Cleared

Van Zandt told reporters everybody mentioned in the inquiry so far has been cleared and "that is exactly as it should be."

The hearings, he said, have "cleared the air" just as he contemplated in a resolution asking for an investigation. He said it was up to Congress to find out if there was anything wrong and correct it if there was.

After today's extraordinary committee session, Joseph B. Keenan, committee counsel told reporters he thinks the charges Worth spread come from other and higher places.

"The area of infection is wider and deeper," he said.

The committee may go into the question of whether anyone else is behind the charges.

During the hearings, Johnson and Symington had blasted all suggestions of irregularities in their deal-

30.24- 5251

ings with the giant, six-engined atom bomb carrier.

Odlum Testifies

Today it was Odlum's turn. Testifying, he said:

"There is not one rivet of politics in the B-36. There is not one ounce of special favoritism in its more than 300,000 pounds of loaded weight.

"The innuendoes and insinuations concerning the B-36 order that caused this investigation by your committee are completely baseless.

"During my more than 30 years of business life I have never once either asked for or received a business fav from any political official."

Odlum took the witness chair after the investigators had just heard him described by Worth as "unscrupulous." Worth's paper had spoken of "efforts of the Atlas Corp., to take over the National Defense Establishment."

But after Odlum had testified, and Worth again was in the witness chair backing down on his charges, he removed the "unscrupulous" designation from Odlum too.

Worth was suspended yesterday from his position as special assistant to the undersecretary of the Navy after admitting authorship of the document.

Today he submitted to an ordeal of lashing questions and said he had a "change of heart."

Keenan demanded:

Worth Changes Mind

"Are you still convinced the B-36 program was brought about through political chicanery or corruption?"

"No," Worth replied.

Rep. Bates (R-Mass) sharply asked:

"Do you have any knowledge, directly or indirectly, of any collusion, fraud, corruption, influence or favoritism in the procurement of the B-36?"

"Nothing that is not in this paper," was Worth's quiet answer, referring to his memo.

"Therefore, you have no such information?"

"Yes, that is right," the witness conceded.

Worth said he regretted the entire affair, and his tagging of Odlum as unscrupulous.

"You realize," Keenan asked, "the heartaches you have brought about by this anonymous document?"

"Yes."

"And the great disservice to the American people?"

"Yes."

Worth was a dejected figure as Vinson brought the hearing to a climax. It had produced hours of testimony from top defense officials that the B-36 was their choice solely because of its performance. Said Vinson:

Lauds Symington, Johnson

"I think the nation should know that Secretary of Air Symington, Secretary of Defense Johnson and Air Force officials have come through this inquiry without the slightest blemish and merit the complete confidence of the American people now and in the future." The committee agreed.

After Keenan and committeemen eased off in their emphatic questioning, Worth was permitted a statement of his own.

He said he believes there is need for serious consideration of the "defense structure, and that is particularly related to the B-36."

The committee will deal with respective roles of the Air Force and Navy when it resumes its work in October.

The whole furore ran parallel with the contest of the Navy with the Air Force for a bigger role in strategic bombing.

Keenan said he wanted to talk to Worth after the hearing to learn who collaborated with him.

Worth said nobody really collaborated, he said he asked people for information and got it; that they didn't know what it was for.

He said his purpose was to obtain an objective look at the B-36 porgram.

Keenan drew an admission that he went about it wrong and had made a "great error."

Contained Secret Data

Before the charges exploded into nothing, investigators drew from Worth testimony that the document contained "confidential" data dealing with B-36 performance.

Worth also testified that he gave a copy of the paper to Glenn L. Martin, Baltimore airplane manufacturer and competitor of Consolidated-Vultee.

He said he conferred with Martin twice and got part of the information in the document from Martin; what part was not brought out at once.

A portion of Worth's paper was put, unsigned, into the committee records recently.

Questioning Worth, Keenan suggested that a potential enemy would be helped by the document's performance figures on the B-36.

"I don't doubt that they had it," Worth replied.

Early in today's session the suspended Navy official backtracked from testimony yesterday that he had told his superior, Navy Under-Secretary Dan Kimball, that he wrote the memorandum. Today he said that what he actually told Kimball four or five days ago was that Chairman Vinson of the committee was saying Worth was the writer.

ECA DECLARES RECOVERY RATE LAGS IN EUROPE

Failure of Nations to Earn Enough Dollars Is Held the Critical Problem.

FIRST YEAR'S WORK REPORTED

Change to Buyers' Market Cited —Inflation Situation Viewed With Optimism.

AUG 25 1949

Washington, Aug. 25 (A. P.).—The Economic Co-operation Administration reported today a slackening in the rate of European recovery.

In a sober report on its first year's operations the agency said the dollars earned by the nations of Europe during the period were enough to pay for only one-fifth of their imports from the Western Hemisphere.

"This was the critical problem which the participating nations faced as the European Recovery Program entered its second year," the ECA said.

However, the report added, the program's "ultimate objective of a 'healthy economy independent of extraordinary outside assistance' remains as a difficult but attainable goal."

Three Aims Set Up.

The report noted that Congress had set up three aims when it authorized the European recovery project: increasing production, stabilizing currencies and stimulating trade among the participating nations.

"In each of these fields," the ECA said, "the Nations of Europe made substantial progress in the first twelve months of the European Recovery Program. As the year drew to a close, however, there were indications of a slackening in the rate of progress, particularly in the export trade, which gave warning of the difficult problems that must be solved before the goal of economic independence can be attained."

Significant Gain.

The agency noted that Western Europe increased its exports during the twelve-month period, through April 2, 1949, until they were about equal to the prewar volume. This, it said, was a significant gain.

"But the persistent difficulties in earning dollars have posed a continuing problem of sustaining the high level of trade which is of paramount importance both to Europe and the United States.

"The change from a sellers' to a buyers' market has placed new emphasis on measures needed to strengthen and expand multilateral trade, particularly the means for rapidly eliminating the cost and trade disparities between dollar and non-dollar areas, the removal of trade restrictions and broadening of areas of free trade."

10 P. C. Export Lag.

While exports as a whole were back on a pre-war footing, the ECA said, trade among the Western European nations themselves lagged at about 10 per cent below pre-war.

However, the report went on, the first three months of 1949 showed a brighter picture than the preceding nine months: Trade as a whole was 18 per cent above the average before the war, while trade among the European nations was 5 per cent higher than pre-war.

The report also took an optimistic view of the European inflation situation.

"The first quarter of 1949," it said, "may well have marked the end of the inflation that has been troubling western Europe since world war II. Wholesale prices and the money supply during the quarter were either unchanged from the previous three-month period or declined somewhat in all ERP countries except Greece, Turkey, and to some extent the Netherlands.

"The continued increase in industrial and agricultural output, the leveling off of the money supply, restrictive credit policies, easing of the labor market, accelerated decline in world commodity prices, and improvements in internal government financing appear to have produced a general relaxing of inflationary pressures."

AEC PROBE CLOSED, M'MAHON ASSERTS

AUG 25 1949

WASHINGTON, Aug. 25—(AP) Chairman McMahon (D-Conn) announced tonight that he considered the joint Senate-House Atomic committee's investigation of the Atomic Energy Commission "to be closed."

But Senator Hickenlooper (R-Iowa), whose charges of "incredible mis-management" last May 22 brought about the lengthy investigation, said he did not consider the announcement "committee action."

He indicated that he thought the way is still open for the investigation to continue despite McMahon's announcement.

"I certainly hope the hearings are not closed, because there are a number of areas yet to be taken up in executive session," he told a reporter.

McMahon's formal announcement came closely on the heels of his attempt to hold a closed door committee meeting on the personnel security phases of the investigation. He failed to muster a quorum of six members.

The personnel security phase deals with the question whether sufficient safeguards have been maintained against entry of possible subversives into the atomic program.

The committee has yet to make a finding on Hickenlooper's mismanagement charges, which were vigorously disputed by Lilienthal and others.

UNITED NATIONS DAY SET

Truman in Proclamation Calls for Observance Oct. 24

AUG 25 1949

WASHINGTON, Aug. 25 (AP)—President Truman today described the United Nations as a "living force for solving the major problems involved in transforming a shattered world into a better habitation for the human race."

He did so in a proclamation calling upon the United States to observe Oct. 24 as United Nations Day. Oct. 24 marks the completion of the fourth year of the United Nations.

D.C. Sees Russ Fanning Revolt To Oust Tito

Washington, Aug. 25 (AP)—United States Government officials expect Russia and her loyal satellites to intensify their violent barrage of threats against Marshal Tito of Yugoslavia during the next few weeks.

However, they see these bitter denunciations as part of a Moscow-directed "war of nerves" against the Yugoslav dictator and not as the forerunner to an outright armed invasion of Yugoslavia.

These officials said they are convinced Moscow is counting on an internal revolt to unseat Tito—or, if that doesn't develop, on the chance that the Russian-inspired economic blockade will bring him to his knees.

Lead Role For Albania

Albania is expected to take a leading role in hurling abuse at Tito as it has in the past months, perhaps in an effort to arouse him into invading the little Balkan country.

Any such Yugoslav move, however, might be the signal for Russian, Romanian, Hungarian and Bulgarian troops to move into Yugoslavia under the guise of helping pro-Moscow Albania repel aggression.

American officials are convinced Tito is thoroughly aware of this danger and intends to avoid any action which might tempt Russia to substitute guns for words in the campaign against him.

"Dove Rattling Saber"

Secretary of State Acheson took note of the tense Moscow-Tito feud and emphasized that the United States is closely following all developments.

Speaking at his news conference, Acheson said he wondered how Communists everywhere could reconcile Russia's "saber rattling" in the Balkans with its much-ballyhooed peace offensive.

Acheson said he supposed the Communists could say this saber rattling was really the cooing of a dove. But, he added with a grin, the dove seems to have developed a sore throat.

NEW B-36 DEFENSE WEAPON REPORTED

Compton Says Guided Missile Can Stop Jet Fighters

AUG 25 1949

Washington, Aug. 25 (AP)—Dr. Karl T. Compton said tonight that the United States is developing an "exceedingly important" guided missile which the B-36 can use to protect itself against speedy jet fighters.

Compton, chairman of the Defense Department's research and development board, spoke with Sumner T. Pike, commissioner of the United State Atomic Energy Commission, over CBS.

Compton said his board is supervising research on four general classes of guided missiles that "are in various stages of development."

He described as exceedingly important the "air-to-air" missile, "which may well become the principal artillery of air combat."

Fighters Have Advantage

The speed of jet fighters gives them both an offensive and defensive advantage over the larger and slower bombers, he said.

"But if the bombers are armed with missiles which can be launched againnst these fighters at considerable range, and if the missiles automatically steer themselves toward the attacking fighter and explode a powerful war head at contact or in close vicinity then again we have an improved countermeasure to protect the bomber against the improved attack.

"This is of great importance to us, since long range strategic bombers are a very significant element in our military arsenal."

Describes Other Types

Compton described the three other types.

One he called the "surface-to-surface" missile. He said it is equivalent to superlong range artillery. It may be fired from shipboard against an enemy ship, or from land against enemy troop concentrations, supply depots or factories.

"Its range may be anything between a few score miles and a few thousand," he said, and then added significantly:

"The development is already well-advanced for those of a few hundred miles range."

Another type under development is the "surface-to-air" missle. This is the equivalent of anti-aircraft shells of greatly increased range and accuracy, he said.

Fourth Weapon Developed

"With the rapid increase in speed and operating altitudes of modern airplanes, such missiles bid fair to become the effective counter measure, insofar as defense from the groud is concerned."

A fourth guided missile under improved development is the "air-to-surface" model.

"We had two or three elementary types of these toward the end of the last war. They proved effective against special kinds of targets, like bridges or ships.

"The newer types will be much more versatile and effective," Compton promised.

HAPPY ENDING FOR DOLLS

Repacking Settles U. S. Customs Dispute Over Shipment

PITTSBURGH, Aug. 25 (AP)—The battle of the United States Customs Office and a young Somerset, Pa., newspaperwoman over a shipment of dolls ended happily today.

Peggy Reiley came to the customs warehouse here and repacked the 200 dolls shipped from Canada for her "Dolls for Europe" campaign.

The dolls then were sent on their way to England where Miss Reiley will pick them up again in October. She will distribute them personally to doll-less little girls in England, France, Germany and Austria.

By repacking the dolls she was able to avoid the $14.63 duty the Government insisted she must pay if the dolls left United States possession.

HOWLEY SAYS REDS 'LIARS, SWINDLERS'

BALTIMORE, Aug. 25 — (AP) The Baltimore Sun quoted the top P. S. military man in Berlin as saying today that the Russians "are liars and swindlers."

The speaker was Brig. Gen. Frank L. Howley, director of the office of military government for the American sector of Berlin.

After interviewing him, Harold Williams, Sun staff correspondent in Berlin, cabled back these other quotes:

On his feelings about the Russians:

"There is no truth in them and the sooner we realize that fact and accept it, the better we will be. They believe that truth changes from day to day: for them there is no such thing as an eternal truth."

America's Voice Answers Russ Radio Quiz

AUG 25 1949

New York, Aug. 25 (AP)—The Voice of America today broadcast to the Russians its own answer to a Moscow quiz program question.

The question: "What are the fundamental characteristics of a people's democracy?"

The Voice replied that a "people's democracy"—the name Russia has applied to eastern European governments—"is not a democracy and does not belong to the people."

"Too Good To Miss"

Charles W. Thayer, chief of the State Department's international broadcasting division, said the chance to answer the quiz question was "too good to miss."

The question purportedly was submitted to a Russian quiz propram broadcast for domestic consumption. The program was picked up by United States radio monitors.

In its own definition, Radio Moscow said a people's democracy has characteristics of a country moving from capitalism to socialism. The country still has some traces of capitalism — some private enterprises and *kulaks*, or wealthy farmers—but the Government is liquidating these.

Voice's Answer

The Voice's answer, beamed to the Poles and Bulgarians in their languages yesterday and to the Russians early today, said, in part:

"A people's democracy is a country in which everything belongs to the state and nothing belongs to the people. It is a country in which the state in turn belongs to the Communist party bosses, who can do what they please with the state and everything in it without regard for the wishes of the people.

Socialist Competition

"It is a country where if a man does not work as fast as the party bosses think he should, he is sent to a forced labor camp for several years to teach him the meaning of Socialist competition.

"A people's democracy is a country where the standard of living of the people must be kept below the standard of living of the Soviet people. Since Soviet man is superior to all other men, obviously no one else must be allowed to live better than the Soviet man."

College Boys Hostages In Germany, Brother Of One Says

New York, Aug. 25 (AP)—Two American college boys are being held as hostages by the Russians in the Soviet zone of Germany, a relative of one of them said today.

The boys, Warren Oelsner, 20, of Oyster Bay, N.Y., and Peter H. Sellers, 18, of Philadelphia, disappeared July 30 while bicycling in the British zone near the Soviet border.

Edward C. Oelsner, Jr., a New York steamship operator and brother of Warren, said the State Department has informed him that the boys fell into Russian hands.

Apparently Crossed Border

In Washington the State Department said it was making every effort to secure the release of the youths. A department spokesman said the pair apparently crossed into the Soviet zone despite a warning from German police in the British zone that it would be dangerous.

As a condition of their return, Oelsner said, the Russians are demanding that the United States Military Government return three Russian Army deserters supposed to have fled to the American zone.

Oelsner said the United States [illegible] Government claims not to know where the Russian deserters are.

Moreover, he said, he understands that American policy in Germany has been to take no responsibility for the return of Russians who flee the Soviet zone.

Both Are Penn Students

Oelsner said both American boys reportedly were in good health and are not captives but being "retained."

"It's good news to learn the boys are alive and well," he said. "I'm ready to go over there if there is anything I can do. But it seems to be a matter for the State Department and the military government at present."

The boys, both students at the University of Pennsylvania, had completed a bicycle tour of Europe and were awaiting a ship to return them to this country.

With a few days to kill, they bicycled into the British zone and reportedly were turned back by customs officials at the Soviet zone border before they disappeared.

JUDGE DENIES DEFENSE PLEA

Refuses To Declare Mistrial In Communist Trial

AUG 25 1949

New York, Aug. 25 (AP)—Federal Judge Harold R. Medina today denied the demand of defense counsel for a mistrial in the eight-month-old Communist conspiracy trial.

At the same time, the court refused to disqualify Russell Janney, a juror and 65-year-old author and theatrical producer, whom the defense accused of anti-Communist bias.

Motion In All Aspects Denied

Medina announced his decision to the packed courtroom after having the two motions under advisement since yesterday.

Asserting that he had "given this matter the most careful study and consideration," the jurist slowly declared:

"The motion is in all aspects denied."

After announcing his decision, Judge Medina said that since the defense had entered its motion for a mistrial he had been besieged by a flood of thousands of telegrams from all parts of the country.

Pointing out that it was "utterly improper for others by any means to seek to influence the judge," Medina added:

"I will not be intimidated. Those things are wrong and should be stopped."

Defense Charges Bias

The defense demanded a mistrial in the long, drawn-out trial on the ground that Janney, author of the novel "Miracle of The Bells," had demonstrated bias against the eleven defendants in private conversations with an actress and singer, Miss Carol E. Nathanson.

The defendants, all top members of the United States Communist party, are charged with conspiring to seek the violent overthrow of the Government. The trial so far has cost the Government an estimated $1,000,000.

The defense, in its attack on Janney, contended the juror had prejudged the defendants guilty and might well have sought to influence other members of the jury.

Defense Produces Clipping

It also produced a clipping from the Macon (Ga.) *Telegraph* of last February in which Janney was quoted as saying in an interview:

"Communism breeds on intolerance. People who want communism should go to Russia to live."

The mistrial demand was one of many such motions made fruitlessly by the defense since the start of the trial. A number of the motions were based on charges that Judge Medina, himself, is biased against the defendants.

Protests Judge's Remarks

Eugene Dennis, one of the defendants who is serving as his own attorney, protested Judge Medina's remarks about the flood of communications he had received in an attempt to influence his decision.

Rising from his chair at the defense table, Dennis protested that "the American people, Communists as well, have the inalienable right to petition for a redress" of grievances.

Accuses Janney Of Perjury

Dennis also argued angrily that Janney should be removed from the jury box because he "has perjured himself several times" and had not heeded the court's admonition to refrain from discussing the case on the outside.

The latter claim was based mainly on an affidavit filed by Miss Nathanson, singer-actress who described herself as a friend of Janney. The affidavit embraced talks about the trial which Miss Nathanson said she had with the juror.

Medina said he had mentioned the telegrams he received only because he desired the "public to know." He said he did not know who sent them but he implied that many were from Communist sympathizers.

LONDON, AUG 25-(AP)-UNDAUNTED BY THREATS OF A SHOPKEEPERS' STRIKE, THE BOARD OF TRADE ORDERED TODAY A FIVE PER CENT CUT IN THE RETAIL PRICES OF UTILITY GOODS SEPT. 26.

THE BOARD'S PRESIDENT, HAROLD WILSON, SOFTENED THE BLOW BY ANNOUNCING AT THE SAME TIME THE END OF PRICE CONTROLS ON A LONG LIST OF OTHER CLOTHING AND HOUSEHOLD ARTICLES.

UTILITY GOODS ARE CLOTHING, FOOTWEAR AND HOUSEHOLD TEXTILES WHOSE PRODUCTION COST IS SUBSIDIZED BY THE LABOR GOVERNMENT TO KEEP PRICES WITHIN REACH OF THE POOR.

WILSON SAID THREE TO FOUR PER CENT OF THE PRICE CUT WILL BE BORNE BY THE RETAILERS. THE REMAINDER WILL FALL ON MANUFACTURERS AND WHOLESALERS UNDER A COMPLICATED RE-PRICING FORMULA.

A PROTEST MEETING BY DELEGATES REPRESENTING 250,000 RETAILERS IN THE NATIONAL CHAMBER OF TRADE WAS HELD EARLIER THIS MONTH. SOME VOWED TO CLOSE SHOP RATHER THAN ACCEPT THE REDUCTION IN PROFITS.

CHAIRMAN LEONARD M. HARRIS OF THE DRAPERS' CHAMBER OF TRADE, AN ORGANIZATION OF 10,000 DRY GOODS DEALERS, TOLD NEWSMEN TONIGHT:

"MR. WILSON'S SCHEME WILL DEPRIVE MANY SMALL RETAILERS OF A LIVING WAGE. IF IT IS ALLOWED TO CONTINUE IT WILL FORCE MANY OF THEM OUT OF BUSINESS."

WILSON ESTIMATED REMOVAL OF THE LONG LIST OF NON-UTILITY GOODS FROM PRICE CONTROL--ALSO EFFECTIVE SEPT. 26--WILL CAUSE A JUMP IN THE COST-OF-LIVING INDEX OF ABOUT HALF A POINT. THE INDEX, IN WHICH PRICES OF JUNE, 1947, REPRESENT 100, STANDS NOW AT 115.

ARTICLES WHICH WILL BE REMOVED FROM THE PRICE-CONTROL LIST NUMBER ABOUT 1,000. THEY RANGE FROM HAND-WOVEN TWEEDS TO REFRIGERATORS AND BABY BUGGIES.

THE INFORMANT SAID BRITAIN'S BALANCE-OF-PAYMENTS POSITION FOR THE CURRENT QUARTER LOOKS "VERY GRIM" DESPITE RIGID IMPORT CUTS.

HE PREDICTED THAT NEW CUTS IN BRITISH DOLLAR SPENDING ON FOOD, TOBACCO AND OTHER ITEMS WOULD BE BOUND TO FOLLOW FAILURE OF THE WASHINGTON TALKS TO SOLVE BRITAIN'S GROWING DOLLAR CRISIS.

THE INFORMANT SAID THE LABOR GOVERNMENT HAS SUSPENDED DECISIONS ON OTHER MAJOR ISSUES UNTIL AFTER THE TALKS.

AMONG THESE HE CITED THE FUTURE OF BRITAIN'S ANNUAL DEFENSE BILL WHICH ENABLES IT TO MAINTAIN 769,000 MEN AND WOMEN IN THE ARMED FORCES AT AN ANNUAL COST OF $3,000,000,000.

THE GOVERNMENT DOES NOT WANT TO TOUCH THE DEFENSE BILL, HE SAID, BUT LEFTWING POLITICAL PRESSURE MIGHT COMPEL IT TO IF THE SOCIAL SERVICES

OR FOOD SUBSIDIES ARE TRIMMED.

THE INFORMANT ASSERTED THAT HEAVY STERLING AREA SPENDING IN BELGIUM AND SWITZERLAND IS CONTRIBUTING LARGELY TO THE DIVE IN BRITAIN'S DOLLAR AND GOLD HOLDINGS. IN THOSE TWO COUNTRIES PAYMENT IN GOLD HAS BECOME NECESSARY UNDER CERTAIN EUROPEAN RECOVERY PROGRAM ARRANGEMENTS.

DURING THE WASHINGTON TALKS, SIR STAFFORD CRIPPS, CHANCELLOR OF THE EXCHEQUER, AND FOREIGN SECRETARY ERNEST BEVIN WILL PRESENT A SIX-POINT PLAN TO EARN MORE DOLLARS.

STRASBOURG, FRANCE, AUG. 25-(AP)-CRITICISM THAT MARSHALL PLAN AID IS PRODUCING LITTLE PERMANENT EFFECT ON EUROPE'S ECONOMY MARKED THE WIND-UP OF THE EUROPEAN CONSULTATIVE ASSEMBLY'S ECONOMIC DEBATE YESTERDAY.

CONSERVATIVES, SOCIALISTS AND MIDDLE-ROADERS PREDICTED WITHOUT CONTRADICTION THAT EUROPE IS IN FOR ECONOMIC CHAOS, SOCIAL UPHEAVALS AND EVEN WAR IF SHE CANNOT ACHIEVE ECONOMIC UNITY BEFORE THE RECOVERY PROGRAM ENDS IN 1952.

STATEMENTS THAT LITTLE LONG-RANGE CONSTRUCTIVE WORK IS BEING DONE UNDER THE MARSHALL PLAN WERE NOT DISPUTED.

AMERICAN AID HAS BEEN COMMENDED IN THE ASSEMBLY AS GENEROUS AND WISE, BUT SOME SPEAKERS BLAMED THE NATIONS RECEIVING AID FOR NOT TAKING ADEQUATE MEASURES TO SPEED THEIR OWN RECOVERY AND FOR NOT SUBMERGING NATIONAL DIFFERENCES IN BEHALF OF EUROPE'S WELFARE.

A RESOLUTION INTRODUCED BY WINSTON CHURCHILL'S EUROPEAN MOVEMENT (CAP E AND M) ASSERTED THAT "UNLESS IMMEDIATE STEPS ARE TAKEN TO PROMOTE A EUROPEAN ECONOMIC UNION THERE MUST INEVITABLY BE A EUROPEAN ECONOMIC COLLAPSE, INVOLVING A CATASTROPHIC DECLINE IN THE STANDARD OF LIVING OF THE EUROPEAN PEOPLES AND SOCIAL DISTURBANCES ENDANGERING THEIR DEMOCRATIC WAY OF LIFE."

ANOTHER RESOLUTION PROPOSED BY FRENCH SOCIALIST ANDRE PHILIP SAID THE ECONOMIC UNIFICATION OF EUROPE IS THE ONLY WAY OF AVOIDING "A SOCIAL CRISIS OF EXTREME GRAVITY."

BRITISH LABORITES, HOWEVER, ADVISED A GO-SLOW POLICY. THEY SAID AN ECONOMIC UNION, STRIPPING TARIFF PROTECTION FROM SOME INDUSTRIES, WOULD CREATE WIDE-SPREAD UNEMPLOYMENT.

Night Lead Yugoslav

By Alex Singleton

Belgrade, Aug. 25--(ap)--Eastern Europe's private
cold war showed signs of warming up to
Yugoslavia's military leaders continued to

stiffen their resistance to Russian pressure by sending strongly-worded [redacted] pledges of loyalty to Premier Marshal Tito.

None of the messages mentioned the possibility of war as an end-all to current Russian-Yugoslav political feud. But all of them referred indirectly to it and pledged an all-out fight against aggression.

Representatives of Tito's air force told the Balkan communist leader: "We are prepared to defend our country at any moment from every attack, NO matter from what side it comes."

Tito's corps of national defense messaged him: "We shall be prepared to defend our country from anyone who attacks or attempts to harm her."

A telegram to the Yugoslav leader from the anti-aircraft military school said: "NO slanders, nor threats, nor blackmailing will prevent us from fulfilling our tasks x x x."

Taken collectively, the messages added up to the fact that Yugoslavia will use force if necessary to combat any attempt to subdue its independence by force.

30.24- 5257

Fourteen months ago the Russian-dominated cominform nations [redacted] of eastern Europe [redacted] accused Tito of deviating from [redacted] Moscow's Marxist-Leninist party line and tossed him out of their communist bloc.

The verbal battle raged for more than a year. Then Russia openly called Yugoslavia an enemy of the Soviet Union. Tito offered to settle all differences with Moscow but warned that his country would NOT put up with any form of interference in its domestic or foreign affairs.

(Russia's press continued attacking the Yugoslav leader after Tito's offer to end the political differences between the two countries. The Soviet army newspaper ran a cartoon showing Tito as a bloodthirsty dog reaching for a bag of Wall Street gold.)

Despite the Yugoslav peace gesture, foreign observers doubted the tension would be eased. They thought the feud had carried too far --- especially since Yugoslavia has served notice [redacted] will NOT take orders from the Kremlin.

WASHINGTON,AUG 25-(AP)-SENATE COMMITTEES AGREED TODAY WITH THE HOUSE THAT "EXCESS" MILITARY STOCKS SENT ABROAD UNDER THE ARMS AID PROGRAM SHOULD BE LIMITED TO $450,000,000 WORTH.

CHAIRMAN CONNALLY (D-TEX) OF THE SENATE FOREIGN RELATIONS COMMITTEE SAID THIS FIGURE IS BASED ON ORIGINAL COST.

THIS SURPLUS IS NOT INCLUDED IN THE $1,450,000,000 PROGRAM, WHICH PRESIDENT TRUMAN HAS ASKED, EXCEPT THAT $77,000,000 OF THAT SUM WOULD BE USED TO REPAIR AND SHIP SUCH EQUIPMENT.

THE FOREIGN ARMAMENT PROPOSAL IS AIMED AT STRENGTHENING RESISTANCE POWERS OF WESTERN EUROPE AND OTHER NONCOMMUNIST AREAS. CONNALLY SAID THE SURPLUS COULD BE SENT TO ANY OF THE COUNTRIES NAMED IN THE BILL.

THE SENATE AMENDMENT DEFINES EXCESS STOCKS AS THOSE NOT REQUIRED HERE IN A MOBILIZATION EMERGENCY.

THE SENATE COMMITTEES--FOREIGN RELATIONS AND ARMED SERVICES--ALSO AGREED TO SOME IDEAS OF SENATORS VANDENBERG (R-MICH) AND DULLES (R-NY).

ONE WOULD REQUIRE THAT AFTER THE U. S. ADOPTS DEFENSE PLANS WHICH ARE SCHEDULED TO BE SET UP UNDER THE NORTH ATLANTIC TREATY, THE ARMS AID SHALL BE SUPPLIED ONLY IN LINE WITH THESE PLANS.

ANOTHER WOULD LET CONGRESS OR THE PRESIDENT RECLAIM ARMS EARMARKED FOR A NATION IF IT WAS FELT THAT SENDING THEM WOULD BE DETRIMENTAL TO U. S. DEFENSE.

THE COMMITTEES TOMORROW PROBABLY WILL FACE TWO BIG ESTS.

1. WHETHER TO INCLUDE AID FOR CHINA. THIS IS NOT IN THE BILL.
2. HOW MUCH TO ALLOW THE EUROPEAN MEMBERS OF THE ATLANTIC PACT. THE ADMINISTRATION ASKED $1,160,990,000. THE HOUSE CUT THIS IN HALF.

LAKE SUCCESS, AUG.25-(AP)-INCREASED USE OF ELECTROLYTIC TINPLATE WAS FORECAST TODAY BY SAMUEL S.JOHNSTON OF THE WEIRTON STEEL COMPANY, WEIRTON, W.VA.

JOHNSON, IN A PAPER READ TO THE UNITED NATIONS SCIENTIFIC CONFERENCE ON THE CONSERVATION AND UTILIZATION OF RESOURCES, CONCEDED CERTAIN DISADVANTAGES OF THE METHOD DEVELOPED DURING WARTIME TIN SHORTAGES.

BIGGEST OF THESE, HE SAID, IS POORER RESISTANCE TO CORROSION IN FOOD CANS MADE FROM TINPLATE PROCESSED BY ELECTROLYSIS, RATHER THAN BY THE OLDER HOTDIP METHOD OF COATING STEEL SHEETS.

HE SAID THIS HAS BEEN OVERCOME IN SOME CASES BY ADDITIONAL COATINGS OF ORGANIC MATERIALS, HOWEVER, AND THE ELECTROLYTIC METHOD RETAINS THE ADVANTAGE OF SAVING TIN AND THEREBY MONEY. PRODUCTION COSTS ABOUT EVEN OUT, AS NEAR AS COMPARISONS CAN BE MADE, HE SAID, WHILE THE NEW PROCESS REQUIRES ONLY ABOUT ONE-FIFTH TO ONE-HALF THE TIN USED IN THE OLD.

"THE MONETARY SAVINGS IN THE USE OF ELECTROLYTIC TINPLATE DICTATE THAT IT BE USED IN PLACE OF HOTDIP PLATE WHEREVER POSSIBLE," JOHNSTON SAID.

HE SAID INCREASED TIN SUPPLIES ALREADY ARE BRINGING ABOUT WIDER USE OF THE LIGHTEST GRADE OF ELECTROLYTIC PLATE IN LITHOGRAPHY, FOR BOTTLE CROWNS AND CLOSURES, BEER CANS AND FOR PACKAGING PAINTS, MOTOR OILS AND MEDICINES.

"AS THE SUPPLY OF TIN BECOMES LESS CRITICAL, THIS MARKET WILL EXPAND." HE SAID.

U.N.--BALKAN
BY MAX HARRELSON

LAKE SUCCESS, AUG. 25-(AP)-THE UNITED NATIONS SPECIAL COMMITTEE ON THE BALKANS SAID TODAY YUGOSLAVIA HAS REDUCED HER AID TO GREEK GUERRILLAS AND MAY HAVE HALTED SUCH AID COMPLETELY.

THIS WAS THE FIRST OFFICIAL WORD RECEIVED FROM THE U.N.'S ON-THE-SPOT OBSERVERS THAT THE FIGHT BETWEEN PREMIER MARSHALL TITO AND THE SOVIET UNION HAS HAD A DIRECT BEARING ON THE DIFFERENCES BETWEEN GREECE AND HER NORTHERN NEIGHBORS.

THE COMMITTEE CAUTIOUSLY REFRAINED FROM ANY MENTION OF TITO'S SPLIT WITH THE COMMUNIST INTERNATIONAL INFORMATION BUREAU (COMINFORM) OR FROM TRYING TO INTERPRET RECENT YUGOSLAV MOVES IN THE GREEK DISPUTE.

IT REPORTED, HOWEVER, THAT TITO HAD ORDERED THE GREEK-YUGOSLAV BORDER CLOSED IN JULY AND HAD BEEN UNDER ATTACK BY THE RADIO OPERATED BY THE COMMUNIST-LED GREEK REBELS.

THE COMMITTEE SAID IT IS NOT AT PRESENT IN A POSITION TO EVALUATE THESE DEVELOPMENTS OR INTERPRET THE CUT IN YUGOSLAV AID TO THE GUERRILLAS, BUT PROMISED TO SEND THE GENERAL ASSEMBLY A SUPPLEMENTARY REPORT NEXT MONTH WITH LATER INFORMATION.

THE REPORT NOTED THAT WHILE YUGOSLAV AID WAS DECREASING, ROMANIAN ASSISTANCE TO THE GUERRILLAS WAS INCREASING. IT POINTED OUT, FOR EXAMPLE, THAT THE GREEK GUERRILLA RADIO NOW WAS OPERATING FROM ROMANIAN TERRITORY INSTEAD OF YUGOSLAV.

AS FAR AS ALBANIA AND BULGARIA ARE CONCERNED, THE COMMITTEE SAID BOTH ARE CONTINUING TO HELP THE GREEK REBELS DESPITE U.N. CONDEMNATIONS.

THE REPORT SAID YUGOSLAVIA, AS WELL AS ALBANIA AND BULGARIA, STILL REFUSED TO RECOGNIZE THE COMMITTEE.

THE COMMITTEE SAID ALBANIA AND BULGARIA "HAVE DIRECTLY ENCOURAGED AND INCITED THE GREEK GUERRILLAS IN THEIR ATTEMPTS TO OVERTHROW THE GREEK GOVERNMENT" AND HAVE PROVIDED "LARGE QUANTITIES OF WAR MATERIALS AND OTHER SUPPLIES.

IN CONCLUSION, THE REPORT SAID:

"THE SPECIAL COMMITTEE REAFFIRMS THE CONCLUSIONS SET FORTH IN ITS PREVIOUS REPORTS TO THE GENERAL ASSEMBLY AND, IN PARTICULAR, THE CONCLUSION THAT THE CONTINUANCE OF THE PRESENT SITUATION 'CONSTITUTES A THREAT TO THE POLITICAL INDEPENDENCE AND TERRITORIAL INTEGRITY OF GREECE AND TO PEACE IN THE BALKANS'."

LAKE SUCCESS, AUG.22-(AP)-SCIENTISTS ARE EXPERIMENTING WITH AN UNDERGROUND FIRE IN ALABAMA THAT MAY MAKE IT POSSIBLE TO HEAT YOUR HOME AND DRIVE YOUR CAR AT A FRACTION OF PRESENT COSTS.

THE UNITED NATIONS SCIENTIFIC CONFERENCE ON THE CONSERVATION AND UTILIZATION OF RESOURCES WAS TOLD TODAY ABOUT THE BLAZE--TURNING COAL INTO GAS WITHOUT MINING IT--BY M.H.FIES OF THE ALABAMA POWER COMPANY AND JAMES L.ELDER OF THE U.S. BUREAU OF MINES.

IT WAS SET OFF BY A HAND GRENADE LAST MARCH 18 IN A U-SHAPED TUNNEL THROUGH A COAL SEAM AT GORGAS, ALA. THE EXPERIMENT WAS SPONSORED JOINTLY BY THE GOVERNMENT AND THE POWER COMPANY.

IT IS STILL BURNING, UNDER BLASTS OF AIR FROM FIRST ONE END OF THE TUNNEL AND THEN THE OTHER.

RESULTS SO FAR, HOWEVER, INDICATE THE POSSIBILITY OF PRODUCING GAS FOR HEATING AND INDUSTRY AT THE EQUIVALENT OF COAL AT $3.50 A TON, THE TWO SCIENTISTS REPORTED TO DELEGATES FROM 50 COUNTRIES.

WHERE YOU CAR COMES IN IS THAT THE SAME SET-UP CAN BE USED FOR CHEAP PRODUCTION OF SO-CALLED "SYNTHESIS" GAS, USED IN THE CONVERSION OF COAL TO GASOLINE AND OTHER PETROLEUM PRODUCTS.

FIES AND ELDER NOTED THAT, OUTSIDE RADIOACTIVE MATERIALS SUCH AS URANIUM, COAL HOLDS MORE THAN 95 PER CENT OF THE WORLD'S MINERAL RESERVES FOR FUEL AND ENERGY.

THE CURRENT EXPERIMENT IS THE SECOND CARRIED OUT AT GORGAS BY THE BUREAU OF MINES AND ALABAMA POWER, FOLLOWING PRELIMINARY LABORATORY WORK AT THE BUREAU OF MINES STATION AT MORGANTOWN, W.VA.

AUG 25 1949

RUSSIA ALSO HAS CARRIED OUT EXTENSIVE EXPERIMENTATION WITH UNDERGROUND GASIFICATION OF COAL. THE SOVIET UNION, HOWEVER, DECLINED AN INVITATION TO SEND ITS SCIENTISTS TO THE U.N. CONFERENCE.

FIES AND ELDER REPORTED THAT THE FIRST EXPERIMENT IN JANUARY, 1947, ESTABLISHED THE FEASIBILITY OF BURNING COAL UNDERGROUND TO MAKE GAS,

THEREBY SAVING BOTH THE COST OF MINING AND OF BUILDING GAS GENERATORS ON THE SURFACE. IT WAS ALSO FOUND POSSIBLE TO PRODUCE DIFFERENT TYPES OF GAS BY VARYING THE MIXTURE BLOWN THROUGH THE TUNNEL, ADDING OXYGEN, HYDROGEN OR STEAM.

THE NEW TEST IS CONCERNED MAINLY WITH BETTER CONTROL AND FURTHER CUTTING OF COSTS, THEY SAID.

AUG 25 1949

THIS TIME THE U-SHAPED TUNNEL--LIKE A PLUMBER'S TRAP FROM UNDER THE BATHROOM BASIN, LAID ON ITS SIDE--IS TAPPED FROM THE TOP BY A SERIES OF CONCRETE-LINED BORE HOLES. IT WAS DOWN ONE OF THESE HOLES THAT THE GRENADE WAS DROPPED TO SET OFF THE BLAZE, WITH GAS BEING TAKEN OFF AT ANOTHER ONE ABOUT 300 FEET AWAY.

LATER THE AIR BLOWERS TO FAN THE FIRE WERE MOVED TO THE SECOND HOLE AND THE GAS WAS TAKEN OFF AT THE FIRST, REVERSING THE DIRECTION OF THE FIRE. THE SCIENTISTS SAID THIS APPEARED TO INCREASE THE RETAINED HEAT AND THEREBY THE EFFICIENCY OF THE UNDERGROUND FURNACE, SO THE BLOWERS NOW ARE SWAPPED BACK AND FORTH REGULARLY.

British Jets Aided Research Of Russia, Refugee Declares

HAL COOPER

London, Aug. 26 (AP)—A refugee Russian air expert said today Britain has handed the Soviet Union a chance to recoup a ten-year lag in jet aircraft research.

Lieut. Col. G. A. Tokaev, former head of the U.S.S.R. Military-Scientific Academy, said he referred to British shipment of Rolls Royce Nene jet power units to Moscow in 1946 and 1947.

"It is not an exaggeration to say that the U.S.S.R. was probably ten years behind the world's foremost exponents of jet development," Tokaev wrote in the British aeronautical magazine *Flight*.

Saved By British "Gift"

"Having awakened from their slumbers, those responsible suddenly realized they had strayed into a dangerous blind alley.

"But the way out appeared quite unexpectedly. The British authorities sold to the Soviet Government a certain number of British jet units—the excellent Nenes. . . .

"We need not doubt that very soon their studies of the Nene will allow Soviet constructors to create excellent combat aircraft, for which they will be awarded many a Stalin prize."

Development of new British aircraft and weapons is under direction of the Ministry of Supply.

George Strauss, who heads the Ministry, told Parliament last November 8 Britain had shipped a total of 174 jet engines abroad and that an unspecified number went to Russia.

A spokesman for the Air Ministry said today he doubted Russia was given "anything very recent."

A spokesman for the Ministry of Supply said the Nene jets were shipped to Russia after they had been taken off the secret list.

He recalled that John Freeman, parliamentary secretary for Strauss, told the House of Commons last November "refusal of an export license would have been contrary to the general export policy prevailing at that time."

The shipments were made in August, 1946, and March, 1947. That was before the cold war between Russia and the Western allies reached its present status.

British Rightists Join Leftists in Denial of Dollar Crisis Blame

By the Associated Press

LONDON, Aug. 26.—Magazines of Britain's left and right joined yesterday in declaring that this country's dollar crisis was not all its own fault.

They were the Spectator, the Tribune and the New Statesman and Nation.

The Tribune, speaking for the left-wing of the ruling Labor Party, said:

"If the United States were to step up its purchases from the sterling (pound) area by less than 1 per cent of its national income our dollar problems would be over."

The New Statesman and Nation (Labor) said the most British delegates could expect in the coming Washington dollar talks would be "firm American commitments to purchase a minimum of primary products (raw materials) from the sterling area, permission to use Marshall dollars for Canadian wheat, and tariff concessions."

The Conservative Spectator deplored recent bitter words between British and Americans on the financial situation, saying the Americans "may have ground for their criticism, but the criticisms have been carried so far as to drive a wedge, not merely between Americans and British labor, but between Americans and critics of British labor. We have not foregone, and cannot forego, the right to manage."

Meanwhile the British treasury began an economy campaign. It ordered cuts, approximating 5 per cent in the expenditures of all government departments. These cuts are an attempt to put high British prices in line with world markets.

The monthly bulletin of the Empire Industries Association, an organization of British businessmen, asserted also that the 1946 American loan to Great Britain contained a clause insuring that American exports should remain the dominant feature of world trade.

Tito Meets Wallace Supporters On Brioni

London, Aug. 26 (AP)—Premier Marshal Tito lunched with a group of American supporters of Henry A. Wallace on the Adriatic Island of Brioni yesterday, the official Yugoslav news agency *Tanjug* said tonight.

Tanjug said in a broadcast heard here that the group included Louis Adamic, writer; Jerome Davis, educator and sociologist; Henry Pratt Fairchild, social scientist, and Dr. Kirtley Mather, a geologist.

"In the course of a lengthy conversation," the agency reported "Marshal Tito replied to a number of questions about Yugoslavia of interest to the Progressive people in America."

It said the group had been in Yugoslavia several days after visiting Poland, Czechoslovakia, Hungary and other countries.

Free Albania Group Formed

PARIS, Aug. 26 (AP).—Formation of a Committee for Free Albania was announced here today. Midhat Frasheri, sixty-nine-year-old Albanian diplomat who fled the country five years ago, said the committee is pledged to "complete restoration of independence, sovereignty and territorial integrity of the Albanian nation." He is chairman of the group.

Data Submitted On Von Manstein

Hamburg, Germany, Aug. 26 (AP). The prosecution today produced the first few hundred captured documents which are the basis of its war crimes accusations against former German Field Marshal Erich von Manstein.

He is on trial on seventeen counts alleging responsibility for atrocities by German forces in Poland and Russia.

Von Manstein scribbled busily in the dock as the pile of documents in front of him grew higher. He quickly and expertly leafed through them as the prosecutor, Sir Arthur Comyns-Carr, read them slowly to the court and explained the significance of each paper in his case. The documents were captured by the Allies and most of them are on loan from Washington.

Evidence Bar Denied

The 32 sets of papers produced were German orders defining the various commands held by von Manstein. They covered the period from his appointment as chief of staff to Field Marshal Karl Rudolf Gerd von Rundstedt in the Polish campaign, to 1944, when he had become a field marshal and was sacked by Hitler from command of the German forces in southern Russia.

The court rejected a defense move to bar an important section of the prosecution's evidence. This was the written record of evidence taken from three condemned Nazi Elite S.S. officers in Landsberg jail (American zone). They were officers of the notorious *Einsatz-Gruppe* assigned to the vast task of exterminating the Jews of Poland and Russia.

The defense claimed the record was inadmissible and demanded that the men themselves be produced.

The court ruled that the evidence was admissible and that it was undesirable to produce men under sentence of death in public court. Execution of the men has been held up pending the result of a petition of habeas corpus to the American Supreme Court.

Scholz Receives 8-Day Term From French Court in Berlin

BERLIN, Aug. 26 (AP)—A French military court sent Karl-Heinz Scholz to prison for eight days today for forming an anti-Russian German Communist party without a license.

A 41-year-old veteran Communist, Scholz also was forbidden to engage in any political activity in the French sector of Berlin without French permission.

Scholz was arrested Wednesday a short time after he had announced the organization of his "Free Communist party," which, he said, opposed the rule of the Kremlin.

Loan for Passion Play Approved by A. M. G.

OBERAMMERGAU, Germany, Aug. 26 (AP).—The American Military Government approved today a Bavarian government loan of 1,000,000 West marks (about $300,000) to finance the 1950 Oberammergau passion play.

The play has been presented every decade for 300 years with few interruptions. There were lapses during the Franco-Prussian War and in World Wars I and II. The tercentenary in 1934 drew 400,000 persons.

Oberammergau was spared by bombing planes in the last war, and costumes and scenery escaped damage.

German Red Attack On Church Predicted

By the Associated Press

VATICAN CITY, Aug. 26.—A Catholic news service dispatch from Berlin said today that the Communist-dominated legislature of Brandenburg is preparing new restrictive measures against the Roman Catholic Church.

The dispatch was printed by the Vatican newspaper, L'Osservatore Romano, and the Rome Catholic daily, Il Quotidiano.

The legislature, it said, is "completely supine before the Communist Party."

The bills now being studied aim at limiting the church to "strictly church activities" and at "elimination of the remnants of Catholic Action in the state of Brandenburg, if not the whole of Eastern Germany," it added. Catholic Action is a lay organization.

The Russians occupy Eastern Germany. Catholics in that area number about 2,000,000.

The dispatch said Communists are subtly attacking all religious influences. "Publicly," it added, "they declare that religious practices are not hindered. But the opposite of this is obvious.

"In fact, concentration camps of the Soviet zone constantly register an increase of their unhappy population."

Rome, Aug. 26 (A. P.).—Greek Communist guerillas will be split soon by formation of a faction opposed to Soviet domination, the Italian news agency Astra said today. Astra, which monitors Greek rebel radio broadcasts, made the declaration in a Trieste dispatch.

GREEKS TAKE 3 REBEL HEIGHTS

Commandos Capture Areas In Grammos Offensive

S. CHAKALES

Argos, Greece, Aug. 26 (AP)—Greek Army commandos captured three important heights in the Grammos offensive today.

The heights lie along the eastern edges of the Communist-led guerrillas' last important stronghold in the mountains on the Albania border.

Heavy bombing by American-supplied dive bombers softened up guerrilla defenses before the commandos seized Tsarno hill, 9 miles west of Nestorion.

A few hours earlier, commandos captured Psoriarika height, 2 miles north of Tsarno, after bitter fighting. At noon today Greek troops moving from the east captured Kouria height, 4 miles west of Psoriarika, after slight resistance.

28 Greek Soldiers Killed

[An army communiqué in Athens said 28 Greek soldiers were killed and 186 wounded in storming Tsarno and Psoriarika heights. No estimate was made of guerrilla losses.]

Tsarno, Psoriarika and Kouri are shoulders of the main Grammos range, which rises to 7,000 feet along the Albanian border. The main guerrilla positions in the Grammos remain to be attacked.

When the Grammos campaign started earlier this month Greek officials estimated about 8,000 guerrillas were dug in along the Grammos crags. With the Government victory last week in the Vitsi triangle, 60 miles north, the Grammos area is the last important stronghold remaining in guerrilla hands.

Moved After Vitsi Loss

Prisons captured east of Aetomilitsa, one-time guerrilla headquarters, said they had been moved into the Grammos area after the Vitsi feat.

One setback for the Greek troops was reported. Greek soldiers captured a strong point at Zerma, but

were driven out by a strong rebel counterattack.

The capture of Kouria closed another guerrilla escape route to Albania along a branch of the Aliakmon River. An official army report said Greek troops who captured Kouria were fired on by artillery and machine guns from Albania.

Rebel Radio Reports

LONDON, Aug. 26 (AP). — The Greek rebel radio said tonight Nationalist forces lost 152 dead, 3,612 wounded and seventy captured in their attacks in the Grammos mountain two days ago. Four government planes were shot down, the broadcast said. It was relayed my Ceteka, Czech news agency, on a broadcast heard here.

Vienna Told Russians Control Hungary Army

Vienna, Aug. 26 (AP)—The American-licensed newspaper *Wiener Kurier* said today command of the Hungarian army has passed into the hands of Soviet military personnel during recent months.

The paper said all key positions in the Hungarian Ministry of Defense are held by so-called Soviet "liaison officers," while 40 high-ranking Russian officers are serving with the Hungarian army.

Military training camps and officers' schools are supervised by Russian personnel, the paper claimed.

Bombings Of Pilsen Assailed

R. KASISCHKE

NIGHT

Prague, Czechoslovakia, Aug. 26 (AP)—The Czechoslovak Army newspaper charged tonight that United States and British air forces bombed nonmilitary targets in Czechoslovakia during World War II in order to reduce postwar industrial competition.

The paper *Obrandu Lidu* published the charges as military and diplomatic delegations from Russia and the eastern European "peoples' democracies" gathered in Slovakia for tomorrow's opening of a big three-day celebration of the fifth anniversary of the Slovak uprising against the Nazis.

Most of the Czech Government leaders, headed by Communist President Klement Gottwald, have left Prague to participate in the celebration. Gottwald is scheduled to speak on Sunday.

Pilsen Bombings Scored

The army newspaper said only the Russians aided the 1944 Slovak uprising—which was crushed by the Nazis. It accused the American and British air forces of doing nothing against the Germans, but of bombing the town of Dubova and inflicting casualties and damage on the Slovak partisans.

"The case of Dubova," the paper said, "was also the case of Pilsen, which the Anglo-Americans bombed heavily just before the end of the war. And there were also many other places where the Anglo-American air weapon destroyed industries which were not essential to the war but which represented competition for the capitalists of the West. The Anglo-American air force during the war was merely the armed hand of the monopolists of the West."

Marshall Plan Success

For the first time today, a Czech newspaper asserted that the European Recovery Program had proved a success in its first year. A statement, carried by the trade-union paper, *Prace*, said:

"There is no doubt that the Marshall plan saved the western European nations from complete economic collapse."

Rude Pravo, the Communist paper, reported that a Czech priest had conducted funeral services for a Communist Catholic while his comrades laid a red-star wreath on his coffin in a church. It was the first case of its kind reported in Prague since the Vatican's excommunication decree against militant Communists.

FINN STRIKE MOVE REVIVED

NIGHT

Communists Aim To Wreck Economy, Helsinki Charges

T. ROSENTHAL

Helsinki, Finland, Aug. 26 (AP)—Finnish Communist strike leaders began to throw fresh forces today into a labor battle designed—the Government charges—to wreck Finland's economy.

Metal industry workers, producers of most of the Finnish war reparations goods, walked out at one center and others near by threatened to stop work Monday.

The first tied up was the Bjoerkboda lock works near Turku where 200 walked out.

Not far away, 700 in the iron rolling mill of Salsbruk were taking a strike vote over a wage dispute, and Communists are in the majority there.

Agitators Busy Elsewhere

A workers' spokesman said strike agitators are busy in several other shops, especially the Crichtony-Vulcan shipbuilding yards; the Lokomo, at Tampere, producing engines, and Sandviken here.

Spokesmen for the trade-union federation and the metal workers union said the strikes and threats to walk out must be considered political actions even if negotiations for higher wages have been going on at some shops.

There are 50,000 to 60,000 organized metal workers in Finland besides the workers in affiliated trades. The majority of union leaders are anti-Communist but in some important locals Communists have majorities.

Hour General Strike Called

Communists also called for a one-hour general demonstration strike next Thursday, the day Parliament convenes and the appointed time for burial of two persons who died as a result of clashes between police and striking loggers at Kemi August 18.

Communists are expected to bring up the Kemi disorders in Parliament with accusations that Premier Karl A. Fagerholm tried to cover up the clash there.

The Communists said they would demonstrate in behalf of the persons who died at Kemi and against what they called police terrorism there.

Most Ports Tied Up

Workers were reported returning at some strike scenes but there was no official word as to how many. The Government said between five and ten per cent of union workers went on strike—a peak of 33,000. A Swedish language paper said "the number of strikers creeps down below 40,000." The Communists claimed 60,000 workers were out.

Most ports remained strike-bound, building construction is held up and some big bakeries are idle.

Finland's Reds Call One-Hour General Strike

AUG 24 1949

Set for Thursday to Mark Parliament Opening and Burial of 2 Dead in Clash

HELSINKI, Aug. 26 (AP).—Finnish Communists called today for a one-hour general strike on Thursday. That is the day Parliament convenes, and the day set for burial of the two persons who died as a result of a loggers' strike clash with police at Kemi. The Communist proclamation said the demonstration will be "in honor of our dead comrades and in protest of the police terror against the workers."

DAY

It is expected the Communists also will bring up the matter of the Kemi disorders in Parliament. They have accused Premier Karl A. Fagerholm of trying to protect the police and hide the results of the clash, which occurred Aug. 18.

Strikers were reported returning to their jobs in some places today, but there was no official word on the strength of the back-to-work movement. New labor disputes developed in the metal industry.

The Swedish-language newspaper "Hufvudstadsbladet" said "the number of strikes creeps down below 40,000." The Communists said 60,000 were out. Employers have estimated that at the peak of the strike wave 45,000 workers were away from their jobs. There are approximately 300,000 trade union members in Finland.

The strikes are far from over, however. Most ports are still strike-bound. Work on building construction in Helsinki and other cities is held up, and some big bakeries are idle.

A metal industry strike began today at Bjoerboda, near Turku. Two hundred employees of a lock factory walked out there after negotiations to keep the plant operating failed.

Seven hundred men at the Dalsbruk Aktiebolag, an iron rolling mill near Bjoerboda, threatened to walk out Monday.

Slav Refinery Fire Reported

Trieste, Aug. 26 (AP)—A fire, believed to have been set by saboteurs, broke out today in Fiume's Romsa oil refinery, in Yugoslavia, the Italian news agency, Astra, said.

NIGHT

The blaze reportedly spread to the refinery after firemen were called to put out a fire in a small building.

Fiume is a seaport city 40 miles southeast of Trieste city.

May Be Brought To U.N.

The Conservative Rome newspaper, *Giornale D'Italia*, charged the Yugoslavs today with arresting and expelling Italians from their zone of Trieste and warned the United States not to "fall into Tito's net."

The paper said:

"We would not wish (to feel) that Marshal Tito believes himself authorized to act as he does because of the silence and approval of the Washington Government.

"The United States have had too rough an experience with dictators—they're having it at the present time with Stalin—to fall banally into Tito's net; that would be the limit of ingenuity."

An Italian Foreign Office spokesman disclosed Italy has made diplomatic representations in Belgrade and in Western capitals over Yugoslavia's treatment of Italian nationals. Foreign Office circles said the matter might also be brought up at the United Nations.

Denials Of Charge On Greeks

Meanwhile, Yugoslavia has replied to Russian charges that she aided Greek Government forces now engaged in civil war against Communist-led Greek guerrillas.

Belgrade's official press and radio publicized signed denials from guerrilla soldiers designed to refute charges that Greek Government forces had been permitted to enter Yugoslavia for the purpose of attacking guerrilla units from the rear.

The Moscow radio, taking the same line as guerrilla radio broadcasts, recently said Tito had betrayed the guerrilla cause. These charges form part of Russia's propaganda campaign against Yugoslavia.

During the past few days, Yugoslavia newspapers reported hundreds of Greek guerrillas crossed into Yugoslavia seeking medical treatment or respite from fighting. The papers said they were given sanctuary in accordance with international law.

Pope Anti-Christian, Russian Prelate Tells Moscow Rally

AUG 25 1949

T.P. WHITNEY

NIGHT

Moscow, Aug. 26 (AP)—Metropolitan Nikolai of the Russian Orthodox Church tonight told Russia's all-union conference of "peace" proponents that Pope Pius XII is "anti-Christian."

Earlier the conference heard Pietro Nenni, pro-Communist Italian Socialist leader, call President Truman a "gendarme of bourgeois reaction."

[The conference is similar to "peace congresses" sponsored by Communist and other leftist groups in New York, Paris and Prague earlier this year. At the earlier meetings the delegates hailed the Soviet Union as the defendr of the peace, while Western powers were branded as warmongers.]

Condemns Excommunication

Nikolai, Metropolitan of Krutitsky and Kolomna and one of the highest dignitaries in the Orthodox Church, sharply condemned the Vatican decree excommunicating Communists and Communist sympathizers.

The Metropolitan said the Pope is "the agent of American imperialism" and "an ardent enemy of the U.S.S.R."

He asserted the Vatican is participating in all things directed against the Soviet, that the Vatican has shown its true face in the "un-Christian" decree excommunicating all Communist believers, and that during the war the Vatican had never raised its voice on behalf of those who perished in the gas chambers of Hitler.

Nikolai said the Orthodox Church stands strongly with the Soviet Government in its struggle against the new danger of war.

Tax Reforms to Attract Capital to Japan Urged

By the Associated Press

TOKYO, Aug. 26.—An American tax mission yesterday recommended tax reforms for Japan which its chairman said should encourage foreign investments.

Dr. Carl Shoup, Columbia University professor, emphasized at a news conference that the reforms would affect all investments in Japan, not simply foreign ones.

In brief the report recommends that the Japanese government simply collect taxes more efficiently and practice economies proposed last spring by Joseph W. Dodge, Detroit banker, in a separate report.

The government recently made a start in economies by cutting the top-heavy payrolls. This is only a start, however.

After a four-month survey of the government's financial position, the American tax experts figured Japan could get along very well with a tax bite of from 25 to 30 per cent of the national income.

With efficiency in tax collection and economy, the report said, the Japanese actually could reduce income taxes on farmers, low-salary workers and small businessmen. It might even be possible to abolish the national sales tax.

Shoup said foreign investment should be stimulated by the mission's suggestion that the excess profit taxes on corporations be repealed and that stockholders get a better tax break on dividends. Corporations still would pay a tax of 35 per cent.

Chile Purges 416 as Reds

SANTIAGO, Chile, Aug. 26 (AP).—The list of Chilean government employees dismissed on charges of Communist affiliation rose today to 416. Among those dismissed was Luis Enrique Delano, a writer, who until a short time ago was a consul in New York. The government began its crackdown after last week's riots and strikes, which it said were Communist-directed. The Communist party is outlawed in Chile.

MARAGON SILENT ON FUNDS PROBE

Senators Are Told He Banked $120,000, Reported $30,000 Income

AUG 26 1949

WASHINGTON, Aug. 26 — (AP) Talkative John Maragon, mysterious man-about-Washington, grew suddenly silent today when called on to tell how he banked $120,000 during five years in which he reported an income of about $30,000.

With threats of perjury and income tax prosecution hanging over his head, the friend of President Truman's army aide, Maj. Gen. Harry H. Vaughan, stood firmly on his constitutional rights.

He wouldn't talk.

For 30 frustrating minutes, Senators hopefully tried to prod a positive answer of the natty, well pressed Maragon. And at least 26 times they got this:

Refuses to Talk

"On the advice of counsel, I refuse to answer the question on the grounds that my answer might incriminate me."

The Senate investigations subcommittee particularly wanted to check Maragon's income.

It had heard earlier that Maragon had testified, under oath, that his income over a five-year period totalled only around $30,000. Yet during this same period, committee investigator Carmine S. Bellino said, Maragon made deposits of $119,608.61 in checking accounts. He said Maragon had not listed all these funds on his income tax returns.

"A good deal of information" has been turned over to Internal Revenue Bureau, Bellino said, and he thought the bureau planned to "follow through."

"This is a clear cut case of perjury," said Senator Mundt (R-SD), "unless Mr. Maragon can clear things up."

What about this? asked 71-year-old, frock-coated Chairman Hoey (D-NC). Maragon refused to answer.

Senator McCarthy (R-Wis) wanted to know more about Maragon's relations with Vaughan, who repeatedly—testimony has shown—pulled strings to help Maragon. Maragon refused to answer.

Vaughan to Testify Tuesday

Vaughan will have his chance Tuesday to tell his side of the story. Undoubtedly he will be asked why Maragon had—or left the impression that he had—so much influence.

As recently as last May or June, the committee was told today, army officials had the idea that Maragon was acting as a go-between for the White House and Secretary of Defense Johnson's office.

As for Maragon, if he was disturbed by the senators' questions, he didn't show it. Occasionally he smiled; always he smoked. A cloud of cigarette smoke constantly hung over him.

Born on an island in the Aegean Sea, he has never lost his accent, and it was especially noticeable early in his appearance. Then he stumbled occasionally as he read his one sentence. Later he got it down fine, and sailed right through it.

Hoey pointed out at the start that, under the constitution, no man is compelled to give evidance against himself. And Maragon, sitting head to head with his lawyer, Myron G. Ehrlich, took advantage of his rights.

As the inevitable answer floated down—"on the advice of counsel, I refuse"—Senator Mundt (R-SD) once butted in to say:

"I have a question I think probably the witness can answer, to break the monotony of your answers.

Makes One Admission

"Do you know General Harry Vaughan?"

"Yes," said Maragon, and everyone laughed, including Maragon.

Mundt's next query was:

"Have you ever been associated with General Harry Vaughan in any activities?"

This put Maragon back in the groove. Again he refused to answer.

"That leaves me with the impression that you and the general have been engaged in some activities which are incriminating," said Mundt.

"Senator," said Maragon, "regarding the implication, I leave no implication, but I am following my counsel's advice."

Said Senator McCarthy:

"John, you talk less today than I've ever seen you."

And at another time, McCarthy said:

"Oh, John, that's not going to incriminate you." But he still didn't get an answer.

At still another point, McCarthy plunged into a question. Maragon didn't wait for the conclusion before he began, "on advice —"

"Let me finish," said McCarthy. So Maragon let him finish — and then refused to answer.

McCarthy was particularly interested in finding out whether Maragon, who was once a part of an American mission to Greece, ever played any part in formulating the U. S. policy toward Greece.

Denies Foreign Policy Role

Maragon ducked that for awhile but finally burst out with:

"Senator, I want to tell you once and for all that I had nothing to do with any formulation of any foreign policy, whether it is Greece or Bolivia or any other country in the world."

Maragon's lawyer, Ehrlich, had prepared a statement he wanted to read to the committee. Hoey refused to let it become part of the record, but Ehrlich supplied copies to reporters.

He said that when Maragon was questioned behind closed doors he had not had an attorney.

"It appears," Ehrlich said, "there have been extracted from this witness possible self incriminatory statements by methods that are in violation of the spirit and the letter of the Fifth Amendment of the Constitution of the United States."

Ehrlich sai dthat at the "urgence, insistence and request" of the committee Maragon had turned over copies of his income tax reports, bank statements and personal documents.

"He was interrogated regarding these by committee counsel," said Ehrlich, "and I am informed threatened with contempt proceedings if he refused to answer the questions of the committee counsel."

He said he challenged the authority of the committee to demand Maragon's private papers.

The committee is looking into the activities of the so-called five percenters, men who attempt to get government contracts for business men in return for a fee.

The senators particularly want to know whether these men have any influence on government officials.

Bank Account Checked

It was while checking into Maragon's activities that the committee became interested in Maragon's bank account.

He had told them he made only $6,000 to $7,000 a year, committee investigator Bellino said today. And he said Maragon had said he had only one bank account in 1945, with the Union Trust Co in Washington.

Later, Bellino said, Maragon recalled another bank account in Washington.

In 1945, the year he said he had only one account, Maragon also deposited $26,203—and withdrew $27,096—from a San Antonio bank, Bellino said.

Bellino said it appeared to him that while Maragon was on his mission to Greece, and was paid by the government at the rate of $5,600 a year, he also was drawing $1,000 a month pay from the Albert Verley Perfume Company of Chicago.

But when Maragon was quizzed about this, here again he refused to answer.

Maragon was the main show of today's hearing, but the committee also heard:

Other Witnesses Heard

From Committee Counsel William P. Rogers. He said that during an attempt by Maragon to aid a Detroit windshield manufacturer last spring, Army officers got the idea that Maragon was a "liaison between the White House and Pentagon."

"I'm not sure the officers were wrong," said McCarthy.

From Richard A. Martin, an assistant of James V. Hunt, Washington management counsellor. It was a story in the New York Herald-Tribune about Hunt and his dealings with Paul Grindle that touched off the investigation.

Grindle is a Framingham, Mass., furniture manufacturer.

Martin hotly denied many points in Grindle's story. He took particular exception to Grindle's statement that Hunt had told him "all I have to sell is influence."

"I don't think Hunt ever made such a statement to anyone," snapped Martin.

Hunt has been ill. It was announced previously that he will not be able to testify for at least a month.

From Henry F. Grady, former head of the American Mission to Greece. Grady had been asked about Maragon's performance as a member of that mission.

Grady said that three days after he arrived in Athens, the State department ordered Maragon sent home.

"Even had I not received instructions to send him back to Washington," said Grady in a letter to the committee, "I would have done so because he was making himself a nuisance."

Grady said Maragon was flashing a picture of himself and Mr. Truman, and "stating, or at least implying, that he was sent by the President to report to him directly on the activities of the mission."

Maragon had got in Dutch with the Army transport command, too, Grady said.

"He began 'investigating' them," said Grady, "and implied he was doing this on authority from Washington."

JUDGE, DEFENSE IN NEAR CLASH AT REDS' TRIAL

AUG 26 1949

NEW YORK, Aug. 26 — (AP) Chanting pickets and new courtroom exchanges between judge and defense today marked the 32-week-old conspiracy trial of 11 top communist leaders.

Although, Federal Judge Harold R. Medina has said he would not be intimidated by outside pressure, more than 100 pickets demonstrated noisily against the court's decision not to call a mistrial.

Day Opens With Laugh

The day's trial proceeding opened with a laugh, however, when Judge Medina turned to the first witness, Edward E. Strong, and asked "how's the baby?"

The judge had recessed the trial early Thursday so Strong could go to his wife, who had just given birth to the child.

Spectators laughed and Strong, smiling broadly, said everything was fine.

Strong, a Negro defense witness, testified he is chairman of the Philadelphia County Committee of the Communist Party. He said his job was to help organize a "third party" that could achieve victory at the polls. He did not give further details about the party.

He told the court that he never heard the defendants teach or advocate the overthrow of the government by force or violence.

The defendants are charged with conspiring to advocate such an overthrow.

not, Nikolai said. He added the church is going to resist the temptation offered by "Cain."

The Metropolitan declared the Russian Church cannot be neutral, cannot keep silence "either as patriots or as believers, as Christians."

He pictured the "grasping tentacles of a trans-Atlantic octopus spreading around the world." American "imperialism" demands freedom to kidnap, kill and destroy, he said.

Nikolai denied vigorously that the church is persecuted in Russia. He described any such report as a "hypocritical lie" and said the Russian church will "tear off the mask of our enemies."

Eisler Assails U.S. Role

A visitor from Germany, Gerhart Eisler, told the conference Americans have taken over the role of Hitlerites in postwar Germany.

[Eisler, international Communist, fled the United States early in May while under two jail sentences on conviction of passport fraud and contempt of Congress.]

Nenni compared President Truman with Hitler and Napoleon. He also said the "Vatican carries out a policy of social retrogression."

The Italian Socialist said no Government could force the Italian people to participate in a third World War. He predicted signal triumphs by the forces of the "democratic camp" over the "reactionary camp." Nenni appealed for all to unite and "remove the bloody hands from the democratic camp and avert war."

Zini Sake, an Albanian writer, told the conference Yugoslav Premier Marshal, Tito's Government is intentionally provoking incidents on the Albanian frontiers. He added it was the Soviet Union which saved Albanian independence durig and after World War II, "when the threat of Trotskyite Tito hung over the nation."

Both American and British delegations are attending the conference.

Burma Envoys Go To Rescue Of 12,000 In Karen-Held City

D. LACKERSTEEN

Rangoon, Burma, Aug. 26 (AP)—Embassy officials of five nations set out today on a flying diplomatic mission intended to rescue 12,000 foreigners trapped by civil-war battles in rebel-held Taunggyi.

Eighteen Americans involved were safe at last reports.

The Burmese Government sponsored the diplomats' trip to call on the rebels in hopes of getting foreigners out of the way of an offensive and air-bombing planned by the army to retake the town.

The Karen tribesmen, fighting to establish a state of their own, captured Taunggyi August 13.

Educators And Missionaries

Embassies gave these estimates of the number of foreign nationals caught in the southern Shan states capital, about 100 miles southeast of Mandalay:

Indians and Anglo-Indians holding British passports, 6,000; Pakistanis, 3,500; Chinese, 2,500; Americans, 18; Britons, 16.

The Americans were identified as educators and Baptist missionaries. Reports on others were lacking but the army said the Karens were arming some foreigners in advance of the Government's building-up offensive.

The diplomatic mission from the United States, British, Chinese, Indian and Pakistan legations planned to land at Heho, 22 miles from Taunggyi, and wait there while an emissary flying with them goes on to deal with the Karen command.

To Fly Red Cross Flag

The go-between is a bearded Sikh resident of Taunggyi, Nahar Singh. He will drive from Heho to Taunggyi in a car flying the international Red Cross flag and carrying a letter from the embassies asking entry for further negotiations.

The diplomats hoped to be invited in tomorrow, but there was no advance indication that the Karens would be agreeable. Informants said a general cease fire probably would be necessary to carry out an evacuation.

Today's communiqué said Government forces attacked the former military police barracks now housing Karens at Taunggyi and air-bombed the Karen-held town of Tantabin, 40 miles north of Rangoon, while naval units shelled the latter town.

The Government also announced recapture of the North Burma town of Zigon, in the Myitkyina district, after killing 120 rebels and wounding 150. Another Zigon town, near Mandaday, was retaken from the rebels August 16.

Official sources here said the Government had asked the embassies to get their nationals out of the Taunggyi area quickly to escape the coming air attacks.

Experts here said such evacuation would be a nigh-impossible task because it would have to be made by air to be completely successful and would take at least a week.

Couple Permitted To Leave

Americans in Rangoon said the Karens had neither molested nor intimidated United States citizens in Taunggyi. Mr. and Mrs. Charles Brandt, of Portland, Ore., were permitted to leave August 18. They made their way 160 miles over rough roads to Lashio. From there they airmailed a letter saying the other Americans were safe. The Brandts are in Burma as missioners under the Fullbright educational program.

Among those reported left in Taunggyi are two other Fullbright educators and their wives—Mr. and Mrs. Otto K. Hunderwadel, Gainesville, Fla., and Mr. and Mrs. Samuel Dashiell, Dallas, Ore.

The American Embassy ten days ago said the list of United States citizens in Taunggyi included American Baptist missionaries, among them: Mr. and Mrs. W. W. Zimmer of Mason, Mich.; Miss Laura E. Johnson, Meade, Neb.; Mrs. E. Heptonstall, who was born in Toungoo Burma, and Mr. W. D. Hackett born in Rangoon.

CHINESE ADMIT RED VICTORIES IN DRIVE ON CANTON

S. MOOSA

CANTON, China, Aug. 26—(AP) Red capture of positions within 140 miles northeast of Canton was acknowledged tonight by the Chinese nationalist army spokesman.

He said the communists had taken Lungnan and were pressing west toward Kiennan. Reliable private reports said the reds already had taken Kiennan and nearby Tingnan.

Called the three "Nans," these towns stretch over a 35-mile arc within 140 miles of Canton.

(The official communist news agency in Shanghai announced capture of Kiennan and said the aim was to cut the Canton railway at Kukong, 60 miles west of Kiennan. This, it said, would cut off the nationalist base at Hengyang, 265 miles north of Canton. This corresponded exactly with earlier speculation on the red tactics by military observers in Canton.)

Nationalist intelligence reports meanwhile asserted that 100,000 peasants were in revolt against the communists in the Lake Tai region midway between Shanghai and Nanking. (Communist sources lately have admitted widespread peasant disorders, but foreign observers in China have said these evidently do not yet constitute a serious threat to red rule.)

The nationalist executive Yuan named a committee to encourage revolts behind the red lines and authorized field commanders to commission leaders of such uprisings. It was said that in a few instances arms have been airdropped to guerrillas.

At the same time the nationalist defense ministry was trying to discourage desertions from its own forces. A high officer said efforts were being made to have a soldier of proven loyalty among every five enlisted men. It also was disclosed that subordinates were authorized to shoot superior officers who favored going over to the reds.

Chinese Reds Advance To Border of Canton's Kwangtung Province

Communists Are Reported 140 Miles From City After Taking 3 Towns

By the Associated Press

CANTON, Aug. 26.—Red forces pushed to the Kwangtung border today.

S. MOOSA

A Nationalist army spokesman admitted the Southwestern Kiangsi town of Lungnan had fallen to the Communists.

(Private reports, which are reliable, said Kiennan and Tingnan, too, had been taken by the advancing Communists.

(This would put the Reds within 140 miles or less of Canton, the provisional Nationalist capital, and on the Kwangtung province border. Canton is the provincial capital of Kwangtung.)

19,000 Reds Attacking.

About 19,000 Communist troops were said by the Nationalist to be hammering at the border points.

The attack rolled up along roads which lead south of Kukong, an important railway point 125 miles north of Canton.

This drive could isolate Kukong and roll direct to Canton. Military observers in Canton regard Kukong so highly as a defense point that they say when it is attacked the battle for Canton itself has begun.

A Nationalist Army spokesman declared the Communist troops would not dare go far along this route because of the Nationalist threat to their western flank farther north.

The private reports say furthermore that the Nationalists have built a strong line of defenses running southeast from Kukong.

Nationalists Claim Successes.

Counterbalancing the gloomy reports from the front nearest Canton, the Nationalists reported triumphs on the front due north of Canton and along the eastern seaboard.

Official dispatches said a Communist seaborne assault on the Chushan Islands 100 miles southeast of Shanghai was beaten off, 700 Communists were killed and 30 large junks were sunk.

It is from Chusan's many islands that the Nationalists are mounting their air and sea blockade of Communist ports.

(A much larger Communist force has been reported massing on the mainland opposite the islands. The size of this action shows it was not decisive.)

The Ministry of National Defense asserted the Communists suffered 2,000 casualties in fighting north of Hengyang, never center of the South China forces 265 miles north of Canton.

The ministry said the Communist 40th Army tried to take a big railway bridge over the Mi River between Hengyang and Hengshan, which is 25 miles farther north. The ministry reported the Reds were thrown back after 10 hours of heavy fighting.

Meanwhile, top Chinese officials told First Secretary Robert Strong of the American embassy that it now was unnecessary to consider the question of when the Chinese government will move to Chungking.

Mr. Strong, ranking American diplomat in China, came here from Hong Kong to try to learn when the government was moving to the wartime capital in Western China.

Mr. Strong takes over the embassy during the absence of Lewis Clark, charge d'affaires. Mr. Clark is scheduled to leave Hong Kong by plane later today for Washington. It is assumed Mr. Clark will act in an advisory capacity on Chinese affairs for the State Department.

U. S. Cuts Nanking Staff

NANKING, Aug. 26 (AP).—The State Department has ordered a 50 per cent reduction in the personnel of the American Embassy here. A spokesman said about half of the twenty-one staff members may leave soon. The main office of the embassy was transferred to Canton some time ago. Ambassador J. Leighton Stuart has gone to Washington.

Those leaving Nanking will join a large exodus of Americans from Red China when the repatriation ship General Gordon docks at Shanghai in a few days.

Japanese Red Gets 2 Years

Army Court Imposes Term for Slurs on Occupation Policy

TOKYO, Aug. 26 (AP).—A United States Army provost court today sentenced Communist labor leader Yashiro Ii to serve two years at hard labor for malicious attacks on the occupation forces.

Iwas convicted of asserting in a speech in June that the occupation was leading Japan into slavery, and that the United States was getting rich by selling Japanese exports cheaply and bringing in goods to be sold at exorbitant prices.

Judge Medina clashed with Defense Attorney Richard F. Gladstein while Strong testified.

First, the judge admonished Gladstein against phrasing questions that drew inferences.

Gladstein stood silent for one or two minutes. Then he said the pause was necessary "to restrain myself from making comments which I felt your honor's remarks required."

Shortly afterward, Medina sustained a government objection and said he wanted no argument about it from the defense.

Gladstein, leaning on the jury box, mumbled something under his breath.

Attorney Rebuked

U. S. Attorney John F. X. McGohey objected and Medina ordered Gladstein to repeat the words.

They were, "that's no secret," and referred to the judge's remark that he wanted no argument, Gladstein said.

"It was an extremely improper thing for you—leaning on the edge of the jury box," Judge Medina told the lawyer. "I admonish you not to do it again."

Meanwhile, the pickets outside chanted "we demand a mistrial," "jail juror Janney" and "free Winston, Hall and Green; throw Janney in the jug."

Juror Russell Janney, author of the novel, "Miracle of the Bells", was accused of anti-communist prejudice by the defense, which demanded a mistrial Wednesday. Judge Medina denied the request yesterday and ordered the trial to proceed with Janney in the jury box.

Henry Winston, Gus Hall and Gilbert Green are defendants whom Medina ordered held in jail between court sessions for the balance of the trial for contempt of court.

The day's second defense witness," Max Weiss, 28, of Chicago, said he has been a party member since 1931 or 1932 and is now the party's regional coordinator in the midwest.

He testified he had been active in the Young Communist League and that in late 1941 he told league members that revolutionary phrases used in earlier YCL literature had become "harmful and not correct" due to new political developments.

The trial resumes Monday.

Senate Whacks 1.1 Billion From Defense Funds Bill

AUG 26 1949

WASHINGTON, Aug. 26 — (AP) The Senate today knocked $1,118,000,000 from the $15,900,000,000 national defense appropriation bill as passed by the House.

The air force took the biggest part of the reduction. The Senate voted for an air force of 48 groups as proposed by President Truman —instead of 58 groups voted by the House.

Then senators also called for a $275,000,000 cutback in funds for stockpiling of war emergency materials. This is in a separate appropriation. The House has not voted this cut.

This was the last of the defense economies which the Senate's appropriations committee had ordered, all of which the Senate accepted.

Brisk Debate

The Air Force cut of $799,822,000 in cash and contract authority was made with approval of Secretary of Defense Johnson — but it brought brisk debate in which air power advocates argued that this was a poor time to make such a cut. Those supporting the reduction, however, noted that it conformed to what officials had requested.

The Senate expected to take final action on the big defense bill Monday afternoon after deciding whether to order President Truman to make a flat cut of 5 to 10 percent in all operating appropriations voted by Congress.

This broadside cutback is embodied in an amendment by Senator McClellan (D-Ark) which a majority of the Senate has been trying to get to a vote for many weeks. Democratic Leader Lucas said today it would be "an act of political cowardice" for Congress to leave it up to the President to make the cuts.

Economy advocates contend it would save $2,000,000,000 to $4,000,000,000 and possibly keep the budget balanced.

Other Bills Pending

action on the military g will be a long step toward the appropriations docket Senate. Five other measures are awaiting final agreement between House and Senate. They total $15,000,000,000. All of them were due to have been passed last July 1.

As part of the $1,118,000,000 net reduction in defense funds, the Senate put its okay by voice vote on a directive to Secretary Johnson to save $433,968,611 this fiscal year in spending of the army, navy and air force. Johnson already has agreed to utilize this power. He took the first step toward the savings this week when he ordered a big personnel reduction.

Senator Elmer Thomas (D-Okla) told the Senate that the Appropriations Committee had made a huge cut in the military bill but that Johnson and Mr. Truman are getting most of the credit.

Another amendment, adopted by voice vote, would direct Johnson to assign a special assistant to aid small businessmen in getting contracts to supply the armed forces without them needing help of a "five percenter" agent. It was offered by Senator Humphrey (D-Minn).

Senators Knowland (R-Calif), Hill (D-Ala), and O'Mahoney (D-Wyo) fought the committee's cutback in funds for the air force.

The Senate voted 49 to 9 to cut the contract authority and then approved the remainder of the reduction in cash.

Chairman Tydings (D-Md), upholding the reductions, said the ending of the Berlin blockade had relieved some of the pressure for a larger air force.

Late in the day, the Senate was plunged into an oleomargarine-butter controversy when Senator Wiley (R-Wis) proposed to restore the ban against using military funds to buy oleo except for cooking purposes. This was a rider that used to appear regularly in appropriations but was knocked out by the House and Senate committee.

A vote on Wiley's motion was delayed until Monday.

Bradley Assails Aid Cut Plan as False Economy

AUG 26 1949

Testifies Fund Would Let European Plants Make $700,000,000 in Arms

WASHINGTON, Aug. 26 (AP).— General Omar Bradley today assailed as false economy an attempt to chop out of the arms aid program funds to increase Western Europe's munitions output.

The Administration proposes to spend $155,000,000 on this. General Bradley was reported to have testified that the money would retool existing plants and enable them to provide $700,000,000 worth of armaments.

Senate committee members reported that he contended that unless the money for European plants is provided now, the United States must put up more funds later.

160-Million Cut Urged

The chairman of the Joint Chiefs of Staff appeared before the Senate Committees on Foreign Relations and Armed Services to oppose an amendment by Senators Arthur H. Vandenberg, Republican, of Michigan, and John Foster Dulles, Republican, of New York.

The Republican leaders proposed to cut $160,990,000 off arms aid to members of the North Atlantic treaty, including the $155,000,000 item to encourage European munitions manufacture. They have contended that the plan to arm Western European treaty partners to discourage Russian aggression should be welded as quickly as possible into the mutual defense plan which the treaty nations are pledged to work out. They said the decision on expanding the munitions industry on the Continent should be left to the alliance.

The entire arms program requested by President Truman calls for an authorization of $1,450,000,000 cash for the period ending next June 30. This would furnish equipment for two years. Besides Western Europe it would go to Greece, Turkey, Iran, Korea and the Philippines.

Decision Is Delayed

The House has voted to cut the $1,160,990,000 aid to pact nations in two and shorten the whole program to next June 30. Some cut in Mr. Truman's request for pact nations is regarded as likely on final passage.

Administration leaders today put off until Monday a decision whether to agree to any reduction. However, General Bradley went into the committee's closed door session today to battle the Vandenberg-Dulles cut.

Another question deferred until Monday concerns writing China into the aid bill. The House refused to do so. Administration supporters were reported willing to agree to an amendment providing a sum for spending in the Far East at Mr. Truman's discretion. Critics of United States policy insist on naming China specifically.

Atom Inquiry Closed, McMahon Says, but Hickenlooper Objects

WX-AUG-26

By the Associated Press

Senators McMahon, Democrat, of Connecticut and Hickenlooper, Republican, of Iowa can't agree on whether Congress should continue the investigation of the Atomic Energy Commission it started last spring.

Senator McMahon, chairman of the Senate-House Atomic Energy Committee, said yesterday that he considered the investigatiton closed.

But Senator Hickenlooper, author of the "incredible mismanagement" charges which brought on the group's inquiry, said Senator McMahon's announcement was not "committee action."

He told a reporter there still remained several areas for the committee to explore behind closed doors—such as disagreements within the AEC on management of atomic towns and "certain other policies."

"I certainly hope the hearings are not closed," he said. He indicated he might take steps to see that they are not.

Senator McMahon issued his statement after a quorum (six) of the 18 committee members failed for the fifth time to show up to consider further Senator Hickenlooper's claim that the commission was lax in its security-clearance program.

The chairman said he had written the committee members last August 19 that in fairness to the commission "we must either be in a position to do business on the personnel-security cases or else declare that this matter, the last item on the agenda of our investigation of the Atomic Energy Commission, is terminated."

Senator McMahon's statement said he thinks the personnel cases already had been gone into thoroughly. With the exception of the recent meetings, he said, the committee members "have worked diligently and conscientiously to make the investigation full, fruitful and just."

ROYALL URGED NAVY AIR SHIFT

AUG 26 1949

Ex-Secretary of Army's Views Disclosed.

Washington, Aug. 26 (A. P.).—Kenneth C. Royall, former Secretary of the Army, believes that the Air Force should be transferred to the Navy, or else it should take over the naval air arm.

This was one recommendation for unification contained in the report which Royall made to Secretary of Defense Johnson when he left the Pentagon on April 27. The report, supplementing his annual one for 1948, was released today by the Department of Defense.

Secretarial Powers.

Royall said it seemed to him that the Defense Secretary should have the right to prescribe and change the functions of the Army, Navy and Air Force. He added that this seemed to be of special importance in regard to the aerial functions of the Air Force and the Navy.

He said it was his conviction that the most efficient unification would come about only if there were one air force. If unlimited power to assign aerial functions is not given to the head of the Defense Department, Royall said, then "the Air Force should be transferred to the Navy, or, if not, the naval air arm should be transferred to the Air Force."

Italy Offers to Give 4 Statues to U. S.

Will Cast Bronze Figures for Capital Bridge

WASHINGTON, Aug. 26 (AP).—Secretary of the Interior Julius Krug said today the Italian government has offered to give the United States four large statues long needed for the approach to the Arlington Memorial Bridge here.

Mr. Krug added that the offer was made by the charge d'affaires of the Italian Embassy here in a letter to Secretary of State Dean Acheson. The offer "is in process of being accepted," he said.

Two American sculptors, Leo Friedlander, of White Plains, N. Y., and James E. Fraser, of Westport, Conn., designed the statues, and the designs were approved in 1931. Plaster models were completed in 1938 and have been in storage in a New York warehouse because rising costs interfered with original plans to have them carved out of granite.

In 1941 the substitution of bronze for granite was approved. Shortly thereafter bronze became a critical war metal. Since the war, the cost of bronze has been greater than the funds available.

Last September, Mr. Krug said, the National Park Service asked the Economic Co-operation Administration to help solve the problem. The offer of the Italian government to cast the statues and present them to the United States was the result. The two pairs of equestrian groups will be placed on pedestals already built at the plaza between the bridge and the Lincoln Memorial.

About 80,000 pounds of bronze will be required to cast the four groups, which symbolize peace and the arch of peace, and war and the arch of war.

West Nisei Ban Scored By Court

San Francisco, Aug. 26 (AP)—The United States Circuit Court of Appeals today affirmed restoration of citizenship to three Japanese-Americans who renounced it during wartime.

At the same time the court wrote a vigorous [illegible]

...vigorous criticism of Maj. Gen. John L. De Witt's exclusion, early in the war, of all persons of Japanese blood from the West Coast fringe.

It spoke of "their incarceration for over two and a half years (in the Tule Lake center and other camps) under conditions in major respects as degrading as those in a penitentiary and in important degrees worse than in any Federal penitentiary."

It cited "the Nazi-like doctrine of inherited racial enmity stated by the commanding general (De Witt) ordering the deportation as the major reason for that action."

General De Witt, now retired, is living in the East. The Army ordered the Japanese-born persons to the internment camps, on the grounds their loyalty could not be determined.

The case of the three Japanese-Americans from southern California, as far as today's decision goes, also affects about 4,000 others who want citizenship restored.

The Federal District Court in Los Angeles earlier had restored citizenship to three women—Miye Mae Murakami, Tsuako Sumi, and Mutsu Shimizu, all born in this country.

The case of Mrs. Murakami was typical. She told the court she renounced her citizenship because she believed, when General De Witt's order was issued, that the plan was to establish one camp for aliens, and one for American citizens, and she would be separated from her husband.

Air Post for Adm. Sprague

Personnel Chief Will Take Command in Pacific Next Month

WASHINGTON, Aug. 26 (AP).—Rear Admiral Thomas L. Sprague will take over as commander of the Naval Air Force attached to the Pacific Fleet in September. His headquarters will be in Hawaii.

The Navy announced today that Admiral Sprague, now Chief of Naval Personnel, will relieve Vice-Admiral Harold B. Sallada, who is retiring on Oct. 1 after thirty-six years active service.

Admiral Sprague will be relieved by Rear Admiral John W. Roper, who has been deputy personnel chief for some time. Admiral Roper is the son of Daniel C. Roper, a former Secretary of Commerce.

Rear Admiral Frederick W. McMahon, now Director of Naval Aviation Personnel, will step up to Deputy Chief of Naval Personnel.

World War II Men Win 5 of 7 VFW National Offices

By the Associated Press

MIAMI, Fla., Aug. 26.—The Veterans of Foreign Wars prepared to wind up their Golden Jubilee Convention today after electing younger men to controlling positions.

World War II veterans won five of seven national offices during yesterday's election when roll call votes were taken twice.

In what observers said was "one of the hottest contests in years," Frank C. Hilton of Womelsdorf, Pa., was elected junior vice commander.

Mr. Hilton defeated Merton B. Tice, Mitchell, S. Dak. The position is considered a stepping stone to commander in chief.

Clyde A. Lewis, Plattsburg, N. Y., was unanimously elected commander in chief, succeeding Lyall T. Beggs, Madison, Wis.

Other officers elected were:

Charles C. Ralls, Seattle, senior vice commander in chief; Robert B. Handy, jr., Washington, D. C., quartermaster general; Hugh L. McArthur, Tampa, Fla., judge advocate general; Dr. A. B. Bowyer, Martinsburg, W. Va., surgeon general, and Rabbi Herbert S. Eskin, Dearborn, Mich., national chaplain.

The quartermaster general and chaplain are the only World War I veterans in the group.

A roll call vote was necessary to pick a 1950 convention city. Chicago won out over Atlantic City by a vote of 4,771 to 3,758 after New York and Honolulu withdrew.

Agreement Reported On Revised Formula For Italian Colonies

By the Associated Press

LAKE SUCCESS, Aug. 26.—The Western powers were reported today to have agreed in principle on a new formula for disposing of Italy's prewar colonies.

Some details still have to be worked out, diplomatic quarters said, but the new plan will be laid before the United Nations Assembly in September as a substitute for the rejected Bevin-Sforza proposal.

M. HARRELSON

The Western powers are now ready to propose independence for Libya in three years instead of 10, as agreed on by British Foreign Secretary Bevin and Italian Foreign Minister Count Carlo Sforza last spring.

Discussions Continue.

There still is no agreement as to how the various parts of Lybya—Cyrenaica, Tripilitania and the Fezzan—would be administered between now and the time the territory becomes independent. The powers are continuing their discussions on this through diplomatic channels.

The Unite States, Britain, France and Italy are the chief participants in the negotiations.

There was understood to be general agreement that the idea of an Italian trusteeship over Tripolitania will be dropped completely. Under the Bevin-Sforza plan, Italy was to have administered Tripolitania for a period of eight years beginning in 1951.

The defeat of his provision by the Assembly last spring led the Latin American delegates to withdraw their support of the remaining parts of the Assembly resolution and forced postponement of a settlement until the Assembly's fall session.

New Plan Outlined.

Diplomatic quarters expressed confidence the revised formula would get the support of both Latin American and Middle Eastern nations. Such support would virtually assure it the necessary two-thirds majority.

The new plan would keep the following provisions of the Bevin-Sforza agreement:

1. Italian Somaliland would be placed under U. N. trusteeship, with Italy as the administering power.

2. Western Eritrea would be ceded to the Anglo-Egyptian Sudan.

3. Eastern Eritrea would be incorporated into Ethiopia.

NIGHT LEAD BRITISH
BY HAROLD K.MILKS
LONDON, AUG 26-(AP)-PAUL G.HOFFMAN, CHIEF OF THE EUROPEAN
COOPERATION ADMINISTRATION (ECA) TOLD BRITAIN TODAY IT MUST COMBINE
ENERGETIC SALESMANSHIP AND LOW-COST PRODUCTION TO BEAT THE DOLLAR
CRISIS. HE ALSO URGED THE DOLLAR-SHORT NATION TO TRY TO TRIPLE ITS
DOLLAR EXPORTS.
"FIRST STUDY WHAT AMERICANS WANT," HOFFMAN ADVISED. "THEN MAKE
IT AT PRICES THEY'RE ABLE AND WILLING TO PAY AND PACKAGE IT TO APPEAL
TO THE AMERICAN CONSUMER. THAT IS THE WAY TO EARN DOLLARS, THAT IS
THE WAY TO RESOLVE THE DOLLAR DEFICIT."
HOFFMAN SPOKE AT A NEWS CONFERENCE AFTER MEETING WITH BRITISH
FOREIGN SECRETARY ERNEST BEVIN AND THE DOLLAR EXPORT BOARD--A
BRITISH GROUP FORMED TO BOOST DOLLAR SALES.
THE ECA CHIEF, COMPLETING A QUICK EUROPEAN TOUR, WAS FLYING
BACK TO THE UNITED STATES TONIGHT.
HOFFMAN IS AMONG THE AMERICAN EXPERTS WHO WILL TAKE PART IN VITAL
FINANCIAL CONFERENCES WITH BRITISH AND CANADIAN OFFICIALS IN
WASHINGTON STARTING SEPT.7.
SPECIFICALLY, THE ECA HEAD URGED BRITAIN TO:
1. INCREASE, BY AT LEAST FIVE TIMES \$600,000,000
SELLING TO THE DOLLAR MARKET.
2. TREBEL BRITISH DOLLAR EXPORTS, RAISING THEM FROM
TO \$1,800,000,000 ANNUALLY.
"THESE ARE PRACTICAL GOALS," HOFFMAN SAID. "THEY ARE WITHIN
REACH IF BRITISH INDUSTRY AND BRITISH LABOR COMBINE LOW-COST
PRODUCTION WITH DYNAMIC MERCHANDISING."
U.S. BUSINESS MEN HAVE BEEN ASKED TO COOPERATE WITH THE BRITISH
DOLLAR EXPORT BOARD IN SHOWING THE WAY TO LARGER MARKETS IN AMERICA,
HOFFMAN SAID.

(LENGTHY STORY WAS CARRIED ON "D" WIRE. COPY UNAVAILABLE) LS/sc

AUG 26 1949

HOFFMAN SAID HE WAS ENCOURAGED BY WHAT HE FOUND IN EUROPE.
ASKED WHETHER HE THOUGHT THE EUROPEAN RECOVERY PLAN WOULD FULFILL ITS OBJECTIVES BY 1952, WHEN IT IS DUE TO END, HE SAID:
"IT IS MY HOPE AND BELIEF THAT IT WILL. IF THE NATIONS OF EUROPE DEVOTE THEMSELVES TO MUTUAL AID AND SELF-HELP, THEN EUROPEAN ECONOMY AS A WHOLE SHOULD BE ON A SELF-SUPPORTING BASIS. IT'S POSSIBLE THAT INDIVIDUAL COUNTRIES WON'T HAVE RECOVERED."
THE ABOLITION OF TRADE BARRIERS IS ESSENTIAL IN EUROPE, HE SAID, IF ECA IS TO BE SUCCESSFUL.
OF BRITAIN'S PROBLEMS, THE ECA CHIEF SAID THE DOLLAR EXPORT BOARD HELD THE SAME VIEWS HE DOES ON THE APPROACH WHICH BRITAIN MUST MAKE TOWARD CLOSING THE DOLLAR GAP.
THE DOLLAR GAP--AN URGENT PROBLEM IN BRITAIN--IS THE AMOUNT BY WHICH BRITAIN'S DOLLAR-EXPORT EARNINGS FAIL TO PAY FOR HER DOLLAR IMPORTS.

"BRITISH MANUFACTURERS," HOFFMAN SAID, "HAVE NOT YET BEGUN TO TAP THE HUGE RESERVOIR OF AMERICAN BUYING POWER. IT IS A VERY LARGE MARKET--IN 1948 ITS GROSS NATIONAL PRODUCT WAS $254,000,000,000."
"JUST ONE PER CENT MORE OF THAT SUM SPENT ON EUROPEAN GOODS--JUST THREE-TENTHS OF ONE PER CENT MORE SPENT ON BRITISH GOODS--AND THE DOLLAR GAP CAN BE CLOSED," HE ADDED.
HOFFMAN SAID U.S. PUBLIC OPINION, STILL STRONGLY IN FAVOR OF CONTINUING THE MARSHALL PLAN AID PROGRAM TO EUROPE, MUST BE CONVINCED THAT EUROPE IS TRYING TO HELP ITSELF.
ENDING A TOUR OF IRELAND, FRANCE, ITALY, GREECE, GERMANY AND BRITAIN, HOFFMAN LEFT BEHIND THESE IDEAS:
EUROPE "HAS SCARCELY TOUCHED THE POTENTIAL TOURIST TRADE FROM AMERICA." THE TOURISTS WANT MORE ACCOMMODATIONS AT REASONABLE PRICES.
"MOST AMERICANS HOLD DEEP AND ABIDING FRIENDSHIP TOWARD THE BRITISH AND ARE ANXIOUS TO HELP THEM OUT OF THEIR TROUBLES."
"AMERICANS THEMSELVES NEED SOME EDUCATION. TOO MANY OF THEM BELIEVE THAT IMPORTS HARM RATHER THAN ENRICH THEIR COUNTRY--AND THAT IDEA HAS TO BE CHANGED."

NIGHT LEAD (250)
STRASBOURG, FRANCE, AUG.26-(AP)-AN ITALIAN DELEGATE TOLD THE EUROPEAN CONSULTATIVE ASSEMBLY TODAY THAT EUROPE'S COMING "PROBLEM OF LIFE OR DEATH" IS TO LEARN THE SECRETS OF ATOMIC ENERGY.
HE WAS CHRISTIAN DEMOCRAT DEPUTY ENZO GIACHERO, AND HE WAS SPEAKING IN THE ASSEMBLY'S ONE DAY GENERAL DEBATE ON EUROPEAN SOCIAL, SCIENTIFIC AND CULTURAL PROBLEMS.
HE DID NOT SUGGEST EUROPE MUST HAVE THE ATOMIC BOMB. HE SAID THAT UNLESS EUROPE COULD LEARN THE INDUSTRIAL APPLICATION OF ATOMIC ENERGY, EUROPE WILL BECOME "A PERMANENT DEPENDENT OF AN EXTRA-EUROPEAN POWER." (HE PRESUMABLY WAS REFERRING TO THE U.S.).
IN USING THE WORD DEPENDENT, GIACHERO SAID," I EMPLOY A MODERATE TERM."

EUROPE'S SCIENTIFIC FORCES MUST BE BROUGHT TOGETHER TO WORK ON THIS PROBLEM, HE CONCLUDED.
THE DAY ALSO SAW AN ATTACK ON "A SMALL NUMBER OF STUPID BUT POWERFUL AMERICANS" BY BRITAIN'S LABOR SOCIALIST WILL NALLY.
NALLY DECLARED, APPARENTLY REFERRING TO THE COMING FINANCIAL TALKS IN WASHINGTON, THAT" ONE OF THE THINGS THAT IS NOT--AND WILL NOT BE UNDER DISCUSSION, SO FAR AS THE UNITED KINGDOM IS CONCERNED--IS WHETHER WE SHOULD REDUCE OUR SOCIAL SECURITY, OUR SOCIAL STANDARDS BECAUSE AN ELEMENT OF OUT-DATED THOUGHT IN THE UNITED STATES THINKS IT WOULD RATHER BE A GOOD IDEA." THIS WAS NOT ECHOED BY ANY OTHER BRITISH SPEAKER.
IT WAS ANNOUNCED, AFTER CHAIRMAN PAUL-HENRI SPAAK MET WITH THE COMMITTEE PRESIDENTS, THAT THE ASSEMBLY WOULD RECESS FOUR DAYS UNTIL WEDNESDAY. THIS WAS TO GIVE THE STANDING COMMITTEES A CHANCE TO HAMMER OUT THEIR PROPOSALS TO THE ASSEMBLY.

THE DELEGATE, STEFANO JACINI, ADDRESSED THE ASSEMBLY AS THAT BODY TOOK UP EUROPEAN SOCIAL ISSUES.
HE SAID ITALY'S POPULATION NOW IS MORE THAN 45,000,000 AND IS INCREASING BY 500,000 EVERY YEAR DESPITE A SHORTAGE OF TILLABLE LAND AND NATURAL RESOURCES.
"BECAUSE OF THE INTERRUPTION IN EMIGRATION CAUSED BY THE WAR AND POST WAR DIFFICULTIES, EMIGRATION FOR SEVERAL YEARS SHOULD REACH THE MAXIMUM FIGURE OF 1,000,000, WHICH IT WAS IN 1913," HE SAID.
JACINI SAID MOST OF THESE PEOPLE SHOULD GO TO LESS POPULATED AREAS SUCH AS SOUTH AMERICA, SOUTH AFRICA AND AUSTRALIA, BUT SOME WOULD HAVE TO RESETTLE IN EUROPE. HE ASKED THE ASSEMBLY TO LAY DOWN A SET OF PRINCIPLES TO PROTECT PERSONS WHO MIGRATE TO OTHER EUROPEAN COUNTRIES.
THESE WOULD INCLUDE PROVISIONS TO ALLOW AN IMMIGRANT TO BECOME A NATURALIZED CITIZEN WITHIN A REASONABLE TIME AND WOULD PROVIDE THAT AN IMMIGRANT WORKER BE TREATED ON A FOOTING OF EQUALITY WITH LOCAL WORKERS.
ANOTHER ITALIAN DELEGATE, PIETRO CAMPILLI, SAID THAT STEPS TOWARD INTRODUCING A BETTER AND BROADER STANDARD OF SOCIAL SECURITY SHOULD BECOME AN INTEGRAL PART OF THE MARCH TOWARD A UNITED EUROPE.

BELGRADE, YUGOSLAVIA,AUG.26-(AP)-YUGOSLAVIA ANSWERED RUSSIAN CHARGES THAT PREMIER MARSHAL TITO HAD BETRAYED GREEK COMMUNIST GUERRILLAS BY PUBLISHING TODAY A BATCH OF SIGNED DENIALS FROM GREEK REBELS WHO FLED ACROSS THE BORDER TO THIS COUNTRY.

FOR THE SECOND DAY IN A ROW, THE OFFICIAL PRESS AND RADIO DEVOTED ALMOST EXCLUSIVE ATTENTION TO STATEMENTS DESIGNED TO ANSWER SOVIET ACCUSATIONS THAT GREEK GOVERNMENT FORCES HAD BEEN ALLOWED TO CROSS THE YUGOSLAV BORDER TO ATTACK GUERRILLAS FROM THE REAR.

THE MOSCOW RADIO, ECHOING CHARGES BY GREEK REBEL BROADCASTS, DECLARED RECENTLY THAT TITO IS AIDING THE ATHENS GOVERNMENT IN THE GREEK CIVIL WAR. THE CHARGES WERE PART OF THE PROPAGANDA CAMPAIGN AIMED AT TITO SINCE HIS BREAK WITH THE KREMLIN LAST YEAR.

TYPICAL OF ACCOUNTS IN THE BELGRADE PRESS PURPORTING TO COME FROM GREEK REBEL SOLDIERS WHO FLED TO YUGOSLAVIA WAS:

"WE DID NOT SEE THE MONARCHO-FASCISTS (COMMUNIST TERM FOR GREEK GOVERNMENT SOLDIERS) CROSS OVER TO YUGOSLAV TERRITORY, NOR DID YUGOSLAV SOLDIERS ATTACK US."

IN THE PAST FEW DAYS, YUGOSLAV NEWSPAPERS HAVE REPORTED THAT HUNDREDS OF GREEK GUERRILLAS HAVE CROSSED THE BORDER TO YUGOSLAVIA TO SEEK MEDICAL AID OR ASYLUM FROM FIGHTING. THE NEWSPAPERS ADDED THAT THEY WERE GIVEN SANCTUARY IN ACCORDANCE WITH INTERNATIONAL LAW.

MARSHAL TITO ANNOUNCED LAST MONTH THAT YUGOSLAVIA, ONCE REPORTED BY A UNITED NATIONS COMMISSION TO BE A MAIN SUPPLY BASE FOR THE GREEK GUERRILLAS, WAS GRADUALLY CLOSING HER BORDER WITH GREECE TO PROTECT YUGOSLAVS FROM EFFECTS OF THE CIVIL WAR.

WASHINGTON,AUG.26-(AP)-A 25-YEAR-OLD EX-GI TODAY DISCLOSED HOW SENATE "FIVE PERCENT" INVESTIGATORS FOUND OUT ABOUT A BUSINESS TRIP TWO CHICAGO PERFUMERS MADE TO EUROPE SHORTLY AFTER V-E DAY IN MAY, 1945.

THE TWO, DAVID BENNETT, PRESIDENT OF THE ALBERT VERLEY PERFUME CO., AND HIS ASSOCIATE, OTTO BAPTISTE, TRAVELED IN AN ARMY PLANE WHEN SPACE WAS AT A PREMIUM.

WALTER E.RHODES,JR., OF BALTIMORE, TOLD SENATE INVESTIGATION SUBCOMMITTEE MEMBERS AND NEWSPAPERMEN ABOUT IT TODAY IN THE OFFICE OF SENATOR MUNDT (R-SD).

THE COMMITTEE LEARNED YESTERDAY THAT MAJ.GEN.HARRY H.VAUGHAN, PRESIDENT TRUMAN'S MILITARY AIDE, GAVE BENNETT A LETTER OF INTRODUCTION ON WHITE HOUSE STATIONERY TO AMERICAN OFFICIALS IN EUROPE. THEY ALSO LEARNED THAT THE MEN WENT TO EUROPE MAY 11 AND RETURNED TO NEW YORK JUNE 6 ON ATC (AIR TRANSPORT COMMAND) PLANES.

IT WAS BENNETT'S PERFUME COMPANY THAT PRESENTED VAUGHAN AND SIX OF HIS FRIENDS, INCLUDING MRS.HARRY S.TRUMAN, WITH HOME FREEZE BOXES IN 1945 AND EARLY 1946.

RHODES, A SIX-FOOTER WHO NOW IS A STUDENT AT THE UNIVERSITY OF MARYLAND, SAID HE WAS FLIGHT TRAFFIC CLERK ON THE C-54 WHICH BROUGHT BENNETT AND BAPTISTE FROM NEWFOUNDLAND TO NEW YORK.

THE YOUNGER RHODES SAID HE REMEMBERED THE TRIP BECAUSE:

1. THE TWO MEN WANTED, AND HAD, A GUARD POSTED OVER THEIR BAGGAGE AT NEWFOUNDLAND AND AGAIN AT LA GUARDIA FIELD,N.Y. THE COMMITTEE LATER FOUND OUT THAT 41 KILOS--ABOUT 90 POUNDS--OF PERFUME ESSENCE WAS IN THE BAGGAGE.

2. ONE MAN CARRIED A LETTER FROM THE WHITE HOUSE WHICH, IN EFFECT, GAVE THE PAIR THE STATUS OF "VIP'S"--VERY IMPORTANT PERSONS.
3. THEY WERE RIDING IN A "BUCKET-SEAT" PLANE, INSTEAD OF A "PLUSH JOB" SUCH AS USUALLY USED BY "VIP'S."
4. NO OTHER PRIVATE BUSINESSMEN WERE TRAVELLING DURING THAT PERIOD.
5. THE MEN TALKED A LOT ABOUT PERFUME; TOLD HIM THAT A BOTTLE HE HAD PURCHASED IN PARIS "FOR THE GIRL I WAS GOING WITH THEN" WAS ONLY A "GOOD IMITATION" OF A FAMOUS BRAND, AND LATER SENT THE GIRL A BOTTLE OF VERLEY PERFUME.

"THEY WERE VERY NICE FELLOWS," RHODES SAID. "VERY CONGENIAL PEOPLE."

HE SAID THEY ASKED FOR NO PARTICULAR FAVORS OTHER THAN FOR THE GUARDS BUT, "IT JUST STRUCK ME AS ODD THAT THEY SHOULD BE TRAVELLING AT THAT TIME, PARTICULARLY BEING PERFUMERS."

A64WX

RHODES SAID HE MADE 35 FLIGHTS TO EUROPE BUT RECALLED OF NO OTHER PRIVATE BUSINESSMEN ON THE TRIPS.

HE WAS QUESTIONED PRIVATELY BY SUBCOMMITTEE OFFICIALS TODAY AND IN ADVANCE OF A NEWS CONFERENCE NEWSMEN WERE TOLD BY MUNDT THAT RHODES WOULD NOT BE PERMITTED TO ANSWER CERTAIN QUESTIONS WHICH THE COMMITTEE MIGHT CONSIDER AS "EVIDENCE." IT WAS NOT DISCLOSED WHETHER RHODES WOULD TESTIFY PUBLICLY.

RHODES, WHO WAS DISCHARGED FROM THE ARMY AS A CORPORAL AFTER THREE YEARS SERVICE, WAS ACCOMPANIED TO MUNDT'S OFFICE BY HIS FATHER.

NIGHT LEAD TOKYO ROSE

SAN FRANCISCO, AUG.26-(AP)-A FORMER U.S. AIR FORCE MAJOR FROM TENNESSEE RELATED AT THE TOKYO ROSE TREASON TRIAL TODAY THAT HE WAS FORCED TO SING FOR WARTIME RADIO TOKYO.

THE WITNESS, WILLESDEN COX, NOW A BUILDING CONTRACTOR AT KNOXVILLE, SAID HE WAS CAPTURED AFTER HIS PLANE CRASHED OFF NEW GUINEA AUG.5, 1943.

BUNKA CAMP HAS FIGURED GREATLY IN THE TRIAL OF MRS.IVA TOGURI D'AQUINO, THE LOS ANGELES-BORN JAPANESE CHARGED WITH TREASON.

DEFENSE ATTORNEY WAYNE COLLINS CONTENDED CAMP CONDITIONS AND JAPANESE MISTREATMENT OF PRISONERS THERE AMOUNTED TO FORCE AND FEAR WHICH WAS COMMUNICATED TO MRS.D'AQUINO.

THIS, THE DEFENSE CONTENDED, CONVINCED THE WOMAN SHE MUST MAKE THE BROADCASTS WHICH THE U.S. GOVERNMENT CLAIMS INJURED THE MORALE OF ALLIED TROOPS AND WERE TREASONABLE.

FEDERAL JUDGE MICHAEL J.ROCHE SUSTAINED MOST OF PROSECUTOR TOM DE WOLFE'S OBJECTIONS TO THE QUESTIONS ABOUT BAD FOOD AND BEATINGS AT BUNKA CAMP. COX SAID BEFORE HE WAS CAPTURED HE HAD HEARD TOKYO BROADCASTS. THIS WAS IN JANUARY AND FEBRUARY, 1943, WHILE HE WAS AT PORT MORESBY, NEW GUINEA.

HE SAID HE HEARD A MAN'S VOICE GIVING NEWS AND ON ONE OR TWO OCCASIONS A WOMAN. HE SAID THE WOMAN WAS REFERRED TO AS "TOKYO ROSE."

WITNESSES FOR BOTH SIDES HAVE SAID THAT MRS.D'AQUINO DID NOT BEGIN TO BROADCAST FROM TOKYO UNTIL NINE MONTHS LATER.

THE DEFENSE QUESTIONING INTENDED TO SHOW THAT ALL WOMEN APPEARING ON THAT PARTICULAR BROADCAST FEATURE WERE CALLED "TOKYO ROSE."

A BIT OF TRAGEDY WAS REVEALED IN PROSECUTION CROSS EXAMINING OF KENNETH PARKYNS, 32, AUSTRALIAN ARMY NON-COMMISSIONED OFFICER WHO HAS BEEN CALLED BY THE DEFENSE. PARKYNS ALSO WAS IN BUNKA CAMP.

DE WOLFE ASKED PARKYNS "WHAT DOES YOUR FAMILY CONSIST OF?"

PARKYNS EYES FILLED WITH TEARS. HE REPLIED:

"WELL--TWO CHILDREN. I HAD THREE BUT ONE DIED THIS MORNING--MY BABY."

A CABLEGRAM HAD INFORMED HIM OF THE DEATH.

(450) NIGHT LEAD BRITISH FINANCIAL
BY JOHN SCALI
WASHINGTON,AUG 26-(AP)-SOME TOP GOVERNMENT OFFICIALS SAID TODAY THE BRITISH FINANCIAL CRISIS MAY MAKE IT NECESSARY TO RE-EXAMINE THE MARSHALL PLAN TO DETERMINE WHETHER IT CAN PUT WESTERN EUROPE ON ITS ECONOMIC FEET BY 1952.
PAUL HOFFMAN, THE MARSHALL PLAN ADMINISTRATOR, IS REPORTED TO BELIEVE IT STILL HAS A GOOD CHANCE TO SUCCEED DESPITE THE BRITISH DIFFICULTIES.
BUT OTHER OFFICIALS SAID SOME ADMINISTRATION PLANNERS ARE NOT AS SURE AS THEY WERE THAT IT CAN DO THE JOB.
TO BACK UP THEIR BELIEF, THEY POINTED TO YESTERDAY'S REPORT BY THE ECONOMIC COOPERATION ADMINISTRATION WHICH SAID THE PACE OF EUROPEAN RECOVERY IS SLOWING DOWN.
THESE OFFICIALS EMPHASIZED THAT ANY RE-APPRAISAL OF THE MARSHALL PLAN WOULD HAVE TO AWAIT THE RESULTS OF THE BRITISH-AMERICAN-CANADIAN FINANCIAL CONFERENCE WHICH BEGINS TOMORROW AT THE STATE DEPARTMENT.
ONLY AFTER THE BRITISH GOVERNMENT HAS FORMALLY DISCLOSED WHAT IT PROPOSED TO DO TO MEET THE CRISIS WILL IT BE POSSIBLE FOR THE ADMINISTRATION TO DECIDE WHETHER EVEN TO CONSIDER CHANGING THE FORM OR CONCEPT OF THE MARSHALL PLAN, THEY SAID.
THE ACTUAL DECISION MAY BE MONTHS IN COMING, THEY SAID, SINCE IT WILL TAKE SOME TIME TO DETERMINE WHETHER THE "EMERGENCY" MEASURES THE THREE GOVERNMENTS AGREE UPON WILL BE EFFECTIVE.
THE THREE-POWER DISCUSSIONS GET UNDER WAY AT 10 A.M. EASTERN STANDARD TIME, TOMORROW WHEN UNDERSECRETARY OF STATE WEBB MEETS WITH SIR HENRY WILSON SMITH, HEAD OF A BRITISH TECHNICAL DELEGATION.
THE TWO SIDES WILL SPEND ONE WEEK EXAMINING THE FACTS OF THE SITUATION IN PREPARATION FOR THE HIGH-LEVEL TALKS WHICH BEGIN SEPT. 7 WHEN THE IMPORTANT DECISIONS WILL BE MADE.
FOREIGN MINISTER BEVIN AND SIR STAFFORD CRIPPS, BRITAIN'S CHANCELLOR OF THE EXCHEQUER, WILL HEAD THE BRITISH DELEGATION AT THESE MEETINGS. SECRETARY OF STATE ACHESON AND TREASURY SECRETARY SNYDER WILL REPRESENT THE UNITED STATES. FOREIGN MINISTER LESTER B.PEARSON, AND FINANCE MINISTER DOUGLAS ABBOTT WILL SIT IN FOR CANADA.
BRITISH GOVERNMENT OFFICIALS HAVE MADE IT PLAIN IN THE PAST FEW WEEKS THAT THEY DO NOT BELIEVE THE MARSHALL PLAN, AS PRESENTLY DRAWN UP, WILL ENABLE BRITAIN TO STEP UP ITS RECOVERY. THE BRITISH GOVERNMENT FORMALLY REQUESTED AN EMERGENCY ALLOTMENT OF $620,000,000 FOR NEXT YEAR, BRINGING THE TOTAL IT IS ASKING FOR THE PERIOD TO AROUND $1,500,000,000.
THE 16-NATION COUNCIL OF THE MARSHALL PLAN TURNED THIS DOWN AND RECOMMENDED THAT BRITAIN BE GIVEN A TOTAL OF $940,000,000, SINCE AN INCREASE OF THE SIZE REQUESTED WOULD HAVE GIVEN BRITAIN MORE THAN IT GOT THE FIRST YEAR AND WOULD HAVE TAKEN FUNDS THAT WERE TENTATIVELY EARMARKED FOR OTHER NATIONS.

A7WX
THE MARSHALL PLAN WAS LAUNCHED APRIL 1, 1948. THE IDEA WAS TO GRANT AMERICAN AID ON A GRADUALLY DIMINISHING SCALE SO THAT BY JUNE 30, 1952 THE AIDED COUNTRIES WOULD BE ABLE TO CONTINUE THEIR RECOVERY WITHOUT NEED OF ADDITIONAL DOLLAR GRANTS.

(140) WITH WASHINGTON
OTTAWA, AUG.26-(AP)-A TOP-LEVEL GOVERNMENT ECONOMIST TODAY SAID THAT NO MATTER HOW THE WASHINGTON FINANCIAL TALKS GO, CANADA WILL NOT CONSIDER CUTTING HER LINK WITH THE UNITED STATES DOLLAR AREA TO ASSUME A QUESTIONABLE POSITION IN THE STERLING BLOC.
HE MADE THE STATEMENT FOLLOWING RUMORS CIRCULATED IN COMMONWEALTH QUARTERS THAT SUCH ABANDONMENT WAS BEING CONSIDERED, PRESUMABLY WITH THE VIEW OF REGAINING IMPORTANT MARKETS LOST TO CANADA THROUGH THE UNITED KINGDOM'S ANNOUNCED 25 PER CENT IMPORT CUT.
CANADA'S POSITION, HE SAID, IS THAT OF A PARTNER TO THE U.S. IT APPEARS ALMOST CERTAIN THAT WHATEVER POSITION THE U.S. TAKES AT THE WASHINGTON TALKS WILL BE SUPPORTED IN PART BY CANADA.
THERE WOULD, HOWEVER, BE THIS ASPECT--CANADA LIKELY WILL TRY TO TEMPER THE U.S. VIEWS TO MAKE IT EASIER FOR BRITAIN TO SOLVE HER ECONOMIC CRISIS.

BY DOUGLAS B.CORNELL

WASHINGTON, AUG.26-(AP)-CONGRESSIONAL INVESTIGATORS TOOK OFF TODAY ON THE TRAIL OF ADDITIONAL SUSPECTS WHO MAY HAVE SPREAD DISCREDITED CHARGES OF FRAUD AND FAVORITISM IN THE B-36 BOMBER PROGRAM.

ACTUAL HEARINGS ARE AT A STANDSTILL FOR SIX WEEKS WHILE AGENTS OF THE HOUSE ARMED SERVICES COMMITTEE DIG FOR MORE FACTS.

THE HEARINGS PRODUCED A SPECTACULAR CLIMAX YESTERDAY:

1. THE COMPLETE LIFTING OF ANY SUSPICIONS OF CORRUPTION FROM SECRETARY OF DEFENSE JOHNSON, SECRETARY OF AIR SYMINGTON, INDUSTRIALIST FLOYD ODLUM AND EVERYBODY ELSE CONNECTED WITH THE DEVELOPMENT OF THE GIANT, INTERCONTINENTAL BOMBER. THAT WAS BY UNANIMOUS ACTION OF THE COMMITTEE.

2. AN EQUALLY COMPLETE REPUDIATION OF ALL THE CHARGES AND RUMORS OF IRREGULARITIES CONTAINED IN A ONCE ANONYMOUS MEMO. THAT WAS BY THE AUTHOR OF THE DOCUMENT, SUSPENDED NAVY OFFICIAL CEDRIC WORTH. HE GOT PLENTY OF HELP IN HIS REPUDIATION FROM COMMITTEE COUNSEL JOSEPH B.KEENAN.

THE NAVY, MUCH EMBARRASSED, ORDERED AN INVESTIGATION OF ITS OWN. IT SET UP A COURT OF INQUIRY, TO CONVENE NEXT MONDAY, TO "INQUIRE PARTICULARLY AS TO WHETHER OTHER PERSONS, MILITARY OR CIVIL, UNDER THE NAVY DEPARTMENT PARTICIPATED IN OR INSTIGATED OR HAD KNOWLEDGE OF THE PREPARATION OF THE SAID DOCUMENT."

WORTH WAS SUSPENDED WEDNESDAY FROM HIS $8,500-A-YEAR JOB AS AN ASSISTANT TO UNDERSECRETARY DAN KIMBALL.

BEFORE THE HOUSE COMMITTEE, WITH KEENAN CRACKING THE WHIP, WORTH EXECUTED ONE OF THE MOST SENSATIONAL FLIP FLOPS EVER SEEN ON A CONGRESSIONAL WITNESS STAND.

HE WITHDREW HIS "UNSCRUPULOUS MAN" DESCRIPTION OF ODLUM, BOARD CHAIRMAN OF CONSOLIDATED-VULTEE AIRCRAFT COMPANY, MAKERS OF THE B-36.

HE ADMITTED TO REP.BATES (R-MASS) THAT HE HAS NO DIRECT OR INDIRECT KNOWLEDGE OF ANY CORRUPTION, FRAUD, COLLUSION, INFLUENCE OR FAVORITISM IN THE B-36 PROGRAM.

VOICING REGRET TIME AFTER TIME UNDER PRODDING FROM KEENAN, THE WITNESS AGREED THAT HE HAD:

MADE A "GREAT ERROR," "DONE THE NAVY NO GOOD," BROUGHT ABOUT HEARTACHES AND "A GREAT DISSERVICE TO THE AMERICAN PEOPLE," AND SPREAD "A LOT OF LOOSE, FALSE STATEMENTS."

WORTH SAID HE NO LONGER IS CONVINCED THERE WAS POLITICAL CHICANERY OR CORRUPTION IN THE B-36 PROGRAM, BUT:

"I BELIEVE AND STILL BELIEVE THERE IS NEED FOR SERIOUS CONSIDERATION BY A COMMITTEE OF CONGRESS OR BY A GROUP OF OBJECTIVE PEOPLE OF THE DEFENSE STRUCTURE, AND THAT IS PARTICULARLY RELATED TO THE B-36."

A14WX

AUG 26 1949

WHILE WORTH, A FORMER NEWSPAPER AND MOVIE WRITER, SAID NOBODY COLLABORATED WITH HIM, KEENAN SAID HE THINKS THE CHARGES FROM WHICH WORTH BACKED DOWN ORIGINATED IN OTHER AND HIGHER PLACES.

"THE AREA OF INFECTION IS WIDER AND DEEPER," HE SAID.

COMMITTEE CHAIRMAN VINSON (D-GA) TOLD REPORTERS HE IS IN NO POSITION TO DECIDE WHETHER WORTH, IN THE WORDS OF A NEWSMAN, IS "COVERING UP SOMEBODY ELSE." HE SIMPLY POINTED TO THE NEXT ORDER OF BUSINESS ON THE INQUIRY WORK SHEET:

"LOCATE AND IDENTIFY THE SOURCES FROM WHICH THE CHARGES, RUMORS AND INNUENDOES HAVE COME."

THEY CAME PARTLY FROM REP. VAN ZANDT (R-PA), A MEMBER OF VINSON'S COMMITTEE. WEEKS AGO HE PUT INTO A SPEECH ON THE HOUSE FLOOR MANY OF THE HINTS IN WORTH'S MEMO THAT SOMETHING WAS WRONG.

THESE HINTS WERE TO THE EFFECT THAT POLITICAL INFLUENCE AND FAVORITISM, INVOLVING JOHNSON, SYMINGTON AND ODLUM, WERE MIXED UP IN THE B-36 PROGRAM.

VAN ZANDT HIMSELF RAISED HIS HAND, ALONG WITH ALL THE OTHER COMMITTEEMEN, IN APPROVAL OF VINSON'S STATEMENT THAT:

"THERE HAS NOT BEEN, IN THE JUDGMENT OF THE COMMITTEE, ONE IOTA, NOT ONE SCINTILLA, OF EVIDENCE OFFERED THUS FAR IN THESE HEARINGS THAT WOULD SUPPORT CHARGES OR INSINUATIONS THAT COLLUSION, FRAUD, CORRUPTION, INFLUENCE, OR FAVORITISM PLAYED ANY PART WHATSOEVER IN THE PROCUREMENT OF THE B-36 BOMBER.

"THERE HAS BEEN VERY SUBSTANTIAL AND VERY COMPELLING EVIDENCE THAT THE AIR FORCE HAS SELECTED THIS BOMBER AND PROCURED THIS BOMBER SOLELY ON GROUNDS THAT THIS IS THE BEST AIRCRAFT FOR ITS PURPOSE AVAILABLE TO THIS NATION TODAY.

"AS OF THIS TIME, I FEEL THAT THE NATION SHOULD KNOW THAT THE SECRETARY OF THE AIR FORCE, MR.SYMINGTON, THE MILITARY LEADERS OF THE AIR FORCE, AND THE SECRETARY OF DEFENSE HAVE COME THROUGH THIS INQUIRY WITHOUT THE SLIGHTEST BLEMISH--THAT THESE MEN CONTINUE TO MERIT THE COMPLETE CONFIDENCE OF THE AMERICAN PEOPLE IN THEIR PAST ACTIONS AND IN THE FUTURE."

(NY)...WASHINGTON, AUG 26-(AP)-A STATE DEPARTMENT SPOKESMAN SAYS EVERY EFFORT IS BEING MADE TO OBTAIN RELEASE OF TWO AMERICAN COLLEGE STUDENTS BEING HELD BY SOVIET AUTHORITIES IN GERMANY.

THE TWO, WHO DISAPPEARED THREE WEEKS AGO WHILE ON A BICYCLING TOUR OF GERMANY, ARE WARREN OELSNER, 20, OF OYSTER BAY, N.Y., AND PETER SELLERS, 18, OF PHILADELPHIA.

THE STATE DEPARTMENT SPOKESMAN SAID LAST NIGHT THAT THE PAIR APPARENTLY CROSSED OVER INTO THE RUSSIAN ZONE DESPITE WARNINGS FROM BRITISH ZONE POLICE THAT TO DO SO WOULD BE DANGEROUS.

AS A CONDITION OF THEIR RELEASE, HE SAID, THE SOVIET AUTHORITIES HAVE DEMANDED THAT THE UNITED STATES RETURN THREE RUSSIAN ARMY DESERTERS WHO FLED INTO THE AMERICAN ZONE.

HOWEVER, THE U.S. MILITARY GOVERNMENT SAYS IT DOES NOT HAVE THE RUSSIAN DESERTERS IN CUSTODY AND DOES NOT KNOW THEIR WHEREABOUTS, OELSNER SAID.

BOTH OF THE YOUTHS ARE STUDENTS AT THE UNIVERSITY OF PENNSYLVANIA. THEY HAD BICYCLED THROUGH SEVERAL EUROPEAN COUNTRIES, AND WERE REPORTED MISSING JULY 30.

U.S. ARMY AUTHORITIES SAID IN FRANKFURT MONDAY THAT A GERMAN INFORMANT HAD REPORTED THAT THE TWO YOUTHS WERE ARRESTED BY SOVIET POLICE ON AUG.4 OR 5 FOR TAKING PICTURES IN THE SOVIET ZONE TOWN OF BOITZENBURG, NEAR THE BRITISH-SOVIET ZONE BORDER.

THE ARMY'S PROVOST MARSHAL DIVISION HAD CONDUCTED AN INTENSIVE SEARCH FOR THE PAIR AT THE REQUEST OF JOHN J. MCCLOY, AMERICAN MILITARY GOVERNOR.

SECRETARY OF THE INTERIOR JULIUS A.KRUG, VISITING THE U.N. CONFERENCE, DECLINED TO BE DRAWN INTO THE CONTROVERSY IN PROGRESS ALL WEEK OVER A DISPUTED ESTIMATE OF UNDISCOVERED WORLD RESERVES TOTALLING 1,500 BILLION (B) BARRELS.
KRUG TOLD A NEWS CONFERENCE HIS VIEW IS THAT THE UNITED STATES SHOULD HAVE A SYNTHETIC OIL INDUSTRY IN ANY CASE, AS A CUSHION BOTH AGAINST EVENTUAL EXHAUSTION OF RESERVES AND "EMERGENCIES." HE SAID "OIL AND COAL INTERESTS" HAVE BLOCKED SUCH A DEVELOPMENT SO FAR.
MOST OF THE OIL MEN AT THEIR MEETIMG DISAGREED IN ONE WAY OR ANOTHER

WITH THE 1,500 BILLION-BARREL ESTIMATE, "ENOUGH FOR SEVERAL HUNDRED YEARS," ENDORSED ON MONDAY BY DEAN A.I.LEVORSEN OF STANFORD UNIVERSITY'S SCHOOL OF MINTERAL SCIENCES.

THEY GAVE A LUKEWARM RECEPTION, HOWEVER, TO AN APPEAL BY MANUEL RODRIGUEZ AGUILAR OF MEXICO'S NATIONALIZED PETROLEANOS MEXICANOS, FOR ALL TO WORK FOR CREATION OF AN INTERNATIONAL "COMMITTEE ON APPRAISAL OF OIL RESOURCES" TO MAKE A WORLD SURVEY.

EXPERTS FROM TEXAS, OKLAHOMA AND BRITAIN'S MIDDLE EASTERN FIELDS OBJECTED THAT SUCH A COMMITTEE WOULD HAVE LITTLE MORE TO WORK WITH THAN INDIVIDUALS WHO ALREADY HAVE LABOAVTVVVVVVVVVVVVV

EXPERTS FROM TEXAS, OKLAHOMA AND BRITAIN'S MIDDLE EASTERN FIELDS OBJECTED THAT SUCH A COMMITTEE WOULD HAVE LITTLE MORE TO WORK WITH THAN INDIVIDUALS WHO ALREADY HAVE LABORED IN THE FIELD, UNTIL NEW METHODS ANI CRITERIA ARE WORKED OUT FOR MEASURING OIL RESERVES.

THE DISPUTED ESTIMATE WAS MADE BY SUCH AN INDIVIDUAL, AMERICAN SCIENTIST L.G.WEEKS.

M.KING HUBBERT OF THE SHELL OIL COMPANY, HOUSTON, TEXAS, SAID HE AGREED WEEK'S FIGURE WAS AS GOOD AS COULD BE PROJECTED AT PRESENT, BY THE METHOD OF APPLYING EXPERIENCE IN KNOWN FIELDS TO THE WORLD'S SEDIMENTARY BASINS THAT MIGHT CONTAIN OIL.

HUBBERT SAID HE OBJECTED, THOUGH, TO "BASELESS" FORECASTS BY LEVORSEN THAT THIS PROBABLY WAS ONLY A FRACTION OF THE RESERVES THAT WOULD BE ESTIMATED 25 YEARS FROM NOW, AND THAT ONLY FAILURE OF DISCOVERY EFFORTS CAN CAUSE "FAILURE OF WORLD SUPPLY TO MEET WORLD DEMAND OVER THE NEXT SEVERAL HUNDRED YEARS."

AUG 26 1949

HE SAID THE COUNTER VIEW TO THE STANFORD DEAN WAS A POSSIBILITY THAT "WE MIGHT BE STARTING ON THE DOWNSIDE OF RESERVES WITHIN 50 TO 75 YEARS," IF PRODUCTION KEEPS RISING AT THE PRESENT RATE OF DOUBLING EVERY 15 YEARS.

IRA H.CRAM OF PONCA CITY, OKLA, BACKED LEVORSEN, WHO WAS NOT PRESENT.

"THE PHILOSOPHY THAT WE WILL FIND MORE OIL AS WE LEARN MORE ABOUT THE EARTH'S CRUST IS TRUE AND IS GOING TO BE TRUE FOR A LONG TIME," SAID CRAM, VICE-PRESIDENT OF THE CONTINENTAL OIL COMPANY.

"TO DATE HISTORY HAS BEEN ON LEVORSEN'S SIDE," CRAM CONTINUED. "SO FAR WE HAVE ALWAYS DISCOVERED MORE OIL THAN WAS EXPECTED. THIS IS BOUND TO END SOMETIME, BUT I MAKE NO PROGNOSTIGATION OF WHEN, AND NEITHER DOES LEVORSEN."

W.F.P.MCLINTOCK, DIRECTOR OF BRITAIN'S GEODETIC SURVEY, OBJECTED TO LEVORSEN'S USE OF 70 BILLION BARRELS AS THE WORLD'S KNOWN OIL RESERVE AS "COMPLETELY CONSERVATIVE." HE SAID HE HAD PERSONAL KNOWLEDGE OF FIELDS IN THE MIDDLE EAST WITH 70 BILLION TO 100 BILLION BARRELS OF RECOVERABLE RESERVES.

RODRIGUEZ AGUILAR IN MAKING HIS APPEAL FOR AN INTERNATIONAL SURVEY URGED ALL THOSE PRESENT TO INTERCEDE WITH THEIR GOVERNMENTS TO PROMOTE IT, "BECAUSE IT IS HIGH TIME FOR A PROPER WORLD WIDE APPRAISAL."

HE SAID THE PROPOSED COMMITTEE, POSSIBLY UNDER U.N. AUSPICES, SHOULD HAVE ACCESS TO INFORMATION IN PUBLIC AND PRIVATE HANDS AND "SELFISH FACTORS WILL HAVE TO BE DISREGARDED FOR THE GOOD OF THE WORLD."

HE SUGGESTED EVERETT DEGOLYER (CAPS D, G) OF DALLAS, TEX., WHO HEADED PRESIDENT ROOSEVELT'S OIL MISSION TO THE MIDDLE EAST DURING THE WAR, AS A GOOD POSSIBILITY FOR CHAIRMAN.

CRAM COMMENTED THAT "WE'D JUST BE TURNING OUR WHEELS" TO ATTEMPT SUCH A SURVEY UNTIL DEVELOPMENT OF NEW METHODS OF SURVEYING OIL UNDERGROUND.

PAUL WEAVER OF THE GULF OIL COMPANY, HOUSTON, TEX., WHO PRESIDED, SAID ONE POINT THAT SHOULD NOT BE IGNORED WAS THAT "THE OIL PEOPLE WANT TO KNOW ABOUT IS THE OIL THAT CAN BE FURNISHED THEM," RATHER THAN THEORETICAL FIGURES.

LAKE SUCCESS, AUG 26 (AAP)-THE OIL INDUSTRY'S BIG THEORETICAL SPLIT

--BETWEEN OPTIMISTS AND PESSIMISTS ON THE SUBJECT OF PETROLEUM RESERVES

--HAS BEE FOR AN AIRING TODAY THAT MAY BRING BOOSTERS OF RESERVES.

TWO OPPOSING GROUPS OF OIL SCIENTISTS ARRANGED TO SWAP ARGUMENTS AT A SPECIAL FUELS SECTION MEETING THIS AFTERNOON (1 P.M. EASTERN STANDARD TIME) AT THE UNITED NATIONS CONFERENCE ON THE CONSERVATION AND UTILIZATION OF RESOURCES.

DR. A.I. LEVORSEN, DEAN OF STANFORD UNIVERSITY'S SCHOOL OF MINERAL SCIENCES, WAS INVITED TO DEFEND HIS BELIEF IN THEORETICAL ESTIMATES THAT THE WORLD'S PETROLEUM RESERVES TOTAL ABOUT 1,500,000,000,000 (1) BARRELS--ENOUGH FOR 300 YEARS.

MANUEL RODRIGUEZ AGUILAR OF MEXICO'S GOVERNMENT-OWNED PETROLEANOS MEXICANOS, WHO SAYS THESE ESTIMATES "MEAN NOTHING" BECAUSE OF LACK OF DATA, WAS READY WITH ARGUMENTS IN FAVOR OF FORMING AN INTERNATIONAL STUDY GROUP FOR WHAT HE CALLED AN "INTELLIGENT" SURVEY. RODRIGUEZ

REGULAR SUCCESS THE U.S. MIGHT SPONSOR THE SURVEY GROUP.

M. KING HUBBERT OF THE SHELL OIL COMPANY IS ON THE HUBBERT'S SIDE. HUBER H. FOHS OF THE HUMBLE OIL COMPANY, HOUSTON, TEXAS, LOOKED TO WITH DR. LEVORSEN YESTERDAY BY ACCEPTING A THEORETICAL ESTIMATE OF MORE THAN 500,000,000,000 (B) BARRELS OF UNDISCOVERED OIL UNDER THE SHALLOW COASTAL WATERS OF SO CALLED "CONTINENTAL SHELVES."

CONSERVATION IN THE PRODUCTION OF PETROLEUM WAS DISCUSSED AT TODAY'S REGULAR MEETING OF THE FUELS AND ENERGY SECTION OF THE CONFERENCE, ATTENDED BY SCIENTISTS FROM 40 NATIONS.

WILLIAM J. MURRAY JR., OF AUSTIN, TEXAS, CHAIRMAN OF THE TEXAS RAILROAD COMMISSION, REPORTED AMONG OTHER POINTS ON A SUCCESSFUL CO-OPERATIVE PROGRAM IN THE EAST TEXAS FIELD, WHEREBY 300,000 BARRELS OF PRODUCED WATER ARE RETURNED DAILY TO THE OIL-BEARING RESERVOIR. HE SAID THIS MAY INCREASE ULTIMATE RECOVERY FROM THE FIELD BY ABOUT 200,000,000 (M) BARRELS.

PAUL D. TORREY, PRESIDENT OF LYNES, INC., OF BOSTON, MASS., REPORTED ADVANCES IN RECOVERY OF SECONDARY OIL RESERVES, NOTABLY BY WATER FLOODING, IN EXISTING FIELDS IN TEXAS, OKLAHOMA AND KANSAS.

AUG 26 1949

BUT

"IN CERTAIN INSTANCES THE RECOVERY OF OIL HAS BEEN DOUBLED," TORREY SAID, ADDING THAT FLOODING COSTS RANGED FROM $1.32 TO $1.35 PER BARREL OF OIL PRODUCED.

TORREY SAID THAT SECONDARY OIL RESERVES OF THE UNITED STATES ARE ESTIMATED IN EXCESS OF 7,000,000,000 (B) BARRELS.

MORRIS MUSKAT OF THE GULF RESEARCH AND DEVELOPMENT COMPANY, PITTS-BURGH, TOLD THE SECTION ONLY A GUESS COULD BE MADE OF THE ACTUAL GAINS WHEN MORE EFFICIENT OIL RECOVERY, BUT PRAISED COOPERATIVE EFFORTS OF PRODUCERS TOWARD IMPROVEMENT.

"THE RAPID INCREASE IN THE NUMBER OF UTILIZATION PLANS FOR FIELD OPERATION UNDERTAKEN IN THE LAST FIVE YEARS CREDITABLY REFLECTS THE DEEP FEELING OF RESPONSIBILITY OF THE OIL PRODUCING INDUSTRY IN THE CONSERVATION OF ONE OF THE NATION'S MOST IMPORTANT NATURAL RESOURCES," MURRAY SAID.

WITH U N SCIENCE

LAKE SUCCESS, AUG. 26-(AP)-JULIUS A KRUG, SECRETARY OF THE INTERIOR, SAID TODAY HIS DEPARTMENT HAS UNCOVERED "ENCOURAGING" PROSPECTS THAT SCIENCE MAY HARNESS THE SUN'S ENERGY FOR INDUSTRIAL PRODUCTION.

KRUG BROUGH UP THE SUBJECT HIMSELF AT A NEWS CONFERENCE DURING A VISIT TO THE UNITED NATIONS SCIENTIFIC CONFERENCE ON CONSERVATION AND UTILIZATION OF RESOURCES.

HE SAID HE WAS CONVINCED THAT THE PROBLEM OF USING SOLAR ENERGY, LONG AN INTRIGUING ONE TO SCIENCE, MIGHT BE SOLVED BY EXPENDITURE OF SUMS LIKE THE $3,000,000,000 SPENT BY THE U.S. ON THE PROBLEM OF ATOMIC ENERGY.

HIS DEPARTMENT HAS BEEN ENCOURAGING SMALL SCALE EXPERIMENTS AT VARIOUS UNIVERSITIES AND LABORATORIES, ON SUCH USES OF SUN POWER AS HEALING HOUSES AND OBTAINING FRESH WATER FROM SALT. IT EXPECTS TO COMPLETE A SURVEY OF RESULTS SO FAR "IN THE NEXT SEVERAL MONTHS," HE SAID.

ASKED IF HE PLANNED ANY GOVERNMENT PROJECT TO FOLLOW UP PRIVATE EXPERIMENTATION, THE SECRETARY SAID HIS SURVEYS HAD NOT REACHED THAT STAGE, ALTHOUGH THEY MIGHT AT SOME FUTURE DATE.

"WE ARE SURVEYING THE FIELD AND IT LOOKS VERY ENCOURAGING," HE SAID.

LAKE SUCCESS, AUG.26-(AP)-GORDON CLAPP, CHAIRMAN OF THE BOARD OF TVA, WAS NAMED BY U.N. SECRETARY-GENERAL TRYGVE LIE TODAY TO HEAD THE PROPOSED ECONOMIC SURVEY OF THE MIDDLE EAST.

THE SURVEY WAS PROPOSED BY THE UNITED STATES IN THE PALESTINE CONCILIATION COMMISSION AT LAUSANNE, SWITZERLAND, AND HAS THE SUPPORT OF BOTH ISRAEL AND THE ARAB GOVERNMENTS.

CLAPP WAS NOMINATED BY THE U.S.GOVERNMENT, LIE SAID. HE HAS BEEN CONNECTED WITH TVA SINCE 1939 AND BECAME CHAIRMAN OF THE BOARD WHEN DAVID LILIENTHAL RESIGNED TO BECOME HEAD OF THE ATOMIC ENERGY COMMISSION.

CLAPP RECENTLY FIGURED IN THE HEADLINES AS A RESULT OF BERLIN STORIES WHICH SAID THAT THE ARMY DEPARTMENT IN WASHINGTON HAD TURNED DOWN A REQUEST OF THE MILITARY GOVERNMENT THAT CLAPP BE ASKED TO COME TO GERMANY ON A TEMPORARY ASSIGNMENT. THE REPLY FROM WASHINGTON SAID CLAPP WAS CLASSIFIED AS "UNEMPLOYABLE." CLAPP IMMEDIATELY DENIED HE EVER HAD BEEN APPROACHED ABOUT GOING TO GERMANY, AND SECRETARY OF THE ARMY GORDON GRAY SAID HIS CLASSIFICATION AS "UNEMPLOYABLE" WAS ALL A MISTAKE. HE BLAMED A JUNIOR OFFICER AND SAID HE HAD TAKEN STEPS TO SEE THAT NO SUCH THING HAPPENED AGAIN.

LIE SAID CLAPP WOULD COME TO LAKE SUCCESS NEXT WEEK TO DISCUSS HIS NEW JOB AND PROBABLY WOULD LEAVE FOR THE MIDDLE EAST IMMEDIATELY. AS CHAIRMAN OF THE SURVEY GROUP, CLAPP WILL BE AIDED BY REPRESENTATIVES OF BRITAIN, FRANCE AND TURKEY. THE LATTER TWO COUNTRIES, TOGETHER WITH THE UNITED STATES, MAKE UP THE THREE-NATION CONCILIATION COMMISSION. BRITAIN IS REPRESENTED BECAUSE OF HER SPECIAL ECONOMIC INTERESTS.

IN ADDITION, THE SURVEY PARTY WILL CONSIST OF ABOUT 40 TO 50 EXPERTS AND SECRETARIAT MEMBERS.

THE PRIMARY PURPOSE OF THE SURVEY IS TO DETERMINE THE ABILITY OF THE VARIOUS MIDDLE EASTERN COUNTRIES TO PROVIDE HOMES FOR THE 500,000 TO 900,000 ARAB REFUGEES WHO FLED PALESTINE DURING THE 1948 FIGHTING.

THE COMMITTEE RECOMMENDED THAT ALL ASSESSMENTS CONTINUE UNCHANGED FOR ANOTHER YEAR WITH THE EXCEPTION OF THOSE OF THE UNITED STATES AND SWEDEN. THESE TWO WERE GIVEN TOKEN CUTS TO OFFSET ADDITIONAL INCOME WHICH THE U.N. WILL GET FROM ITS NEWEST MEMBER--ISRAEL.

THE COMMITTEE RECOMMENDED THAT ISRAEL PAY 0.12 PER CENT OF THE UN'S COSTS. THE UNITED STATES ASSESSMENT, IN TURN, WOULD BE REDUCED FROM 39.89 PER CENT TO 39.79 PER CENT AND SWEDEN'S SHARE WOULD BE CUT FROM 2 PER CENT TO 1.98 PER CENT.

THE GENERAL ASSEMBLY LAST YEAR ADOPTED A RESOLUTION WHICH ENDORSED THE U.S. CONTENTION THAT NO COUNTRY SHOULD PAY MORE THAN ONE-THIRD OF THE BUDGET. OIL SABOTAGE DENIED BY TITO

Belgrade Admits Refinery Fire, But Not Fiume Blast

Belgrade, Yugoslavia, Aug. 27 (AP)—Yugoslavia said officially today there had been a small fire in its great oil refinery at Fiume, but denied reports published abroad that the plant was sabotaged.

Premier Marshal Tito's Ministry of Information made this statement:

"News that the oil refinery was blown up is thoroughly false and fabricated. The refinery continues its work in full capacity. There was a small fire in a storehouse of heavy oil, but it was immediately put out."

Reported Burning 2 Days

Rome, Aug. 27 (AP)—The Italian news agency Astra reported from Trieste that the Yugoslav refinery at Fiume is being consumed by fire today.

The agency reported travelers reaching Trieste from Fiume said the Romsa refinery had burned for two days. These sources said the area was strictly controlled and censorship made it difficult to get exact information of the damage.

Rome newspapers suggested the fire was set by saboteurs and said such action was part of the Cominform's economic warfare against Marshal Tito.

The fire came a week after Moscow, in a stiff note to Tito's anti-Cominform Government, threatened to take "more effective action" against Yugoslavia.

Owned By Government

The Christian Democrat organ, *Il Popolo*, said the fire was intended "to aggravate Yugoslavia's internal situation and paralyze supplies and movements of the army."

The refinery is owned by the Government and supplies 80 per cent of Yugoslavia's diesel fuel, *Il Popolo* said.

The Astra agency report from Trieste said intense heat kept firefighters away from the blaze. It reported telephone communication was cut off with Fiume, 40 miles from Trieste.

Astra also reported numerous arrests were made by Yugoslav police in the last two days.

Others Seek Part Of Their Country, Slavs Say

ALEX SINGLETON

Belgrade, Yugoslavia, Aug. 27 (AP)—Yugoslavs charged today that Romania and other Cominform states are designing to carve up this country and annex parts of it to their own territory.

The charges were aired in the newspaper *Borba*, Communist mouthpiece of Premier Marshal Tito's Government. It said Romania is trying to grab the rich wheat and corn district of Banat.

That bread-basket area was saved from Romanian hands during World War II on advice of Yugoslavia's Queen Mary to her nephew, Michael, then King of Romania.

Borba linked its charge with a report that Cominformists (members of the Russia-led Communist Information Bureau) are spreading false claims that Yugoslavia aims to let the British and Americans use her territory for attacks on Cominform countries.

[The Vatican radio said today that, despite Tito's leanings to the West, Yugoslavia clings to the Cominform policy of suppressing the Roman Catholic Church.]

Borba reviewed in detail Yugoslavia's relations with Romania, alleging maltreatment of Yugoslavs there, violation of trade treaties and refusal to fulfill terms of a friendship treaty.

Russia Charges Mistreatment

[In the series of angry notes passing between Moscow and Belgrade recently, Russia charged maltreatment of Soviet citizens in Yugoslavia and threatened reprisals.]

Borba said Yugoslavia is pictured in Romania as a potentially dangerous enemy and that Cominformists are talking of a possibility of taking over Banat.

The paper added that such talk in Romania is encouraging Communists in Hungary, Bulgaria and Albania to think they can grab parts of Yugoslavia with Cominform help.

Douglas Regaining Sight Of Left Eye

Southampton, England, Aug. 27 (AP)—Lewis Douglas, United States Ambassador, got good news about his injured left eye today: Its sight is returning.

Dr. E. C. Zorab took a bandage and dressing off the eye and tested itjust before Douglas boarded the Queen Mary to attend the United States-British dollar talks in Washington September 7. Zorab said Douglas could see a little with the eye.

Douglas snagged the eye with a fish hook while flycasting April 4. He received emergency treatment at Southampton and later had an operation to remove a cataract which formed because of the injury. (ADD)

EUROPEANS GET BILL OF RIGHTS

Eleven-Point Plan Drawn Up For Twelve Council Nations

FRANK O'BRIEN

Strasbourg, France, Aug. 27 (AP). A committee of the consultative assembly announced today it had drawn up an eleven-point bill of rights for Europeans.

The proposed magna carta for the common man is to be taken up by the assembly of 101 delegates during the coming week. If it is approved the twelve member nations of the Council of Europe will be asked to sign a binding convention guaranteeing it will be observed.

Briton Announces Plan

Meanwhile, the general affairs committee agreed to draw up a plan by next April 30 for the political union of Europe.

The members of this committee also are preparing a plan for a general steering committee which would hold the reins of assembly work between sessions and press the member nations to act on assembly projects.

One member of the committee said this plan was "the cornerstone of a future government of Europe."

Sir David Maxwell-Fyfe, British prosecutor of high Nazi war criminals at Nuernberg and chairman of the assembly committee on human rights, announced the plan to protect fundamental human freedoms. He said the list of freedoms could and probably would be expanded before it is handed to the Assembly for approval.

Eleven Points Of Bill

The eleven-point bill of rights as it stands now:

1. Security of person.
2. Freedom from arbitrary arrest, detention or exile.
3. Freedom from slavery, servitude or discriminatory forced labor.
4. Freedom of speech and expression of opinion.
5. Freedom of religious belief, practice and teaching.
6. Freedom of association.
7. Protection of the natural rights associated with marriage, paternity and family.
8. Inviolability of the home.
9. Equality before the law.
10. Freedom from discrimination because of race, religion, national origin, sex and political or other opinion.
11. Freedom from arbitrary confiscation of property.

Spaak To Be Chairman

This list was based on preparatory work done by the European movement, the private organization headed by former British Prime Minister Winston Churchill, which used the bill of rights of the United States Constitution as one of its models.

The proposed steering committee is intended to meet numerous suggestions that the assembly create some permanent body to direct and co-ordinate its work between yearly sessions.

Committee members said the chairman would be Paul-Henri Spaak, Belgian Socialist president of the assembly. Other members would be the four vice presidents of the assembly and ten to twelve delegates elected by the assembly from a list nominated by Spaak and the vice presidents.

The vice presidents are Lord Layton of Britain, Francois de Menthon of France, Ole Bjoern Kraft of Denmark, and Stefano Jacini of Italy.

An assistant secretary general would work full time for the steering committee which would have permanent headquarters at Strasbourg.

Bill Of Rights For Europe Is Drafted

JOSEPH DYNAN

Strasbourg, France, Aug. 27 (AP). A group within the European Consultative Assembly agreed today on a basic bill of rights to protect fundamental freedoms in the twelve nations making up the European Council.

Sir David Maxwell-Fyfe, of Britain, chairman of the Assembly's juridical committee, said the committee decided to draft a convention embracing at least eleven principal human rights.

He emphasized that the eleven fundamentals could and probably would be expanded before the committee writes its final draft—possibly at Monday's session.

Collective Guarantee

Intended to provide a minimum standard, through a collective guarantee, these rights were:

Security of person.

Immunity from arbitrary arrest, detention or exile.

Exemption from slavery, servitude or forced labor of a discriminatory nature.

Freedom of speech and expressions of opinion.

Freedom of religious belief, practice and teaching.

Freedom of association.

Protection of natural rights pertaining to marriage, paternity and family.

Inviolability of domicile.

Equality before the law.

Protection from discrimination based on religion, race, national origin, sex, political or other opinion.

Protection from arbitrary confiscation of property.

Committee members agreed, Maxwell-Fyfe reported, that each member state is fully empowered to fix the rules by which these rights are to be guaranteed within its territory. The projected convention would seek to standardize these rules and their application. (ADD)

Reds Hint Allies Plan Reich War

CARTER DAVIDSON

BERLIN, Aug. 27 (AP).—Soviet-inspired German newspapers hinted today that the Western Powers are actively girding for another war on German soil.

The main cause for editorial alarm in the East appeared to be the U. S. Army maneuvers planned in the Western zone Sept. 6.

Referring to what it called the "criminal field maneuvers in the Western zones," the Soviet-licensed Berliner Zeitung said armies of Western European States would participate and "also German legionnaries, which were organized secretly under the splitting war policy of the Americans and British and which are now to appear in public for the first time."

A high officer of the U. S. Occupation Army in Berlin laughed and said "there is no such thing," when told of the newspaper's report of the secret German legion. (ADD)

McCurdy Returning To Harvard Law Post

Berlin, Aug. 27 (AP)—William E. McCurdy, Sr., the United States Military Government's legal director since last March, goes back to his job as law professor at Harvard University next week, his office announced today.

McCurdy, a native of Augusta, Ga., has been on leave from Harvard since he joined the occupation army's legal branch in June, 1947.

A Harvard graduate, McCurdy formerly was secretary to Supreme Court Justice Louis D. Brandeis.

GERMAN POLICE EVIL SEEN

U. S. Group Warns of Reversion to Brutality, Gestapo Rule

FRANKFORT, Germany, Aug. 27 (AP)—A group of United States police chiefs reported here today that they found the German police "leaning over backward trying to use democratic methods."

They warned, however, that there was growing danger of a reversion to brutality and centralized state police systems. And they expressed fear that too many Nazis were creeping back into the police ranks.

The Americans criticized the United States Military Government for reducing too soon and too sharply its staff of public safety officers who used to work with and supervise German police activities.

This opened the way for the return of Gestapo methods that the Allies were trying to stamp out, they warned.

These views were expressed at a press conference by three American police officials who came here as special advisers to the United States Military Government.

They are John M. Gleason, chief of police in Greenwich, Conn.; Howard W. Hoyt, chief of police in Kalamazoo, Mich., and Lieut. Farley E. Mogan of the Oregon State police. (AP)

Loebe, Nazi Foe, to Open West German Parliament

BONN, Germany, Aug. 27 (AP).—Paul Loebe, who was president of the Reichstag under the pre-Hitler Weimar Republic, will preside over the opening session of the new West German Parliament Sept. 7.

Seventy-seven and a Social Democrat, he was selected for the honorary role by the Ministers—President (governors) of the new republic's eleven member states. He will preside only until the Parliament elects its own president.

Loebe is one of eight observers sent by the West Berlin city government to sit without votes in the West German Parliament.

Gen. Eddy's Daughter Is Wed In Germany

Heidelberg, Germany, Aug. 27 (AP)—Martha Eddy, of Columbus, Ga., daughter of Lieut. Gen. Manton S. Eddy, was married here today to John Hassell, of Morton-on-the-Marsh, Gloucester, England, at a ceremony glittering with high United States Army brass.

The bride's father is commandant of the general staff college at Fort Leavenworth, Kan. She was formerly a reporter on the Columbus (Ga.) *Ledger*. She is 26.

The bridegroom, 32, is a former lieutenant colonel in the British Army, now an official in the food section of the British-American occupation control office in Frankfurt. (AP)

Resist Leftists, Italy Urged

Rome, Aug. 27 (AP)—A spokesman for Italy's middle-of-the-road Government says it will resist all Leftist efforts to nationalize the electric industry.

Public Works Minister Umberto Tupini, addressing the nation by radio last night on effects of Italy's worst drought in 50 years, acknowledge the privately owned hydro-electric system is staggering along at only 40 per cent of normal output.

He contended, however, that Communist and Socialist demands for nationalization will not solve the crisis. He pointed to similar drought-induced power shortages in the nationalized industry of Britain and semi-nationalized industry of France.

Discipline Proposed

He proposed for Italy:

1. "National discipline" to reduce consumption of electricity voluntarily as well as through ration controls. He said voluntary rationing was a success in neighboring Switzerland, also gripped by drought.

2. Stricter Government control over production and distribution of electric energy — short of nationalization.

3. Government pressure on the electricity industry to "increase rapidly the production of energy in harmony with the increased need of the country."

Catholics Report Korea Communists Cover Cross

Rome, Aug. 27 (AP)—When a workman was unable to remove a granite cross from atop a Korean Catholic School building, Communists covered the cross with a metal drum, Fides, the International Catholic News agency, reported from Seoul.

The report said that when Communists occupied Won-San they took over the Benedictine School for use as a Communist school. A workman was ordered to remove the cross atop the building but the heavy stone was too much for him; that Joseph Stalin was not only the leader of the Soviet Union "but also our leader."

Both Banska Bystrica and Topolcianky were heavily guarded by soldiers and police.

Church Linked To Tito

In another speech at Podbrezove, Slovakia, Rudolf Slansky, secretary general of the Czechoslovak Communist party, charged that the "reactionary church hierarchy" and Marshal Tito were in league with the "western warmongers."

"But," he added, "the forces of democracy, led by the Soviet Union, are in the majority now. The western warmongers cannot be helped either by Tito or the high church dignitaries because our people know that the hierarchy is not interested in religion but only in their financial assets.

"We will not tolerate interference in our country's internal affairs—either from the Vatican or Anglo-American agents.

CZECH SCORES FOREIGN ROLE

Gottwald Charges Slovaks Are Goaded By 'Reactionaries'

Banska Bystrica, Czechoslovakia, Aug. 27 (AP)—Klement Gottwald, Communist president, charged today that foreign reactionaries were stirring up Slovak Catholics against his government.

He asserted the nation's home-grown reactionaries had been "driven into their holes and to the devil" before they were re-invigorated from abroad by a shameful abuse of "the feelings of the sincere Slovak faithful."

Gottwald spoke briefly at the small town of Topolcianky in Slovakia as he began a tour in the three-day celebration of the fifth anniversary of the Slovak uprising against the Nazis. He is to make a major address at Zvolen tomorrow.

Loyalty To Russia Affirmed

His tour is in the strongly Catholic province where the nation's church-state conflict has been the most heated. Slovak Catholic villagers in several communities have fought Communist police in recent weeks to protect their priests.

The three-day celebration was opened formally at Banska Bystrica with an address by Oldrich John, speaker of parliament, who declared "we shall remain loyal forever to Soviet Russia" and asserted

Casualties Heavy In Greek Fighting

ATHENS, Aug. 27 (AP).—Fighting in the Grammos Mountain region raged on today, with a heavy casualty toll reported on both sides.

Driving against the last rebel redoubt, Greek forces captured the important height of Kouria, about two miles west of Slimmitsa, a Greek communique said.

The report said the entire area east of the springs of the Uliakmon and Sarantaporos rivers had been occupied.

The communique placed army losses at 45 dead and 349 wounded —the rebels' at 263 killed and 48 captured.

Communist stronghold in northern Greece. The Greek Army offensive to drive the rebels out began three days ago.

A bitter battle raged for Flambouri Heights, 11 miles west of Nestorion, where elements of two guerrilla regiments from Vitsi fought to keep open an escape route through the Baroukas River Valley.

Hard Fighting On Border

The 9th Greek Division, which faltered in an attempt to close the Vitsi sack two weeks ago and let the 103d and 105th Communist regiments escape into Albania at Kroustalopiyi, was being opposed by the same two regiments today.

Fighting hard on the border among 6,000-foot peaks, the 9th Division had made sensational progress to close the sole escape route from the eastern Grammos. It captured 6,300-foot Porta Osman Peak and was moving down hill toward the valley. The other side was held by the Communist veterans of Vitsi.

The Greek units fought their way onto the southern end of Flambouri mountain following heavy artillery shelling and divebombing by Greek-manned United States Navy Helldivers.

Greek Officers Optimistic

Southeast of Flambouri on the banks of the Sarandaporos River the Greek 15th Division was checked by three guerrilla brigades and another battalion which also had escaped from Vitsi. A rebel brigade normally numbers 600 to 800 men, a battalion 250.

To the southwest, on the front north of Konitsa, strong Greek detachments were known to be scattered along the main routes of a guerrilla retreat in the vicinity of Pyrosonyanni, Vourbiani, Kantizkon and Zerma. But it was not known whether these forces were strong enough to stop a withdrawal.

Greek officers were optimistic concerning the possibility of closing the Baroukas River line of retreat. An authoritative military source said if this route is closed the entire guerrilla force in the eastern Grammos, including the large units facing the 15th Division would be forced to make a long detour to the west, then to the south while under air attack.

Americans Praise Pilots

During the day the steady drone of attacking Helldivers and Spitfires could be heard along the front. American observers praised the briefly trained Greek pilots for their handling of the navy's Helldivers.

The Greek general staff said continuous and systematic aid was being given the rebels by Albania. It said four regiments formerly at Vitsi had moved into the Grammos area by way of Albania.

The Greek Army suffered casualties from artillery and infantry fire from Albania while capturing two heights, the general staff added. It said United Nations observers had confirmed these violations of Greece's border.

Ark Hunters At Mt. Ararat

Dogubayazidi, Turkey, Aug. 27 (AP)—An American expedition to find Noah's Ark arrived here last night beneath the towering height of Mount Ararat.

The party is expected to set out on its quest within the next 24 hours.

Local political and military leaders welcomed the Americans as they arrived with full authority to explore this highly militarized area on the Turkish-Russian frontier.

The party is headed by Dr. Aaron J. Smith, of Greensboro, N.C. It was accompanied by State officials and newsmen on the journey from Erzurum.

The Russians have charged that the expedition is really a spying operation directed against the Soviets.

Briton Assails Gen. Bradley At Soviet Peace Forum

Moscow, Aug. 27 (AP)—Prof. J. D. Bernal, British physicist, told the Soviet Conference of Peace Proponents today that Gen. Omar N. Bradley openly declares Americans are planning to bomb Russian cities. Such talk, Bernal added, is disgusting.

[Bernal was among several British left-wingers who were denied visas by the American State Department when they sought to attend a Communist-led peace conference in New York last spring.]

Bernal said science is being put almost exclusively to use in war preparations under capitalism in the Western countries. He contended a group he called Anglo-American imperialists is planning mass destruction of millions of peaceful people.

Red Army Hailed

The professor contended it was not mass bombing of cities that won the war, but rather heroic efforts of the Soviet Army. And, he said, it was not the atom bomb that forced Japan to surrender, but Japan's knowledge of the overwhelming strength of the U.S.S.R.

[Russia went to war against Japan a few days before the surrender, after the atom bombs were dropped on Hiroshima and Nagasaki.]

Bernal hailed Prime Minister Stalin as the "great leader and defender of peace and science" and was heartily applauded.

Russia to Send Wheat to Bulgaria

SOFIA, Bulgaria, Aug. 27 (AP).—The Bulgarian Government press department said tonight Russia will supply this country 160,000 tons of wheat to offset a poor domestic crop.

Premier Vassil Kolarov thanked Prime Minister Joseph Stalin in a letter.

A hundred thousand tons are scheduled for delivery this year and the rest in 1950, the announcement said.

Australian Reported Captured By Burmese

Rangoon, Burma, Aug. 27 (AP)—It was officially reported here today that Burmese rebels have captured Capt. Ken Beggs, of Sydney, Australia, after his Government-chartered plane made a forced landing in central Burma near Taungdwingyi.

Late dispatches said the rebels have taken Beggs to their headquarters at Prome, 160 miles north of Rangoon.

Nationalists Cite Recapture Of 3 China Towns

SPENCER MOOSA

Canton, Aug. 27 (AP)—The Nationalists have counterattacked and recaptured three key towns just outside the Kwangtung province border in an arc 140 miles northeast of Canton, private reports said tonight.

[The Communist radio claimed meanwhile that the Red Army had captured Lanchow, capital of Kansu province, in China's far northwest. It said the city fell yesterday.]

The three towns reported retaken by the Nationalists in south western Kiangsi province are Kiennan, Lungnan and Tingnan. They had been designated by one-eyed Red Gen. Liu Po-chang as springboards for a drive on Kukong, 125 miles north of Canton.

New Red Gains

Kukong is on the Canton-Hankow railway. Its capture by the Reds would cut off the Nationalist Central China defense bastion of Hengyang, 265 miles north of Canton, in Hunan province.

Red forces farther north of Hengyang have returned to the offensive after being shoved back by the Nationalists and have made new gains, the Defense Ministry admitted.

The Ministry said the Manchurian veterans of Red Gen. Lin Piao have recaptured Anhwa, 90 miles west of Changsha on a sector of the front more than 370 miles north of this refugee capital.

Nationalist troops at that northwestern outpost retired, and fighting still is in progress in Anhwa's southern suburbs, the Ministry reported.

There was no news from the front closest to Canton. That is on the northeast where the Reds are 140 miles or less away.

ROMULO OFF FOR U. S. WITH A PACIFIC PLAN

MANILA, Aug. 27 (AP)—Brig. Gen. Carlos P. Romulo left by air today for the United States with a blueprint of a Pacific union.

For the past month the Philippine Ambassador to the United Nations has been marking out areas of minimum agreement that might bring together the diverse interests of Asian nations in a Pacific counterpart of the Atlantic pact.

In returning to Lake Success, General Romulo expects to work there to bring the Governments of Southeast Asia into agreement on the pact. He will concentrate on harmonizing his union plans with the United States State Department's new Far East policy as it develops.

He does not look for a meeting of the interested nations until December or January. By that time General Romulo may have the prestige of the presidency of the United Nations General Assembly

Idea For Canada Bears Little Fruit

Ottawa, Aug. 27 (AP)—A California congressman's idea of making more Marshall-aid dollars avaliable to Canada so that the Dominion could buy more California fruit was received with little enthusiasm by the trade department today.

"Basically, the idea is sound," said one official, "but California fruit is not Canada's urgent need. We would like to use the money to buy other things in the United States."

Florida normally is also a big supplier of fruit to Canada.

Britain Urges U.S. to Buy More Abroad

Seeks Way to Ease Economic Crisis as Capital Parley Opens

JOHN HIGHTOWER

WASHINGTON, Aug. 28 (AP).—Great Britain proposed today that the United States and Canada increase their purchases of foreign goods as a means of helping to ease the British economic crisis.

Authoritative informants said the British, for their part, pledged an attempt to cut production costs and take other measures designed to increase British exports to the United States and Canada.

'SITUATION PAPER'

The broad outlines of the British position were set forth in a "situation paper" as the three countries opened preliminary discussions on Britain's financial dilemma.

American officials regard the British plight as a serious threat to the power of the West in the cold war.

Presentation of the "situation paper" as a suggested basis for joint action was described as the first major business of the preliminary talks.

Informants said the British paper suggested that the United States and Canada, particularly this country, should engage in a long-term effort to increase purchases of foreign goods — which would have the result of increasing Britain's dollar income through regular commercial channels.

URGE FOREIGN INVESTMENT

The United States also was urged to undertake more capital investments abroad, which would have an additional effect of putting dollars to work in other countries with eventual benefits to Britain.

In addition to saying they would seek to cut production costs and take other measures to increase their exports to the United States and Canada, the British also propose to continue the programs of curtailing sharply the purchases of goods for which they must pay in dollars. This is a means of conserving their gold and dollar reserves.

The British paper was reported to have described in detail the growth of the international trading system which made Britain a great world power and the destructive effects of two world wars, which partially destroyed that system and much of Britain's economic strength.

AGREE IN PRINCIPLE

The British agreed in principle with American aims of restoring this trade system, but argued that under present-day conditions, in which great periods of depression involving widespread unemployment are no longer acceptable, the process of restoration would be slow and difficult.

The immediate objective of the talks, which are expected to result in important decisions next month, is to try to check the drain on Britain's gold and dollar reserves to keep them from falling below $1,000,000,000. The target date for this achievement is Jan. 1.

OFFICIALS CONFIDENT

British and American officials alike appeared fairly confident that this first goal of saving Britain from a kind of national bankruptcy would be accomplished. American authorities said that the British, by ordering cutbacks in their spending of dollars, already had taken one important step.

There is a good deal less confidence that the long-range British economic problem can be solved in a fashion agreeable to both Governments.

MORE SALES NEEDED

Top officials on both sides say that the essence of the solution, over a long pull, was for Britain to sell a lot more goods in the United States. Yet there is no certainty that this can be brought about.

As a result, some British authorities are reported thinking of proposing the creation of a tightly-knit and largely self-sufficient "sterling bloc." This would mean the division of the world economy into three areas—Russian, British and American. State Department officials fear that such a move would tend to break down Western political cooperation and split Western unity in the cold war.

WEBB TAKES CHAIR

The first round of negotiations opened today in the State Department building, located in an area of Washington which old residents call "Foggy Bottom."

Undersecretary of State James E. Webb, chief of the American delegation, was chosen chairman for the preliminary talks, which will continue for about 10 days.

The British group was headed by Sir Henry Wilson Smith, Second Secretary of the British Treasury, and the Canadian negotiators by Norman Robertson, Secretary of the Canadian Cabinet.

In their first session, lasting an hour and a half, participants said they cleared away some details of procedure and prepared for Smith to outline the nature of Britain's crisis.

The Webb-Smith-Robertson talks are designed to produce agreement among all three delegations on the basic facts of Britain's economic situation—a tremendously detailed and complicated matter, since Britain's financial well-being is intimately re-

lated to the economics of Asia, Africa and other parts of the world.

The second round of talks at the so-called "ministerial-level" will be held beginning Sept. 7. Then the men who have the power to make decisions will begin trying to work out some concrete measures.

Those men are Secretary of the Treasury John W. Snyder and Secretary of State Dean Acheson; British Foreign Minister Ernest A. Bevin and Chancellor of the Exchequer Sir Stafford Cripps, and Canadian Foreign Minister Lester B. Pearson.

departments and agencies of the Government."

The task of the negotiators will be to determine the basic facts of Britain's economic plight in preparation for the Cabinet-level talks.

Snyder To Take Part

The Cabinet conference will bring together Secretary of the Treasury Snyder and Secretary of State Acheson with Britain's Foreign Minister Bevin and Chancellor of the Exchequer Sir Stafford Cripps. Canada's delegates will be led by Minister for External Affairs

Talks On British-Dollar Crisis Open In D.C.

JOHN HIGHTOWER

Washington, Aug. 27 (AP) — The United States, Britain and Canada opened preliminary talks on Britain's economic crisis today.

The conferences at the State Department will continue about ten days. Then full-scale negotiations among the three governments will be opened.

Officials and technical experts of the three countries met in a fifth-floor conference room at the State Department with Under Secretary of State Webb presiding.

Smith Heads British

Sir Henry Wilson Smith, Second Secretary of the British Treasury, headed the British group, and Norman Robertson, Secretary of the Canadian Cabinet, the Canadian mission.

The State Department issued an announcement which said:

"Technical and fact-finding discussions concerning the dollar-earning problem opened today between representatives of the United States, the United Kingdom and Canada at the Department of State. These discussions will be followed by a conference at the ministerial level opening on September 7.

ECA Represented

"Mr. James E. Webb, Under Secretary of State, will head the United States delegation during the preliminary discussions. Mr. Willard L. Thorp, Assistant Secretary of State for Economic Affairs; Mr. William McChesney Martin, Jr., Assistant Secretary of the Treasury, and Mr. Richard M. Bissell, Jr., assistant deputy administrator of the Economic Co-operation Administration, are other members of the United States delegation. They will be assisted by advisers from other

Lester B. Pearson.

Responsible American informants say it now appears certain that no single set of solutions will be found in the September meetings, but that further negotiations will have to be held to work out long-term arrangements.

"Definitely Hopeful"

A memorandum issued by the State and Treasury departments said:

"The United States Government is definitely hopeful that beneficial conclusions may be reached. It cannot, of course, forecast in any way the results of the conference."

The United States is reported ready to consider sympathetically any proposals Britain may make for long-range American action.

the Atlantic Alliance, although Gen. Omar N. Bradley told Senate committees yesterday that such a cut would be false economy.

Most of the money that the Michigan Senator wants to take out of the program is intended to stimulate arms production in Atlantic Pact countries. He is backing an amendment jointly with Senator John Foster Dulles (R., N. Y.).

Bradley, chairman of the Joint Chiefs of Staff of the U. S. armed services, contends the $155,000,000 Mr. Truman asked for this purpose would enable pact members to retool existing factories and produce more than $700,000,000 of arms.

ARGUE FOR DELAY

Vandenberg and his supporters argue, however, that increasing Western European arms production should await recommendations to be made by the Defense Council contemplated under the Atlantic Alliance.

They are reported to feel also that helping France to increase its arms-making would be resented in Western Germany, where the occupying powers have dismantled many industrial plants.

Vandenberg intends to present his arguments next week to the combined Senate Committees on Foreign Relations and Armed Services, which are preparing the arms aid bill for Senate consideration. It has passed the House, which voted to cut funds for Western Europe exactly in half.

Knowland promised a "full-scale review of our policy in the Pacific" when the program reaches the Senate floor.

BALKS AT COMPRIMISE

The Californian said he would not be satisfied by a reported compromise

Acheson, who has written off China's Nationalist Government as a failure, told Congress recently that the Administration did not feel justified in asking arms for China.

WOULD ASK $210,640,000

Knowland's latest proposal would authorize the President to spend $210,640,000 at his discretion for military assistance to non-Communist China, Korea, the Philippines and elsewhere in the Far East.

Knowland and Senator Walter F. George (D., Ga.) agreed that $1,000,000,000—the amount favored by Senator Vandenberg—is the most the Administration can hope to obtain from the Senate for arms aid to Atlantic Pact countries.

The Californian said this is the "top limit" and George said he would like to limit the entire program to between $700,000,000 and $800,000,000 in carsh, plus $450,000,000 in excess arms.

divided equally between cash and contract authority, has been offered by Senators Vandenberg (R., Mich.) and Dulles (R., N.Y.)

George, a member of the Foreign Relations group, said he personally would like to limit the entire program to between $700,000,000 and $800,000,000 in cash, plus $450,000,000, in "excess" arms. But he conceded Vandenberg's plan has the better chance in the combined committes.

"What the American people don't realize," George said "is that the Administration program amounts to nearly $2,000,000,000 when one considers the cash and excess arms."

Meantime, Senator Knowland (R., Cal.) disclosed that he has drafted a new amendment designed to give aid to the beleaguered Far Eastern nation which has already been partially overrun by Chinese Communists.

Knowland, who originally proposed to cut China in for $175,000,-

were made which will send the bill back to the House.

Today's action did not, however, restore an $800,000,000 slash in the Air Force's appropriation voted yesterday by the Senate.

The bill instead merely provided authority for the military to buy—when Congress agrees to put up the money—all aircraft deemed necessary to bring the air arm up to the 70-group level.

Senate Alters Sections

How soon this goal might be reached was something only Congress can answer since funds for expansion must come from the Air Force's annual appropriation. The House voted funds this year to build and operate 58 groups but this was upset yesterday when the Senate slashed the budget to permit only 48.

President Truman originally asked 48 but congressional air power advocates fought hard to raise it.

In granting approval to map plans for the 70-group Air Force, the Senate struck out two House-approved sections and altered others. It deleted certain language defining just what the 70 groups were to consist of.

From 33,500 To 30,600

The Senate's version also cancelled authority in the House bill for both the Army and Air Forces to develop and buy guided missiles. Just which branch will be in charge of this, the Senate apparently left up to Louis A. Johnson, Defense Secretary.

The Senate retained the House-approved authority for "24,000 serviceable aircraft or 224,000 airframe tons aggregate."

The Senate made reductions in the House bill's authorization for future officer manpower of the Air Forces and Army. Actual expansion to the limits finally agreed upon will be controlled by future appropriations.

The House authorized 33,500 regular Army officers on active duty. The Senate cut it to 30,600.

For Fewer Officers

The House approved 27,500 active regular Air Force officers. The Senate would hold it to 22,400.

For the organized reserves, the House authorized 896,000 officers, warrant officers and enlisted persons. The Senate dropped this and specified "such personnel strength as is necessary to form the basis for" immediate mobilization in an emergency.

The Senate used the same term in striking out the 500,000 air force reserve strength written into the House bill.

The Senate refused the Air Force authority to use its funds for development, design or procurement of transport or cargo planes intended primarily for commercial use.

Vandenberg, Knowland Spur Fight on Arms Bill

WASHINGTON, Aug. 27 (AP).—Two Republican Senators—Arthur H. Vandenberg of Michigan and William F. Knowland of California—maintained presure today for major changes in President Truman's $1,450,000,000 arms aid program.

A Senate committee showdown is due shortly on the issues. These involve: (1) whether to cut the Western Europe aid figure, and (2) whether to write China into the bill.

VANDENBERG INSISTENT

Vandenberg refused to drop his demand that Congress make a $160,990,000 slash in proposed military assistance for European members of

proposal that some money for non-Communist China—but no requirement that it spent for arms — be added to the bill.

"I'm going to insist that China be treated on the same basis as other nations in this bill," Knowland declared. "We have neglected our Asiatic flank long enough."

The bill carries nothing for China at present. Secretary of State Dean

Billion Arms Aid Is Held 'All There's Hope For'

Washington, Aug. 27 (AP)—Senator George (D., Ga.) said today that $1,000,000,000 is the most the Administration can hope for from the Senate in arms aid for Atlantic-pact nations.

He said the sum would be split between cash and contract authority. "And they won't get that," he predicted, "until after a long debate, if at all."

President Truman has asked $1,450,000,000 for the arms program, including $1,160,990,000 for the Atlantic-pact nations.

Bitter Struggle Ahead

The House slashed the $1,160,990,000 in half, but left unchanged the proposed $211,370,000 for continued military assistance to Greece and Turkey, and $27,640,000 for Iran, Korea and the Philippines.

The combined Senate Foreign Relations and Armed Services committees start their second week of arms-aid discussion Monday. But a bitter struggle over (a) the size of the program and (b) demands that it include aid for China may prevent final action until Tuesday or Wednesday

Bows To Vandenberg Plan

An amendment to cut the pact nations to an even $1,000,000,000,

000, now would authorize the President to furnish $210,640,000 in military assistance to non-Communist China, Korea and the Philippines. That proposal seemed likely to produce a battle.

Senator Ellender (D., La.) disclosed that he will vote against an arms program on the floor "if the Administration forces the issue now, without giving full information on Europe's overall needs."

CONGRESS BACKS LARGER AIR FORCE

How Soon It Will Be Built Remains Unanswered

Washington, Aug. 27 (AP)—Congress today approved plans for an ultimate vast expansion of the Air Force—but how soon the record peace-time air fleet will be built remained unanswered.

The Senate by unanimous consent passed the so-called 70-group Air Force bill which previously was approved by the House. Changes

Senate Approves Bigger Air Force Without Dissent

WASHINGTON, Aug 27 (AP).—Authority for a big expansion of the Air Force won Senate approval by unanimous consent today after brief discussion.

It passed the 70-group Air Force bill previously approved by the House after striking out a section that spelled out the 70 combat groups and other units.

FUNDS STILL LACKING

Retained in the bill, however, was the House-approved authority for "24,000 serviceable aircraft or 224,000 airframe tons aggregate."

This would authorize the Air Force to buy—if Congress provides funds later—all the airplanes regarded as necessary for an expansion to 70 groups.

Senators said the House language spelling out the 70 groups, 22 separate squadrons and 61 Air Reserve groups was meaningless because a group or squadron varies widely.

GUIDED MISSILES CURBED

This authorization bill deals with the size and composition of the various branches of the armed services. It has no direct connection with the House-approved military appropriations bill now under consideration by the Senate. The authorization measure can be carried out only so far as funds are provided in the money bill.

The Senate also struck from the House-passed bill authority for both the Army and Air Forces to develop and buy guided missiles.

These are the pushbutton type, long-range weapons of the future wars of which the German buzz bombs and rockets were a forerunner toward the end of the Second World War.

The Senate action apparently would leave up to the Secretary of Defense an undercover dispute among the Air Force, Navy and Army as to which arm should handle guided missiles.

The Senate bill must go back to the House for action on numerous changes. These probably will be adjusted by a Senate-House conference committee.

CONTROLLED BY FUNDS

Both the House bill and the Senate version fix the size and composition of both the Air Force and the Army for the futufre.

Actual expansion to these limits will be controlled by the funds allowed by Congress in annual appropriations. This year the House allowed funds to expand the Air Force to 58 groups but the Senate cut this total back to 48 groups in the military money bill now being debated in the Senate.

The Senate bill trimmed maximum authorized officer strength for both the Army and Air Force.

The House had autherized 33,500 regular officers on active duty for the Army. The Senate reduced this to 30,600.

For the Air Force the House authorized 27,500 active regular officers. The Senate bill held this to 22,400.

SENATE USES BROAD TERM

The House had authorized 936,000 officers, warrant officers and enlisted persons for the Organized Reserve Corps but the Senate struck this out in favor of "such personnel strength as is necessary to form the basis for complete and immediate mobilization for national defense in the event of a national emergency."

The Senate used the same broad term for the Air Force Reserve instead of the 500,000 limit put in by the House.

Finally, the Senate bill denied authority to use Air Force funds for development, design or procurement of transport or cargo aircraft intended primarily for commercial use. Some members of Congress have been urging that the Air Force meet costs of developing prototype commercil aricraft which would be used in case of war.

Truman Picks 3 For Defense Posts

WASHINGTON, Aug. 27 (AP).—President Truman today nominated Paul H. Griffith, Mark Leva and Wilfred J. McNeil to be Assistant Secretaries of Defense. He sent their names to the Senate for confirmation.

Griffith, like Secretary of Defense Louis Johnson, is a past commander of the American Legion. He has been personal assistant to Johnson since last March, when Johnson took office. A native of Uniontown, Pa., Griffith is 52 and a veteran of both World Wars.

McNeil, 48, is a native of Boone, Iowa. In his new post he is expected to serve as comptroller with responsibility for budget and fiscal matters. He was a rear admiral in the Supply Corps of the Naval Reserve during the Second World War.

Leva, 34, is a native of Selma, Ala. As assistant secretary he is expected to handle legal matters and serve as counsel. Leva served in the Navy in the Second World War.

U.S. GOT JAP WAR WARNING

State Department Bares Tips As Early As 1933

Washington, Aug. 27 (AP)—Warnings of war with Japan began reaching the State Department as early as 1933. This was discolsed today in secret papers made public by the State Department.

The warnings came from a variety of sources as Japan pushed her far eastern conquest. Looking back, they may appear today to have more significance than they did at the time—qualified observers also were sending in speculation that the outcome might be a war by Japan with Russia rather than with America.

The Japanese attack on Pearl Harbor and Manila was eight years away.

The volume, one of a series on foreign relations, covers the 1933 period of the far eastern crisis taking in Japan's conquests in Manchuria.

U.S. Fought Sanctions

Britain, France and other countries were trying, the record shows, to work out through the League of Nations some way to check Japanese expansion. The United States in the closing days of the Hoover Administration, while following a policy of nonrecognition of Japan's puppet state, Manchukuo, held a firm position against using economic sanctions to stop the Tokyo empire builders.

After the Roosevelt Administration began on March 4, 1933, the State Department advised the British Embassy on March 11 that Congress would be asked to authorize embargoes on belligerent states. But it also declared that it saw no useful purpose to be served then by embargoing arms shipments to both Japan and China.

On February 7, an American Embassy official in Paris reported that, in the opinion of a French diplomat, Japan had been preparing for war. He felt she intended to possess the chain of islands along the Asiatic coast, including the Philippines, "so as to make her complete mistress of the Asiatic continent." The diplomat saw in this a sign that Japanese preparations for war were aimed directly at the United States.

Grew Gave Warning

The United States Embassy official added that a well-known French naval expert had suggested that while American naval strength in the Far East was necessary, Japan's "great adversary" was Russia because Japan was aiming at expansion on the Asiatic continent.

On March 9, 1933, Joseph C. Grew, the United States Ambassador at Tokyo, sent the State Department lengthy intelligence from a "reliable Soviet source" reporting among other things that the Japanese were fortifying Bonin Islands in the western Pacific, and also the Japanese mandated islands, and that this work "is directed against the United States."

On March 17, Theodore Marriner, ranking diplomat in the American Embassy at Paris, quoted a "French authority" as saying that the French general staff "expects Japan to pursue a policy of expansion in the Pacific, and that country may not stop short of an attempt to take the Philippines."

At the same time the French general staff rated Japan as low in military power.

TRIAL HELD SET FOR SCIENTIST

Perjury Data Got By Former Agents, Spy Prober Says

Washington, Aug. 27 (AP)—House investigators say three former Federal agents may supply a perjury case against the "Scientist X" accused of giving atomic secrets to a Communist.

The three, an authority of the House Un-American Activities Committee said, will swear they saw Scientist X and a Communist leader, Steve Nelson, in a wartime conference in Nelson's home.

"That means," this authority said, "that so far as the Nelson-Scientist X case is concerned it is all locked up on the perjury issues."

The committee has said that the scientist denied knowing Nelson.

The committee informant declined to be identified.

The scientist worked at the radiation laboratory of the University of California at Berkeley, which handled part of the atom-bomb project.

Accused In Committee Report

The committee has said in an official report that in March, 1943, the scientist gave Nelson a complicated atomic formula. It called Nelson a Communist espionage agent and described meetings he held with Russian diplomatic officials at which it said documents and money changed hands. The scientist has never been named by the committee.

The committee informant said that the three former agents perched in a tree for an hour one night and watched the scientist and Nelson through a window of Nelson's home.

He said he didn't know whether they listened in on the conversation.

The three already have been questioned secretly in a preliminary to possible public hearings.

Fourth Former Agent

Representative Velde (R., Ill.), a committee member, who is pushing a campaign to wind up the Scientist X case, quizzed one of the prospective witnesses last Sunday. This witness is understood to have tipped Velde as to the other two.

Velde himself is a former FBI agent, who worked for a time on the Scientist X case.

Nelson, a naturalized Yugoslav, is now Communist party organizer for western Pennsylvania, with headquarters in Pittsburgh. Early in the war, he had a similar job in Alameda County, Cal., which includes Berkeley.

The committee has said a Communist cell operated at the radiation laboratory at Berkeley.

Vaughan's Bank Account Being Investigated

Washington, Aug. 27 (AP)—Senator Hoey (D., N.C.) said today any adverse testimony regarding Government officials in the five-percenter inquiry will go to their superiors—except in the case of Maj. Gen. Harry H. Vaughan.

Hoey so declared after disclosing that "in a measure" Senate investigators are looking into the bank accounts of Vaughan, who is Mr. Truman's military aide.

A special subcommittee headed by Hoey is checking on whether improper influence has figured in the handling of Government business. Vaughan is scheduled to testify when the public hearings are resumed next Tuesday. His name has come up at the inquiry nearly ever day.

Maragon Evidence

Hoey said the committee plans to turn over to the Justice Department evidence it has gathered about the affairs of John Maragon. Maragon was silent yesterday when the committee sought to question him.

Included is testimony by a committee investigator that Maragon made deposits of $119,608.61 in checking accounts over a five-year period. Maragon previously had sworn at a hearing behind closed doors that his income over the same period totaled only around $30,000.

"Case Of Perjury"

Senator Mundt (R., S.D.) called it "a clear cut case of perjury." But Maragon asserted his constitutional rights at yesterday's session and refused to discuss the matter.

Hoey said that in addition to the Maragon evidence, testimony regarding any Government officials whose names have cropped up at the inquiry will be turned over to the departments concerned.

Asked whether that meant the testimony dealing with Vaughan would be laid before Mr. Truman, Hoey said the committee won't take

the initiative in that case.

"We won't send it unless the President should ask for it," he replied. "That's a different matter. It is the President's prerogative to ask for it if he wants it."

Vaughan Accounts

As for Vaughan's bank accounts, Hoey was asked last night whether the committee was looking into those as it did Maragon's.

"We have in a measure," he said, without explaining just how far the investigation has gone. He said it depends in part on what may seem necessary after Vaughan testifies Tuesday.

Hoey gave the same reply—"in a measure"—when he was asked whether the investigators have taken a look at the bank accounts and expenses of James V. Hunt, Washington management counselor who is a key figure in the inquiry.

Hoey also was asked whether there was an implication that Maragon had perjured himself.

"It would look very much like that," he said.

Many Friends

Hoey was questioned on whether the committee has any evidence "as to why General Vaughan mixed himself up in all these things and what he got out of it."

Hoey said he thinks that is explained by Vaughan's disposition. He said:

"General Vaughan has a good many friends; he as anxious to please his friends. He seems susceptible to appeals for help from his friends and he is not averse to exercising some authority."

Calls Newspapers

Maragon, who had little to say on the witness stand, called newspaper offices last night to take exception to some of the things said about him by other witnesses.

Dr. Henry F. Grady, for example, sent the committee a memorandum saying that when he headed an American mission to Greece he sent Maragon home three days after he arrived in Athens.

"Even if I had not received instructions to send him back to Washington, I would have done so because he was making himself a nuisance," said Grady.

"Memory Failed"

Said Maragon several hours after the Grady memo was read at the hearing: "Dr. Grady's memory has failed him badly."

Maragon also was willing later to say something about a push in the face which Col. William L. Lee has said he gave Maragon in Rome in 1945. Shortly after that episode, Lee, now stationed at March Airbase in California, lost his brigadier general rank and was reprimanded and sent back to the United States. Lee said earlier this week the reduction in rank and the face-pushing incident coming so close together may have been just a coincidence.

At any rate, Maragon commented: "Certainly I made no complaint against General Lee."

Marchers Assail Medina In Slogans

AUG 27 1949

New York, Aug. 27 (AP)—A slowly moving, sometimes-noisy line of marchers has become almost a regular fixture outside the Federal Courthouse where eleven top Communist leaders are on trial.

The marchers don't like the trial and want it stopped.

They staged one of their loudest and bitterest demonstrations yesterday, one day after Federal Judge Harold R. Medina had denounced attempts to pressure the court.

About 100 men and women, most of them young, were in the line that moved back and forth. They carried signs, and chanted and sang their protests.

Some Of Slogans

While a score of police watched silently, the pickets yelled such slogans as:

"Hey, Medina, why the delay! Grant a mistrial today!"

"Come on, Medina, get on the ball, free Winston, Green and Hall."

Defendants Henry Winston, Gus Hall and Gilbert Green are held in jail, on contempt sentences, except when the trial is in session.

The pickets varied their routine with these chants:

"How do you spell Medina? R-A-T."

"How do you spell Medina? K-K-K."

They carried signs reading:

"Give the Communist party leaders the right to present their case freely."

"Hitler jailed the Communists. America must not."

"Medina subverts justice."

"Don't gag the defenders of peace and freedom."

They also sang a song entitled: "If Medina's in the Way, We're Going to Roll Right Over Him."

Janney One Target

Chants of the pickets also referred to futile efforts of defense attorneys to win a mistrial on the basis of the charge that one juror, Writer-Producer Russell Janney, had shown prejudice against the defendants.

The pickets shouted at intervals: "Jail Juror Janney—free the three" and "Throw Juror Janney in the jug."

Medina on Thursday had declared he would "not be intimidated by picketing or pressure of any sort."

A late witness at the trial yesterday was Max Weiss, 28, of Chicago, the Communist party's regional co-ordinator in the mid-West, and former head of the Young Communist League.

He said the party had never advocated force or violence to overthrow the Government.

The eleven defendants are charged with conspiring to advocate such steps.

The trial is in recess until Monday.

LEGION PARLEY SET THIS WEEK

31st National Convention To Hear Truman Tomorrow

Philadelphia, Aug. 27 (AP)—The American Legion opens its thirty-first national convention here Monday in the midst of bitter congressional dispute over arms for Europe.

President Truman, Missouri's most eminent legionnaire, will address the convention at 3 P.M. Monday. Louis A. Johnson, Secretary of Defense, will make two speeches Wednesday.

Spirited pleas for Legion support of the full Truman aid program are anticipated both from the President and the Defense Secretary. Some congressional leaders are leading a drive to lop nearly half a billion dollars from the measure.

Resolutions supporting the President's program will be presented to the convention.

China Arms Demand Seen

In addition, there is likely to be a heated demand for arms for China and other parts of the Orient threatened by Communist armies.

But the 6,000 legionnaires who'll be here for the convention aren't coming just to talk and listen to speeches. There will be plenty of opportunity for the traditional Legion convention funmaking.

The always-colorful Legion parade is scheduled for Tuesday. Other business at the four-day conclave is at parade rest that day and the blue-capped veterans will take over the city.

More than 1,000,000 persons are expected to watch the fifteen-hour parade that will have 18,000 men and women stepping to the tunes of 100 musical organizations.

Election Slated Thursday

Election of a new national commander, to succeed Perry Brown, of Beaumont, Texas, is set for Thursday.

And it seems likely now that the Legion, for the first time, will choose a World War II veteran. Several state departments, including Pennsylvania, already have picked younger veterans for their state commanders.

Of the six announced candidates for the national post, four are veterans of the World War II. They are Earle Cocke, Jr., of Dawson, Ga., James F. Green, of Omaha, Neb.; Donald R. Wilson, of Clarksburg, W. Va., and George M. Craig, of Brazil, Ind.

The veterans of World War I in the race are Arthur J. Connell, of Middletown, Conn., and James F. Daniel, of Greenville, S. C.

50,000 Visitors Expected

Some 50,000 visitors are expected here in addition to the delegates. Hotels already are filling up and the convention overflow will spill into private homes and nearby cities.

Police are under orders to arrest any users of water pistols, electric canes and other trick devices, outlawed in a recent city ordinance. They've been favorite devices at some other conventions.

Meeting simultaneously with the Legion sessions at Convention Hall will be the women's auxiliary and the funmaking groups, "40 et 8" for men and "8 et 40" for women.

The "40 et 8," named after the 40 men and eight-horse capacity of French boxcars in World War I, will put on their own parade Monday night, rolling replicas of the well-remembered boxcars through the streets.

The funmakers will don their traditional brightly colored smocks and hats and maneuver through the streets in ancient model autos, cannon-firing battleships and other floats.

Headline contests for musical organizations are scheduled Monday night in huge Municipal Stadium. Others are slated Sunday and Monday afternoons.

Up for consideration by Legion committees will be more than 800 proposals from state departments. These will be discussed at committee meetings before submission to the convention.

Most of the convention action will be on foreign affairs. There also is likely to be another broadside leveled at Communists and fresh decisions on veterans' job preference and housing.

Two Arrive For Last G.A.R. Encampment; Four More Due

AUG 27 1949

Indianapolis, Aug. 27 (AP)—Two boys in blue, with memories of '65, came to Indianapolis today for a "final" encampment of the Grand Army of the Republic.

"Yes, this will be the last," said Theodore A. Penland, of Vancouver, Wash., G.A.R. commander-in-chief.

"The boys are getting so feeble," the Civil War veteran added a little sadly, "they've got to stay at home and take care of themselves."

The 100-year-old commander, veteran of the Army of the Potomac, was the first to arrive among the six expected for the meeting.

Wheelchairs Meet Trains

Wheelchairs were on hand to carry the commander and Albert Woolson, of Duluth, Minn., 102-year-old chief of staff, who arrived on another train ten minutes later this afternoon.

By agreement of the six veterans at the 1948 encampment in Grand Rapids, Mich., this is to be the G.A.R.'s last get-together. After next Wednesday night's "campfire" reminiscences, the Grand Army that once had 408,489 members will be a mere scattered handful of veterans.

Not everyone is sure that this actually will be the last meeting, though it is being proclaimed so on a special postage stamp.

Probably No Election

Charles L. Chappel, of Long Beach, Cal., told homefolks he'd "be proud to be the last commander." Unless another encampment is planned, Commander Penland made it clear there'll be no election of new officers here.

The 102-year-old Californian has advanced to the senior vice commander's post in the past year through the death of three other national officers. If he should outlive Penland, Chappel would become commander. He is expected to arrive here by plane tomorrow.

The Chamber of Commerce in Wilson, N.C., got behind Chappel's suggestion, inviting the G.A.R. to have one more "final" encampment there next year.

Poses With Two Girls

Though he was helped into his wheelchair by solicitous young National Guardsmen, Penland agreeably posed for a news photographer's picture with two pretty girls. He complained when he left Portland, Ore., three days ago that women were fussing over him too much.

Later, he and Woolson sat back in easy chairs and heard hill-billy songs sung by Roy Acuff, who brought part of his theater stage show to their hotel.

Woolson, a drummer boy at Chickamauga, arrived with his son, R. C. Woolson, Dayton (Wash.) druggist. Now partly deaf, the Duluth veteran let his son do the talking for him.

55 Recorded On Both Sides

The G.A.R. has records of only ten living members besides the six on their way to the last encampment. Miss Cora E. Gillis, G.A.R. secretary, said Federal pension records show only 23 Union veterans—in or out of the G.A.R.—surviving in seventeen states. State pension records show 32 surviving Confederate veterans, she said.

Because of sentiment attached to the final encampment, Miss Gillis said she expects the meeting to draw 3,000 to 4,000 delegates from the five auxiliary organizations.

Sessions open with a church service tomorrow morning, and some of the allied groups continue meeting through next Thursday.

6 Vets Expected At Last G.A.R. Encampment

Indianapolis, Aug. 27 (AP)—Indianapolis, scene of the first national encampment of the Grand Army of the Republic 82 years ago, today rolled out the welcome mat for the last gathering of Union veterans.

A half dozen of the surviving sixteen members of the G.A.R. are expected for the encampment, which begins officially tomorrow. Five affiliated groups with a membership of about 2,500 also are to meet, tomorrow through Wednesday.

Two of the Civil War veterans are coming by air. One of them, Charley Chappel, 102, of Long Beach Cal., senior vice commander, says he'll be "proud to be the last commander."

Other One From New York

The second is James A. Hard, 108, of Rochester, N.Y.

Hard has said he favors another encampment next year, but indicated he would not push the matter. The G.A.R. last year amended its rules and regulations to make the 1949 meeting at Indianapolis the last.

Theodore Penland, 100, of Portland, Ore., national commander in chief, is expected to arrive by special train later today. Albert Woolson, 102, of Duluth, Minn., also is due to arrive by train this afternoon.

For Joseph Clovese, 105, of Pontiac, Mich., the last encampment will be his first. Clovese, the only surviving Negro member, will arrive tomorrow by train.

Robert Barrett, 102, of Princeton, Ky., is coming by automobile. Clovese, Hard, Barrett and Chappel are expected tomorrow.

A special hospital room has been set up in a hotel at which the centenarians will stay. Described as a "precautionary measure," the facilities are provided by the Veterans Administration, officially responsible for the health of the aged soldiers.

Memorial services tomorrow afternoon will be the first session. The United States Marine Band will give a concert tomorrow night. Special ceremonites will be held Monday, opening the sale of the G.A.R. commemorative stamp.

On Tuesday the veterans will be permitted to rest. They will hold their last business session Wednesday. A "twilight parade" and a final campfire Wednesday night will conclude the encampment.

Matthews Flays Soviet at Oil Fete

TITUSVILLE, Pa., Aug. 27 (AP).—Western Civilization faces its greatest challenge from "godless, cynical, grasping materialistic Marxist Communism," Secretary of the Navy Francis P. Matthews declared today at the oil industry's 90th birthday celebration.

Matthews told a shirtsleeved crowd gathered around the world's first oil well that:

"The outcome of the new conflict of ideologies depends upon us. We can favorably resolve even that issue if we so desire and are ready to pay the price for so precious a victory."

'MUST NOT HESITATE'

"We must neither hesitate nor falter in our search for peace," he added, "no matter how long the road or rough the way. We have learned through the operations of the Truman Doctrine, the Marshall Plan that we can hold off aggression if we demonstrate firmness of purpose and adequate military strength to back up our foreign policy."

A crowd of some 3000 townsmen in this Western Pennsylvania oil center, oilmen from all parts of the country, and State officials saw the original well start pumping "black gold" again.

The well was drilled on Saturday, Aug. 27, 1859, by Col. Edwin L. Drake, a New England train conductor who turned oilman. The few barrels of petroleum produced that day founded an industry that has spread to 26 states. More than 31,000,000,000 barrels of crude have been produced since Drake brought in his well.

On the 90th anniversary of Drake's feat, his granddaughter, Mrs. Ross E. Carver, 66, of Nashua, N. H., pressed a button from the speakers' stand that started simulated reactivation of the original well.

CRUDE OIL PUT IN WELL

The 69½-foot-deep well has long since given up its store of petroleum but oil officials deposited several barrels of crude in the casing for today's reactiviation.

While spectators watched inside the tiny, unpainted, wooden engine house of the derrick, a slow flow of crude rose out of the well hole.

A flight of 60 naval fighter planes from Akron, O., and the Truculent Turtle, famed Navy distance flight airplane, swooped over the gathering in the Drake Memorial Park just outside Titusville.

At a luncheon session, Senator Andrew F. Schoeppel (R., Kas.) told guests "our standard of living and what we call our American way of life, is in a large degree built upon the availability of petroleum and its products. Unhampered by restrictive legislation, the oil men have shown over and over again that they can keep this Nation well supplied with all the products of petroleum that it needs."

Schoeppel said that despite World War II's tremendous drain, oil men have discovered so much new oil "that currently proven reserves are almost 28,000,000,000 barrels of liquid hydrocarbons."

Drake's well did not provide the first crude petroleum. It had been found elsewhere in Pennsylvania and New York in springs, wells and on stream surfaces. Early settlers used it for medicine and liniment.

Firing Of Test Rocket By Navy Is Canceled

White Sands, N.M., Aug. 27 (AP)—Firing of a navy Viking test rocket at White Sands Proving Ground has been canceled.

The shoot previously had been postponed from Tuesday until yesterday.

Capt. William A. Goring, of the naval unit, today said the test was canceled because of missile trouble. He said he would release no further information at this time.

Goring did not indicate when or if the shoot would take place.

AUG 27 1949

BRITISH
BY ARTHUR GAVSHON
LONDON, AUG. 27-(AP)-FOREIGN SECRETARY ERNEST BEVIN AND ECONOMICS BOSS SIR STAFFORD CRIPPS WILL GO THE WASHINGTON DOLLAR TALKS IN PERSONAL DISAGREEMENT OVER ONE OF BEVIN'S IDEAS, THEIR ASSOCIATES SAID TODAY.

PRIME MINISTER ATTLEE HAS CALLED THE BRITISH CABINET TO ALL-DAY TALKS MONDAY TO OKAY FORMALLY A POLICY WORKED OUT IN WEEKS OF BACKROOM DISCUSSION.

THE BEVIN-CRIPPS CLEAVAGE IS LIKELY TO BACKDROP THE CABINET CONFERENCE.

BEVIN, HIS ASSOCIATES SAY, HAS BEEN PLUMPING FOR WHAT HE CALLS A FILL-SCALE INTEGRATION OF THE DOLLAR AND POUND STERLING SY TEM . THI COULD PO IBLY MEAN A CU TOMS UNION OR EVEN A COMMON CURRENCY, BUT INFORMANTS SAY BEVIN HAS NEVER MADE CLEAR JUST WHAT HE HAS IN MIND.

AMERICAN SOURCES, IN DISCUSSING HIS IDEA, HAVE USED THE PHRASE "ECONOMIC UNION"--AN IDEA ALREADY PUBLICLY REJECTED BY SECRETARY OF STATE ACHESON.

BEVIN REPORTEDLY ARGUES THAT INTEGRATION IS NOT ONLY ESSENTIAL BUT ALSO A LOGICAL OUTCOME OF ANGLO-AMERICAN DIPLOMATIC UNITY.

RESPONSIBLE OFFICIALS IN CRIPPS' DEPARTMENT--THE TREASURY--THROW UP THEIR HANDS AT BEVIN'S IDEA. THEY SAY IT'S POETIC AND TARTLY DECLARE THAT BEVIN IS NO ECONOMIST.

CRIPPS TAKES THE VIEW THAT BRITAIN CAN WIN THROUGH ONLY BY HARD WORK--BY PRODUCING MORE GOODS AT LESS COST AND USING HIGH PRESSURE SALESMANSHIP TO MARKET THEM FOR DOLLARS. BRITAIN MUST HAVE DOLLARS TO BUY THE RAW MATERIALS AND FOOD SHE NEEDS.

THE WASHINGTON CONFERENCE OPENS SEPTEMBER 7 WITH U.S., BRITISH AND CANADIAN REPRESENTATIVES TAKING PART.

BEVIN AND CRIPPS WILL BE TRAVELING TOGETHER ON THE MAURETANIA. THEY LEAVE WEDNESDAY. BEVIN ORIGINALLY WAS BOOKED TO SAIL ON THE QUEEN ELIZABETH TODAY. HE POSTPONED HIS SAILING, INFORMANTS SAID, TO HAVE ANOTHER TRY AT GETTING CRIPPS TO THINK AS HE DOES.

BEFORE THE CABINET MONDAY WILL BE A 15-PAGE BRIEF DRAWN UP BY TREASURY, FOREIGN OFFICE AND TRADE OFFICIALS ON THE CAUSES AND POSSIBLE CURES OF BRITAIN'S ECONOMIC PLIGHT.

IN ESSENCE IT WOULD BIND BOTH THE BRITISH GOVERNMENT AND INDUSTRY TO CUT DOWN WORKING COSTS AND TO RAISE PRODUCTIVITY.

IT SUGGESTS WAYS IN WHICH BRITAIN CAN EARN MORE DOLLARS BY SELLING MORE AND CHEAPER GOODS THROUGH HIGH-PRESSURE SALES TECHNIQUE.

IT ASKS THE UNITED STATES TO LIBERALIZE BOTH TARIFF POLICY AND TARIFF ADMINISTRATION.

IT CALLS FOR AN AMERICAN PROMISE TO BUY FIXED AMOUNTS OF BASIC COMMODITIES FROM THE STERLIN AREA AT FIXED PRICES FOR FIXED PERIODS.

AND IT PROPOSES SWIFT, JOINT IMPLEMENTATION OF PRESIDENT TRUMAN'S "FOURTH POINT" FOR DEVELOPING BACKWARD AREAS WHERE THE BRITISH POUND IS USED.

THE MANDATE BEVIN AND CRIPPS WILL CARRY TO WASHINGTON WILL BE BROAD. ALTHOUGH THEY WILL BE IN CONSTANT TOUCH WITH LONDON, THEY ARE NOT LIKELY TO BE BOUND DOWN BY TOO-PRECISE CABINET INSTRUCTIONS.

A14

BRITISH OFFICIAL SPOKESMEN ALWAYS DENY THERE IS A BASIC BEVIN-CRIPPS RIFT. THEY QUALIFY THAT, USUALLY, BY SAYING IT'S NATURAL AND UNDERSTANDABLE FOR TWO MINISTERS HAVING DIFFERENT RESPONSIBILITIES TO APPROACH THE SAME PROBLEM FROM DIFFERENT DIRECTIONS.

IT IS TRUE THAT WHEN BEVIN AND CRIPPS SAIL FOR WASHINGTON THEY WILL GO AS A TEAM, NOT AS INDIVIDUALS. NOT WILL EITHER HAVE ANY OVERRIDING RESPONSIBILITY. THE RESPONSIBILITY IS COLLECTIVE AND IS VESTED IN THE CABINET.

DESPITE ALL THIS, BEVIN IS UNLIKELY EASILY TO DROP HIS VISION OF INTEGRATING THE POUND AND DOLLAR SYSTEMS AS HE HELPED TO INTEGRATE THE TWO COUNTRIES' POLITICAL AND MILITARY SYSTEMS THROUGH THE NORTH ATLANTIC PACT.

AUG 27 1949

THE INFORMANTS ADD THAT THE ESSENTIAL DIFFERENCE BETWEEN BEVIN AND CRIPPS MAY WELL BE EXPRESSED IN THE WASHINGTON TALKS IN THIS WAY:

BEVIN MAY APPEAR MORE READY TO MAKE CONCESSIONS TO THE UNITED STATES THAN CRIPPS. TO HIM MAINTENANCE OF ANGLO-AMERICAN DIPLOMATIC UNITY IS TRANSCENDANT.

CRIPPS, HOWEVER, IS LIKELY TO SEEM LESS ACCOMMODATING BECAUSE OF HIS INTENSE DESIRE TO RETAIN BRITAIN'S AND THE COMMONWEALTH'S ECONOMIC INDEPENDENCE, AND TO ACHIEVE FULL BRITISH ECONOMIC RECOVERY, BY SOUND ECONOMIC--AND NOT POLITICAL--METHODS.

ONE QUESTION ON WHICH THE TWO MEN HAVE EASILY AGREED CONCERNS A PROPOSAL THEY WILL MAKE IN WASHINGTON FOR SETTING UP A JOINT, PERMANENT ANGLO-AMERICAN ECONOMIC COUNCIL.

THIS ECONOMIC HIGH COMMAND WOULD HAVE FUNCTIONS VERY MUCH LIKE THOSE OF THE ANGLO-FRENCH OR THE ANGLO-CANADIAN ECONOMIC COMMITTEES.

IT WOULD BE EMPOWERED TO PLAN AND COORDINATE ECONOMIC DEVELOPMENT, TRADE, PRODUCTION, OF THE TWO OF THE TWO COUNTRIES. ONE OF THE BRITISH ADVISERS AT WASHINGTON WILL BE SIR EDWIN PLOWDEN, CHAIRMAN OF BRITAIN'S ECONOMIC PLANNING BOARD.

ROME, AUG 27-(AP)-THE YUGOSLAV GOVERNMENT HAS TAKEN DRASTIC MEASURES TO HALT A WAVE OF SABOTAGE BY COMINFORM AGENTS, SAID DISPATCHES FROM TRIESTE PUBLISHED IN ROME NEWSPAPERS TODAY.

THE REPORTS CLAIMED SABOTAGE WAS RESPONYIBLE FOR THE RECENT FIRE IN AN OIL REFINERY AT FIUME, THE DESTRUCTION OF YUGOSLAVIA'S BIGGEST PASSENGER SHIP AT SPOLETA AND RAILWAY "ACCIDENTS" IN CROATIA.

THE YUGOSLAV GOVERNMENT PUBLICLY DISCLOSED NO SUCH CONCERN OVER SABOTAGE. IT DENIED THE REFINERY HAD BEEN SABOTAGED AND BRANDED SUCH REPORTS "THOROUGHLY FALSE AND FABRICATED."

IN BELGRADE, CAPITAL OF YUGOSLAVIA, OFFICERS AND SOLDIERS OF MARSHALL TITO'S ARMY SAID, IN EFFECT, "WE ARE NOT SCARED OF ANYONE."

THEIR STATEMENT CAME AT A TIME WHEN TENSION IS MOUNTING IN THE COLD WAR BETWEEN COMINFORM COUNTRIES AND YUGOSLAVIA. IT WAS CONTAINED IN A MESSAGE TO COAL MINERS WHO HAVE BEEN COMMENDED FOR THEIR OUTPUT UNDER THE COUNTRY'S FIVE-YEAR ECONOMIC PLAN.

"ALL THAT WHICH COMES FROM ABROAD AGAINST OUR COUNTRY IS GOING TO HIT THE HEADS OF THOSE WHO SPREAD THE REPORTS AGAINST US JUST AS EACH TON OF COAL XXX IS HITTING THEM IN THE HEAD."

MEANWHILE, THE MINISTRY OF INFORMATION DENIED REPORTS A FOREIGN PLANE HAD FLOWN OVER YUGOSLAV TERRITORY AND DROPPED A BOMB.

THE MINISTRY SAID THE REPORTS WAS CARRIED "IN FOREIGN NEWSPAPERS," WHICH IT DID IDENTIFY.

Helsinki, Finland, Aug. 27 -(ap)- Finland's wildcat strikes are costing the nation 2,100,000,000 (B) marks (about $13,000,000) a month in loss of production and wages, a newspaper estimated today.

AUG 27 1949

The Liberal Swedish language paper Nya Pressen said it based its estimate on the basis that 40,000 men are now idle. The newspaper said the loss might run considerably higher because of the dislocation of industry.

The Kemi lumber industry, hard hit by a strike marked by

bloodshed, may not be able to continue timber cutting in a normal way next winter because so much uncleared timber is on hand.

This and similar instances would mean that billions of marks in unemployment aid might be spent, the newspaper said.

Meanwhile communists intensified their strike canvassing in the metal trades. Workers in the metal center walked out yesterday and several additional industries will be forced to close down next week, it was predicted. There are 50,000 to 60,000 organized metal workers in Finland. They produce most of the nation's war reparations goods. So far the strikes have NOT affected deliveries of these goods.

ASMARA, ERITREA, AUG. 27-(AP)-TRAVELLERS ARRIVING HERE FROM DJIBUTI IN ADJOINING FRENCH SOMALILAND HAVE REPORTED RIOTING BY STRIKING ETHIOPIAN WORKERS AGAINST THE MANAGEMENT OF THE FRENCH-CONTROLLED RAILWAY THAT RUNS FROM DJIBUTI TO ADDIS ABABA, THE ETHIOPIAN CAPITAL.

(A DISPATCH FROM ADDIS ABABA SAID THAT TRAFFIC HAS BEEN TIED UP ON THE RAILROAD--THE ONLY ONE IN ETHIOPIA--AS A RESULT OF THE STRIKE. THE WORKERS ARE ASKING HIGHER PAY.)

(THE RIOTING OCCURRED AT DIREDAWA, AN ETHIOPIAN TOWN ON THE RAILROAD 150 MILES SOUTHWEST OF DJIBUTI AND 210 MILES FROM ADDIS ABABA. IT CAUSED INJURIES TO 43 EUROPEAN EMPLOYES OF THE RAILROAD.)

REPORTS IN ASMARA SAID 600 ETHIOPIAN WORKERS DEMONSTRATED AT DIREDAWA AGAINST THE FRENCH MANAGEMENT. SOME FRENCH OFFICIALS WERE WOUNDED BEFORE ORDER WAS ESTABLISHED. AUTHORITIES AT DJIBUTI SAID THEY BELIEVED THE TROUBLE WAS INSTIGATED BY "FOREIGN ELEMENTS." THEY DID NOT DESCRIBE THESE ELEMENTS FURTHER.

THE FRENCH SUSPENDED RAILWAY TRAFFIC ON THE SOMALILAND SIDE OF THE RAILROAD AND ANNOUNCED THEY WOULD SEEK REPARATIONS AND GUARANTEES FROM THE ETHIOPIAN GOVERNMENT. ABOUT 60 MILES OF THE RAILROAD LIES IN FRENCH SOMALILAND.

CANTON,SUNDAY,AUG. 28-(AP)-THE NATIONAL DEFENSE MINISTRY TODAY ANNOUNCED THAT THE CHINESE COMMUNISTS HAVE CAPTURED LANCHOW, BASTION OF NATIONALIST RESISTANCE IN NORTHWEST CHINA.

THE MINISTRY SAID THAT THE DEFENDERS WITHDREW THURSDAY NIGHT AND RED TROOPS ENTERED THE NEXT DAY.

THE GOVERNMENT OF KANSU PROVINCE, OF WHICH LANCHOW IS THE CAPITAL, WITHDREW TO WUWEI, 150 MILES NORTH, THE MINISTRY REPORTED.

THE NATIONALISTS CLAIMED GAINS, HOWEVER, ON THE FRONT NEAREST THIS REFUGEE CAPITAL.

THE DEFENSE MINISTRY ADDED TO PRIVATE ACCOUNTS WHICH SAID THAT A NATIONALIST COUNTERATTACK HAD RECAPTURED THREE CITIES ON THE FRONT 140 MILES NORTHEAST OF CANTON. THE POINTS ARE KIENNAN, LUNGNAN AND TINGNAN.

THE MINISTRY SAID THAT ONE RED DIVISION WAS ROUTED WEST OF LUNGNAN AND FORCED TO RETREAT NORTHWARD YESTERDAY. THE MINISTRY ADDED THAT THE REDS WERE UNABLE TO OVERCOME SUPPLY PROBLEMS.

ON THE FRONT DUE NORTH OF CANTON, THE MINISTRY DECLARED THE GOVERNMENT HAD RECAPTURED SIANGTAN, ONLY 17 MILES SOUTH OF CHANGSHA. CHANGSHA, FORMER NATIONALIST STRONGHOLD NOW OCCUPIED BY THE REDS, IS ABOUT 365 MILES NORTH OF CANTON.

THE ADVANCE IN THIS AREA WOULD HELP TO STRENGTHEN THE WESTERN FLANK OF THE MAJOR NATIONALIST DEFENSE FORCES IN SOUTH CHINA, THE ARMIES OF GEN.PAI CHUNG-HSI.

OFFICIAL ACCOUNTS FROM THE OLD WARTIME CAPITAL OF CHUNGKING SAID GENERALISSIMO CHIANG KAI-SHEK IN A SPEECH THERE URGED NATIONALIST OFFICERS TO PUT A MAXIMUM EFFORT INTO THE WAR WITH THE REDS. HE SAID THE COMMUNISTS WOULD BE HARDER TO DEFEAT THAN JAPAN.

THE COMMUNIST SETBACK NORTHEAST OF CANTON CHECKED, AT LEAST FOR THE MOMENT, THE RED DRIVE ON STRATEGIC KUKONG. THIS CITY SITS ASTRIDE THE RAILWAY TO CANTON AND IS 125 MILES NORTH OF THIS CITY.

FARTHER NORTH, THE NATIONAL DEFENSE MINISTRY ACKNOWLEDGED RED RECAPTURE OF ANHWA, 90 MILES WEST OF CHANGSHA AND 400 MILES NORTHWEST OF CANTON.

THE MINISTRY ALSO VIRTUALLY ADMITTED LOSS OF TSINGKIANG (CHUANCHOW) ON THE COASTAL HIGHWAY 45 MILES NORTHEAST OF AMOY. PRIVATE REPORTS SAID TSINGKIANG HAD FALLEN, BUT THE MINISTRY SAID ITS SITUATION WAS "OBSCURED." AN ARMORED DIVISION, PRESUMABLY FROM THE ISLAND OF FORMOSA, IS BEING SENT TO REINFORCE AMOY, THE MINISTRY REPORTED.

TEMPORARY LOSS OF RADIO CONTACT WITH LANCHOW, CAPITAL OF THE DISTANCE NORTHWEST PROVINCE OF KANSU, ALSO WAS ACKNOWLEDGED.

(THE COMMUNIST RADIO IN PEIPING ANNOUNCED CAPTURE OF LANCHOW, AND PRIVATE REPORTS IN CANTON INDICATED THIS WAS PROBABLY CORRECT.)

COMMENTING ON THE PROSPECTS OF CANTON'S DEFENSE, GEN. LAI CHUNG-LU, STAFF OFFICER OF THE NEW SOUTH CHINA HEADQUARTERS, SAID, "WE ARE QUITE CONFIDENT OF OUR ABILITY TO HOLD KWANGTUNG (CANTON'S PROVINCE) AND ARE DETERMINED TO DO SO."

LAI SAID THE RED FORCES IN THE VICINITY OF THE NAN TOWNS WERE NOT VERY STRONG AND HE DID NOT THINK THEY WOULD DARE PUSH FARTHER SOUTH.

"WE DON'T EVEN THINK ABOUT THE FALL OF CANTON," HE ASSERTED.

(IN HONG KONG THE OFFICIAL NATIONALIST CENTRAL NEWS AGENCY REPORTED THAT NATIONALIST HEAVY BOMBERS FROM FORMOSA HAD 90 PER CENT DESTROYED THE MAIN CHENJU RADIO STATION JUST OUTSIDE SHANGHAI FRIDAY. IT SAID THE WATER WORKS AND POWER PLANT IN SHANGHAI'S CHAPEH AREA ALSO WERE DAMAGED SEVERELY. RADIO DISPATCHES CONTINUED TO COME THROUGH FROM SHANGHAI, BUT THE MAIN STATION WAS OFF THE AIR INTERMITTENTLY. NO SHANGHAI DISPATCHES MENTIONED THE BOMBING, APPARENTLY DUE TO THE RED CENSORSHIP.)

SHANGHAI, AUG. 27-(AP)-SHANGHAI'S MILITARY MAYOR SAID TODAY "FOREIGNERS ARE WELCOME TO DO BUSINESS IN SHANGHAI ONLY IF THEY OBEY THE LAWS AND CHANGE THEIR OLD IMPERIALISTIC ATTITUDES."

CHEN YI MADE THE STATEMENT AT A MEETING OF TRAMWORKERS. HE ALSO SAID MORE THAN 1,000 LABOR DISPUTES WHICH CAME UP SINCE THE REDS TOOK OVER SHANGHAI ARE BEING SOLVED UNDER THE PRINCIPLES OF "MUTUAL BENEFITS TO CAPITAL AND LABOR."

THIS PROVES, CHEN SAID, THAT "THE COMMUNISTS AND THE PEOPLES GOVERNMENT HAVE ADMINISTRATIVE ABILITY."

CHEN'S SPEECH WAS CARRIED IN SHANGHAI NEWSPAPERS ALONGSIDE LONG LISTS OF ADVERTISEMENTS BY FOREIGNERS ANNOUNCING INTENTIONS TO LEAVE CHINA ON THE FIRST TRANSPORTATION AVAILABLE. THEY ASK THAT ANY CLAIMS AGAINST THEM BE FILED WITHIN FIVE DAYS.

THESE ADVERTISEMENTS ARE REQUIRED BEFORE FOREIGNOVVIMU

AUG 27 1949

THESE ADVERTISEMENTS ARE REQUIRED BEFORE FOREIGNERS CAN OBTAIN EXIT PERMITS FROM THE COMMUNISTS. THE NUMBER OF FOREIGNERS DESIRING TO LEAVE SHANGHAI INCREASES AS THE (NATIONALIST) BLOCKADE LENGTHENS AND ECONOMIC AND LABOR TROUBLES GROW WORSE.

CHEN TOLD THE TRAMWORKERS CONDITIONS CAUSED BY THE "ENEMY BLOCKADE" CAN BE OVERCOME. BUT HE ADVISED THE WORKERS TO BE FARSIGHTED AND LOOK AT LEAST 10 YEARS AHEAD.

PRO-RED NEWSPAPERS ANNOUNCED 74 MORE SHANGHAI RESTAURANTS HAVE ASKED PERMISSION TO CLOSE. PREVIOUSLY 200 OF THE CITY'S 668 RESTAURANTS CEASED OPERATIONS.

SHANGHAI, AUG. 27 (AP) ANNOUNCEMENT OF A COALITION GOVERNMENT WHICH WILL BE THE PERMANENT GOVERNMENT OF COMMUNIST CHINA HAS BEEN SET FOR OCTOBER 1, IT WAS REPORTED TODAY.

THE REPORT CAME FROM A LOCAL SOURCE WHICH APPEARED RELIABLE. IT COULD NOT BE CONFIRMED THROUGH ANY OFFICIAL SOURCE HERE, HOWEVER.

THE SOURCE SAID THE COMMUNIST POLITICAL CONSULTIVE CONFERENCE WILL CONVENE AT PEKING (PEIPING) SEPT. 15-20 TO SET UP THE FORMAL RED GOVERNMENT. IT HAS BEEN REPORTED SEVERAL TIMES THAT THE CONFERENCE WOULD MEET FOR THIS PURPOSE SOMETIME EARLY THIS AUTUMN.

ONE OF THE FIRST QUESTIONS AFTER THE REDS SET UP THEIR GOVERNMENT WILL BE THE MATTER OF RECOGNITION BY WORLD POWERS. THE SOVIET UNION IS EXPECTED TO RECOGNIZE THE REGIME IMMEDIATELY.

TASS, THE SOVIET NEWS AGENCY, PLANS TO MOVE ITS MAIN OFFICE TO PEKING SHORTLY ALTHOUGHFOREIGN NEWSMEN STILL ARE NOT PERMITTED TO FILE DISPATCHES FROM THERE.

SEVERAL NEWSMEN HAVE APPLIED RECENTLY FOR PERMITS TO TRAVEL FROM SHANGHAI TO PEKING BUT NONE HAVE BEEN GRANTED SO FAR.

AUG 27 1949

OFFICIAL DISPATCHES SAID THAT AN ARMORED DIVISION WAS BEING SENT TO THE DEFENSE OF AMOY. THIS MAJOR NATIONALIST PORT ON THE SOUTHEAST COAST IS THREATENED BY A RED DRIVE FROM THE NORTH.

(THE ARMORED DIVISION PRESUMABLY WAS COMING FROM FORMOSA, OPPOSITE AMOY. FORMOSA IS A NATIONALIST ISLAND FORTRESS.)

PRIVATE REPORTS SAID THAT CHUANCHOW (TSINKIANG), ON THE COAST 45 MILES NORTHEAST OF AMOY, HAD FALLEN TO THE REDS.

ON THE FAR NORTHWESTERN FRONT, OTHER DISPATCHES SAID THE RED ATTACK ON THE CITY OF LANCHOW HAD TAPERED OFF TO INTERMITTENT FIGHTING.

THE DISPATCHES ASSERTED AN INCREASING NUMBER OF REDS, SUPPOSEDLY SHORT OF FOOD AND AMMUNITION, WERE DESERTING TO THE NATIONALISTS.

LANCHOW IS THE CAPITAL OF KANSU PROVINCE.

THE OFFICIAL NATIONALIST CENTRAL NEWS AGENCY REPORTED MEANWHILE FROM FORMOSA THAT HEAVY BOMBERS HAD HEAVILY DAMAGED A BIG COMMUNIST RADIO STATION JUST OUTSIDE SHANGHAI.

NINETY PER CENT OF THE CHENJU INTERNATIONAL TRANSMITTING STATION WAS DESTROYED, THE AGENCY SAID. IT ALSO SAID NATIONALIST PLANES SERIOUSLY DAMAGED A WATERWORKS AND POWER STATION IN SHANGHAI'S CHAPEH AREA.

(ADVANCE) SINGAPORE, AUG 27-(AP)-THE ANTI-COMMUNIST LANDS OF SOUTHEAST ASIA ARE BRACING MILITARILY FOR WHATEVER MAY COME WHEN CHINESE COMMUNISM PRESSES AGAINST THEIR BORDERS.

THE BRITISH AND FRENCH DO NOT EXPECT AN INVASION IN THE OLD SENSE, BUT THEY HAVE BUILT UP THEIR ARMED STRENGTH FOR ANY CONTINGENCY AND THEIR EYES ARE ON HONG KONG AND THE NORTHERN BORDERS OF INDOCHINA.

SOME SORT OF SHOWDOWN APPEARS TO BE IN THE OFFING. IT MAY BE A DELAYED ONE, BUT WITHIN A FEW MONTHS, PERHAPS EVEN WEEKS, AFTER CANTON IS IN COMMUNIST HANDS THE NEXT MOVES OF CHINESE RED LEADER MAO TZE-TUNG SHOULD BE IN THE MAKING.

WHAT MILITARY STRENGTH CAN SOUTHEAST ASIA PRESENT IN THE FACE OF THE ADVANCE OF COMMUNISM? SECURITY CLOAKS EXACT FIGURES, OF COURSE, BUT THE BEST AVAILABLE SOURCES INDICATE THAT THE BRITISH AND FRENCH ARE READY FOR THE INVASION-BY-INFILTRATION WHICH MOST OBSERVERS

30.24- 5299

CONSIDER LIKELY.

THE PRIZE AT STAKE IS ONE OF THE WORLD'S RICHEST AREAS. IT INCLUDES THE FERTILE RICE LANDS OF INDOCHINA, BURMA AND THAILAND (SIAM); THE SUBBER AND TIN OF MALAYA; THE VARIED RICHNESS OF INDONESIA, AND THE TRADE OF HONG KONG AND SINGAPORE.

OF THE 130,000,000 PERSONS IN THE AREA, ABOUT 10,000,000 ARE CHINESE. POTENTIALLY THE CHINESE ARE THE BIGGEST FIFTH COLUMN IN THE WORLD. NOT ALL ARE COMMUNISTS, OF COURSE, BUT ALMOST ALL HAVE TIES WITH THEIR HOMELAND WHICH IS RAPIDLY FALLING INTO COMMUNIST HANDS.

NATIONALIST MOVEMENTS EXIST IN SOME AREAS WHICH REMAIN UNDER VARIOUS FORMS OF CONTROL BY EUROPEAN COUNTRIES. COMMUNIST INFLUENCE IS STRONG IN MANY OF THESE NATIONALIST GROUPS.

THE BRITISH ARE CONFIDENT THEY CAN HOLD THEIR CROWN COLONY OF HONG KONG INDEFINITELY, EVEN AGAINST AN OUTRIGHT INVASION. THE BRITISH WILL FIGHT AND PRESENT THE MATTER TO THE UNITED NATIONS IF THE COMMUNISTS ACTUALLY INVADE, OBSERVERS BELIEVE. THIS COULD KINDLE A THIRD WORLD WAR. IN HONG KONG AND THE KOWLOON LEASED TERRITORIES ON THE CHINESE MAINLAND ARE 25,000 FIRST LINE BRITISH TROOPS. MORE ARE ON THE WAY.

THE SITUATION IN SOME OF THE OTHER LANDS IN THIS TROUBLED PART OF THE WORLD SHAPES UP THIS WAY:

INDOCHINA--THIS IS PERHAPS AN EVEN MORE CRITICAL FOCAL POINT THAN HONG KONG. HERE, TOO, THE THREAT OF AN ACTUAL INVASION IS MINIMIZED, BUT THE FRENCH ARE READY. INDOCHINESE NATIONALISTS ARE LED BY MOSCOW-TRAINED HO CHI MINH. HIS FORCES CONTROL MOST OF THE NORTHERN PROVINCE OF TONKIN WHICH BORDERS ON CHINA. AT PRESENT THE NATIONALISTS' WAR WITH THE FRENCH IS A STANDOFF. WHAT WILL HAPPEN IF THE CHINESE COMMUNISTS SEND STRONG ARMS AND TROOPS OVER THE BORDER TO AUGMENT HO'S
125,000 GUERRILLAS IS THE BIG QUESTION.

AUG 27 1949

THE FRENCH ARE NOT TELLING HOW MANY TROOPS THEY HAVE IN INDOCHINA. RELIABLE SOURCES BUT THE FRENCH HOMELAND FORCES IN THE NEIGHBORHOOD OF 100,000. THE FRENCH ALSO HAVE SOME 50,000 INDOCHINESE SUPPORTERS WHOSE ACTUAL WORTH IN A SHOWDOWN IS NOT TOO WELL DEFINED.

MUCH OF THE FRENCH HOPE IS CENTERED ON THE LONG ESTABLISHED DISLIKE OF THE INDOCHINESE ANNAMITES FOR THE CHINESE. BUT THEY ARE NOT BANKING ON HO DECLINING AID FROM THE CHINESE COMMUNISTS. THE OTHER BIG HOPE IS THAT THE NEW GOVERNMENT OF PARIS-SUPPORTED BAO DAI IN SAIGON CAN WEAN AWAY THE MORE MODERATE NATIONALISTS. THE PLACE TO WATCH IS THE LANGSON-HANOI-HAIPHONG ENCLAVE. THE FRENCH MAY TRY TO OPEN THE ROAD FROM HANOI TO LANGSON ON THE CHINESE BORDER.

THAILAND (SIAM)--THIS INDEPENDENT NATION HAS NO NATIONALIST FEVER BECAUSE IT HAS FREEDOM. IT IS WELL OFF FINANCIALLY AND RICH IN FOOD.

IN THE LAST WAR THAILAND WAS SWEPT INTO THE JAPANESE CAMP. ITS MAJOR INTERESTS SEEM TO CENTER ON REMAINING INDEPENDENT AND MOST OBSERVERS FEEL IT WOULD LEAN TOWARD THE WINNER IN ANY STRUGGLE. THERE ARE NO OPEN COMMUNIST UPRISINGS OR DISORDERS IN THAILAND, BUT THERE ARE ABOUT 3,000,000 CHINESE WHO ARE ORGANIZED INTO SOCIETIES AND WHO PUT ON SMART LOOKING PARADES ON HOLIDAYS.

BURMA--SIX OR MORE SEPARATE ARMIES ARE FIGHTING ALL OVER REVOLT-TORN BURMA. THE GOVERNMENT SEEMS TO BE GETTING THE UPPER HAND MILITARILY, BUT ITS POLITICAL SITUATION IS NOT TOO SECURE.

THE GOVERNMENT HAS 10,000 TRAINED TROOPS. JUST WHAT THIS FORCE COULD DO AGAINST A REAL COMMUNIST THREAT IS DOUBTFUL UNLESS IT GETS THE UNITED SUPPORT OF TWO REBELLIOUS GROUPS--THE KARENS AND A ORTION OF THE PEOPLE'S VOLUNTEER ORGANIZATION.

MALAYA--THE BRITISH ARE IN FULL CONTROL HERE, DESPITE SPORADIC DEPRADATIONS BY COMMUNIST GUERRILLA UNITS. THE BRITISH HAVE 14,000 COMBAT TROOPS IN THE AREA AND 8,000 MORE AUXILIARY TROOPS. THE POLICE FORCE, FORMED ON A MILITARY BASIS, NUMBERS 14,500. THERE ARE AIR UNITS AND NAVAL FORCES HANDY. IN ADDITION, THERE ARE ABOUT 65,000 LOCAL PLANTATION AND OTHER STATIC GUARDS. THESE FORCES HAVE TO COPE WITH ABOUT 3,000 CHINESE COMMUNIST TERRORISTS IN THE JUNGLES OF MALAYA.

THERE IS NO IMMEDIATE THREAT TO MALAYA. IT IS PROTECTED BY THE BUFFER OF INDOCHINA AND THAILAND. SINGAPORE ITSELF IS PEACEFUL.

AUG 27 1949

A143

INDONESIA--PEACE SEEMS ON THE HORIZON IN THESE FABULOUSLY PRODUCTIVE ISLANDS. INDONESIAN AND DUTCH NEGOTIATORS NOW ARE CONFERRING AT THE HAGUE ON PLANS FOR ESTABLISHING A UNITED STATES OF INDONESIA. THE U.S.I. WOULD BE LINKED TO THE NETHERLANDS UNDER THE DUTCH CROWN AND WOULD HAVE A STATUS SIMILAR TO THAT OF THE DOMINIONS IN THE BRITISH COMMONWEALTH.

BY VIRTUE OF ITS GEOGRAPHIC POSITION, INDONESIA WOULD BE LATE ON THE COMMUNIST SCHEDULE. THERE IS TIME TO ATTAIN STABILITY AND EASE THE STRAINS CAUSED BY FOUR YEARS OF WARFARE BETWEEN THE INDONESIAN REPUBLIC AND THE DUTCH.

COMMUNIST STRENGTH IN INDONESIA ONCE WAS ESTIMATED AT 10,000, BUT THE RED LEADERS ARE SUPPOSED TO HAVE BEEN SLAIN BY THE REPUBLICANS. THERE IS SOME QUESTION, HOWEVER, WHETHER THE REPUBLICAN GOVERNMENT OF PRESIDENT SOEKARNO AND PREMIER MOHAMED HATTA CAN CONTROL THE GUERRILLA ELEMENTS IN INDONESIA.

TOKYO, AUG. 27-(AP)-THE PRINCESSES OF JAPAN ARE JUST CRAZY ABOUT THIS NEW "DEMOKRASSIE" THAT ARRIVED WITH THE OCCUPATION.

FREES 'EM TO GO WINDOW SHOPPING, EVEN RIDE A BICYCLE IF THEY FEEL LIKE IT. A PRINCESS RIDING A BICYCLE IN THE OLD DAYS WOULD HAVE ROCKED IMPERIAL COURT CIRCLES LIKE A FIRST-CLASS EARTHQUAKE.

NOT NOW, THOUGH, UNDER JAPAN'S DEMOCRATIC CONSTITUTION WHICH HOLDS THAT A PRINCE IS NO BETTER THAN THE NEXT MAN.

FOUR PRINCESSES TOLD HOW THEY LIKE THEIR NEW FREEDOM IN A ROUND-TABLE REPORTED TODAY IN THE SEPTEMBER ISSUE OF THE HOME JOURNAL OF JAPAN.

THEY ARE PRINCESSES ASAKO FUSHIMI, NAOKO KAN-IN, TOSHIKO KAYA AND YOSHIKORI. (ALL ARE MEMBERS OF JAPAN'S PRINCELY FAMILIES ALTHOUGH NONE IS OF THE FAMILY OF EMPEROR HIROHITO.)

HERE ARE SOME REASONS THEY GAVE FOR DOTING ON DEMOCRACY:

THEY GOT RID OF A LOT OF BORING CEREMONY.

THEY CAN WINDOW SHOP, ENTER RESTAURANTS, RIDE STREETCARS AND EVEN

TALK WITH THE PASSENGERS.
THEY CAN DO THEIR OWN MARKETING IF THEY WANT TO -- AND RIDE TO MARKET ON A BICYCLE.
THEY CAN HAVE A HOT MEAL. AS THEY PUT IT: "NEVER WERE OUR MEALS HOT BECAUSE THE KITCHEN WAS SO FAR AWAY THE DISHES COOLED WHILE THE SERVANTS CARRIED THEM DOWN THE LONG HALLS. NOW WE EVEN BRING PANS RIGHT TO THE TABLE."
THEIR HOUSES NO LONGER ARE CLUTTERED WITH SERVANTS WHO ALWAYS WERE SUPERVISING WHAT THEY DID. "WE USED TO HAVE 50 OR MORE. NOW WE HAVE SIX."
AND ON TOP OF ALL THESE BOONS, THEY POINT OUT THAT A PRINCESS NOW CAN MARRY FOR LOVE!
(ALL FOUR ALREADY ARE MARRIED.)

OTTAWA, AUG.27-(AP) BULGING COLLECTION OF GERMAN MANUSCRIPTS, DOCUMENTS AND BOOKS, CAPTURED BY THE CANADIAN ARMY, MAY YIELD HITHERTO UNKNOWN INFORMATION ABOUT ADOLF HITLER'S NAZI FORCES.
MADE UP OF MORE THAN 15,000 BOUND AND UNBOUND DECREES, STATUTES, ARMY ORDERS, BOOKS ON RACE THEORY AND MILITARY HISTORY, THE COLLECTION LIES IN A SUBTERRANEAN HALL OF A MID-OTTAWA ARMY BUILDING.
A PRINCETON UNIVERSITY PROFESSOR OF HISTORY, GORDON CRAIG, MADE A MONTH'S STUDY OF THE TONS OF VOLUMES AND TOLD COL. C.P. STACEY, CANADA'S ARMY HISTORIAN, THE COLLECTION IS THE MOST COMPLETE OF ITS KIND IN THE WESTERN HEMISPHERE.
THE COLLECTION WAS CAPTURED BY CANADIAN ARMY INTELLIGENCE OFFICERS.
THE VOLUMES WERE DRAWN FROM A NUMBER OF GERMAN CENTERS, CRATED AND SHIPPED TO CANADA, ENDING UP FINALLY UNDER THE CARE OF THE ARMY HISTORIAN.
BUSY WRITING THE HISTORY OF THE ARMY DURING THE LAST WAR, COL. STACEY HAS HAD LITTLE CHANCE TO MAKE A THOROUGH STUDY OF THE COLLECTION, BUT WHAT STUDY HE HAS MADE HAS LED HIM TO BELIEVE THE GERMANS MAY HAVE BEEN THE GREATEST MILITARY RESEARCH WORKERS OF OUR AGE.
"THEY MADE MILITARY BUSINESS A NATIONAL SPORT," HE SAID IN AN INTERVIEW. THE VOLUMES, HE IS SURE, HOLD SOME OF THE SECRETS OF WHAT MADE THE GERMAN ARMY STAND UP AND FIGHT EVEN WHEN IT KNEW IT WAS DEFEATED.
COL. STACEY, SAID IT APPEARED THAT ONCE THE ADMINISTRATIVE MACHINE WAS STARTED IN GERMANY, IT WENT ON AND ON AND ON, UNTIL CHANGED BY DECREE OR CRUSHED BY FORCE.
THE COLLECTION FILLS MORE THAN A DOZEN EIGHT-FOOT SHELVES. SO FAR, NOT EVEN A SUMMARY OF ITS CONTENTS IS AVAILABLE.

FIVE PERCENTERS
BY MARVIN L. ARROWSMITH
(ADVANCE).. WASHINGTON, AUG 27-(AP)-JAMES V. HUNT, A KEY FIGURE IN THE FIVE PERCENTER INQUIRY, SAID TONIGHT HE NEVER HAS ASKED MAJ. GEN. HARRY H. VAUGHAN FOR ANYTHING MORE IMPORTANT THAN TICKETS TO AN ARMY-NOTRE DAME FOOTBALL GAME.
AND HUNT FLATLY DENIED THAT HE EVER MADE THE STATEMENT: "ALL I HAVE TO SELL IS INFLUENCE." A WITNESS AT THE INVESTIGATION TESTIFIED UNDER OATH THAT HUNT DID SAY THAT.
HUNT, SELF-DESCRIBED WASHINGTON MANAGEMENT COUNSELOR, SAID IT SEEMS TO HIM THE SENATE INQUIRY HAS PRODUCED "CONCLUSIVE EVIDENCE OF THE ABSENCE OF ANY IMPROPER INFLUENCE" ON HIS PART.
HUNT MADE HIS STATEMENTS IN AN AFFIDAVIT TO A SPECIAL SENATE SUBCOMMITTEE CHECKING ON WHETHER ANY SUCH INFLUENCE HAS FIGURED IN THE HANDLING OF GOVERNMENT BUSINESS.
THE COMMITTEE HAS RECEIVED TESTIMONY THAT HUNT COLLECTED FAT FEES FOR HELP IN GETTING GOVERNMENT CONTRACTS FOR OTHERS, AND THAT HE BOASTED OF AN INSIDE TRACK TO THE WHITE HOUSE THROUGH VAUGHAN.
VAUGHAN, WHO IS PRESIDENT TRUMAN'S MILITARY AIDE, IS SCHEDULED TO TESTIFY AT THE INQUIRY TUESDAY. HIS NAME, LIKE HUNT'S, HAS BOBBED UP AT THE HEARINGS NEARLY EVERY DAY.
IN HIS AFFIDAVIT HUNT SAID HE MET VAUGHAN FOR THE FIRST TIME IN 1945 SHORTLY AFTER VAUGHAN BECAME A PRESIDENTIAL AIDE.
HUNT, A FORMER LIEUTENANT COLONEL IN THE ARMY, SAID HE SAW A GOOD DEAL OF VAUGHAN WHEN HE (HUNT) WAS LIAISON OFFICER FOR THE QUARTERMASTER GENERAL AND LATER AS LIAISON OFFICER FOR THE WAR ASSETS ADMINISTRATION.
"ALTHOUGH WE HAVE BECOME GOOD FRIENDS SOCIALLY," HUNT SAID, "I HAVE NEVER TO THE BEST OF MY RECOLLECTION, ASKED GENERAL VAUGHAN TO DO ANYTHING FOR ME OR FOR A CLIENT OR FRIEND OF MINE MORE IMPORTANT THAN GETTING FOOTBALL TICKETS TO THE ARMY-NOTRE DAME FOOTBALL GAME."
AS FOR WHETHER VAUGHAN EVER SOUGHT FAVORS FROM HIM, HUNT SAID:
"I HAVE NO RECOLLECTION OF HIS EVER ASKING ME TO DO ANYTHING MORE IMPORTANT THAN TO GET A SUPPLY OF MATCHES FOR AMBASSADOR PAULEY OR FOR A FREUSH SUPPLY FOR THE WHITE HOUSE."
(THE TESTIMONY AT THE HEARINGS WAS THAT MATCHES WERE SOUGHT FOR WILLIAM D.PAWLEY, FORMER AMBASSADOR TO BRAZIL. THE NAME OF EDWIN W.PAULEY, ALSO A FORMER AMBASSADOR, HAS NOT FIGURED IN TESTIMONY REGARDING MATCHES.)

THE COMMITTEE HAS WANTED TO CALL HUNT TO THE WITNESS STAND, BUT DOCTORS HAVE TOLD THE INVESTIGATORS HE IS TOO ILL TO TESTIFY. THEY REPORTED HE WON'T BE ABLE TO GO BEFORE THE COMMITTEE FOR AT LEAST A MONTH.
IN THE AFFIDAVIT HUNT TOLD THE COMMITTEE THERE IS NO TRUTH ABOUT MUCH OF THE TESTIMONY CONCERNING HIM. IN SOME CASES, ON THE OTHER HAND, HE ACKNOWLEDGED IT HAD BEEN ACCURATE.
BUT HE STOUTLY MAINTAINED HE IS INNOCENT OF ANY WRONG-DOING. AND HE ASSERTED THE BUSINESS HE IS IN IS ENTIRELY PROPER.
REFERRING TO HIS COMPANY, HUNT SAID:
"WE EXPECT TO CONTINUE IN BUSINESS FOR A LONG TIME TO COME." HE ADDED:
"BECAUSE OF MY THOROUGH KNOWLEDGE OF THE WORKINGS OF MANY GOVERNMENT AGENCIES AND DEPARTMENTS AND BECAUSE OF MY WIDE CIRCLE OF FRIENDS AND ACQUAINTANCES IN THOSE DEPARTMENTS, I WAS ABLE TO PERFORM A SERVICE WHICH I KNOW WAS OF REAL VALUE TO MY CLIENTS AND I BELIEVE

OF REAL VALUE TO THE GOVERNMENT."
SENATOR HOEY (D-NC), THE COMMITTEE CHAIRMAN, TOLD REPORTERS HE HAD NOT SEEN THE HUNT AFFIDAVIT YET. HOEY ADDED THAT THE COMMITTEE WILL STUDY THE DOCUMENT BEFORE DECIDING WHETHER TO ADMIT IT TO THE RECORD.
THE COMMITTEE, MEANWHILE, GOT A HELPING HAND FROM THE JUSTICE DEPARTMENT IN ANOTHER PHASE OF ITS INVESTIGATION.
THE DEPARTMENT, A COMMITTEE OFFICIAL SAID, HAS LET THE SENATE INVESTIGATORS TAKE A LOOK AT RECORDS DEALING WITH A CUSTOMS DUTY INCIDENT IN WHICH JOHN MARAGON WAS INVOLVED IN 1945.
MARAGON, WHO ONCE HAD ENTREE TO THE WHITE HOUSE, IS ANOTHER CENTRAL FIGURE IN THE INQUIRY. THE COMMITTEE HAS RECEIVED DOCUMENTARY EVIDENCE THAT FOUR YEARS AGO MARAGON TRIED TO BRING THROUGH CUSTOMS A SUPPLY OF VALUABLE PERFUME OILS DISGUISED AS CHAMPAGNE FOR THE WHITE HOUSE.
THE COMMITTEE HAS BEEN TRYING TO FIND OUT WHY MARAGON NEVER WAS PROSECUTED IN THE CASE. HE DID PAY AN $1,155 PENALTY.

HUNT DECLARED THAT WASHINGTON MANAGEMENT COUNSELORS HAVE BEEN HELPFUL IN SLICING THROUGH GOVERNMENT RED TAPE FOR SMALL BUSINESSMEN. BUT HE ADDED:
"THERE HAVE BEEN ABUSES AND UNDOUBTEDLY WILL CONTINUE TO BE ABUSES IN THIS FIELD, AS WELL AS IN EVERY OTHER."
HE SUGGESTED A LAW TO CURB ABUSES WHICH DO EXIST.
AUG 27 1949
"I SHOULD BE HAPPY TO BE THE FIRST MAN TO REGISTER UNDER SUCH AN ACT," HUNT SAID.
THE LAW HE PROPOSED WOULD REQUIRE EVERY WASHINGTON REPRESENTATIVE SUCH AS HUNT TO REGISTER WITH THE JUSTICE DEPARTMENT, AND FURNISH THE DEPARTMENT WITH THE NAMES OF ALL PERSONS AND FIRMS THEY REPRESENTED, THE INFORMATION TO BE MADE PUBLIC.
HUNT SAID THE COMMITTEE "HAS SEEN FIT TO CALL ONLY THREE PERSONS WHO, BY ANY STRETCH OF THE IMAGINATION, COULD BE CALLED CLIENTS OF MINE." HE SAID ONE OF THOSE WAS A "DISGRUNTLED FORMER CLIENT" AND THAT ANOTHER WAS PAUL D. GRINDLE "WHO PRETENDED TO BE A SMALL BUSINESSMAN SEEKING GOVERNMENT CONTRACTS IN ORDER TO OBTAIN MATERIAL FOR A NEWSPAPER STORY FOR THE NEW YORK HERALD TRIBUNE, HIS FORMER EMPLOYER."
GRINDLE TOUCHED OFF THE SENATE INVESTIGATION WHEN HE HERALD TRIBUNE PUBLISHED HIS STORY OF HOW HE PAID HUNT $1,000 FOR HELP IN SEEKING A GOVERNMENT CONTRACT.
HUNT SAID THAT ON THE OTHER HAND, "THE COMMITTEE OR ITS INVESTIGATORS HAVE, TO MY KNOWLEDGE, INTERVIEWED OR SEEN THE AFFIDAVITS OF AT LEAST 20 CLIENTS OF MINE, REPUTABLE BUSINESSMEN WHO ARE WELL SATISFIED WITH THEIR DEALINGS WITH ME."
HUNT DEVOTED A GOOD PART OF HIS 17-PAGE AFFIDAVIT TO A REBUTTAL OF GRINDLE'S TESTIMONY.
GRINDLE, NOW A MASSACHUSETTS FURNITURE MANUFACTURER, SAID ON THE STAND THAT HUNT TOLD HIM: "I HAVE ONLY ONE THING TO SELL AND THAT IS INFLUENCE. MY INFLUENCE IS BASED ON MY REPUTATION AND IT IS IMPECCABLE."
HUNT CONTENDED IN HIS AFFIDAVIT THAT THE REMARK "WAS OBVIOUSLY DREAMED UP BY SOMEONE X X X."
HUNT SAID GRINDLE'S TESTIMONY "DISCLOSES THAT HE HAD NO INTENTION EVEN AT THE START OF ENTERING INTO A BONA FIDE ARRANGEMENT WITH US, BUT WAS MERELY SEEKING MATERIAL FOR SOME KIND OF AN EXPOSE."

A47WX

AFTER RECITING HIS EFFORTS TO OBTAIN A CONTRACT FOR GRINDLE, HUNT SAID:
"ALL THIS WAS DONE WITHOUT 'INFLUENCE' OR 'PULL.' IT DID NOT REQUIRE A COCKTAIL PARTY FOR SEVEN SENATORS."
THAT WAS AN ALLUSION TO GRINDLE'S TESTIMONY THAT HUNT OFFERED TO GIVE A COCKTAIL PARTY FOR HIM, AND ASSURED HIM THAT SEVEN SENATORS WOULD ATTEND.
HUNT DENIED HE EVER TOLD GRINDLE THAT TWO WHITE HOUSE PARTIES WERE GIVEN IN HIS HONOR. BUT HE CONFIRMED THAT HE INFORMED GRINDLE THAT:
"ON TWO OCCASIONS I HAD BEEN GREATLY HONORED BY HAVING SONGS, THE LYRICS OF WHICH HAD BEEN WRITTEN BY ME, PLAYED AT WHITE HOUSE CONCERTS WHICH I HAD BEEN INVITED TO ATTEND."
AS FOR GRINDLE'S STATEMENT THAT HUNT TOLD HIM OF A SCHEME FOR HAVING $200,000,000 WORTH OF NEW AIRPLANE PARTS DECLARED SURPLUS AND BOUGHT BACK AT $18 A TON BY A SYNDICATE WHICH WOULD THEN RESELL THE PARTS AS NEW ONES, HUNT SAID:
"WHAT ACTUALLY HAPPENED, AND WHAT I TOLD MR. GRINDLE, WAS THIS:
"WAR ASSETS ADMINISTRATION WAS REPORTED TO HAVE SURPLUS AIRPLANE PARTS IN THE HANDS OF DISPOSAL AGENTS, THE ORIGINAL ACQUISITION COST OF WHICH WAS APPROXIMATELY $400,000,000. A PROPOSAL HAD BEEN MADE THAT APPROXIMATELY ONE-FOURTH OF THIS AMOUNT BE SOLD TO THE DISPOSAL AGENTS AND THAT THE REST X X X BE SCRAPPED AND SMELTED. IT WAS THIS PROPOSITION WHICH I SUGGESTED TO MR. GRINDLE WOULD MAKE THE TAXPAYERS' BLOOD BOIL."
HUNT DENIED HE TOLD GRINDLE HE HAD SAVED A CLIENT A $60,000 PENALTY. HE SAID HE DID TELL THE MASSACHUSETTS MANUFACTURER THAT HE REPRESENTED DOROTHY DRAPER, AN INTERIOR DECORATOR, BUT HUNT SAID HE DID NOT SAY GENERAL VAUGHAN HAD INTERVENED "ON OUR BEHALF" IN CONNECTION WITH A CONTRACT FOR DECORATION OF THE WHITE HOUSE.
"THE FACT IS THAT I NEVER MENTIONED THE THING TO GENERAL VAUGHAN X X X," HUNT SAID.
BUT HE ADDED THAT HIS OFFICE DID CALL VAUGHAN'S OFFICE "AND HIS SECRETARY INFORMED US THAT THE PROPER PERSON TO DISCUSS A WHITE HOUSE REDECORATING CONTRACT WITH WAS THE WHITE HOUSE ARCHITECT X X X."
HUNT ACCUSED GRINDLE OF GIVING "A DISTORTED VERSION OF THE FACTS" CONCERNING "MY PART IN THE BUILDING OF THE FOXBORO RACETRACK," NEAR BOSTON.

AUG 27 1949

A48WX

HUNT SAID VAUGHAN HAD NOTHING TO DO WITH THAT CASE, AND THAT HIS OWN ROLE WAS TO ADVISE HIS CLIENT HOW TO CONFINE CONSTRUCTION AT THE TRACK TO WORK PERMITTED UNDER A GOVERNMENT REGULATION DESIGNED TO CHANNEL SCARCE BUILDING MATERIALS TO ESSENTIAL USES.
HUNT ALSO DENIED HE TOLD GRINDLE THAT HE:
SAID HE WAS A CLOSE FRIEND OF SECRETARY OF DEFENSE LOUIS JOHNSON.
HAD ANYTHING TO DO WITH THE APPOINTMENT OF BRIG. L.O. GRICE AS CHIEF OF THE ARMY QUARTERMASTER OFFICE IN NEW YORK.
HUNT NAMED ALBERT J. GROSS, MILWAUKEE MANUFACTURER, AS THE "DISGRUNTLED" CLIENT THE COMMITTEE CALLED TO THE WITNESS STAND.
GROSS TESTIFIED HE PAID HUNT $2,000 IN AN UNSUCCESSFUL EFFORT TO OBTAIN SOME SCARCE STEEL IN 1946.
(IT WAS GROSS WHO FIRST DISCLOSED AT THE INQUIRY THAT A CHICAGO

PERFUME COMPANY PRESENTED HOME FREEZERS TO WASHINGTON NOTABLES IN 1945)

HUNT SAID GROSS CALLED HIS OFFICE THE DAY AFTER THE HERALD-TRIBUNE STORY APPEARED, "AND TOLD MY SECRETARY IN SUBSTANCE THAT I HAD BETTER REPAY HIM HIS $2,000 OR HE WOULD GO TO THE SENATE COMMITTEE."

SHORTLY AFTER THE SENATE COMMITTEE STARTED ITS INVESTIGATION THE ARMY SUSPENDED MAJ.GEN. ALDEN H.WAITT, CHIEF OF THE CHEMICAL CORPS, AND MAJ.GEN.HERMAN FELDMAN, THE QUARTERMASTER GENERAL.

SECRETARY OF THE ARMY GRAY SAID BOTH MEN HAD FAILED TO EXHIBIT JUDGMENT EXPECTED OF PERSONS IN THEIR POSITIONS.

WITNESSES HAVE TESTIFIED THAT HUNT CLAIMED INFLUENCE WITH BOTH WAITT AND FELDMAN.

HUNT SAID:

"ALTHOUGH AN ATTEMPT HAS BEEN MADE TO SHOW UNDULY CLOSE CONNECTION BETWEEN GENERAL WAITT AND MYSELF AND BETWEEN GENERAL FELDMAN AND MYSELF, NO ATTEMPT HAS BEEN MADE TO CHALLENGE OR DISPROVE GENERAL WAITT'S TESTIMONY TO THE EFFECT THAT I NEVER WAS ABLE TO GET A CONTRACT FOR ANY CLIENT OF MINE OUT OF THE CHEMICAL CORPS.

"THE SAME IS TRUE OF GENERAL FELDMAN'S TESTIMONY TO THE EFFECT THAT I NEVER WAS ABLE TO GET A CONTRACT FOR ANY CLIENT OF MINE FROM THE QUARTERMASTER CORPS.

"THIS WOULD SEEM TO ME TO BE CONCLUSIVE EVIDENCE OF THE ABSENCE OF ANY IMPROPER INFLUENCE."

WITNESSES TESTIFIED THAT HUNT BOASTED HE KNEW IN ADVANCE ABOUT WHITE HOUSE PLANS TO NAME JESS LARSON WAR ASSETS ADMINISTRATOR. HUNT GAVE THIS VERSION:

"BOUT A WEEK BEFORE MR.LARSON'S APPOINTMENT, I WAS IN DR. STEELMAN'S OFFICE IN THE WHITE HOUSE, DISCUSSING AN ENTIRELY DIFFERENT MATTER.

(DR.JOHN R.STEELMAN IS A PRESIDENTIAL ASSISTANT.)

"AT THE CONCLUSION OF THIS DISCUSSION DR.STEELMAN MENTIONED TO ME THAT MR.LARSON WAS ONE OF THE SEVERAL PEOPLE BEING CONSIDERED AS A SUCCESSOR TO GENERAL LITTLEJOHN FOR THE POST OF WAR ASSETS ADMINISTRATOR AND HE ASKED ME WHAT I THOUGHT OF HIM.

"I TOLD DR.STEELMAN THAT I HAD THE VERY HIGHEST RESPECT FOR MR. LARSON'S ABILITY, BUT STATED THAT, IN VIEW OF THE TERRIFIC STRAIN OF THE JOB, AND HIS IMPAIRED PHYSICAL CONDITION X X X, I DOUBTED WHETHER COL.LARSON SHOULD UNDERTAKE SUCH A GRAVE RESPONSIBILITY."

THE COMMITTEE HAS RECEIVED TESTIMONY THAT HUNT WAS PAID MORE THAN $80,000 FOR SERVICES IN CONNECTION WITH RETURN OF THE SWANK LIDO BEACH HOTEL ON LONG ISLAND (N.Y.) TO ITS FORMER OWNERS. THE NAVY BOUGHT THE HOTEL IN 1942 AND SOLD IT BACK TO HUHNT'S CLIENT IN 1947.

"THE IMPRESSION WAS WIDELY PUBLICIZED," HUNT SAID, "THAT THE FORMER OWNERS' PRIORITY WAS AS SIMPLE AS PRESENTING A PARCEL CHECK AT THE WINDOW AND PICKING UP YOUR PACKAGE. THAT THIS IS NOT SO IS CLEARLY ILLUSTRATED BY THE FACT THAT AFTER THREE YEARS OF UNREMITTING EFFORT, THE SEIDENS (THE OWNERS) STILL HAVE BEEN ABLE TO RECOVER ONLY A PORTION OF THE PROPERTY ORIGINALLY TAKEN FROM THEM."

HUNT ACKNOWLEDGED THAT HE MET WITH GOVERNMENT HOUSING OFFICIALS AFTER GENERAL VAUGHAN TOLD HIM THAT HIS (VAUGHAN'S) FRIENDS WERE BEING GIVEN THE RUN-AROUND IN CONNECTION WITH A CONSTRUCTION PERMIT FOR TANFORAN RACETRACK IN CALIFORNIA. TESTIMONY AT THE INQUIRY WAS THAT HUNT FOUND OUT FOR VAUGHAN'S FRIENDS WHAT THEY WOULD HAVE TO DO TO BECOME ELIGIBLE FOR A CONSTRUCTION PERMIT.

UNAMERICAN (330)

BY DOUGLAS B.CORNELL

ADVANCE FOR WASHINGTON,AUG 27 (AP)-HOUSE SPY HUNTERS SAY THREE FORMER FEDERAL AGENTS MAY SNAP SHUT A PERJURY CASE AGAINST THE "SCIENTIST X" ACCUSED OF SLIPPING ATOMIC SECRETS TO A RED.

THE TRIO, AN AUTHORITY OF THE HOUSE UNAMERICAN ACTIVITIES COMMITTEE SAID, WILL SWEAR THEY SAW SCIENTIST X AND COMMUNIST LEADER STEVE NELSON IN A WARTIME CONFERENCE IN NELSON'S HOME.

"THAT MEANS," THIS AUTHORITY TOLD REPORTERS, "THAT SO FAR AS THE NELSON-SCIENTIST X CASE IS CONCERNED IT IS ALL LOCKED UP ON THE PERJURY ISSUES."

THE COMMITTEE HAS SAID THAT THE SCIENTIST DENIED KNOWING NELSON.

THE SCIENTIST WORKED AT THE RADIATION LABORATORY AT THE UNIVERSITY OF CALIFORNIA AT BERKELEY, WHICH HANDLED PART OF THE ATOM BOMB PROJECT.

THE COMMITTEE HAS SAID IN AN OFFICIAL REPORT THAT IN MARCH, 1943, THE SCIENTIST GAVE NELSON A COMPLICATED ATOMIC FORMULA. IT CALLED NELSON A COMMUNIST ESPIONAGE AGENT AND DESCRIBED MEETINGS HE HELD WITH RUSSIAN DIPLOMATIC OFFICIALS AT WHICH IT SAID DOCUMENTS AND MONEY CHANGED HANDS. THE SCIENTIST HAS NEVER BEEN NAMED BY THE COMMITTEE.

THE COMMITTEE INFORMANT SAID THAT THE THREE EX-U.S. AGENTS PERCHED IN A TREE FOR AN HOUR ONE NIGHT AND WATCHED THE SCIENTIST AND NELSON THROUGH A WINDOW OF NELSON'S HOME.

HE SAID HE DIDN'T KNOW WHETHER THEY LISTENED IN ON THE CONVERSATION.

THE THREE ALREADY HAVE BEEN QUESTIONED SECRETLY IN A PRELIMINARY TO POSSIBLE PUBLIC HEARINGS.

REP.VELDE (R-ILL), A COMMITTEE MEMBER WHO IS SPEAR-HEADING A CAMPAIGN TO WIND UP THE SCIENTIST X CASE, QUIZZED ONE OF THE PROSPECTIVE WITNESSES LAST SUNDAY. THIS WITNESS IS UNDERSTOOD TO HAVE TIPPED VELDE AS TO THE OTHER TWO.

VELDE HIMSELF IS A FORMER F.B.I. AGENT WHO WORKED FOR A TIME ON THE SCIENTIST X CASE.

NELSON, A NATURALIZED YUGOSLAV, IS NOW COMMUNIST PARTY ORGANIZER FOR WESTERN PENNSYLVANIA, WITH HEADQUARTERS IN PITTSBURGH. EARLY IN THE WAR HE HAD A SIMILAR JOB IN ALEMEDA COUNTY, CALIF., WHICH INCLUDES BERKELEY.

THE COMMITTEE HAS SAID A COMMUNIST CELL OPERATED AT THE RADIATION LABORATORY AT BERKELEY.

WASHINGTON,AUG.27-(AP)-OTHER REGIONAL TREATIES MAY BE NEEDED TO MAKE THE ATLANTIC SECURITY PACT EFFECTIVE, A GOVERNMENT EXPERT SAID TODAY.

DR.HALFORD HOSKINS, WHO PREPARED INFORMATION ON THE ATLANTIC TREATY FOR CONGRESS, NOTED THAT "THE SOVIET BLOC HAS ACCESS TO THE ADRIATIC, COULD READILY PENEETRATE TO THE AEGEAN SEA, OR TO THE INDIAN OCEAN, AND CONTROLS LONG REACHES OF THE SHORES OF THE WESTERN PACIFIC."

"THIS SITUATION," HE SAID, "HAS GIVEN RISE TO SEVERAL FAIRLY SERIOUS PROPOSALS FOR OTHER REGIONAL DEFENSE ARRANGEMENTS."

HOSKINS WROTE THAT IF CONTAINMENT IS A SOUND WAY TO COUNTERACT MORE COMMUNIST AGGRESSION, THEN THE FENCE IS INCOMPLETE WHILE THE LOOPHOLES EXIST.

HOSKINS IS A SPECIALIST IN INTERNATIONAL RELATIONS AT THE LIBRARY OF CONGRESS. HE GAVE HIS VIEWS IN A NEWLY PUBLISHED STUDY, "THE ATLANTIC PACT."

PARCHMENT COMMISSIONS HAVE BEEN UNIFIED UNDER THE NEW SETUP TOO, LEVA SAID. INSTEAD OF COMING IN 45 DIFFERENT SIZES (THE HIGHER THE RANK, THE BIGGER THE COMMISSION), THEY HAVE ALL BEEN CUT DOWN TO THE MINIMUM--OR NAVY ENSIGN--SIZE.

APPROPRIATIONS

WASHINGTON,AUG.27-(AP)-ECONOMY-MINDED SENATORS CONGRATULATED THEMSELVES TODAY ON A $1,400,000,000(B) SLASH IN DEFENSE FUNDS--"THE BIGGEST REDUCTION IN ANY ONE BILL IN THE HISTORY OF OUR GOVERNMENT."

THE WORDS WERE THOSE OF SENATOR ELMER THOMAS (D-OKLA), WHO IS GUIDING A MULTI-BILLION DOLLAR MILITARY MONEY BILL THROUGH THE SENATE.

THE HUGE CUTBACK ORDERED BY THE SENATE YESTERDAY INCLUDED TWO ITEMS:

A CUT OF $1,118,000,000(B) IN HOUSE-APPROVED FUNDS FOR ARMY, NAVY AND AIR FORCE SPENDING DURING THE 12 MONTHS WHICH BEGAN JULY 1; AND A $275,000,000(M) REDUCTION IN MONEY THAT BOTH CHAMBERS HAD EARLIER APPROVED FOR STOCKPILING CRITICAL MATERIALS.

THE REDUCTIONS MUST BE OKAYED BY THE HOUSE, WHERE SOME LEADERS ALREADY WERE PROTESTING SHARP SLASHES IN FUNDS FOR THE AIR FORCE.

ALTHOUGH SENATORS WORKED FAR PAST THEIR USUAL QUITTING TIME LAST NIGHT THEY STILL FAILED TO COMPLETE ACTION ON THE HUGE MILITARY MONEY BILL.

AS IT CAME FROM THE HOUSE IT CONTAINED $15,900,000,000(B). AS IT STOOD TODAY IT CARRIED ABOUT $14,800,000,000(B).

THESE ARE THE REMAINING ISSUES, TO BE FOUGHT OUT IN THE SENATE MONDAY:

1. AN ATTEMPT BY SENATOR MCCLELLAN (D-ARK) AND A LONG LIST OF DEMOCRATS AND REPUBLICANS TO DIRECT PRESIDENT TRUMAN TO CHOP FROM 5 TO 10 PER CENT OFF ALL THE FUNDS THAT CONGRESS VOTES THIS YEAR.

2. AN EFFORT BY SENATOR WILEY (R-WIS) AND OTHER DAIRY STATE SENATORS TO RESTORE A FORMER MILITARY BAN AGAINST USE OF OLEOMARGARINE FOR BUTTER.

3. A MOVE BY SENATOR DOUGLAS (D-ILL) TO CHOP ADDITIONAL MILLIONS FROM THE BIG MILITARY BILL BY SENDING IT BACK TO THE APPROPRIATIONS COMMITTEE WITH INSTRUCTIONS TO SLICE IT FURTHER.

AUG 27 1949

A10WX

DURING YESTERDAY'S DEBATE ONLY ONE SERIOUS CHALLENGE WAS RAISED AGAINST THE ECONOMY DRIVE. THAT WAS ON THE CUTBACK IN AIR FORCE FUNDS.

THE HOUSE HAD ALLOWED ENOUGH CASH AND CONTRACT AUTHORITY TO EXPAND THE AIR ARM FROM 48 COMBAT GROUPS TO 58. THE SENATE CUT IT RIGHT BACK TO 48, BUT ONLY AFTER SENATOR KNOWLAND (R-CALIF) HAD FORCED A ROLLCALL VOTE.

WORD OF THE SENATE ACTION BROUGHT AN IMMEDIATE PROTEST FROM REP. MAHON (D-TEX), WHO STEERED THE BULKY MILITARY BILL THROUGH THE HOUSE. HE WILL HEAD HOUSE CONFEREES WHEN THEY MEET WITH SENATE SPOKESMEN TO ADJUST DIFFERENCES LATER.

"WE PROPOSE TO STAND PAT ON THE 58 GROUP AIR FORCE," MAHON SAID. A POWERFUL AIR FORCE, HE DECLARED, IS THE GREATEST STABILIZING FACTOR FOR WORLD PEACE.

NUMEROUS OTHER PROVISIONS WENT INTO THE SENATE BILL WITHOUT QUESTIONS, INCLUDING:

1. A PROFIT LIMIT ON RENEGOTIATION OF DEFENSE CONTRACTS TO GIVE SMALL BUSINESSMEN A CHANCE TO QUALIFY.

2. AN AMENDMENT GIVING SMALL BUSINESS A FURTHER SHARE IN THE HUGE MILITARY CONTRACTS.

3. A PROVISION TO REQUIRE PURCHASES IN THE UNITED STATES OR ITS TERRITORIES WHEN POSSIBLE.

4. AUTHORITY FOR EMPLOYMENT OF CIVILIAN PHYSICIANS, DENTISTS AND NURSES BY THE ARMED FORCES.

THEY FACE THIS PROBLEM: AS PRESENTLY ORGANIZED, BRITAIN CANNOT EXIST WITHOUT BUYING GOODS FOR DOLLARS, AND SHE HAS BEEN RAPIDLY RUNNING OUT OF DOLLARS. ADD WASHN (NL BRITISH ECONOMIC) X X X PEARSON (HI-SHOVED)

LAST YEAR, THE BRITISH HAD FIXED $2,000,000,000 AS THE MINIMUM POINT OF SAFETY FOR THEIR TOTAL SUPPLY OF GOLD AND DOLLARS HELD IN RESERVE.

EARLY THIS YEAR IT BECAME APPARENT THAT THIS "RAINY DAY FUND" WAS RAPIDLY RUNNING OUT. BY MARCH 31 IT HAD DWINDLED TO $1,898,000,000; ON JUNE 30 IT STOOD AT $1,636,000,000. THE NEXT DAY OF RECKONING WILL BE SEPT. 30 AND THE DROP BY THAT TIME, ACCORDING TO AUTHORITATIVE INFORMATION HERE, WILL LOWER THE BRITISH RESERVES TO ABOUT $1,400,000,000.

IF THE OUTGO CONTINUED AT THAT RATE, THE RESERVE FUND WOULS INK CLOSE TO THE BILLION-DOLLAR MARK BY THE END OF THE YEAR, AND BELOW IT EARLY IN 1950.

AUG 27 1949

HOWEVER, BOTH AMERICAN AND BRITISH OFFICIALS SAID TODAY THE Y ARE EXTREMELY HOPEFUL THIS CAN BE PREVENTED.

MEASURES UNDER DISCUSSION INCLUDE NOT ONLY BRITAIN'S ALREADY DRASTIC REDUCTION IN DOLLAR EXPENDITURES BUT ALSO AN AGREEMENT BY THE UNITED STATES AND CANADA TO SPEED THEIR SPENDING OF DOLLARS IN THE BRITISH AREA.

THERE IS INCREASING SPECULATION HERE ATHAT AT SOME POINT THE BRITISH MAY DEVALUE THE POUND AS A MEANS OF IMMEDIATELY CUTTING THE COST OF ARTICLES THEY SELL ABROAD. AMERICAN OFFICIALS, HOWEVER, SAY THAT IS A DECISION THE BRITISH GOVERNMENT ITSELF WILL HAVE TO MAKE.

NEW YORK, AUG.27-(AP)-MORIKATSU INAGAKI, HEAD OF THE UNION OF THE WORLD FEDERAL GOVERNMENT FOR JAPAN, SAID FRIDAY HE BELIEVES NO LEAGUE OF SOVEREIGN STATES CAN MAINTAIN PEACE.

BECASUE OF THIS, HE TOLD REPORTERS, HE HAS BEEN WORKING IN THE INTEREST OF WORLD FEDERAL GOVERNMENT SINCE WORLD WAR II ENDED.

INAGAKI ARRIVED HERE TODAY ENROUTE TO STOCKHOLM, SWEDEN, WHERE HE WILL TAKE PART IN THE THIRD ANNUAL CONGRESS OF THE WORLD MOVEMENT FOR WORLD FEDERAL GOVERNMENT, TO BE HELD AUG. 28 TO SEPT. 4.

EXPERIENCE IN GENEVA AS A THREE-TIME MEMBER OF THE SECRETARIAT OF THE LEAGUE OF NATIONS, FROM 1924 TO 1939, SAID INAGAKI, CONVINCED HIM "THAT THE SYSTEM OF A LEAGUE OF SOVEREIGN STATES COULD NOT MAINTAIN PEACE."

FOLLOWING THE WAR, INAGAKI SAID, HE WROTE DR. ALBERT A. EINSTEIN, THE FAMED SCIENTIST WHOM E HAD MET IN GENEVA, AND RECEIVED FROM HIM A LETTER OF INTRODUCTION TO UNITED WORLD FEDERALISTS IN THE UNITED STATES. INAGAKI SAID HIS TRIP TO SWEDEN WAS BEING FINANCED BY FRIENDS IN SAN FRANCISCO WHO ARE INTERESTED IN THE MOVEMENT.

IN AGAKI SAID HIS TRIP WAS APPROVED BY THE INFORMATION AND EDUCATION SECTION OF THE ALLIED OCCUPATION FORCES IN JAPAN AND THAT HE HAS A PERMIT TO STAY IN STOCKHOLM UNTIL SEPTEMBER. LATER HE WANTS TO VISIT FRANCE, ENGLAND AND SWITZERLAND. IF HE CANNOT GET NCESSARY VISAS, HE PLANS TO RETURN HERE.

ASKED ABOUT CONDITIONS IN JAPAN, INAGAKI SAID:

"I THINK WE MUST LET THE YOUNG PEOPLE UNDERSTAND THE WORLD GOVERNMENT IDEA CAN HELP JAPAN. THE JAPANESE PEOPLE NOW ARE IN CONFUSION AND THE COMMUNIST IDEA IS VERY STRONG AMONG THE YOUNG PEOPLE--NOT BECAUSE THEY ARE CONVINCED OF IT BUT BECAUSE THEY HAVE NOTHING TO PUT IN ITS PLACE."

"THE HOPE OF WORLD FEDERAL GOVERNMENT WOULD FILL GHAT GAP," HE SAID.

CIVIL CONFUSION HAS BEEN CAUSED IN JAPAN DURING RECENT MONTHS BOTH BY COMMUNIST VIOLENCE AND THE ATTITUDE OF SOLDIERS RETURNING FROM SIBERIA, INAGAKI SAID, ADDING:

"SOVIETS HAD TOLD THE JAPANESE SOLDIERS RETURNING FROM SIBERIA THEY WERE NOT WANTED AT HOME AND THEY FELT THEIR HOMELAND HAD LET THEM DOWN." HE SAID IT SHOULD BE UNDERSTOOD THE RUSSIANS LISTED ONLY 95,000 JAPANESE SOLDIERS IN SIBERIA, WHEREAS THE JAPANESE REPORT 400,000 THERE.

"WHEN A PORTION OF THESE SOLDIERS RETURNED TO JAPAN RECENTLY," INAGAKI DECLARED, "THEY WERE MET BY COMMUNIST AGENTS AT THE TRAINS WHO TOLD THEM THEIR FAMILIES HAD COME TO THE TRAINS TO MEET THEM BUT OFFICIALS HAD NOT PERMITTED THEM TO MEET.

"THE RETURNING SOLDIERS SAID THEY WOULD WORK FOR THE FATHERLAND OF SOVIET RUSSIA."

THIS, SAID INAGAKI, SHOCKED THE JAPANESE PEOPLE WHO, NONETHELESS, BELIEVE ONLY ABOUT TEN PER CENT OF THESE SOLDIERS WOULD SUPPORT RUSSIA.

MET HERE BY UNITED WORLD FEDERALISTS REPRESENTATIVES, INAGAKI LEFT FOR NORWALK, CONN., TO VISIT NORMAN COUSINS, EDITOR OF THE SATURDAY REVIEW OF LITERATURE, WHO JUST RETURNED FROM JAPAN. HE DEPARTS TOMORROW FOR STOCKHOLM ON AN AMERICAN OVERSEAS AIRLINES PLANE.

THE HEATED BATTLE BROKE OUT WHEN A PARADE SPONSORED BY VETERANS GROUPS CLASHED HEAD-ON WITH THOUSANDS OF CONCERT-GOERS ON A DIRT ROAD OUTSIDE A WOODED PICNIC GROVE WHERE THE NEGRO SINGER WAS TO APPEAR.

NEWSMEN ON THE SCENE REPORTED THAT AT LEAST 5,000 PERSONS MILLED AROUND, FIGHTING WITH ROCKS, STICKS AND OTHER WEAPONS.

THE CROWD, WHILE MOSTLY WHITE, CONTAINED MANY NEGROES.

AUTOMOBILES WERE OVETURNED, AND A HUGE STACK OF CAMP CHAIRS WAS SET ABLAZE WHILE BRASS BANDS AND SPIRITUAL-SINGING RANG OUT IN THE PICNIC GROVE.

THE VETERANS HAD GATHERED TO STAGE A PARADE IN PROTEST TO THE CONCERT.

ONE MAN WAS STABBED, ANOTHER WAS BEATEN SEVERELY ON THE HEAD, AND 11 OTHER WHITE AND NEGRO PERSONS WERE TREATED FOR BRUISES AND CUTS AT A HOSPITAL.

THE 11 WERE REPORTED RELEASED LATER.

STATE POLICE SENT SQUADS OF OFFICERS TO THE SCENE AND REPORTED THEY HAD QUELLED THE MILLING RIOT BY 9:30P.M. (EST), SOME THREE HOURS AFTER IT STARTED.

THEY SID THEY HAD MADE NO ARRESTS.

THE INJURED, PEESKILL HOSPITAL REPORTED, WERE BEATEN WITH "ROCKS, CLUBS, ANYTHING THEY COULD GET THEIR HANDS ON."

ROBESON DID NOT APPEAR ON THE SCENE.

AUG 27 1949

WILLIAM L. PATTERSON, EXECUTIVE SECRETARY OF THE CIVIL RIGHT CONGRESS, WHICH WAS TO BENEFIT FROM THE CONCERT, SAID HE MET ROBESON EN ROUTE TO THE GROVE AND WHISKED HIM AWAY "TO A SAFE PLACE."

HE SAID ROBESON WAS "SAVED FROM BODILY INJURY, POSSIBLY LYNCHING, ONLY BY PRECAUTIONS TAKEN BY THE CIVIL RIGHTS CONGRESS AND MYSELF."

PATTERSON DECLINED TO TELL WHERE ROBESON WAS TAKEN.

ROBESON RECENTLY RETURNED FROM A VISIT TO RUSSIA. HE WAS QUOTED AS SAYING AT PARIS THAT NEGROES WOULD NOT FIGHT IN A WAR AGAINST RUSSIA.

PATTERSON SAID THE PARADE WAS "STORM TROOPER VIOLENCE" AND WAS "ORGANIZED ON A COUNTY-WIDE SCALE."

HE CHARGED THE DEMONSTRATION HAD THE BACKING OF "OFFICIAL FORCES OF WESTCHESTER COUNTY" AND THAT LEONARD RUBENFELD, ASSISTANT DISTRICT ATTORNEY THERE, WAS THE "MAIN MOBILIZER OF THE AMERICAN LEGION."

RUBENFELD IS CHAIRMAN OF THE JOINT VETERANS COUNCIL OF THE COUNTY. THE COUNCIL WAS A SPONSOR OF THE PARADE.

ROBESON'S APPEARANCE HAD BEEN SCHEDULED BY THE PEOPLE'S ARTISTS COMMITTEE FOR THE BENEFIT OF THE CIVIL RIGHTS CONGRESS' HARLEM BRANCH.

THE CONGRESS HAS BEEN CALLED SUBVERSIVE BY THE JUSTICE DEPARTMENT.

IRWIN SILBER, SECRETARY-TREASURER OF PEOPLE'S ARTISTS, SAID HE WAS IN THE RIOTING AREA FROM 8 P.M. UNTIL 11 P.M.

"I GOT MY FIRST SIGHT OF FASCISM IN AMERICA," HE SAID.

HE SAID IT WAS "NO ACCIDENT" THAT THE "VIOLENCE WAS AIMED AT A MUSICAL CONCERT, ESPECIALLY ONE BY PAUL ROBESON" BECAUSE "FASCISM ALWAYS STRIKES AGAINST ARTISTS WHO SPEAK FOR THE PEOPLE."

NEWSMEN ON THE SCENE REPORTED THE BITTER RIOTING BROKE OUT WHEN THOUSANDS OF PARADERS MARCHING UNDER VETERANS' GROUPS COLORS MET HEAD-ON WITH THOUSANDS OF PERSONS GATHERING FOR THE CONCERT.

IN THE FIGHTING THAT FOLLOWED, AT LEAST SEVEN AUTOMOBILES WERE TURNED UPSIDE DOWN, AND ONE WAS TOSSED OFF AN EMBANKMENT INTO A STREAM.

CONCERT GOERS FORMED A LINE ACROSS THE ROAD AND THEN MOVED A HUGE TRUCK ACROSS IT AS A ROADBLOCK.

MEN AND WOMEN ON BOTH SIDES ARE PUSHED BACK AS THE TWO BODIES OF PERSONS MET, AND THE CONCERT FORCES STARTED TO SING A NEGRO SPIRITUAL, "WE SHALL NOT BE MOVED."
TWO COUNTY SHERIFF'S ME HELD THE SURGING MARCHERS BACK FOR A TIME, THEN FELL BACK AS PIECES OF WOODEN RAILING FROM A FENCE ALONG THE ROAD BEGAN TO FLY THROUGH THE AIR.
ONE MAN, IDENTIFIED AS WILLIAM SECOR OF MOHEGAN, N.Y., WAS REPORTED STABBED IN THE MELEE THAT FOLLOWED.
MEMBERS OF THE VETERANS' PARADE BROKE THROUGH THE WOODS, OVERRAN THE CONCERT BOWL, AND STARTED TO RIP APART THE STAGE WHERE ROBESON WAS TO SING.
THEY TOSSED CAMP CHAIRS THROUGH THE AIR AND SET FIRE TO A PILE OF THEM.
MEANWHILE, ROAD BLOCKS OF STONE, WOOD AND WIRE WERE THROWN UP ON ROADS LEADING OUT OF THE PICNIC AREA.
CARS TRYING TO FLEE THE RIOTING WERE STOPPED AND AT LEAST SEVEN VEHICLE WERE PITCHED UPSIDE DOWN.
ONE UNIDENTIFIED NEGRO WAS REPORTED BEATEN AND THROWN OVER A FENCE INTO A NEARBY CEMETERY.
A NAVY VETERAN, JAMES RENZA, 30, OF PEESKILL, WAS SLUGGED ON THE BACK OF THE HEAD AND TAKEN TO THE HOSPITAL BLEEDING HEAVILY FROM A DEEP GASH.
A GROUP OF MEN ON THE STAGE REPORTEDLY ORDERED A NEGRO WOMEN WHO WAS ON THE CONCERT PLATFORM TO PLAY "YANKEE DOODLE" AND OTHER AMERICAN SONGS AS THE RIOTING SWELLED AROUND.
COMMANDERS OF THE VETERANS PARADE SHOUTED ORDERS FOR THE MEN TO DISBAND--BUT THE BATTLING WENT ON.
SOME 50 STATE POLICEMEN ARRIVED ON THE SCENE LATER AND BEGAN TO ROUND UP THE CROWD IN GROUPS.
AT 10P.M. (EST) THEY REPORTED THEY WERE BEGINNING TO GET THE THOUSANDS OF MILLING PERSONS INTO HAND.
SPORADIC FIST-FIGHTING AND SHOUTING, HOWEVER, STILL CONTINUED.

STATE POLICEMEN REPORTED THEY FOUND MANY WOMEN COWERING IN THE DAR WOODS AROUND THE RIOT SCENE
SOME OF THE WOMEN, THEY SAID, PLANNED TO REMAIN THERE ALL NIGHT.
A MAN IDENTIFYING HIMSELF AS HOWARD FAST, THE NOVELIST, TOLD REPORTERS ON THE SCENE THAT HE WAS TO HAVE ACTED AS CHAIRMAN OF THE MEETING.
HE SAID AT LEAST NINE OF THE CONCERT-GOERS WERE INJURED.
FAST ASSAILED THE PARADE THAT PRECEDED THE RIOT AS A "FASCIST DEMONSTRATION."
PERSONS IN THE PARADE, MEANWHILE, STILL CARRIED POSTERS AND PLACARDS, SOME OF WHICH SAID "NOT WANTED! COMMIES!," AND "ROBESON IS A TRAITOR."

THE PARADE PLANS WERE ANNOUNCED BY THE JOINT VETERANS COUNCIL OF WESTCHESTER COUNTY.
THE AMERICA LEGION, VETERANS OF FOREIGN WARS, AND DISABLED AMERICAN VETERANS BELONG TO THE COUNCIL.
SEVERAL HOURS BEFORE THE CONCERT WAS T START, THE COMPROUND (CQ) BRANCH OF THE AMERICAN LABOR PARTY SENT A TELEGRAM TO NEW YORK STATE ATTORNEY GENERAL NATHANIEL GOLDSTEIN ASKING POLICE PROTECTION.
LEONARD RUBENFELD, CHAIRMAN OF THE VETERANS COUNCIL, SAID THE PARADE WOULD BE "PEACEABLE."

THE SCHEDULED APPEARANCE WAS TO HAVE BEEN ROBESON'S THIRD IN THE PEESKILL AREA.
POSTERS THROUGHOUT THE REGION HAD ADVERTISED TONIGHT'S CONCERT, AT THE LAKELAND ACRES PICNIC GROUNDS.
CYRIL MC DERMOTT, COMMANDER OF THE CATHOLIC WAR VETERANS, GUARDIAN POST 527, SAID THE ORGANIZED VETERANS "AS FAR AS I CAN TELL, LEFT THEPICNIC GROUNDS FOR PEESKILL ABOUT 9P.M." (8P.M. EST)
HE ADDED THAT HE "SAW NO DISORDER AS WE LEFT." HE SAID HE SAW NO INDICATIONS OF VIOLENCE OR FIGHTING.

STEPHEN YAREMA, PAST COMMANDER OF THE AMERICAN LEGION POST AT VERPLANCK, N.Y., AND HIS UNIT MARCHED IN THE VETERANS PARADE AND "WAS UNDER CONTROL AT ALL TIME."
HE ADDED:
"THE PARADE WAS A SUCCESS. OUR OBJECT WAS TO TIE UP THE STREET AND MAKE IT SO NO TRAFFIC COULD GET THROUGH."
HE SAID HE SAW NO DISTURBANCES UP TO THE TIME HIS GROUP LEFT THE SCENE AT ABOUT 8 P.M. (EST).

PATTERSON CHARGED THE PARADERS WERE "A MOB ORGANIZED ON A COUNTY-WIDE SCALE." AND THAT IT "WAS OUT TO LYNCH PAUL ROBESON."
REACHED AT HIS HOME IN CROTON-ON-HUDSON, A FEW MILES AWAY FROM HERE, PATTERSON SAID:
"THE MOBILIZATION HAD ALL THE CHARACTERISTICS OF A MEETING OF THE KU KLUX KLAN IN THE SOUTH BENT ON LYNCHING A NEGRO VICTIM.
"A CROSS WAS BURNED ON A HILL OVERLOOKING THE MEETING. A NEGRO WAS BEATEN, AND THROWN INTO A CEMETERY.
"IT WAS OBVIOUS THAT NOT ONLY THE AMERICAN LEGION BUT HUNDREDS OF VIGILANTE SYMPATHIZERS TOOK PART IN THE MOB ATTACK."
HE SAID "IT IS OBVIOUS THAT THIS STORM-TROOPER MOB VIOLENCE WAS ORGANIZED ON A COUNTY-WIDE SCALE. CHARTERED BUSES WERE EVERYWHERE IN EVIDENCE. THESE BUSES TOOK HUNDREDS OF HOODLUMS TO THE MEETING POINT."

THE GOVERNOR MADE THE STATEMENT IN AN EXTEMPORANEOUS ADDRESS TO THE INDIANA DEMOCRATIC EDITORIAL ASSOCIATION.

"IF I WERE HARRY VAUGHN I WOULD OFFER TO RESIGN FROM OFFICE," SCHRICKER SAID. "THAT IS THE MANLY THING TO DO."

"THE PRESIDENT HAS A GREAT RESPONSIBILITY," HE WENT ON. "THERE IS NO REASON WHY THE PRESIDENT SHOULD BE EMBARRASSED BY A PLAYBOY WHO WANTS TO DEAL IN DEEP FREEZES. THERE IS TOO MUCH AT STAKE--THE DEMOCRACY YOU AND I LOVE."

"WE MUST KEEP THAT OR EXCHANGE IT FOR A DICTATORSHIP," THE INDIANA DEMOCRAT DECLARED.

THE GOVERNOR PREFACED HIS BLAST AT VAUGHN, WHO HAS FIGURED PROMINENTLY IN THE WASHINGTON FIVE-PERCENTER INVESTIGATION, WITH THIS OBSERVATION:

"THINGS ARE NOT SMELLING TOO GOOD FOR THE DEMOCRAT PARTY IN WASHINGTON THESE DAYS."

SAN FRANCISCO, AUG. 27-(AP)-ASSAILING THE ARMY'S WARTIME WESTERN DEFENSE COMMAND FOR A "NAZI-LIKE DOCTRINE," THE NINTH U.S. CIRCUIT COURT OF APPEALS HAS AFFIRMED RESTORATION OF CITIZENSHIP TO THREE JAPANESE-AMERICANS.

THE OPINION YESTERDAY SHARPLY CONDEMNED THE WARTIME EXCLUSION FROM THE WEST COAST OF PERSONS OF JAPANESE BLOOD. IT SAID LT. GEN. JOHN L. DE WITT, WARTIME CHIEF OF THE WESTERN DEFENSE COMMAND, HELD TO A "NAZI-LIKE DOCTRINE OF INHERITED RACIAL ENMITY."

THE APPELLATE COURT AGREED WITH THE LOS ANGELES DISTRICT COURT THAT THE THREE JAPANESE HAD RENOUNCED CITIZENSHIP "NOT AS A RESULT OF THEIR FREE AND INTELLIGENT CHOICE, BUT RATHER BECAUSE OF MENTAL FEAR, INTIMIDATION AND COERCIONS, DEPRIVING THEM OF THE FREE EXERCISE OF THEIR WILL."

THE THREE WHO REGAINED THEIR CITIZENSHIP WERE MRS. MIYE MAE MURAKAMI, NOW OF TORRANCE; MRS. TSUTAKE SUMI, WEST LOS ANGELES; AND MRS. MUTSU SHIMIZU, NOW OF ROSCOE. THEY, AND THOUSANDS OF OTHERS, RENOUNCED THEIR CITIZENSHIP AFTER BEING OUSTED FROM COASTAL AREAS AND PLACED IN CAMPS WHICH, THE CIRCUIT COURT SAID, WERE "IN IMPORTANT RESPECTS WORSE THAN ANY FEDERAL PENITENTIARY."

THE COURT TOOK NOTE THAT THE GOVERNMENT IS CONTESTING SOME 4,000 SIMILAR CASES OF DEPORTEES WHO ARE SEEKING IDENTICAL RELIEF.

IT QUOTED DE WITT AS SAYING "A JAP IS A JAP," AND HOLDING TO THIS DOCTRINE:

"IT MAKES NO DIFFERENCE WHETHER HE IS AN AMERICAN CITIZEN OR NOT, HE IS STILL A JAPANESE. THE JAPANESE RACE IS AN ENEMY RACE AND WHILE MANY SECOND AND THIRD GENERATION JAPANESE BORN ON UNITED STATES SOIL, POSSESSED OF UNITED STATES CITIZENSHIP, HAVE BECOME AMERICANIZED, THE RACIAL STRAIN IS UNDILUTED. WE MUST WORRY ABOUT THE JAPANESE ALL THE TIME UNTIL HE IS WIPED OFF THE MAP."

THE COURT COMPARED THIS PHILOSOPHY WITH NAZI GENERALS' VIEWS OF THOSE HAVING JEWISH BLOOD STRAINS.

THERE WAS NO IMMEDIATE COMMENT FROM GENERAL DE WITT. RETIRED, HE NOW LIVES IN THE EAST.

TITO MASSING TROOPS IN MACEDONIA TO BLOCK COMINFORM, TURKS HEAR

Diplomats Say Move Aims At Counteracting Revolt

Istanbul, Turkey, Aug. 28 (AP)—Top-ranking diplomatic and intelligence sources here said today Yugoslav Premier Marshal Tito is continuously massing forces in Yugoslav Macedonia to counteract Cominform designs for stirring up rebellion in his country.

Ten infantry divisions are now concentrated all along the frontier with Bulgaria and Albania, plus one armored, one paratroop and one air force division at Skoplje, the same source added.

Troops in Macedonia are under command of Gen. Vasa Yovanovitch whose headquarters are at Skoplje. They total 150,000 well-equipped men of war footing ready for any emergency, the informants said.

Can Turn East Or West

The forces at Skoplje are mobile and can be directed instantaneously either eastward to the Bulgarian frontier or westward to the Albanian—wherever trouble might break out, they said.

The reasons for Tito's decision to increase his forces in Macedonia are said to be:

Heated activity of Cominform agents in that area to incite anti-Tito rebellion. Concentrations of anti-Tito Yugoslavs (called free Yugoslavs by the Cominform) at the Bulgarian and Albanian frontiers; the arrival in Albania of Soviet military equipment as well as Russian officers and technicians; the active construction and repair of roads in Albania leading to the Yugoslav frontier.

Slavs Outwardly Calm Amid Flood Of Rumors

Belgrade, Yugoslavia, Aug. 28 (AP). The Yugoslav Government and people maintained an outward calm today amid a flood of rumors that the Russian-dominated Cominform may use force or subversion to wipe out the Tito régime.

The press and radio, however, kept up their propaganda battle with the Kremlin.

Rumors of sabotage, espionage and troop movements were a dime a dozen in coffee shops and diplomatic corridors. There was nothing solid to back up any of them.

Denies Sending Troops

The Government tonight denied that Yugoslavia had sent army divisions into the Istrian peninsula to prevent sabotage.

Other published stories were dismissed by a high Government source as untrue or "only rumors."

A printed declaration that Yugoslavia had challenged the right of Russian gunboats to cruise the Danube River in Yugoslav territorial waters was denied. The informant said Russia has the right to sail those vessels through under the Danube navigation charter. He denied flatly that Yugoslavia had asked a Russian boat to halt and it refused to comply.

In "Only Rumor" Class

In the "only-a-rumor" category he placed:

A report that Yugoslavia might seek to arraign Russia before the United Nations Security Council on grounds that Soviet notes to Yugoslavia contained a threat to peace.

A report that three Soviet mechanized divisions have entered Hungary from Romania and are now believed near the Yugoslav frontier.

A New Cominform Keynote

[A new Cominform keynote in the word war with Premier Marshal Tito was sounded in Czechoslovakia. "Sooner or later the Yugoslav people themselves will expel the traitor (Tito)," Communist Leader Rudolf Slansky said in a speech at Prague Saturday night. Czechoslovak Communists were more sanguine a week ago, when they drummed up the Soviet Government threat to take "more effective measures" with Tito.

[In Moscow, *Pravda* published a lead article saying a paper published in Russia by Yugoslav Communist emigrés printed a story entitled "Liquidate the bloody Fascist regime of Tito-Rankovic." Lieut. Gen. Alexander Rankovic is a Yugoslav vice premier.

[*Pravda* also published an article by Albania's Premier Enver Hoxha entitled "the collapse of the colonizing plans of Tito in Albania," and others purporting to expose operations of alien underground agents in Yugoslavia.]

Two Officials At Track Meet

Edvard Kardelj, Foreign Minister, and Mitvan Djilas, member of the Politburo, found time in the prevailing calm to attend a track meet of Yugoslavia, Belgian and French athletes. Yugoslavia has no athletic relations with her Cominform neighbors.

Tito apparently was still at his summer capital on the Adriatic resort island of Brioni. He has been conducting business and seeing delegations there.

The newspaper *Borda*, voice of the Government, published photo reproductions of headlines in Moscow's *Pravda* contending the Yugoslav press didn't publish the last two strong notes to this country and asking why.

Borba Challenges Pravda

Noting that the contents of both had been printed here, *Borda* challenged *Pravda* to print Yugoslavia's replies to them. It offered to carry similar reproductions when *Pravda* does.

The Sunday press was much the same as usual. It carried reports on progress of the five-year-plan, output of coal, greetings from Tito to workers' organizations.

From the Yugoslav zone of Trieste (free territory under Allied occupation) came an item on the trial of "terrorists" in a military court on charges of killing two "anti-Fascists."

BRITISH PLAN TO SEEK MORE AID FROM U.S.

Cabinet Acts Today On Brief To Guide Cripps, Bevin In Talks

NATE PODOWITZKY

London, Aug. 28 (AP)—The British Cabinet will meet tomorrow against a backdrop of worsening economic conditions to pass on a plan for easing the nation's money headache.

The plan is a fifteen-page brief compiled by Treasury, Foreign Office and trade experts. It lists proposals they think will help Britain recover her strength.

But it also asks the United States to give a little more help, too.

It is this plan that Sir Stafford Cripps, Chancellor of the Exchequer, and Ernest Bevin, Foreign Secretary, will carry to Washington for the financial talks with American and Canadian representatives beginning September 7. Bevin and Cripps will sail for Washington Wednesday aboard the liner Mauretania.

Hard Work Vs. Currency

Besides taking the cabinet mandate, they will be lugging along their own ideas on what should be done there. And associates say the ideas are different.

Here's what Sir Stafford has in mind: Britain can get out of her economic doldrums only through hard work—by producing more goods at less cost and using high-pressure salesmanship to win the dollars she needs for raw materials and food.

What Bevin considers the solution is a little harder to pin down. Associates say he has been working for what he calls "integration" of the American and British currency systems—the dollar and the pound sterling.

They say he never has made clear just what this means, whether it calls for a customs union, a common currency or what.

Called No Economist

But he argues that "integration" is not only essential but also a logical outcome of Anglo-American diplomatic unity—an idea that Sir Stafford's boys in the Treasury pooh-pooh. They say he is no economist.

On the same theme, the Conservative *Sunday Times* said today "the possibility of an economic merger between the dollar and sterling areas "may be discussed at the Washington talks."

Its diplomatic correspondent said:

"As at present envisaged, the merger would entail the adoption of one currency, backed by central reserves, as legal tender for the United States, Canada, Britain and probably other British dominions and countries whose currencies are now allied to the pound."

What Brief Proposes

In short, here's what the brief proposes:

It would bind both the British Government and industry to cut down the working costs and raise productivity.

It suggests ways in which Britain can earn more dollars by selling more and cheaper goods.

It asks the United States to liberalize both tariff policy and tariff administration.

It calls for the American promise to buy fixed amounts of basic commodities from the British-led sterling area at fixed prices for fixed periods.

It proposes swift, joint working out of President Truman's "fourth point" for developing backward areas of the world where the British pound is used.

War Bride Plane Lands In London

London, Aug. 28—(AP)—"Operation grandchild showoff"—the biggest flight ever to cross the Atlantic in a plane—tonight was declared a success.

A chartered DC-4 with 81 persons aboard landed at Northolt Airport on a flight from New York. It carried 42 war brides, 16 children, 12 babies, five definitely outnumbered male passengers and a crew of six.

The plane was chartered by the Britannia Club of Oakland, Calif., to move the war wives back home so the grand parents could see the children.

All that remained was for the airborne mothers—wives of American soldiers of two world wars—to infiltrate with their offspring and take charge of the parental home bases.

The plane left New York last night with 83 persons, but two Irish girls got off at Shannon, Ireland. Also, tucked away among the Anglo-Americans, were three former French war brides who will go to France for their own reunions with their families.

Engine trouble held the plane, a Skymaster, at Shannon for three and a half hours.

The normal load of a DC-4 is about 44 adult passengers.

'Grandchild Showoff' Succeeds; 83 Span Ocean In Record Hop

London, Aug. 28 (AP)—Homesick war wives, with numerous offspring, flew in tonight on "Operation Grandchild Showoff"—with 80 persons aboard.

The plane had left New York with 83—a record number for a trans-Atlantic run. Two Irish girls and one child disembarked at Shannon.

The homecoming was a mixture of tears and smiles, as the mothers and laughing children trooped off the transocean airliner Calcutta at Northholt Airport.

Four Single Women Aboard

Thus ended a journey from Oakland, Cal., via New York, of the 37 British and three French wives of American veterans of both world wars and their 27 children, a dozen of them babies. In addition to the 67 wives and children were four single women, three men and six crew members.

The plane was chartered by the Britannia Club, of Oakland, Cal., to move the war wives back home so the grandparents could see the children. Mrs. Betty Arrieta, of Richmond, Cal., who organized the trip, said it cost $25,000 to charter the plane.

Mrs. Audrey Pacheso, 26, a brunette, of Concord, Cal., said "the only thing I miss in America is fish and chips."

"Except for them, I think America is fine, and I would like to pack all my family up and take them back with me," she told her mother.

One Flies To Sweetheart

Martin Height, 19, a chemist, of Oakland, Cal., one of the male passengers, came over to see his sweetheart, 19-year-old Hazel Burrell, of Wellingborough, Northamptonshire. He hopes to take her back as his wife next year. Height lent his service as a baby sitter.

"The children were very good," he said. "They traveled in bunks, slung from the ceiling. I really enjoyed looking after them."

Albania's Church Leader Is Deposed

Orthodox Cleric Accused of Favoring Vatican

LONDON, Aug. 28. (AP)—The Tirana radio announced today that the Archbishop of the Albanian Orthodox Church has been deposed by the Church's ruling body.

The broadcast, heard in London, said a holy synod convicted Archbishop Christopher Kissi of activity "detrimental to the Albanian Orthodox Church and the interests of the Albanian people."

Bishop Passi Voditsa of Korca has been named to succeed Kissi as Archbishop of all Albania and Metropolitan of Tirana and Durres, the radio added.

The broadcast said the holy synod, which met from Aug. 22 to 25, established that Archbishop Kissi carried on "activity in favor of Fascism during the Italian occupation, with a view to throwing our Church into the bosom of the Vatican and detaching it from the bosom of the Oriental (Eastern), Orthodox Church."

Moscow Battle Against Tito Called Threat

Greenock, Scotland, Aug. 28—(AP)—Hector McNeil, British Minister of State, accused Soviet Russia tonight of warmongering and threatening world peace in her campaign against Yugoslavia's Marshal Tito.

"I say sorrowfully that this propaganda offensive has not been equaled for viciousness and bitterness since the German propaganda campaigns of 1939," McNeil commented.

He said he did not believe anyone is actually planning war against Yugoslavia, "but everyone taking part in this campaign is playing with international dynamite."

McNeil, who has represented Britain in the United Nations, referred to the present Russian radio and press attacks against Tito, and said:

"This warmongering and bullying in the Balkans displays, I regret to say, the Soviet government as a disturber of the peace and as a menace to the independence of a small nation."

He made his assertions in a speech in his constituency here.

McNeil said he doubts reports of Russian troop concentrations against Yugoslavia, but added these reports "are being permitted dissemination by the Soviet authorities."

"This sinister, and as yet unexplained threat," he said, "is backed up by the most violent press and radio campaigns which Moscow has conducted since the war . . .

"Even more violent are the attacks made by the Soviet satelites which predict for Tito the fate of Hitler and of Mussolini at the hands of Russia."

McNeil said he had been lectured time and again by the highest Russian diplomats "about the sovereignty of small nations and the necessity to respect such sovereignty."

"They have said, and said truly, that interference by a big power in the affairs of a small power is a threat to peace, and I cannot believe that the Soviet government has overlooked the validity of such a conclusion at this moment," McNeil said.

McNeil noted the campaign comes "at a time when Soviet Russia poses as the champion of peace."

Italian Police Occupy Strike-Bound Coal Mine

Rome, Aug. 28 (AP)—The strike-bound coal mine of Pacuablis, Sardinia, was occupied yesterday by police, newspapers reported today. The miners struck to protest the owners' refusal to recognize the workers' committee. The strike was ordered by the Communist Chamber of Labor of Carbonia, center of Sardinia's mining district.

Germans Lay Claim To Garrett Estate

Bonnard, Germany, Aug. 28 (AP). An international squabble arose today over the fabulous $30,000,000 tobacco estate of the American, Walter Garrett.

German claimants to the fortune accused would-be heirs in the United States of holding out information on them.

Representatives of sixteen German "Schaefer clans" were so angry at the American claimants that they got together here to form an association to "protect their interests." The German "Schaefers" claim to be relatives of Garrett's widow, who died in 1930 leaving the vast estate in doubt. Her maiden name was Henriette Schaefer.

Fail To Get Documents

The German claimants said they had been trying without success to get their hands on copies of the immigration and marriage certificates of Mrs. Garrett's father, Christopher Schaefer.

The father emigrated to the United States in 1830.

The German claimants asserted that "certain American circles" are attempting to make it "impossible to prove Henriette Garrett's German extraction." They did not elaborate.

They said, however, that if they get their hands on the documents, they hope to prove their right to inherit the Garrett millions.

Reimann Promises Cooperation

WUPPERTAL, Germany, Aug. 28 (AP)—Max Reimann, veteran Communist leader, who is expected to lead his party in the new West German Parliament, said tonight the Communists now were willing to cooperate with all other parties in the interest of Germany.

He told a gathering of 300 Communist officials: "The Communist party is willing to unite with all Germans, no matter what ideology or economic conception they follow, so we may obtain the fulfillment of our three requests: The unity of Germany, the withdrawal of all occupation troops, and a just peace treaty."

Former Nazi's Citizenship Restored In East Berlin

Berlin, Aug. 28 (AP)—The Russians have restored full citizenship to all former Nazis in Eastern Berlin except a few known war criminals.

This was disclosed today by the Soviet-licensed *National Zeitung*, a newspaper that appeals frankly to one-time followers of the Nazi party philosophy.

The action was taken by the Communist-dominated government set up by the Russians during the blockade as a rival to the west Berlin city government.

Blanks Omit Question

The *National Zeitung* said the question blanks used for various functions dealing with the public have been reprinted without the customary question:

"Were you a member of the Nazi party or any of its affiliates?"

A decree was issued, supplementing this decision, saying:

"All members of the Nazi party and its organizations who did not commit any war crimes are given their political rights and their citizenship."

Voted Last May

The *National Zeitung* hailed this as a step forward and an "example for the solidarity of the national front in the Russian zone."

Former Nazis were allowed by the Russians to vote in last May's zonal people's congress elections, although the full citizenship rights had not been officially restored.

Western Berlin observers saw in the new move a possibility that the Soviets are girding for an all out political fight for control of Berlin's government.

The British-licensed *Sozialdemokrat*, organ of the Socialist party which won control of the west Berlin government last December, expressed concern. It said it had learned that east Berlin Communists are planning "a sabotage offensive" against the west government in the autumn.

Employes Dismissed

"East Berlin authorities and administrations have started to dismiss all their employés who live in west Berlin," the newspaper said. "Thus unemployment in west Berlin would assume catastrophic proportions."

The three western sectors, hit hard by the long blockade, now have more than 200,000 unemployed. The city's finances are in bad shape.

If the Russians squeeze out of jobs the 100,000 westerners who work in the Soviet sector, unemployment would surpass ten per cent of the population.

Candy Used in Safety Drive

WIESBADEN, Germany, Aug. 28 (AP).—Four hundred toy parachutes fell on Wiesbaden today. Each carried three candy bars. German youngsters who picked up the bars found they were the United States Air Force's way of opening a traffic accident prevention week. Leaflets told the youngsters how to behave on the streets.

Spy Plot Charged To Beran

Prague, Czechoslovakia, Aug. 28 (AP)—Justice Minister Alexei Cepicka accused Archbishop Josef Beran and his Roman Catholic bishops today of attempting to "organize a subversive network for espionage and sabotage."

The official of the Communist-led government threatened punishment for any Czechoslovak bishop or priest who tries "to carry out on Czech soil the orders of that inimical foreign power, the Vatican."

Cepicka spoke before a gathering of workers in Perdubice, about 65 miles east of Prague. The official Czech press agency estimated 60,000 attended. Cepicka's speech gave no details or evidence for his charges.

Another attack on the church was made by President Klement Gottwald, who addressed trade unionists at Podbrezova, in Slovakia.

Charges Plot For Reaction

"The enemies of the people are again creeping out of their holes," he said. "They speak about religion, but in reality they are trying to bring back the old reactionary times. They hold conferences beyond our borders to plot how they can again sell our country. But, in the interests of our children, we must not permit the return of misery and unemployment."

Also speaking at Podbrezova, Communist Premier Antonin Zapotocky declared "reaction has been defeated in Slovakia and the hopes of the capitalist states to stir revolt here are losing out."

Cepicka's speech was his first on the state-church controversy since July 15, when he threatened to prosecute for treason any Catholic clergyman who tried to execute the decree of Pope Pius XII for excommunication of militant Communists.

Broad Action Unneeded

One treason prosecution has been announced. The Rev. Alois Fajstl was sent to prison for eight years on a charge of refusing the last sacrament to a sick Communist woman.

But today Cepicka said broad-scale legal action against the Czech Catholic clergy would not be necessary because "only a handful is following the Vatican. He did not indicate how or when the Government intended to move against Beran, whom he previously had accused informally of treasonable and anti-state activities.

The new assaults indicated the Government might be opening its big push to win control of the church.

Greeks Rout Reds in Last Stronghold

Close Rebel Escape Route Into Albania

Entire Northern Ridge of Grammos Captured, 1,500 Guerrillas Taken

By The Associated Press

ATHENS, Aug. 28.—The Greek General Staff announced tonight that the Army has captured the entire northern ridge of the Grammos Mountains from retreating Communist guerrillas. A spokesman said the last possible way for the guerrillas to escape into Albania was being closed rapidly.

A special staff communique said the Army had advanced from 8,500-foot Mount Grammos down to Bouketsi. In the southern Grammos region, the Army crossed the Sarantaporos River and was on the heels of the retreating guerrillas.

Complete optimism prevailed among the Greek high command on prospects for a speedy completion of the offensive in the Grammos Mountains, the last stronghold of the guerrillas.

The Air Force is supporting the land forces—bombing, machine-gunning and strafing enemy positions and retreating columns. The planes flew 139 sorties yesterday.

1,500 Rebels Captured

An estimated 5,000 guerrillas were in the Grammos stronghold when the operation was launched. Approximately 1,500 rebels who survived the Vitsi defeat two weeks ago took part. They were captured today by a government division which closed the Baroukas River Valley escape route.

Lieutenant General Thrasivoulos Tsakaolotos notified Athens at 2:30 p. m. yesterday that the Battle of the Northern Grammos was won and that his men had sealed off the valley through which the rebels had hoped to retreat.

High-ranking officers expressed pleasure that rebel resistance was continuing. They said this would give them an opportunity to trap and destroy the remnants of the rebel army still at large.

The Ministry of Public Order said today police have rounded up fifty-three persons identified as members of a Communist organization in the Athens-Piraeus area for trial in a military court.

Minister Constantine Rentis said three of them made the raid June 18 on an Athens cafe in which four persons were wounded by a hand grenade.

Mr. Rentis said the group, long under police surveillance, had planned to assassinate the Athens radio director, blow up the Gendarmerie printing house and commit other crimes.

Greeks Take Mt. Grammos In New Drive

Athens, Aug. 28—(AP)—Greek forces captured Mount Grammos on the Albanian frontier today and were reported moving to link up with other government troops advancing

from the south.

The southern force was reported storming Mount Kamenik in the final phase of the offensive aimed at trapping and wiping out Communist-led guerrilla bands.

The 8,500-foot Mount Grammos is a peak in the Grammos range. Units which captured it had advanced four miles farther at noon, a general staff spokesman said. He predicted the last possible way for guerrillas to escape into Albania might be closed by nightfall.

Dispatches from the front last night indicated the army considered the guerrilla line of communication to Albania was cut. There remained one loophole, however, seven miles wide.

London, Aug. 28—(AP)—The Tirana radio complained today of new violations of Albania's borders by Greek government troops.

Albania recently announced she had protested to United Nations Secretary-General Trygve Lie that Greek forces had repeatedly invaded her borders. The Greeks have denied the charge.

The Albanian broadcast heard here reported a ministry of national defense communique issued last night said "Greek monarcho-Fascists pursued their acts of provocation against our country on Aug. 25, 26 and 27."

Detachments of Greek troops crossed the border both Thursday and Friday, but were thrown back by Albanian forces, the radio said.

Greek artillery shells fell on Albanian territory five different times in the three days, it reported, and Greek planes twice dropped bombs on the Albanian side of the border.

Party Under Turkish Escort

The climbers started from their base in this peasant village, located 20 miles from the Turkish-Russian-Iranian frontier. They were loaded with supplies and accompanied by a Turkish escort.

A hot summer that washed much of the snow and ice off Ararat was in their favor. The mountain normally is well shrouded.

The same conditions prevailed last year, when some peasants reported they had seen an object resembling a boat. The object had been uncovered by an unusually heavy thaw.

The Americans are Dr. Aaron J. Smith, 61, retired missionary from Greensboro, N.C.; Walter Wood, 36, development engineer, of Seacliff, Long Island N.Y.; Wendell Ogg, 24, of Knoxville, Tenn., physicist at the Oak Ridge Atomic Energy Plant; E. J. Newton, 46, interior decorater, of Colfax, N.C., and this correspondent.

Also in the party were Dr. Necati Dolunay, head of the archaeological branch of Turkey's Education Ministry, two army captains and two interpreters.

Incorporated In North Carolina

Smith, Wood, Ogg and Newton are members of the Oriental Archaeological Research Expedition, which Dr. Smith incorporated in North Carolina last February. They have been in Turkey nearly two months awaiting permission to approach Ararat, which is located in a highly militarized zone.

Dr. Smith, who spent years as a missionary in China, said he is certain the expedition would uncover the Ark. He insists that he has sufficient scientific data to prove the vessel that rode out the flood is on Ararat.

"Now Is Time To Prove It"

"It is this year or never," Dr. Smith said. "I know the Ark is there. Now is time to prove it."

Several other persons had intended to accompany the expedition, but for various reasons were not on hand when the climb began, Dr. Smith said.

These included Dr. Egerton Sykes, of London; Fred Avery, model ship builder for the United States Navy at Annapolis; Dr. J. O. Kinnaman, an archaeologist, of Long Beach, Cal., and Dr. Clifford Burdick, Tucson, (Ariz.) geologist.

Five Americans Begin Ararat Climb In Quest Of Noah's Ark

By EDWIN GREENWALD

Dogu Bayazit, Turkey, Aug. 28 (AP)—Five Americans started up Mount Ararat at dawn today to determine finally whether Noah's Ark is there.

It will be several days at best before any results are known. Mount Ararat is 16,000 feet high and broad in expanse. But the Ark, if there is one, should be somewhere about the 10,000 feet line.

Turkey granted permission for the climb in the face of strenuous Russian protests that the Americans were not bent on finding the Ark, but acting as spies. The mountain looks down on Russian territory from where, in 1916, came a Russian aviator who swore he saw on Ararat a ship identical to that of

SHOSTAKOVICH WORK PRAISES STALIN PLAN

MOSCOW, Aug. 28 (AP)—Dmitri Shostakovich has put music to a poem singing praises of Joseph Stalin's forestry program. His song of forests, an oratorio, was hailed in the newspaper Soviet Art today as a major composition by Russia's best known composer.

[Shostakovich has found himself out of tune with Kremlin art rulers twice, and censured for what was regarded as straying off the Marxist pitch in a musical way. He repented. He was a Russian delegate to the Communist-sponsored peace conference in New York last spring.]

The Soviet Art's Committee on Art Affairs said Shostakovich had scored the oratorio for words written by a well-known Soviet poet, Evgenia Dolmatovsky.

"It sings of the peaceful work of the Soviet people in realizing the great Stalinist plan for transformation of nature," the committee said.

That plan is a scheme for creation of forest belts, field by field, across the Soviet Union's richest farming areas to abolish droughts.

Soviet Art said Shostakovich took more than half a year writing his latest work for choir, soloists and orchestra. Most of his works are symphonies.

Miners Reassure Stalin

Moscow, Aug. 28—(AP)—Soviet coal miners promised Prime Minister Stalin today to fulfill the five-year plan by next December. They said they would be producing in that month at the rate provided in the plan for 1950—250,000,000 metric tons of coal annually.

(The output of United States mines is more than twice that.)

Chinese Reds Take Lanchow In Northwest

Spencer Moosa

Drive on Amoy on Coast; Nationalists Tell of Gains to the North of Canton

CANTON, Aug. 28 (AP).—The Chinese Nationalists reported continuing successes on the front northeast of Canton today, but they admitted Communist capture of Lanchow in the northwest.

Loss of Lanchow, capital of Kansu Province, was acknowledged officially, and private foreign reports said the Reds were pushing on rapidly westward in a full-scale drive toward Sining, capital of Tsinghai Province. Sining is 110 miles from Lanchow.

This defeat came as a blow to the Nationalists, for the Moslem armies in the northwest had been counted upon to continue Nationalist resistance to the Reds. Glowing accounts of Moslem successes against the Communists had been spread, and only forty-eight hours ago General Ma Pu-fang, northwest commander, had told reporters to come and see for themselves hwo well his troops were doing.

The National Defense Ministry announced it was pouring reinforcements into the port of Amoy, 330 miles northeast of Canton. The Red General Chen Yi, was said to be using six armies in a drive toward Amoy. They last were reported forty-five miles away. Capture of Amoy would pave the way for a drive along the coast of Kwantung Province, of which Canton is the capital.

Despite repeated army insistence on its ability to hold Canton, junior civil servants continued to be transferred to Chungking and to the island of Formosa. The radio administration warned that it would move much of its equipment to Formosa Sept. 1.

On the front 140 miles northeast of Canton, the closest Red approach—the Defense Ministry reported routing one division of General Liu Po-cheng's 14th Army. It said the Reds were retreating north under pressure.

In Hunan Province, the Nationalists reported recapture of Siangtan, 348 miles north of Canton and seventeen miles south of Changsha.

The official Central News Agency reported that General Fu Tso-yi, the man who surrendered Peiping to the Communists, had escaped and was seeking to get back in to Nationalist good graces. The agency said, without confirmation, that Fu had fled to Paotow, 350 miles west of Peiping, and that a radio message via Chungking had asked that the news be given to Generalissimo Chiang Kai-shek.

Asked whether Fu would be invited "home," a member of Chiang's entourage in Chungking said that since Fu had not himself informed Chiang, the answer would be deferred.

Chinese Refugees Get Homes

Manila, Aug. 28 (AP)—The Dominican Republic today issued entry permits for 250 international refugees from Communist China. The group will leave the Samar Island camp in about three weeks. About 1,000 others from the camp are to go to Australia, Paraguay, Ecuador and French Guinea.

Israel Is Willing to Join In a Jordan Development

AUG 28 1949

By The United Press.

TEL AVIV, Israel, Aug. 28—Israeli Foreign Minister Moshe Sharett said in an interview today his Government was willing to sponsor joint development schemes in cooperation with neighboring Arab states.

Asked whether he would be prepared to consider joint action with the Kingdom of Jordan on the Jordan Valley Authority scheme, Mr. Sharett said it was the "definite policy of Israel to be ready to sponsor joint development schemes in cooperation with neighboring governments."

Prerequisites for such cooperation, he added, were a "stable, mutually accepted peace" and the "willingness of the other party to engage in such projects."

100,000 Faithful Due

Tel Aviv, Israel, Aug. 28—(AP)—Tel Aviv newspapers said today up to 100,000 Roman Catholic Pilgrims are expected to visit the Holy Land in the 1950 holy year.

A number of holy places, including Bethlehem and the Church of the Holy Sepulchre, are in the Arab-held part of Palestine. Others, such as Nazareth, are in Israeli territory.

Flights to Lashio Banned

Burma Gives No Reason for Halt of Traffic to Shan State City

RANGOON, Burma, Aug. 28, (AP)—The Burmese government has banned all military and civilian plane flights to Lashio, in the northern Shan state. No reason was given. Lashio was the wartime terminus of the Burma Road to China.

A broadcast from "Radio Taunggyi," presumedly in the rebel-held capital of the Shan state, said American Consuls Robert L. Clifford and Ballard R. Donnell have arrived there to remove American citizens. It said all were safe.

BY JOSEPH DYNAN

STRASBOURG, FRANCE, AUG. 28-(AP)-A UNIQUE INTERNATIONAL PARLIAMENT, STILL LESS THAN THREE WEEKS OLD, IS ALREADY HARD AT WORK ON PROPOSALS FOR POLITICAL AND ECONOMIC UNITY OF THE OLD WORLD.

THIS IS THE COUNCIL OF EUROPE'S CONSULTATIVE ASSEMBLY, MADE UP OF 101 REPRESENTATIVES FROM 12 NATIONS, WHICH HAS BEEN MEETING HERE SINCE AUG. 10 TO STUDY MEANS OF PROMOTING EUROPE'S UNIFICATION.

NOW AT THE HALFWAY MARK IN ITS INITIAL SESSION--SCHEDULED TO CLOSE SEPT. 10--THE ASSEMBLY HAS EMERGED AS A DEFINITE ENTITY. IT HAS ALREADY DEVELOPED A CONSCIOUSNESS OF ITSELF AS A GROUP, AWARE OF ITS POTENTIALITIES AND EAGER TO EXPAND ITS AUTHORITY.

ASSEMBLYMEN HAVE RECEIVED AND ARE NOW EXAMINING IN COMMITTEE PROJECTS FOR A FEDERAL POLITICAL AUTHORITY, THE CREATION OF A SINGLE ECONOMIC DEPARTMENT FOR EUROPE, JOINT PUBLIC WORKS PROGRAMS, COMMON CITIZENSHIP, A EUROPEAN SUPREME COURT TO DEFEND HUMAN RIGHTS, A SINGLE POSTAL SYSTEM AND OTHERS.

SOME OF THE IMPETUOUSNESS NOTICEABLE IN THE OPENING DAYS HAS SLACKED OFF, BUT THE ASSEMBLY HAS INDICATED NO LETUP IN ITS DETERMINATION TO MAKE SOMETHING OF ITSELF.

FOLLOWING THE UNANIMOUS ELECTION OF BELGIUM'S PAUL-HENRI SPAAK AS PRESIDENT ON THE SECOND DAY, THE ASSEMBLY ASSERTED ITS INDEPENDENCE IN TWO WAYS.

IT PICKED BRITAIN'S LORD LAYTON AS VICE-PRESIDENT OVER WILLIAM WHITLEY OF BRITAIN, LARGELY BECAUSE WHITELEY IS A MEMBER OF THE BRITISH CABINET AND HENCE, IT WAS THOUGHT, SUBJECT TO GOVERNMENTAL CONTROL.

SPURRED BY ORATORY FROM BRITAIN'S WINSTON CHURCHI)), THE ASSEMBLY WRUNG AN IMPORTANT CONCESSION FROM THE FOREIGN MINISTERS' COMMITTEE (A SORT OF UPPER HOUSE) IN OBTAINING THE RIGHT TO ENLARGE ITS OWN WORK PROGRAM.

THE OPENING DAYS WITNESSED AN UPSURGE OF FEDERALISM AS SOME 40 REPRESENTATIVES SIGNED A RESOLUTION TO CREATE A EUROPEAN CENTRAL AUTHORITY WITH LIMITED FUNCTIONS BUT REAL POWERS.

CHURCHILL, A CONSERVATIVE, AND DEPUTY PRIME MINISTER HERBERT MORRISON OF THE BRITISH LABOR PARTY TOOK THE FLOOR IN THE SECOND WEEK TO URGE CAUTION AND CAREFUL STUDY. THE FEDERALIST RESOLUTION IS NOW IN COMMITTEE.

"I'M NOT AFRAID OF NEW IDEAS," SAID MORRISON. "I JUST WANT TO KNOW PRECISELY WHAT THEY ARE."

CHURCHILL SAID:

"WE MUST FEEL OUR WAY FORWARD, BUT WE MUST NOT ATTEMPT ON OUR PRESENT ELECTORAL BASIS TO CHANGE THE POWERS WHICH BELONG TO THE DULY CONSTITUTED NATIONAL PARLIAMENTS FOUNDED DIRECTLY UPON UNIVERSAL SUFFRAGE."

B4

CHURCHILL ALSO RAISED THE ASSEMBLY'S MOST PERPLEXING QUESTION--THE ADMITTANCE OF WESTERN GERMANY--AND URGED A SPECIAL SESSION IN JANUARY TO CONSIDER THIS. SEVERAL OTHER REPRESENTATIVES LATER JOINED IN DEMANDING A SPECIAL SESSION FOR OTHER REASONS, CHIEFLY TO TAKE UP ITEMS ON POLITICAL AND ECONOMIC UNITY.

MEANWHILE, THE ASSEMBLY APPOINTED ITS SIX STANDING COMMITTEES WHICH IN TURN ORGANIZED AND BEGAN TO WORK.

FRANCE'S PAUL REYNAUD ANSWERED CHURCHILL ON FEDERALISM WHEN HE ADVOCATED THE DIRECT ELECTION OF ASSEMBLY DELEGATES BY UNIVERSAL SUFFRAGE. THERE IS NOW A GROWING SENTIMENT AMONG FRENCH ASSEMBLYMEN FOR THIS IDEA.

FEDERALISTS NOW REALIZE THEY CANNOT ESTABLISH A UNITED EUROPE OVERNIGHT, BUT THE ASSEMBLY'S POLITICAL COMMITTEE IS EXPLORING THIS QUESTION AND INTENDS TO MAKE RECOMMENDATIONS NEXT MAY.

THE ASSEMBLY'S DEBATE ON ECONOMIC AFFAIRS EARLY THIS PAST WEEK REVEALED ALMOST UNANIMOUS DISSATISFACTION WITH THE MARSHALL PLAN'S EUROPEAN ECONOMIC COOPERATION ORGANIZATION (OEEC) FOR FAILING TO INTEGRATE EUROPE'S ECONOMY.

THE ECONOMIC COMMITTEE IS NOW STUDYING PROPOSALS AIMED AT PLACING THE OEEC UNDER THE EUROPEAN COUNCIL'S CONTROL.

HEADED BY SIR DAVID MAXWELL-FYFE, A BRITISH PROSECUTOR AT NUERNBERG, THE ASSEMBLY'S LEGAL COMMITTEE HAS DECIDED TO RECOMMEND AN INTERNATIONAL CONVENTION BINDING MEMBER STATES TO PRESERVE AND PROTECT BASIC HUMAN RIGHTS.

ANOTHER PROJECT LAUNCHED THIS PAST WEEK WAS A MOVE TO CREATE A PERMANENT ASSEMBLY STEERING COMMITTEE TO SIT IN STRASBOURG BETWEEN ASSEMBLY SESSIONS TO CARRY ON ITS WORK. SPONSORS REGARD SUCH A COMMITTEE AS POTENTIALLY THE NUCLEUS OF AN EVENTUAL EUROPEAN GOVERNMENT.

CHARTER MEMBERS OF THE COUNCIL OF EUROPE ARE BRITAIN, FRANCE, ITALY, THE NETHERLANDS, BELGIUM, LUXEMBOURG, SWEDEN, NORWAY, DENMARK AND IRELAND. GREECE AND TURKEY WERE VOTED INTO MEMBERSHIP BY THE MINISTERIAL COMMITTEE AUG. 8.

BAD GODESBERG, GERMANY, AUG. 28-(AP)-RUDOLF NADOLNY, FORMER GERMAN AMBASSADOR TO MOSCOW, SAID TODAY A PERMANENT ORGANIZATION WILL BE SET UP TO WORK FOR UNITY BETWEEN SOVIET-OCCUPIED AND WESTERN GERMANY.

THE DECISION WAS TAKEN AT A MEETING OF A SMALL GROUP OF GERMAN INDUSTRIALISTS AND POLITICAL FIGURES, HE TOLD A NEWS CONFERENCE.

GERMAN AND ALLIED REPORTERS PUT TO NADOLNY A BARRAGE OF QUESTIONS ON THE MOTIVES OF THE ORGANIZATION.

IN THE THICK OF IT, DR. ANDREAS HERMES, FORMER GERMAN MINISTER OF AGRICULTURE, CUT THE CONFERENCE SHORT BY SAYING ENOUGH QUESTIONS HAD BEEN ASKED.

THE MEETING AND THE NEWS CONFERENCE WERE HELD IN HERMES' HOMES.

ABOUT 20 OF NADONLY'S FOLLOWERS ATTENDED THE MEETING. IT HAD BEEN ANNOUNCED THAT 50 WERE INVITED.

DR. KONRAD ADENAUER, POSSIBLE CHANCELLOR OF GERMANY'S FIRST POST-WAR GOVERNMENT, HAD ADVISED GERMANS AGAINST ATTENDING ON THE GROUND THAT SUCH MOVEMENTS ALIENATE THE WESTERN ALLIES.

NADOLNY TOLD THE NEWS CONFERENCE THE MEETING HAD APPOINTED A COMMITTEE OF SEVEN, INCLUDING HIMSELF, TO SET UP THE "PERMANENT SECRETARIATE" FOR GERMAN UNITY.

ASKED WHETHER HIS GROUP'S GOAL IS NOT THE SAME AS THAT OF SOVIET PROPAGANDISTS, HE SAID IT IS BUT THAT THE MOVEMENTS ARE ENTIRELY SEPARATE.

NADOLNY DECLARED HE HAS NO CONNECTION WITH THE SOVIET GOVERNMENT. HE INSISTED THAT ALL NATIONALISTIC AND TOTALITARIAN TENDENCIES WOULD BE TURNED DOWN BY HIS MOVEMENT.

REPORTERS ASKED WHAT FORM UNITY WOULD TAKE--WHETHER THE SOVIET ZONE WOULD BE INCORPORATED INTO THE NEW WESTERN GERMAN FEDERAL GOVERNMENT, OR WHETHER WESTERN GERMANY WOULD ENTER THE SOVIET ZONE ORBIT.

HERMES REPLIED "THAT IS NOT A QUESTION TO WORRY ABOUT NOW." HE ADDED THAT WESTERN GERMANS ARE LIVING UNDER AN ILLUSION.

A70

"THEY THINK THAT THINGS WILL GO ON FOREVER THE WAY THEY ARE," HERMES SAID. "BUT THEY ARE LIVING ON AN ARTIFICIAL BASIS. MORE THAN 50 PER CENT OF THE FOOD THEY EAT COMES FROM THE OUTSIDE. THEY CANNOT LIVE FOREVER ON CHARITY. THE AMERICAN TAXPAYER IS NOT GOING TO SUPPORT GERMANY FOREVER."

NADOLNY SAID HIS UNITY MOVEMENT IS, IN EFFECT, CARRYING OUT A MANDATE OF THE LAST FOREIGN MINISTERS' MEETING AT PARIS.

HE SAID THE FOREIGN MINISTERS NOT ONLY DIRECTED THEIR OWN EFFORT TOWARD GERMAN UNITY BUT "ALSO WISHED TO INCORPORATE THE ASSISTANCE OF GERMAN CIRCLES IN REALIZING THIS GOAL."

NADOLNY DENIED SAYING IN A RECENT INTERVIEW THAT THE WEST GERMAN REPUBLIC WAS "A WHOLLY UNIMPORTANT PASSING APPARITION WHICH WE HOPE WILL SOON DISAPPEAR."

HE SAID A GOVERNMENT FOR WHICH THREE FOREIGN POWERS WORKED AND IN WHICH THE GERMAN PEOPLE TOOK PART COULD NOT BE CALLED "WHOLLY UNIMPORTANT." BUT HE REITERATED:

"NATURALLY, WE HOPE A WEST GERMAN GOVERNMENT IS ONLY A TEMPORARY AFFAIR."

TYDINGS BACKS ARMS-AID ITEM

Opposes Vandenberg Cut In Fund For Allied Factories

Washington, Aug. 28 (AP)—The Senate fight over the Administration's arms-aid program added intensity today with two major committees aiming at a showdown vote by midweek.

The Foreign Relations and Armed Services committees will have another go tomorrow at proposals for two major changes in the program, which calls for $1,450,000,000 cash plus sending surplus arms to strengthen other nations against any Russian aggression.

The two proposals involve a fight led by Senator Vandenberg (R., Mich.) for a $160,990,000 slash in the bill's $1,160,990,000 for European members of the Atlantic Alliance; and an amendment by Senator Knowland (R., Cal.) to mark non-Communist China in for assistance.

Tydings Opposes Vandenberg

Senator Tydings, chairman of the Armed Services Committee, came out today in opposition to the Vandenberg amendment. The biggest part of the cut Vandenberg wants would be $155,000,000 that President Truman is asking to step up arms production in western Europe.

Gen. Omar Bradley, chairman of the joint chiefs of staff, has testified this amount will enable pact members to retool existing factories and produce more than $700,000,000 worth of arms.

In a radio broadcast, Tydings defended this project. He said it is designed "primarily to help these western European countries obtain the means, the tools and the raw materials in some cases, to manufacture their own weapons, small parts and ammunition."

Wherry Repeats Criticism

"Without this," Tydings said, "we would have to do pretty much all of its ourselves. We cannot go on forever furnishing arms in large quantities, even to our friends. . . ."

Senator Wherry, Republican leader, reiterated his opposition to the whole present program in a radio speech.

Wherry, who has announced he will vote against the arms bill, contended it should be delayed until the defense council contemplated under the Atlantic Alliance is formed and makes recommendations for an overall program. He said he is opposed to 'piece-meal scattering of arms and armaments among treaty countries."

Another Republican, Senator Morse (Ore.), a member of the Armed Services Committee, indorsed the arms-aid plan in a radio interview.

Morse May Favor Some Cut

Morse said he intends to vote "for whatever the facts show are necessary" to provide military help for the pact nations until the defense council can organize and make recommendations.

However, Morse said that tentatively he feels Vandenberg is right in saying that "we do not need, for that interim period, the total amount of funds, or the total amount of implementation, provided for in the Administration bill."

Morse did not say which items he might favor cutting. He added that if Senate debate shows the full amount is needed he is going to vote for it.

Knowland's Effort For China

He said, "We cannot afford, from the standpoint of the security of the American people, to let our Allies in Europe face the Russian border without adequate military implementation to meet an immediate aggression."

Knowland has made plain that he intends to carry on the Senate floor his fight to have China "treated on the same basis as other nations in this bill." He has promised a "full-scale review of our policy in the Pacific" at that time.

He has proposed an amendment authorizing the President to supply $210,640,000 of military aid to non-Communist China, Korea, the Philippines and elsewhere in the Far East. This would mean an increase of $193,000,000 in the Truman program, which already carries some funds for Korea and the Philippines.

Administration Indications

Dean Acheson, Secretary of State, told Congress early this month that the Administration did not feel justified in asking more arms for China, but that a fund to be used in the Far East at the President's discretion would be helpful.

Within the last week there have been indications that Administration supporters in the Senate are willing to back $75,000,000 to $100,000,000 of such discretionary funds for the Far East.

Knowland is insisting that arms be provided specifically for China, however. The outcome when the two committees vote is uncertain.

U.S. May Let Britain Relax Loan Provision

Washington, Aug. 28—(AP)—The United States may grant the British permission to discriminate temporarily against American goods, government officials reported today. It would be a move intended to help Britain solve her current financial crisis.

Would Hit Exports

These officials, connected with the British-American-Canadian financial talks now in progress, said United States negotiators are "seriously considering" relaxing the terms of the 1946 British loan agreement to permit this.

Under this agreement, Britain got $3,750,000,000 from the United States in return for a promise to treat American exports the same as those from the empire countries and Europe.

The British are now reported to have requested the administration to ease article nine of the loan accord to halt some of the drain on its dollars and dwindling gold reserves.

These informants said the British feel they cannot put into effect a plan for boosting intra-European trade until the United States waives the terms of this article.

Administration officials are reported to believe this could be done without going to Congress for approval of the action. This would not be the first time the United States has relaxed the provision of the 1946 loan agreement to help the British.

In 1947, the treasury department freed the British from the obligation of converting all pounds into dollars on request, after a "run" on the British treasury threatened to deplete all of Britain's scarce dollar supply.

Snyder Undecided

Officials of the Economic Cooperation Administration and the State Department are reported urging Secretary Snyder to yield to this second request. Snyder is reported sympathetic but not quite sold on the idea yet.

Administration officials who favor granting the British this permission do not believe it by itself will solve Britain's financial problem. But they do believe it will help check the drain on Britain's reserves before they sink to $1,000,000,000, which is the immediate aim of the financial talks.

Officials gave this example of what could happen if the U. S. waived article nine as requested:

Britain could then for instance, refuse to issue a license to British buyers who want to buy American specialty goods such as fountain pens. But it could give "open licenses" to Britishers who, for example, wanted to import Italian fountain pens. Since the Italian fountain pens could be purchased with sterling, this would save Britain dollars.

No Alternative Seen

Administration officials acknowledged this would hurt some American exporters. But those in favor of the idea said there appears to be no alternative; that the stakes are now Britain's survival and its continued existence as an independent nation allied with the United States in the "cold war."

Negotiators on both sides took a day off today before resuming their "fact finding discussions" at the State Department tomorrow morning.

Undersecretary of State Webb, who heads the working group on the American side, is reported confident the negotiators will have no difficulty agreeing on the facts of the situation by Sept. 7.

At that time, Sir Stafford Cripps, British chancellor of the exchequer, and British Foreign Secretary Bevin are scheduled to sit down with Snyder and Secretary of State Acheson in an effort to reach some conclusions. Canada will be represented by Foreign Minister Lester B. Pearson and Douglas Abbott, Canadian finance minister.

Vaughan Testifies Tomorrow; Quiz Of Hunt, Bennett Sought

Washington, Aug. 28 (AP)—Two senators insisted today that the five-percenter investigation be held open until two much-discussed figures, James V. Hunt and David Bennett—both ill—can appear.

There was talk of a quick wind-up after this week's big show—the questioning Tuesday of Maj. Gen. Harry H. Vaughan, whose name has been linked with testimony about both Hunt and Bennett.

Hunt, self-described Washington management counselor, has just handed the Senate Investigating Committee a 6,000-word affidavit which included a statement that he never asked Vaughan to do anything more important than get some football tickets. But this affidavit only whetted the appetite of Senator Mundt (R., S.D.) who called it inconclusive.

Joins In Request

"We will have many questions to ask him about it, particularly regarding his relations with Vaughan," Mundt said.

He joined Senator Margaret Chase Smith (R., Maine) in urging that the committee not call a halt, but merely recess, in order to make an effort later to hear Hunt and Bennett.

Physicians have certified that both men are unable to testify at this time. Hunt's attorney told the committee his client would be glad to appear when his health permits.

Bennett heads the Albert Verley Perfume Company, of Chicago, which paid for seven home freezers which Vaughan sent to high Washington figures early in the Truman Administration. Vaughan, who is President Truman's army aide, said they were gifts to him through friendship.

Vaughan's Reaction Sought

The committee wants to hear Vaughan's side of testimony that also has linked him with a race track, molasses, perfume, windshields—and with John Maragon, another key figure of the inquiry described as having frequently acted in behalf of business men.

Concerning Vaughan, Mrs. Smith said:

"We want to know whether he denies or confirms the things that have been said about him at the hearings. The big question is whether he did all this to be a good fellow or for some other reason."

As for Hunt, he told the committee in his affidavit there was no truth about much of the testimony concerning him.

The committee has received testimony that Hunt got substantial fees in his business of helping others to deal with the Government, and that he claimed to have an inside track to the White House through Vaughan.

"Neat Job Of Timing"

Commenting on Hunt's affidavit, Mundt said that in his opinion it represented "a very neat job of timing in view of the fact that it comes out just two days before Vaughan is scheduled to testify." He added:

"My interest in wanting Hunt to testify as soon as his health permits has been magnified many times by his affidavit. It seems to me to be a very inconclusive document."

Vaughan will have a chance to discuss all the episodes in which his name has come up. Here are the principal ways in which Vaughan's name has entered the hearings:

1. The race-track episode.

Tighe Woods, housing expediter, testified that in January 1948 Vaughan called him to the White House and said some of his friends were interested in seeing that a permit for scarce materials was issued for work at the Tanforan race track in California.

Asked To "Please Hurry"

Woods said that a few days later Vaughan came to his office, accompanied by the president of the race track, and asked him to "please hurry." Woods granted the permit the next day.

2. The molasses case.

Herbert C. Hathorn, formerly of the Agriculture Department, testified that Vaughan tried to get the department to authorize more sugar for the Allied Molasses Company, of Perth Amboy, N.J.

Vaughan Helped Perfumer

Hawthorn said this company had been a "flagrant and wilful" violator of a rationing order. He said Vaughan was "rough" on him and made it clear he could get Hathorn's job. But he said Vaughan's request was turned down.

Hathorn and another Agriculture Department official both said John Maragon also came to them in behalf of the molasses company and that he implied he was acting for Vaughan.

3. The perfume case.

Committee investigators presented evidence to show that Vaughan wrote a letter of introduction for Bennettt, the perfume-firm head, who flew to Paris on an Air Transport Command plane in May, 1945, only three days after V-E day, and brought back essential oils.

Another letter was presented as evidence that Vaughan told the State Department in August, 1945 that President Truman was "personally interested" in seeing that Maragon visited Italy as a repre-

sentative of the Verley Company.

This episode came after Maragon flew to France in July 1945 in an air transport command plane—according to committee evidence and tried to bring through customs perfume oils disguised as bottles of champagne. Maragon paid a $1,155 penalty.

4. The home-freezer affair.

A Milwaukee manufacturer testified he sent freezers to Vaughan and other prominent persons in Washington in 1945 and that the bill was paid by the Albert Verley Compay.

Gifts From Old Friends

Vaughan then issued a statement saying the freezers were gifts to him from two old friends, David Bennett and Harry Hoffman (advertising agent for the Verley Company). Vaughan said he in turn made gifts of some of the freezers to friends of his. (One went to Mrs. Harry Truman at Independence, Mo.) Vaughan denied anything improper.

5. The windshields episode.

A statement by an Army ordnance colonel was introduced which said that last May 20 Vaughan's office asked the help of the Ordnance Department in expediting the final details of a windshield contract which had been let to the Austin Metal Products Company, of Detroit.

The army colonel also said a major under his command was summoned to the office by Louis A. Johnson, Secretary of Defense, where he was met in the reception room by Maragon. The statement said Maragon asked the major to do everything possible to assist with the windshield contract and stated that this was also Vaughan's desire.

Other Episodes

6. Other Maragon episodes.

Joe F. Major, congressional liaison man at the War Assets Administration, testified Vaughan got him his job there; that Maragon came over frequently in behalf of various companies.

Mission To Turkey

Washington, Aug. 28—(AP)—The World Bank announced today it is sending a five-man mission to Turkey to examine three projects for which the Turkish government is seeking a loan.

The projects are grain storage facilities, irrigation, flood control and electric power, and port construction and improvement.

Neither the cost nor the amount of the loan request was stated.

'Playboy' Vaughan Urged To Resign

French Lick, Ind., Aug. 28 (AP)—Gov. Henry F. Schricker, Democrat, calling Maj. Gen. Harry H. Vaughan a "playboy," last night said he should resign as President Truman's military aide.

The Governor made the statement in an extemporaneous address to the Indiana Democratic Editorial Association.

"If I were Harry Vaughan I would offer to resign from office," Schricker said. "That is the manly thing to do."

"The President has a great responsibility," he went on. "There is no reason why the President should be embarrassed by a playboy who wants to deal in deep freezes. There is too much at stake—the democracy you and I love."

"We must keep that or exchange it for a dictatorship," the Indiana Democrat declared.

The Governor prefaced his blast at Vaughan, who has figured prominently in the Washington five-percenter investigation, with this observation:

"Things are not smelling too good for the Democratic party in Washington these days."

Dulles Asserts Policy Skirts Road To War

Watertown, N. Y., Aug. 28—(AP)—Senator John Foster Dulles (R-NY) said today the present course of the United States "skirts, dangerously, the road to war."

He termed the nation's reliance on material and military might "dangerous," but added that "our leaders take that risk because they feel that there is no adequate alternative."

Dulles' statements were made in a sermon he delivered at the First Presbyterian Church. His father, the late Rev. Dr. Allen Macy Dulles, was once pastor of the church.

Strong Convictions Vital

Dulles told the congregation Communism and Fascism could be resisted successfully only by societies imbued with strong spiritual convictions.

Congress, he said, is working on great plans to halt Communism by giving economic and military aid "to those who we hope will resist." He added.

"It is, however, perfectly clear that these plans will not succeed if they merely put material things into the hands of men who do not have a spiritual faith and who do not feel a sense of human brotherhood and of social responsibility."

He declared:

"Today our nation is relying greatly on material and military might. That is dangerous. A nation that possesses a gret military establishment is likely to be influenced by the counsel of persons who believe in the inevitability of war or who believe that good ends can be gained by violent means.

"Policy makers work with the tools that, it seems, can be made available. Economic and military power can be developed under the spurt of laws and appropriations, but moral power does not derive from any act of Congress. It depends on the relation of a people to their god.

"It is the churches to which we must look to develop the resources for the great moral offensive that is required to make human rights secure and to win a just and lasting peace."

In viewing the world situation, Dulles said that if the barrier between Germany and Russia "crumbles there could easily come another Soviet-German offensive alliance, such as the one exactly 10 years ago today and which touched off World War II."

Reds Set Up Manchuria Regime

SAN FRANCISCO, Aug. 28 (AP).—The Chinese Communists announced today creation of a "Northeast People's Government" for Manchuria.

The Peiping radio, heard in San Francisco by The Associated Press, said a Northeast People's Congress had elected a forty-one-member government council headed by Lin Feng.

The Peiping radio announced that Mrs. Sun Yat-sen arrived in Peiping from Shanghai today and was greeted by Mao Tse-tung, Communist party Chairman, and the other high Chinese Reds.

RIOT IS PUT UP TO DEWEY BY ROBESON

Probe, Arrest Of 'Storm Troopers Who Incited To Violence' Demanded

AUG 28 1949

New York, Aug. 28 (AP)—Paul Robeson today demanded that Gov. Thomas E. Dewey order an investigation of the three-hour riot that broke up a scheduled concert by the Negro singer last night in Peekskill, N.Y.

Robeson also charged at a press conference that laxity of local authorities caused the riot, touched off by marching veterans' groups.

Similar calls for action by the Governor came from Representative Vito Marcantonio New York State American Labor party chairman, and officials of the Civil Rights Congress, a branch of which planned the concert.

Marcantonio Accuses Officials

Marcantonio said the attack on the concert "was organized with the direct knowledge and aid" of two Westchester county officials. He demanded that the Governor oust them.

Marcantonio said the two officials were Robert J. Field, county clerk, and Leonard Rubenfeld, assistant district attorney.

Neither Field nor Rubenfeld could be reached for comment.

The Civil Rights Congress, which has been listed as a subversive organization by Tom Clark, former United States Attorney General, demanded the arrest of several persons they said were "storm-trooper leaders who incited to violence."

The Congress also accused Peekskill and State police of staying away from the scene until the riot was well under way although they "were well aware of the fact that mob action was being planned."

Robeson Notes Burning Cross

John E. Hayes, Peekskill police commissioner, said his force took no action because the scene of the incident was two and a half miles outside the city limits and "the Peekskill police had absolutely no jurisdiction."

He said the local force was alerted to take care of any disorders "arising inside the city limits" as a result of the affair.

Robeson today referred to a cross burned near the scene and said:

"This is a part of Ku Klux Klan terror. Certainly the Department of Justice should be interested in investigating the American Legion and the Ku Klux Klan."

Meeting At Rosen Estate

Meanwhile, some 1,500 persons, many of them persons who went to hear last night's concert, gathered this afternoon at the estate of Dr. Samuel Rosen, at Katonah, N. Y.

The estate, about 10 miles from the scene of the riot, also was the scene of a rally for Wallace's Progressive party during last year's election campaign.

Mrs. Rosen said she had asked State police to send protection for today's meeting because of "a number of crank calls" and the fact that suspicious-looking persons had gathered near the estate.

Several State police were sent to the Rosen home and patrolled the roads.

Wallace Expresses Regret

The meeting voted to organize a "committee for law and order" in Westchester county and to send a delegation tomorrow to Governor Dewey and Nathaniel Goldstein, attorney general.

Henry Wallace, lecturing at a Young Progressive meeting in South Fallsburg, N.Y., issued a statement expressing regret that his home county of Westchester had joined "the roll of shame."

"I thought New York was immune to this kind of thing," Wallace said, "and I am sure that the State authorities will take prompt action to investigate the situation and prosecute all those responsible."

At the Robeson press conference, Benjamin J. Davis, New York city councilman, Negro Communist and one of the eleven defendants gathered at the foot of a hill near the estate.

Several state police were sent to the Rosen home and patrolled the roads leading to the estate.

Mrs. Rosen said the meeting was called to "protest the fascist violence" and to make plans for another public appearance by Robeson in Westchester Couty.

At the Robseson press conference, New York City Councilman Benjamin J. Davis, Negro Communist and one of the 11 defendants in the Communist conspiracy trial, said he would introduce a resolution in the council condemning the "shocking act of fascist violence against Paul Robeson."

Eight Injured

At least eight persons were injured, two seriously, in the fierce riot.

Robeson said the disorder was part of a "national terror" against negroes and progressives.

The rioting, he said, was "an invasion of civil rights, a major crime which I doubt if any American will place in the category of democratic procedure."

'I am not going to be frightened by any Legionnaires," the singer added. "They had better be careful."

Robeson said he went to Peekskill by train and was met by friends who drove him to the picnic grounds where the concert was to be held.

As they approached, the singer said, they noticed a disturbance, and that the concert area was dark and deserted.

Had to Restrain Robeson

When his friends learned that the rioting had started on the outskirts of the grove, Robeson said, they had to restrain him from leaving the car.

He said that at 8:45 P. M. (EST), more than an hour after the rioting began, he still was in the car, near the gate to the picnic grounds.

"The police arrived much later," he said.

Later, he said, he went to a friend's home in Peekskill and spent the night.

Stones hurtled through the air as an estimated 5,000 persons battled furiously along the dark dirt road leading to the wooded picnic grove where Robeson was to appear.

Veterans Smash Concert Stage

Autos were overturned. A vanguard of veterans smashed the concert stage, then set fire to some of the 2,000 camp chairs set up for the recital. As the fighting spread, a fiery cross blazed from a hillside above the picnic grove.

Robeson, frequently associated with left-wing activities, did not appear.

AUG 28 1949

William L. Patterson, executive secretary of the Civil Rights Congress whose Harlem branch was to benefit from the recital, said he intercepted the Negro singer and whisked him away to a safe place. This, he said, saved Robeson from "bodily injury" and "possibly lynching."

Broke Out Just Before Nightfall

Patterson called the demonstration "storm trooper violence."

The fighting broke out shortly before nightfall. It was more than three hours later before an emergency detail of 40 state troopers, a score of county officers and a squad of Peekskill patrolmen could quell the milling throng.

There were no arrests.

A New York State Police spokes-

man said the troop commander in the area is conducting an investigation of the affair but details of the investigation were not yet available.

He said investigating officers so far have reported that "nobody wants anybody arrested" as a result of the incident.

In Albany, the office of Gov. Thomas E. Dewey said he had no comment on the matter. Dewey was at his farm in Pawling, N. Y.

Beginning of Trouble

The trouble began when several veterans' groups, which had announced plans for a "peaceful" protest parade against Robeson's appearance, marched with blaring bands past the picnic grove a half hour before the concert was to begin.

The parade plans were announced by the Joint Veterans Council of Westchester County. The council includes the American Legion, Veterans of Foreign Wars, the Catholic War Veterans and Jewish War Veterans.

Clyde Lewis, of Plattsburg, N.Y., newly elected National Commander of the Veterans of Foreign Wars, said today that neither national nor state units of the VFW had anything to do with the Peekskill rioting.

At a press conference following his return to New YYok from the annual VFW convention at Miami, Fla., Lewis said:

"It was a spontaneous demonstration by the local post of the Veterans of Foreign Wars working in conjunction with other groups of the area. If there was any lawlessness, the unlawful will have to answer to the community. The Veterans of Foreign Wars does not advocate lawlessness, it does, however, believe in peaceful demonstrations."

War Veteran In Hospital

William Secor, 24-year-old veteran of Mohegan, was in Peekskill hospital after being stabbed in the side during the wild melee. The other seriously injured victim was William Bybel, 44, of Croton Point.

Hospital attaches said Bybel was clubbed. He was treated for cerebral concussion and left the hospital today against physicians' wishes.

Six other persons, including both Whites and Negroes, were treated for bruishes and cuts at a hospital.

The crowd was predominantly White.

State troopers patched together this story of the riot and the sparks that kindled it:

As the vets swung up the narrow dirt road leading to the picnic grove, several hundred persons, already gathered for the concert, moved to block their path.

The two groups collided and the battle was on. Men and women fell to the ground. Others slipped off to cower in the protection of the nearby woods.

Throw Up Road Blocks

The veterans quickly threw up road blocks to check escape, but late-arriving concert-goers streamed to the aid of the besieged and the fighting raged even more furiously.

During the height of the battle, 10 cars were overturned and one was pushed off an embankment. An unidentifed Negro was reported beaten and then hurled over a fence into an adjoining cemetery.

At one point, several veterans mounted the stage and forced a frightened woman pianist to play "Yankee Doodle" and the National Anthem. Another grouped ripped the platform apart and started a bonfire, throwing the seats on the flames.

As the rioting swirled in all directions, commanders of the veterans shouted vain, unheard orders for their men to disband.

Only Four Sheriffs On Hand

Four deputy sheriffs were the only law-enforcement officers at the scene when the fighting erupted. The disorders subsided rapidly with the arrival of state troopers.

Several hours before the concert an American Labor Party group sent a telegram to State Attorney General Nathaniel Goldstein asking police protection. Goldstein could not be reached for comment today.

Patterson charged that the anti-Robeson demonstration was backed by the "official forces of Westchester County." AP

French Cabinet Officer To Address Legion

New York, Aug. 28 (AP)—Robert Betolaud, French Minister of Veterans, arrived today from Paris by plane en route to the American Legion's convention in Philadelphia.

Ark Believed Half Size Of Queen Mary

New York, Aug. 28—(AP)—Noah's Ark, which five Americans are seeking on Mount Ararat in Turkey, measured about half the size of the big liner Queen Mary, according to the Ark's dimensions given in the bible.

In the book of Genesis, Noah was directed to build an ark in preparation for the flood. He was told: "The length of the ark shall be 300 cubits, the breadth of it 50 cubits, and the height of it 30 cubits."

A cubit is 17.85 inches, making the ark, 439 1-2 feet long, with a beam of 73 1-4 feet and a height of 44 feet.

The liner Queen Mary, one of the world's largest, is 975 feet long.

Biblical historians generally set 2348 B. C., as the year the ark made its trip.

Group To Oppose Trial Of Reds

New York, Aug. 28—(AP)—Formation of a countrywide organization to oppose the conspiracy trial of top Communist officials was announced today.

It is called the "National Nonpartisan Committee to Defend the Rights of the 12 Communist Leaders."

Negro singer Paul Robeson and Judge Norval K. Harris of Sullivan, Ind., were listed as co-chairmen.

They said the committee is composed of "public figures of varied political and religious beliefs" who oppose the "attempt to try in a court of law a political philosophy, judgment on which can properly be passed only by the electorate."

Other officers listed were Elwer Benson of Minnesota; Grant Oakes of Illinois, president of the Farm Equipment Workers; Father Clarence Park, Chicago; Mrs. Modjeska Simkins, Columbia, S. C.; Prof. Louise Pettibone Smith, Wellesley, Mass.; Theresa Robinson, Washington, D. C., and novelist Howard Fast.

The announcement said the committee will stage meetings, publish literature, sponsor touring speakers and raise funds in behalf of the Communist leaders on trial.

Truman Promises to Aid Britain in Dollar Crisis

Sound Economy Essential to Peace, He Tells Legion Convention

PHILADELPHIA, Aug. 29 (AP)—President Truman pledged Great Britain today that the United States will help in her hour of financial crisis.

The president spoke to a crowd of 15,000 at the American Legion's 31st national convention after a roaring, confetti-spattered welcome by 100,000 Philadelphians and visitors. He said the U. S. will examine Britain's plight in a "spirit of friendliness and helpfulness."

British and Canadian representatives are coming to Washington next week to seek U. S. air in solving the British dollar shortage.

Gives 4-Point Program

The president laid down this four point program he said "must be carefully kept in mind" in these talks:

1—"That a sound and expanding economy is essential to world peace."

2—"That we are trying to expand the exchange of goods and services among nations. xx We are not looking for trick solutions to deep-seated problems."

3—"That we cannot succeed xxx unless we keep everlastingly at it."

4—"That the democratic nations are not proposing to interfere with one another's internal politics."

Mr. Truman rode in an open car through Philadelphia streets on his arrival from Washington. A crowd estimated by police at 100,000 watched the president's motorcade, showering paper and confetti on him from downtown skyscrapers.

"It was a wonderful turnout," said the president. He called attention to Philadelphia's First City Troop, famed horse guard which led the motorcade.

"It makes a horse artilleryman homesick," the president said, "to see horses once more in use."

Given Legion's Highest Honor

Mr. Truman received the American Legion's highest honor, the distinguished service medal.

Secretary of Defense Louis son presented the medal to Mr. Truman, stating that the president is "the first Legionnaire with active military service" to become president and also win the medal.

The late Franklin D. Roosevelt was awarded the Legion's medal posthumously.

Johnson said that Mr. Truman, who served with Battery D, 129th Field Artillery in World War One, "has never forgotten that he once served in the ranks. x x x He knows what it is to be a little fellow."

"The whole world looks to America, under your leadership, to hold the peace," the defense secretary said.

The president in accepting the medal from Johnson, told the delegates:

"I am reminded that I have been in this hall before——for a different purpose."

It was nearly a year ago when the Democratic national convention, meeting in the same convention hall, nominated Mr. Truman for the presidency.

Today it was not quite so hot as it was in the sweltering, jam-packed hall the night Mr. Truman was nominated. Nevertheless the Legion delegates quickly shed their coats as the convention got underway and it was a comfortable, shirt-sleeved crowd to which Mr. Truman delivered the speech he labeled earlier as one on "international affairs affects the welfare of the nation in days to come."

Cites World Trade Needs

The president told Legionnaires that "world trade is now seriously out of balance."

He called attention to the "terrible after-affects of war" and "the attempt of organized communists to achieve economic and political domination of the world through the misuse of the desires and aspirations of mankind."

To meet this crisis, Mr. Truman said, the U. S. has adopted short-range and long-range programs. He called the European recovery program our short-range answer. The long-range program is four-fold:

1—"Encouraging American business to make productive investments abroad in increasing volume."

2—"Planning to help the people in under-developed areas learn modern industrial and agricultural methods."

3—"Continue our well-establish-policy of negotiating reciprocal trade agreements in order to reduce barriers to international trade."

4—"Encouraging closer regional ties among nations in order to lower trade barriers and increase production."

"The free nations have overcome the danger of immediate postwar collapse, but we have not yet achieved the sound and expanding world economy that is necessary for lasting prosperity and peace," he said.

"This larger task is the one that now confronts us."

Raps "Politics" Moves

Mr. Truman said without naming names, that "certain newspapers and politicians" have "deliberately stirred up x x x misunderstanding and misinformation about our international economic policy."

They did this, the President said, "for political reasons."

The free nations of the world must use their resources and manpower to create a "continually expanding and productive international economy," Mr. Truman asserted.

"Without foreign trade, many of our industries would suffer. Without foreign trade, for example, it would be difficult, if not impossible, for us to develop atomic energy."

"Moreover, we need to sell many things abroad. Our prosperity would be seriously damaged if the export of our products x x x were cut off."

To overcome the logjam which has disrupted the world's economy, the President said we must "not return to the economic nationalism" which followed the first world war when "each nation erected trade barriers to keep out the products of other nations."

These "dog eat dog" policies were "self-defeating," the President said. "They helped to bring on the worst depression the world has ever seen."

Mr. Truman's speech started the convention on four busy days that will wind up Thursday with election of a new national commander to succeed Perry Brown of Beaumont, Tex.

Green Warns Soviets

William Green, president of the American Federation of Labor, told the convention in a speech following the President's that "Soviet Russia's hopes of preparing the way for world revolution by first capturing control of organized labor is doomed to failure."

And Maj. Gen. Lewis B. Hershey, head of selective service, said that by next June "the people of this nation must make the choice among selective service, universal military training or no preparation at all."

With the first flurry of speech-making out of the way, the delegates moved en masse tonight from the hall to downtown streets and hotels.

An hour after Mr. Truman went back to Washington the first convention parade was under way with the members of the 40 and 8, fun and honor organization of the Legion, cavorting in the free-and-easy fashion they have made famous.

At Municipal stadium ten crack drum and bugle corps, survivors of the day's eliminations, competed in the championship test that is the top honor for Legion musical organizations.

There will be no convention sessions tomorrow. The entire day is set aside for the gigantic Legion parade scheduled to march at 10 a. m., and likely to still be on the move at midnight.

Wednesday will be devoted to convention action on resolutions and Legion policy.

Truman's Attitude Acclaimed

LONDON, Aug. 29 (AP)—The British Foreign Office said in a statement tonight that President Truman's pledge of United States "friendliness and helpfulness" toward the British, made in his Philadelphia speech, was "most helpful and encouraging for the success" of the Washington talks.

"The point of view expressed by the President is fully appreciated and shared in London," said the statement.

Philadelphia, Aug. 29 (AP)—Following is the text of a speech delivered by President Truman today at the American Legion's annual convention:

I am happy to be with the members of the American Legion again at their annual convention.

I am very proud to be honored by you with the American Legion Distinguished Service Medal. There are many fine things about this medal, and one of them is that it has no political implications. I shall prize it highly, and try to live up to what it means to you and to me.

At the Legion convention last year, I talked to you about your Government's efforts to achieve world peace based on freedom and justice. Today, I am going to talk to you again about peace, because I think that is the most important thing in the world, and I know you agree with me.

Last week at Miami, before another convention of veterans, I discussed our efforts to protect nations against aggression and to preserve the principles of the United Nations. I talked about our collective-security agreements and the necessity of providing military aid to other countries to support those agreements.

World Economic Policy

Today, I would like to talk about another equally important aspect of our efforts to achieve a lasting peace—that is, our international economic policy.

I find that there is a good deal of misunderstanding and misinformation about our international economic policy. Some of this is deliberately stirred up by certain newspapers and politicians for political reasons. Some of it is due to the fact that the economic problems of the world seem to be distant from our daily lives and hard to understand.

World economic problems are undoubtedly complex. But their importance to us is very clear.

World prosperity is necessary to world peace. Furthermore, world prosperity is necessary to our own prosperity in the United States.

If these facts are kept in mind, it will be easier to understand what this country is trying to do.

Three New Problems

In working for prosperity in the postwar world, the nations of the world face new problems—and greater ones than they have ever faced before.

They are suffering from the terrible after-effects of the war, which caused an almost complete breakdown of European industry and of world trade. There is also the rising demand of men all over the world for independence, and for a greater share of the good things of life which only a restored and expanding economic system can bring.

Added to these two problems there is a third. That is the attempt of organized Communists to achieve economic and political domination of the world through the misuse of the desires and aspirations of mankind.

These problems require the combined efforts of the free nations. Together, we must repair the damage of war, complete the restoration of the economy of Europe, and revive world trade.

Mistakes After First War

We must go forward to establish an expanding world economy in which men everywhere can work to satisfy their desire for freedom and a better life. We must demonstrate that the economic system of the free nations is better than the system of communism.

The free nations are determined to avoid the mistakes of the past. The roots of the present economic problems go back to the first World War.

After that war, the nations of the world made the mistake of following narrow and shortsighted policies of economic nationalism. Each country working for its own selfish interest, tried to get the best of the others. Each nation erected trade barriers to keep out the products of other nations. Each nation tried to dump its own products in foreign markets.

These policies were self-defeating. They achieved neither national nor international prosperity. Instead, they helped to bring on the worst depression the world has ever seen.

Penalties Of Depression

Factories closed down all over the world. Ships lay idle in harbors. Surplus crops rotted in the fields. Unemployment grew and hunger became widespread.

In every country, there were hundreds of thousands of young men and women without jobs and without hope for the future. Many of these young people became the prey of unscrupulous demagogues. They joined the black shirts of Italy and the storm troopers of Germany. They were the tools of the Japanese militarists. In the end, the marched to war under the bloody banners of those dictatorships.

Before the end of World War II, we resolved that the international economic chaos which had led to war should not occur again. We knew that permanent peace could not exist if the nations of the world resumed the policy of dog-eat-dog.

Consequently, the United States joined with other nations to prepare for a peaceful economic world.

Postwar Economic Plans

The International Monetary Fund was set up to deal with exchange and monetary problems among nations. The International Bank was established to provide investment capital for reconstruction and development.

In our proposals for a world trade organization, the United States outlined a method for breaking down the trade barriers which had strangled world commerce in the period between the wars.

As the war ended, we made billions of dollars available to relieve suffering and repair the damage of war.

These were good beginnings. Never before in history had nations made such careful, long-range plans for a better economic future.

Shortly after the war ended, however, it became apparent that the economic life of the world was more badly disrupted than any one had expected.

Soviet Obstructionism

Still further difficulties were created when it became clear that the Soviet Union would not join in working for world economic recovery.

The Soviet Union was hostile to European economic co-operation. It refused to join in the European Recovery Program, and prevented its satellites from joining. Its aggressive foreign policy created alarms and fears that hampered recovery.

On every hand there was evidence that the policy of the Soviet Union was aimed at prolonging the distress and suffering of the free nations.

If we had been discouraged by these difficulties and had abandoned our efforts, the results would have been disastrous. Once again the streets of Europe would have been filled with crowds of hungry and hopeless men and women.

Once again, unscrupulous agitators would have used these angry millions to create tyranny and slavery.

Immediate Collapse Avoided

But the free nations did not let this happen. We went ahead with our recovery programs. As a result, production has risen greatly in Europe. Men and women there have jobs and food and a belief in the future. They know that the democratic way is the way of hope.

The free nations have overcome the danger of immediate postwar collapse, but we have not yet achieved the sound and expanding world economy that is necessary for lasting prosperity and peace.

This larger task is the one that now confronts us.

The free nations have the resources and the means to accomplish this task.

Together, they have most of the industrial capacity of the world. They have vast supplies of raw materials. They have industrious and skillful populations. The free nations together have all the elements necessary to provide a better way of life for mankind.

Need Of Common Action

What is needed is to draw these elements together into a continually expanding and productive international economy.

Such a world economy is vital, not only to the cause of world peace, but also to our own national prosperity and security.

We in the United States depend upon foreign countries for many vital minerals and other raw materials. Without foreign trade, many of our industries would suffer. Without foreign trade, for example, it would be difficult, if not impossible, for us to develop atomic energy.

Moreover, we need to sell many things abroad. Our cotton, our wheat and our tobacco, for example must have foreign markets. Our prosperity would be seriously damaged if the export of our products were cut off.

We cannot, therefore, fall back into economic isolationism. Instead, we must take every action we can to bring about more trade, expanding markets, and growth and development in other countries as well as our own.

Unbalance Of Needs

One of the most serious difficulties we face is the fact that, at present, foreign nations need to buy more things from us than we need to buy from them. They have called upon us for food and raw materials in unprecedented amounts. Furthermore, many countries need equipment and machinery, which only we can supply, if they are to develop their own resources and raise their own standards of living.

The urgent demand which foreign countries have for these things far exceeds their present capacity to pay for them. As a result, world trade is now seriously out of balance.

We have both short-range and long-range plans for meeting these difficulties. We will continue the European Recovery Program as our principal means of meeting emergency needs for the next three years. At the same time, we are moving ahead with long-range measures.

American Investment

We are encouraging American business to make productive investments abroad in increasing volume. Through such investments, foreign countries, — particularly underdeveloped areas — will be able to obtain the equipment they so desperately need.

We are also planning to help the people in underdeveloped areas learn modern industrial and agricultural methods. By this means, they will be able to double and redouble their production. By this means, they will be able to make an increased contribution to an expanding world economy and a balanced world trade.

In addition, we must continue our well-established policy of negotiating reciprocal trade agreements in order to reduce barriers to international trade. These agreements enable use to buy more from other nations at the same time that they help to maintain new markets abroad for our products. We must increase our buying abroad if we are to achieve a balanced world trade.

Europe's Move For Unity

Furthermore, we are encouraging closer regional ties among nations in order to lower trade barriers and increase production.

The nations of Europe, under the stimulus of our aid, are working toward closer ties of economic union. Already, through the organization of European economic co-operation, they have begun to make joint decisions that affect their basic economic policies.

In the Council of Europe, now meeting at Strasbourg, more far-reaching measures of European union are being considered.

Closer economic union means a difficult period of transition for the countries that enter into it, but it is essential for a better world. The United States will do what it can to aid the European nations to achieve greater unity.

As we go ahead with these long-range measures for a stable and growing world economy, we shall have to adjust our actions to changing conditions.

British Economic Talks

We shall need to be alert to new developments, and turn to advantage every possible resource.

We shall be concerned in the months immediately ahead with certain special and urgent problems arising out of the present unbalanced state of world trade. Representatives of the United Kingdom and Canada will soon be here to discuss some of these problems.

We look upon these talks as discussions among friends about problems which affect all of us, and in the solution of which we all have a common interest.

The people of this country are well aware of what the war meant to Great Britain and of the stresses and strains which have been laid upon the British people in recent years. The representatives of the United Kingdom will find here a warm personal welcome and may be assured that these mutual problems will be examined by us in a spirit of friendliness and helpfulness.

Four Underlying Principles

In our discussions with the representatives of the United Kingdom and Canada, as in our approach to problems with other nations, we must keep clearly in mind the basic underlying principles upon which the economic policy of the free nations must be based.

The first principle which we should clearly understand is that a sound and expanding world economy is essential to world peace.

International economic discussions revolve around such prosaic things as tobacco and rubber and rates of interest and the value of currencies. But, behind all these, lie the great objectives of satisfying the material and spiritual needs of mankind and preserving democratic freedom.

"On A Business Basis"

The second principle which should be clearly understood is that we are trying to expand the exchange of goods and services among nations.

Sound and prosperous relations among nations rest upon the exchange of goods and services on a business basis. We are not engaged in a charitable enterprise. We are not looking for trick solutions to deep-seated problems.

The third principle is that we cannot succeed in creating a sound and expanding world economy unless we keep everlastingly at it.

There are times, no doubt, when we shall become impatient or annoyed by delays and obstacles. But we cannot throw in our hand and walk out of the game. Nor can any other nation afford to do so.

The path of mutual adjustment and combined economic effort is not an easy one. The economic interests of nations are not easily reconciled. No group can get all it wants. But there is no other way to the solution of our difficulties than the way of mutual concession and co-operation.

Avoiding Interference

The fourth principle is that the democratic nations are not proposing to interfere with one another's internal politics.

We know very well how we would feel if some foreign nation tried to tell us how to vote.

We recognize that each nation has its own political problems and that it uses different political labels and different slogans from those we use at home. In the same way, nations have different business practices and different governmental devices for achieving the same economic ends.

A community of democratic nations cannot insist on uniformity in matters of politics or business. The only uniformity on which they can insist—and this is what binds them together as free nations—is a firm adherence to democracy, coupled with a common desire to improve the standard of living of all their citizens.

On the basis of these four principles, the free nations of the world can solve the difficulties which confront them. On the basis of these principles, they can achieve their goal of a sound and expanding world economy.

Contributions To Peace

There is one more thing for us, as Americans, to remember. Our country is the most important economic unit in the world today. The future of the world depends upon the continuation of our own economic growth and development. If we can continue to increase our national income, and to raise our standards of living, the solution of international economic problems will be far less difficult.

Every one of us has a responsibility in building a peaceful world. We can contribute to that cause in our daily lives, in our jobs, in our thinking. We contribute to peace when we work for the prosperity and growth of the United States. We contribute to peace when we reject the claims of those selfish interests, here and abroad, that would turn us against the cause of international co-operation. We contribute to peace when we ask for divine guidance and help for the efforts of mankind to establish understanding and good will among the nations of the world.

Germans' Reports Discount Soviet-Yugoslav War Rumor

AUG 29 1949

Berlin, Aug. 29 (AP)—Western intelligence agents received reports today that the Soviet Government is resolved to use any measure short of war to liquidate Marshal Tito of Yugoslavia.

The reports, originating with Germans friendly with Russian officials in eastern Germany, said an attempt will be made to dispose of the defiant marshal within six months.

The information cast doubt on speculation that Russia may lead her satellites in a direct attack on Yugoslavia. A Cominform-inspired revolt within Yugoslavia or a plot to assassinate the Yugoslav leader were described as the more likely methods.

Assistance Council Meets

The reports coinsided with the announcement at Sofia that the Economic Council of Mutual Assistance, a group of seven East European countries organized last January to counter the Marshall plan, had taken "necessary decisions" at a meeting in the Bulgarian capital.

The council includes Russia, Bulgaria, Albania, Hungary, Poland, Romania and Czechoslovakia, all of whom are engaged in a campaign of economic pressure against their former Cominform sister, Yugoslavia.

The announcement said the representatives of the seven countries met three days, August 25 to 27, inclusive. Moscow dispatches said a meeting of that length indicated important decisions had been taken.

Belgrade Ignores Most Rumors

Belgrade dispatches, meanwhile, said Yugoslavs showed no outward signs of worry over the possibility of a shooting war.

The Balkan cold war of nerves apparently had Yugoslavia less upset than most of the rest of the world. Possibly this was because the Yugoslav press had not printed most of the rumors circulating elsewhere.

Yugoslav spokesmen either denied or treated as "only rumors" reports that:

1. Two divisions of Yugoslav troops were sent into Istria, former Italian territory, to prevent sabotage following a fire in the Fiume oil refinery there.

2. Three divisions of Soviet mechanized troops have been moved from Romania into Hungary and up to the Yugoslav border.

3. Yugoslavia challenged the right of Russian gunboats to sail up the Danube through Yugoslav territorial waters.

Report On Macedonia

About the only report not denied in Belgrade was the one from Istanbul, Turkey, where diplomatic and intelligence sources said Tito is steadily massing his armed forces in Macedonia, in the south, where they would be in a position to fight a simultaneous effort from Bulgaria and Albania to slice the country in two. Yugoslav forces there were said to total 150,000 men, well-equipped and on a war footing.

Cominform agents have been stirring up talk of a united Macedonia made up of parts of Yugoslavia, Bulgaria and Greece. The Istanbul reports said Soviet officers, technicians and military

equipment had arrived in Albania and roads were being built to the Yugoslav border.

In Belgrade it was acknowledged that the armed forces are on the alert and have been since the Cominform read Tito out of the Communist party fifteen months ago. The actual disposition of troops remained one of the secrets Yugoslavia is trying to keep, however.

Germans Slip Into U.S. Zone

Meanwhile the American Military Government here announced that five Soviet zone German policemen slipped into the United States zone at Hof today. They said they had fled to escape service with Communist guerrillas in Greece.

One of the escaped policemen said a recent Russian order called for all unmarried members of the people's police who are under 25 to be recruited for military service in Greece. West German newspapers recently reported that Soviet zone policemen also were being sent to garrison the Yugoslav border.

Germans Report Russian Plans To Kill Tito

Berlin, Aug. 29 (AP)—Western Allied intelligence officers in Berlin received fresh reports today that Soviet Russia will attempt to liquidate Premier Marshal Tito, of Yugoslavia, within six months.

They said these reports, circulated among Germans friendly with Soviet officialdom in Eastern Germany, stressed that Tito's assassination or a Russian-inspired internal revolt are the most likely prospects.

The reports cast doubt on speculation that Moscow would lead Soviet satellites in Southeastern Europe in a direct military attack against Yugoslavia.

15,000-Word Economic Plan Adopted by British Cabinet

Proposals Cripps and Bevin Will Take to Washington Are Perfected—Government Bonds Slump as Leaders Meet.

London, Aug. 29 (A. P.).—Prime Minister Attlee's Labor Cabinet approved today a 15,000-word plan for dealing with Britain's economic crisis.

Sir Stafford Cripps, Chancellor of the Exchequer, and Foreign Secretary Bevin will take the plan to Washington this week for talks with United States and Canadian leaders on the dollar problem.

Just what specific steps Britain will propose for joint action in bolstering her sagging economy remained secret. It was not disclosed whether the Cabinet made any substantial changes in the plan as drafted by Treasury, Board of Trade and Foreign Office experts.

The Ministers met for four hours and ten minutes, with a break for lunch.

News of the Cabinet meeting brought a slump in Government bond prices on the London Stock Exchange after a week of gains. Brokers attributed the decline to renewed talk that the value of the pound sterling may be cut as one of the dollar crisis remedies. Some bond issues with a par value of £100 ($400) were down as much as 15 snillings ($3) in midafternoon.

May Last All Day

Partly because of known differences between Sir Stafford Cripps at the Treasury and Ernest Bevin at the Foreign Office on the right approach to the problem, the closed-door Cabinet talks were expected to last all day.

The two men will sail for New York on Wednesday.

Meanwhile, the *Financial Times* estimated today that the gold and dollar working capital of Britain and the rest of the sterling nations has dwindled by around $400,000,000 since the end of June.

Reserves Decrease

That would leave about $1,200,000,000. In the Spring of 1948, the Treasury said $2,000,000,000 was the rock-bottom safe minimum. The reserves at the end of 1946 totaled $2,656,000,000. They have gone down steadily since.

There have been suggestions abroad that one way for Britain to stop the drain would be to cut the price of her goods by devaluing the pound. In theory, that should step up exports.

The pound is now pegged officially at $4.03.

Sir Stafford's View

Sir Stafford contends that any increase in sales to the dollar area from devaluation would be offset by the added cost of British imports. The *Financial Times* commented:

"Unless the drain on the gold reserve is taken in hand forthwith, devaluation of the currency will be accomplished by the processes of the market, whether we like it or not."

John Strachey, Minister of Food and Hugh Gaitskell, Minister of Fuel, took part in the Cabinet meeting, although they are not members.

Speculation On Food, Gas

This led to speculation that cuts in dollar purchases of gasoline and food were being discussed.

After an adjournment for luncheon, the Cabinet went back into session with heads of the Army, Navy and Royal Air Force present.

Sir Stafford already has told department heads to get set for a five per cent cut in Government spending next year. The armed services account for a quarter of this year's budget of £3,000,000,000 ($12,000,000,000) and figure to be a main target for the Cripps economies.

Among Leaders Present

Service heads present were General Sir William Slim, of the army; Lord Tedder, chief of the air staff, and Vice Admiral Sir John H. Edelsten, vice chief of the naval staff.

Also present were War Minister Emanuel Shinwell and Arthur Henderson, Secretary for Air.

Yugoslav Correspondent Expelled By Budapest

London, Aug. 29 (AP)—Tanjug, the official Yugoslav news agency, said tonight its correspondent in Budapest had been ordered to leave Hungary within 48 hours.

"Authorities did not give one single plausible reason for this decision," it said in a broadcast heard here.

Yugoslavia and the Russian-dominated Cominform nations, of which Hungary is one, have been on the outs since Yugoslav Premier Marshal Tito was expelled from the Cominform last year for "nationalistic tendencies."

Britain Cuts Down On Free Eyeglasses

London, Aug. 29 (AP)—In an attempt to cut down the backlog of orders for free glasses, the Ministry of Health today announced it would give each patient only one pair for the time being.

Each patient has been receiving two pairs. More than 3,000,000 are waiting to get theirs. Some have been in the lines more than six months.

The specs are supplied as part of Britain's tax-supported womb-to-tomb national health service.

38 Killed In African Riots

Paris, Aug. 29 (AP)—The French Government said today 38 persons were killed and 154 injured during recent riots in Djibouti, French Somaliland. The Ministry for Overseas Territories and the Foreign Minstry said the riots were caused by political and religious tension between Arabs and Somalis. Both ministries said order had been restored.

Mussolini's Daughter To Buy African Farm

Naples, Italy, Aug. 29 (AP)—Friends of Countess Edda Ciano, eldest daughter of Benito Mussolini, said today she will leave soon for Mozambique, Portuguese East Africa, to buy a farm.

They said the Countess had been advised to take the step by Tullio Cianetti, former Fascist minister. They said Cianetti now is in Puerto Rico, where he is reported directing a successful farm.

The newspaper *Roma-Pomeriggio* said the Countess recently received large royalties from the memoirs of her late husband, Count Galeazzo Ciano. Ciano, former Fascist Foreign Minister, was shot by Mussolini after a summary trial for treason in Verona, Italy, early in 1944.

Priests Confirm Allegiance

ROME, Aug. 29 (AP)—The Vatican news service said today that all but twenty of the 4,000 Roman Catholic priests in Czechoslovakia had confirmed their allegiance to the bishops.

Only eleven Czechs and nine Slovaks have deserted the hierarchy in the church-state fight, the service said.

U.S. Again Asks Russ To Free 2 Tourists

Berlin, Aug. 29 (AP)—American authorities demanded anew today that the Russians release two American youths who bicycled into the Soviet zone of Germany last month while on a tour of Germany.

Maj. Gen. Geodrge P. Hays, United States military governor, said there was little doubt that Warren Oelsner, 20, of Oyster Bay, N. Y., and Peter Sellers, 18, of Philadelphia, were being held in a small Soviet-zone town across the border from the British-zone area of Luebeck.

"Spelled Names Differently"

Hays asked the Russians about the youths when they were first reported missing.

"A Soviet liaison officer informed us they had two boys, but he spelled the names slightly differently," Hays said. He added the differences were so slight it left little doubt as to their identity. No furher word has been received about the young men.

Hays sent a new message to Lieut. Gen. M. I. Dratvin, deputy Soviet military governor, asking that the identity of the boys be confirmed and that they be turned over to allied authorities at the British zonal border.

Russ Silent On Action.

The Russians have given no reason for holding the two so long.

The United States Army announced a German informant had related that the youths were arrested in the Russian zone for taking pictures.

2 U. S. YOUTHS STILL HELD

Russians Ignore the Newest Demands for Release of Pair

BERLIN, Aug. 29 (AP)—The United States Military Government said tonight that Russian officers had so far ignored its newest demand for release of two American bicycle tourists held in the Soviet zone of Germany.

Maj. Gen. George P. Hays sent a note to Soviet authorities early today asking for release of Warren Oelsner of Oyster Bay, L. I., and Peter Sellers, son of the Lester H. Sellers of Philadelphia.

Eight hours later General Hays said there had been no answer or acknowledgment.

Oelsner and Sellers rode their bicycles into the Soviet zone last month while on a tour of Germany. Soviet liaison officers earlier confirmed that two youths were being held, and listed them under names so slightly different that United States authorities said there was no doubt they were Oelsner and sellers.

The Russians have given no reason for holding the youths. American officials said the Russians had made no formal demand that they be exchanged for three Russian deserters who fled to Western Germany.

5 SOVIET ZONE POLICE ESCAPE INTO U. S. AREA

BERLIN, Aug. 29 (AP)—Five Soviet zone German policemen entered the United States zone today and reported they had fled to escape service with Communist guerrillas in Greece, a Military Government announcement said.

Alexander Warshall, United States Military Government officer at Hof, Bavaria, said the five men entered the United States zone at dawn, wearing their blue and silver uniforms and carrying rifles and revolvers.

Mr. Warshall quoted them as saying they had fled the Soviet zone because of a recent Russian order that all members of the Volkspolizei (People's Police) who were single and under 25 would be recruited for military service in Greece.

"After short training periods," Mr. Warshall quoted the refugee policemen as saying, "recruits are sent to regular units destined for service in Greece."

West German newspapers recently published reports that Soviet zone policemen also were being sent to garrison the Yugoslav border, in view of the growing tension there.

Mr. Warshall said one of the men told him "eighteen to twenty more can be expected to arrive today."

He said he was told "many more members of the Volkspolizei want to flee to the western zones, but they are afraid of being sent back to the Russians."

The Bavarian military government office said the decision on whether to send back refugees from the eastern zone is made by German authorities on the basis of whether the emigration was for reasons of political persecution.

SOVIET QUIET ON RAILS

Zone Chiefs Refuse to Discuss Reports of New Tracks

BERLIN, Aug. 29 (AP) — Soviet zone railway authorities today refused to discuss reports that they were installing wide, Russian-gauge tracks to connect Eastern Germany with Moscow. Russian trains cannot now run on German tracks, which are the same width as tracks throughout Western Europe.

West Berlin sources said that the Russians already had built a wide gauge, one-track line from Russia via Breslau to Frankfort-on-the-Oder, on the Polish-German border.

Reports circulated in Western Berlin said that the wide track was being extended into the Soviet zone of Germany to serve both economic and military purposes.

German State Leader Quits

KIEL, Germany, Aug. 29 (AP)—Hermann Luedemann, Socialist minister-president of the German state of Schleswig-Holstein in the British zone, resigned today. He gave no explanation.

Gottwald Assails Church Leaders

Zvolen, Czechoslovakia, Aug. 29 (AP)—President Klement Gottwald accused Czechoslovakia's Roman Catholic Church leaders today of trying to undermine the Communist-led Government by "spreading false propaganda."

Gottwald charged church leaders were falsely accusing his Government of religious persecution. He said their real aims were to "restore reaction" and disrupt Czechoslovakia's alliance with Russia.

Addresses 100,000

The President spoke to a throng of soldiers, workers and militiamen estimated at 100,000 in this central Slovakian town. The ceremonies climaxed the three-day celebration of the fifth anniversary of the Slovak uprising against the Nazi occupiers.

Referring to Czech Catholic leaders, Gottwald added:

"We won't let anyone spoil our republic. Our people will no take care of reaction, just as they did in February, 1948 (when Communists seized power.)"

Spy Network Charged

Minister of Justice Alexei Cepicka asserted yesterday that Archbishop Josef Beran and his bishops were attempting to "organize a subversive network for espionage and sabotage" against the Government.

Gustav Husak, chairman of the Slovak Board of Commissioners, said "our enemies today are the same as five years ago (Fascists)."

"They will be crushed again, just as they were then," he added.

Gottwald reviewed troops, militia and youth groups. Photographers were told they were free to take pictures of all ceremonies and the military show except parachutists who were dropped in an air demonstration.

Czechs Print Stalin Works

Prague, Aug. 29 (AP)—Czech Communists are pushing a three-year printing plan to publish all the works of Stalin, so that every worker can be armed "with the means of defeating reaction." The official Czech press agency said that the first 100,000 copies of Stalin's books to be printed here were hardly enough to stock the libraries, information centers and factory reading rooms.

Prague Press Reports Smashing Coup by Spies

By The Associated Press.

PRAGUE, Czechoslovakia, Tuesday, Aug. 30—The official Czechoslovak press bureau announced today the Government had smashed a group of spies and terrorists who were "upon the point of executing a well-prepared revolt" in this capital city.

The press bureau said six of those convicted as terrorists had been sentenced to be executed, ten to life imprisonment and an unspecified number to lesser prison terms.

They were accused of high treason and spying "on behalf of a certain Western imperialistic power with which they had been in contact."

Greeks Win Major Victory In Grammos Area Fighting

WITH GREEK TROOPS ON THE GRAMMOS FRONT, Aug. 29—(AP) The Greek army tonight claimed its greatest triumhp in the three year civil war.

The five-day battle for the Grammos mountain bastion of the guerrillas virtually ended this morning execpt for mopping up. The entire southern part of the Communist stronghold has been cut into pieces by swiftly striking regular army units and commandos.

Rebels Flee to Border

The Communist guerrillas are now trying to escape into Albania through a narrow strip of frontier believed to be less than five miles wide.

The only organized guerrilla positions still intact are pressed against the border between Kamenic, massive mountain north of Konitsa, and the area containing the villages of Assinohori, Hionades, and Gorgopotmos, all of which may fall in a few hours.

Kamenic, 6,700-foot mountain, and Steno Ridge are being defended desperately in order to give as many guerrillas as possible a chance to escape into Albania.

With the liquidation of the Visti bastion to the northeast more than two weeks ago, the Grammos area remained the last guerrilla area in Grece. At the start of the Greek army's blitz five days ago 5,000 guerrillas were believed in the area.

A general staff communique said many were being killed as they sought to flee. It listed 296 killed and 264 captured yesterday, and listed the army's own losses as 18 dead and 120 wounded.

Large quantities of supplies and equipment were being captured. One division alone listed 137 submachineguns, 33 heavy mortars, two anti-aircraft guns, and thousands of mines among its loot.

Climax of Campaign

The climax of the campaign came yesterday when the Ninth Division battled to the top of 8,500-foot Mount Grammos, on the Albanian border. This was after the last escape route in the northern Grammos area had been latched shut by the division which crossed the Baroukas valley.

The Ninth Division then began a southward advance to close a seven-mile gap in the border. At the same time other units on the southern front began a northward advance and began storming Mount Kamenic.

While the two forces tried to close the bag other units attacked and captured all of the Grammos range, which stretches southeast from Mt. Grammos to the village of Eptahorion on the Sarandaporos river.

When fighting was resumed this morning the guerrillas held an area barely four by five miles square.

(The Greek rebel radio in a broadcast heard in London by the leftist Greek news agency declared government casualties in the Grammos and Vitsi fighting were 26,000.

(The Albanian radio again alleged Greek violations of the border on Aug. 25, 26, 27 and 28, and said a new protest had been sent to the United Nations.)

Finnish Shipyard Workers Strike

Helsinki, Finland, Aug. 29 (AP)—Workers at ont of Finland's largest shipyards today joined the wave of Communist-led strikes which have threatened the stability of the Socialist Government.

A series of unofficial walkouts has idled thousands of workers in many undustries and split Finland's trade union organization.

The Crichton-Vulcan shipyards and machine shop at Turku, Finland's second larges city, announced that only 150 of its 2,600 employés reported for work today.

Strike Is Voted

B. J. Schauman, deputy managing director of the plant, said the company had received no notification of a strike. There had been no request from the union for negotiations on wages or other matters, he added.

The Crichton-Vulcan employés belong to the Metal Trades Union. A rump meeting of Turku metal workers yesterday voted 1,501 to 337 in favor of a strike.

Many of the 3,000 metal workers attending the meeeting left before the vote was taken. The anti-Communist workers had maintained no strike ballot could be issud until som demands were placed before the employers. There are about 4,000 metal workers in the city.

It was reported here that metal workers in Tikkakoski, Pori and Salo voted yesterday against striking. Strike meetings were being held today by metal workers in Tampere and at the Sandviken shipyards in Helsinki.

Finnish Strikes Hit Shipyard

Helsinki, Finland, Aug. 29 (AP)—Finland's Communist-led strikes spread to the metal industry today, virtually stopping work on five ships being built for Russia as war reparations.

Socialist Prime Minister Karl A. Fagerholm had predicted that the Communists next would move against metal industries in an effort to create difficulties for his Government in its foreign relations. Most of the country's metal industry is busy producing reparations goods for Russia.

Only 150 of the 2,600 employés of the Crichton-Vulcan shipyards at Turku showed up for work this morning after a rump meeting of metal workers there voted to strike. The yard said there was no wage or other demands before the walkout.

Other Industries Affected

Many other Turku metal industries, including the Pansio shipyards, were affected.

Before the vote about 3,000 anti-Communist workers left the meeting. There are about 4,000 metal workers in the city.

Metal workers at Tikkakoski, Pori and Salo voted against striking yesterday.

Other strike meetings were being held by metal workers in Tampere and at the Sandviken shipyards in Helsinki. The Helsinki yards also are working on reparations orders for Russia.

82 Ships Involved

Thousands of workers remained on strike in many other industries, ranging from brewery workers to the nation's docks. A survey showed 82 ships were not being worked on and only 80 were being worked, partly by volunteer labor. The port strike was almost complete in Helsinki. Maentuluoto, Kaskinen, Kokkola, Oulu and Kemi.

About 5,000 dockers are on strike.

A check of figures from employers indicated at least 25,000 workers are on strike throughout the country, though Communists claim 60,000.

The trade most severely hit is the building industry where employers admit construction is at a standstill.

Russ Reveal East Europe Mutual Aid Meeting

Moscow, Aug. 29 (AP)—The Russian-led Economic Council of Mutual Assistance met last week in Sofia, Bulgaria, it was announced today.

The meeting was the first publicly reported ECMA conference since the Soviet Union and six other Eastern European Communist countries organized for mutual economic assistance in Moscow last January.

(This was designed as the East's answer to the Marshall plan. Some Western observers attached substantial significance to the meeting of ECMA—from which Yugoslavia is excluded—during the rising propaganda war between Russia and Premier Marshal Tito's Yugoslav Government.

Linked To Pinch On Tito

[Moscow has threatened "effective measures" to bring Tito's regime into line on one issue—the treatment of Russian nationals in Yugoslavia—and she and her satellites have been pinching Yugoslavia for a year with an economic boycott.

[The boycott has led Tito to seek $250,000,000 or more in loans from the World Bank and from American financiers. Tightening of the Communist boycott might have been a topoci in Sofia.]

The brief announcement on the Moscow radio and iin the Communist paper *Pravda* said the seven-nation council met Thursday for a three-day session in the Bulgarian capital. Bulgaria is Yugoslavia's neighbor on the east.

"Took Necessary Decisions"

No details were given. The announcement said, "th council reviewed current questions of its work and took necessary decisions."

If representatives of these seven countries spent three days in meetings, one can be certain important decisions were taken, although what they were have not yet been announced.

ECMA members are the U.S.S.R., Bulgaria, Czechoslovakia, Hungary, Poland, Romania and Albania.

Tito Denounced By All 7

All members of the council have denounced Tito's Government and made it abundantly clear it is not the kind of government with which they want to do business.

When ECMA was formed, an official announcement said "the Western boycott" of Eastern Europe had influenced the Communist nations to form the council.

Its announced aim is to exchange experience in the economic field and to give mutual aid in technical help and in exchange of raw materials, foodstuffs and machinery.

Pravda Calls Robeson Riot Lynch Attempt

Moscow, Aug. 29 (AP)—A *Pravda* headline said today: "Outrage of American Fascists: attempt to lynch Paul Robeson."

That was the Communist party newspaper's sumup of the disorder near Peekskill, N.Y., that cancelled a concert by the Negro singer Saturday night.

A Tass dispatch from New York quoted Willima L. Patterson, secretary of the Civil Rights Congress, as saying he prevented a lynching by hiding Robeson as he was on his way to the concert.

The *Pravda* dispatch said the instigators of the attack were identified as "Fascist hoodlums organized by local reactionary groups of ward veterans."

New Red Drive Perils Canton

Canton, Aug. 29 (AP)—The Communists mounted a new threat to uneasy Canton today. They drove to the outskirts of Jucheng, 170 miles north of this Nationalist refugee capital.

The Red thrust, admitted by the Ministry of National Defense, put Gen. Liu Po-cheng's troops 6 miles from the Kwangtung province border and 45 from Kukong, key point on the Canton-Hankow railway.

If the Communists cut through to the railroad, the main supply line to the main Central China defense force would be severed. Nationalist Gen. Pai Chung-hsi's base is Hengyang, 265 miles north of Canton on the railway.

Kweitung Captured

From Kukong, it is only 125 miles along the railroad to Canton. Kukong also is the objective of other Red armies pushing almost to Kwangtung province from the northeast in Kiangsi province. Here the Reds were reported only 140 miles from Canton and 55 east of Kukong.

Newburgh Red Cross Aid Is Found Dead in Japan

YOKOHAMA, Aug. 29 (AP).—American Red Cross worker Charles Millard, forty-three of Newburgh, N. Y., was found shot to death in a Japanese shrine at near-by Zama Saturday, the Army announced today. An automatic pistol from which one shot had been fired was found near him. Mr. Millard was assistant field director of the Red Cross in occupied Japan.

SMUTS HITS NATIONALISTS

Calls Secret Broederbond Body a Menace to South Africa

PRETORIA, South Africa, Aug. 29 (AP)—Field Marshal Jan Christiaan Smuts said today an ultra-nationalist state was developing in the Union of South Africa.

This state, he said, is being sponsored by the Broederbond, a secret and powerful ultra-nationalist Afrikaner organization whose membership is believed to include some members of the Government.

He told a committee of the United party for Transvaal such a state was a greater menace to South Africa than a republic. The United party opposes plans of some political groups to take South Africa out of the British Empire and set up a republic.

"I would welcome a republic rather than this monstrosity of a Broederbond state which is developing," said the one-time prime minister. He said he recognized this development in efforts made to halt criticism of the Government, in the stopping of immigration and in the suspension of relays of the British Broadcasting Corporation programs, "leaving us isolated from world opinion."

Iran Asks Soviet To Free 11 Soldiers

Tehran, Iran, Aug. 29 (AP)—Foreign Minister Ali Asfgar Hekmat said yesterday Iran had demanded the release of eleven Iranian soldiers seized by Russian troops in a border skirmish a week ago Sunday.

Hekmat said Iran had sent a note of protest to the Russians. He said the protest followed a Soviet statement that the soldiers were on Russian soil when they were seized.

A military informant said Thursday that Russian and Iranian soldiers had exchanged fire Sunday, August 21, after Soviet troops had made a foray into Khorasan province in northeast Iran.

Karen Rebels Seize Burma Road Terminus

Rangoon, Burma, Aug 29 (AP)—Rebels have captured Lashio, the wartime terminus of the old Burma road to China, officials said today. They swept through the light defenses of the garrison at dawn yesterday.

The rebels were not officially identified, but it is understood they are Karen tribesmen. These are one of several groups fighting Premier Thakin Nu's regime.

Lasio lies in the northern Shan state 160 miles north of Taunggyi, rebel-held capital of the southern Shan state. The disclosure of the fall of Lashio explained a mysterious order Sunday barring all plane flights to that city. The Government announced no reason at the time.

Tito Asks U.S. Loan to Buy Mining Gear

Seeks $25,000,000, Offers Key Metals

Acheson Backs Request to Help Yugoslavs to Offset Soviet Blockade

By The Associated Press

WASHINGTON, Aug. 29.—Yugoslavia has formally applied to the Export-Import Bank at Washington for an American loan, government officials disclosed tonight. They said the government at Belgrade wants about $25,000,000 to buy American mining machinery and equipment for its lead, copper and zinc mines.

The application marks the first time that Premier Marshal Tito has appealed directly to the United States for financial help since he split with the Moscow-dominated Cominform (Communist Information Bureau) in June, 1948.

Secretary of State Dean Acheson is understood to be strongly supporting the Yugoslav request as a means of helping Tito to combat the economic blockade imposed by the Soviet Union and its satellites.

Export-Import Bank officials confirmed that the Yugoslav government has submitted a formal application, but the Yugoslav Embassy here replied "no comment" when questioned about it.

U. S. Would Get Metals

Bank officials said the loan application is getting "serious consideration" and that a decision will be forthcoming soon.

Under the proposal, the loan would be repaid with Yugoslav shipments of strategic metals to the United States. Lead, copper and zinc are among the materials which are being stockpiled by the United States for the event of an emergency.

Approval of Yugoslavia's loan bid would be the second step by the United States to help Tito and his government remain independent of Moscow. Two weeks ago, the Administration gave Yugoslavia permission to buy materials for a steel mill from an American company.

This was done mainly at Secretary Acheson's urging. He persuaded Defense Secretary Louis Johnson to drop his objections with the argument that it was a "calculated risk" necessary to bolster Tito in his fight with Moscow.

Bank Gets Formal Request

Milenko Filipovic, Minister of the Yugoslav Embassy, is reported to have presented the formal request to the Export-Import Bank president, Herbert E. Gaston, after a series of "informal conversations." Mr. Filipovic was acting under instructions from Ambassador Sava N. Kosanovic, who earlier had discussed the loan plan at the State Department with Secretary Acheson.

World Bank Delaying

Officials told a reporter that the Yugoslavs turned to the Export-Import Bank after it became clear to them that they could expect no financial help from the International Bank for Reconstruction and Development until early in 1950.

Yugoslavia applied for a loan from the International Bank several months ago. A mission from the bank is now in Yugoslavia conducting an investigation of the Yugoslav economy. It is scheduled to return in October.

Secretary Acheson is reported to be convinced it is essential that Yugoslavia be allowed to buy American-made mining machinery in order to maintain and expand the output of existing government-owned mines in Yugoslavia. Much of the equipment in the mines is reported damaged and worn out.

Exports from these mines are the main source of the dollars Yugoslavia has been using to buy goods from the West—goods which it formerly bought in the Soviet satellite states of Eastern Europe.

Yugoslavia, in the last six months, has increased greatly its shipments of lead and copper to the United States.

During the period from January through June of this year it sent 12,322,000 pounds of copper—three times the amount sent in the same six months of 1948. Lead shipments to the United States increased almost six times—to 4,800,000 pounds during the same period. In addition, 3,797 long tons of chrome ore were exported to American buyers.

Tito Feud Perils Stalin Grip On Satellites

Washington, Aug. 29 (AP)—Stalin's grip on the Communist satellite states has been reported sharply shaken by his row with Marshal Tito of Yugoslavia.

That information comes in highly responsible reports reaching Washington from eastern Europe.

These reports are expected to play an important part in the meetings being scheduled for next month among Secretary of State Acheson, British Foreign Minister Bevin and French Foreign Minister Schuman.

New Allied Moves Foreseen

Western diplomats foresee in these meetings a three-power review of the grand strategy of the cold war with Russia, followed by a determined effort to devise new moves against the Kremlin.

Bevin is due here in little more than a week, primarily to sit in on the British-American-Canadian economic talks.

Schuman's name has been brought into the picture only in the last few days, with word from Paris that he will arrive here well ahead of the September 20 opening date for the United Nations General Assembly in New York.

3 Areas To Be Reviewed

Observers here predict that the East-West struggle will be divided into three major sections:

1. THE FAR EAST—The Western powers have taken a complete defeat in China. Acheson, Bevin and Schuman will be mostly concerned with trying to save the rest of Asia from communism.

2. EASTERN EUROPE—Russian political control is no longer as stable as it was at the time of the Tito break. The satellite countries have encountered consistent economic difficulties and large groups of their people are reported discontented.

3. WESTERN EUROPE—In terms of industrial production, the Marshall-plan countries are far along the road to recovery. But this has not been accompanied by equal success in speeding trade and officials here wonder seriously whether the Europeans will be able to stand on their own feet by the time American aid ends in 1952.

Allies Watch Albania

Some satellite factions which have played along with the Communists have been attracted by the Tito success. If ever the Red Army was pulled back into Russia they might be inclined to jump the traces on Moscow completely.

Western diplomats now are beginning to speculate over political developments within Albania. Diplomatic authorities report evidence that Moscow has little confidence in Premier Hoxha of Albania.

Hinged On Britain Crisis

Britain's dollar shortage is the worst of a series of economic troubles which western Europe will have to lick before the cold-war battle can be said to be won in the West.

On the whole, however, top officials of the Truman Administration still appear reasonably confident that the Marshall plan can do most—if not all—of the job of European recovery, provided measures can be found in the next few months to deal successfully with the British economic crisis.

SENATORS FAVOR ARMS OUTPUT BY EUROPEAN BLOC

WASHINGTON, Aug. 29 — (AP) Two Senate committees voted today in favor of permitting friendly European nations to build up their own weapons output with funds from the proposed $1,450,000,000 arms aid program.

But Senator Vandenberg (R-Mich), leading a fight against the proposal, said he was not satisfied with the decision because only 20 of the 26 members of the armed forces and foreign relations committees were present.

Favored By Committees

Chairman Connally (D-Texas) of the Foreign Relations Committee announced that the two groups voted 11 to 9 to permit use of some of the huge arms aid fund to buy tools, equipment and raw materials in European countries which are members of the North Atlantic Alliance.

Vandenberg told newsmen this tally showed the issue was very close and he thinks it should be decided by the full membership of the two committees. They are considering jointly President Truman's request for funds to help rearm non-communist nations.

"I shall of course ask for a showdown on it as previously planned in the full committee," Vandenberg said.

No specific amount of money was involved in today's action by the two committees. But Gen. Omar Bradley, chairman of the joint chiefs of staff, told the senators last week that $155,000,000 should be used to stimulate weapons production in Europe.

The situation was this:

A pending amendment by Senator Byrd (D-Va) would have barred use of any of the arms aid funds for construction of any factories outside the United States, or for the maintenance of equipping of such factories.

Senator Tydings (D-Md) then proposed to revise the Byrd amendment by providing that funds could be used to purchase tools, raw materials and equipment for the operation of weapons factories in European members of the North Atlantic Alliance.

Tydings' proposal was adopted by the 11 to 9 vote, and the Byrd amendment was then approved by an unannounced tally.

Seen Saving for Taxpayers

Connally said the action would save U. S. taxpayers $700,000,000. This was a reference to Bradley's argument that stimulation of arms production in Europe would make it unnecessary for this country to supply from its own resources that amount of arms.

Vandenberg and other senators have argued that any such effort to boost European war potential should be delayed until after the formation of a defense council under the Atlantic Pact and the adoption by the council of an overall defense plan.

Vandenberg still has pending before the committees a proposal to chop off $160,990,000 of the amount Mr. Truman seeks for the military assistance program. It is scheduled for action tomorrow.

Under his plan, the $1,160,990,000 asked by the administration for arms aid to European members of the Atlantic Pact would be held to an even $1,000,000,000. Of the reduced total, only half would be in cash, the remainder being authority to enter into contracts.

The arms aid program has already been passed by the House, but that body cut in half the requested $1,160,990,000 for arming European members of the Atlantic Pact.

Canada May Act As Mediator At Financial Talks

Washington, Aug. 29 (AP)—Canada was reported ready to assume the role of mediator if the going gets rough in the financial talks between Britain and the United States.

However, tempers on both sides had cooled considerably by the time preliminary talks got under way.

Canadian delegates are watching for any outbreak of the preconference bickering that alarmed the Ottawa Government.

Instructed To Be "Helpful"

The Dominion's top representative, Norman Robertson, is understood to have instructions to be "helpful" to both sides.

Lester B. Pearson, Canada's Foreign Minister, is reported ready to continue this peace-making role when he arrives this week end for discussions with top American and British Cabinet officers.

Pearson, a former Canadian ambassador to the United States, has advised both sides to calm down. His remarks came at a time when British and American newspapers and politicians were hurling charges and countercharges across the Atlantic.

Warns Against Setback

A split between Britain and the United States, he warned, would be a tremendous setback to the western world and would benefit only the leaders of Russia.

"Their ill-conceived satisfaction over this possibility should be our warning not to permit it to happen," Pearson asserted.

State Department officials at the first "fact finding" discussions said they were devoid of any recrimination.

Long-Range Issue

Officials of the three governments are gloomy about the chances of discovering a long-rang solution for Britain's acute dollar shortage.

The biggest chance for friction appears to be in the discussion of the possible causes. Many British officials believe that the business recession in the United States, coupled with high American tariffs, is the main factor.

Secretary of the Treasury Snyder has been irritated by this argument and is reported ready to deny it if the time comes.

Won't Press Point

Snyder believes that unwillingness to devalue the pound from the present $4.03 level has been one of the big reasons for Britain's plight. But he is reported now to have decided not to press that point.

He fears that if he does and Britain's crisis continues, the British may blame that suggestion for their continued troubles.

Two possible remedies have been under consideration.

One, proposed by the British, would call for increased American and Canadian purchases of foreign goods, with the idea that the dollars thus spent would eventually find their way into Britain's depleted stocks.

Would Need More Exports

The British, for their part, would try to increase exports and cut costs.

The other plan, reportedly under discussion by American officials, would permit Britain to buy fewer American goods, and thus spend fewer dollars, than she is now required to buy under the British loan agreement.

VAUGHAN DUE FOR QUIZZING IN PROBE TODAY

Question Before Senate Committee Expected To Cover Wide Range

Washington, Aug. 29 (AP)—Bluff, back-slapping Maj. Gen. Harry H. Vaughan, President Truman Army aide and his friend for 31 years, will be called on tomorrow to answer whether he has taken unfair advantage of that friendship.

The questions will be put to Vaughan by the Senate investigations subcommittee. There probably will be a lot of them, for Vaughan's name has turned up every day during the five percenter hearing.

The subjects of the questions are expected to range from molasses to perfume to a race track, and to center on Vaughan's relations with James V. Hunt, John Maragon and David Bennett.

Claims Wide Acquaintance

Hunt is a management counsellor who has said he knows many a Washington official, including Vaughan.

Maragon has been a go-between, the committee has been told, who frequently has left the impression he was speaking for Vaughan.

The committee had hoped to get some of the answers from Maragon. But when he made his appearance Friday, he wasn't his usual glib self at all. He refused to answer almost all the committee's question, on the grounds that he might incriminate himself.

Bennett is president of the Verley Perfume Company, of Chicago. An old friend of Vaughan's, he has received several favors from him. Bennett paid for the seven deep freezers that went to Washington notables.

Testimony Turned Over

Today the committee turned over to Justice Department and the Internal Revenue Bureau copies of all the testimony heard so far.

In each letter special attention was called to Maragon's testimony.

Earlier committee members had accused Maragon of perjury, and had said that he failed to report all his income. They said that on his income-tax returns and in his testimony at a closed hearing he said he was making about $6,000 a year over a five-year span.

Later developments, William Rogers, committee counsel, said, showed that for the same period Maragon made bank deposits of $120,000.

In addition to the testimony, Rogers said in his letter to the income-tax people, the committee has "a considerable amount of financial data" concerning Maragon.

Counterattack Expected

Vaughan hasn't said what kind of a statement he will give the committee. But he is expected to lead off with a counterattack.

It is understood that Vaughan feels he is a handy target for snipers who really are aiming at the President.

Senator McCarthy (R., Wis.) apparently had this in mind when he said last week that the public should pay no heed to "personal attacks on the committee."

30.24- 5329

He said that if any such attacks were made, they would be in an effort to divert the attention of the public from what McCarthy says are the main objectives of the hearing:

To shed "the bright light on any graft or corruption."

To make it possible for small business men to deal with the Government without having to pay for five percenters—men who offer to get Government contracts for business men in return for a fee.

See Hunt's Pictures

The committee didn't meet today, but a news conference was called at Hunt's office.

There reporters got a chance to see Hunt's picture gallery of famous persons.

His pictures—most of them autographed—were impressive. President Truman's was there, and so were pictures of 31 senators or former senators and more than 30 House members.

The 104 pictures covered one wall like wallpaper, and then overflowed to the other walls.

Mentioned In Hearings

Hunt's pictures have been mentioned several times during the hearings, and the implication has been that he used them to impress prospective clients.

Mr. Truman's picture had the handwritten inscription: "Best wishes to Lieut. Col. James V. Hunt. Harry Truman."

Roger Q. White, Hunt's attorney, said Hunt is 99 per cent certain that he received this picture while he still was in the Army. It was given to him, White said, by General Vaughan.

Autographed pictures of two members of the investigations subcommittee — Senators McCarthy and Margaret Chase Smith (R., Maine) were in Hunt's collection.

McCarthy's read: "Sincerely, Joe McCarthy." Mrs. Smith's went: "To Col. James V. Hunt with the good wishes of Margaret Chase Smith, 2d Maine."

Asked For Some Of Pictures

Before Mrs. Smith went to the Senate, she represented the second district in Maine in the House.

Mrs. Smith has tried to find out how her picture happened to show up on Hunt's walls, and it has been brought out that some of the pictures were obtained quite simply:

Hunt wrote and asked for them.

Said White at the news conference:

"There is no secret about any of these. We didn't steal any of them. We didn't get any of them at the point of a gun."

CIVILIAN ATOMIC CONTROL BACKED

Hickenlooper Supports Present Energy Program

Washington, Aug. 29 (AP)—Senator Hickenlooper (R., Iowa) said tonight he does not favor any change in the law to give military officials control of the nation's atomic energy program.

Hickenlooper issued a statement clarifying his position after Senator McMahon (D., Conn.) had telegraphed Perry Brown, national commander of the American Legion, that any change in the principle of civilian control would "inflict a powerful blow upon our national security."

McMahon is chairman of the Senate-House Committee on Atomic Energy; Hickenlooper is the ranking Republican member.

McMahon said he sent the telegram after the New York *Times* quoted Hickenlooper as telling a closed Legion meeting at Philadelphia last Saturday that "he had recommended that the balance of power in atomic-energy control be shifted from the civilian to the military."

Interpretation Disputed

Hickenlooper said the newspaper's interpretation was "completely opposite to things I actually said." He made public a telegram to the *Times* which said, in part:

"In effect what I said was that a substantial part of the philosophy underlying the present atomic energy law is pointed toward reliable and satisfactory international controls of atomic energy and atomic weapons.

"Inasmuch as international control has made no progress and present hopes are dim and we still have the sole responsibility for atomic energy, I raised the question as to whether or not we should re-examine our policy under the act with the view to giving the military increased responsibility in custody and control over finished weapons only.

For Civilian Control Policy

"I did not affirmatively recommend such a course but only posed the question as to the desirability of investigating this particular field.

"I affirmatively stated that I believe in and support the basic policy of civilian control over the atomic energy program and I have no thought or idea of placing the military in control of the program.

"At no time have I advocated nor do I now advocate any basic change in the Atomic Energy Act that would place the military in control of the atomic energy program."

McMahon later said the President decided who should have custody of finished A-bombs as he is authorized to do under the 1946 Atomic Energy Act. The President, McMahon continued, decided to leave them with the Atomic Energy Commission.

NAVY OPENS PROBE OF B-36 PROGRAM

WASHINGTON, Aug. 29 — (AP) The Navy today opened its own investigation into the source of now discredited charges that fraud and political skulduggery were involved in the multi-million dollar B-36 bomber expansion program.

The purpose of the Naval inquiry, as set forth by Navy Secretary Matthews, is to find out whether an $8,500-a-year civilian employe of the Navy acted alone or whether others helped instigate the exploded charges.

First Session Is Secret

A four-man Naval court, meeting behind closed doors, launched the probe as the aftermath of disclosures by the House Armed Services committee.

The court promptly decided that Cedric Worth, author of a once anonymous memo which touched off the congressional B-36 investigation, is an "interested party" and should be notified that he will be "welcome" to attend the court's sessions.

The designation as an "interested party" means that Worth, who was suspended last week from his post as a special assistant to Undersecretary of the Navy Dan Kimball, will be permitted to ask questions and cross-examine witnesses.

The court also decided that future sessions will be open to the press and public, unless secret material is introduced as evidence.

After its short session, the court recessed subject to the call of its President, Admiral C. Kinkaid, commander of the eastern sea frontier. The next session is not expected before Tuesday, Sept. 6.

Navy sources said the decision to hold sessions was most unusual. However, it seemed clear that top naval officials decided to thresh out the matter out in the open to avoid any possible implication of a "whitewash" in a matter which has already caused the Navy deep embarrassment.

Navy qualms stemmed from the fact that Worth's memo goes into the books as still another episode in the long history of jealous squabbling between the Navy and the Air Force. At stake in the bitter rivalry are the roles each branch of the service would play in the event of war, particularly in strategic bombing.

In its initial session, the Naval court received into evidence an authenticated copy of the Worth memo. It was introduced by Quay Findley, assistant counsel for the House Armed Services Committee.

Worth has already admitted authorship of the document. Haled before the House committee last week, the former Hollywood scenario writer and news reporter made a complete repudiation of the charges contained in the memo and conceded that he had done the Navy "no good."

2D WITNESS RECALLS A TOKYO ROSE OF 1942

SAN FRANCISCO, Aug. 29 (AP)—Another defense witness testified today he heard the name Tokyo Rose long before Iva Toguri d'Aquino began broadcasting over Radio Tokyo.

Mrs. d'Aquino is on trial in the Federal Court here on a treason charge. Testimony has shown that the Los Angeles-born woman began broadcasting over Radio Tokyo in November, 1943. The Government charges her utterances were treasonable.

James Frank Whitten of Torrence, Calif., testified that he heard of Tokyo Rose while on Midway Island in April, 1942, and again while in an Alaskan port in September, 1942. In August of that same year, Mr. Whitten continued, he heard a woman broadcasting news from Radio Tokyo. He then was in Pago Pago.

But the witness was unable to identify the voice.

"I cannot identify a female voice on the short-wave radio," he said.

He was the second defense witness who has testified he heard of Tokyo Rose before Mrs. d'Aquino went on the air.

GOV. DEWEY ASKS FOR FULL REPORT ON ROBESON RIOT

NEW YORK, Aug. 29—(AP) Gov. Dewey called today for a full report on the Paul Robeson concert riot.

The governor's request went to Westchester County officials after backers of Robeson, Negro singer and left-wing publicist, charged that police failed to prevent the Peekskill (N. Y.) area disorder Saturday night.

The Civil Rights Congress, meanwhile, said a delegation may be named at a rally here tomorrow night to take a further protest to President Truman.

Sponsored Concert

The congress, listed by the Justice department as subversive, was a sponsor of the scheduled concert by Robeson.

The concert was cancelled after fighting broke out between some of the 5,000 concert-goers and pickets from veterans organizations protesting the singer's appearance.

Eight persons were injured, two seriously, before state police restored order.

(The Moscow newspaper Pravda reported the incident today under the headline: "Outrage of American fascists; attempt to lynch Paul Robeson."

(Robeson recently visited the Soviet Union and expressed great admiration for its people and government.)

Dewey Calls for Report

Dewey's request for a report was telephoned from Albany to Westchester County District Attorney George M. Fannelli and Sheriff Fred W. Ruscoe.

Chief Assistant District Attorney Frederick E. Weeks, Jr., said an investigation would be made.

Dewey's office in Albany gave no indication what the governor might do after receiving the report.

Robeson was intercepted by friends Saturday night and did not reach the scene of the outbreak, which occurred at a picnic grove near Peekskill.

Start Laid To Pro-Robesonites

Fannelli immediately promised a thorough investigation. He said it would take several days.

He called the rioting "most regreattable," and added:

"The facts that I now have would indicate that the demonstration by the veterans associations was peaceful and orderly, and that after they disbanded the pro-Pobesonites provoked the violence when Secor was stabbed by one of their number."

Communist Trial Witness Sees U.S. Revolution Minus Violence

New York, Aug. 29 (AP)—Comes the revolution, said a Communist trial witness today, and America's capitalist "oppressors" will be put to work "in the mines and other places."

But such a revolution need not be accompanied by force and violence, added the witness, Max Weiss, at the conspiracy trial of eleven top Communist leaders.

Weiss, former Communist national education director in the United States, described himself as a "sort of specialist" on Communist revolutionary theory.

He testified that he made a dozen or more trips abroad, including two to Russia, as a party worker.

One-Hour Discussion

In a one-hour discussion of his lectures, Weiss explored the so-called "inevitability" of force and violence in a Communist revolution.

In Hungary and Finland, he testified, proletarian governments were established without violence.

"There is no such Maxist principle as the violent overthrow of government being a necessity," Weiss said.

He explained the "law of the inevitability of violence" in Marxist writings thusly:

"A Force" Pictured

The state maintains itself with such machinery as police, courts, prisons and army.

With a proletarian state in the saddle, the witness said, these ad-

junets of government would have to be removed from the hands of capitalists and placed in the hands of the workers.

This new worker-controled state then would become "a force" in maintaining the workers in power, he said.

Thus, he added, the inevitable use of force meant the total process of change from a capitalistic to a proletarian government and not just the initial seizure of power.

The old capitalistic state machinery, Weiss said, could not be used by the new government because it was built on principles abhorrent to the workers and hostile to the working class.

Question By Judge Media

Such a workers' government can be established by peaceful means, Weiss repeated.

Federal Judge Harold R. Medina asked Weiss about earlier testimony by defendant Robert G. Thompson, who was quoted as saying that after the revolution the capitalist "oppressors" would become the "oppressed" and would "be put to work."

What kind of work? asked Judge Medina.

"In the mines and other places," answered Weiss.

At the trial, now entering its thirty-third week, the eleven American Communist leaders are accused of conspiring to advocate the forcible overthrow of the United States Government.

NIGHT LEAD BRITISH (300 UP)
BY WILLIAM OATIS
LONDON, AUG.29-(AP)-BRITAIN'S LABOR CABINET TODAY APPROVED A 15,000-WORD PLAN TO THROW ON THE TABLE AT THE WASHINGTON DOLLAR CONFERENCE.
AN INFORMED SOURCE SAID IT STANDS STRONGLY FOR KEEPING UP BRITISH SOCIAL SERVICES, SUCH AS FREE MEDICAL SERVICE, AND MAKES NO MENTION OF POSSIBLE DEVALUATION OF THE POUND, NOW PEGGED AT $4.03 TO THE DOLLAR
SIR STAFFORD CRIPPS, CHANCELLOR OF THE EXCHEQUER, AND ERNEST BEVIN, FOREIGN SECRETARY, WILL TAKE THE PLAN WITH THEM WHEN THEY SAIL FOR NEW YORK ON THE MAURETANIA WEDNESDAY.
THEY START A CONFERENCE SEPT.7 WITH UNITED STATES AND CANADIAN OFFICIALS ON THE WORLD SHORTAGE OF DOLLARS, ESPECIALLY BRITAIN'S SHORTAGE.
IT HAS BEEN AUTHORITATIVELY REPORTED THAT BRITAIN'S POOL OF GOLD AND DOLLARS, A RESERVE SHE NEEDS TO BACK THE POUND IN INTERNATIONAL TRADING FOR HER FOOD AND RAW MATERIALS, WILL BE DOWN TO $1,200,000,000 BY SEPT.30. THAT IS $800,000,000 UNDER WHAT WAS SET BY OFFICIALS A FEW MONTHS AGO AS THE DANGER LINE.
THE BRITISH FOREIGN OFFICE SAID IN A STATEMENT TONIGHT PRESIDENT TRUMAN'S PLEDGE OF AMERICAN "FRIENDLINESS AND HELPFULNESS" TOWARD THE BRITISH IN HIS PHILADELPHIA SPEECH WAS "MOST HELPFUL AND ENCOURAGING FOR THE SUCCESS" OF THE WASHINGTON TALKS.
"THE POINT OF VIEW EXPRESSED BY THE PRESIDENT IS FULLY APPRECIATED AND SHARED IN LONDON," SAID THE STATEMENT.
THE CABINET MET FOR FOUR HOURS AND 10 MINUTES TODAY AT PRIME MINISTER ATTLEE'S RESIDENCE, NO. 10 DOWNING STREET.
ATTLEE, BEVIN, CRIPPS, HEALTH MINISTER ANEURIN BEVAN AND OTHER CABINET MINISTERS CALLED SOME NON-MEMBERS TO SIT IN. THESE INCLUDED FOOD MINISTER JOHN STRACHEY, FUEL MINISTER HUGH GAITSKELL AND CHIEFS OF THE ARMED SERVICES. ALL THESE AGENCIES SPEND A BIG SHARE OF BRITAIN'S DOLLARS.
SOME UNITED STATES OPINION HAS FAVORED LOWERING THE OFFICIAL DOLLAR VALUE OF THE POUND. WITH DEVALUATION, A U.S. BUYER WOULD NEED FEWER DOLLARS TO BUY BRITISH GOODS. DEVALUATION THUS WOULD ENABLE SUCH GOODS TO SELL MORE READILY IN AMERICA.
JOHN W.SNYDER, U.S. SECRETARY OF THE TREASURY, SAID LAST WEEK THIS SUBJECT PROBABLY WOULD COME UP IN THE THREE-POWER TALKS.

A21

CRIPPS' ARGUMENT AGAINST DEVALUATION IS THAT THE HIGHER COST OF BRITISH IMPORTS WOULD CANCEL OUT GAINS IN DOLLAR SALES.
THE INFORMANT ON TODAY'S CABINET MEETING SAID BRITISH LEADERS WILL TAKE NO STAND EITHER FOR OR AGAINST DEVALUATION UNTIL THE AMERICANS RAISE THE ISSUE.
SOME AMERICAN CRITICS HAVE ACCUSED BRITAIN OF FRITTERING AWAY EUROPEAN RECOVERY PROGRAM DOLLARS ON SOCIAL SERVICES SUCH AS WELFARE INSURANCE AND THE NATIONAL HEALTH SCHEME OF FREE MEDICAL TREATMENT, GLASSES AND FALSE TEETH.
THEY ALSO HAVE DECLARED SUCH BENEFITS ENCOURAGE BRITISH WORKERS TO LOAF AND HOLD BACK ON PRODUCTION.
THE INFORMANT SAID IF THE SUBJECT COMES UP IN WASHINGTON, THE BRITISH WILL ARGUE AGAINST CUTTING SUCH SERVICES.5
THE CABINET STUDIED A STATEMENT ON THE MATTER FROM THE TREASURY. THIS STATEMENT, A SOURCE CLOSE TO THE TREASURY DISCLOSED, SAYS:
"ADEQUATE SOCIAL SERVICES X X X ARE THE INDISPENSABLE FOUNDATION OF A SOUND AND HEALTHY ECONOMY."
"SOCIAL SERVICES ARE FINANCED OUT OF TAXES AT HOME AND ARE IN NO SENSE SUBSIDIZED OUT OF DOLLAR AID."
THE CABINET'S BRIEF, THE INFORMANT SAID, DOES NOT PROPOSE THAT THE $35 AN OUNCE WORLD GOLD PRICE BE RAISED.
HE EXPLAINED BRITAIN WILL WAIT TILL LATER TO MAKE THAT PROPOSAL--IN A MEETING OF THE BOARD OF GOVERNORS OF THE INTERNATIONAL MONETARY FUND STARTING IN WASHINGTON SEPT. 13.
THE U.S. SET THE PRESENT GOLD PRICE IN THE EARLY 1930'S AND THE MONETARY FUND LATER APPROVED IT. A HIGHER PRICE WOULD MEAN A BIGGER DOLLAR VALUE FOR BRITAIN'S OWN GOLD AND THAT PRODUCED IN THE BRITISH DOMINION OF SOUTH AFRICA.

LONDON, TUESDAY, AUG. 30-(AP)-PRESIDENT TRUMAN'S PHILADELPHIA SPEECH SET A GOOD WILL POLICY FOR THE COMING DOLLAR TALKS WITH BRITAIN AND CANADA, THE BRITISH PRESS OBSERVED THIS MORNING.
THE TIMES SAID THE PRESIDENT'S SPEECH UNDERLINED "THE GOOD WILL AND GOOD INTENTIONS OF THE UNITED STATES GOVERNMENT."
"THE PRESIDENT HAS PUT THE GREAT ISSUES AT WASHINGTON INTO RIGHT PERSPECTIVE," THE PAPER SAID. "HE POINTED THE WAY, AND THE BRITISH-CANADIAN-AMERICAN DELEGATIONS WILL COME TOGETHER NOT TO WRANGLE OR TO HAGGLE BUT TO SEEK PRACTICAL REMEDIES FOR DISORDERS WHICH TROUBLE THEM ALL." X X
THE LABORITE DAILY HERALD SAID THE PRESIDENT'S STATEMENT OF PRINCIPLES X X X COULD HARDLY BE BETTERED."
OF THE PRESIDENT'S ASSERTION THAT THE DEMOCRATIC COUNTRIES "ARE NOT PROPOSING TO INTERFERE WITH ONE ANOTHER'S INTERNAL POLITICS," THE HERALD SAID: "CLEARLY THAT IS THE ONLY SOUND BASIS FOR COLLABORATION."
THE CONSERVATIVE DAILY GRAPHIC SAID:
"THERE HAS BEEN A GOOD DEAL OF USELESS BICKERING ON BOTH SIDES OF THE ATLANTIC. BUT NEVER ONCE HAS A MEMBER OF THE AMERICAN GOVERNMENT JOINED IN. THE ATTITUDE HAS BEEN JUST THE OPPOSITE, AND IT IS EXPRESSED AGAIN IN MR. TRUMAN'S SPEECH TO THE AMERICAN LEGION." X X X

ASSOCIATES SAY BEVIN HAS BEEN WORKING FOR WHAT HE CALLS "INTEGRATION" OF THE AMERICAN AND BRITISH CURRENCY SYSTEMS. BUT THEY SAY BEVIN HAS NEVER MADE IT CLEAR WHETHER HE MEANS A CUSTOMS UNION, A COMMON CURRENCY OR WHAT.
BEVIN HAS ARGUED THAT "INTEGRATION" IS NOT ONLY ESSENTIAL BUT ALSO A LOGICAL OUTCOME OF ANGLO-AMERICAN DIPLOMATIC UNITY--AN IDEA THAT TREASURY OFFICIALS ARE SAID TO POOH-POOH. THEY SAY BEVIN IS NO ECONOMIST.
THE CONSERVATIVE SUNDAY TIMES SAID TODAY "THE POSSIBILITY OF AN ECONOMIC MERGER BETWEEN THE DOLLAR AND STERLING AREAS MAY BE DISCUSSED AT THE WASHINGTON TALKS."
THE SUNDAY TIMES DIPLOMATIC CORRESPONDENT HAD THIS TO SAY:
"AS AT PRESENT ENVISAGED, THE MERGER WOULD ENTAIL THE ADOPTION OF ONE CURRENCY, BACKED BY CENTRAL RESERVES, AS LEGAL TENDER FOR THE UNITED STATES, CANADA, BRITAIN AND PROBABLY OTHER BRITISH DOMINIONS AND COUNTRIES WHOSE CURRENCIES ARE NOW ALLIED TO THE POUND."

BRIEFLY THE MONETARY RECOVERY PLAN IS THIS:

IT WOULD BIND BOTH THE BRITISH GOVERNMENT AND INDUSTRY TO CUT DOWN THE WORKING COSTS AND RAISE PRODUCTIVITY.

IT SUGGESTS WAYS IN WHICH BRITAIN CAN EARN MORE DOLLARS BY SELLING MORE AND CHEAPER GOODS.

IT ASKS THE U.S. TO LIBERALIZE BOTH TARIFF POLICY AND TARIFF ADMINISTRATION.

IT CALLS FOR THE AMERICAN PROMISE TO BUY FIXED AMOUNTS OF BASIC COMMODITIES FROM THE BRITISH-LED STERLING AREA AT FIXED PRICES FOR FIXED PERIODS.

IT PROPOSES SWIFT, JOINT WORKING OUT OF PRESIDENT TRUMAN'S PROGRAM FOR DEVELOPING BACKWARD AREAS OF THE WORLD WHERE THE BRITISH POUND IS USED.

PARIS, AUG. 29-(AP)-BRITAIN WILL GET ABOUT $960,000,000 (M) IN MARSHALL AID FOR 1949-50 IF THE LATEST DIVISION PLAN GOES THROUGH, IT WAS LEARNED TODAY.

THIS IS $118,000,000 (M) MORE THAN UNDER THE LAST PLAN, BUT STILL $558,000,000 LESS THAN THE BRITISH SAY THEY NEED. THE EXPERTS ARE FIGURING ON A TOTAL AID APPROPRIATION OF ABOUT $3,670,000,-000, (B) ALTHOUGH CONGRESS HAS NOT YET DECIDED ON THE EXACT FIGURE.

LIKE OTHER PLANS CALCULATED SO FAR, THIS ONE IS STILL CONSIDERED "SECRET" BY BOTH EUROPEAN AND AMERICAN MARSHALL AID AUTHORITIES.

IT WAS WORKED OUT BY TWO TOP OFFICIALS OF THE ORGANIZATION FOR EUROPEAN ECONOMIC COOPERATION (OEEC)--GENERAL SECRETARY ROBERT MAR-JOLIN OF FRANCE AND BARON CHARLES JEAN SNOY ET D'OPPUERS, DEPUTY CHIEF OF THE BELGIAN DELEGATION.

THEY WERE APPOINTED TO MAKE A NEW DIVISION PLAN AFTER ALL THE 19 MEMBERS AREAS EXCEPT TRIESTE MADE IT CLEAR THEY WERE UNHAPPY WITH THE LAST ONE. SIR EDMUND HALL-PATCH, HEAD OF THE BRITISH DELEGATION, BITTERLY DENOUNCED THAT PLAN AT A COUNCIL MEETING 10 DAYS AGO.

THE COUNCIL, RULING BODY OF THE OEEC, WILL MEET WEDNESDAY TO DISCUSS THE NEW FIGURES. OFFICIAL COMMENT ON THEM WAS LACKING, ALTHOUGH THE BRITISH ARE REPORTED PLEASED WITH THEIR INCREASE.

THE ADDITIONAL FUNDS FOR BRITAIN IN THE NEW SCHEME WERE OBTAINED BY REDUCING THE AMOUNT IN A POOL DESIGNED TO HELP COUNTRIES WHICH LOST DOLLARS BY BREAKING DOWN TRADE BARRIERS, ONE SOURCE SAID. GREECE, NORWAY, AND DENMARK WERE AMONG THE COUNTRIES REDUCED, WHILE FRANCE, ITALY AND THE NETHERLANDS WERE ALLOTTED MORE UNDER THE NEW PLAN.

BOPPARD, GERMANY, AUG.29-(AP)-A GROUP OF GERMANS LAUNCHED AN ORGANIZED SEARCH OF MUSTY RECORDS TODAY TO PROVE THEIR CLAIMS TO A $30,000,000 AMERICAN TOBACCO FORTUNE.

THEY CLAIM TO BE LEGAL HEIRS OF MRS.HENRIETTA GARRETT, WHO DIED IN PHILADELPHIA IN 1930. SHE WAS THE WIDOW OF WALTER GARRETT, U.S.TOBACCO MAGNATE, AND HER DEATH LEFT HIS $30,000,000 ESTATE WITH NO WILL TO DIRECT ITS DISPOSITION.

FOR 19 YEARS 16 DIFFERENT CLANS OF GERMAN SCHAEFERS BATTLED VAINLY TO PROVE THAT THEY WERE RELATIVES OF MRS.GARRETT, WHOSE MAIDEN NAME WAS SCHAEFER.

YESTERDAY, CHARGING THAT AMERICAN CLAIMANTS WERE SUPPRESSING INFORMATION VITAL TO THEIR CLAIMS, THE GERMAN SCHAEFER CLANS UNITED IN ONE GROUP TO PROTECT THEIR INTERESTS.

DR.H. (FIRST NAME PRESENTLY UNAVAILABLE) SEIDEL OF BONN, WAS NAMED TRUSTEE OF THE COMBINED GERMAN CLAIMANTS.

TODAY SEIDEL SAID THE GROUP'S FIRST MOVE WILL BE TO COMB THROUGH OLD CHURCH AND CITY RECORDS IN GERMANY TO LOCATE PROOF THAT THE GERMAN CLAIMANTS AND MRS.GARRETT WERE COMMON KIN OF CHRISTOPHER SCHAEFER, WHO IS SAID TO HAVE EMIGRATED TO THE UNITED STATES IN 1840 FROM GERMANY.

THE GERMANS FACE A LOT OF COMPETITION IN THEIR BID FOR THE GARRETT FORTUNE. THERE ARE 26,000 CLAIMANTS LIVING IN MANY PARTS OF THE WORLD.

SEIDEL SAID A PHILADELPHIA COURT HAD RULED THAT HALF THE ESTATE BELONGS TO HEIRS IN THE UNITED STATES. HE SAID A THREE-MAN COMMITTEE SET UP BY THE COURT HAS BEEN INVESTIGATING CLAIMS SINCE 1936, WITH CHARLES STARR OF PHILADELPHIA ACTING AS CUSTODIAN OF THE ESTATE.

SEIDEL SAID THE PHILADELPHIA COURT IN 1947 INVITED THE GERMAN CLAIMANTS TO APPEAR IN PERSON TO SUPPORT THEIR CLAIMS, BUT THEN IT WAS IMPOSSIBLE FOR GERMANS TO GO ABROAD. THE GERMANS ASKED THE COURT TO POSTPONE THEIR HEARING, SEIDEL SAID, BUT NO ANSWER HAS BEEN RECEIVED FROM THE COURT.

THE GERMAN CLAIMANTS DID NOT EXPLAIN WHAT INFORMATION THEY THINK THEIR AMERICAN RIVALS ARE HOLDING OUT FROM THEM.

FRANKFURT, GERMANY, AUG.29-(AP)-THREE CZECHOSLOVAK PLANES AND A SMALL TROOP DETACHMENT WANDERED OVER THE FRONTIER INTO THE AMERICAN ZONE OF GERMANY LAST WEEKEND, BUT U.S. OFFICIALS TODAY DISMISSED THE INCIDENTS AS ACCIDENTAL.

THE PLANE FLIGHTS WERE REPORTED BY GERMAN BORDER POLICE IN BAVARIA. THEY SAID TWO CZECH FIGHTERS CIRCLED OVER NEUHAUSEN AND PASSMANSREUTH AND A FOUR-ENGINED BOMBER FLEW OVER INDUSTRIAL HOF.

U.S. OFFICIALS SAID THE FLIGHTS WERE BELIEVED PART OF CZECH ARMY MANEUVERS. ONE SAID: "WE BELIEVE THEY ARE JUST CASE OF FLIERS GOING OFF THEIR COURSE, OR NOT KNOWING WHERE THE BOUNDARY IS."

TWENTY-TWO CZECH SOLDIERS WERE CAUGHT ON AMERICAN ZONE SOIL NEAR NEUHAUSEN SATURDAY NIGHT, U.S. CONSTABULARY AUTHORITIES REPORTED. BUT THEY TERMED IT A CASE OF SIMPLE TRESPASS WITHOUT SIGNIFICANCE.

ONE OFFICIAL SAID THE CZECH SOLDIERS HAD BEEN WORKING ON INSTALLATIONS NEAR THE AMERICAN ZONE BORDER AND HEADED BACK FOR THEIR UNITS BY A SHORTCUT WHICH CROSSED GERMAN SOIL.

FRANKFURT, GERMANY, AUG.29-(AP)-A SLIM 24-YEAR-OLD WOMAN WHO CLAIMS AMERICAN CITIZENSHIP WAS GIVEN A CHANCE TO GO TO AMERICA TODAY--AS A PRISONER.

SHE SAID HER NAME IS HILDEGARDE PEGGY MCCARY. SHE WAS CONVICTED BY A U.S. MILITARY GOVERNMENT COURT OF ILLEGAL ENTRY INTO GERMANY AND CARRYING A FALSE IDENTITY CARD.

BUT, ON HER PLEA THAT SHE IS AMERICAN, THE JUDGE DIRECTED THAT HER SEVEN-MONTH SENTENCE BE SERVED IN A WOMEN'S ARMY CORPS (WAC) DISCIPLINARY BARRACKS IN THE UNITED STATES.

IT WAS HILDEGARDE'S SECOND APPEARANCE IN COURT ON A SIMILAR CHARGE. LAST SPRING SHE WAS SENTENCED TO FOUR MONTHS IN A GERMAN JAIL BY A JUDGE WHO DIDN'T BELIEVE HER STORY.

SHE WAS EJECTED FROM GERMANY AFTER SERVING HER FIRST JAIL SENTENCE. BUT SHE CAME BACK WITH AN ADDMITTEDLY FAKE IDENTITY CARD AND WAS PICKED UP AGAIN.

SHE SAID SHE WAS BORN IN NEW YORK CITY, AND HER FATHER'S NAME WAS WILLIAM MCCARY. BUT SHE SAID SHE HADN'T SEEN NOR HEARD FROM HER PARENTS FOR SEVERAL YEARS AND COULD NOT SAY WHERE THEY LIVE NOW.

SHE TOLD THIS STRANGE STORY OF HOW SHE GOT TO GERMANY:

A WAC CORPORAL IN THE UNITED STATES GAVE HER A WAC UNIFORM AND IDENTITY CARD WHICH ENABLED HER TO SMUGGLE HERSELF ABOARD A TROOP SHIP CARRYING WACS TO GERMANY.

HER REASON: TO JOIN HER BOY FRIEND, WHOM SHE CALLED LT.JAMES PORTNER. BUT SO FAR SHE HAS BEEN UNABLE TO PRODUCE ANY LT.PORTNER.

THE U.S. CONSULATE IS HELPING CHECK HILDEGARDE'S STORY.

MEANWHILE, SHE IS BEING HELD IN A GERMAN JAIL. IF THE INVESTIGATION SHOWS SHE IS NOT AN AMERICAN, SHE MAY STAY IN A GERMAN JAIL INSTEAD OF BEING TRANSFERRED TO THE UNITED STATES.

FIRST LEAD YUGOSLAV

BY ALEX SINGLETON

BELGRADE, YUGOSLAVIA, AUG 29-(AP)-OUTWARDLY AT LEAST, YUGOSLAVIA SHOWED SCANT SIGNS TODAY OF WORRY ABOUT THE POSSIBILITY OF A SHOOTING WAR WITH HER SOVIET-DOMINATED NEIGHBORS.

THE WAR OF NERVES IN THE BALKANS APPARENTLY HAD THE REST OF THE WORLD MORE JITTERY THAN IT DID THE PEOPLE OF THIS COUNTRY--EVEN THOUGH THEY ARE CONSCIOUS OF THE POSSIBILITIES.

GOVERNMENT SPOKESMEN WERE KEPT BUSY DENYING A FLOOD OF RUMORS ABOUT MOVES AND COUNTERMOVES IN THE INCREASINGLY BITTER WORD WAR BETWEEN SOVIET RUSSIA AND YUGOSLAVIA.

BUT SHOESHINE BOYS IN BELGRADE SLAPPED PLACIDLY AWAY AT THE BOOTS OF THEIR CUSTOMERS. HOUSEWIVES CARRIED ON THEIR MARKETING AS USUAL.

IN THE COUNTRY, FARMERS WERE THRESHING ONE OF THEIR RICHEST GRAIN HARVEST IN YEARS.

AT LEAST PART OF YUGOSLAVIA'S CALM CAN BE ATTRIBUTED, OF COURSE, TO THE FACT THAT THE OFFICIAL PRESS HAS CARRIED FEW OF THE RUMORS WHICH APPARENTLY HAVE DISTRIBUTED THE WESTERN WORLD.

THERE HAS BEEN NO MENTION YET, FOR EXAMPLE, OF THE MEETING OF THE SOVIET-DOMINATED ECONOMIC COUNCIL OF MUTUAL ASSISTANCE IN SOFIA, BULGARIA.

THERE HAVE BEEN SOME OFFICIAL DENIALS OF SUCH RUMORS AS "UNUSUAL" TROOPS MOVEMENTS IN YUGOSLAVIA, THAT TWO DIVISIONS HAVE BEEN SENT INTO THE ISTRIAN (TRIESTE) PENINSULA TO PREVENT SABOTAGE, THAT FIRE IN THE FIUME OIL REFINERY WAS THE WORK OF SOVIET AGENTS.

IT'S TRUE THAT MARSHAL TITO'S TROOPS STRETCHED AROUND YUGOSLAVIA'S UNEASY BORDERS ARE ON THE ALERT.

THAT'S NOTHING NEW. THEY'VE BEEN THAT WAY SINCE THE COMINFORM (COMMUNIST INTERNATIONAL INFORMATION BUREAU) BLACKLISTED TITO 15 MONTHS AGO ON CHARGES OF PURSUING "NATIONALISTIC" POLICIES AND BEGAN A CAMPAIGN TO OUST HIM FROM POWER.

PERHAPS ITS TRUE THAT THE HEAVIEST CONCENTRATION OF TITO'S FORCES ARE IN MACEDONIA--BREEDING SPOT OF PAST WARS--AS REPORTED IN ISTANBUL. MACEDONIA IS THE SECTION OF SOUTHERN YUGOSLAVIA WEDGED BETWEEN BULGARIA AND ALABIA, BOTH COMINFORM MEMBERS.

REINFORCEMENTS IN MACEDONIA WOULD B

BETWEEN BULGARIA AND ALBANIA, BOTH COMINFORM MEMBERS.

REINFORCEMENTS IN MACEDONIA WOULD BE NATURAL TO WARD OFF ANY ATTEMPT BY COMINFORM COUNTRIES TO INCITE REBELLION WITH THE PROMISE OF UNITING THE MACEDONIAN SECTIONS OF YUGOSLAVIA, GREECE AND BULGARIA INTO A SPEARATE STATE.

BUT ACTUAL DISPOSITION OF YUGOSLAV TROOPS AND THEIR STRENGTH HAS BEEN, AND WILL REMAIN, SECRET UNLESS AND UNTIL A SHOWDOWN COMES.

REPORTS ON YUGOSLAV TROOPS CAN BE PUT DOWN AS A VARIETY OF RUMORS AND DIPLOMATIC GUESSWORK.

THERE WAS NOT ONE SOLID FACT TO BACK UP ANY OF THE RUMORS OF SABOTAGE, TROOP MOVEMENTS AND SPYING THAT FLEW FROM TABLE TO TABLE IN COFFEE SHOPS AND WERE WHISPERED IN DIPLOMATIC CORRIDORS.

A GOVERNMENT SPOKESMAN DENIED LAST NIGHT THAT YUGOSLAVIA HAD SENT TROOPS INTO THE ISTRIAN PENINSULA, PRE-WAR ITALIAN TERRITORY, TO PREVENT SABOTAGE.

THE SPOKESMAN THEN TOOK UP OTHER PUBLISHED STORIES WHICH HE EITHER DENIED FLATLY OR DISMISSED AS "ONLY RUMORS."

HE DENIED THAT YUGOSLAVIA HAD CHALLENGED THE RIGHT OF RUSSIAN GUNBOATS TO TRAVEL THROUGH YUGOSLAV TERRITORIAL WATERS ON THE DANUBE RIVER. HE SAID RUSSIA HAD THAT RIGHT UNDER THE DANUBE NAVIGATION CHARTER AND SAID YUGOSLAVIA HAD NOT ASKED ANY RUSSIAN GUNBOAT TO HALT.

HE LUMPED TOGETHER AS "ONLY RUMORS":

A REPORT THAT YUGOSLAVIA MIGHT CHARGE RUSSIA BEFORE THE UNITED NATIONS SECURITY COUNCIL WITH THREATENING PEACE BY HER HEATED NOTES TO YUGOSLAVIA.

A REPORT THAT THREE SOVIET MECHANIZED DIVISIONS HAVE ENTERED HUNGARY FROM ROMANIA AND ARE BELIEVED NEAR THE YUGOSLAV FRONTIER.

THE GOVERNMENT NEWS AGENCY, TANJUG, LATER ENTERED ANOTHER DENIAL OF REPORTS ABOUT SENDING REINFORCEMENTS INTO THE ISTRIAN PENINSULA WHERE THERE WAS A FIRE IN A FIUME OIL REFINERY LAST WEEK. IT SAID THERE WAS NO QUESTION OF SABOTAGE IN THE FIRE.

30.24- 5335

TANJUG, ACTING FOR THE MINISTRY OF INFORMATION, NAMED A LONG LIST OF FOREIGN RADIOS, NEWSPAPERS AND PRESS ASSOCIATIONS WHICH IT SAID WERE SPREADING FALSE REPORTS.

TANJUG ALSO CARRIED A DENIAL OF STORIES PRINTED IN THE HOSTILE COMMUNIST PRESS THAT YUGOSLAVIA INTENDS TO HAND OVER TO THE GREEK GOVERNMENT REFUGEES WHO SOUGHT SAFETY HERE.

WHATEVER THE TRUTH OF THE SITUATION--WHETHER THE RUSSIAN-LED COMINFORM (COMMUNIST INTERNATIONAL INFORMATION BUREAU) WAS PREPARING TO MOVE ACTIVELY AGAINST TITO OR WHETHER THE REPORTS WERE PART OF A WAR OF NERVES, YUGOSLAV LEADERS WENT ABOUT THEIR ORDINARY TASKS.

TITO HIMSELF APPARENTLY WAS STILL AT HIS SUMMER CAPITAL ON THE ADRIATIC RESORT ISLAND OF BRIONI. HE HAS BEEN CONDUCTING BUSINESS AND SEEING DELEGATIONS THERE.

FOREIGN MINISTER EDVARD KARDELJ AND POLITBURO MEMBER MILOVAN DJILAS FOUND TIME YESTERDAY TO ATTEND A TRACK MEET BETWEEN YUGOSLAVIA, BELGIUM AND FRANCE.

THE YUGOSLAV PRESS CONTINUED TO CARRY ANSWERS TO BLASTS FROM RUSSIA AND THE OTHER COMINFORM NATIONS WHO HAVE BEEN THREATENING TITO SINCE THEY THREW HIM OUT OF THE ORGANIZATION IN JUNE, 1948.

--DASH--

THE OFFICIAL SOVIET NEWS AGENCY, TASS, ANNOUNCED IN LONDON THIS MORNING THAT THE ECONOMIC ORGANIZATION OF EUROPE'S COMMUNIST NATIONS--THE ECONOMIC COUNCIL OF MUTUAL AID (ACMA) MET IN SOFIA, BULGARIA, FROM AUG.25 TO AUG.28.

THE TASS ANNOUNCEMENT DID NOT SAY WHAT WAS DISCUSSED BUT STATED THAT REPRESENTATIVES OF ALBANIA, BULGARIA, HUNGARY, POLAND, ROMANIA, CZECHOSLOVAKIA AND RUSSIA "CONSIDERED CURRENT QUESTIONS OF ITS WORK AND TOOK NECESSARY DECISIONS."

THERE WAS NO HINT THAT THE TITO REGIME WAS DISCUSSED AT THE MEETING. THE COMINFORM NATIONS HAVE BEEN TIGHTENING AN ECONOMIC BOYCOTT OF YUGOSLAVIA TO THE POINT WHERE THERE IS PRACTICALLY NO TRADE BETWEEN THEM.

PRECEDE ZVOLEN DAY (210)

BY RICHARD KASISCHKE

PRAGUE, CZECHOSLOVAKIA, AUG. 29-(AP)-LEADERS OF CZECHOSLOVAKIA'S COMMUNIST-DOMINATED GOVERNMENT HURLED MORE CHARGES OF "PLOTTING" AND "REACTION" TODAY AGAINST THE COUNTRY'S ROMAN CATHOLIC HIERARCHY.

THE GOVERNMENT HAD UTILIZED A THREE-DAY CELEBRATION OF THE FIFTH ANNIVERSARY OF THE WARTIME SLOVAK RISING AGAINST THE NAZIS AS A SOUNDING BOARD FOR ATTACKS AGAINST THE VATICAN AND THE CZECH BISHOPS.

LATEST OFFICIAL TO JOIN THE ATTACK WAS COMMUNIST VICE-PRESIDENT ZDENEK FIERLINGER, WHO SPOKE AT A RECEPTION TONIGHT.

HE CHARGED THE "REACTIONARY CLERGY IN SLOVAKIA, OBEDIENT TO THE ORDERS OF THE VATICAN CARDINALS, HAD TRIED TO KEEP THE SLOVAK PEOPLE IN TRADITIONAL CHAINS OF SUPERSTITION AND BIGOTRY AND TO PREVENT ANY PROGRESS."

"THEY DID EVERYTHING TO STRENGTHEN THE CAPITALIST SYSTEM OF EXPLOITATION," HE SAID. "AND THERE WERE EVEN BISHOPS WHO REFUSED TO RECOGNIZE OUR NEW POPULAR DEMOCRATIC ZECCHOSLOVAK STATE."

EARLIER, PRESIDENT KLEMENT GOTTWALD, SPEAKING AT ZVOLEN, SLOVAKIA, ACCUSED THE CATHOLIC HIERARCHY OF "SPREADING FALSE PROPAGANDA ABOUT RELIGIOUS PERSECUTION WITH THE AIM OF 'TORPEDOING' THE COMMUNIST-LED GOVERNMENT."

HE CALLED THIS A "MOST INVIDIOUS ATTEMPT AT UNDERMINING THE FOUNDATION OF OUR STATE" AND WARNED:

"WE SHALL NOT ALLOW OUR REPUBLIC TO BE DISINTEGRATED. OUR PEOPLE SHALL MANAGE TO SETTLE ACCOUNTS WITH REACTION."

MOST OF FINLAND'S METAL INDUSTRY IS BUSY PRODUCING WAR REPARATIONS GOODS FOR RUSSIA.

PREMIER KARL A. FAGERHOLM PREDICTED AT A NEWS CONFERENCE THURSDAY THAT THE COMMUNIST-LED STRIKERS MIGHT MOVE AGAINST REPARATIONS INDUSTRIES TO CREATE DIFFICULTIES FOR THE GOVERNMENT IN ITS FOREIGN RELATIONS.

MEANWHILE, A SURVEY SHOWED THAT 82 SHIPS WERE BEING HELD UP BY THE STRIKE OF PORT WORKERS. ABOUT 80 SHIPS WERE BEING WORKED, PARTLY WITH VOLUNTEER LABOR.

THE PORT STRIKE WAS COMPLETE IN HELSINKI, MAENTULUOTO, KASKINEN, KOKKOLA, OULU AND KEMI. THERE WERE SIGNS THAT SOME OF THE STRIKERS MIGHT COME BACK TO WORK SOON.

THE COMMUNIST PRESS SAID YESTERDAY THAT BREWERY AND SOFT DRINK WORKERS SHOULD END THEIR WALKOUT "BECAUSE EMPLOYERS HAD AGREED TO TAKE UP NEGOTIATIONS."

THE STRIKE AT CRICHTON-VULCAN TIED UP WORK ON FIVE SHIPS BEING BUILT FOR RUSSIA UNDER THE WAR REPARATIONS AGREEMENT. MOST OF THE 28 OTHER MACHINE SHOPS IN TURKU REPORTED AT LEAST PART OF THEIR WORK FORCE FAILED TO REPORT TODAY.

AT THE PANSIO SHIP YARDS, ONLY ONE FOURTH OF THE NORMAL WORKING CREW WAS ON THE JOB. THERE WAS NO OFFICIAL ESTIMATE OF THE TOTAL NUMBER OF TURKU METAL WORKERS ON STRIKE.

A RESOLUTION ADOPTED AFTER ANTI-COMMUNIST WORKERS HAD LEFT THE STRIKE MEETING THERE YESTERDAY CONDEMNED THE WAGE POLICY OF THE TRADE UNION FEDERATION. THE RESOLUTION ALSO DEMANDED THAT THE TUF WITHDRAW ITS EXPULSION OF FIVE UNIONS KICKED OUT OF THE CENTRAL LABOR BODY RECENTLY FOR CALLING STRIKES WITHOUT TUF CONSENT.

DOGU BAYAZIT, TURKEY, AUG.29-(AP)-FIVE AMERICANS ARE TOILING UP THREE-MILE-HIGH MOUNT ARARAT TODAY TO SEE IF NOAH'S ARK LIES ON THE SUMMIT.

THEY LEFT THIS ISOLATED VILLAGE YESTERDAY MORNING AND NO WORD IS EXPECTED FROM THE GROUP MAKING THE PERILOUS ASCENT UNTIL TOMORROW AT THE EARLIEST.

THE RUSSIANS HAVE PROTESTED STRENUOUSLY THAT THE SEARCH FOR THE ARK IS MERELY A BLIND FOR A SPYING EXPEDITION--MT.ARARAT IS ON THE TURKO-RUSSIAN BORDER.

THE SEARCHERS, WHOM THE RUSSIANS CALLED SPIES, INCLUDE DR.AARON J.SMITH, 61, RETIRED MISSIONARY FROM GREENSBORO, N.C.; WALTER WOOD, 36, DEVELOPMENT ENGINEER OF SEA CLIFF, LONG ISLAND, N.Y.; WENDELL OGG, 24, OF KNOXVILLE, TENN.; PHYSICIST AT THE OAK RIDGE ATOMIC ENERGY PLANT; E.J.NEWTON, 46, INTERIOR DECORATOR OF COLFAX, N.C.; AND ASSOCIATED PRESS CORRESPONDENT EDWIN GREENWALD.

FIVE TURKS ARE ACCOMPANYING THEM.

INTEREST IN THE AREA HAS INTENSIFIED SINCE LAST YEAR, WHEN PEASANTS REPORTED THEY HAD SEEN AN OBJECT RESEMBLING A BOAT. THE OBJECT HAD BEEN UNCOVERED BY AN USUALLY HEAVY THAW.

BY SPENCER MOOSA

CANTON,CHINA,AUG 29 (AP)-A COMMUNIST THRUST 170 MILES NORTH OF CANTON SENT NEW UNEASINESS THROUGH THIS CHINESE NATIONALIST CAPITAL TODAY.

THE NATIONAL DEFENSE MINISTRY SAID THE REDS HAD REACHED THE OUTSKIRTS OF JUCHENG, 40 MILES EAST OF THE CANTON RAILWAY AND 45 MILES NORTH OF KUKONG, KEY POINT ON THE RAILWAY.

THE REDS' NEAREST APPROACH TO CANTON WAS 140 MILES NORTHEAST, IN THE VICINITY OF KIENNAN. THE THREAT TO KUKONG AND THE RAILWAY COULD CUT OFF THE CAPITAL'S CONTACT WITH THE NATIONALIST ARMY BASED ON HENGYANG, 265 MILES NORTH OF CANTON.

NORTH OF HENGYANG, THE COMMUNISTS CONTINUED THEIR UNEXPLAINED WITHDRAWALS. THE DEFENSE MINISTRY REPORTED THE RED 49TH ARMY, FORMERLY AT CHANGSHA, 100 MILES NORTH, HAD PULLED BACK 50 MILES NORTHWEST TOWARDS YIYANG, WITH THE NATIONALISTS AT THEIR HEELS. IT SAID THE RED 39TH ARMY FOR THE SECOND TIME IN A WEEK HAD ABANDONED ANHWA, 90 MILES WEST OF CHANGSHA.

THERE WAS SPECULATION THAT THESE RED WITHDRAWALS MIGHT PRESAGE A DRIVE AT CHUNGKING, 400 MILES TO THE NORTHWEST. CHUNGKING IS THE PROSPECTIVE NEXT SEAT OF THE NATIONALIST GOVERNMENT IF CANTON BECOMES UNTENABLE.

GENERALISSIMO CHIANG KAI-SHEK STILL WAS IN CHUNGKING CONFERRING WITH GENERALS MA PU-FANG AND HU TSUNG-NAN, HIS COMMANDERS FROM THE FAR NORTHWESTERN FRONT IN KANSU PROVINCE.

IN THE FAR NORTHWEST, THE NATIONALISTS SAID THEY HAD LAUNCHED A COUNTEROFFENSIVE AIMED AT CUTTING THE SUPPLY LINE OF RED FORCES WHICH TOOK LANCHOW, CAPITAL OF KANSU PROVINCE.

THE DEFENSE MINISTRY SAID THE COUNTER MOVE WAS STARTED BY GEN. HU TSUNG-NAN FROM THE NORTH CHENG MOUNTAIN RANGE IN SOUTHERN SHENSI PROVINCE AND WAS MAKING GOOD HEADWAY. HU IS THE GOVERNMENT COMMANDER IN THE SHENSI-HUPEH-SZECHWAN BORDER AREA.

HU'S APPARENT PURPOSE WAS TO SWING A FORCE EASTWARD AND CUT THE SIAN-LANCHOW HIGHWAY.

NIGHT LEAD BURMA (440)

BY DOUGLAS LACKERSTEEN

RANGOON, BURMA, AUG. 29-(AP)-EIGHTEEN AMERICANS TRAPPED BY CIVIL WAR IN TAUNGGYI ARE REPORTED SAFE BUT EFFORTS TO REMOVE THEM WERE COMPLICATED TODAY BY REBEL CAPTURE OF ANOTHER BURMA STATE CAPITAL.

THE ARMY ACKNOWLEDGED THAT ANTI-GOVERNMENT FORCES HAVE TAKEN LASHIO, CAPITAL OF THE NORTHERN SHAN STATE AND ONE-TIME RAILHEAD STARTING POINT OF THE OLD BURMA ROAD TO CHINA.

A DIPLOMATIC MISSION FROM RANGOON, INCLUDING AMERICAN CONSULATE OFFICERS ROBERT L. CLIFFORD AND BALLARD R. DONNELL, HAD HOPED TO TAKE FOREIGN NATIONALS FROM REBEL-HELD TAUNGGYI AND FLY THEM OUT OF THE WAR ZONE FROM LASHIO AIRFIELD. THE GOVERNMENT THIS MORNING GROUNDED ALL ARMY AND CIVILIAN PLANES SCHEDULED TO GO THERE.

LASHIO IS 130 MILES NORTHEAST OF MANDALAY AND 160 MILES NORTH OF TAUNGGYI, THE SOUTHERN SHAN STATE CAPITAL WHICH WAS CAPTURED BY NATIONALIST KAREN TRIBESMEN AUG. 13. THE DIPLOMATIC MISSION APPARENTLY HAD HOPED TO TAKE FOREIGNERS OVERLAND FROM TAUNGGYI TO LASHIO FOR REMOVAL BY PLANE.

ALL TOLD, THERE ARE ABOUT 12,000 ALIENS IN TAUNGGYI, MOST OF THEM INDIANS AND ANGLO-INDIANS WITH BRITISH PASSPORTS, PAKISTANIS AND CHINESE. WITH THE 18 AMERICAN BAPTIND EDUCATION

WITH THE 18 AMERICAN BAPTIST AND EDUCATIONAL MISSIONERS ARE A FEW BRITONS.

LEGATIONS OF THE FIVE NATIONS INVOLVED WERE WARNED BY THE BURMA GOVERNMENT LAST WEEK THAT THEIR NATIONALS IN TAUNGGYI WERE IN DANGER OF AIR AND GROUND ATTACKS THE ARMY IS PLANNING IN ORDER TO RETAKE THE TOWN. A FIVE-NATION DIPLOMATIC MISSION SET OUT BY PLANE LAST FRIDAY TO CONTACT THE KAREN COMMAND THROUGH A SIKH GO-BETWEEN AND ASK FOR SAFE-CONDUCT OF THE FOREIGNERS OUT OF TAUNGGYI.

RADIO TAUNGGYI SAID THE AMERICAN CONSULAR OFFICIALS ENTERED TAUNGGYI SATURDAY AND THAT ALL THE AMERICANS THERE WERE SAFE.

A91

THE IDENTITY OF THE REBELS HOLDING LASHIO IN BURMA'S MANY-SIDED CIVIL WAR WAS NOT KNOWN HERE BUT IT WAS UNDERSTOOD THEY ARE NOT (CORRECT) KARENS. LASHIO LIES NOT MANY MILES WEST OF THE RUGGED HILL COUNTRY WHICH IS HOME TO THE PARTLY TAMED WILD WA (CAPS WW) TRIBESMEN.

THE WILD WA PEOPLE UNTIL RECENT YEARS WERE NOTED FOR HEAD-HUNTING. THE BRITISH FORMER RULERS OF BURMA LISTED THEIR DOMAIN AS "UNADMINISTERED TERRITORY." BAPTIST MISSIONARIES ARE CREDITED WITH STOPPING OR REDUCING HEAD-HUNTING AMONG THEM.

THE REBEL ATTACK ON LASHIO PIERCED THE SMALL DEFENSES AT DAWN SUNDAY, OFFICIAL REPORTS SAID, AND THE GOVERNMENT GARRISON IMMEDIATELY STARTED WITHDRAWING. A GOVERNMENT SCOUT PLANE REPORTED ALL HAD BEEN QUIET SATURDAY AFTERNOON WHEN IT FLEW OVER LASHIO.

GROUNDING OF PLANES BOUND FOR LASHIO GAVE THE FIRST INTIMATION THAT THE TOWN HAD BEEN LOST TO THE REBELS.

WASHINGTON, AUG. 29-(AP)-A SENATE MOVE TO FORCE PRESIDENT TRUMAN TO SLASH SPENDING TO A LEVEL 5 TO 10 PER CENT BELOW HIS ADVANCE ESTIMATES WAS DEFEATED IN THE SENATE TODAY BY THE NARROW MARGIN OF FOUR VOTES.

THE VOTE WAS 48 FOR THE CUT ORDER AND ONLY 29 AGAINST. BUT A TWO THIRDS MAJORITY WAS REQUIRED FOR PASSAGE.

THE PLAN, OFFERED AS AN AMENDMENT TO A BIG DEFENSE APPROPRIATIONS BILL, WOULD HAVE REQUIRED THE PRESIDENT TO HOLD SPENDING FOR THE CURRENT FISCAL YEAR SONE $2,000,000,000 TO $4,000,000,000 BELOW THE ESTIMATES HE MADE LAST JANUARY.

TO CARRY OUT THE DIRECTIVE, HE PROBABLY WOULD HAVE HAD TO TURN BACK SOME APPROPRIATIONS VOTED BY CONGRESS. HE WOULD HAVE HAD DISCREATION IN PICKING THE PLACES TO CUT.

FOES OF THE PROPOSED CUT ORDER SAID IT AMOUNTED TO PASSING THE ECONOMY BUCK TO THE PRESIDENT. SUPPORTERS OF THE DIRECTIVE SAID THE PRESIDENT WAS IN THE BEST POSITION TO DETERMINE WHERE TO CUT.

AFTER THE DECISION ON THIS ISSUE, THE SENATE PASSED BY VOICE VOTE A $14,800,000,000 APPROPRIATIONS BILL TO PAY FOR NATIONAL DEFENSE--THE COSTS OF THE ARMY, NAVY AND AIR FORCE. THIS WAS SOME $500,000,000 LESS THAN PRESIDENT TRUMAN ASKED.

IT ALSO WAS ABOUT $1,100,000,000 UNDER THE $15,900,000,000 FIGURE VOTED BY THE HOUSE. A COMPROMISE SENATE-HOUSE COMMITTEE WILL TRY TO REACH AN AGREEMENT.

IN THE PROCESS OF PASSING THE GIGANTIC MONEY BILL WHICH REPRESENTS MORE THAN A THIRD OF ALL GOVERNMENT COSTS, THE SENATE ALSO:

1. DEFEATED 45 TO 31 AN AMENDMENT BY BUTTER STATE SENATORS TO PREVENT USE BY THE MILITARY OF OLEOMARGARINE FOR ANYTHING BUT COOKING PURPOSES. A SIMILAR PROVISO HAS BEEN A STANDARD FEATURE OF THE APPROPRIATIONS BILLS, BUT HOUSE AND SENATE COMMITTEE TOSSED IT OUT THIS YEAR.

2. VOTED DOWN 49 TO 25 AN AMENDMENT BY SENATOR DOUGLAS (D-ILL) TO SEND THE BILL BACK TO COMMITTEE AND ORDER ANOTHER $273,000,000 REDUCTION.

SENATOR MCCLELLAN (D-ARK) LED A BIG GROUP OF DEMOCRATS AND REPUBLICAS IN ATTEMPTING TO NAIL ONTO THE BILL THE "RIDER" REQUIRING PRESIDENT TRUMAN TO CUT TOTAL SPENDING.

A19VX

MCCLELLAN TOLD THE SENATE THIS WOULD MEAN A MINIMUM SAVING OF $2,000,000,000. HE ESTIMATED THAT CONGRESS ALREADY HAS HELD APPROPRIATIONS $1,750,000,000 BELOW BUDGET ESTIMATES SO FAR.

DEMOCRATIC LEADER LUCAS OF ILLINOIS, BATTLING THE RIDER AS AN ATTEMPT TO SHIFT RESPONSIBILITY TO THE PRESIDENT, DISPUTED MCCLELLAN'S FIGURES. HE CONTENDED IT WOULD MEAN THAT MR.TRUMAN PROBABLY WOULD HAVE TO CUT ANOTHER $700,000,000. MOST OF THIS, LUCAS SAID, WOULD HAVE TO COME FROM DEFENSE AND FOREIGN AID FUNDS, ALREADY CHOPPED DOWN. OR, HE SAID, IT WOULD HAVE TO BE TAKEN FROM VETERANS, THE FARM PROGRAM OR OTHER "ESSENTIAL FUNCTIONS."

LUCAS ARGUED THAT IT WAS AN ATTEMPT TO TELL THE PRESIDENT TO DO WHAT CONGRESS LACKED COURAGE TO DO. HE DUBBED IT A "POLITICAL GESTURE" AND ASKED "WOULD THEY IMPEACH HIM?" IF MR.TRUMAN WAS UNABLE TO SAVE AS MUCH AS ORDERED.

"ON THE CONTRARY," CONTENDED MCCLELLAN, "IT IS SOUND LEGISLATION NECESSARY IN THE PUBLIC WELFARE, AND FAILURE TO BALANCE THE BUDGET OR TO HOLD THE DEFICIT TO THE MINIMUM THIS AMENDMENT MAKES POSSIBLE MAY WELL PROVE TO BE A STUPID AND DANGEROUS BLUNDER."

THE ARKANSAS SENATOR CONTENDED THAT THE PRESIDENT HAD EQUAL RESPONSIBILITY WITH CONGRESS FOR MAINTAINING SOUND FINANCIAL POLICIES, AND THEREFORE THE DIRECTIVE WAS NOT OUT OF ORDER.

IT WAS A RULING BY VICE PRESIDENT BARKLEY THAT SEALED THE DOOM FOR THE AMENDMENT. HE WAS UPHELD BY A 41 TO 36 ROLLCALL VOTE.

BARKLEY HELD THAT A POINT OF ORDER COULD BE MADE THAT THE RIDER DID NOT BELONG IN THE BILL UNDER SENATE RULES. WHEN THE SENATE SUPPORTED THIS, IT THEN REQUIRED A TWO-THIRDS VOTE TO SUSPEND THE RULES AND ATTACH THE RIDER ANYWAY. AT THIS POINT, THE DRIVE BROKE DOWN.

SENATOR TAFT (R-OHIO) JOINED THE FIGHT TO PASS THE DIRECTIVE, ARGUING THAT IT WAS "PERFECTLY LOGICAL AND REASONABLE."

SUPPORTERS POINTED OUT THAT THE BILL ALREADY CONTAINED A DIRECTIVE TO SECRETARY OF DEFENSE JOHNSON TO KNOCK $433,000,000 FROM FUNDS ALLOWED THE ARMY, NAVY AND AIR FORCE. JOHNSON AGREED TO DO SO.

FOES OF THE MOVE ARGUED THAT IF CARRIED TOO FAR THE POLICY WOULD BE A DANGEROUS DELEGATION OF AUTHORITY TO THE EXECUTIVE BRANCH.

THE APPROPRIATION BILL'S BIG CUT CAME IN FUNDS VOTED BY THE HOUSE FOR THE AIR FORCE IN AN ATTEMPT TO INCREASE ITS STRENGTH TO 58 GROUPS. THE ADMINISTRATION HAD REQUESTED FUNDS FOR 48 GROUPS, AND THE SENATE CUT IT BACK TO THIS.

THE OLEOMARGARINE DEBATE ALSO TOOK AN ECONOMY TURN. SENATOR FULBRIGHT (D-ARK) CONTENDED THAT USE OF OLEO INSTEAD OF BUTTER WOULD PERMIT A SAVING OF $10,000,000 OR $11,000,000 A YEAR.

(470) NIGHT LEAD BRITISH

WASHINGTON, AUG 29-(AP)-GEOFFREY CROWTHER, A PROMINENT BRITISH EDITOR, SUGGESTED TODAY THAT TO SOLVE HER PROBLEMS HIS COUNTRY MUST GET AWAY FROM ANY IDEA THE WORLD OWES HER A LIVING.

CROWTHER, EDITOR OF THE LONDON WEEKLY THE ECONOMIST, MADE THE COMMENT AS PRELIMINARY TALKS CONTINUED HERE LOOKING TO A SOLUTION TO GREAT BRITAIN'S SERIOUS DOLLAR CRISIS.

"WE HAVE SLIPPED IN THE LAST GENERATION IN ENGLAND INTO BELIEVING THAT THE WORLD NOT MERELY OWES US A LIVING, BUT THAT THE WORLD WILL MEETS ITS OBLIGATION AND PROVIDE US WITH A LIVING," CROWTHER SAID IN A COPYRIGHTED INTERVIEW PUBLISHED IN THE NAGAZINE U.S. NEWS AND WORLD REPORT.

"WE HAVE GOT TO BE WILLING TO FACE THE UNCOMFORTABLE FACT THAT THE WORLD VALUES THE SERVICES OF THE BRITISH PEOPLE LESS HIGHLY THAN THEY VALUE THEM THEMSELVES."

PAUL G. HOFFMAN, MARSHALL PLAN ADMINISTRATOR, SAID MEANWHILE THAT BRITAIN'S GAINS IN PRODUCTIVITY REPRESENT A "SUPERB ACCOMPLISHMENT."

HE WAS RELUCTANT TO DISCUSS AT A NEWS CONFERENCE THE FORTHCOMING U.S.-BRITISH-CANADIAN FINANCIAL TALKS. BUT HE DID SUGGEST THAT THE SOLUTION TO THE UNITED KINGDOM'S DOLLAR SHORTAGE LIVES IN EVEN HIGHER PRODUCTIVITY AND LOWER PRODUCTION COSTS.

HOFFMAN SAID VERY REAL ECONOMIC PROGRESS HAS BEEN MADE IN EUROPE GENERALLY BUT "MUCH, MUCH MORE" NEEDS TO BE DONE. HE HAS JUST RETURNED FROM EUROPE.

"THE MARCH OF COMMUNISM HAS BEEN STOPPED; WESTERN EUROPE IS SHOWING MARKED DEVELOPMENT TOWARD ECONOMIC SOLVENCY AND POLITICAL STABILITY; PRODUCTION HAS BEEN GREATLY INCREASED," HOFFMAN SAID.

IN ADVANCE OF THE HIGH-LEVEL FINANCIAL TALKS WHICH WILL START THIS WEEKEND, THERE WERE INDICATIONS THAT PREVIOUSLY RUFFLED TEMPERS ON BOTH SIDES HAD COOLED BEFORE PRELIMINARY DISCUSSIONS STARTED HERE SATURDAY.

CANADIAN REPRESENTATIVES WERE UNDERSTOOD TO BE PREPARED TO ASSUME A MEDIATOR'S ROLE IN THE EVENT OF FURTHER FRICTION IN THE DELICATE EXAMINATION OF THE REASONS FOR BRITAIN'S FINANCIAL CRISIS AND WHAT TO DO ABOUT IT.

A29WX

CROWTHER, WHO WAS INTERVIEWED IN LONDON, SAID THE MOST IMPORTANT THING FOR GREAT BRITAIN TO DO IS LOWER HER PRODUCTION COSTS--"OR TO PUT IT ANOTHER WAY, TO RESTORE THE BRITISH PEOPLE'S BELIEF IN GIVING VALUE FOR MONEY."

THIS SHIFT IN ATTITUDE, HE SAID, WILL REQUIRE "WHAT YOU CAN ALMOST CALL A MORAL REVOLUTION."

CROWTHER SAID HIS COUNTRY'S "BASIC POSITION IN THE WORLD IS SOUND." BUT HE POINTED TO THREE FACTORS WHICH HE SAID WILL MAKE IT DIFFICULT TO LOWER PRODUCTION COSTS:

1. THE LABOR GOVERNMENT'S VAST SOCIAL PROGRAM HAS MADE IT "A LITTLE TOO EASY TO LEAD A SOFT AND EASY LIFE."
2. HEAVY TAXATION HAS RESULTED IN "A CONSIDERABLE DISINCENTIVE TO WORK."
3. THE ABSENCE OF UNEMPLOYMENT HAS LED WORKERS TO RELAX THEIR EFFORTS BECAUSE "UNLESS A MAN HAS A CERTAIN HEALTHY APPREHENSION OF LOSING HIS JOB, YOU CAN'T EXPECT HIM TO WORK AS WELL AS HE MIGHT DO."

MEANWHILE, OFFICIALS OF BRITAIN, CANADA AND THE U.S. MET FOR TWO HOURS TO CONTINUE THEIR FACT-FINDING TALKS.

THE BRITISH DELEGATION HEADED BY SIR HENRY WILSON SMITH DEVOTED MOST OF A MORNING SESSION TO REVIEWING BRITAIN'S PRODUCTION AND EXPORT EFFORTS.

PMS (500) BRITISH

BY JOHN SCALI

WASHINGTON,AUG.29-(AP)-CANADA WAS REPORTED READY TODAY TO ASSUME THE MEDIATOR'S ROLE IF THE GOING GETS ROUGH IN THE DELICATE FINANCIAL TALKS BETWEEN BRITAIN AND THE UNITED STATES.

CANADA'S SOOTHING WORDS MAY NOT BE NEEDED. PREVIOUSLY RUFFLED TEMPERS ON BOTH SIDES HAD COOLED CONSIDERABLY BY THE TIME PRELIMINARY TALKS GOT UNDERWAY FRIDAY.

NONETHELESS, CANADIAN DELEGATES TO THE MEETING ARE WATCHING CAREFULLY FOR ANY OUTBREAK OF THE PRE-CONFERENCE BICKERING THAT ALARMED THE OTTAWA GOVERNMENT.

THE DOMINION'S TOP REPRESENTATIVE AT THE CURRENT SESSIONS, NORMAN ROBERTSON, IS UNDERSTOOD TO HAVE COME FROM OTTAWA WITH INSTRUCTIONS TO BE "HELPFUL" TO BOTH SIDES IN REACHING AN AGREEMENT.

LESTER B.PEARSON, CANADA'S FOREIGN MINISTER, IS REPORTED PRIMED TO CONTINUE THIS PEACE-MAKING ROLE WHEN HE ARRIVES THIS COMING WEEKEND FOR HIGH-LEVEL DISCUSSIONS WITH TOP AMERICAN AND BRITISH CABINET OFFICERS.

PEARSON, A FORMER CANADIAN AMBASSADOR TO THE UNITED STATES, ADVISED BOTH SIDES IN A SPEECH LAST WEEK TO CALM DOWN. HIS REMARKS CAME AT A TIME WHEN BRITISH AND AMERICAN NEWSPAPERS AND POLITICIANS WERE HURLING CHARGES AND COUNTER-CHARGES ACROSS THE ATLANTIC.

A SERIOUS SPLIT BETWEEN BRITAIN AND THE UNITED STATES, HE WARNED, WOULD BE A TREMENDOUS SETBACK TO THE WESTERN WORLD AND WOULD BENEFIT ONLY THE LEADERS OF SOVIET RUSSIA.

"THEIR ILL-CONCEIVED SATISFACTION OVER THIS POSSIBILITY SHOULD BE OUR WARNING NOT TO PERMIT IT TO HAPPEN," PEARSON SAID.

STATE DEPARTMENT OFFICIALS WHO SAT IN ON THE FIRST "FACT FINDING" DISCUSSIONS WHICH BEGAN LAST FRIDAY SAID THE MEETINGS WERE FRIENDLY AND DEVOID OF ANY RECRIMINATION.

THEY EXPRESSED HOPE THIS ATMOSPHERE WOULD CONTINUE INTO LATER DISCUSSIONS, WHEN THE NEGOTIATORS OF ALL THREE GOVERNMENTS PLUNGE INTO DETAILED EXAMINATION OF THE REASONS FOR BRITAIN'S UNEXPECTED FINANCIAL CRISIS.

A25WX

ALTHOUGH OUTWARDLY CONFIDENT, OFFICIALS OF THE THREE GOVERNMENTS ARE GLOOMY ABOUT THE CHANCES OF DISCOVERING A LONG-RANGE SOLUTION FOR BRITAIN'S ACUTE DOLLAR SHORTAGE.

THE BIGGEST CHANCE FOR FRICTION DURING THE TALKS APPEARS TO BE IN THE DISCUSSION OF WHAT IS RESPONSIBLE FOR BRITAIN'S ECONOMIC SLUMP. MANY BRITISH OFFICIALS ARE KNOWN TO BELIEVE THAT THE BUSINESS RECESSION IN THE UNITED STATES, COUPLED WITH HIGH AMERICAN TARIFFS, IS THE MAIN FACTOR.

SECRETARY OF THE TREASURY SNYDER IN THE PAST HAS BEEN IRRITATED BY THIS ARGUMENT AND IS REPORTED READY TO DENY IT EMPHATICALLY IF THE TIME COMES.

SNYDER IS KNOWN TO BELIEVE THAT UNWILLINGNESS TO DEVALUE THE POUND FROM THE PRESENT $4.03 LEVEL HAS BEEN ONE OF THE BIG REASONS FOR BRITAIN'S PLIGHT. BUT HE IS REPORTED NOW TO HAVE DECIDED NOT TO PRESS THE BRITISH ON THIS POINT.

HE FEARS THAT IF HE DOES AND BRITAIN'S ECONOMIC CRISIS CONTINUES, AS IT MAY, THE BRITISH MAY BLAME THAT SUGGESTION FOR THEIR CONTINUED FINANCIAL TROUBLES.

IN THE DISCUSSIONS THUS FAR, TWO POSSIBLE REMEDIES HAVE BEEN UNDER CONSIDERATION.

ONE, PROPOSED BY THE BRITISH, WOULD CALL FOR INCREASED AMERICAN AND CANADIAN PURCHASES OF FOREIGN GOODS, WITH THE IDEA THAT THE DOLLARS THUS SPENT WOULD EVENTUALLY FIND THEIR WAY INTO BRITAIN'S DEPLETED STOCKS. THE BRITISH, FOR THEIR PART, WOULD TRY TO BOOST EXPORTS AND CUT COSTS.

THE OTHER PLAN, REPORTEDLY UNDER DISCUSSION BY AMERICAN OFFICIALS, WOULD PERMIT BRITAIN TO BUY FEWER AMERICAN GOODS--AND THUS SPEND FEWER DOLLARS--THAN SHE IS NOW REQUIRED TO BUY UNDER THE BRITISH LOAN AGREEMENT.

SAID WHITE AT THE NEWS CONFERENCE: Wash Water Gun.

"THERE IS NO SECRET ABOUT ANY OF THESE. WE DIDN'T STEEL ANY OF THEM. WE DIDN'T GET ANY OF THEM AT THE POINT OF A GUN."

HUNT HAS BEEN ILL, BUT CHAIRMAN HOEY (D-NC) SAID THE COMMITTEE PLANS TO CALL HIM AS SOON AS HE IS ABLE TO TESTIFY. IT HAS BEEN ESTIMATED THAT HE WON'T BE READY FOR A HEARING FOR AT LEAST A MONTH.

HERE ARE SOME OF THE SUBJECTS VAUGHAN PROBABLY WILL BE ASKED TO DISCUSS:

--THE RACE TRACK--

OFFICIALS OF TANFORAN RACE TRACK, IN CALIFORNIA, WANTED SOME SCARCE BUILDING MATERIALS. HOUSING EXPEDITER TIGHE WOODS HAS TESTIFIED THAT VAUGHAN CAME TO HIM, ASKED THAT HE "PLEASE HURRY," AND THAT TANFORAN GOT THE PERMIT THE NEXT DAY.

BOTH MARAGON AND HUNT WERE MENTIONED IN CONNECTION WITH THE ATTEMPT TO GET THE RACE TRACK PERMIT.

WOODS' PICTURE WAS AMONG THOSE ON HUNT'S WALLS. IT HAD THE INSCRIPTION:

"TO JIM HUNT WITH FONDEST REGARDS

"TIGHE WOODS

"HOUSING EXPEDITER"

--MOLASSES--

HERBERT C.HATHORN, FORMERLY AN EMPLOYE OF THE AGRICULTURE DEPARTMENT, SAID VAUGHAN ONCE MADE IT CLEAR HE COULD GET HATHORN'S JOB.

THIS WAS AFTER VAUGHAN AND MARAGON TRIED TO GET THE DEPARTMENT TO AUTHORIZE MORE SUGAR FOR THE ALLIED MOLASSES CO. OF PERTH AMBOY, N.J., HATHORN SAID. IN SPITE OF THE PRESSURE VAUGHAN APPLIED, HATHORN SAID, THE REQUEST WAS TURNED DOWN.

--DEEP FREEZES--

AMONG THE RECIPIENTS OF THE HOME FREEZERS: GENERAL VAUGHAN AND THE LITTLE WHITE HOUSE IN INDEPENDENCE,MO.

VAUGHAN LATER SAID--IN HIS ONLY PUBLIC STATEMENT TO DATE--THAT HE WAS GIVEN THE FREEZES BY DAVID BENNETT, AN OLD FRIEND OF HIS. MARAGON FORMERLY WORKED FOR GENNETT'S PERFUME FIRM.

--PERFUME--

TESTIMONY HAS DISCLOSED THAT VAUGHAN WROTE A LETTER OF INTRODUCTION FOR BENNETT, WHO FLEW TO PARIS IN AN AIR TRANSPORT COMMAND PLANE ONLY THREE DAYS AFTER V-E DAY.

A3WX

LESS THAN THREE WEEKS AFTER HE RETURNED, THE FIRST OF TWO OF THE FREEZERS, PAID FOR BY BENNETT, WERE ON THEIR WAY. BOTH SENATORS MCCARTHY AND MUNDT (R-SD) HAVE TRIED TO ESTABLISH SOME CONNECTION BETWEEN THESE TWO EPISODES, BUT VAUGHAN HAS INSISTED HE DID NOTHING IMPROPER.

VAUGHAN ALSO SOUGHT A PASSPORT FOR MARAGON, WHO WANTED TO MAKE A TRIP TO ITALY FOR VERLEY. IT WAS ON THIS REQUEST THAT A PENCILLED NOTE SHOWED UP, SAYING THAT VAUGHAN HAD SAID THAT MR.TRUMAN WAS "PERSONALLY INTERESTED" IN THE TRIP.

VAUGHAN ALSO SMOOTHED THE WAY FOR BENNETT TO GET INTO THE BRITISH ZONE OF GERMANY IN 1948. BENNETT SAID HE WANTED TO VISIT A SICK FRIEND.

--CHAMPAGNE--

IN JULY, 1945, MARAGON RETURNED FROM PARIS, ON A BUSINESS TRIP FOR THE PERFUME COMPANY. HE HAD WITH HIM, HE SAID, SOME CHAMPAGNE FOR THE WHITE HOUSE. THIS TURNED OUT TO BE PERFUME, AND WAS CONFISCATED.

MARAGON LATER PAID $1,500 FOR THE PERFUME--$355 IN DUTY PAYMENTS AND A $1,145 PENALTY.

MCCARTHY HAS MAINTAINED THAT MARAGON GOT OFF LIGHTLY FROM "A CLEAR CUT CASE OF SMUGGLING," AND THAT THERE MUST BE SOME REASON.

CHAIRMAN HOEY HAS MAINTAINED THAT THIS IS A NORMAL PROCEDURE ON THE PART OF THE CUSTOMS DEPARTMENT, AND THAT SIMILAR CASES ARE HANDLED THE SAME WAY.

WATERTOWN, N.Y., AUG. 29-(AP)-SENATOR JOHN FOSTER DULLES SAYS THE UNITED STATES IS RELYING GREATLY ON MILITARY MIGHT AND THAT ITS PRESENT COURSE "SKIRTS, DANGEROUSLY, THE ROAD TO WAR."

"OUR LEADERS TAKE THAT RISK BECAUSE THEY FEEL THAT THERE IS NO ADEQUATE ALTERNATIVE," THE NEW YORK REPUBLICAN DECLARED YESTERDAY IN A SERMON AT THE FIRST PRESBYTERIAN CHURCH, WHERE HIS FATHER, THE LATE REV. ALLEN MACY DULLES, ONCE WAS PASTOR.

DULLES, WHO SERVED ON THE U.S. DELEGATION TO THE UNITED NATIONS, DECLARED:

"TODAY OUR NATION IS RELYING GREATLY ON MATERIAL AND MILITARY MIGHT. THAT IS DANGEROUS. A NATION THAT POSSESSES A GREAT MILITARY ESTABLISHMENT IS LIKELY TO BE INFLUENCED BY THE COUNSEL OF PERSONS WHO BELIEVE IN THE INEVITABILITY OF WAR OR WHO BELIEVE THAT GOOD ENDS CAN BE GAINED BY VIOLENT MEANS. X X X

"POLICY MAKERS WORK WITH THE TOOLS THAT, IT SEEMS, CAN BE MADE AVAILABLE. ECONOMIC AND MILITARY POWER CAN BE DEVELOPED UNDER THE SPURT OF LAWS AND APPROPRIATIONS, BUT MORAL POWER DOES NOT DERIVE FROM ANY ACT OF CONGRESS. IT DEPENDS ON THE RELATIONS OF A PEOPLE TO THEIR GOD.

"IT IS THE CHURCHES TO WHICH WE MUST LOOK TO DEVELOP THE RESOURCES FOR THE GREAT MORAL OFFENSIVE THAT IS REQUIRED TO MAKE HUMAN RIGHTS SECURE AND TO WIN A JUST AND LASTING PEACE."

DULLES SAID THAT CONGRESS WAS WORKING ON GREAT PLANS TO HALT COMMUNISM BY GIVING ECONOMIC AND MILITARY AID TO "THOSE WHO WE HOPE WILL RESIST."

"IT IS HOWEVER, PERFECTLY CLEAR," HE ADDED, "THAT THESE PLANS WILL NOT SUCCEED IF THEY MERELY PUT MATERIAL THINGS INTO THE HANDS OF MEN WHO DO NOT HAVE A SPIRITUAL FAITH AND WHO DO NOT FEEL A SENSE OF HUMAN BROTHERHOOD AND OF SOCIAL RESPONSIBILITY."

SECOND NIGHT LEAD STUDENTS (120)

NEW YORK, AUG. 29-(AP)-TWENTY-FIVE (CQ) STUDENTS, STRANDED IN NEW YORK OVERNIGHT BY TRANSPORTATION TROUBLES ON THEIR RETURN FROM A PLANE TRIP TO EUROPE, WERE OFF ON THE LAST LAP TONIGHT.

THE GROUP, ALL THAT WAS LEFT OF A TOURIST PARTY OF 46, LEFT LA GUARDIA FIELD AT 8:22 P.M. (EST) ABOARD A ROBIN AIRLINE PLANE BOUND FOR CHICAGO.

THEY HAD SPENT A DAY OF UNCERTAINTY AFTER THEIR PAID-FOR TRIP FROM CHICAGO TO AMSTERDAM AND BACK TO CHICAGO ABRUPTLY ENDED HERE.

NEARLY, HALF THE GROUP HAD FOUND THEIR OWN WAYS HOME. THOSE LEFT BEHIND COMPLAINED THAT THE STAY IN NEW YORK COST THEM AN EXTRA $10 TO $25.

BUT TONIGHT MOST OF THEM WERE PLACATED, BEFORE THEY BEGAN THE LAST LEG OF THE TRIP, BY A STEAK DINNER GIVEN THEM BY THE AIRLINE THEY HAD PAID FOR THE TOUR.

THE ORIGINAL 46, INCLUDING SOME TEACHERS, ARRIVED AT IDLEWILD INTERNATIONAL AIRPORT LAST NIGHT TO FIND THAT THERE WERE NO ARRANGEMENTS FOR THEIR TRANSPORTATION ANY FURTHER.

ALASKA AIRLINES, WHICH HAD SOLD THEM THE ROUND-TIP TOURS FOR $350, HAD BEEN FORCED TO HALT ITS OVERSEAS OPERATIONS BECAUSE OF A CIVIL AERONAUTICS BOARD RULING.

ALASKA HAD ARRANGED WITH THE SEABOARD AND WESTERN AIRLINES TO GET THE GROP FROM AMSTERDAM TO NEW YORK. BUT SEABOARD CANNOT FLY FROM HERE TO CHICAGO.

AT FIRST ALASKA AIRLINES SAID IT WOULD FULFILL ITS CONTRACT AND FIND A WAY TO CHICAGO FOR THE STUDENTS.

THEN A COMPANY OFFICIAL IN SEATTLE SAID THE CAB RULING HAD TERMINATED THE CONTRACT--AND THE GROUP WOULD HAVE TO GET BACK TO CHICAGO THE BEST WAY IT COULD.

MOST OF THE STUDENTS WERE SHORT OF CASH, BUT SOME MADE ARRANGEMENTS TO GET HOME BY AIR OR RAILROAD.

OTHERS FOUND LODGINGS IN THE CITY. SEVENTEEN-INCLUDING EIGHT WOMEN--SPENT THE NIGHT ON COATS AND IN LOUNGES AT THE AIRPORT, POOLING THEIR RESOURCES FOR COFFEE AND SANDWICHES.

TODAY ALASKA AIRLINES CHANGED ITS MIND AGAIN. THE LINE ANNOUNCED IT HAD ARRANGED WITH THE ROBIN AIR LINE TO CARRY THE STUDENTS BACK TO CHICAGO.

THE AIRLINE SAID THE ARRANGEMENT WITH SEABOARD TO GET THE STUDENTS TO NEW YORK HAD COST ALASKA MORE THAN THE LINE GOT FROM THE STUDENTS.

THE TIRED-LOOKING GROUP OF 17 AT IDLEWILD SAT OUT THE DELAY THERE UNTIL MID-AFTERNOON. THEN, JOINED BY FIVE OF THEIR FELLOW TOURISTS WHO HAD STAYED IN MANHATTAN HOTELS, THEY WERE TAKEN TO LA GUARDIA FIELD--FOR ANOTHER WAIT UNTIL THEY BOARDED THE CHICAGO PLANE.

SEATTLE,AUG.28-(AP)-FORTY STUDENTS STRANDED AT NEW YORK'S INTERNATIONAL AIRPORT ARE GOING TO HAVE TO MAKE THEIR WAY HOME BY THEMSELVES, THE SALES MANAGER OF ALASKA AIRLINES SAID HERE TONIGHT.

THE OFFICIAL, LES GREENING, SAID THE COMPANY'S CONTRACT WITH THE STUDENTS FOR TRANSPORTATION TO AND FROM AMSTERDAM, HOLLAND, HAD BEEN TERMINATED BY A CIVIL AERONAUTICS BOARD ORDER TO "CEASE AND DESIST" SERVICE PENDING A HEARING OF CHARGES THE AIRLINE HAD VIOLATED SAFETY REGULATIONS.

HE SAID THE COMPANY HAD DISCONTINUED ALL OVERSEAS OPERATIONS WITH ISSUANCE OF THE CAB ORDER, BUT HAD ARRANGED WITH SEABOARD AND WESTERN AIRLINES TO RETURN THE STUDENTS FROM AMSTERDAM TO NEW YORK. HE SAID THE STUDENTS HAD BEEN ASSURED ONLY THAT THEY WOULD BE RETURNED TO THE UNITED STATES.

MOST OF THE STRANDED STUDENTS LIVE IN ILLINOIS AND WERE ORIGINALLY SCHEDULED TO BE BROUGHT TO CHICAGO.

EARLIER, GREENING HAD SAID ALASKA AIRLINES WOULD CARRY OUT TERMS OF THE ORIGINAL CONTRACT AND RETURN THE STUDENTS TO CHICAGO.

HE DENIED A REPORTED STATEMENT BY A FORMER PILOT OF THE COMPANY THAT THE LINE HAD SUSPENDED OPERATIONS. HE SAID ALASKA AIRLINES STILL OPERATED CERTIFICATED ROUTES IN ALASKA AND AS A NON-SCHEDULED CARRIER FROM ALASKA TO SEATTLE AND FROM FAIRBANKS AND ANCHORAGE, ALASKA, DIRECT TO MINNEAPOLIS AND CHICAGO.

MAYOR SHIMZO HAMAI WAS INTERVIEWED YESTERDAY BY NORMAN COUSINS, EDITOR OF THE SATURDAY REVIEW OF LITERATURE. THE INTERVIEW WAS CARRIED BY THE AMERICAN BROADCASTING COMPANY.
THE MAYOR SAID HE BASED HIS ESTIMATE ON THE NUMBER OF RATION CARDS HE ISSUED BEFORE AND AFTER THE EXPLOSION. HAMAI WAS THE CITY'S RATION COMMISSIONER DURING THE WAR.
HAMAI'S FIGURE IS HIGHER THAN ANY PREVIOUSLY USED BY JAPANESE OR AMERICAN SOURCES.
THE U.S. STRATEGIC BOMBING SURVEY REPORTED ON JUNE 29, 1946, THAT THE MOST PLAUSIBLE ESTIMATE OF DEAD WAS 70,000 TO 80,000 WITH AN EQUAL NUMBER INJURED. SUPREME ALLIED HEADQUARTERS AT TOKYO ON FEB. 3, 1946, ESTIMATED 78,000 DEAD AND 14,000 MISSING.

NEW YORK, AUG. 29-(AP)-HER WORK WITH THE AMERICAN YOUTH CONGRESS TAUGHT HER A LOT ABOUT COMMUNIST TACTICS, MRS. FRANKLIN D. ROOSEVELT WROTE TODAY IN MC CALL'S MAGAZINE.
THE FORMER FIRST LADY SAID SHE KNEW FOR A LONG TIME THAT THE AYC FOLLOWED THE COMMUNIST LINE.
HOWEVER, SHE SAID IN THE FOURTH INSTALLMENT OF HER LATEST SET OF MEMOIRS:
"I HAD GREAT SYMPATHY FOR THESE YOUNG PEOPLE, EVEN THOUGH THEY ANNOYED ME. IN THAT CRITICAL PERIOD, GROWING UP WAS MUCH MORE DIFFICULT THAN IT HAD BEEN AT ANY PREVIOUS TIME ANY OF US COULD REMEMBER. I HAVE NEVER FELT THE SLIGHTEST BITTERNESS TOWARD ANY OF THEM AND, AMA MATTER OF FACT, I AM EXTREMELY GRATEFUL FOR MY EXPERIENCE WITH THEM.

THEM AND, AS A MATTER OF FACT, I AM EXTREMELY GRATEFUL FOR MY EXPERIENCE WITH THEM.
"I LEARNED WHAT COMMUNIST TACTICS ARE. I KNOW HOW INFILTRATION OF AN ORGANIZATION IS ACCOMPLISHED. I UNDERSTAND HOW COMMUNISTS GET THEMSELVES INTO POSITIONS OF IMPORTANCE. I UNDERSTAND ALL THEIR METHODS OF OBJECTION AND DELAY, THE EFFORT TO TIRE OUT THE REST OF THE GROUP, THEN CARRY THE VOTE WHEN ALL THEIR OPPONENTS HAVE GONE HOME. THESE TACTICS ARE ALL FAMILIAR TO ME. LAKE SUCCESS, AUG. 29-(AP)-AN AMERICAN EXPERT ON HELP FOR UNDERDEVELOPED AREAS SAID TODAY FEW COUNTRIES ARE READY FOR THE INDUSTRIALIZATION THEY SEEK.
HE SAID PEOPLE CANNOT BE FORCED TO TAKE ECONOMIC PROGRESS.
THE AMERICAN, JOHN ABBINK, EMPHASIZED HE WAS EXPRESSING HIS OWN VIEWS AND NOT THE POLICY OF THE UNITED STATES GOVERNMENT. HE IS A CONSULTANT ON THE FOREIGN TECHNICAL ASSISTANCE PROGRAM FOR THE U.S. MISSION TO THE U.N. AND SPOKE AT A GENERAL MEETING OF THE U.N. SCIENTIFIC CONFERENCE ON THE CONSERVATION AND UTILIZATION OF RESOURCES.
HE SAID ONE OF THE MOST DIFFICULT PROBLEMS CONCERNING UNDERDEVELOPED COUNTRIES IS TO CONVINCE PEOPLE THAT ECONOMIC PROGRESS COMES FROM WITHIN. IT CANNOT BE IMPOSED FROM WITHOUT AND CANNOT EVEN BE ADVANCED TO ANY GREAT DEGREE UNLESS THERE IS A DESIRE ON THE PART OF THE PEOPLE THEMSELVES FOR A BETTER LIFE SO THEY CAN UNDERTAKE THE NECESSARY SACRIFICES.
INDUSTRIALIZATION, HE ADDED, DOES NOT NECESSARILY MEAN ECONOMIC DEVELOPMENT, AND TO UNDERTAKE IT AT THE RISK OF HUNGRY STOMACHS IS HAZARDOUS.
SOME COUNTRIES, HE SAID, WITH AN AGRICULTURAL BACKGROUND HAVE HIGH INTEREST RATES AND ARE NOT SUITABLE TO INDUSTRIAL ENTERPRISES, AND IN MANY COUNTRIES LOCAL CAPITAL MARKETS DO NOT EXIST.
ABBINK DECLARED PRESIDENT TRUMAN'S POINT FOUR PROGRAM OF HELP FOR UNDERDEVELOPED AREAS WAS WIDELY HAILED THROUGHOUT THE WORLD BECAUSE IT CONTAINED A REFERENCE TO FINANCING. HE SAID IT ACTUALLY STRESSED MUCH MORE EMPHATICALLY THE NEED FOR PLANNING SUCH AS HE OUTLINED IN HIS SPEECH TO THE CONFERENCE.
"THE PEOPLE OF THE UNITED STATES HAVE PROVEN THAT THEY ARE WILLING TO HELP TO THE LIMIT OF THEIR ABILITIES," ABBINK ASSERTED, "BUT THEY WILL BE LITTLE INCLINED TO PROVIDE FUNDS MERELY BECAUSE SOME COUNTRY WANTS THEM. THERE IS TOO GREAT NEED AT HOME FOR CAPITAL."

THAT IS THE EXPERT OPINION GIVEN BY ALBERT M.DAY, DIRECTOR, FISH AND WILDLIFE SERVICE, WASHINGTON, TO THE WILDLIFE SECTION OF THE UNITED NATIONS SCIENTIFIC CONFERENCE ON THE CONSERVATION AND UTILIZATION OF RESOURCES.
DAY TOLD THE SECTION THE TOTAL U.S. POPULATION OF BIG GAME MAMMALS IS ESTIMATED AT SOME 7,750,000 (M) ANIMALS. THE MOST ABUNDANT IS THE WHITE-TAILED DEER, WHICH MAKES UP A LITTLE LESS THAN TWO-THIRDS OF THE BIG GAME. THE MULE DEER IS SECOND. OTHER ABUNDANT MAMMALS ARE THE COLUMBIAN BLACK-TAILED DEER, ELK, ANTELOPE, PECCARY AND BLACK BEAR.
SCARCE ANIMALS LISTED BY DAY ARE THE DESERT AND ROCKY MOUNTAIN BIGHORN SHEEP, THE MOUNTAIN GOAT, MOOSE, BISON, EUROPEAN WILD BOAR, GRIZZLY BEAR AND CARIBOU.
THE PROBLEM NOW IS HOW TO MANAGE THE GROWING BIG GAME POPULATION RATHER THAN HOW TO INCREASE THE NUMBER. THE MAIN ITEM IS FOOD FOR THE ANIMALS.

FRANKFURT,GERMANY,AUG.29-(AP)-AN AGREEMENT FOR FREE TRADE BETWEEN SWITZERLAND AND WESTERN GERMANY--WITHOUT LIMITING IMPORT QUOTAS EXCEPT FOR FOOD AND FARM PRODUCE--WAS ANNOUNCED TODAY.

THE ACTION WAS DESCRIBED BY ALLIED OFFICIALS AS "THE FIRST BREAK AMONG THE OEEC (ORGANIZATION FOR EUROPEAN ECONOMIC COOPERATION) COUNTRIES WITH THE SYSTEM OF CONTROLLED COMMODITY TRADE WHICH HAS MADE INTER-EUROPEAN TRADING SO DIFFICULT."

AUG 29 1949

"ON THE WESTERN GERMAN SIDE, IT REPRESENTS THE COMBINED EFFORT OF THE AMERICAN, BRITISH AND FRENCH MILITARY GOVERNMENTS, WORKING WITH THE GERMAN ECONOMIC ADMINISTRATION, TO PROMOTE FREE INDIVIDUAL TRADING," THE ANNOUNCEMENT OF THE AGREEMENT SAID.

"THIS BOLD EXPERIMENT COULD BE MADE FIRST WITH SWITZERLAND BECAUSE SWITZERLAND IS ONE OF THE VERY FEW COUNTRIES IN EUROPE PREPARED TO REVERT TO LIBERAL TRADE POLICIES."

RHE ONLY CURB LEFT ON FREE TRADE BETWEEN SWITZERLAND AND WESTERN ERMANY IS IN THE FIELD OF FOOD AND FARM PRODUCTS.

"IT WAS NOT POSSIBLE TO APPLY THE UNRESTRICTED SYSTEM TO FOOD AND AGRICULTURAL PRODUCE FOR THE TIME BEING IN VIEW OF EXISTING CONTROLS IN BOTH COUNTRIES," AN OFFICIAL SAID.

MEANWHILE A LIST OF QUOTAS FOR AGRICULTURAL AND FOOD COMMODITIES HAS BEEN AGREED UPON IN WHAT OFFICIALS CALLED THE "BROADEST POSSIBLE TERMS."

AUG 29 1949

FOOD IMPORTS FROM SWITZERLAND ARE ESTIMATED AT ABOUT $10,500,000 A YEAR, INCLUDING FRESH AND PROCESSED FRUITS, CHEESE, MILK, MEAT, OIL-CAKE AND WINE.

GERMAN AGRICULTURAL EXPORTS OF $3,500,000 YEARLY WILL CONSIST MAINLY OF HOPS, MALT, SEEDS, BEER AND WINE.

TO FINANCE THE NEW FREE TRADING IN OTHER COUNTRIES, WESTERN GERMANY HAS AGREED TO MAKE AVAILABLE FUNDS UP TO THE EQUIVALENT OF $4,800,000 EVERY FOUR WEEKS.

NEW YORK, AUG 29-(AP)-EUROPE IS MORE CONCERNED WITH TRADE PROBLEMS TODAY THAN IT IS WITH FEAR OF COMMUNISM OR ANOTHER WAR, SAYS HENRY S.KINGMAN, MINNEAPOLIS, PRESIDENT OF THE NATIONAL ASSOCIATION OF MUTUAL SAVINGS BANKS.

AUG 29 1949

THE MARSHALL PLAN, THE ATLANTIC PACT, BUT MOST OF ALL THE BERLIN AIRLIFT WERE RESPONSIBLE FOR THIS CHANGE OF ATTITUDE IN EUROPE, KINGMAN TOLD A NEWS CONFERENCE AFTER RETURNING FROM A FIVE WEEK TRIP ABROAD.

ACCOMPANIED BY JOHN W. SANDSTEDT, NEW YORK, EXECUTIVE SECRETARY OF THE ASSOCIATION, KINGMAN VISITED NORWAY, SWEDEN, DENMARK, BRITAIN, FRANCE, HOLLAND BELGIUM.

"THE EXTENT OF ECONOMIC RECOVERY IN ALL EUROPE, WITH THE EXCEPTION OF BRITAIN, IS REMARKABLE SINCE MY LAST TRIP IN 1947," KINGMAN SAID.

"EUROPEANS GENERALLY ARE NO LONGER TALKING ABOUT WAR AND THEY HAVE DROPPED THE SUBJECT OF COMMUNISM," HE SAID.

"HOWEVER, COMMUNISM IS A LATENT FORCE WAITING FOR THE AMERICAN PEOPLE TO LIE DOWN ON THE JOB. COMMUNISM, IN MY OPINION IS JUST AS STRONG UNDERNEATH AS IT EVER WAR."

KINGMAN REPORTED THAT IN ALL COUNTRIES EXCEPT BRITAIN, SAVINGS OF INDIVIDUALS HAD INCREASED SHARPLY IN THE PAST TWO YEARS, WHETHER IN SAVINGS BANKS, POSTAL SAVINGS OR OTHER TYPES OF SAVINGS FACILITIES.

"IN EUROPE," HE SAID, "THE FACILITIES AND TECHNIQUES OF SAVINGS BANK OPERATION ARE MORE DEVELOPED THAN IN THE U.S. IN MANY WAYS, OPPORTUNITY TO SAVE IS MADE EASIER THERE, ESPECIALLY IN THE SCANDINAVIAN COUNTRIES."

LAKE SUCCESS, AUG. 29-(AP)-THE OIL INDUSTRY IS CARRYING ON A LARGE AMOUNT OF EXPERIMENTATION TO MEET THE NEW FUEL PROBLEMS RAISED BY JET PLANES, AN OIL EXPERT SAID TODAY.

THE EXPERT, DR. GUS EGLOFF OF THE UNIVERSAL OIL PRODUCTS CO., CHICAGO, SAID IN A PAPER HERE THAT AN EARLY SOLUTION TO THE PROBLEM OF SUITABLE FUELS FOR JET PLANES IS IMPERATIVE. HE DELIVERED THE PAPER AT THE FUELS AND ENERGY SECTION MEETING OF THE UNITED NATIONS SCIENTIFIC CONFERENCE ON THE CONSERVATION AND UTILIZATION OF RESOURCES.

SPECIALISTS ON A WIDE RANGE OF PROBLEMS ARE TALKING THEM OUT AT THE U.N. MEETING. THE SOVIET UNION IS NOT REPRESENTED. NO RECOMMENDATIONS ARE PLANNED BY THE CONFERENCE, BUT U.N. OFFICIALS EXPECT MUCH BENEFIT WILL COME OUT OF THE EXCHANGE OF VIEWS.

30.24- 5345

"JET PROPULSION OF AIRCRAFT HAS CREATED NEW FUEL PROBLEMS," DR. EGLOFF SAID. "THE REQUIREMENTS FOR JET FUELS ARE NOT COMPLETELY KNOWN AND A LARGE AMOUNT OF EXPERIMENTATION IS IN PROGRESS TO DEVELOP APPROPRIATE FUELS. ONE OF THE GREATEST PROBLEMS IS THE HIGH FUEL CONSUMPTION OF JET PLANES.

"A JET PLANE USES FIVE TIMES AS MUCH FUEL AS ITS RECIPROCATING ENGINE COUNTERPART. AN EARLY SOLUTION TO THIS PROBLEM IS IMPERATIVE INASMUCH AS THE RANGE OF OPERATION IS LIMITED BY HIGH CONSUMPTION AND OPERATION IS VERY COSTLY. A SATISFACTORY FUEL MUST BURN RAPIDLY AND COMPLETELY, HAVE VERY HIGH HEATING VALUE PER UNIT WEIGHT, AND LOW FREEZING POINT BECAUSE OF THE LOW TEMPERATURES AT EXTREMELY HIGH ALTITUDES."

DR. EGLOFF PREDICTED "TAILOR-MADE HYDROCARBONS FOR JET FUELS AND NEW PROCESSES FOR MAKING THEM" WOULD COME OUT OF THE PRESENT WELTER OF RESEARCH, JUST AS SPECIAL PRODUCTS AND PROCESSES WERE FOUND FOR MAKING HIGH QUALITY AVIATION GASOLINES.

HE SAID INTENSIVE RESEARCH ALSO IS BEING CARRIED ON FOR IMPROVED DIESEL FUELS. THE USE OF DIESEL ENGINES IN LOCOMOTIVES IS INCREASING RAPIDLY, DR. EGLOFF SAID.

AUG 29 1949

"THE NEW DEVELOPMENTS IN CHEMICALS AND THEIR APPLICATIONS ARE SYMBOLIC OF THE PROGRESSIVE TREND OF THE OIL INDUSTRY," DR. EGLOFF SAID. "PRACTICALLY ALL OIL COMPANIES ARE EXPANDING THEIR RESEARCH LABORATORIES TO HOUSE THE MOST MODERN FACILITIES AND ARE LIKEWISE INCREASING THEIR STAFFS TO INCLUDE THOUSANDS OF HIGHLY TRAINED CHEMISTS, PHYSICISTS AND ENGINEERS. THE WHOLE INDUSTRY STANDS AS A DIRECT OUTGROWTH OF RESEARCH AND BASES ITS FUTURE ON THE CONTINUED DEVELOPMENT OF NEW PROCESSES AND PRODUCTS."

BUENOS AIRES, AUG. 25-(AP)-OPPOSITION TO THE PROPOSED NATIONALIZATION OF ARGENTINA'S PETROLEUM INDUSTRY WAS EXPRESSED TODAY DURING A LA DEBATE IN THE CHAMBER OF DEPUTIES OVER THE RECENTLY-SIGNED ANGLO-ARGENTINE TRADE AGREEMENT.

AUG 29 1949

A PRINCIPAL FEATURE OF THE TREATY IS A BARTER ARRANGEMENT UNDER WHICH ARGENTINE MEAT WOULD BE EXCHANGED FOR BRITISH PETROLEUM.

THE MINISTERS OF ECONOMY, FINANCE, INDUSTRY AND TREASURY JOINED THE PERONISTA MAJORITY IN DEFENDING THE TREATY AS MUTUALLY BENEFICIAL TO THE TWO COUNTRIES.

THE RADICAL MINORITY CONTENDED THE BRITISH GOT THE BEST OF THE BARGAIN. RADICAL ARTURO FRONDIZI SAID ARGENTINA WOULD NOT NEED TO IMPORT SO MUCH PETROLEUM IF HER OWN OILFIELDS WERE BETTER DEVELOPED. HE SAID THE ONLY SOLUTION TO THE PROBLEM IS APPROVAL OF A NATIONALIZATION BILL, OF WHICH HE IS THE AUTHOR.

THE PROJECT WOULD EXPROPRIATE THE HOLDINGS HERE OF STANDARD OIL CO. (NEW JERSEY) AND BRITISH SHELL, WHICH TOGETHER WITH THE ARGENTINE GOVERNMENT COMPANY--YACIMIENTOS PETROLIFEROS FISCALES--HAVE WELLS HERE.

THE PERONISTAS, WHO CONTROL THE CONGRESS, SHOWED NO DISPOSITION TO SUPPORT THE NATIONALIZATION BILL.

(ADVANCE) BRUSSELS, AUGUST 26-(AP)-MARSHALL PLAN DOLLARS ARE HELPING THE REALIZATION OF THE 100-YEARS-OLD BELGIAN IDEA TO LINK HER NORTH AND SOUTH RAILWAY NETWORKS BY MEANS OF A RAILWAY TUNNEL THROUGH THE HEART OF BRUSSELS.

HALF OF THE EXPENSE OF WAGES AND MATERIAL PAID OUT DURING 1949-50 WIL COME FROM THE E.C.A. LOAN GIVEN TO THE BELGIAN GOVERNMENT.

FROM THIS LOAN THE BELGIANS LAID ASIDE 250,000,000 FRANCS ($5,700,000) AND BUDGETED AN EQUAL AMOUNT FROM LOCAL SOURCES.

THE "JUNCTION NORD-MIDI" AS THE BELGIANS CALL IT WILL JOIN BRUSSELS NORTH AND SOUTH STATIONS. IT IS SCHEDULED FOR COMPLETION BY 1952, THOUG A PARTIAL SERVICE WILL BE INAUGURATED IN 1950-51.

THE "LINK" WILL PERMIT THROUGH RAIL PASSAGE BETWEEN THE TWO STATIONS AND ELIMINATE BACKTRACKING OF ONE THOUSAND PASSENGER TRAINS DAILY AND FREIGHT TRAINS DURING THE NIGHT.

AUG 29 1949

TRAINS CHOKED WITH IMPORTED GOODS FROM THE PORT OF ANTWERP WILL SPEED SOUTHWARDS WITHOUT THE COMPLICATED ROUTING AROUND BRUSSELS WHICH THEY HAVE AT PRESENT. SOUTHERN TRAINS FROM THE IMPORTANT CHARLERIO INDUSTRIAL BASIN WILL CLICK THEIR WAY STRAIGHT THROUGH BRUSSELS AND ON TO ANTWERP AND OTHER NORTHERN SEAPORTS TO DISCHARGE THEIR EXPORT CARGOES INTO WAITING SHIPS.

CHIEF ENGINEER OF THE PROJECT FREDERICK DE LE COURT, EMPHASISED THE IMPORTANCE OF THE LINK WHEN HE SAID "BELGIAN NATIONAL ECONOMY IS BASED PRINCIPALLY ON TRANSPORT FACILITIES AND ANY IMPROVEMENT OF THESE HAS IMMEDIATE DIRECT AND INDIRECT REPERCUSSIONS ON THE GENERAL ECONOMY" THE DIRECT EFFECT WILL BE THE SPEEDING UP OF THE MOVEMENT OF GOODS AND THE INDIRECT EFFECT WILL BE THE PROVISION OF THREE NEW STATIONS IN THE CAPITAL WHICH WILL FACILITATE THE ARRIVAL AND DEPARTURE OF TRAVELLERS FROM THE PROVINCES.

IN ADDITION THE PROJECT HAS CUT A SWATHE RIGHT THROUGH THE MEDIAEVAL ALLEYWAYS AND STREETS IN THE HEART OF BRUSSELS. BUILDINGS WHICH STOOD UP THROUGH SHEER HABIT HAVE BEEN DEMOLISHED TO MAKE ROOM FOR PLANNED MODERN APARTMENT AND OFFICE BUILDINGS ON WIDE BOULEVARDS.

WHEN COMPLETED THE LINK WILL HAVE A CENTRAL STATION AND TWO SMALLER ONES. ITS TWO-MILE LENGTH WILL PROVIDE A SIX-TRACK RIGHT OF WAY WITH OVERPASSES FOR VEHICULAR TRAFFIC AND AN UNDERGROUND BUS TERMINAL. LARGE UNDERGROUND PARKING AREAS WILL HELP RELIEVE THE PRESENT TRAFFIC CONGESTION.

AUG 29 1949

THE RAILWAY TRACKS WILL BE ELECTRIFIED AND THEREFORE THE TUNNEL WILL HAVE NO SMOKE PROBLEM. WORK IS PROGRESSING AT THE MOMENT ON THE ELECTRIFICATION OF BELGIUM'S WHOLE RAIL NETWORK, BUT IT WILL FINISH AFTER THE FINAL CONSTRUCTION OF THE TUNNEL. TO GET ROUND THIS AND AS A PURELY TEMPORARY MEASURE, STEAM TRAINS COMING UP TO THE TUNNEL WILL BE COUPLED TO AN ELECTRIC LOCOMOTIVE AND SHUNTED THROUGH. AT THE OTHER END READY STOKED STEAM LOCOMOTIVES WILL BE RE-COUPLED TO THE TRAIN TO CONTINUE THE JOURNEY.

AUG 29 1949

DE LE COURT PROUDLY POINTS OUT THE LINK AS "ONE OF THE MOST IMPORTANT WORKS WHICH BELGIUM HAS UNDERTAKEN DURING THE TWENTIETH CENTURY." HIS QUOTING OF SOME FIGURES EMPHASIZES THE IMMENSITY OF THE TASK. WHEN COMPLETED THE TUNNEL WILL HAVE DEVOURED SOME 80,000 TONS OF STEEL AND 650,000 CUBIC YARDS OF CONCRETE. NEARLY ONE AND A HALF MILLION CUBIC YARDS OF EARTH HAD TO BE EVACUATED AND DISPOSED OF DURING THE DIGGING.

NIGHT LEAD U.N.--OIL

BY WILLIAM L.PHILLIPS

LAKE SUCCESS, AUG. 26-(AP)-SECRETARY OF THE INTERIOR JULIUS A.KRUG URGED TODAY THE CREATION OF A SYNTHETIC OIL INDUSTRY TO CUSHION THE UNITED STATES AGAINST EMERGENCIES AND EVENTUAL EXHAUSTION OF ITS PETROLEUM RESERVES.

AUG 29 1949

KRUG SAID HIS OWN DEPARTMENT HAS BEEN TRYING FOR THREE YEARS TO GET APPROPRIATIONS FOR A COMMERCIAL SCALE OIL-SHALE PLANT IN COLORADO.

"OIL AND COAL INTERESTS" HAVE BLOCKED IT IN CONGRESS SO FAR, HE TOLD A NEWS CONFERENCE AT THE UNITED NATIONS SCIENTIFIC CONFERENCE ON THE CONSERVATION AND UTILIZATION OF RESOURCES. HE INDICATED HE WOULD KEEP TRYING.

KRUG DECLINED TO ESTIMATE WHEN AMERICA'S AND THE WORLD'S OIL RESERVES WILL RUN OUT--A SUBJECT OF MAJOR CONTROVERSY IN THE FUELS AND ENERGY SECTION OF THE U.N. CONFERENCE.

"IT DOES NOT MATTER WHETHER WE TAKE ESTIMATES THAT IT WILL BE 200, 500 OR 1,000 YEARS," HE SAID. "THE POINT THAT WE MUST RECOGNIZE IS THAT THE RESERVES ARE EXHAUSTIBLE AND THAT WE ARE USING THEM UP."

HE SAID THAT IN HIS OPINION THE IMPORTANT THING WAS THAT THE UNITED STATES SHOULD BE READY WITH AN ALTERNATE SOURCE OF LIQUID FUEL.

HE DISCLOSED THAT THE INTERIOR DEPARTMENT'S OIL SHALE PILOT PLANT AT RIFLE, COLO., RECENTLY ATTAINED PRODUCTION OF DIESEL OIL AND JET ENGINE FUEL AT COSTS APPROACHING COMMERCIAL RATES. HE SAID THE SCIENTISTS THERE EXPECT SOON TO BE PRODUCING GASOLINE.

THE COLORADO EXPERIMENTS ARE ON AN OIL-SOAKED MOUNTAIN BELIEVED TO CONTAIN 200,000,000,000 (B) BARRELS OF PETROLEUM PRODUCTS, KRUG POINTED OUT, AGAINST KNOWN U.S. RESERVES OF 26,000,000,000 (B) OF PETROLEUM ITSELF. THE DEPARTMENT ALSO HAS A PILOT PLANT MAKING OIL PRODUCTS FROM COAL IN MISSISSIPPI, HE SAID.

"ONE COMMERCIAL PLANT WOULD BE A GREAT TONIC FOR THE INDUSTRY X X X A WONDERFUL THING FOR THE COUNTRY," HE SAID.

KRUG DISCLOSED HIS DEPARTMENT ALSO IS SURVEYING RESEARCH WORK ON USE OF ENERGY FROM THE SUN, WITH THE IDEA OF A POSSIBLE FUTURE DEVELOPMENT PROGRAM.

SOCIALIST PAPER SEES POSSIBLE ANTI-TITO WAR MOVE IN 3,500 TROOPS

12,000 More Expected To Be Sent To Balkans Along With Tanks

C.L. DAVIDSON

Prague reports anti-Soviet revolt smashed.....Page 12

Berlin, Aug. 30 (AP)—The west Berlin newspaper *Sozialdemokrat* said today a vanguard of 3,500 heavily armed east German police had been sent to the Yugoslav border for "a possible war against Tito."

The newspaper said perhaps 12,000 more will be sent for "anti-Tito action" in the Balkans, and "with feverish hurry tanks, guns and other military equipment are being loaded on trains and trucks to go with the German police troops."

British and American army intelligence officers said they knew of the report, but could not confirm it. *Sozialdemokrat* is the British-licensed newspaper of the Social Democratic party which claims to have an extensive network of underground agents in the Soviet zone.

Go Through Czechoslovakia

Sozialdemokrat said the 3,500-man vanguard left Saturday for the Yugoslav border. The paper said police troops are being assembled near Goerlitz on the German-Polish border, and then sent south by way of Czechoslovakia. The men wear uniforms similar to those of the Soviet army, it added.

"In ever-increasing numbers are German police troops receiving the last drill for the special assignment on the Yugoslav border," the paper continued. "These 3,500 are the spearhead of another 12,000 that are to follow them into a possible war against Tito."

5 Fled To Escape Service

The newspaper's report followed by a day the disclosure by the United States Military Government that five east German policemen fled into the American zone at Hof, saying they escaped to avoid military service with Communist guerrillas in Greece. The escaped policemen said the Russians had issued an order for all unmarried members of the east German police under 25 years of age to be recruited for the service.

The *Volkspolizei* (people's police) of the Russian zone is reported to have a target enrollment of 300,000 but it believed to actually number only about 80,000 men under the command of Soviet General Smirnov. It has participated in military-style training and maneuvers under the eyes of Soviet officers and propagandists.

Might Test Stamina

The troop report comes closely after a threat by Moscow to take "more effective measures" against Premier Marshal Tito of Yugoslavia, whose Communist regime has split with the Cominform.

Western military sources here speculated that Russia might hesitate to use her own armed forces to police the Yugoslav border for fear of inviting an armed clash. But she might be willing to send German police as a test of their ideological stamina as well as a method of pressure against the Belgrade regime, these sources said.

Prague Reports Anti-Red Plot Is Smashed

Richard Kasschau

Prague, Aug. 30 (AP)—The Czechoslovak Government announced today it had crushed an anti-Communist underground movement just as the group was preparing to begin an armed revolution.

The official press bureau linked the underground members with "a certain Western imperialistic power" but did not identify the Western power.

Details of the purported plot were announced after a secret trial at which six persons were condemned to death, ten given life imprisonment and an unspecified number lesser prison terms. Ten of those tried were acquitted.

High Treason

The announcement termed members of the group spies and terrorists and said they were tried on charges of high treason and spying on behalf of the Western power "with which they had been in contact."

The Government claimed its police had played a cat-and-mouse game with the alleged conspirators and waited until they were all set to begin the revolution before moving in to nab them.

One of those sentenced to death was Josef Charvat, identified by friends as chief of security police here during the First Republic.

Political Leader

The Government said the political leader of the planned *Putsch* was Dr. Jaroslav Borkovec, identified as the brother of a former chief of the Prague police's criminal investigation section. His brother was ousted when the Communists took over the Government in February, 1948.

Informed sources said those sentenced included army and police personnel, as well as civilians.

The trial of the group was reported to have lasted several weeks in the Prague state court. The Government said many of the accused pleaded guilty.

Bank Holiday

A "large group" of conspirators was said to have been involved in the abortive *Putsch*.

Date of the attempted coup was not disclosed, but it was reported the group chose a bank holiday, "when the working people were at home and unable to mount counteraction."

Revolt Smashed, Czechs Say; 'A Western Power' Blamed

Richard Kasschau

Prague, Czechoslovakia, Aug. 30 (AP)—Czechoslovakia's Communist Government announced today it had smashed an armed revolt by a large number of conspirators who tried to seize the capital and set up an anti-Soviet regime.

The official account claimed the plotters were "under the direction of a certain Western imperialist power" and that a copy of their plan of action was deposited with an unnamed Western embassy in Prague by the conspirators.

It was the biggest plot story in Czechoslovakia in months and most Czechs apparently were startled by the Government's announcement.

Six Sentenced To Death

The Government said the revolt already was in motion when police seized armed rebels, who had gathered at their prearranged concentration point.

The regime disclosed the smashing of the plot only after authorities were ready to announce that they already had tried and sentenced the accused participants in secret in the Prague state court.

Six men were sentenced to death. Ten others, including three women, drew life sentences. An unspecified number received prison terms ranging from one to 25 years at hard labor, and ten others were acquitted.

Western Embassies Surprised

It was the second such secret conviction of alleged terrorists announced in the last four days. On Saturday the Government disclosed that the state court at Melnik, north of Prague, had sentenced a nine-man band of alleged terrorists to terms of four years to life for trying to overthrow the Government.

Spokesmen for Western embassies in Prague said they were "as surprised as anyone could be" by the story of the plot and the charge that a Western power was involved.

Strategic Points Seizure

"We know nothing about it," the Americans said. "It is news to us." The British and French echoed this statement.

The official Government version spoke of the involvement of "hysterical women" and some women plotters who allegedly "seduced Boy Scouts in order to use them later in the gang's armed action."

It was explained that the plan was: Seizure of strategic points in the capital, liquidation or arrest of Government leaders, expansion of the revolt throughout the country coincident with proclamations of martial law and establishment of a new government.

The conspirators allegedly picked a holiday—the date was not disclosed—for their attempt to seize the capital.

Brokovec Named As Leader

Named as the political leader of the alleged plot was Dr. Jaroslav Brokovec, who was condemned to death. He was identified as a "former capitalist lawyer." Another alleged ringleader condemned to death was Kvetoslav Prokes. He was accused of having made contact with "treacherous" Czech exiles who supported the revolt.

Emanuel Cancik, charged with having made the alleged contact with the unnamed Western power through its Prague embassy, also was sentenced to death, as was Josef Charvat. Charvat was described by friends as the chief of security police in Prague during the first republic.

Czechs, learning of the conspiracy from their newspapers, also got a stern warning that they must denounce any fellow citizen suspected of plotting.

"Hostile Foreign Countries"

"This proves we must be alert," the newspaper, *Svobodne Slovo* (Free Word) said. "This shows how things go—from espionage to terrorism, from terrorism to preparation of armed uprisings. And the criminal plans are supported by foreign countries. We can say it openly—hostile foreign countries."

Speaking in Topolicanky, Slovakia, today, Communist President Klement Gottwald denounced "those enemies and dissenters who spread slanders" against the regime's collective farm system.

They are the same people, he said, who "spread false propaganda about persecution of religion" in Czechoslovakia and whose aim it is to overthrow the Government.

RUSSIA CALLS TITO STOOGE

NATE POLOWETSKY

Describes Regime As A Puppy 'Barking At An Elephant'

London, Aug. 30 (AP)—Russia tonight accused Marshal Tito and his lieutenants of being a bunch of boastful malicious deserters, deceiving double-dealers and stooges of "Western masters."

The newest Moscow note to Belgrade, the eighth in the name-calling contest between the two Communist capitals, informed Tito and his supporters "they cannot expect courtesy and, even less so, respect from the Soviet Government."

It described the Tito regime as a puppy "feeling so good she's barking at an elephant."

Threat Not Mentioned

The note made no mention of Yugoslavia's recent offer to settle outstanding differences. The Yugoslav note of August 23 offered to settle the feud—provided Russia clearly recognized that the Balkan State is determined to stay independent in all her policies.

Russia did not make further mention of the threat voiced in a Moscow note of August 19 to take "more effective measures" for protection of Soviet citizens alleged to have suffered brutalities in Yugoslavia.

Russia said the latest note was sent "not to convince the Yugoslav Government, which has long been living without convictions, and works only on instructions of its Western masters, but in order to unmask it and to help the peoples of Yugoslavia see the true face of the present Yugoslav Government."

"Masters" Not Named

The "Western masters" were not named, but the Soviet press has said that the Yugoslav Government is under United States and British influence.

In bitter language the new Soviet note said that "everyone knows the Yugoslav Government has deserted from the camp of socialism and democracy to the camp of imperialism. . . .

"It must be noted that the Soviet people and the public do not respect deserters. Even less so can they harbor anything resembling love. Furthermore, it is generally known that the Soviet people and the Soviet public despise deserters."

Some Accidental

Amplyfing this theme the note added:

"Of course there are different kinds of deserters. Some are accidental ones who have deserted owing to cowardice in the hope of saving their skins. But there are other deserters too—malicious deserters.

"These are the people who desert not only to save their skins but to do injury to the camp which they have left. And it must be said—sad as it may be—that the Soviet people and the Soviet public class the Yugoslav Government as not among accidental deserters but among malicious deserters."

Shelved Carinthian Demand

In the note broadcast from Moscow tonight, and delivered yesterday, Russia replied to a Belgrade communication of August 20 which charged the Soviet Union with double-crossing Yugoslavia on her territorial claims against Austria.

Russia and Yugoslavia have been feuding since June, 1948, when the Cominform accused Marshal Tito and his Government of being

AUG 30 1949

nationalists and anti-Soviet. The Yugoslav leaders have replied that they are fighting for the equality of Communist states.

Last June at the Paris foreign ministers' conference Russia agreed to shelve Yugoslavia's demand for Slovene Carinthia, the southern part of Austria, in the writing of a treaty of independence for Austria.

In her August 20 note, Yugoslavia cited a 1945 promise made by Premier Josef Stalin to Austria regarding the "immutability of Austrian frontiers." Yugoslavia said the Paris action showed Russia was double-crossing Yugoslavia all the time.

Quotes Stalin's Letter

In answer, Moscow tonight quoted this letter from Stalin to Chancellor Karl Renner of Austria in May, 1945:

"I thank you, esteemed comrade, for your message of April 15. You need have no doubt that your concern regarding the independence, integrity and welfare of Austria is likewise my concern. My assistance which may be necessary for Austria I am prepared to give you as far as is in my power. I apologize for the late reply."

The Russian note added:

"As can be seen, in Stalin's letter there is not a single word regarding either 'the frontiers of Austria,' or 'guaranteeing the frontiers of Austria of 1938,' or of the 'stability of the frontiers of Austria,' or about 'the frontiers of Austria remaining without change.' All this is an invention and lie of the Yugoslav Government."

Slav Nationalist Ambitions

Moscow said the Stalin letter was intended to defeat two plans:

On the one hand was a plan of "certain British circles" to form a united Danubian monarchy of Austria, Hungary and part of southern Germany.

On the other was the ambitions of "certain nationalistic circles of Slav states, including Yugoslavia," to divide up Austria among themselves.

The Soviet note said Yugoslavia believes "the principle of self-determination of nations is applicable only to Yugoslavia and the victorious nations."

Russia, on the other hand, said the note believes in self-determination for "all nations, including the vanquished."

"Betrayed National Rights"

Russia, while defending "the integrity of Austria, at the same time defended the necessity for rectifying the frontiers of Austria in favor of Yugoslavia," the note continued.

"There cannot be any doubt that Yugoslavia would have got Slovene Carinthia had not the Yugoslav Government taken fright and betrayed, in view of their cowardice, the national rights of Yugoslavia."

This betrayal, the communication continued, was in a letter from Edward Kardelj, Yugoslav Foreign Minister, to Andrei Y. Vishinsky, Soviet Deputy Foreign Minister, on April 20, 1947, in which the "Yugoslav Government gives up Slovene Carinthia and restricts itself to asking for special rights in administration of two electric power stations."

Slanderous Distortions

"The Yugoslav Government cannot escape from this traitor's document just as it cannot escape from its own shadow," the note added. Thus, it said, the Yugoslav Government "while adhering "for form's sake" to its statement before the Foreign Ministers Council claiming Slovene Carinthia, "in actual fact renounced these claims."

Moscow said the Yugoslav Government's note of August 20 was "an accumulation of fresh scandals and slanderous distortions calculated as masking its own double-dealing policy and deceiving the people of Yugoslavia."

The note further said Tito and his lieutenants were working "only on the instructions of their Western masters" (who were not named), and charged them with having "betrayed socialism and democracy and become wild Fascists."

Tito Is Controlled By West, Soviet Note Charges

AUG 30 1949

London, Aug. 30 (AP)—Soviet Russia, in a new note to Belgrade, accused Premier Marshal Tito's Yugoslavia today of working "only on the instructions of its Western masters."

The note was broadcast by the Moscow radio and recorded in London by the Soviet monitor. It was the eighth in a series of increasingly bitter exchanges between the two feuding Communist countries.

The Moscow note denied Yugoslav charges, made August 20, that the Kremlin had double-crossed Yugoslavia by abandoning Yugoslav claims to Austrian territory at last June's conference of the Big Four Foreign Ministers in Paris.

"Double-Dealing" Charged

The Russians said Yugoslavia's note of August 20 was "an accumulation of fresh scandals and slanderous distortions calculated as masking its (Yugoslavia's) own double-dealing policy and deceiving the people of Yugoslavia."

Moscow said its note was sent "not to convince the Yugoslav Government, which has long been living without convictions and works only on the instructions of its Western masters, but in order to unmask it and help the people of Yugoslavia to see the true face of the present Yugoslav Government."

Feuding Over Year

The Moscow-Belgrade feud has been in progress for more than a year and recently has increased in bitterness.

Tito's Communist regime in Yugoslavia was expelled from the Cominform (Communist International Information Bureau) for what the Kremlin regards as nationalistic deviations from orthodox communism.

Moscow has called on Yugoslavs to overthrow Tito. Russia and the other Communist states of eastern Europe have imposed an economic squeeze on Yugoslavia.

2 Distinct Disputes

Actually Yugoslavia and Russia have been exchanging notes on two distinct disputes. One centers on Yugoslavia's disappointment over what Belgrade regards as Moscow's abandonment of its claims to Austrian territory. The other has to do with charges by Moscow that Tito's regime is mistreating Soviet citizens within Yugoslav's borders.

The last previous note was on August 23. At that time Yugoslavia offered to send Russian citizens home and expressed a willingness to reach a settlement with Russia on "all disputed questions" between the two countries.

"Imperialist Tool"

The Soviet note, delivered yesterday and made public by the Moscow radio today, did not elaborate on the term "Western masters." However, the Soviet press and radio has frequently accused Tito of being "a tool of the Western imperialists"—the term the Communists employ in designating the United States, Britain and other Western powers.

Tito was disclosed last night to have applied to the Export Bank, an American Government agency, for a credit of around $25,000,000, which he needs to buy American machinery for Yugoslavia's copper, lead and zinc mines. Officials in Washington consider him a virtual cinch to get the loan, provided he stays alive and independent from Moscow. Tito also has received permission to buy a $3,000,000 steel mill from an American concern.

Latest Sovie

LONDON, Aug. 30 (AP)—Following is the text of a Soviet note to Yugoslavia as broadcast by the Moscow radio and recorded here by the Soviet Monitor, an affiliate of the Soviet Tass agency:

The Soviet Government has received the note of the Yugoslav Government of Aug. 30. The new note of the Yugoslav Government is an accumulation of fresh scandals and slanderous distortions calculated to mask its own double-dealing policy and to deceive the people of Yugoslavia.

Detected in the betrayal of the interests of the Slovenes in Carinthia and of the national rights of Yugoslavia by irrefutable facts quoted in the note of the Soviet Government of Aug. 11, the Yugoslav Government attempts to conceal its treachery and escape responsibility, having recourse to its accustomed methods of lies and slanders.

Not to convince the Yugoslav Government, which has long been living without convictions and works only on instructions of its Western masters, but in order to unmask it and help the peoples of Yugoslavia to see the true face of the present Yugoslav Government, the Soviet Government considers it necessary to make the following observations:

The Yugoslav Government asserts that Stalin, in a letter to Austrian Chancellor Renner, "Guaranteed the Austrian frontiers of 1938 (Yugoslav note of Aug. 3); that Stalin "promised that the Austrian frontiers in preserving the stability of the Austro-Yugoslav frontier"; that in view of this the Soviet Government was unable to support the demands of Yugoslavia for rectifying the Austrian frontiers in the sense of handing over Slovene Carinthia to the Republic of Yugoslavia.

Belgrade Charge Called Lie

We shall quote Stalin's letter to Austrian Chancellor Renner of May 1945:

His Excellency, Chancellor of Austria, Mr. K. Renner.

I thank you, esteemed comrade, for your message of April 15. You need have no doubt that your concern regarding the independence, integrity and welfare of Austria is likewise my concern. Any assistance which may be necessary for Austria I am prepared to give you as far as it is in my power.

I apologize for this late reply.

J. STALIN.

As can be seen in Stalin's letter, there was not a single word regarding either "frontiers of Austria" or "guaranteeing frontiers of Austria of 1938" or of "stability of the frontiers of Austria" or about "frontiers of Austria remaining without change." All this is invention and a lie of the Yugoslav Government.

Stalin's letter was caused by two circumstances which threatened Austria with division and loss of independence. On the one hand, in certain British circles a plan was being hatched for the unification of Austria and Hungary and part of southern Germany into a Danubian monarchy. The Soviet Government resolutely opposed this plan, declaring this threatened Austria with loss of independence and that Austria may remain an independent state.

On the other hand, in certain nationalist circles of the Slav states, including Yugoslavia, the plan was being put forward for a division of Austria between neighboring states. The Soviet Government likewise opposed this resolutely, declaring a division of Austria was a reactionary measure contradictory to the principles of democrcy and that Austria must remain an integral state. It was on this basis that Stalin's letter arose.

Self-Determination Stressed

The Yugoslav Government considers that the principle of self-determination of nations is applicable only to Yugoslavia and the victorious nations. But only persons reared in the spirit of imperialist aggression can reason thus.

Democrats, on the other hand, believe that the principle of self-determination of nations should be applied to all nations, including vanquished nations. It was precisely on this that the Soviet Government based itself when it rejected both the plan for the creation of a Danubian monarchy and the plan for a division of Austria.

Does this signify that the Soviet Government, declaring itself in opposition to the division of Austria and for her independence, thereby admitted "stability of frontiers" of Austria, impermissibility of rectifying Austria's frontiers in favor of Yugoslavia? Of course not. The question of the integrity of any state and the question of "stability of frontiers" of this state constitute two completely different problems. Only persons who have lost the last remnants of Marxism could confuse the two and equate them.

The Soviet Government declared itself opposed to a division of Poland and in favor of unification of all Polish lands into a a single integral state. Does this signify thereby that it was in favor at that time of "stability of frontiers" of Poland; that it did not consider possible at that time rectification of Poland's frontiers in any direction? Of course it does not signify this.

Italy Cited As Example

Subsequent facts proved this with complete clarity. When one section of American politicians hatched the plan for the partial division of Italy, demanding the separation of Sicily from Italy, the Soviet Government expressed itself against such a plan, defending the integrity of Italy. Does this mean that the Soviet Government came out in favor of "stability of frontiers" of Italy; that it did not consider possible the rectification of Italian frontiers in favor of Yugoslavia? Of course not. Subsequent facts demonstrated this with complete clarity.

The same must be said about Austria. The Soviet Government has been and continues to be in favor of the integrity of Austria.

Does this mean that, thereby, it declares itself for "stability of frontiers" of Austria; that it as not considered the possible rectification of Austria's frontiers in favor of Yugoslavia?

It is plain that it does not mean this. Subsequent facts have demonstrated this with all clarity, for the Soviet Government, in defending the integrity of Austria, at the same time defended the necessity for rectifying the frontiers of Austria in favor of Yugoslavia.

There cannot be any doubt that Yugoslavia would have got Slovene Carinthia had not the Yugoslav Government taken fright and betrayed, in view of their cowardice, the national rights of Yugoslavia.

AUG 31 1949

Added Slander Alleged

Realizing the bankruptcy of its slanderous inventions on the question of Stalin's letter to Renner, the Yugoslav Government had recourse to another version of slanderous inventions, asserting in their note that the Soviet Government no longer considered it possible to defend the former claims of Yugoslavia to Slovene Carinthia—which the Yugoslav Government gave up—allegedly because it had received for this another $50,000,000 from the sale of Soviet property in Austria to the Austrian state.

As is known, the Soviet Union, in accordance with the decision of the Potsdam Conference, was given the right of ownership of German assets in eastern Austria, just as Britain, the United States and France were given the right of ownership of German assets in Western Austria, Western Europe and the American countries.

In order to help Austria, the Soviet Government agreed to sell to Austria part of her assets for corresponding compensation. And so the Yugoslav Government asserts that the "Soviet Government, agreeing to the Carpathian Slovenes remaining under the power of Austria, obtained in its favor increased compensation for German assets in Austria to the amount of $50,000,000"; that in this connection the Soviet Government is to receive for the assets concerned not $100,000,000, as the Soviet Government is said to have demanded, but $150,000,000.

We did not think that the Yugoslav Government could fall so low; that it could think so basely and meanly of the Soviet Union.

30.24- 5351

where cannot be any doubt that only persons who have betrayed socialism and democracy and become wild Fascists are capable of idly talking so unashamedly and loosely about the Soviet Union and its Government.

Every Word Called False

Every word of the assertions of the Yugoslav Government is a lie. It is not true that the Soviet Government demanded compensation for assets in the sum of $100,000,000. In fact it demanded $200,000,000. It is not true that the Soviet Government got $50,000,000 more than the agreed price. In actual fact it will get $50,000,000 less than the agreed value.

It is not true that the question of Carinthia has any connection with the sale of Soviet property in Austria, for even in this dirty supposition of the Yugoslav Government there is no room for the question of Slovene Carinthia. All this has been invented and falsified by the Yugoslav Government.

No, gentlemen, it was not the Soviet Government but the Yugoslav Government that betrayed the interests of the Slovenes in Carinthia, having given up as long ago as 1947 all its territorial claims on Austria.

There is a document, Mr. Kardelj's letter to Mr. Vishinsky, dated April 20, 1947, where the Yugoslav Government gives up Slovene Carinthia and restricts itself to asking for special rights in the administration of two electric power stations.

The document states: "The question could be settled by minor frontier rectification for which I present to you the draft of two versions. In a last resort it could be settled by establishing special rights of the Federated People's Republic of Yugoslavia in the administration of these stations."

The Yugoslav Government cannot escape from this traitor's document just as it cannot escape its own shadow.

Moscow Recalls Support

It is noteworthy that at the very time the Yugoslav Government in Mr. Kardelj's letter gave up Slovene Carinthia, the Soviet Delegation, at the Moscow session of the Council of Foreign Ministers on April 21, 1947, the day after the receipt of Mr. Kradelj's letter, declared the Soviet delegation considers well founded the proposals of the Yugoslav Government regarding the reunion of Slovene Carinthia with Slovenia, comprising part of Yugoslavia, as well as proposals regarding the frontier of the Slovenian district of Styria, and regarding the grant of a special statute to Burgenland Croats, which would assure their national rights as formulated in the memorandum of the Yugoslav delegation submitted to the Conference of Foreign Ministers Deputies in London on Aug. 22, 1947. The Soviet delegation supports the above proposals."

As is known, this statement by the Soviet delegation was subsequently included in a report of the Commission on the Austrian Treaty to the Foreign Ministers' Council in October, 1947.

There is also another document.

In its note of Aug. 3, 1949, the Yugoslav Government declared "the proposals of the Yugoslav Government outlined to British Minister Noel-Baker on June, 14, 1947, were made known to the Government of the U.S.S.R. as far back as April 20, 1947, in a letter sent to Minister Vishinsky," and in the above mentioned letter of Mr. Kardelj.

West Held Informed

Thus, the Yugoslav Government in its note of Aug. 3 admitted the British Government had been informed by the Yugoslav Government in June, 1947, of its renunciation of all territorial claims on Austria in respect to Slovene Carinthia. Thereby, not only the British Government but also the Governments of the United States of America and France, who followed a common negative line with regard to Yugoslav claims on Austria, were advised that the Yugoslav Government, although adhering to form's sake to its formal statement to the Foreign Ministers' Council regarding territorial claims on Slovene Carinthia, in actual fact renounced these claims, betraying the interests of Slovenes in Carinthia and the national rights of Yugoslavia.

After this it is perfectly obvious how false is the assertion of the Yugoslav Government in its note of Aug. 20 that it is known to all that the Government of Yugoslavia never renounced and has not ceased to fight for the reunion of Slovene Carinthia * * *.

The falseness and double-dealing of the Yugoslav Government is all more manifest, because the above mentioned negotiations with the British Minister were conducted in secret from the Soviet Government, behind the back of the Soviet Union.

As is known, Mr. Kardelj's letter of April 20 said nothing about the Yugoslav Government's intention of informing the British Government about Yugoslav concessions in the matter of Slovene Carinthia. The Soviet Government knew nothing about these negotiations until one of the Yugoslav representatives in Vienna in July, 1947, let the cat out of the bag during a conversation with a Soviet Deputy Political Counselor in Austria. It was only after that that the Soviet Government asked the Yugoslav Government for an explanation on this subject through its Ambassador in Belgrade.

Correction by Kardelj

On Aug. 5, 1947, Soviet Ambassador A. I. Lavrentiev had a conversation with Premier Tito and his deputy, Mr. Kardelj. Asked by the Soviet Ambassador to inform the Soviet Government of the negotiations with Noel-Baker in Belgrade, Tito first said that in these negotiations the Yugoslav Government had defended its official proposals concerning Slovene Carinthia submitted to the Council of Foreign Ministers. But at this point he was corrected by Mr. Kardelj, who admitted that Mr. Noel-Baker had been informed of the minimum territorial claims regarding Slovene Carinthia.

However, it is only the Yugoslav Government's note of Aug. 3, 1949, that disclosed that British Minister Noel-Baker had been informed of the Yugoslav Government's proposals set out in Mr. Kardelj's letter of March 20, 1947, which contained the Yugoslav Government's renunciation of all territorial claims on Slovene Carinthia.

These facts prove that in the first place the British Government had been informed by the Yugoslav Government of its renunciation of territorial claims to Slovene Carinthia away back in the summer of 1947, the Yugoslav Government having concealed this from the Government of the U.S.S.R.

These facts prove, secondly, that the Yugoslav Government was behaving in a double-faced manner both in 1947, and later in posing as if it were fighting for Slovene Carinthia, while in reality the Yugoslav Government had renounced Slovene Carinthia two years earlier in a secret deal with representatives of the British Government.

"Base Duplicity" Charged

These facts prove, thirdly, that, having known of Yugoslavia's renunciation of Slovene Carinthia, the Western Powers were bound to come out against Yugoslavia's territorial claims all the more emphatically, which made it impossible for the Soviet Government to succeed in defending Yugoslavia's case.

What is the explanation for this perfidious behavior of the Yugoslav Government with regard to Slovene Carinthia and for such base duplicity with regard to the Soviet Union? What was the purpose in view?

The purpose was evidently artificially to fan the differences inside the Council of Foreign Ministers. This was done by the Yugoslav Government to please extremist ultra-aggressive imperialist circles in Britain, the United States and France, which are interested in supporting hostile anti-Soviet sentiments and war hysteria.

The Yugoslav Government in this case acted as an ill-wisher and an enemy of the Soviet Union, as an agent of foreign imperialist circles.

When the Yugoslav Government's shady game became apparent, the Soviet Government naturally refused to be a party to this filthy policy of deceiving the peoples of Yugoslavia, conducted by the Yugoslav Government.

It is also clear the Soviet Government could no longer defend Yugoslavia's territorial claims, since the Yugoslav Government, as it has now become obvious, had disavowed these claims itself in its secret deal with the representatives of the British Government in 1947, and had thereby made it impossible for the Soviet Government to continue defending Yugoslavia's claims.

Third Version Alleged

Feeling that its capitulatory position in the question of Slovene Carinthia is hopeless, and seeing that it cannot succeed in concealing from public opinion Mr. Kardelj's letter in which it renounces Slovene Carinthia, the Yugoslav Government is resorting to version three of its slanderous conconctions.

It maintains Soviet representatives urged the Yugoslav Government to make this deal with the Western powers in the matter of Yugoslav territorial claims on Austria, and that the Yugoslav Government was prepared to make a concession in this matter only because the Soviet Government had demanded it.

True, the Soviet representatives gave the lie to this false assertion of the Yugoslav Government, by their speeches at the four power conferences in Moscow, Vienna and London in 1947, 1948 and 1949, at which they openly and honestly defended all territorial and other claims of Yugoslavia on Austria. But the Yugoslav Government is trying to hide from these facts, preferring to engage in slander.

True, the Soviet Government exposed this false assertion of the Yugoslav Government by reminding it in the Soviet note of Aug. 11 that in November, 1947, the Soviet Ambassador to Yugoslavia, in a reply to an inquiry from the Yugoslav Foreign Minister, had informed the latter that the U.S.S.R. saw no reason why Yugoslavia should cut down her territorial claims on Austria. But the Yugoslav Government passes by this fact, making believe that it does not notice it.

Exposure by Russia

True, the Soviet Government has exposed the false nature of this asser on of the Yugoslav Government by reminding it in the Soviet note of Aug. 11 that in 1948 the Soviet Ambassador to Yugoslavia reaffirmed the Soviet Government's view that reduction of Yugoslav territorial claims was untimely, exposing the more than suspicious behavior of Bebler in London. But here again the Yugoslav Government passes by this fact, feigning blindness.

What do these facts indicate if not that the Yugoslav Government is viciously slandering the Soviet Government and its representatives in claiming that they urged the Yugoslav Government to give up its territorial claims and that the Yugoslav Government was prepared to make territorial concessions "only because the Soviet Government had demanded this."

What do these facts indicate if not that the Yugoslav Government is viciously slandering the Soviet Government and its representatives, in claiming that they urged the Yugoslav Government to give up its territorial claims and that the Yugoslav Government was prepared to make territorial concessions only.

Query for Yugoslavs

Indeed if the Soviet Government was urging the Yugoslav Government to make territorial concessions why did the Soviet Government not agree with Mr. Kardelj's letter? Why did it reject Mr. Kardelj's proposal? Has the Yugoslav Government ever thought of this?

Does the Yugoslav Government not think that the posing of this question alone destroys all its slanderous concoctions about the Soviet Government allegedly having urged it to give up its territorial claims?

In general is the renunciation of maximum territorial claims permissible? Is it permissible in this case to substitute minimum demands for maximum? Yes, it is, but under two conditions: Provided this is dictated by necessity, that is, provided there is no hope of getting maximum demands satisfied at this time, and provided the Yugoslav Government assumes responsibility for such concessions.

Why did the Soviet Government not agree to Mr. Kardelj's proposals? Because in the first place, concessions proposed by Mr. Kardelj were not dictated by necessity, that is, because there was a possibility of getting maximum territorial claims satisfied, and secondly because the Yugoslav Government refused to assume responsibility for territorial concessions set forth in Mr. Kardelj's letter.

The Yugoslav Government wanted the Soviet Government to be responsible for these concessions instead of the Yugoslav Government.

Naturally, the Soviet Government could not agree to this fraudulent machination for deceiving the peoples of Yugoslavia.

Issue of Semantics

The Yugoslav Government tries to make it appear as if Mr. Kardelj sent his letter to Mr. Vishinsky because the Soviet Government was striving to secure a compromise solution of the problem of Slovene Carinthia and as if Mr. Kardelj's letter was thus a reply to Mr. Vishinky's proposals.

However, Mr. Kardelj's letter does not even contain a hint that it was a reply to some sort of proposals, still less of demands by Soviet representatives. Quite the reverse.

Mr. Kardelj's letter leaves no doubt that it was written not in reply to any "demands" from Soviet representatives but on the initiative of Mr. Kardelj himself.

This is borne out by the very first sentence of Mr. Kardelj's letter:

"Inasmuch as there exists the possibility that the Yugoslav territorial claims on Austria in their present form will be wholly discarded, and should you desire to advance a fresh proposal in this event, I should like to draw your attention to questions which are so important for the Federated People's Republic of Yugoslavia that it would be necessary to find a positive solution."

It is evident that Mr. Kardelj's letter is not a reply to any proposal or demand from Mr. Vishinsky, for if Mr. Kardelj's letter were a reply to a proposal or demand from Mr. Vishinky it would say "since you desire to advance a fresh proposal" or "in view of the fact that you desire to advance a fresh proposal."

Wording Cited as Evidence

However, something entirely different is said in the letter, namely, "should you desire to advance a fresh proposal." Consequently Mr. Kardelj's letter is not a reply to any proposal or demand from Mr. Vishinsky but a question to Mr. Vishinsky: Do you wish to advance a fresh proposal?

As is known, the Soviet Government replied to Mr. Kardelj's question in the negative, that is, that it did not want to make a new proposal revising Yugoslavia's claims on Slovene Carinthia.

The Soviet Government replied that revision of Yugoslav claims was not dictated by necessity and that if the Yugoslav Government insisted on its view it would have to assume entire responsibility for territorial concessions.

Only in the case that the Yugoslav Government assumed responsibility for these concessions would the Soviet Government be prepared to defend this new position as the position of the Yugoslav Government in the Council of Foreign Ministers.

As is known the Yugoslav Government, in passing off these territorial concessions on to the Soviet Government, refused to assume responsibility for them, wishing to conceal its new capitulatory position from the peoples of Yugoslavia.

In the interests of clarity we quote here that part of Mr. Kardelj's letter which deals with the Yugoslav Government's renunciation of Yugoslavia's territorial claims:

Moscow, April 20, 1947.

Esteemed Comrade Vishinsky:

Inasmuch as there exists a possibility that Yugoslav territorial claims to Austria in their present form will be wholly discarded, and should you desire to advance fresh proposals in this event, I

should like to draw your attention to questions which are so important for the Federated People's Republic of Yugoslavia that it would be necessary to find a positive solution. A positive solution to these questions would represent a minimum satisfaction of the demands contained in the Yugoslav territorial claims.

The first question concerns the electric power stations of Zvabek and Labod. In my report to the Council of Foreign Ministers I emphasized the special importance these electric power stations have for the Yugoslav electrical industry.

The Zvabek and Labod electric power stations were built after Anschluss, chiefly during the wartime by the German firm of Alpine Elektrowerke Aktien Gesellschaft, Wien, and despite the 1926 convention under which Austria pledged herself not to build anything on the Drava without Yugoslavia's preliminary consent.

These electric power stations, consequently, represent German property in the Western zone of Austria, for which also the Federated People's Republic of Yugoslavia, besides other states which signed decisions of the Paris reparations conference, should take part of its reparations. Furthermore, these electric power stations were built without consideration for the needs of Yugoslavia's electrical industry, and under the present regime of exploitation, they cause immense damage in some months, approximating 1,000,000 kilowatt hours.

The question can be settled by a minor frontier rectification, for which purpose I present to you a draft of two versions, and in last resort, it could be settled by establishing special righs of the Federated People's Republic of Yugoslavia in the administration of these stations. Enclosed is the plan of such a regime.

The second question relates to special protection of the national rights of the Carinthian Slovenes. After all the experience that the Slovenian people have had with Austria it may be regarded as certain that after the treaty is signed attempts will be made to intensify Germanization. Even those demagogic undertakings (for instance, re-establishment of bilingual schools) which Austria effected in Carinthia after Germany's collapse, though existing on paper with the purpose of showing its tolerance in national respect, are already today not being carried out in fact. For this reason it would be of great importance if in the treaty it was agreed that undertakings which have already acquired the force of law be augmented and as a component part of the treaty be entirely subjected to four-power control. Enclosed is the scheme with the fundamental principles of such a regime.

Utilizing this opportunity to salute you.

Yours respectfully,
KARDELJ.

Larger Area in First Version

The first version embraces the Pliberz (Bleiburg) judicial district, territory between the present Austrian-Yugoslav frontier, Drava and the western frontier of the communities of Bistrica (Feistritz) and Blato (Moos) and from the northern side of Drava, the community of Labod (Lavamuend), and that part of the community of Rjude (Rueden) which adjoins Drava and is separated from the remainder of the community by a line passing along the range cross height 882. Thus the territory is of an area of 210 square kilometers and, according to the Austrian census of 1934, has a population of 9,396.

The ethnical composition of the territory in question may be examined in detail on the basis of tables appended. The Austrian census of 1910, conducted, as is known, to the detriment of the Slovenes, nevertheless shows on this territory a distinct Slovenian majority (6,696 Slovenes and 2,878 Germans).

During 1920 the plebiscite majority on this territory voted in favor of Yugoslavia.

The second version embraces the south of Drava—the communities of Libelice (Leifling) and Zvabek (Schwabeck) and north of Drava—the community of Labod (Lavamuend) and a small part of the community of Rjude (Rueden). This version covers a territory of approximately sixty-three square kilometers and, according to the Austrian census of 1934, has a population of 3,150.

The ethnical composition is a little worse than in the first version, inasmuch as the community of Labod in which, according to this version a majority of the population resides, was strongly Germanized.

The four Yugoslav Government demands in its note of Aug. 20 that the Soviet Government should display particular respect, even love for it, that this respect and love should be expressed in notes to the Yugoslav Government, that the notes should contain nothing that might hurt the pride of the Yugoslav Government or insult it. The Yugoslav Government asserts that this is required by "international usages."

The Soviet Government is obliged to state that the Yugoslav Government's demands are impossible.

Everyone knows that the Yugoslav Government has deserted from the camp of socialism and democracy to the camp of imperialism and fascism. It must be noted that the Soviet people and the Soviet public do not respect deserters. Even less so can they harbor anything resembling love. Furthermore, it is generally known that the Soviet people and Soviet public despise deserters.

Of course there are different kinds of deserters. Some are accidental ones, who have deserted owing to cowardice, in the hope of saving their skins. But there are other deserters, too—malicious deserters. These are people who desert not only to save their skins, but to do injury to the camp which they have left. And it must be said, sad as it may be, that the Soviet people and the Soviet public class the Yugoslav Government not among accidental deserters, but among malicious deserters.

Furthermore, it should be noted that there are different kinds of malicious deserters, too. There are malicious deserters who realize their guilt, who take their shame deeply to heart and try to remain unnoticed, who try to remain in the background, and conduct themselves almost modestly. But there are other malicious deserters who try to profit from their shame, who boast loudly of their desertion as though it were a kind of heroism, who keep jumping out on the stage to abuse the camp from which they have deserted, who boast without shame that they can always abuse that camp and that consequently they are not just ordinary deserters but heroes. Just like Krylov's fable where "the puppy is feeling so big that she's barking at an elephant."

It must be said, sad as it may be, that the Soviet People and the Soviet public class the Yugoslav Government among just such boastful malicious deserters.

That is the public atmosphere in which the Soviet Government is obliged to carry on its work.

We hope that the Yugoslav Government will realize that it cannot expect courtesy, and, even less so, respect from the Soviet Government.

AUG 30 1949

U. S., Britain May Permit Yugoslavia to Get Arms

LONDON, Aug. 30 — (AP) The United States and Britain may ease restrictions soon on the sale of arms to Yugoslavia, responsible diplomatic officials said today.

The matter is under study in Washington and London, they said, and a decision is expected when Secretary of State Dean Acheson and Foreign Secretary Ernest Bevin discuss the matter in the American capital in the next week or two.

In the last few weeks British officials have been trying to figure out ways in which they can quietly back up Marshal Tito's regime in its quarrel with Russia and her friends, the informants said.

One obvious way would be to send much-needed military equipment to Yugoslavia.

Supplies of such equipment to Yugoslavia have been stopped by the countries of the Soviet-dominated Communist International Information Bureau (Cominform).

The Yugoslavs are believed to have asked the western powers to help them with certain kinds of equipment—including vehicles, light armor and small arms.

The western powers would like to help Tito defy the Cominform challenge, the informants said.

Troops Reported Sent To Yugoslav Border

BERLIN, Aug. 30 — (AP) The West Berlin newspaper Sozialdemokrat said today a vanguard of 3,500 heavily armed East German police had been sent to the Yugoslav border for "a possible war against Tito."

The newspaper said perhaps 12,000 more will be sent for "anti-Tito action" in the Balkans, and "with feverish hurry tanks, guns and other military equipment are being loaded on trains and trucks to go with the German police troops."

British and American army intelligence officers said they knew of the report, but could not confirm it. Sozialdemokrat is the British-licensed newspaper of the Social Democratic Party which claims to have an extensive network of underground agents in the Soviet zone.

The newspaer's report followed by a day the disclosure by the U. S. military government that five East German policemen fled into the American zone at Hof, saying they escaped to avoid military service with Communist guerrillas in Greece. The escaped policeman said the Russians had issued an order for all unmarried members of the East German police under 25 years of age to be recruited for the service.

The Volkspolizei (people's police) of the Russian zone is reported to have a target enrollment of 300,000 but is believed to actually number only about 80,000 men under the command of Soviet General Smirnov. It has participated in military-style training and maneuvers under the eyes of Soviet officers and propagandists.

Troops Moved to Balkans.

Berlin, Aug. 30 (A. P.).—A Berlin newspaper said today East German police are being sent to the Balkans by Russia to seal off Yugoslavia. The British-licensed Social Democrat said 3,500 heavily armed members of the Volks-Polizei (People's Police) left the Russian zone of Germany for "anti-Tito action" in the Balkans Saturday. It said 12,000 more will be sent.

British and American intelligence officers said they could not confirm the reports.

The Social Democrat said the troops, wearing uniforms similar to those of the Red Army, are commanded by Russian Gen. Smirnov.

Britain's Press Hails Truman's Sympathy

Nat Cooper

United States studies plan to increase buying of strategic items from England. [Page 3.]

AUG 30 1949

London, Aug. 30 (AP)—The British press gave out today with a heartfelt chorus of "Thank you, Mr. President."

The Philadelphia speech by President Truman aroused as much gratitude as though it had been a personal pat on the back for every Briton.

Sighs Of Relief

Mr. Truman's avowal of continued sympathy and friendship for the British people was the day's top news story.

It was hailed on all sides as a good omen for the dollar-crisis talks starting in Washington September 7. In Labor party circles there were audible sighs of relief.

"Truman Says Hands Off Other People's Politics" was the jubilant headline in the *Daily Herald*, the party mouthpiece.

The British Foreign Office was so pleased with what Mr. Truman had to say that it took the unusual course of issuing a formal statement long after its regular office hours. Said the Foreign Office:

"President Truman's references to the forthcoming Anglo-American-Canadian talks in his speech to the American Legion convention at Philadelphia are regarded in London as most helpful and encouraging for the success of the tri-party talks.

"Fully Appreciated"

"The point of view expressed by the President is fully appreciated and shared in London."

"Truman: We're friends,' said the seven-column banner in the Conservative *Daily Mail*.

The speech was all the more gratefully received because of growing resentment here over criticism from America.

The Socialists have been enraged by statements that their political policies have crippled the postwar recovery effort.

Britons in general are angered by suggestions from abroad that they are finished as a world power.

Clears The Air

The Liberal *Star* said the Truman speech clears the air.

"Common sense wins through," said the *Star*. "On both sides of the Atlantic the foolish propagandists have been ruefully eating their wild words."

The *Financial Times* expressed hope that "the guiding principles which the President has enunciated for a constructive approach to world economic problems will continue to shine bright and clear throughout the Washington talks."

"Useless Bickering"

The Conservative *Daily Graphic* said:

"There has been a good deal of useless bickering on both sides of the Atlantic. But never once has a member of the American Government joined in. The attitude has been just the opposite, and it is expressed again in Mr. Truman's speech to the American Legion."

The Independent London *Times* said: "The President has put the great issues at Washington into right perspective."

PARLEY TO BE HELD ON ATOMIC DANGERS

AUG 30 1949

LONDON, Aug. 30. — (AP) The United States, Britain and Canada will hold a conference Sept. 5 to 10 on dangers in atomic research, including sabotage, the ministry of supply said today.

The ministry's announcement noted that the conference will be held under the three nation technical cooperation program set up

30.24- 5353

in January 1948—which it said does not include "weapons information."

It will take place at Harwell, 50 miles west of London, where Britain has an atomic research station.

The statement remarked that each of the three countries has done much research into the potential hazards of atomic piles—in which a controlled atomic chain reaction produces energy.

"Delegates to next month's conference," it said, "will discuss the treatment of radioactive wastes; the effects of radiation on plants, animals and human beings, and pile hazards caused by accidents, sabotage or the failure of safety controls."

The three-nation program for exchange of certain technical information is under general direction of a combined policy committee.

PALESTINE GROWING FAST

2,000,000 Population in Next Five Years Predicted

LONDON, Aug. 30 (AP)—Rabbi Israel Goldstein of New York predicted today the population of Israel would reach 2,000,000 in the next five years.

"It is felt that there is room, with proper economic development, for 4,000,000 or 5,000,000 Jews there eventually," he told newsmen. Israeli's present population is about 1,000,000.

Rabbi Goldstein is a former treasurer of the Jewish agency for Palestine. He is on his way back to the United States after a year in Israel. He said Israel was developing a tourist business that eventually should rival Switzerland's.

Rabbi Goldstein said foreign capital was needed for Israel's industrial development and that steps were being taken to attract it.

"I believe that in the next few days there will be a law passed which will set forth the various inducements which the Israeli government will offer to foreign capital," he said.

Larger Aid-Share Set For Britain

Paris, Aug. 30 (AP)—Top officials of the Organization for European Economic Co-Operation have worked out a new plan for division of Marshall plan funds which would give Britain $960,000,000 in 1949-50.

This figure is $118,000,000 more than the British were allotted under the last OEEC proposal, but is $558,000,000 less than the British asked for when estimates of required aid were submitted.

Up For Discussion Tomorrow

Although the United States Congress has not yet decided on the exact amount of Marshall plan aid for the coming year, the experts are figuring on a total appropriation of about $3,670,000,000.

The new plan was worked out after all the nineteen member areas except Trieste let it be known they were not satisfied with the last proposed division.

The council of the OEEC will meet tomorrow to discuss the new proposals. There was no official comment on the new plan. The British, however, were reported pleased with the increase.

Communists And Fascists Fight In Heart Of Milan

Milan, Italy, Aug. 30 (AP)—Communists and neo-Fascists clashed in the heart of Milan tonight. Riot police quelled the disorder and arrested fifteen persons. No casualties were reported.

The neo-Fascists are members of the Italian Social Movement which frequently claims allegiance to the principles of Mussolini.

Yugoslav Bullets Kill Italian

UDINE, Italy, Aug. 30 (AP).—An Italian frontier guard was killed today on the Italo-Yugoslav border by machine-gun bullets fired from Yugoslavia, the Italian news agency Ansa said. The frontier guard, Salvatore Russo, was watching workers cutting trees along the border when the shots were fired. Ansa said his body rolled downhill into Yugoslav territory.

EAST-WEST TRADE SPED

Four Berlin Powers Back Talks of Zonal Groups Sept. 11

BERLIN, Aug. 30 (AP)—Economic experts of the four occupation powers agreed today to speed up talks for an East-West German trade pact.

They approved a formal meeting between representatives of the Soviet zone German Economic Commission and the West German Economic Administration, to be held at Frankfort Sept. 11.

The two German organizations have been holding informal trade talks in Berlin during the past week but have reached no basic understanding conforming to the instructions of the Paris Foreign Ministers' conference in June.

A brief communiqué said that the Soviet and Allied experts would recommend to the Germans that "they accelerate their present negotiations."

Robertson Sees Berlin As Capital

Berlin, Aug. 30 (AP)—The British Military Governor, Sir Brian Robertson, asserted today that the new West German Government "must support the future capital of the republic—Berlin."

He said he was "quite sure" this quartered city eventually would resume its position as the German capital, but he smilingly declined to predict a date.

"I am absolutely determined that Berlin having survived the Soviet blockade, does not fall victim to economic pressure of any other," said the military governor, who becomes British High Commissioner with the establishment of the West German republic next month.

West Berlin Runs Utilities

BERLIN, Aug. 30 (AP).—Western Berlin's gas, water, electricity and sewage facilities went back under German control today for the first time since the city fell in 1945. The thre-power Kommandatura which rules the Western sectors told the elected West Berlin city government to take over production and financing of the utilities.

Berlin, Aug. 30 (AP)—An American who lost his "best friend" inserted this ad in the occupation forces daily bulletin:

"Lost—one dog, part Boxer, part something else. Answers to the name of Lucky or anything else. Sits up and begs for food whenever he sees it. Isn't worth anything but sure would like to get him back."

Hitler Order Read At Hamburg Trial

Hamburg, Germany, Aug. 30 (AP). An alleged secret Hitler order for waging brutal war on Poland was introduced in evidence today at the British war crimes trial of former German Field Marshal Erich von Manstein.

The document, described by the prosecution as "a veritable piece of dynamite," reportedly contains notes of Hitler's speech to his generals in Obersalzburg, nine days before the Nazi invasion of Poland.

On that day Hitler was alleged to have told his war leaders—among them von Manstein—of the ruthless way the war was to be fought in Poland.

Recognized By Correspondent

The document was accompanied by an affidavit from Louis P. Lochner, former Associated Press correspondent in Berlin. He said he recognized the document as one handed to him in Berlin in August, 1939, by Hermann Maas, who later was executed for his part in the 1944 bomb plot against Hitler.

Maas told Lochner he got the document from Gen. Ludwig Beck, former chief of staff, who had received it from an officer who attended the Obersalzburg meeting. The typewritten sheets contained notes of what Hitler was supposed to have told his generals.

Von Manstein has pleaded innocent to a seventeen-count indictment accusing him of war crimes involving extermination of Jews and misuse of prisoners of war in the Polish and Russian campaigns.

Charges Catholics Seek German Rule

Schumacher Says Church Is at Peak Strength

BAD DUERKHEIM, Germany, Aug. 30 (AP).—Dr. Kurt Schumacher, head of West Germany's Socialist party, said today the Roman Catholic Church is stronger in Germany than at any time since the Middle Ages.

Dr. Schumacher charged repeatedly in the recent election campaign that the Church was interfering on behalf of his chief rival, the Christian Democratic party. The Christian Democrats led in the voting, with the Socialists second.

"The greater part of the voters were fundamentally of Socialist opinion," Dr. Schumacher told a news conference, "but they surrendered to the powerful influence of the Church."

"We have the impression that they (the Church) would like to make a second Spain in Germany," he added. "They must believe that the German state is so weak that one can do things here which are impossible in other countries."

Greeks Hammer Escape Routes Of Guerrillas

Greek Army Headquarters at Argo, Greece, Aug. 30 (AP)—A small pocket of Communist guerrillas fought frantically today to keep open two escape routes into Albania for their comrades retreating from Mount Grammos before Greek Army troops.

Planes and artillery of the victorious Greek National forces hammered the horse-shoe shaped guerrilla position which has an open end in Greece and is based on Kamenic, astride the Albanian border.

[In Athens, a general-staff spokesman said a captured guerrilla officer had declared the principal rebel military and political leaders fled into Albania on the night of August 27 and 28.

Military Leader Flees

[They included, according to the Greek spokesman, Communist party Secretary-General Nicholas Zachariades, Finance Minister Vassilis Bartzokas and Commander in Chief Spyridon Goussias.]

The guerrillas were attempting to hold their ground to allow mauled rebel units from the central Grammos to escape from the army's mop-up operation.

The two prongs of the guerrilla line are at Prophet Elias Hill on the south and Steno Ridge on the north. The open end of the horse-shoe is less than 2 miles across.

Many Reach Albania

A Greek Army communiqué said many guerrillas already have filtered into Albania. When the big Grammos push got under way there were an estimated 4,000 to 5,000 rebels in the mountainous region.

A compilation of communiqués listed 1,040 guerrillas dead and 584 taken prisoner in the Grammos

Catholics Say Reds Spur Attacks

Tell of Chaplain's Arrest and Increased Anti-church Campaign in Soviet Zone of Germany.

Leipzig, Aug. 30 (A. P.).—Roman Catholic informants said today that Soviet zone Communists were sharply increasing pressure against the church.

A few weeks ago, these sources said, Russian soldiers arrested the Catholic chaplain of the University of Rostock in Mecklenburg. They said negotiations were underway between the Russians and Catholic Church officials to obtain his release. Since his arrest the anti-church campaign, directed almost solely at the Catholics, has increased.

Church sources visiting this Russian zone city for the opening of the annual fall fair, said the burden of the anti-church campaign was being borne by the Communist Free German Youth organization.

Under the direction of the Socialist Unity (Communist) party, they said, the Free German Youth organization was conducting a threefold anti-Catholic campaign involving rowdy serenading of religious services, persuading children and teenagers to keep away from church and making anti-Catholic speeches at public meetings.

drive. Army losses were given as 188 killed and 1,175 wounded. The Army reported capture of eight artillery pieces, ten anti-aircraft guns, four anti-tank guns, 1,358 rifles, 103 mortars and more than 200 machine guns. AP

Rebels Fight On In Grammos

With the Greek Army on the Gramos Front, Aug. 30 (AP)—Mauled Communist guerrillas fought fanatically today to defend a small horseshoe-shaped pocket on the Albanian border.

The horseshoe's open end was in Greece and was about 2 miles across. The pocket was about 3 miles deep, with one end based on precipitous Mount Kamenec and the other on saw-toothed Steno Ridge.

Pounded by artillery, Greek-manned United States Navy Hell-divers and Spitfires, the guerrillas hung on desperately to keep open routes of retreat for their comrades trying to escape the Greek Army's mop-up of the Grammos Mountain bastion.

Chieftains Escape

Many guerrillas already have escaped into Albania.

A general staff spokesman said the rebel political and military chieftains, including Nicholas Zachariades, Communist secretary general and Commander Spyridon Goussias, had gone into Albania after the first day of the Greek Army attack. The spokesman said this information had been received from a captured guerrilla officer.

Even the best informed authorities will not estimate how many of the 4,000 to 5,000 guerrillas in the area has escaped. The Greek division driving up north along the border of Kamenec failed to get through and make a junction with the 9th Division, which captured Mount Grammos and then plunged south. The strongly entrenched guerrillas managed to hold open a small gap for retreat.

A compilation of casualty figures in the army's communiqués since the start of the major attack adds up to 1,040 guerrillas killed and 584 captured. 184 army men killed and 1,175 wounded.

Finnish Government Opposition Shrinks

Helsinki, Finland, Aug. 30 (AP)—There were indications tonight that the Communists would stand alone in an expected fight against Finland's Government when Parliament opens Thursday.

Fear of a double-edged attack on the Social Democratic regime of Premier Karl A. Fagerholm lessened when the Agrarian party announced it had made no plans to raise a question in Parliament "at this time."

Agrarians had been expected to start a debate over farm prices. Farmers have been complaining of a Government decision to cut the price of milk. The Communists are expected to raise a question of confidence in the Government on the grounds that police took brutal action against Communist-led lumber strikers at Kemi recently.

Meanwhile, there was no apparent weakening of labor's efforts of Finland's strike front.

The food workers said they were willing to end their 12-day walkout, but the metal workers prepared for new strike actions. Building construction generally was at a standstill and ships were tied up in several important ports.

The president of the Food Workers' Union told the Employers' Association he was willing to call union members back to work provided negotiations on wage adjustments were started. The association insisted that the strike must be ended first.

Communists Within 30 Miles Of Key China Defense Railway

Spencer Moosa

Canton, China, Aug. 30 (AP)—Chinese Communist troops today slashed to within 30 miles of the Canton-Hankow railway, lifeline for the main Nationalist defense forces for all South China.

They overran Jucheng, 170 miles north of Canton and 40 miles east of the railway. They then speed on 10 miles west and attacked Litin, press reports said.

Should the Communists reach the railway, supplies no longer will be able to move from Canton by rail to the armies of Gen. Pai Chung-hsi. His headquarters are at Hengyang, 265 miles north of Canton.

Pai's 200,000-man armies then would have little choice but to retire southwestward into Kwgansi province, west of Canton.

Route Left Open

It seemed to be Communist strategy to force Pai into Kwangsi and leave Canton to its fate. The Communists are stepping up their pressure east of the railway.

They still are withdrawing troops west of the railway, where Pai gave them a beating. This western withdrawal leaves an escape route open for Pai into Kwangsi, his native province.

As the Communist approached, civilians began fleeing Kukong, south of Jucheng and 125 miles north of Canton on the railway. Kukong is considered the gateway to Canton.

Lungchun Threatened

Fresh troops from Hainan Island, off the south coast, were reported arriving in Canton for movement to the front. The Communists also were moving reinforcements down from the northeast.

The Ministry of National Defense also reported a new drive from the east. The ministry said this drive was threatening Lungchun, 145 miles east northeast of Canton.

Lungchun is well inside the border of Kwangtung province, of which Canton is the capital. The ministry did not say whether Communist troops had yet crossed the border.

Sining Field Unsafe

The news from the far northwest was also bad for the Nationalists. A commercial pilot was forced to turn back from Sining, capital of Tsinghai province. He said he was told the field there was unsafe.

Sining is 110 miles west of Lanchow, capital of adjacent Kansu province. Lanchow was captured by the Communists last week.

Generalissimo Chiang Kai-shek still was in Chungking. He is reported trying to settle differences between western warlords and Gen. Chang Chun, his commander in Southwest China. His long stay suggests he has run into great difficulties.

6 Japanese Sentenced In Red Poster Drive

TOKYO, Aug. 30 (AP).—Six Japanese today were sentenced to five years at hard labor for spreading rumors derogatory to occupation forces. The sentences were handed down at Osaka by the United States 25th Division's Provost Marshal's Court.

The case was the outgrowth of a poster campaign which Japanese authorities said was conducted by Communists. American soldiers were accused of raping Japanese women.

PRESIDENT'S AIDE STRONGLY DENIES ANY WRONGDOING

Tells Probers He Never Had Profited Personally by 'Favors'

FACES NEW QUIZ TODAY

Declares Truman Didn't Know What Firms He Was Assisting

WASHINGTON, Aug. 30. — (AP) Maj. Gen. Harry H. Vaughan testified today that he collected at least $4,000 in Democratic campaign funds from John Maragon and a widely known race track figure—both of whom received Vaughan favors.

But he swore he did nothing wrong. He told senators investigating Washington's "influence industry" they could look at his bank account if they wanted to see whether he ever had profited personally. He even hinted that on at least one occasion his troubles may have been caused by someone impersonating him.

Vaughan, who is President Truman's army aide, said Mr. Truman didn't know what firms Vaughan was busily assisting.

Get Campaign Funds

It was during the 1946 campaign, Vaughan told the senate investigations subcommittee, that he got $2,000 or $3,000 from William Helis, a race horse owner who sought—and got—Vaughan's aid in getting a permit for scarce materials needed at the Tanforan race track in California.

He said that he also got around $2,000 that had been collected by Maragon, Washington fixer-upper who was interested in everything from molasses to perfume and who repeatedly sought — and got — Vaughan's help.

The money, Vaughan said, was turned over to the Democratic campaign in Missouri, Vaughan's home state as well as the president's.

One of the investigating senators, McCarthy (R-Wis), asked Vaughan whether Maragon "at any time gave you money that he claimed was from Frankie Costello."

Costello has been described by various authorities as a bigshot racketeer, gambler and gangster.

Says Costello Not Mentioned

Vaughan said Maragon never mentioned that he got any campaign funds from Costello.

Senator McCarthy said the money that Vaughan collected was for use in the 1946 Slaughter-Axtell congressional primary fight and subsequent election campaign.

Rep. Roger D. Slaughter (D.-Mo.) had been a foe of a number of Truman proposals, and the President lent his support to Slaughter's opponent, Enos A. Axtell, in the Democratic primary.

Axtell won, but was beaten in the election by Republican Albert L. Reeves, Jr. Reeves in turn was beaten in 1948 by Democratic Richard Bolling.

As for Vaughan's suggestion that someone else was making like General Vaughan:

He referred to a phone call, and said he didn't know whether it was a case of being misunderstood or whether "someone impersonated me."

This was not developed, although Vaughan did say that for a time Maragon had used the phone in his office at the White House. As soon as he found out about this, Vaughan said, he put a quick stop to it.

Vaughan made no charge that it was Maragon who impersonated him. Maragon has a Greek accent and it would be hard to mistake his voice for Vaughan's.

The Senate committee was still digging into details of the campaign contributions when its time ran out.

Vaughan promised to have more facts available on who gave, and how much, when the committee hears him again tomorrow.

The sometimes blustery, sometimes profane and often controversial 55-year-old general was mild as milktoast today. During much of the two and a half hours he spent before the committee, he leaned back easily in his chair, puffing away on his cigar.

He seemed the most relaxed man in the hot, packed hearing room. Only occasionally did reporters see the muscles in the side of his face twitch, and noted a nervous nibble on his cigar.

Vaughan was particularly positive on one thing: That never had he got any fee, gift or favor in return for kindnesses he had done for businessmen.

Senator O'Conor (D-Md) asked: "Have you been willing, or are you willing, to have the committee examine any of your accounts so as to ascertain whether any fees or remuneration has been paid to you?"

Financial Records Available

Vaughan: "Yes, sir, my financial records are available to the committee or auditor at any time."

And at another time he said: "I have discharged my duties honestly and to the best of my ability."

Here, briefly, are the major episodes that have been developed during the hearing, and Vaughan's comments:

The Tanforan race track—

Previous testimony has shown that Helis, an old time friend of Vaughan's, had got Vaughan to make an appointment for him and the president of the track with the housing expediter, Tighe Woods. Woods said that Vaughan asked him to "hurry up" with the permit, and the next day it was granted.

Vaughan: "At no time did I attempt to influence the decision of these government officials." When he said "hurry up," Vaughan said, he meant hurry up with a decision.

The deep freezers—

These were given to Vaughan by David Bennett, president of the Verley Perfume Company of Chicago. They went to Vaughan, Mrs. Truman at the Little White House in Independence, Mo., and to other Washington notables.

Senators have been particularly interested in these gifts. They have noted that they were given in 1945, a time when freezers were scarce and travel was difficult.

Yet it was during this period that Bennett went to Europe, with a letter of introduction from Vaughan. Maragon, who worked for Bennett, also made a trip to Paris.

No Connection, He Says

Vaughan: "There is absolutely no connection between this gift and any assistance I have given these

30.24- 5355

friends."

Actually, said Vaughan, the State department wanted to get business men into Paris, and the Verley Company filled all the requirements that the government laid down. Vaughan said he had done nothing to get Bennett the passport that he used to get into Paris three days after V-E Day.

Vaughan admitted that he may have been wrong when he described these freezers as "factory rejects" in a statement he released after the news of the gift was made public.

He said he didn't remember where he got the idea. But he said it may have been from the repair man who came to fix his freezer.

Said Vaughan:

"On several different occasions, the service man has told Mrs. Vaughan, 'I am sorry that this service costs you $14, $16'—whatever it is— 'but the part that was broken I had to make, because this is not a standard machine and I have no way of knowing where to get parts for it.'"

'Ill-Advised,' He Admits

Vaughan conceded that the term, factory reject, may have been "ill-advised."

The molasses—

The Allied Molasses Company of Perth Amboy, N. J., wanted more molasses, back in the days of sugar rationing. Maragon was hired to help obtain the permit. Herbert Hathorn, who had charge of that section of the rationing program, said both Maragon and Vaughan tried to get him to give the permit.

Vaughan, Hathorn testified, said "we Democrats must stick together," then made a threat to get Hathorn's job when Hathorn failed to go along.

Vaughan: "An out-and-out fantasy insofar as it relates to me. Whether there was a misunderstanding by Mr. Hathorn or whether someone impersonated me in a telephone conversation with Mr. Hathorn, I do not know."

"It just doesn't make sense," Vaughan said, "that I would suggest to Mr. Hathorn or to any government employe that I would 'get his job' if he refused to grant a request which he sincerely regarded as improper or that I would be instrumental in rewarding him for betraying his public trust."

John Maragon—

Denies Maragon His Spokesman

Testimony has shown previously that Maragon frequently left the impression that he was speaking either for Vaughan or with Vaughan's approval.

Vaughan: 'I have never authorized him to represent or speak for me, or the White House, in any matter pertaining to my duties."

And again: "At no time was Mr. Maragon authorized to represent me or the White House in any shape or on any occasion."

Vaughan, like many of the witnesses before him, indicated that Maragon sometimes became a little trying.

He was asked if, after Maragon had been found using Vaughan's telephone, he had been reprimanded.

Vaughan said yes.

Did Maragon still come to the White House despite the reprimand?

"Senator," said Vaughan, "he don't reprimand easy."

Maragon, who had his chance to testify last week but refused on the grounds he might incriminate himself, sat in the back of the room while Vaughan testified.

James V. Hunt—

This Washington "management counsellor" has been described as one of Vaughan's good friends.

Vaughan: "To the best of my recollection, he has never asked and I have never aided him in any matter with a government agency."

Vaughan said they had "ordinary friendly relations."

Text of Statement Offered

President's Military Aid, at 5-Percenter Inquiry, Describes His Activities.

AUG 30 1949

Washington, Aug. 30 (A. P.).—Following is the text of Major-Gen. Harry H. Vaughan's statement prepared for the Senate 5 percenter investigation today:

I am glad to appear as a witness before this committee and to make a statement on the matters in which I have been mentioned in recent testimony here.

I have the honor of serving as military aid to the President. My association with President Truman covers a period of some thirty years. Since 1941, except for my overseas duty with the Army, I have served him as secretary and later as military aid. By reason of this experience, my duties in serving the President have not been limited to military matters, but have also included other administrative functions.

Inquiries from persons having business with various Government agencies come to my attention in my capacity as a member of the White House staff. The steps taken by me in response to such inquiries have been for the purpose of assisting people in transacting business with the appropriate agencies of their Government. In most such cases the people I assisted were not friends of mine in any way; in a few cases the people involved had been known to me or were old friends.

Explains Practice Of Extending Aid

In all such matters I followed the practice of extending aid whenever that could properly be done. At no time have I tried to cause a Government official to take any action which he did not consider proper and in the best interests of the Government.

In so far as I have given such assistance to any business concerns or their representatives, it has been without any participation by the President in any way, either through approval or any knowledge on his part of the names of specific companies or individuals whose requests for assistance came to me and were given my attention.

Now let me refer to specific matters which have been mentioned before this committee.

This committee has been considering the business activities of James V. Hunt. I have known Mr. Hunt for about five years, having met him when he was with the Quartermaster General and I was assigned to the Truman committee. Our relationship has been friendly. To the best of my recollection, he has never asked and I have never aided him in any matter with a Government agency.

The freezers which have been discussed here were a gift from two old friends of mine. This gift was an expression of friendship and nothing more. There is absolutely no connection between this gift and any assistance I have given these friends. At no time have I taken action as a member of the White House staff in exchange for a gift or other favor.

Gen. Vaughan Takes Up Case of Verley Company

The assistance which I gave to the Verley Company of Chicago was precisely what I would have done for other concerns in comparable circumstances had I been requested to do so. The Verley company desired to send representatives to Europe to prepare for the resumption of business after the war. Such action by American businessmen was urged by the State Department and has been part of this Government's official policy in the post-war years—not only without substantial criticism, so far as I know, but with warm support in Congress and elsewhere. I am sure this committee would know more about that than I do, but that is my understanding.

I have been advised that the following are the facts in connection with the European trips of representatives of the Verley company.

The Verley Company complied with such requirements as the State Department laid down for expediting the business visits of American business men to Europe. Two of the fundamental requirements were that the companies seeking transportation must have maintained pre-war business relations with Europe and that the business to be helped in Europe would aid the rehabilitation of Europe. The Verley Company fitted those requirements; its business dealings with Europe had been known by the Department of State as far back as 1926 and the re-establishment of the production of essential oil in Europe would provide employment for a large number of people. The exportation of this product would improve Europe's dollar position. The priorities for the transportation the Verley Company received from our Government in the post-war period corresponded with similar facilities made available to many American business corporations during the same period of time—among them some of the best known corporations in America.

Denies Business Link

To John Maragon

With respect to John Maragon, I have known him since 1941 when he was employed by a railroad company to assist in obtaining transportation for members of Congress. I have had no business connections with Mr. Maragon. I have never authorized him to represent or speak for me, or the White House, in any matter pertaining to my duties. Upon his request, I have given him assistance in matters when it appeared to be entirely proper to do so.

As for the Tanforan matter, these are the facts as I recall them. William Helis, whom I have known for many years, asked me to make an appointment for Eugene Mori, an associate of his, with the office of the Housing Expediter. I made that appointment and sometime later, Mr. Helis asked me to make an appointment with Tighe Woods, the acting housing expediter, for Mr. Mori. I made this appointment also. When Mr. Mori arrived in Washington, I went to Mr. Woods's office to introduce him to Mr. Woods and left shortly thereafter. At no time did I attempt to influence the decision of these Government officials.

Takes Up Next Case Of Allied Molasses

I come next to the testimony before this committee concerning my alleged intervention with the Department of Agriculture in a matter involving Allied Molasses Company, of which one Harold M. Ross of Perth Amboy, N. J., is said to be president.

I have no recollection of ever having heard of any company by that name. Nor do I have any recollection of knowing or ever meeting a person by the name of Harold M. Ross.

It is, nevertheless, entirely possible that I might have made a telephone call to the Department of Agriculture making an appointment or addressing a routine inquiry in a matter affecting the company. As I made clear earlier, I have made hundreds of such routine calls on behalf of persons whom I did not know. To remember the occasion or the names of more than a small fraction of those for whom I performed these services would be humanly impossible.

I will therefore assume even though I have no recollection of the incident that I spoke by telephone to some representative or representatives of the Department of Agriculture at the instance of a company named Allied Molasses Company. Beyond that however I cannot go. Most emphatically I cannot concede that I made the statements attributed to me by Herbert C. Hathorn who incidentally is unknown to me.

Threat to Get Job Doesn't Make Sense

It just doesn't make sense that I would suggest to Mr. Hathorn or to any Government employee that I would "get his job" if he refused to grant a request which he sincerely regarded as improper or that I would be instrumental in rewarding him for betraying his public trust. I therefore must and do deny that I urged Mr. Hathorn to adopt any particular course of action in the matter of Allied Molasses Company or that I made any threats to him.

I can only say that the Hathorn tale is an out-and-out fantasy in so far as it relates to me. Whether there was a misunderstanding by Hathorn or whether some one impersonated me in a telephone conversation with Hathorn I do not know.

There is nothing to conceal in my record as a public servant. I will answer any question you may wish to ask. I have discharged my duties honestly and to the best of my ability.

TRUMAN'S FORCES IN SENATE AGREE TO ARMS AID CUT

Subcommittee Decides on 160 Million Slash Urged by GOP Leaders

TO REPORT TODAY

All Differences Are Settled Except Policy on China, Senators Say

WASHINGTON, Aug. 30.—(AP) Administration forces in the senate have agreed to the $160,990,000 cut proposed by Republican Senators Vandenberg and Dulles in President Truman's $1,450,000,000 arms aid program, informed senators said tonight.

The senators, who did not want to be quoted by name, said arms aid for European members of the Atlantic Alliance will be cut from $1,160,990,000 to an even $1,000,000,000 under a proposal agreed upon by a bi-partisan senate subcommittee this afternoon.

The subcommittee was appointed by Chairman Connally (D-Tex) of the Foreign Relations Committee in an announced effort to "adjust" differences and assure "overwhelming" bi-partisan support in the senate for the arms aid bill.

Will Report Today

In addition to Connally, the subcommittee consists of Chairman Tydings (D-Md) of the Armed Services Committee and Republican Senators Vandenberg (Mich) and Gurney (SD). They will report to the combined committees on foreign relations and armed services tomorrow.

"We have agreed," Connally told reporters after the subcommittee's meeting. But neither he nor other members of the group would disclose details to newsmen.

Vandenberg was smiling broadly when he emerged from the subcommittee session but told newsmen:

"I'm not saying a word."

Word of the subcommittee's action spread rapidly, however, and other senators said the $160,990,000 cut in arms aid to Western Europe had been agreed upon.

Besides the funds for Atlantic Pact nations, the bill contains money to Greece, Korea, the Phillippines and other nations.

China Issue Still Pending

Some senators said that all differences had been settled except those concerning arms aid to China. Senator Knowland (R-Calif) is demanding that arms for non-communist China be added to the president's program. The administration has offered to accept a fund to be used in the Far East at Mr. Truman's discretion, but Knowland is not satisfied with this.

One senator said that Connally proposed at this morning's meeting of the combined committees to accept the Vandenberg-Dulles cut in European arms aid provided the administration is left free to spend money to stimulate arms production in European countries.

In the past, Senators Vandenberg and Dulles have pointed to the administration's proposed $155,000,000 outlay to stimulate foreign arms production as one of the places where savings could be made. They argued that the decision of "whether and where to develop a permanently expanded munitions industry on the continent" could better be left to a collective judgement by the defense council and defense committee to be set up under the Atlantic Pact.

The original Vandenberg-Dulles amendment to cut European arms aid to $1,000,000,000 did not contain any specific prohibition against using arms aid money to stimulate arms production abroad, however.

Speaking of the new compromise, Connally said:

"I am hopeful that the adjustments suggested will produce a measure that congress can approve, that the country can approve, and that will meet with our obligations under the Atlantic Pact.

"Unity of the arms program is not only of high importance domestically," he continued, "but it is of high importance to the peace of the world. We cannot let our prospective enemies believe there is a serious division in the United States. That is their whole strategy—to create division."

Approval Of Yugoslavia Loan Request Held Certain In Capital

Washington, Aug. 30 (AP)—Marshal Tito of Yugoslavia is considered virtually a cinch to get an American Government loan—provided he stays alive and independent from Moscow.

Top Government officials said Secretary of State Acheson's support for Yugoslavia's application foreshadows a favorable verdict.

Acheson and Ambasador Cavendish Cannon in Belgrade are reported vigorously urging the Export-Import Bank to approve Tito's bid quickly.

Blockade Threat

The Yugoslav dictator is said to be in need of quick economic help from the United States to help him weather the economic blockade now threatening to strangle his country.

Yugoslavia was disclosed last night to have applied for a credit of around $25,000,000 to buy American machinery for its copper, lead and zinc mines.

Tito is reported to have turned to the bank, an American Government agency, because he feels he cannot wait for a credit from the International Bank.

Johnson Okay Seen

This is the first time Yugoslavia has turned to the United States Government for a direct loan since Tito defied Moscow's orders some fifteen months ago and split from the Russian bloc.

Government officials familiar with the Yugoslav application said that there has been no sign of opposition from Secretary of Defense Johnson.

Johnson first opposed and then approved the first big step by the United States to bolster Yugoslavia several weeks ago—a decision to permit the Yugoslavs to buy a steel mill from an American company.

Early Decision Hinted

Export-Import Bank officials said they are giving the loan request "serious consideration" and that a decision should be forthcoming shortly.

But Government officials connected with the National Advisory Council, which guides the bank's activities, said a loan to Yugoslavia would represent a "sound business proposition," besides fitting into current American foreign policy.

Yugoslavia would be able to pay for the credit, they said, by increasing shipments of strategic copper, lead, zinc and chrome ore to the United States.

Advantages Cited

This would have a double advantage for this country:

It would give Tito the dollars necessary to repay the loan on installments, plus additional money to spend in Western markets for essential consumer goods.

And it would increase the stockpile in the United States of strategic minerals.

Officials emphasized that Acheson is under no illusions about Tito.

But both Acheson and President Truman are reported to believe that it is vital to keep Tito's country in fairly good economic shape. In this way Tito can serve as a reminder to other eastern European governments that it is possible to break with Moscow and still exist as an independent nation.

Risk Held Necessary

Western diplomats acknowledge that this policy involves risks but they say such risks are necessary if the Western powers are to win the cold war.

At present they are not worried about reports of Russian troop maneuvers in the Balkans or the recent Cominform meeting in Sofia.

They dismiss them as part of Russia's war of nerves against Tito, pointing out that both events, lacking the usual secrecy, apparently were staged just to worry Tito.

Strategic-Item Scheme Studied To Aid Britain

Washington, Aug. 30 (AP)—The United States is considering a plan to send more dollars Britain's way by increasing purchases of strategic materials from British markets.

Government officials said this country's negotiators are giving a sympathetic hearing to British requests for a speedup in American strategic stockpiling during the next few months.

The British contend that dollars earned during this period will prove of great help to them in charting long-range plans for solving their economic crisis.

Main Items Tin And Rubber

Tin and rubber are the main strategic items Britain has to offer. The United States has been buying limited quantities of these.

Officials said, however, it is doubtful that the Administration will consent to increase British sales by relaxing regulations requiring American rubber manufacturers to use 220,000 tons of synthetic rubber annually in their products.

Any move to amend these rules, officials said, might affect national security since synthetic-rubber plants might be needed in case of war. The Government owns all synthetic plants now.

Discussions Continue

British officials continue outlining their problems to American and Canadian representatives today in meetings at the State Department.

These preliminary "fact-finding" discussions are in their third day. Top Cabinet officials from Britain and Canada are scheduled to arrive over the week end to weld these facts into a three-nation program aimed at checking the British economic slump.

U.S. DEPORTS 'REPENTING' RUSS FLYER

Deserter Can Return To Homeland If He Wishes, Department Says

Washington, Aug. 30 (AP)—The State Department disclosed tonight that a Russian air force deserter who twice tried to change sides in the cold war has been deported and will be given a chance to return to his Soviet homeland.

The department made this announcement tonight after the Soviet Embassy formally complained over the "sudden disappearance" from Washington of former Lieut. Anatoly P. Borzov, 29.

Borzov was one of two Red army officers who stepped from a Russian army plane last October 9 at Horsching, in the United States zone of Austria, and announced that they wanted to renounce their allegiance to the Soviet Union. The other officer was Peter Pirigov.

Taken On Tour Of Virginia

They were brought to this country and shown the sights, including a scenic tour of Virginia, which they had expressed a desire to see.

The Russian Embassy said today that Borzov, whose name has also been spelled variously as Barsov and Barzov, "repented" over his flight from Russia and was given a Soviet passport to return to the U.S.S.R. on July 28.

The State Department cleared up the mystery on what happened to Borzov tonight when a department spokesman said it was discovered that Borzov had been in communication with the Russian Embassy here August 17 and was promptly taken into custody by United States officials.

Flown Back To Europe

A State Department spokesman said that "for security reasons," following his seizure by immigration authorities, Borzov was held at Ellis Island, New York, until August 22 and then flown back to Europe.

Borzov is now in Austria and the spokesman said he is "being given an opportunity freely to determine whether he wishes to return to the Soviet Union or remain under American jurisdiction in Europe."

"If, apparently of his own free will, he desires to return to Russia," the spokesman said, "no difficulties will be put in his way."

The State Department's statement did not say so in explicit words, but it left a clear implication that when Borzov was spotted visiting the Soviet Embassy after he had professed a desire to live in the United States, American officials became suspicious whether he was still a bona fide refugee and promptly clapped him into custody.

Hints Pressure On Family

The department statement also left a clear implication that American authorities believe the Russians "got to Borzov" through his wife and child now in the U.S.S.R. and applied pressure on him to return.

The department said Pirigov has "continued to express a firm desire to remain in the

30.24- 5357

...ssian in the United States and the appropriate Government authorities have endorsed his request for an extension of stay."

Department officials said that the two Russian officers, in explaining their motives for fleeing the U.S.S.R., told American officers that the Russian people were "oppressed" by the Stalin regime.

At that time the Russian officers said they were very anxicious to come to the United States and expressed particular interest in visiting the state of Virginia. They said they had heard a lot about Virginia on the Voice of America radio.

They got their wish in February when they were taken on a tour sponsored by the Virginia State and have ben reported living in Washington and New York.

The Soviet embassy said today that Borzov came to its consulate division offices July 28, announced that "he repented of the offense" of deserting, asked for Soviet protection and transportation home. He was given a passport the same day and authorized to return to Russia.

Failed To Return To Embassy

While awaiting transportation, Borzov lived in the Alturas Hotel in Washington, the Embassy said. It related that on August 17 Borzov paid a visit to the embassy and announced that he would return the same evening or the next day to complete preparations for his trip home.

He failed to show up, the statement said, and inquiries showed he had not been seen at the hotel since August 17.

"Disturbed by the sudden disappearance" of Borzov, the embassy asked the State Department to find out what had happened to him and notify the embassy, the statement said.

as last Friday during preparation for a high-altitude missile flight."

[In Washington, a spokesman for the Air Force said no such reports have been received from officers at White Sands. He declined further comment.]

Report Scoffed At

Miles and the other reporter, Clete Roberts, news commentator for Radio Station KFWB here, did not reveal names of the men with whom they talked.

"One officer," Miles wrote, "believes sincerely that the objects seen are space ships and declared that a ballistic formula applied to one observation through a photo theodolite showed the 'ship' was 35 to 40 miles high—an egg-shaped craft of fantastic size and traveling at incredible speeds of 3 to 4 miles a second."

Miles and Roberts both said other officers and engineers at White Sands scoffed at the reports of flying saucers and attributed the observances to imagination, weather balloons, dual images in high-powered optical equipment or possible distant planes reflecting sunlight.

Mountain Telescope Used

Roberts reported: "I was told by a highly regarded senior officer that on several occasions flying discs had been observed, had been carefully tracked and on one occasion had been photographed. Unfortunately the photographs were ruined when the film was spoiled.

"One officer at White Sands told me that astronomical experts using a powerful elevation telescope established on a mountain peak had carefully followed the flight of two flying discs which were following the trail of a V-2 rocket that smashed its way into the area 100 miles or more above the earth.

"I find it hard to believe the tale myself. But the officer who gave me this information is a responsible individual charged with an important assignment in the Government's upper-air research, a man who would not talk lightly."

At White Sands, Brig. Gen. Philip G. Blackmore, commanding general, commented: "So far as I know these reports are simply untrue."

"Nothing of the kind has ever been reported to me and I am sure it would have if it were true," the general said.

He confirmed there is an astronomical instrument located on Mule Peak near the proving grounds and added some flying disc reports may has originated from the weather observation balloons used in research work at the base.

LIE ADMITTED · BY COMMUNIST

Jury Told He Feared Death On Trip To Moscow

New York, Aug. 30 (AP)—A Chicago Communist admitted today he lied under oath in 1935 in seeking a passport for a trip to Moscow.

Max Weiss, former Communist national education director and twenty-eighth defense witness in the 33-week-old conspiracy trial, said under crossexamination that h falsely listed his occupation, the countries he intended to visit and the purpose of his trip.

In explanation, he told the court that he had to pass through Nazi Germany to reach the Soviet Union and that his life "would have been in danger" if he had given his real destination in his passport application.

Went To Moscow

In the application, he said the purpose of the trip was "a vacation," his destination was England and France and his occupation was office clerk.

He testified that his real purpose was to attend the international congress of the Young Communist International in Moscow as an American delegate.

Under direct examination, Weiss denied Government testimony that Chicago Communists were told they might have to wage civil war against the United States.

Budenz Discloses Order

Weiss' statements were in rebuttal to the testimony of Louis F. Budenz, former Communist editor who left the party in 1945.

Budenz, who testified for the Government in March, said Eugene Dennis, general secretary of the party and one of the eleven defendants, addressed a Chicago meeting in December, 1939, after war had begun in Europe.

Dennis said American Communists should be ready to "go underground" if the United States entered the war on the side of Great Britain, Budenz testified. He said also that Dennis told the meeting the war was an imperialist one and that Communists in this country would adopt the slogan, "Turn the imperialist war into civil war," if the United States became involved.

Weiss said Dennis made none of these statements. The witness said the slogan being used by American Communists then was "Keep America out of the imperialist war."

2 Cumberland Witnesses

Two witnesses from Cumberland, Md., followed Weiss to the stand.

They were Arthur Schusterman, 28 Boone street, and William Boyd Coleman, 56 North Mechanic street, both employes of the Celanese Corporation of America in Cumberland.

Schusterman said he joined the Communist party in New York in 1934 and went to Cumberland the next year to work in the Celanese plant. He said he was president of the local union of the CIO Textile Workers there in 1936.

He denied testimony by a Government witness, Charles W. Nicodemus, also of Cumberland, that Schusterman had attended a Communist meeting at the Coleman's home in the Summer of 1945.

Schusterman said he was in the armed forces overseas from 1944 to August 18, 1945, and did not return to Cumberland until September of 1945.

Other Denials Made

Schusterman also denied these points in Nicodemus's previous testimony:

That at another meeting in the Coleman home around Christmas, 1945, the possibility of a revolution in five or six years was discussed.

That Schusterman or Al Lannon, director of the Maryland-District of Columbia district of the party, had said at the meeting that the Red army in Siberia, with the help of airplanes, could invade Alaska, then the United States, and destroy Detroit.

That in 1940 the textile branch of the party in Maryland was broken down into groups of five "for security reasons."

Criticized On Stand

Schusterman also discussed a meeting of union officials at the home of Harry Bartlett on Virginia avenue in Cumberland in January, 1946, on the eve of union elections.

He said at that meeting he criticized Nicodemus for not having taken a clear stand on the questions of Negroes in the plant and the seniority rights of women workers.

Coleman testified he had worked at the Celanese plant since 1932 and joined the Communist party in 1937.

He also denied Nicodemus's testimony that Lannon told a meeting a revolution was possible in America and the Red army might invade the United States through Alaska.

Coleman testified that the meeting in Bartlett's home was a union, not a Communist, meeting.

DRUG TO AID KIN SENT TO MOSCOW FROM STATE

NEW HAVEN, Aug. 30—(AP) A brief message has sent sixty grams of streptomycin on a long errand of mercy—from New Haven to Moscow, Russia.

It's intended for Rose Hendlin, 19-year-old Russian girl, described as "deathly ill," and was mailed yesterday by two West Haven relatives.

Oil Industry Experimenting On Fuels For Jet Aircraft

Lake Success, Aug. 30 (AP)—The oil industry is carrying on a large amount of experimentation to meet the new fuel problems raised by jet planes, an oil expert said today.

The expert, Dr. Gus Egloff, of the Universal Oil Products Company, Chicago, said in a paper here that an early solution to the problem of suitable fuels for jet planes is imperative. He delivered the paper at the fuels and energy section meeting of the United Nations Scientific Conference on the Conservation and Utilization of Resources.

Soviet Absent

Specialists on a wide range of problems are talking them out at the United Nations meeting. The Soviet Union is not represented. No recommendations are planned by the conference, but United Nations officials expect much benefit will result.

"Jet propulsion of aircraft has created new fuel problems," Dr. Egloff said. "The requirements for jet fuels are not completely known and a large amount of experimentation is in progress to develop appropriate fuels. One of the greatest problems is the high fuel consumption of jet planes.

Solution Imperative

"A jet plane uses five times as much fuel as its reciprocating engine counterpart. An early solution to this problem is imperative inasmuch as the range of operation is limited by high consumption and operation is very costly. A satisfactory fuel must burn rapidly and completely, have very high heating value per unit weight and low freezing point because of the low temperatures at extremely high altitudes."

Dr. Egloff predicted "tailor-made hydrocarbons for jet fuels and new processes for making them' would come out of the present welter of research, just as special products and processes were found for making high-quality aviation gasolines.

He said research is being carried on for improved Diesel fuels.

LONDON--FIFTH ADD FIRST LEAD YUGOSLAV X X X CONCERN.

FURTHER THE SOVIET NOTE SAID THE RUSSIAN GOVERNMENT NEVER HAD MADE ANY PROMISE TO BACK YUGOSLAV DEMANDS FOR AUSTRIAN TERRITORY.

THE NOTE DESCRIBED AS "AN INVENTION AND LIE" THE YUGOSLAV CLAIM THAT PRIME MINISTER STALIN IN A LETTER TO AUSTRIAN CHANCELLOR KARL RENNER HAD PROMISED TO GUARANTEE AUSTRIAN FRONTIERS. THE NOTE QUOTED THE LETTER, SENT IN MAY, 1945, TO SHOW THAT NO MENTION WAS MADE OF AUSTRIA'S FRONTIERS, ALTHOUGH STALIN DID PROMISE TO SUPPORT AUSTRIAN INDEPENDENCE.

AS COMPENSATION FOR WAR DAMAGES, YUGOSLAVIA HAS ASKED FOR PART OF AUSTRIAN CARINTHIA, INHABITED LARGELY BY SLOVENES, A SOUTH SLAV PEOPLE.

THE SOVIET NOTE SAID STALIN'S LETTER TO RENNER WAS PROMPTED BY TWO CONSIDERATIONS:

"ON THE ONE HAND, IN CERTAIN BRITISH CIRCLES A PLAN WAS BEING HATCHED FOR THE UNIFICATION OF AUSTRIA, HUNGARY AND PART OF SOUTHERN GERMANY INTO A DANUBIAN MONARCHY. THE SOVIET GOVERNMENT RESOLUTELY OPPOSED THIS PLAN, DECLARING THAT THIS THREATENED AUSTRIA WITH THE LOSS OF INDEPENDENCE, THAT AUSTRIA MUST REMAIN AN INDEPENDENT STATE.

"ON THE OTHER HAND, IN CERTAIN NATIONALIST CIRCLES OF SLAV STATES, INCLUDING YUGOSLAVIA, A PLAN WAS BEING PUT FORWARD FOR THE DIVISION OF AUSTRIA BETWEEN NEIGHBORING STATES.

"THE SOVIET GOVERNMENT LIKEWISE OPPOSED THIS RESOLUTELY, DECLARING THAT THE DIVISION OF AUSTRIA WAS A REACTIONARY MEASURE, CONTRADICTORY TO THE PRINCIPLES OF DEMOCRACY, THAT AUSTRIA MUST REMAIN AN INTEGRAL STATE.

RUSSIA, THE NOTE SAID BELIEVED THAT THE PRINCIPLE OF SELF-DETERMINATION OF NATIONS "SHOULD BE APPLIED TO ALL NATIONS, INCLUDING THE VANQUISHED NATIONS."

BY DEFENDING THE INTEGRITY OF AUSTRIA, THE NOTE SAID, THE SOVIET GOVERNMENT "AT THE SAME TIME DEFENDED THE NECESSITY FOR RECTIFYING THE FRONTIERS OF AUSTRIA IN FAVOR OF YUGOSLAVIA." THE NOTE CONTINUED:

"THERE CANNOT BE ANY DOUBT THAT YUGOSLAVIA WOULD HAVE GOT SLOVENE CARINTHIA HAD NOT THE YUGOSLAV GOVERNMENT TAKEN FRIGHT AND BETRAYED, IN VIEW OF THEIR COWARDICE, THE NATIONAL RIGHTS OF YUGOSLAVIA."

AN EARLIER SOVIET NOTE IN THE EXCHANGE WITH BELGRADE HAD ACCUSED TITO'S GOVERNMENT OF GIVING UP ITSELF ON GETTING AUSTRIAN TERRITORY AND OF TRYING TO PLACE THE RESPONSIBILITY FOR THAT DECISION IN MOSCOW'S LAP.

THE GOVERNMENT SAID MEMBERS OF THE GROUP WERE CAUGHT AS THEY WERE GOING TO THEIR APPOINTED STATIONS FOR THE START OF THE REVOLT.

"THIS IS FURTHER PROOF," THE OFFICIAL ACCOUNT SAID, "OF THE STRENGTH OF THE CZECHOSLOVAK PEOPLE AND HOW IT IS CAPABLE OF SMASHING ALL WHO ATTEMPT A COUP D'ETAT. IT IS ALSO TESTIMONY OF THE RELIABILITY OF THE PEOPLE'S DEMOCRATIC APPARATUS, OF ITS VIGILANCE AND ENERGY WHICH ASSURES IN ADVANCE THAT ANY ATTEMPT AT HIGH TREASON SHALL FAIL."

SHANGHAI,AUG 30 (AP)-THE COMMUNIST MILITARY CONTROL COMMISSION ANNOUNCED TODAY ALL FOREIGN NEWS AGENCIES MUST CEASE THE DISTRIBUTION OF NEWS IN SHANGHAI TOMORROW.

THE ORDER AFFECTS ONLY THE ASSOCIATED PRESS AND THE BRITISH CHAMBER OF COMMERCE WHICH HAD TAKEN OVER THE DISTRIBUTION FOR THE REUTERS NEWS AGENCY.

THE UNITED PRESS AND AGENCE FRANCE PRESSE CEASED DISTRIBUTING NEWS SHORTLY AFTER THE REDS TOOK OVER. TASS, THE RUSSIAN NEWS AGENCY, ANNOUNCED CLOSURE OF ITS DISTRIBUTION SERVICE IMMEDIATELY AFTER THE RED OCCUPATION BEGAN, SOME TASS NEWS HAS BEEN DISTRIBUTED RECENTLY THROUGH THE SINO-COMMUNIST NEWS SERVICE.

THE ASSOCIATED PRESS HAD BEEN ABLE TO CONTINUE NEWS DISTRIBUTION IN SHANGHAI BY PLACING ITS REPORT WITH A LARGE NUMBER OF FOREIGNERS WHO SUBSCRIBED PRIVATELY BECAUSE OF THE SCARCITY OF WORLD NEWS APPEARING IN SHANGHAI NEWSPAPERS.

THE ONLY NEWSPAPER SUBSCRIBING TO THE ASSOCIATED PRESS REPORT AT THE TIME OF THE CLOSURE ORDER WAS THE BRITISH OWNED NORTH CHINA DAILY NEWS, WHICH STEERED CLEAR OF NEWS WHICH MIGHT ANTAGONIZE THE COMMUNISTS. AT ONE TIME AFTER V-J DAY MORE THAN 40 NEWSPAPERS IN SHANGHAI SUBSCRIBED TO THE ASSOCIATED PRESS REPORT. ALL BUT A HANDFUL OF THOSE NEWSPAPERS DISAPPEARED AFTER THE COMMUNISTS TOOK THE CITY.

SHANGHAI,AUG. 30-(AP)-BRITISH CONSUL GENERAL ROBERT URQUHART FORCIBLY WAS PREVENTED FROM LEAVING THE BRITISH COMPOUND YESTERDAY BY TWELVE DRIVERS. THEY JUST HAD BEEN DISMISSED WHEN THE CONSULATE REDUCED ITS NUMBER OF AUTOMOBILES.

THE VICE CONSUL TOOK UP THE DISPUTE WITH THE COMMUNIST FOREIGN AFFAIRS BUREAU WHICH SENT A VERBAL ORDER TO THE DRIVERS NOT TO RESORT TO FORCE.

HOWEVER, WHEN URQUHART TRIED TO LEAVE THE COMPOUND HE WAS BARRICADED BY DRIVERS WHO SAID:

"WE DON'T CARE ABOUT THE FOREIGN AFFAIRS BUREAU OR ANY OTHER BUREAU. WE WANT MONEY."

POLICE WERE CALLED AND THE DRIVERS WERE FORCED TO TAKE UP THE CASE WITH THE COMMUNIST LABOR BUREAU.

THE CONSULATE OFFERED SEVERANCE PAY ACCORDING TO THE COMMUNIST FORMULA BUT THE DRIVERS DEMANDED SEVERAL MONTHS ADDITIONAL PAY.

SO FAR AUTHORITIES HAVE NOT ALWAYS ENFORCED THE MAXIMUM, PARTICULARLY IN CASES INVOLVING FOREIGNERS.

(THIS DISPATCH WAS DELAYED MANY HOURS IN REACHING SAN FRANCISCO, APPARENTLY BY COMMUNIST CENSORSHIP THROUGH WHICH DISPATCHES FILED IN SHANGHAI MUST PASS.)

WASHINGTON,AUG 30-(AP)-SENATOR KEM (R-MO) TODAY DEMANDED TO KNOW WHETHER PRESIDENT TRUMAN'S SPEECH BEFORE THE AMERICAN LEGION CONVENTION AT PHILADELPHIA WAS A "TRIAL BALLOON" FOR SOCIALISM.

IN AN ADDRESS TO THE SENATE, KEM SHARPLY CRITICIZED BRITAIN'S ECONOMIC SYSTEM. HE SAID "THE PRESENT GOVERNMENT OF GREAT BRITAIN IS COMMITTED TO THE PRINCIPLES OF KARL MARX," INCLUDING THE ABOLITION OF PRIVATE PROPERTY.

THEN HE LASHED OUT AT MR.TRUMAN'S OUTLINE OF THE PRINCIPLES THAT SHOULD GOVERN FORTHCOMING U. S. ECONOMIC TALKS WITH BRITISH OFFICIALS.

KEM QUOTED THE FOLLOWING FROM THE PRESIDENT'S SPEECH AT PHILADELPHIA YESTERDAY:

"WE RECOGNIZE THAT EACH NATION HAS ITS OWN POLITICAL PROBLEMS AND THAT IT USES DIFFERENT POLITICAL LABELS AND DIFFERENT SLOGANS FROM THOSE WE USE AT HOME. IN THE SAME WAY, NATIONS HAVE DIFFERENT BUSINESS PRACTICES AND DIFFERENT GOVERNMENTAL DEVICES FOR ACHIEVING THE SAME ECONOMIC ENDS."

KEM SAID THIS RAISES THE QUESTION WHETHER THE GOVERNMENTS OF BRITAIN AND THE U. S. ARE TRYING TO ACHIEVE "THE SAME ECONOMIC ENDS."

HE ASKED THE SENATORS: "DOES THIS MEAN THAT THE PRESIDENT HAS COMMITTED HIMSELF TO WORK TOWARD THE SAME ECONOMIC END AS SOCIALIST GREAT BRITAIN? IS MR.TRUMAN'S STATEMENT A TRIAL BALLOON?"

NIGHT LEAD BURMESE (190)

BY DOUGLAS LACKERSTEEN

RANGOON, BURMA, AUG. 30-(AP)-A BURMESE ARMY SPOKESMAN SAID TODAY A PACT BETWEEN KAREN REBELS AND KACHIN TRIBESMEN HAS BEEN DISSOLVED.

KACHINS WERE IDENTIFIED AS THE REBELS WHO NOW HOLD LASHIO, THE CAPITAL OF THE NORTHERN SHAN STATES. THEY SEIZED IT ON SUNDAY. TAUNGGYI, THE SOUTHERN SHAN STATES CAPITAL, IS IN KAREN HANDS.

THE ARMY SPOKESMAN SAID THE KACHINS WHO ENTERED LASHIO ARE TRYING TO RETURN TO THEIR NATIVE MYITKYINA STATE IN NORTH BURMA. THEY HELPED THE KARENS STORM TAUNGGYI BUT SOON AFTERWARD BROKE RANKS AND HEADED BACK NORTH. TAUNGGYI LIES 100 MILES SOUTHEAST OF MANDALAY AND LASHIO IS 160 MILES NORTH OF TAUNGGYI.

MEANWHILE, RANGOON AUTHORITIES AWAITED THE RETURN OF A FIVE-NATION DIPLOMATIC MISSION FROM TAUNGGYI WHERE IT SOUGHT TO NEGOTIATE THE LIBERATION OF AN ESTIMATED 12,000 FOREIGNERS TRAPPED BY CIVIL WAR BATTLES. ALL 18 AMERICANS IN THE REBEL-HELD TOWN REPORTEDLY ARE SAFE.

SOURCES IN CONTACT WITH THE MISSION SAID THERE HAD BEEN NO FIGHTING IN TAUNGGYI SINCE THE DIPLOMATS ARRIVED THERE ON SATURDAY.

BURMESE PRESS REPORTS SAID, HOWEVER, HEAVY FIGHTING WAS IN PROGRESS YESTERDAY IN LASHIO, ONE-TIME WESTERN TERMINUS OF THE OLD BURMA ROAD TO CHINA.

THE DIPLOMATS LEFT TAUNGGYI LAST NIGHT EN ROUTE BACK TO RANGOON.

THE KARENS ARE ONE OF SEVERAL TRIBAL GROUPS IN THE BURMA UNION. THEY WANT A SEPARATE STATE. MACHINS ARE A TRIBAL GROUP FROM BURMA'S FAR NORTH.

SENATORS WHO ASKED NOT TO BE QUOTED BY NAME SAID THE TRUMAN ADMINISTRATION HAS ESTIMATED THAT A TOTAL OF $155,000,000 WOULD BE USED TO STIMULATE ARMS PRODUCTION ABROAD, INCLUDING $36,000,000 FOR RETOOLING ARMS PLANTS.

COMMITTEE MEMBERS SAID THE $155,000,000 INCLUDES APPROXIMATELY $7,000,000 FOR STEEL, $16,000,000 FOR COPPER, $7,000,000 FOR ALUMINUM, $55,000,000 FOR OTHER MATERIALS, $12,000,000 FOR PACKING AND SHIPPING, AND $14,000,000 FOR "COMPENSATION FOR LOSS OF DOLLAR EARNINGS." THE LAST ITEM WAS NOT EXPLAINED.

THE FIGURES ARE ROUND NUMBERS AND DO NOT ADD UP TO THE FULL $155,000,000.

CONNALLY SAID THE COMPROMISE DOES NOT TOUCH ON THE CONTROVERSIAL SUBJECT OF ARMS FOR NON-COMMUNIST CHINA. SENATOR KNOWLAND (R-CALIF) HAS DEMANDED THAT AID TO CHINA BE MADE A PART OF THE PROGRAM.

HOWEVER, SECRETARY OF STATE ACHESON HAS TOLD CONGRESS THAT THE ADMINISTRATION DOES NOT FEEL JUSTIFIED IN ASKING MORE ARMS FOR CHINA. ACHESON SAID A FUND AVAILABLE FOR USE IN NON-COMMUNIST SECTIONS OF THE FAR EAST AT THE PRESIDENT'S DISCRETION WOULD BE HELPFUL.

SENATORS SAID THE CONNALLY PROPOSAL APPEARS TO BE AIMED PRIMARILY AT WINNING AGREEMENT FROM SENATORS VANDENBERG AND DULLES (R-NY) AND SUPPORTERS OF THEIR DEMANDS THAT THE ARMS PROGRAM BE HEAVILY TRIMMED.

VAUGHAN SAID THEY HAD "ORDINARY FRIENDLY RELATIONS."

HE SAID HE WAS SURPRISED WHEN HE LEARNED THAT MAJ.GEN.ALDEN WAITT, NOW SUSPENDED AS CHIEF OF THE CHEMICAL CORPS, HAD USED HUNT'S OFFICE IN WHICH TO WRITE MEMORANDA THAT VAUGHAN WANTED.

THESE WERE THE MEMOS IN WHICH WAITT FOUND SOMETHING WRONG IN EACH OF THE SEVEN MEN WHO MIGHT BE PICKED TO SUCCEED HIM.

THESE WERE THE MEMOS IN WHICH WAITT FOUND SOMETHING WRONG IN EACH OF THE SEVEN MEN WHO MIGHT BE PICKED TO SUCCEED HIM.

VAUGHAN SAID HE NEEDED THE INFORMATION, TO HELP MR.TRUMAN MAKE A DECISION WHEN THE TIME CAME TO CHOOSE WAITT'S SUCCESSOR. BUT--

"IT NEVER OCCURRED TO ME THAT WAITT WOULD WRITE ANY PLACE EXCEPT IN HIS OFFICE OR IN HIS OWN HOME."

THE INVESTIGATIONS SUBCOMMITTEE IS LOOKING INTO THE ACTIVITIES OF FIVE PERCENTERS, MEN WHO TRY TO GET GOVERNMENT CONTRACTS FOR BUSINESS MEN IN RETURN FOR A FEE.

IT ESPECIALLY WANTS TO KNOW WHAT INFLUENCE, IF ANY, THESE MEN HAVE ON GOVERNMENT OFFICIALS.

THE COMMITTEE LEARNED THAT THERE REALLY ARE THREE GENERAL VAUGHANS.

THERE IS THE GENERAL VAUGHAN WHO IS ARMY AIDE. HE SHOWS UP AT CORNERSTONE LAYINGS AND OTHER PUBLIC FUNCTIONS.

THERE IS THE GENERAL VAUGHAN WHO IS COORDINATOR OF VETERANS' AFFAIRS. HE TRIES TO GET THE VARIOUS AGENCIES INTERESTED IN VETERANS' AFFAIRS TO WORK HARMONIOUSLY.

AND THERE IS THE GENERAL VAUGHAN WHO PERFORMS "OTHER ADMINISTRATIVE FUNCTIONS."

IT WAS IN THIS CAPACITY, VAUGHAN SAID, THAT HE TRIED TO ASSIST PEOPLE WHO WANTED TO DO BUSINESS WITH THE GOVERNMENT. THIS IS THE JOB, TOO, THAT MOST INTERESTED THE COMMITTEE.

VAUGHAN SAID THAT WHILE MR.TRUMAN DIDN'T KEEP UP WITH THE DETAILS, THE PRESIDENT DID KNOW THAT VAUGHAN WAS TRYING TO AID BUSINESS MEN.

"I WAS PERFORMING ACCORDING TO INSTRUCTIONS GIVEN ME BEFORE," HE SAID OF HIS ACTIVITIES. HE SAID MR.TRUMAN WOULD BE THE FIRST TO TELL HIM IF HE DIDN'T LIKE THE WAY HE WAS DOING HIS JOB.

AT ONE POINT, SENATOR MCCARTHY (R-WIS) ASKED:

"I WANT TO ASK YOU A QUESTION, MR.VAUGHAN, AND I WISH YOU WOULD GIVE IT CONSIDERABLE THOUGHT BEFORE YOU ANSWER: WILL YOU TELL US WHETHER OR NOT MARAGON AT ANY TIME GAVE YOU MONEY THAT HE CLAIMED WAS FROM FRANKIE COSTELLO?"

"WHO?" SAID VAUGHAN.

THERE WAS CONSIDERABLE JOCKEYING BACK AND FORTH BEFORE VAUGHAN BROKE IN WITH: "OH, THE NEW YORK GANGSTER?"

HE SAID, NO, MARAGON NEVER AT ANY TIME MENTIONED THAT HE GOT ANY CAMPAIGN FUNDS FROM FRANKIE COSTELLO.

MCCARTHY POINTED OUT THAT VAUGHAN HAD WRITTEN A LETTER OF RECOMMENDATION FOR MARAGON, TO HELP HIM LAND A JOB WITH AN AMERICAN MISSION TO GREECE.

HE WANTED TO KNOW IF VAUGHAN HAD KNOWN THAT MARAGON ONCE TRIED TO DECLARE EXPENSIVE PERFUME AS CHAMPAGNE WHEN HE RETURNED FROM A EUROPEAN TRIP.

A7WX.

A73WX.

VAUGHAN SAID, YES, MARAGON HAD TOLD HIM ABOUT IT, MAYBE A YEAR LATER. "HE TOLD ME IT WAS ALL FIXED UP, AND CUSTOMS WAS SATISFIED," VAUGHAN SAID.

MCCARTHY WANTED TO KNOW IF VAUGHAN HAD CHECKED WITH THE JUSTICE DEPARTMENT ON MARAGON'S RECORD BEFORE HE RECOMMENDED HIM.

"NO, SIR," HE SAID.

MCCARTHY TRIED REPEATEDLY--AND FAILED--TO GET VAUGHAN TO ADMIT HE MADE A SERIOUS MISTAKE IN RECOMMENDING MARAGON.

AT LAST MCCARTHY SAID:

"HAS IT BEEN PROVEN TO YOUR SATISFACTION, GENERAL, THAT YOU SHOULD NOT HAVE RECOMMENDED MARAGON FOR THIS JOB?"

"NO, SIR," REPLIED VAUGHAN, "IT HAS NOT."

"AS OF TODAY YOU WOULD STILL RECOMMEND HIM?"

"UNLESS I KNEW SOMETHING TO THE CONTRARY," SAID VAUGHAN.

IN CONNECTION WITH THE TANFORAN RACE TRACK, MCCARTHY ASKED:

"DO YOU NOW THINK IT WAS PROPER TO INTERCEDE FOR THESE TRACK OWNERS AND DIVERT SCARCE BUILDING MATERIAL TO THE CONSTRUCTION OF A RACE TRACK?"

VAUGHAN: "IF MR.HELIS CAME TO ME TOMORROW AND ASKED ME TO MAKE AN APPOINTMENT FOR SOMEBODY THAT HE WOULD VOUCH FOR, AND I HAD EVERY CONFIDENCE THAT THE GOVERNMENT OFFICIAL WHO WAS GOING TO CONSIDER THIS MATTER WAS COMPETENT AND ABLE TO JUDGE, AT LEAST AS TO HIS OWN BUSINESS, I CERTAINLY WOULD MAKE THE APPOINTMENT. IT WOULD BE THE COURTEOUS THING TO DO."

A MOMENT LATER, MCCARTHY WAS HAMMERING AWAY ON THE SAME POINT.

"DO YOU THINK THAT YOUR INTERCESSION ON BEHALF OF THE RACE TRACK OWNERS WAS PROPER?" HE ASKED. "IN OTHER WORDS, WOULD YOU DO IT OVER AGAIN TODAY?"

"YES," SAID VAUGHAN. "I DON'T CONCEDE I WENT TO ANY IMPROPER LENGTHS."

VAUGHAN SAID PEOPLE ALWAYS ARE WRITING OR PHONING THE WHITE HOUSE, SEEKING HELP.

THAT MAY BE ONE REASON, HE SAID, WHY HE HAD TROUBLE RECALLING THE MOLASSES INCIDENT.

HE SAID HE DOESN'T EVEN REMEMBER THAT HE EVER HEARD OF THE COMPANY, BUT SAID THAT HE HAD MADE "HUNDREDS OF SUCH ROUTINE CALLS" FOR PEOPLE WHO WANTED HELP.

A74WX.

VAUGHAN SAID HE WAS SURE HE HADN'T SAID, "WE DEMOCRATS MUST STICK TOGETHER." HE SAID HE USED THE PHRASE OFTEN, BUT THAT HE WOULDN'T USE IT WITH HATHORN BECAUSE HE WOULD HAVE NO WAY OF KNOWING WHAT HATHORN'S POLITICS WERE.

AS FOR THREATS--

"I MUST AND DO DENY THAT I MADE ANY THREATS TO HIM."

IN ANSWER TO A QUESTION, VAUGHAN SAID, NO, HE COULDN'T THINK OF ANY REASON WHY HATHORN WOULD THINK UP A STORY SIMPLY TO MALIGN HIM.

VAUGHAN ALSO SAID THAT THE PENCILLED NOTATION THAT APPEARED ON A LETTER ASKING FOR A PASSPORT FOR MARAGON WAS WRONG. THIS IS THE NOTATION THAT SAID THAT VAUGHAN HAD SAID MR.TRUMAN PERSONAL

TATION THAT SAID THAT VAUGHAN HAD SAID MR.TRUMAN WAS "PERSONALLY INTERESTED" IN A TRIP MARAGON WANTED TO MAKE TO ITALY FOR THE PERFUME COMPANY.

"THE PRESIDENT NEVER HEARD OF THIS," VAUGHAN SAID. "THE PRESIDENT WAS NOT INTERESTED IN ANY TRIP THAT JOHN MARAGON WOULD TAKE OR, IN FACT, THE PRESIDENT WASN'T INTERESTED IN ANY DETAIL OF MARAGON'S BUSINESS OR LIFE OR ANYTHING."

"DID HE KNOW ANYTHING ABOUT IT?" ASKED SENATOR O'CONOR.

"OH, NO," SAID VAUGHAN, "HE KNEW NOTHING ABOUT IT."

AT STILL ANOTHER TIME MCCARTHY WONDERED IF VAUGHAN HAD CHECKED ON

KELSO, WASH., AUG. 30-(AP)-LIBBY ALDRICH, COMELY 19-YEAR-OLD MISS WASHINGTON, IS SINGING TONIGHT FOR THE CLOTHES ON HER SHAPELY BACK.

THE CLOTHES, THAT IS, WITH WHICH SHE HOPES TO ADORN HERSELF WHEN AND IF SHE HITS BOARDWALK AT ATLANTIC CITY'S MISS AMERICA PAGEANT NEXT MONTH.

LIBBY, THE DAUGHTER OF A LOGGER, WAS SELECTED AS MISS WASHINGTON AT A FINANCIALLY FROSTY STATE PAGEANT STAGED IN SEATTLE IN LATE MAY.

SHE CONTENDS THE PAGEANT PROMOTERS TOLD HER THEY WOULD PROVIDE A $5,000 WARDROBE AND ROUND-TRIP TRANSPORTATION FOR HERSELF AND A CHAPERONE.

HER DILEMMA STIRRED UP A FIRST CLASS DISPUTE BETWEEN THE BIG-CITY SEATTLE PROMOTERS AND THE LITTLE-CITY KELSO CHAMBER OF COMMERCE.

SO TONIGHT THE CHAMBER IS THROWING A BIG FUNCTION AT WHICH LIBBY IS SCHEDULED TO SING AND AT WHICH SECRETARY JIM BOLIN OF THE CHAMBER HOPES THE NECESSARY $1,800 WILL BE RAISED SO LIBBY CAN GO TO ATLANTIC CITY IN THE MANNER TO WHICH KELSO THINKS SHE SHOULD BE ACCUSTOMED. AND COSTUMED.

MEANWHILE A SEATTLE BUSINESS MAN, C. F. LLOYD-YOUNG, REPORTEDLY WAS HOLDING A MEETING THERE TO DECIDE WHAT'S TO BE DONE. LLOYD-YOUNG HAS SAID HE POURED $6,000 INTO THE PAGEANT PROGRAM ALTHOUGH NOT LEGALLY BOUND TO DO SO, BECAUSE "SOMEBODY IN SEATTLE SHOULD GET BEHIND THIS SORT OF THING."

THE DRAIN ON THE LLOYD-YOUNG WALLET STARTED WHEN THE PAGEANT FLOPPED FINANCIALLY. HE SAID HE WAS WILLING TO PAY LIBBY'S TRANSPORTATION, BUT THAT ATLANTIC CITY HAD TOLD HIM NO CHAPERONE WAS REQUIRED ENROUTE AND THAT ONE WOULD BE PROVIDED AFTER SHE GOT THERE.

HE ALSO PUT UP AN UNDISCLOSED AMOUNT FOR WARDROBE, BUT KELSONIANS AND LIBBY TOOK A DIM VIEW OF IT AS BEING LACKING IN THE NECESSARY CHIC, KLAN, ECLAT AND ETC.

LLOYD-YOUNG WAS SECRETIVE ABOUT THE MEETING INSEATTLE, BUT IT APPEARED A JURISDICTIONAL DISPUTE WAS ABOUT TO FLARE.

THE STATE PAGEANT PEOPLE SAID IT WAS THEIR BABY, AND THAT WENT FOR LIBBY TOO, AND KELSO WAS BEHAVING LIKE AN UPSTART. KELSO CONSIDERS THAT SEATTLE BOOTED THE BALL AND THAT IT'S UP TO KELSO TO MAKE GOOD ON THE PROMISES TO LIBBY SO SHE CAN MAKE A GOOD SHOWING IN THE EAST.

SO TONIGHT LIBBY IS SINGING.

THE RALLY WS CALLED TO PROTEST THE RIOT WHICH OCCURRED BETWEEN PERSONS GATHERED TO ATTEND A ROBESON OUTDOOR CONCERT AND AMERICAN LEGIONNAIRES AND OTHER VETERANS' GROUPS MARCHING TO PROTEST THE CONCERT.

"I WANT TO WARN THE LEGION THAT I HAVE BEEN TO MEMPHIS, TENN., AND FLORIDA," THE NEGRO SINGER TOLD TONIGHT'S RALLY. "AND I'LL BE IN PEEKSKILL AGAIN."

REFERRING TO THE ATTENDANCE AT THE RALLY--2,000 IN THE HALL AND 1,00 MORE OUTSIDE--ROBESON SAID:

"THEY'VE GOT THEIR ANSWER HERE TONIGHT. I DON'T SEE ANY LEGION HERE TONIGHT.

"WE'LL HAVE OUR MEETINGS AND OUR CONCERTS ALL OVER THE UNITED STATES. THE SURE WAY TO GET POLICE PROTECTION IS TO MAKE IT CLEAR WE WILL PROTECT OURSELVES."

CITY COUNCILMAN BENJAMIN DAVIS, A NEGRO, ONE OF THE 11 COMMUNIST LEADERS NOW ON TRIAL, SAID OF THE PEEKSKILL RIOT:

"IF ADVOCATING DEFEAT OF THIS FASCIST VIOLENCE IS OVERTHROWING GOVERNMENT, THEN, BY GOD, THE GOVERNMENT IS GOING TO BE OVERTHROWN."

THE COMMUNIST LEADERS ARE CHARGED WITH ADVOCATING VIOLENT OVERTHROW OF THE U.S. GOVERNMENT.

REP.VITO MARCANTONIO (ALP-NY) TOLD THE RALLY THE RESPONSIBILITY FOR THE RIOT RESTS "ON THE SUPREME COURT" AND ON FORMER ATTORNEY GENERAL TOM CLARK, RECENTLY APPOINTED SUPREME COURT JUSTICE.

CLARK ISSUED THE "SUBVERSIVE" LIST WHICH INCLUDED THE CIVIL RIGHTS CONGRESS, WHICH SPONSORED THE PEEKSKILL CONCERT.

REFERRING TO GOV.THOMAS E.DEWEY'S ORDER THAT COUNTY OFFICIALS INVESTIGATE THE RIOT, MARCANTONIO SAID:

"IT CAME WITH ILL GRACE THAT THE GOVERNOR ASKED THAT AN INVESTIGATION BE CONDUCTED BY MEN WHO ARE PREPARED TO WHITEWASH THE WHOLE INCIDENT AND SHIFT THE RESPONSIBILITY TO THE INNOCENT."

GOV.THOMAS E.DEWEY HAS ASKED A REPORT FROM THE COUNTY OFFICIALS.

JOINING IN TONIGHT'S PROTEST WAS CHARLES LEVY, EXECUTIVE SECRETARY OF THE NATIONAL ASSOCIATION FOR THE ADVANCEMENT OF COLORED PEOPLE, WHO CALLED THE SATURDAY INCIDENT "THE MOST VICIOUS SCANDAL IN THE ANNALS OF NEW YORK STATE."

THE NAACP RECENTLY TOOK ISSUE WITH ROBESON'S STATEMENT, AT A PARIS CONFERENCE, THAT NEGROES WOULD NOT FIGHT IN A WAR AGAINST RUSSIA.

THE NAACP OFFICIALS SAID THE SINGER DID NOT REPRESENT THE AMERICAN NEGRO PEOPLE'S THINKING.

BUT LEVY DECLARED TONIGHT THAT "WHAT HAPPENED AT PEEKSKILL CAN HAPPEN AT ANY MEETING--RELIGIOUS OR CIVIL--IF RIGHT-MINDED PEOPLE DO NOT PROTEST."

NOVELIST HOWARD FAST TOLD TONIGHT'S RALLY THAT THE RIOT, IN WHICH HE WAS INVOLVED, WAS FOMENTED DELIBERATELY BY COUNTY OFFICIALS, AND THAT THE VETERANS INVOLVED "SET OUT TO LYNCH ONE MAN."

THE NEW YORK STATE COUNCIL OF THE ARTS, SCIENCES AND PROFESSIONS SAID OLIN DOWNES, NEW YORK TIMES MUSIC CRITIC, AND MILLARD LAMPELL, NOVELIST AND DRAMATIST, WILL SPEAK AT A MIDNIGHT RALLY HERE THURSDAY TO PROTEST THE RIOT.

LAKE SUCCESS, AUG. 30-(AP)-A SHARP WARNING TO UNDERDEVELOPED COUNTRIES THAT UNCLE SAM IS NOT GIVING HANDOUTS JUST FOR FUN STARTLED A UNITED NATIONS CONFERENCE YESTERDAY. IT WAS THE BLUNTEST TALK ON PRESIDENT TRUMAN'S PROGRAM FOR AIDING UNDEVELOPED AREAS YET HEARD AT THE U.N.

JOHN ABBINK, A CONSULTANT ON THE FOREIGN TECHNICAL ASSISTANCE PROGRAM WITH THE UNITED STATES MISSION TO THE U.N., CALLED FOR SENSIBLE PLANNING. HE SAID ONE FOREIGN BUSINESSMAN, NOT NAMED, WAS "STUPID" FOR EXPECTING THE UNITED STATES TO BUY ANY PRODUCTS LEFT OVER FROM A PROPOSED AMERICAN-BUILT INDUSTRIALIZATION SCHEME.

ABBINK SPOKE AT A GENERAL MEETING OF THE U.N. SCIENTIFIC CONFERENCE ON THE CONSERVATION AND UTILIZATION OF RESOURCES. THIS CONFERENCE HAS HEARD MANY SPEAKERS TALK ABOUT THE UNDERDEVELOPED COUNTRIES AND THERE HAS BEEN CONSIDERABLE TALK IN THE U.N. CORRIDORS ABOUT WHAT THESE AREAS CAN EXPECT FROM UNCLE SAM IN THE WAY OF CASH.

ABBINK SAID HE WAS STARTLED AT A HAVANA TRADE CONFERENCE TO HEAR ONE DELEGATE ASSERT THE U.S. MIGHT ASSIST THE REST OF THE WORLD TO ATTAIN ECONOMIC EQUALITY BEFORE PLANNING TO FURTHER ITS OWN MATERIAL PROGRESS.

HE SAID THIS DOCTRINE OF ECONOMIC DEVELOPMENT HAS BEEN EXPLODED MANY TIMES IN MANY COUNTRIES "AND IS EVEN NOW BEING BITTERLY DISPROVEN IN UNHAPPY BRITAIN."

"THE MOST DIFFICULT SINGLE PROBLEM WHICH FACES LEADERS IN UNDERDEVELOPED COUNTRIES IS THAT OF CONVINCING THEIR PEOPLES THAT ECONOMIC PROGRESS COMES FROM WITHIN: THAT IT CANNOT BE IMPOSED FROM WITHOUT, OR EVEN GREATLY ADVANCED UNLESS THERE EXISTS A WIDE-SPREAD DESIRE FOR NATIONAL IMPROVEMENT SO STRONG THAT THE NECESSARY TEMPORARY SACRIFICES WILL SEEM WORTH WHILE TO ALL WHO WILL BE AFFECTED," ABBINK SAID.

BUT, HE SAID, FEW OF THE COUNTRIES ARE READY FOR THE DEGREE OF INDUSTRIALIZATION TO WHICH THEY SEEM TO ASPIRE.

HE SAID PRESIDENT TRUMAN'S PROGRAM, IN WHICH THE PRESIDENT CALLED FOR HELP FOR THE UNDERDEVELOPED AREAS, WAS WIDELY HAILED BECAUSE IT CONTAINED A REFERENCE TO FINANCING.

"ACTUALLY IT STRESSED MUCH MORE EMPHATICALLY THE NEED FOR PLANNING SUCH AS I HAVE SUGGESTED HERE," HE SAID. "THE PEOPLE OF THE UNITED STATES HAVE PROVEN THAT THEY ARE WILLING TO HELP TO THE LIMIT OF THEIR ABILITIES, BUT THEY WILL BE LITTLE INCLINED TO PROVIDE FUNDS MERELY BECAUSE SOME COUNTRY WANTS THEM. THERE IS TOO GREAT NEED AT HOME FOR CAPITAL."

THE CONFERENCE CONTINUES TODAY WITH SECTION MEETINGS ON MINERALS, FUELS AND ENERGY, WATER, AND LAND AND A GENERAL MEETING ON EDUCATION FOR CONSERVATION.

LABORITE FREDERICK LEE WAS REPORTED BY AN INFORMED SOURCE TO BE LEADING OPPOSITION TO COMMITTEE ACTION. IT WAS NOT KNOWN IF DAVID ECCLES, CONSERVATIVE, AGREED WITH LEE.

BELGIUM'S ROGER MOTZ WAS SAID TO BE URGING A DEFINITE COMMITTEE STAND IN FAVOR OF FREE CONVERTIBILITY OF CURRENCY. THE COMMITTEE HAS BEFORE IT PROPOSALS FOR FREE CONVERTIBILITY FOR A SINGLE EUROPEAN BANK AND A EUROPEAN FEDERAL RESERVE BANKING CHAIN AND EVEN FOR A SINGLE EUROPEAN CURRENCY.

Belgrade Calm; Troop Moves Unconfirmed

Belgrade, Yugoslavi Aug. 31 (AP)—Spreading rumors of Soviet Army troop concentrations near Yugoslavia's frontier attended speculation today over the new Russian denunciation of Premier Marshal Tito.

[Diplomatic officials in London said British and United States restrictions on the sales of military equipment to Yugoslavia may be eased to bolster Tito's regime.]

Officially there was no confirmation of troop movements nor of talk that Yugoslavia may seek United Nations intervention in her blossoming dispute with Russia.

No Concern Shown

But it should be emphasized that the Yugoslavs themselves are showing no concern over the possibility that the propaganda and economic struggle between this country and her Communist neighbors will turn into a shooting war.

There was no immediate Yugoslav response to the Soviet note, announced yesterday, blasting the Tito Government as an ally of the Western powers.

In the current temperate weather, the hottest places to pick up headlines about crises are a few legations which claim inside knowledge of the situation but decline to disclose the source of their information.

Showdown Not Expected

By contrast, the United States Embassy was taking things calmly and showing scant signs of anticipating a showdown now in the Yugoslav-Russian dispute.

One of the top United States diplomats here is planning a vacation within a few days. The acting military attaché had workmen busy on plans for repairs to his rented house.

American Steel Company representatives, who usually have an ear to the ground for rumors of trouble, pressed long-range projects for development of Yugoslavia's raw ore resources.

Troops Not Called In

While Tito troops remain alert, there was little public sign they are expecting war. In the Adriatic resort of Dubrovnik, for example, there were a number of army officers on vacation while the rumors were flying ten days ago.

If a genuine crisis was anticipated, they would have been recalled to their posts just as they were in June, 1948, after the Moscow-directed Cominform (Communist International Information Bureau) expelled Tito for being too independent. AP

YUGOS HIT REDS' PRESSURE TACTICS

Charge Russians Use Force to Place Nation in Subdued Position

BELGRADE, Yugoslavia, (Thursday), Sept. 1. — (AP) Yugoslavia accused Russia today of using force to place this country in an "unequal and subdued position."

The charge was made in an editorial in the communist newspaper Borba, official voice of the government of Premier Marshal Tito. The editorial was released by the Ministry of Information in advance of publication.

It came amid a flood of unconfirmed rumors about Soviet troop movements hard by Yugoslavia's borders. Thus far Yugoslavia has denied officially any "unusual" troop movements on her part, but Tito has cautioned his fighting men to remain on the alert.

The Borba editorial listed a number of charges against Russia and the Soviet-dominated satellite states in the Balkans' cold war of nerves.

They included organization of an economic blockade against Yugoslavia, provocation of border incidents, sending spies into the country and threats against the government.

Borba charged Russia with attempting to "force upon our socialist country controls necessary to bring her into an unequal and subdued position."

This has been the basis of the row between the Russians and the Yugoslavs. Tito has demanded an "equal voice" with Moscow in determining the affairs of communist-ruled countries. So far the demand has been spurned by Russia. AP

Reports of Red Troop Movements On Borders Don't Frighten Yugos

(Secretary of State Dean Acheson says reports of Soviet troop movements on the Yugoslav border appear to be part of a war of nerves. Here is a roundup of the latest developments in that nerve war, based on a survey by Associated Press bureaus in Europe.)

LONDON, Aug. 31—(AP) Newspapers throughout western Europe splurged reports today of Russian troop movements along the borders of Yugoslavia. But British and American diplomatic sources here said they had heard nothing to indicate the reports were anything but rumors.

The reports were that five Russian divisions were grouped in Romania and Hungary near the Balkan nation which Moscow has labelled an enemy of the Soviet Union.

There was nothing official in Belgrade on the reports. The people in the Yugoslav capital apparently were taking calmly the possibility of a shooting war with the communist countries.

Yugos Issue Statement

The Yugoslavs themselves contributed an official announcement amidst the flood of rumors. They denied reports that Tito is concentrating his troops in Macedonia (southern Yugoslavia).

A feeling of confidence was reported by Joza Vilfan, the UN representative for Yugoslavia. Vilfan, en route to Lake Success after two weeks in Belgrade, was asked by London newsmen how he felt about Soviet threats against Yugoslavia.

"There is always a feeling of confidence in Yugoslavia," he said.

He said his visit to Belgrade had no political significance.

The reports of troop movements followed a flood of bitter notes between the two one-time allies. The notes complained of treachery and bad faith.

In Washington Secretary of State Dean Acheson, referring to the rumors, said the reports of troop movements appeared to be part of a war of nerves. They are taking place, he added, with a sort of calculated publicity.

Queries from London to news correspondents in Bucharest and Sofia concerning the Soviet troop reports had brought no response tonight.

U. S. Sources Confident

American diplomatic sources in London said they had seen nothing to indicate any concentration of Soviet armed forces along the Yugoslav borders.

A spokesman said the British foreign office also had nothing to show there were any Soviet troop movements in Romania and Hungary.

United States Army circles in Vienna were skeptical of the reports of Red army troop movements near the Yugoslav border. While there was no official comment, qualified Army sources were inclined to believe the reports originated with the Russians themselves.

These informants said the Soviet purpose probably was to increase pressure in the Kremlin's war of nerves with Tito.

Austrian security officials reported there had been no sign of any unusual Soviet troop movements in their occupied country.

Some British officials said the government of Premier Marshal Tito had been asked whether it planned to accuse Russia before the United Nations Security Council of threatening the peace of the world.

These officials said presumably Yugoslavia has been asked to pass along any proof of rumors of Red Army movements. AP

Rumors Hit Stocks

London, Aug. 31 (AP)—Rumors of Russian troop movements on the Yugoslav border gave the London Stock Market the jitters today.

Although the reports were not confirmed by any official source, British Government bonds and industrial shares both skidded.

Some Government issues declined as much as 10 shillings ($2).

Cripps, Bevin, 13 Aides Sail For Dollar Talks

Southampton, England, Aug. 31 (AP)—Sir Stafford Cripps, Chancellor of the Exchequer, and Foreign Secretary Bevin sailed on the Mauretania today for their dollar talks in Washington.

Bevin told reporters it is "probably one of the most important missions in history."

"Unless we can find the right answer to the financial and economic problems," he said, "we shall not have laid a sound foundation for the future peace of the world."

Hopes For Co-Operation

He said he welcomed President Truman's speech in Philadelphia Monday promising to help Britain grapple with her economic problems.

"They won't be solved by talking at each other," Bevin said. "They will be solved by talking with one another."

With Bevin and Cripps are thirteen aides and experts—six from the Treasury and seven from the Foreign Office.

In the party is Sir Edwin Plowden, chairman of the Government's economic planning board. He also is chief planning officer of the Treasury.

Bringing 20,000-Word Brief

The two Cabinet members carry a 20,000-word brief—the case for the British-banked sterling area—which they will present to United States and Canadian officials at the conference starting September 7.

Bevin, whose health was poor earlier in the summer, told newsmen:

"I am feeling very good indeed. I am just off for five weeks' hard work; that is all."

The brief carried by the two Ministers has been approved by Prime Minister Attlee and his Cabinet.

Likely Proposals Listed

It is said to propose in broad terms that:

1. Britain will cut Government spending, try to increase factory output without raising export prices and make a more aggressive bid for American customers.

2. Britain will ask that America lower tariff barriers and guarantee the sterling area a market for dollar-earning raw materials—such as rubber and tin—for a fixed period at fixed prices.

3. Formation of an Anglo-American Economic Council. One of its big jobs would be to see that Britain produces the kind of goods which will sell for dollars.

May Ask Common Currency

Bevin also is believed to be nursing a project of his own—some sort of "integration" of the currencies of America and the sterling area.

British newspapers have speculated that he has in mind a common currency for Britain, fellow members of the Commonwealth, the United States and Canada.

The best information is that Cripps is against this. He is said to feel that Britain and the Commonwealth should insist on their economic independence. AP

BRITISH ENVOYS LEAVE FOR MONEY, ECONOMIC TALKS

SOUTHAMPTON, Eng., Aug. 31—(AP)—Britain's dollar mission sailed aboard the Mauretania today for the Anglo-American monetary and economic talks opening Sept. 7 in Washington.

Foreign Secretary Ernest Bevin and Sir Stafford Cripps, chancelor of the exchequer, were waved away by a quayside crowd calling "good luck" and "bring us back some dollars."

Bevin told reporters on shipboard the parleys with United States officials on Britain's financial straits would be historic in importance.

"Unless we can find the right answer to the financial and economic problems we shall not have laid a sound foundation for the future peace of the world," Bevin said.

Cites Truman Speech

Bevin said he welcomed President Truman's American legion speech, made in Philadelphia Monday, promising help for Britain in coping with her economic problems.

"They won't be solved by talking

at each other," Bevin said. "They will be solved by talking with one another."

Although Bevin did not mention it, the single-purpose mission may digress from money matters to secret talks on the Russian-Yugoslav situation.

A report from London diplomatic circles said Britain and the U. S. might relax restrictions on arms shipments to Yugoslavia and Bevin may close the deal with Secretary of State Acheson in Washington.

Review Balkan Situation

Acheson told his weekly news conference he had heard of no such plans—but the money conference would offer the two top diplomats the opportunity to go over the Balkan situation.

Bevin and economic czar Cripps have with them 13 aides and experts and the 20,000-word basis of the plans they will lay before American officials.

Although it has not been made public, authoritative sources said the plan provides that:

1—Britain will cut government spending, try to increase factory production without raising export prices and make a more aggressive bid for dollar customers.

2—Britain will ask in return that America lower tariffs and guarantee the sterling area a market for dollar-earning raw materials—such as rubber and tin—for a fixed period at fixed prices.

3—Formation of an Anglo-American Economic Council. A sort of high command of finance and trade it would see that Britain produces the kinds of goods that will sell for dollars.

JEWISH CONGRESS ALOOF

World Body Backs Neutrality in East-West Conflict

LONDON, Aug. 31 (AP)—The World Jewish Congress, meeting in Paris this week, has decided to keep a neutral position in the conflict between communism and the West, a member of the executive council said today.

The member, Dr. Ricardo Dubrovsky of Argentina, said that the congress declared itself in favor of peace but against getting entangled in political arguments between East and West.

Jewish communities throughout the world, except for those in Communist-dominated countries sent delegations, Dr. Dubrovsky said.

The congress also decided, he reported, to try to solve the problems of many Jews in Western Germany, some of whom want to stay there.

It decided to start an educational program in technical crafts for those European Jews who want to go to Israel.

Dr. Dubrovsky said he came to London yesterday to see Lord Reading, chairman of the Jewish Colonization Association.

Say Greek Rebels Are Seeking Peace

London, Aug. 31 (A. P.).—A Tass dispatch from Sofia said today the Greek rebels have sent a memorandum to the United Nations asking for peace.

The official Soviet news agency gave a press agency in Sofia as its source.

CUT IN U. S. TARIFF URGED IN EUROPE

Strasbourg Committee Asks for Reduction to Help Unite Nations' Economies

STRASBOURG, France, Aug. 31 (AP)—The Economic Committee of the European Consultative Assembly called today for lower United States tariffs to help Europe unite its economies and avoid economic disaster.

The committee also called upon European nations to make their currencies interchangeable. It asked that the twelve member nations combine into one preferential tariff area.

The announcement of the committee decisions was made by former Premier Paul Reynaud of France, Chairman of the Economic Affairs Committee, backstopped by David Eccles, British Conservative party representative on the committee.

The committee report closely followed the main features of a resolution on European economic unity submitted to the committee by members of Winston Churchill's European Movement.

It was announced yesterday that the assembly would begin debating the committee recommendations Friday.

M. Reynaud said the committee had been divided when the report had been voted upon item by item, but that in the end it had adopted the report unanimously. This would mean that the two British Laborite members had given their approval—possibly with the reservation they could submit amendments from the floors of the Assembly.

Vatican Renews Plea For Jerusalem Opening

Vatican City, Aug. 31 (AP)—The Catholic Church today renewed its plea for international control of the entire region of Jerusalem.

The official Vatican radio asked that the United Nations Assembly set up such a control soon.

The radio said internationalization of the area would help avoid future conflicts between Jews and Arabs and would safeguard the Holy places.

REDS STILL SEEK TO RULE GERMANY, HOWLEY ASSERTS

BERLIN, Aug. 31 — (AP) Brig. Gen. Frank L. Howley looked back today at the Russians he dealt with for four years and warned them they would get nowhere with continuing trickery in Germany.

Their persisting aim, he said, is to drive the western powers out and tear Germany apart.

Retiring as U. S. commandant of Berlin and preparing to go home next week, the former Philadelphia advertising executive told 100 allied and German reporters at a news conference:

"They will keep trying tricks and pressure as long as they think they can get away with it.

"My guess is that they won't get away with it and I would advise them not to try."

The lessons Howley learned in trying to do business with the Russians were reviewed at the conference and in his four-year report.

Howley said the United States is not willing to let bygones be bygones and added: "We will not forget the lessons we have learned."

Howley, who rose to general rank out of civilian life, is being succeeded in the Berlin command by Maj.-Gen. Maxwell D. Taylor, former commandant of the U. S. Military Academy at West Point. Howley, who asked to be relieved so he could return to civilian life, has been mentioned as a possible candidate for mayor of Philadelphia.

Addressing himself to the German people, Howley said: "Your city will one day be the capital of a united Germany. I cannot say when that will be because there is no way of predicting when the Russians will stop their pressure to tear the country apart."

Howley said that if the Russians try to strangle Berlin again with a blockade he could not guarantee that the American people would counter it as they did the last one—with an airlift.

He did not reply to a reporter's question: "What other solutions would there be?"

Howley told of western efforts to "get along with our great wartime friend" after his forces got into Soviet-occupied Berlin July 1, 1945, and the worsening of relations from there on.

"Since our arrival in Berlin the impact of western military government policies has been tremendous," he said. Among the accomplishments, he listed school reforms, a city constitution, city-wide elections under four-power supervision, and removal of Nazis from "all levels of public influence."

'More Russ Tricks' In Berlin Seen

Berlin, Aug. 31 (AP)—Brig. Gen. Frank L. Howley predicted today that Russia would try more tricks to oust the western allies from Berlin.

The retiring United States commandant of Berlin told a news conference "they will keep trying tricks and pressure as long as they think they can get away with it."

"My guess is that they won't get away with it and I would advise them not to try."

"We Will Not Forget"

Howley, who published today an 80,000 word report on his four years as American chief in Berlin, said America "is not willing to let bygones be bygones and forget everything that has happened here in the past. We will not forget the lessons we have learned."

At his final news conference before sailing for home next week, Howley paid a long, earnest tribute to the people of Berlin and predicted "your city will one day be the capital of a united Germany. I cannot say when that will be because there is no way of predicting when the Russians will stop their pressure to tear the country apart."

Blamed For Friction

In his own summary to the detailed report of United States occupation in Berlin, Howley blamed Russian efforts to seize the entire city for the friction between the four powers.

REDS REPLACE GUARDS ON GERMAN BORDERS

HAMBURG, Germany, Aug. 31 (AP)—German border guards in the Soviet zone are being replaced by veteran communist-trained police to halt large-scale desertions, western police said today.

They said many Soviet zone guards had fled to the west because they feared being drafted for service in the Balkans.

Russian Flyer Who Fled Returns Voluntarily

Vienna, Austria, Aug. 31 (AP)—Soviet Pilot Anatole Barsov voluntarily returned today to the Red Army from which he fled as a political refugee last October.

In a brief ceremony at the zonal demarcation line, American authories handed him over to a group of Russian officers.

The transfer was made on the bridge linking Linz in the United States zone with Urfahr in the Russian zone. The transfer took place only a few miles from the American airbase where Barsov and two other Russian airmen crash-landed in a twin-engined bomber last October 9.

Chance To Change Mind

Before formally turning Barsov over to the Russians, the Americans gave him a final chance to change his mind. The Russian flyer stuck to the decision he had made July 28, when he told the Soviet Embassy in Washington he "repented" his desertion and wanted to go back to Russia.

Barsov was flown here from the United States on August 24. This morning American Army authorities received instructions from the State Department to return Barsov to the proper Russian authorities.

Planned Over Year

Barsov and his navigator, Piotr Pirogov, flew their bomber from an airbase in the western Ukraine after what they said was more than a year of planning. They were accompanied by a Russian sergeant who was handed back to Soviet authorities at his own request.

The two officers were taken to the United States last February.

In a news conference at Linz after the plane crashed here, Barsov said he was opposed to the Communist ideology although he had been a candidate for party membership. He said all Russian officers must apply for membership or face serious investigation.

No Word From Keyes

Lieut. Gen. Geoffrey Keyes, American high commissioner to Austria, declined to make any statement on the incident.

One army spokesman said today the State Department acted "with more haste than judgment" in authorizing Barsov's release.

The spokesman, who declined to be quoted by name, said his opinion was unofficial but probably general in this headquarters.

Americans Missing

"There are at least three Americans missing in the Russian zone of Austria and at least two Americans missing in the Russian zone of Germany," he said.

"We did not even try to bargain Barsov's return for the return of our own people," he said.

American circles in Vienna speculated on Barsov's probable fate.

It was noted that Russia's latest note to Yugoslavia contained a bitter denunciation of deserters.

"It must be noted that the Soviet people and the Soviet public do not respect deserters," that note to Russia's one-time ally said. "Even less so can they harbor anything resembling love. Furthermore, it is generally known that the Soviet people and the Soviet public despise deserters."

Czech-Austrian Border Open

VIENNA, Aug. 31 (AP)—Officials of the Austrian Ministry of the Interior said tonight that they had no knowledge of reports that Czechoslovakia had closed her border with Austria.

Austrian customs officials at the border station of Haugsdorf said tonight that border traffic between Austria and Czechoslovakia had been normal.

'Repenting' Flyer Put Back In Soviet Custody

Vienna, Aug. 31 (AP)—A Russian air force officer who deserted last year and offered to fight for the United States was handed back to Soviet authorities here today.

He is Lieut. Anatole Barsov, who chose the role of a political refugee and then repented his action after a lengthy visit in the United States.

American Army officials, acting under State Department orders, placed Barsov in Soviet custody this morning only a few miles from the United States airbase where he crash-landed his Russian bomber last October 9.

Barsov, 29, and his navigator, Piotr Pirogov, flew their plane from the western Ukraine after what they said was more than a year of planning. They were taken to the United States last February.

Flew From Ukraine

A Russian sergeant who accompanied them on their escape flight was returned immediately to Soviet authorities at his own request.

An American spokesman here said United States willingness to return Barsov to his homeland was based on two principles: "Freedom of choice of the individual, and honesty of information by the United States Government." ADD

CZECH REDS OPEN NEW SUPPRESSION OF UNDERGROUND

PRAGUE, Czechoslovakia, Aug. 31—(AP) Communist-run Czechoslovakia warned today that all underground activity will be ruthlessly suppressed.

The controlled press issued the warning on the heels of Prague's announcement yesterday that an armed revolt aimed at overthrowing the government had been crushed.

The press also published a rash of new attacks on the western powers. It accused them of supporting and directing the underground in Czechoslovakia.

Theater Jail Terms

Through its press, the communist regime warned that jail terms await any citizen who knows about anti-government plotting and fails to tell police about it promptly.

"We should remember," the newspaper Obrana Lidu said, "that our law No. 35 provides prison terms of one to five years for failure to report such activities."

This paper and the newspaper, Lidova Noviny, accused certain unnamed western diplomats in Prague of promising that "clouds of parachutists" would be sent to support a revolution in Czechoslovakia.

The whole Czech press sought to convince the Czech people that informing on their fellow-citizens, even their friends, was not a shameful practice if state security is involved.

"We must not be sentimental or ashamed about being an informer where the welfare of the State is concerned," Obrana Lidu said.

Six Sentenced to Death

The government's announcement yesterday disclosing the smashing of an armed uprising said six accused persons were sentenced to death. Ten, including three women, got life jail terms, and an unspecified number drew prison sentences ranging from one to 25 years. The others were acquitted.

The government's version said sentences were imposed by the Prague state court. Unofficial but informed sources, however, gave other versions.

These were that there actually were five trials, all secret, conducted over a period of about six weeks. Some reportedly were before state courts, some before military tribunals.

A reliable source reported today what he called another secret trial—that of five former Czech air cadets accused of trying to fly into exile in a stolen plane. One was sentenced to life, three to 30 years each and one to a one-year term.

The informant said seven cadets tried to flee, but their flight ended in a crash just short of the border. The cadets survived the crash, but in a gunfight with pursuing police two were killed. Five escaped but were later hunted down and taken into custody.

Czech Reds Set Ruthless Drive On Underground

Prague, Czechoslovakia, Aug. 31 (AP)—Czechoslovakia's Communist-led Government, through the controlled press, today threatened ruthless suppression to all underground activity.

It warned that prison awaits all persons who knew about anti-government plotting and fail to inform the police promptly.

The press loosed the warning following the Government's announcement yesterday that it had crushed an armed revolt aimed at overthrowing the regime and returning Czechoslovakia to non-Communist rule.

Rash Of Attacks On West

This was accompanied by a rash of new attacks upon the Western powers, who were accused of supporting and directing Czechoslovakia's underground.

The newspapers *Obrana Lidu* and *Lidova Noviny* even accused certain unnamed Western diplomats here of promising that "clouds of parachutists" would be sent to support a revolution in Czechoslovakia.

The Government announcement had said that six of the accused were sentenced to death; ten, including three women, to life imprisonment and an unspecified number to prison terms of one to 25 years. Ten were reported acquitted.

Several Versions Given

According to the Government's account, the sentences were imposed by the Prague state court.

However, unofficial but informed sources gave other versions. These said there were actually five trials—all secret—conducted over a period of about six weeks; some were before state courts and some before military tribunals.

These sources also said that whereas the Government reported only one armed raid on a prison—at Litomerice, north of Prague, on May 12—there were actually two. The second was said to have been staged at a prison at Cheb, in western Bohemia.

Press Hails Informers

The entire press sought to persuade the Czech people that informing on their fellow citizens, even their friends, was not shameful.

Obrana Lidu said: "We must not be sentimental or ashamed about being an informer where the welfare of the state is concerned. Just as we shouldn't hesitate to report to the health authorities an outbreak of cholera in our neighborhood, so we should not hesitate to tell the security police that we know about plans for espionage or revolt.

"And we should remember that our law No. 35 provides prison terms of one to five years for failure to report such activities."

New Russ Blast At Tito Held Of Major Import

Moscow, Aug. 31 (AP)—Russia's latest verbal blast at Marshal Tito was regarded by foreign diplomats here today as of major import.

All Moscow papers carried page-long accounts of the note sent Yugoslavia yesterday, which denounced Tito's Government as a deserter from socialism and an ally of the Western powers.

Fireign diplomats who interpret developments here for their home governments sharpened their pencils and began interpreting all over again.

Troop Movement Reported

This dispatch, which passed through Soviet censorship, gave no indication as to what changes in Russian policy—if any—may be indicated. There have been unconfirmed rumors in Belgrade of Soviet Army troop movements in Hungary and Romania near the Yugoslav border.

Representatives of Russia and six other Communist countries of Eastern Europe—all opposed to Tito—met last week in Sofia. The Moscow radio described the meeting as a conference of the Economic Council of Mutual Assistance (E.C.M.A.) and reported that "necessary decisions" had been taken.

Double Cross Denied

The latest Russian note denied Yugoslav charges that the Soviet Unon had double-crossed Yugoslavia by abandoning Tito's claims to a section of southern Austria. In caustic terms, it accused Tito himself of giving up his Austrian claims and trying to put the blame on Russia.

Under a cartoon captioned "One More Fascist Groveler," the trade-union organ *Trud* pictured Tito as a hog gulping dollars out of a Wall Street swill trough. Ranged alongside Tito in the cartoon were Spanish Generalissimo Franco and Greek Foreign Minister Constantin Tsaldaris.

Moscow newspapers published the Soviet note without editorial comment.

"But," one observer commented, "is any editorial necessary?"

CZECHS IN MOSCOW

MOSCOW, Aug. 31—(AP) A Czech trade delegation arrived today for detailed talks on exchanges of Czech manufactured goods for Russian raw materials, including iron ore and synthetic rubber.

Envoys In Nanking Called Home, Report Says

Nanking, Aug. 31 (AP)—Many foreign diplomats, an authoritative source said, were ordered home today by governments tired of trying to do business with the Communists in this Red-occupied city.

The list, this source said, is headed by French Ambassador Jacques Meyrier, dean of the Nanking diplomatic corps.

Embassies, legations and staffs will be trimmed to consular or caretaker size as soon as transportation becomes available for the diplomats.

Many plan to leave on the American liner General Gordon when it calls at Shanghai next month.

French Ship Due

Meyrier is expected to leave aboard the French ship Marechal Joffre, which is due in Shanghai in mid-October to take out French nationals and other foreigners.

Others leaving Nanking, this source said, are the Dutch Ambassador, Baron F. C. Van Aerssen, Canadian Ambassador T. C. Davis, Siamese Ambassador Phya Abhibal Rajamaitri, British Minister L. H. Lamb and Counselor John Wesley Jones, chief of the American Embassy office in Nanking.

British Ambassador Sir Ralph Stevenson reportedly will remain in Nanking.

May Leave If Canton Falls

The fall of Canton may signal his departure with other Commonwealth ambassadors such as the Indian and Australian.

The American Embassy office is being cut sharply. Its staff will be headed by Leonard L. Bacon, second secretary. The embassy itself is based in the British crown colony of Hong Kong. Staff members commute daily to Canton by air and are expected to go to Chungking if the Nationalist Government flees there from Canton.

United States Ambassador J. Leighton Stuart left here early in August. He is now in Washington.

Stuart and other diplomats remained here when the Nationalists fled to Canton in January in the hope they could come to an understanding with the Reds.

Still Not Recognized

In the months that followed the Communists steadfastly refused to recognize the diplomatic status of the embassies and legations or the diplomats attached to them. The Communists also avoided the customary *de facto* recognition of consular offices.

The question of diplomatic recognition of the Communist regime probably will be raised early this fall when the Reds proclaim a "coalition government" in Peking (Peiping).

The steadily worsening relations between the United States and the Chinese Communists has almost nullified any chance of quick recognition of the Reds by the United States, observers here think.

DIPLOMATS PLAN TO QUIT NANKING

NANKING, (Occupied Communist China), Aug. 31. — (AP) France today reportedly led western governments, weary of trying to do business with Chinese Reds, in recalling many diplomats.

An authoritative source said an order that would result in an exodus of most foreign diplomats when transportation becomes available was received during the day.

French Ambassador Jacques Meyrier, dean of the Diplomatic corps here in the former nationalist capital, reportedly heads the

list.

U. S. Aide to Leave

Others assertedly recalled are Baron F. C. Van Aerssen, the Dutch ambassador; Canadian Ambassador T. C. Davis, Siamese Ambassador Phya Abhibal Rajamaitri, British Minister L. H. Lamb, and U. S. Counsellor John Wesley Jones.

British ambassador Sir Ralph Stevenson likely will remain for the time being.

This source said embassies, legations and staffs would be trimmed sharply, many to the level of consulates and even to the caretaker stage.

Most diplomats are expected to leave on the American liner General Gordon. It is due in Shanghai late this month.

U. S. Staff Cut

The French, this source said, will wait for the transport Marechal Joffre due in Shanghai late in October.

The American embassy staff here is being reduced considerably. Second Secretary Leonard L. Bacon will head the remaining Americans here.

The embassy at present is in the British crown colony of Hong Kong. Staff members commute daily by air to communist-threatened Canton.

U. S. Ambassador J. Leighton Stuart flew back to Washington early this month.

Desertions Cited By Pilot

Nanking (Communist-Occupied China), Aug. 31 (AP)—A Nationalist C-47 transport pilot who deserted to the Communists Thursday, said today many Chinese airmen were contemplating joining the Reds.

The pilot, who flew for the Nationalist Government-owned China National Aviation Corporation, had been assigned to evacuate officials from Canton.

He said he evaded two Nationalist fighter planes on his flight here from Canton.

Pilots' Families Held

The pilot, who was not named in interviews published by pro-Communist newspapers here, said the Nationalists were holding the families of pilots on Formosa to be sure they would not desert during flights over Red territory.

The newspapers Hsin Min Pao said there had been more than twenty cases of air desertions by Nationalist plane crews in the past year. The newspaper said about 300 former Nationalist air-force personel already were registered for duty with the Communist in Shanghai and Nanking.

A group of 291 students, the newspaper added, recently passed entrance examinations to the newly established Communist air training school in Peiping.

Threat To Canton Gains, Pingyun Is Captured

Canton, Aug. 31 (AP)—Chinese Communist irregulars invaded Kwangtung province today. The Red threat to Canton gained force along an arc north of the Nationalist capital eastward to the sea.

Press dispatches said Red irregulars, equipped by Gen. Liu Po-cheng in Communist-held Kiangsi province, had entered northeastern Kwangtung and taken Pingyun, 210 miles northeast of Canton. They were reported moving southward.

Whether this was the same new Red drive the Ministry of National Defense said was threatening Lungchun was not clear. Lungheun is 145 miles from Canton and 65 miles southwest of Pingyun.

Crossing Not Admitted

The ministry did not say whether the threat to Lungchun was by Red regular or irregular troops. Neither did it admit the Kwangtung border had been crossed.

Liu was apparently trying to force the Nationalists to divert part of their strength to northeastern Kwangtung to make full-scale invasion easier for his regular armies.

He has large concentrations in the Kiennan-Lungnan-Tingnan triangle 140 miles north-northeast of Canton. Canton is the Kwantung provincial capital.

Other forces from Liu's armies have overrun Jucheng, 170 miles north of Canton, and pushed on to within 30 miles of the Canton-Hankow railway.

NATIONALIST SHIFT TO CHUNGKING SET

Ex-Capital Is Already Viewed as Administrative Hub, With Canton the Political Base

CANTON, China, Aug. 31 (AP)—Chungking, capital of wartime China, already has become the Government's administrative center, an official spokesman said today.

Canton, the refugee capital, remains the political center and formal seat of government, an official spokesman, Pao Ching-an, told The Associated Press.

The foreign diplomatic corps is awaiting the signal from the foreign office to move to Chungking. Chungking will succeed Canton as the formal capital when the Communists reach this southern city.

Generalissimo Chiang Kai-shek now is in Chungking conferring with Nationalist generals and warlords.

Quiet prevailed on most of the front north and northeast of Canton. Military observers felt this was a lull before the storm of a new Communist offensive.

Communist irregulars, armed by the regular Communist army, were carrying on harassing operations inside Kwantung Province. They now are reported active south of Lungnan, 140 miles northeast of Canton.

It was east of Lungnan that irregulars moved ten miles inside Kwangtung and captured Pingyun. Pingyun is 210 miles northeast of Canton.

Meanwhile, the Executive Yuan (Cabinet) decided to open Anning, in Kwangsi, and Megtze, in Yunnan, to international air traffic. The two southwestern cities are far from the area threatened by the southward advance of the Communists.

The Yuan also appointed Gen. Liang, last Nationalist Mayor of Shanghai, to the position of Vice Minister of National Defense.

PRESIDENT URGES INDIA, PAKISTAN SETTLE DISPUTE

NEW DELHI, Aug. 31 (AP)—President Truman has urged India and Pakistan to make peace in their fight over princely Kashmir state, a Himalayan neighbor of Soviet Asia.

(In Washington, Secretary of State Acheson told reporters the United States has a great interest in the peace and stability of the Indian subcontenent and feels the only benefactors of strife in Asia are the communists. He said it would be a mistake to view the president's move as the first step in a new American policy in Asia and added that the U. S. has been urging a settlement for Kashmir the last two years.)

UN Commission at Work

Mr. Truman's message was delivered by Ambassador Loy Henderson to Prime Minister Jawaharlal Nehru as two representatives of the United Nations Kashmir commission were trying to bring the two dominions into agreement there.

Talks have been practically deadlocked since a cease-fire went into effect last January, and relations between India and Pakistan have worsened in recent weeks.

Official sources refused to disclose the contents of Mr. Truman's message but said he emphasized the importance of international peace and good will. They added the letter made no direct reference to communism in Asia.

Nehru to Visit U. S.

Nehru is scheduled to visit Washington next month.

India and Pakistan have been fighting over posession of Kashmir since Britain's withdrawal from India Aug. 15, 1947, set them up as independent dominions.

The UN commission hopes eventually to supervise a plebiscite to determine whether a majority of the Kashmiri people want to join Moslem Pakistan or Hindu-majority India. Most Kashmiris are Moslems who were ruled by a Hindu Maharajah until he ceded his state to India by imperial authority.

Israelis Ambushed, One Killed

TEL AVIV, Israel, Aug. 31 (AP)—One Israeli soldier was killed, several wounded and two reported missing when an Israeli Army truck was ambushed yesterday, an army spokesman said today. The incident occurred near Gharandal Vadi Araba (Araba Valley) at the midsouthern end of the Dead Sea. The attackers were reported to have escaped across the Israeli border to Hashemite Jordan. It was the first Israel-Jordan violence in several months.

AUSTRALIA MAY BUY SOVIET OIL

Sydney, Aug. 31 (A. P.).—Government men in Canberra are examining an application by electronic Industries, Limited, of Melbourne, to import Russian petrol.

Indications in Canberra are that if Russian petrol shipments are small they will be accepted without question. If a large quantity is involved, Australia will consult the British Treasury.

A. G. Warner, managing director of Electronic Industries told a reporter that Russian trade officials had offered to supply an unlimited quantity of petrol to his company. Russia is prepared to accept payment in sterling or Australian wool or wheat, Warner said.

Australia faces a grave shortage of petrol because imports today are below the rate consumption. The Federal Government no longer has the power to ration petrol.

Acheson Hits Russia For Holding Students

Washington, Aug. 31 (AP)—Secretary of State Acheson today denounced Russia's holding of two American students in eastern Germany as outrageous, illegal and improper.

Acheson told a news conference the Americans wandered into the Russian zone illegally but said they were doing no harm and should be released promptly.

The students he referred to are Peter Sellers, 18, of Radnor, Pa., and Warren Oelsner, 21, of Oyster Bay, N.Y. They have been missing since July 29.

Didn't Have Credentials

The Secretary acknowledged that the youths did not have credentials permitting them to enter the Russian zone. But, he said, no one accuses them of being spies.

Acheson reminded that the United States does not engage in the practice of holding people who have committed no crimes.

Because of that principle, he said, a hostage for trading purposes a Russian flyer who deserted the Soviet Air Force and then wanted to return to his homeland.

Answer To Spokesman

He made that statement when told by a reporter that an unnamed army spokesman in Vienna had said the State Department acted with more haste than judgment in deciding to let the Russian go back to the Soviet Union.

The flyer, Anatole Barsov, was taken to Austria and turned over today to the Red Army. American authorities in Vienna indicated they would have liked to trade him to the Russians for some half dozen Americans being held by Soviet authorities.

Not U.S. Policy

The United States does not engage in that sort of thing, Acheson said emphatically.

On other matters, Acheson said: Russia is trying to impose impossible burdens on Austria in writing a peace treaty for that country. British-Russian-American discussions on the treaty are now being held in London by the Foreign Ministers' deputies. The negotiations have made some progress, but a big difficulty is that Russia is trying to put impossible burdens on the Austrian Government whereas the Western powers are trying to assure Austria's existence as a free

Comment On Greeks

The Greeks, by their recent Grammos Mountain military victory, appear to be on the road to solving the problem of the Communist guerrilla revolt. He said the Greek Army has made excellent and highly gratifying progress.

Developments on the Yugoslav border appear to be part of a war of nerves, but the United States is keeping a close watch on the situation.

President Truman has asked India and Pakistan to accept proposals by a United Nations commission for a truce in their dispute over the province of Kasmir.

of the war of nerves which has been going on for some time.

As to whether the U. S., Britain and France are "doing anything positive about the Yugoslav situation" he replied that the three ambassadors in Belgrade are continually in consultation but said this did not go beyond what is normal.

The students detained by the Russians are Peter Sellers, 18, Radnor, Pa., and Warren Oelsner, 21, Oyster Bay, New York. They have been missing since July 29. Acheson declared their continued detention by the Russians is illegal, outrageous and improper. He said it is true they had no passports and were improperly in the zone but

Red Threat of Attack on Tito, 'War of Nerves' Acheson Says

WASHINGTON, Aug. 31—(AP) Secretary of State Acheson said today reports that Russia and the Soviet bloc are threatening Yugoslavia with military moves are part of the war of nerves against Marshal Tito.

But he said the United States is watching very closely current developments in the feud between Tito and the Cominform.

At his news conference, Acheson also:

1. Assailed the Russian detention of two American students who strayed into the Soviet occupation zone of Germany.

2. Said Moscow is trying to place impossible burdens on Austria in the treaty the big four powers are trying to draft.

3. Announced that President Truman has appealed directly to India and Pakistan to accept a truce on terms proposed by a United Nations Commission for settlement of their two-year old dispute over the State of Kashmir. Only the communists, he said, profit from turmoil resulting from such disputes as those over the future status of Kashmir and of Indonesia.

Eyes Russian Moves

Acheson was asked whether he would give his views on Yugoslav developments, such as the reported shifting of Soviet armored units toward the frontier. He replied that we are watching those developments very closely and added that some of them appear to be taking place with a sort of calculated publicity. He went on to say that the whole business appears to be part

they are young people who are doing no harm.

Students Not Spies

The secretary said nobody accuses them of being spies and therefore they should have been put over the border into the American zone.

He was commenting on a suggestion by an army spokesman in Vienna that the United States should have used a Russian flier, Lt. Anatole Barsov, as hostage pawn and traded him for release of the Americans. Barsov instead was released voluntarily to the Russians today.

This government, Acheson declared, does not engage in that sort of thing. We do not engage in holding people and trading them off against other people who have also committed no crime, he said.

The negotiations for an Austrian treaty, in progress at London, reach a deadline tomorrow. Without voicing an opinion of whether the long deadlock with Russia over terms might still be broken, Acheson said that the difference between the Soviet position and ours seems to be the difference between putting impossible burdens on Austria and having a treaty under which Austria can develop as an independent country.

President Truman's appeals to India and Pakistan was delivered yesterday by Acheson to the ambassadors of the two countries. The text was not published.

President Is Seeking Easier Entry Of British Goods Into U.S.

Washington, Aug. 31 (AP)—The Administration wants to make it easier for British and other foreign goods to enter the United States so Britain can earn more of the dollars she badly needs.

Government officials who reported this today said Administration attorneys are already drafting legislation to simplify and modernize customs regulations.

The present plan is for President Truman to ask Congress for these changes just as soon as it acts on United States membership in the proposed international trade organization.

Customs Letup Asked

The British Government has requested a change in American customs procedures to encourage British manufacturers to ship their goods to this country.

British officials attending the current British-American-Canadian financial talks are reported to have said present American customs involve more red tape than those of any other nation.

Government officials familiar with the problem agree that simplified customs practices could attract more British exports and thus help Britain in its present economic slump.

Tariff Act In Way

Treasury Department experts who administer customs have been looking into the regulations for the past two years and have already put some changes into effect by Executive order.

However, many other amendments involve changes in the Tariff Act of 1930, the basis for American customs procedures which Congress liberalized somewhat in 1938.

British and American officials agree that customs shakeup would not solve Britain's economic problem, but they say it would help.

Hoffman Backs Move

Paul Hoffman, the Economic Co-Operation Administrator, is reported vigorously supporting the customs project as a possible source of benefit to the Marshall plan countries.

Government officials working on the problem said the revisions they have in mind would be technical, but would make possible swifter and more economical handling of imports.

The British-American-Canadian financial discussions went into their fourth day today with all three sides still examining the reasons for the British crisis. Government officials said there has been good progress but that no decisions have been reached yet.

TREATY COUNCIL TO MEET SEPT. 17

Washington Talks Will Be First Step in Setting Up United Defense

WASHINGTON, Aug. 31—(AP) The State department tonight signalled the first step toward creation of the long-awaited North Atlantic Defense Council to bind together the common defenses of the United States, Canada and 10 western European nations.

The department said it has been agreed that the first session of the General Council established by the North Atlantic Treaty will convene in Washington Sept. 17.

"It is expected that the foreign ministers of all the treaty nations will attend," the brief announcement said.

The agreement marks the first move to build up the actual machinery of the defense alliance and put it into operation.

President Truman formally put the treaty into effect a week ago at a simple White House ceremony.

The State department gave no details as to the General Council's agenda, but it is regarded as certain that top priority will go to these major points:

1. Establishment of a Military Defense Council and selection of a single commander to work out a common defense strategy for the 12 treaty nations.

2. Plans for dividing upwards of $1,000,000,000 in American arms aid which President Truman has asked Congress to approve for western Europe.

Eye Russian Situation

In addition, the foreign ministers are expected to discuss the latest hostile rumblings from Moscow, particularly Russia's angry blasts against Marshal Tito's Yugoslavia.

Specifically, the treaty calls for the signatory nations to "maintain and develop their individual and collective capacity to resist armed attack" through "continuous and effective self-help and mutual aid."

Korea Sees Peril, Asks Speedy Aid

Washington, Aug. 31 (AP)—The Ambassador of Korea appealed to President Truman today for military aid to help meet any possible attack by the Russians.

Declaring that "we are right on the spot," the Ambassador, Dr. John Myun Chang, said an attack on the new republic "appears most likely."

"We need very quick action by the United States," he said after a fifteen-minute conference with Mr. Truman

Arms Needed Quickly

He also said he had conveyed a message from his President requesting arms and ammunition as quickly as possible.

"We feel that there might be some imminent danger of attack from the north and we should be well prepared for it," the Ambassador added. [Communists control northern Korea.]

"We have very high expectations of the passage of the military-aid bill (now pending in the Senate). We want quick action on the part of the United States in supplying us arms and ammunition to the maximum degree of allocation. We feel we are right on the spot and entitled to prime consideration. There is no time to waste."

He said Korea felt that President Truman is "doing his utmost to get all these things done and comply with our request."

GENERAL CLEARED BY FBI IN PROBE OF TAX CASE FIX

Military Aide Stands Firm on Contention He Did Nothing Dishonest

ENDS TESTIMONY

Tells Senators He Did Many Favors But Says None Were Improper

WASHINGTON, Aug. 31 (AP)—Maj. Gen. Harry Vaughan acknowledged today that he got campaign money from a lawyer who sought a presidential pardon for his client, but he vigorously denied that the contribution was in any way a payoff for favors.

The Senate committee looking into Washington's "influence industry" also heard that Vaughan, who is President Truman's Army aide, was once investigated—and cleared—by the FBI.

This investigation was started, it was said, after a rumor had gone around that Vaughan had taken a $10,000 bribe to fix an income tax case.

Though Senator McCarthy (R-Wis) tried his hardest, he got nowhere on his suggestions that the FBI also had investigated Vaughan in connection with a study of the liquor industry.

"Never heard of it," said Vaugh-

an.

Vaughan Ends Testimony

With today's testimony, the Senate investigations subcommittee finished its cross-examination of Vaughan. And although the general spent five questioned-filled hours on the stand, he remained unshaken in his contention:

That he has done favors for many a friend, and many a stranger, but that never has he done anything improper or dishonest.

As for the pardon case, Vaughan said it was this way:

William H. Neblett had come to him to see about a pardon for Robert Gould of Cincinnati. Gould had been convicted of black market liquor dealings and sentenced to six years in the federal penitentiary.

Vaughan said he made an appointment with the Justice department for Neblett. Later, he said, Gould was let out. But Vaughan thought that was a full year later, and that Gould didn't get a presidential pardon, but a parole.

McCarthy said Gould got out late in 1948 or early 1949, and that Neblett made his contribution in the 1948 campaign.

Was there some link? McCarthy wondered.

Denies Any Link

"I don't think that had a thing to do with it, Senator," said Vaughan.

Vaughan said Neblett's contribution didn't amount to much. "I don't think it could have been over a couple of hundred dollars," he said.

At Cincinnati, Gould, who was paroled after serving two years of a six-year sentence for black market whiskey dealings, said he had no knowledge of campaign contributions made by Neblett.

In a prepared statement, Gould said Neblett was one of several attorneys retained for him but "was retained for only a short time, beginning in November 1947, and terminating in March, 1948."

"To my knowledge," Gould said, "the name of Gen. Vaughan or of any other person mentioned in the current Senate inquiry, did not enter into the matters for which Mr. Neblett was retained.

"I have no knowledge whatever of any campaign contributions to any political party made by Mr. Neblett, nor of any of the other matters to which reference has been made in the investigation."

Gould was paroled last December. He had been convicted by a jury in U. S. district court at Covington, Ky., in May 1945. He was fined $240,000 and a similar fine was levied against the Dowling Bros. distillery, in which he was principal stockholder.

The U. S. Supreme court turned down Gould's petition for a rehearing on Oct. 14, 1946, and he went to the Ashland, Ky., reformatory a short time later to begin serving sentence.

The information on the FBI investigation was supplied by Vaughan's assistant, Col. C. J. Mara, an Army man for 32 years.

Attacks Pearson

He said that columnist Drew Pearson had carried on a "vicious campaign" against "my boss."

Ford told him, Mara said, that Vaughan was "completely exonerated." Ford is the top ranking assistant attorney general.

Asked who had brought the charge against Vaughan, Mara said:

"I do not know definitely."

He gave no details on the alleged bribe.

Vaughan was relaxed and easy again today, from time to time turning his head ceiling-ward to emit large gusts of cigar smoke.

But not so with his assistant.

Mara Nervous

Mara was obviously nervous, said "these columns" as if they were naughty words, and, when the committee had finished with him, he turned around and sat for a time with his back directly to the senators.

The committee also heard these other developments:

1. Vaughan once helped a friend get a new car, and 10 days later the car turned up on what Senator McCarthy called the "black market."

Vaughan said that in 1947 Mrs. Morris Cavanaugh of Spring Green, Wis., had called to tell him she needed a new car badly in her lumber business, and would Vaughan help her? Vaughan would.

McCarthy said the car an Oldsmobile, was for sale 10 days later in Iowa for $3,500, although its list price was but $2,300. McCarthy said Mrs. Cavanaugh not only admitted selling the car, but he said she also black-marketed a Buick the same month.

Vaughan said he was surprised to hear it, that when he lived in Milwaukee she had a prospering lumber business, and he couldn't see why she would be reselling cars.

(Although McCarthy used the term black market, there was no law in 1947 against selling automobiles above the list price.)

McCarthy would have pursued the subject farther, but Chairman Hoey (D-NC) persuaded him to drop it.

"I think we're getting into chicken feed now," said Hoey.

2. Vaughan insisted he never collected campaign money, or knew anyone else who collected campaign money, from Frankie Costello, previously identified by the committee as a New York gambler.

Denies Knowing Costello

McCarthy kept insisting that some of the money must have come from Costello, who, he said, was a partner in a liquor business with William Helis.

Helis is a race horse figure from New Orleans who, Vaughan testified yesterday, was an excellent collector of Democratic campaign money.

Vaughan said he didn't know that Helis had Costello for a partner, and that so far as he knew, Costello had never contributed anything to the fund. Furthermore, he said, he didn't know Helis was in the liquor business.

Vaughan said he collected around $12,000 in the 1946 and 1948 campaigns, but he said he took only what someone passed on to him and in turn passed it along to party headquarters.

"I was only a messenger," Vaughan said. "I never solicited funds in my life."

3. Yesterday McCarthy said that he had the feeling all along—and still felt—that Vaughan had never profited personally from the aid he gave to business men.

But today McCarthy said:

"I am going to ask that the last half of that statement be stricken from the record—that part in which I said that still was my opinion."

He did not elaborate.

Abandons Maragon

Although the committee failed to shake Vaughan's main contentions, it did get him to make one switch.

Vaughan finally gave up his old friend John Maragon.

Maragon, previous testimony has shown, bustled around town on errands that dealt with everything from perfume to molasses. And on many of these errands, witnesses said, he left the impression he was speaking for Vaughan.

Only yesterday Vaughan had said that, on the basis of what he had heard so far, he still would recommend Maragon for an American mission to Greece.

Today, after hearing more readbacks from earlier testimony, he changed his mind.

He said Maragon should be "washed up, fumigated."

And when Vaughan was asked if there wasn't some way to keep Maragon out of the White House, he replied:

"It's not only possible, but it's probable."

World War II Anniversary

Washington, Aug. 31 (AP)—Ten years ago tomorrow Germany hurled her armed might against Poland. That act touched off World War II—the bloodiest, most destructive conflict in human history.

For the next six years millions of men fought, with old weapons and new. Air armadas clashed in the skies. Ground troops pushed through shattered ports, ruined cities, deserts, jungles, mountain ranges and frozen arctic wastes. The fighting spread to the far reaches of the world's oceans.

World War II absorbed an older struggle — the Chinese-Japanese war which began with a clash at the Marco Polo bridge outside Peiping on July 7, 1937.

No Estimate Of Suffering

Estimates have been made of what World War II cost in human lives and wealth, but mankind has no instrument to measure the amount of suffering and sorrow it provoked. Economic dislocations of the war have not yet been completely erased.

Military and civilian dead in the war are believed to total 22,060,000. The number of wounded is estimated at 34,400,000.

Total cost of the war has been put at $1,116,991,463,084 and property damage at $230,900,000,000. Those figures do not include the cost and damage of the eight-year war in China, for which no estimates are available.

Big Improvement In Weapons

World War II brought with it a great improvement in the efficiency of old weapons and some new engines of destruction of its own. It also brought revisions in military techniques.

Among the new and improved weapons were atomic bomb, blockbuster bombs, flying bombs, rocket weapons, rapid-firing types of artillery, jet-propelled aircraft and giant bombers.

Complex techniques for moving large ground striking forces by air and for conducting amphibious operations were developed. The airplane, which was used to considerable extent in World War I, became a major weapon in World War II. It added a new dimension to the fighting. The tank also played a key role.

War Innovations Revealed

Some of the innovations of World War II were revealed in the Germans' opening campaign. Hitler's bombers, tanks and motorized units advanced at will against the poorly equipped Polish Army. For the Germans that first dash down the roads toward Warsaw had almost the aspect of a training maneuver. It was history's first *Blitzkrieg* or lightning war.

Thanks in large measure to American industry capacity, it was the Allies and not the Germans and Japanese who had the heavy preponderance of war machines on their side at the end.

V-E day, marking the end of the fighting in Europe, came on May 8, 1945. Japan stopped fighting on August 14 and signed articles of surrender September 2.

The work of repairing the damage still goes on.

SENATORS PRAISE POLISH PEOPLE

WASHINGTON, Aug. 31 — (AP) With words of praise for the Polish people, senators today recalled that Hitler invaded Poland ten years ago tomorrow in an offensive that launched World War II.

They also recalled that the Russian army invaded Poland from the other side 17 days later.

Senator Ives (R.-N. Y.) said in a Senate speech: "let us extend to the people of Poland a message of faith and courage on this historic anniversary."

He said that today "the people of Poland are once more struggling for freedom from totalitarian domination. The battle that was begun with the now historic defense of Warsaw, continued on the battlefields of Tobruk and Arnheim, now rages fiercely in thousands of Polish hearts as they rebel against Communist domination."

Meantime Joseph Winiewicz, ambassador from the Communist-dominated Polish government, issued an anniversary statement criticizing those nations which "encourage armaments and tolerate warmongering."

Winiewicz mentioned no names but obviously was referring to the western powers, including the U. S.

FRANCE AND ITALY GET COTTON FUNDS

Washington, Aug. 31 (A. P.).—The Economic Co-operation Administration today granted $17,000,000 to France and Italy for the purchase of United States cotton.

The action was included in new Marshall plan aid grants to six European countries, Western Germany and Trieste.

France's allocation totaled $11,321,000, of which $10,000,000 is earmarked for raw cotton. The remainder includes $750,000 to buy flue-cured tobacco in the United States and miscellaneous industrial and farm commodities.

Italy's grant totaled $8,654,000, of which $7,000,000 is for cotton. The remaining funds will go for industrial machinery from this country.

The other allocations included:

Austria, $2,160,000 for corn from the United States; the United Kingdom, $950,000 worth of United States lumber and saw mill products and motor vehicles.

The Netherlands, $260,000 for United States textile products; Ireland, $150,000 worth of United States iron and steel manufactures; Western Germany, $126,000 to buy ferro-alloys in Japan; Trieste, $9,000 worth of United States machine tools.

The latest transactions bring total Marshall plan commitments to $6,478,388,000.

Top Secret Aerial Photo Found On Wall of Washington Night Club

WASHINGTON, Aug. 31. — (AP) A high-level aerial photograph of the Washington area, plainly showing all military installations and withheld from general publication, was found today on the walls of a downtown nightclub and restaurant.

George Bomze, proprietor of the "400" restaurant near the Treasury, said the picture was found in the cafe three weeks ago. It apparently had been left by some Navy man.

Liking the scene, Bomze said he had it enlarged and mounted prominently in his display of photo-murals of points of interest around the capitol.

It attracted attention at once.

30.24- 5375

Two admirals laughed heartily when they spotted it, Bomze told a reporter, but other Navy officials demanded its removal.

Bomze said he refused, on grounds that any possible damage to security already had been committed.

The Navy consistently has refused to permit publication of the picture.

Made From Record Height

The photograph was made from a navy Banshee fighter plane, a twin-jet aircraft, from an altitude of 48,846 feet. Some Navy officials believed this was a new record for high-altitude photography.

The camera used was a newly developed instrument, details of which are still secret. Within the single picture is embraced the entire city of Washington and its surrounding area, individual buildings showing in sharp detail.

Why the picture was not released for publication was unclear. Security restrictions had been removed, releasing it for publication, but attempts by newspapers to obtain prints from the Navy were unsuccessful. One report was that it had been held up for possible use in connection with the House Armed Services committee investigation of the B36 bomber.

KOREA URGES U. S. TO RUSH HELP NOW

Washington, Aug. 31 (A. P.). —The Ambassador of Korea appealed to President Truman today for military aid to help meet any possible Russian attack. Declaring "we are right on the spot," the Ambassador, Dr. John Myun Chang, warned that an attack on the new republic "appears most likely."

"We need very quick action by the United States," he said after a fifteen-minute conference with Mr. Truman. He told reporters that he had conveyed a message asking arms and ammunition as quickly as possible.

"We feel that there might be some imminent danger of attack from the north, and we should be well prepared for it," the Ambassador went on. "We feel there is no time to waste."

"He said that Korea felt President Truman is "doing his utmost to get things done, and comply with our request."

Barsov Faces Trial in Russia, Buddy Claims

NEW YORK, Aug. 31. — (AP) Soviet Lt. Peter Pirogov said today that the Soviet embassy in Washington tried both threats and bribe offers to persuade him to return to Russia with Anataly Barsov.

Pirogov and Barsov were the two Russian fliers who deserted the Soviet Air Force last Oct. 9 in the U. S. zone of Austria.

Barsov was returned to the Soviets in Austria at his own request today.

Pirogov is living in the New York area, writing a book about his experiences.

Pirogov described a conversation he had with his fellow Russian flier in New York during the last week in July. He said they talked at a west side Manhattan bar at which "I'm quite certain a Soviet agent was listening and watching us."

Pirogov said Barsov attempted to persuade him not to write a book, indicating the Soviet embassy was prepared to reimburse him for the advance he got on the book if he promised not to write it.

Pirogov made his statements at a news conference in the offices of his publishers, Duell, Sloan and Pearce, Inc.

Barsov was the guest last June and July of Mr. and Mrs. Boris Labensky of 5895 Main street, Stratford. Mrs. Labensky said yesterday that the news Barsov had been deported 'simply stuns me.' She said that during his stay here the former Red flier had worked hard at becoming a real American. 'It seems to us that he was determined to stay here,' Mrs. Labensky said.

He quoted Barsov as saying:

"The Soviet embassy told me that if I returned to the Soviet Union alone I would perhaps be put on trial. If we both return and tell, through the Soviet Press, of our disillusionment with America then there will be no trials or reprisals from the government."

Rejected Offer

Pirogov said he rejected the offer and called Barsov "an S.O.B. and a swine."

He said he told the other Russian that "if we meet again we'll meet as bitter enemies."

Barsov replied that the Soviet embassy had told him:

"It doesn't make any difference, whether it's five years or ten years, Pirogov will be back in the Soviet Union."

According to the 28-year-old Russian flier who remained behind, Barsov also said, "I will be watching you swing in the air on Red square in Moscow."

Pirogov spoke Russian at the news conference at which his remarks were translated. He was asked if he knew why Barsov wanted to return to Russia. He answered:

"Frankly, I don't know. Perhaps he's lonesome for his family. I am certain he never was a Soviet agent because our flight from the Soviet Union was all on my initiative and on my preparations.

If they had planted a man, they would have chosen somebody less stupid."

Pirogov said he's certain that if the Russians could lay their hands on him now "they would tear me to pieces."

He said he is a bachelor and the family he left behind in Russia consists of three sisters and one brother. He was asked if he feared for the safety of his family and answered:

"What I have done and am doing is more important than the welfare of my family. Since my family had no part in this, I hope that perhaps the Russian government will leave them alone. The USSR constitution says the children should not be held responsible for the sins of their parents, and vice versa, let alone more distant relatives."

Last February in an interview here, Pirogov was asked what would happen if he and Barsov returned to Russia. Pirogov replied:

"First, we would be used as weapons of propaganda to write reports of the United States, showing all the bad things. After a few months of freedom, we would be transplanted to Siberia."

Working on Book.

Stratford, Conn., Aug. 31 (A. P.).—Former Lieut. Anatole P. Barsov of the Russian air force lived for about two months this summer at the home of a Stratford couple. Mr. and Mrs. Boris Labensky said last night that Barsov came to their home early in June and left on July 22 for New York.

While living with the Labenskys, Barsov worked with another former Russian air force officer, Piotr Pirigov, on a book which they were writing jointly. Mrs. Labensky said that the book, which concerned life in Russia, had been contracted for by a publishing firm.

Two weeks after he left the Labensky home, Barsov returned to pick up some belongings. Mrs. Labensky quoted Barsov as saying that he was employed in a New York clothing factory.

MRS. FDR WOULD ATTEND CONCERT BY ROBESON

NEW YORK, Aug. 31—(AP) Mrs. Franklin D. Roosevelt said today "I disagree violently with Paul Robeson" but added she would attend one of his concerts if he did not use "his art for political propaganda."

Former first lady said the rioting which prevented Robeson from appearing last Saturday night at a Peekskill, N. Y., meeting was "horrible."

Mrs. Roosevelt was asked about the Robeson affair aboard the liner Stavangerfjord.

She had boarded the ship at the request of Mordecai Johnson, president of Howard university, to represent the college at the departure of 31 students and three faculty members.

LONDON, AUG. 31-(AP)-RESTRICTIONS ON THE SALE OF MILITARY EQUIPMENT TO YUGOSLAVIA MAY BE EASED SHORTLY BY THE U. S. AND BRITAIN, ACCORDING TO DIPLOMATIC OFFICIALS.

THEY SAID YESTERDAY A DECISION IN THE MATTER IS EXPECTED WHEN FOREIGN SECRETARY ERNEST BEVIN MEETS WITH SECRETARY OF STATE DEAN ACHESON IN WASHINGTON SOON.

BRITISH OFFICIALS HAVE BEEN STUDYING HOW THEY CAN QUIETLY SUPPORT PREMIER MARSHAL TITO'S GOVERNMENT IN ITS QUARREL WITH RUSSIA AND HER SATELLITES.

THIS DUAL LOOK OF SUPPORT FOR TITO COMES AT THE TIME OF RUSSIA'S LATEST BLAST AGAINST TITO. IN A NOTE YESTERDAY THE RUSSIANS ACCUSED THE YUGOSLAV LEADER AND HIS LIEUTENANTS OF BEING DESERTERS, DOUBLE-DEALERS AND STOOGES OF "WESTERN MASTERS."

ONE WAY THE WESTERN POWERS COULD BACK UP TITO'S FEUD WITH RUSSIA WOULD BE THE SHIPMENT OF NEEDED ARMS TO YUGOSLAVIA. THE SHIPMENT OF SUCH SUPPLIES TO YUGOSLAVIA HAS BEEN HALTED BY THE COUNTRIES OF THE COMMUNIST INTERNATIONAL INFORMATION BUREAU (COMINFORM).

YUGOSLAVIA, IT IS BELIEVED, HAS ASKED THE WESTERN POWERS FOR VEHICLES, LIGHT ARMOR AND SMALL ARMS. INFORMANTS SAID THE WESTERN POWERS WOULD LIKE TO HELP TITO DEFY THE COMINFORM.

IF YUGOSLAVIA CAN SURVIVE AS AN INDEPENDENT STATE WITHOUT TIES TO THE EAST OR WEST, THE INFORMANTS POINT OUT, AN IMPORTANT PRECEDENT WILL HAVE BEEN SET FOR OTHER COMMUNIST-LED COUNTRIES.

ON THE OTHER HAND, THE WESTERN POWERS, IT IS SAID, ARE NOT SURE TITO CAN STAND UP TO THE BLASTS FROM THE EAST, AND THEY FEAR THAT IF ARMS WERE GIVEN YUGOSLAVIA THEY MIGHT ULTIMATELY FALL INTO THE HANDS OF COMMUNISTS LOYAL TO MOSCOW.

BUT AT THE MOMENT, THE INFORMANTS SAY, THE WESTERN POWERS ARE

INCLINED TO TAKE A CHANCE. WESTERN OFFICIALS HOLD THAT IF TITO IS NOT AIDED QUICKLY HE MAY SUCCUMB TO OUTSIDE PRESSURE.

THERE IS NO BLANKET BAN BY BRITAIN OR THE U. S. ON THE SALE OF MILITARY GOODS TO COMMUNIST COUNTRIES. BUT BOTH COUNTRIES HAVE A SYSTEM OF EXPORT LICENSING OF EQUIPMENT WHICH COULD HAVE MILITARY USES. SUCH EXPORTS COULD BE PROHIBITED BY THE GOVERNMENT'S REFUSAL TO ISSUE THE LICENSES.

THE INFORMANTS SAY THIS POLICY MAY BE LIBERALIZED FOR YUGOSLAVIA.

BEVIN AND CRIPPS ALSO ARE BELIEVED TO BE SLIGHTLY AT ODDS ON THE QUESTION OF WHETHER THE POUND SHOULD BE DEVALUED TO STIMULATE EXPORTS BY LOWERING PRICES.

CRIPPS HAS SAID TIME AND AGAIN THAT HE IS NOT GOING TO CUT THE VALUE OF THE POUND FROM THE PRESENT OFFICIA

BEVIN IS REPORTED TO FEEL THAT SOME DEVALUATION WOULD NOT BE TOO HIGH A PRICE TO PAY FOR CONTINUED U.S. COOPERATION AND AID.

THE BRITISH PRESS GAVE THE MINISTERS A MIXED SEND-OFF.

"WISH THEM WELL?" ASKED LORD BEAVERBROOK'S EMPIRE-CONSCIOUS DAILY EXPRESS." YES, YES. AND WHAT IS 'WELL'?

"THAT THEY SHOULD COME HOME EPTY HANDED (WITHOUT DOLLARS). THAT THEY SHOULD FIND NO OPPORTUNITY FOR DISPOSING OF ANY BITS AND PIECES OF THE EMPIRE. THAT THEY SHOULD RETURN TO BRITAIN DETERMINED TO SEEK THE SALVATION OF THIS GREAT HERITAGE THROUGH THE COURAGE OF THEIR OWN PEOPLE.

"THEN (WOULD COME) THE OPPORTUNITY TO UNITE THE PEOPLE IN THE TASK OF BUILDING THE FOURTH BRITISH EMPIRE."

THE DAILY EXPRESS, WHICH OPPOSED THE 1945 AMERICAN LOAN TO BRITAIN, SAID "THE AMERICANS ARE EAGER TO SPEED THE DAY WHEN THEY COMMAND FREE ACCESS TO ALL COMMONWEALTH MARKETS ON EQUAL TERMS WITH THE BRITISH."

THE TIMES SAID BEVIN AND CRIPPS "WILL DO WELL TO BEAR IN MIND FROM THE OUTSET THAT THEIR PROPER CONTRIBUTION TO THE WASHINGTON TALKS WILL BE TO SET OUT NOT THE AMERICAN BUT THE BRITISH CURE FOR THE NEWEST (ECONOMIC) DISORDERS."

"NOT ONLY OUR HOPES BUT OUR PRAYERS SHOULD ACCOMPANY" THEM, SAID THE CONSERVATIVE DAILY MAIL.

"THE BULK OF THE BRITISH PEOPLE STILL DO NOT REALIZE HOW MUCH DEPENDS UPON THIS MISSION. SUCCESS OR FAILURE WILL SPELL THE DIFFERENCE BETWEEN EASE AND HARDSHIP FOR US ALL IN THE NOT DISTANT FUTURE."

THE CONSERVATIVE DAILY TELEGRAPH SAID THE MISSION WAS "AS ANXIOUS AS ANY EVER UNDERTAKEN BY BRITISH MINISTERS."

AS CRIPPS AND BEVIN WALKED ABOARD, THE QUAYSIDE CROWD FLUTTERED HANDKERCHIEFS. THERE WERE SHOUTS OF "GOOD LUCK" AND "BRING US BACK SOME DOLLARS."

CRIPPS DECLINED TO MAKE ANY STATEMENT. HE TOLD REPORTERS BEVIN IS THE SENIOR MINISTER ON THE TRIP AS WELL AS THE LEADER FTQE DELEGATION, AND WOULD DO ALL THE TALKING.

BEVIN STOOD WITH HIS ARMS AROUND CRIPPS WHILE PHOTOGRAPHERS TOOK LAST MINUTE PICTURES. HE REELED HIS STATEMENT OFF THE CUFF:

"THEREFORE, ON THIS OCCASION, WE ARE PROCEEDING TO DISCUSS THE PROBLEM NOT ONLY IN THE NARROW LIMITS OF FINANCE OR TRADE, BUT IN ITS RELATION TO THE WHOLE PROBLEM OF THE FUTURE SAFETY AND SECURITY OF THE WORLD.

"FOR THAT REASON, AND OTHERS, TOO, WE WELCOME VERY MUCH THE SPEECH MADE BY PRESIDENT TRUMAN IN PHILADELPHIA THE OTHER DAY WHICH SHOWED THERE WAS UNDERSTANDING, AND A DETERMINATION TO TRY AND GRAPPLE WITH THESE GREAT PROBLEMS THAT HAVE BEEN LEFT TO US AS A RESULT OF THE WAR.

"THEY WON'T BEHOLVED BY TALKING AT EACH OTHER. THEY WILL BE SOLVED BY TALKING WITH ONE ANOTHER AND BY TRYING TO UNDERSTAND ALL THE PROBLEMS THAT ARE INVOLVED.

Other british officials said the government of Premier Marshal Tito had been asked whether it planned to accuse Russia before the United Nations security council of threatening the peace of the world.

These officials said Yugoslavia has presumably been asked to pass along any proof of nearby Red army movements.

A dispatch from Belgrade said there was "NO direct reference to security council action." WhenBritish ambassador Sir Charles Peake talked with Yugoslav foreign minister Ales Bebler Sunday. The Belgrade dispatch, however, was NOT a direct denial of the London report.

Reliable informants at the United nations headquarters at Lake Success believe any talk of presenting the Yugoslav-Russian dispute to the security council is a "little eager--a little premature" to say the least.

United States army circles in Vienna were skeptical of the reports of red army troop movements near the Yugoslav border. While there was NO official comment qualified army sources were inclined to believe the reports originated with the Russians themselves.

PARIS, AUG.31-(AP)-THE COUNCIL OF THE ORGANIZATION FOR EUROPEAN ECONOMIC COOPERATION (OEEC) TONIGHT ADOPTED A REPORT CALLING FOR THE DIVISION OF ABOUT $3,$70,000,000 (B) AMONG 19 AREAS TAKING PART IN THE OEEC.
THE COUNCIL THUS AGREED TO ACCEPT THE LATEST RECOMMENDATIONS FOR SHARING MARSHALL AID FOR THE FISCAL YEAR 1949-50.
THE DIVISION PROBLEMS CAUSED MANY BITTER ARGUMENTS IN THE OEEC, AS EACH COUNTRY TRIED TO JUSTIFY ITS NEEDS FOR ADDITIONAL ALLOCATIONS. THE COUNCIL FINALLY ASKED ROBERT MARJOLIN, SECRETARY-GENERAL OF THE OEEC, AND BARON SNOY OF BELGIUM TO DRAW UP A PLAN.
IT WAS THE MARJOLIN-SNOY PLAN WHICH WAS ACCEPTED TONIGHT. THE REPORT WILL BE SUBMITTED TO THE AMERICAN ECONOMIC COOPERATION ADMINISTRATION (ECA).
UNDER THE PLAN, BRITAIN IS ALLOTTED $962,000,000. IT IS CONSIDERABLY LESS THAN THE $1,518,000,000 DEFICIT BRITAIN ESTIMATED FOR HERSELF, BUT $118,00,000 MORE THAN WAS ORIGINALLY ALLOTTED.
SIR EDMUND HALL-PATCH, BRITISH REPRESENTATIVE ON THE COUNCIL, SAID HIS GOVERNMENT WOULD ACCEPT THE NEW FIGURE. HE FLATLY REFUSED A PREVIOUS ALLOCATION.
ALMOST ALL THE SPEAKERS EXPRESSED RESERVATIONS ABOUT ACCEPTING THEIR SHARE, EXCEPT BELGIUM WHOSE CASE WAS WORKED OUT SEVERAL MONTHS AGO.
GREECE SAID HER SHARE OF THE INTRA-EUROPEAN AID SHOULD BE INCREASED, OR THE PRESENT FIGURE OF $163,000,000 SHOULD NOT BE REDUCED.

night lead european council

strasbourg, france, aug. 31--(AP)--reliable sources said tonight the European council will be asked to hold a special session next year to deal with the question of membership for western Germany and the Saar.

These sources said the political committee of the consultative assembly had decided to ask for a special session to consider admission of "new members."

It was generally believed the assembly would approve such a resolution. the actual call for a special session must be issued by the committee of ministers--the council's upper house.

Winston Churchill has advocated early consideration of germany's membership. France has been pressing for admission of the Saar. Both areas were expected to considered for associate memberships only.

Meanwhile the assembly's economic committee adopted a report

today ~~wd~~ urging prompt establishment of free ~~the~~ currency exchanges in member states. The report is expected to stir up a fight when it reaches the floor.

The proposal was drafted by David Eccles, a british conservative. ~~David Eccles.~~ Brit sh laborites, who opposed it in committee, are expected to line up at least a third of the ~~assembly~~ assembly's membership ~~to~~ in an attempt to block passage when the report is presented on Friday.

The ~~european~~ economic report als asked the united states to lower its tariffs on European goods and at the same time consent to ~~creation of~~ a preferential tariff system for member states of the European council and their overseas areas. ~~This would mean changes in america's most favored nation tariff treaties.~~

STRASBOURG -FIRST ~~ASSEMBLY~~ ASSEMBLY (ECE) X X X THE ASSEMBLY.
ECCLES, SPEAKING AFTER REYNAUD, SAID:
"WE HOPE THAT THE UNITED STATES WILL UNDERSTAND WHEN WE SAY THAT WE WANT TO EXTEND EUROPEAN PREFERENTIAL TARIFF SYSTEMS TO ALL THE MEMBER STATES AS A BLOC, AND IN THE SAME BREATH ASK THE UNITED STATES TO LOWER THEIR TARIFFS.
"WE REALIZE THIS WILL EXCITE CONSIDERABLE CONTROVERSY, AND THE DECISION WAS TAKEN IN A SPIRIT OF COURAGE. WHAT WE ARE DOING, REALLY, IS TO ASK FOR THE CREATION IN EUROPE OF A LARGE, UNIFIED PREFERENTIAL TRADE SYSTEM LIKE THAT WITHIN THE UNITED STATES, AS A FIRST STEP TOWARD EUROPEAN ECONOMIC UNITY.
"THIS WOULD CREATE THE SINGLE MULTILATERAL TRADING SYSTEM WHICH THE UNITED STATES DESIRES AND WE MUST DO IT IN THE SAME WAY THE U.S. BUILT ITS SINGLE UNIT--WITH A UNIFIED TARIFF."
IF THE ASSEMBLY APPROVES THE COMMITTEE RECOMMENDATIONS IT WILL GO TO THE COUNCIL OF EUROPE'S UPPER CHAMBER, COMPOSED OF THE FOREIGN MINISTERS OF THE MEMBER NATIONS. THE MINISTERIAL COMMITTEE WILL PLACE IT BEFORE MEMBER GOVERNMENTS FOR ACTION IF IT APPROVES. THE MINISTERS WILL MEET IN OCTOBER TO TAKE ACTION ON ASSEMBLY RESOLUTIONS.
A PREAMBLE OF THE ECONOMIC REPORT WARNS EUROPE THAT IT IS TEETERING ON THE BRINK OF ECONOMIC COLLAPSE, DECLARES THAT EFFORTS "ON BOTH SIDES OF THE ATLANTIC" TO RIGHT EUROPE'S ECONOMY HAVE BEEN INSUFFICIENT. IT CALLS UPON THE UNITED STATES TO CONTRIBUTE BY LOWERING ITS TARIFFS AND UPON EUROPE TO WORK HARDER AND MORE RAPIDLY TOWARD UNITY.

FOUR OTHER GERMAN GENERALS HAVE BEEN RELEASED FROM SOVIET PRISON CAMPS FOR PROBABLE ASSIGNMENT TO BUILDING UP A COMBAT CORPS OF EAST GERMAN POLICE, A BRITISH STATEMENT SAID.

ANTI-COMMUNIST GERMANS, HOWEVER, HAVE ASSERTED THAT THE POLICE WILL ATTEMPT TO PERPETUATE COMMUNIST DOMINATION IN CASE THE SOVIET ARMY WITHDRAWS FROM EAST GERMAN SOIL.

THE BRITISH STATEMENT GAVE NO ESTIMATE OF THE CURRENT SIZE OF SOVIET ZONE POLICE FORCES, BUT AMERICAN INTELLIGENCE REPORTED THEM TO BE 80,000 LAST SPRING.

"THEIR EFFORTS TO HOLD AND INCREASE THOSE CONTROLS HAVE BEEN THE BASIC CAUSE OF ALLIED FRICTION IN BERLIN," HOWLEY DECLARED.

HOWLEY'S SUMMARY REVIEWED THE MAJOR EVENTS OF THE FOUR YEARS HE SPENT IN BERLIN, INCLUDING THE SOVIET BLOCKADE, THE ALLIED COUNTER-BLOCKADE AND AIRLIFT.

"TODAY," HE CONCLUDED, "THE U.S. AND ITS ALLIES, BRITAIN AND FRANCE, ENJOY A PRESTIGE IN BERLIN FAR GREATER THAN AT ANY TIME SINCE THE WAR; BERLIN LOOKS FORWARD TO AN OPPORTUNITY TO CONTINUE ITS PROGRESS ALONG THE PATH OF DEMOCRACY.

Gen. Ernest [redacted] Guiller, "cold, ruthless and taciturn" master of armored tactics, who "had one of his favorite officers shot for failing to push the attack on Neustadt on schedule."

By George Boultwood

SEP 1 1949

Hamburg, Germany, Aug. 31--(ap)--Former German field marshal Erich von Manstein was accused today of having permitted the killing without trial of Russian prisoners by troops under his command.

The prosecution at the British war crimes trial of the former Wehrmacht officer made the charge and added that the defendant "disregarded his duty as a military commander to ensure the humane treatment of Soviet prisoners of war."

Von Manstein has pleaded innocent to a 17-count indictment accusing him of extermination of Jews and mistreatment of war prisoners during the Nazi campaigns in Poland and Russia.

Von Manstein successively commanded the 11th German army, which operated in the Ukraine, the Crimea and near Leningrad; army group Don, and army group South, during the Nazi retreat from Russia.

The prosecution claimed that the death rate in prison camps in the 11th army area reached 36 per cent. It spoke of shortages of food and clothing and a steady rise in the sickness until at one time it was 50 per cent.

One German army order submitted by the prosecution said prisoners were to be fed off the land and that only food unfit for German soldiers was to be provided from army stocks.

The prosecution withdrew from evidence today one document which it previously had described as "a veritable piece of dynamite." It was three typewritten sheets of notes on a speech Hitler was alleged to have made to his top generals nine days before the invasion of Poland.

The defense objected to the document because it had been ruled inadmissible at the Nuernburg trial. The prosecution agreed to withdraw the document but stressed it did not in any way doubt the authenticity.

BULGARIA, AUG. 31-(AP)-YUGOSLAVIA OFFICIALLY DENIED TONIGHT REPORTS OF TROOPS CONCENTRATIONS IN MACEDONIA (SOUTHERN YUGOSLAVIA).

A STATEMENT ISSUED THROUGH THE MINISTRY OF INFORMATION SAID THAT THE "ASSOCIATED PRESS AND SOME ITALIAN PAPERS HAVE PUBLISHED NEWS OF ALLEGED CONCENTRATION OF TROOPS IN MACEDONIA. OFFICIALLY THIS NEWS IS DENIED AS FALSE."

(THE AP REPORT TO WHICH THE STATEMENT APPARENTLY REFERRED WAS A DISPATCH FROM ISTANBUL DATED AUG. 28 QUOTING "TOP-RANKING DIPLOMATIC AND INTELLIGENCE SOURCES." IT SAID PREMIER MARSHAL TITO WAS CONCENTRATING HIS FORCES IN YUGOSLAV MACEDONIA TO COUNTERACT COMINFORM DESIGNS FOR A REBELLION THERE.)

THE STATEMENT ALSO DENIED REPORTS THAT THE CITY OF FIUME (RIJEKA) IS IN A STATE OF SIEGE BECAUSE OF SABOTAGE. IT SAID THAT TASS, THE OFFICIAL SOVIET NEWS AGENCY, CARRIED SUCH REPORTS, AND COMMENTED:

"IT IS OFFICIALLY ANNOUNCED THAT THIS NEWS IS COMPLETELY MADE UP. IT IS OBVIOUS THAT TASS IS SPREADING SUCH MADE UP NEWS IN THE FRAMEWORK OF THE ANTI-YUGOSLAV GOVERNMENT CAMPAIGN AND PRESSURE UPON THIS COUNTRY."

YUGOSLAVIA SAID OFFICIALLY ON AUG. 27 THAT A SMALL FIRE HAD OCCURRED IN ITS GREAT OIL REFINERY AT FIUME, BUT DENIED PUBLISHED REPORTS THAT THE PLANT WAS SABOTAGED.

THERE WAS SPECULATION WITHOUT CONFIRMATION ON A REPORT THAT PREMIER MARSHAL TITO WOULD SEND HIS CASE AGAINST RUSSIA TO THE UNITED NATIONS SECURITY COUNCIL.

IT WAS CONSIDERED CERTAIN THAT A STIFF NOTE IS BEING WRITTEN IN REPLY TO RUSSIA'S NEWEST OFFICIAL CHARGE THAT TITO'S REGIME IS A DOUBLE-CROSSING STOOGE OF THE WESTERN POWERS.

RUSSIA AND YUGOSLAVIA HAVE BEEN AT POLITICAL ODDS SINCE JUNE, 1948, WHEN THE COMINFORM BLOC OF EASTERN EUROPE OUSTED TITO AFTER ACCUSING HIM OF DEVIATING FROM MOSCOW'S MARXIST-LENINIST LINE.

A BRITISH EMBASSY SPOKESMAN HERE DENIED A REPORT PUBLISHED ABROAD THAT THE BRITISH ASKED WHAT WOULD BE YUGOSLAVIA'S ATTITUDE IF THE YUGOSLAV-COMINFORM CONFLICT SHOULD BE PUT BEFORE THE U.N. SECURITY COUNCIL.

HOWEVER, BRITISH OFFICIALS IN LONDON SAID BRITAIN ASKED YUGOSLAVIA WHETHER SHE INTENDED TO GO BEFORE THE SECURITY COUNCIL WITH A CASE AGAINST RUSSIA BUT NO REPLY WAS MENTIONED. THEY ADDED THAT THE WESTERN POWERS HAVE NO INTENTION OF GOING TO THE U.N. WITH IT).

IT IS UNDERSTOOD HERE BRITISH AMBASSADOR SIR CHARLES PEAKE ASKED DEPUTY FOREIGN MINISTER ALES BEBLER LAST SUNDAY ABOUT YUGOSLAVIA'S OFFER OF AUG. 22 TO SETTLE THE DISPUTE WITH RUSSIA. BUT, THE INFORMANT SAID, THERE WAS NO DIRECT REFERENCE TO THE U.N.

(ACHESON SAID THE U.S. IS WATCHING DEVELOPMENTS CLOSELY BUT THAT THERE HAVE BEEN NO UNUSUAL TALKS WITH THE BRITISH OR FRENCH ON YUGOSLAVIA. BRITISH FOREIGN SECRETARY ERNEST BEVIN IS ENROUTE TO THE WASHINGTON DOLLAR CONFERENCE.

(DIPLOMATIC OFFICIALS IN LONDON PREDICTED RESTRICTIONS ON SALES OF MILITARY EQUIPMENT TO YUGOSLAVIA MAY BE EASED SHORTLY BY THE U.S. AND BRITAIN AND A DECISION MAY BE REACHED BETWEEN ACHESON AND BEVIN IN WASHINGTON. TOLD OF THIS, ACHESON SAID HE KNEW OF NO SUCH PLAN AND THAT YUGOSLAVIA HAD NOT ASKED FOR EASING OF THE RESTRICTIONS).

THERE WAS NO CONFIRMATION IN BELGRADE OF ANY TROOP MOVEMENTS ON THE YUGOSLAV FRONTIERS. (A FOREIVN OFFICE SPOKESMAN IN LONDON SAID THE BRITISH COULD NOT CONFIRM ANY SUCH MOVEMENTS ALTHOUGH THEY HAVE ASKED YUGOSLAVIA FOR INFORMATION).

A FEW LEGATIONS IN BELGRADE ARE THE SOURCES OF MOST CRISIS REPORTS ARISING INSIDE THIS COUNTRY WHERE, IT SHOULD BE EMPHASIZED, AN AIR OF CALM CONTINUES TO PREVAIL. THESE LEGATIONS CLAIM TO HAVE INSIDE KNOWLEDGE BUT DECLINE TO DISCLOSE THEIR SOURCES.

(A NEWSPAPER IN WEST BERLIN REPORTED TUESDAY THAT 3,500 HEAVILY ARMED EAST GERMAN POLICE ARE BEING SENT TO THE YUGOSLAV BORDER. IT ADDED THAT AS MANY AS 12,000 MORE WILL BE SENT TO UNDERTAKE "ANTI-TITO ACTION" IN THE BALKANS AND SAID: "WITH FEVERISH HURRY TANKS, GUNS AND OTHER MILITARY EQUIPMENT ARE BEING LOADED ON TRAINS AND TRUCKS TO GO WITH THE GERMAN POLICE TROOPS." BRITISH AND AMERICAN INTELLIGENCE OFFICERS SAID THEY'D HEARD THE REPORT BUT COULDN'T CONFIRM IT.

(ON MONDAY, WESTERN INTELLIGENCE OFFICERS IN BERLIN SAID INFORMANTS FROM SOVIET-OCCUPIED EASTERN GERMANY TOLD THEM THE COMINFORM NOW INTENDED TO GET RID OF TITO WITHIN SIX MONTHS BY ANY MEANS SHORT OF WAR. THE MEANS SUGGESTED WOULD BE INTERNAL BORING TACTICS TO RUIN YUGOSLAVIA, AND THE ASSASSINATION OF TITO).

ONE TOP OFFICIAL AT THE U.S. EMBASSY HERE IS GOING ON VACATION SHORTLY; THE ACTING MILITARY ATTACHE IS BUSY WITH WORKMEN REPAIRING HIS RENTED HOUSE.

AMERICAN STEEL COMPANY REPRESENTATIVES, WHO KEEP THEIR EARS COCKED SHARPLY FOR TRENDS, WENT AHEAD WITH LONG-RANGE PROJECTS TO DEVELOP ORE RESOURCES.

YUGOSLAV ARMY OFFICERS HAVE BEEN VACATIONING ON THE ADRIATIC -- AND HAVE NOT BEEN RECALLED TO DUTY BY WAR-SCARES AS THEY WERE MORE THAN A YEAR AGO WHEN THE COMINFORM KICKED TITO OUT FOR "NATIONALISM"

THE OFFICIAL YUGOSLAV PRESS KEPT SNIPING AT THE KREMLIN. IT CHARGED AGAIN TODAY THAT RUSSIA WAS GUILTY OF A "ROTTEN DIPLOMATIC DEAL" WHEN SHE AGREED WITH THE WESTERN POWERS AT PARIS LAST SPRING TO IGNORE YUGOSLAVIA'S DEMAND FOR PART OF AUSTRIA.

THE NEWSPAPER BORBA FRONT-PAGED A PICTURE AND STORY OF THE FIRST TRACTORS MADE IN YUGOSLAVIA AND A LETTER FROM THE PEOPLE'S DEFENSE CORPS TO TITO PLEDGING "WE ARE READY TO GIVE OUR LIVES."

Warsaw, poland, aug. 31--(ap)--The polish government declared today that the international refugee organization had "acted as an instrument for exporting cheap labor to countries abroad."

gen. wiktor grosz , foreign ministry spokesman , said the polish government was considering further action to protest the iro transfer of a group of polish refugee children who sailed from bremen yesterday for canada.

SEP 1 1949

(The IRO, a United Nations agency, said recently that the Polish children being sent to homes in Canada had been offered the opportunity of being returned to poland but had declined.)

Grosz said polish red cross and government representatives at bremen had been unsuccessful in attempts to talk to the Polish children before they left for canada.

(ADVANCE)...PRAGUE,AUG.31-(AP)-THE CZECHOSLOVAK GOVERNMENT REPORTS THAT THIS NATION'S TRADE WITH THE SOVIET UNION AND OTHER "MOLOTOV PLAN" COUNTRIES IS INCREASING BEYOND EXPECTATIONS.

DR.ANTONIN GREGOR, MINISTER OF FOREIGN TRADE, ASSERTED THAT COMMERCE WITH THE EASTERN BLOC COUNTRIES NOW REPRESENTS 40 PER CENT OF ALL CZECH FOREIGN TRADE.

"THIS IS BETTER THAN WE HOPED TO DO," HE SAID. "ACCORDING TO OUR FIVE-YEAR PLAN WE EXPECTED TO INCREASE OUR TRADE WITH THE NATIONS OF PLANNED ECONOMY BY ONE-THIRD AND BRING IT TO 45 PER CENT OF OUR TOTAL BY 1953. BUT IN THE FIRST SEVEN MONTHS OF THIS FIRST YEAR OF THE FIVE-YEAR PLANWE ALREADY HAVE IT UP TO 40 PER CENT. IT IS BEYOND DOUBT THAT THE ESTABLISHMENT OF THE COUNCIL OF MUTUAL ECONOMIC AID (THE MOLOTOV PLAN) CONTRIBUTED LARGELY TO THAT FAVORABLE PROSPECT. THE COUNCIL IS STEADILY BECOMING THE MOST EFFICIENT INSTRUMENT FOR DEVELOPMENT OF ECONOMIC COOPERATION OF ITS MEMBER STATES."

DR.GREGOR CLAIMED THAT THE FIRST SEVEN MONTHS OF 1949 SHOWED A 14 PER CENT GAIN OVER THE SAME 1948 PERIOD IN FOREIGN TRADE, BUT HE GAVE NO DETAILS.

SPECIFIC DATA ABOUT TRADE, ESPECIALLY WITH THE SOVIAT UNION, IS REGARDED A STATE SECRET AND IT IS NEVER DIVULGED HOW MUCH CZECHOSLOVAKIA IS GETTING FROM RUSSIA AND WHAT THE SOVIETS TAKE IN

RETURN.

HOWEVER, DR.GREGOR CONTENDED THAT CZECHOSLOVAKIA WAS ABLE THIS YEAR TO REDUCE FOOD IMPORTS AND LAY GREATER STRESS ON THE IMPORT OF VITALLY-NEEDED RAW MATERIALS FOR ITS INDUSTRIES. HE SAID IMPORTS OF RAW MATERIALS THUS FAR THIS YEAR HAD INCREASED BY 10 PER CENT--1,057,000,000 CROWNS (ABOUT $21,140,000 BY THE OFFICIAL RATE) OVER LAST YEAR'S RATE.

Canton cut by railway

IF THEY SEVER THE RAIL LINE THE MAIN NATIONALIST DEFENSE FORCE FOR SOUTH CHINA WOULD BE CUT OFF FROM ITS MAJOR SUPPLY BASE, CANTON. HEADQUARTERS OF GEN. PAI CHUNG-HSI ARE AT HENGYANG ON THE RAILWAY 265 MILES NORTH OF CANTON.

RED PRESSURE WAS BUILDING UP ALONG A BIG STRETCH OF THE RAILWAY FROM THE EAST. CIVILIANS BEGAN FLEEING KUKONG, A KEY RAIL POINT ONLY 125 MILES NORTH OF CANTON.

THE COMMUNIST STRATEGY SEEMED TO BE TO FORCE PAI'S BIG DEFENSE FORCE TO RETREAT SOUTHWESTWARD INTO HIS NATIVE KWANGSI PROVINCE AND NOT DEFEND CANTON.

ON THE SOUTHEASTERN CHINA FRONT, THE NATIONALISTS WERE REPORTED REINFORCING SWATOW, PORT CITY EAST OF CANTON, WITH TROOPS FROM FORMOSA. THIS MOVE APPARENTLY WAS IN ANTICIPATION OF A CONTINUED RED DRIVE DOWN THE COAST. THE COASTAL PUSH NOW THREATENS AMOY.

SWATOW PROBABLY WILL BECOME MAINLAND HEADQUARTERS OF THE SOUTHEAST CHINA COMMAND IF AMOY FALLS.

THE MINISTRY INDIRECTLY CONCEDED A COMMUNIST LANDING ON MEISHAN ISLAND FRINGING THE CHUSAN GROUP 115 MILES SOUTHEAST OF SHANGHAI. IT REPORTED FIERCE FIGHTING ON MEISHAN.

HONG KONG,AUG.31-(AP)-THE TOP BRITISH COMMANDER IN HONG KONG SAID TODAY ANY AGGRESSION FROM THE CHINA MAINLAND WOULD BE MET BY MUCH STIFFER OPPOSITION THAN THIS BRITISH CROWN COLONY OFFERED THE JAPANESE IN 1941.

THE BRITISH COMMANDER, LT.GEN.F.W.FESTING, COMMANDS BRITISH LAND, SEA AND AIR FORCES HERE.

THE JAPANESE, HE SAID, COMPLETED THEIRACCESS TO HONG KONG FROM THE SEA.

"THAT WOULD NOT ARISE TODAY," HE TOLD A NEWS CONFERENCE. "THE JAPANESE ALSO HAD AIR POWER. THAT ALSO WOULD BE DIFFERENT TODAY."

HONG KONG, GENERAL FESTING SAID, IS A GOOD PLACE TO DEFEND BECAUSE ITS GUNS CAN BE CONCENTRATED WITH DENSITY.

"ITS DEFENSE UNDER THOSE CONDITIONS PROBABLY WOULD COMPARE WITH LONDON DURING THE MAJOR PART OF THE BLITZ OF WORLD WAR II," HE ASSERTED.

THE BRITISH HAVE HERE NOW A MUCH BETTER BALANCED FORCE THAN THAT IN 1941.

BUT AN ADEQUATE ISLAND WATER SUPPLY NEEDS YET TO BE FOUND. WELLS ARE BEING SUNK IN AN EFFORT TO MEET THIS PROBLEM.

THIRTY-SIX MILITARY CAMPS ALSO ARE UNDER CONSTRUCTION. SO ARE A NUMBER OF MILITARY ROADS.

STORES FOR THE BIG INSTALLATIONS ARE BEING SHIPPED IN FROM THE UNITED KINGDOM, SINGAPORE AND AUSTRALIA.

MORE THAN 1,000 SHANGHAI TEA SHOPS AND ABOUT 100 COFFEE SHOPS AND BARS EITHER HAVE CLOSED OR CONVERTED TO OTHER BUSINESSES. UPWARDS OF 100 THEATERS AND MOVIE HOUSES PLAN TO CLOSE.

EIGHTY RESTAURANTS HAVE DECLARED THEMSELVES BANKRUPT AND ASKED PERMISSION TO SHUT DOWN. THESE TYPES OF BUSINESSE HAVE BEEN HARD HIT SINCE THE NATIONALISTS INSTITUTED THEIR BLOCKADE OF RED PORTS.

(ADVANCE)..TOKYO,THURS,SEPT.1-(AP)-GENERAL MACARTHUR TODAY OBSERVED THE FOURTH ANNIVERSARY OF THE JAPANESE SURRENDER CEREMONY WITH A STATEMENT THAT COMMUNISM NO LONGER IS A MAJOR THREAT IN JAPAN.

"TODAY, JAPAN MIGHT, INDEED, BE VIEWED AS A SYMBOL OF HOPE FOR LESS FORTUNATE PEOPLES OVERWHELMED BY THE DESPOTIC RULE OF COERCIVE FORCE," HE DECLARED IN A FORWARD-LOOKING REVIEW OF THE OCCUPATION WHICH HE COMMANDS. THE FORMAL SURRENDER TOOK PLACE SEPT. 2, 1945.

"THE JAPANESE PEOPLE," HE SAID, "HAVE FULLY AND FAITHFULLY OBSERVED THEIR SURRENDER COMMITMENTS AND ADVANCED STEADILY ALONG THE ROAD OF SPIRITUAL REGENERATION AND PHYSICAL RECONSTRUCTION."

NOTING "ACCELERATED PROGRESS" IN EVERY PHASE DURING THE PAST YEAR, HE SAID THAT ASSAULTS ON DEMOCRACY BY "THE SMALL EXISTENT COMMUNIST MINORITY" HAD BEEN EFFECTIVELY REPULSED BY JAPANESE PUBLIC OPINION RATHER THAN BY POLICE POWER.

"AS A RESULT," HE STATED, "THE THREAT OF COMMUNISM AS A MAJOR ISSUE IN JAPANESE LIFE IS PAST. IT FELL VICTIM OF ITS OWN EXCESSES. THE JAPANESE MIND PENETRATED THE HYPOCRISY SUPPORTING ITS POSITION. THIS TEST OF STRENGTH, WHILE DISTURBING TO ORDERLY PROGRESS, SERVED TO BRING TO LIGHT FOR THE FIRST TIME THE FULL LATENT POWER OF THE JAPANESE DEVOTION TO THE CONCEPTS OF FREEDOM AND THE INTEGRITY OF THEIR CONSTITUTIONAL PROCESSES.

TRADE UNIONIZATION PROGRESS, HE ACKNOWLEDGED, "HAS BEEN SOMEWHAT IMPEDED BY THE MACHINATIONS OF AN IRRESPONSIBLE UNION LEADERSHIP."

OPTIMISM WAS EXPRESSED, HOWEVER, THAT THE RANK AND FILE "ARE MOVING TO INSIST UPON MODERATION AND OBJECTIVITY."

ECONOMICALLY, THE SUPREME COMMANDER DESCRIBED JAPAN AS "STILL IN TRANSITION FROM AN ECONOMY OF SURVIVAL TO ONE OF HEALTH," BUT HE CITED GREAT ADVANCES IN THE PAST YEAR, INCLUDING LARGE GAINS IN PRODUCTION OF COAL, CHEMICALS AND ELECTRIC POWER.

EXPORTS, HE SAID, TOTALLED $103,000,000 IN 1946; $173,000,000 IN

1947; $258,000,000 IN 1948; AND ALREADY HAD EXCEEDED THE 1948 TOTAL IN SIX MONTHS OF 1949.

ON THE ECONOMIC FRONT, HE CITED AS SIGNIFICANT THE AMERICAN DECISION TO CEASE REMOVAL OF INDUSTRIAL PLANTS FOR REPARATIONS; AMERICAN APPROPRIATIONS FOR IMPORTS OF REHABILITATION MATERIALS; ENACTMENT BY THE JAPANESE GOVERNMENT OF A BALANCED BUDGET FOR THE FIRST TIME IN MANY YEARS; AND REDUCTION OF GOVERNMENT PERSONNEL.

IN FOUR YEARS JAPAN'S POPULATION HAS GROWN BY 9,500,000, MACARTHUR REPORTED, "YET THERE HAS BEEN NO MASS UNEMPLOYMENT, NO SOCIAL UNREST AND NO LARGE-SCALE DOLE."

HE LISTED TOTAL UNEMPLOYMENT AT THE END OF AUGUST AS NOT MORE THAN 500,000.

MACARTHUR COMMENTED THAT HIS OCCUPATION POLICY "TIME AND AGAIN" HAD BEEN SIMULTANEOUSLY ATTACKED "BY THE LEFTISTS AS TO REACTIONARY AND BY THE CONSERVATIVES AS TOO LIBERAL."

"SUCH AN ATMOSPHERE," HE SAID, "WHILE GIVING ASSURANCE THAT OUR MODERATE COURSE IS WELL CHARTED, DOES NOT CONTRIBUTE TO AN OBJECTIVE PUBLIC APPRAISAL OF THE SITUATION."

WASHINGTON, FIRST AL- IGHT LEAD ATLANTIC ARMS-KOREA BY ROGER D. ..ENE X X X MUTUAL AID."

ALL OF THE SIGNATORIES PLEDGED AGREEMENT THAT "AN ARMED ATTACK AGAINST ONE OR MORE OF THEM IN EUROPE OR NORTH AMERICA SHALL BE CONSIDERED AN ATTACK AGAINST THEM ALL."

ONLY LAST WEEK, AS HE HAS DONE ON REPEATED OTHER OCCASIONS, PRESIDENT TRUMAN EMPHASIZED THAT THE PACT IS STRICTLY DEFENSIVE AND IS NOT DIRECTED AGAINST RUSSIA OR ANY OTHER NATION.

EVEN AS THE STATE DEPARTMENT TURNED ATTENTION TO THE DEFENSES OF WESTERN EUROPE, A CRY FOR HELP CAME FROM THE OTHER SIDE OF THE WORLD.

THIS DEVELOPED WHEN LITTLE KOREA URGENTLY APPEALED TO THE UNITED STATES FOR MILITARY AID AND DECLARED THAT A COMMUNIST ATTACK ON THE NEW REPUBLIC "APPEARS MOST LIKELY."

THE TINY AMERICAN-SPONSORED REPUBLIC--ASIATIC HOT SPOT IN THE COLD WAR--ADJOINS COMMUNIST-DOMINATED NORTHERN KOREA.

KOREAN AMBASSADOR JOHN MYUN CHANG MADE THE APPEAL TO PRESIDENT TRUMAN IN A WHITE HOUSE CONFERENCE THIS NOON, AND LATER TOLD NEWSMEN:

"WE ARE RIGHT ON THE SPOT. WE NEED QUICK ACTION ON THE PART OF THE UNITED STATES IN SUPPLYING US ARMS AND AMMUNITION TO THE MAXIMUM DEGREE. THERE IS NO TIME TO WASTE."

HELP FOR KOREA MAY BE FORTHCOMING SHORTLY. ON CAPITOL HILL, TWO SENATE COMMITTEES WERE REPORTED NEAR AGREEMENT ON A COMPROMISE FOR HANDLING PRESIDENT'S TRUMAN'S $1,450,000,000 ARMS AID PROGRAM. THE PROGRAM COVERS MILITARY AID NOT ONLY TO THE WESTERN NATIONS ALIGNED UNDER THE NORTH ATLANTIC TREATY, BUT ALSO TO KOREA, GREECE, TURKEY, IRAN AND THE PHILIPPINES. THE LATTER ARE NOT MEMBERS OF THE ATLANTIC PACT.

SENATOR CONNALLY (D-TEX) SAID MEMBERS OF THE COMBINED SENATE FOREIGN RELATIONS AND ARMED SERVICES COMMITTEES REACTED "FAVORABLY" TO THE PROPOSED COMPROMISE.

UNDER THE FORMULA, THE $1,160,990,000 REQUESTED BY PRESIDENT TRUMAN TO HELP RE-ARM EUROPEAN NATIONS IN THE ATLANTIC PACT WOULD BE CUT TO A FLAT $1,000,000,000.

A TOTAL OF $289,010,000 WOULD STILL BE LEFT FOR THE NON-PACT NATIONS TO HELP ERECT BULWARKS AGAINST ANY COMMUNIST ENCROACHMENT.

A FINAL DECISION ON THE COMPROMISE WAS PUT OFF, PROBABLY UNTIL NEXT WEEK.

COMMITTEE MEMBERS SAID THE COMPROMISE ALSO PROVIDES:

1. ONLY $100,000,000 IN CASH WOULD BE MADE IMMEDIATELY AVAILABLE FOR WESTERN EUROPE. IT WOULD BE USED CHIEFLY TO PACK AND SHIP U.S. "EXCESS ARMS" TO THE ATLANTIC TREATY NATIONS.

2. ANOTHER $400,000,000 IN CASH WOULD BE RELEASED ONLY AFTER AN ATLANTIC DEFENSE COUNCIL HAS ADOPTED AN OVER-ALL DEFENSE PLAN FOR THE NORTH ATLANTIC COUNTRIES.

A45WX

3. THE REMAINING $500,000,000 OF THE $1,000,000,000 TOTAL FOR EUROPEAN MEMBERS OF THE ATLANTIC ALLIANCE WOULD BE COVERED BY AUTHORITY TO ENTER INTO CONTRACTS. CONGRESS WOULD HAVE TO PAY THE MONEY EVENTUALLY.

SENATORS SAID THE COMPROMISE WOULD LEAVE THE GOVERNMENT FREE TO SPEND ARMS-AID MONEY TO RETOOL ARMS FACTORIES IN EUROPE, BUT WOULD BAN THE USE OF MONEY TO BUILD NEW ARMS FACTORIES ABROAD.

COMMITTEE MEMBERS SAID THE PROVISO MAKING ONLY $100,000,000 CASH IMMEDIATELY AVAILABLE WOULD HAVE THE EFFECT OF DELAYING THE USE OF U.S. DOLLARS FOR ARMS PRODUCTION IN EUROPE UNTIL AFTER THE ATLANTIC DEFENSE COUNCIL DECIDES THAT EUROPEAN ARMS PRODUCTION SHOULD BE EXPANDED.

FIVE PERCENTERS SUMMARY

MAJ.GEN. HARRY H. VAUGHAN TOLD THE SENATE'S FIVE PERCENTER INQUIRY TODAY HE HAD BEEN INVESTIGATED BY THE FBI AND HAD RECEIVED A CAMPAIGN CONTRIBUTION FROM A LAWYER WHO TALKED TO HIM ABOUT A PARDON FOR A CONVICTED LIQUOR BLACK MARKETER.

THIS TESTIMONY FROM PRESIDENT TRUMAN'S MILITARY AIDE HIGH SPOTTED A SOMETIMES HECTIC SESSION. ANOTHER DRAMATIC DEVELOPMENT CAME WHEN SENATOR MCCARTHY (R-WIS) WITHDREW AN EARLIER STATEMENT EXPRESSING BELIEF THAT VAUGHAN HAD NOT PROFITED PERSONALLY FROM ANY OF HIS "DEALS."

VAUGHAN MADE CLEAR HE COOPERATED WITH THE FBI IN ITS INVESTIGATION OF A CHARGE THAT HE HAD ACCEPTED A BRIBE IN AN INCOME TAX FIXING CASE.

AND VAUGHAN'S ASSISTANT AT THE WHITE HOUSE, COL. C.J. MARA, SAID FLATLY THE FBI HAD EXONERATED HIS BOSS.

BOTH VAUGHAN AND MARA ALSO DENIED UNDER SHARP QUESTIONING THAT THE FBI SCRUTINY CONCERNED A CHARGE THAT VAUGHAN HAD TAKEN MONEY FROM LIQUOR INTERESTS IN RETURN FOR EFFORTS TO GET THEM MORE RATIONED GRAIN.

AS FOR THE CAMPAIGN CONTRIBUTION, VAUGHAN SAID HE DIDN'T THINK IT "COULD HAVE BEEN OVER A COUPLE OF HUNDRED DOLLARS." AND HE

DENIED IT HAD ANY CONNECTION WITH THE PAROLE MATTER.

MCCARTHY SAID YESTERDAY HE HAD HAD THE FEELING ALL ALONG -- AND STILL FELT -- THAT VAUGHAN DID NOT GET ANYTHING OUT OF HIS EFFORTS FOR HIMSELF. TODAY HE ASKED THAT THE PART OF HIS STATEMENT ABOUT HOW HE FEELS NOW BE STRICKEN FROM THE RECORD.

IT WAS MCCARTHY WHO LED VAUGHAN THROUGH TESTIMONY ABOUT THE TAX FIXING, GRAIN ALLOTMENTS AND CLEMENCY AFFAIRS.

VAUGHAN TESTIFIED THAT J. EDGAR HOOVER, FBI DIRECTOR, HAD TELEPHONED HIM THAT HE HAD BEEN "ACCUSED OF ACCEPTING A BRIBE FOR A PROMISE TO FIX AN INCOME TAX CASE."

HE SAID HE OPENED HIS FINANCIAL RECORDS TO THE FBI, AND ADDED THAT AGENTS WNE TO KANSAS CITY AND NEW ORLEANS IN CONNECTION WITH THE CASE.

VAUGHAN SAID THE INQUIRY STARTED WITH A REQUEST FROM A "MEMBER OF THE PRESS." HE DID NOT NAME HIM.

BUT MARA, CALLED TO THE STAND TO EXPAND ON THE REPORT, SAID IT WAS COLUMNIST DREW PEARSON.

MARA ADDED THAT PEYTON FORD, TOP RANKING ASSISTANT ATTORNEY GENERAL, TOLD HIM VAUGHAN HAD BEEN "COMPLETELY EXONERATED."

MCCARTHY NAMED THE LIQUOR INTERESTS INVOLVED IN THE ALLEGED REPORTS AS "SCHENLEY" AND "COSTELLO." HE SAID FRANKIE COSTELLO, REPUTED NEW YORK GAMBLING KINGPIN; WILLIAM HELIS, HRSE OWNER AND RACE TRACK FIGURE, AND PHIL KASTEL ARE PARTNERS IN A LIQUOR CONCERN.

A145WX

YESTERDAY VAUGHAN HAD DENIED ANY KNOWLEDGE THAT ANY OF THE DEMOCRATIC CAMPAIGN CONTRIBUTIONS HE RECEIVED CAME FROM COSTELLO. HE SAID HE DID GET A CONTRIBUTION -- HE THOUGHT IT WAS AROUND $2,000 - THROUGH HELIS.

IN THE CLEMENCY CASE VAUGHAN SAID ATTORNEY WILLIAM H. NEBLETT CALLED ON HIM IN THE INTEREST OF ROBERT GOULD OF CINCINNATI, SERVING SIX YEARS IN THE LIQUOR BLACK MARKET CASE.

"I DON'T THINK THAT HAD A THING TO DO WITH IT, SENATOR," VAUGHAN TESTIFIED WHEN MCCARTHY ASKED HIM ABOUT A POSSIBLE CONNECTION BETWEEN THE CAMPAIGN CONTRIBUTION AND THE PAROLE GOULD FINALLY GOT.

IN FACT, HE SAID HE ONLY "THINKS" GOULD GOT A PAROLE ABOUT A YEAR LATER.

SHORTLY BEFORE THE HEARING RECESSED UNTIL TOMORROW, MCCARTHY DREW FROM VAUGHAN AN ACKNOWLEDGEMENT THAT HE BOUGHT A CAR FOR A FRIEND, MRS. MORRIS CAVANAUGH OF SPRING GREEN, WIS.

MCCARTHY SAID IT WAS AN OLDSMOBILE PURCHASSED IN 1947 AND THAT IT TURNED UP IN THE BLACK MARKET 10 DAYS LATER AT A PRICE OF $3,500.

VAUGHAN CALLED THE BLACK MARKET ANGLE "VERY MUCH A SURPRISE."

PF142PED

"IT'S NOT ONLY POSSIBLE, BUT IT'S PROBABLE."

MUCH OF TODAY'S TESTIMONY DEALT WITH THE FBI.

A14WX

MCCARTHY ASKED VAUGHAN IF HE HADN'T BEEN INVESTIGATED BY THE FBI IN CONNECTION WITH A CHARGE THAT HE TOOK MONEY FROM THE "SCHENLEY" AND "COSTELLO" LIQUOR INTERESTS. THIS INVESTIGATION, MCCARTHY SAID, HAD BEEN PROMPTED BY THE CHARGE THAT VAUGHAN HAD USED PRESSURE TO GET THE AGRICULTURE DEPARTMENT TO GIVE THE LIQUOR INDUSTRY MORE GRAIN.

VAUGHAN SAID HE NEVER HEARD OF ANY SUCH CHARGE.

FURTHERMORE, HE SAID, ONLY ONCE DID HE HAVE ANYTHING TO DO WITH THE LIQUOR QUESTION. THAT WAS WHEN, VAUGHAN SAID, THE PRESIDENT ASKED HIM TO CALL THE SECRETARY OF AGRICULTURE AND FIND OUT WHETHER THE LIQUOR INDUSTRY'S GRAIN QUOTAS WERE GOING TO BE REDUCED.

VAUGHAN SAID HE CALLED, AND FOUND THAT JUST A SHORT TIME PREVIOUSLY THE AGRICULTURE DEPARTMENT HAD LOWERED THE QUOTAS.

BUT HE SAID THAT NEVER HAD HE TRIED TO GET ANY MORE GRAIN FOR SCHENLEY OR COSTELLO. IN FACT, HE SAID, HE NEVER HAD HEARD OF COSTELLO UNTIL THE HEARING STARTED.

LATER TODAY SCHENLEY DISTILLERS, INC., ISSUED THIS STATEMENT:

"GENERAL VAUGHAN NEVER MADE ANY INQUIRY FOR US AND WAS NEVER PAID ANYTHING BY US, NOR ASKED TO DO ANYTHING FOR US ON GRAIN OR ANY OTHER MATTER."

AS FOR THE FBI INVESTIGATION THAT DID TAKE PLACE, VAUGHAN SAID HE TURNED OVER ALL HIS BANK ACCOUNTS AND OTHER RECORDS SO THAT A THOROUGH CHECK COULD BE MADE. THE FBI ALSO LOOKED IN HIS SAFE DEPOSIT BOX, VAUGHAN SAID.

MARA SAID THAT HE NEVER SAW THE FILES ON VAUGHAN, THAT FORD SIMPLY LOOKED THEM OVER AND SAID THAT VAUGHAN WAS "COMPLETELY EXONERATED."

MARA SAID HE DIDN'T GO TO THE JUSTICE DEPARTMENT BECAUSE HE HAD ANY DOUBTS ABOUT VAUGHAN.

"I WAS NOT INTERESTED IN ANY FILES OTHER THAN THE ALLEGATIONS THAT GENERAL VAUGHAN WAS MIXED UP IN A TAX CASE," MARA SAID. "WE KNEW HE WAS NOT.

"WE KNEW THE PEOPLE PERSECUTING HIM WOULD BRING THIS UP AGAIN."

TWICE DURING HIS TESTIMONY MARA REFERRED TO THE HEARING AS "THIS TRIAL."

VAUGHAN WAS ASKED BY MCCARTHY IF HE WAS WILLING TO HAVE THE FBI TURN OVER TO THE COMMITTEE ALL THE FILES IT HAD ON HIM.

VAUGHAN SAID IN HIS OPINION IT WAS ALL RIGHT. BUT HE ADDED:

"I DOUBT VERY MUCH WHETHER MY OPINION WOULD CARRY MUCH WEIGHT WITH THE FBI."

MCCARTHY: "I'M INCLINED TO THINK YOU'RE RIGHT."

VAUGHAN: "I'M INCLINED TO AGREE WITH YOU."

AT ONE POINT, MCCARTHY ASKED THE GENERAL IF HE HAD CHECKED WITH THE JUSTICE DEPARTMENT TO SEE IF MARAGON HAD A CRIMINAL RECORD BEFORE VAUGHAN WROTE A LETTER OF RECOMMENDATION.

VAUGHAN SAID, NO, HE HADN'T.

"LET ME SUGGEST," SAID MCCARTHY, "THAT IF YOU CONTINUE IN YOUR PRESENT POSITION THE COUNTRY WILL BE A LITTLE BETTER OFF IF YOU INVESTIGATE THESE MEN BEFORE YOU RECOMMEND THEM."

THE STATE DEPARTMENT ANNOUNCED THIS TONIGHT, MARKING THE FIRST MOVE TO PUT THE DEFENSE TREATY INTO OPERATION.

THE BRIEF STATE DEPARTMENT ANNOUNCEMENT GAVE NO INDICATION OF THE TOPICS THE FOREIGN MINISTERS WILL DISCUSS. BUT IT IS BELIEVED CERTAIN THAT THEY WILL CONCENTRATE ON PLANS FOR DIVIDING THE MORE THAN $1,000,000,000 IN ARMS THAT PRESIDENT TRUMAN HAS ASKED CONGRESS TO APPROVE FOR THEM.

(260) WASHINGTON,AUG. 31-(AP)-A SCHEDULED APPEARANCE OF SPOKESMEN FOR ARAB REFUGEES BEFORE SENATORS CONSIDERING DISPLACED PERSONS LEGISLATION WAS ASSAILED AS "UNMITIGATED AUDACITY" TODAY BY REP.CELLER (D-NY).

HE SAID "IT SEEMS STRANGE" THAT A SENATE JUDICIARY SUBCOMMITTEE "WOULD HEAR THEM AT THIS TIME." HE PREDICTED THE RESULT WILL BE "THE INFLAMING AND AROUSING OF THE ARAB MASSES."

CELLER, CHAIRMAN OF THE HOUSE JUDICIARY COMMITTEE, TESTIFIED BEFORE THE SENATE GROUP ON HIS BILL, ALREADY PASSED BY THE HOUSE, TO LIBERULIZE THE DISPLACED PERSONS ACT PASSED BY CONGRESS LAST YEAR.

HE CONTENDED THAT THE PROBLEM OF ARAB REFUGEES, ARISING OUT OF THE PALESTINE WAR, IS ENTIRELY SEPARATE FROM THAT OF DISPLACED PERSONS IN EUROPE.

"THE ARABS HAVE BEEN THE AGGRESSORS," HE SAID. "THEY STARTED THE WAR AND CREATED THE REFUGEE SITUATION AMONG THEIR OWN PEOPLE. IT'S LIKE A MAN WHO MURDERS HIS MOTHER AND FATHER AND THEN ASKS FOR CLEMENCY ON THE GROUND THAT HE IS AN ORPHAN."

THE ARAB SPOKESMEN ARE TO APPEAR BEFORE THE SENATE COMMITTEE FRIDAY MORNING. A COMMITTEE STAFF MEMBER SAID HE UNDERSTANDS THEY ARE NOT ARABS BUT PERSONS WHO HAVE DONE RELIEF WORK AMONG THE ARABS.

RICHARD ARENDS, A STAFF MEMBER, TOLD CELLER THAT THE ARAB SPOKESMEN WERE GOING TO BE HEARD "BY DIRECTION OF THE CHAIRMAN", SENATOR MCCARRAN (D-NEV).

CELLER SAID THE ARAB REFUGEE PROBLEM HAD NOTHING TO DO WITH HIS BILL TO INCREASE THE NUMBER OF DISPLACED PERSONS THAT MAY BE ADMITTED TO THIS COUNTRY. AND TO REMOVE OTHER RESTRICTIONS IN THE PRESENT LAW.

CELLER SERVED NOTICE THAT HE WOULD RESERVE THE RIGHT TO CALL HIS OWN HOUSE JUDICIARY COMMITTEE TO TAKE TESTIMONY IN ANSWER TO THE ARAB SPOKESMEN.

JOHNSON-LEGION (360)

(ADVANCE) PHILADELPHIA, AUG. 31-(AP)-BY "KEEPING AWAKE AND PREPARING ACCORDINGLY" AMERICA CAN ASSURE PERMANENT PEACE, SECRETARY OF DEFENSE LOUIS JOHNSON SAID TODAY.

"WE SHALL BUILD OUR RAMPARTS SO STRONG THAT NO AGGRESSOR WILL DARE ATTACK US.

"WE MUST ACHIEVE PEACE, AND WE WILL ACHIEVE IT.

"WE WILL ACHIEVE IT IN THE ONLY WAY POSSIBLE IN THIS WORLD OF TODAY--AFFIRMATIVELY--BY UNMISTAKABLE STRENGTH ON LAND AND SEA AND IN THE AIR," THE DEFENSE SECRETARY TOLD THE 31ST NATIONAL AMERICAN LEGION IN A PREPARED ADDRESS.

JOHNSON, IN WHAT HE CALLED HIS FIRST PUBLIC ADDRESS AS HEAD OF THE NEW DEPARTMENT OF DEFENSE, SAID PEACE HAS BEEN ELUSIVE IN THE PAST.

"TWICE IN OUR LIFETIME WE HAD IT IN OUR HANDS. TWICE WE LET IT SLIP AWAY. NOW WE HAVE IT AGAIN WITHIN OUR GRASP AND THIS TIME WE MUST BE DETERMINED NOT TO LET IT GO."

DRAWING A PARALLEL BETWEEN TWO POSTWAR ERAS, JOHNSON SAID RUSSIA CONTINUED ON V-J DAY WITH PLANS OF HER OWN JUST AS JAPAN, PLOTTING AGGRESSION, DID AFTER THE ARMISTICE WAS SIGNED IN 1918.

RUSSIA HAS PUSHED HER TROOPS "INTO THE MILITARY VOID AMONG THE PEOPLES ON HER BORDERS," THE DEFENSE SECRETARY DECLARED.

"INTO EVERY POLITICAL VACUUM ANYWHERE IN THE WORLD SHE BEGAN TO POUR HER VICIOUS PROPAGANDA AGAINST HER ERSTWHILE ALLIES."

BUT THERE, THE DEFENSE SECRETARY SAID, "THE PARALLEL BETWEEN THE TWO POSTWAR YEARS SUDDENLY STOPS. WE MAY HAVE BEEN DOZING ALRIGHT, BUT WE HAD NOT YET FALLEN COMPLETELY ASLEEP. WE CAUGHT OURSELVES IN TIME. NOW WE ARE FULLY AWAKE, GRIMLY DETERMINED THAT HISTORY SHALL NOT REPEAT ITSELF. ALREADY WE HAVE GONE A LONG WAY TO CORRECT THE MISTAKE OF OUR DEMOBILIZATION STAMPEDE."

AMERICA AGAIN HAS AN ARMY, A NAVY AND AN AIR FORCE WORTHY OF OUR COUNTRY AND THE PRIDE OF EVERY AMERICAN CITIZEN, JOHNSON SAID.

"AND THEY ARE GETTING BETTER EVERY DAY--STRONGER AND MORE EFFICIENT.

"MOREOVER THEY ARE ROUNDING THEMSELVES INTO ONE TEAM--A TEAM THAT WILL MAKE ALL ENEMIES STOP, LOOK AND LISTEN BEFORE ATTEMPTING AGGRESSION ACROSS OUR TRACKS."

PRAISING THE LEGION AS THE CHAMPION OF PREPAREDNESS AT THE END OF WORLD WAR I, JOHNSON SAID IT NOW IS AMERICA'S PURPOSE TO CONVERT THE DEPARTMENT OF DEFENSE IN EFFECT INTO A DEPARTMENT OF PEACE "WITH YOUR COOPERATION."

DESPITE THE HIGH COST OF OUR ARMED FORCES, JOHNSON SAID, A CUT OF $1,000,000,000 (B) IN EXPENDITURES IS THE GOAL SET FOR THIS YEAR.

THIS SAVING, HE TOLD THE LEGIONNAIRES, WILL BE EFFECTED BY ELIMINATING WASTE AND DUPLICATION THROUGH UNIFICATION OF THE ARMED FORCES.

THE WITNESS WAS CHIYEKO ITO, 26, LOS ANGELES, WHO ACCOMPANIED MISS TOGURI TO TOKYO SHORTLY BEFORE THE WAR AND SAID SHE SAW IVA FREQUENTLY DURING THEIR WARTIME RESIDENCE IN TOKYO.

THE DEFENDANT IS CHARGED WITH TRYING TO LOWER MORALE OF UNITED STATES TROOPS WITH BROADCASTS AIMED AT MAKING THEM HOMESICK AND UNEASY. THE DEFENSE CONTENDS MRS. D'AQUINO BROADCAST NOTHING MALICIOUS.

MISS ITO TESTIFIED IVA HATED THE JAPANESE MILITARISTS; DID NOT LIKE THE JAPANESE PEOPLE OR THEIR CUSTOMS, AND REPEATEDLY ASSERTED SHE WAS GOING TO KEEP HER UNITED STATES CITIZENSHIP, NO MATTER WHAT HAPPENED.

ON CROSS-EXAMINATION PROSECUTION TOM DE WOLFE READ A STATEMENT GIVEN BY MISS ITO TO THE FBI LAST OCTOBER. ASKED IF SHE HAD SIGNED IT VOLUNTARILY, SHE REPLIED: "NO OTHER CHOICE."

THE STATEMENT SAID SHE AND THE DEFENDANT RECEIVED NOTICE IN SEPTEMBER, 1942, ABOUT A POSSIBLE CHANCE TO RETURN TO THE UNITED STATES ON THE EXCHANGE SHIP GRIPSHOLM. BUT, IT SAID, MISS TOGURI DECIDED AGAINST COMING HOME BECAUSE JAPANESE WERE BEING SENT OUT OF WEST COAST AREAS AND SHE FELT SHE MIGHT BE INTERNED IF SHE CAME BACK.

TOKYO ROSE (240)
SAN FRANCISCO, AUG. 31-(AP)-THREE WARTIME MEMBERS OF UNCLE SAM'S FORCES IN THE PACIFIC HAVE ONLY KIND WORDS FOR THE RADIO TOKYO BROADCASTS FOR WHICH IVA TOGURI D'AQUINO IS ON TRIAL FOR TREASON.
THE THREE TESTIFIED VOLUNTARILY FOR THE DEFENSE YESTERDAY AS THE TRIAL OF THE 33-YEAR-OLD LOS ANGELES-BORN DEFENDANT OPENED ITS NINTH WEEK.
THE GOVERNMENT EARLIER HAD PRODUCED A SERIES OF FORMER SERVICE MEN WHO HAD TESTIFIED IN SUPPORT OF CHARGES THAT MRS. D'AQUINO, AS "ORPHAN ANN" ON RADIO TOKYO'S ZERO HOUR PROGRAM AND KNOWN TO GIS AS TOKYO ROSE, HAD BROADCAST TRAITOROUSLY. SHE IS CHARGED WITH DEROGATORY REFERENCES TO "BONEHEAD" ALLIED TROOPS, TALES OF SHIP LOSSES, PREDICTED TROOP MOVEMENTS, AND EFFORTS TO MAKE THE TROOPS LONESOME FOR WIVES AND SWEETHEARTS BACK HOME.
ROBERT SPEED OF BERKELEY, CALIF. AN EX-LIEUTENANT OF MARINES; NALINI KANT GUPTA, SAN FRANCISCO, FORMER INFANTRYMAN; AND SAM STANLEY, BERKELEY, WARTIME SEABEE BAKER, TESTIFIED IN BEHALF OF MRS. D'AQUINO YESTERDAY.
SPEED SAID HE SAW NO PROPAGANDA IN ORPHAN ANN'S BROADCASTS, THAT HE LISTENED TO IT CHIEFLY FOR ENTERTAINMENT. GUPTA SAID EVERYBODY LIKED THE GOOD JAZZ SHE PLAYED. STANLEY SAID HE ONLY REMEMBERED THE PROGRAM'S PRETTY MUSIC AND THAT THE PROGRAM "DIDN'T SOUND VERY VICIOUS."
STANLEY AND GUPTA RECALLED BEING CALLED "HONORABLE BONEHEADS," BUT SPEED DID NOT.
THE DEFENSE CONTENDS THAT THE MALICIOUS THINGS WHICH MRS.D'AQUINO IS CHARGED WITH BROADCASTING ACTUALLY WERE PUT ON THE AIR BY OTHER WOMEN ANNOUNCERS FOR THE JAPANESE.

PRIOGOV SAID HE'S CERTAIN THAT IF THE RUSSIANS COULD LAY THEIR HANDS ON HIM NOW "THEY WOULD TEAR ME TO PIECES."
HE SAID HE IS A BACHELOR AND THE FAMILY HE LEFT BEHIND IN RUSSIA CONSISTS OF THREE SISTERS AND ONE BROTHER. HE WAS ASKED IF HE FEARED FOR THE SAFETY OF HIS FAMILY AND ANSWERED:
"WHAT I HAVE DONE AND AM DOING IS MORE IMPORTANT THAN THE WELFARE OF MY FAMILY. SINCE MY FAMILY HAD NO PART IN THIS, I HOPE THAT PERHAPS THE RUSSIAN GOVERNMENT WILL LEAVE THEM ALONE. THE U.S.S.R. CONSTITUTION SAYS THE CHILDREN SHOULD NOT BE HELD RESPONSIBLE FOR THE SINS OF THEIR PARENTS, AND VICE VERSA, LET ALONE MORE DISTANT RELATIVES."
LAST FEBRUARY IN AN INTERVIEW HERE, PIROGOV WAS ASKED WHAT WOULD HAPPEN IF HE AND BARSOV RETURNED TO RUSSIA. PIROGOV REPLIED:
"FIRST, WE WOULD BE USED AS WEAPONS OF PROPAGANDA TO WRITE REPORTS OF THE UNITED STATES, SHOWING ALL THE BAD THINGS. AFTER A FEW MONTHS OF FREEDOM, WE WOULD BE TRANSPORTED TO SIBERIA."
PIROGOV REFLECTED A MOMENT AND ADDED: "MAYBE THEY WOULD SKIP THE FIRST PART."
WHEN THEY FIRST REACHED THIS COUNTRY, PIROGOV SAID, BARSOV "HATED EVERYTHING IN RUSSIA" AND WAS ENTHUSIASTIC ABOUT THE BOOK PIROGOV WAS PLANNING. IN FACT BARSOV HAD PROMISED TO WRITE A CHAPTER ON A VISIT HE ONCE MADE TO THE KREMLIN.
SUDDENLY, PIROGOV CONTINUED, BARSOV CHANGED HIS ATTITUDE AND SAID IT WOULD BE DANGEROUS IF HE CONTINUED WITH THE BOOK.
THE TALL, BROWN-HAIRED PIROGOV, WHO SAID HE TRIED SEVERAL TIMES TO PERSUADE BARSOV TO REMAIN IN THE U.S., PREDICTED HIS FELLOW REFUGEE WILL "DIE IN SIX MONTHS LIKE A DOG IN RUSSIA."
IN A BRIEF, PREPARED STATEMENT, PIROGOV SAID HE WAS DETERMINED TO REMAIN IN THIS COUNTRY. HE ADDED THAT HE HAD "NOT BEEN DISILLUSIONED" HERE.
PUBLISHED REPORTS IN NEW YORK TODAY SAID PIROGOV IS BEING GUARDED BY THE FBI AGAINST A POSSIBLE KIDNAP ATTEMPT BY SOVIET AGENTS.
HOWEVER, PIROGOV TOLD THE NEWS CONFERENCE HE HASN'T ASKED FOR ANY PROTECTION, HE WASN'T INFORMED HE WAS GETTING ANY AND HE HASN'T NOTICED HE WAS BEING PROTECTED.
THE FBI DECLINED COMMENT.

LAKE SUCCESS, AUG.31-(AP)-A SPECIAL COMMITTEE OF THE UNITED NATIONS ASSEMBLY REFUSED TODAY TO CONSIDER A SOVIET PROPOSAL WHICH IN EFFECT WOULD HAVE DECLARED THE REPUBLIC OF INDONESIA AN INDEPENDENT COUNTRY.

THE COMMITTEE, SET UP TO STUDY INFORMATION FILED ANNUALLY ON DEPENDENT TERRITORIES, DECIDED BY A VOTE OF 12 TO 4 THAT IT WAS NOT COMPETENT TO ACT ON THE SOVIET PROPOSAL.

THE UNITED STATES, BRITAIN AND FRANCE SUPPORTED THE MAJORITY VIEW THAT IT WAS UP TO THE RESPONSIBLE COUNTRY TO DECIDE WHAT TERRITORIES, IF ANY, SHOULD BE REPORTED ON AS NON-SELF-GOVERNING AREAS. CHINA, INDIA AND EGYPT SUPPORTED THE SOVIET MOTION.

THIS PROPOSAL, SUBMITTED YESTERDAY BY SOVIET DELEGATE A.A. SOLDATOV, CALLED ON THE COMMITTEE TO REJECT ALL DISCUSSION OF "THE INFORMATION RELATING TO THE INDONESIAN REPUBLIC TRANSMITTED BY THE GOVERNMENT OF THE NETHERLANDS, ON THE GROUND THAT THE INDONESIAN REPUBLIC IS AN INDEPENDENT STATE."

New York, Aug. 31--(ap)--Thomas J. Watson, President of the International Business Machines Corp., told scientists of 44 nations today everything the United States has accomplished is open to the world.

He was host at a luncheon to members of the United Nations Scientific Conference on Conservation and Utilization of Resources, which has been meeting at Lake Success since Aug. 17.

Watson said the united states hopes to be of assistance to other countries along the lines suggested by President Truman. He was referring to the Point Four program advanced by Mr. Truman for extending aid to underdeveloped countries.

Watson said the United Nations is a permanent part of the world and will benefit every individual and nation.

Scientists and technicians from 44 countries attended the luncheon. Also present were Secretary of the Interior Julius A. Krug, Secretary of Commerce Charles Sawyer, Trygve Lie, U.N. Secretary-General, and Robert P. Patterson, of New York, former secretary of war.

Patterson welcomed Lie home from a vacation in Norway. He said that "we New Yorkers are glad to see lie back at Lake Success after his so well earned vacation. We have the feeling that the solid progress made by the united nations in the past four years and its prospects for the future are due in the main to your (Lie's) energy, perserveranceand hard work. You (Lie) will not accept a check or a set-back and we love you for it."

Lie answered briefly to say that he and the U.N. secretariat needs "your understanding, your support and your help."

WILMINGTON,DEL.,AUG.31-(AP)-A CHEMICAL WHICH MAKES COTTON AND RAYON FLAME-RESISTANT, DURABLE TO WEATHER AND LAUNDERING, AND WHICH DOES NOT CHANGE THE "FEEL" OF THE MATERIALS WAS ANNOUNCED TODAY BY E.I. DU PONT DE NEMOURS AND CO.

PROPERLY APPLIED, THE CHEMICAL HAS NO EFFECT ON THE DRAPING QUALITIES, APPEARANCE OR STRENGTH OF FABRICS, THE COMPANY SAID. IT WILL BE USED ON FABRICS IN WHICH DURABILITY TO WEATHER AND CLEANING IS ESSENTIAL, BUT PROBABLY WILL NOT AFFECT THE USE OF EXISTING TYPES OF FLAME-RETARDANTS WHERE DURABILITY IS NOT SO IMPORTANT.

INSTEAD OF COATING THE FIBER SURFACE, AS DO OTHER RETARDANTS, THE CHEMICAL "LOCKS INTO THE MOLECULAR STRUCTURE OF THE FIBERS, CHANGING THEM CHEMICALLY BUT CAUSING NO CHANGE IN PHYSICAL PROPERTIES," THE COMPANY EXPLAINED.

THE NEW INORGANIC CHEMICAL IS A SOLUTION OF TITANIUM AND AN TIMONY SALTS. IT ADDS ONLY ABOUT 15 PER CENT TO THE WEIGHT OF THE FABRIC AND DOES NOT STIFFEN OR WEAKEN IT, THE COMPANY SAID. DU PONT'S MEDICAL DIVISION SAYS TESTING HAS SHOWN IT HAS NO IRRITATING EFFECT ON THE SKIN.

SEP 1 1949

THE CHEMICAL HAS BEEN TRADEMARKED AS "ERIFON". A FLAME HELD TO TREATED MATERIAL WILL CHAR THE FABRIC BUT THE FLAME DOES NOT SPREAD, AND THIS RESISTANCE WILL NOT NORMALLY WEAR OUT OR WASH OUT DURING THE LIFE OF THE ARTICLE, THE COMPANY SAID.

DU PONT REPORTED THAT ONLY TEXTILE FINISHING MILLS NOW CAN APPLY THE CHEMICAL. THE PROCESS IS TOO COMPLICATED FOR USE IN HOMES OR IN LAUNDERING AND DRY-CLEANING ESTABLISHMENTS.

WASHINGTON,AUG.31-(AP)-LICENSES FOR THE EXPORT OF AMERICAN GOODS TO YUGOSLAVIA MORE THAN DOUBLED IN THE FIRST QUARTER OF THIS YEAR OVER THE FINAL QUARTER OF 1948, A COMMERCE DEPARTMENT REPORT DISCLOSED TODAY.

FULL FIGURES FOR THE SECOND QUARTER OF 1949 ARE NOT YET AVAILABLE.

THE LICENSES IN THE FIRST THREE MONTHS CALLED FOR SHIPMENT OF $9,538,000 (M) WORTH OF SUPPLIES AND MATERIALS TO MARSHAL TITO'S GOV-

ERNMENT. THIS WAS $1,500,000 (M) GREATER THAN SHIPMENTS FOR ALL OF 1948.

THE REPORT MADE CLEAR THAT YUGOSLAVIA HAD BEEN GETTING MORE LIBERAL TREATMENT FROM THIS GOVERNMENT BEFORE CURRENT PROPOSALS CAME UP FOR SHIPMENT OF AN ENTIRE STEEL MILL AND THE GRANTING OF A LOAN TO THAT COUNTRY.

UNTIL THIS YEAR, EXPORTS TO THE YUGOSLAVS HAD BEEN HELD BETWEEN $1,000,000 (M) AND $3,000,000 A QUARTER. TEXTILE FIBERTS, METALS AND MACHINERY, ANIMAL PRODUCTS AND CHEMICALS WERE AMONG THE MAJOR ITEMS ON THE EXPANDED EXPORT LICENSE LIST.

THE REPORT WAS SECRETARY OF COMMERCE SAWYER'S QUARTERLY REPORT ON EXPORT CONTROL AND ALLOCATIONS. IT SHOWED A MARKED RELAXATION OF EXPORT CONTROLS GENERALLY.

THE DROPPING OF DEMAND AND IMPROVEMENT IN SUPPLIES OF ALMOST EVERY MATERIAL HAS PERMITTED THE DEPARTMENT TO FOCUS ATTENTION ON THE SECURITY ASPECTS OF EXPORT CONTROL, SAWYER TOLD THE PRESIDENT AND CONGRESS.

THE SECURITY EFFORTS ARE DESIGNED MAINLY TO PREVENT THE SHIPMENT OF SO-CALLED "CONTRABAND" ITEMS BEHIND THE IRON CURTAIN. THESE INCLUDE SUPPLIES WHICH MIGHT ADD TO THE WAR-MAKING POTENTIAL OF THE SOVIET UNION.

SAWYER NOTED THAT CONTROLS ON ANTIMONY, FERTILIZER, AND RAILROAD FREIGHT CARS WERE DROPPED ON JUNE 30.

THE ONLY REMAINING CONTROLS ARE THOSE LIMITING EXPORTS OF SCARCE GOODS--INVOLVING A SHORTENED LIST OF COMMODITIES--AND THE CONTROLS OVER THE SALE AND USE OF TIN.

GENERAL IMPROVEMENT IN TIN SUPPLIES, IF CONTINUED, SHOULD PERMIT A RELAXATION OF CONTROLS OVER THAT METAL AND PERHAPS THE COMPLETE
